You just took the armor off

You just took the armor off

You just took the armor off
to be able to move more freely!

I'm disappointed in you,
Mr. Bejeeta

I'm disappointed in you,
Mr. Bejeeta.

And I had such
high hopes for you.

If you'd just submitted,
you wouldn't have had to

experience terror like this

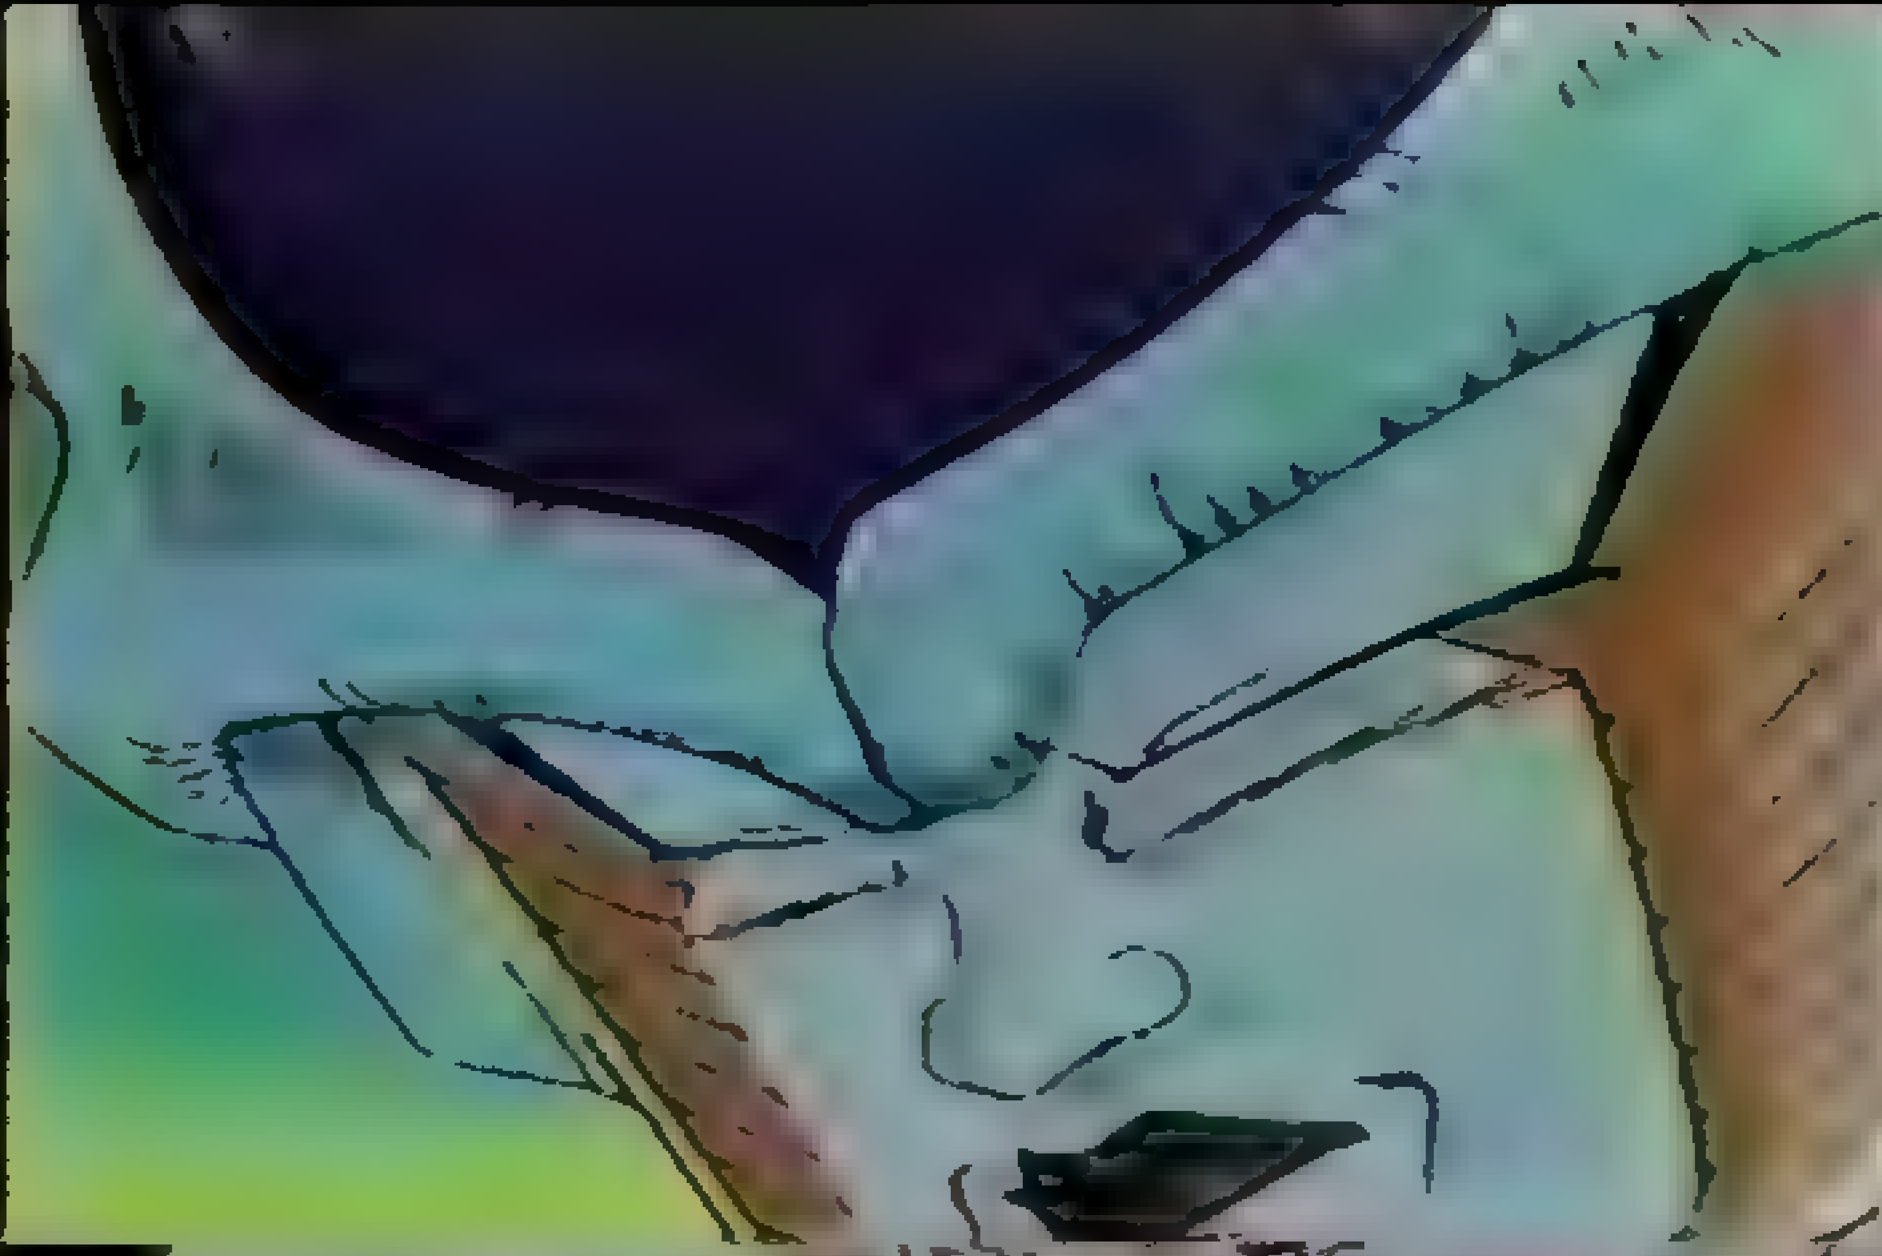

experience terror like this.

I hadn't submitted to you!

I hadn't submitted to you!

I just pretended to
while I patiently waited

for the chance to defeat you!

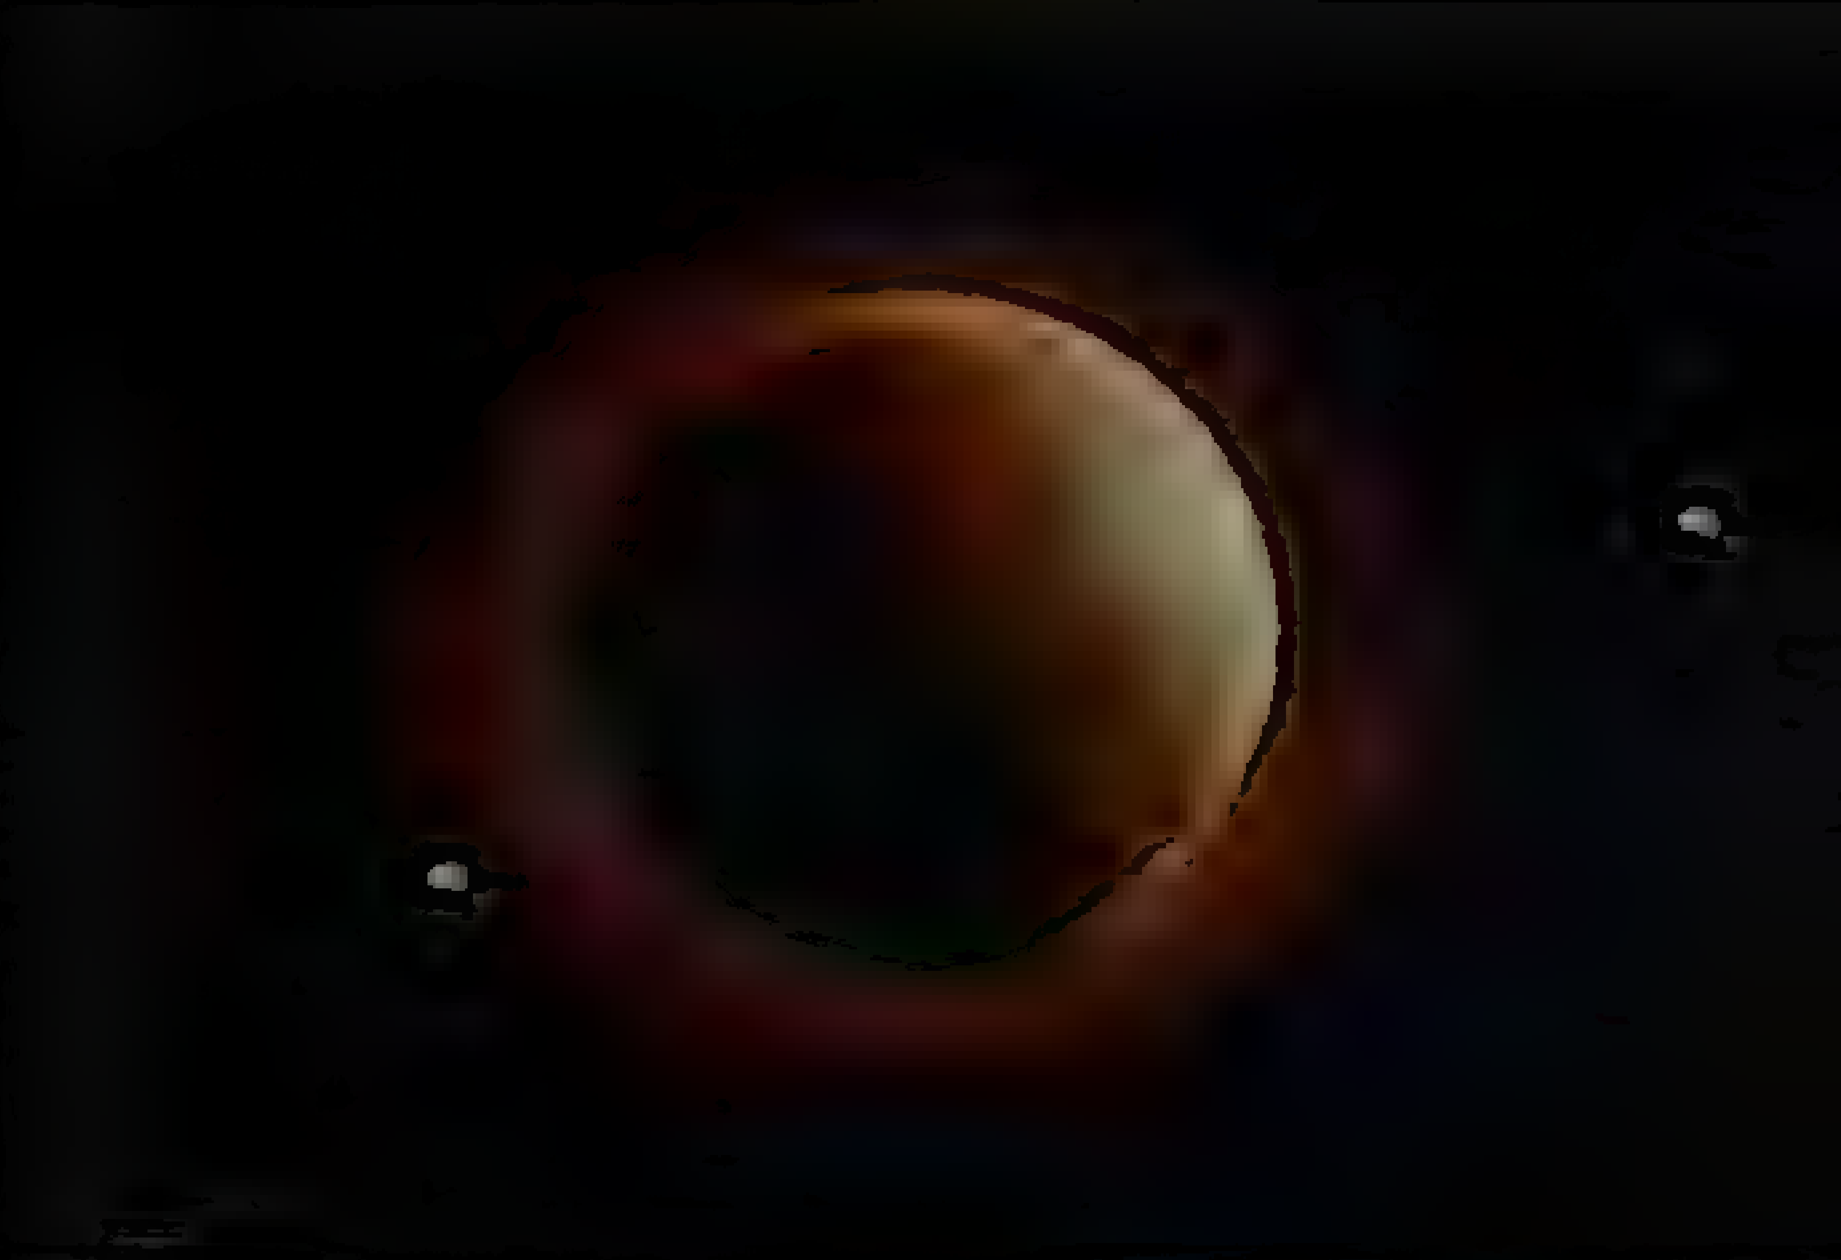

That's a bad habit
the Saiyans have.

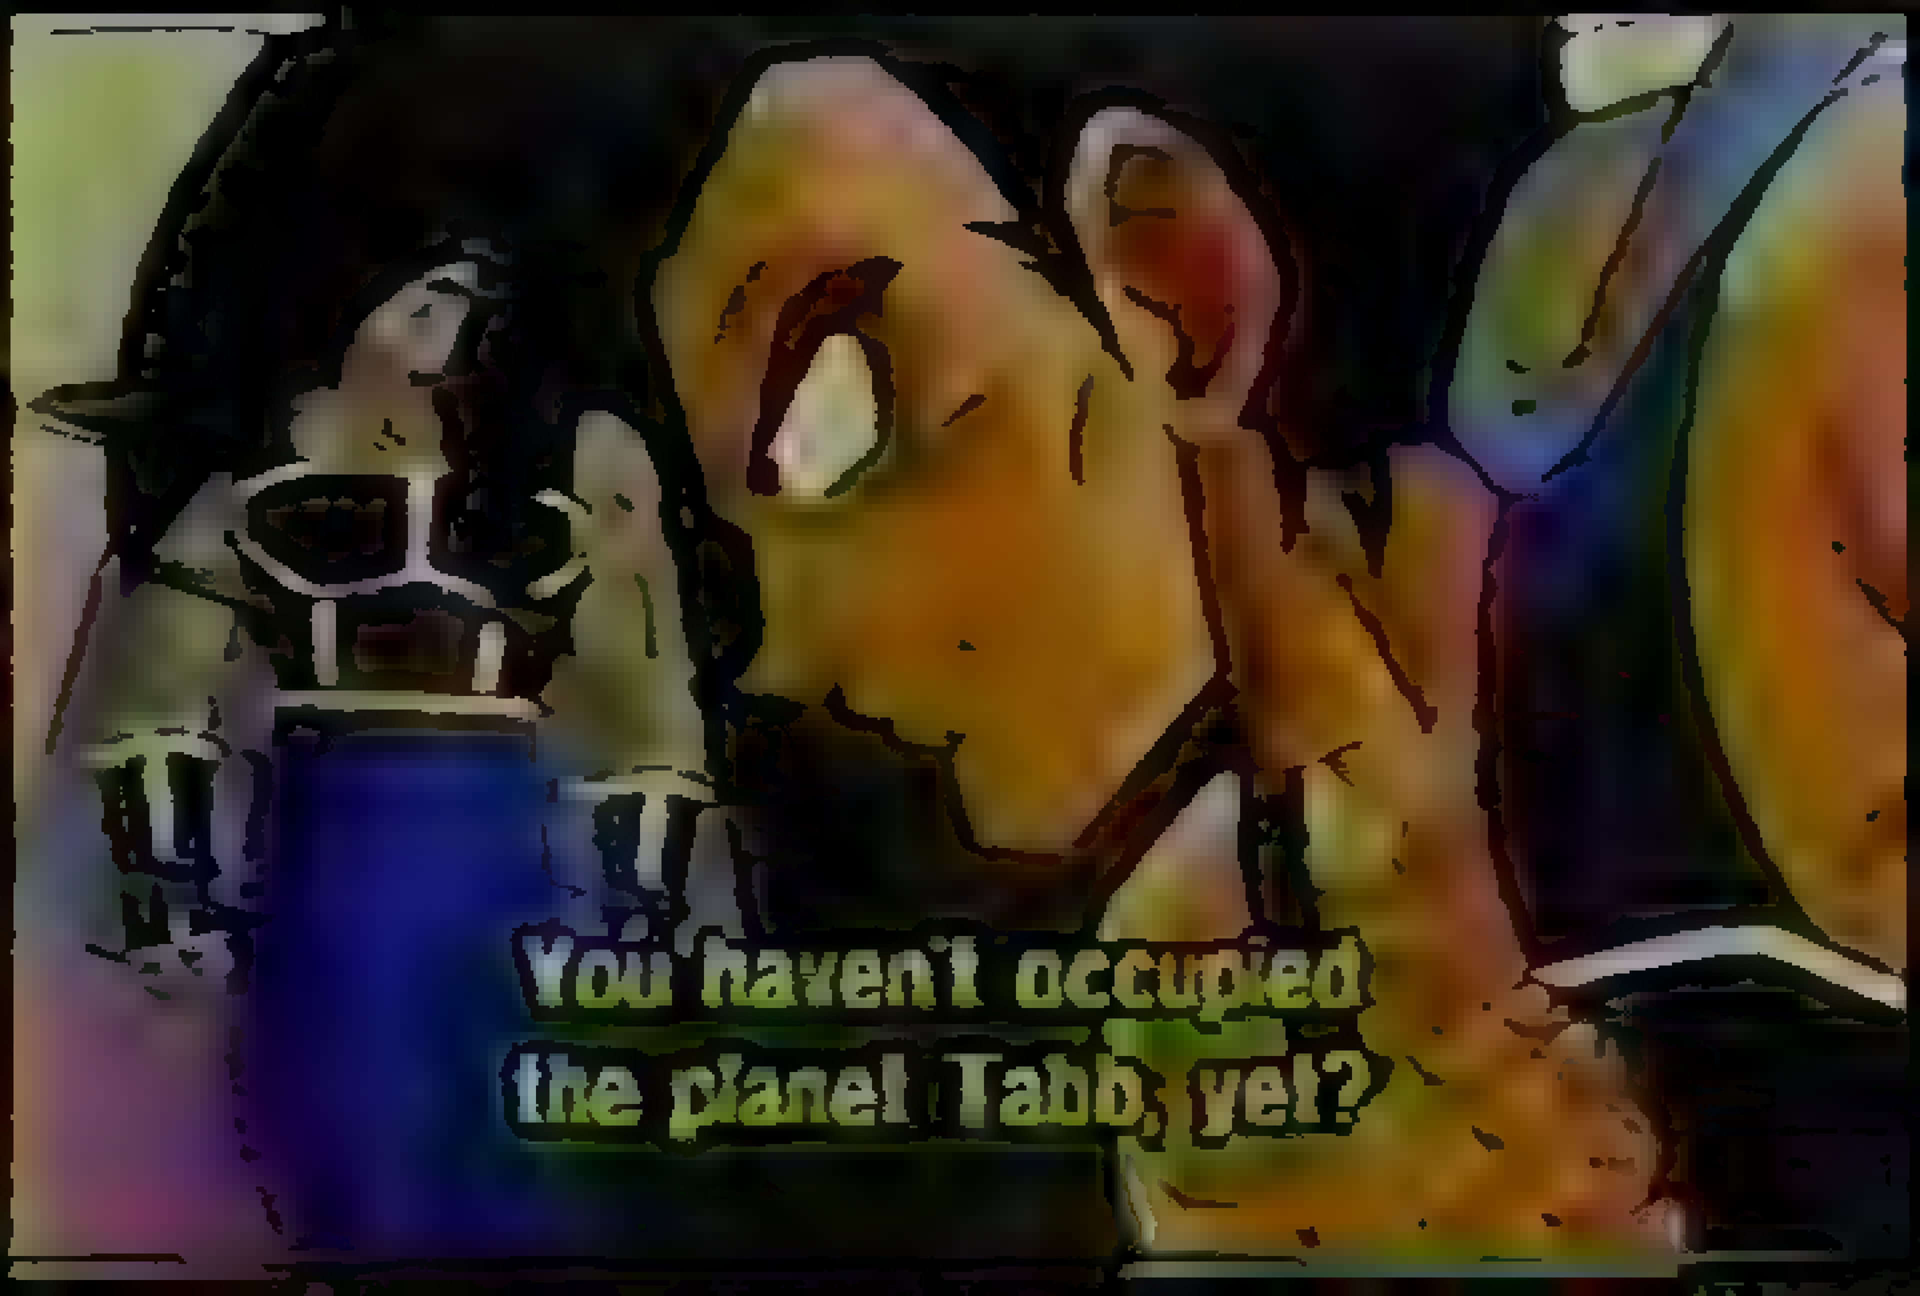

Your father, the king of the
planet Bejeeta, was the same.

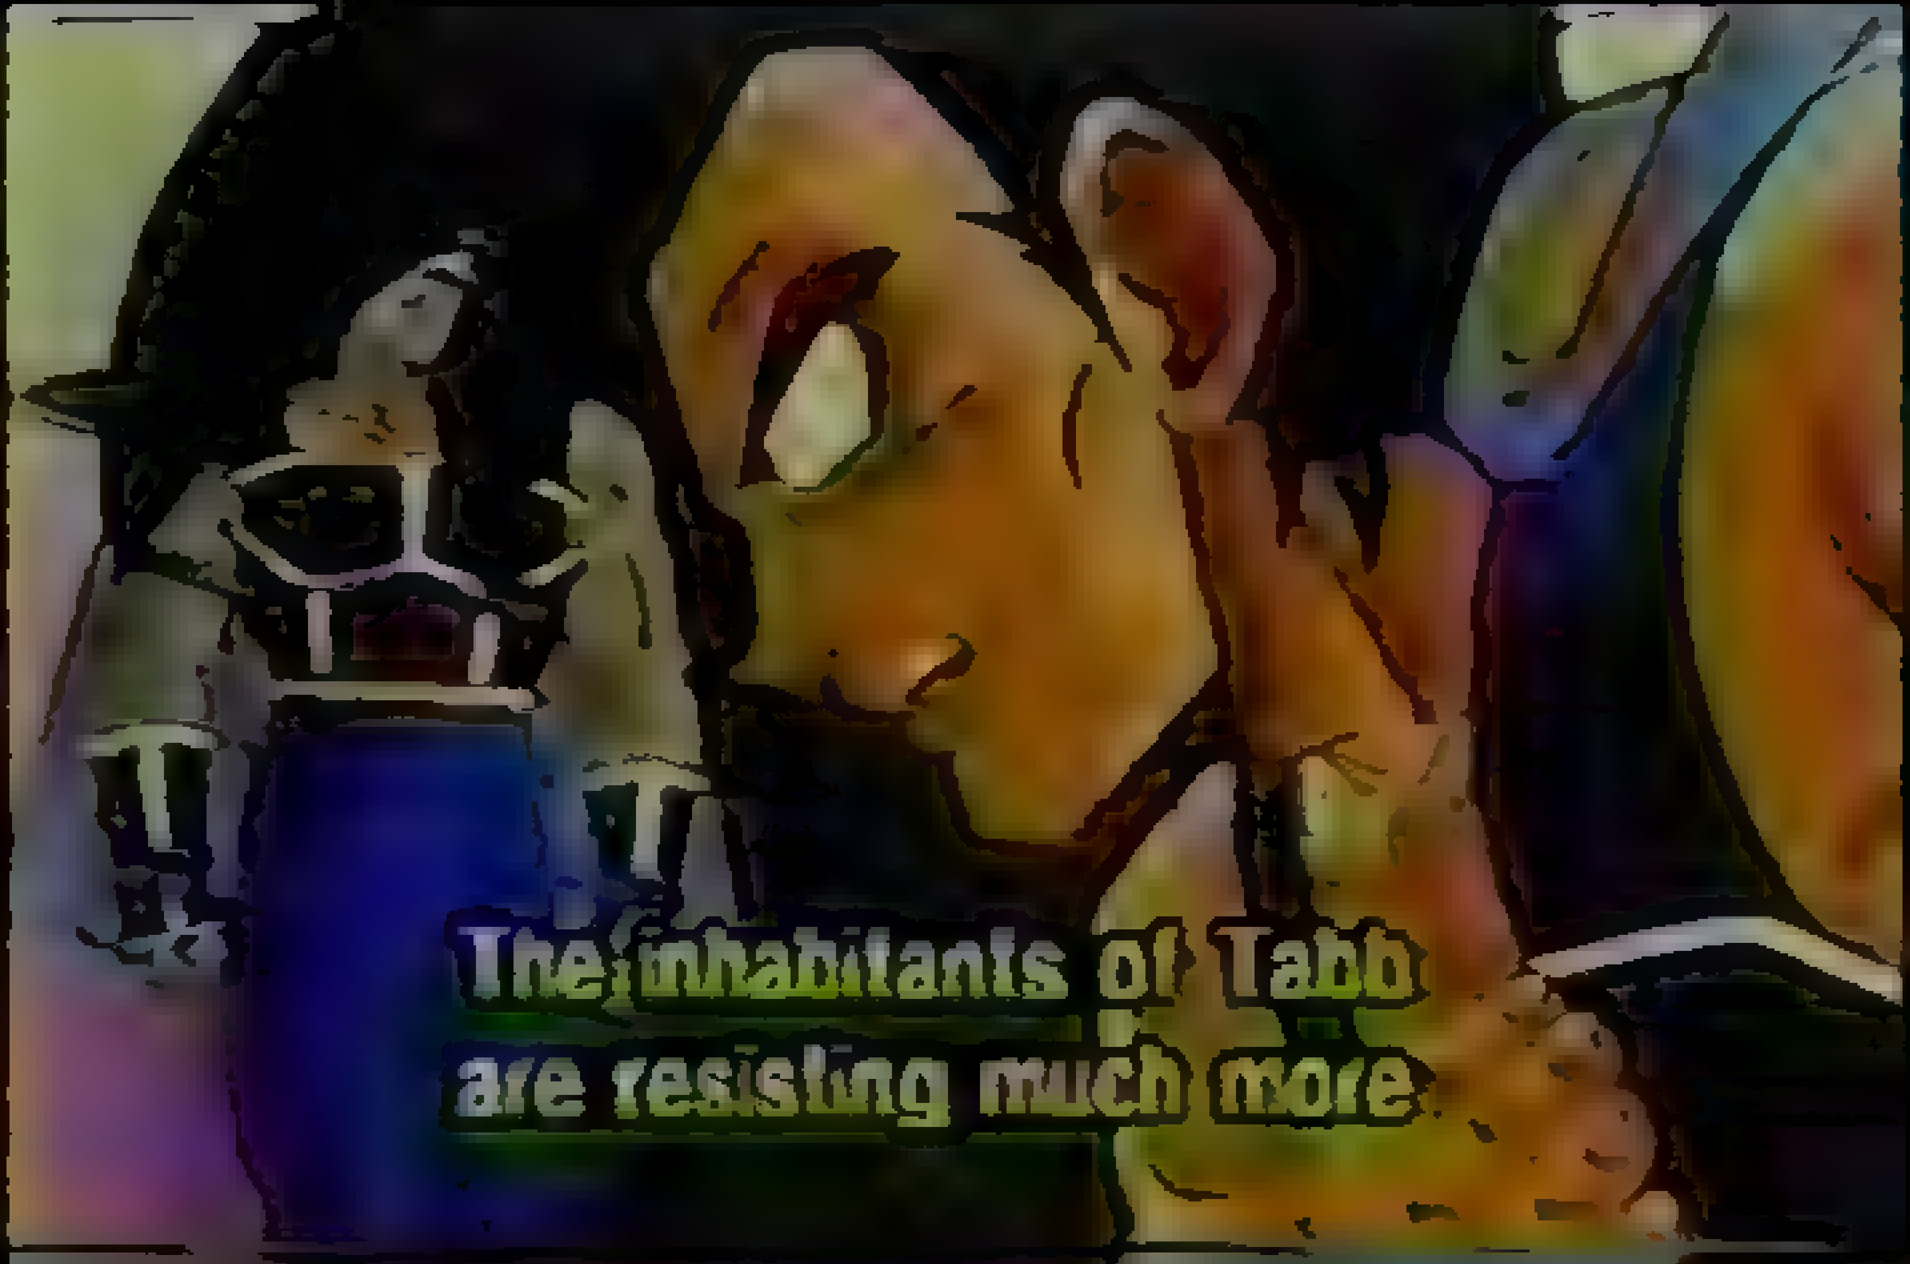

Your father, the king of the
planet Bejeela, was the same.

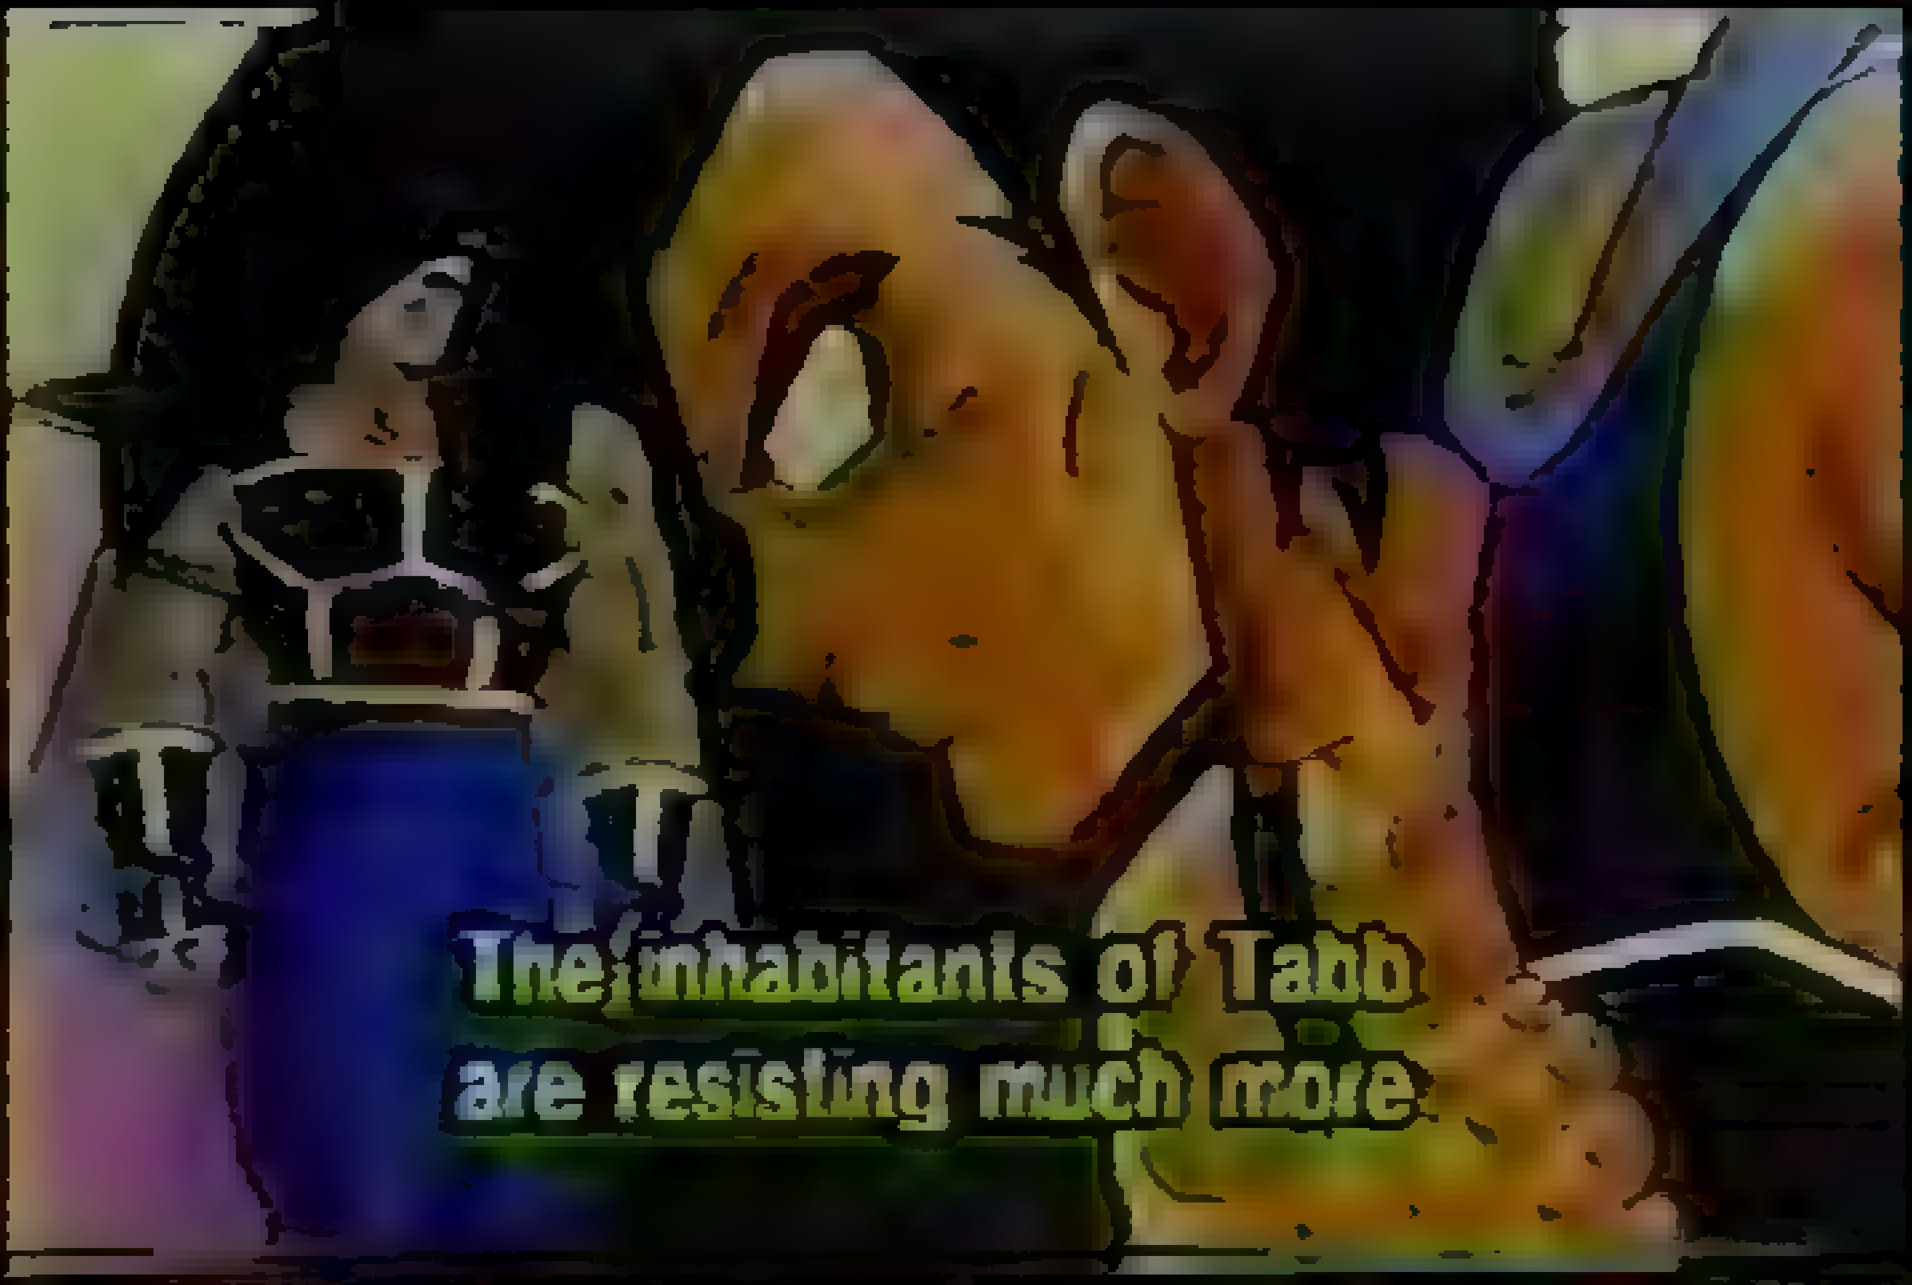

Your father, the king of the
planet Bejeela, was the same.

What did you say!

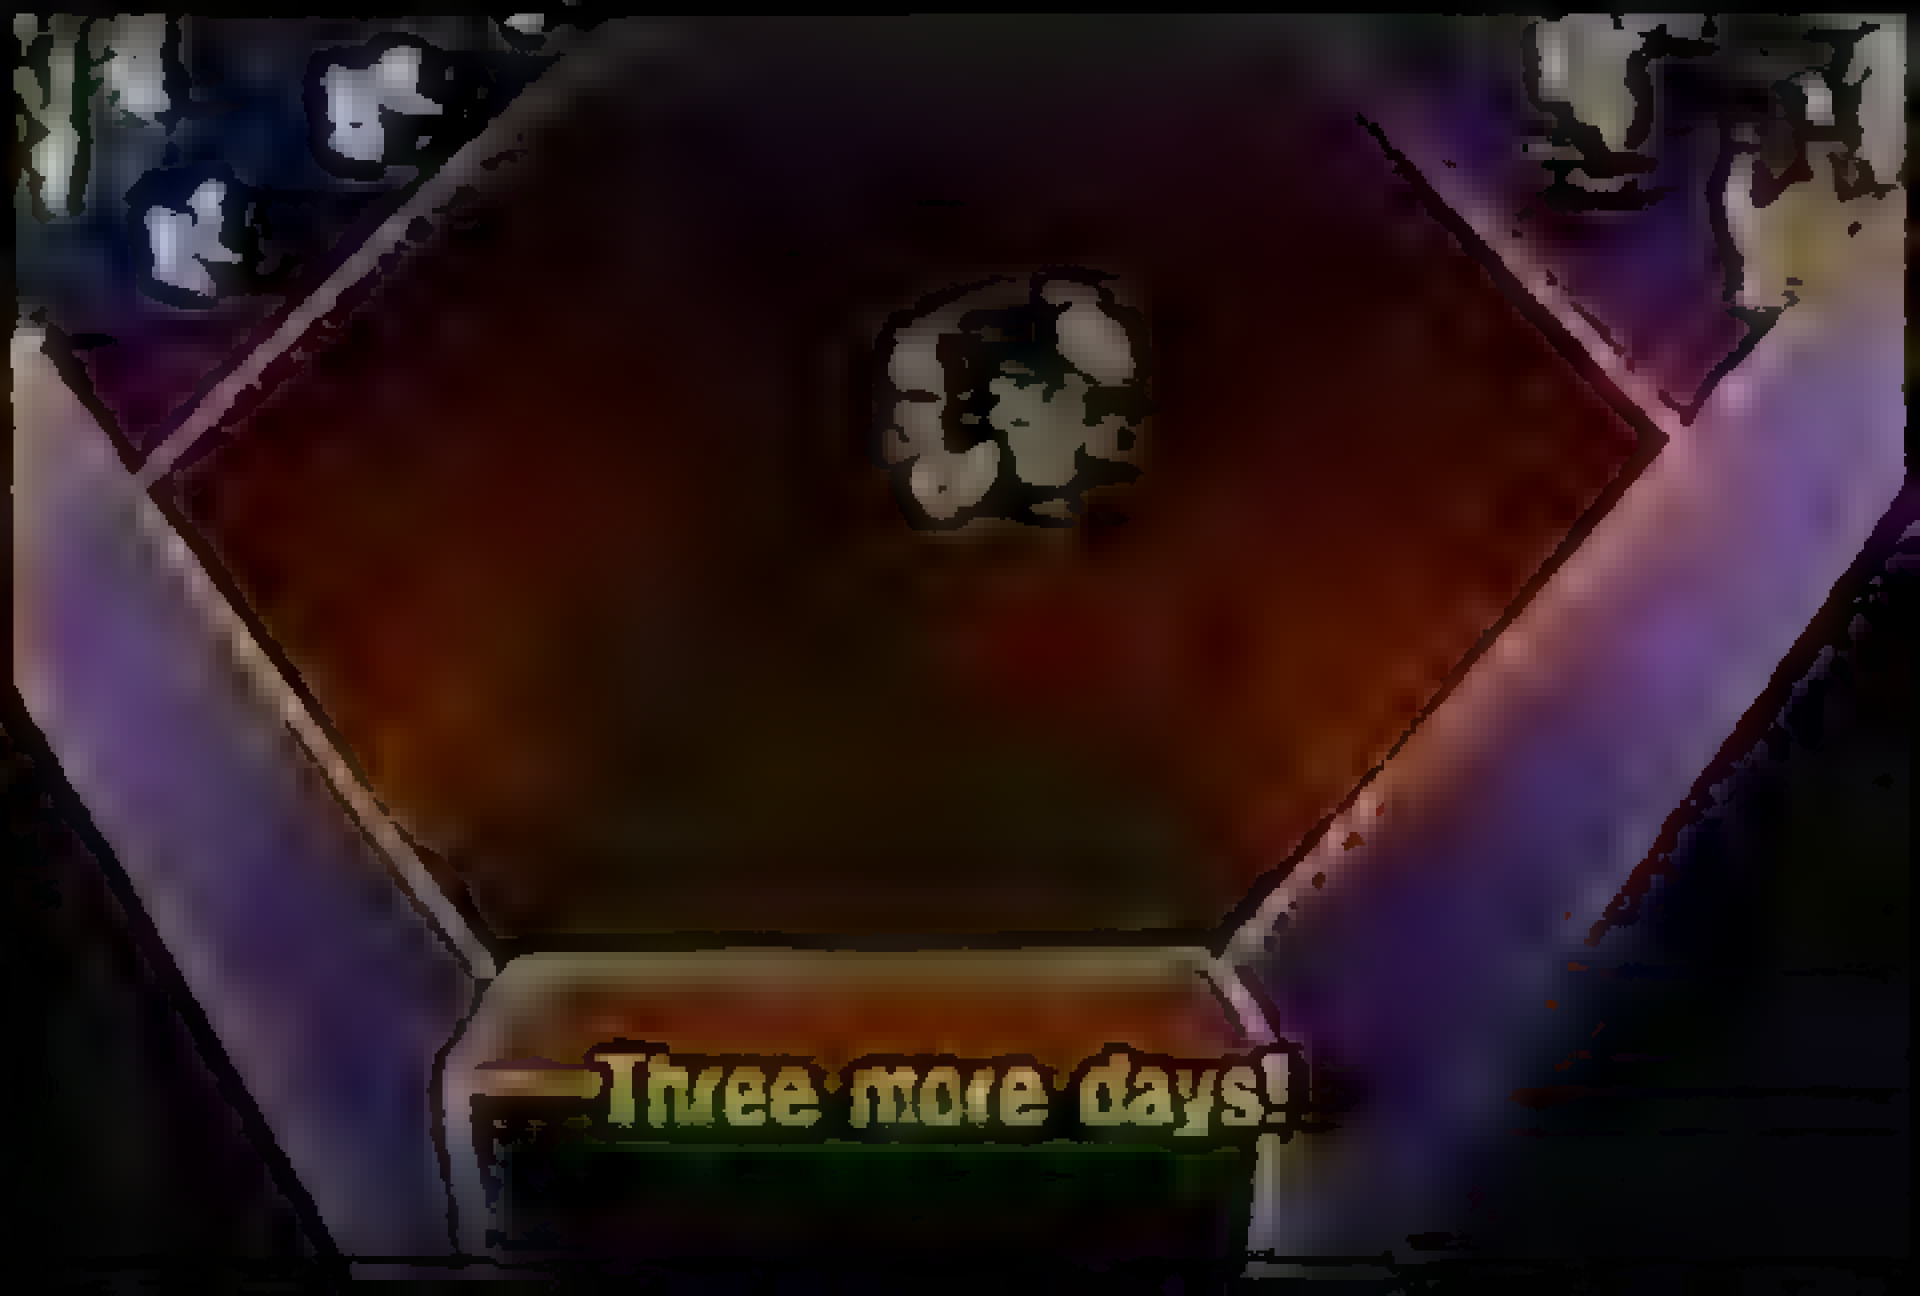

You haven't occupied
the planet Tabb, yet?

The inhabitants of Tabb
are resisting much more

The inhabitants of Tabb
are resisting much more

than we expected.

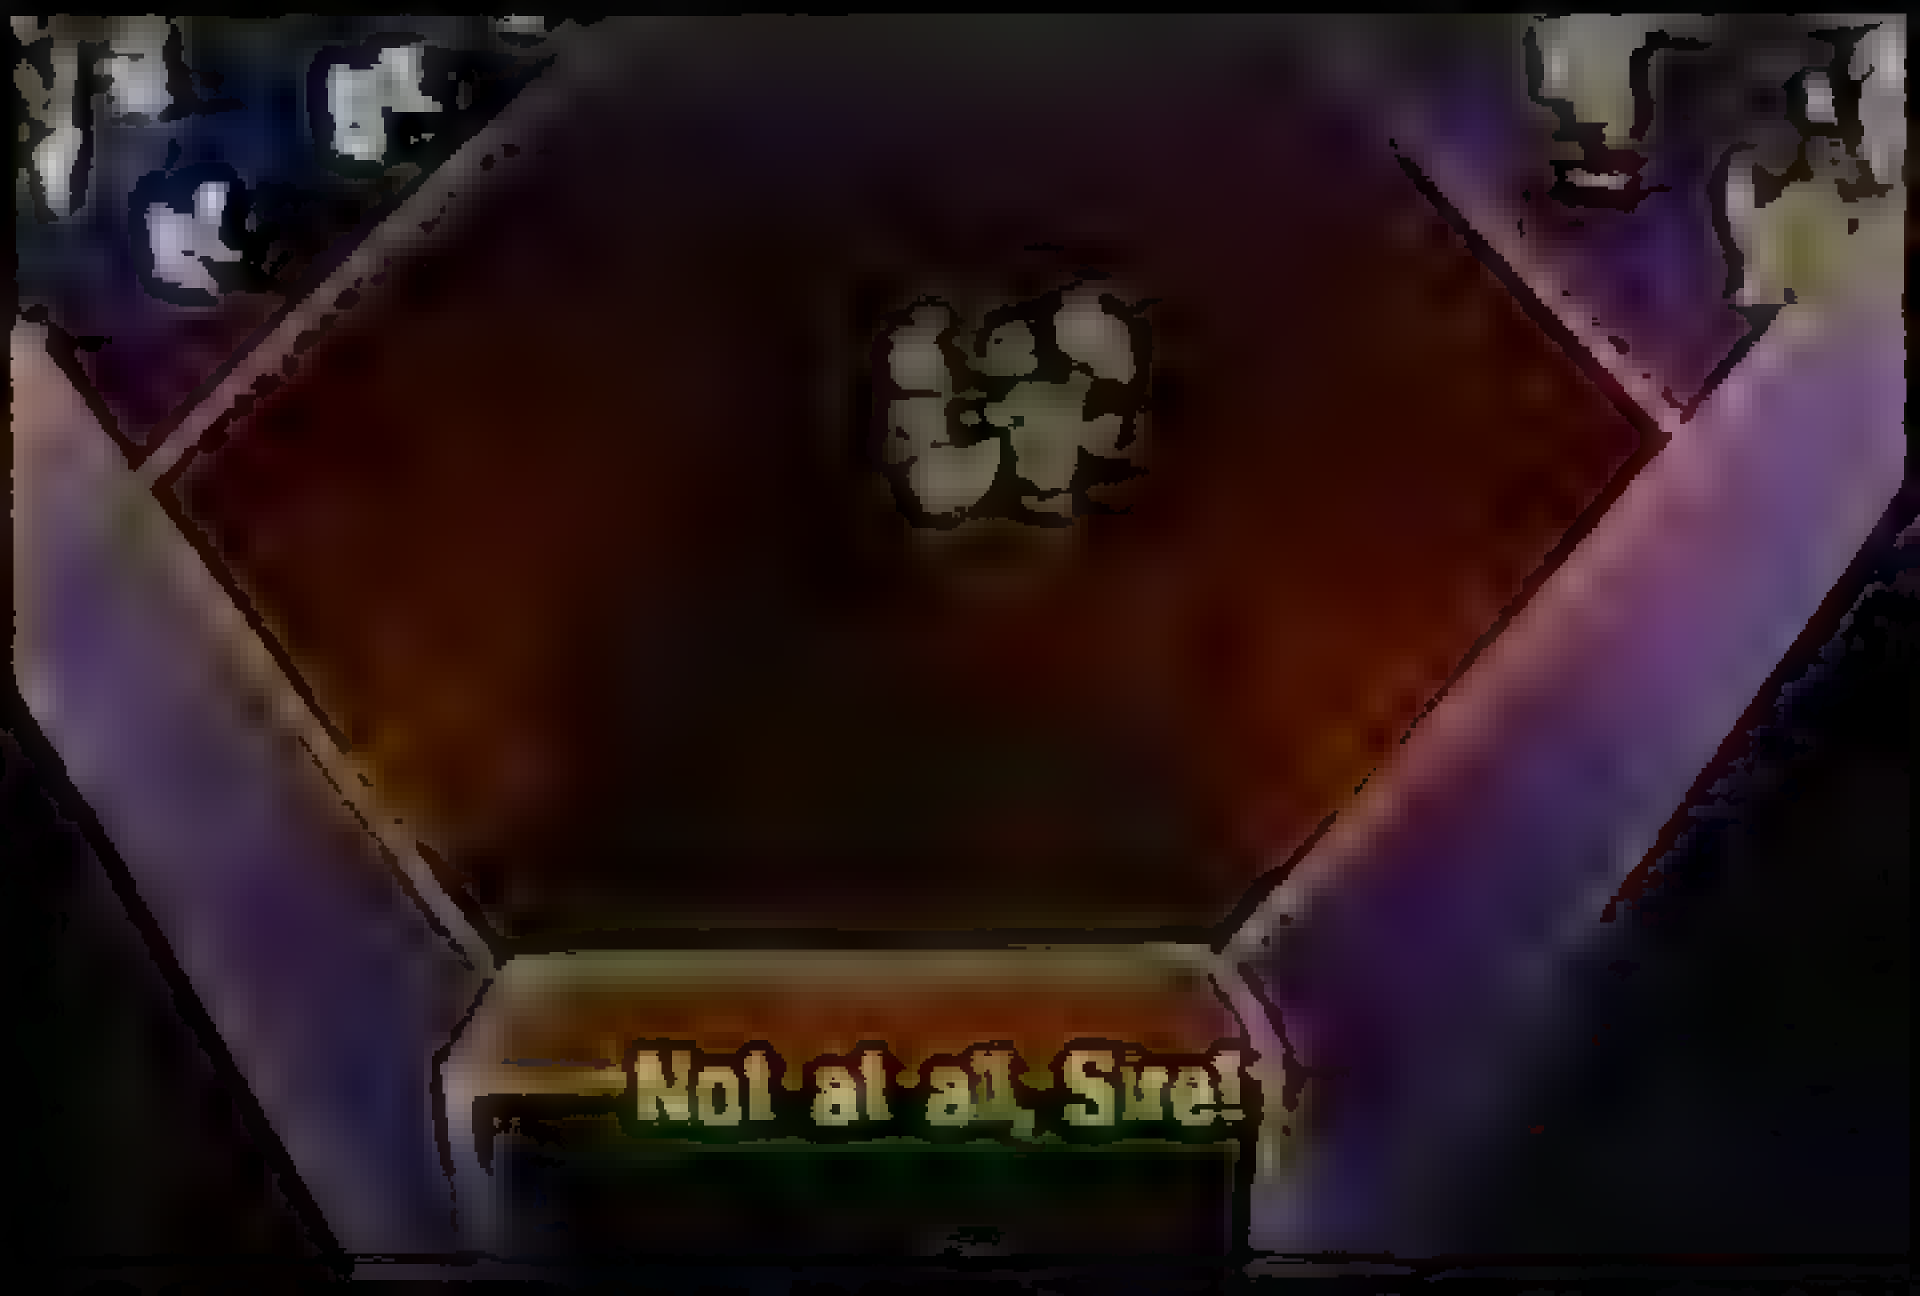

It should take
another three days.

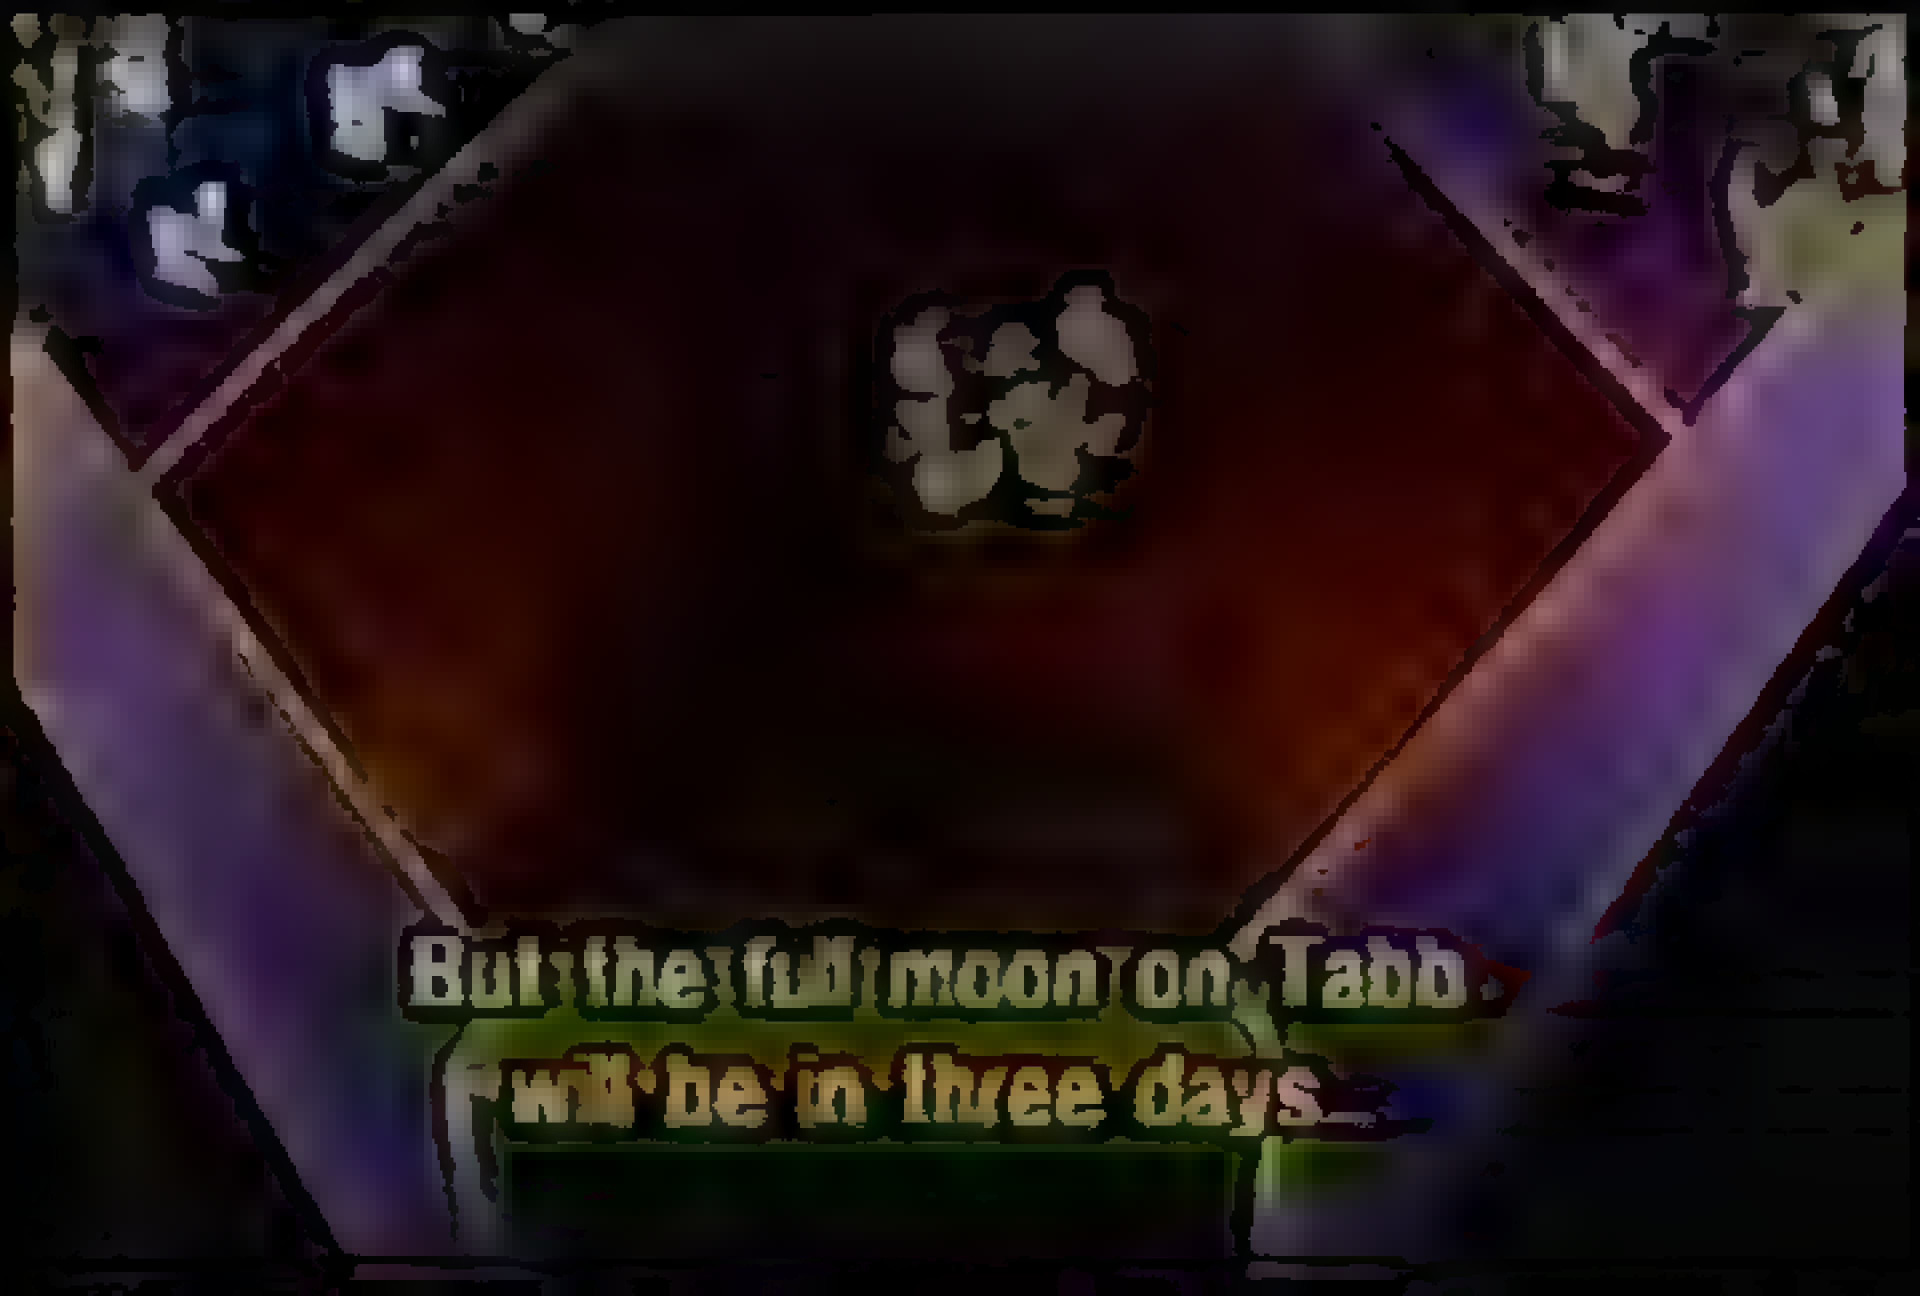

Three more days!

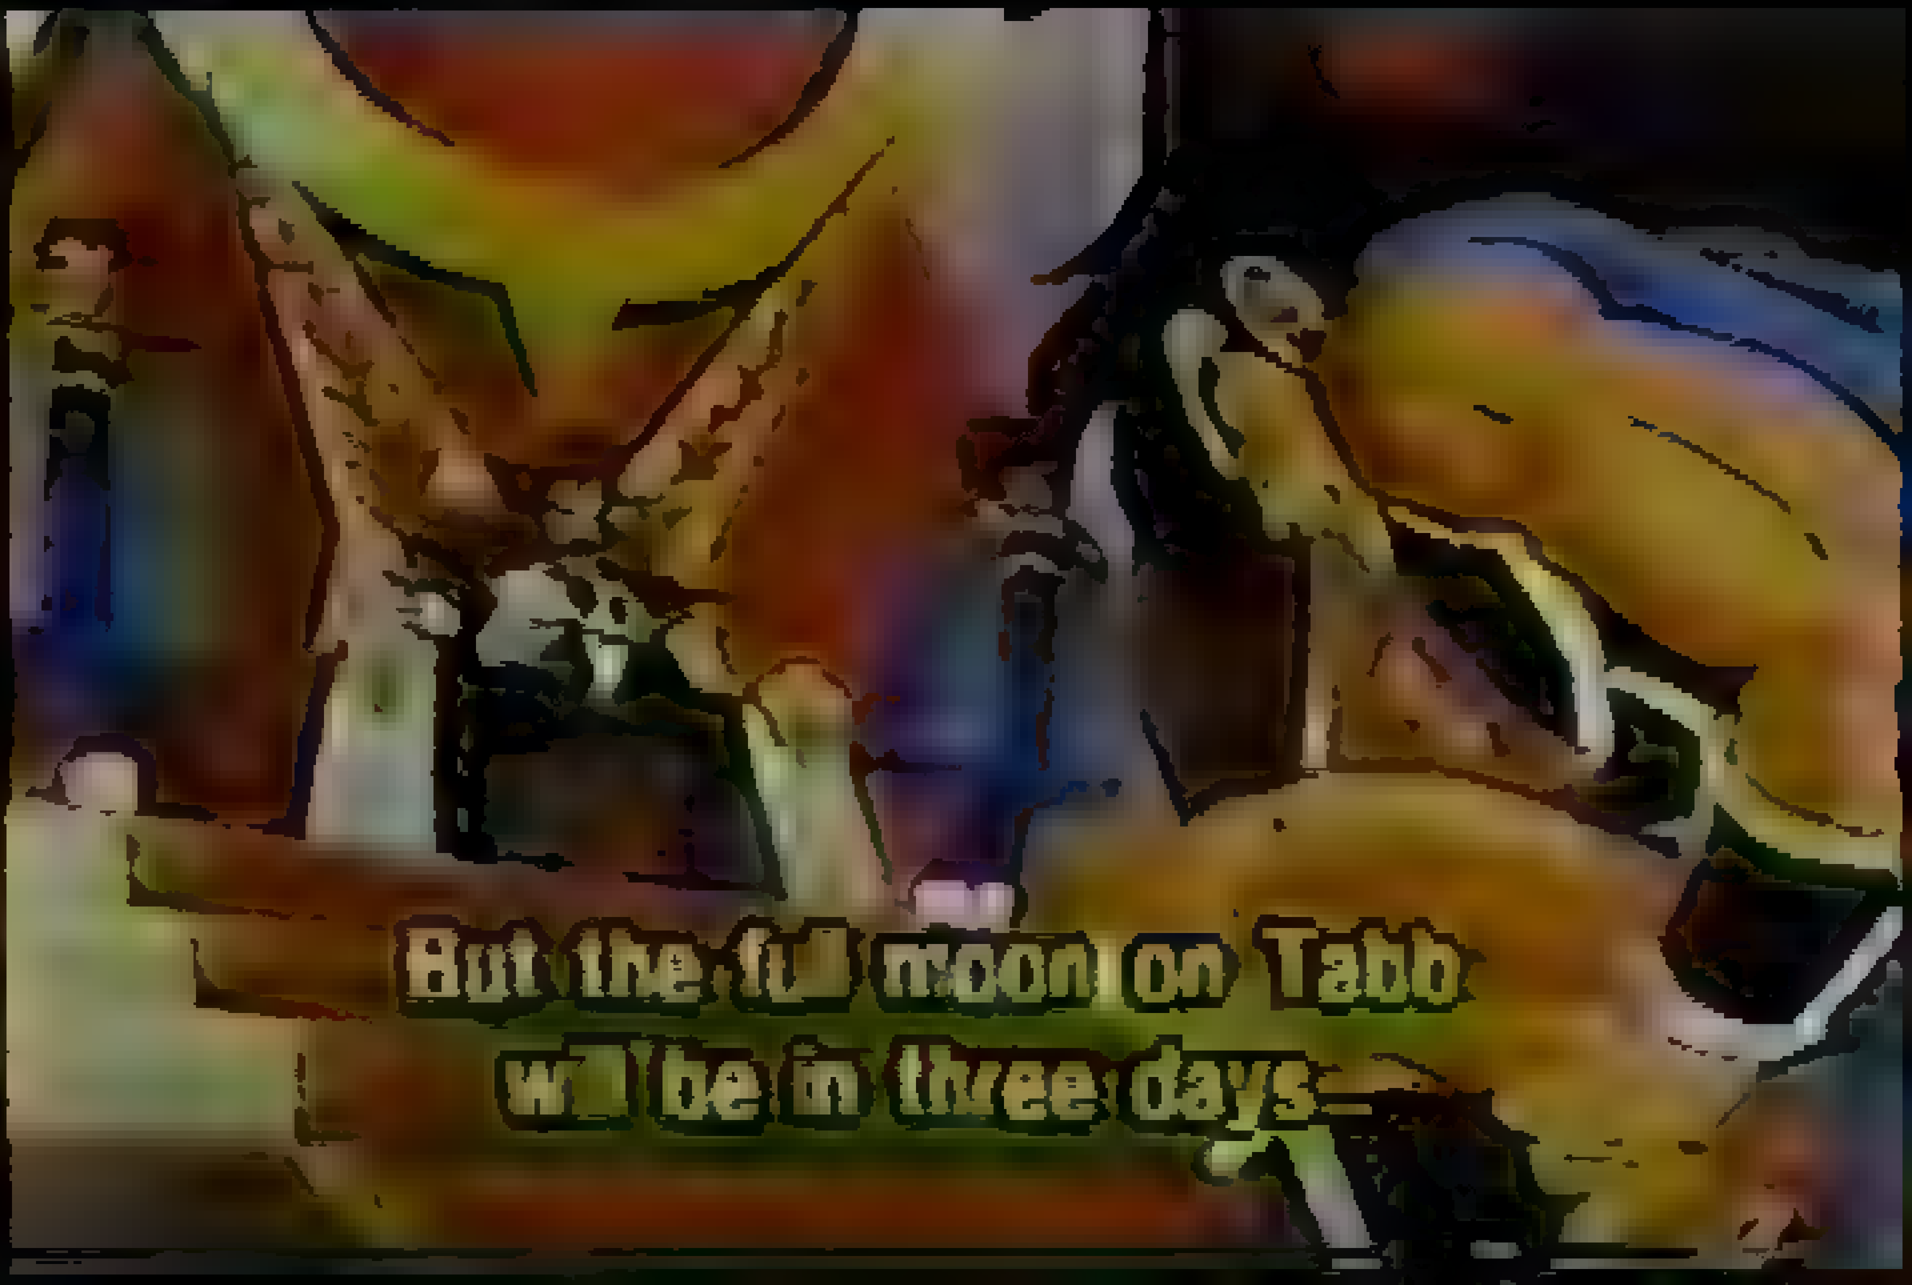

Please forgive us!

Have you forgotten that our
promise to Lord Freezer

was for tomorrow!

Not at all Sure!

But the full moon on Tabb
will be in three days

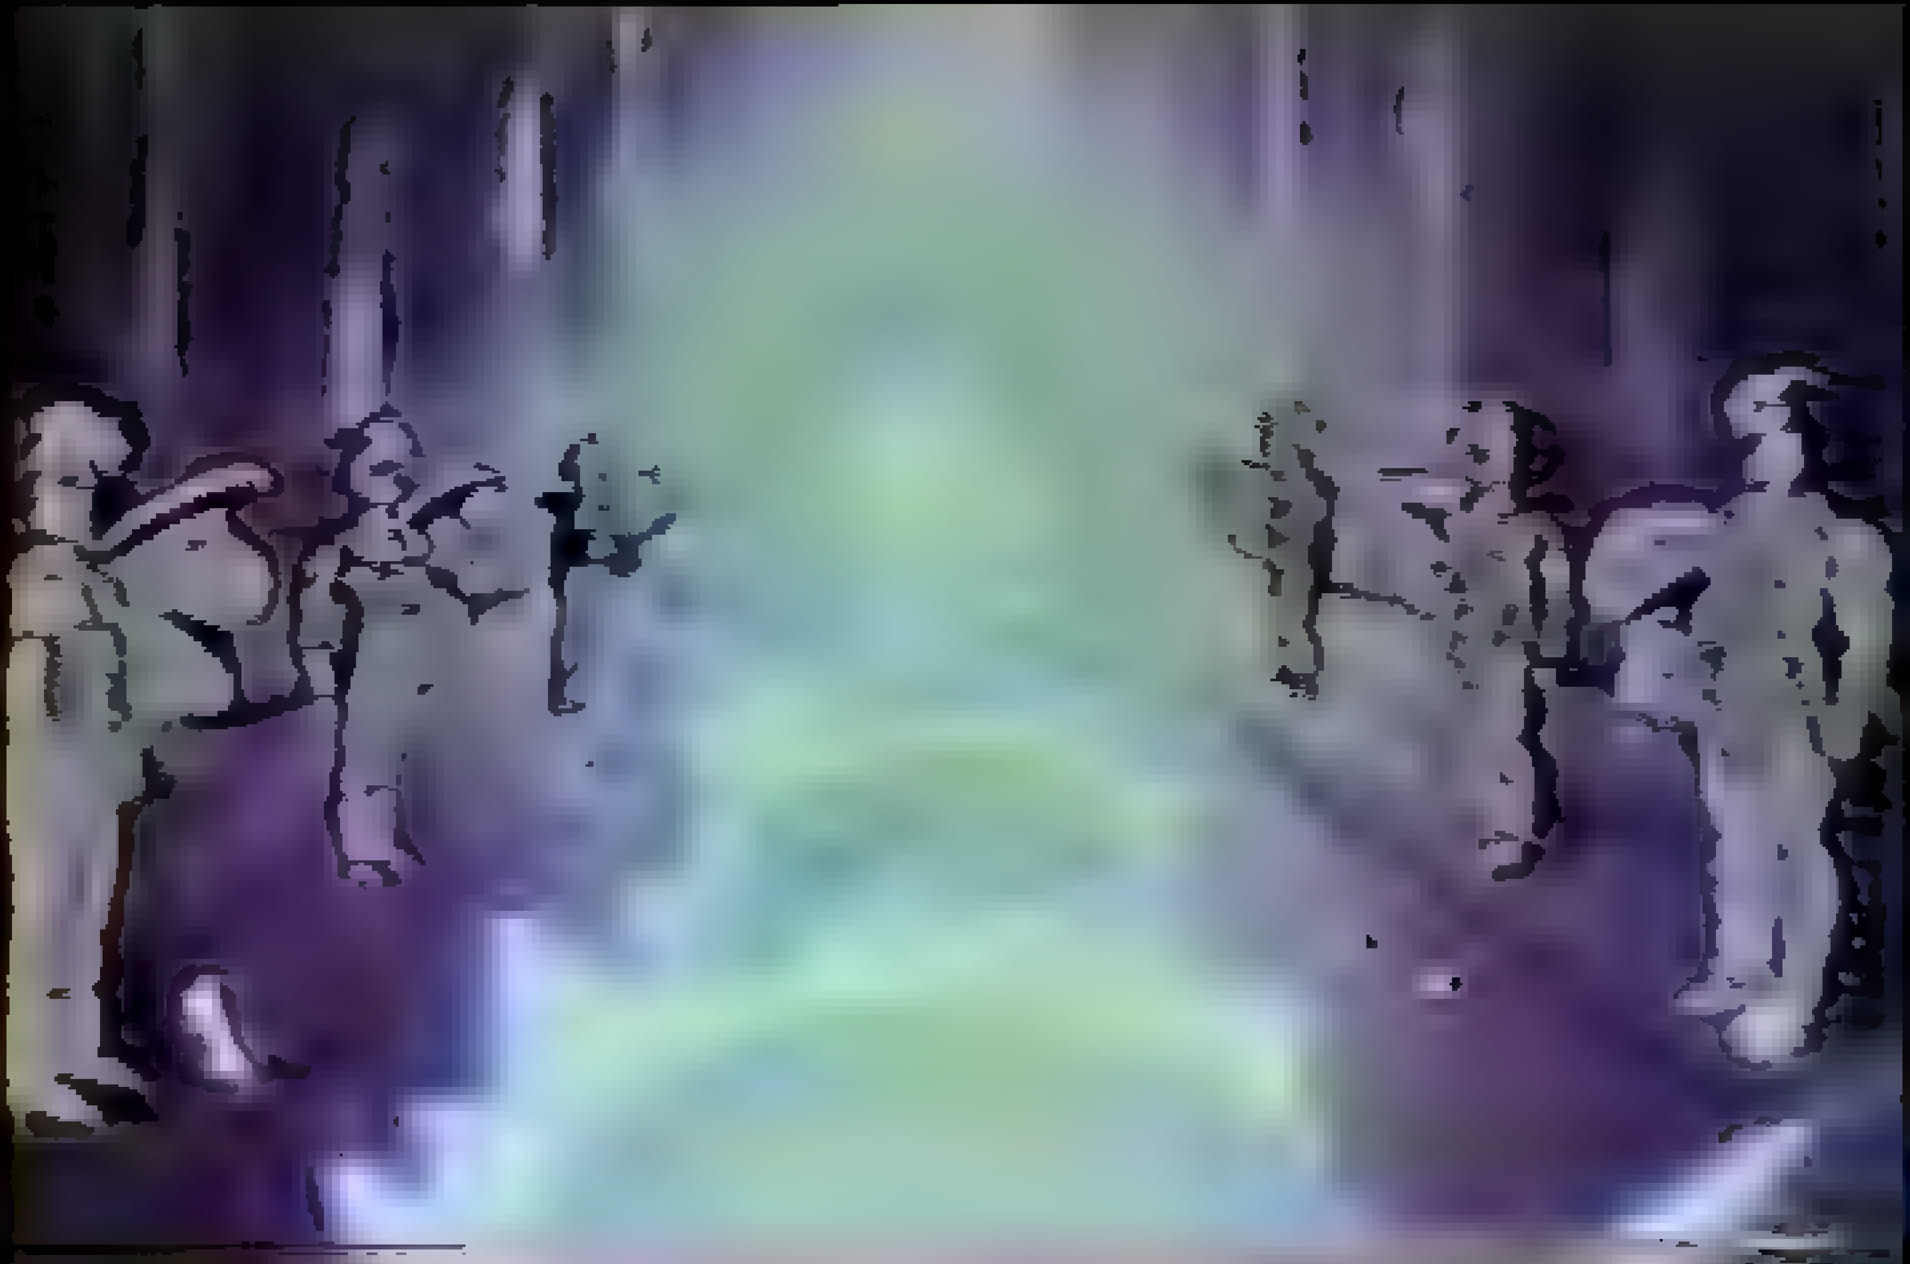

But the full moon on Tabb
will be in three days—

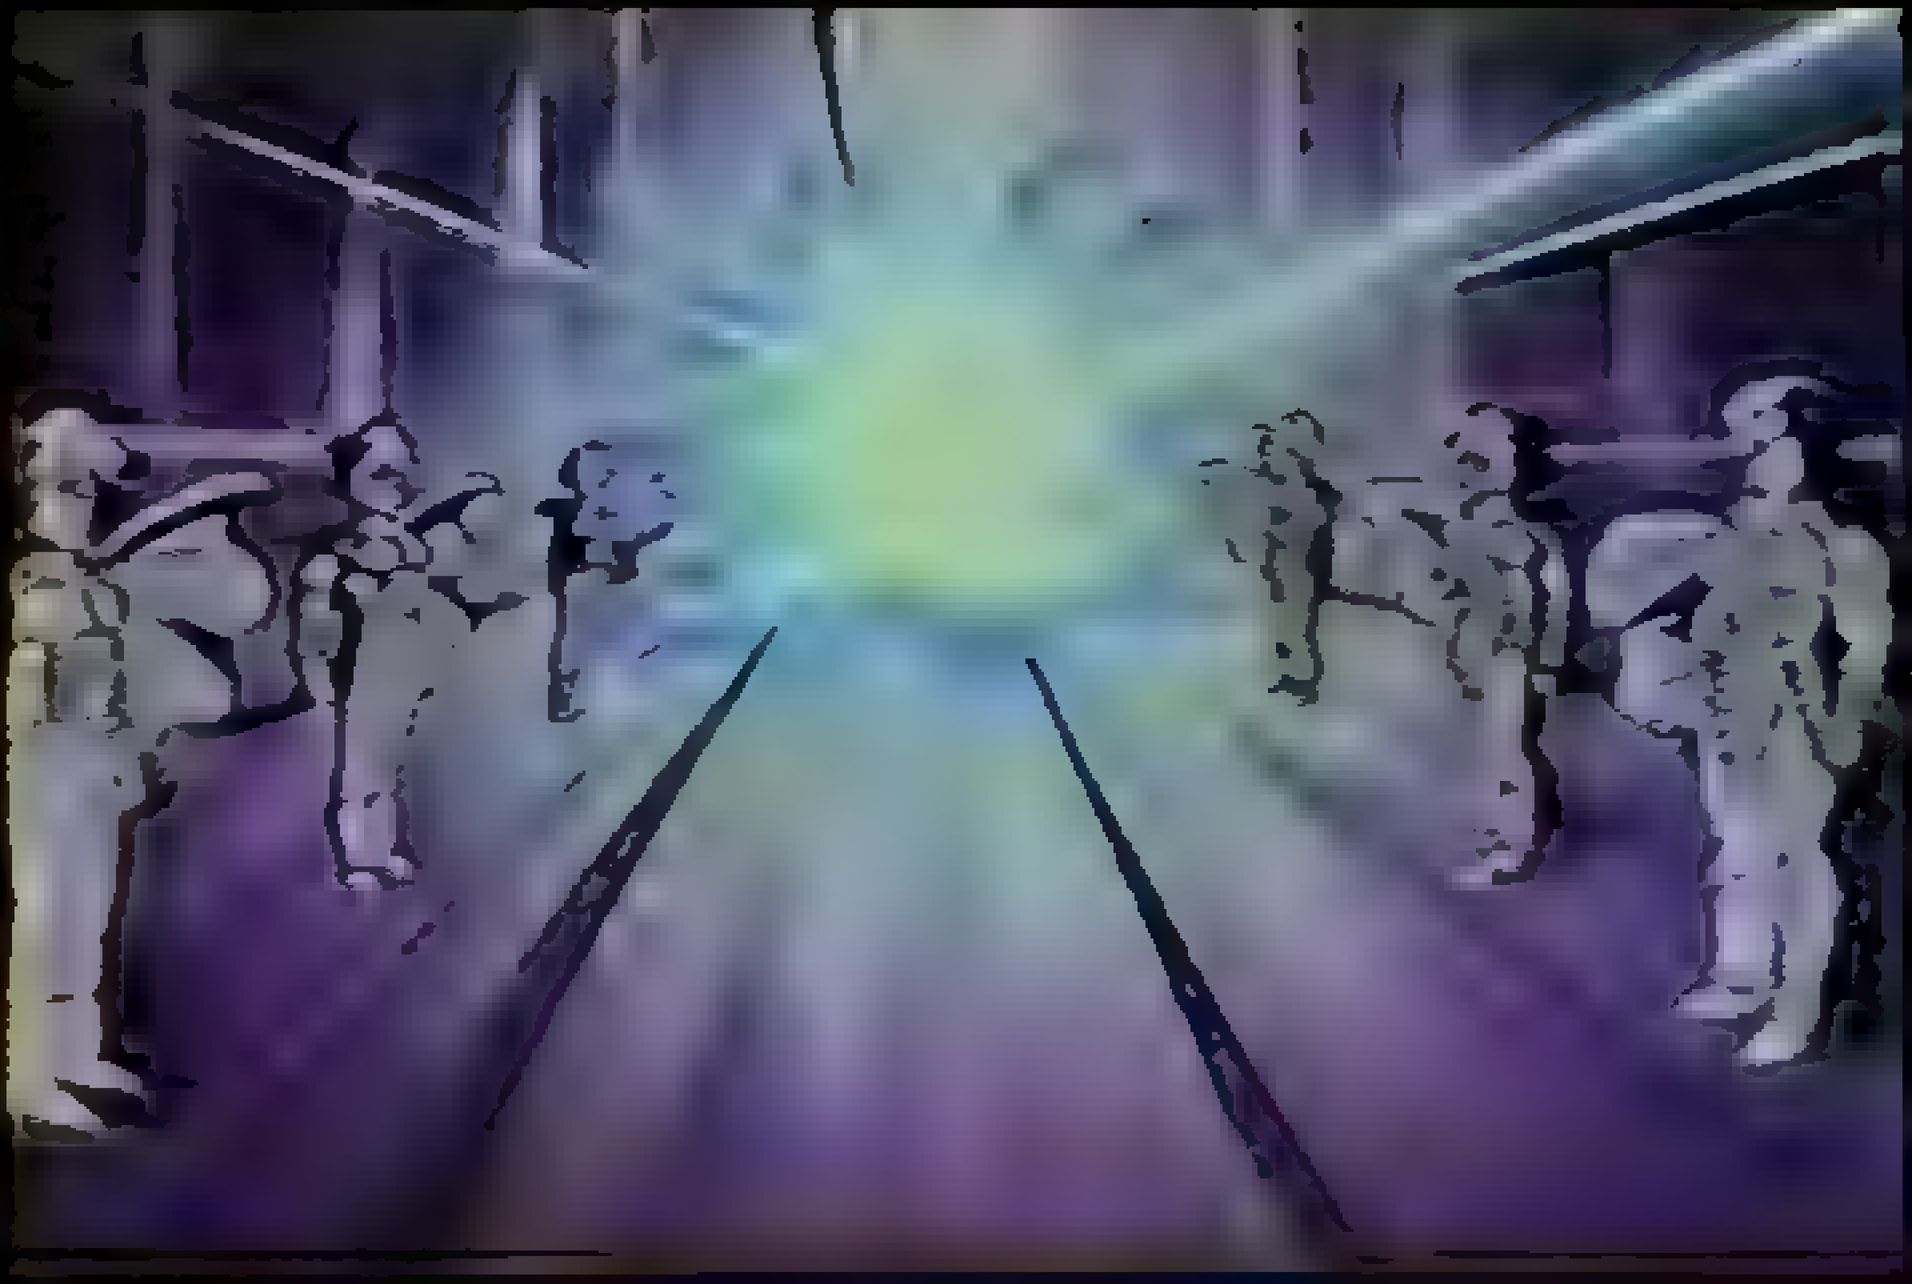

Disappear.

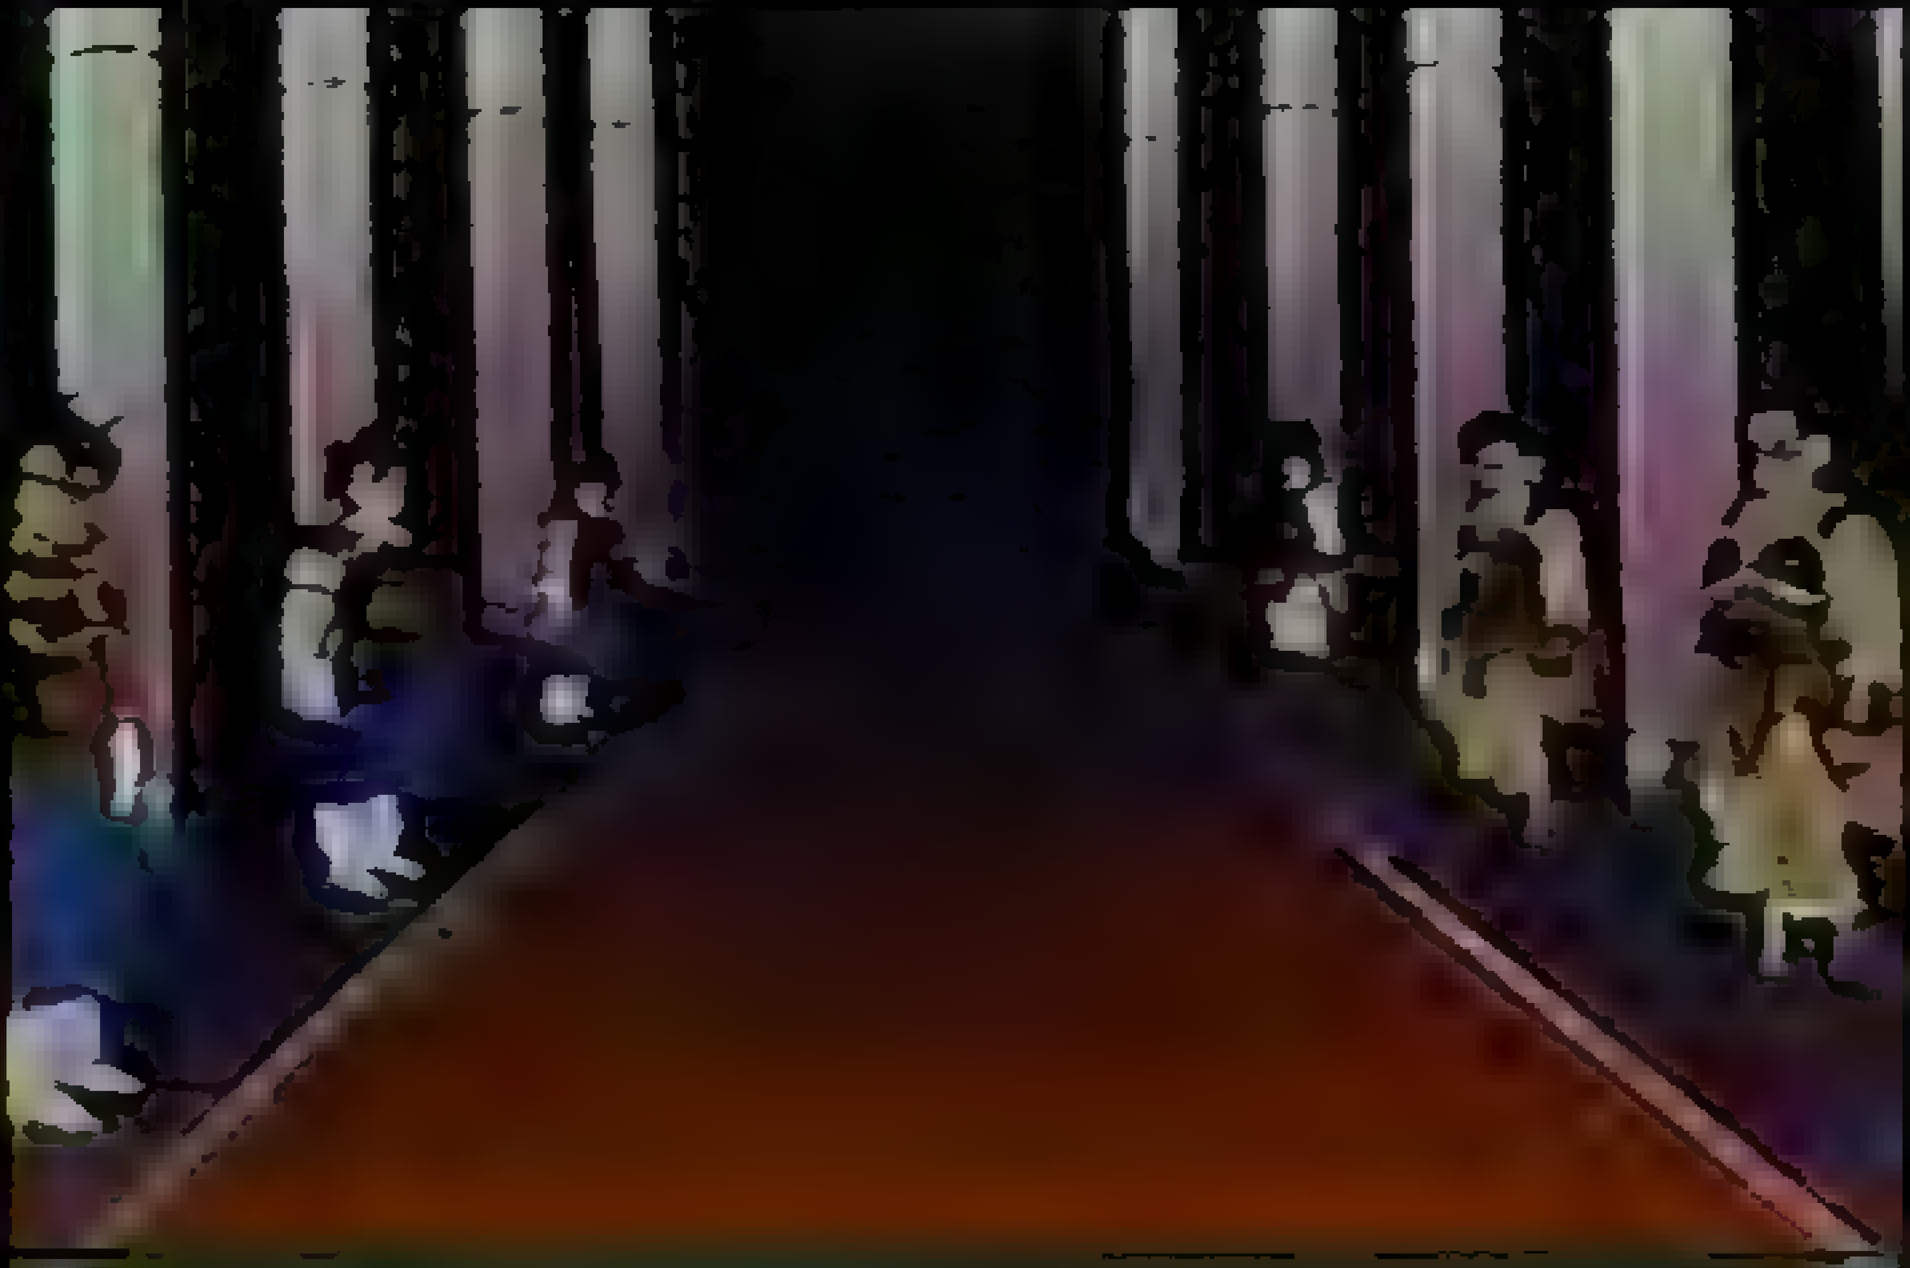

Disappear from my sight!

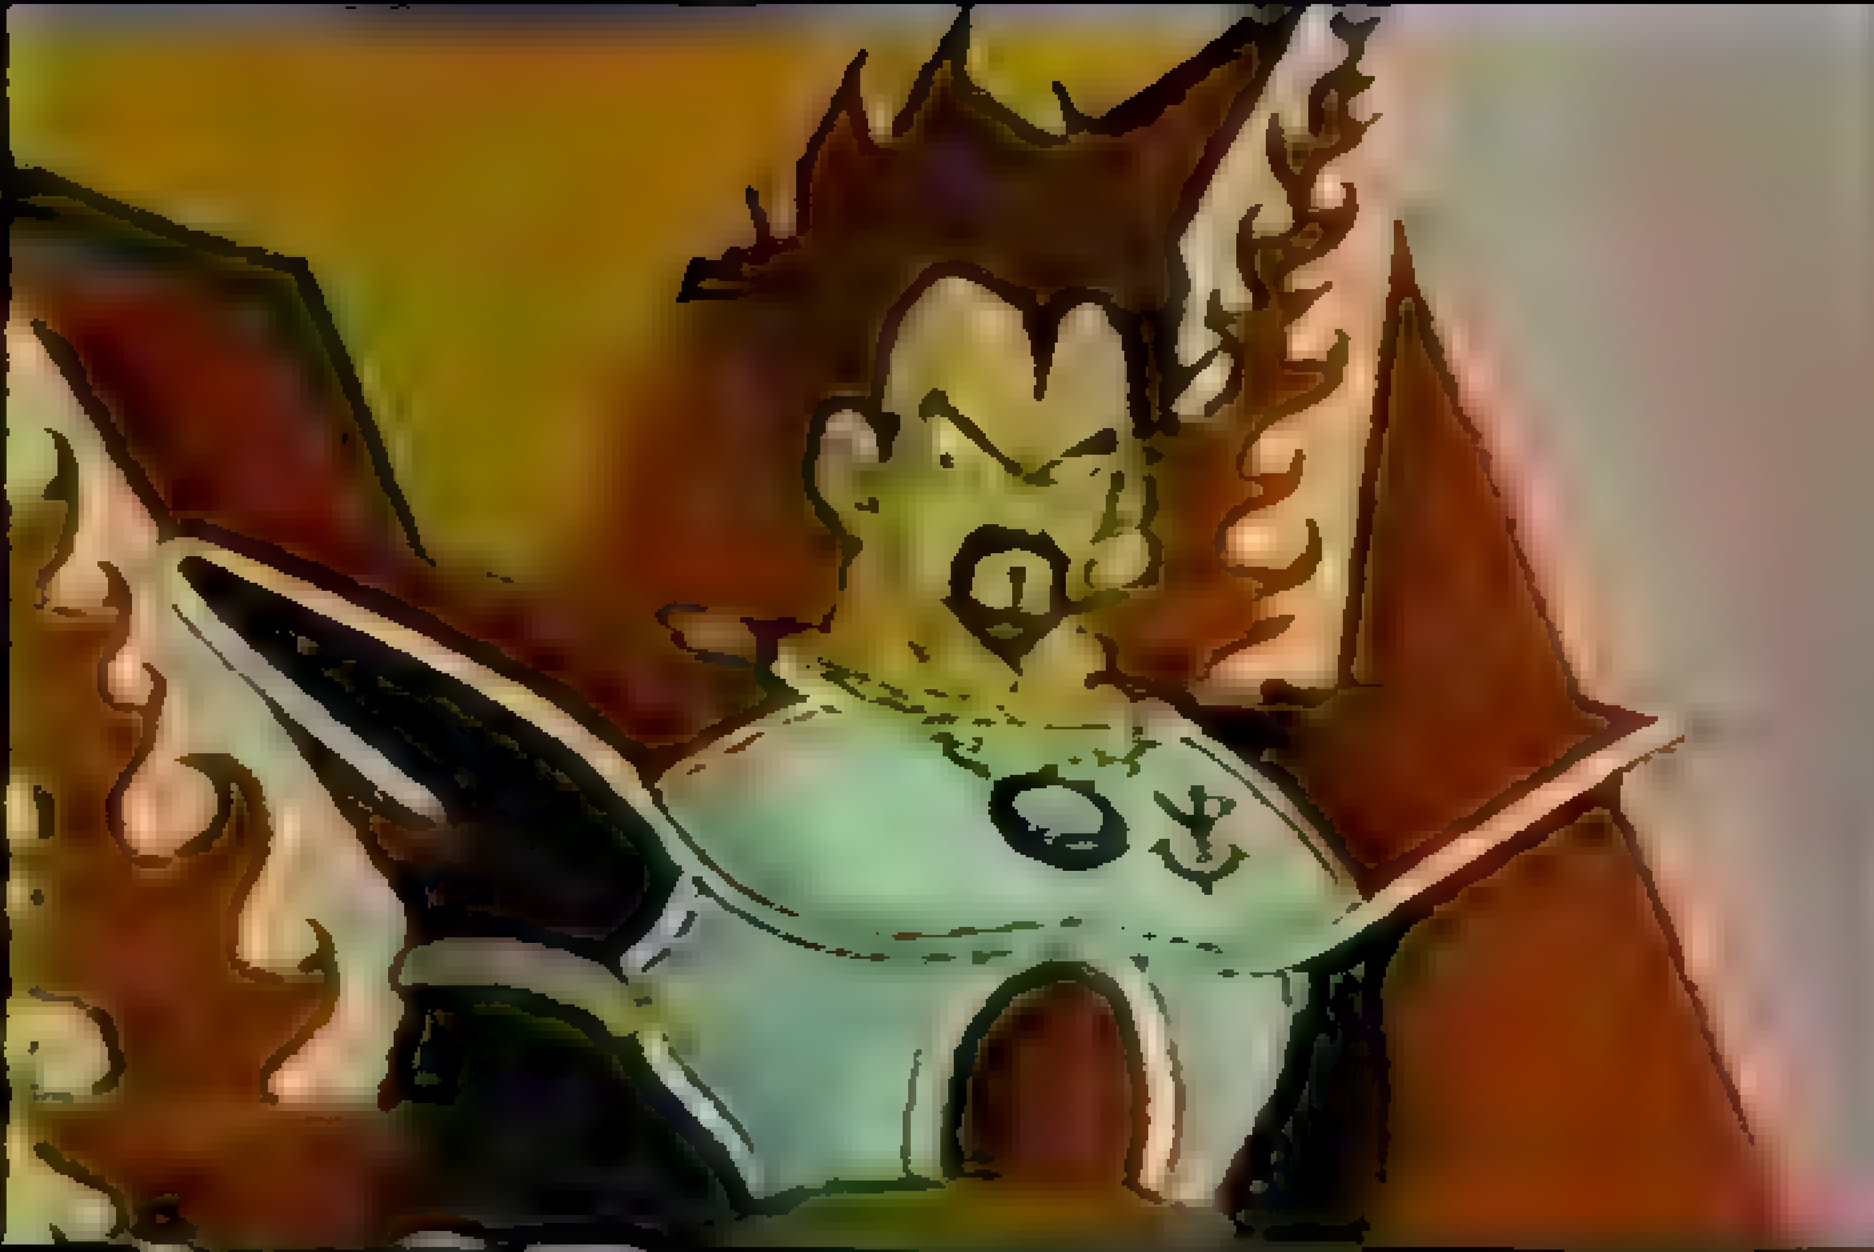

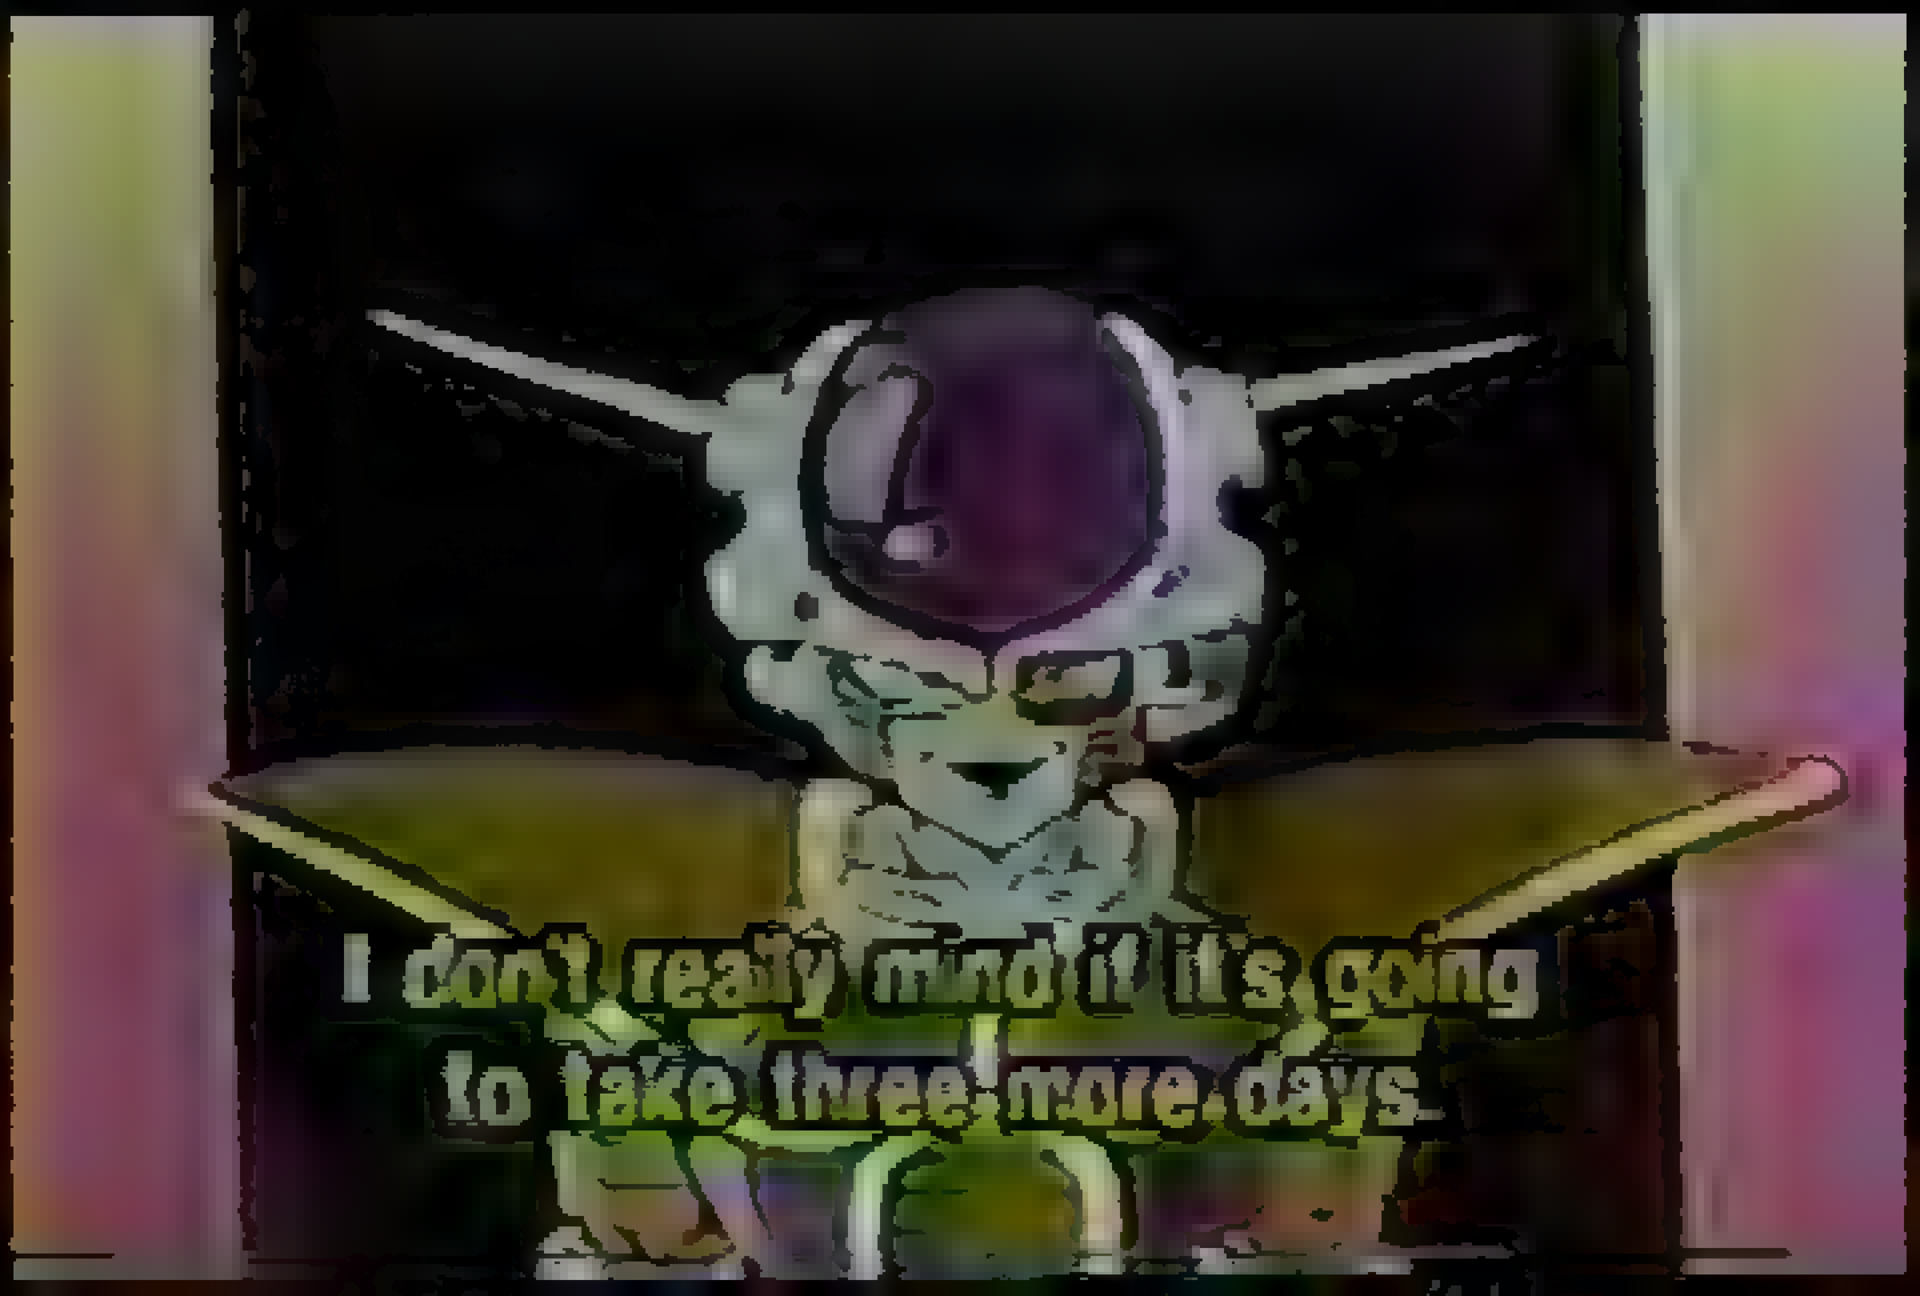

You're as barbaric as usual.

I don't really mind if it's going
to take three more days.

I don't really mind if it's going
to take three more days.

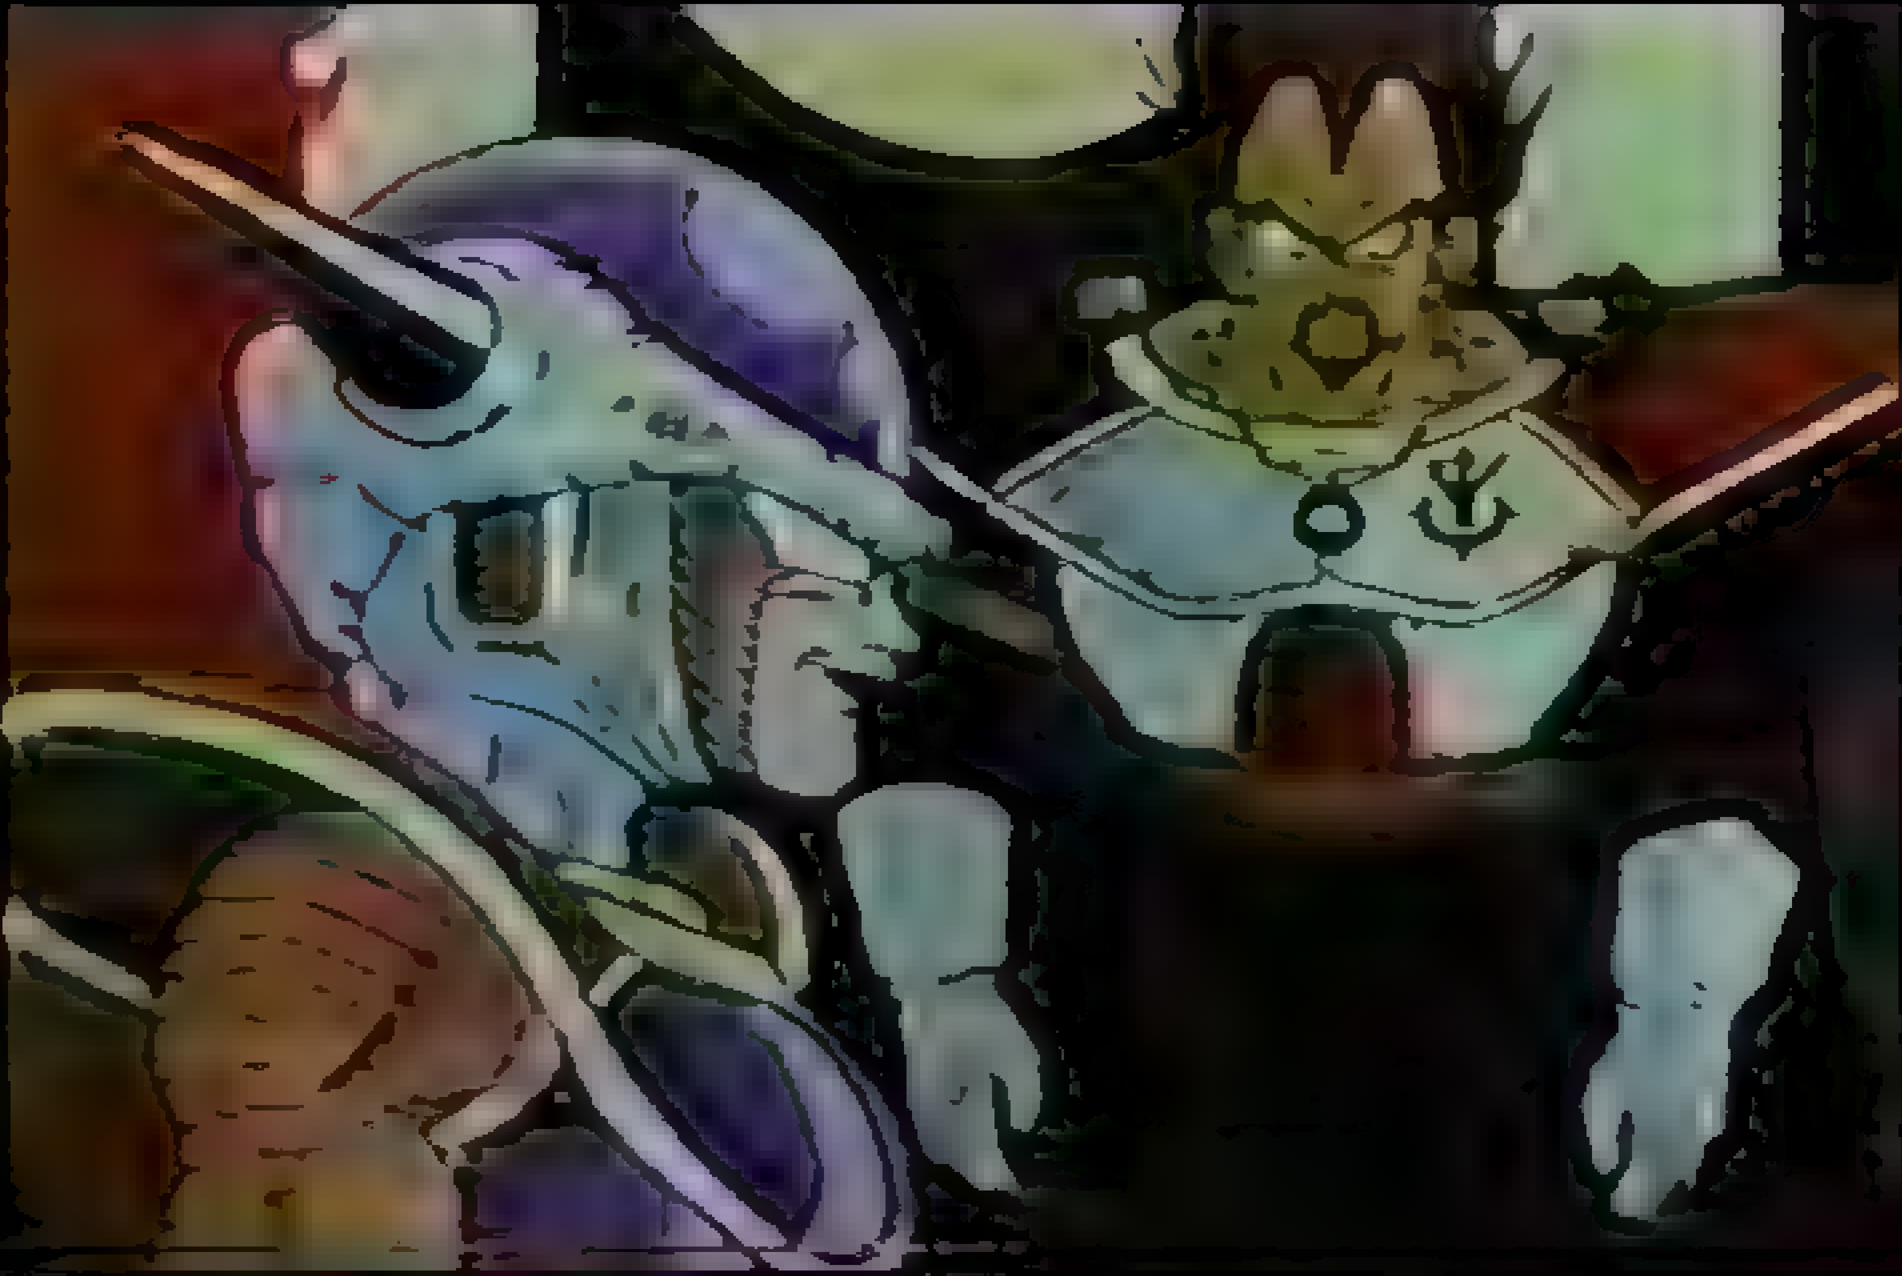

Poor man

And about your son...?

When are you going
to bring him to me?

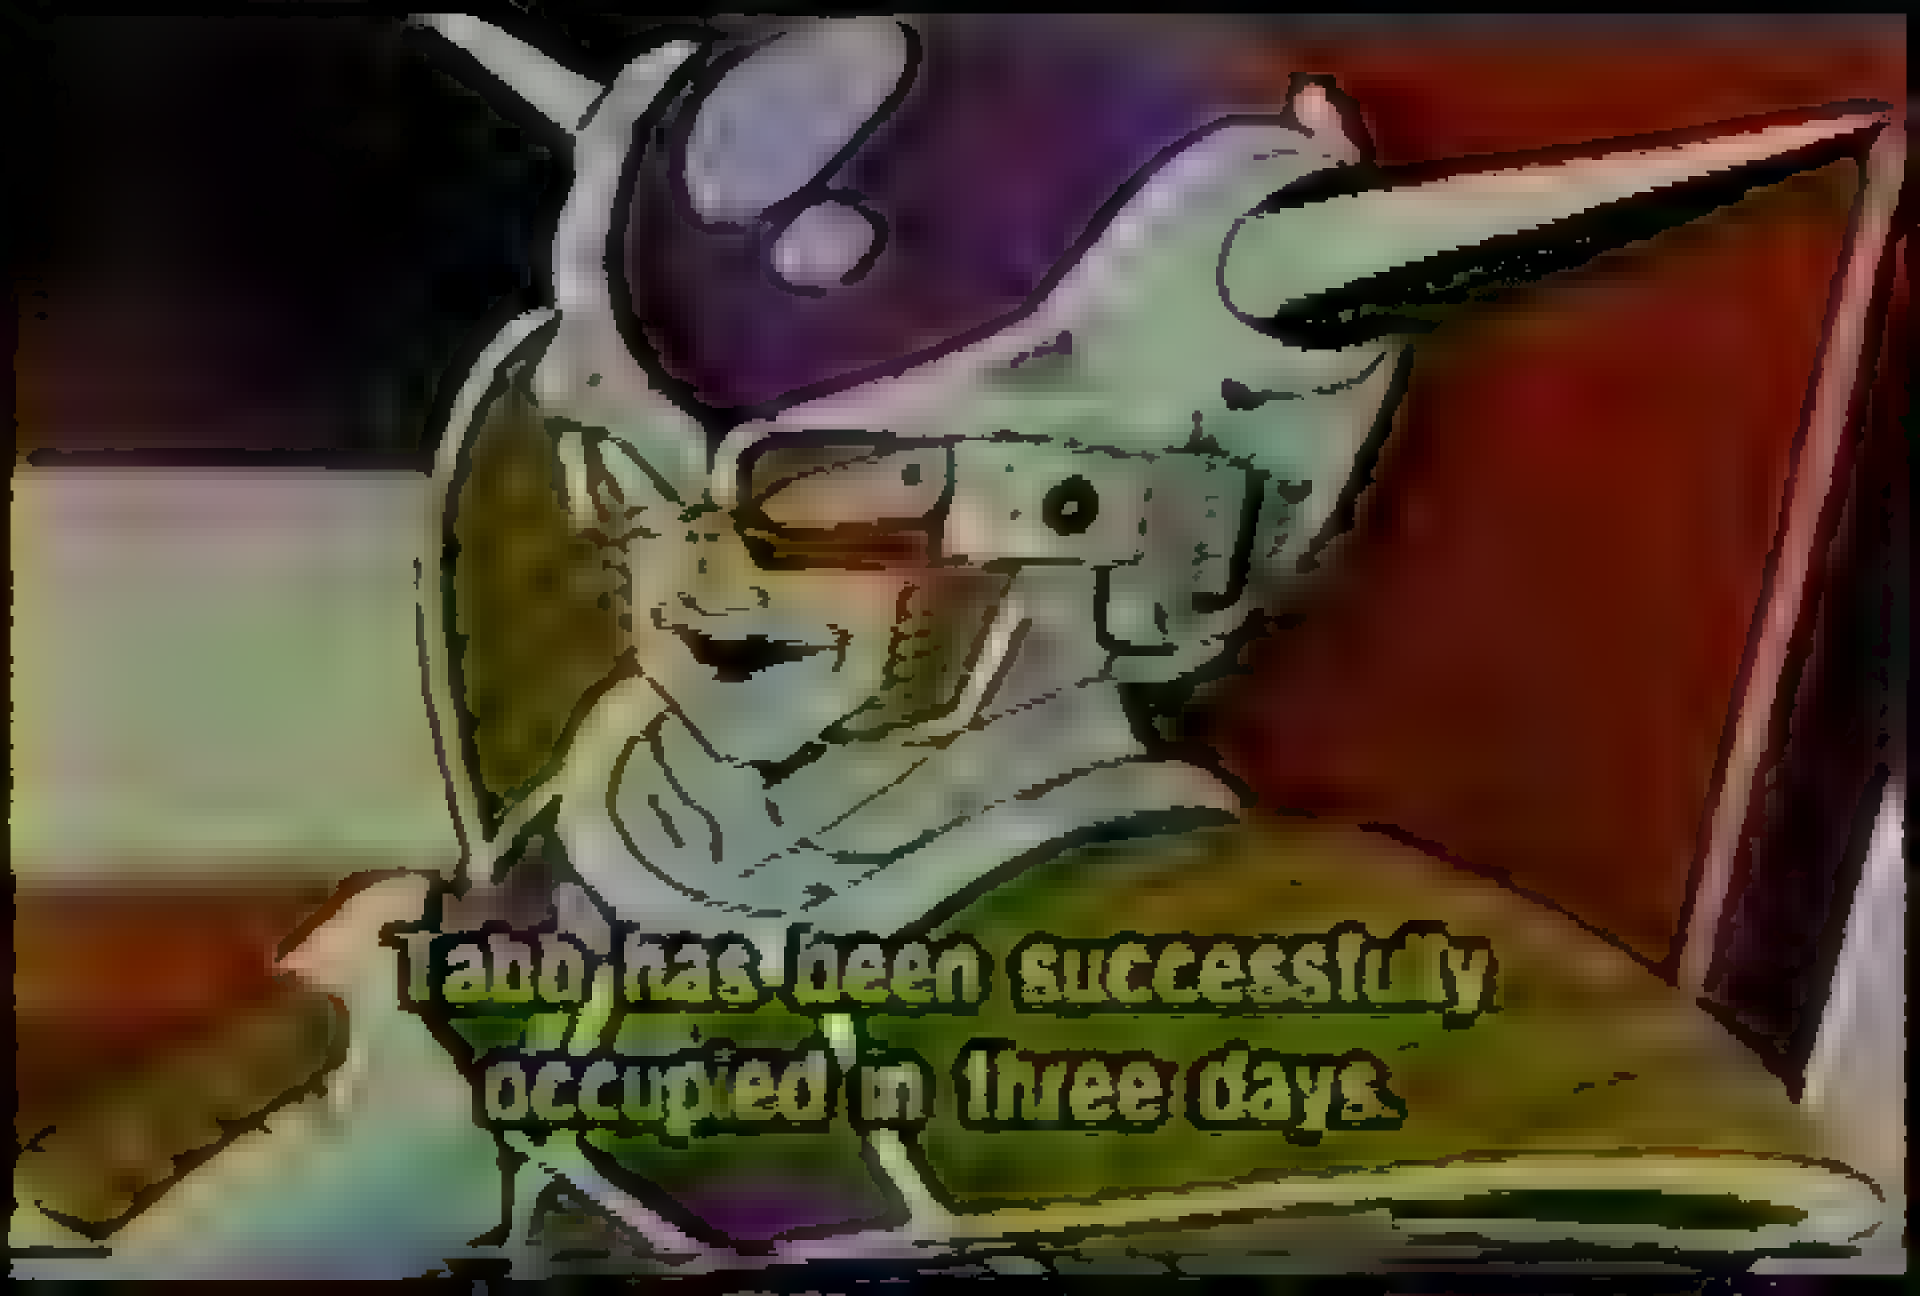

I know. Bring him with you
when you come to tell me

Tabo has been successfully
occupied in three days.

Tabb has been successfully
occupied in three days

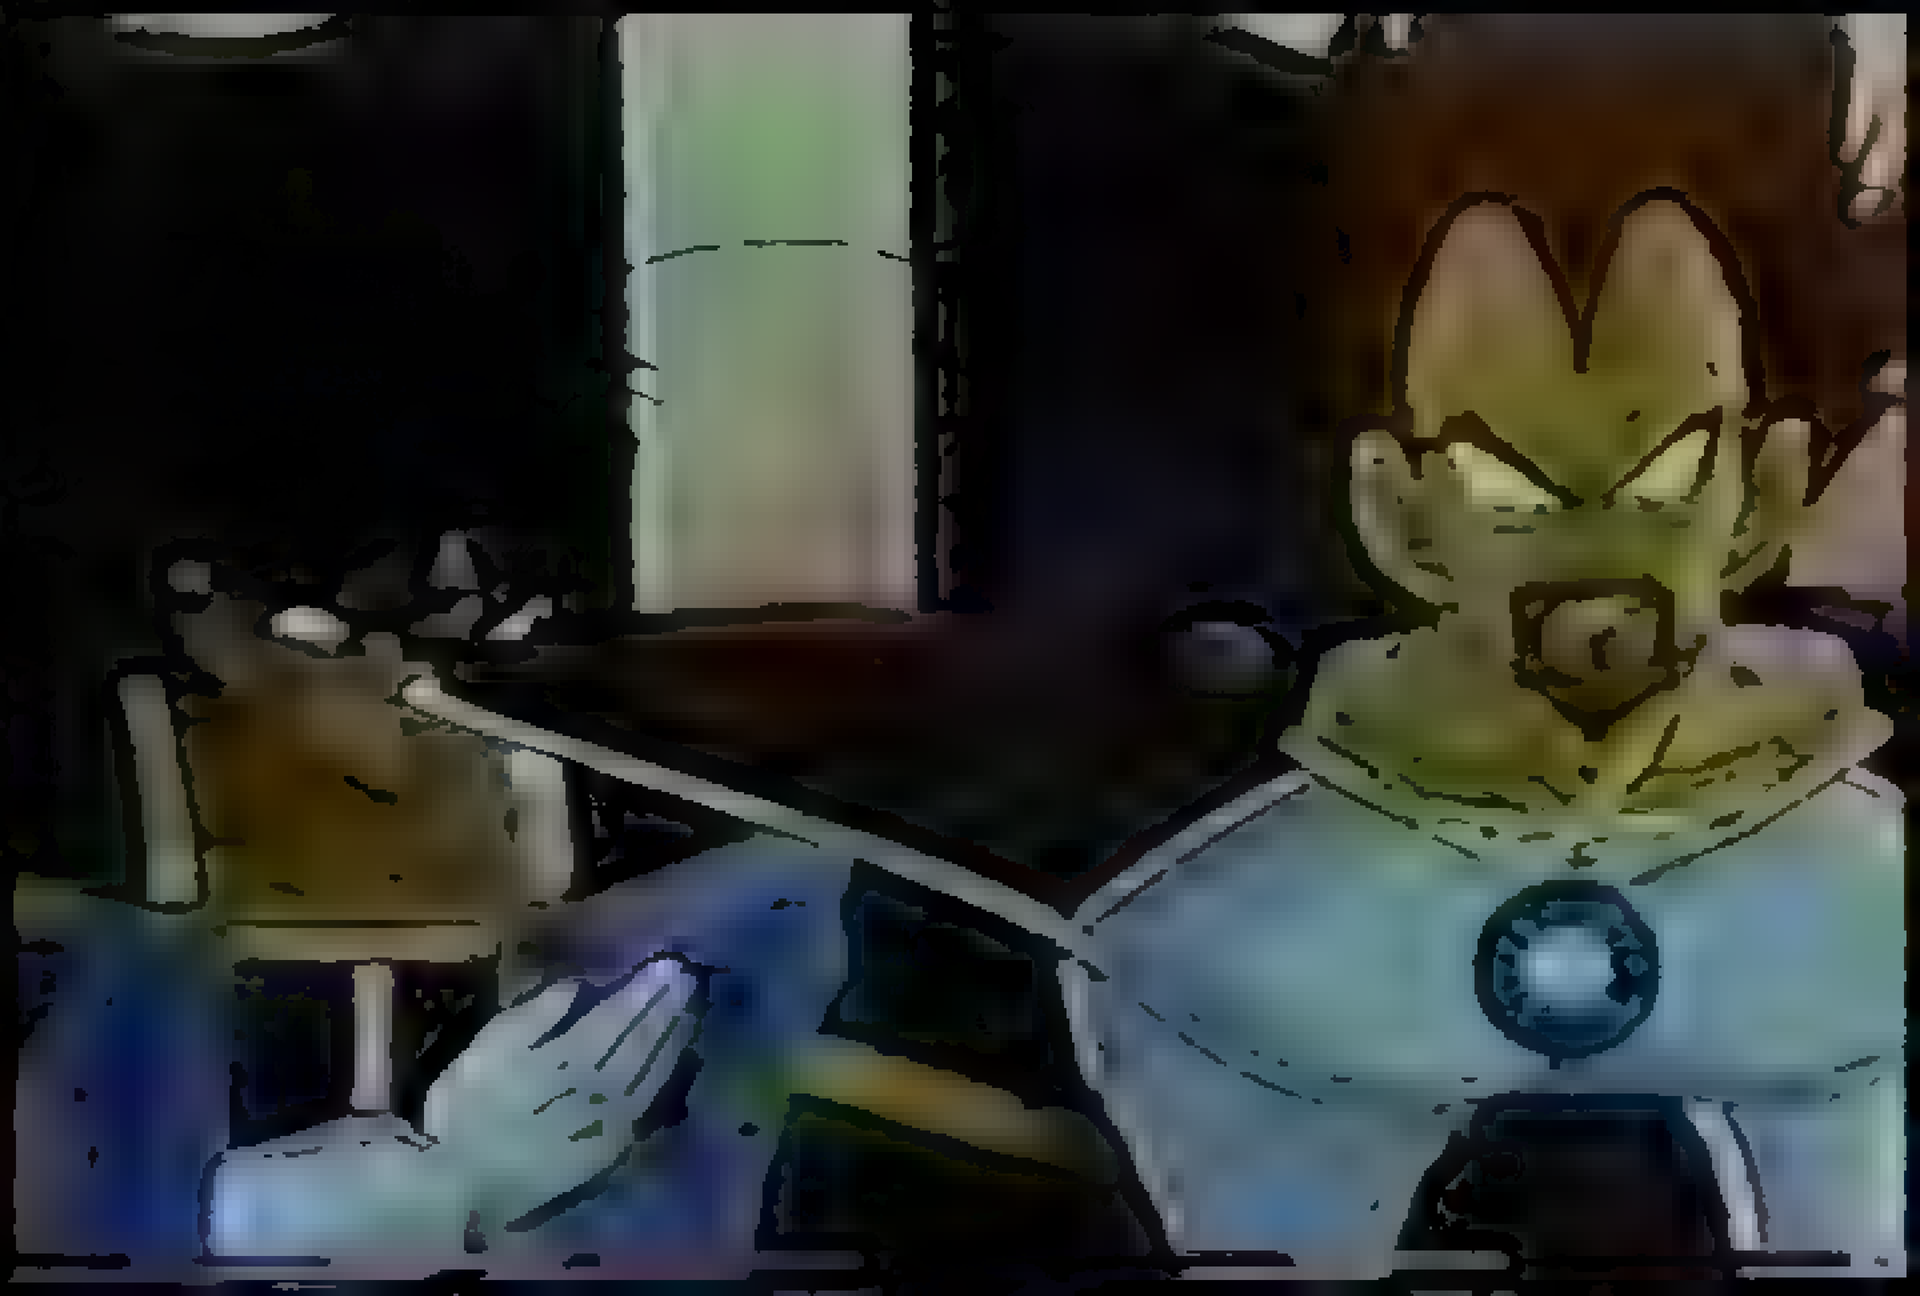

Don't worry. I'll take
good care of him.

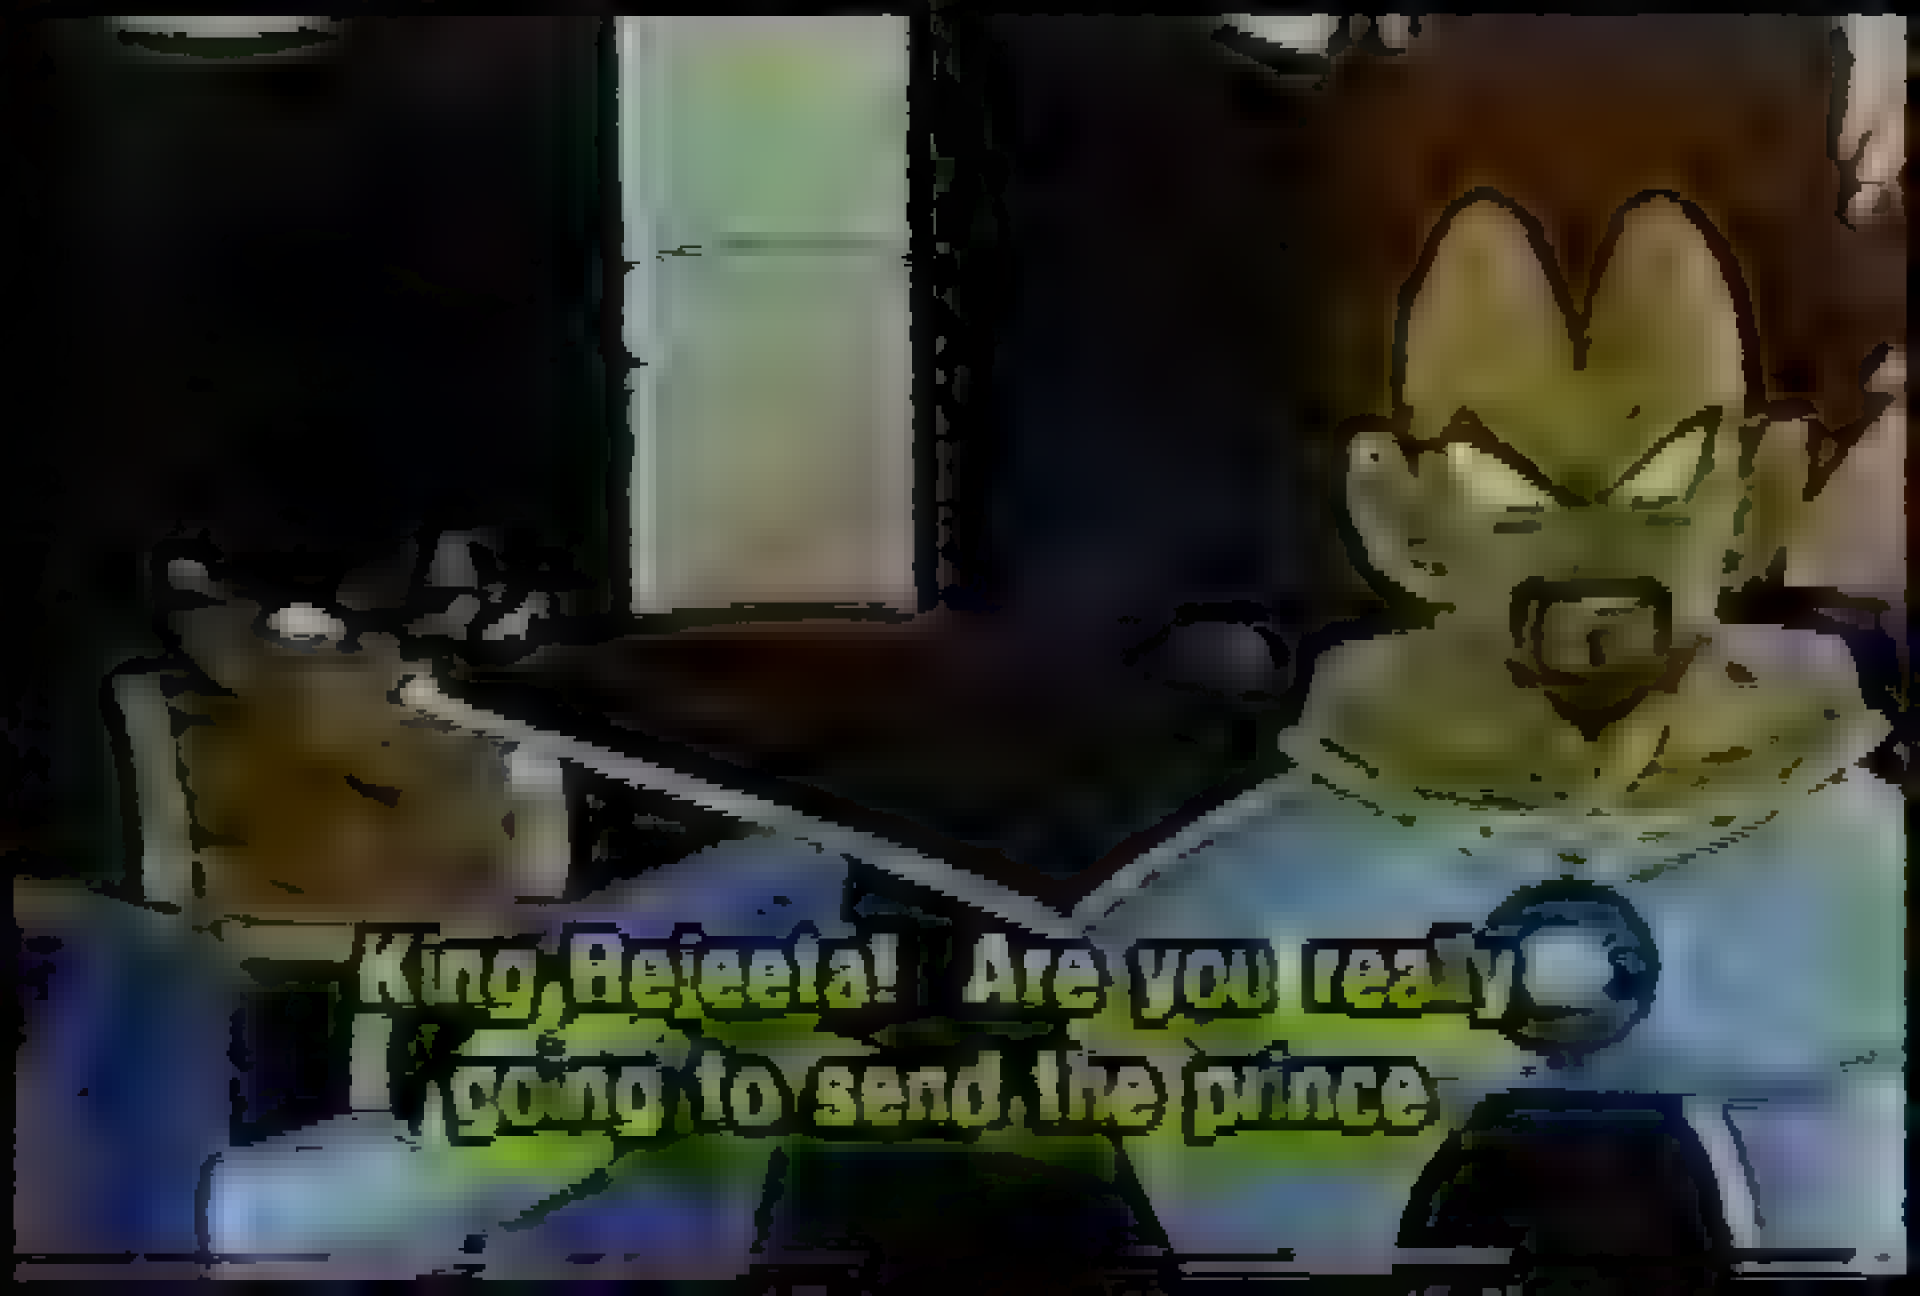

Don't worry. I'll take
good care of him.

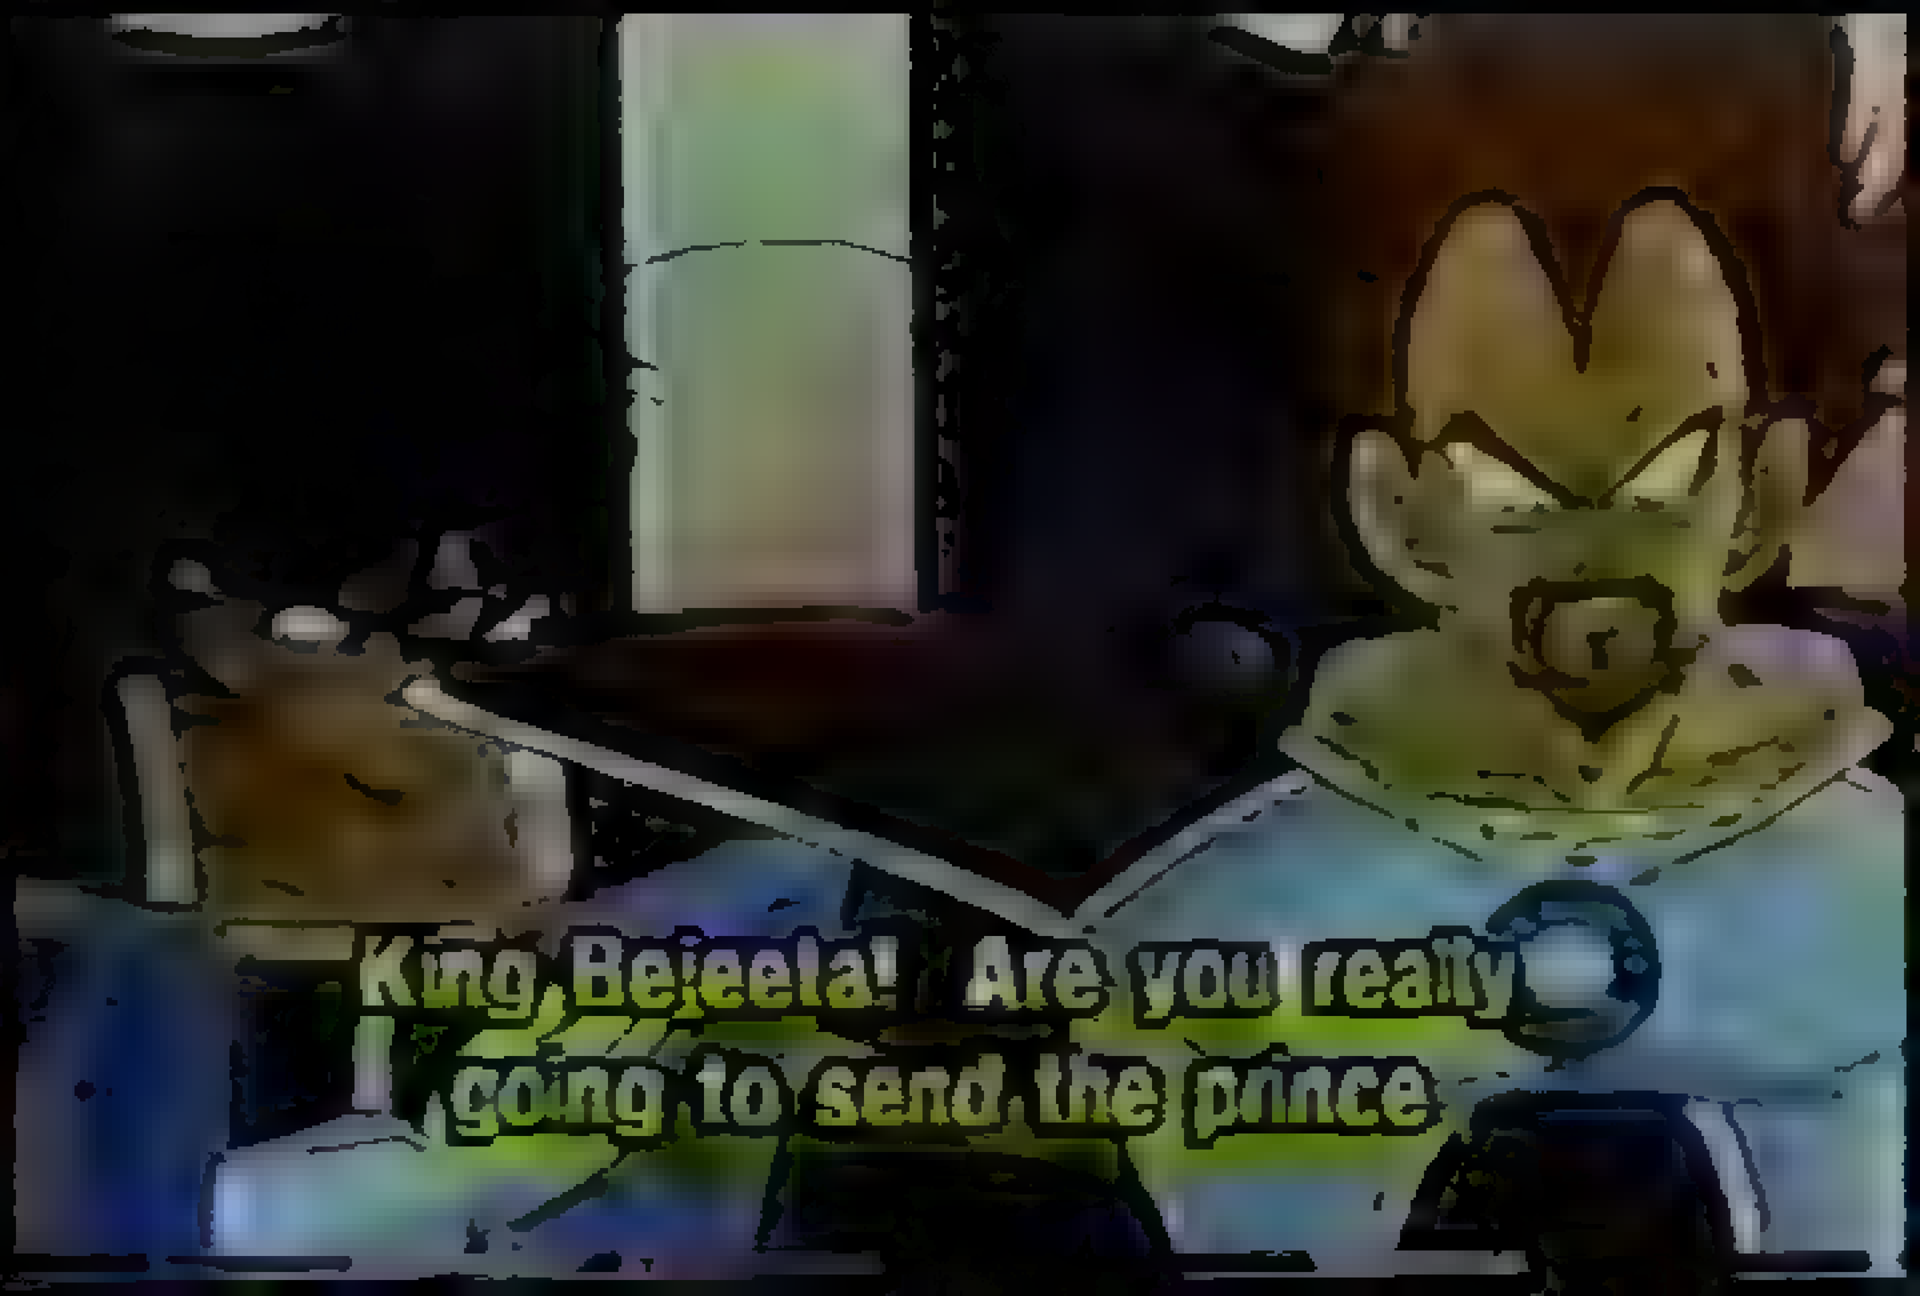

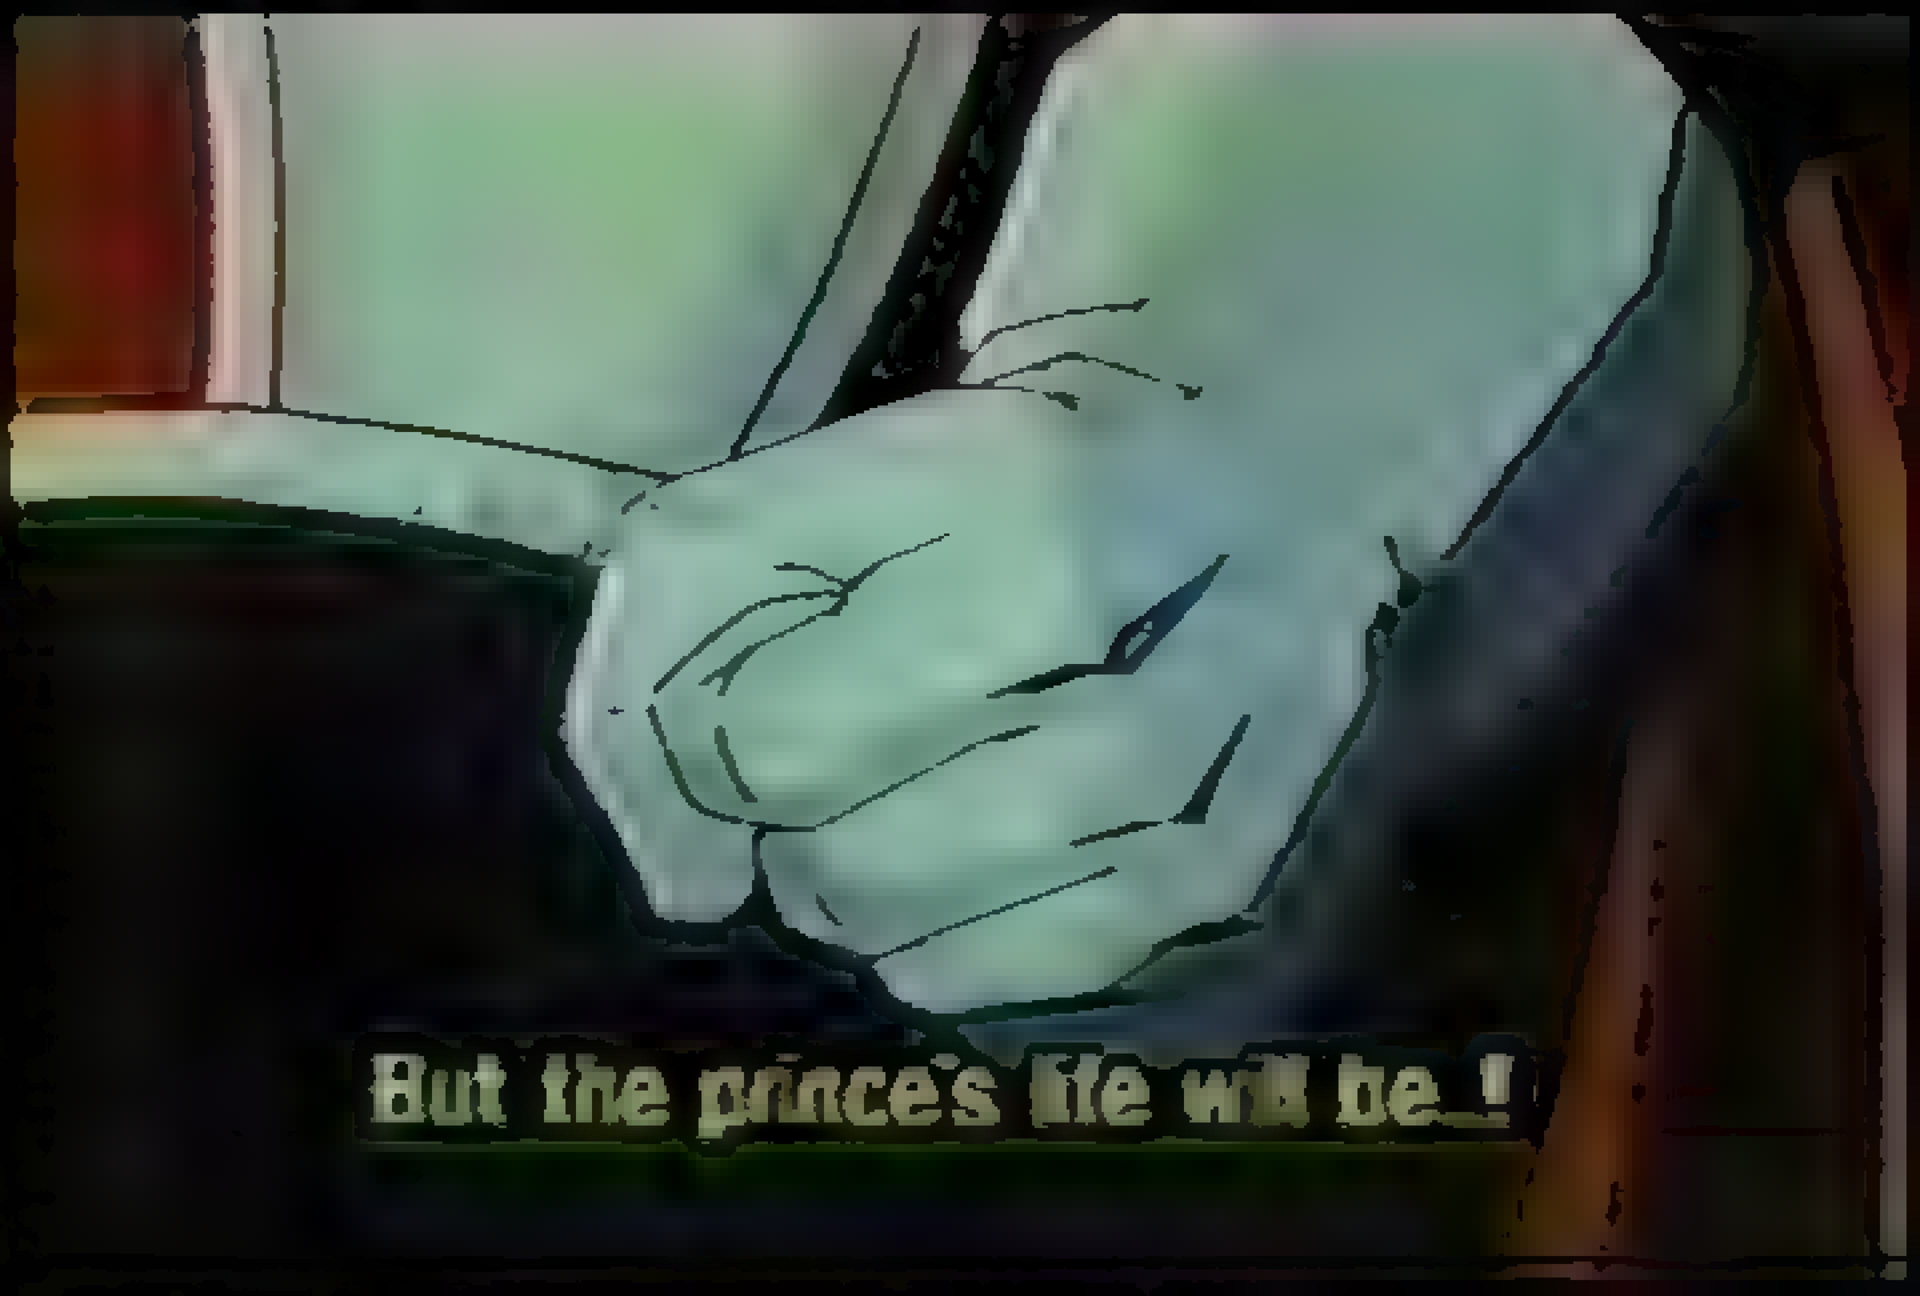

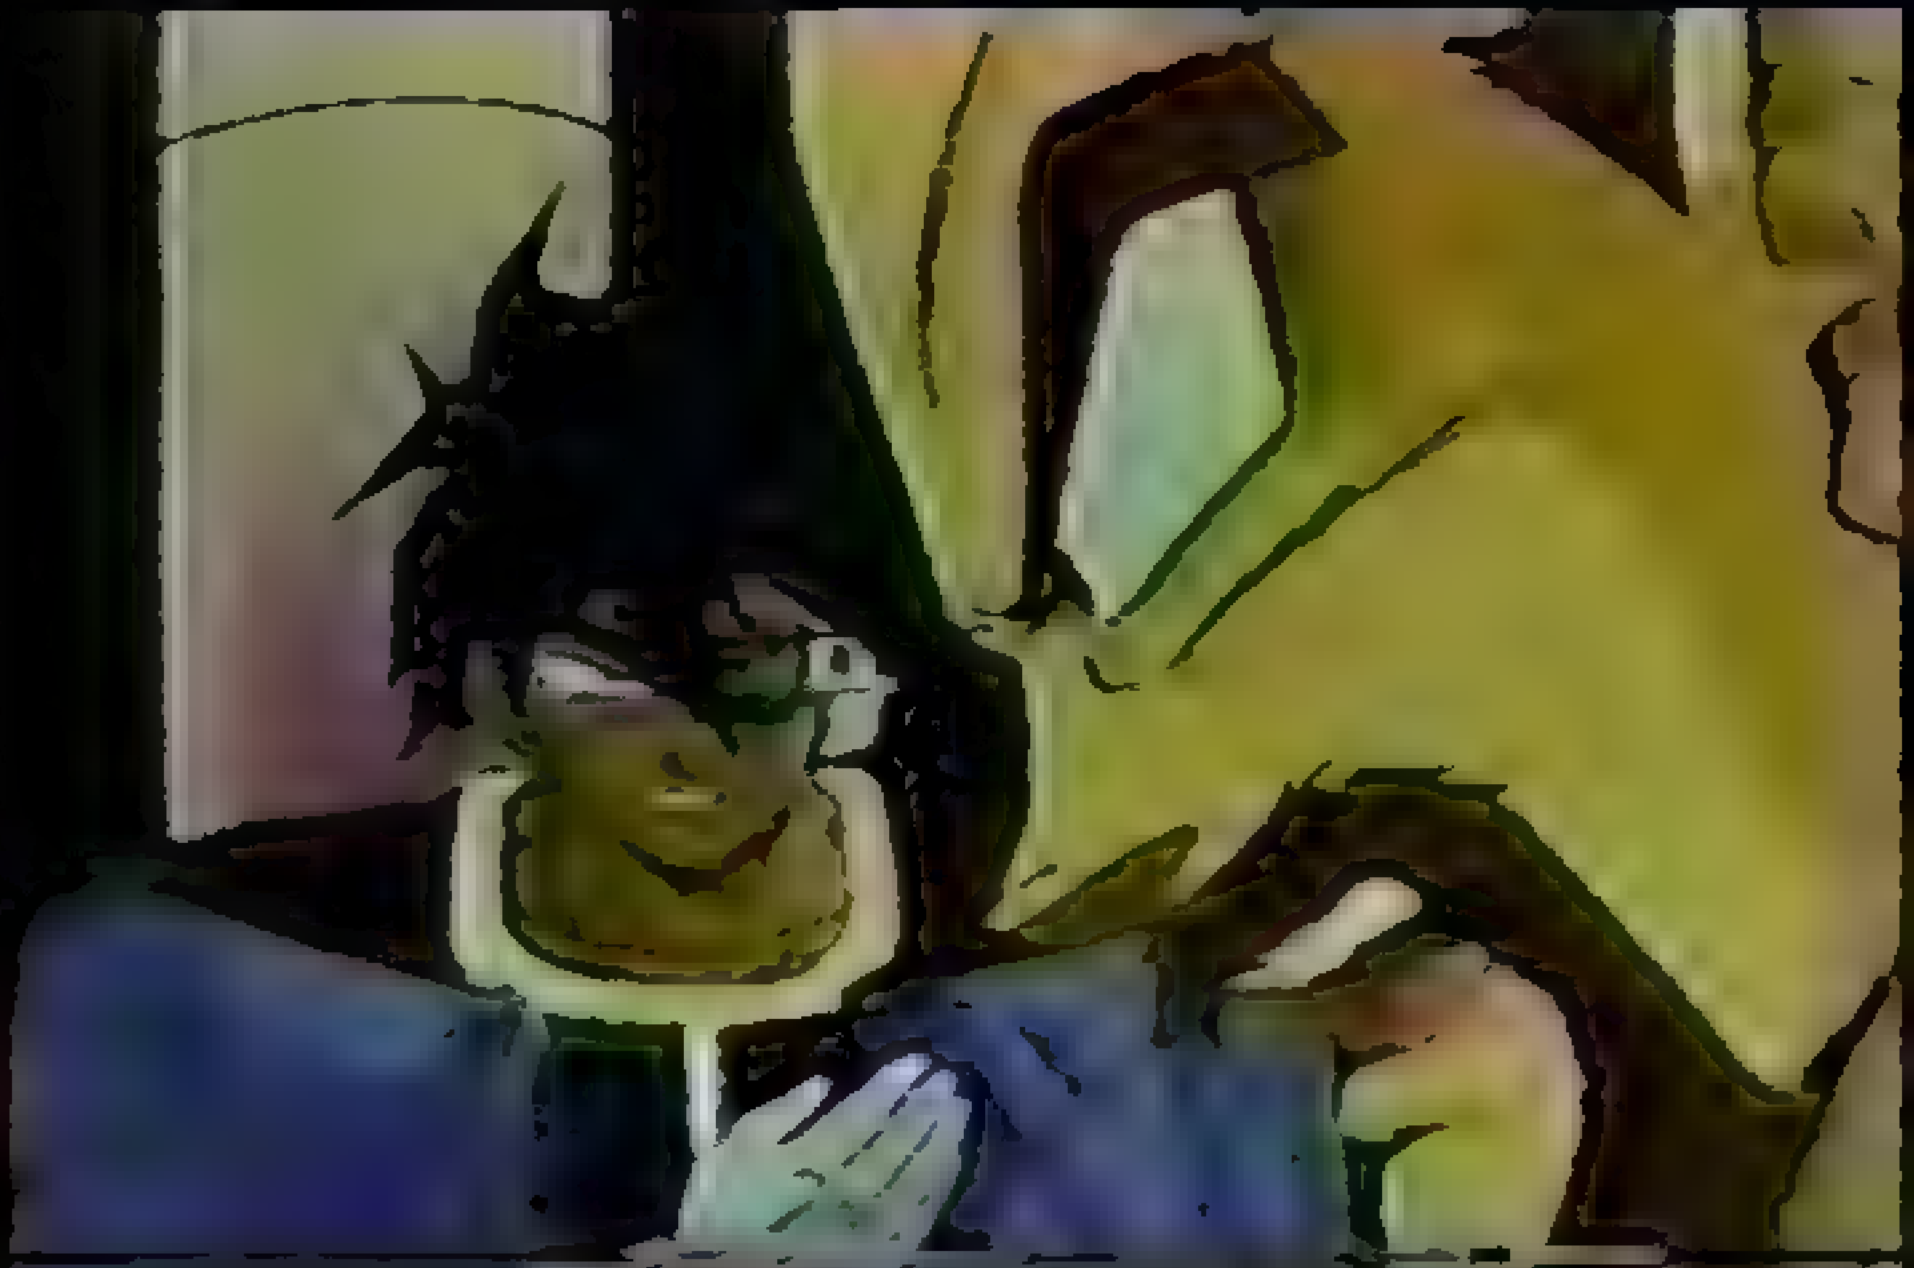

King Bejeeta! Are you really
going to send the prince

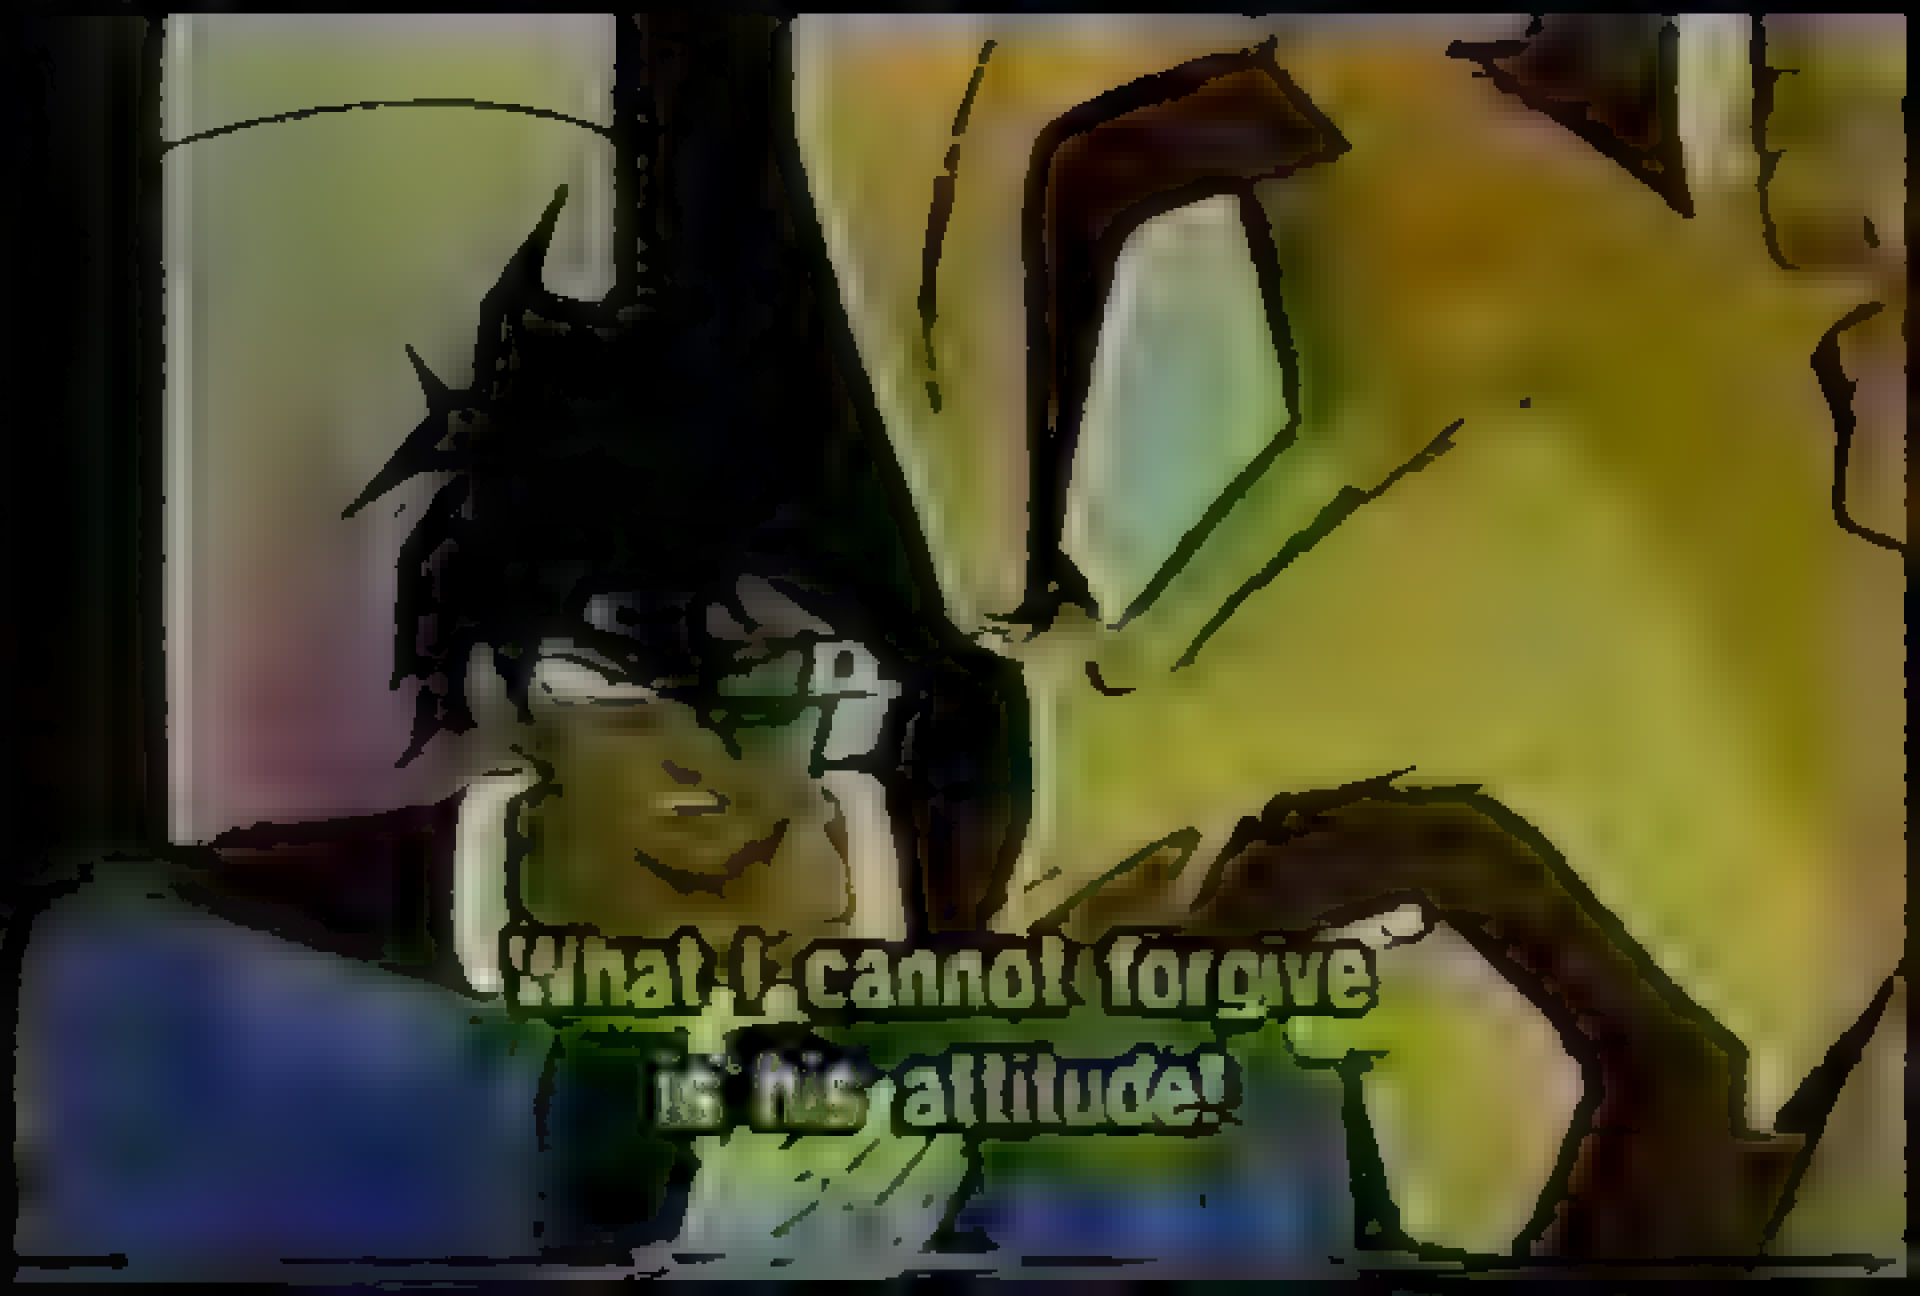

King Bejeeta! Are you really
going to send the prince

to Lord Freezer?

But the prince's life will be...!

I don't care about my son!

What I cannot forgive
is his attitude!

He seems to think
we Saiyans are his slaves!

He seems to think
we Saiyans are his slaves!

King Bejeeta!

I'll get back at you
some day, Freezer!

I'll get back at you
some day, Freezer!

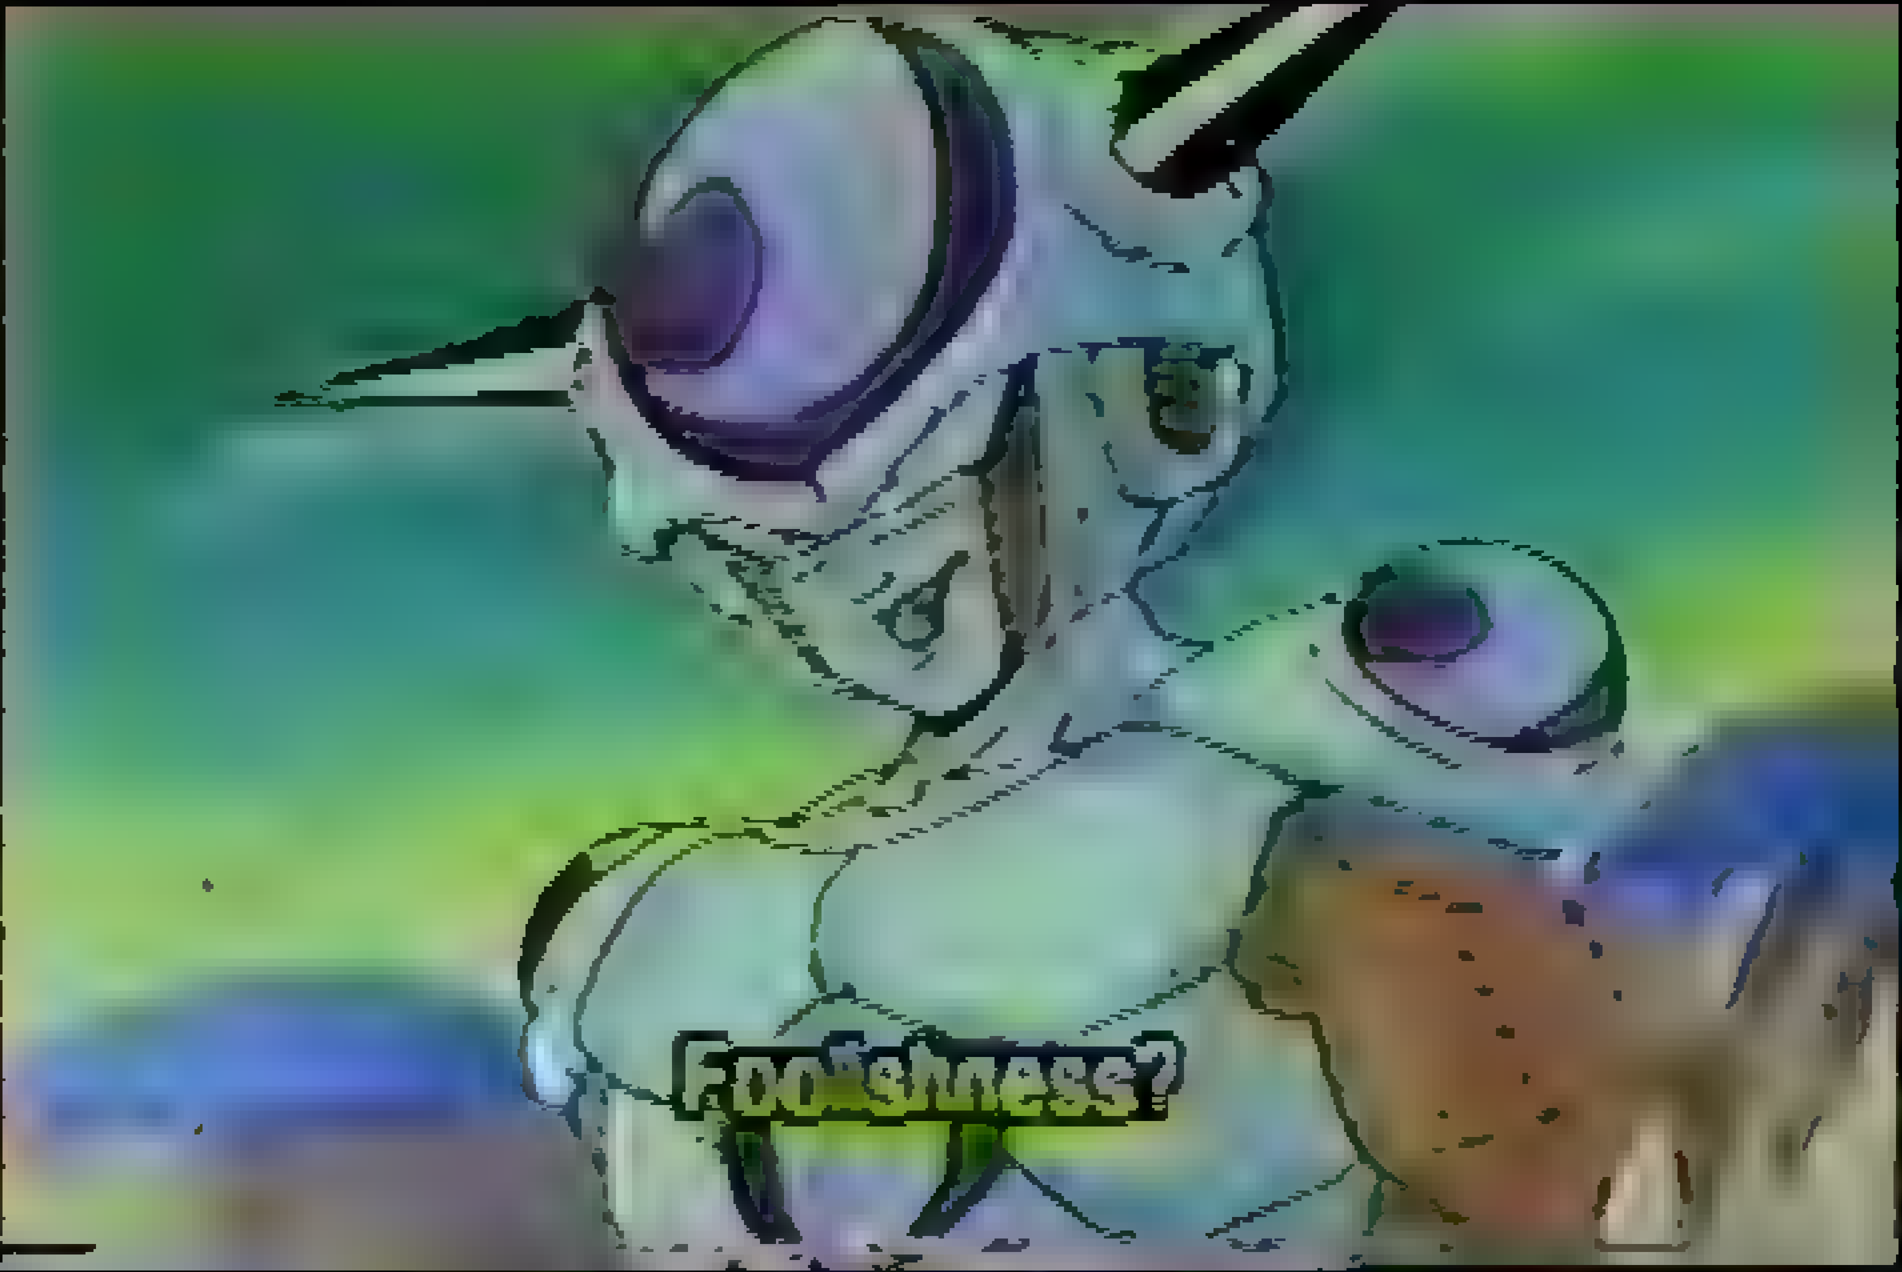

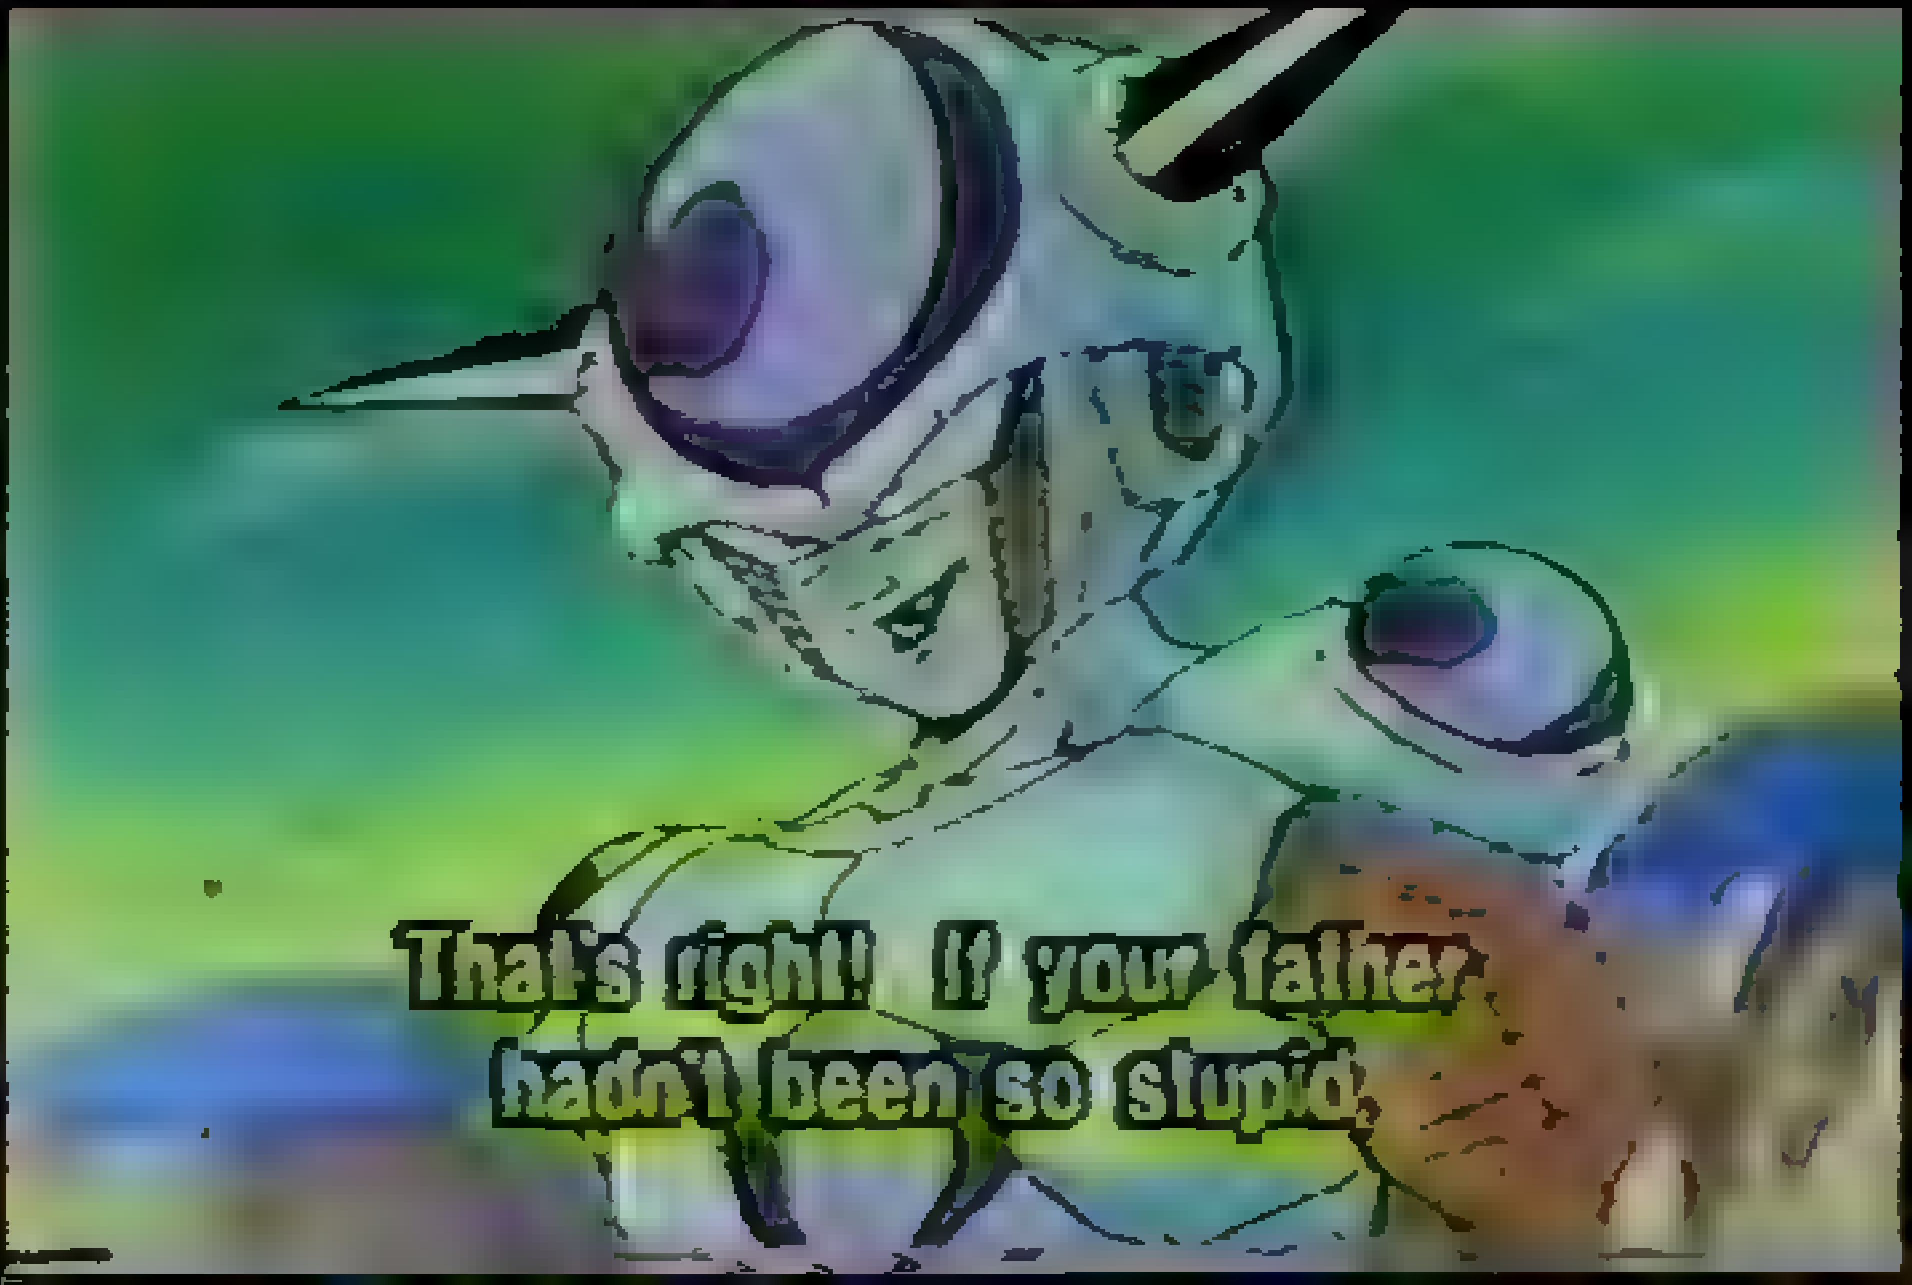

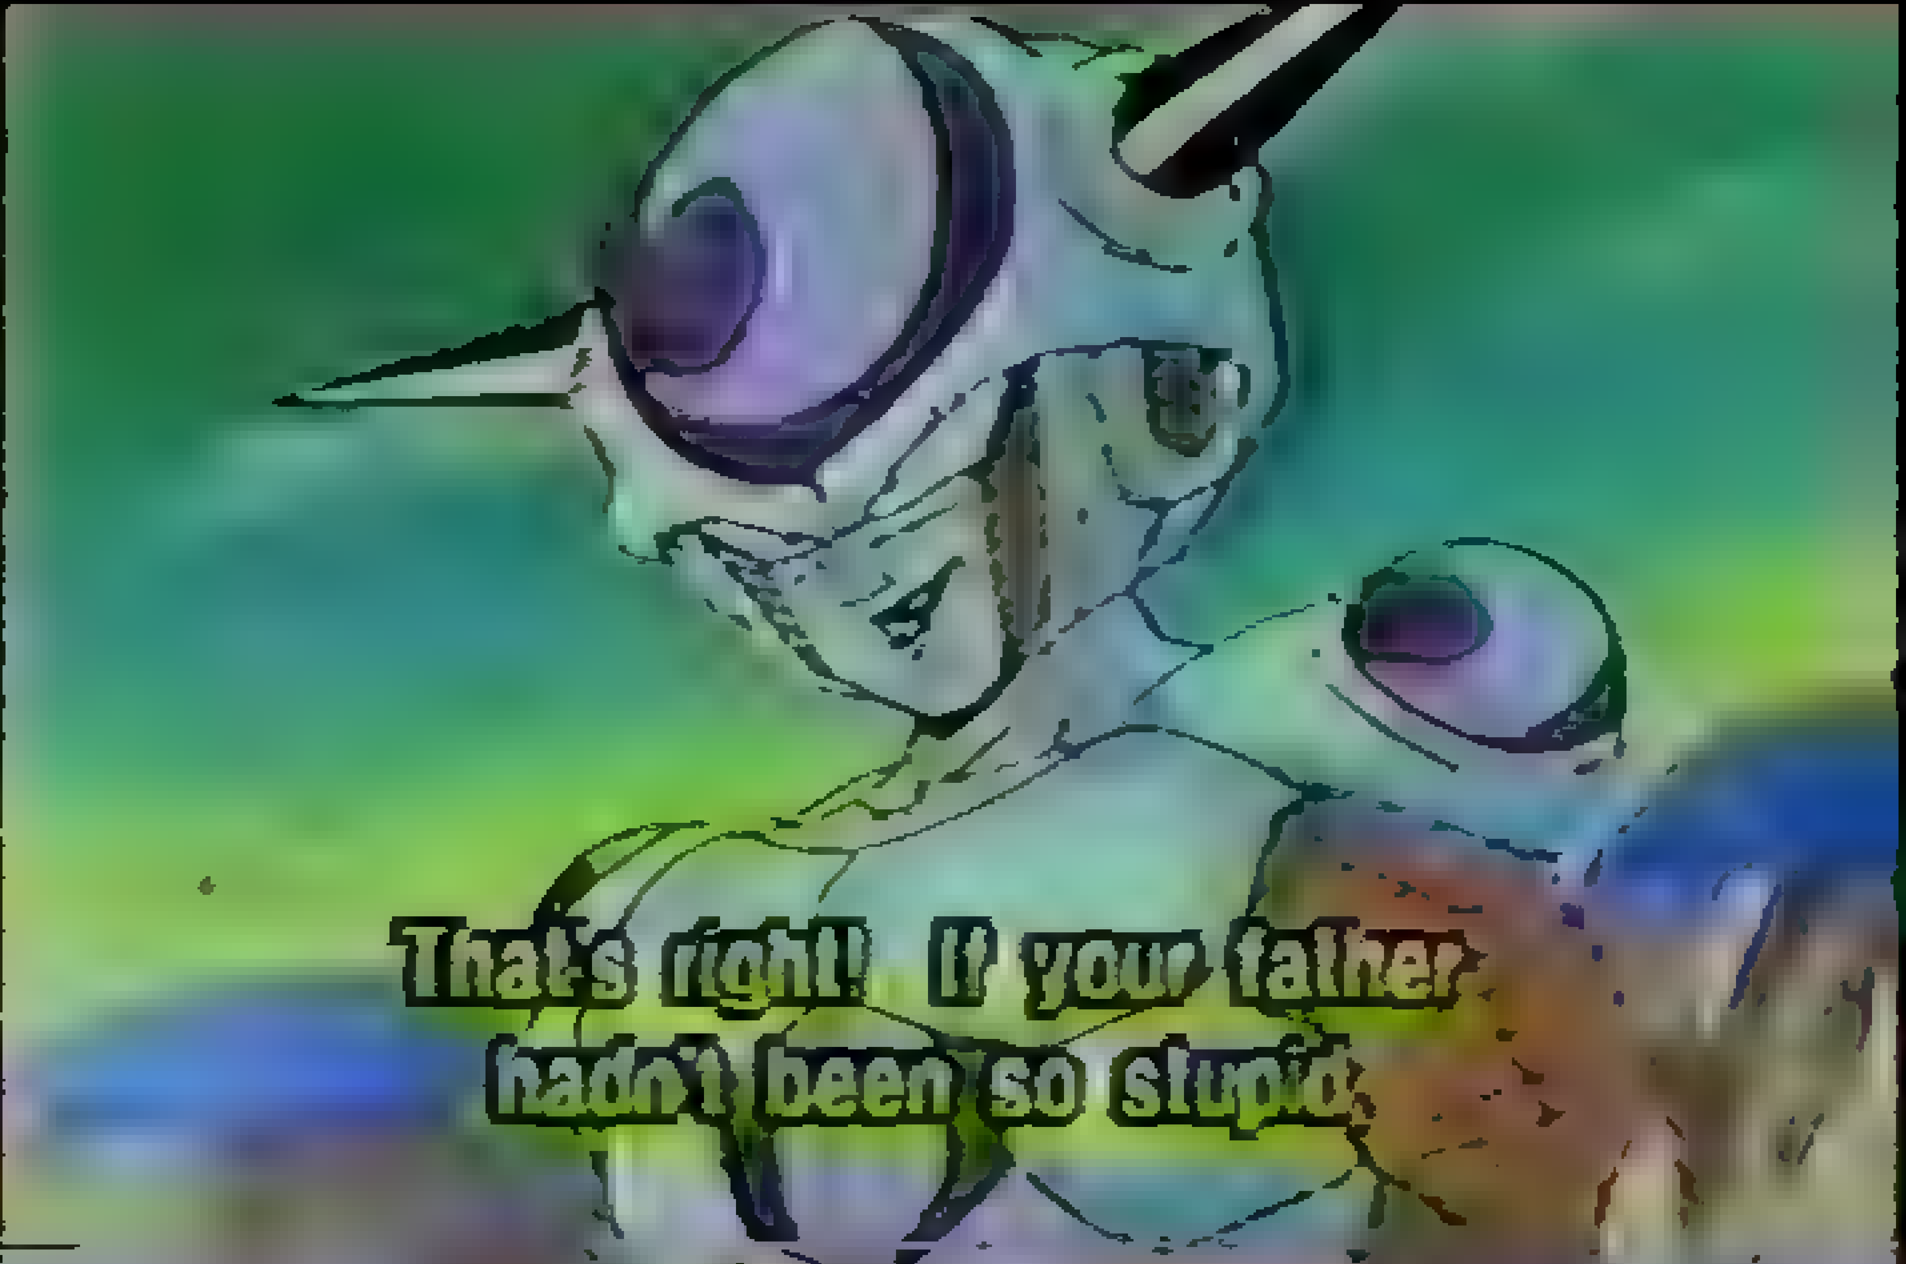

You are very much
like your father.

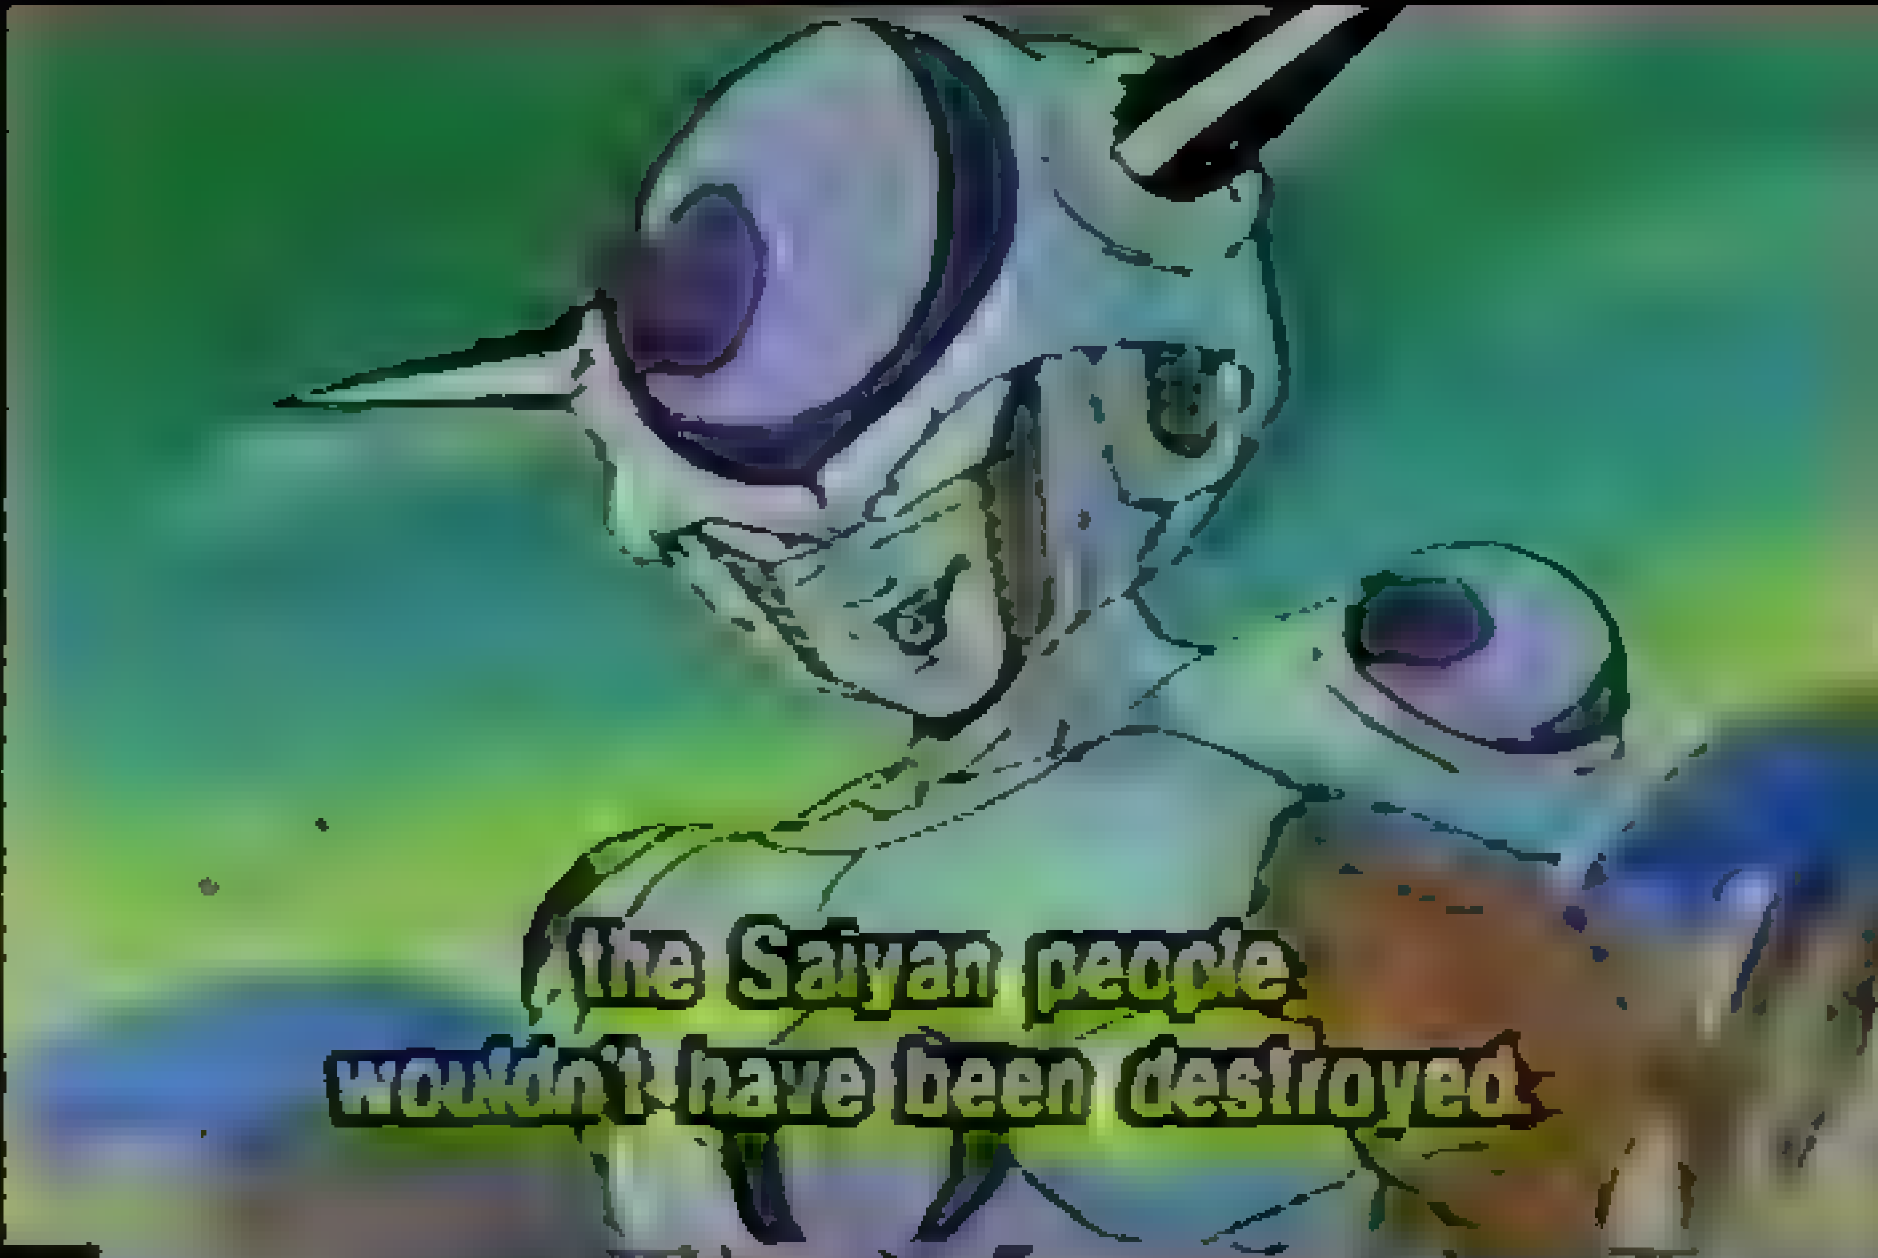

You are very much
like your father.

Your eyes…
your foolishness…

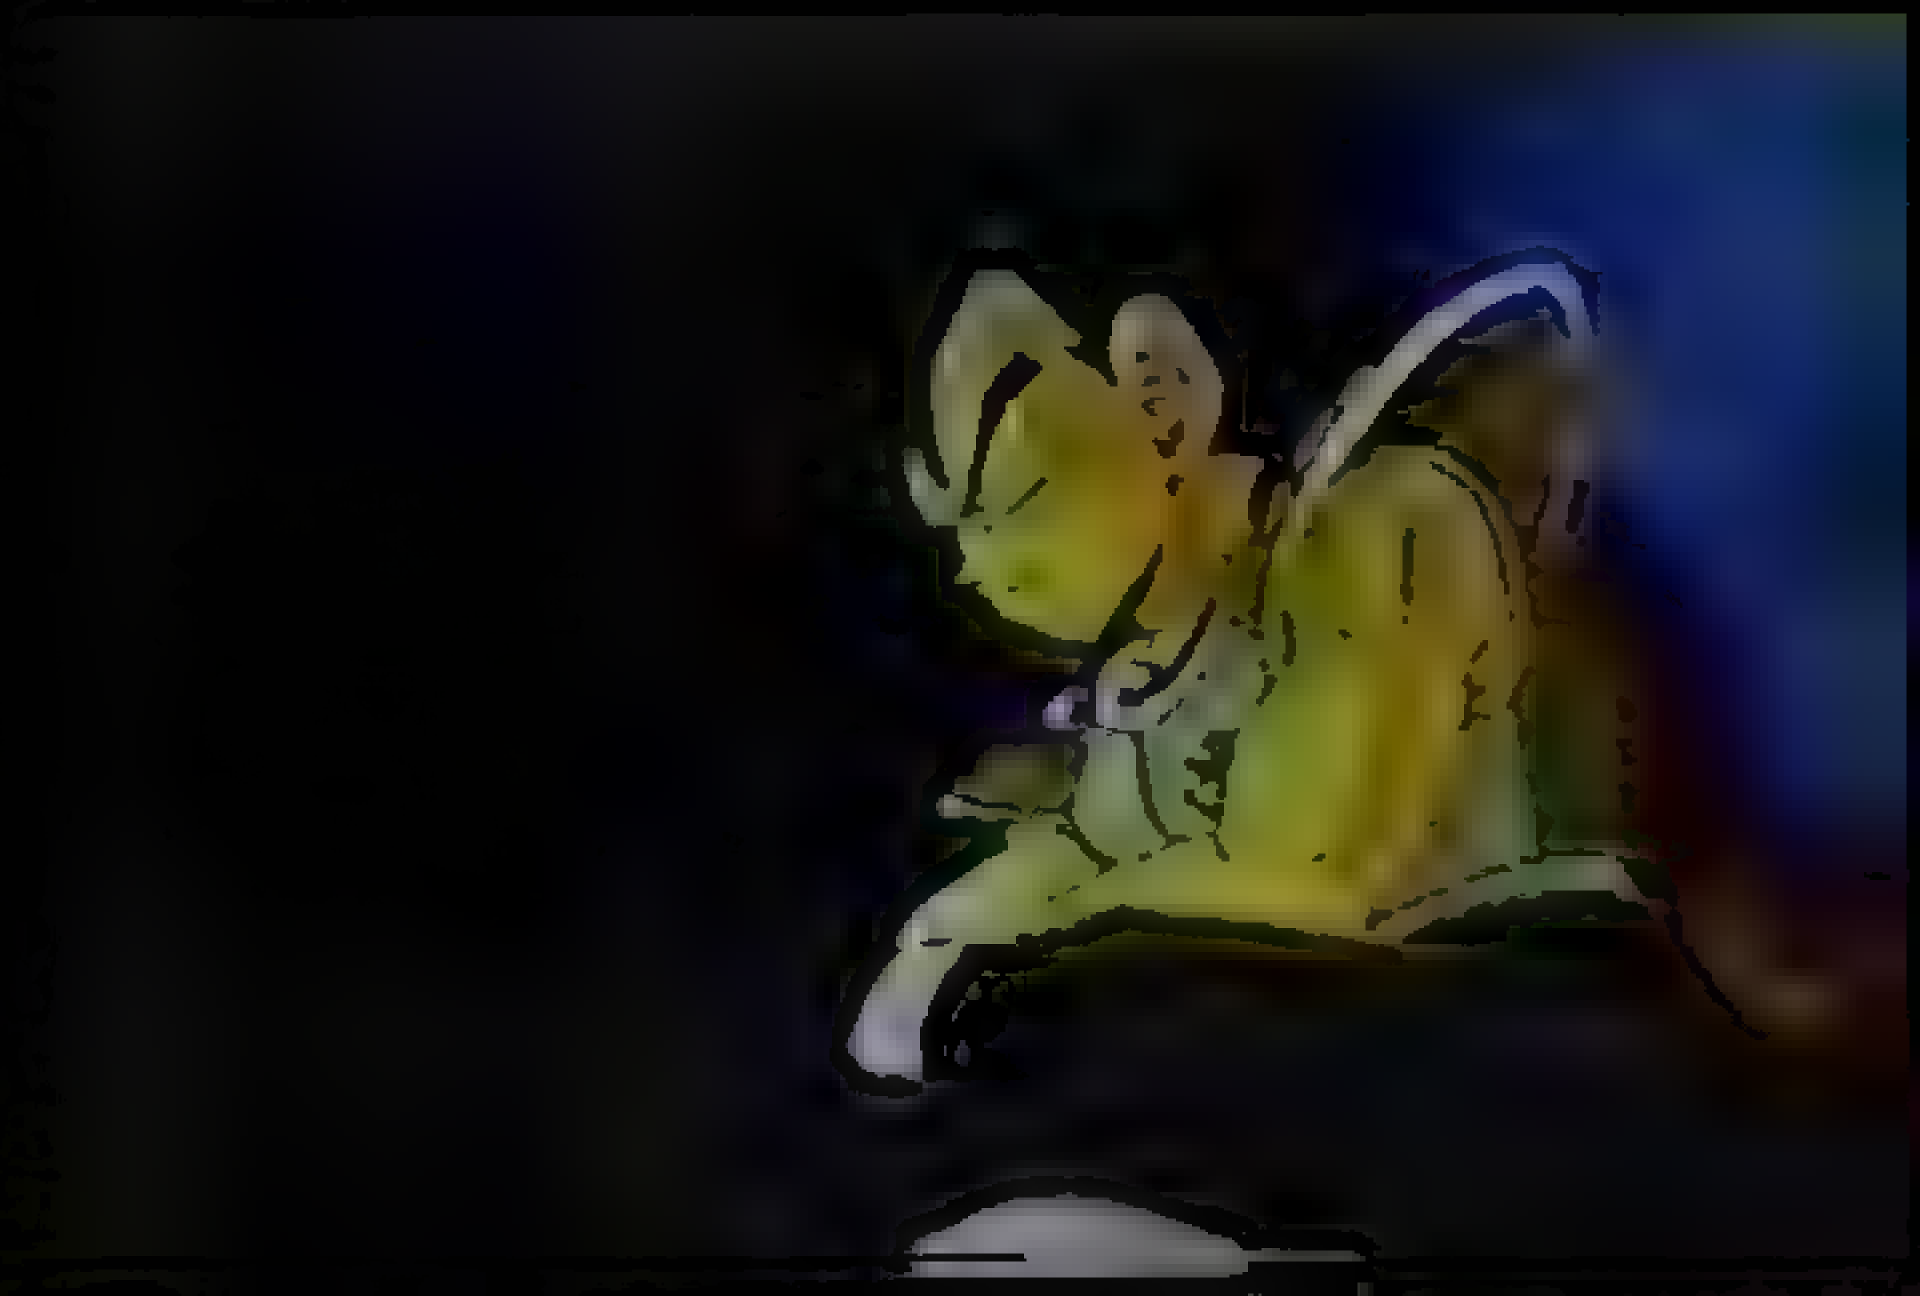

That's right! If your father
hadn't been so stupid,

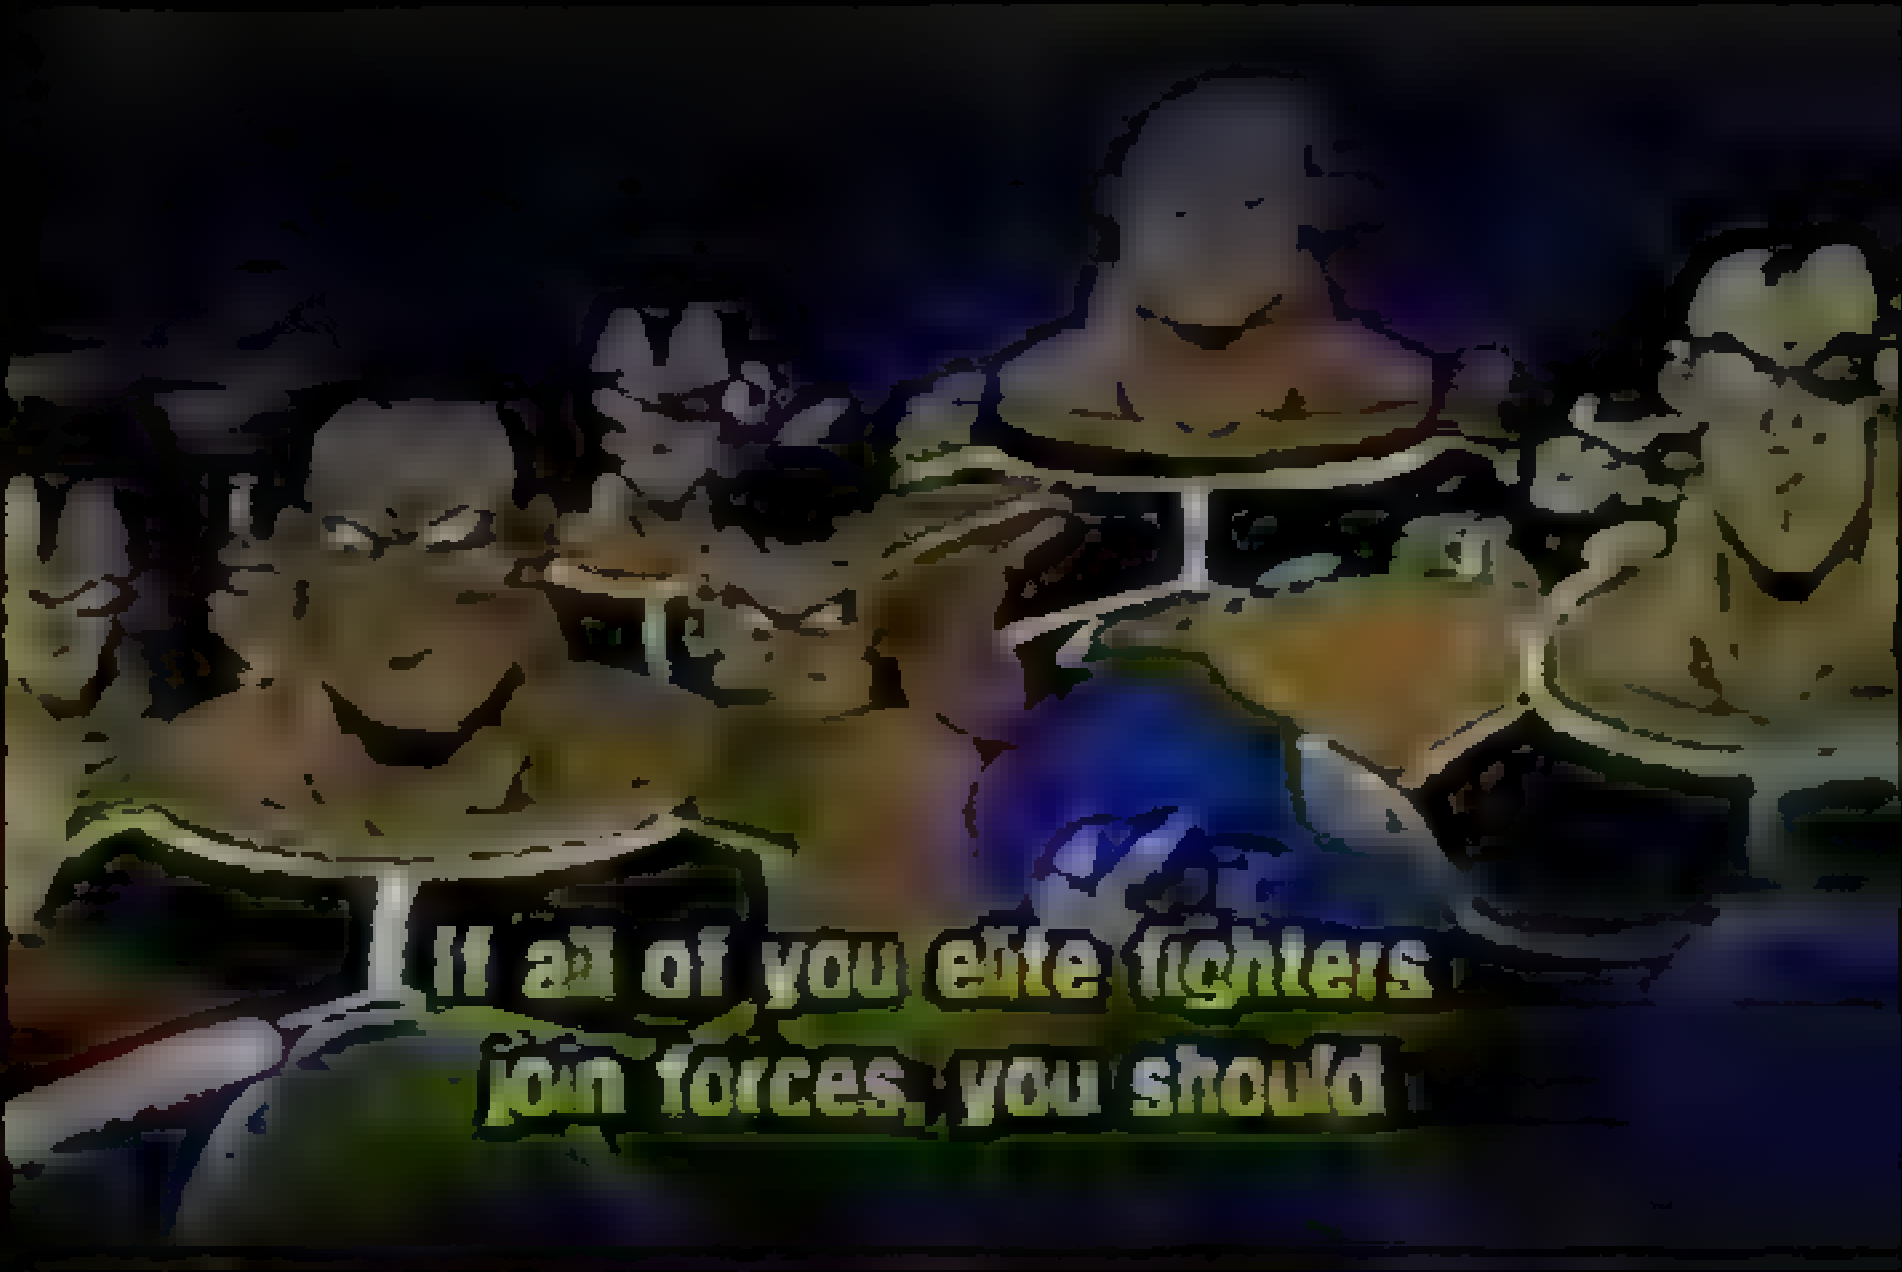

That's right! If your father
hadn't been so stupid

the Saiyan people
wouldn't have been destroyed.

Listen! Freezer fears
all of us fighting together...

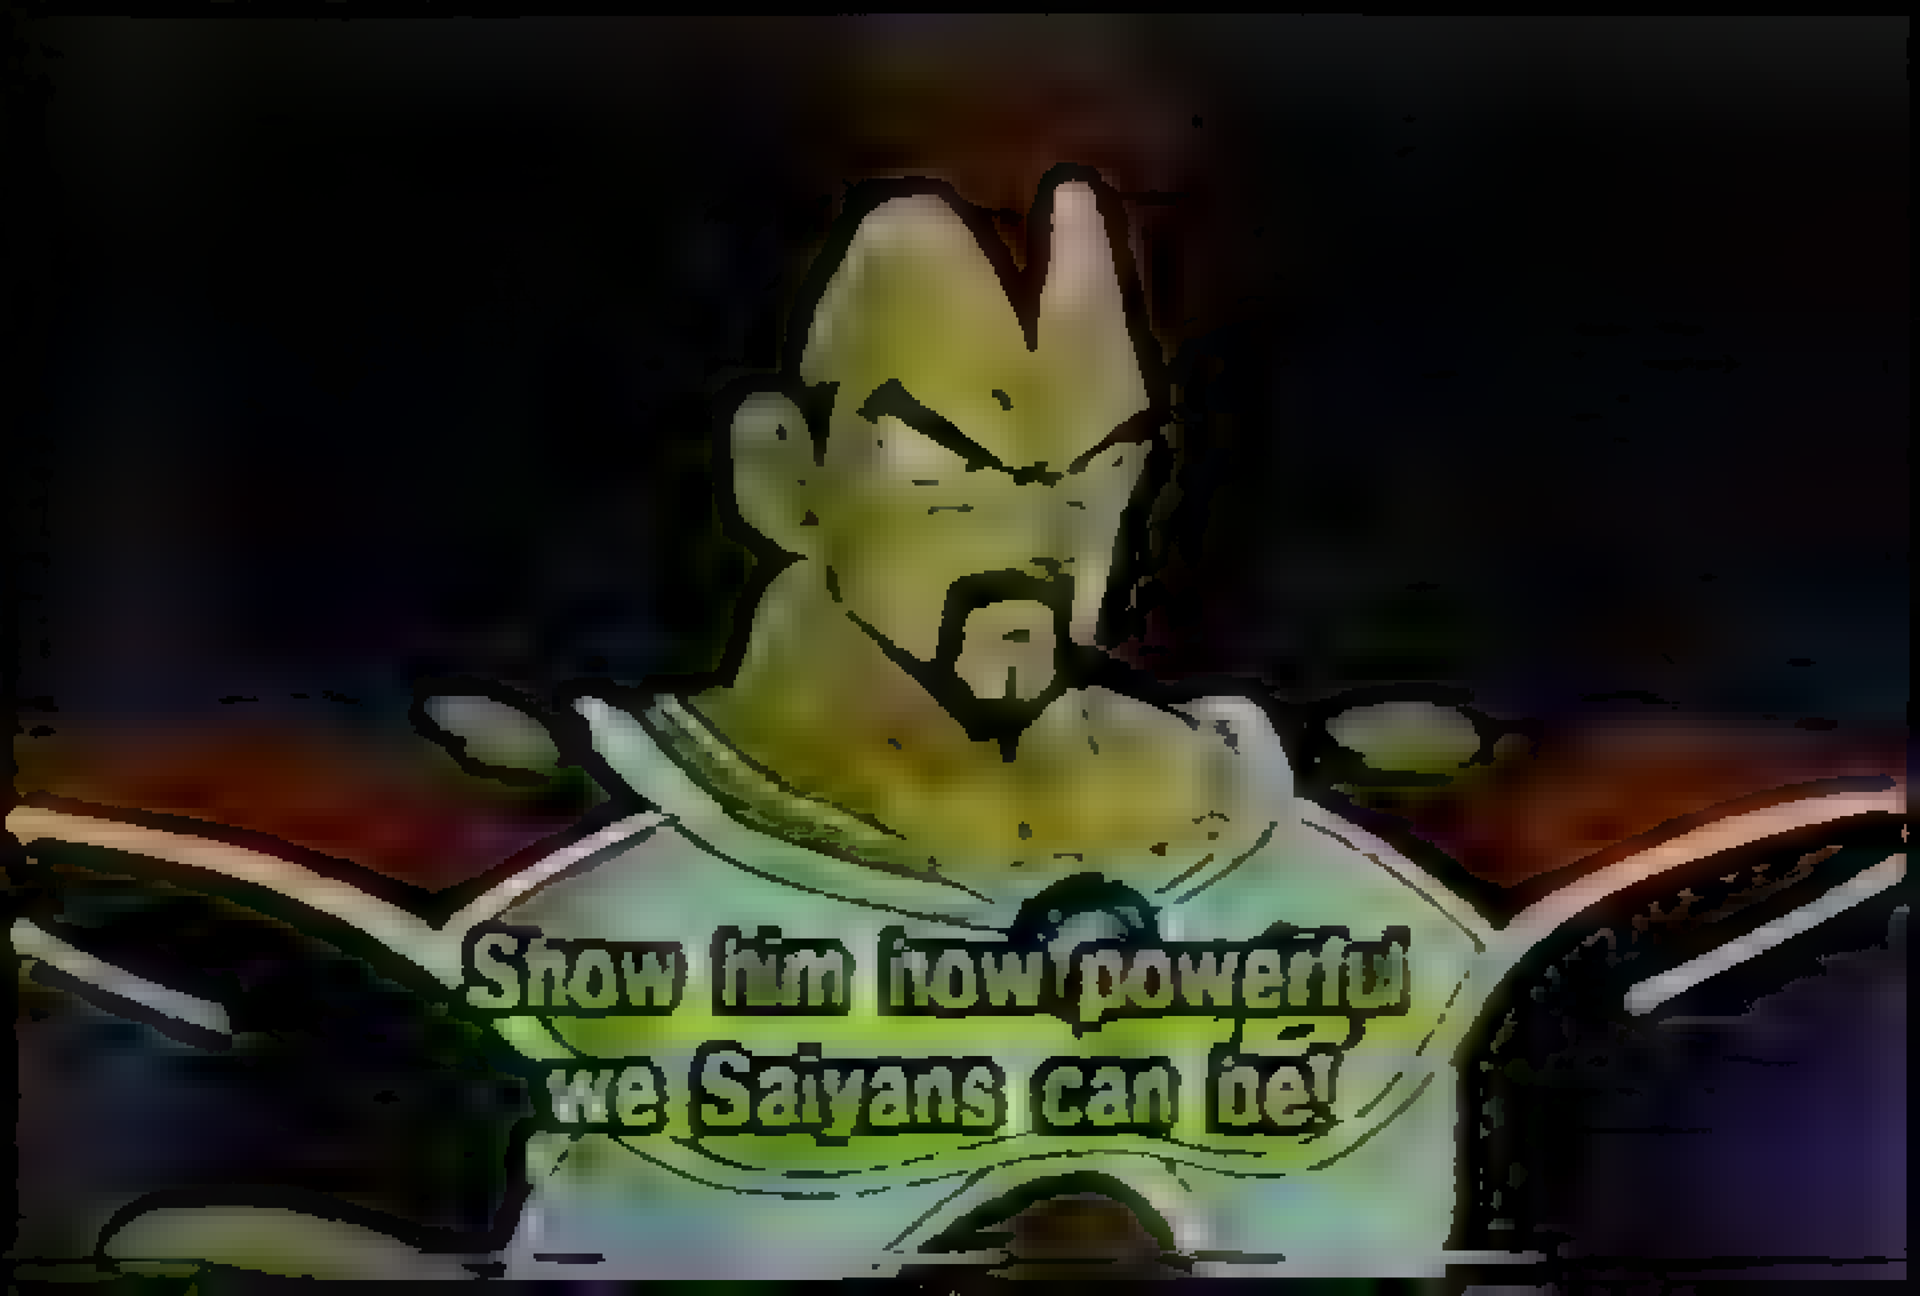

Listen! Freezer fears

If all of you elite fighters
join forces, you should

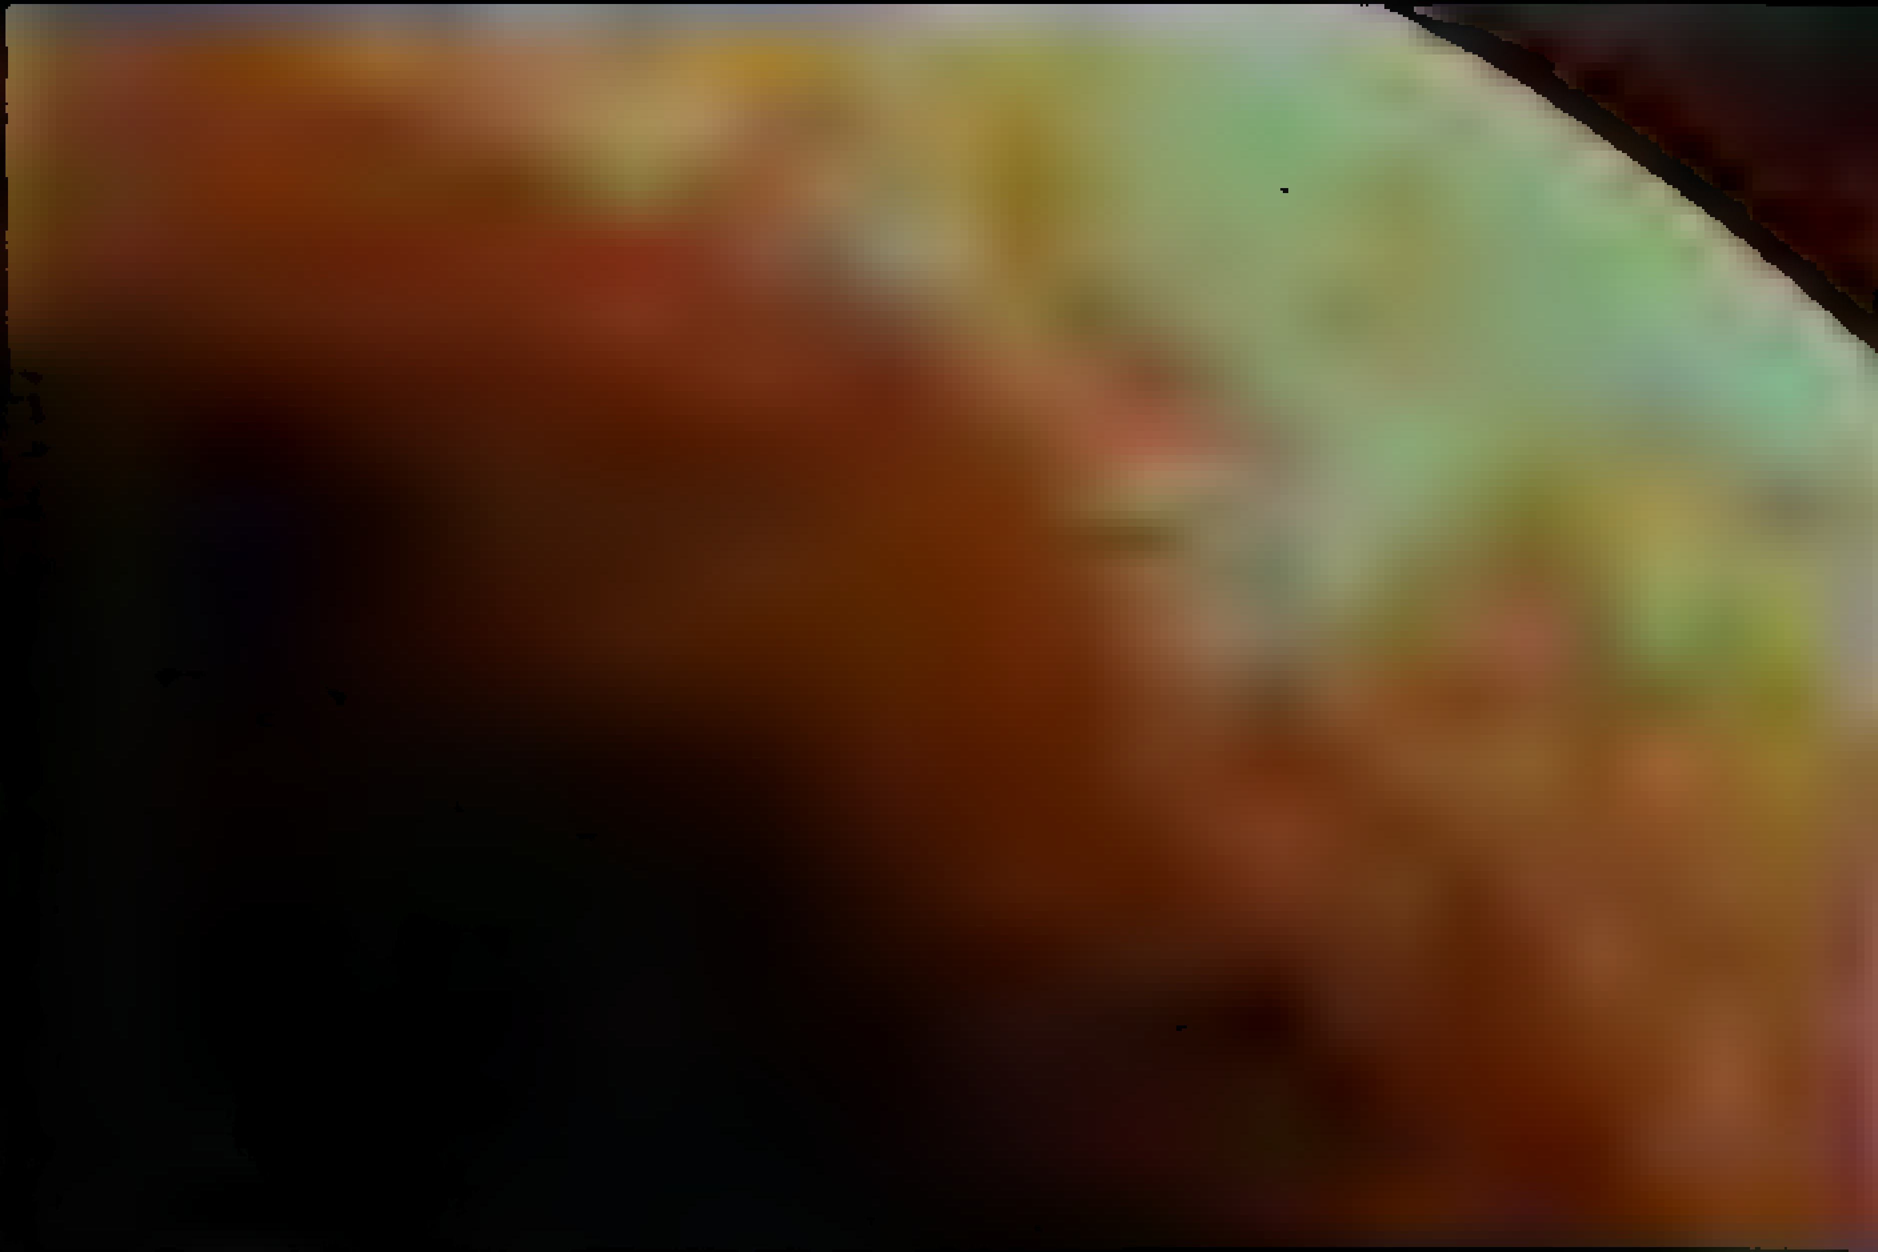

be able to defeat even him!

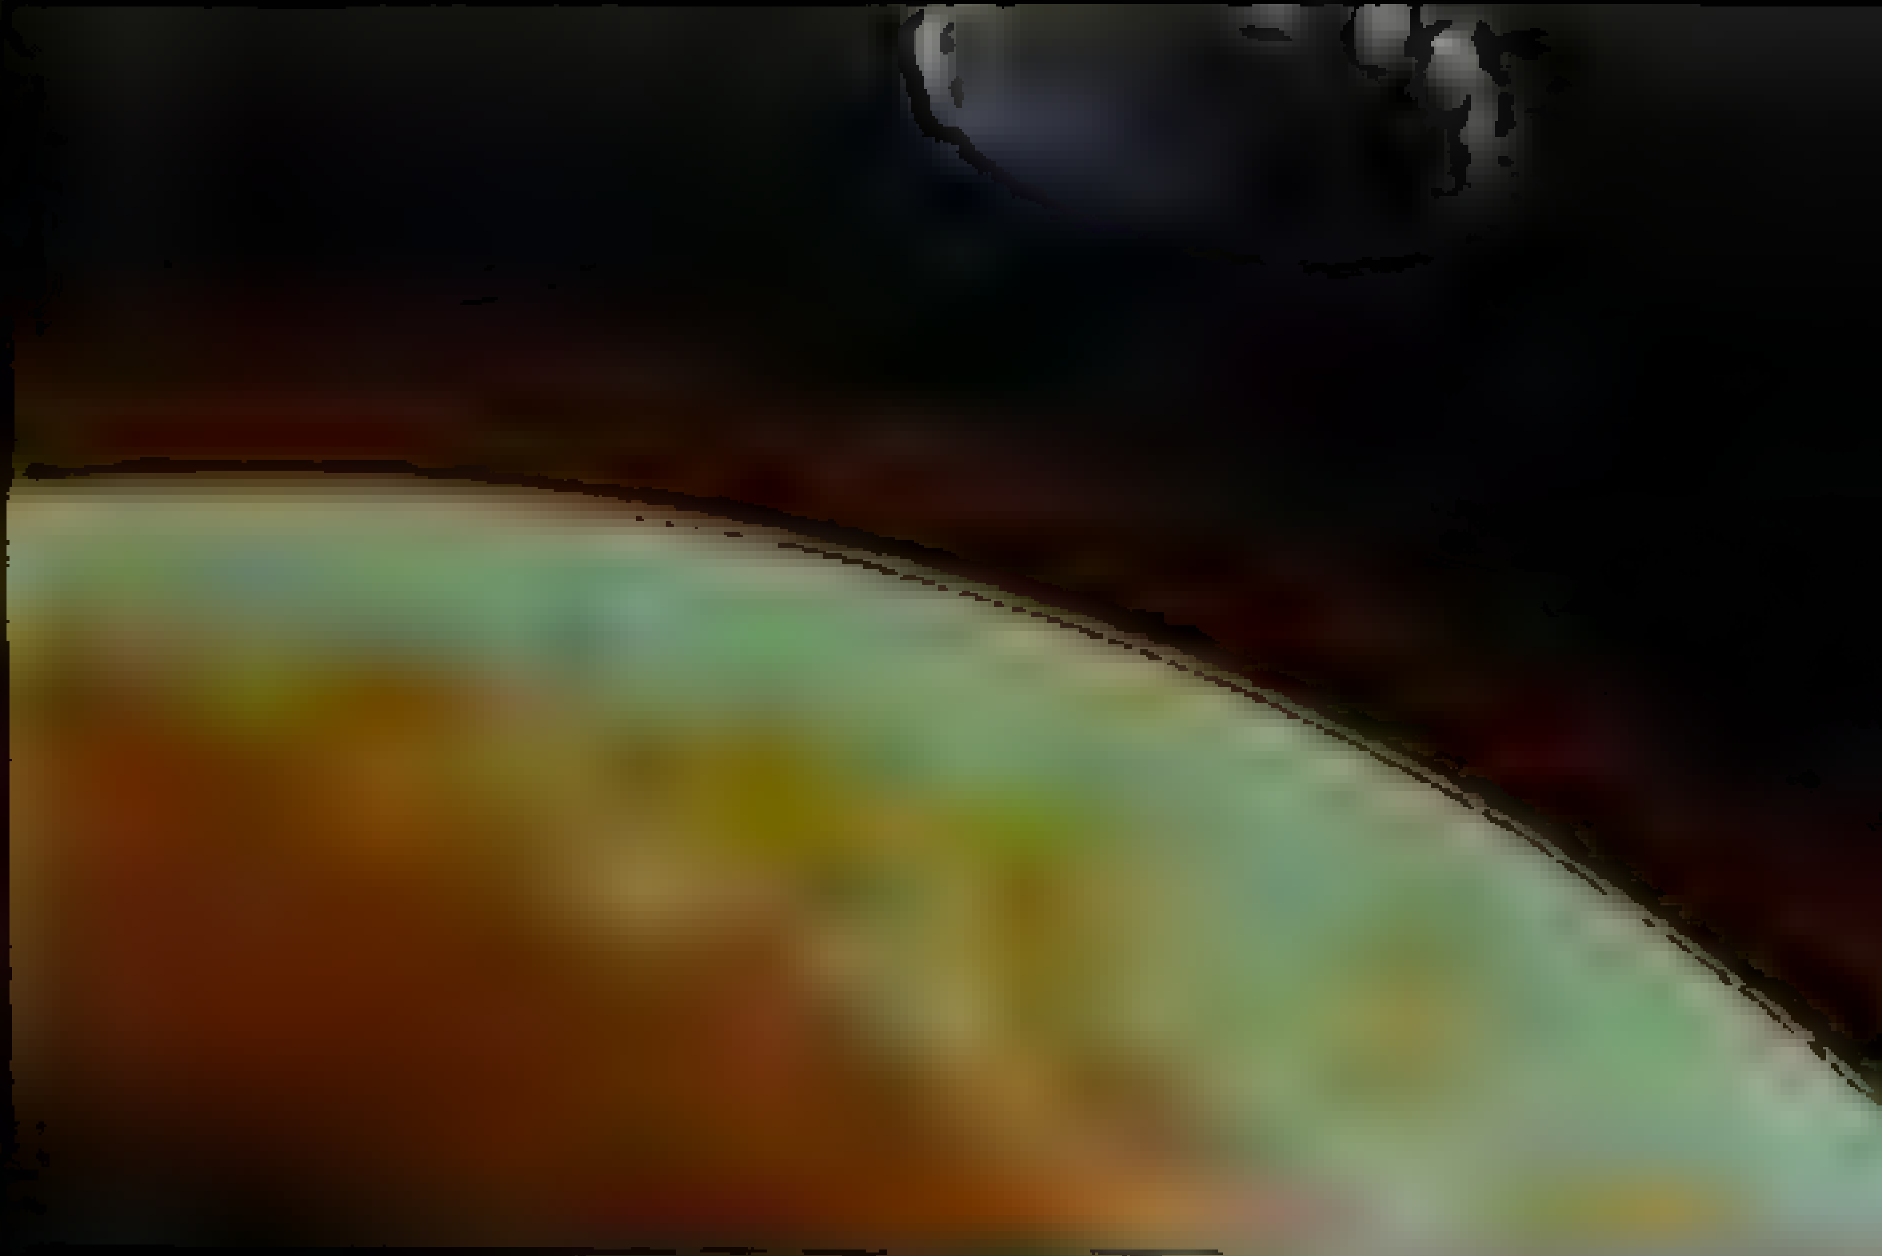

be able to defeat even him!

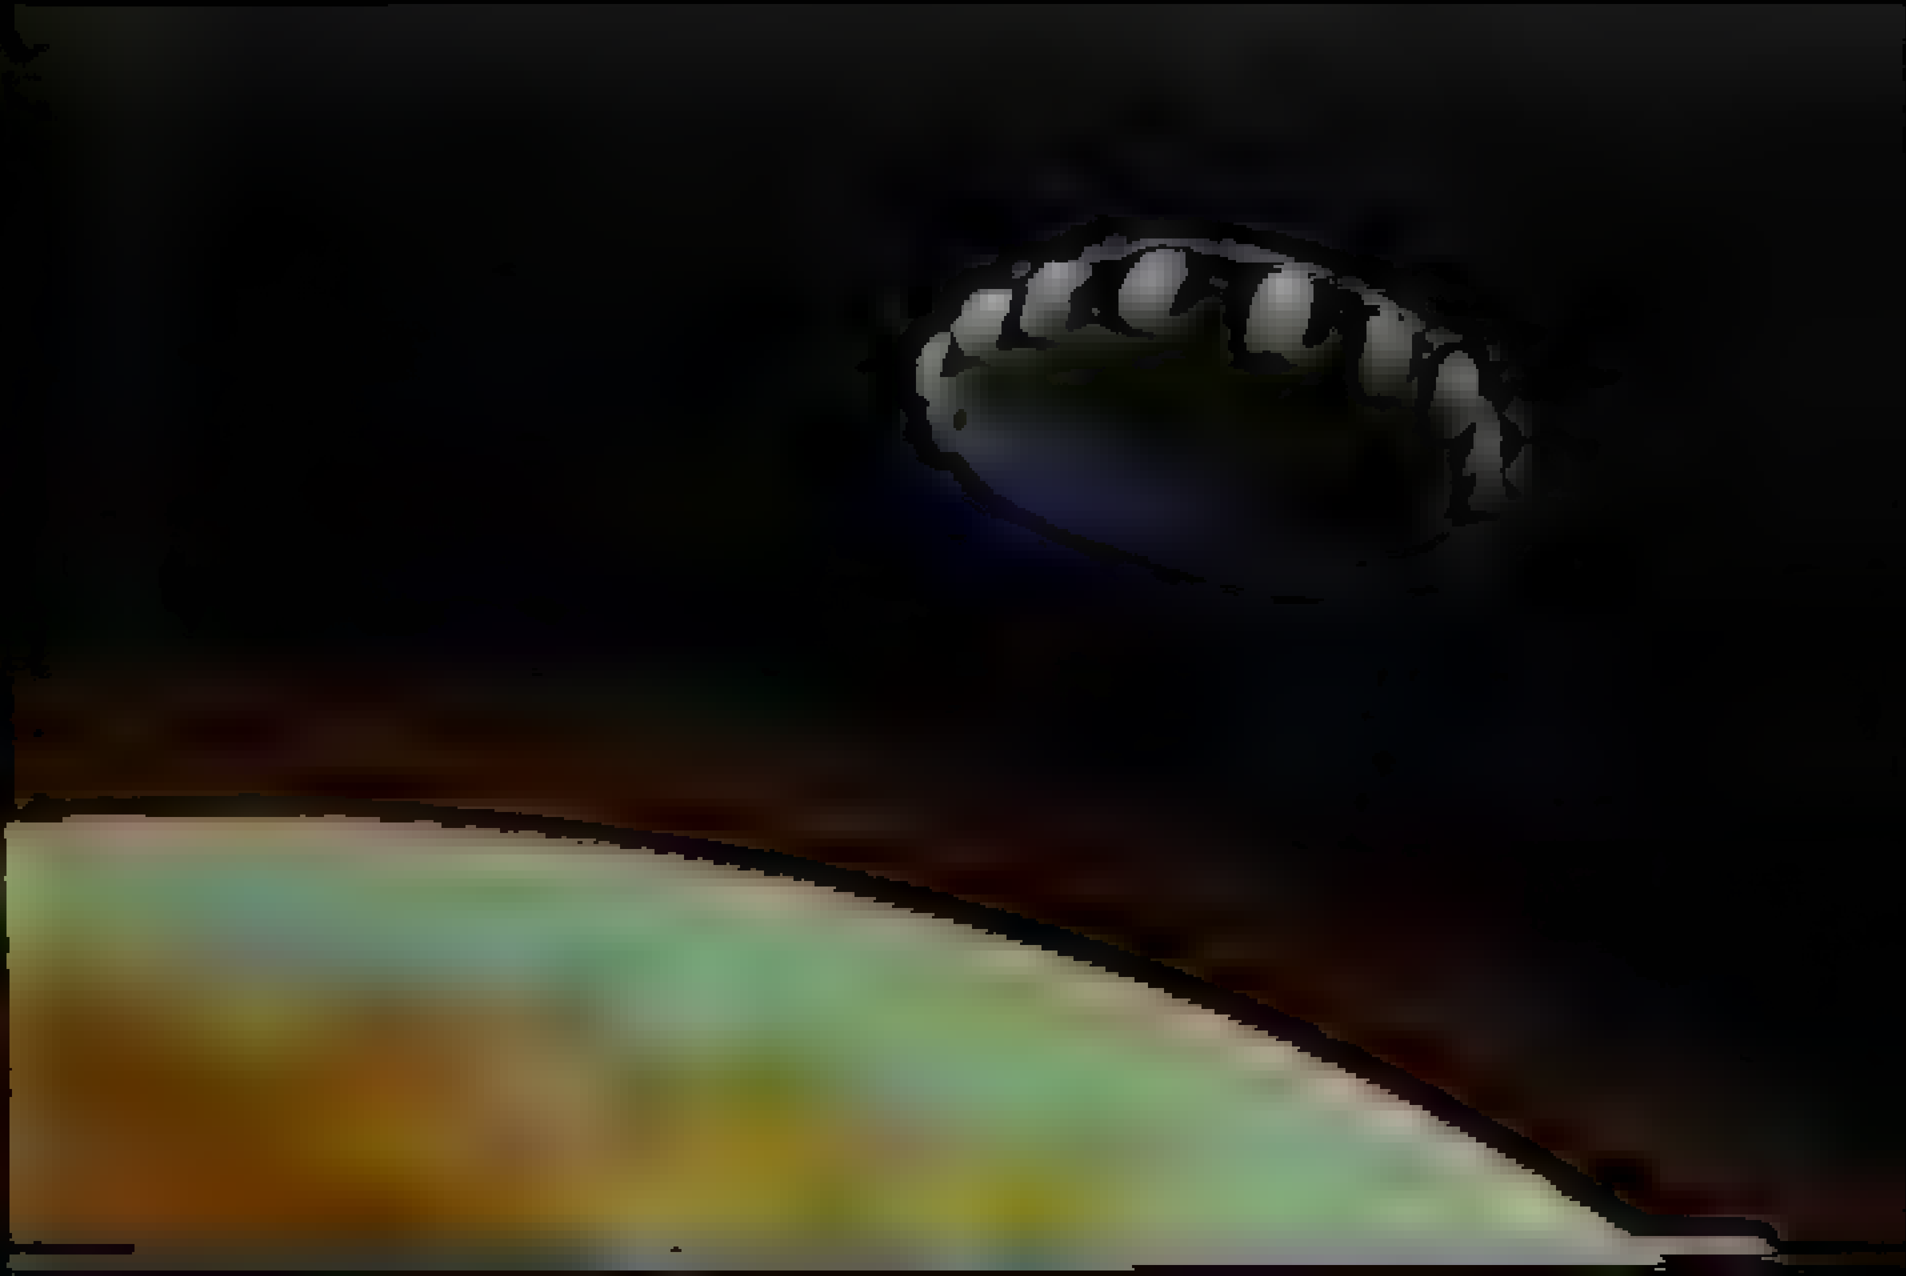

Show him how powerful
we Saiyans can be!

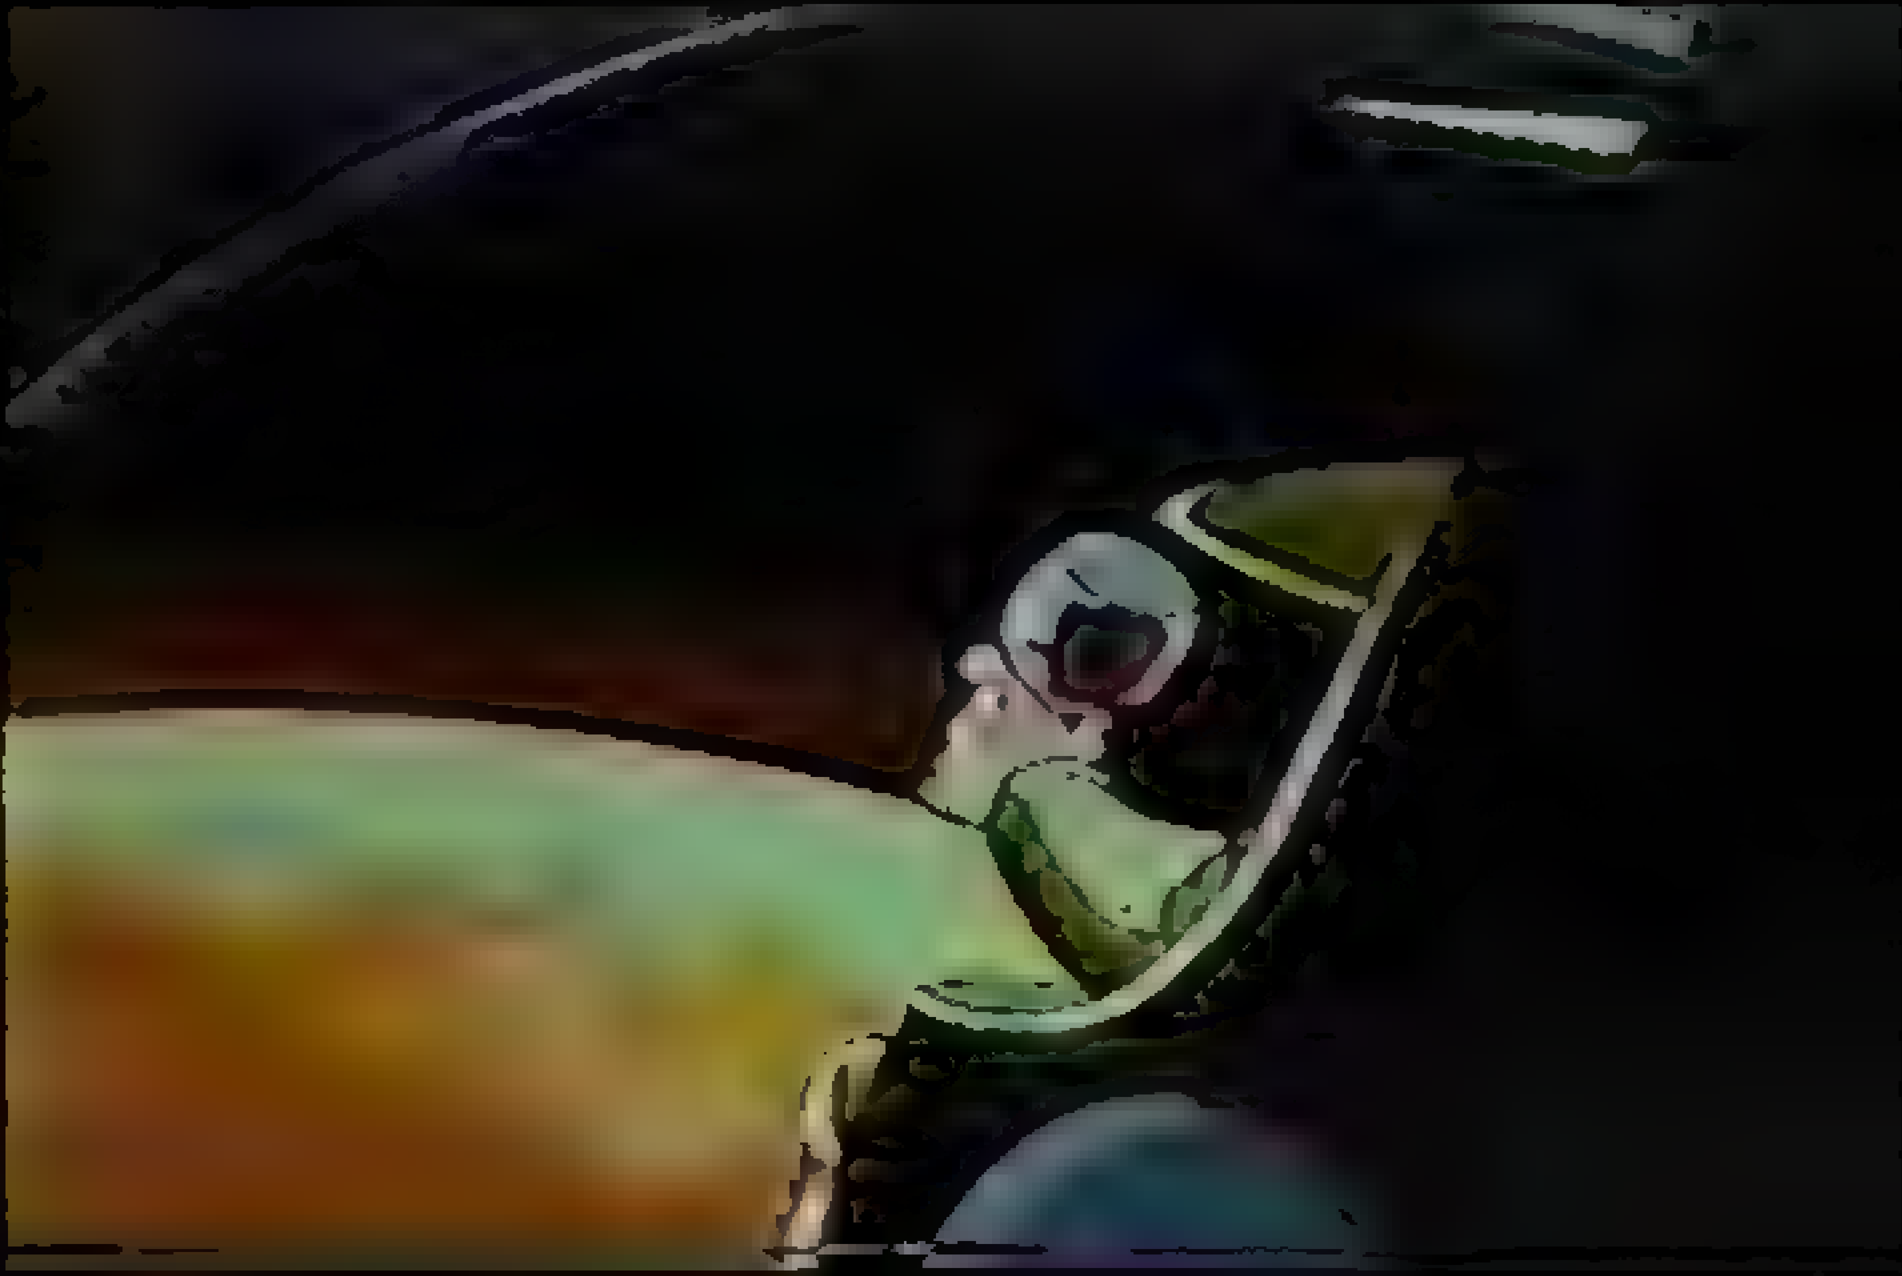

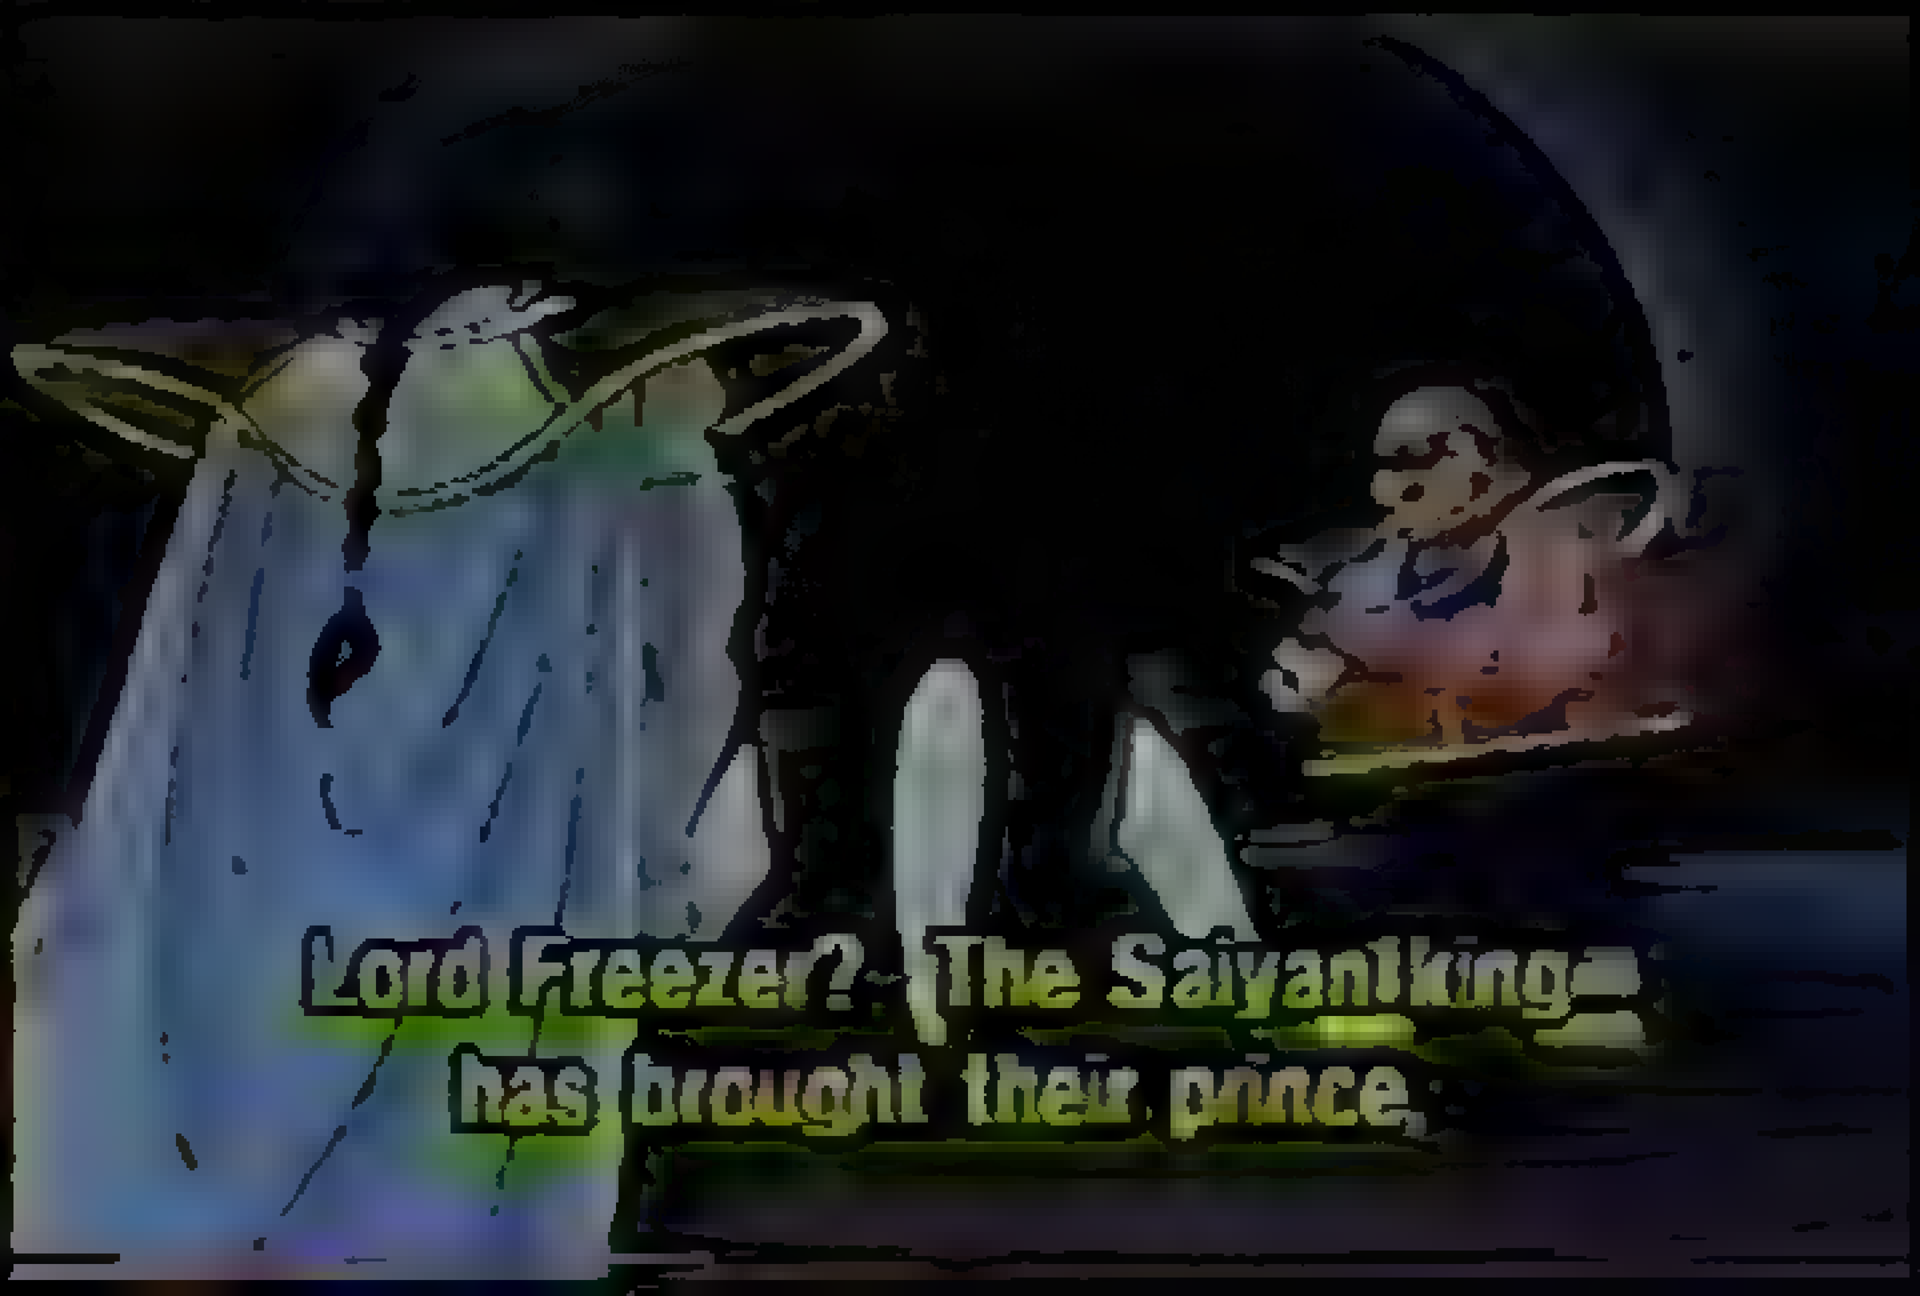

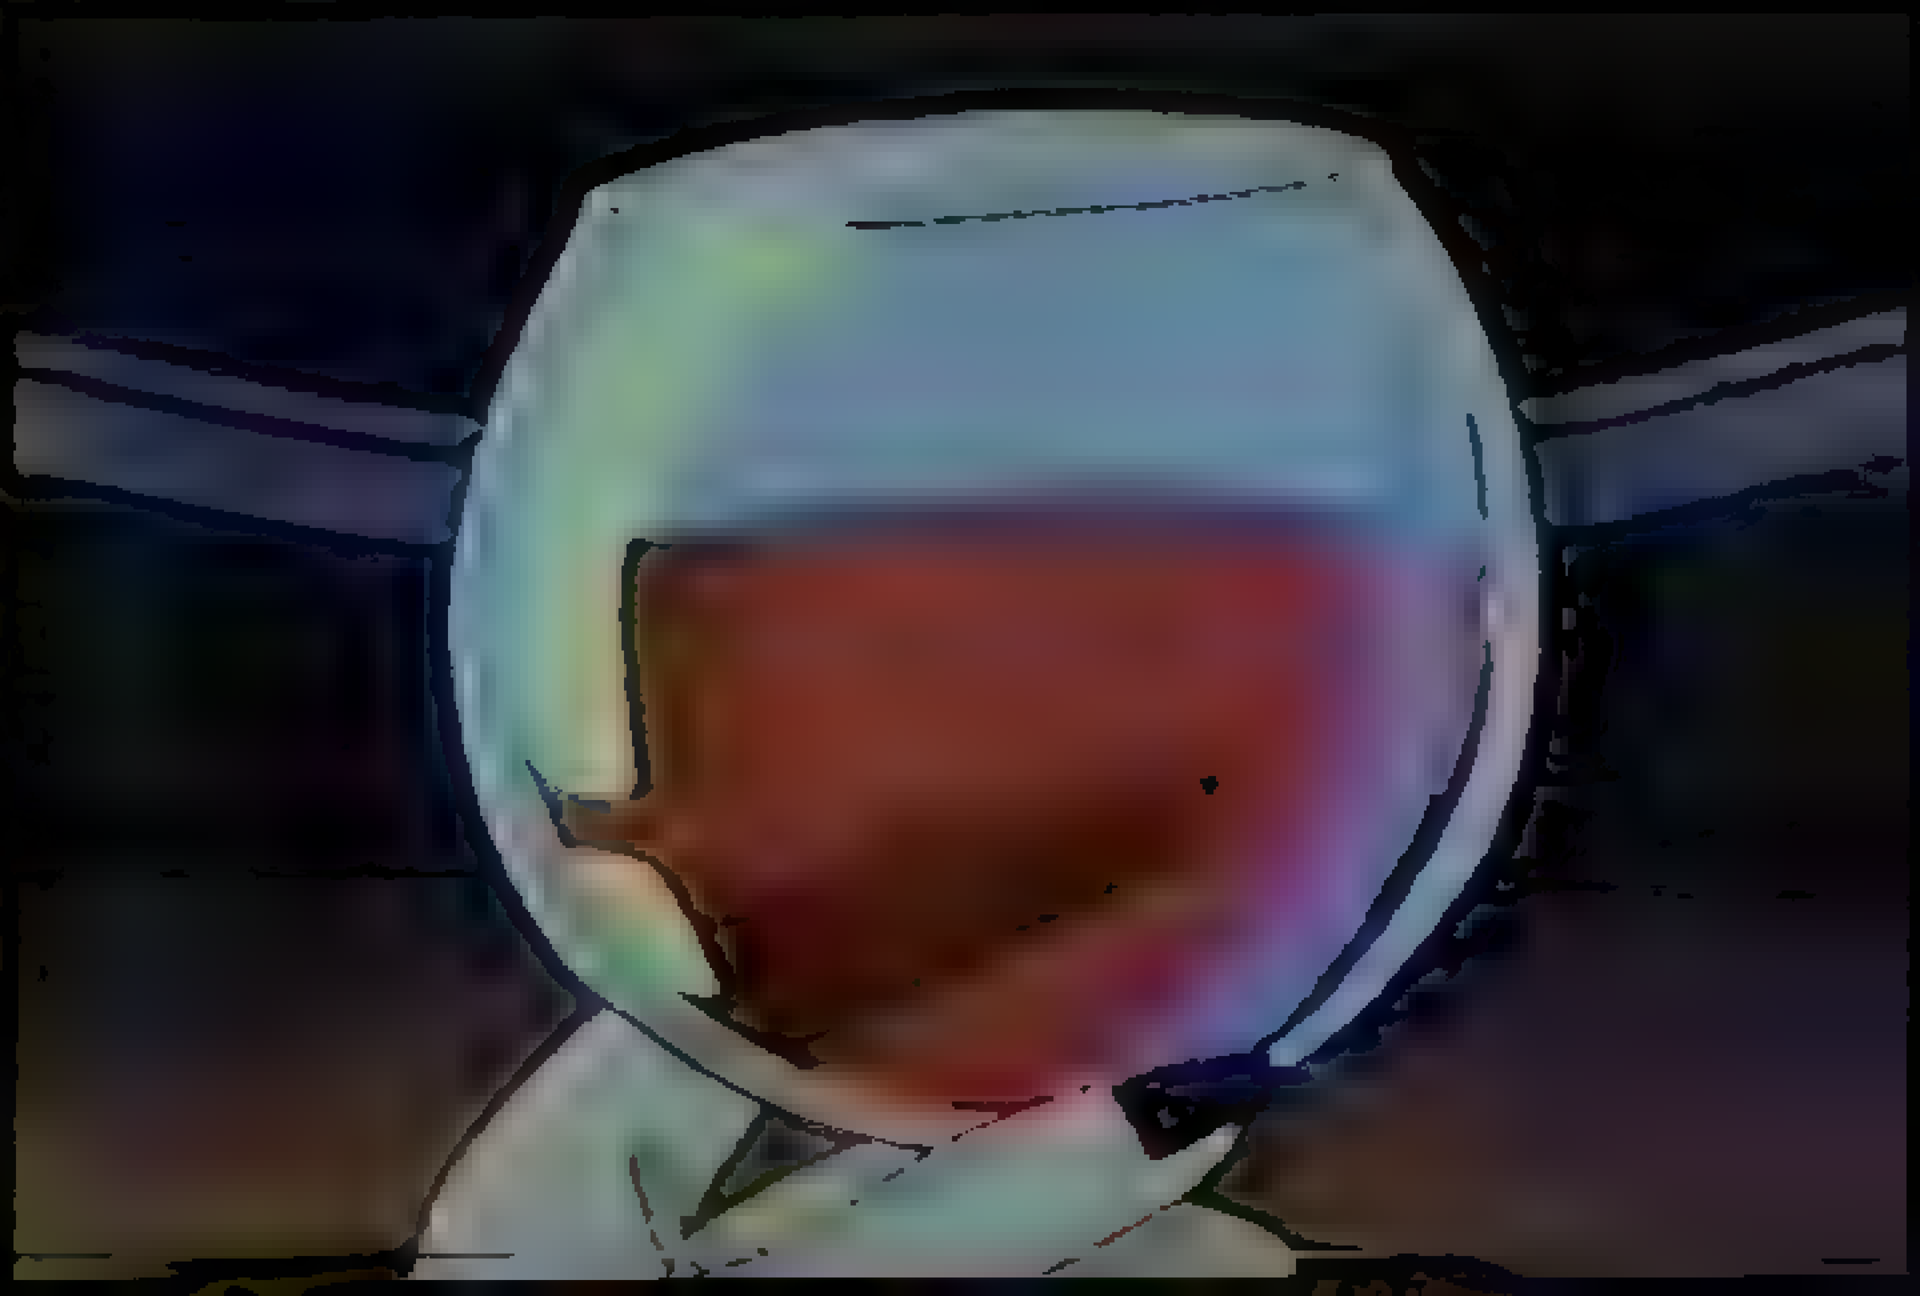

Lord Freezer? The Saiyan King
has brought their prince.

Lord Freezer? The Saiyan King
has brought their prince.

and asks to see you.

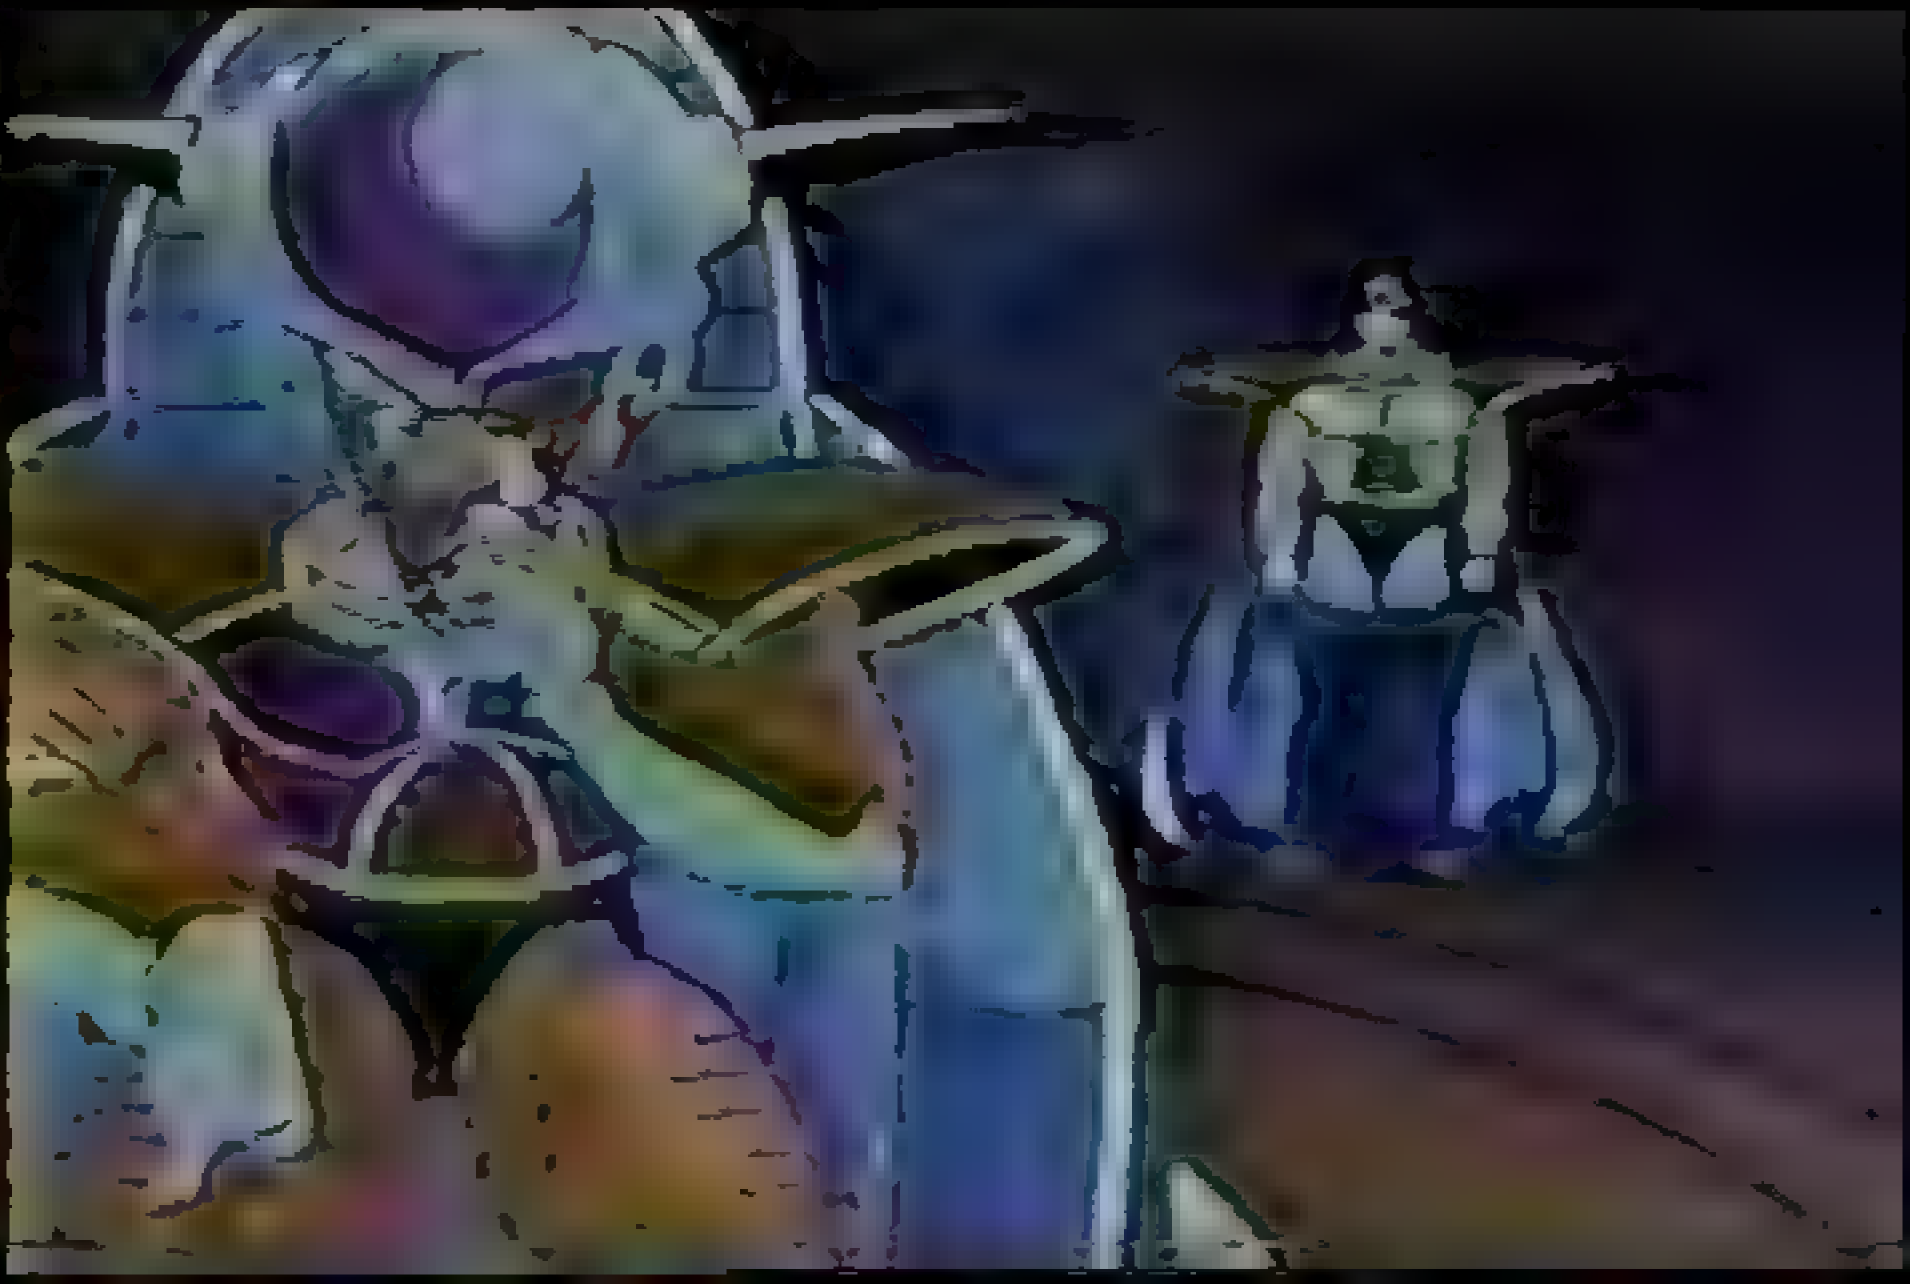

Lord Freezer...?

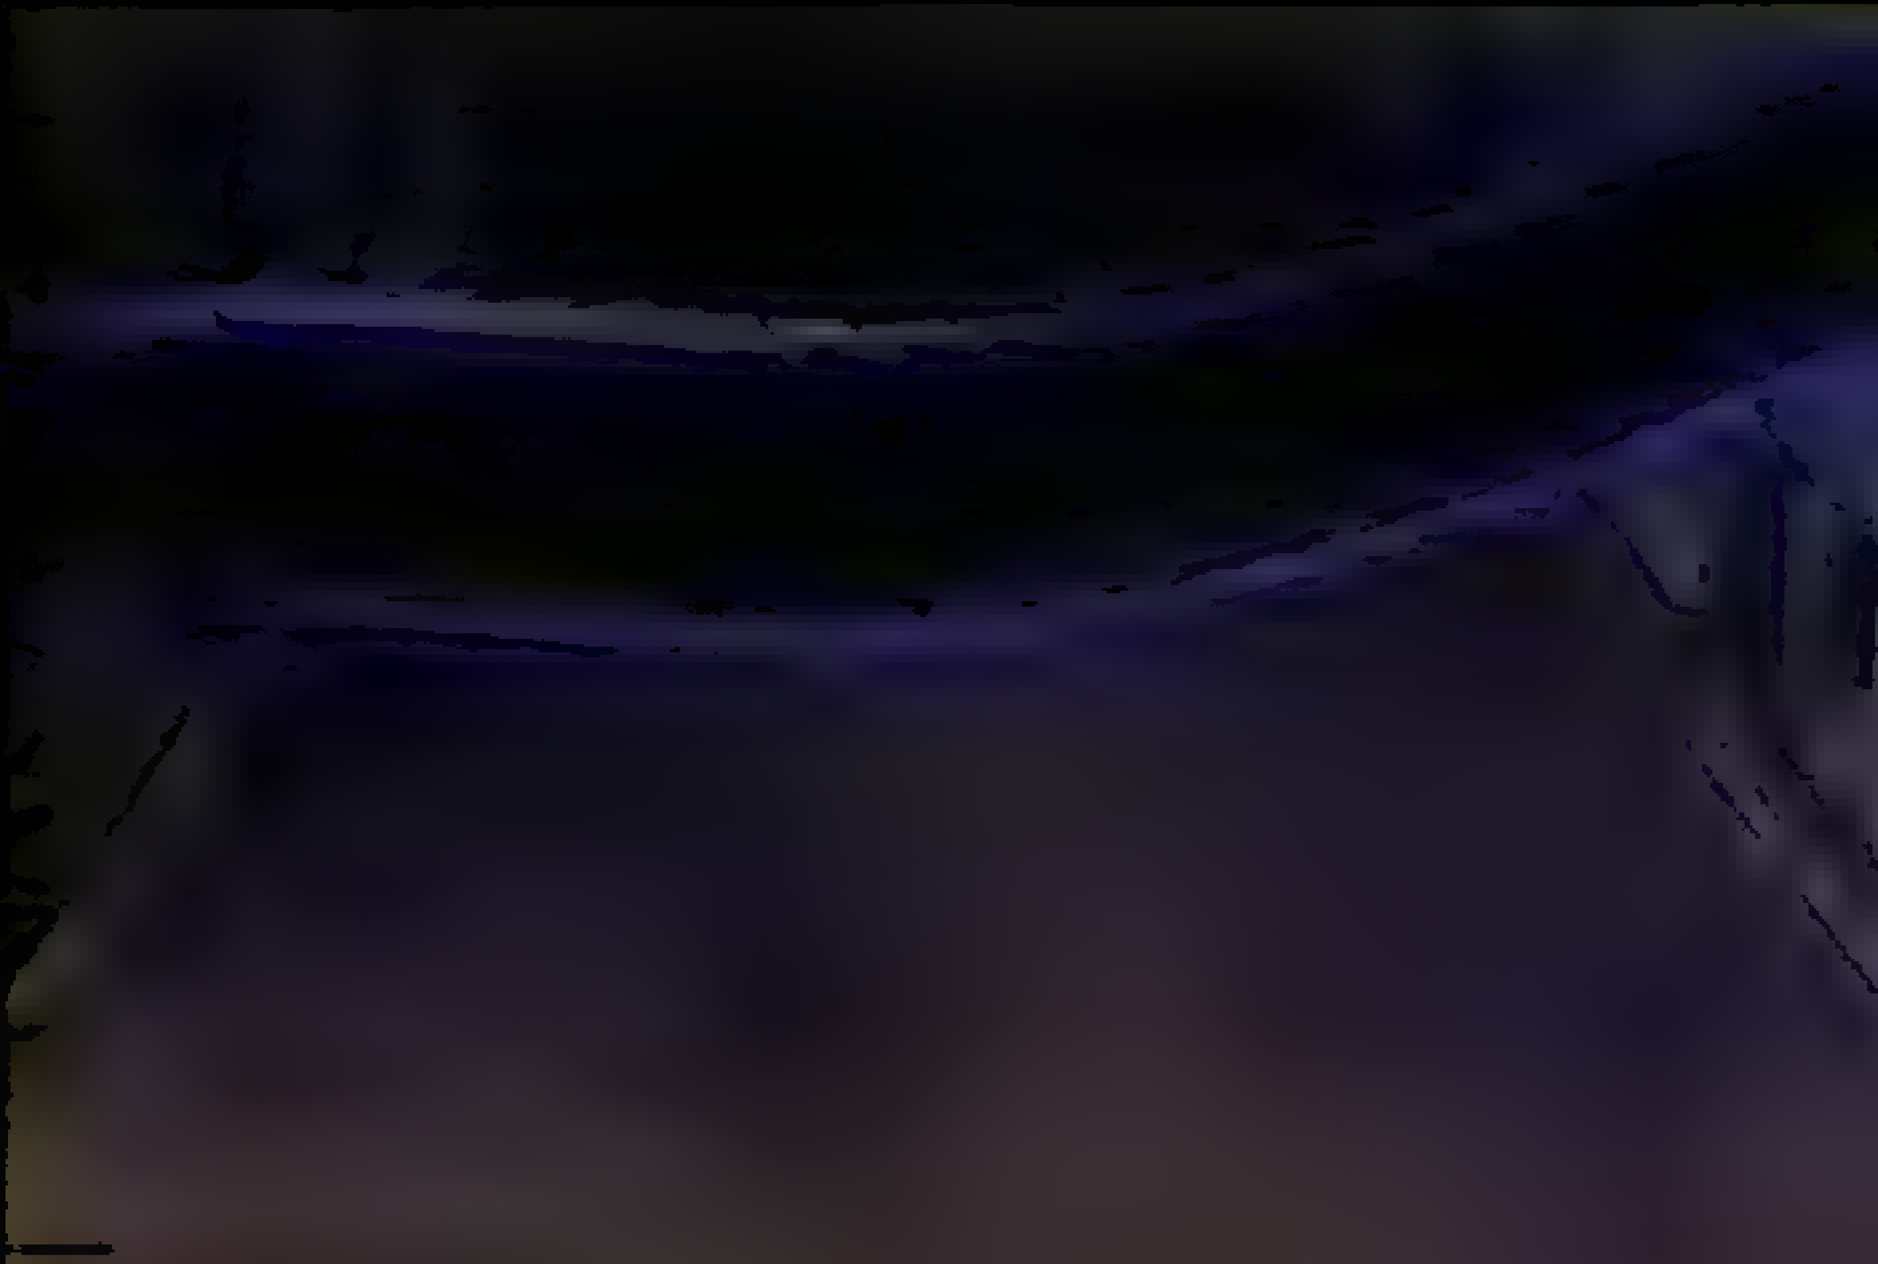

The Saiyans have been
acting suspiciously lately.

It's quite irritating

They are tools.

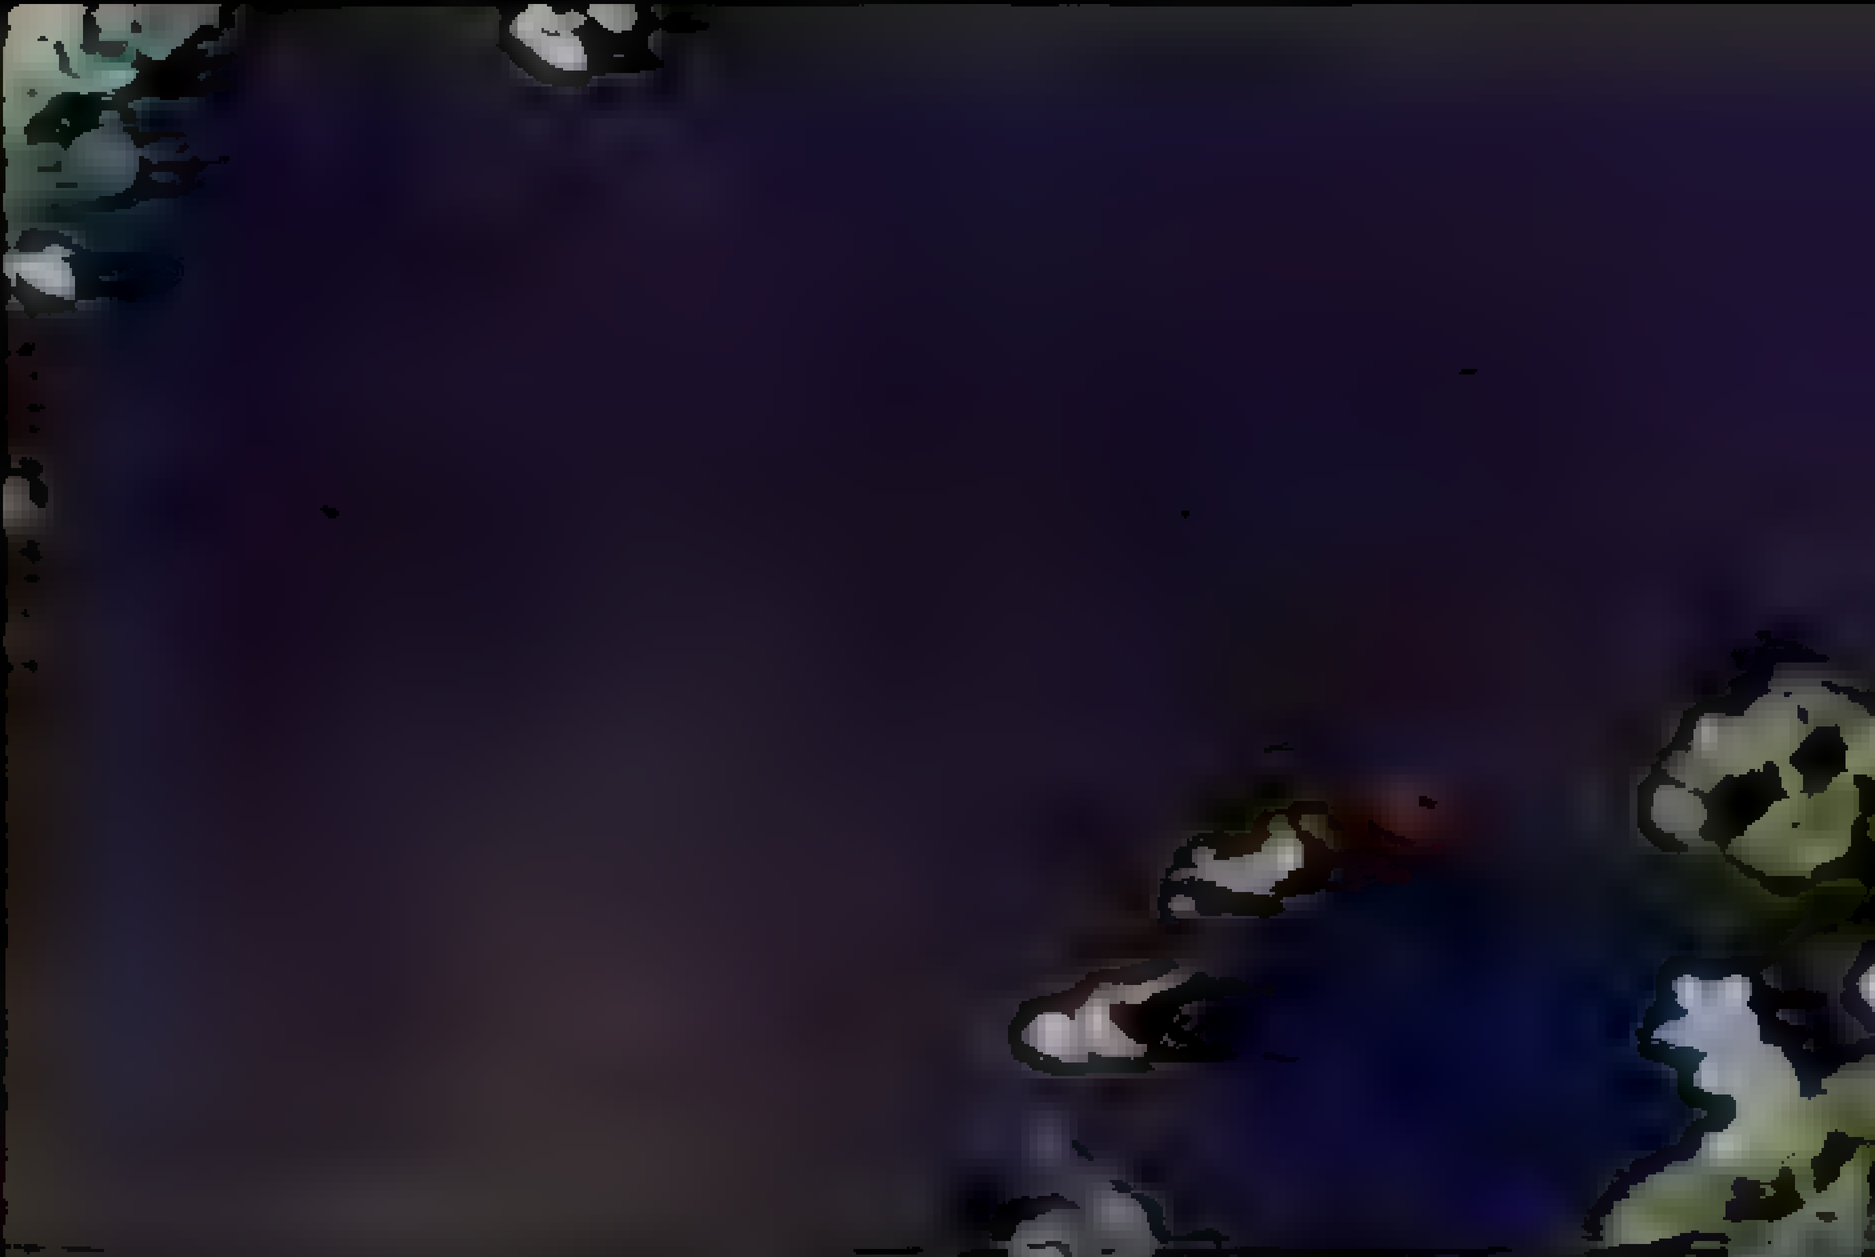

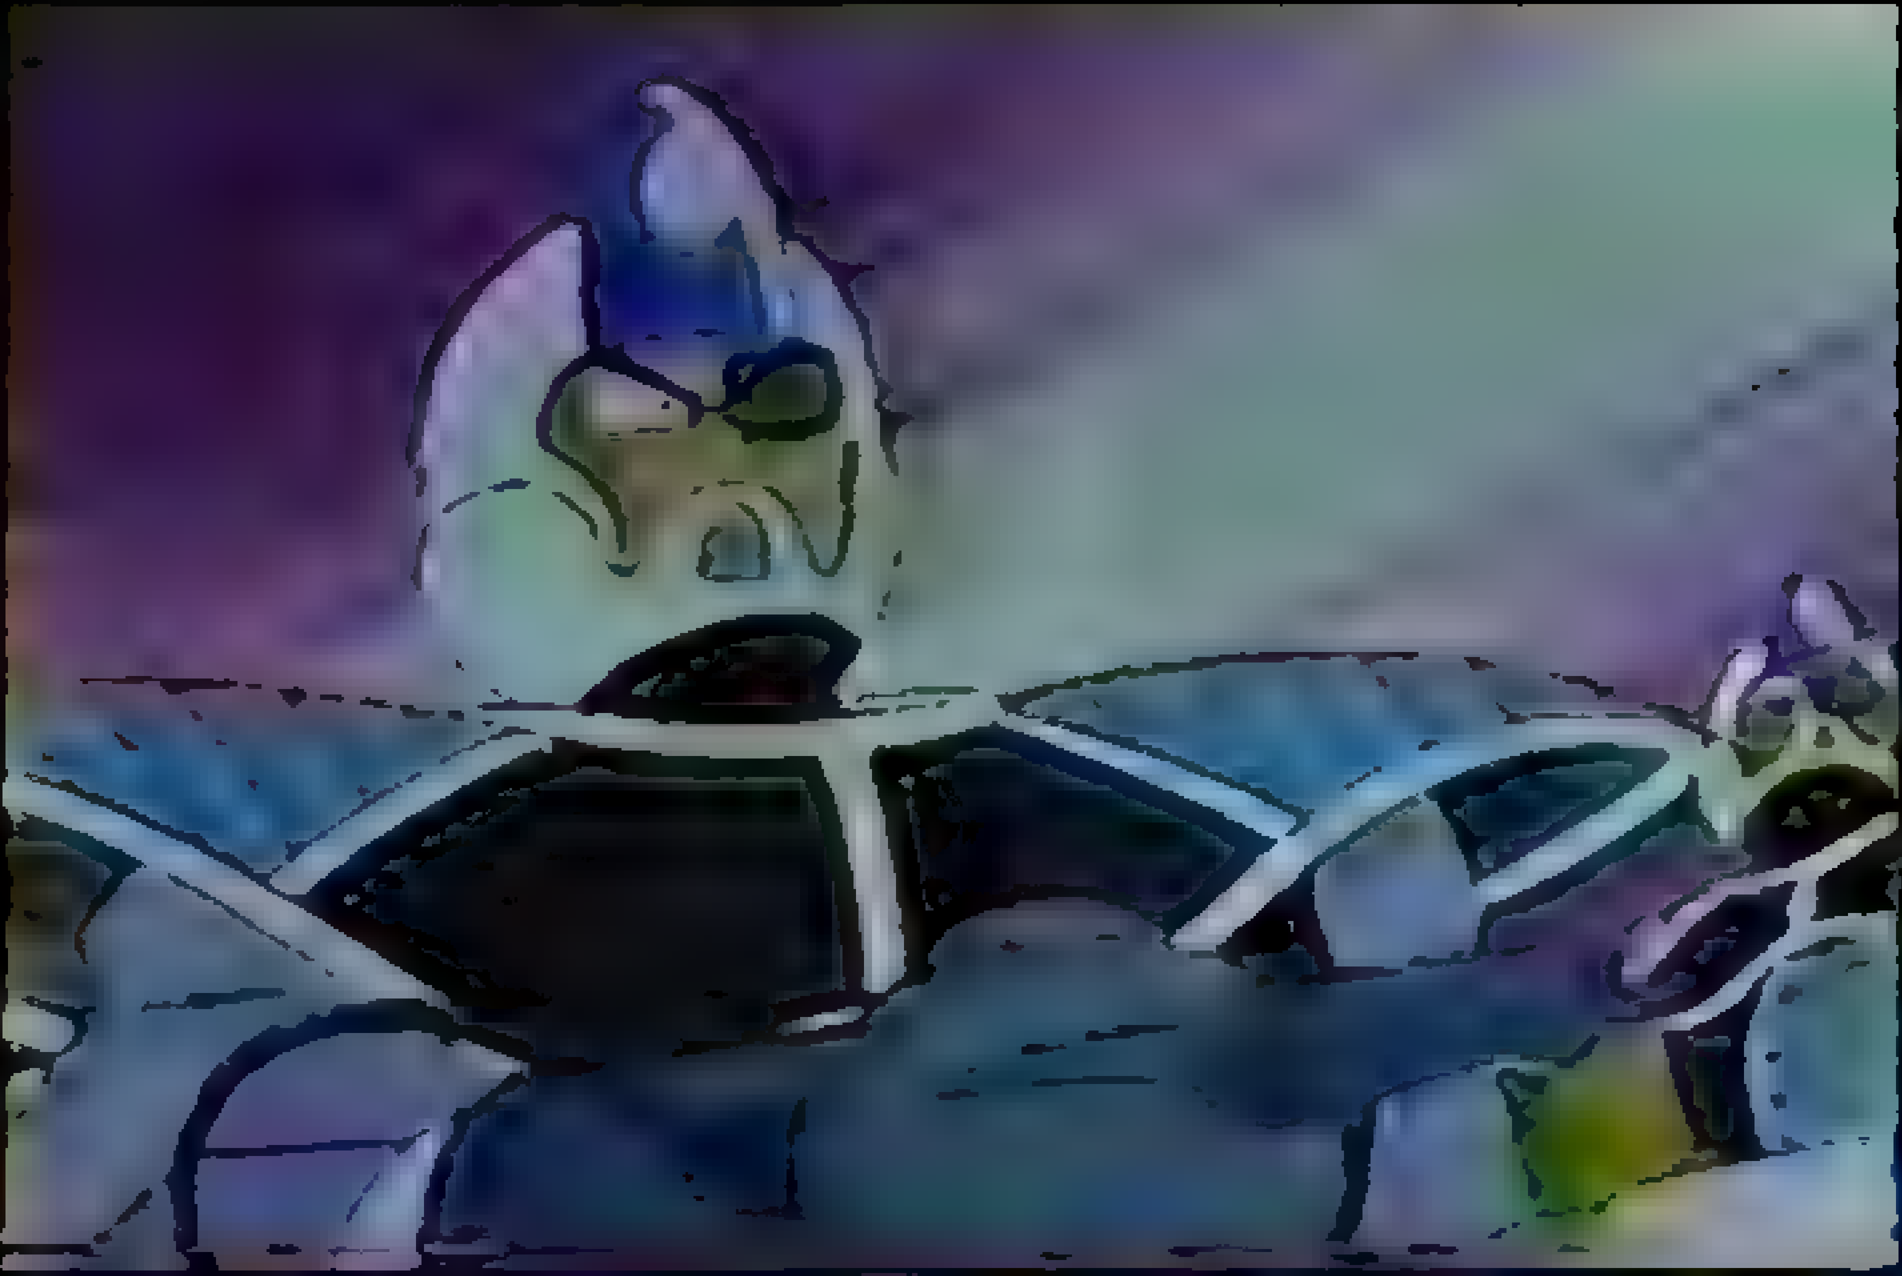

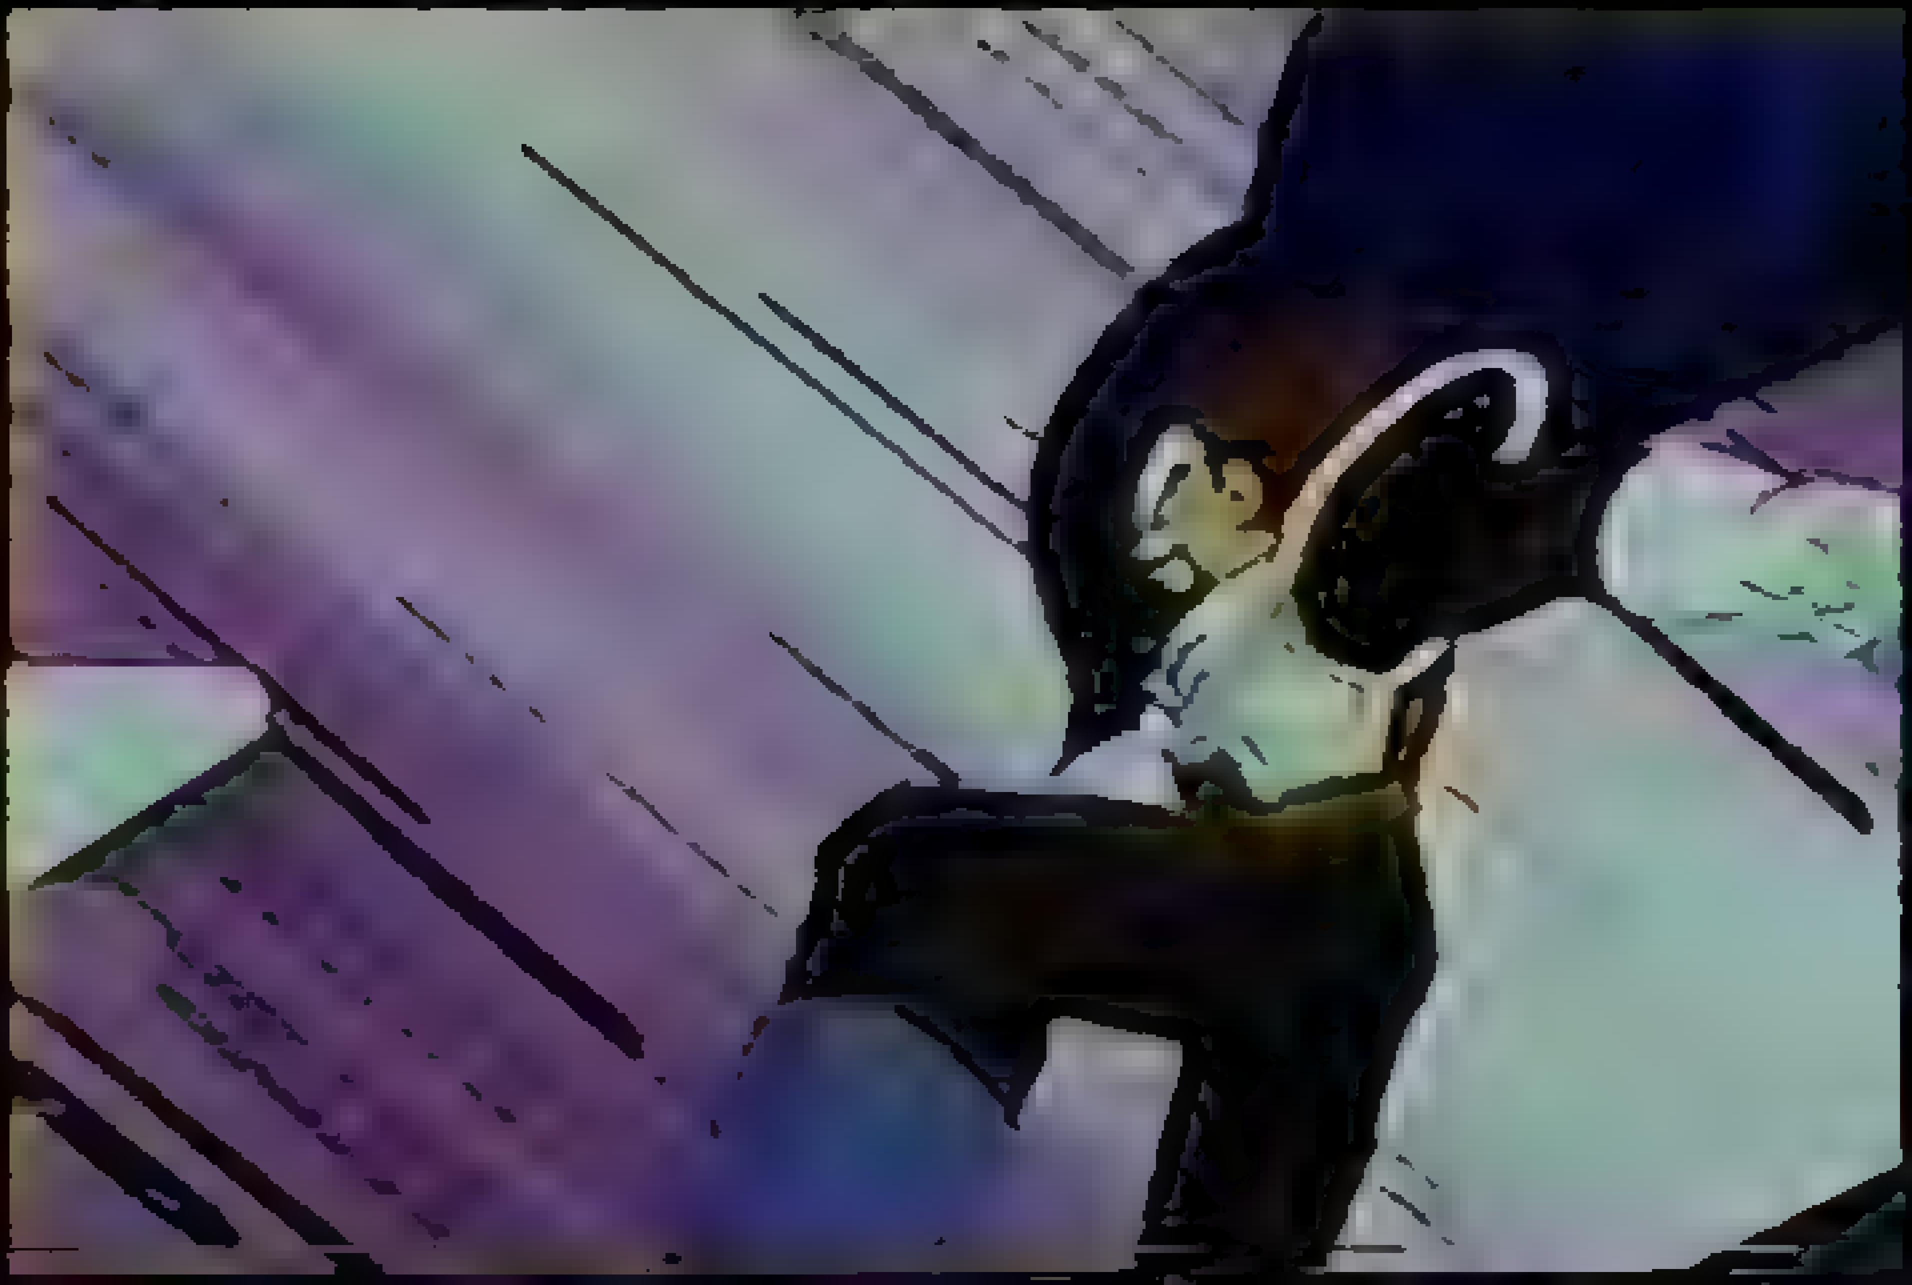

Don't falter!
Freeze? is back here!

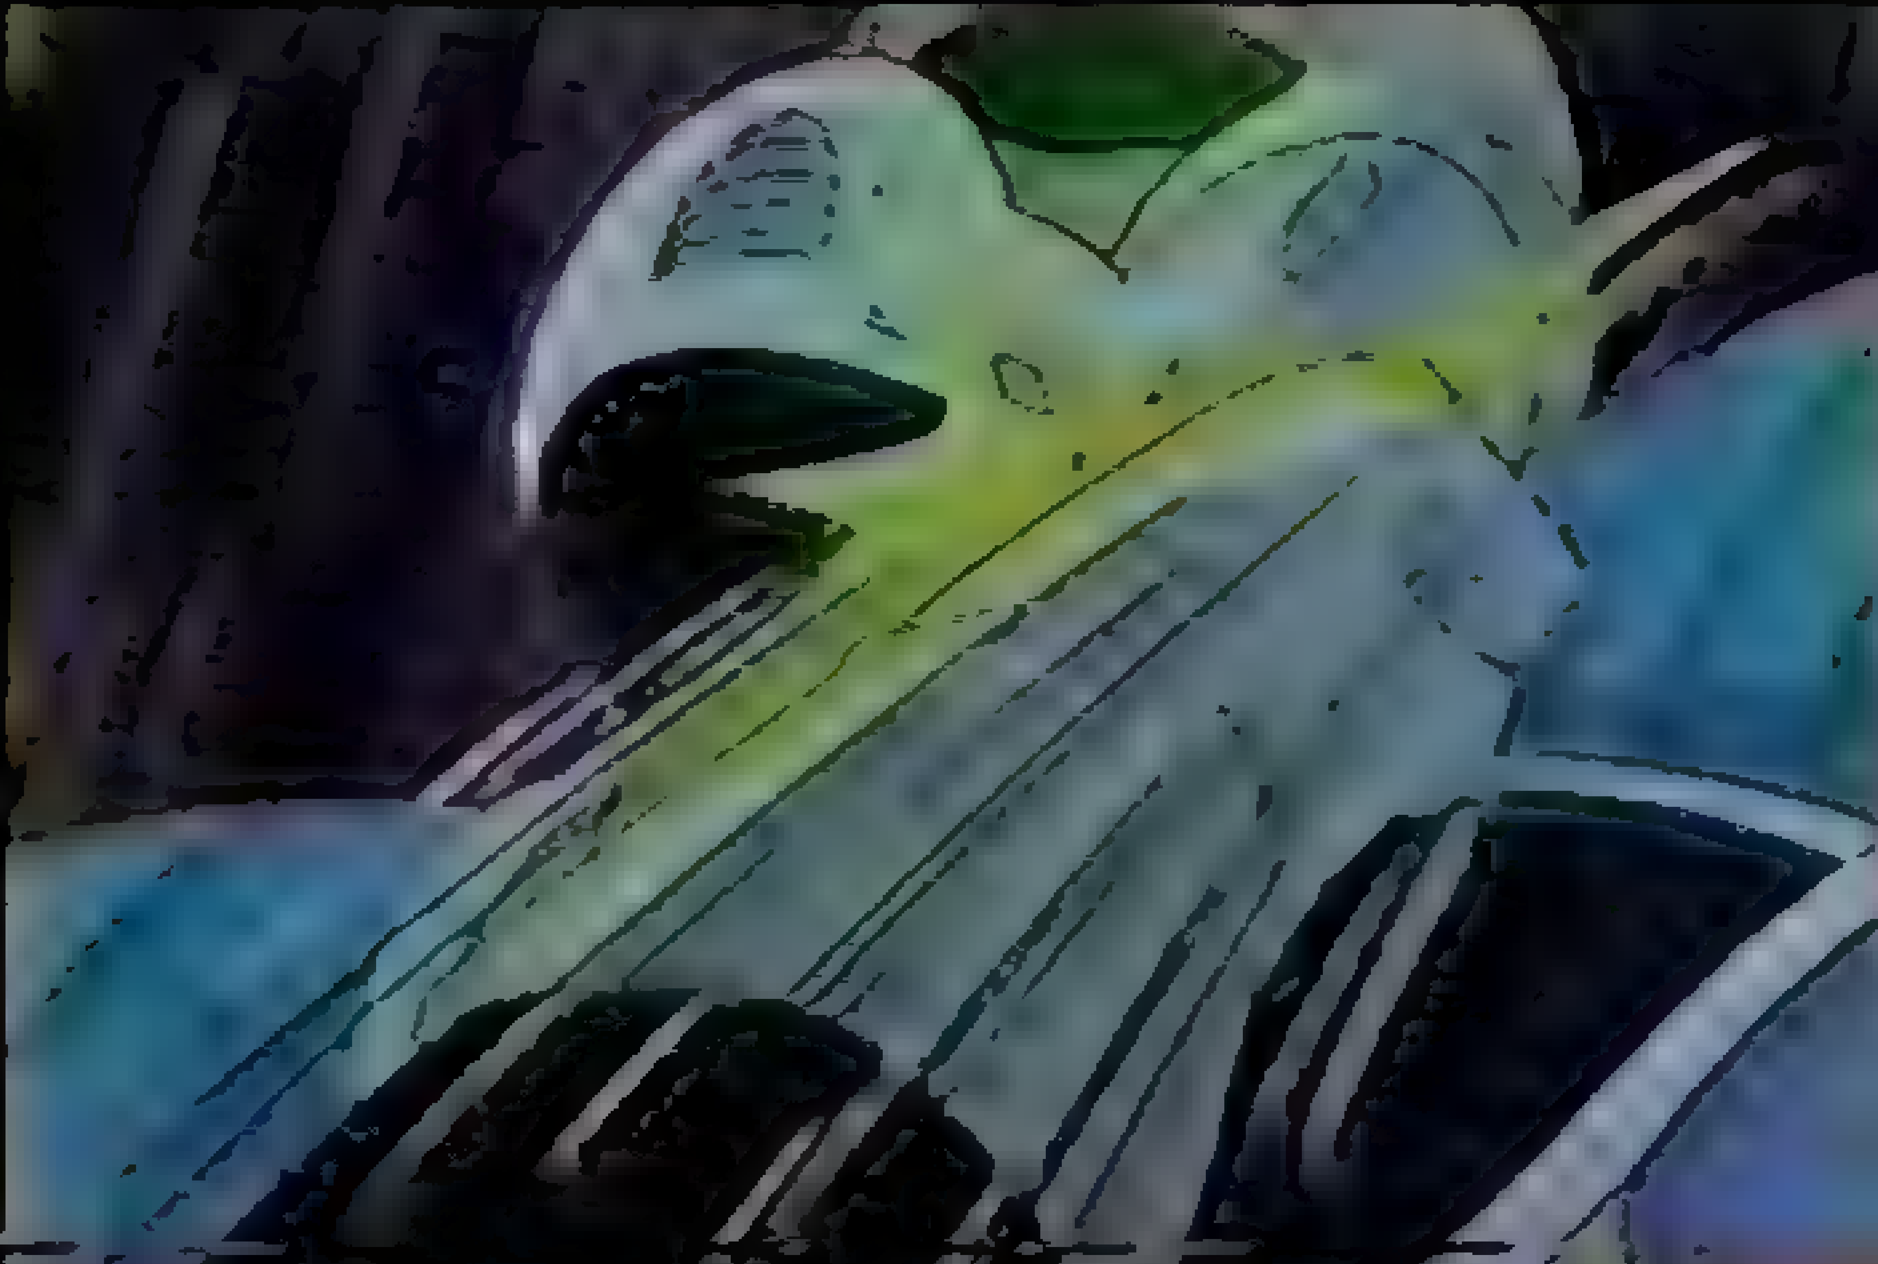

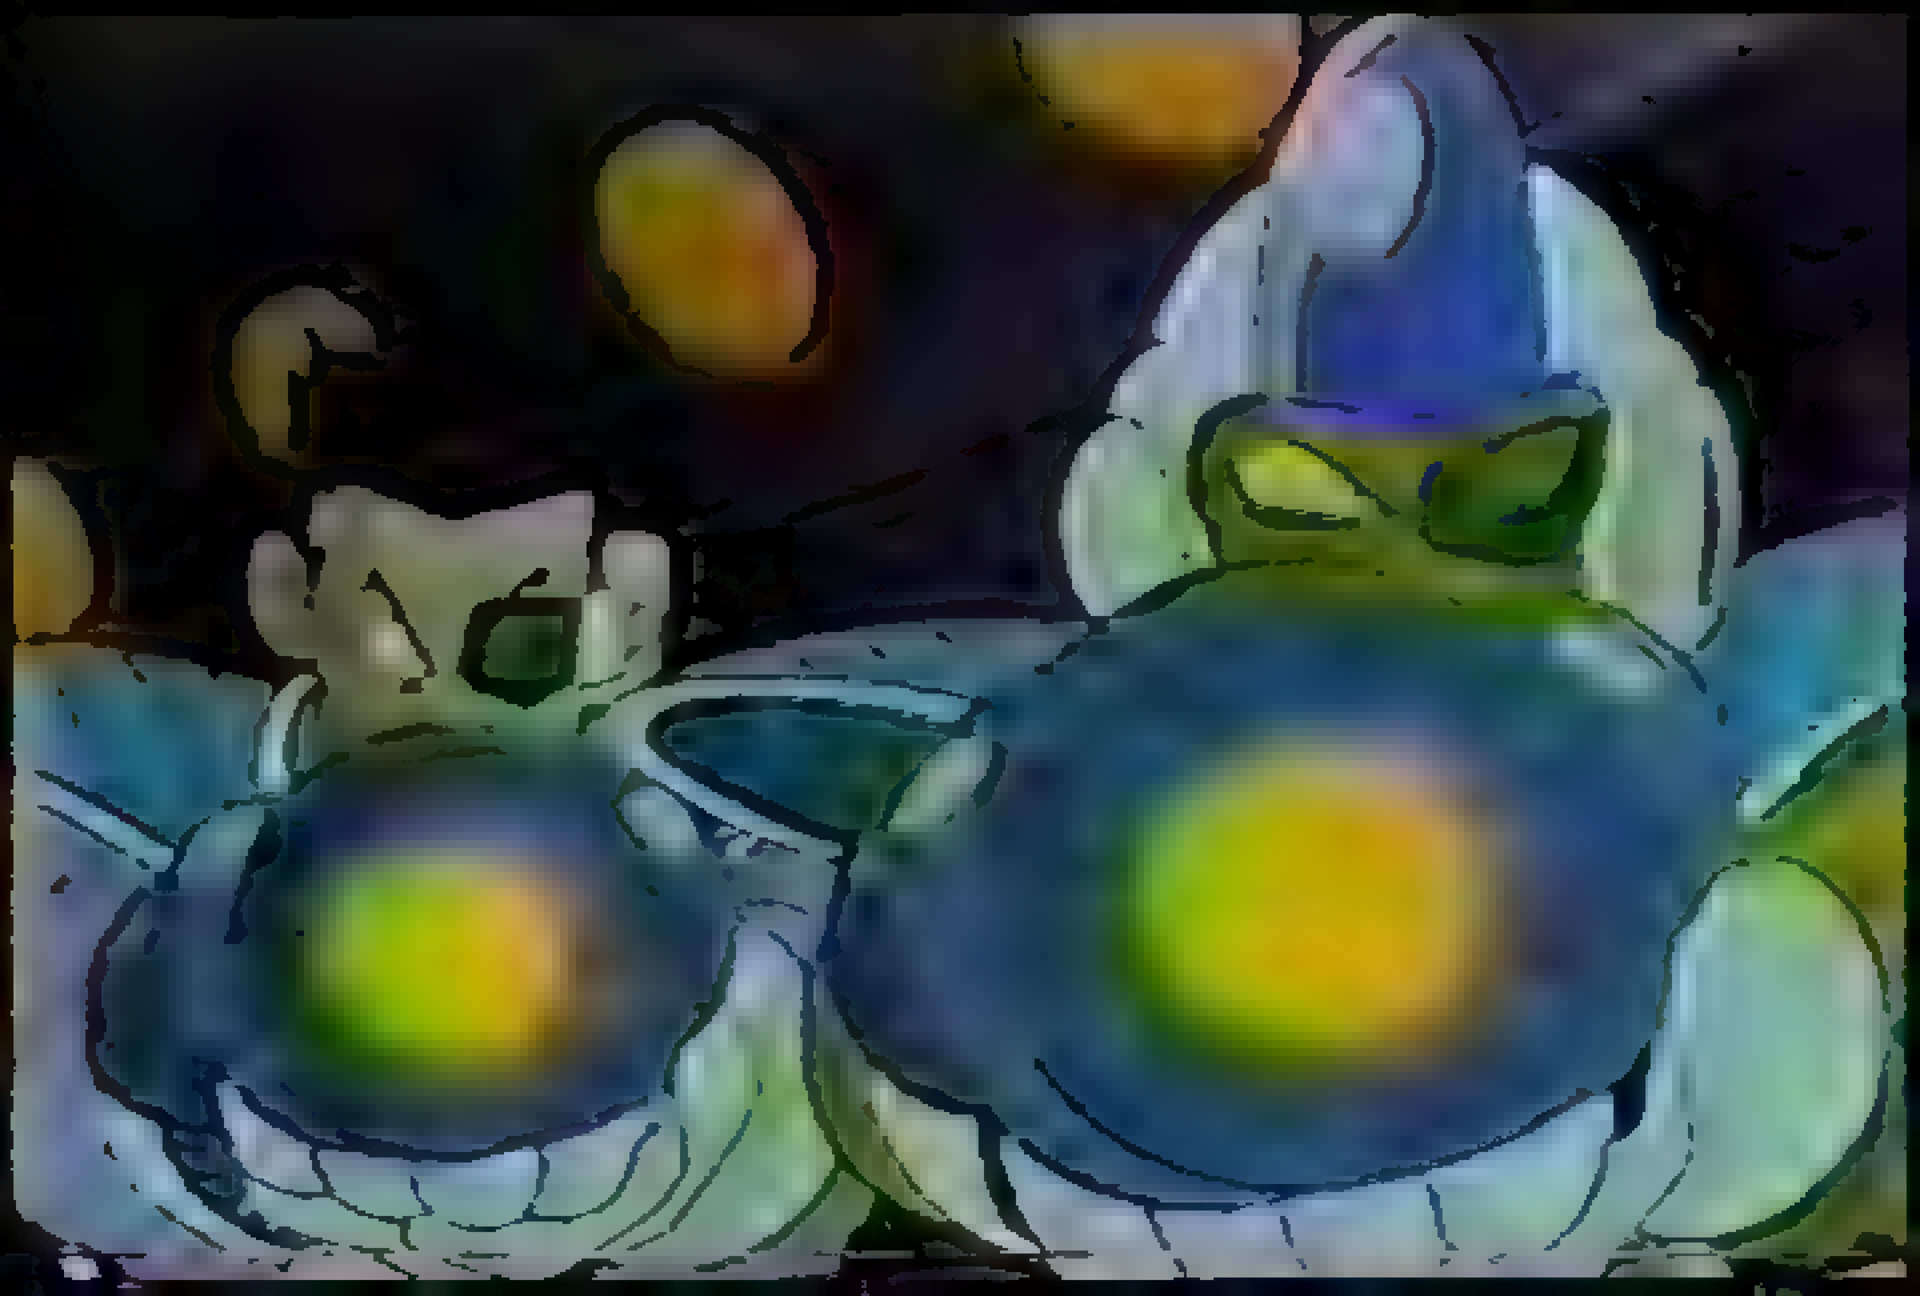

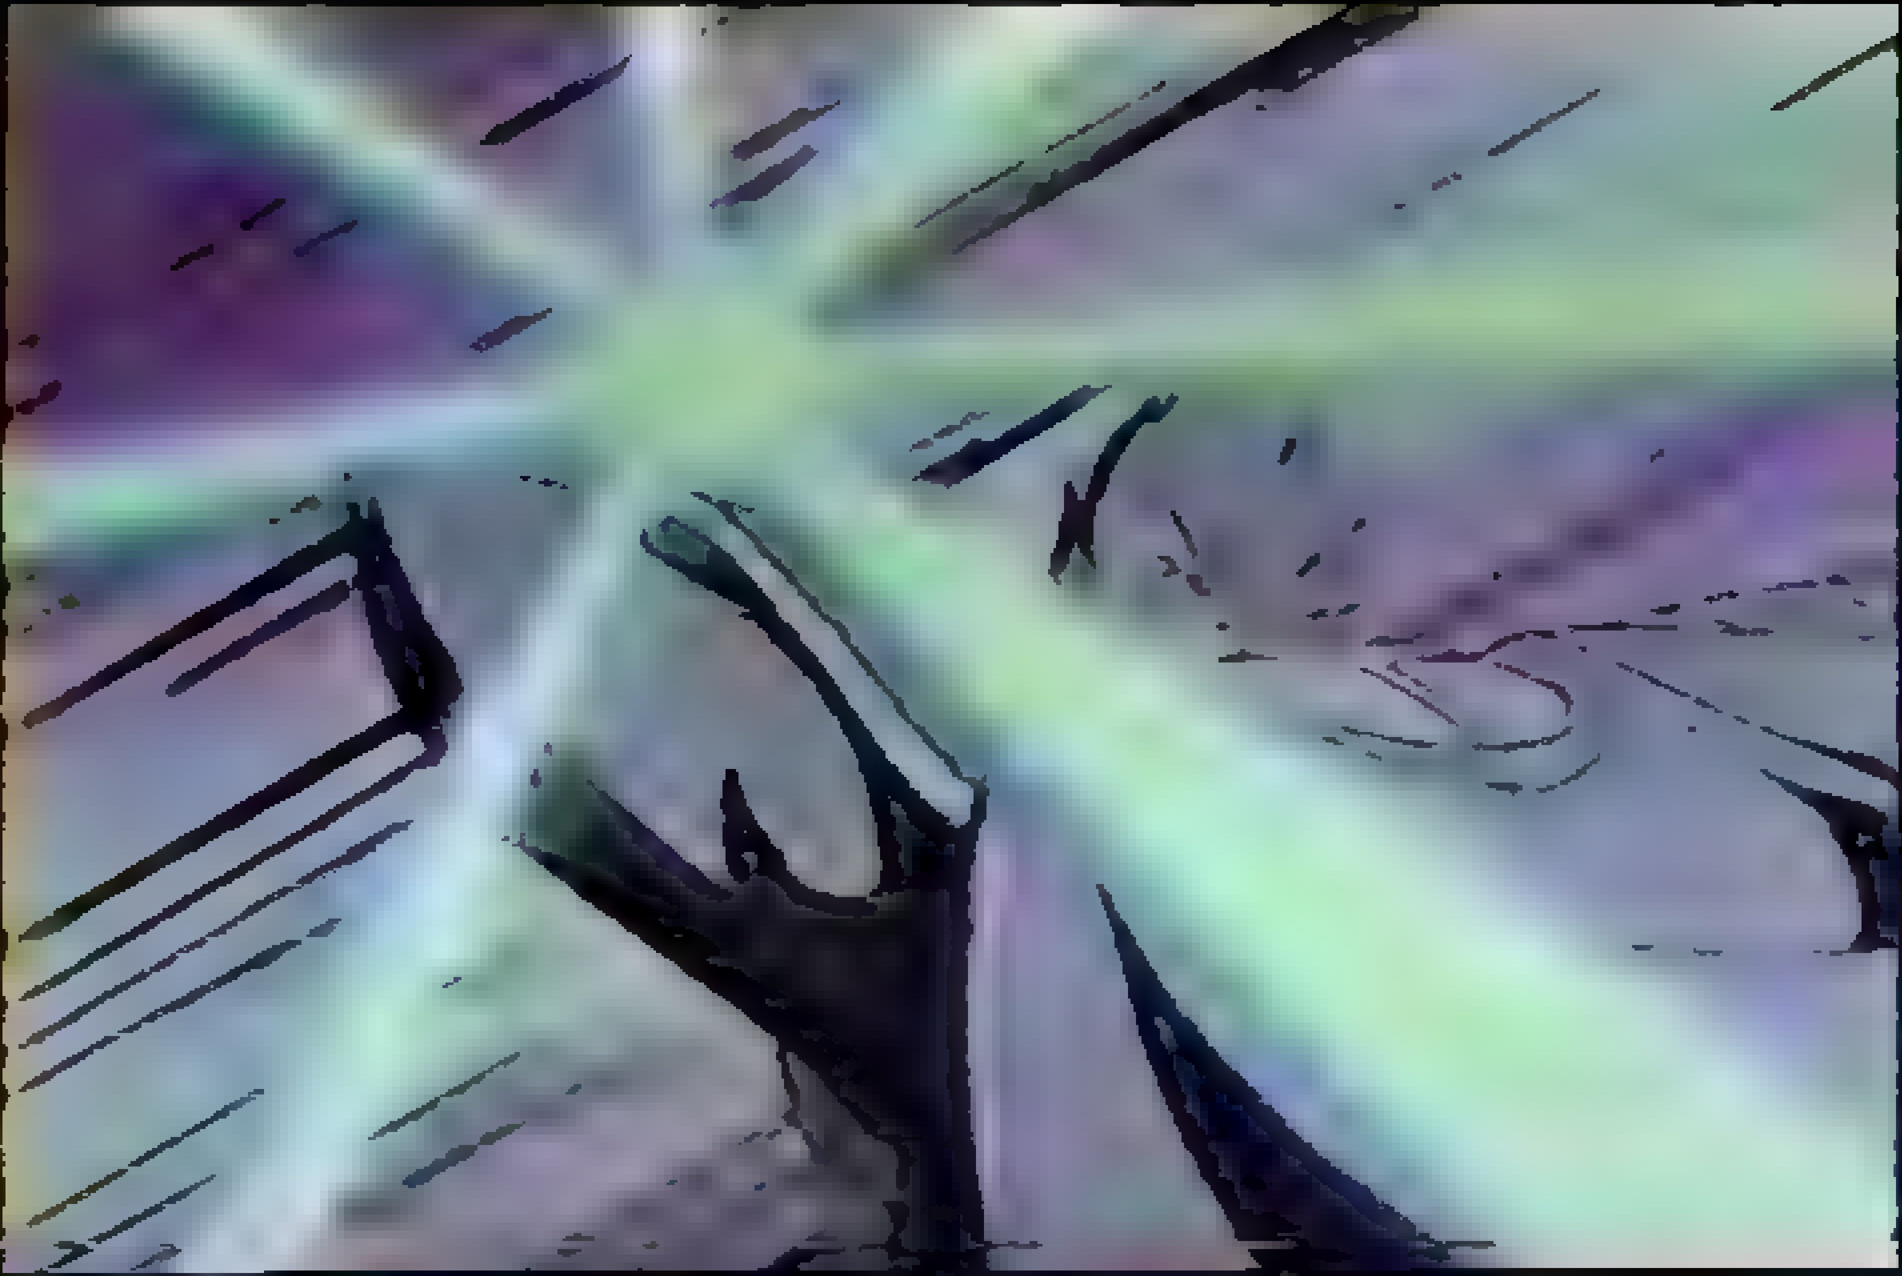

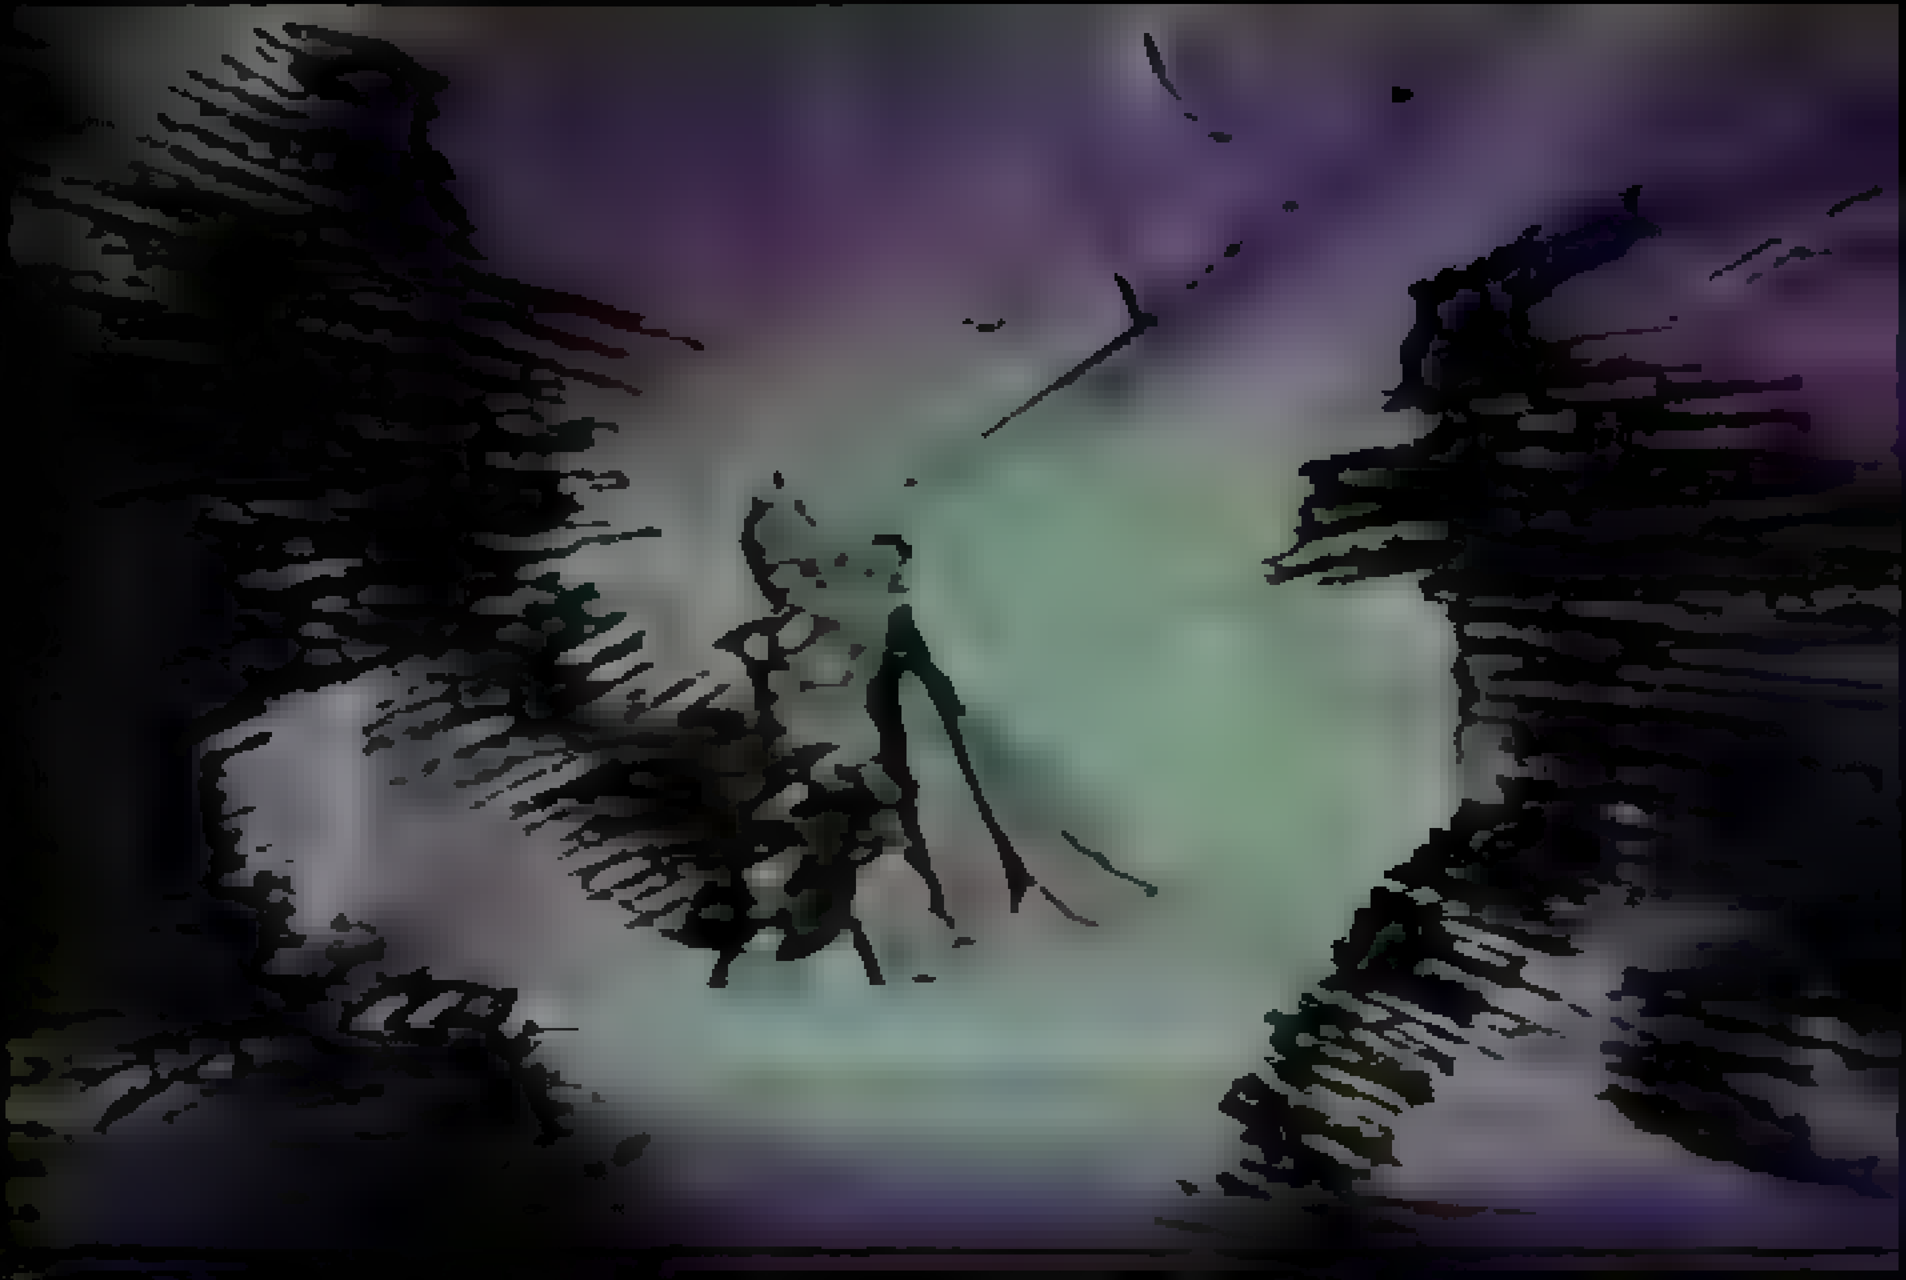

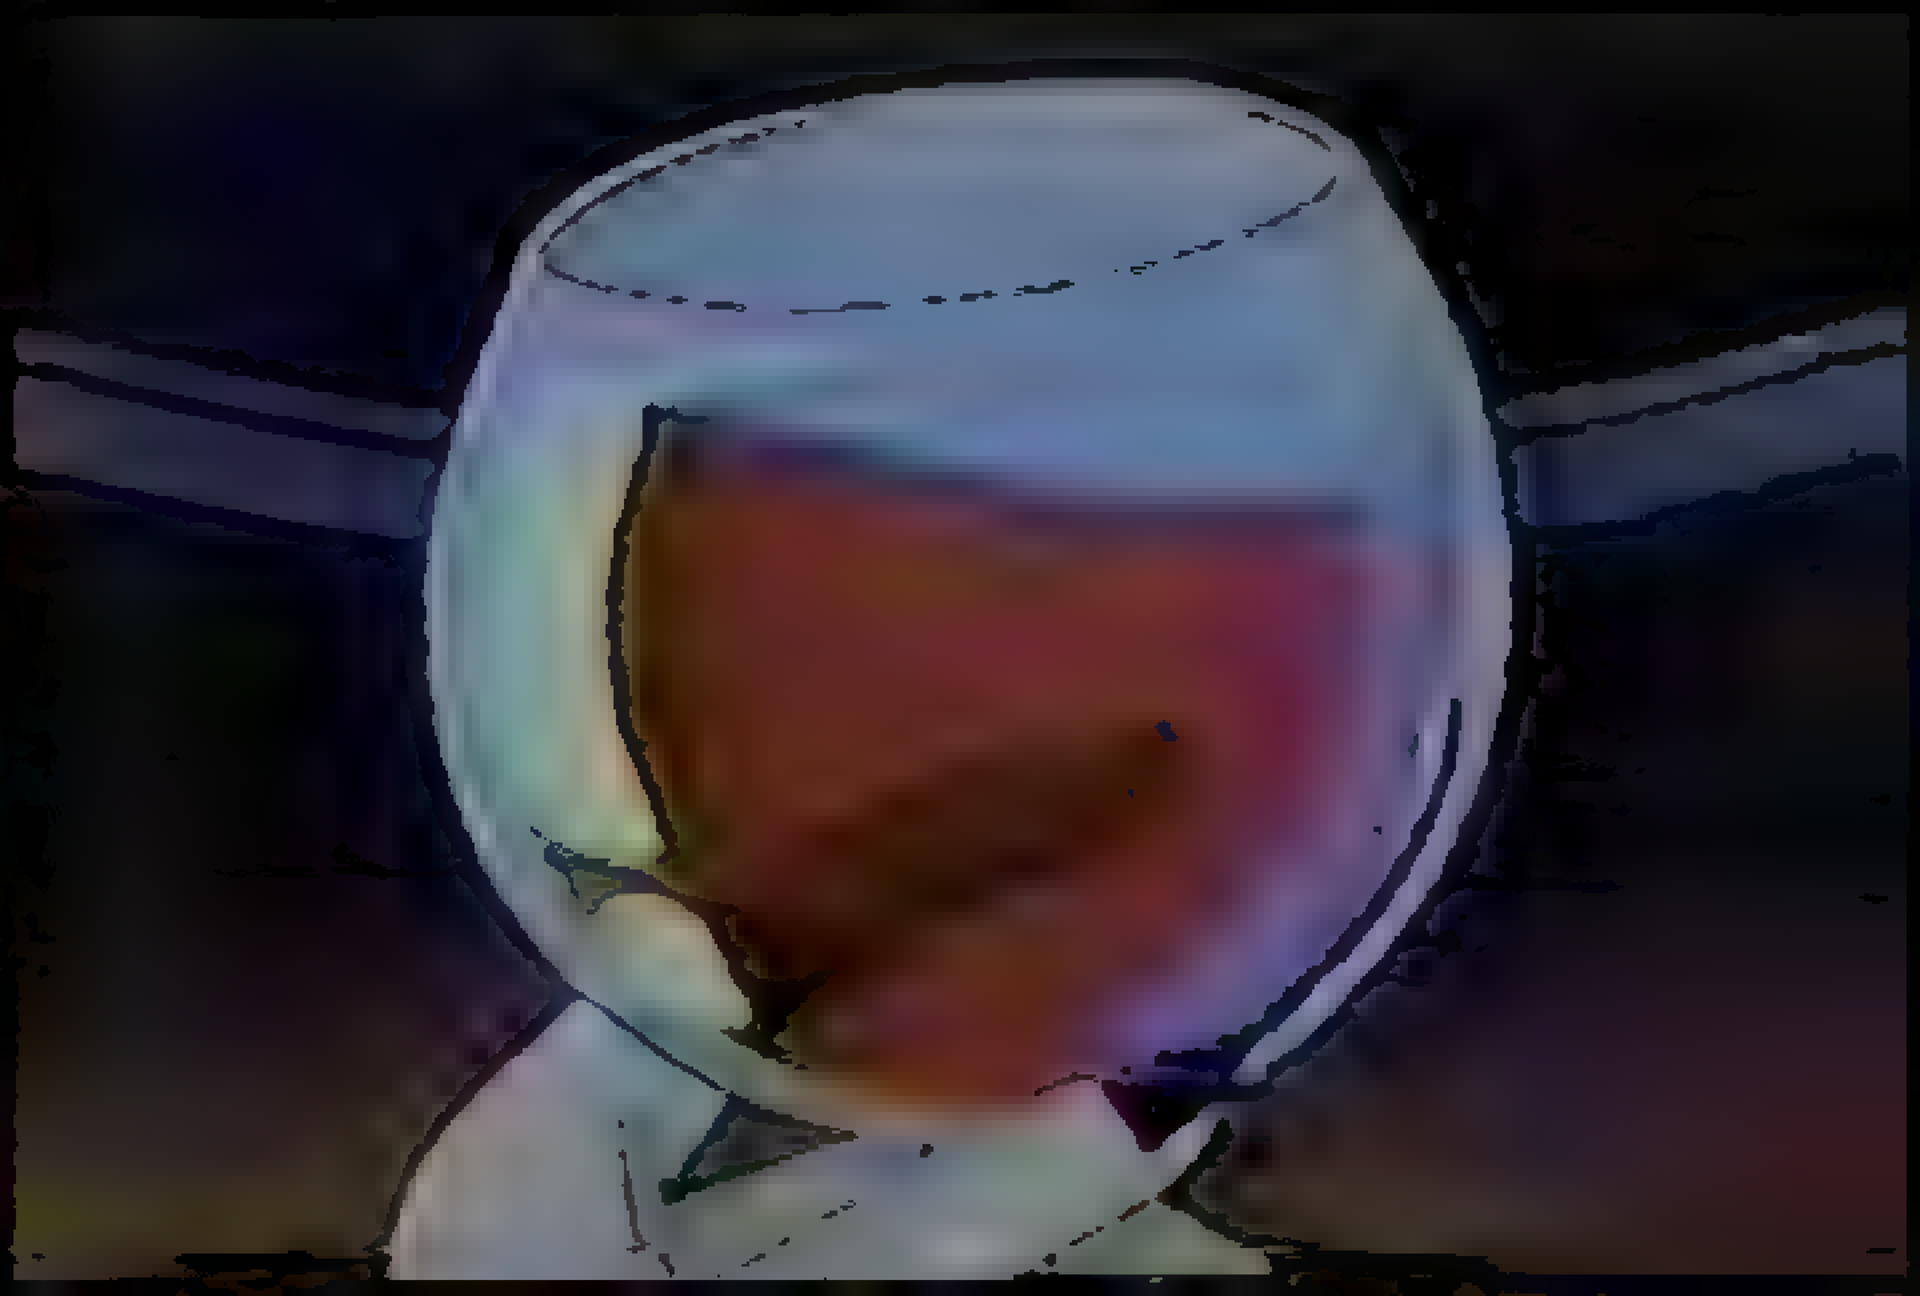

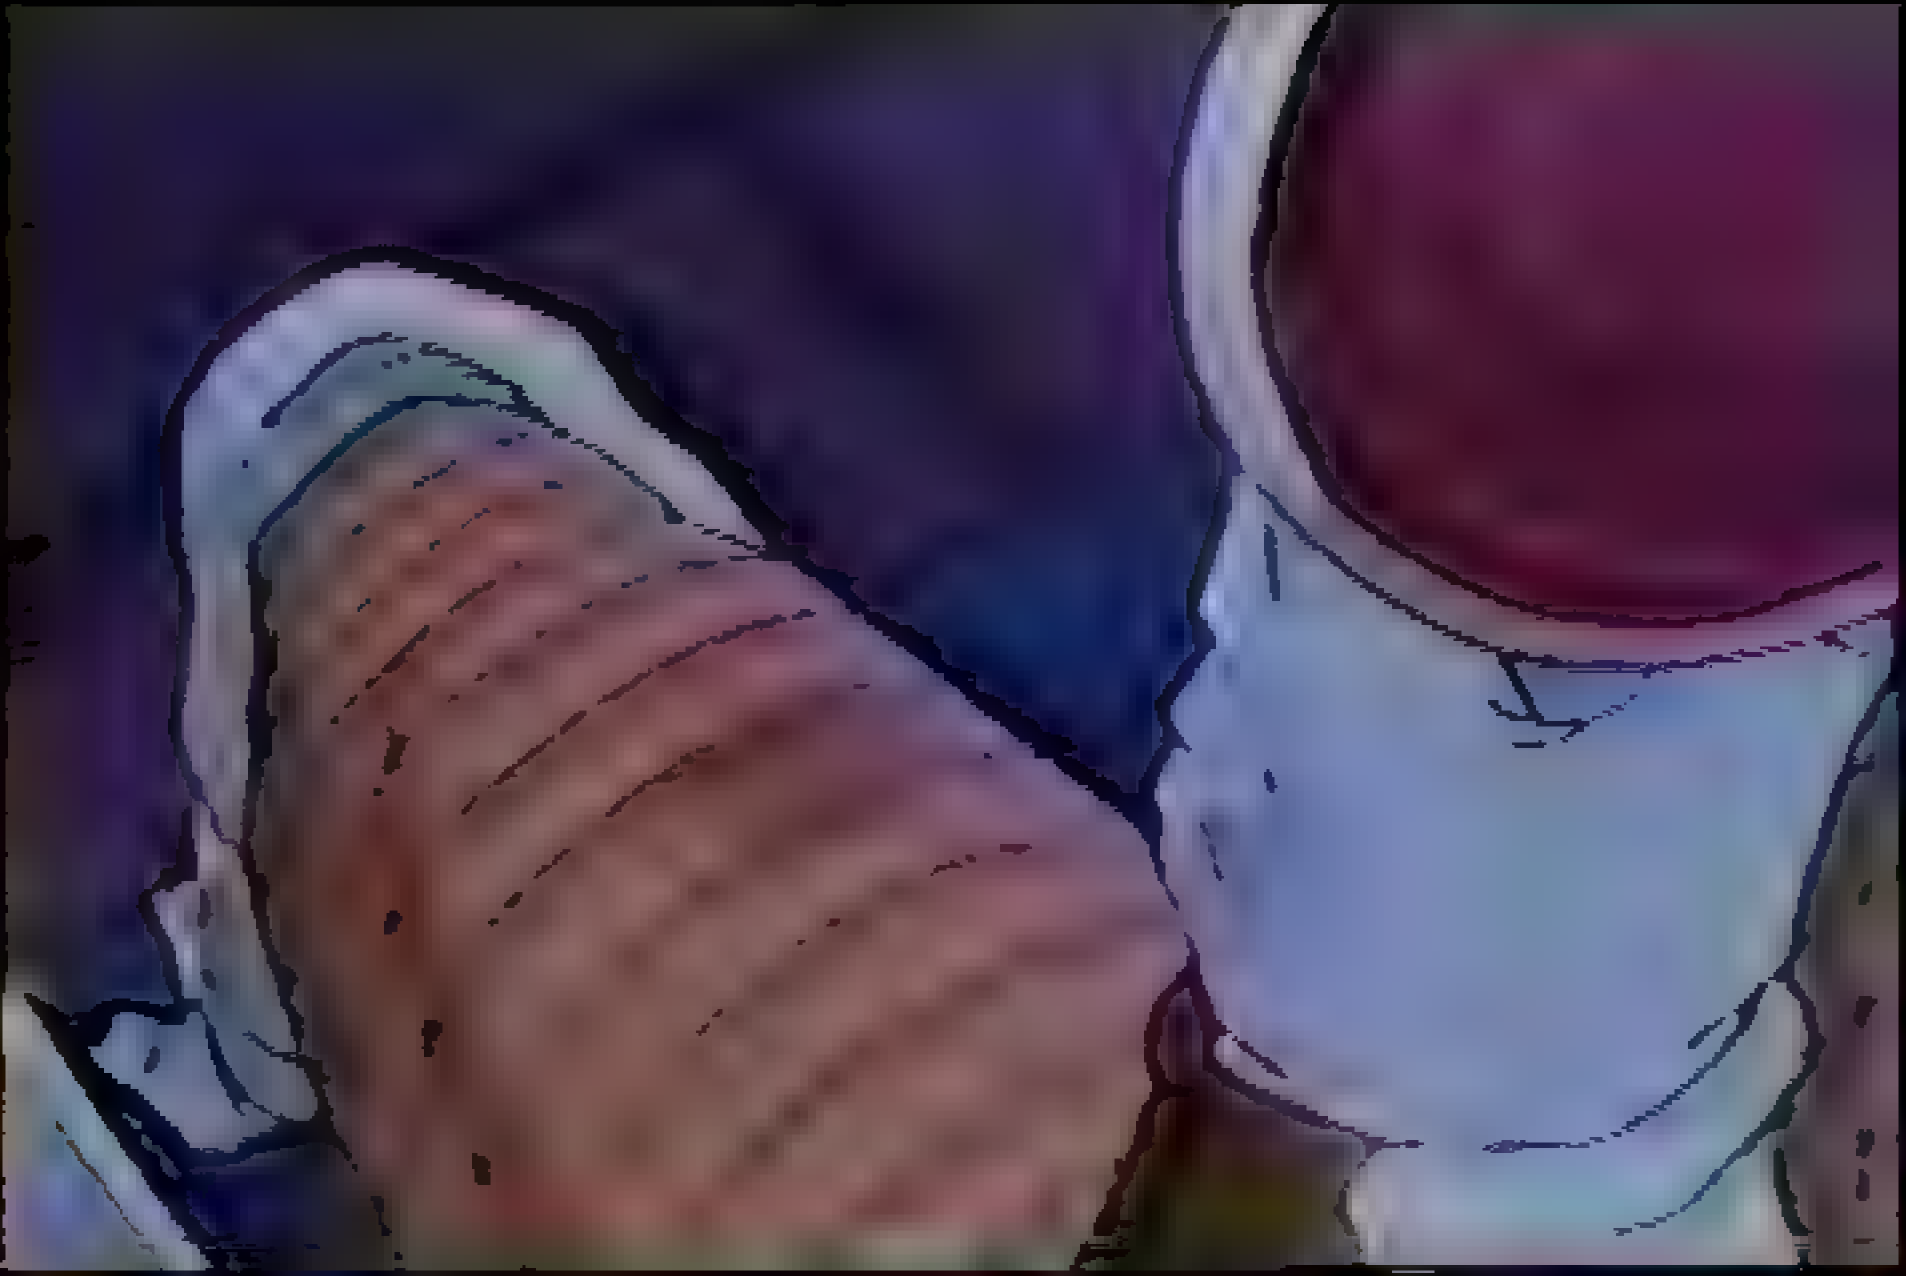

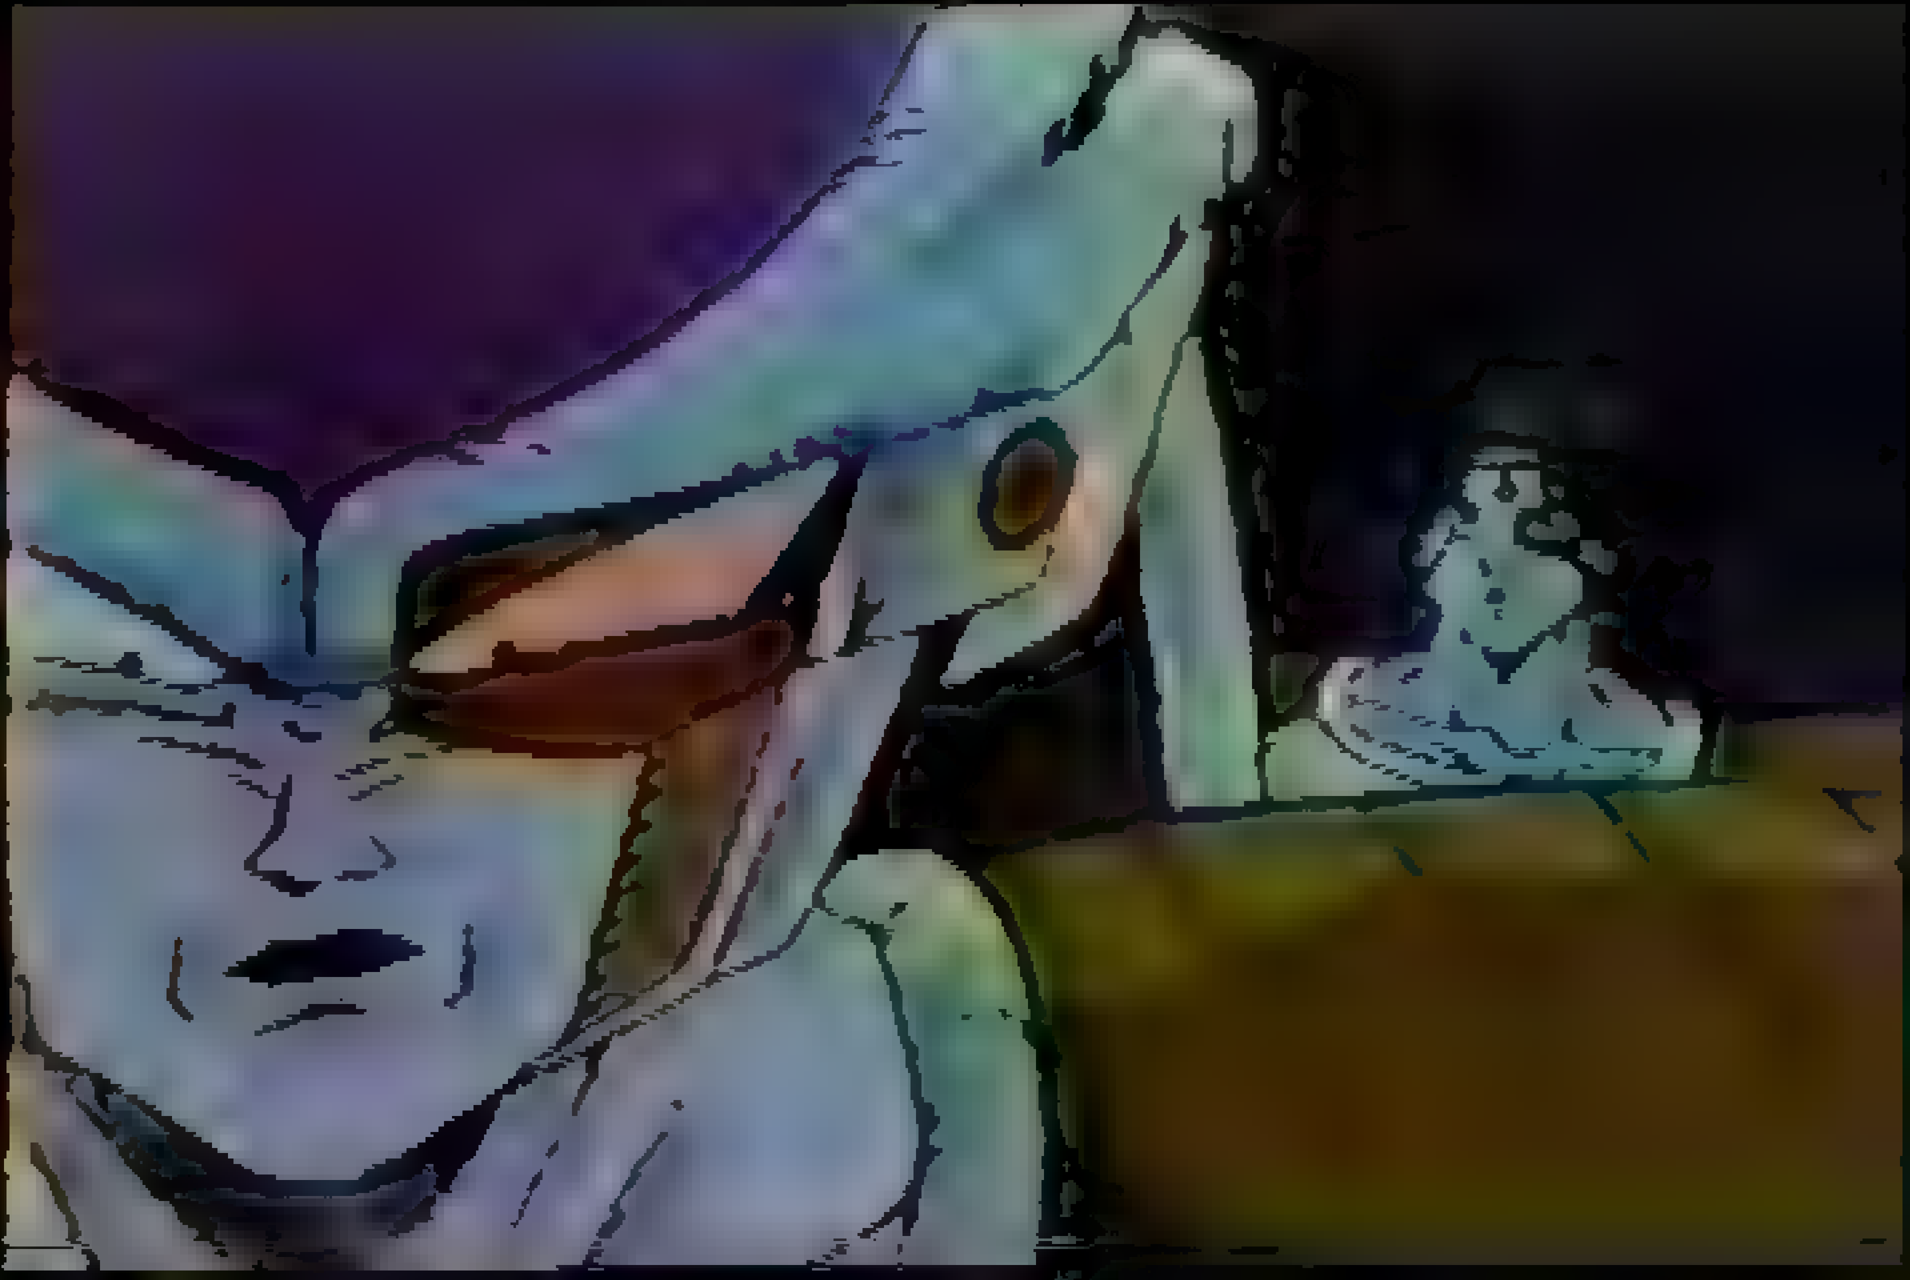

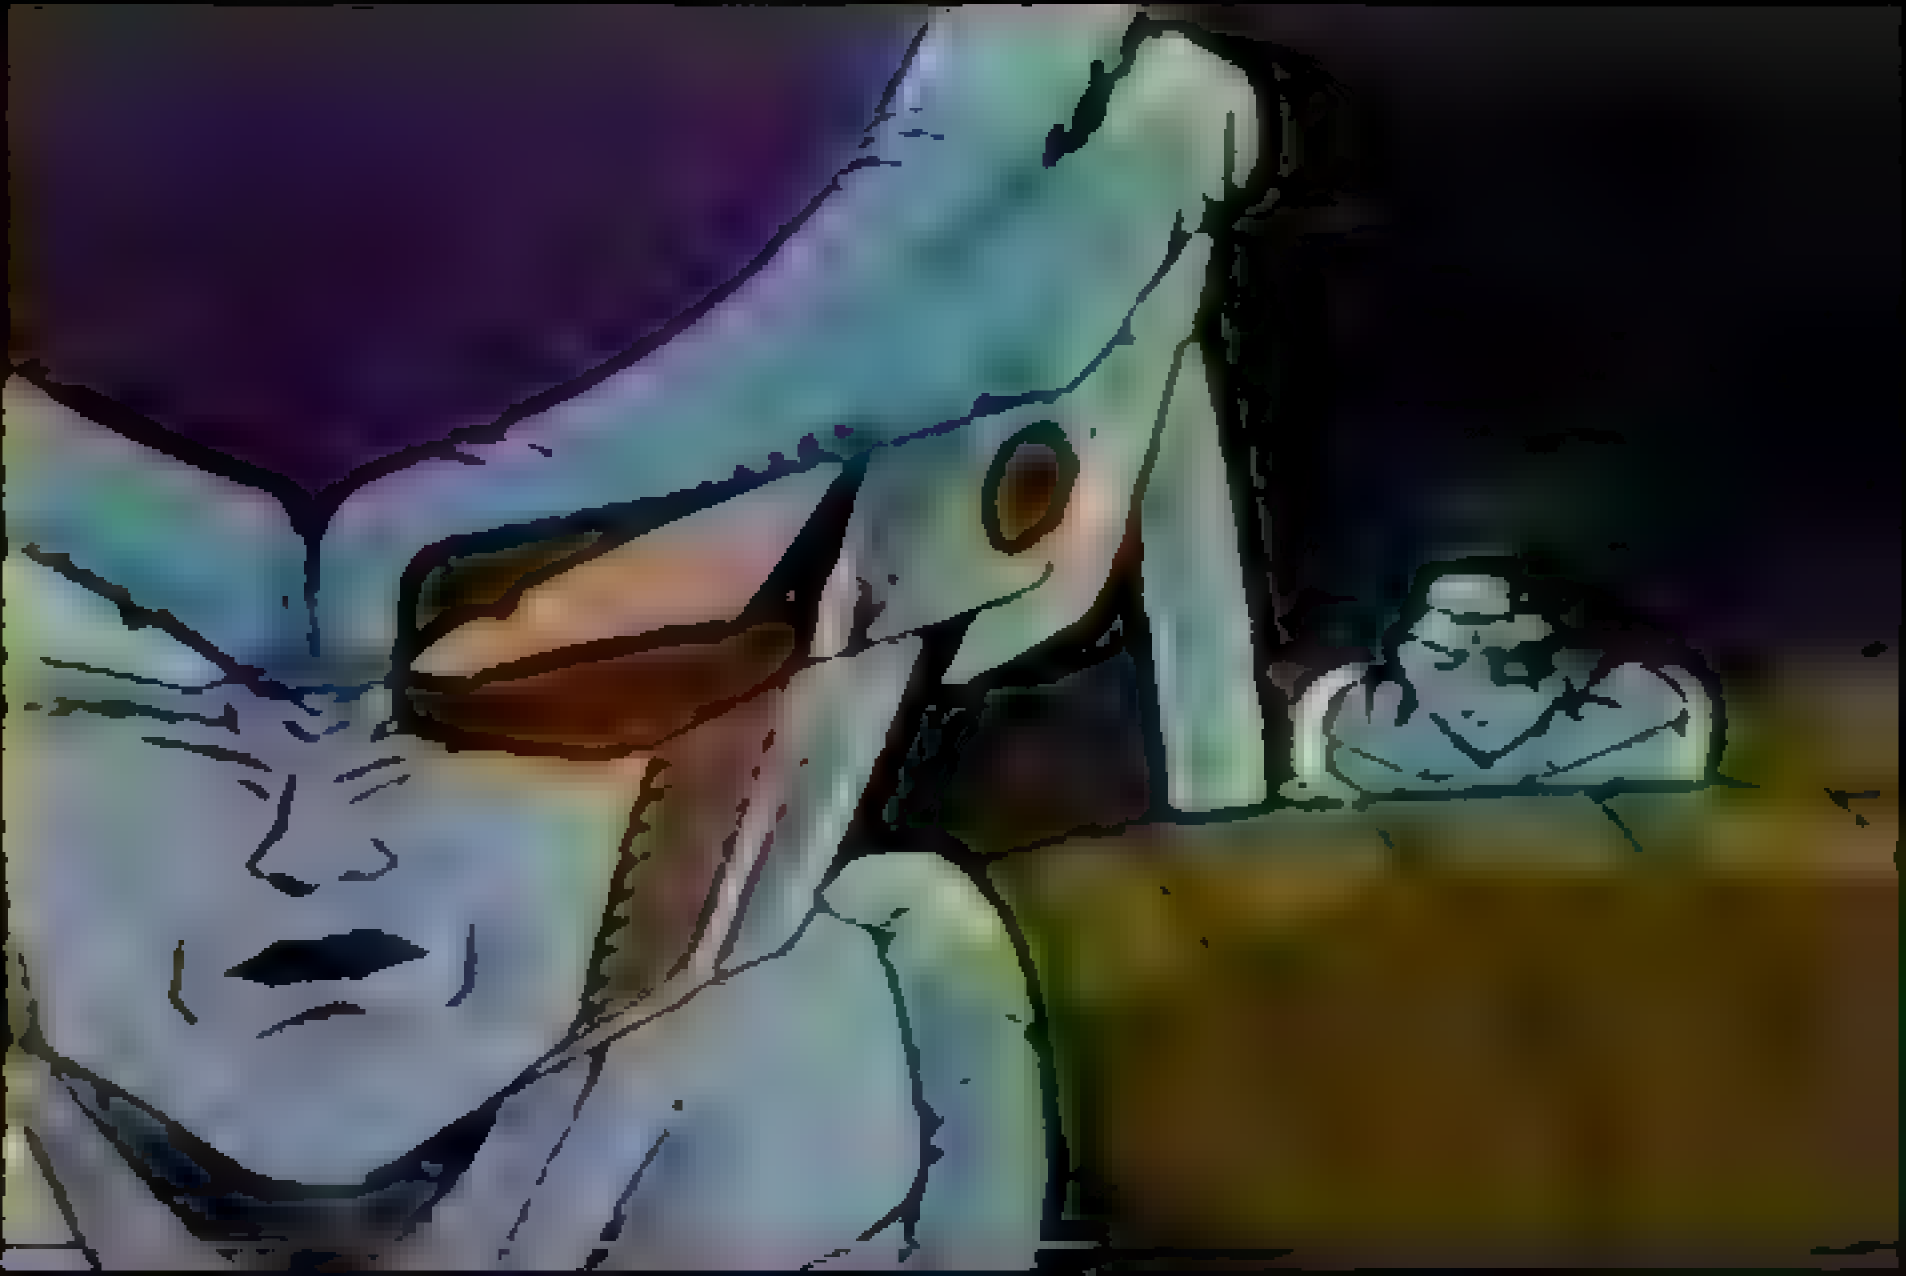

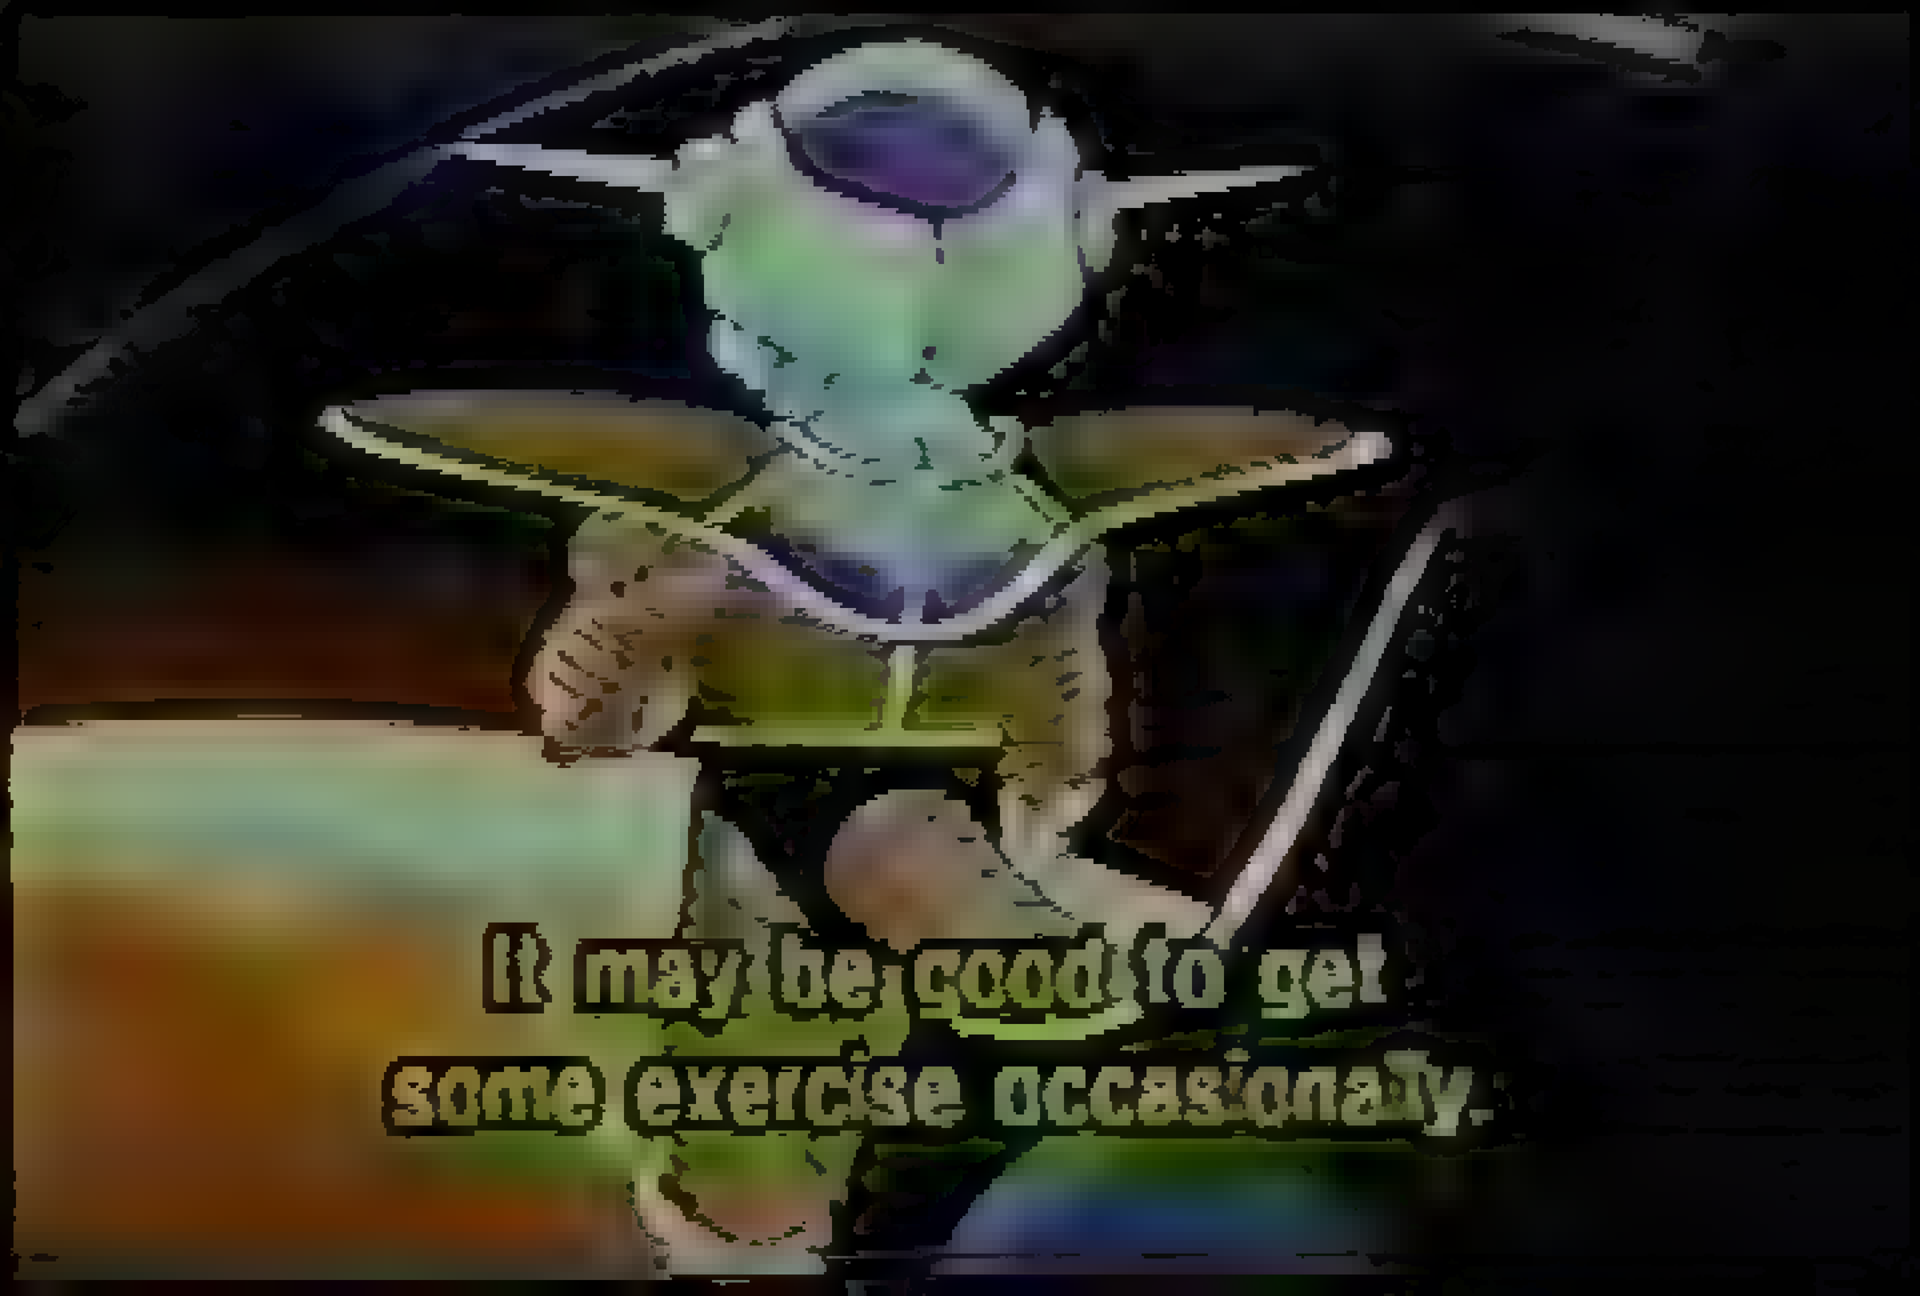

Mr. Zabon?
Open that door.

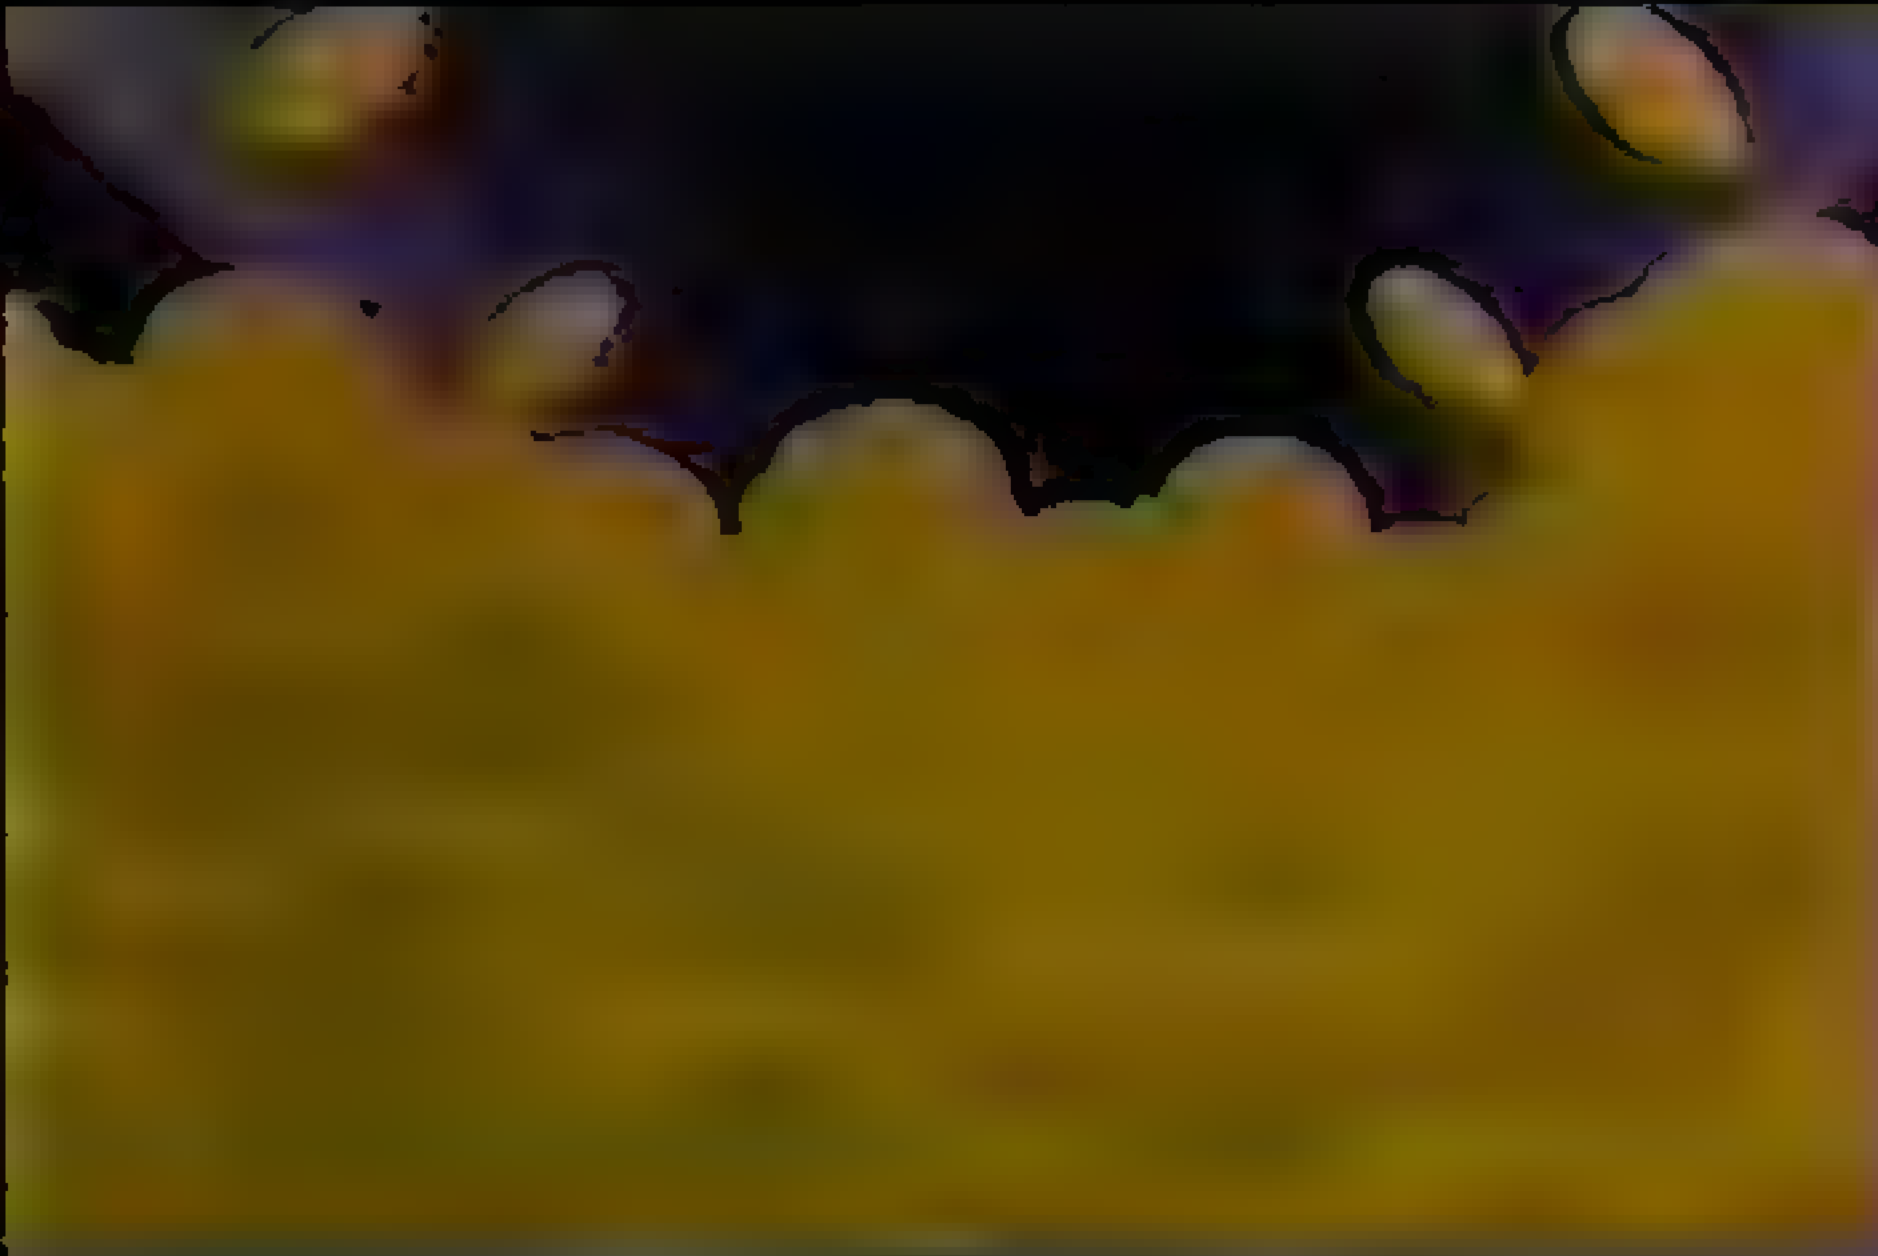

Show all the Saiyans in.

It may be good to get
some exercise occasionally.

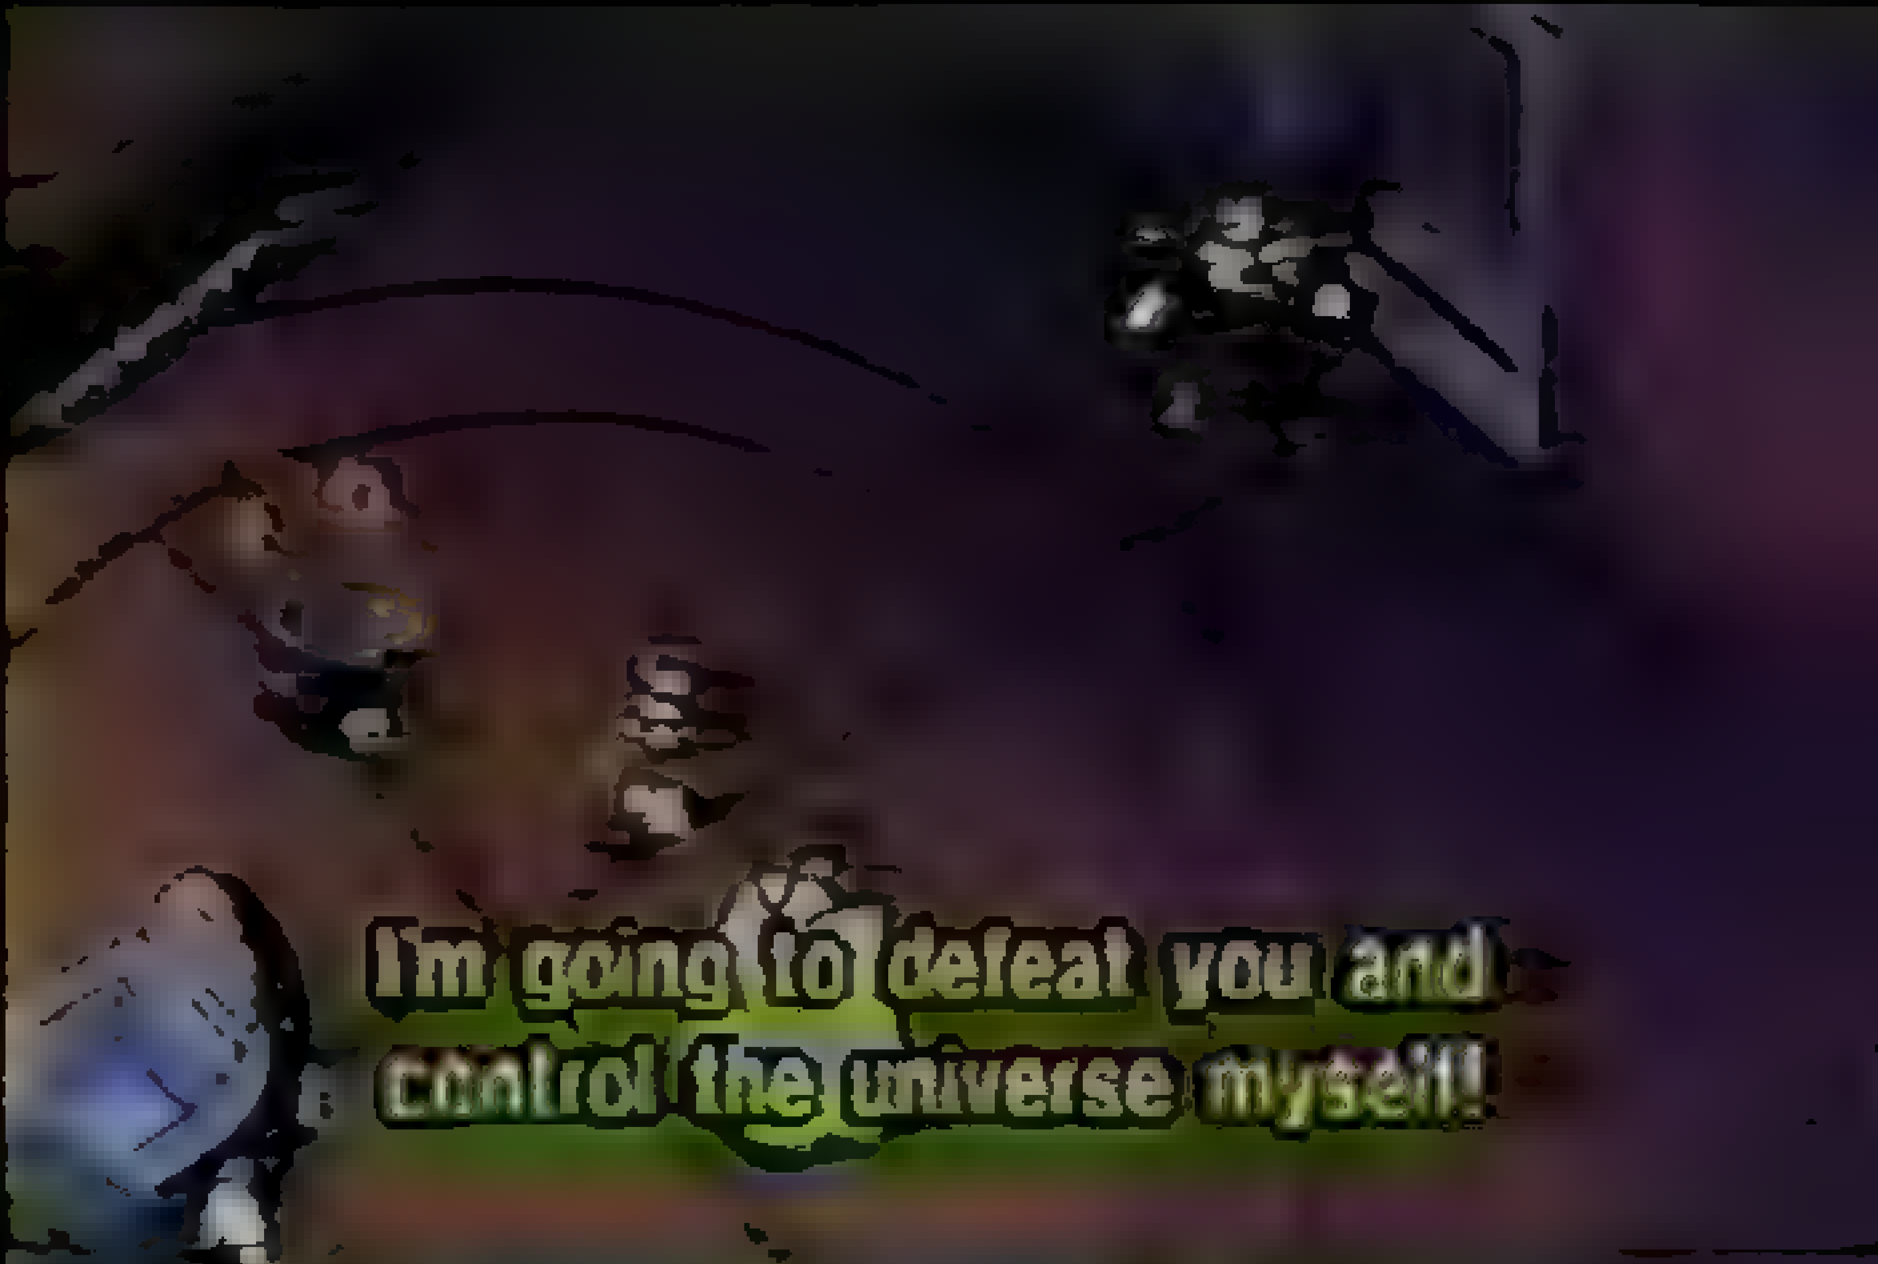

Where is Freezer!

I'm going to defeat you and
control the universe myself!

I'm going to defeat you and

Will your plan succeed?

Your men are very terrified.

Your men are very terrified.

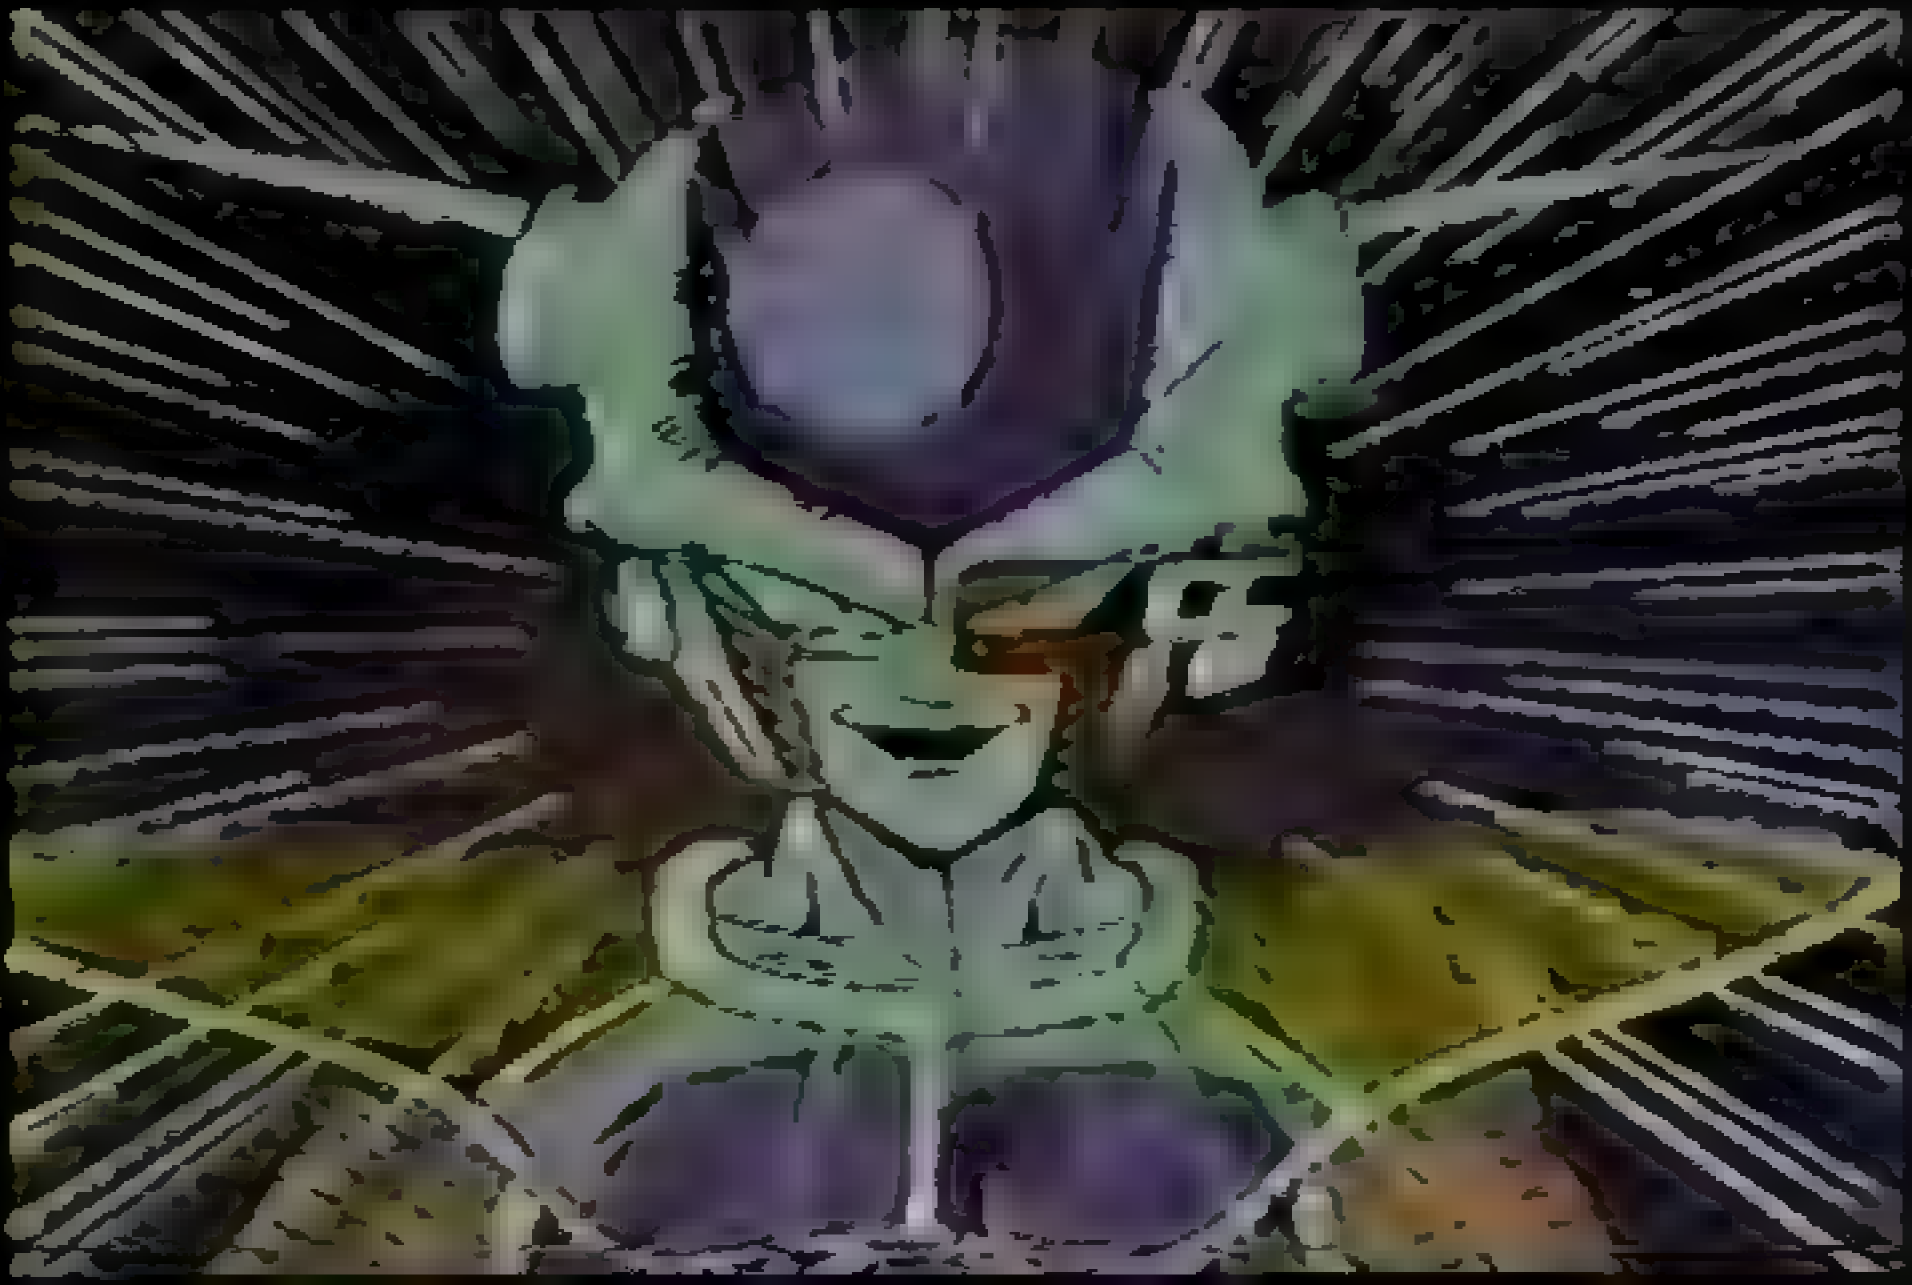

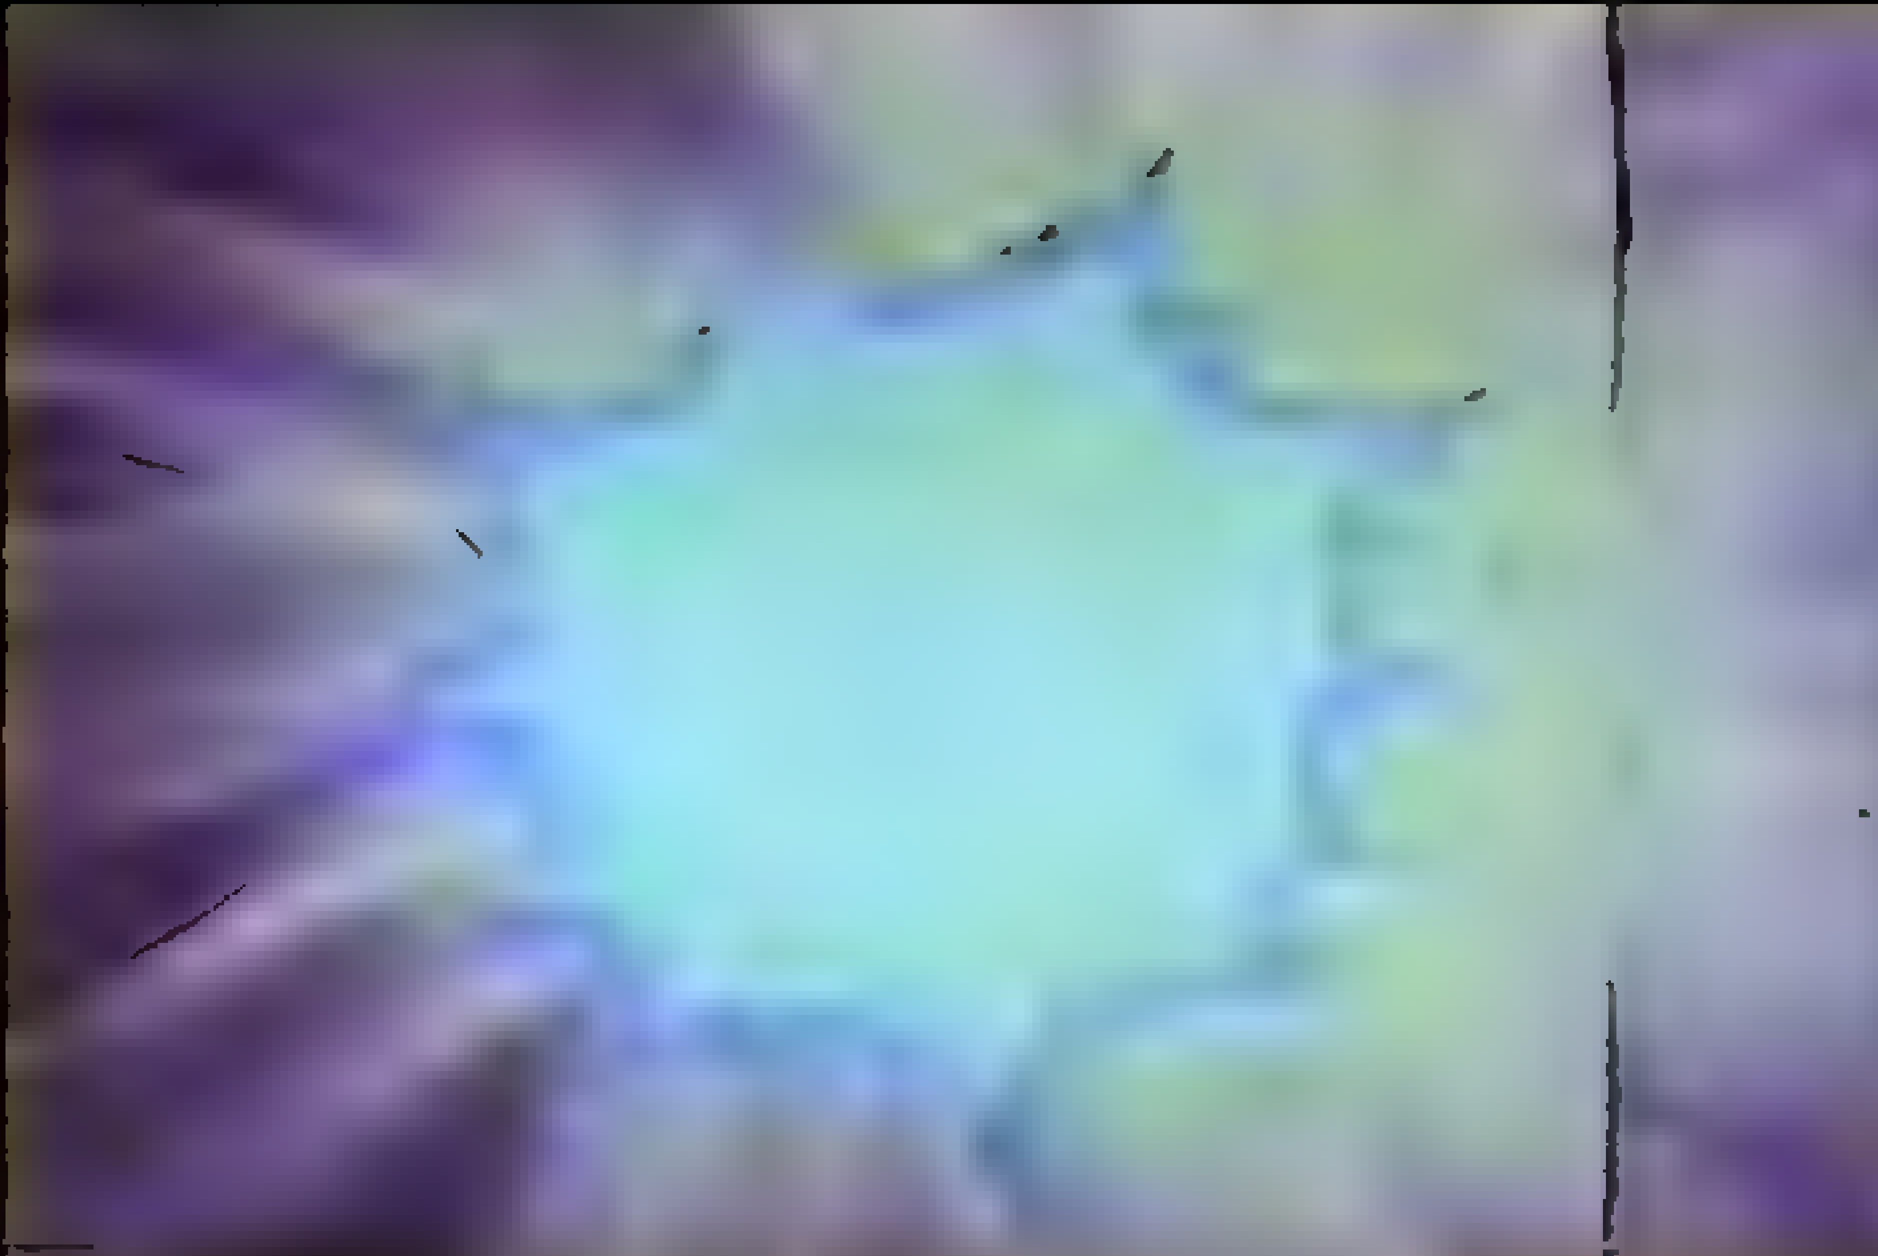

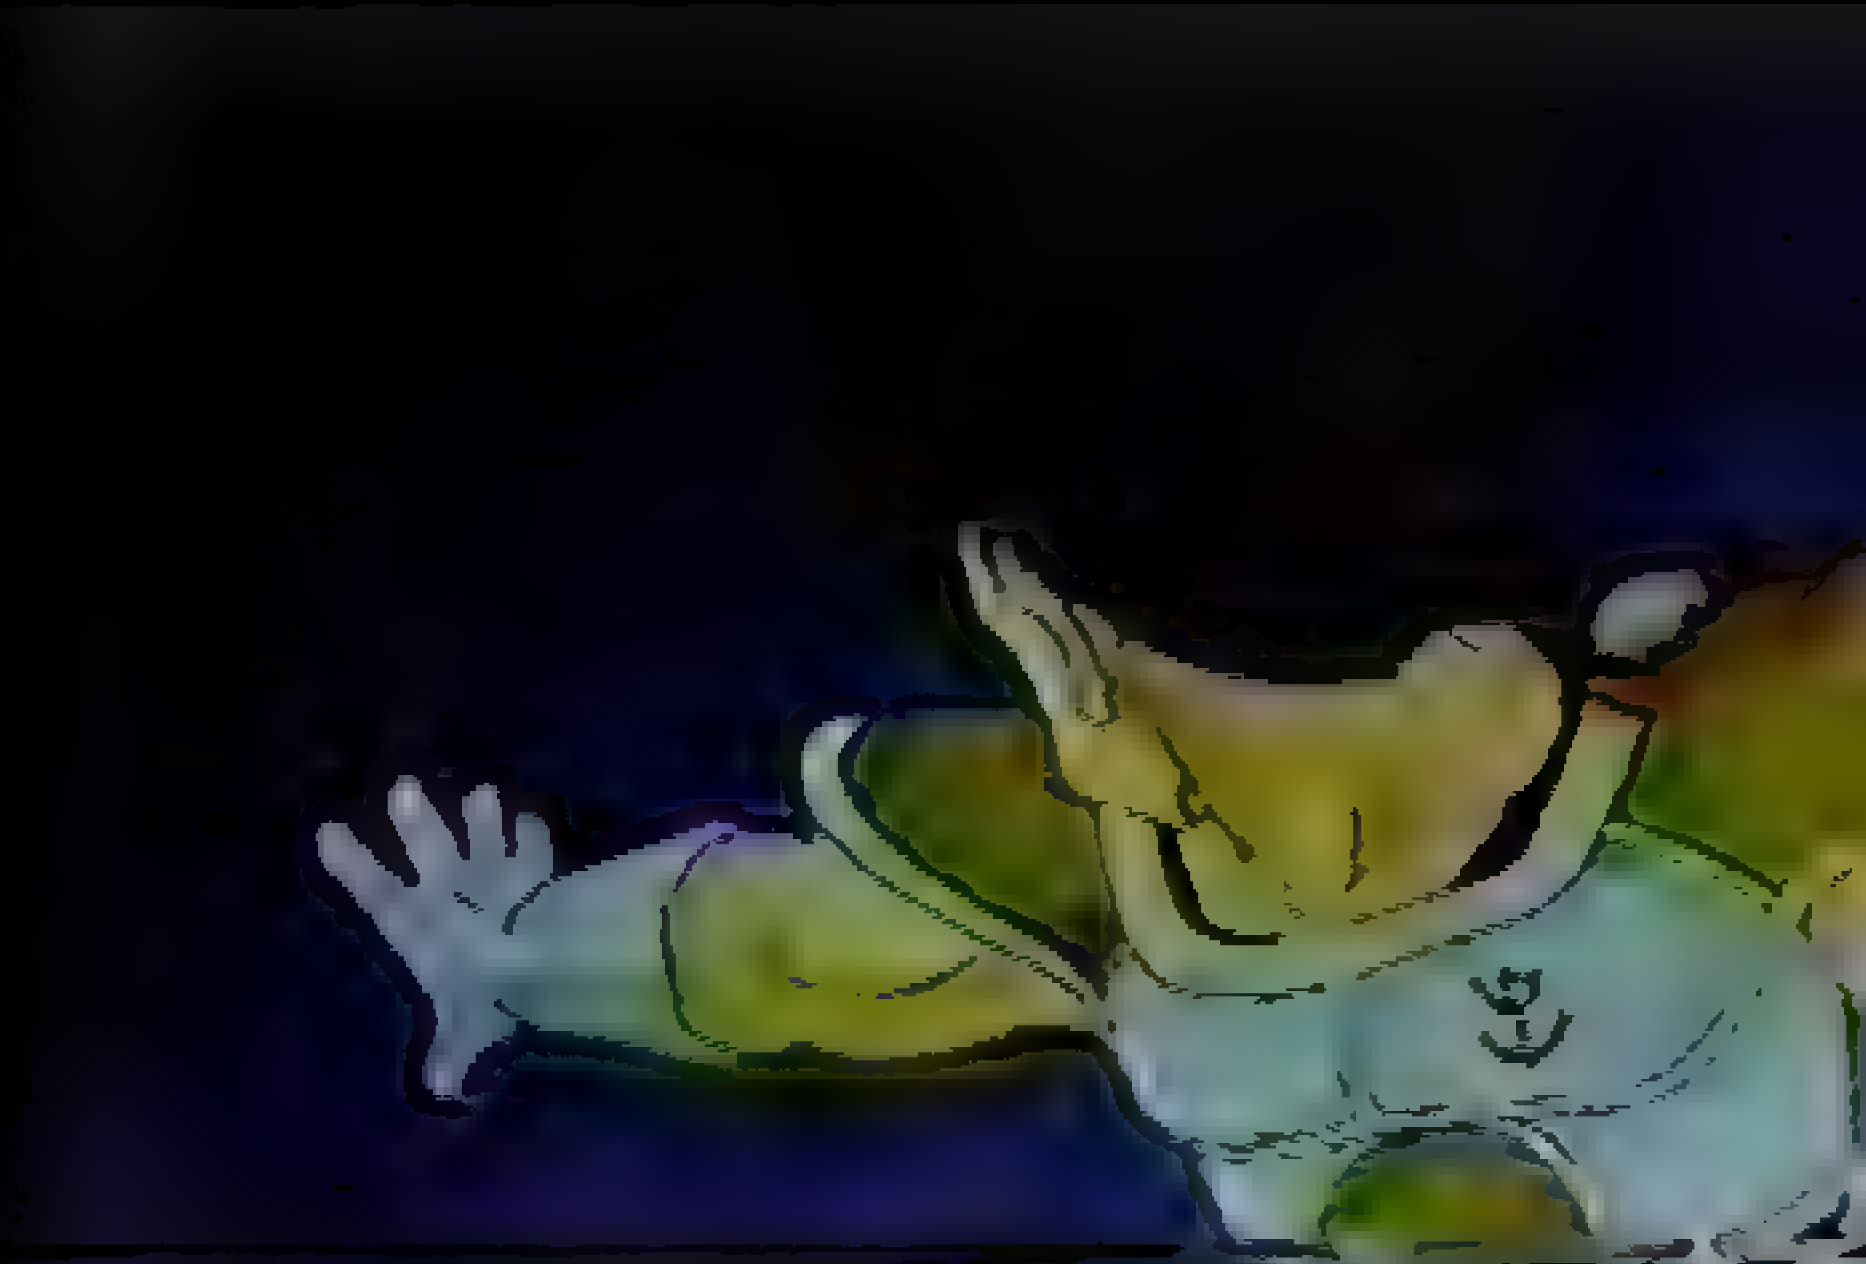

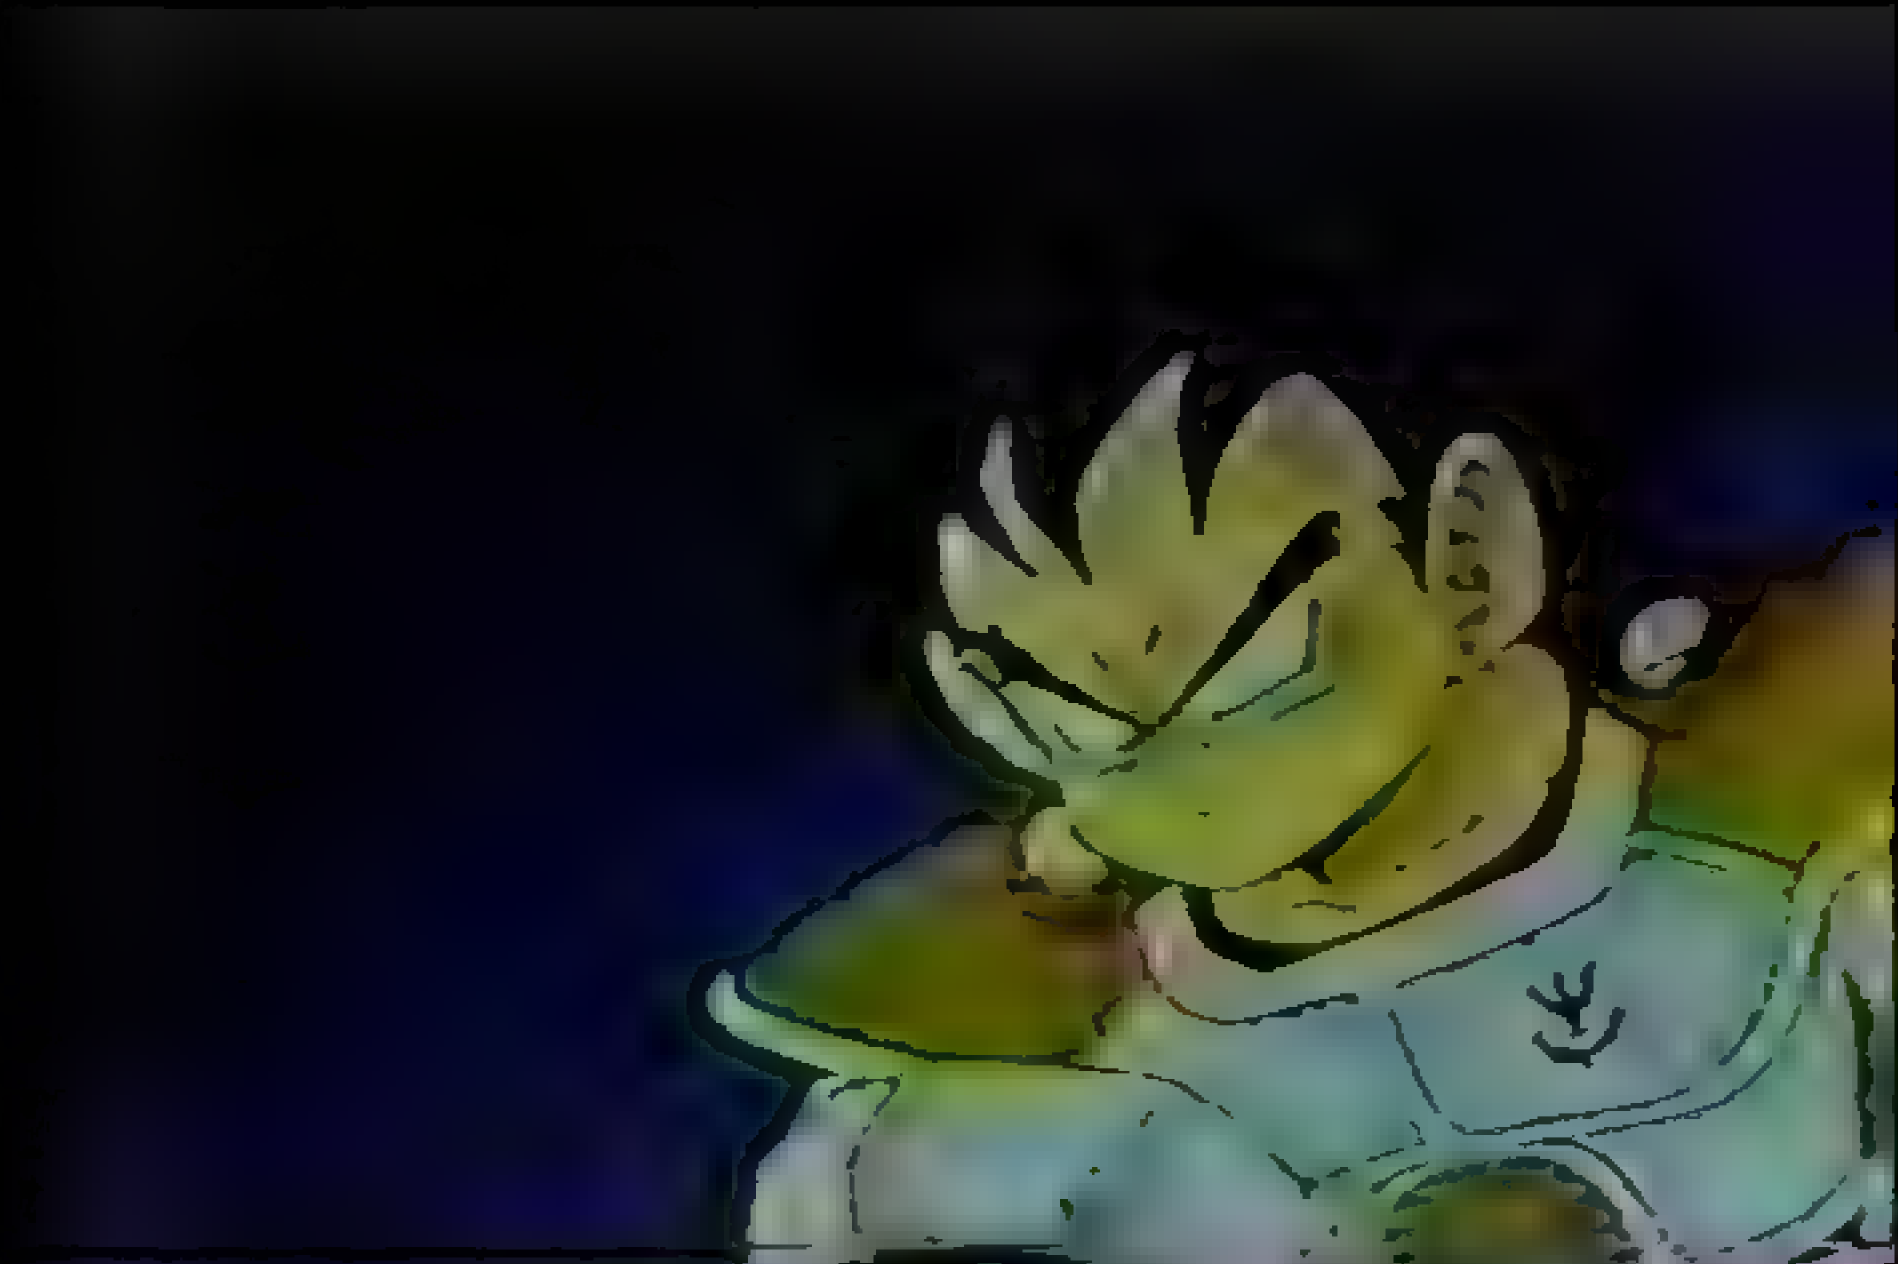

King Bejeeta!

King Bejeeta!

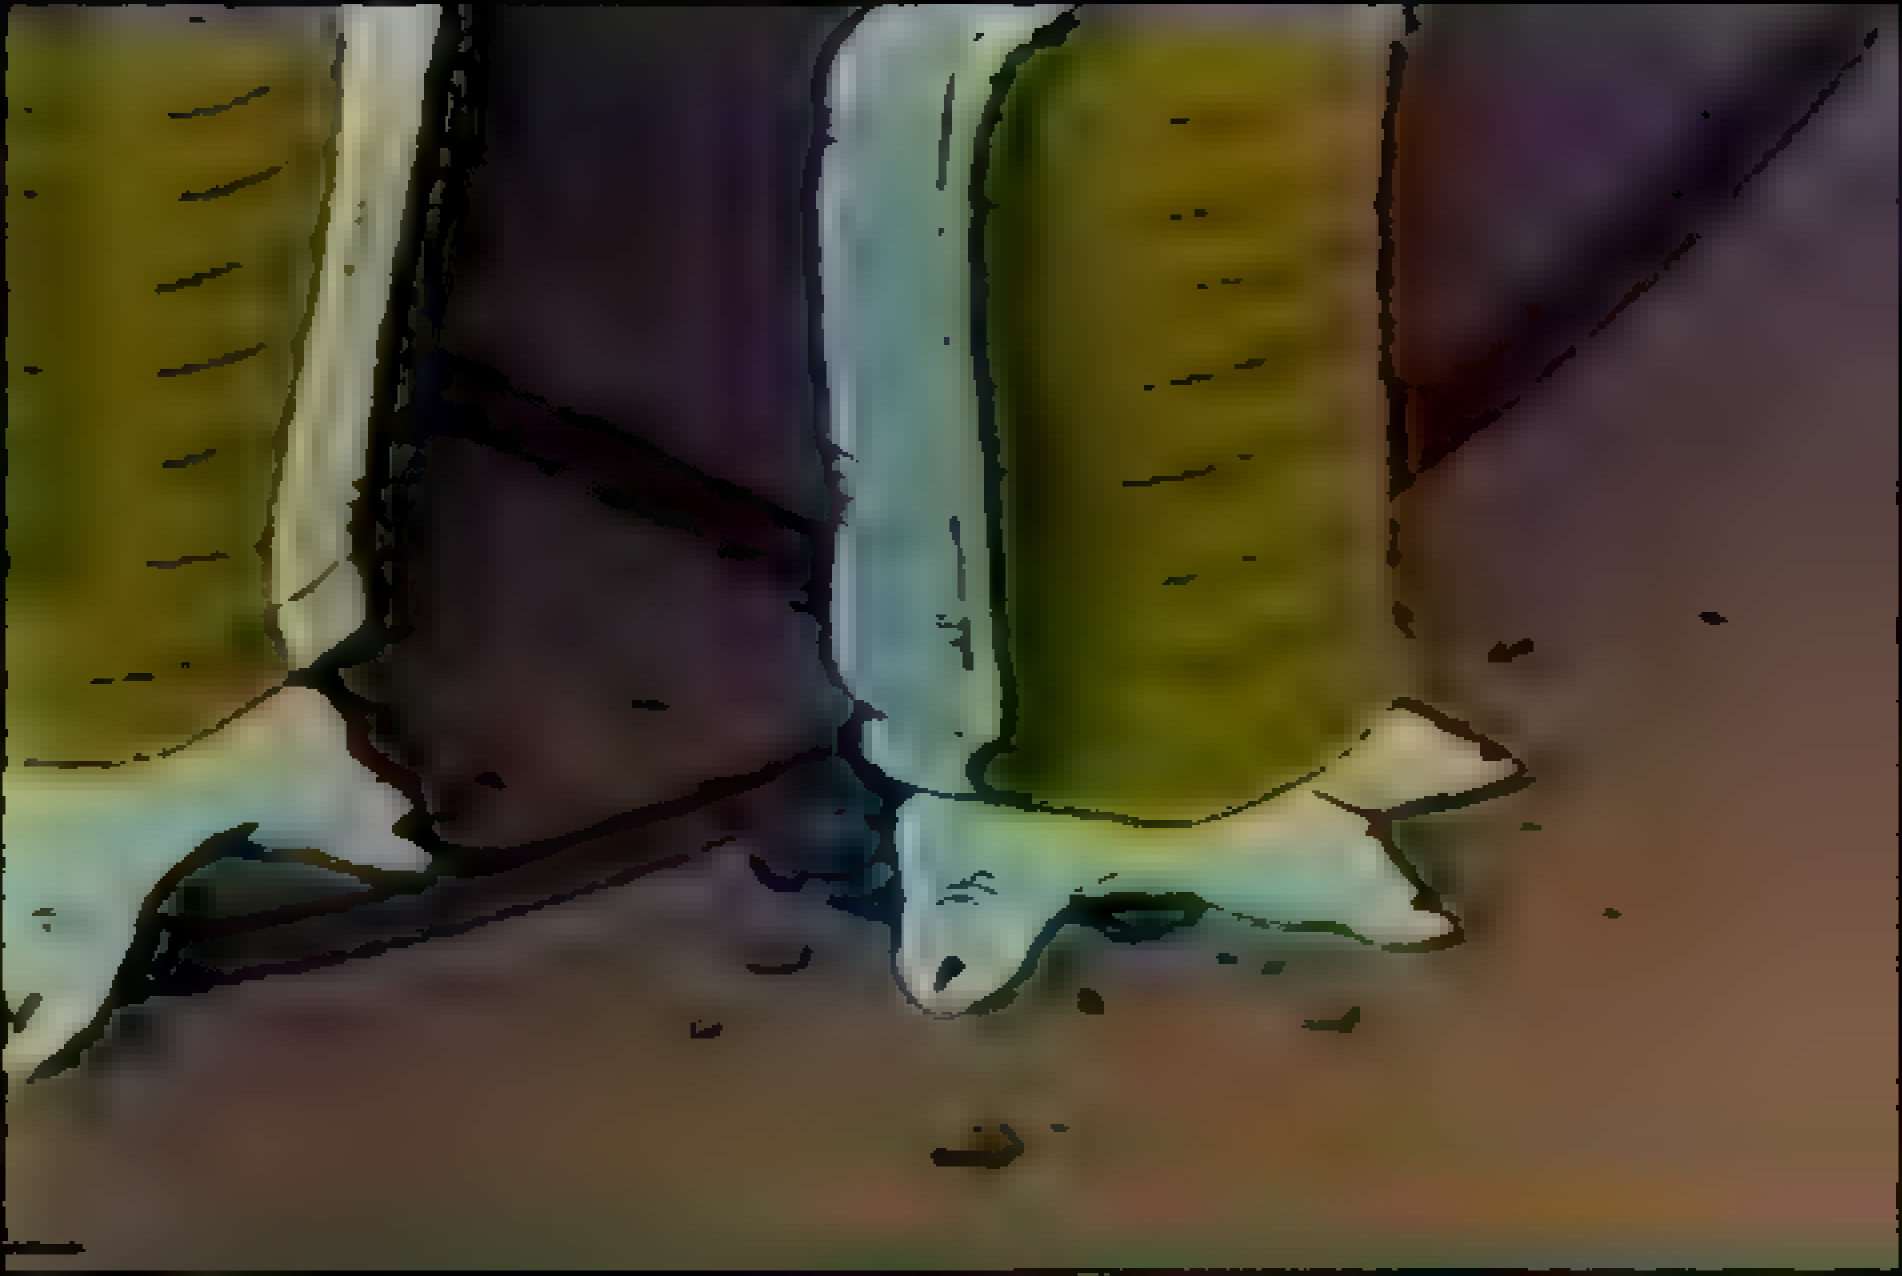

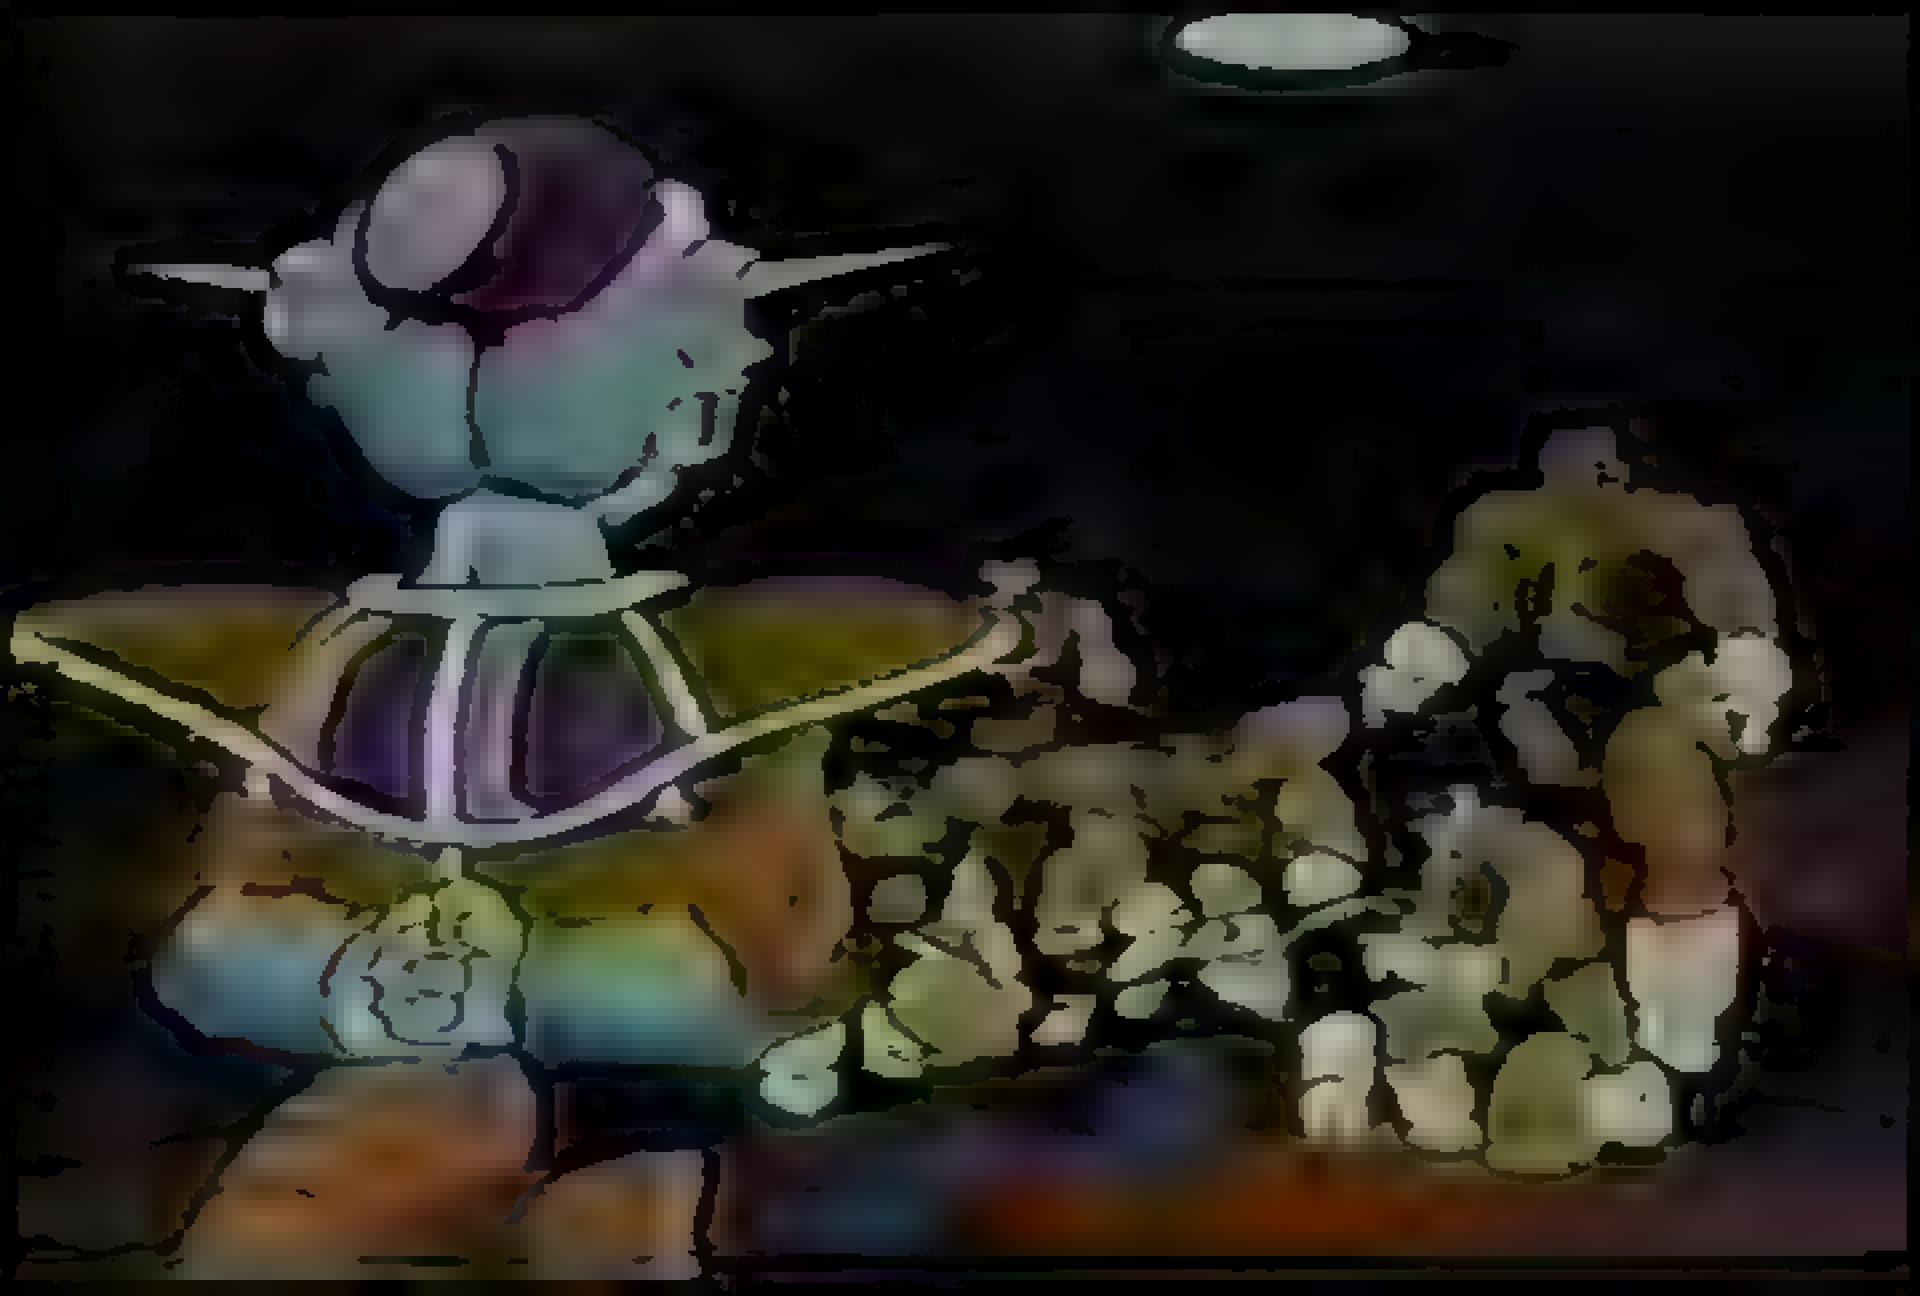

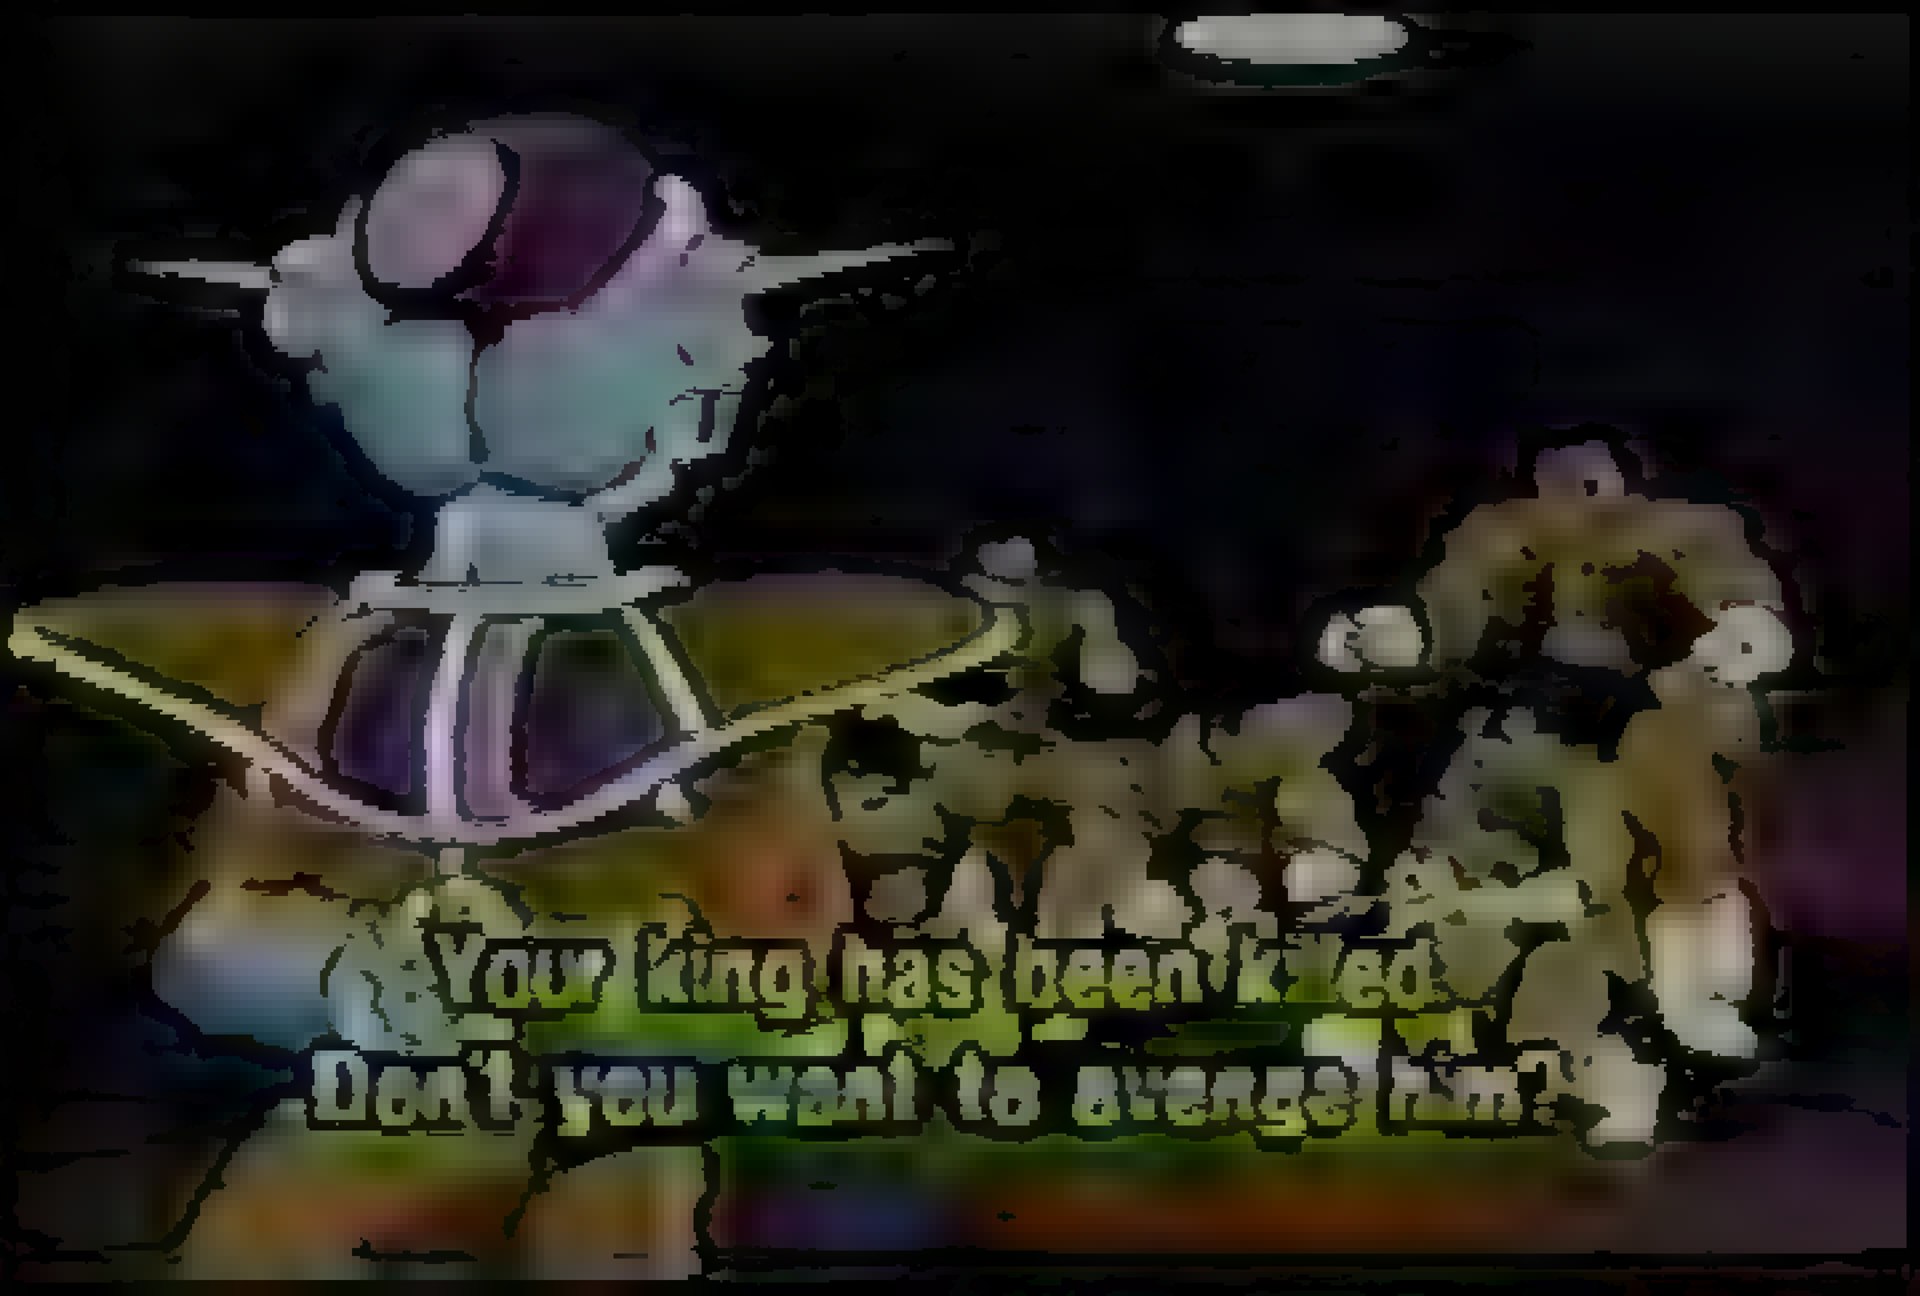

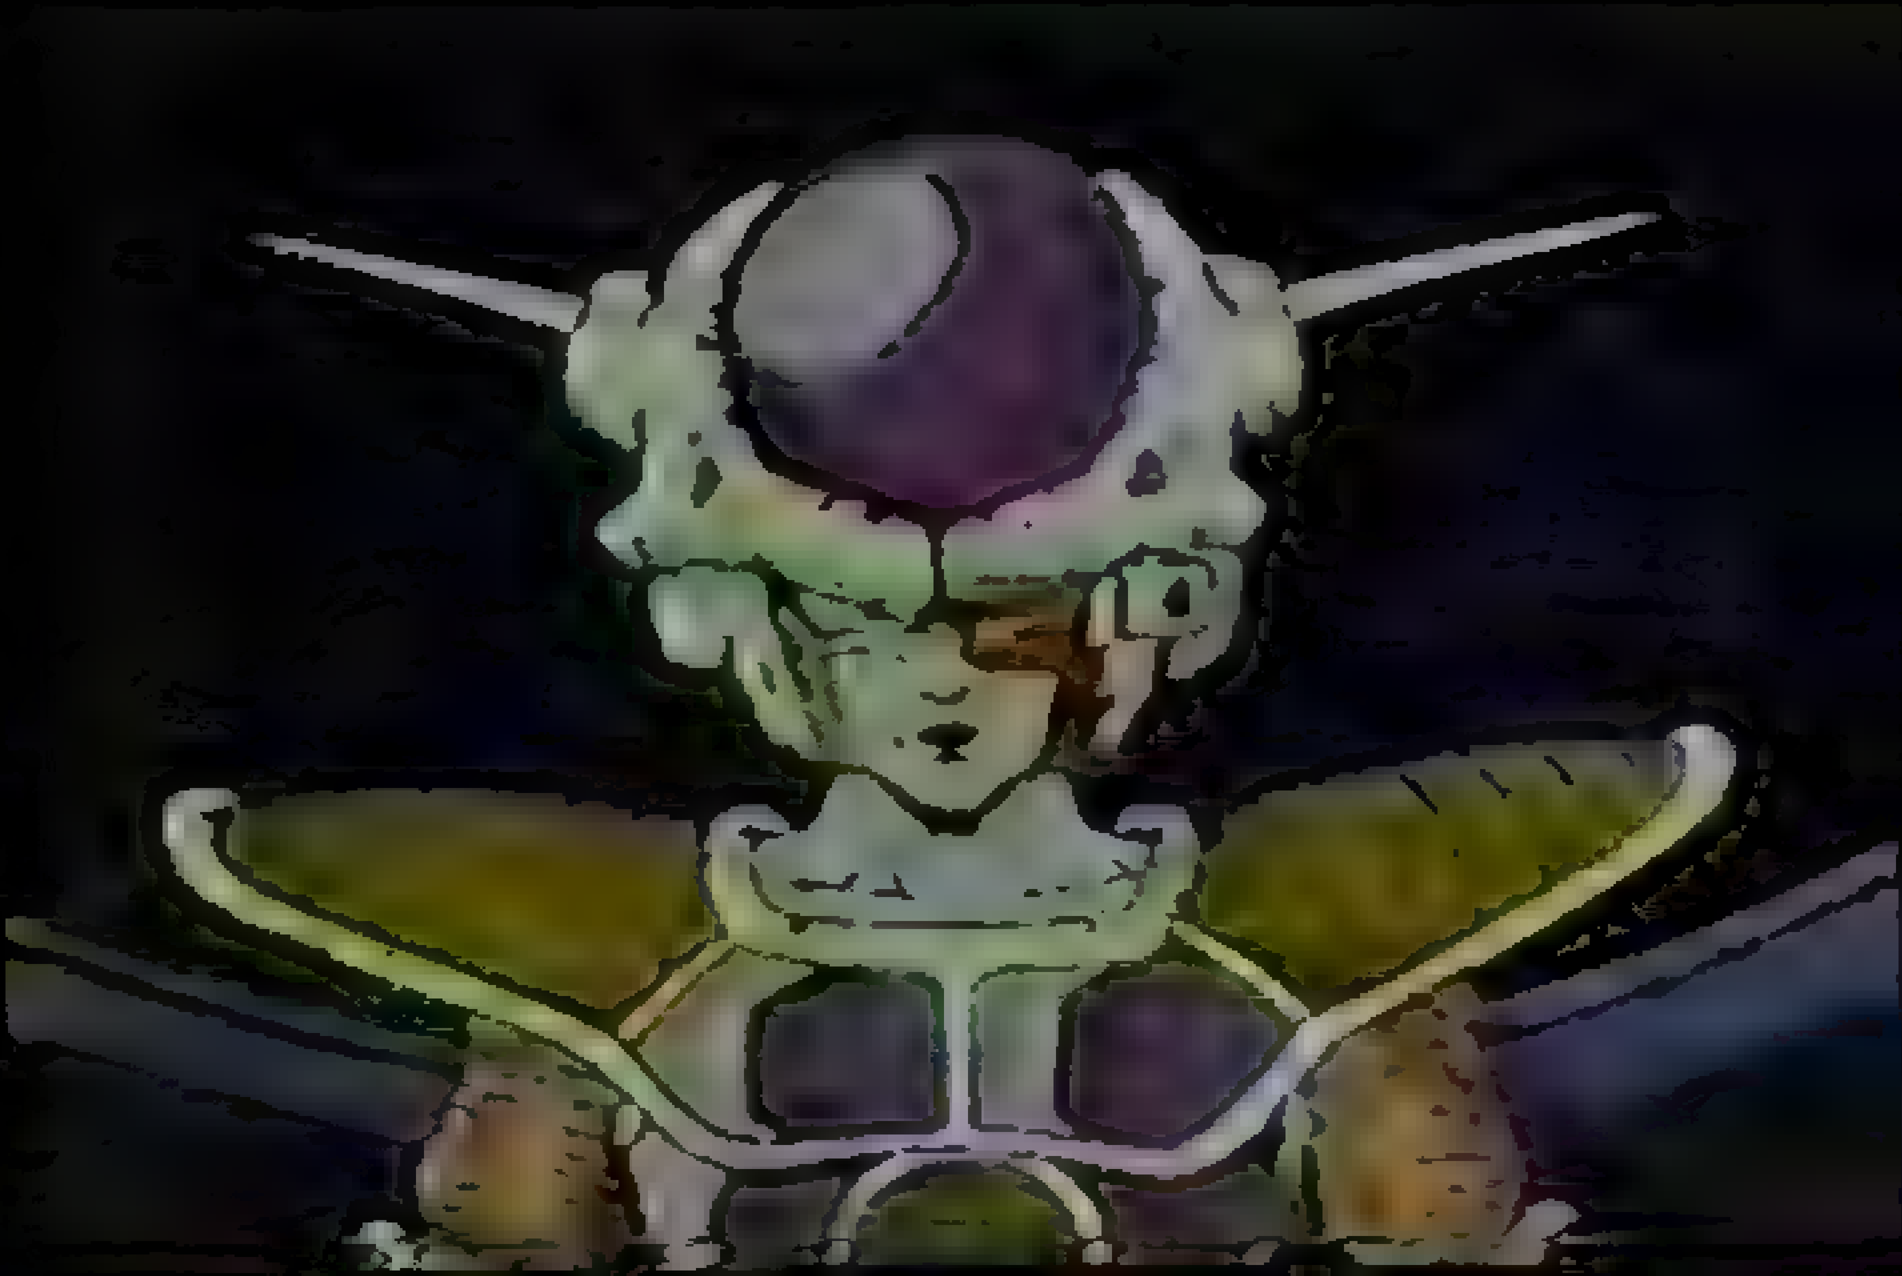

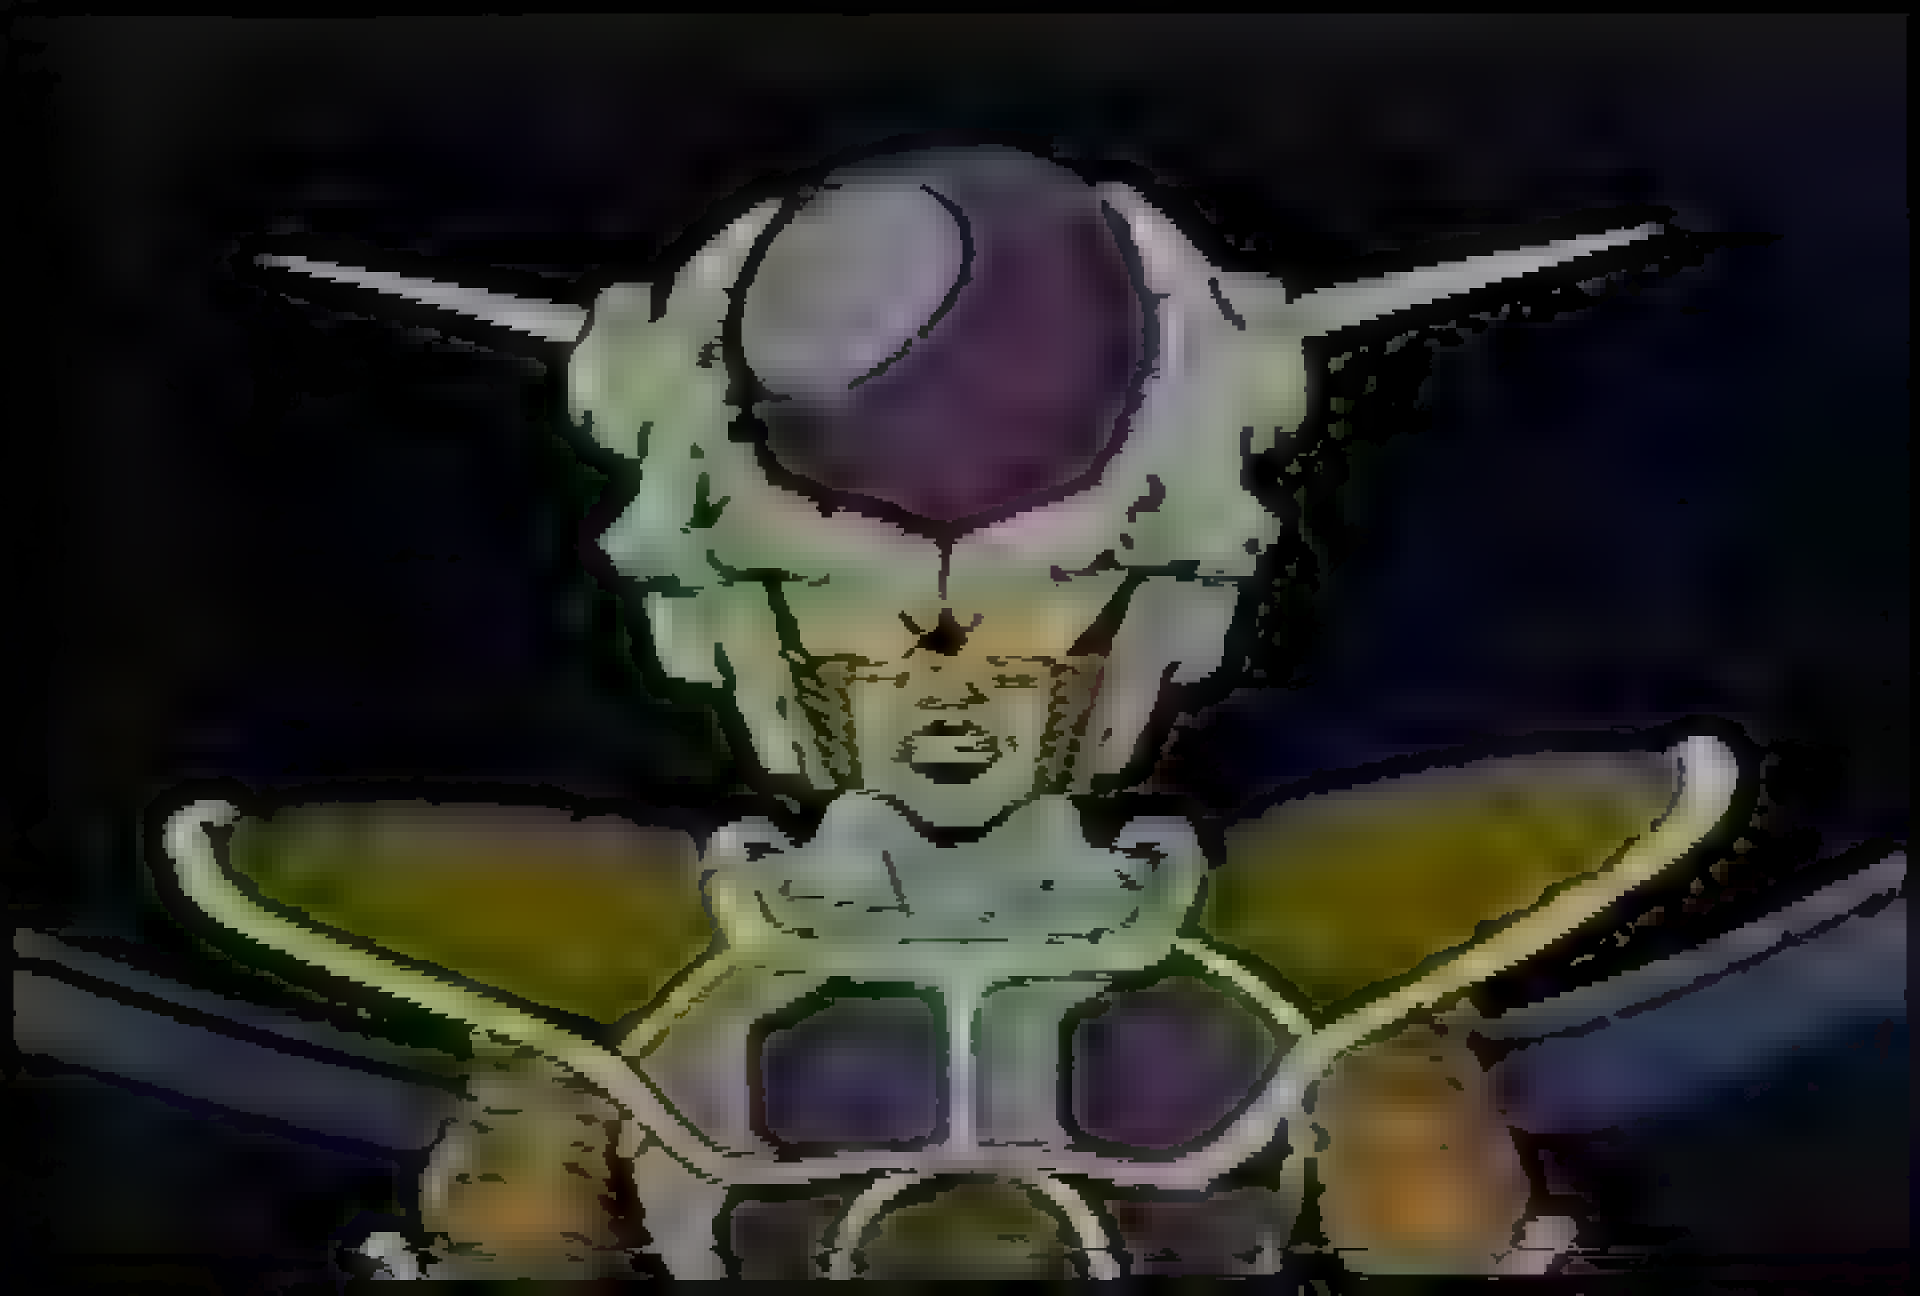

Your king has been killed.
Don't you want to avenge him?

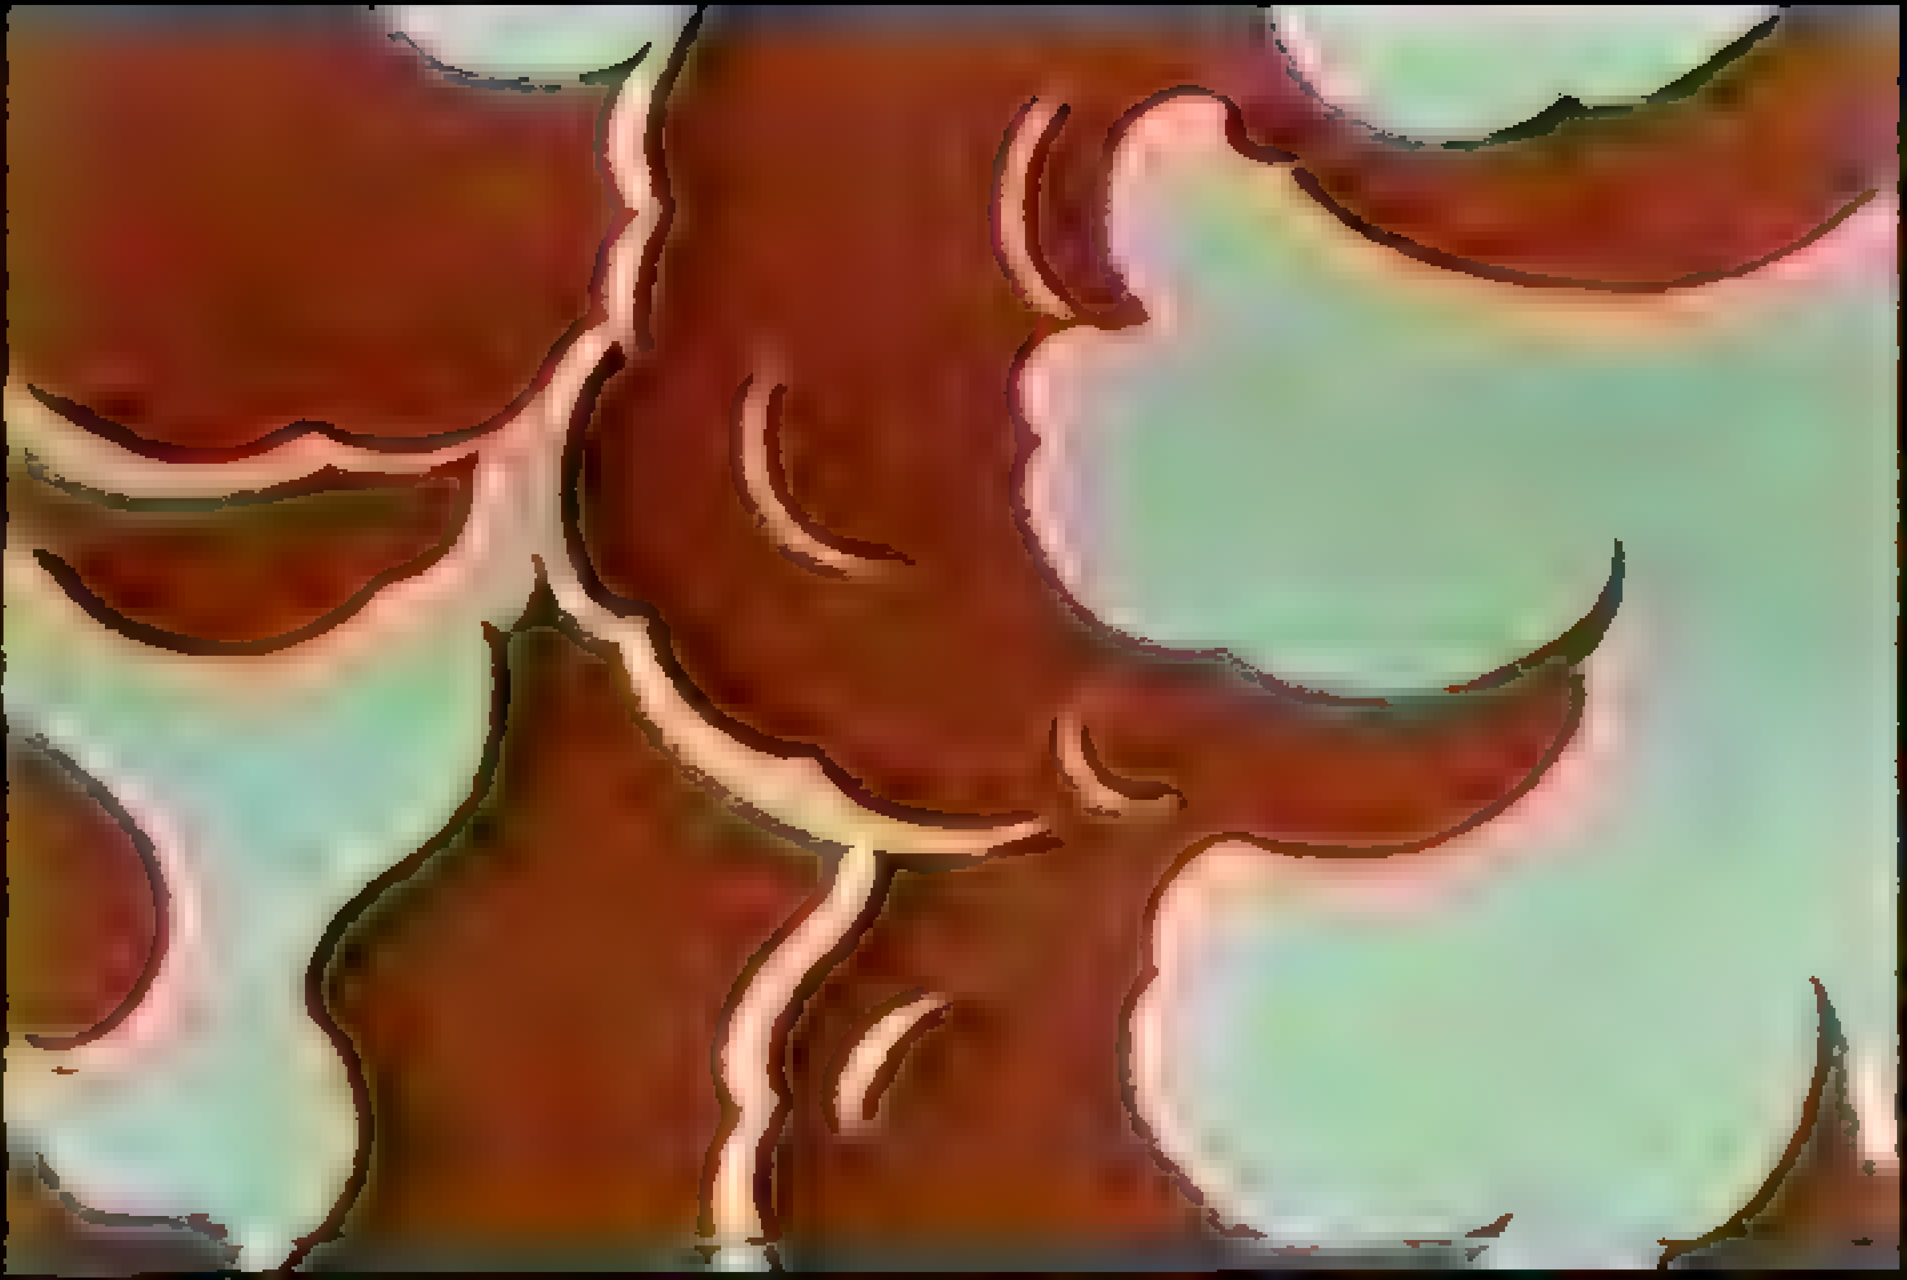

Your king has been killed.
Don't you want to avenge him?

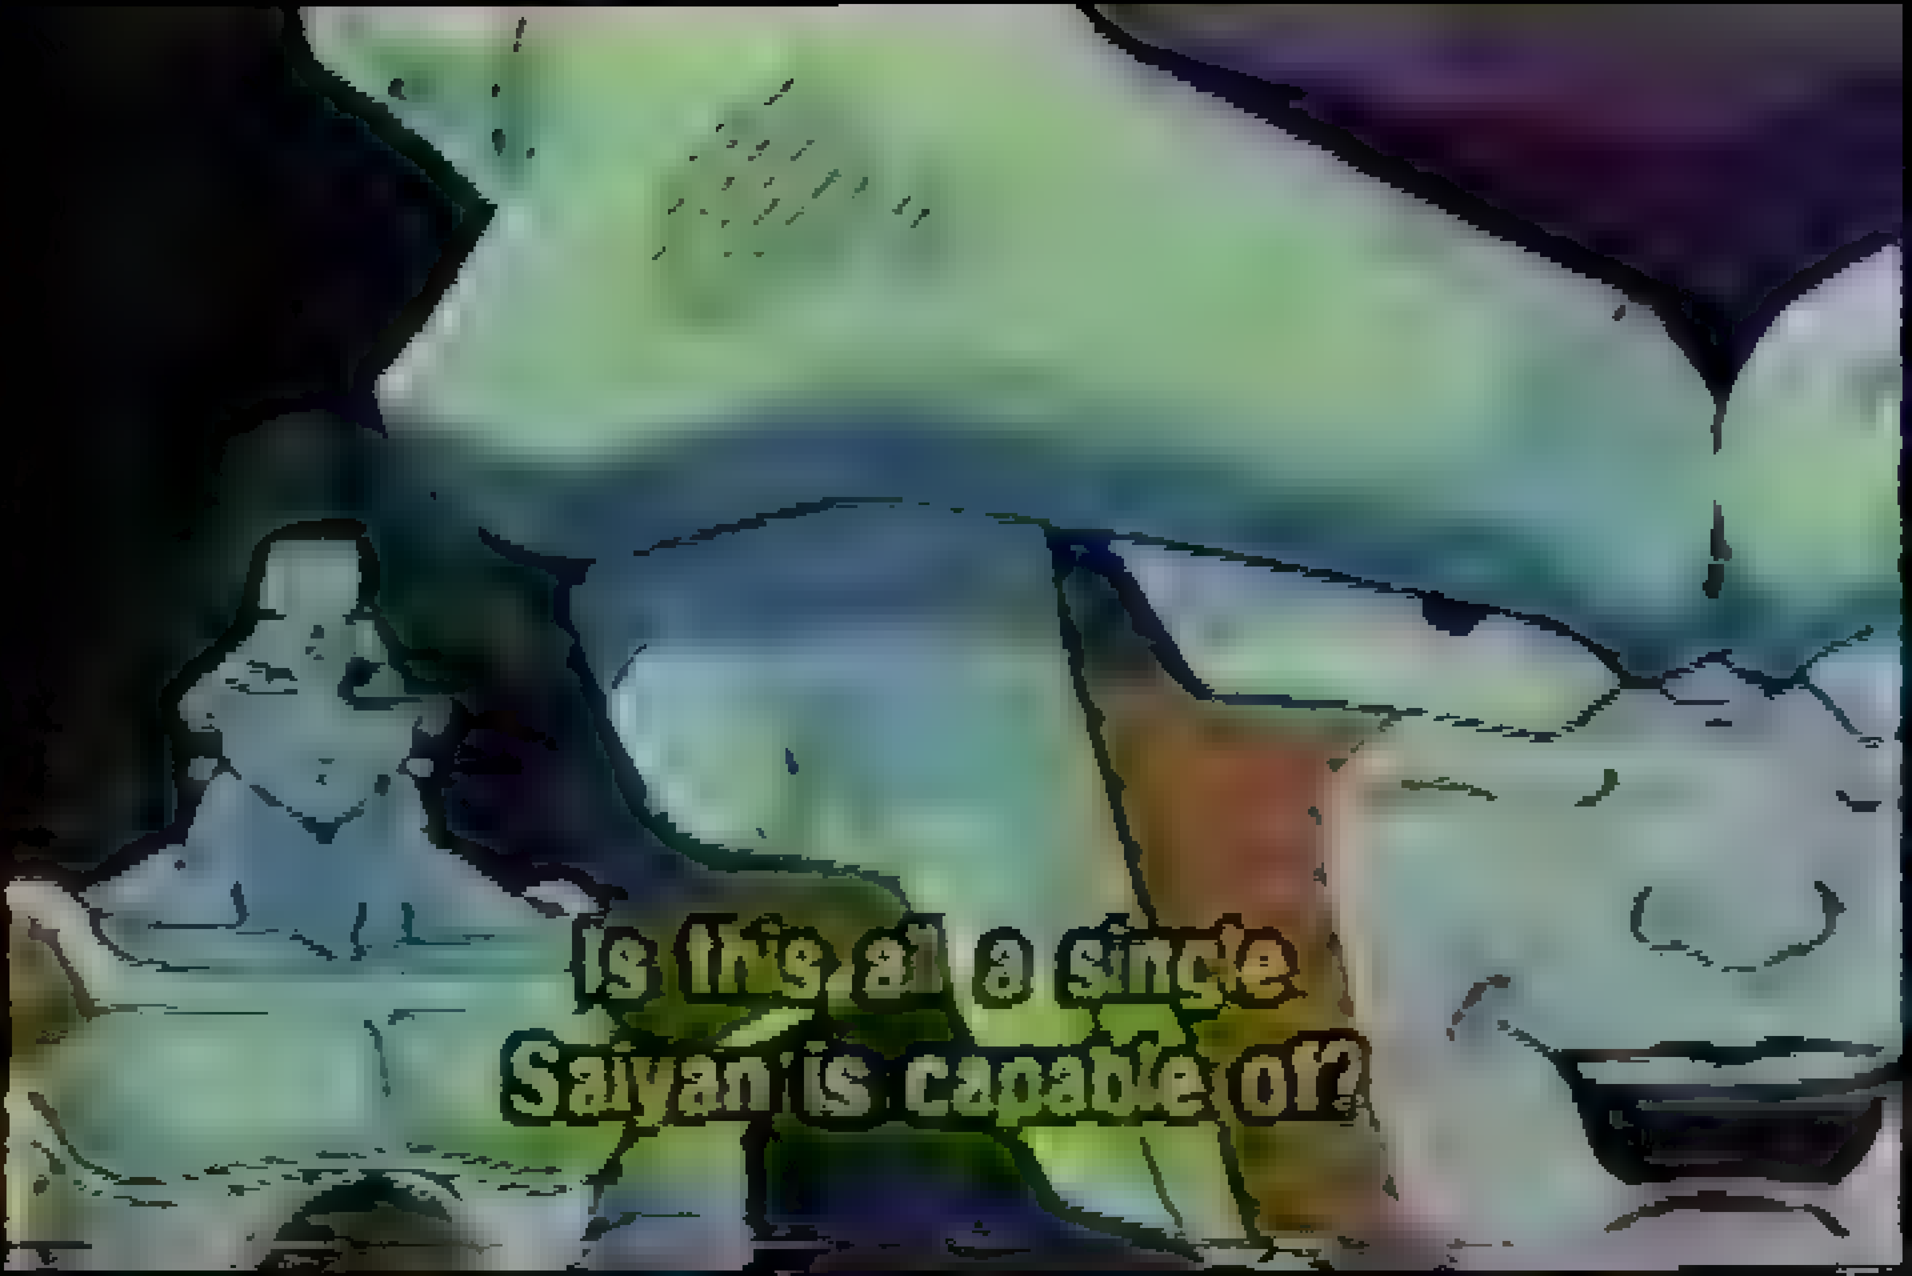

Is this all a single
Saiyan is capable of?

Is this all a single
Saiyan is capable of?

Are you injured at all,
Lord Freezer?

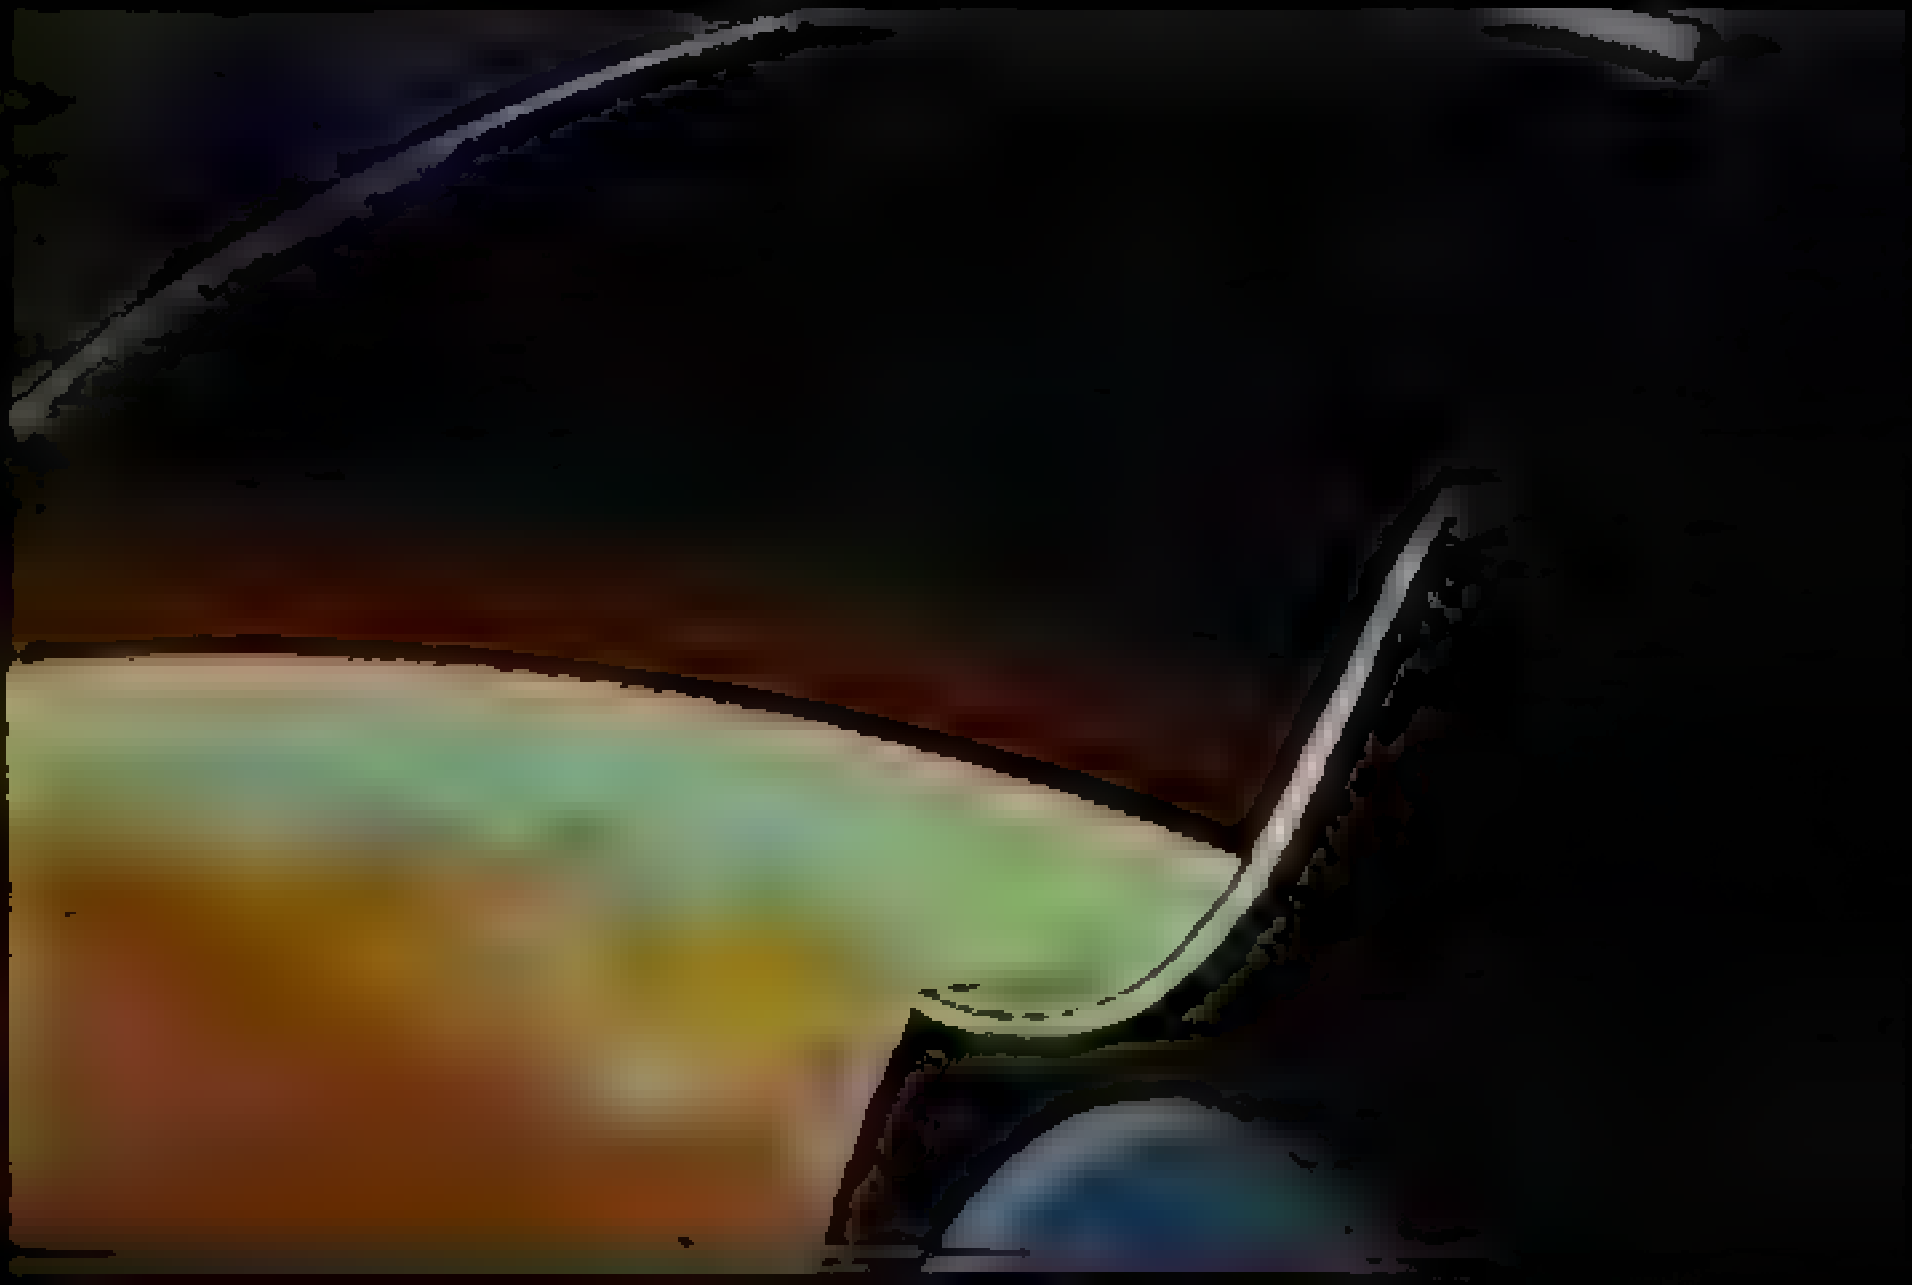

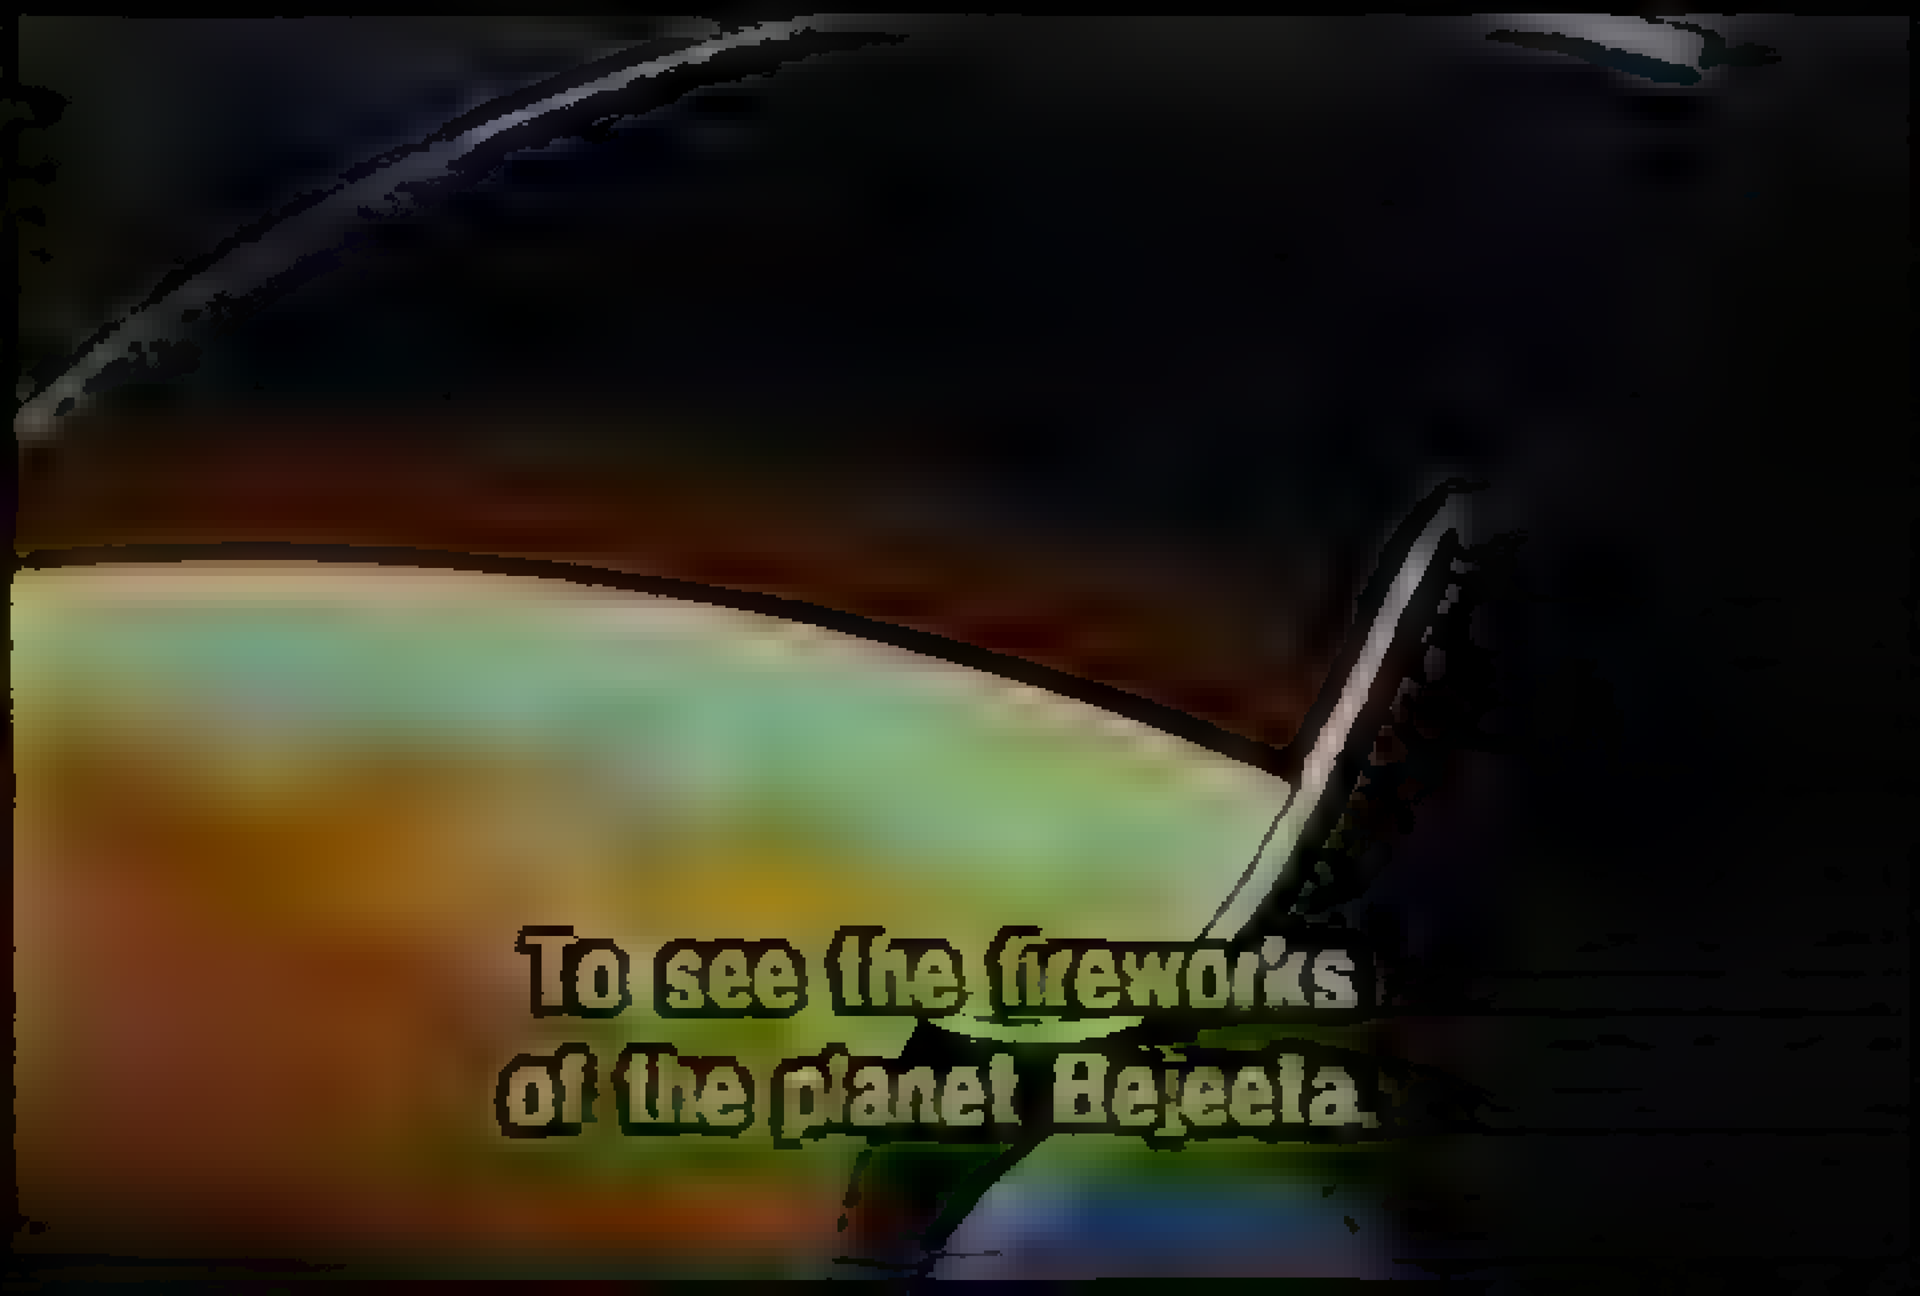

I didn't even need to transform.

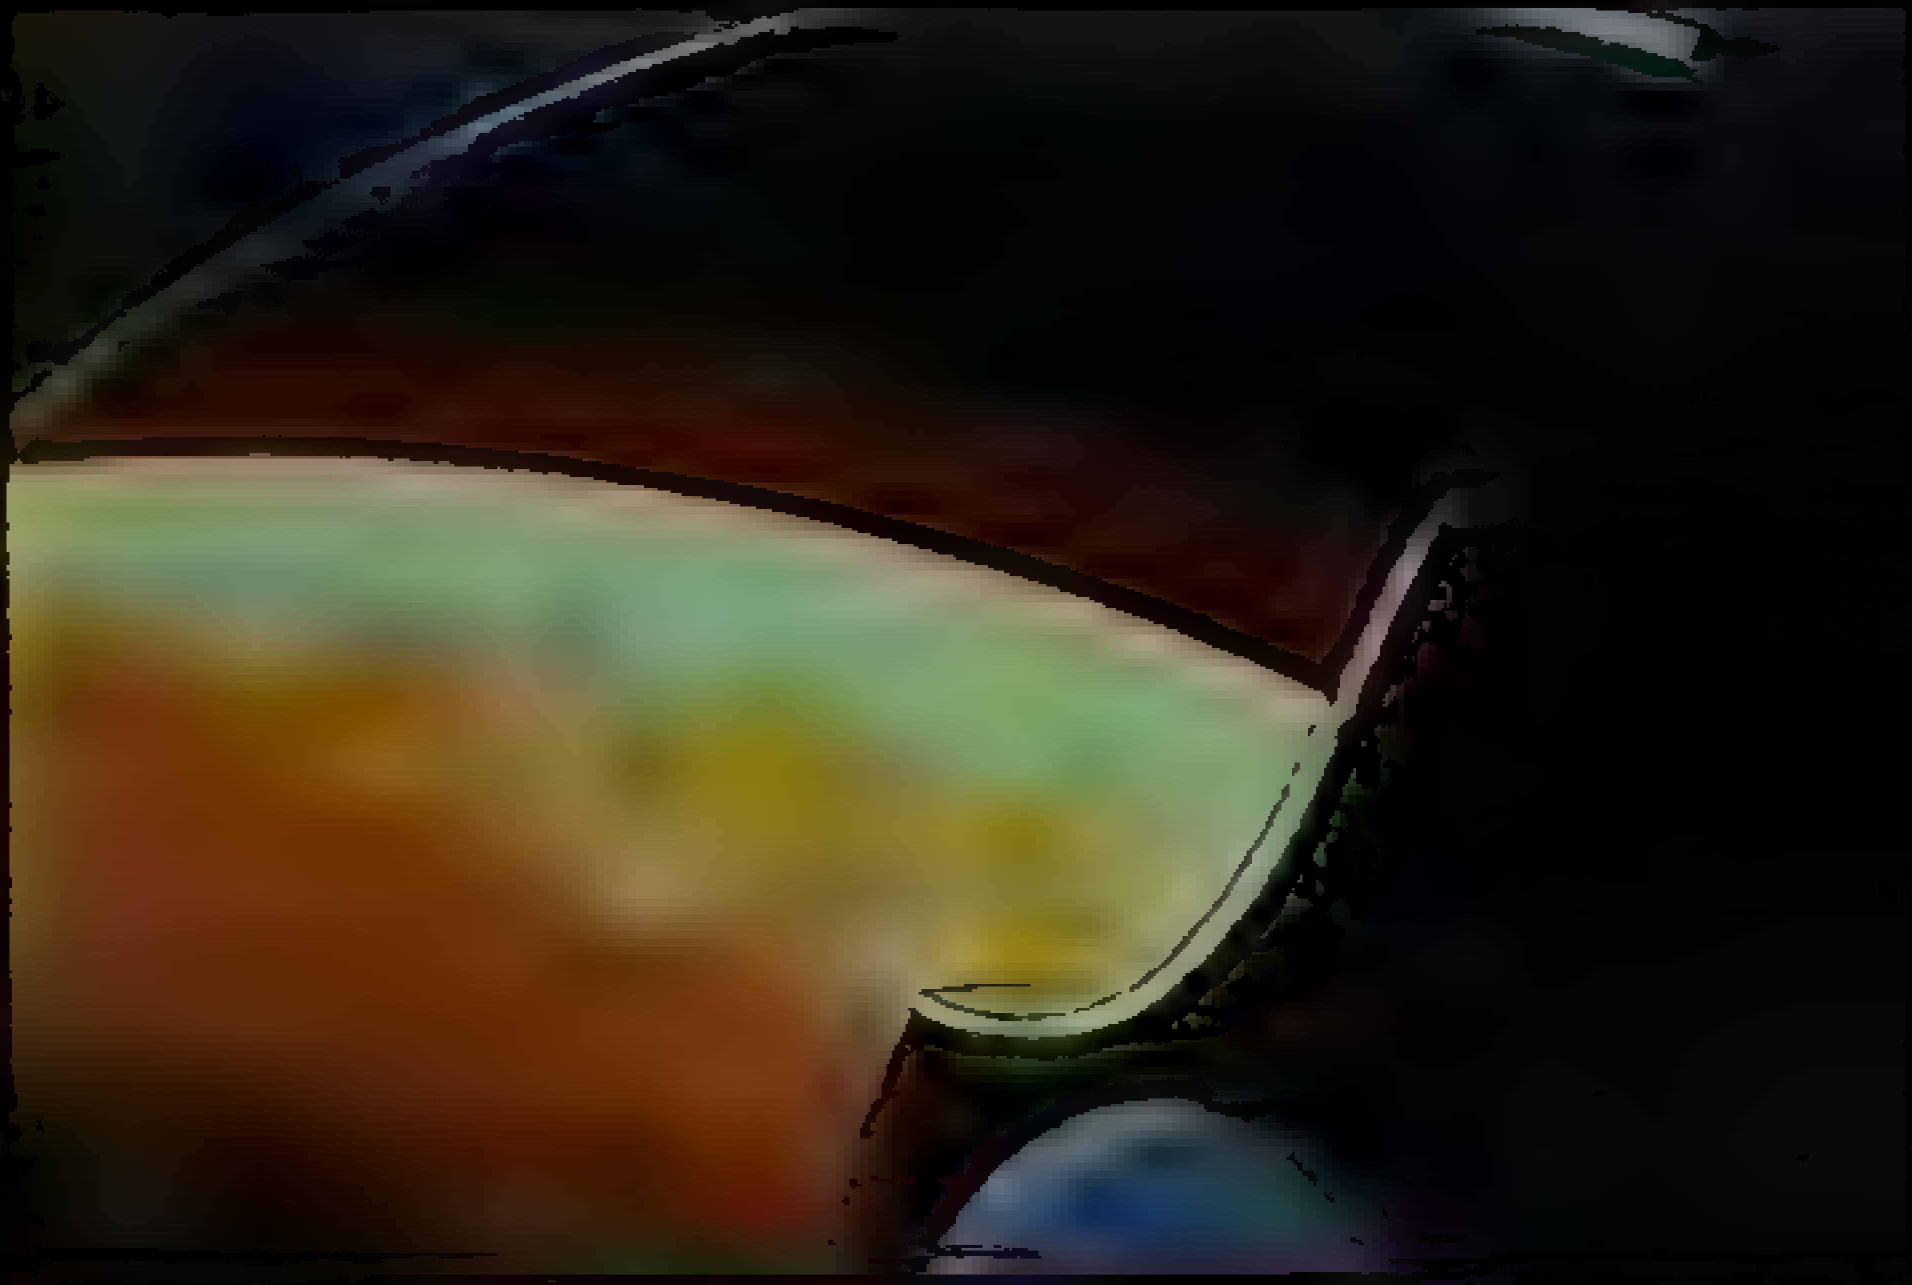

I think we should
be leaving now.

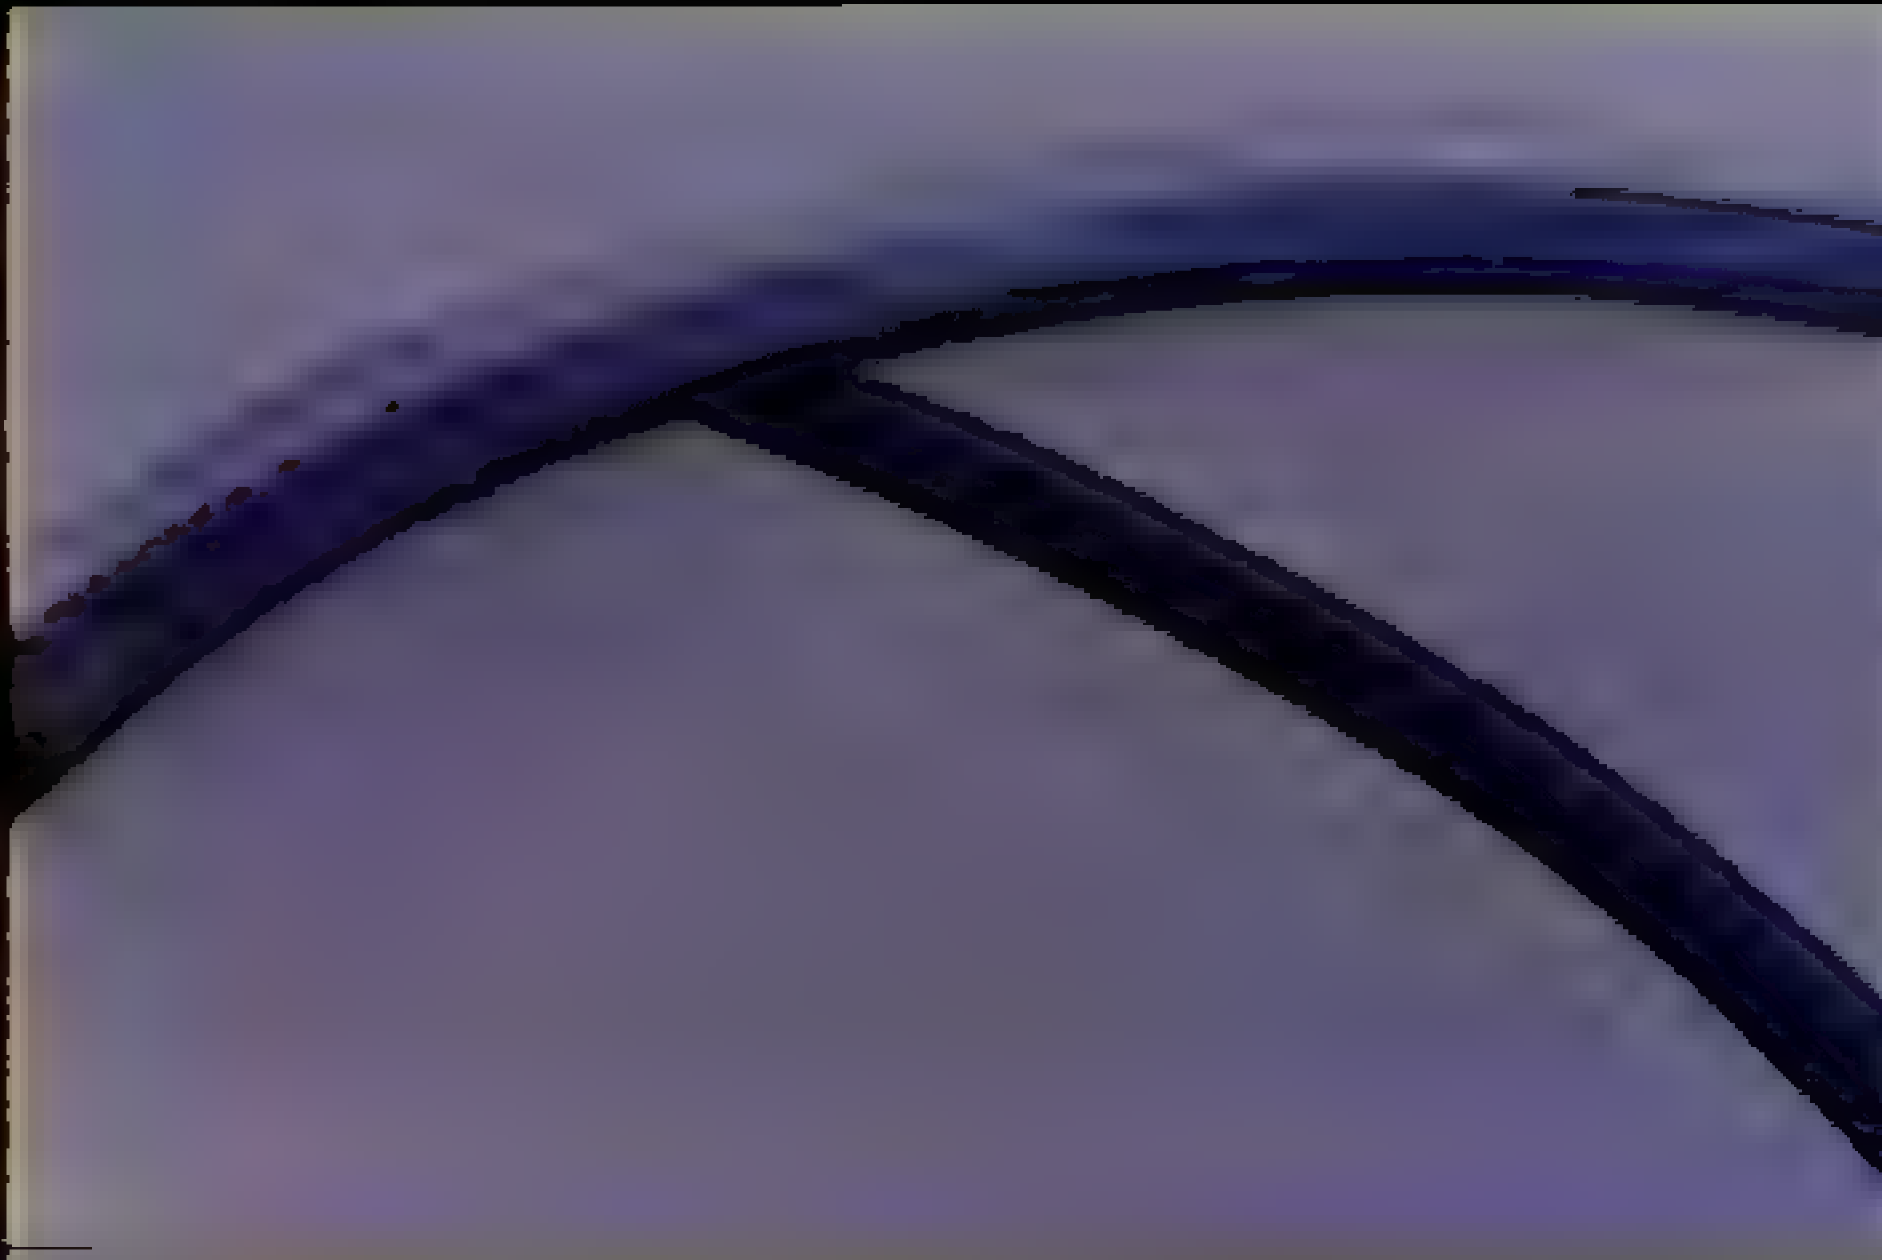

I think we should
be leaving now.

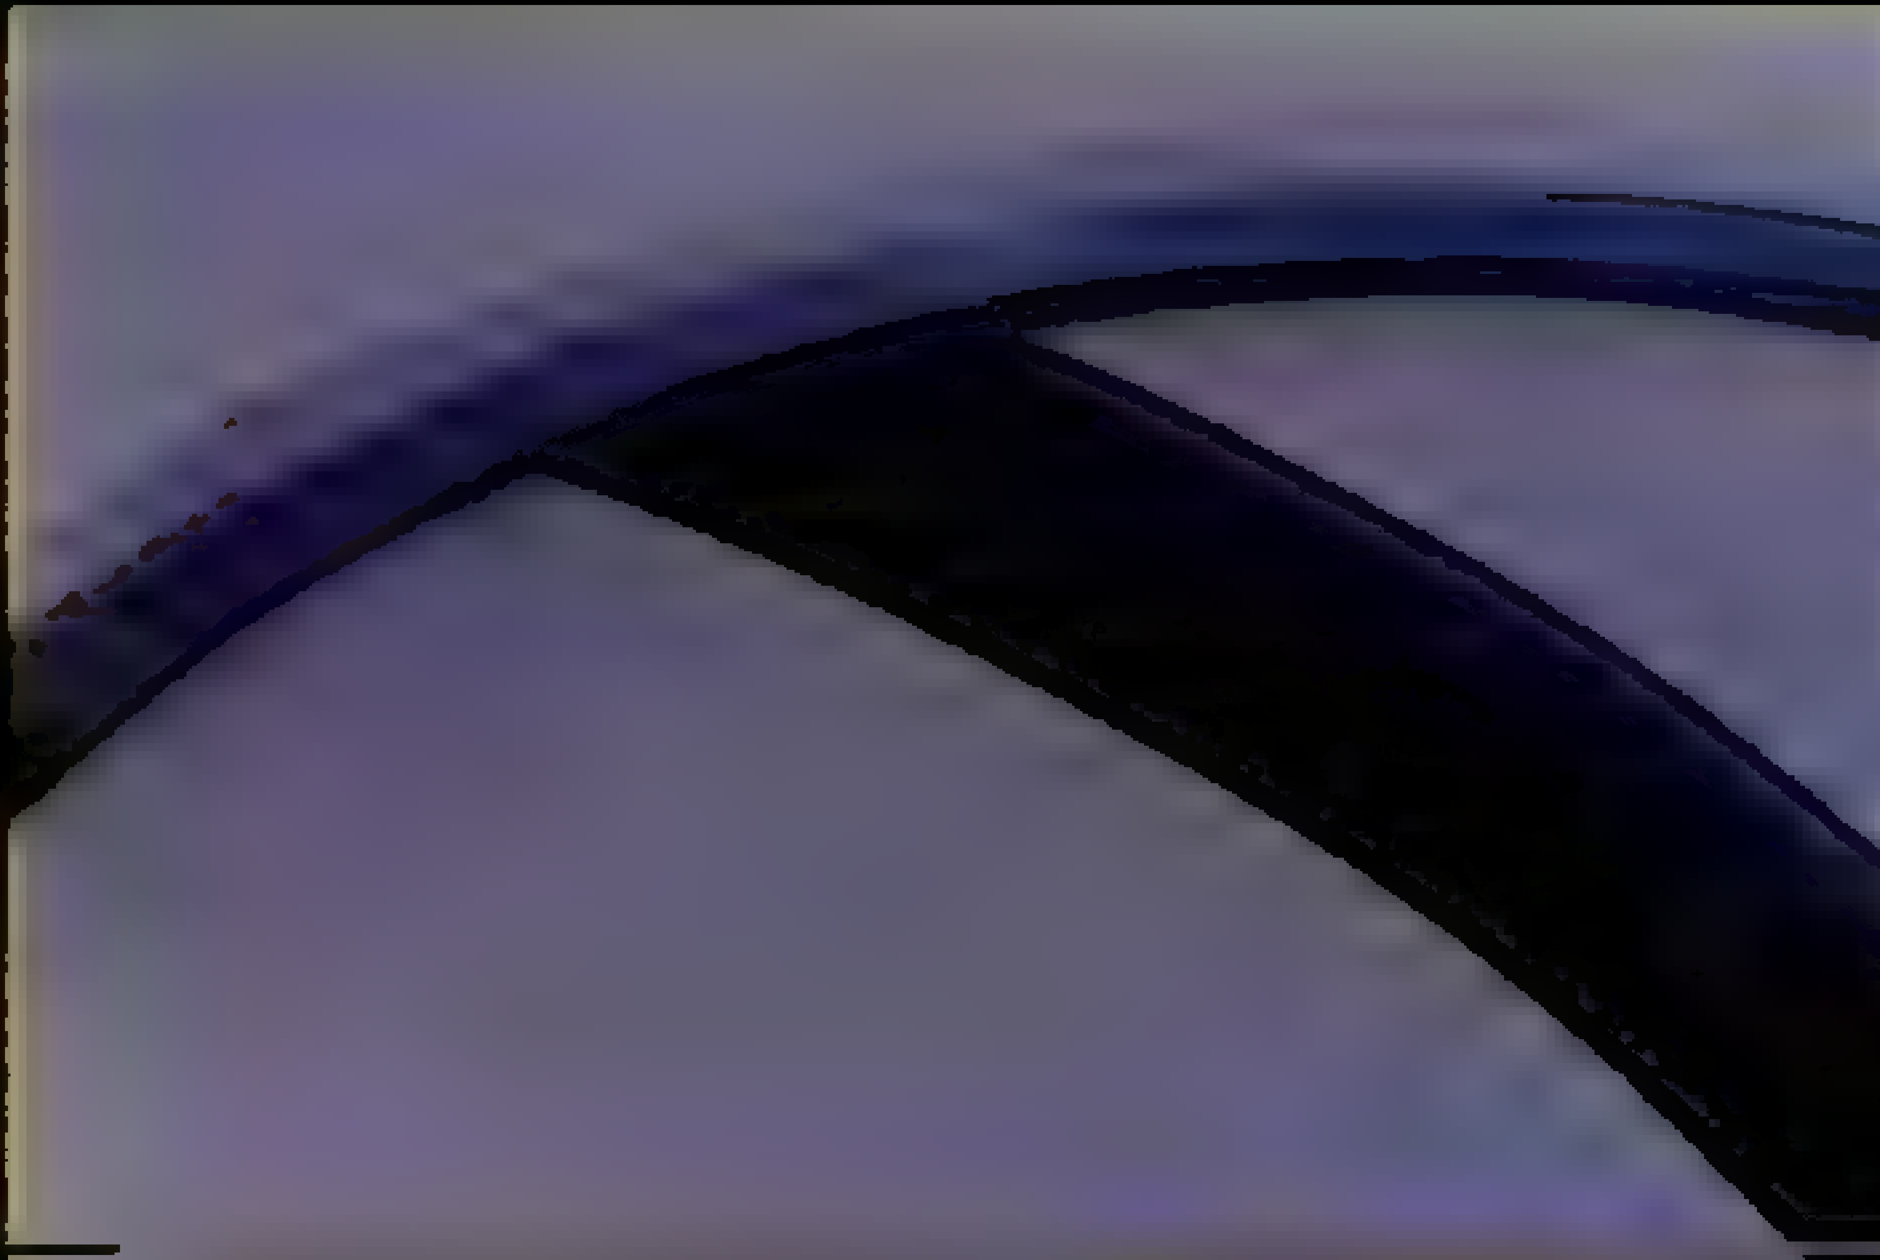

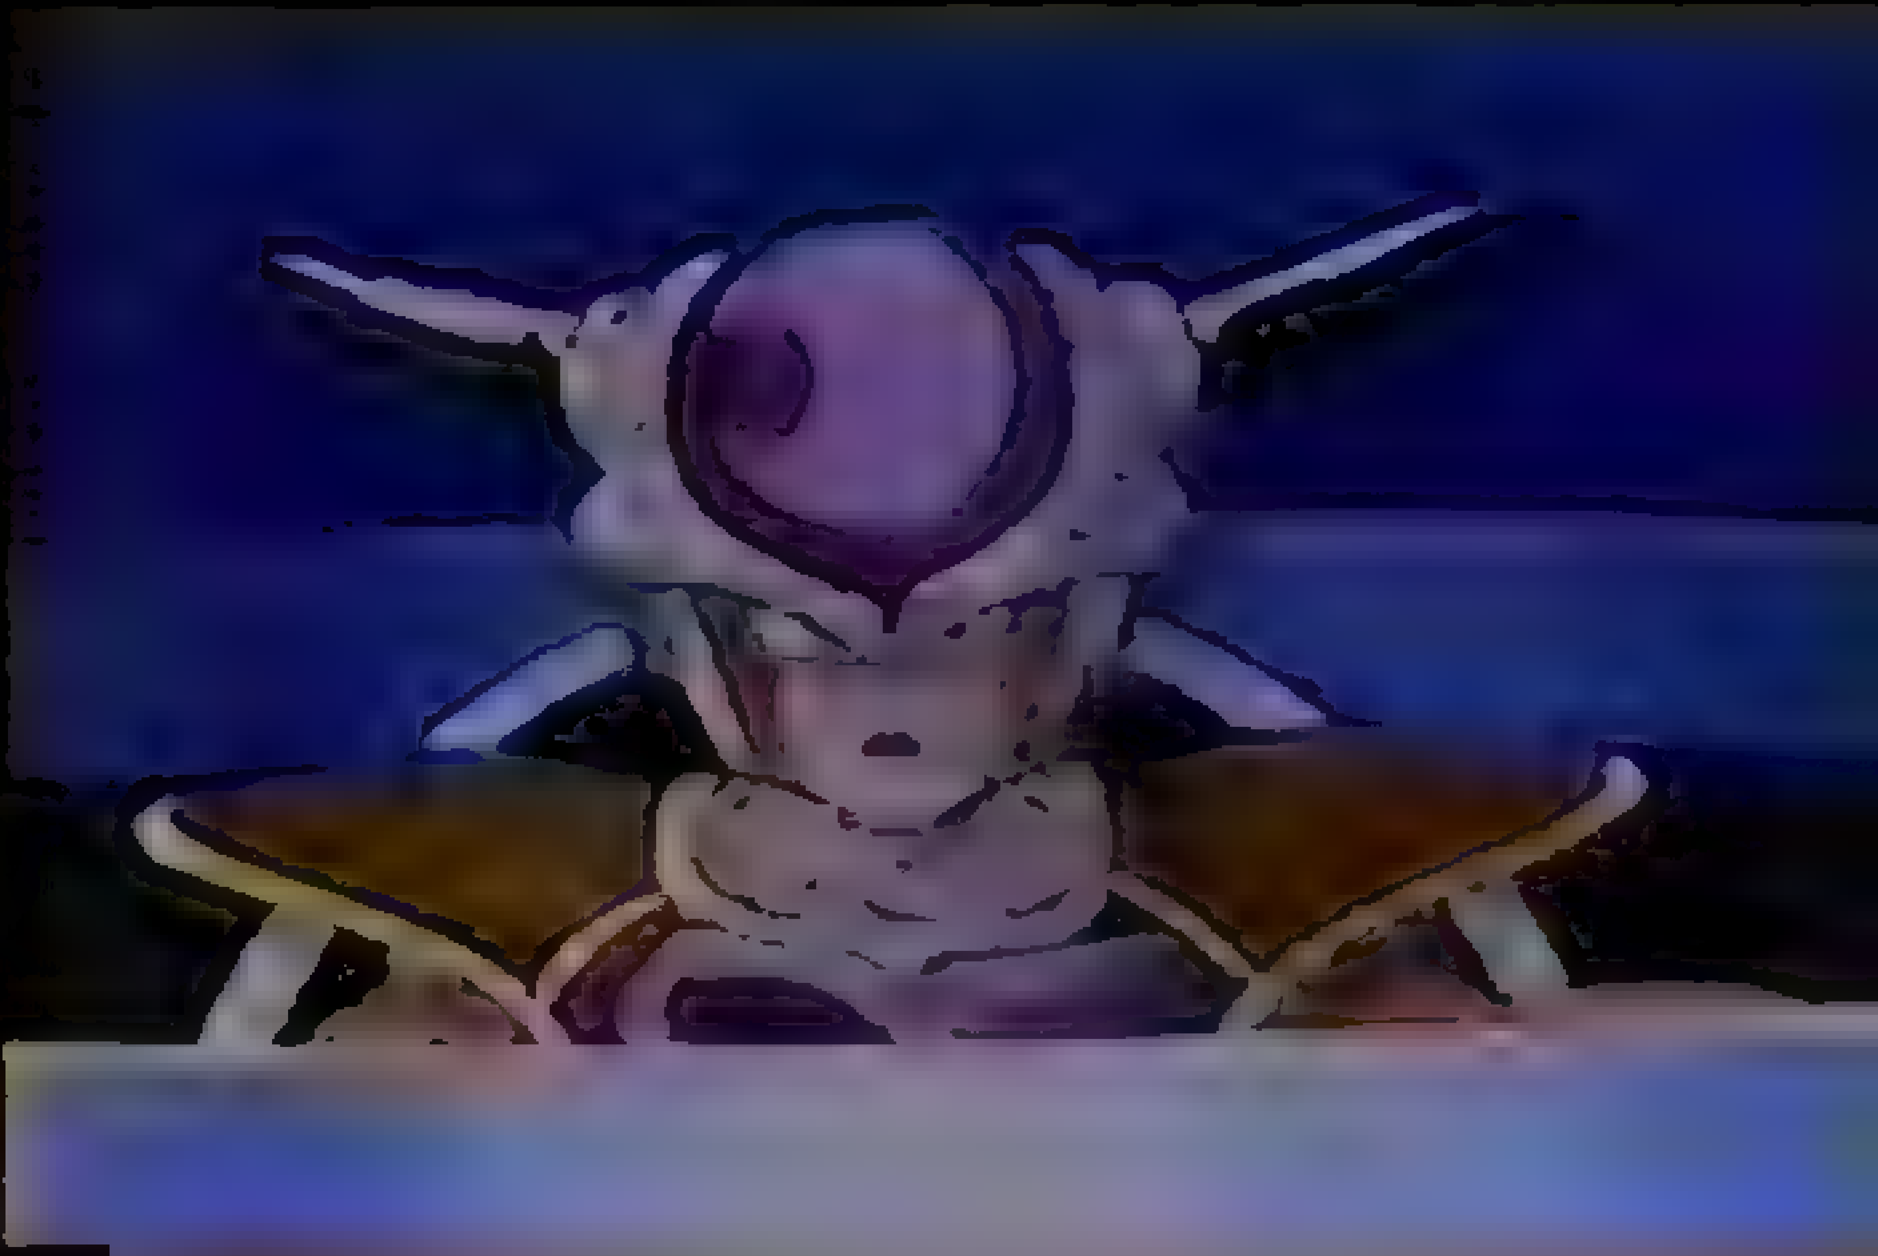

To see the fireworks
of the planet Bejeela.

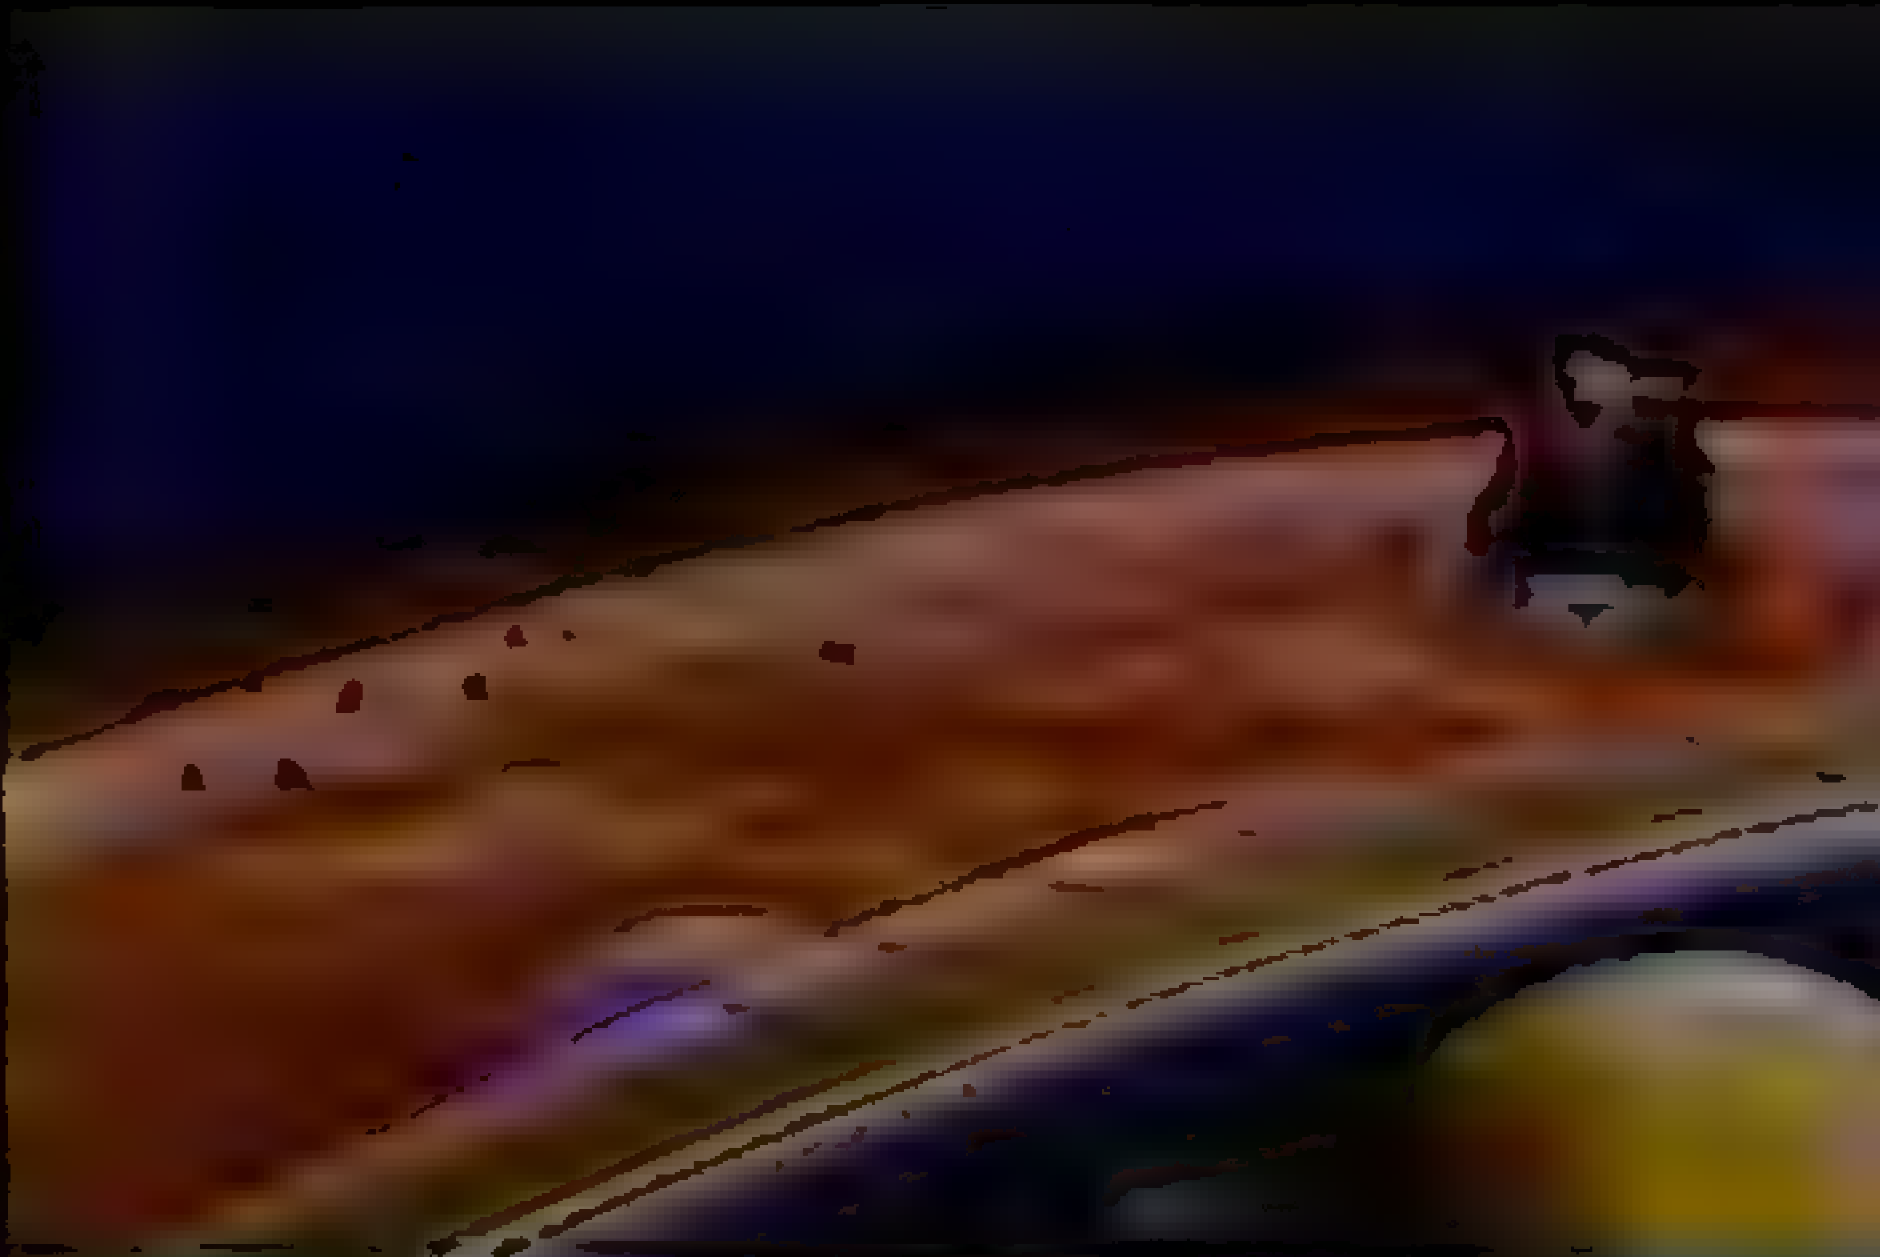

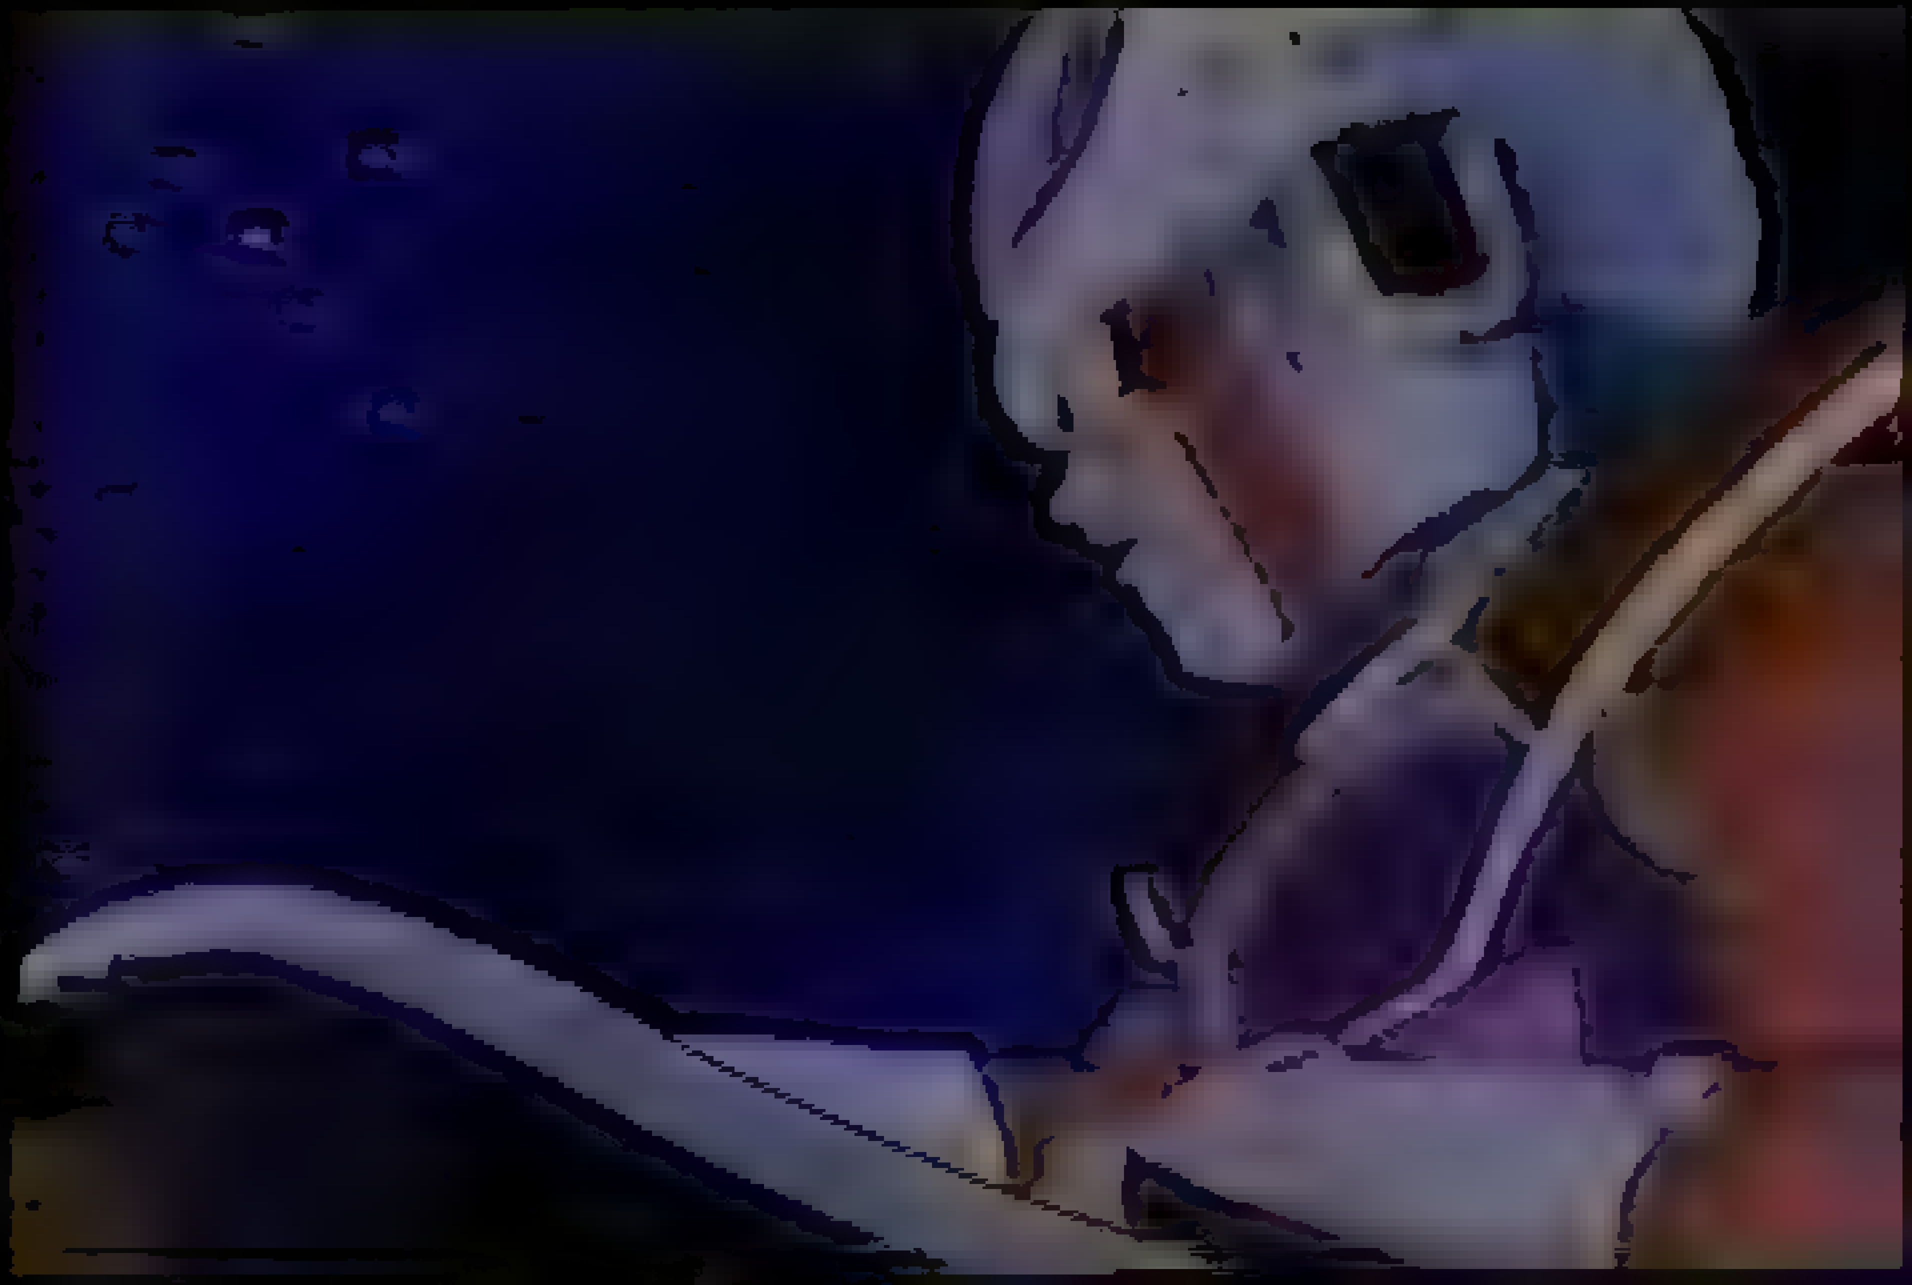

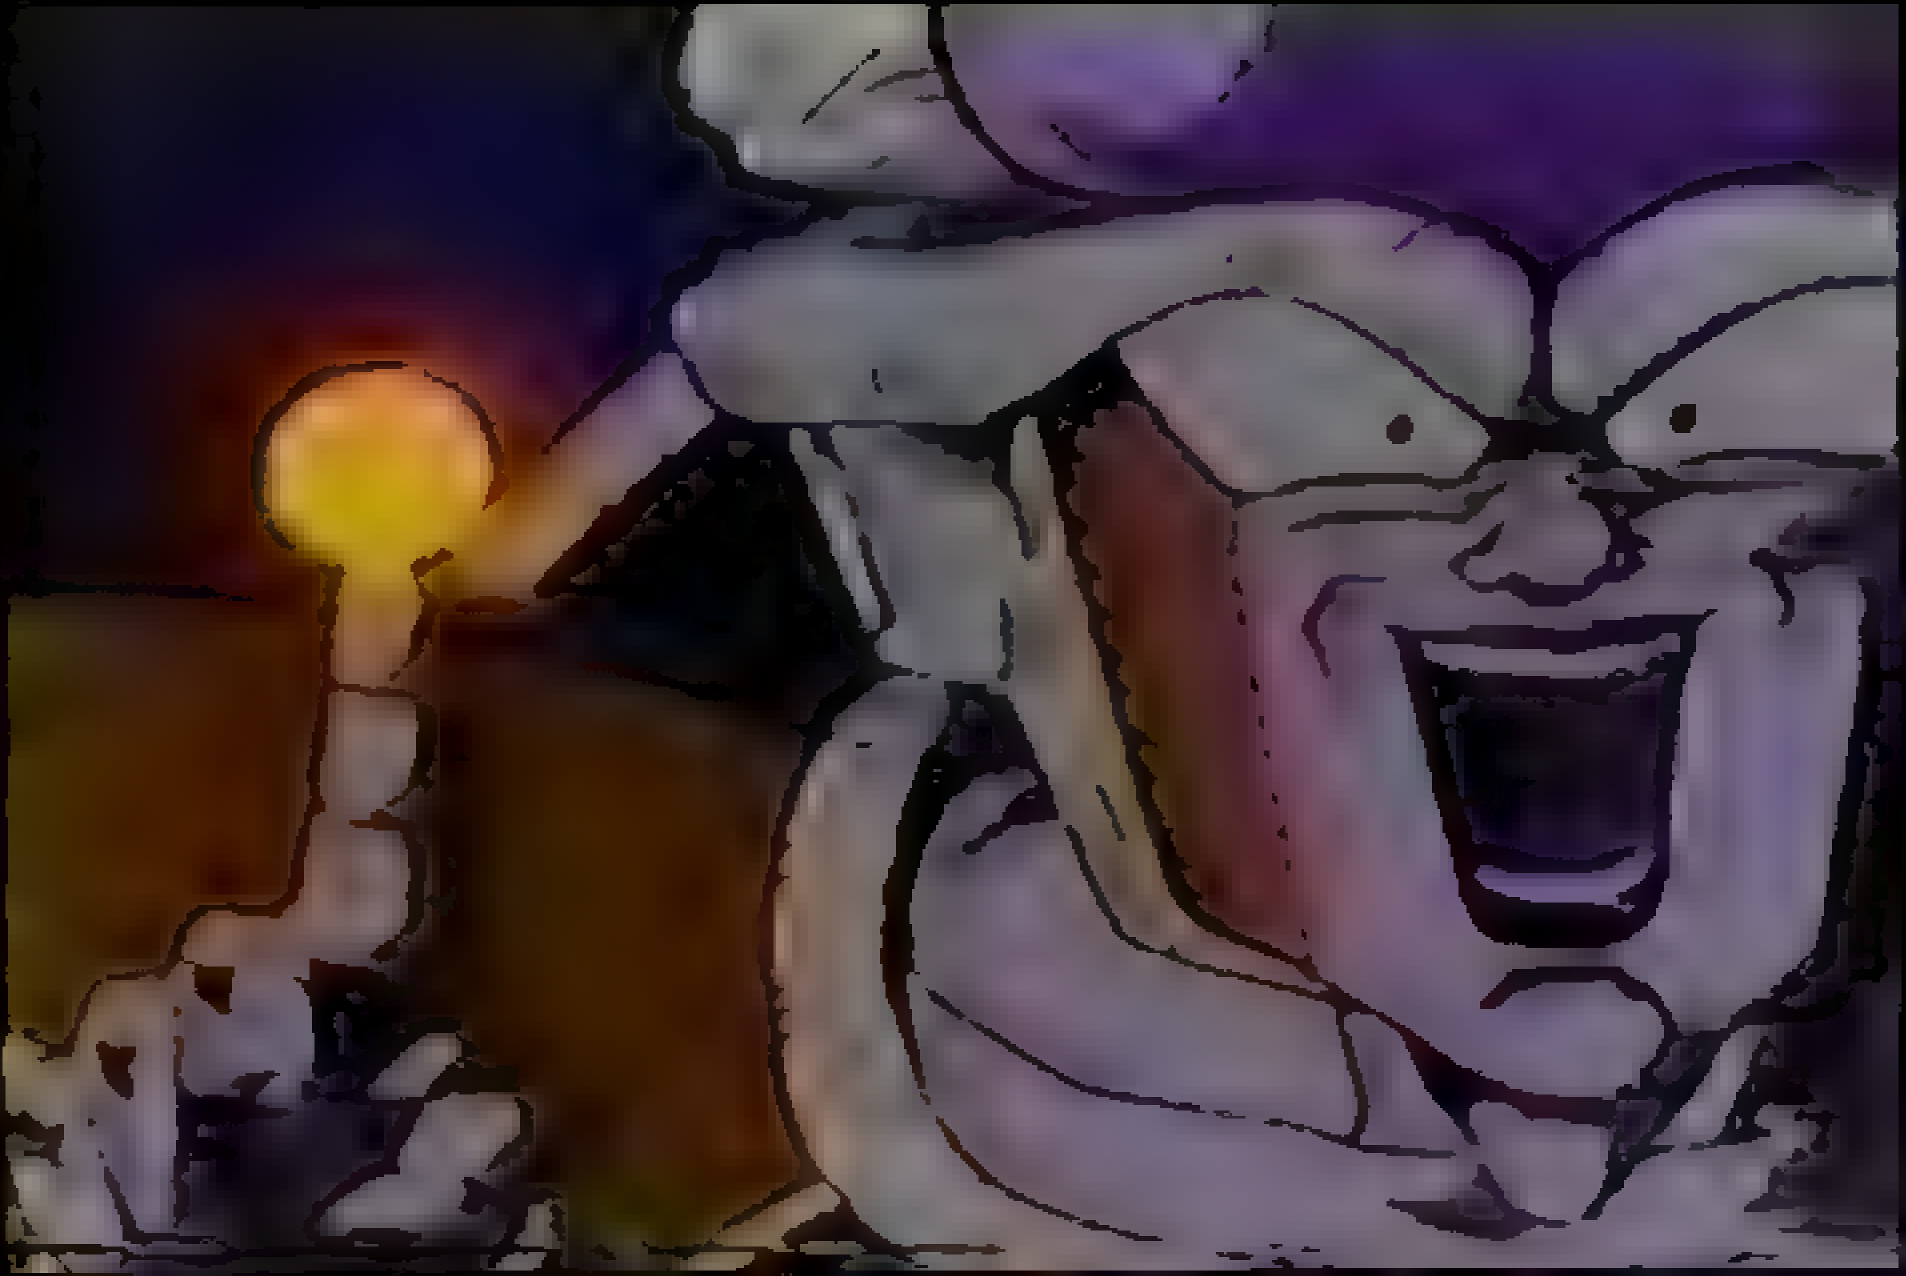

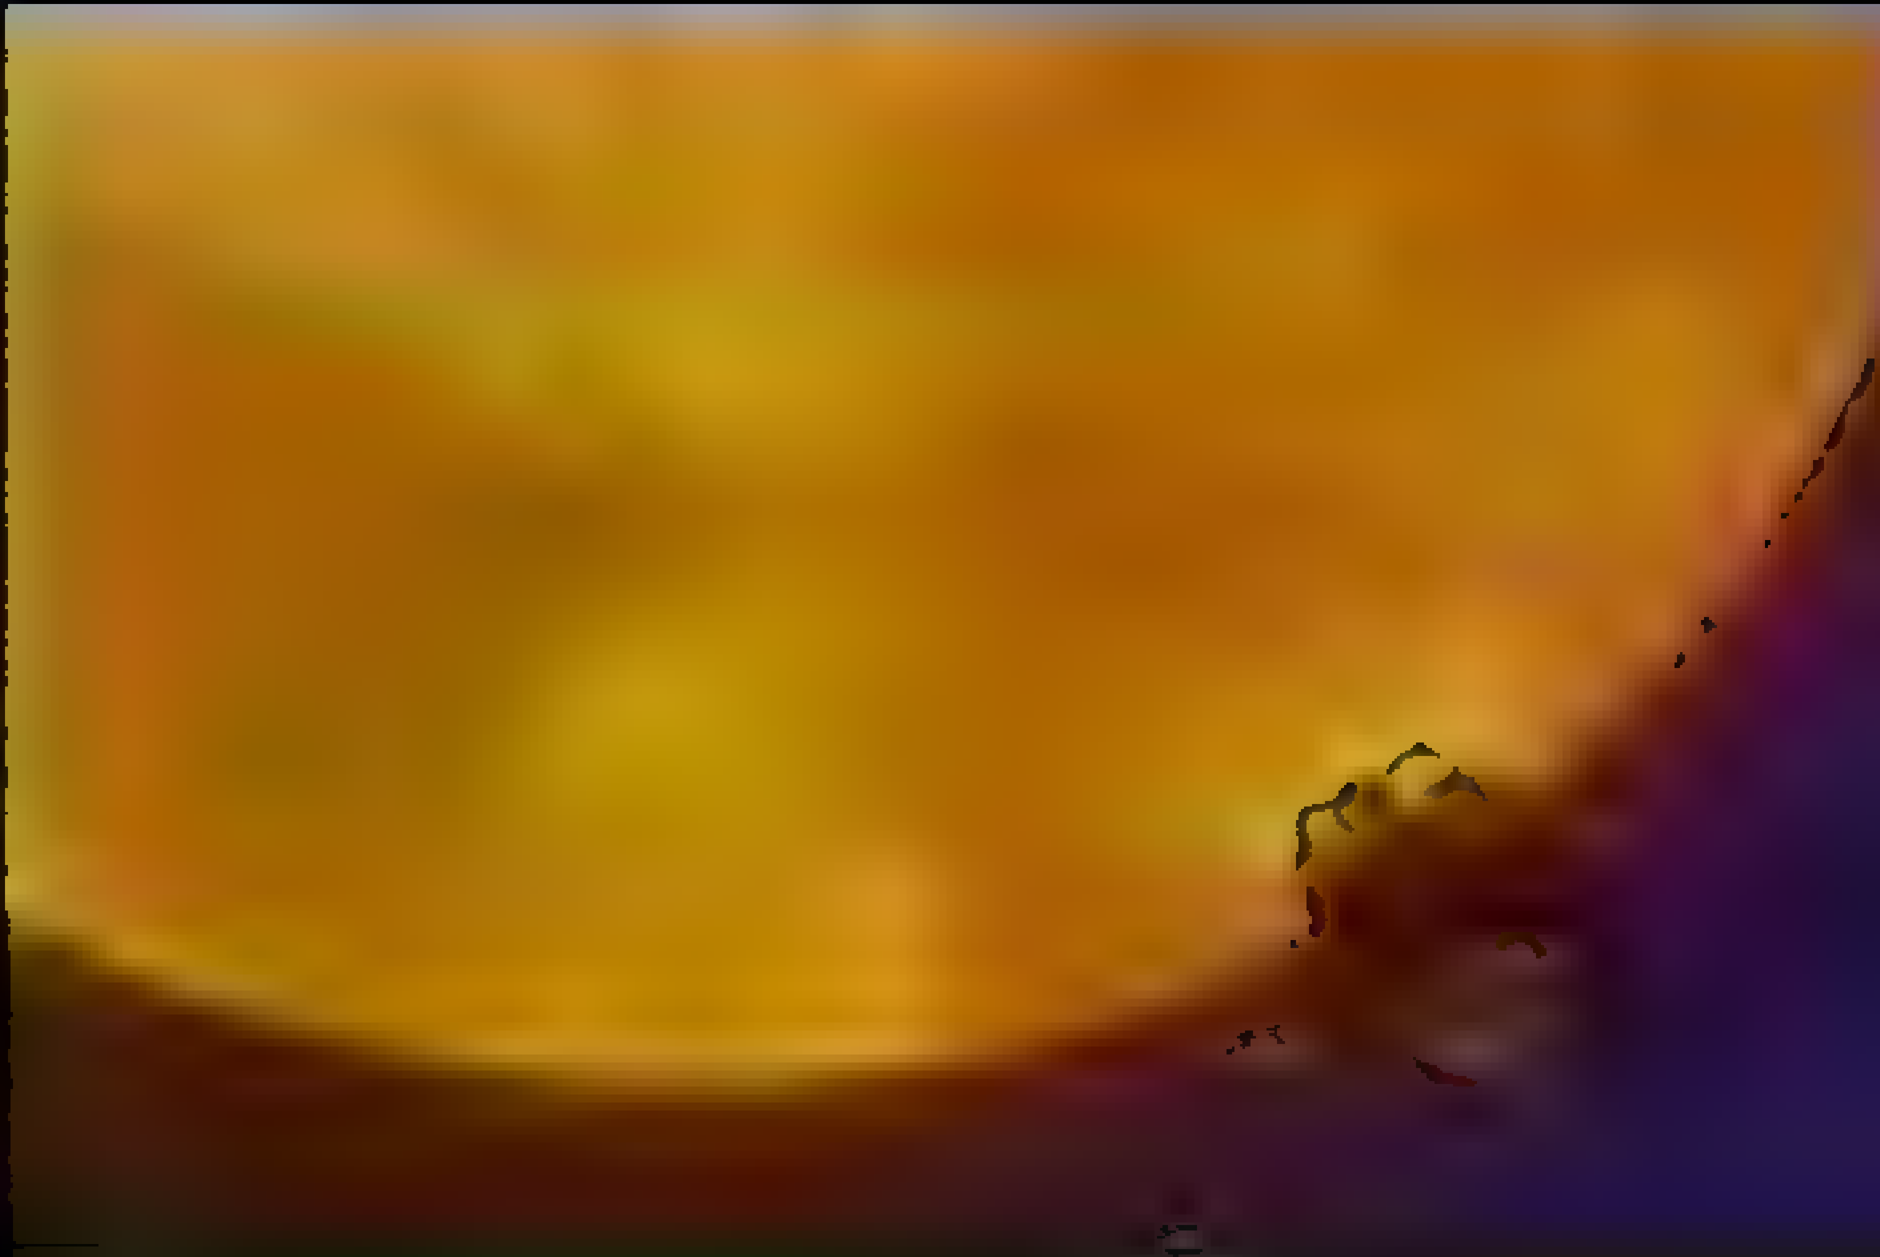

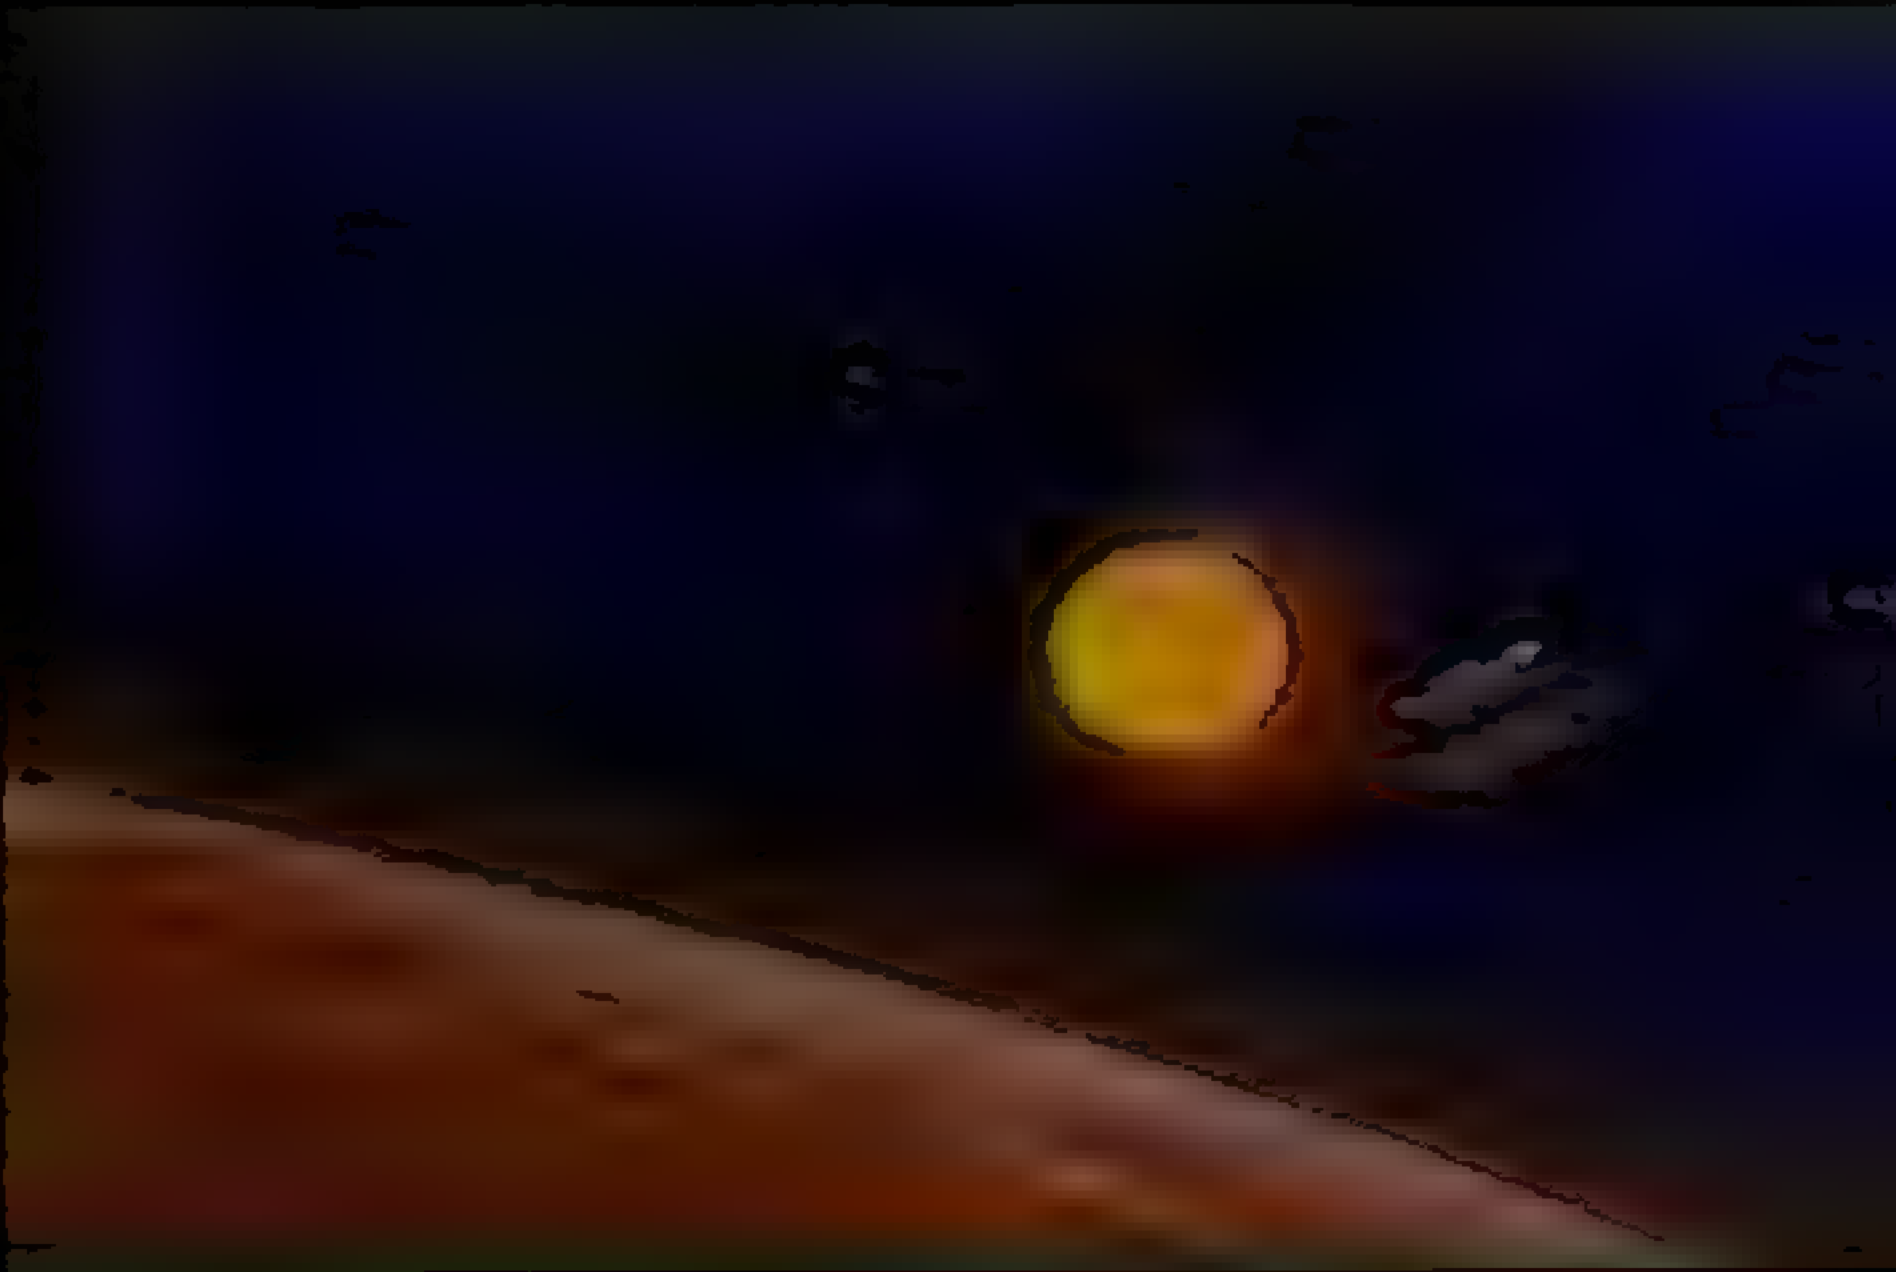

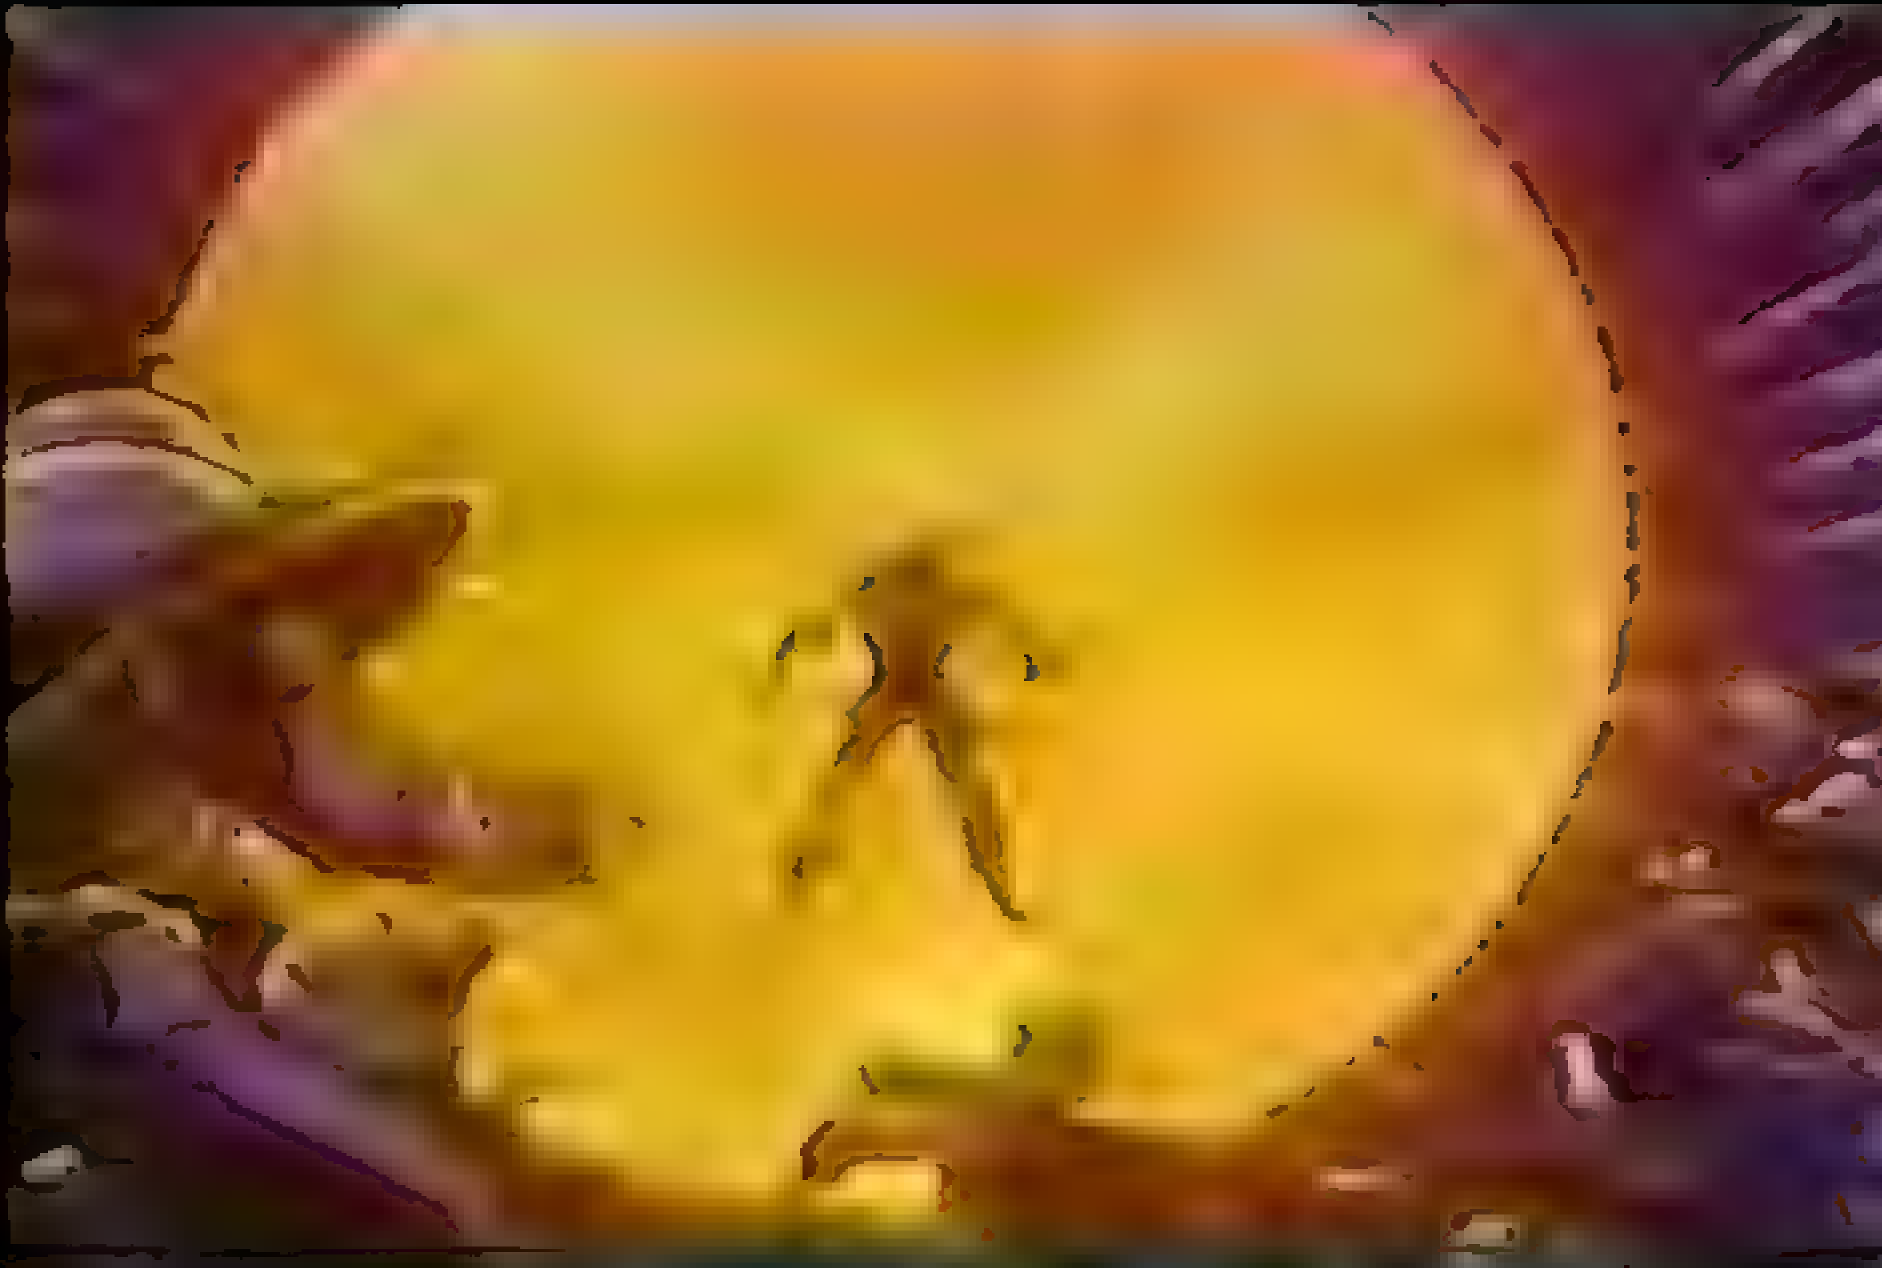

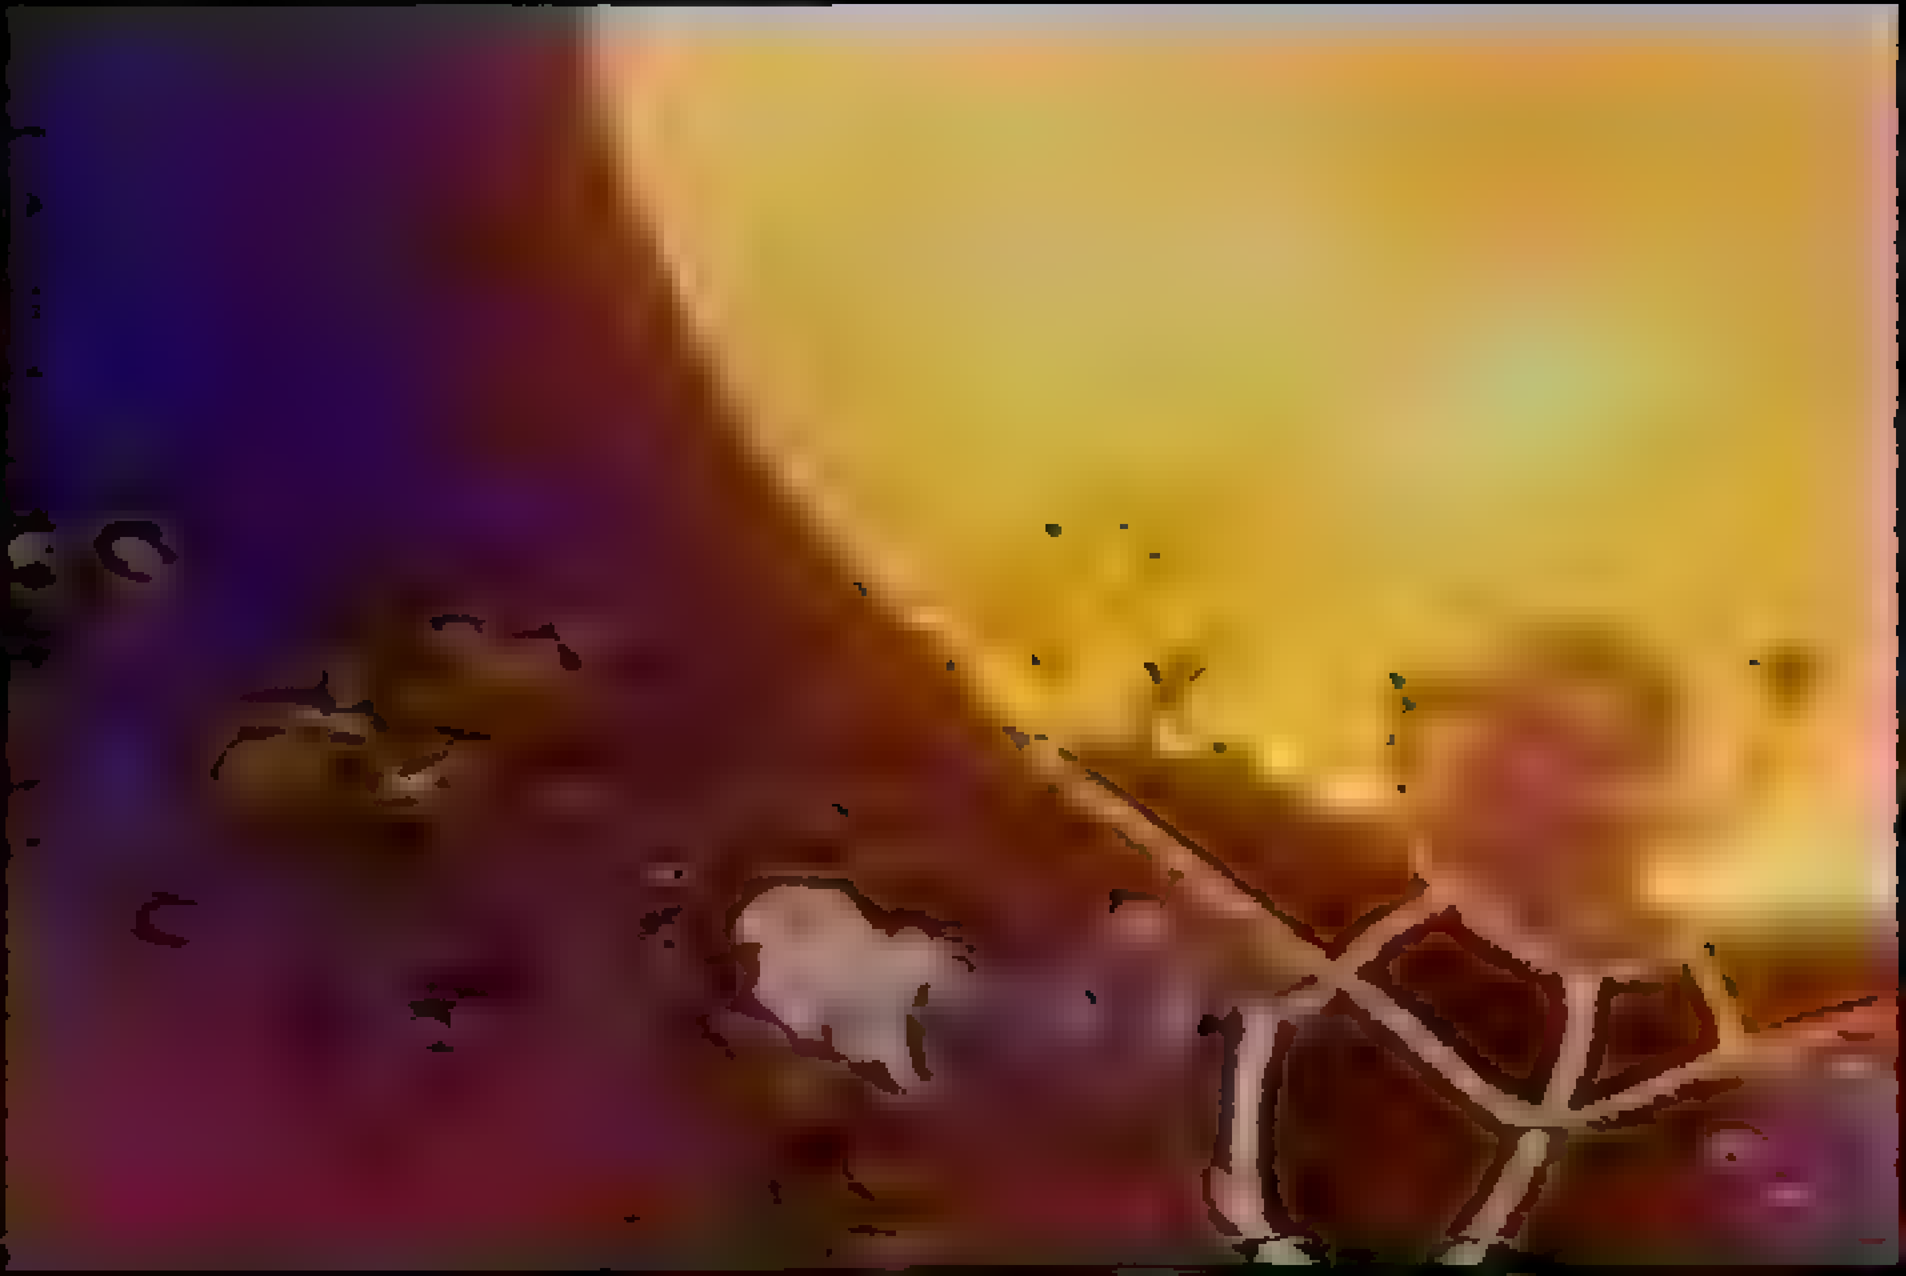

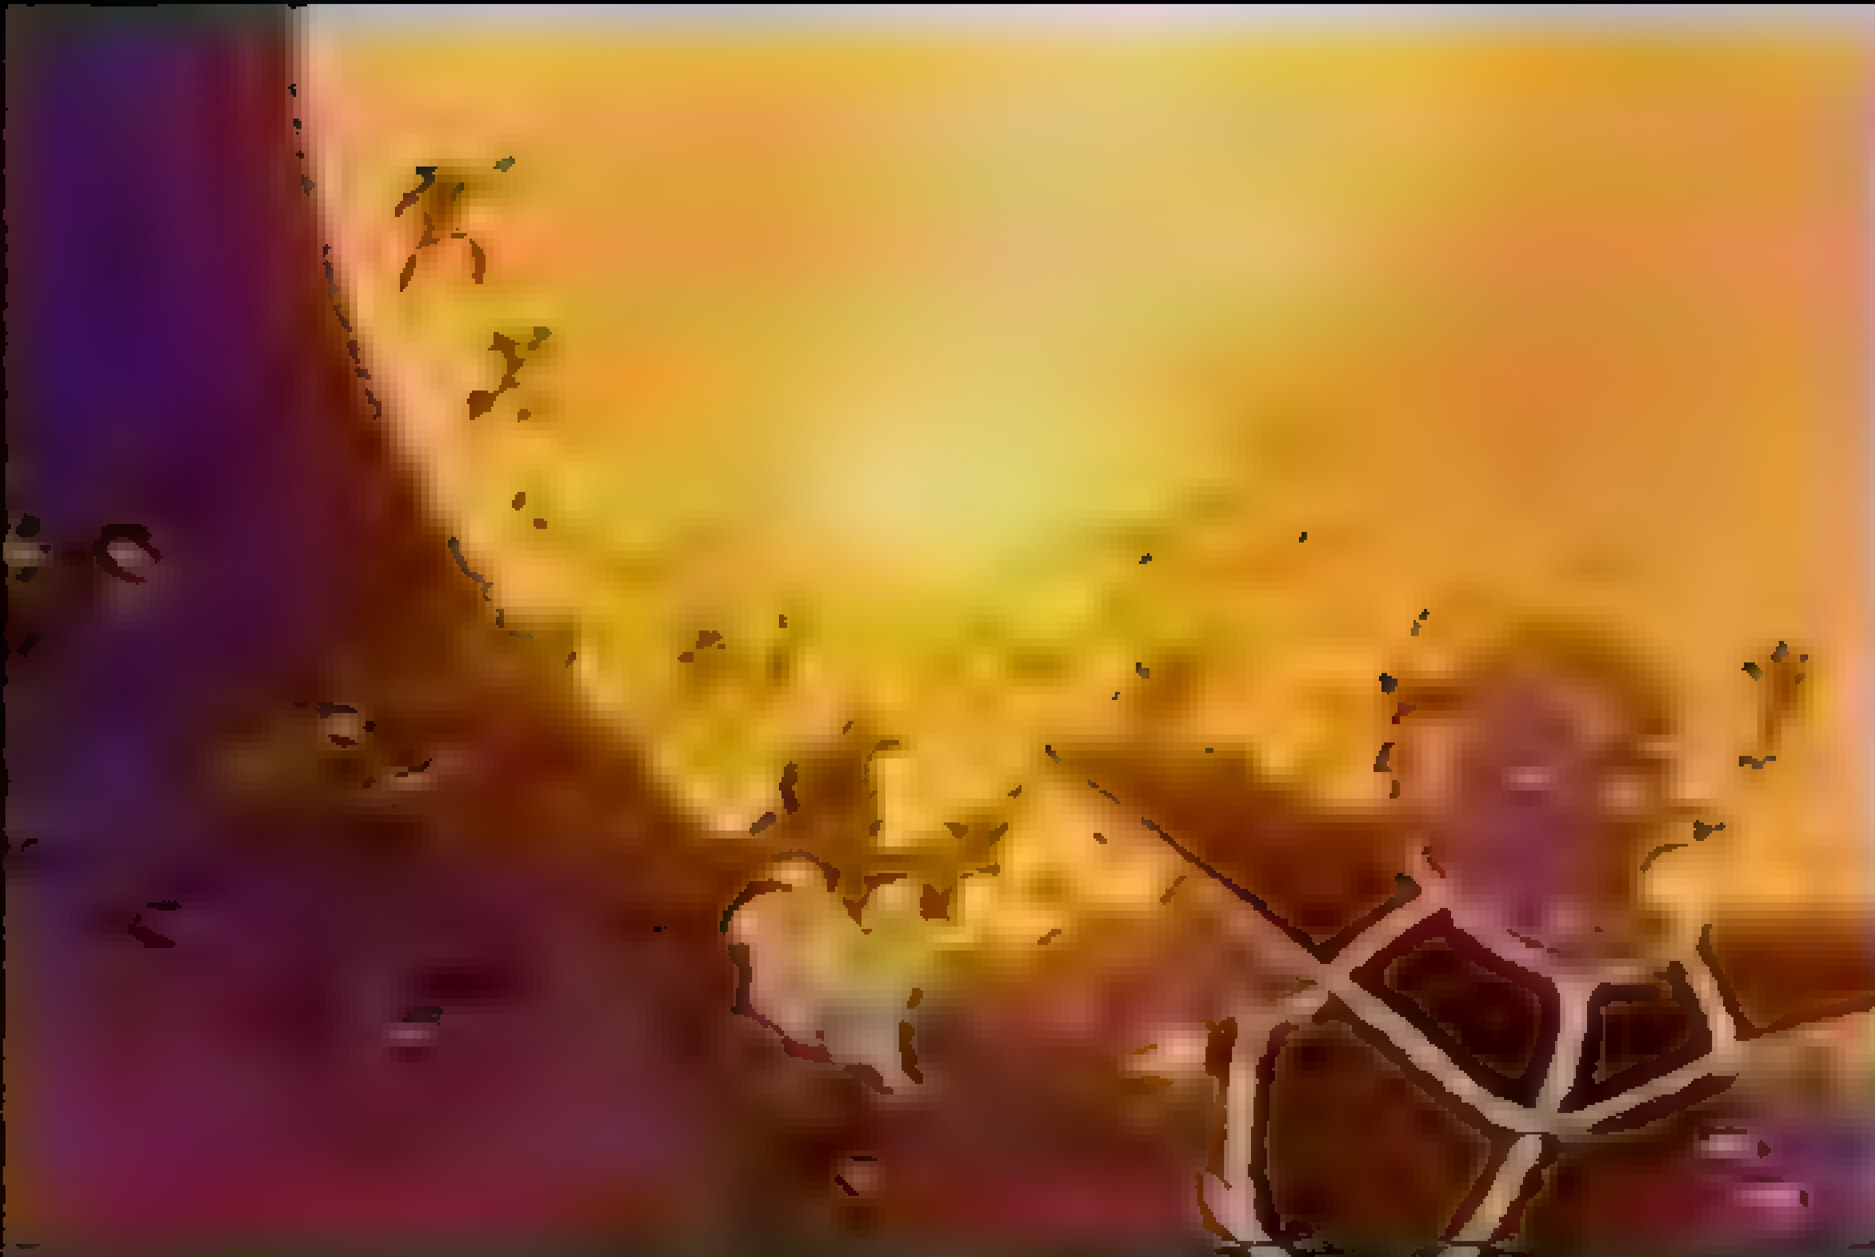

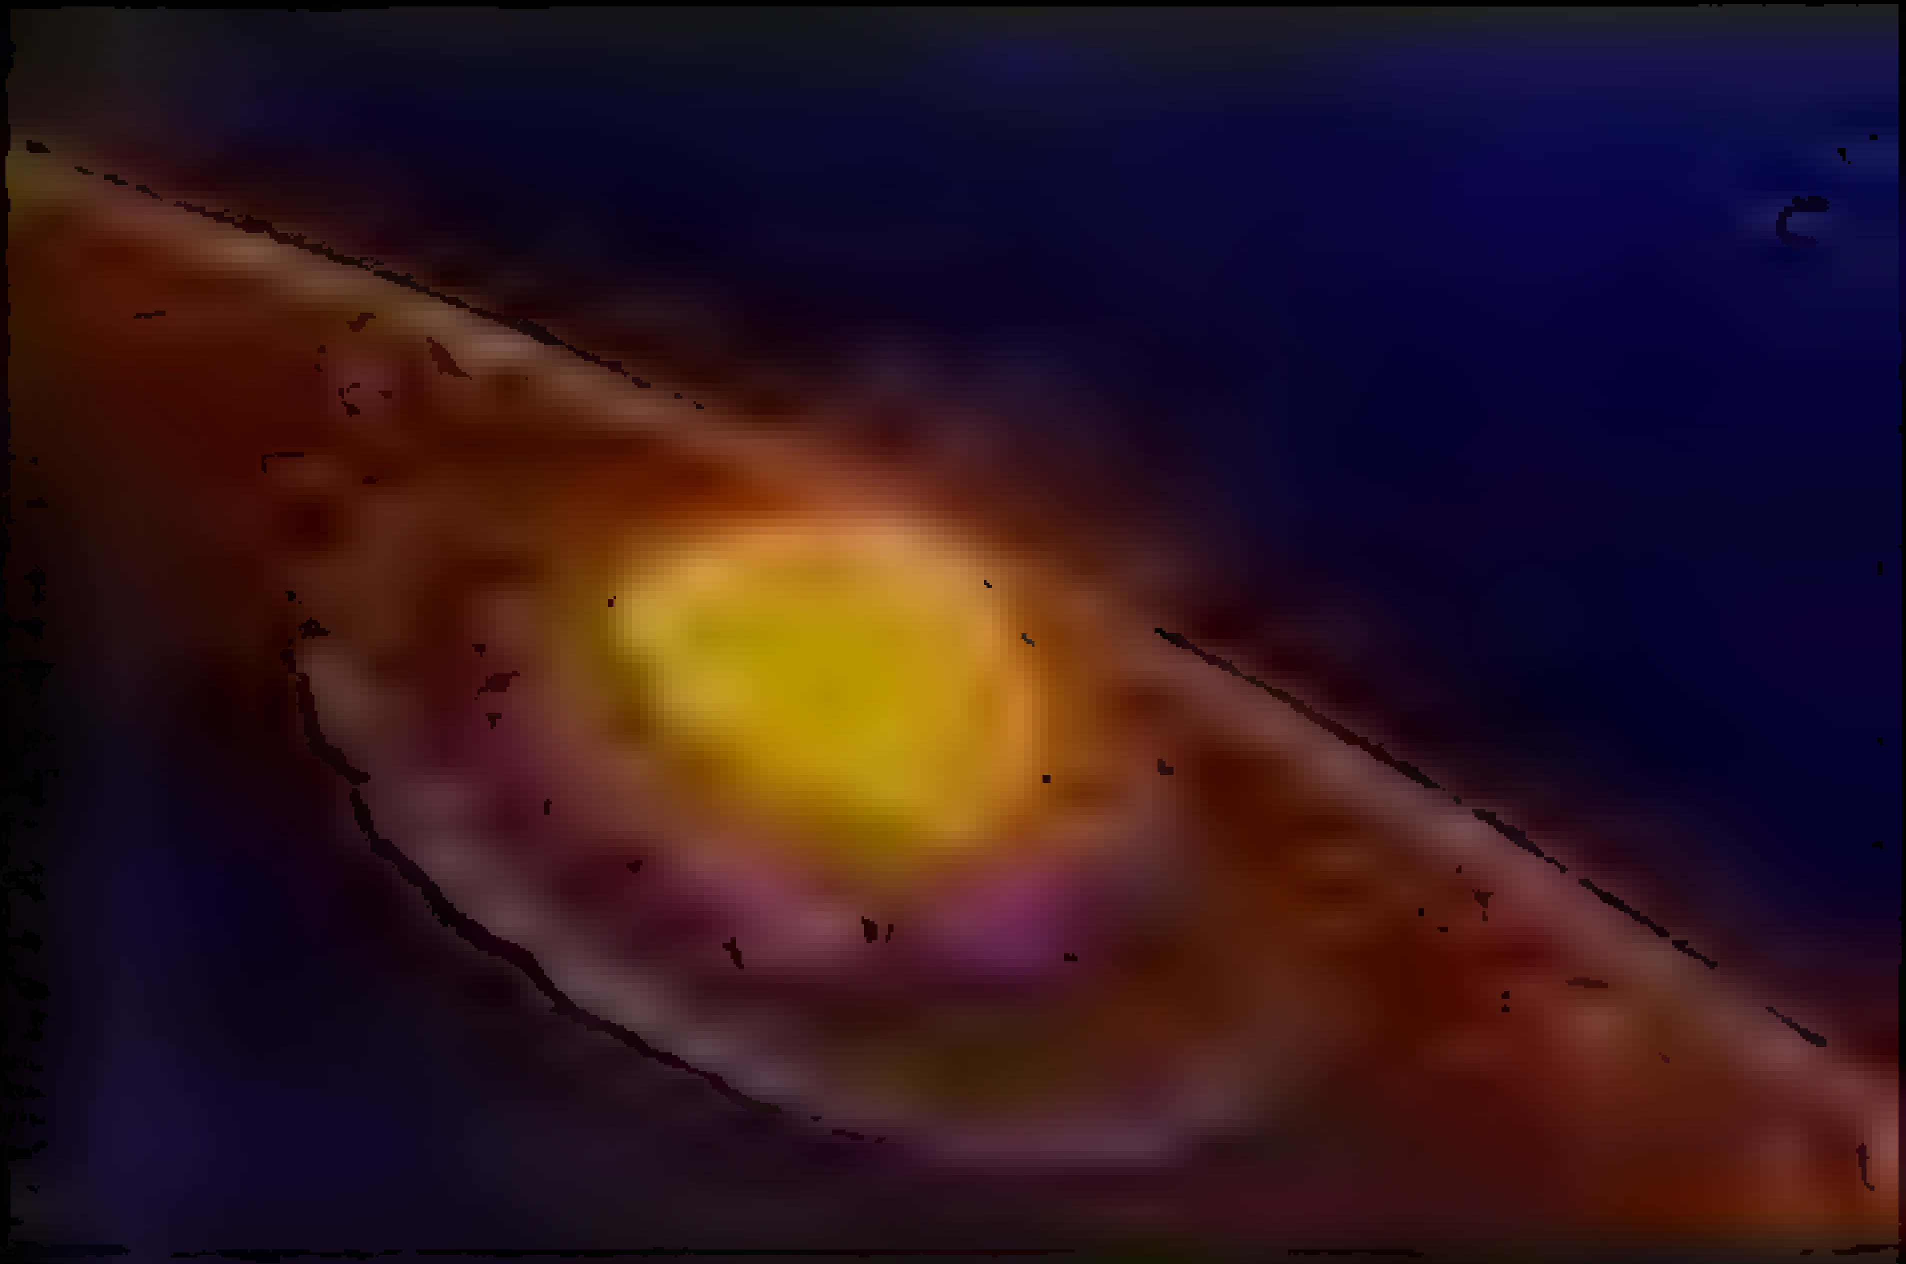

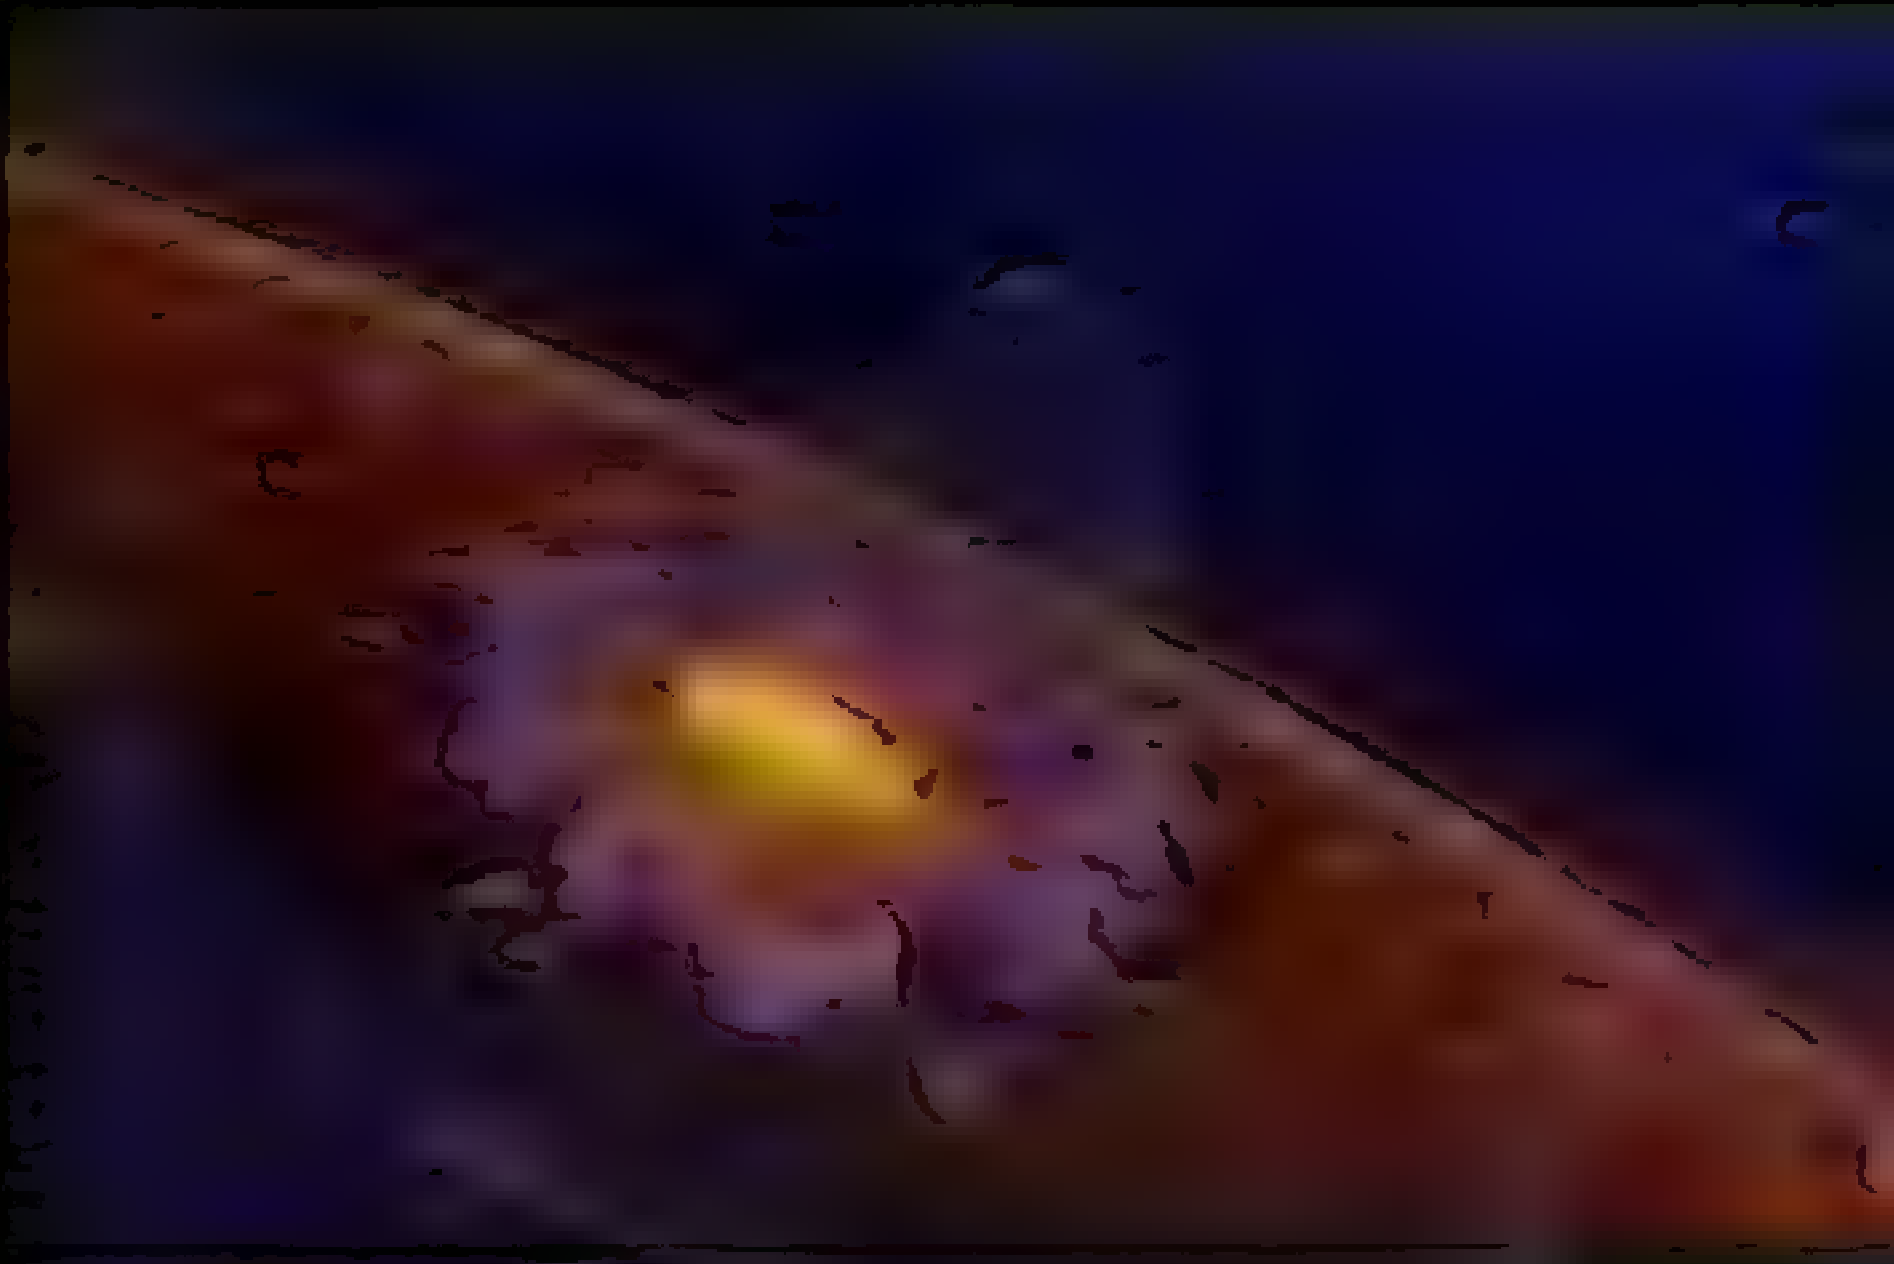

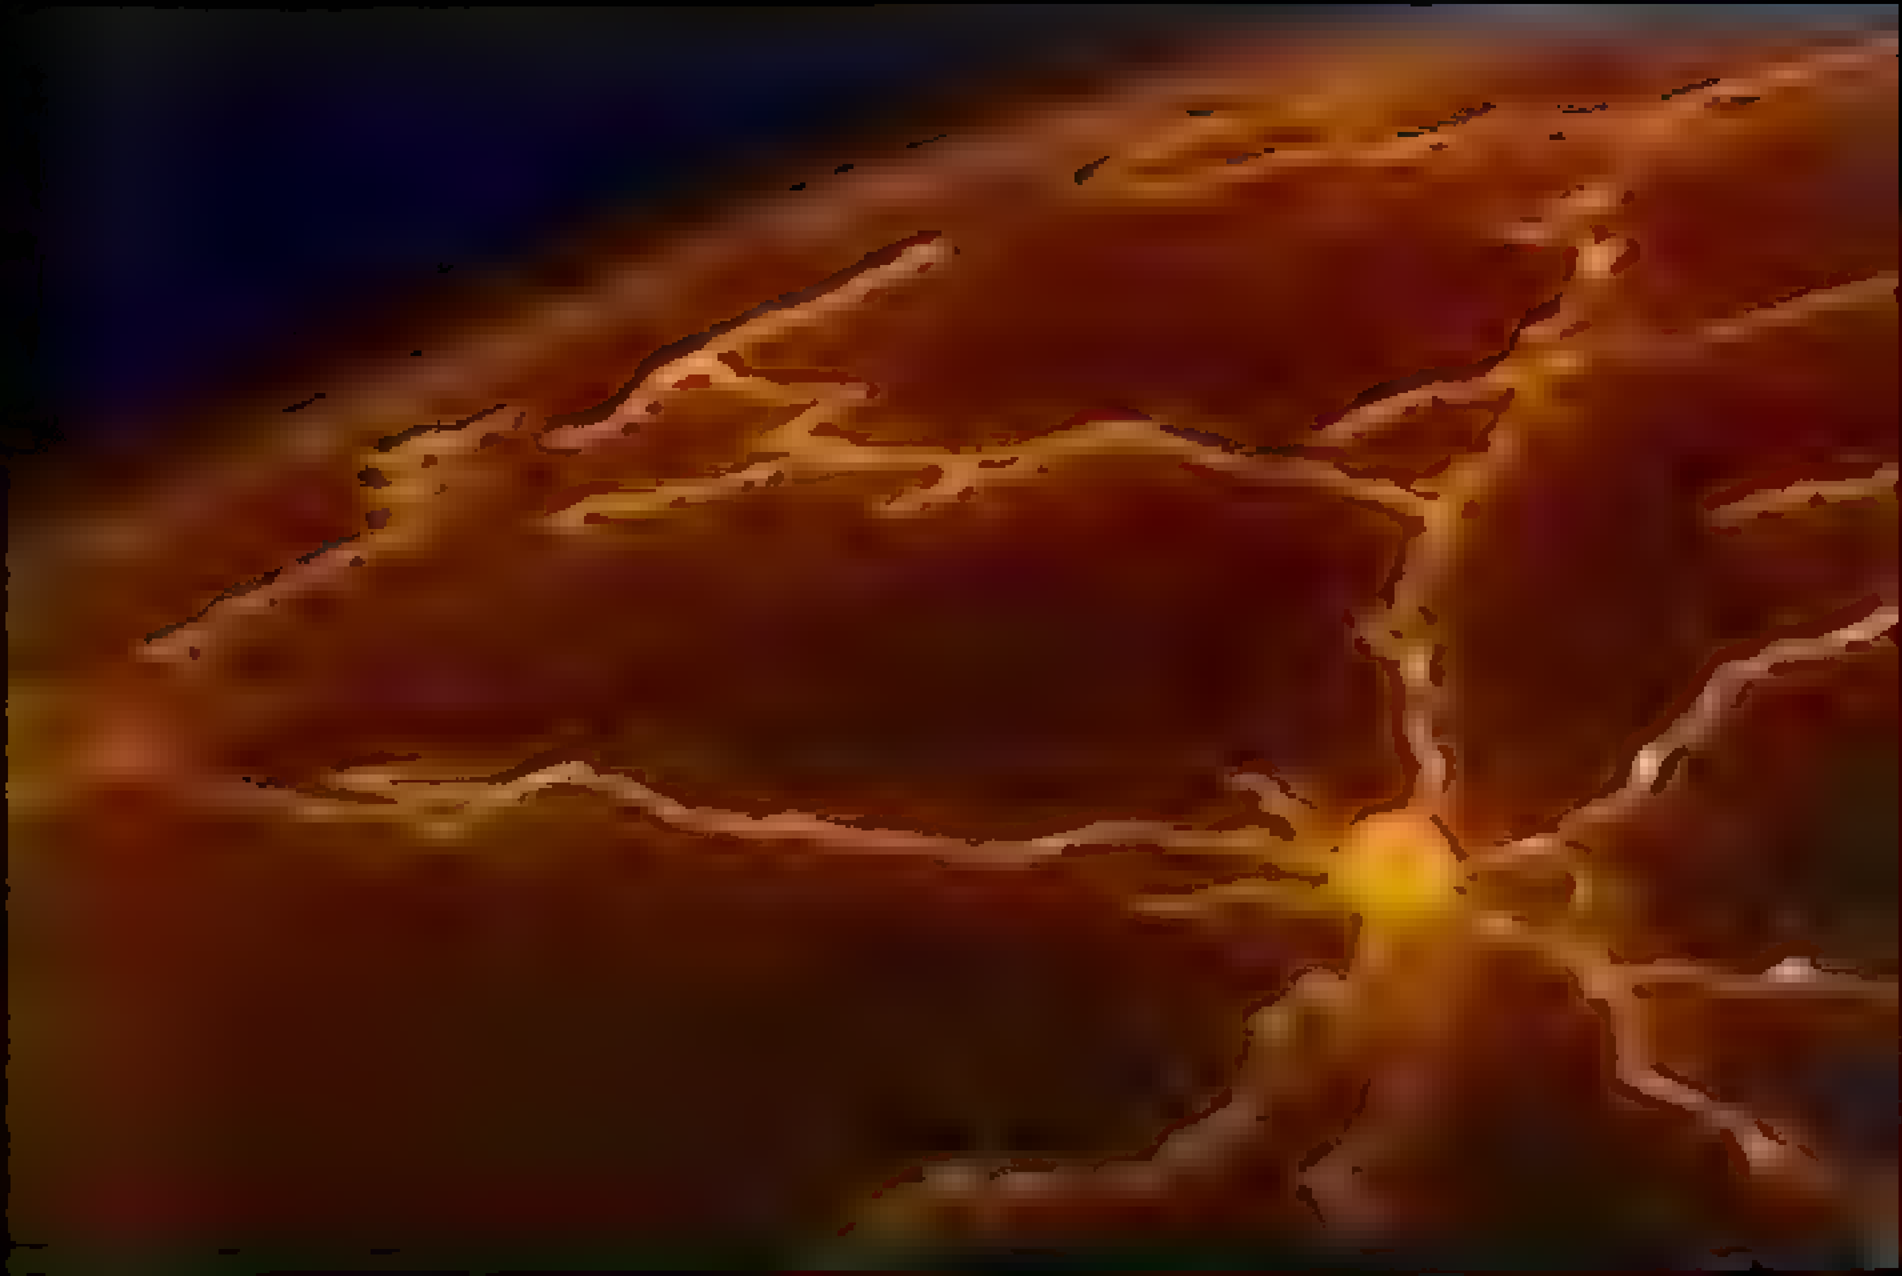

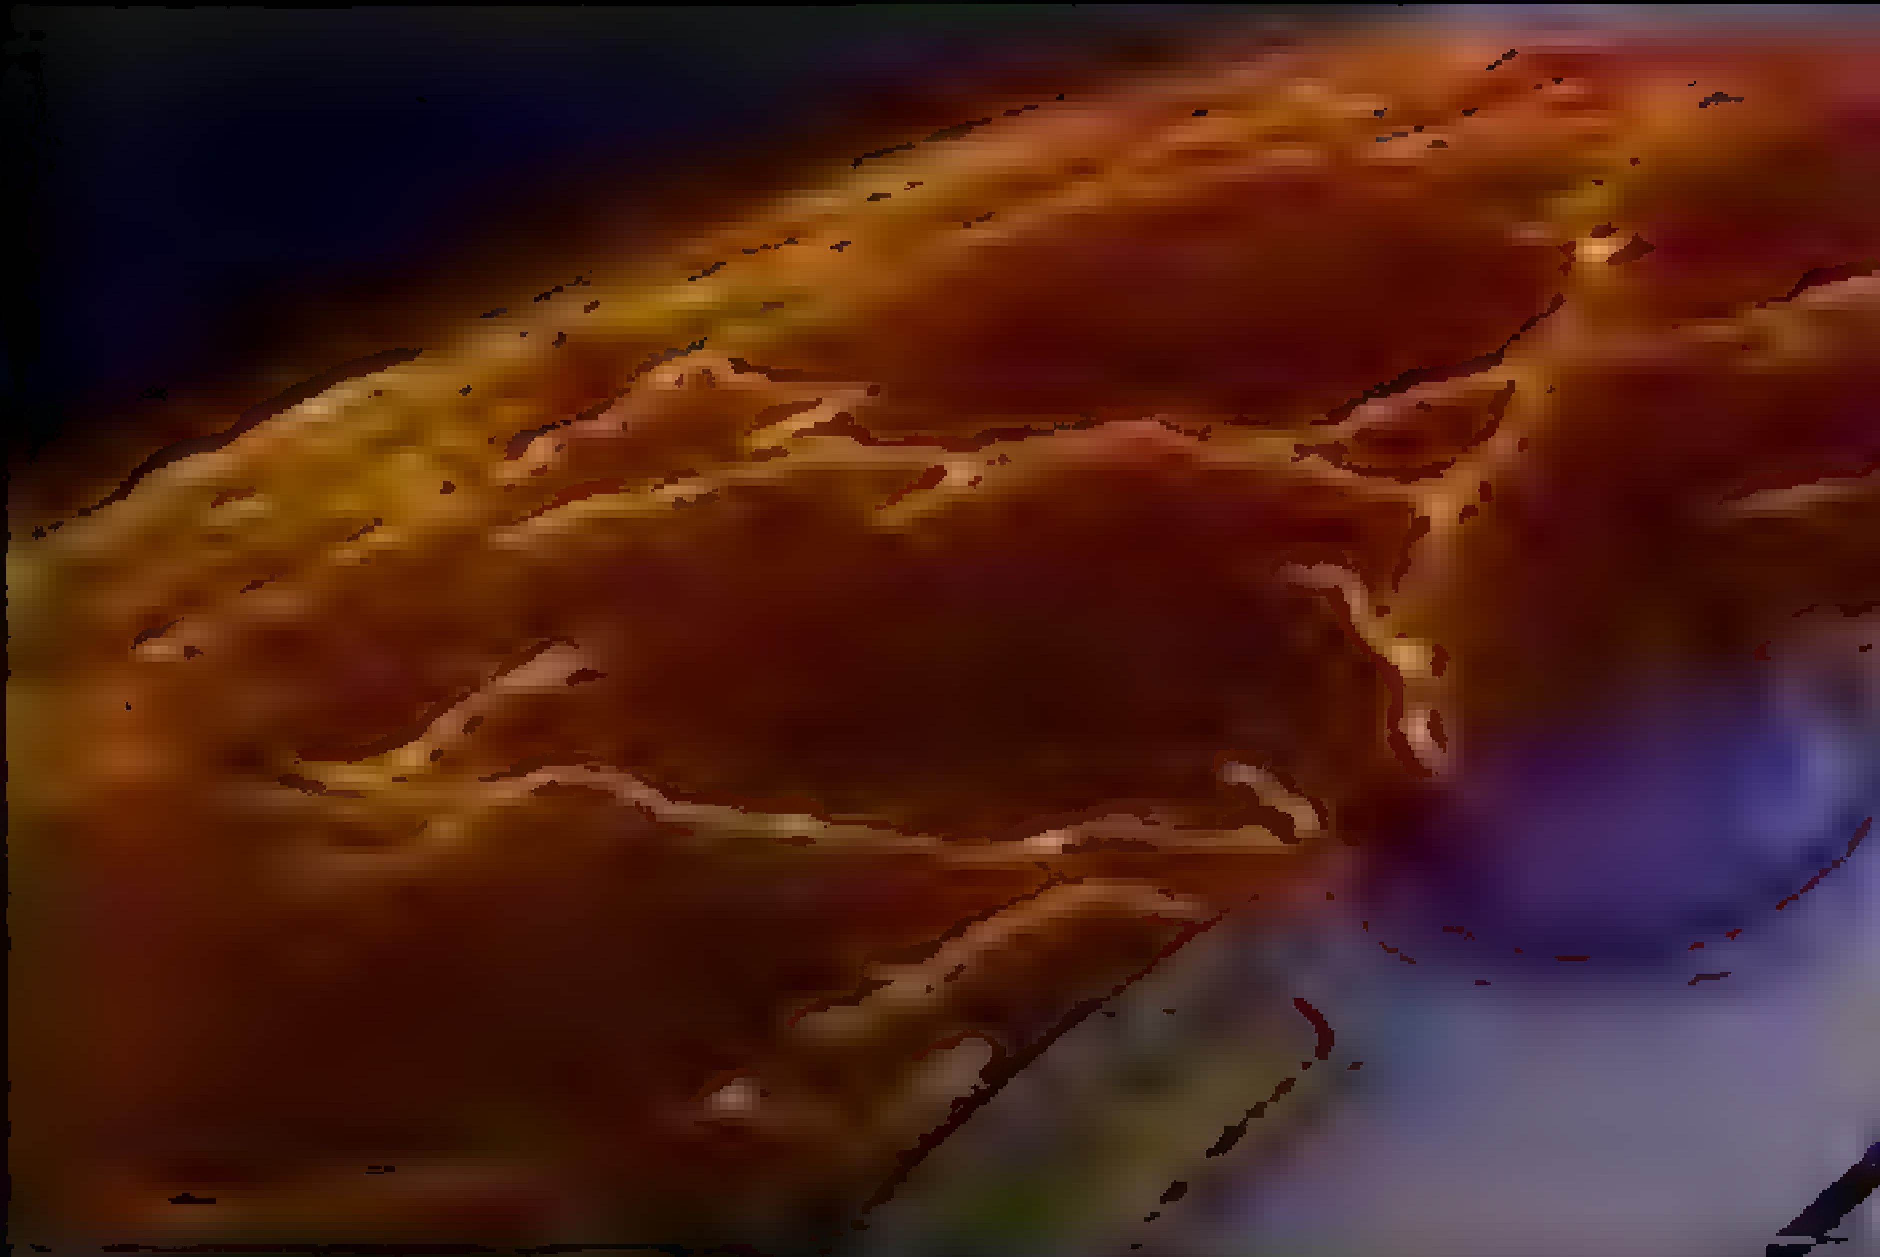

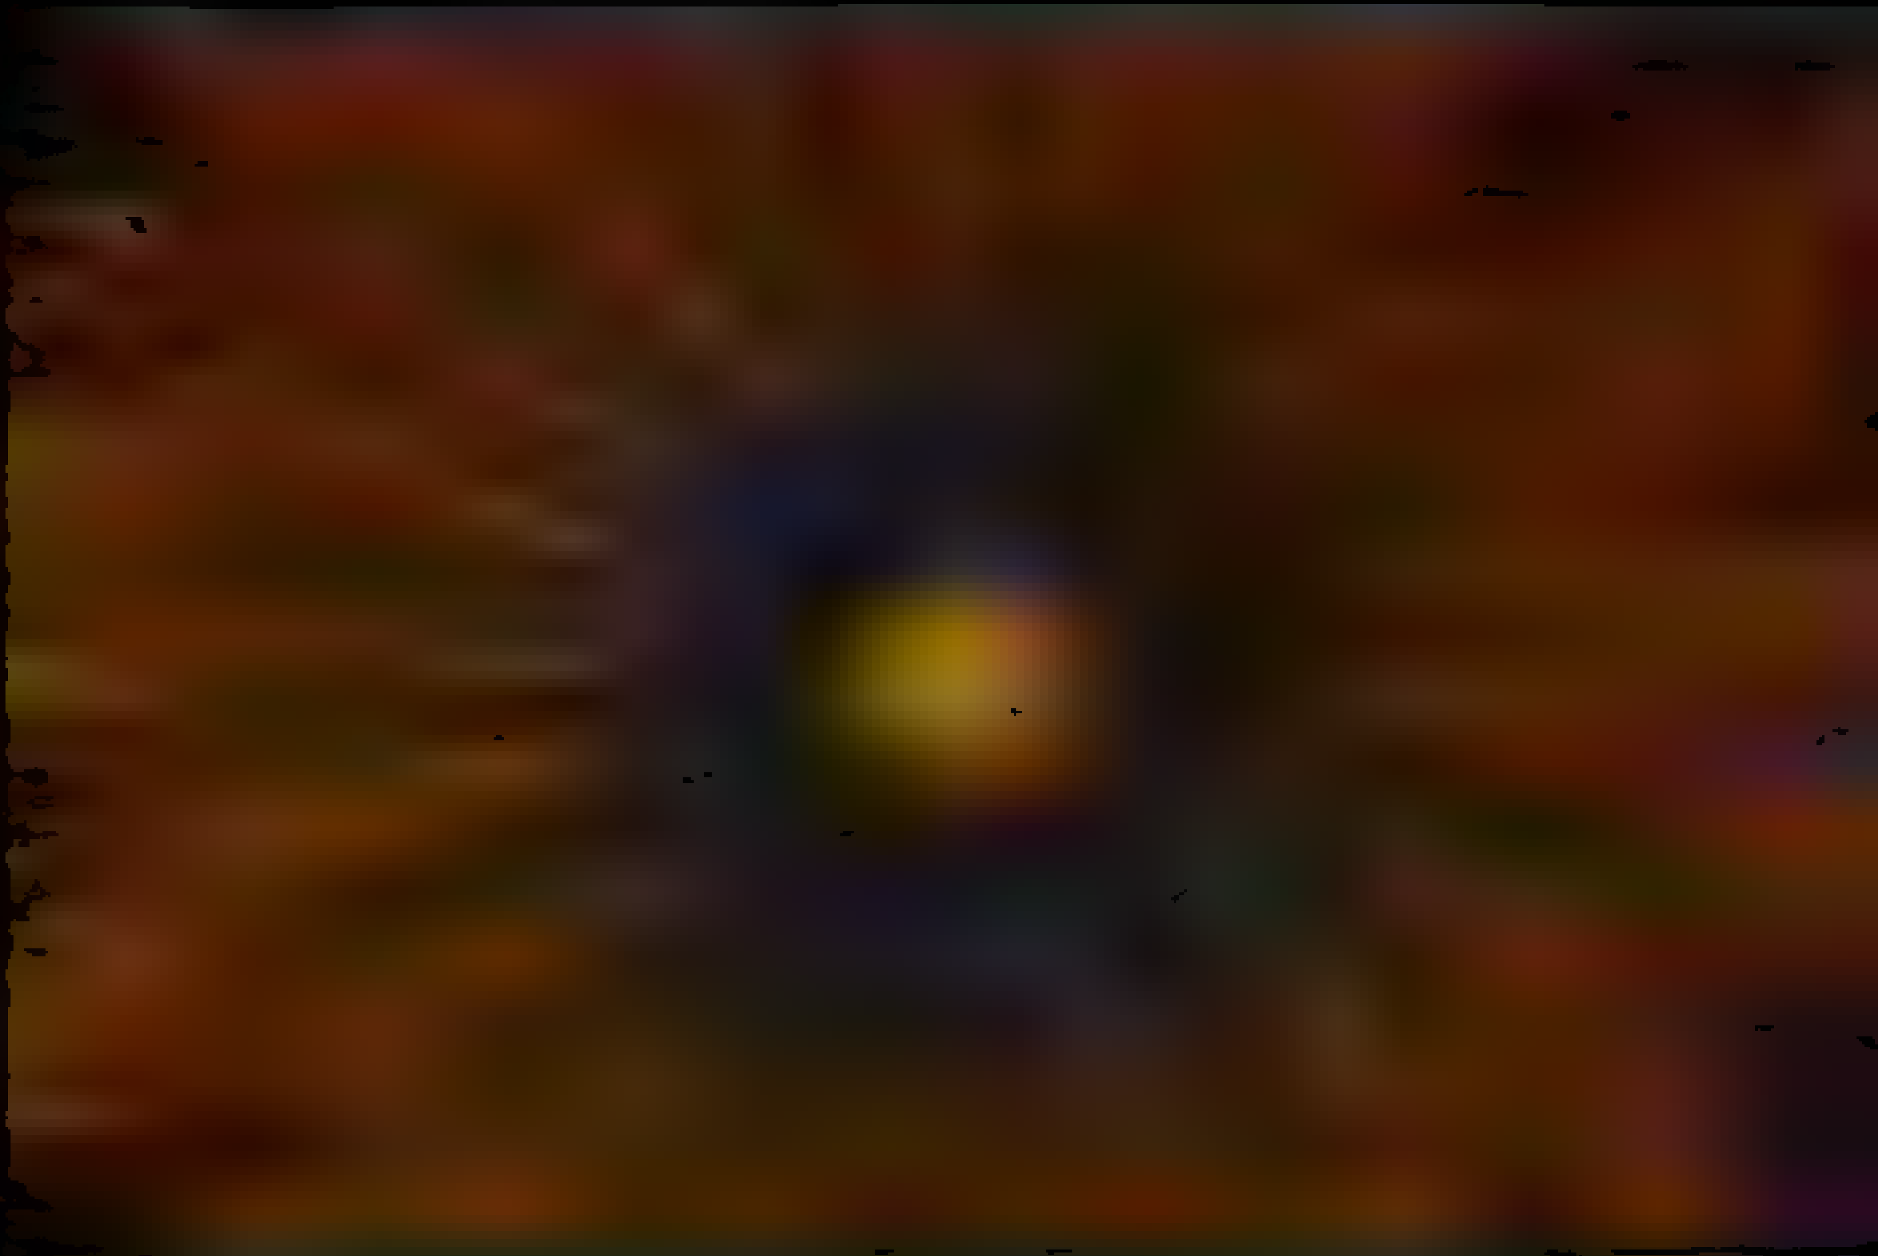

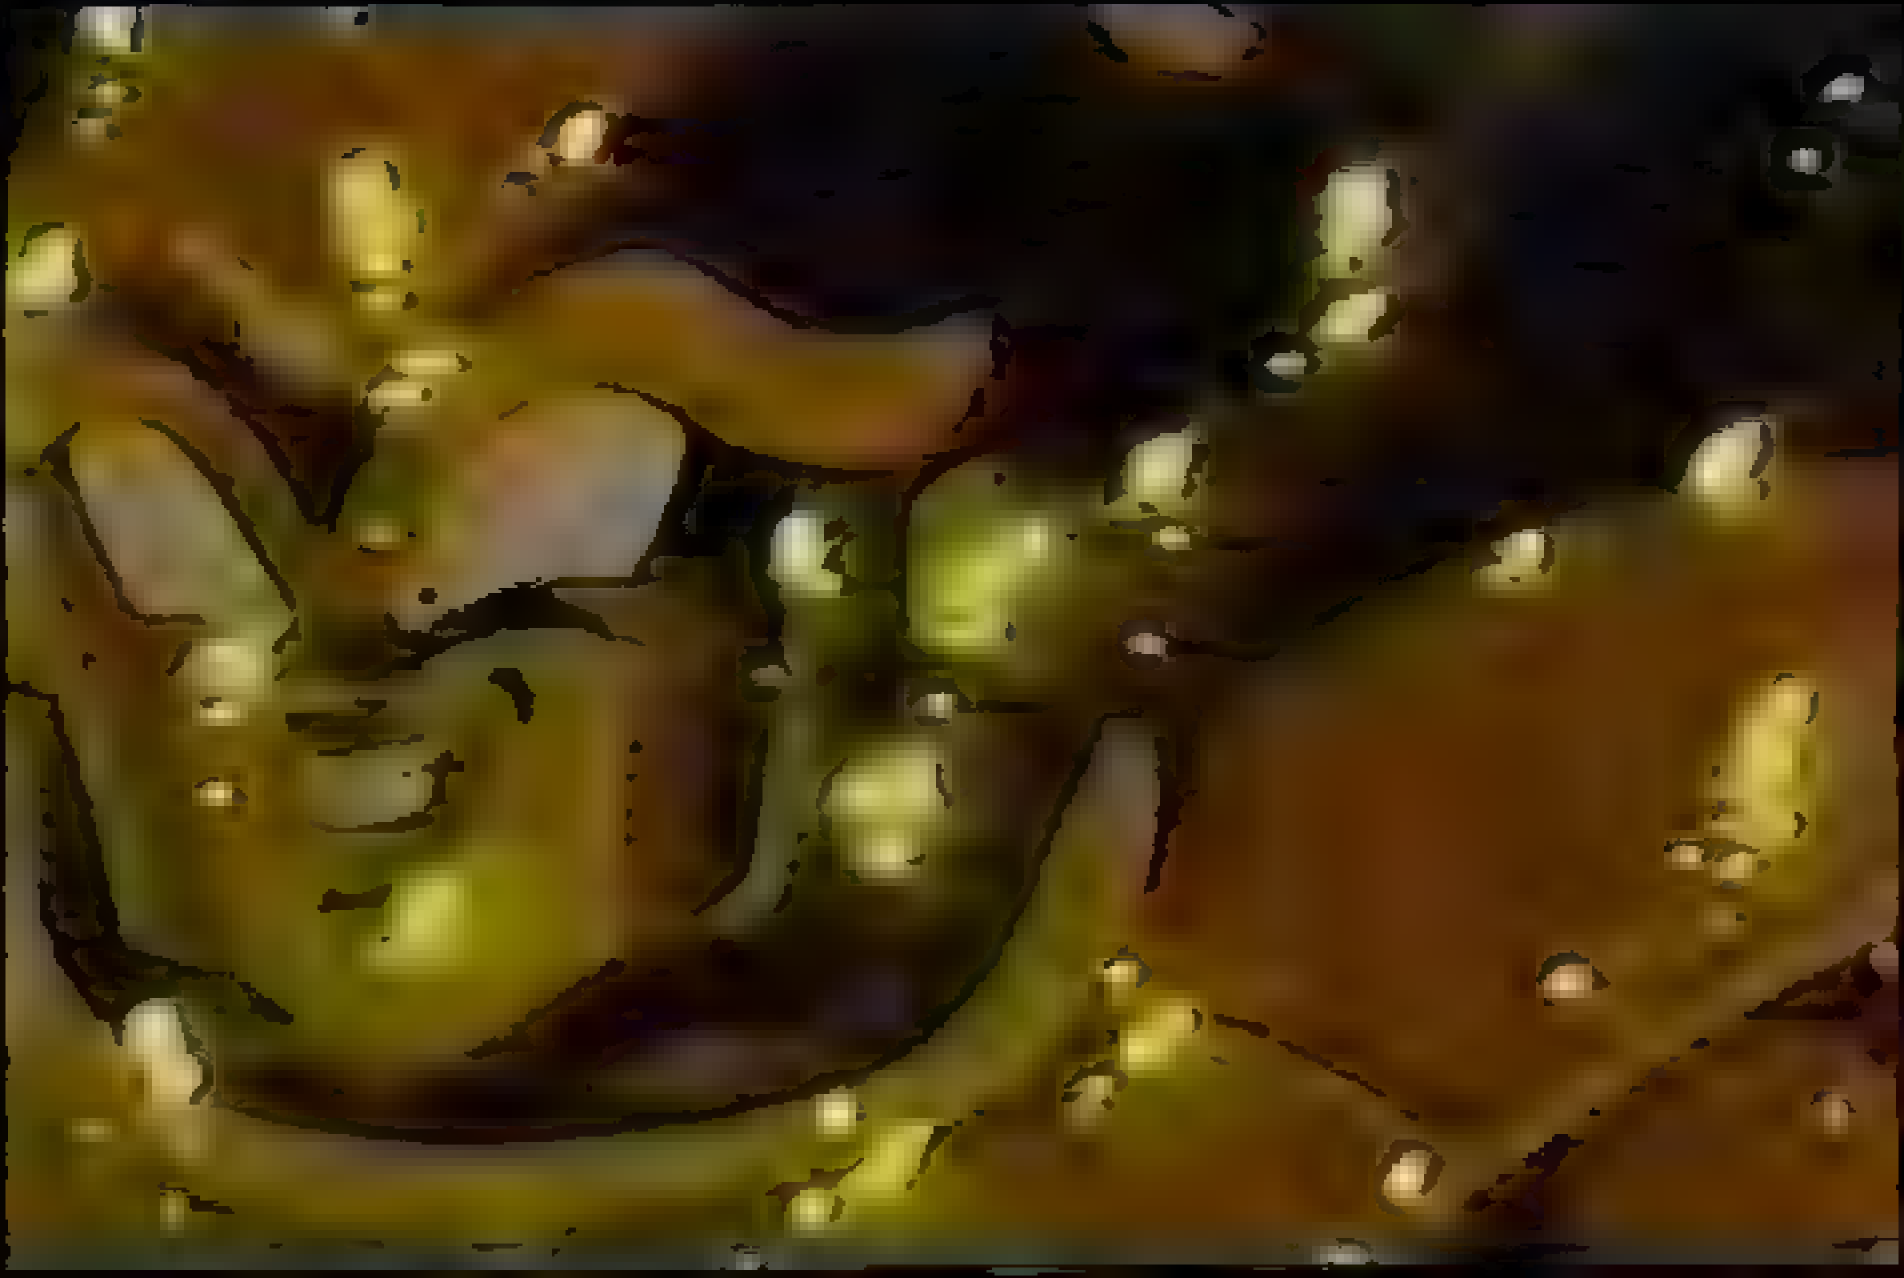

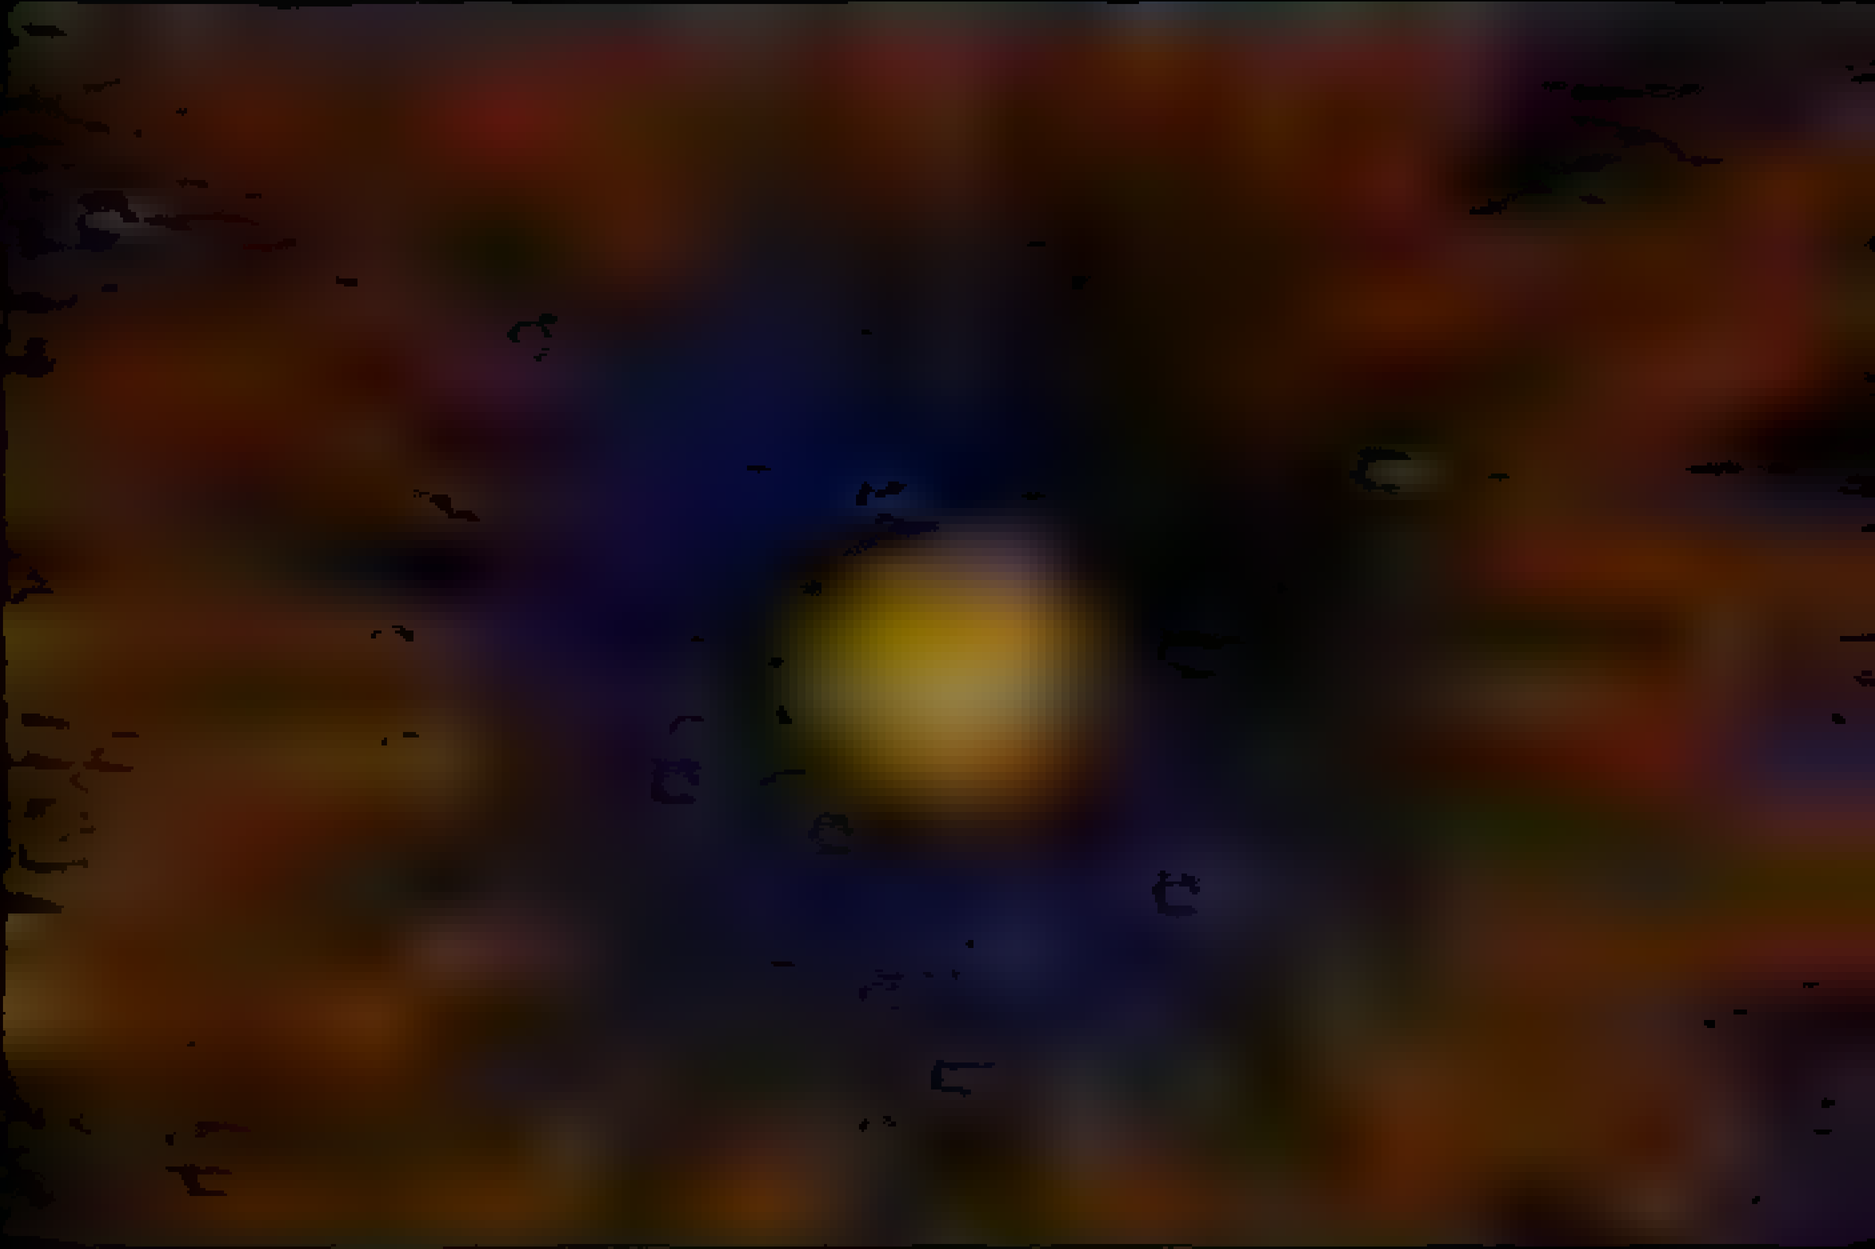

Fabulous! Look at it!

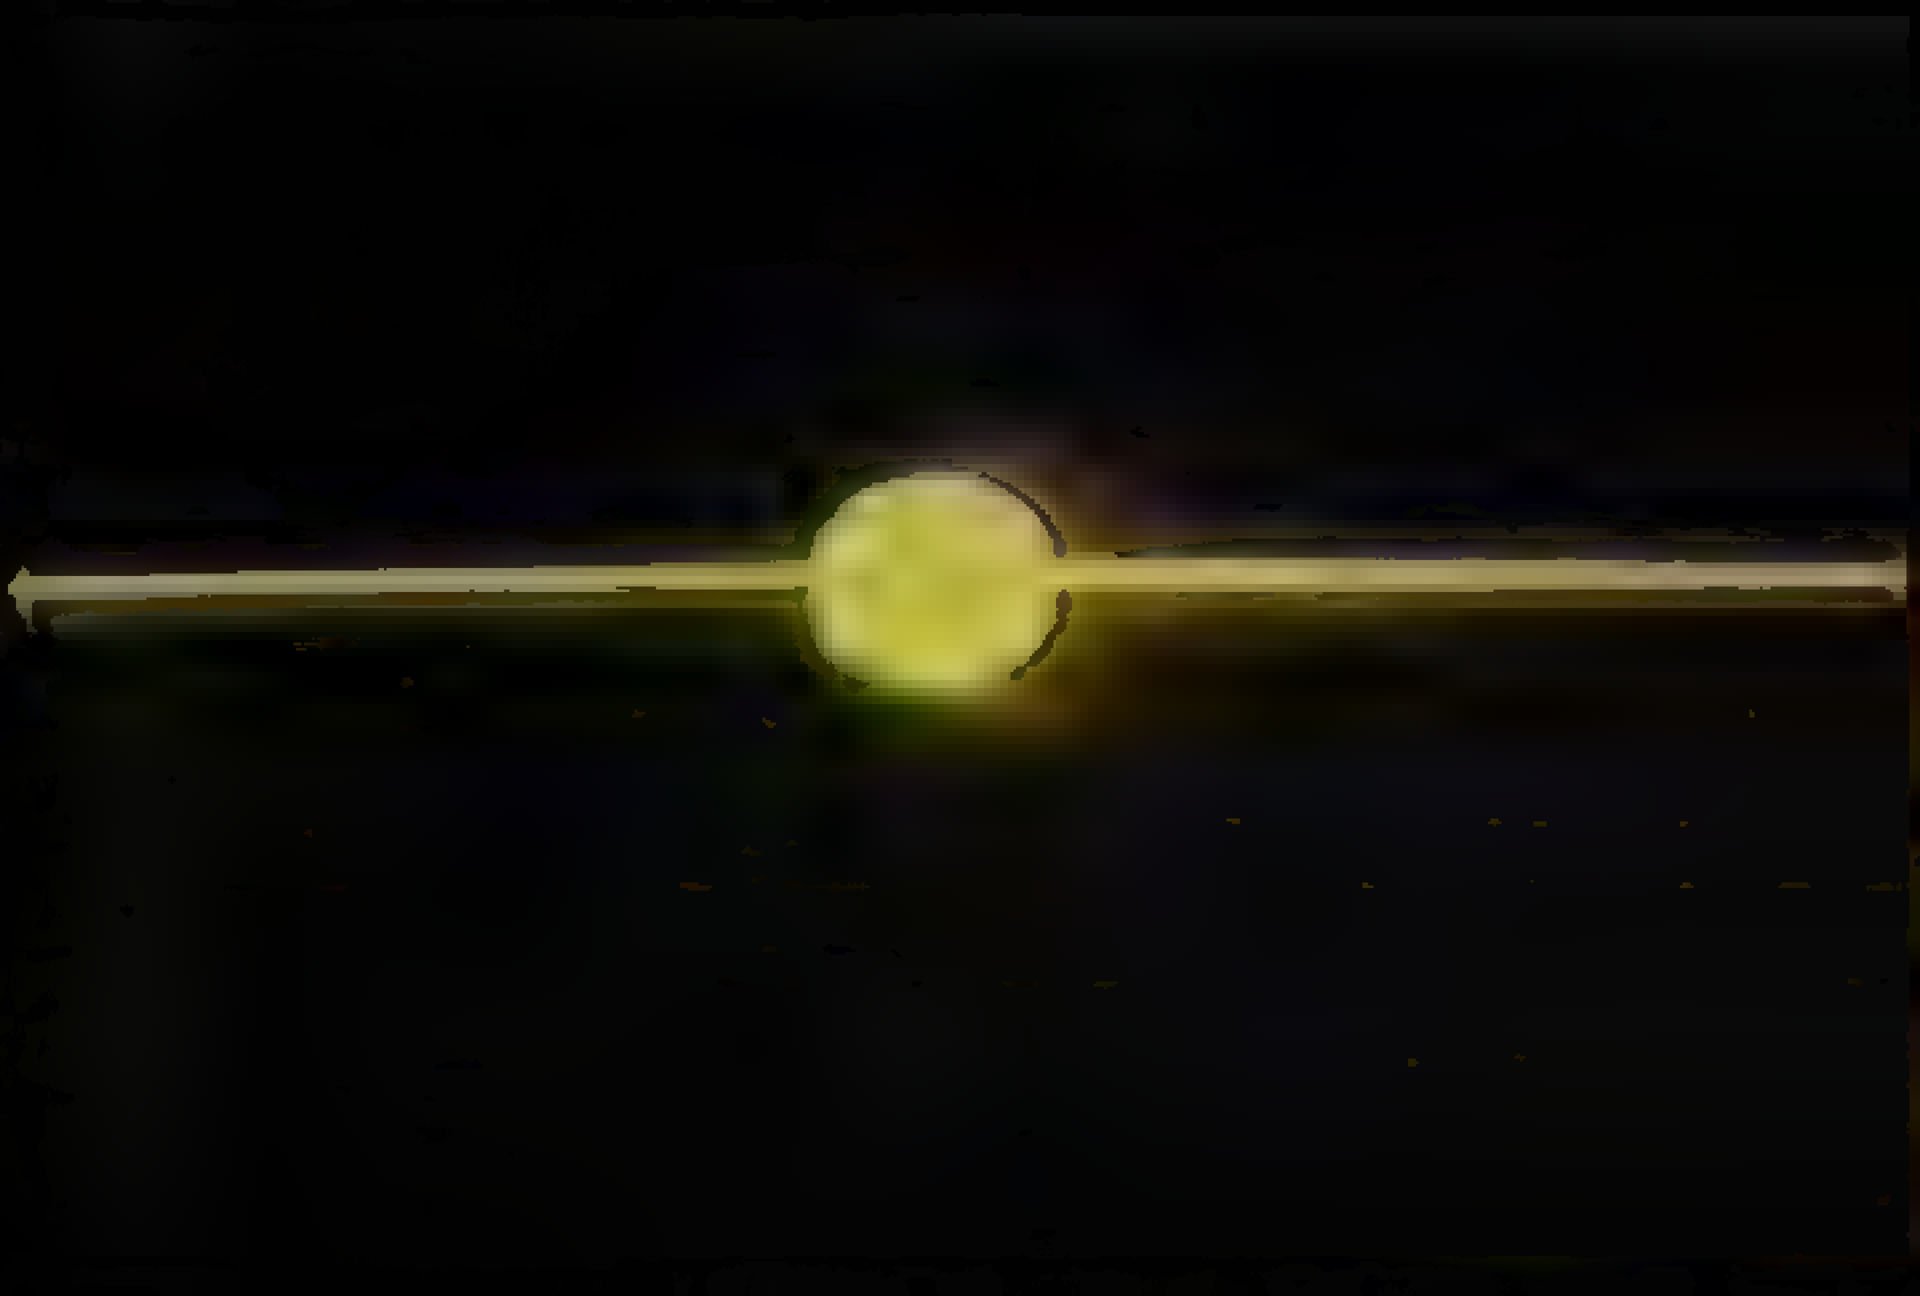

Mr. Zabon? Mr. Dodoria?
What beautiful fireworks!

Mr. Zabon? Mr. Dodoria?
What beautiful fireworks!

I wish you could
have seen it, too.

I wish you could have seen it, too.

The planet Bejeeta
blowing up like fireworks.

This is stupid!

It just means you wasted
your efforts by destroying

the planet Bejeela because
you feared the Saiyans.

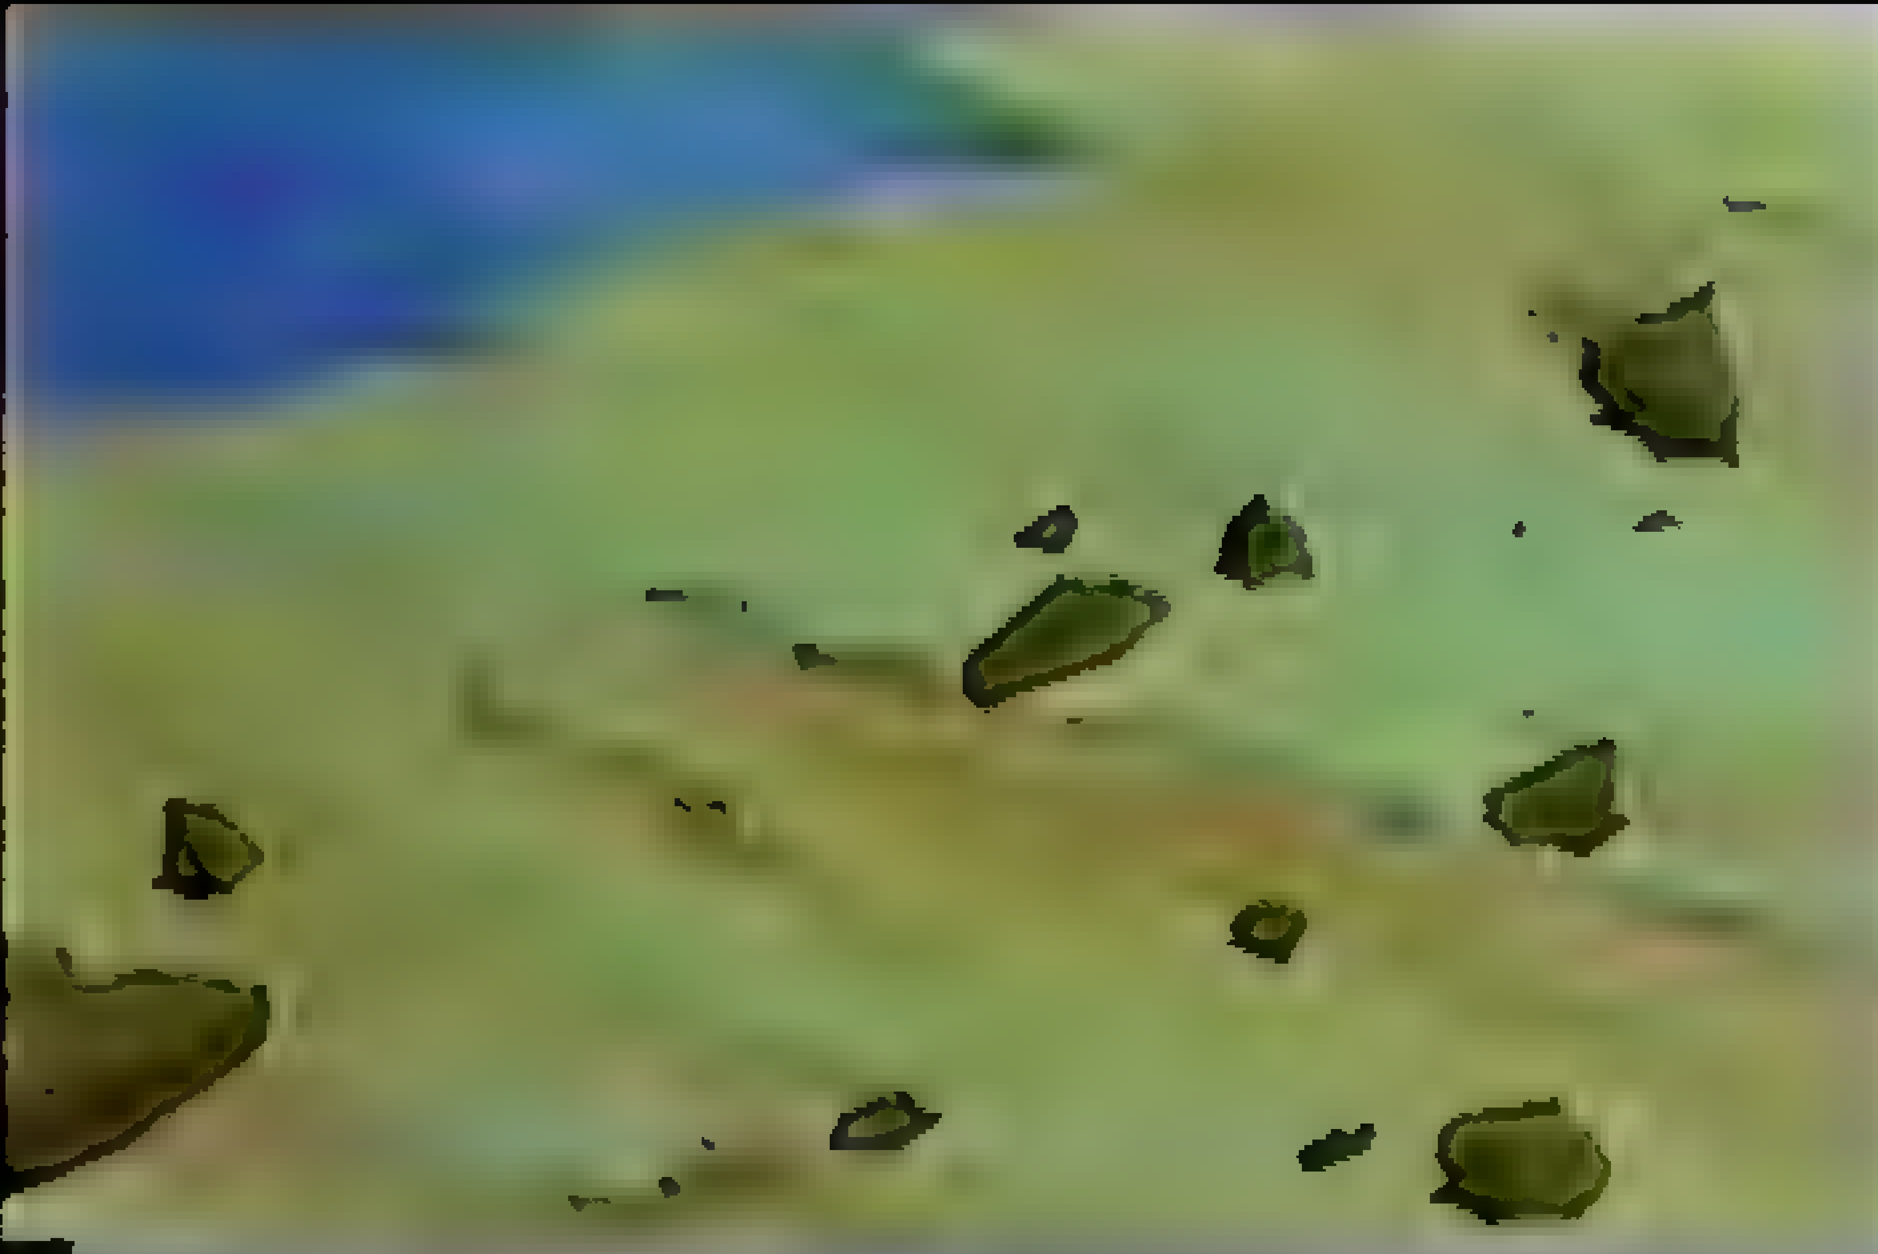

the planet Bejeeta because
you feared the Saiyans.

You left me alive.

You left me alive.

And Kakarott, too...

That's enough chit-chat.

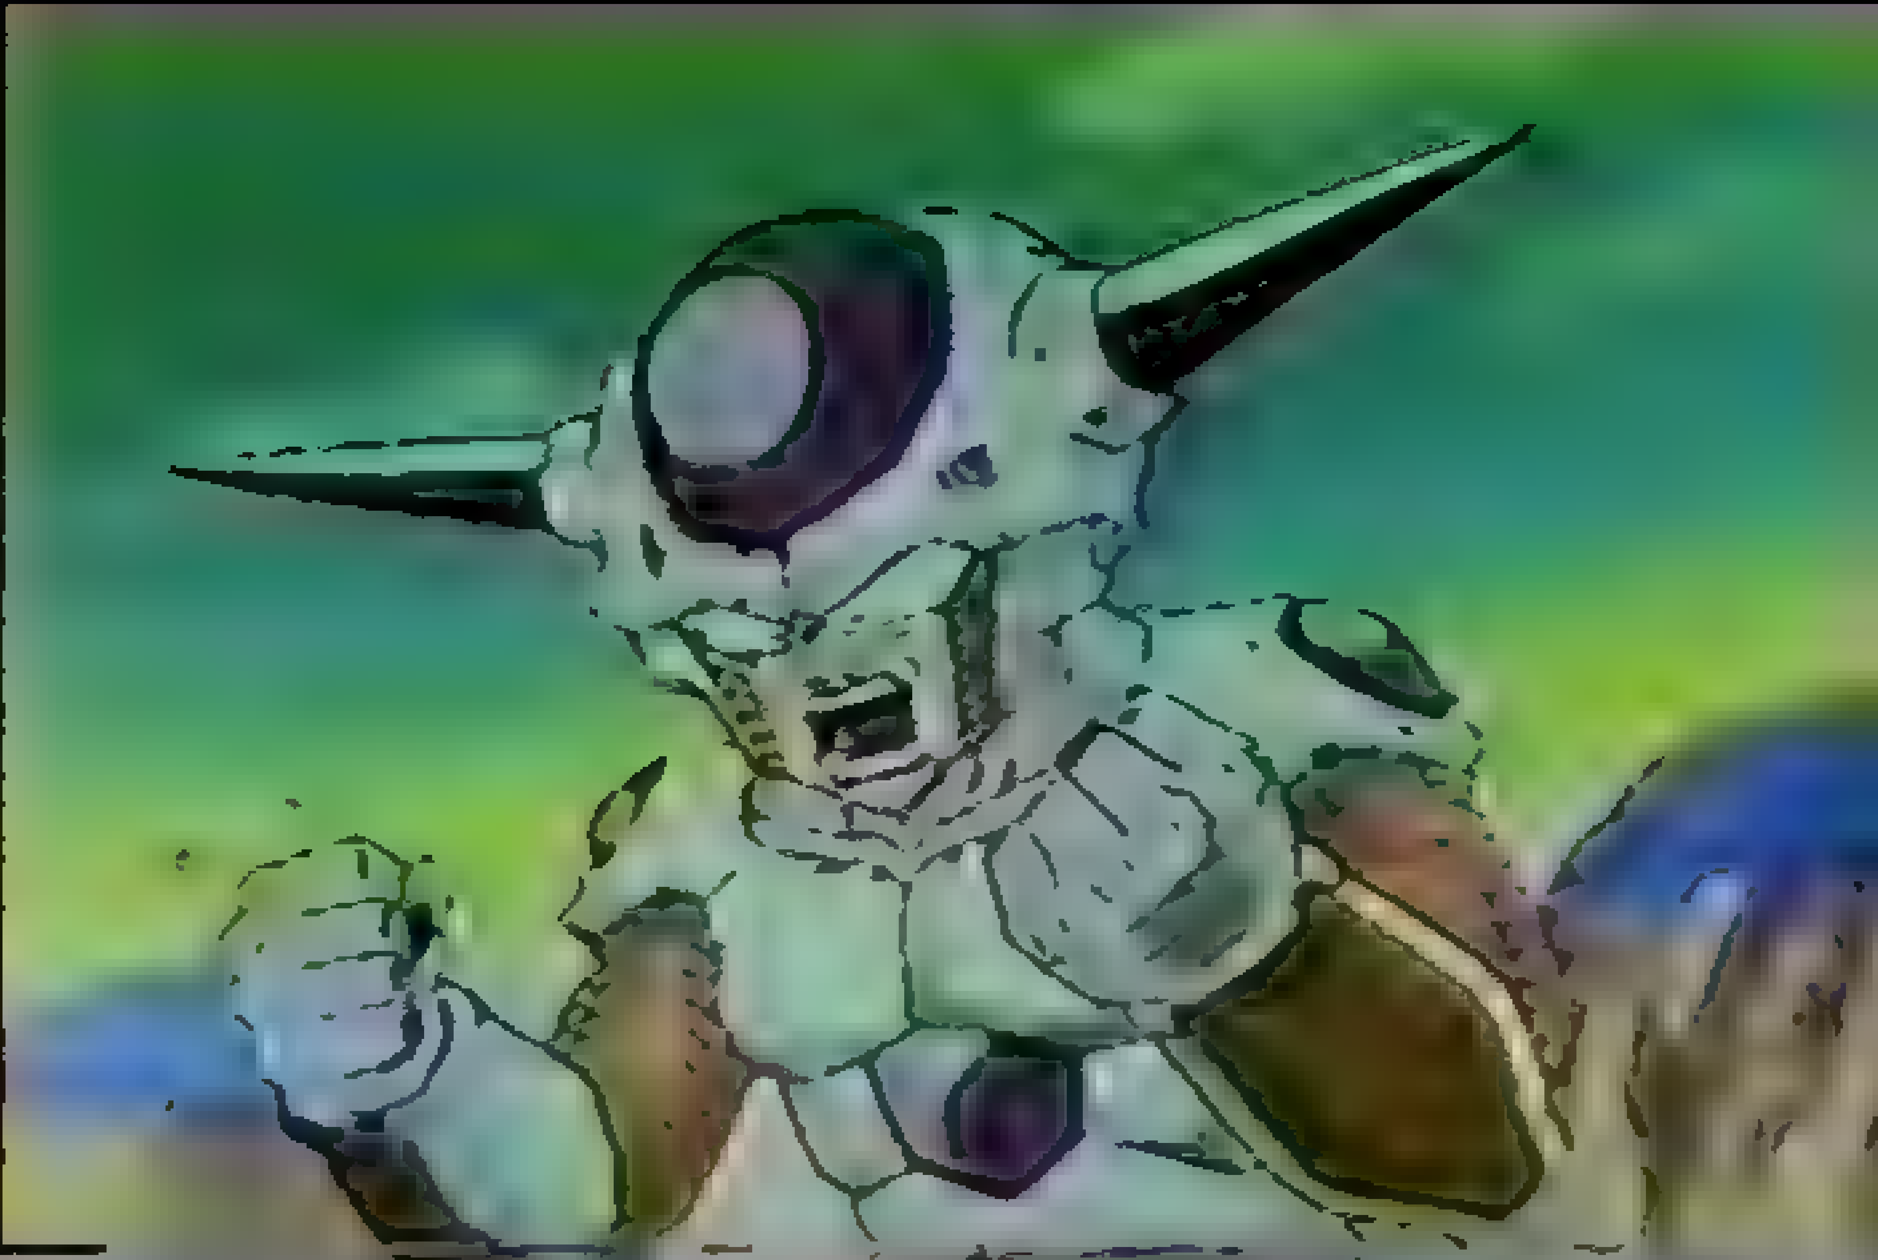

Shall we continue?

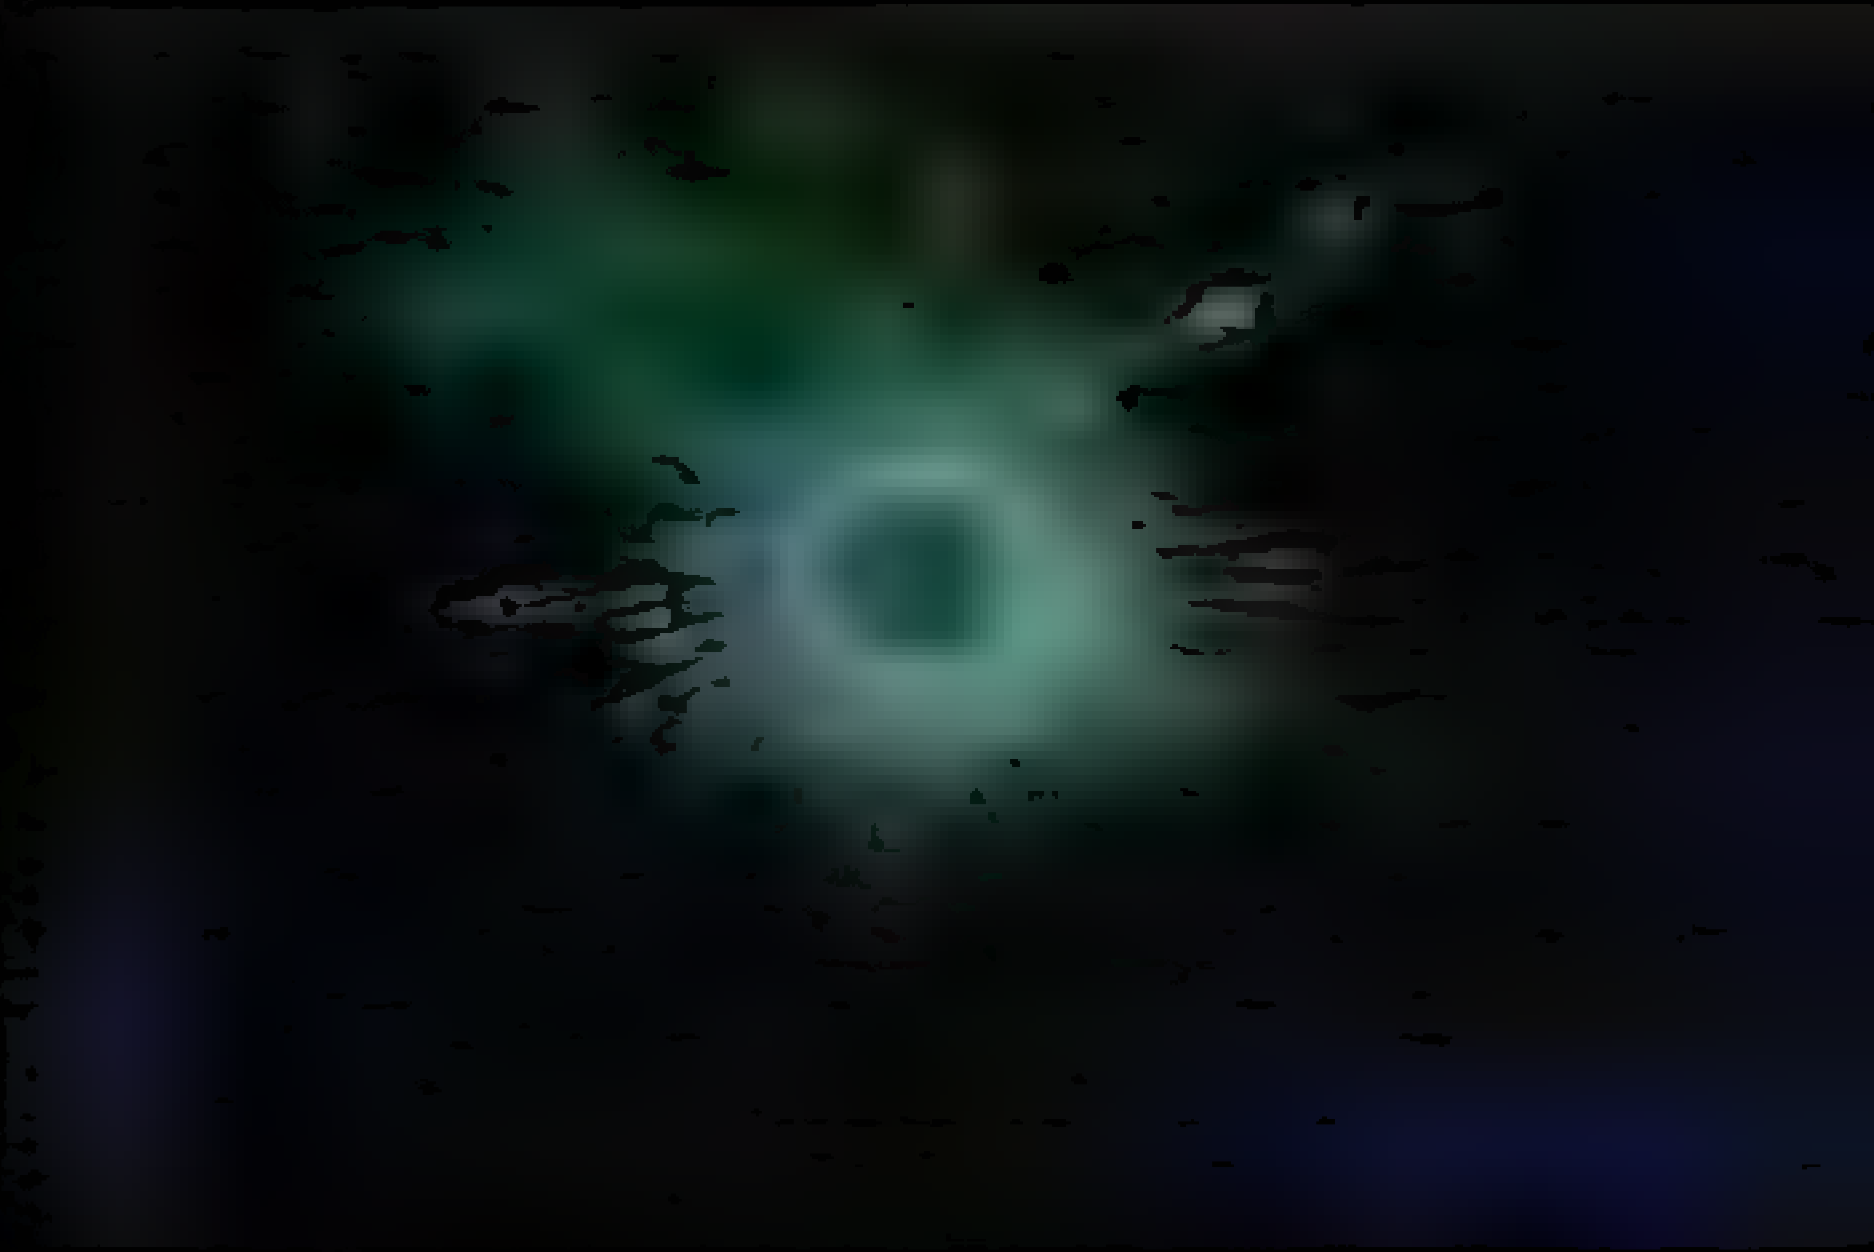

Shall we continue?

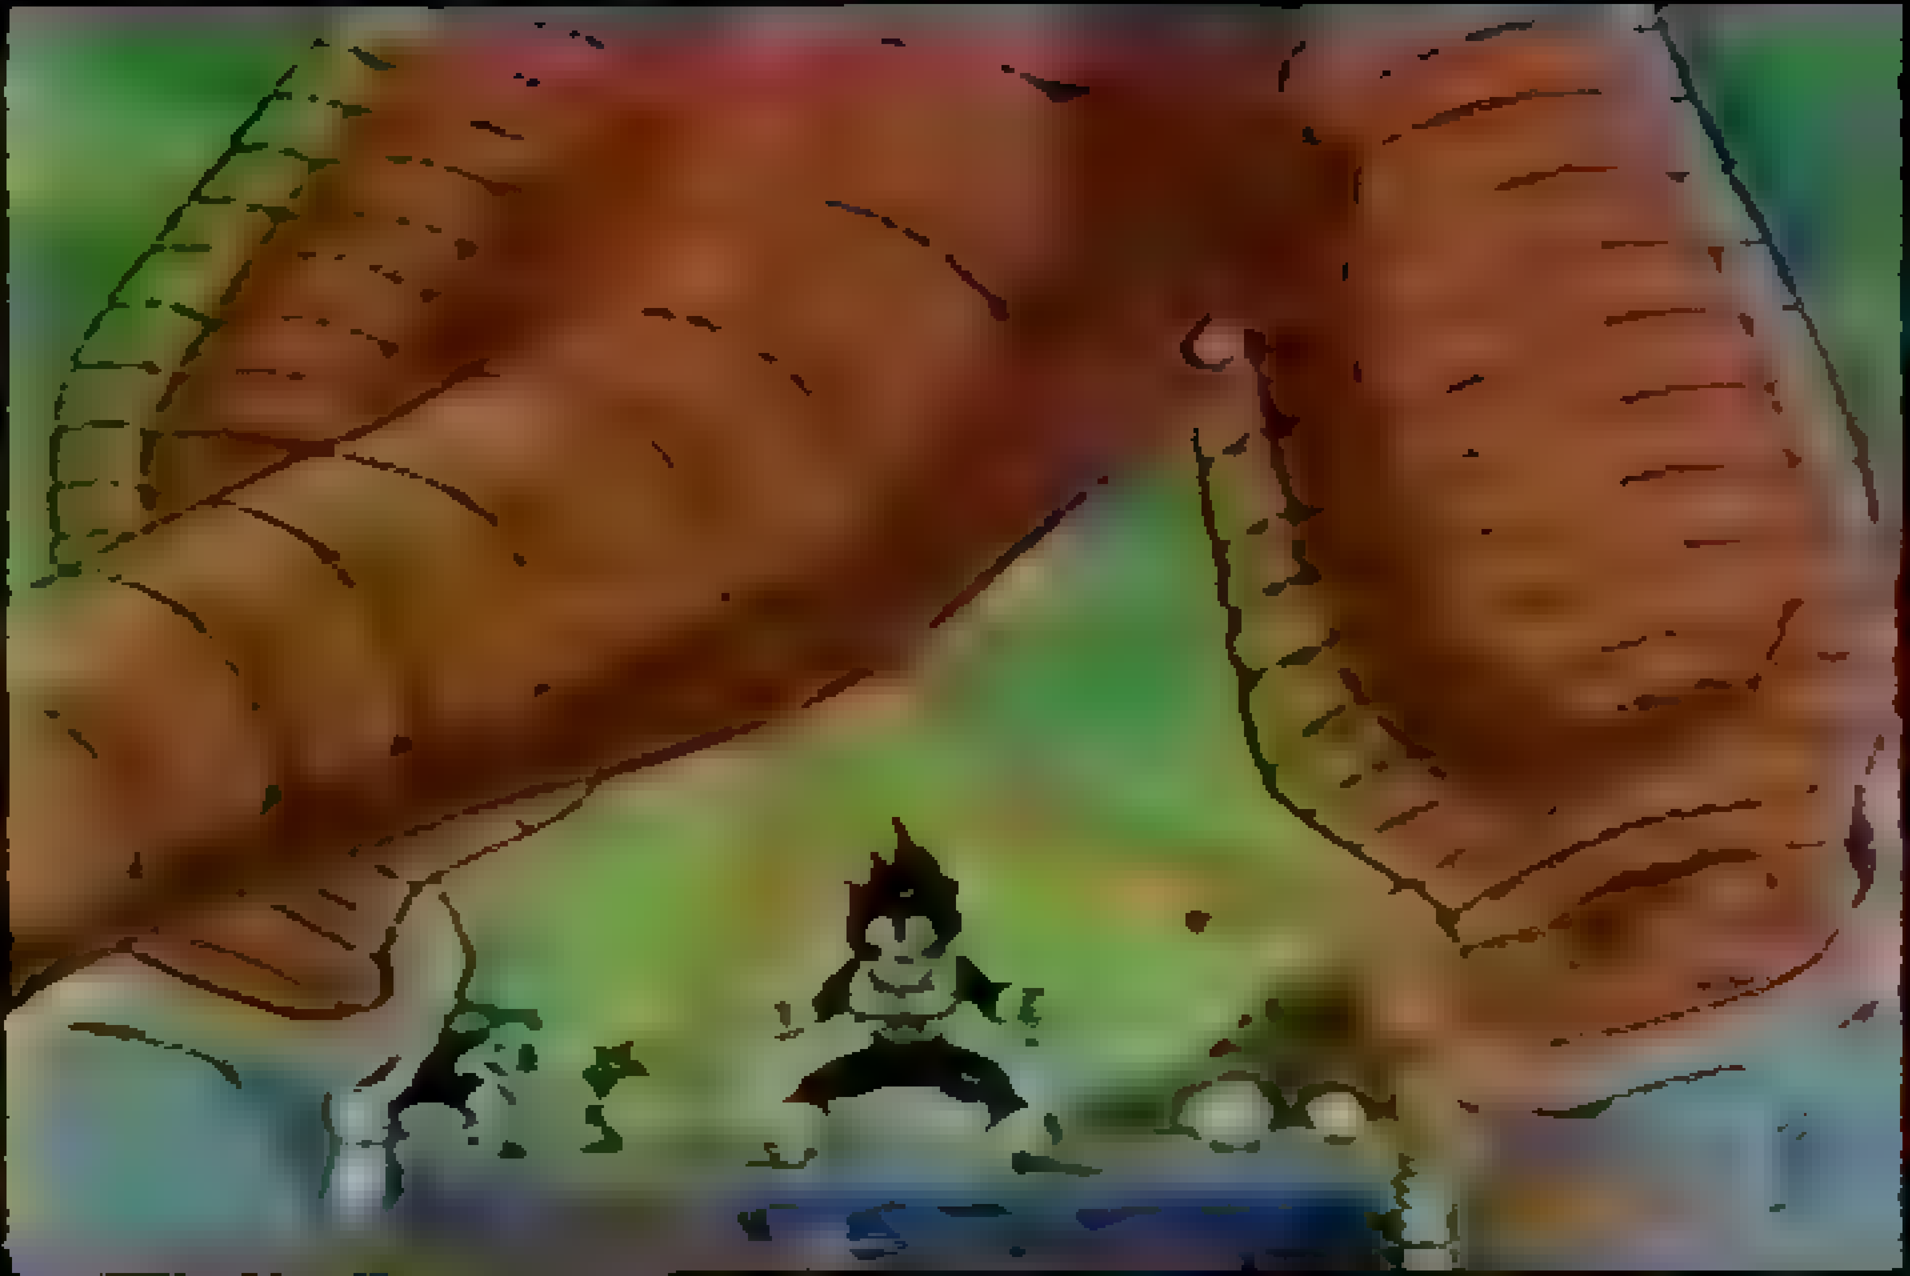

Your father did not get to

Your father did not get to

What!

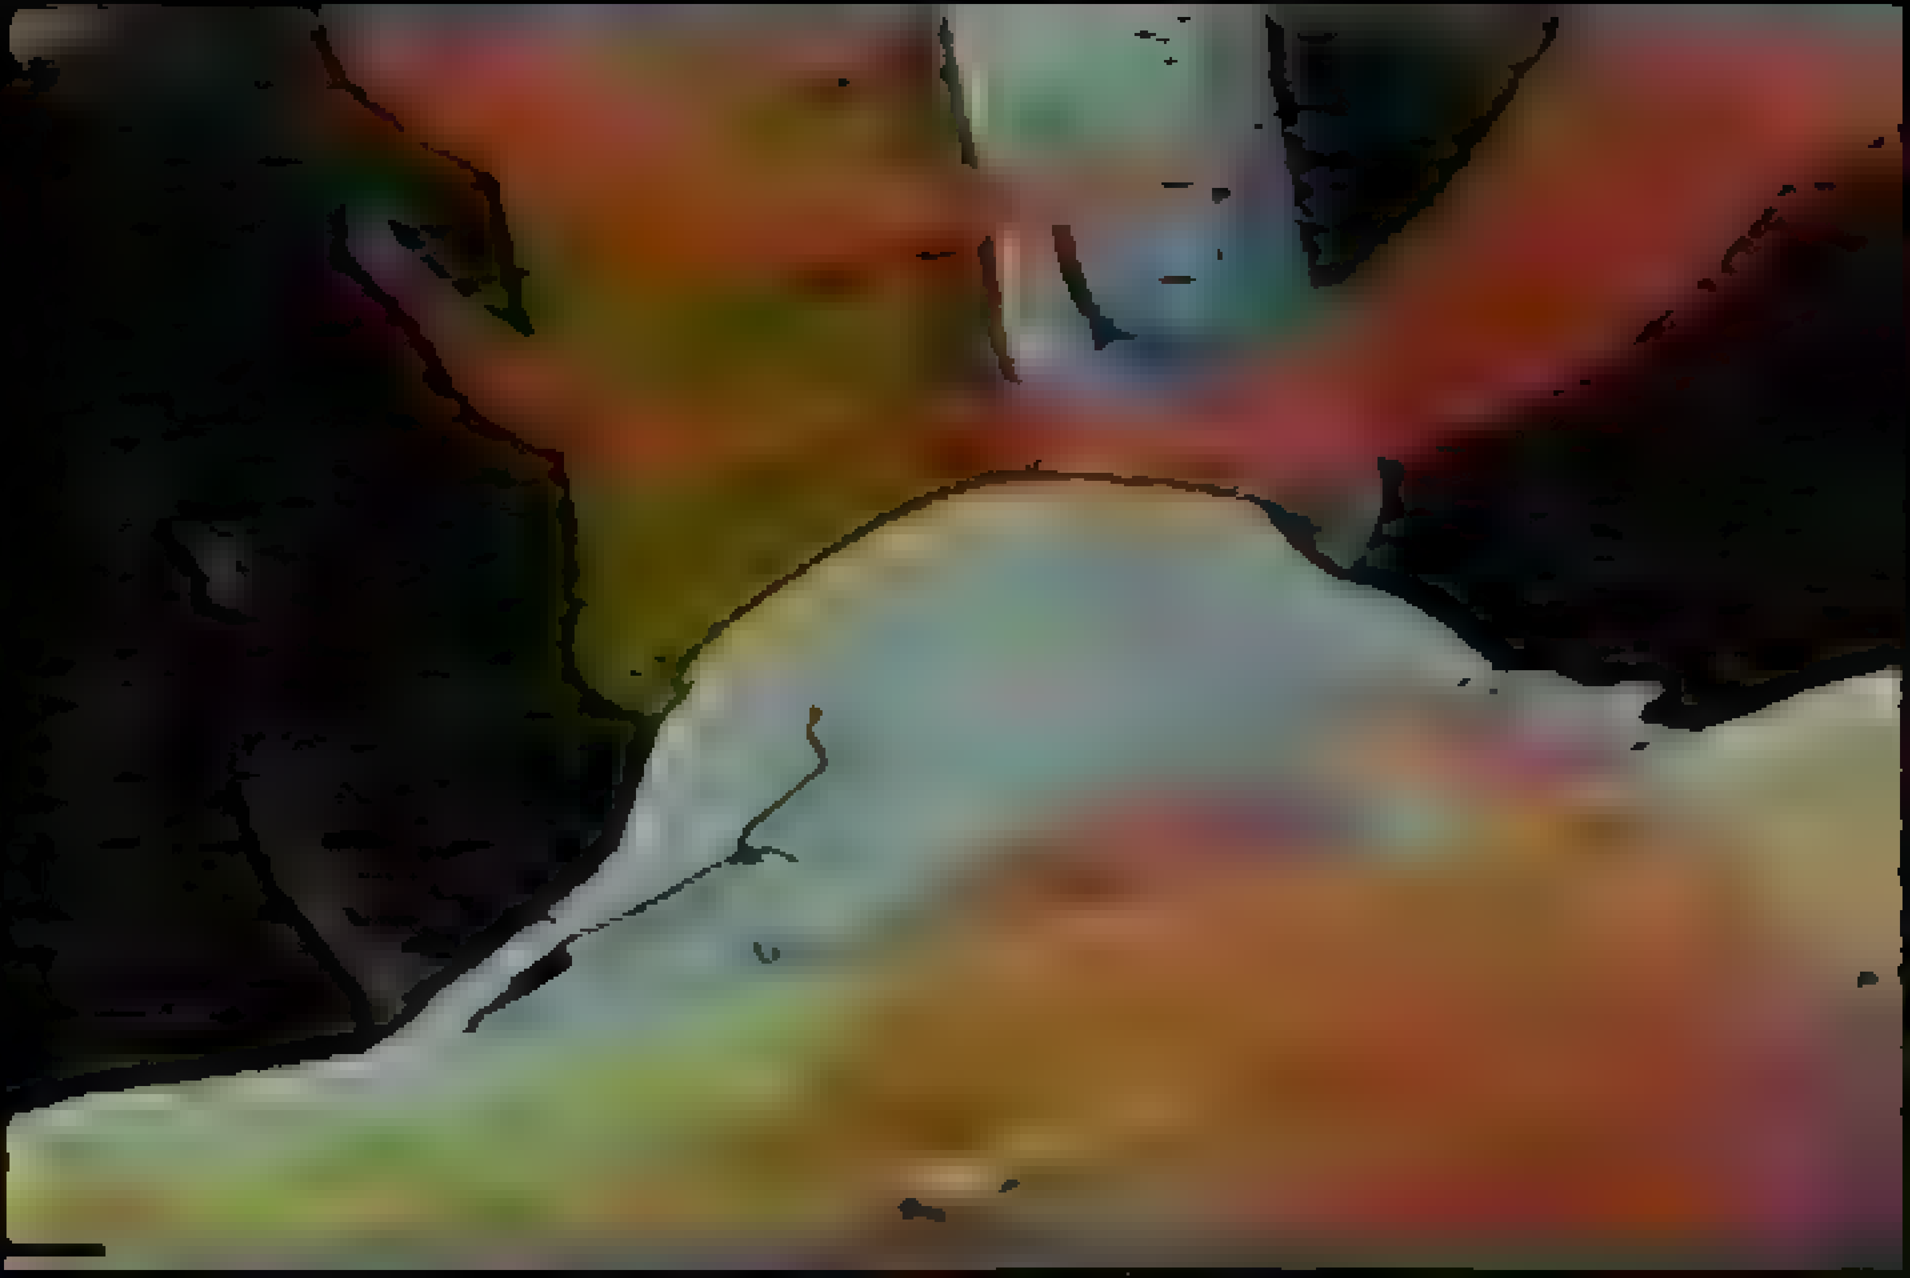

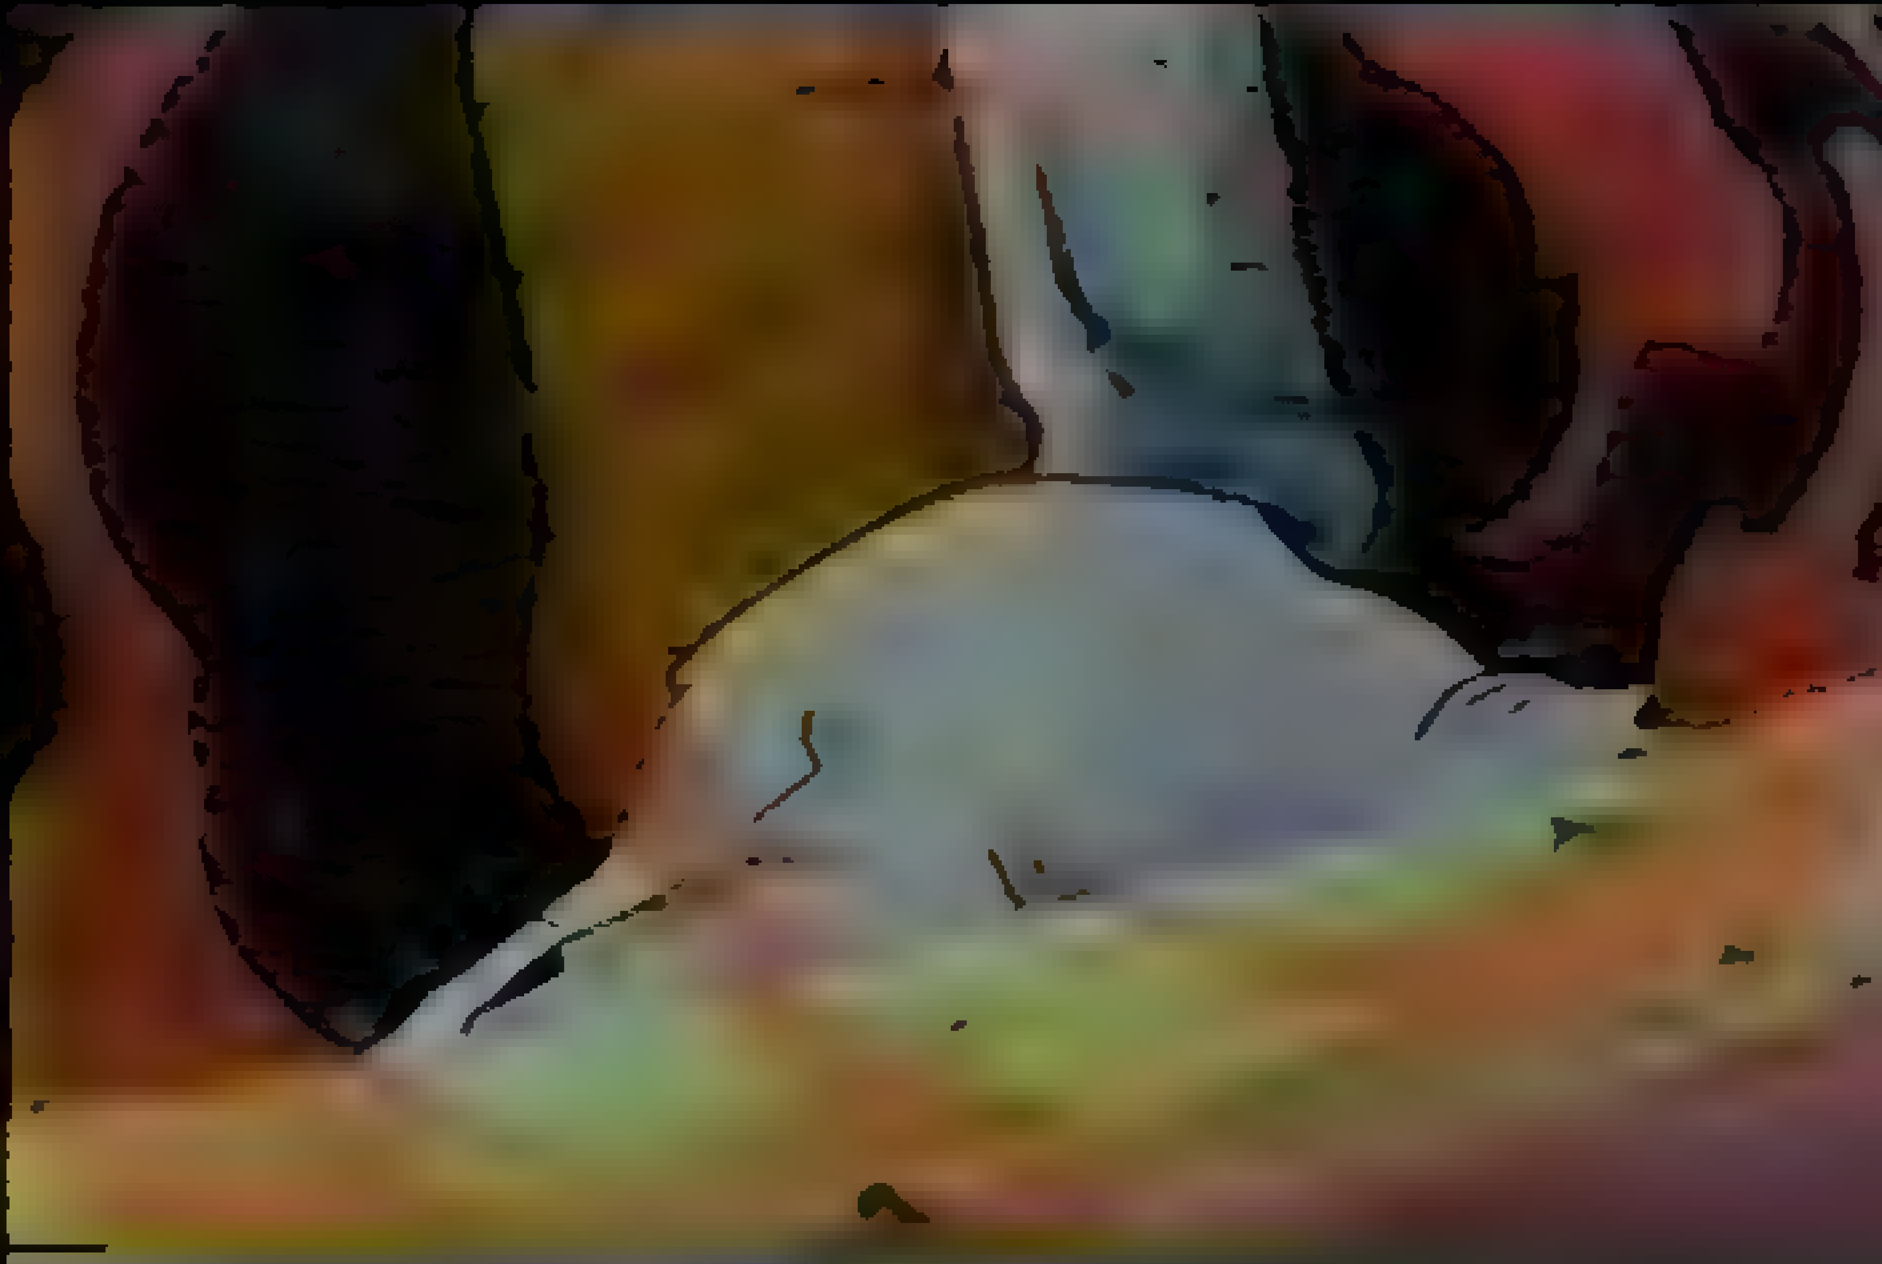

What are you going to do!

Give me a break!

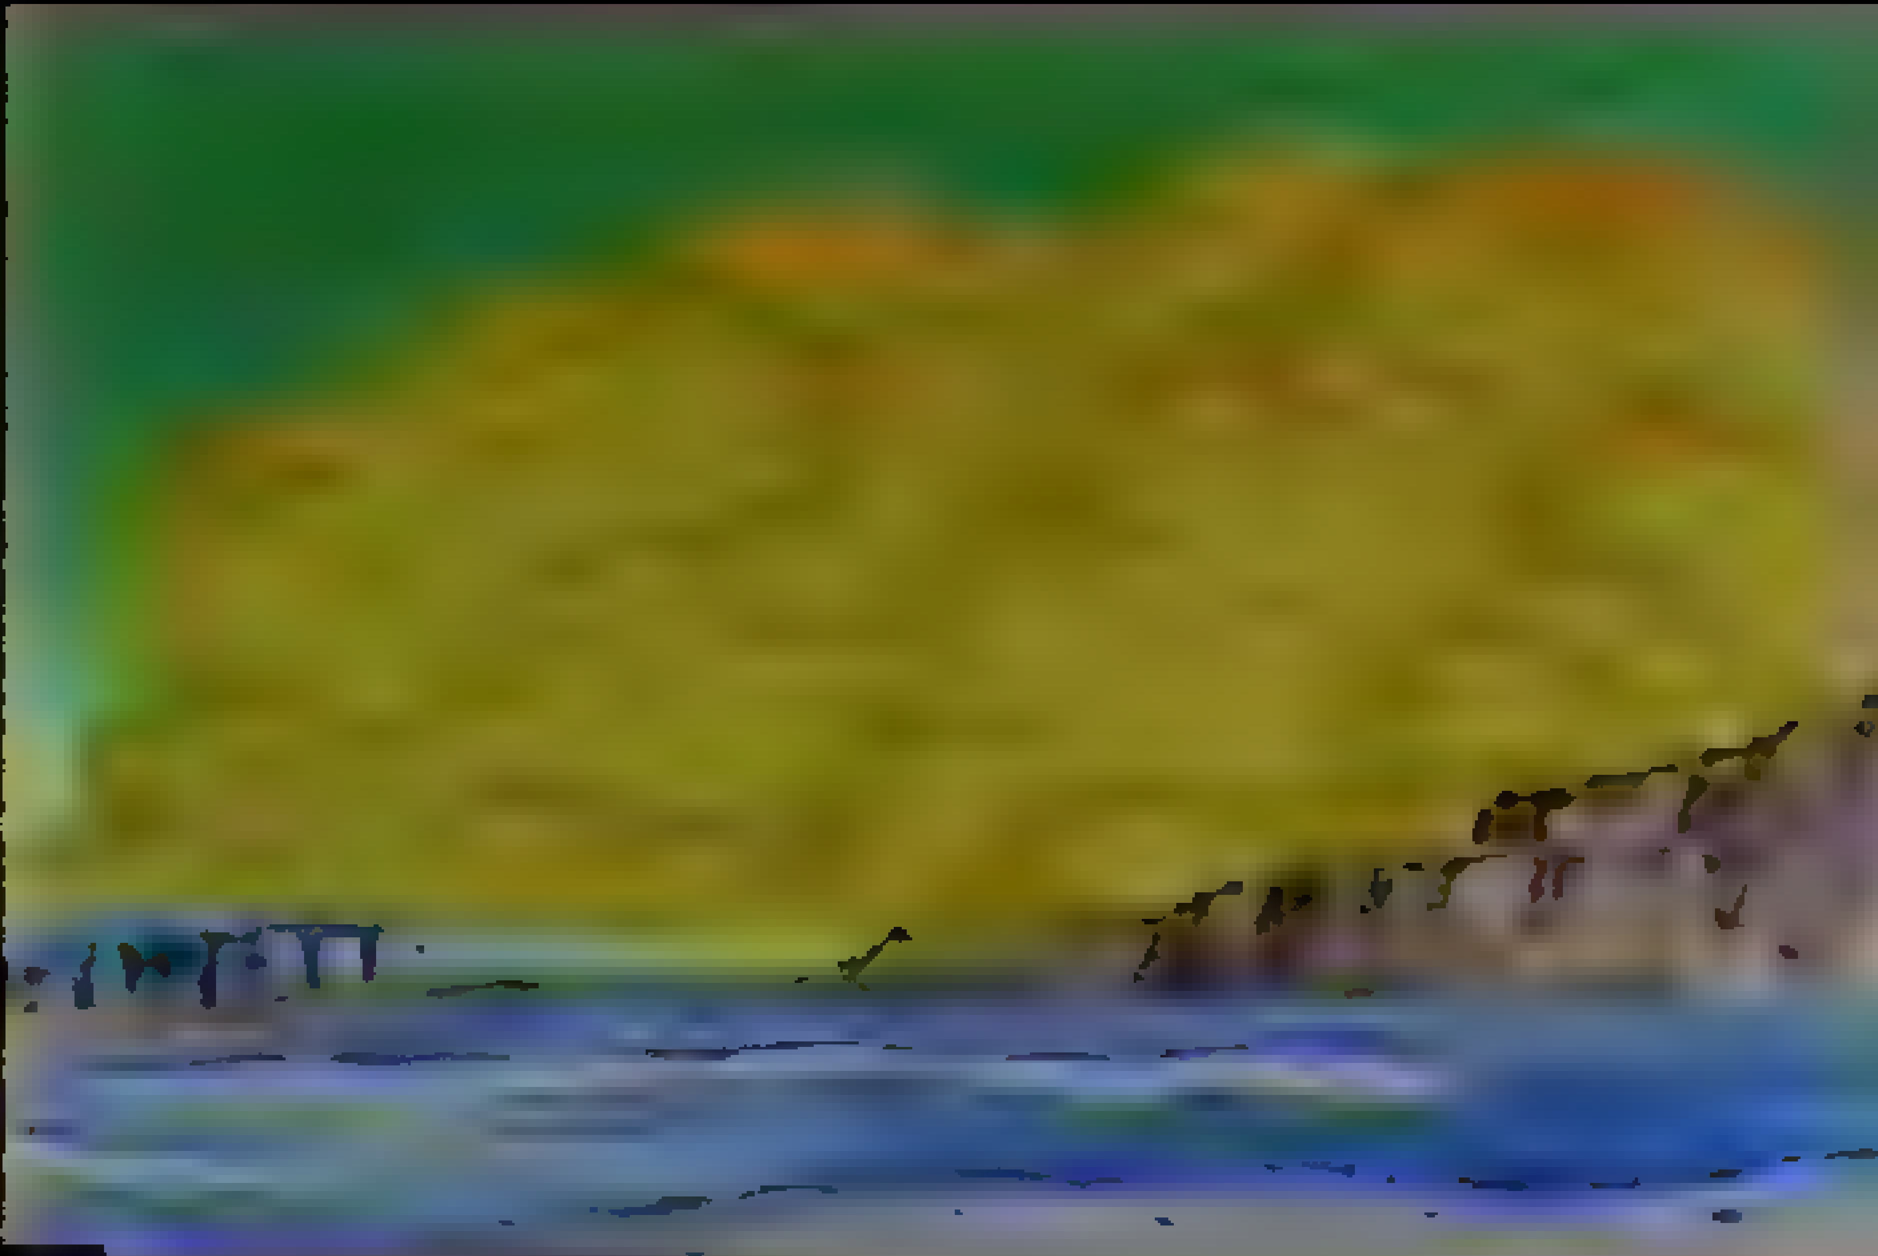

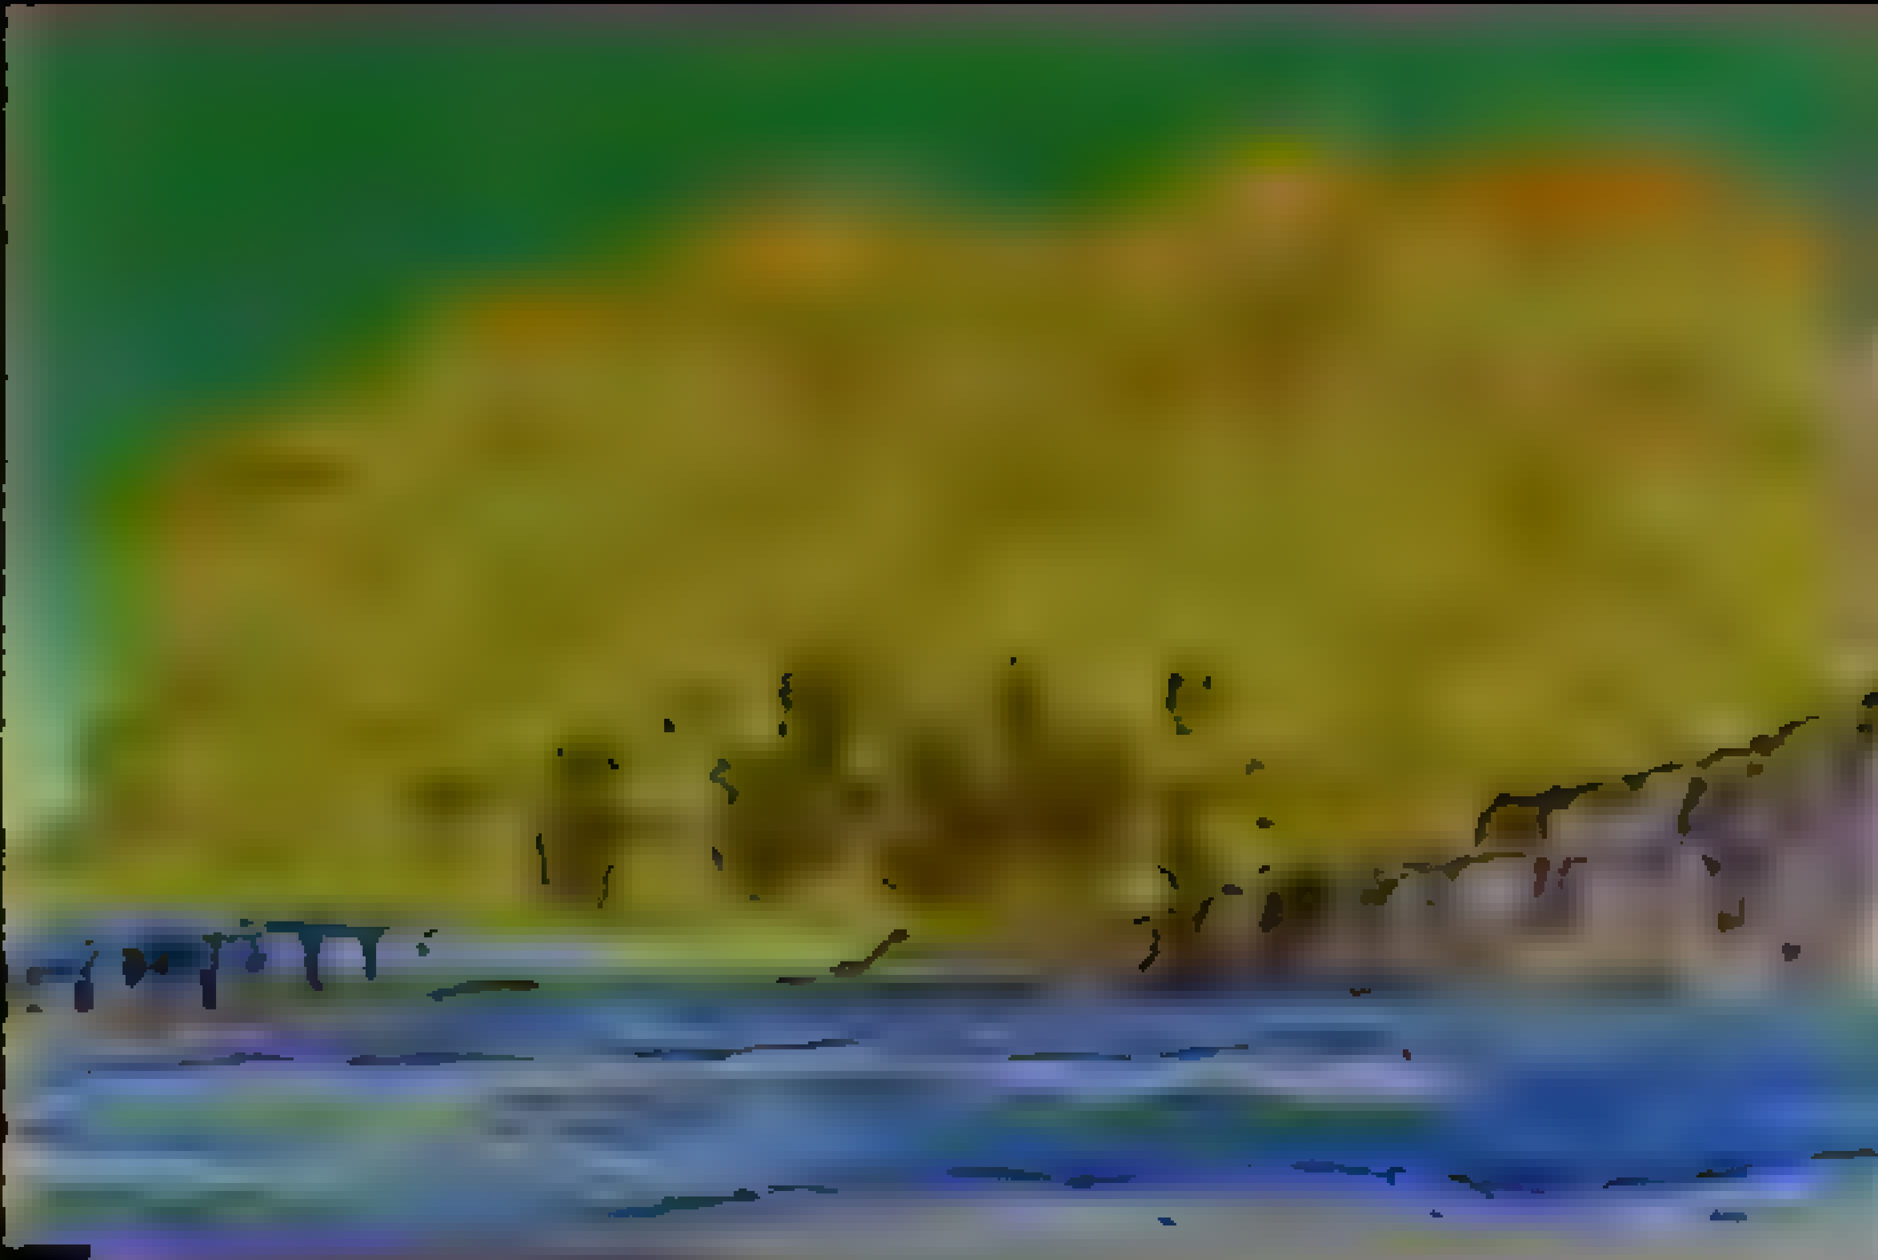

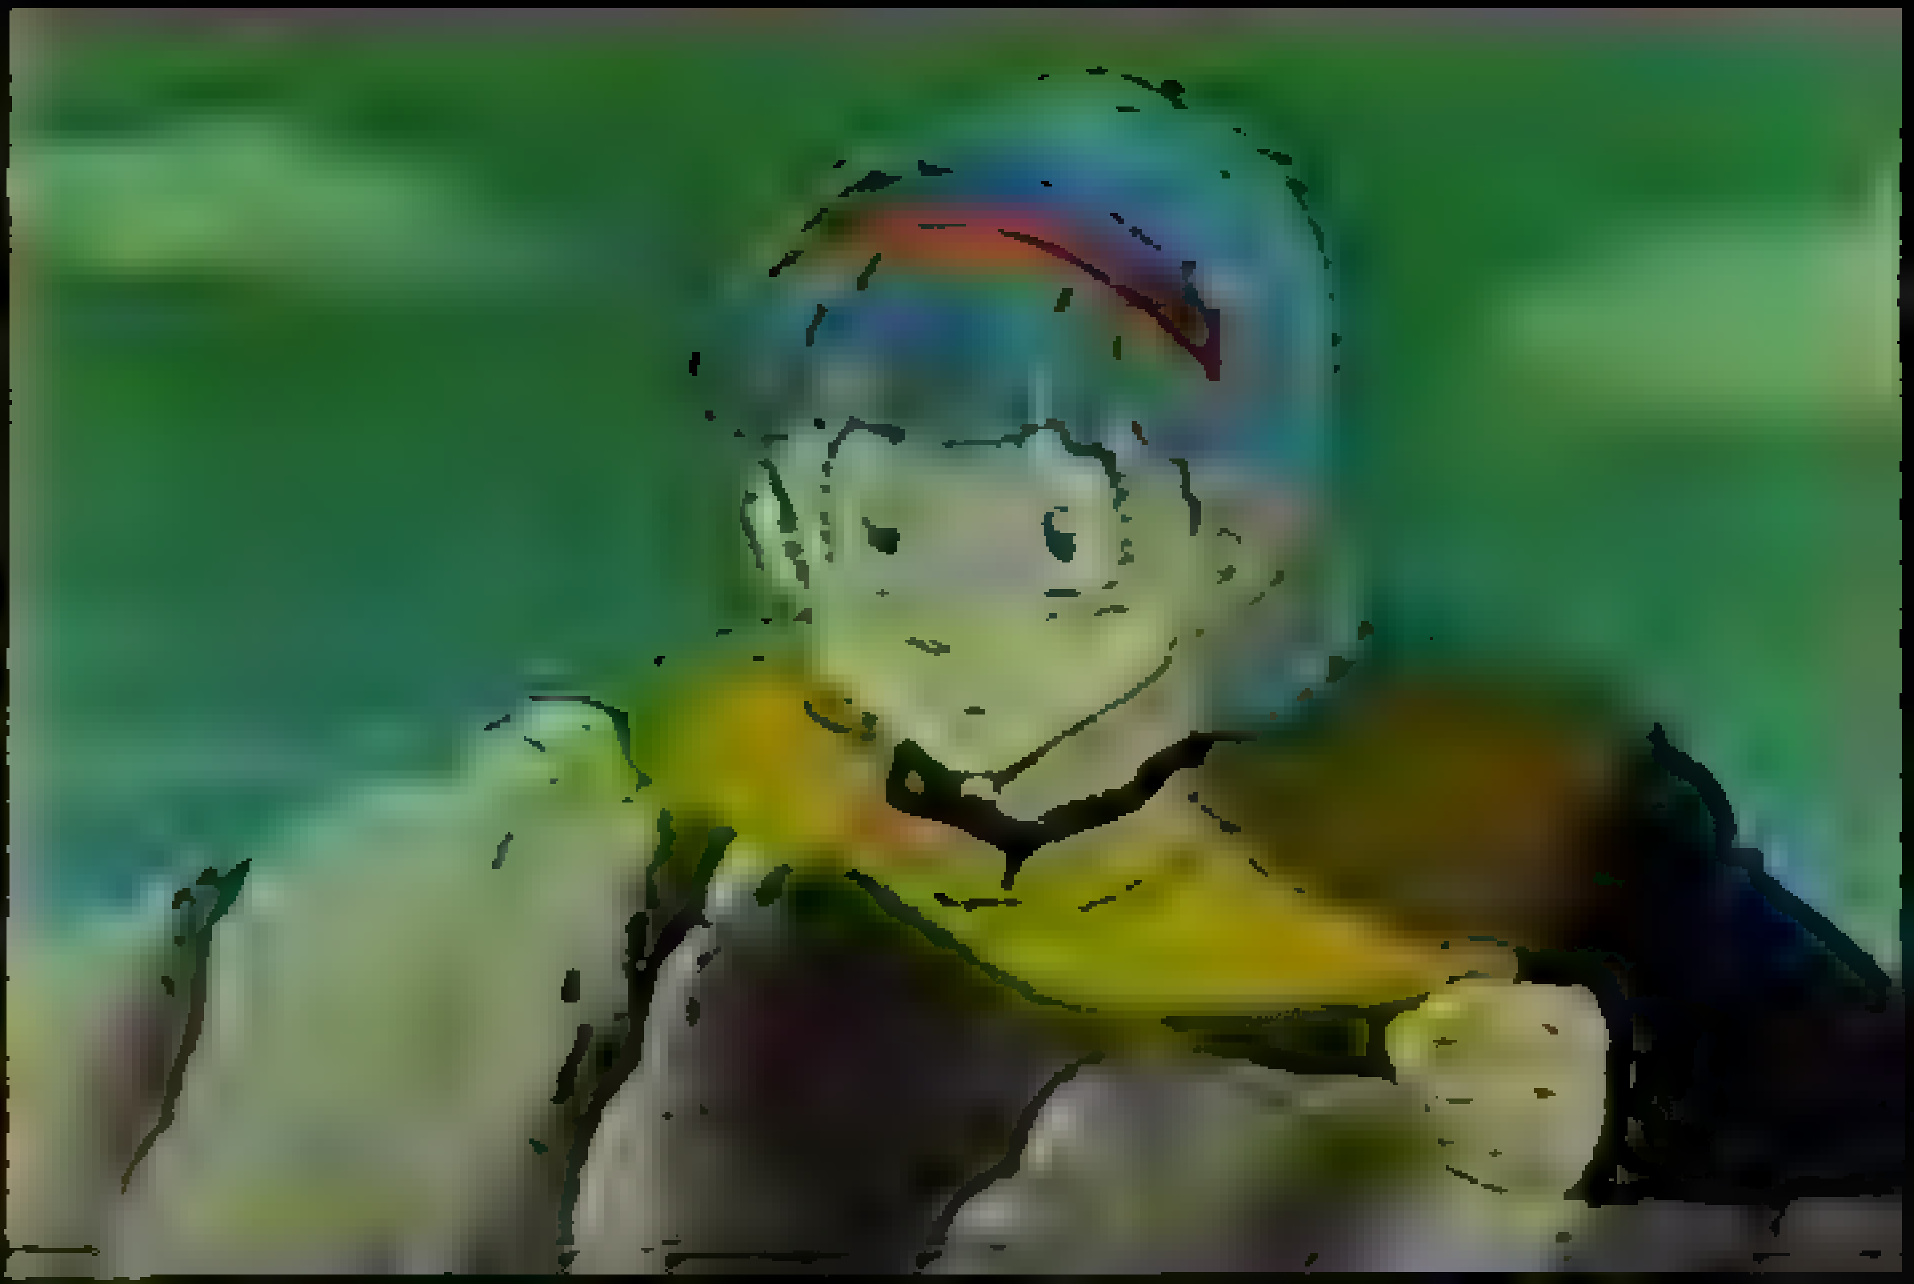

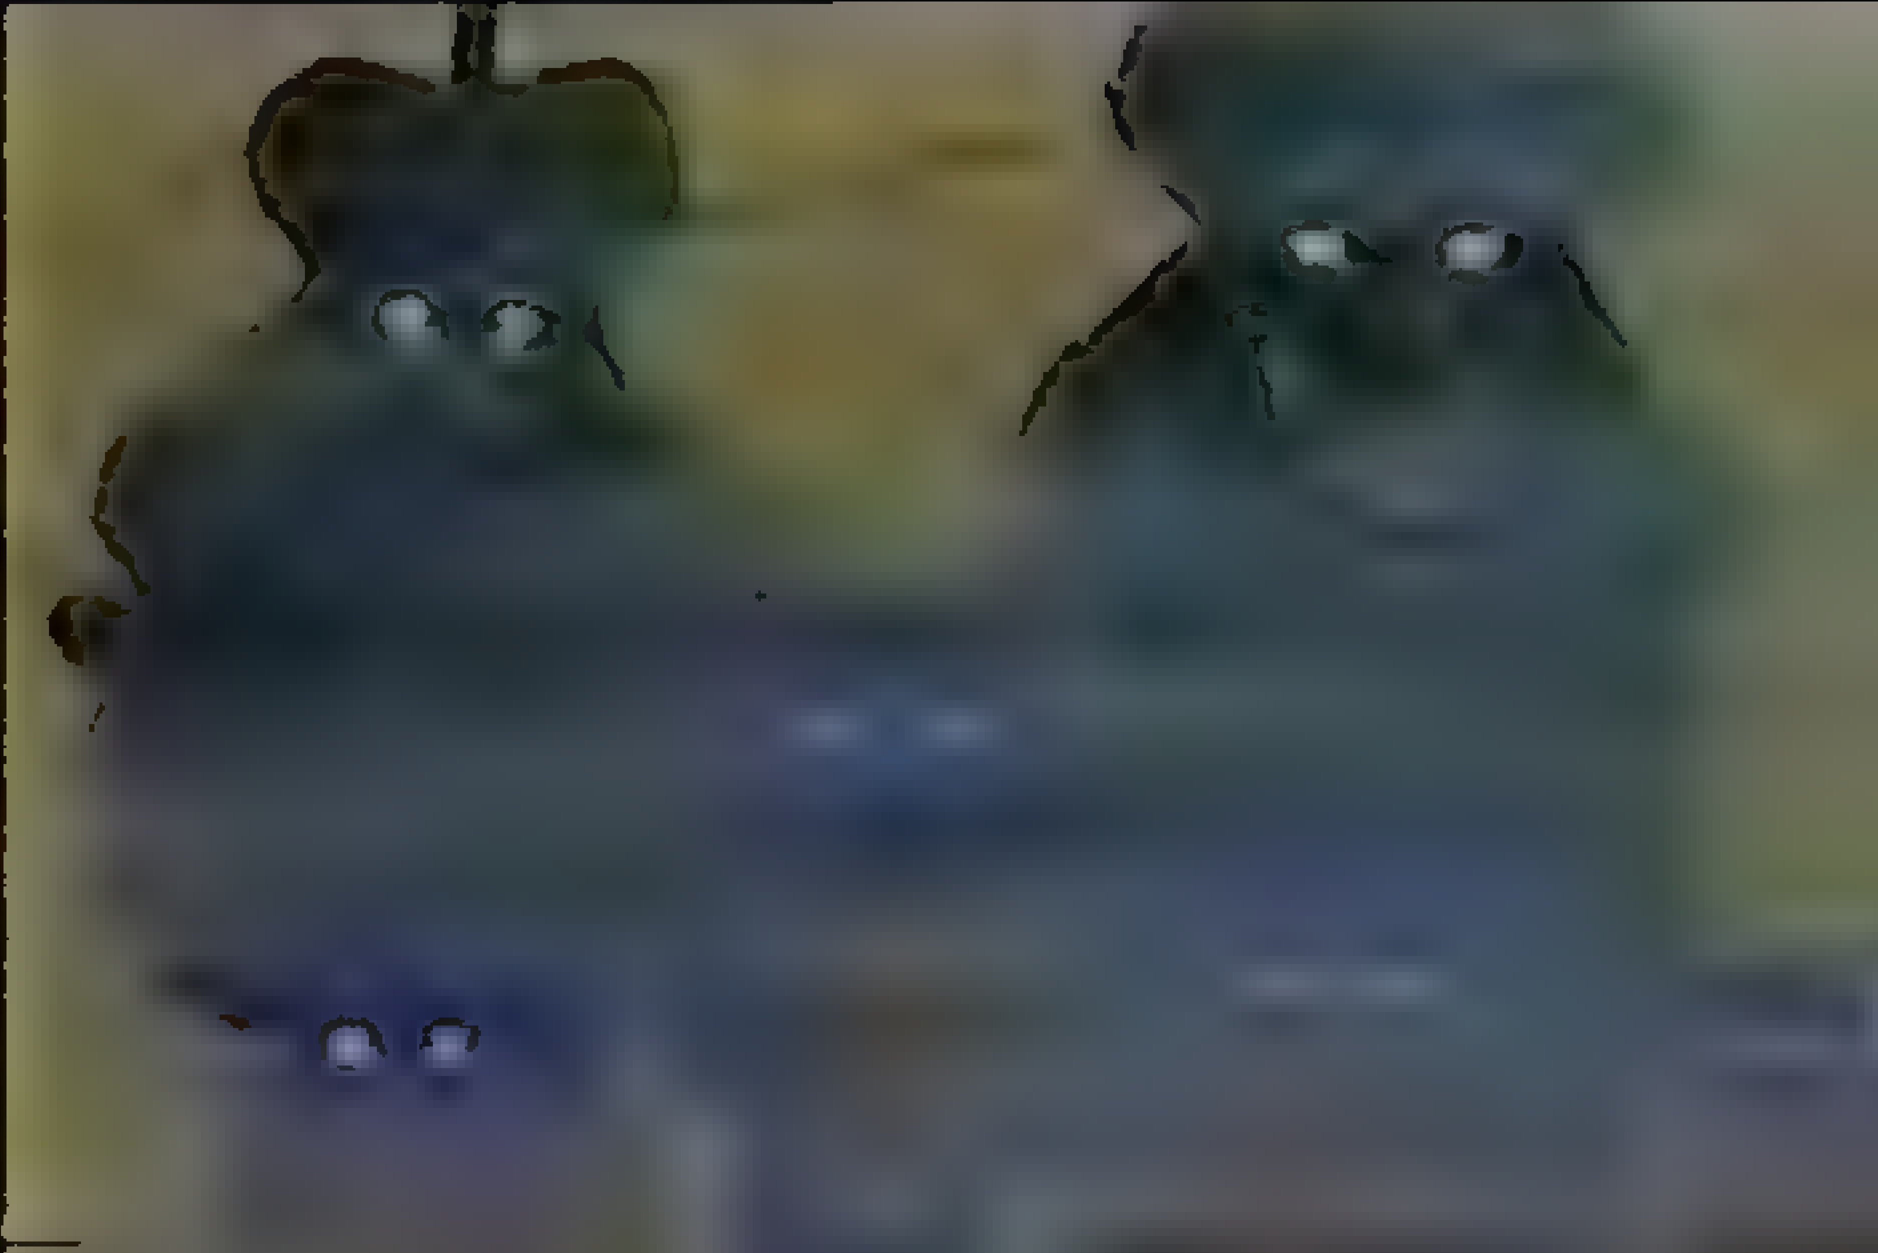

What is it ?

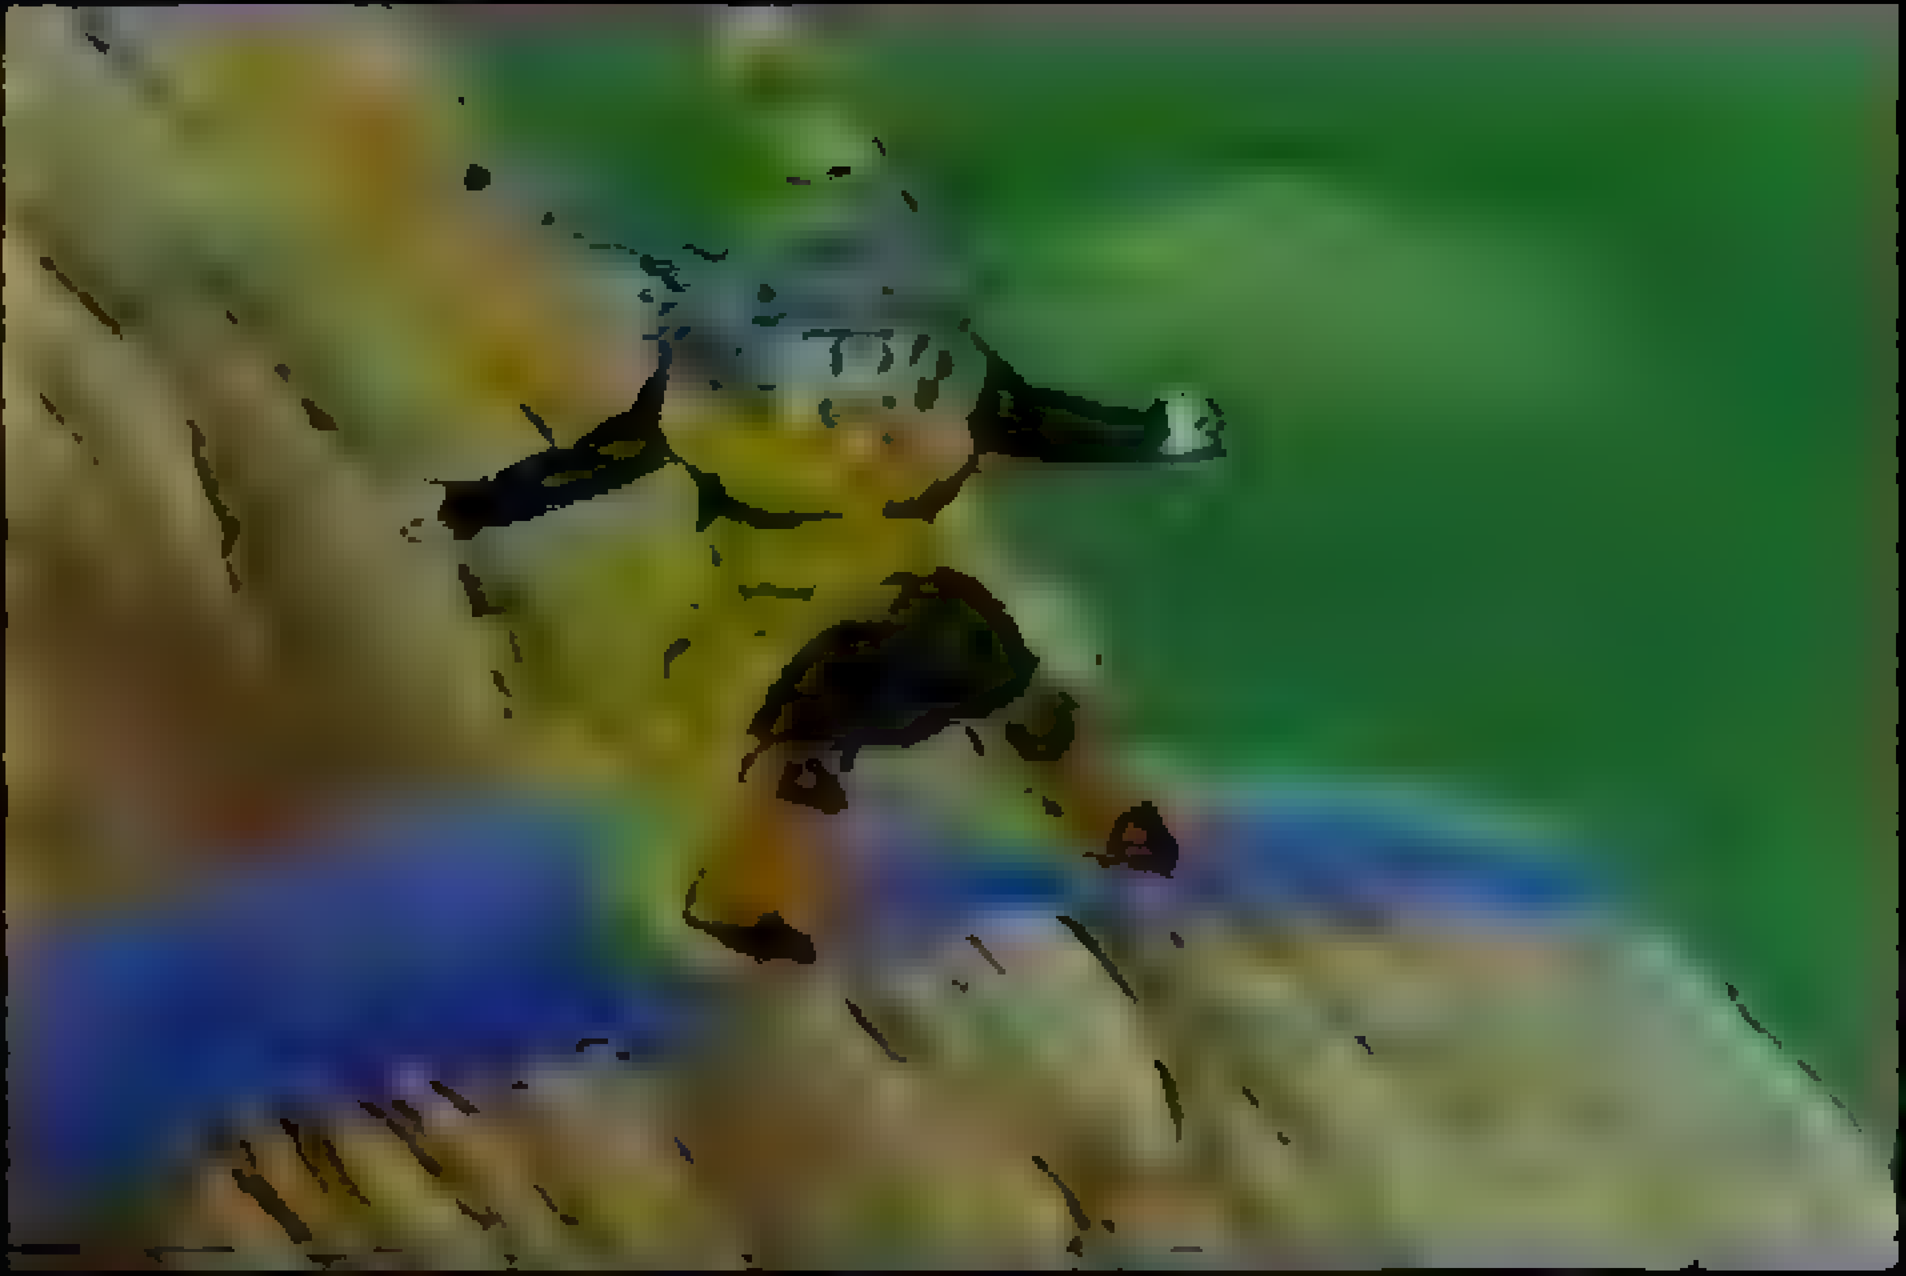

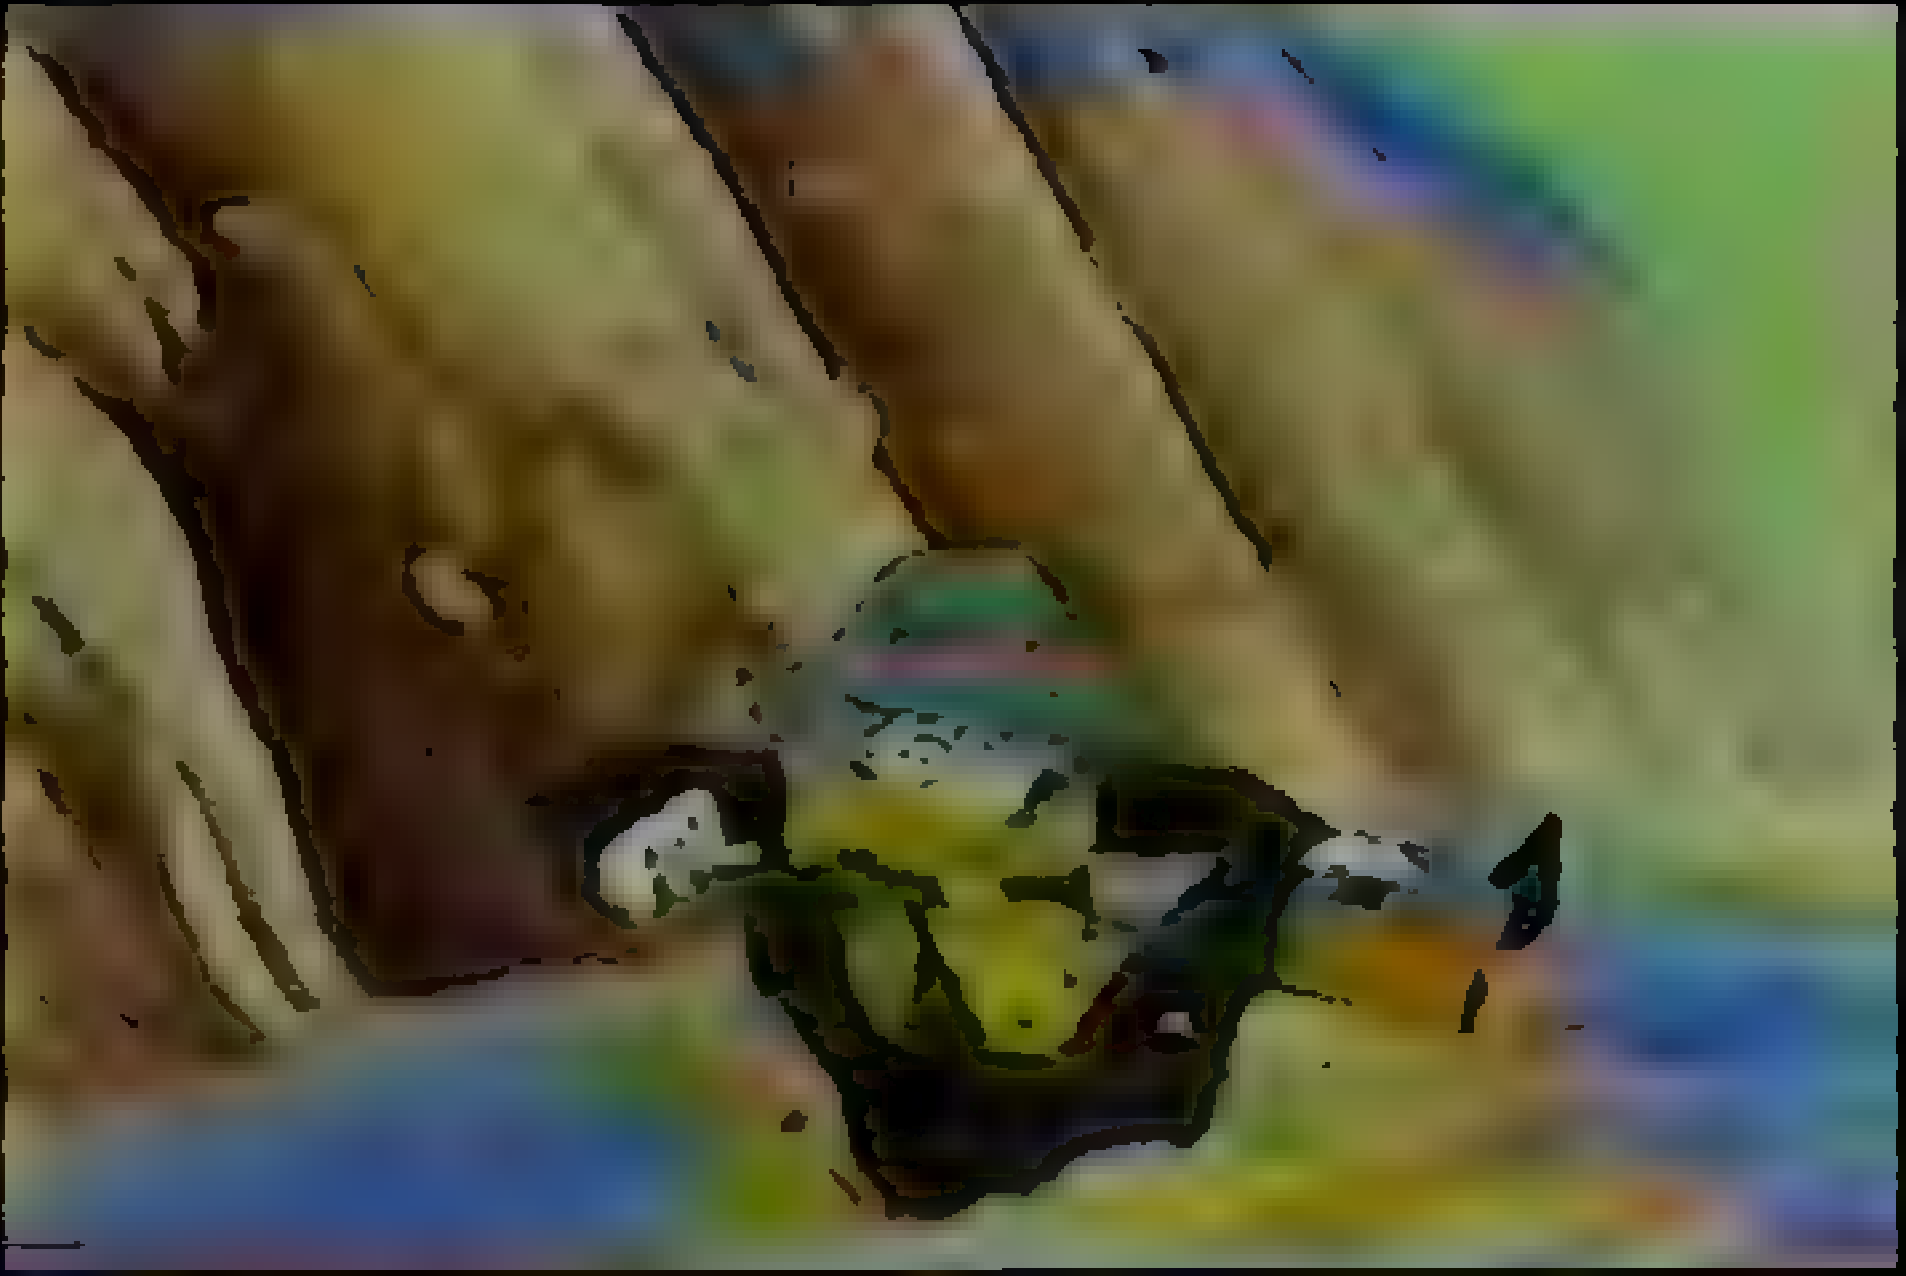

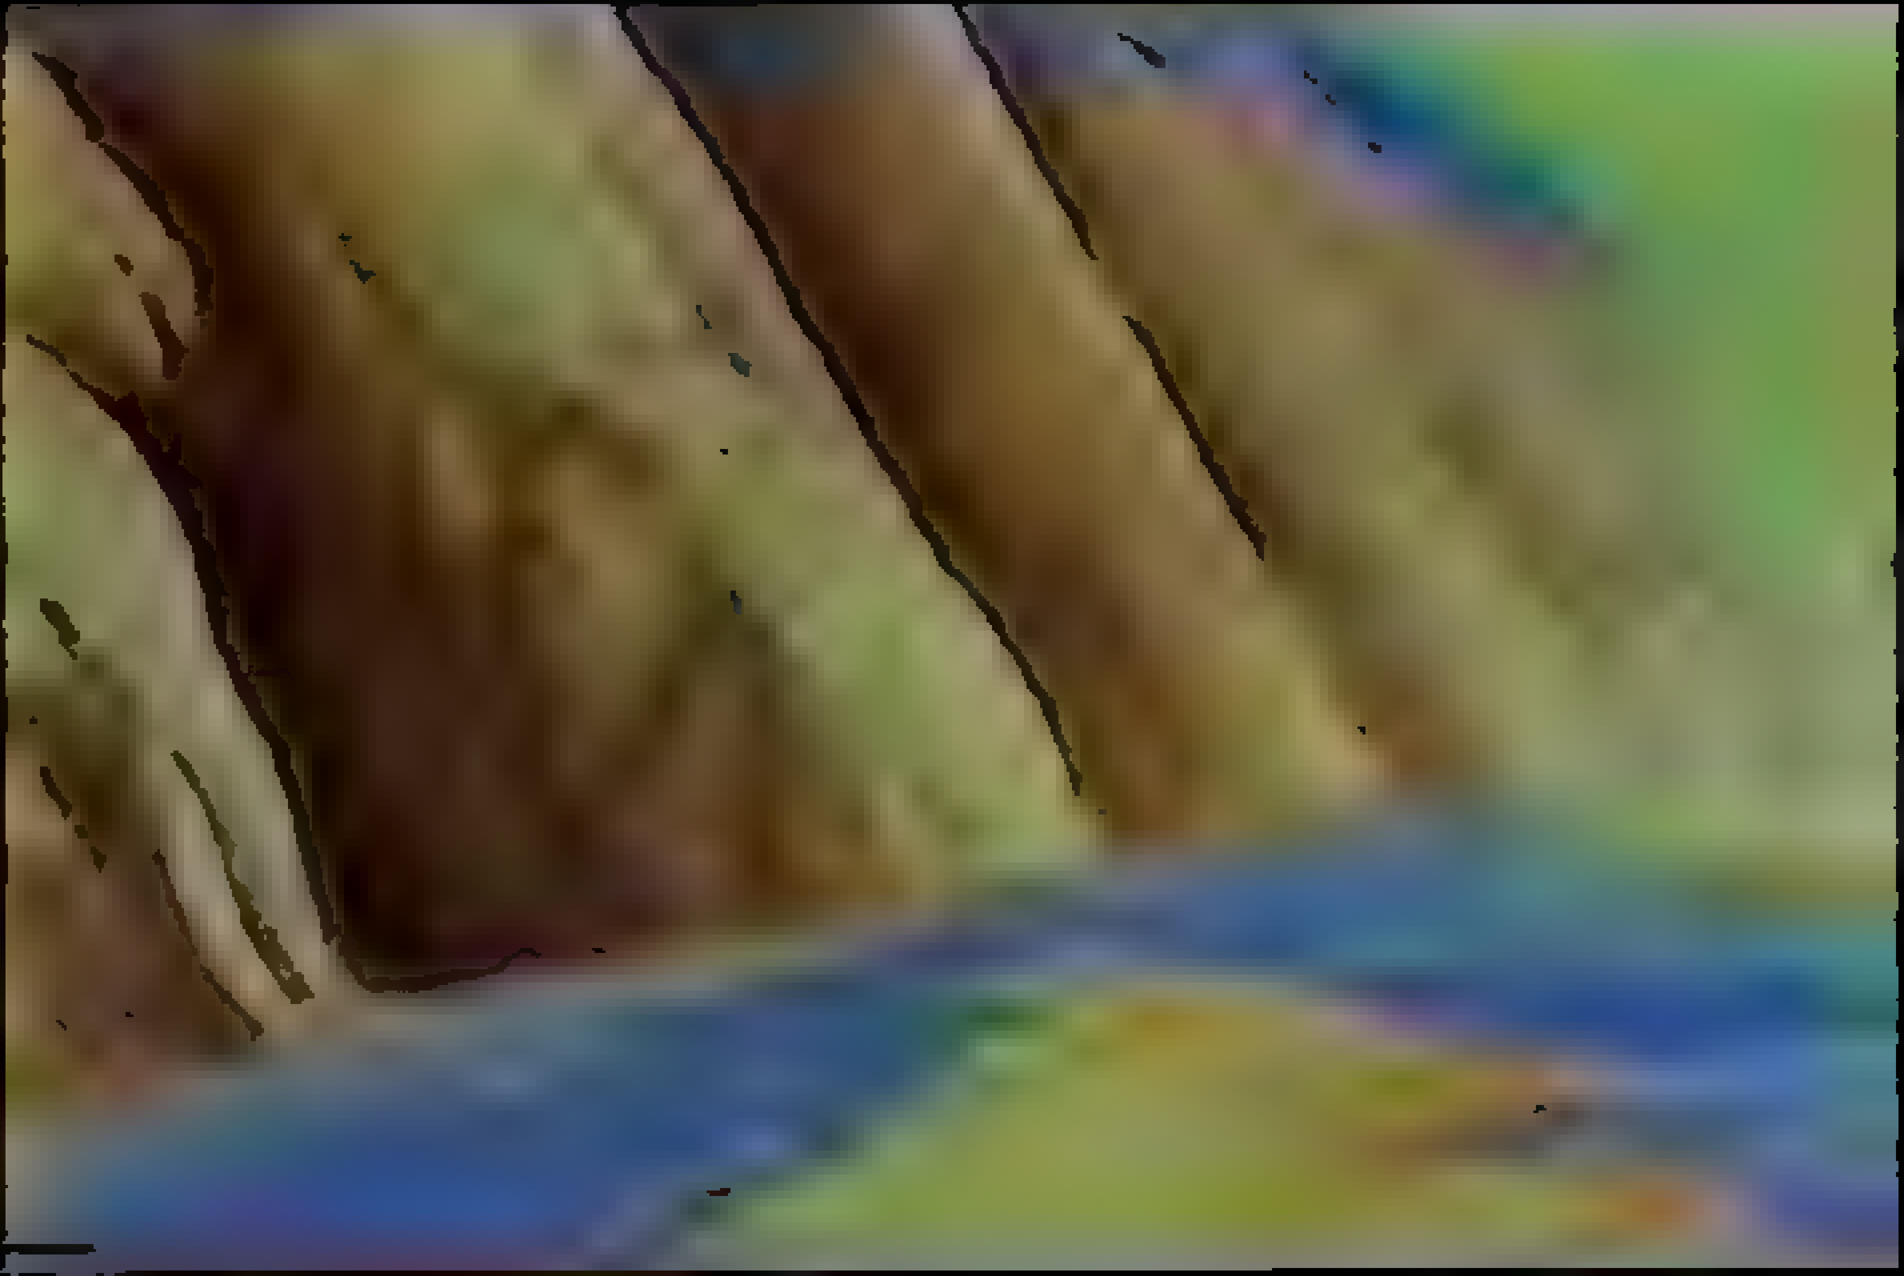

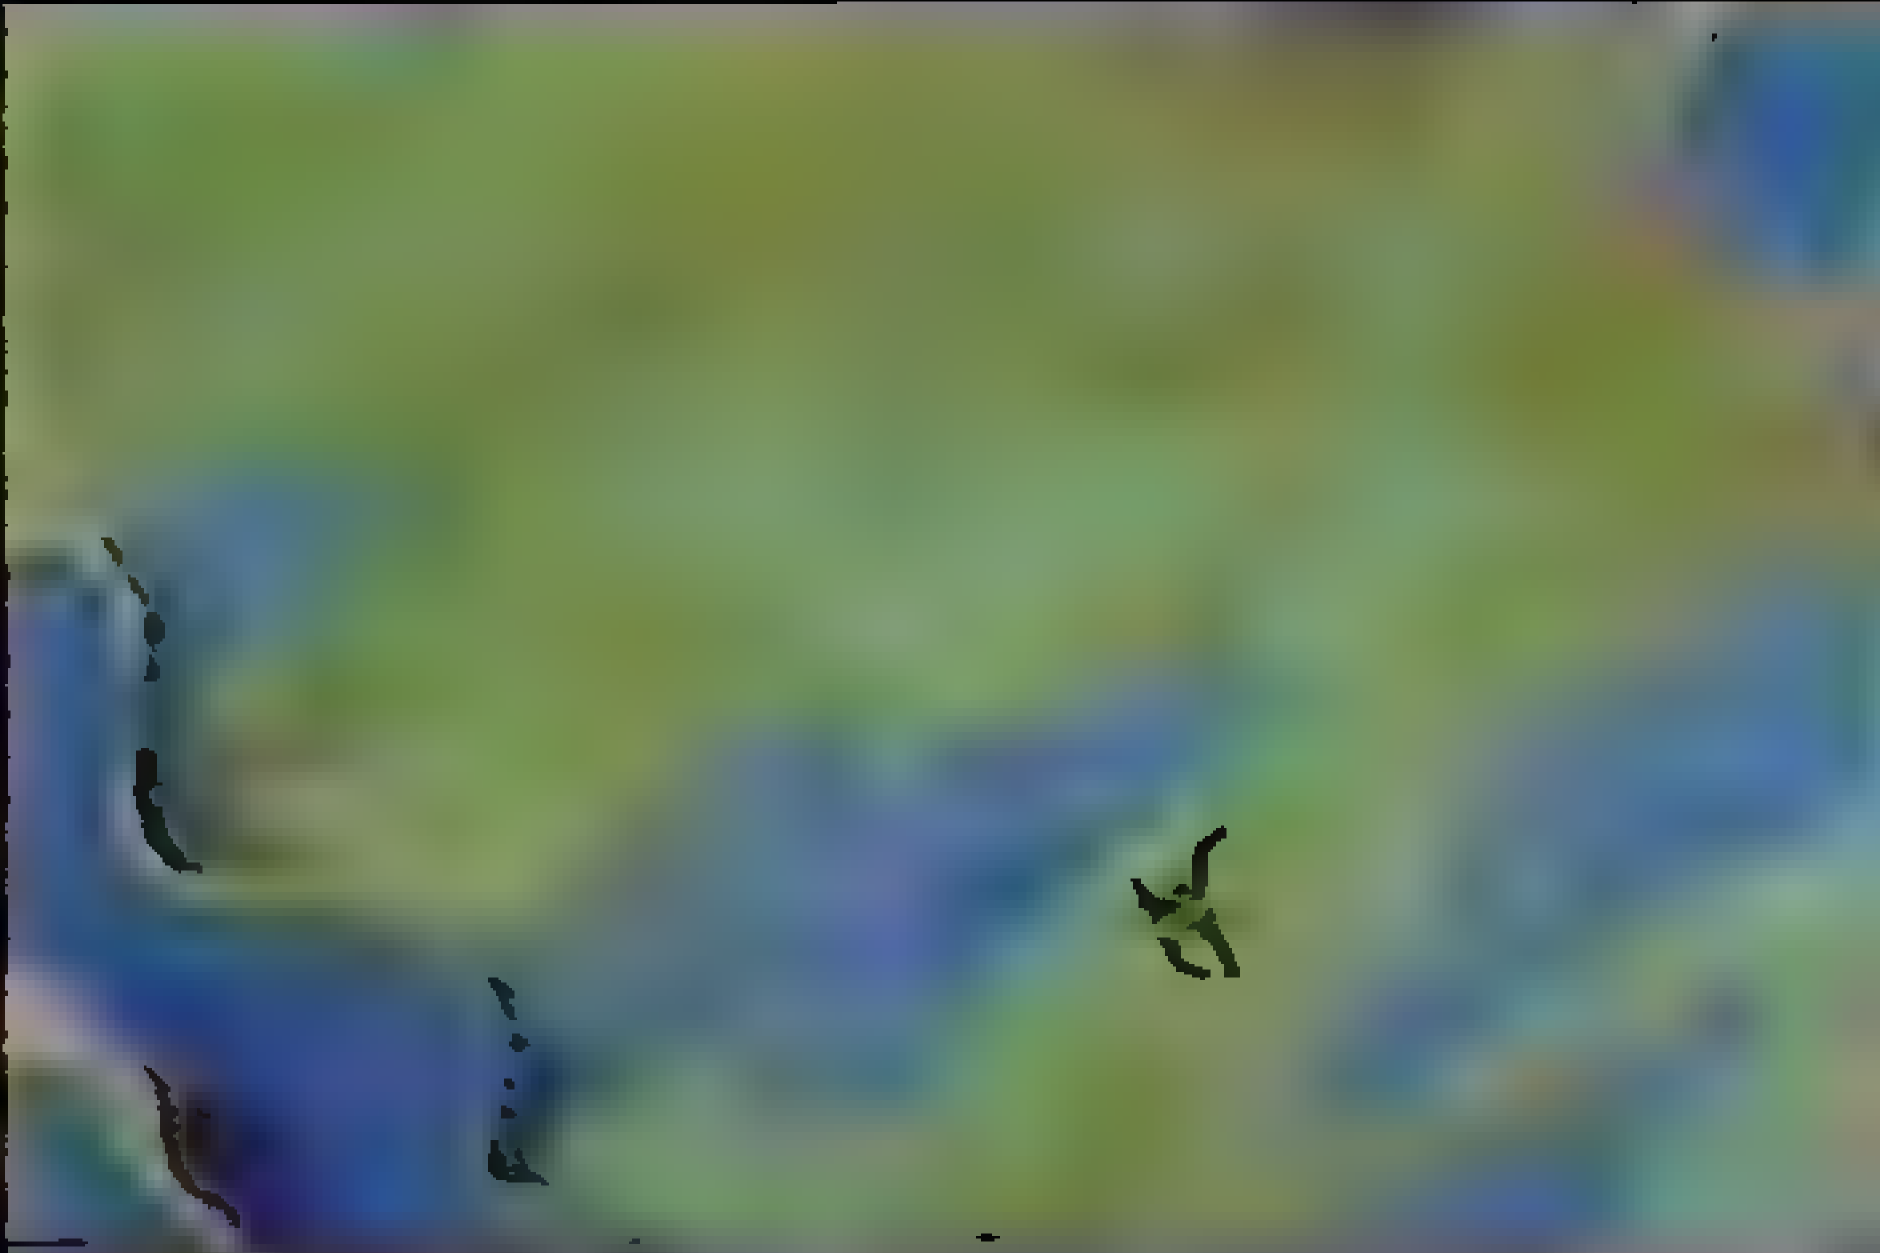

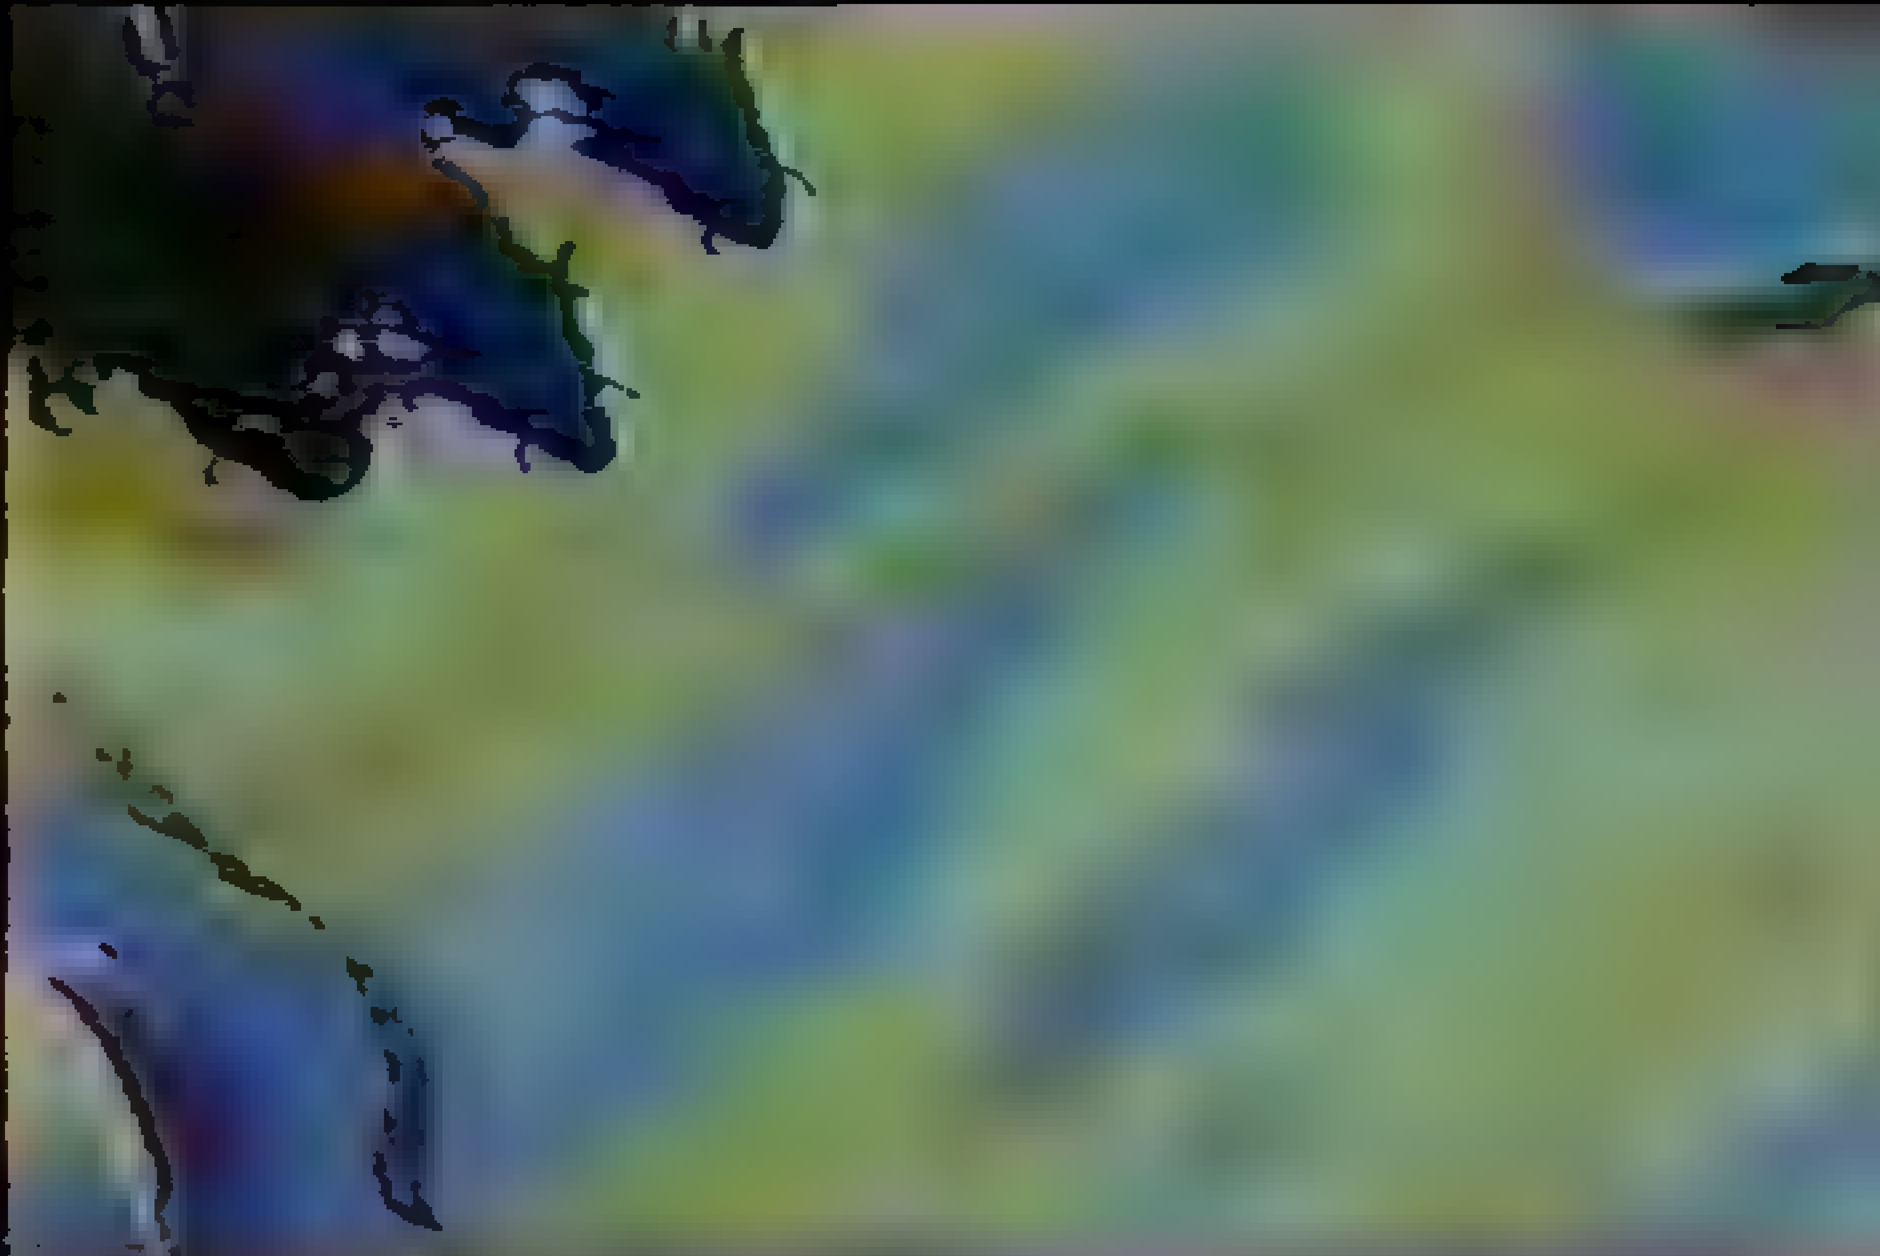

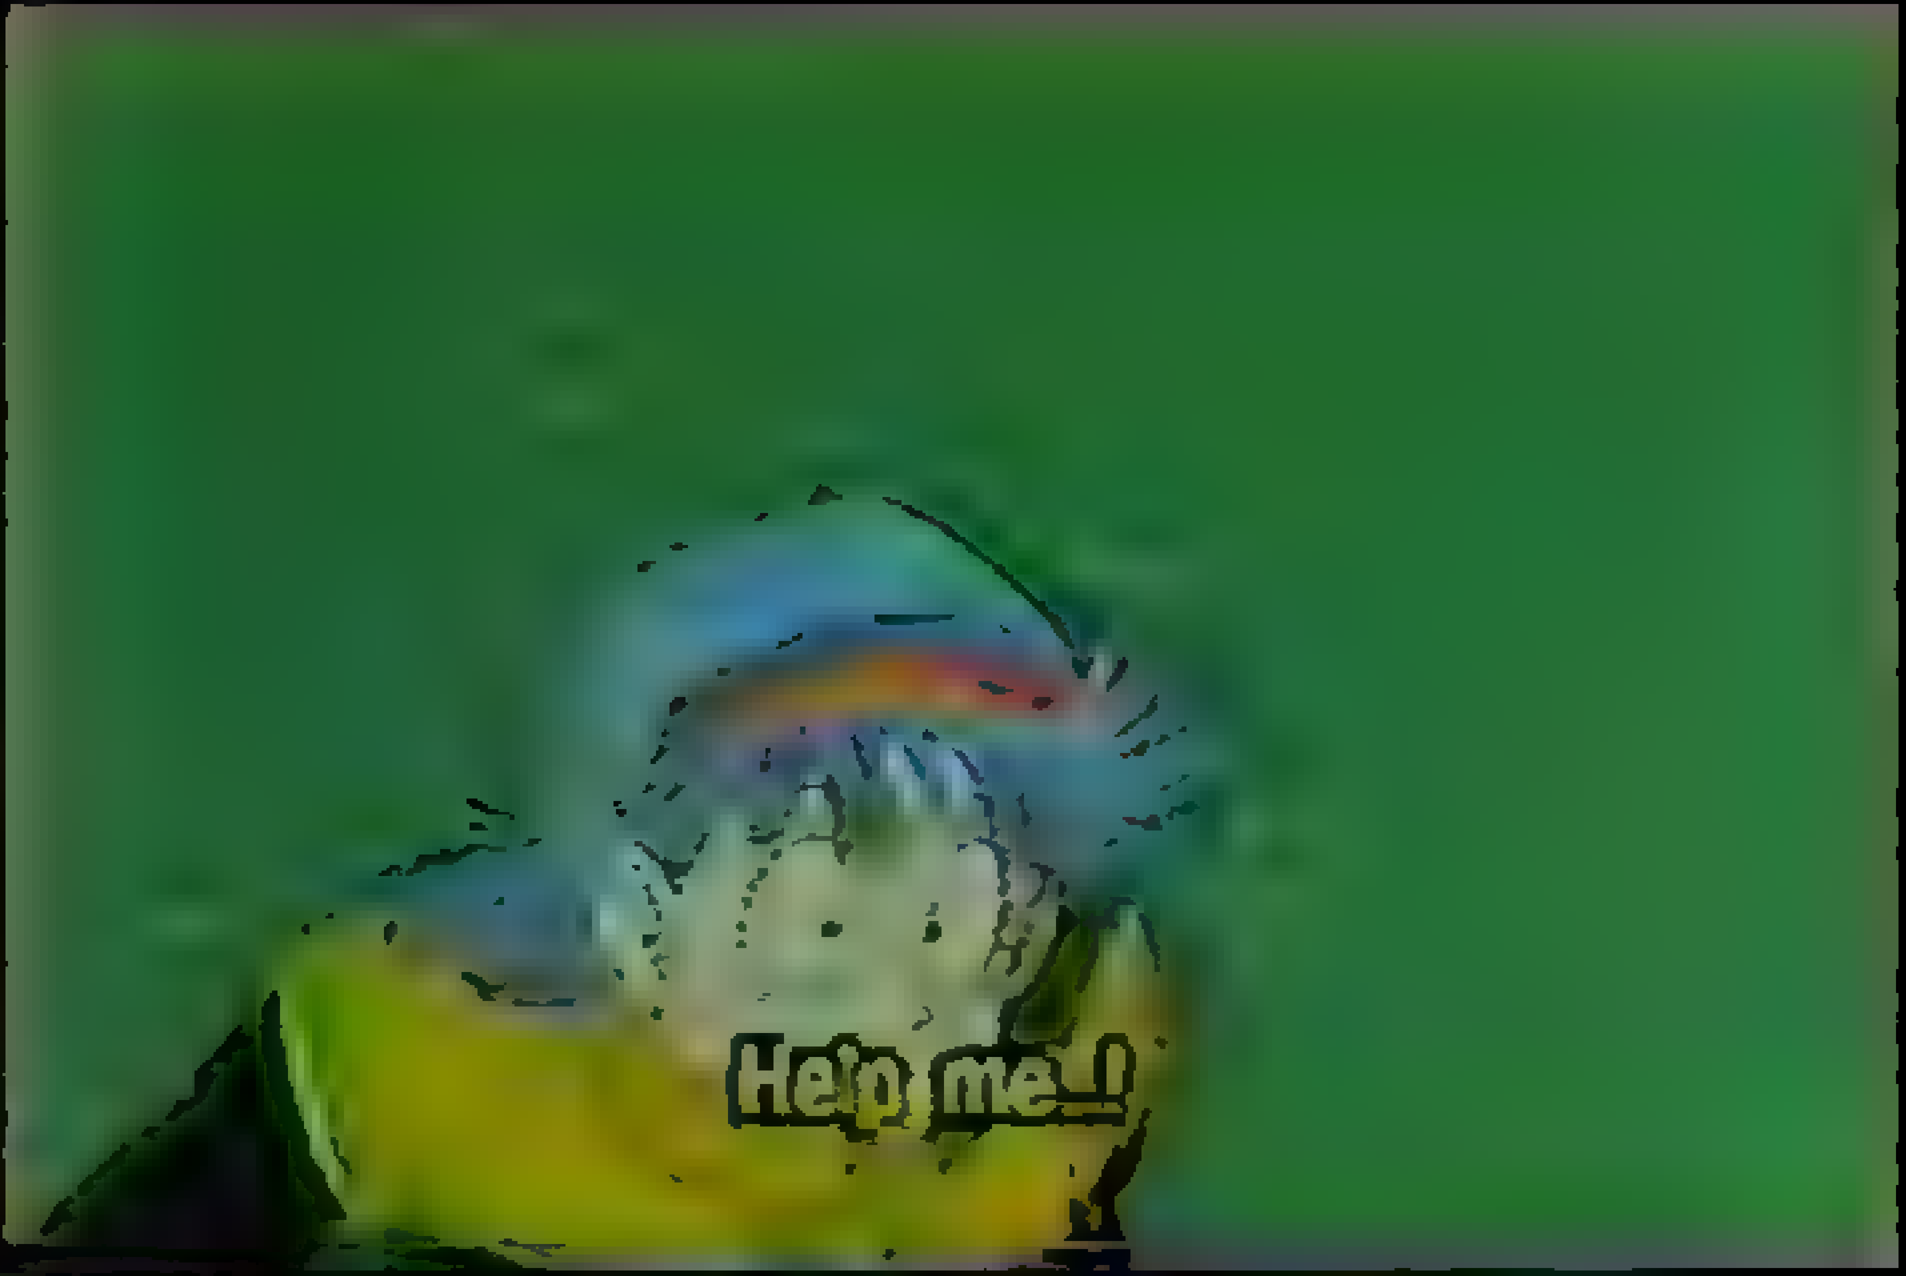

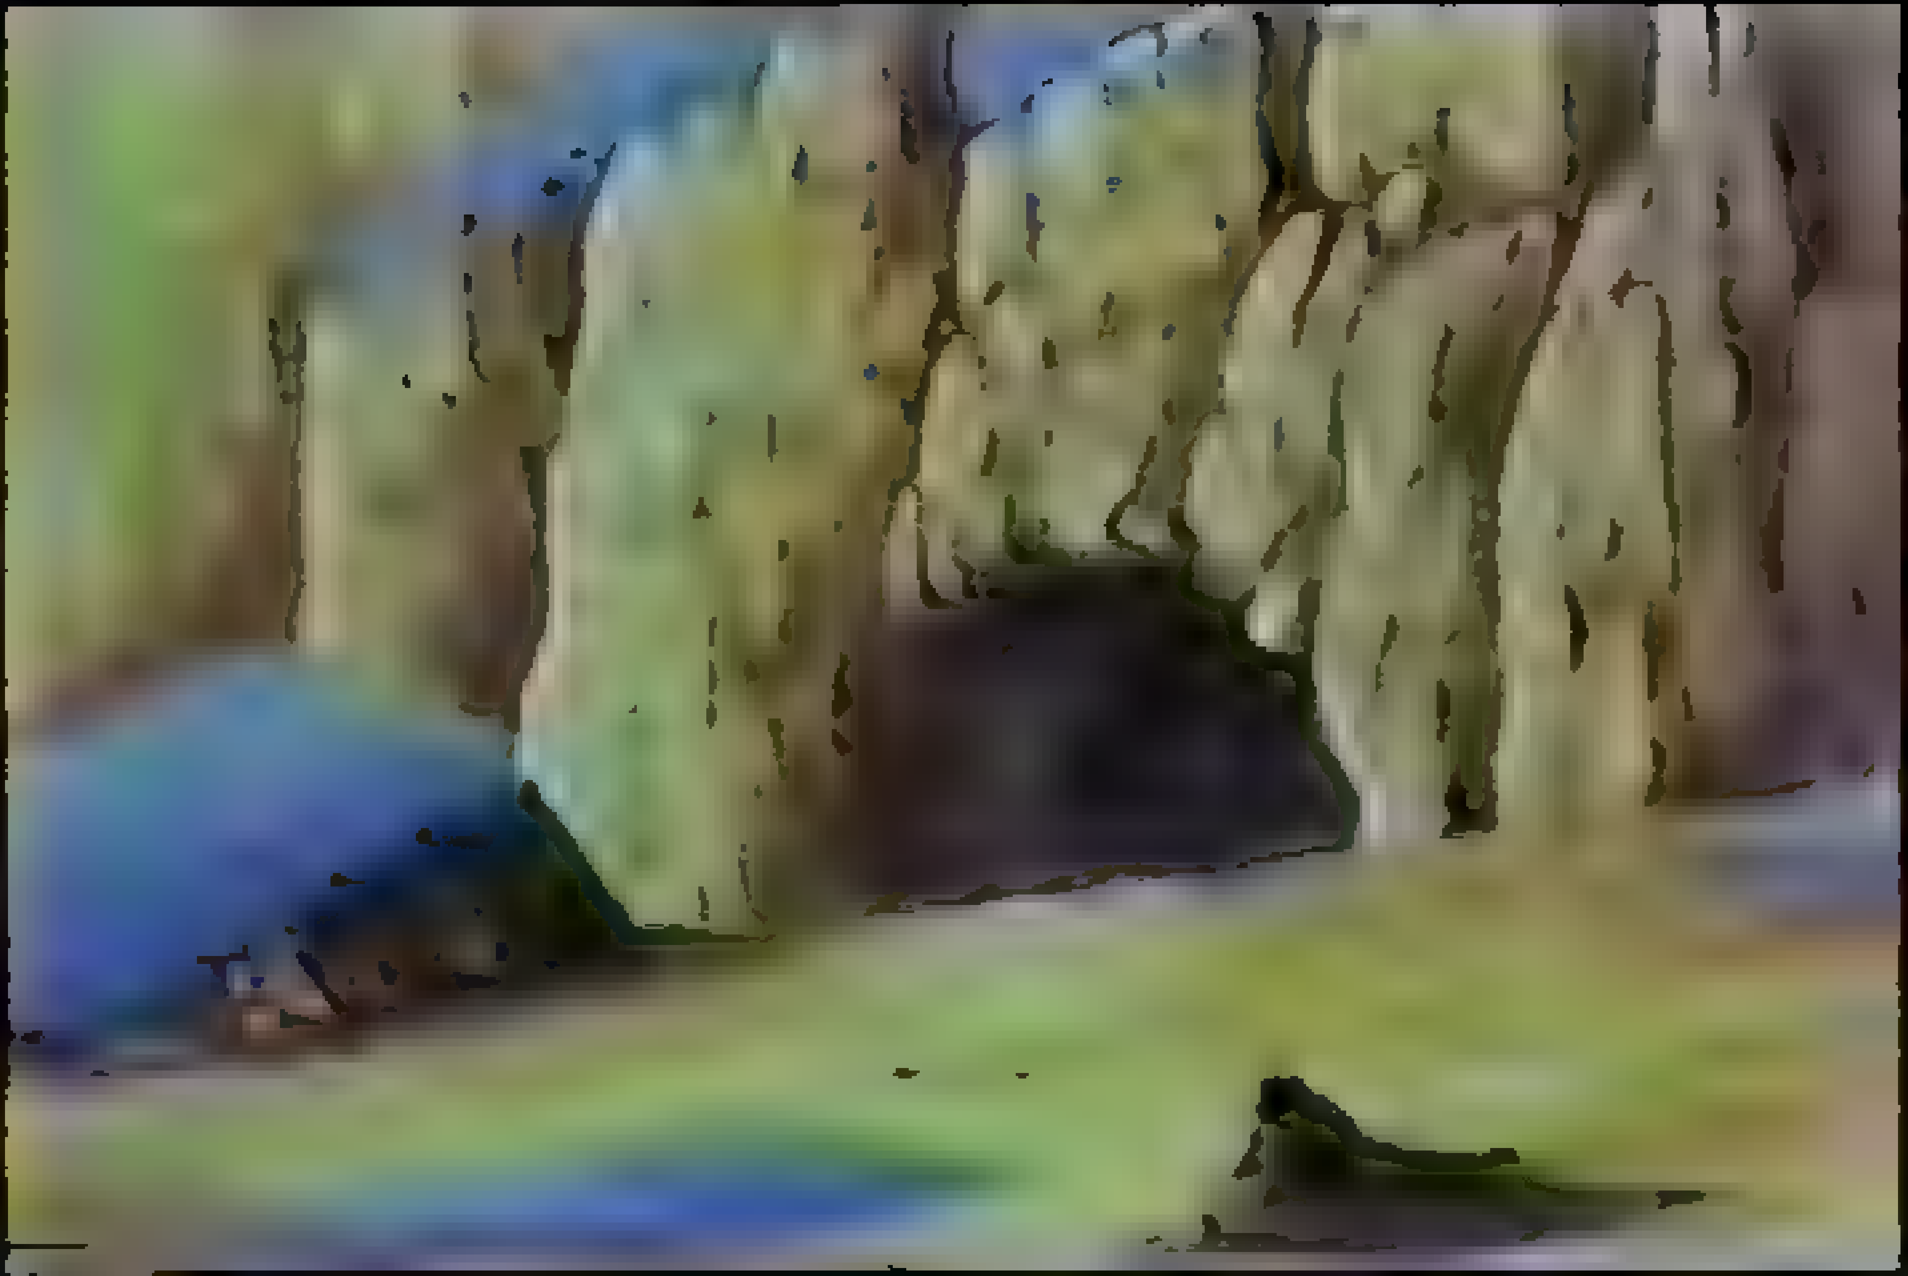

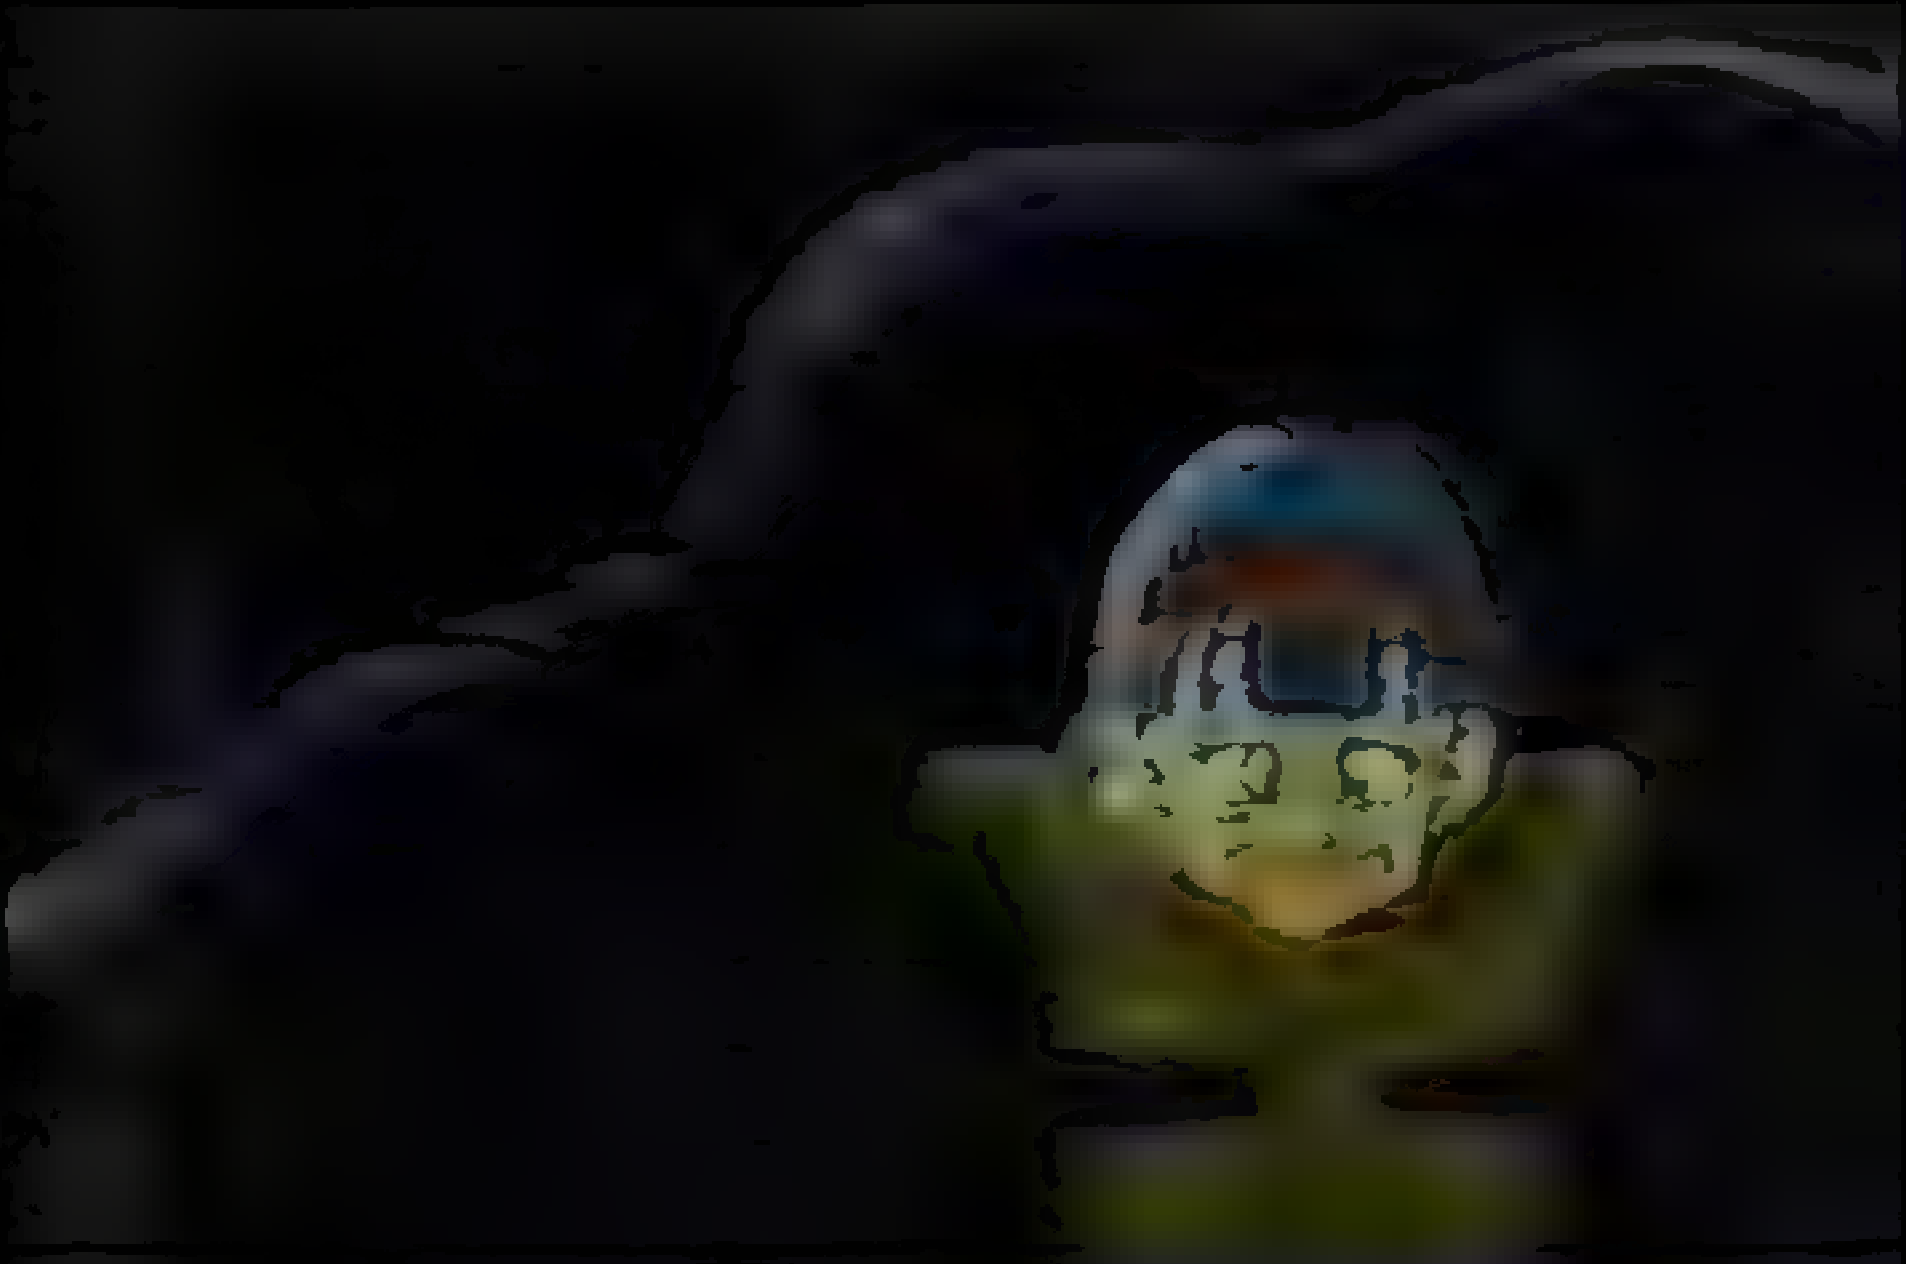

Help me..!

Help me..!

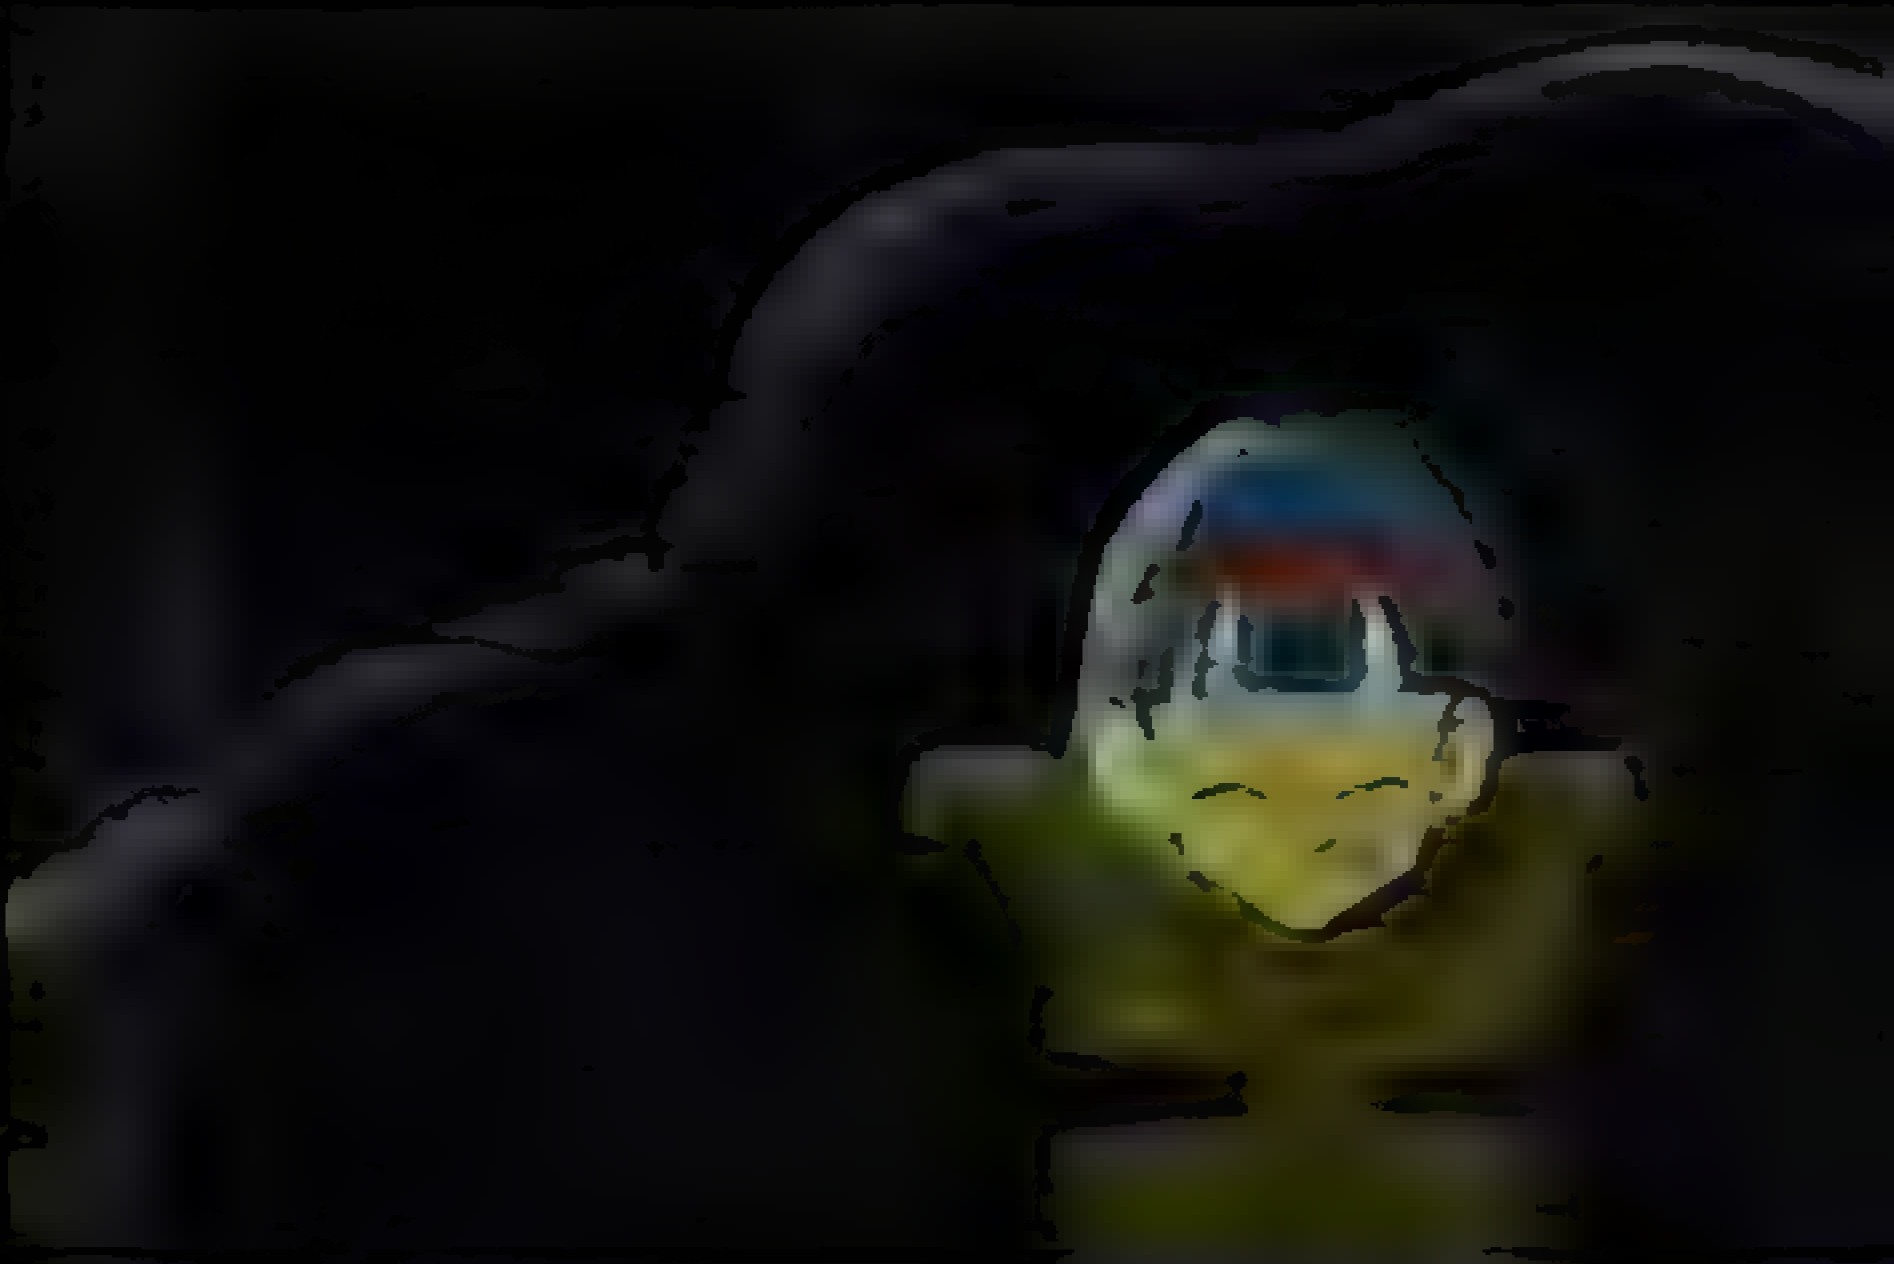

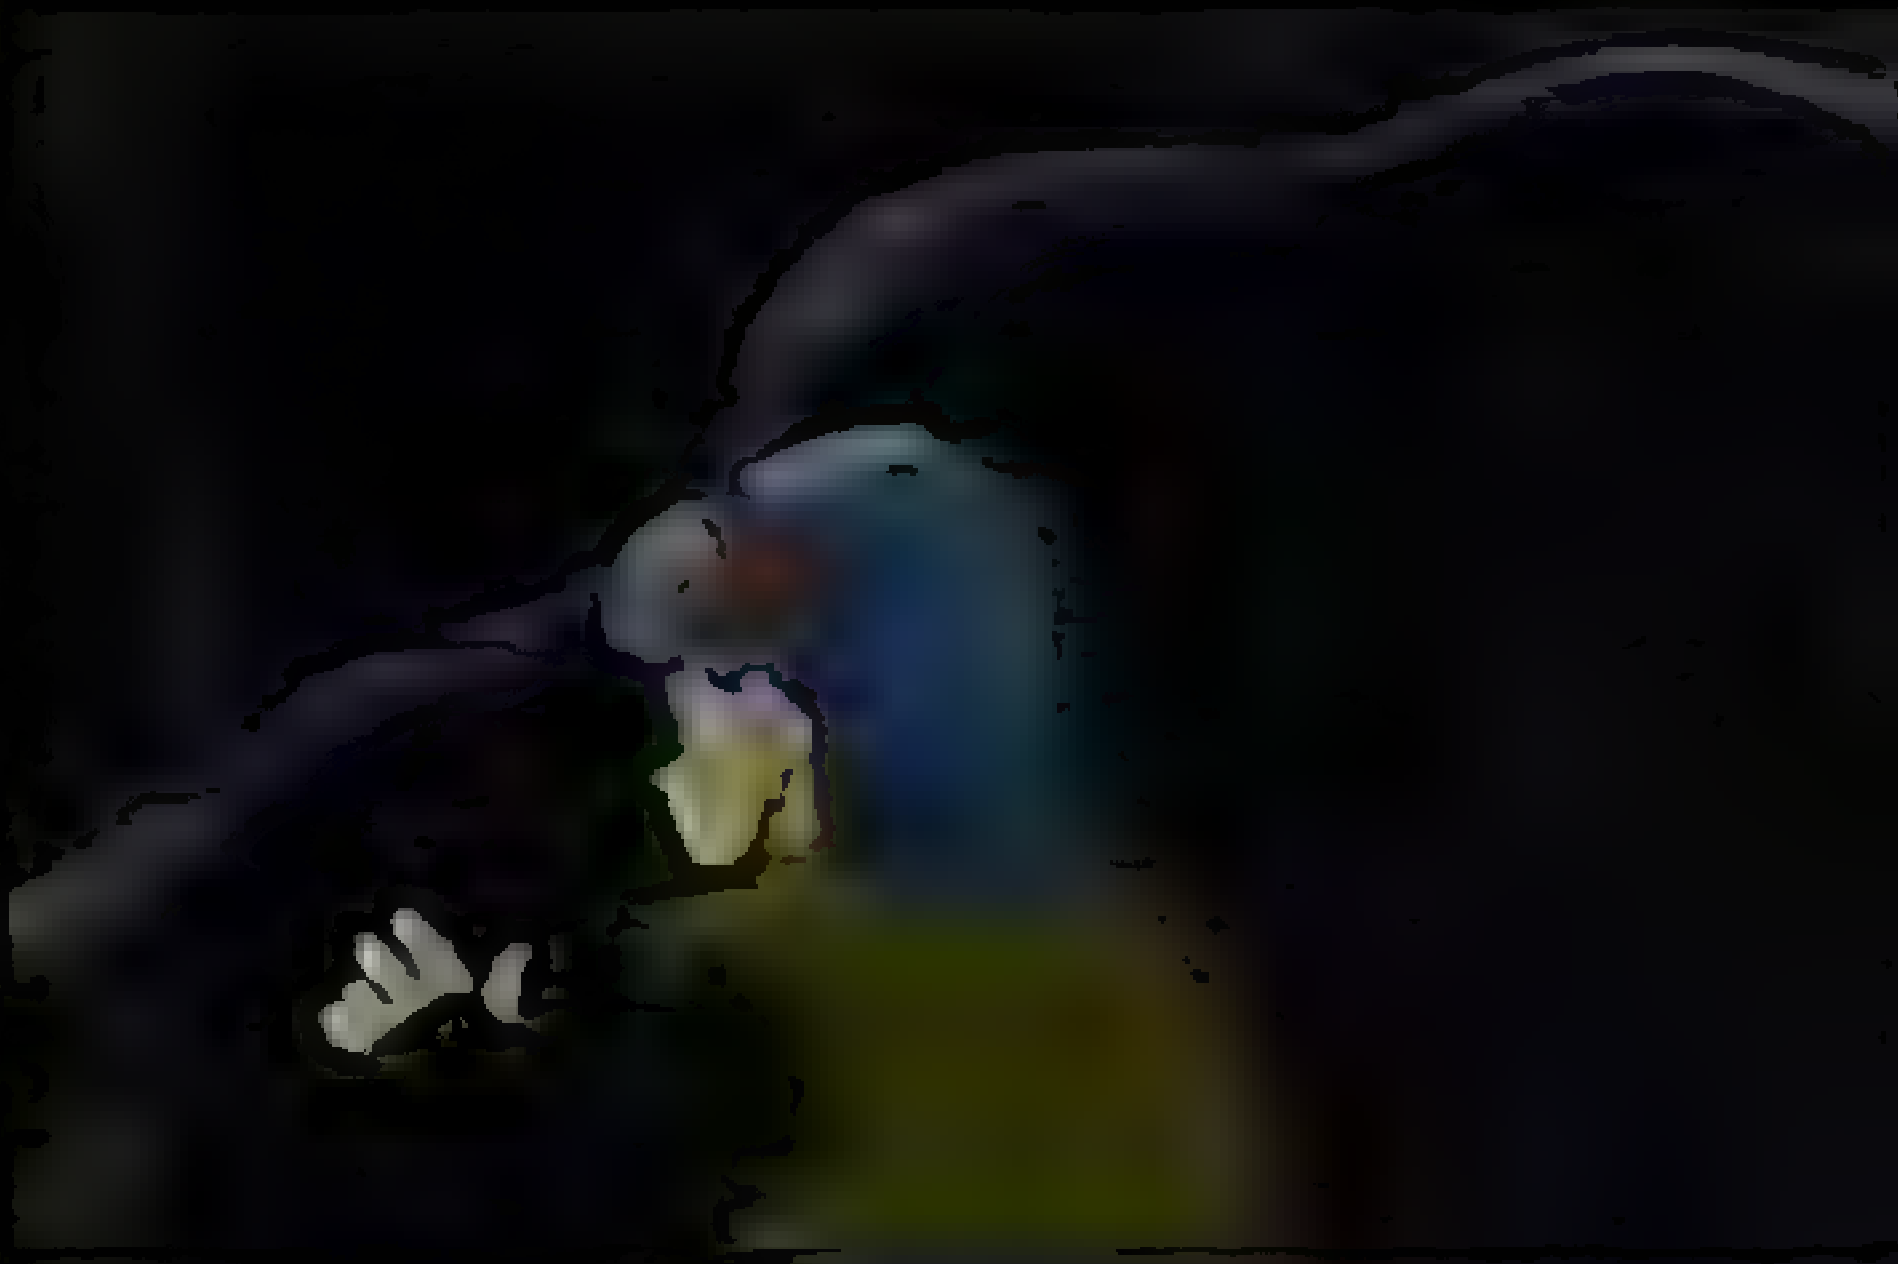

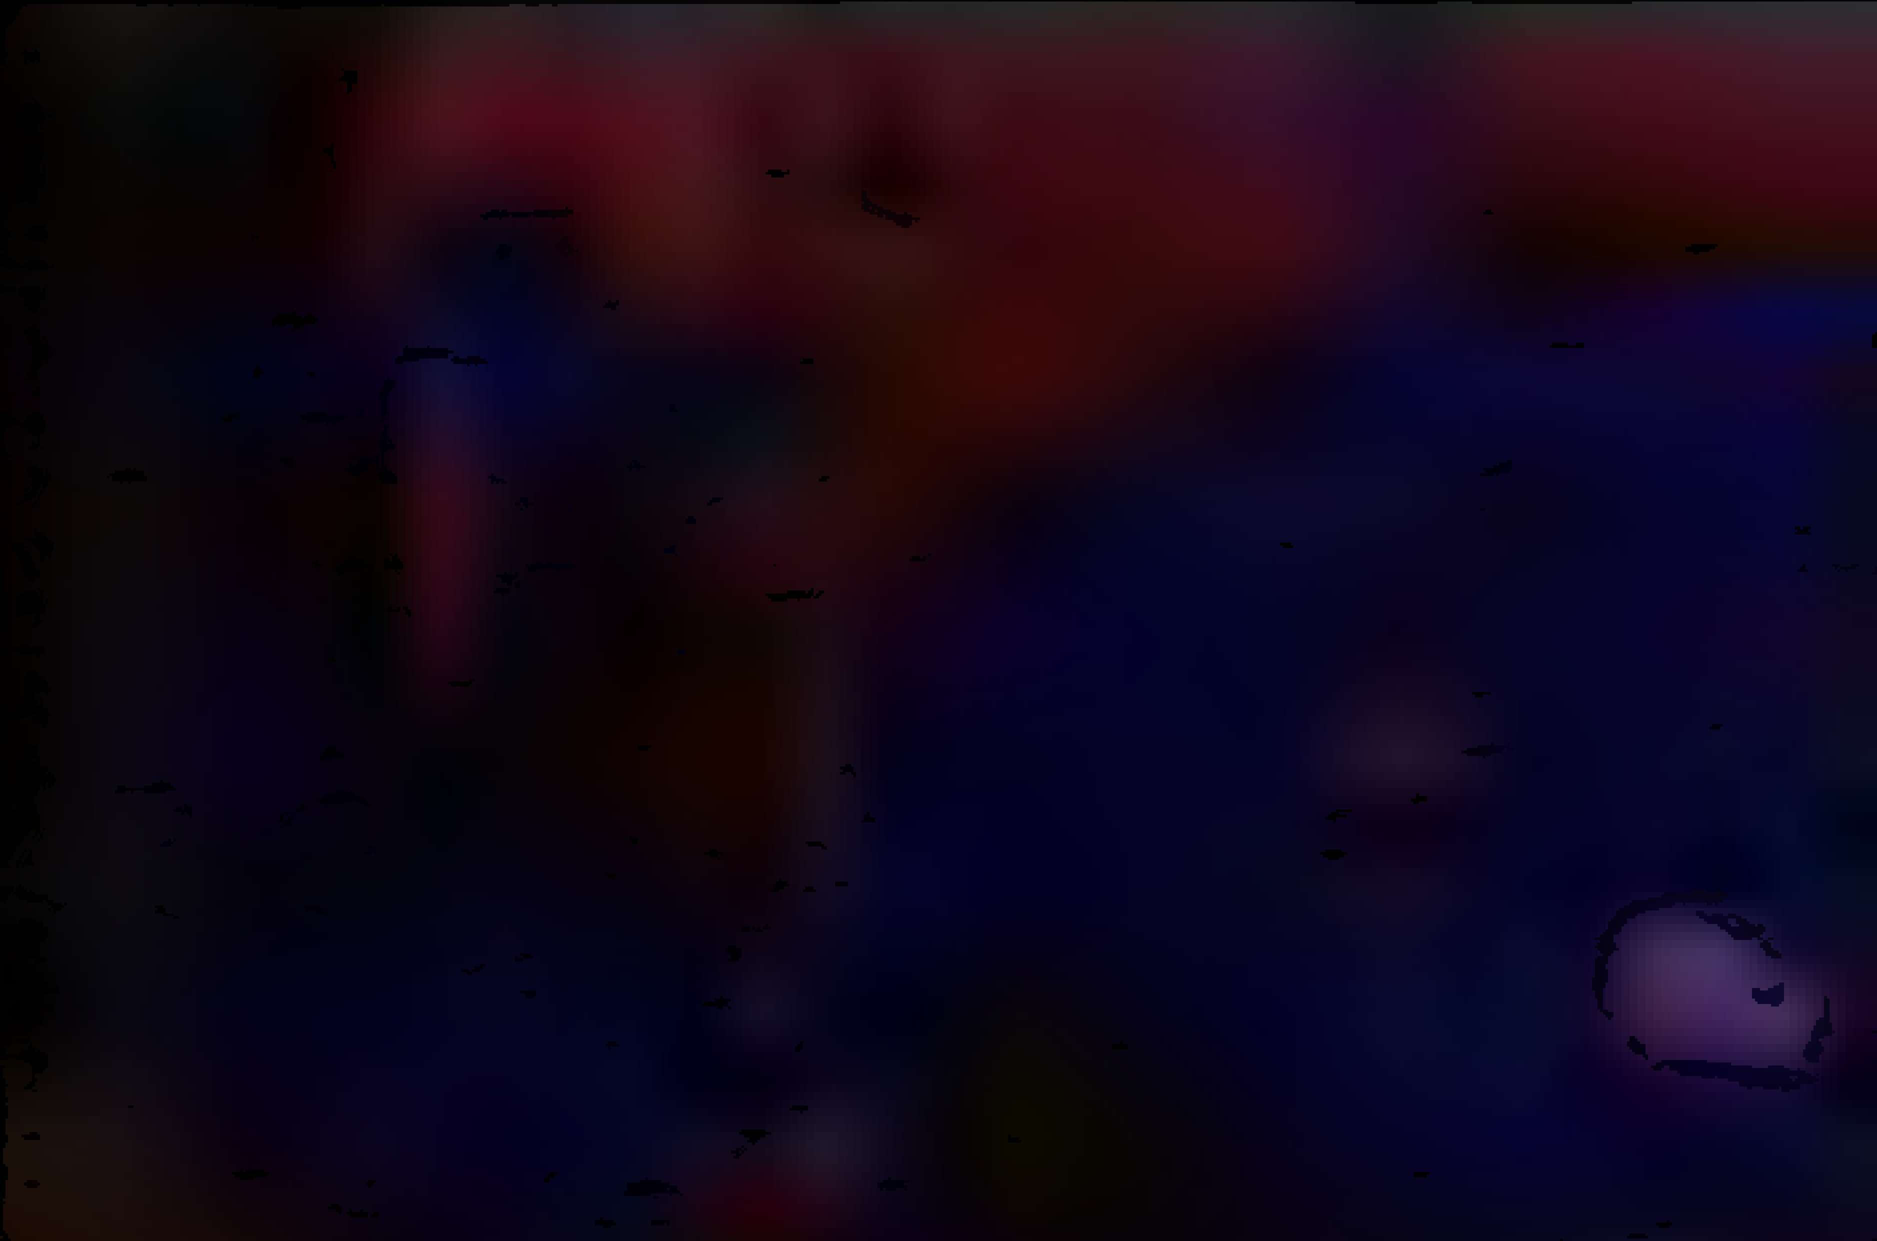

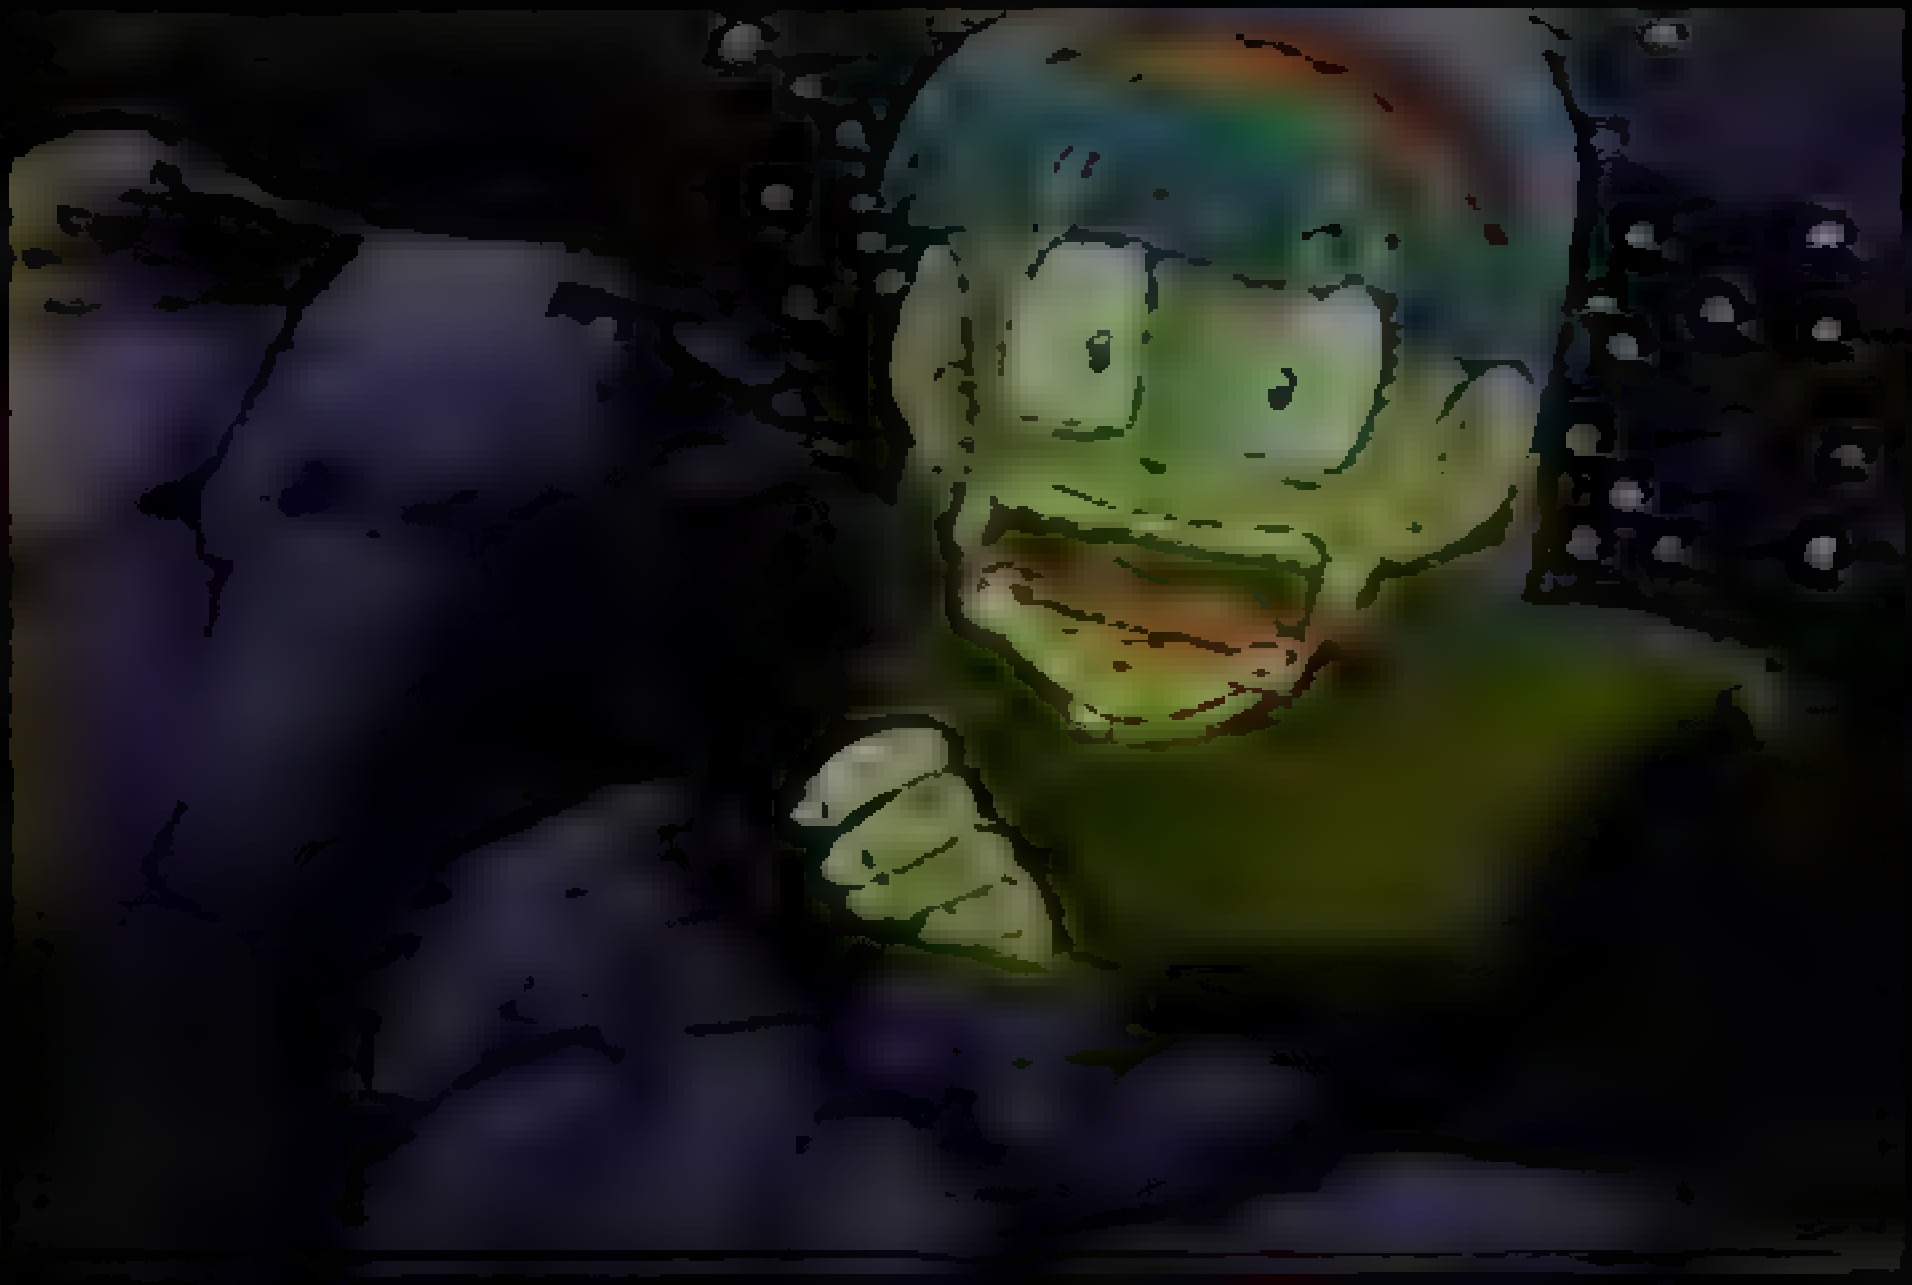

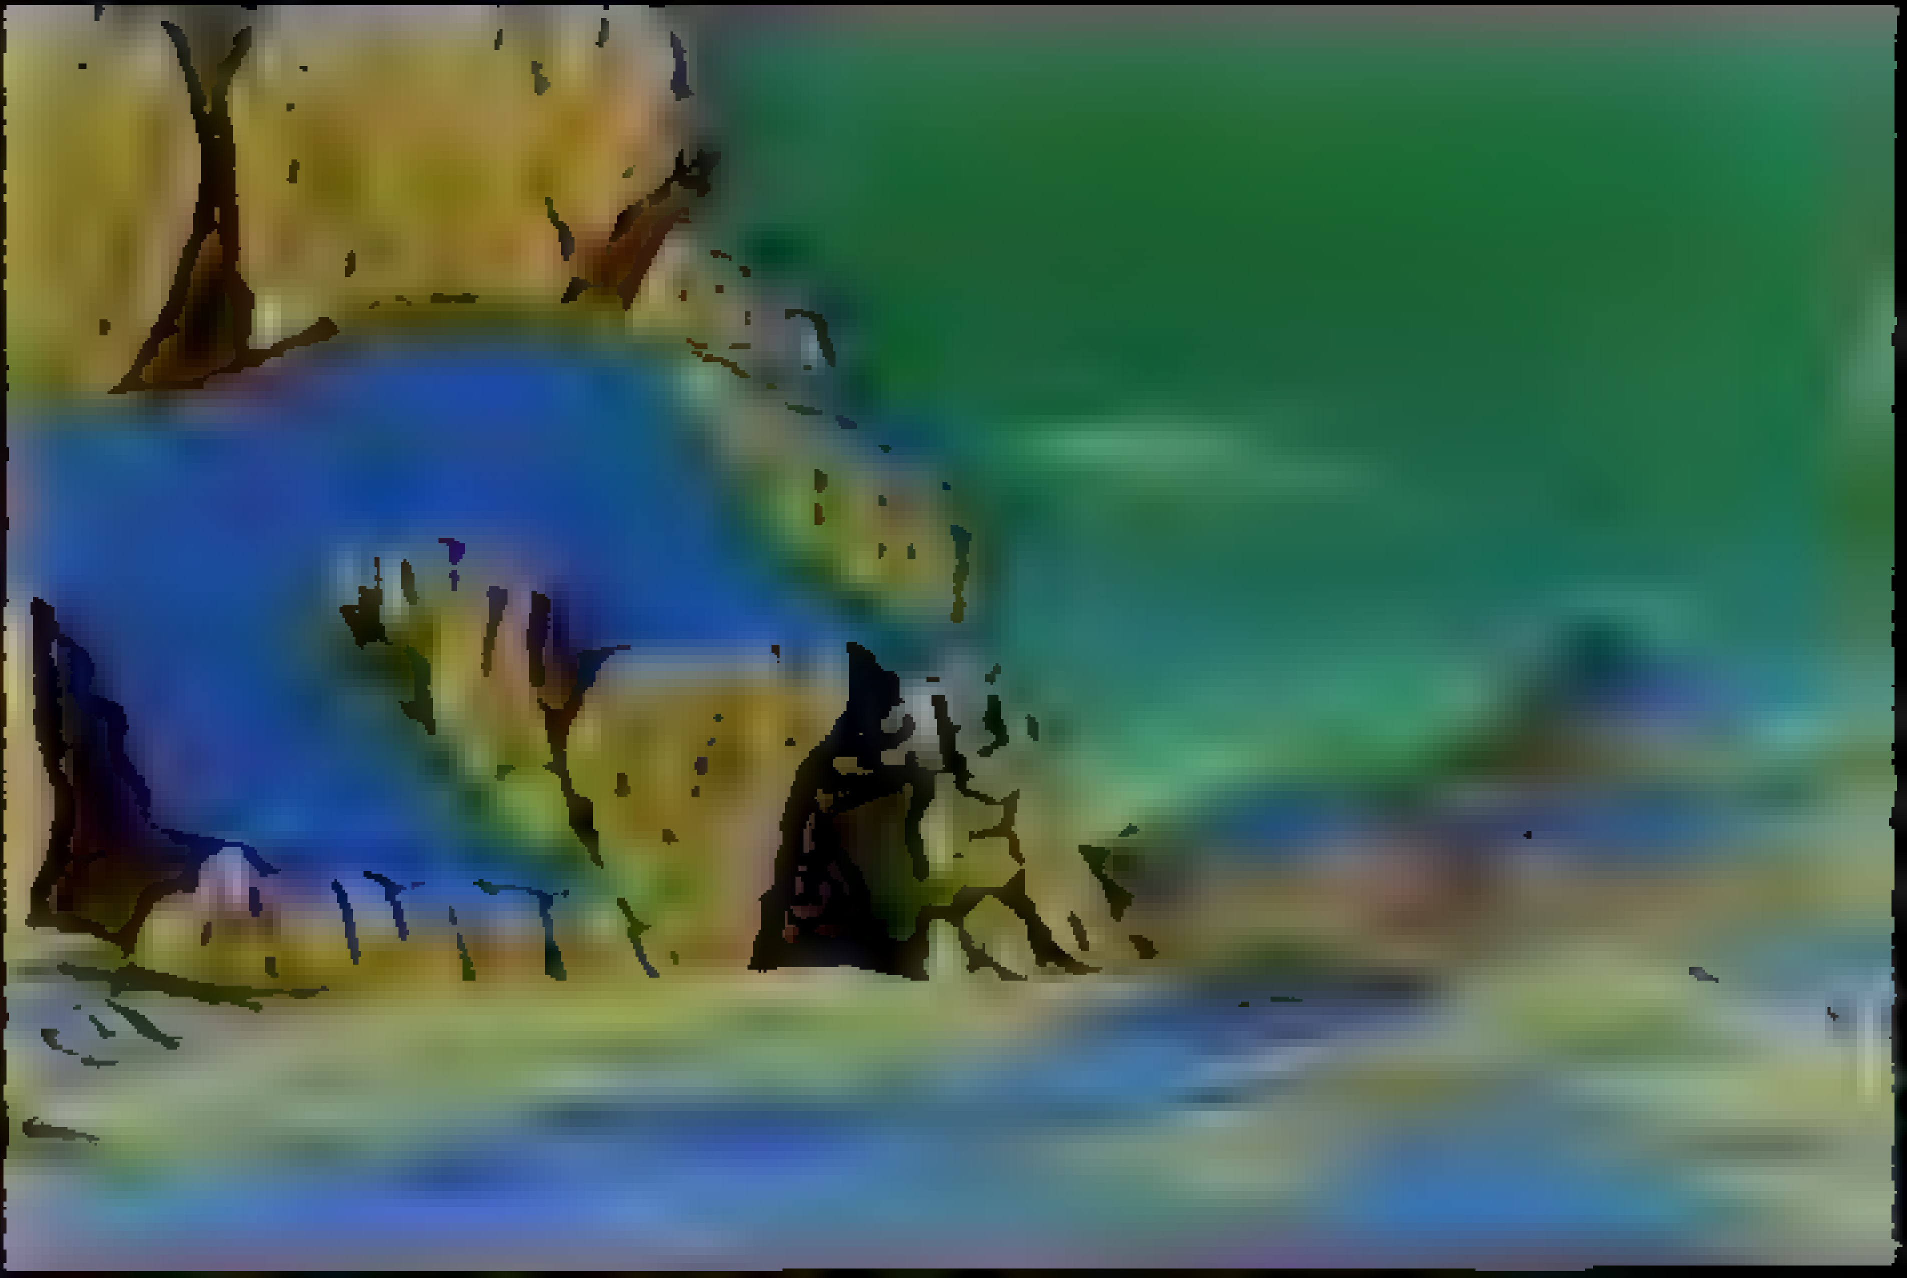

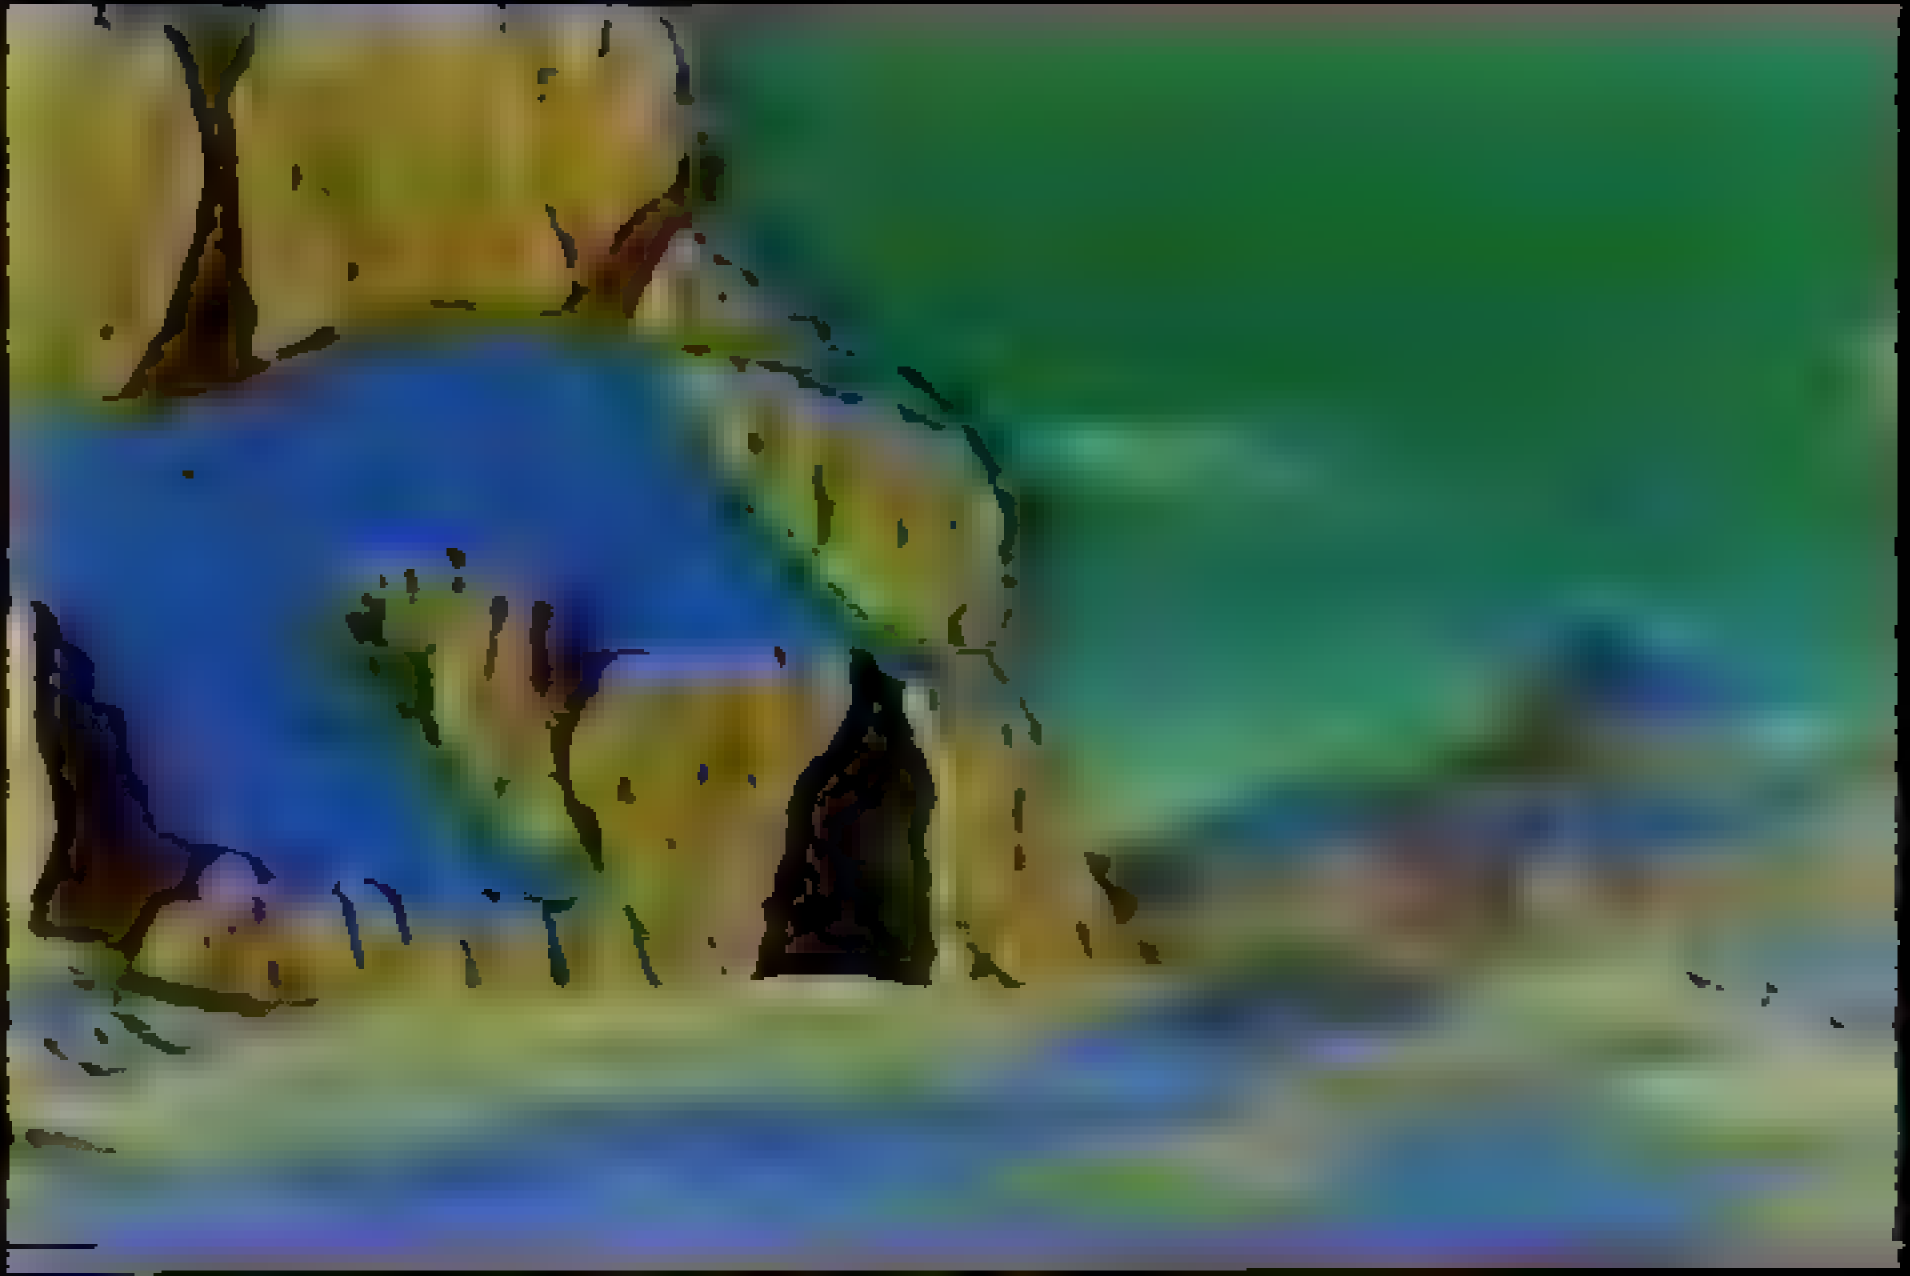

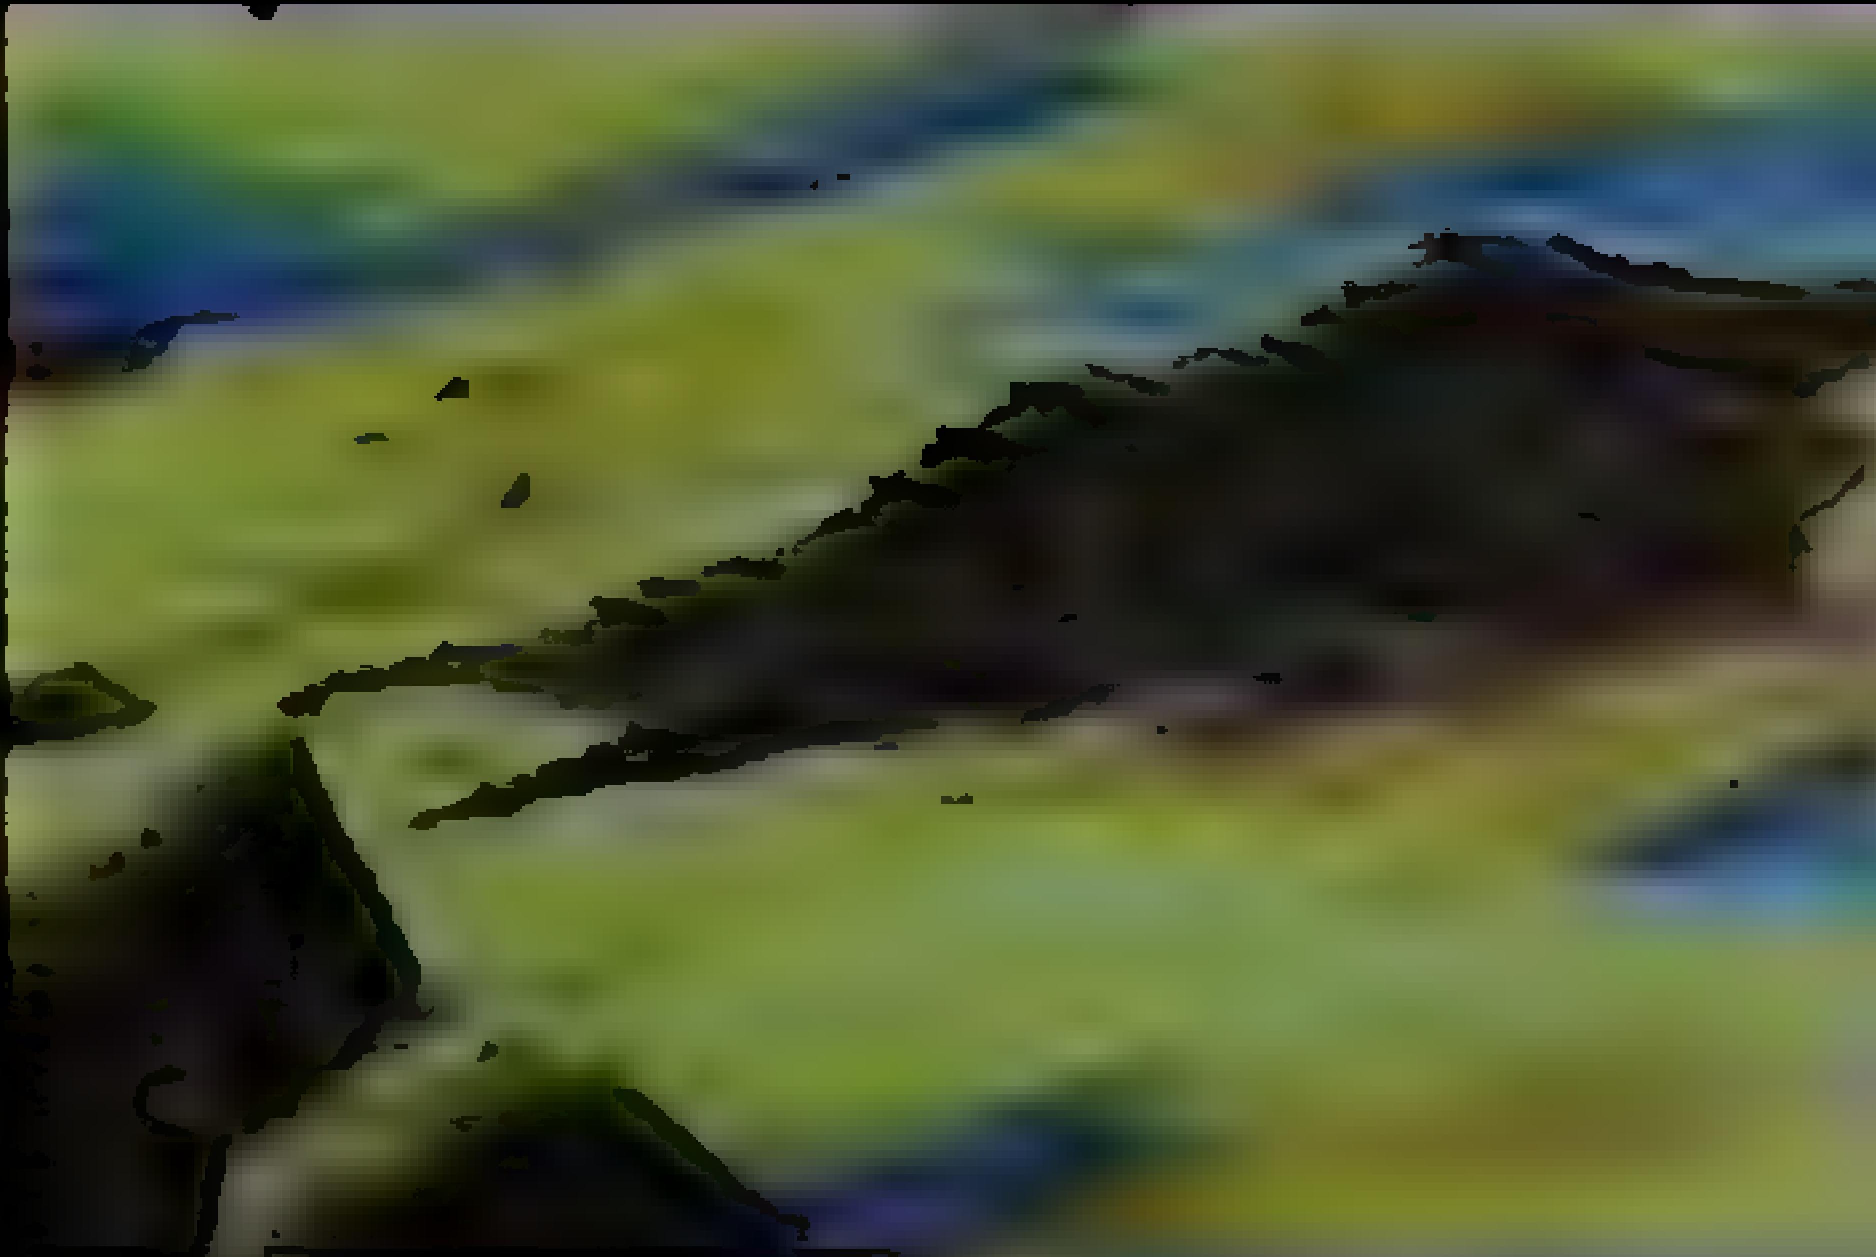

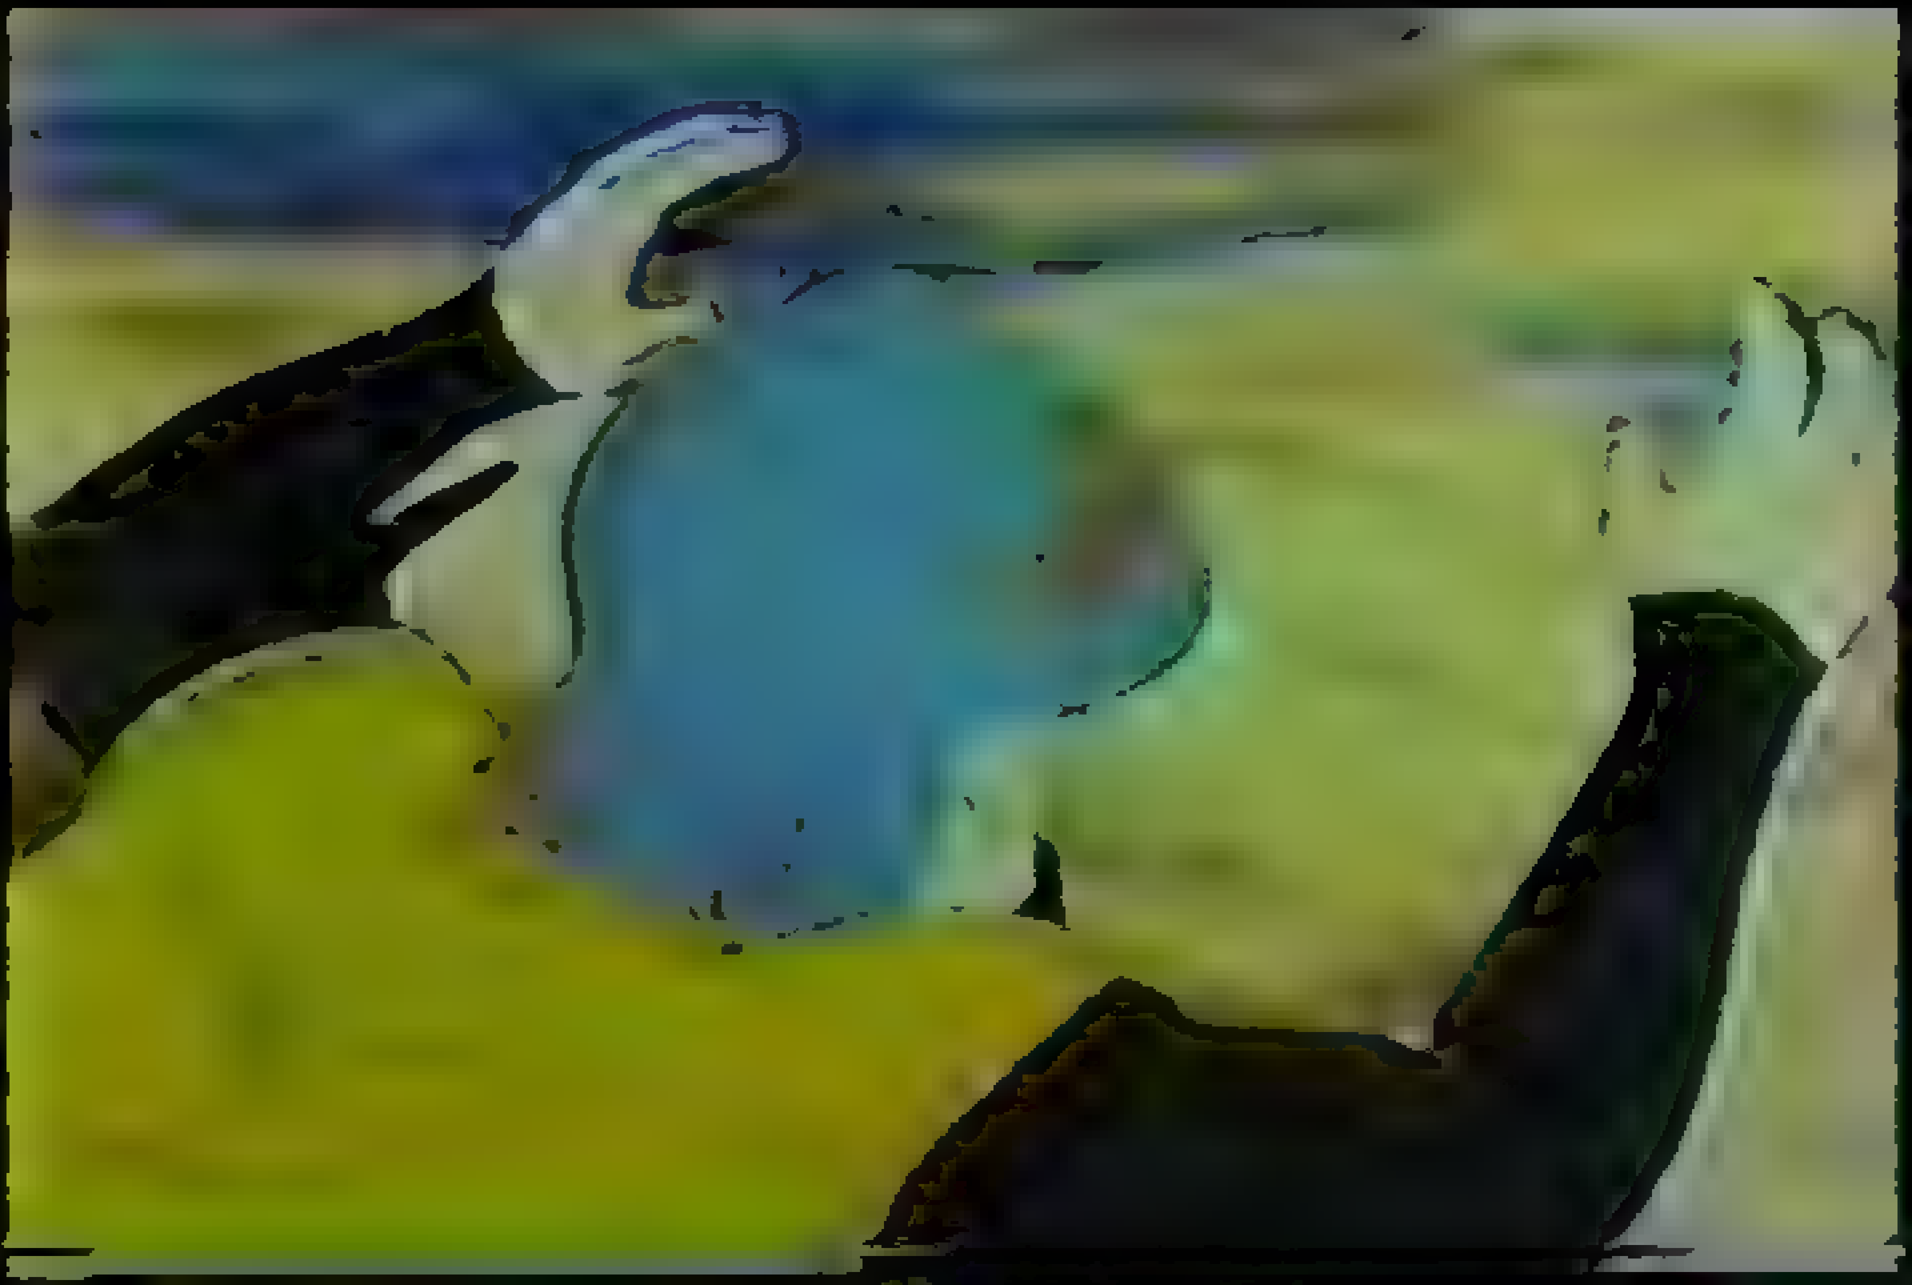

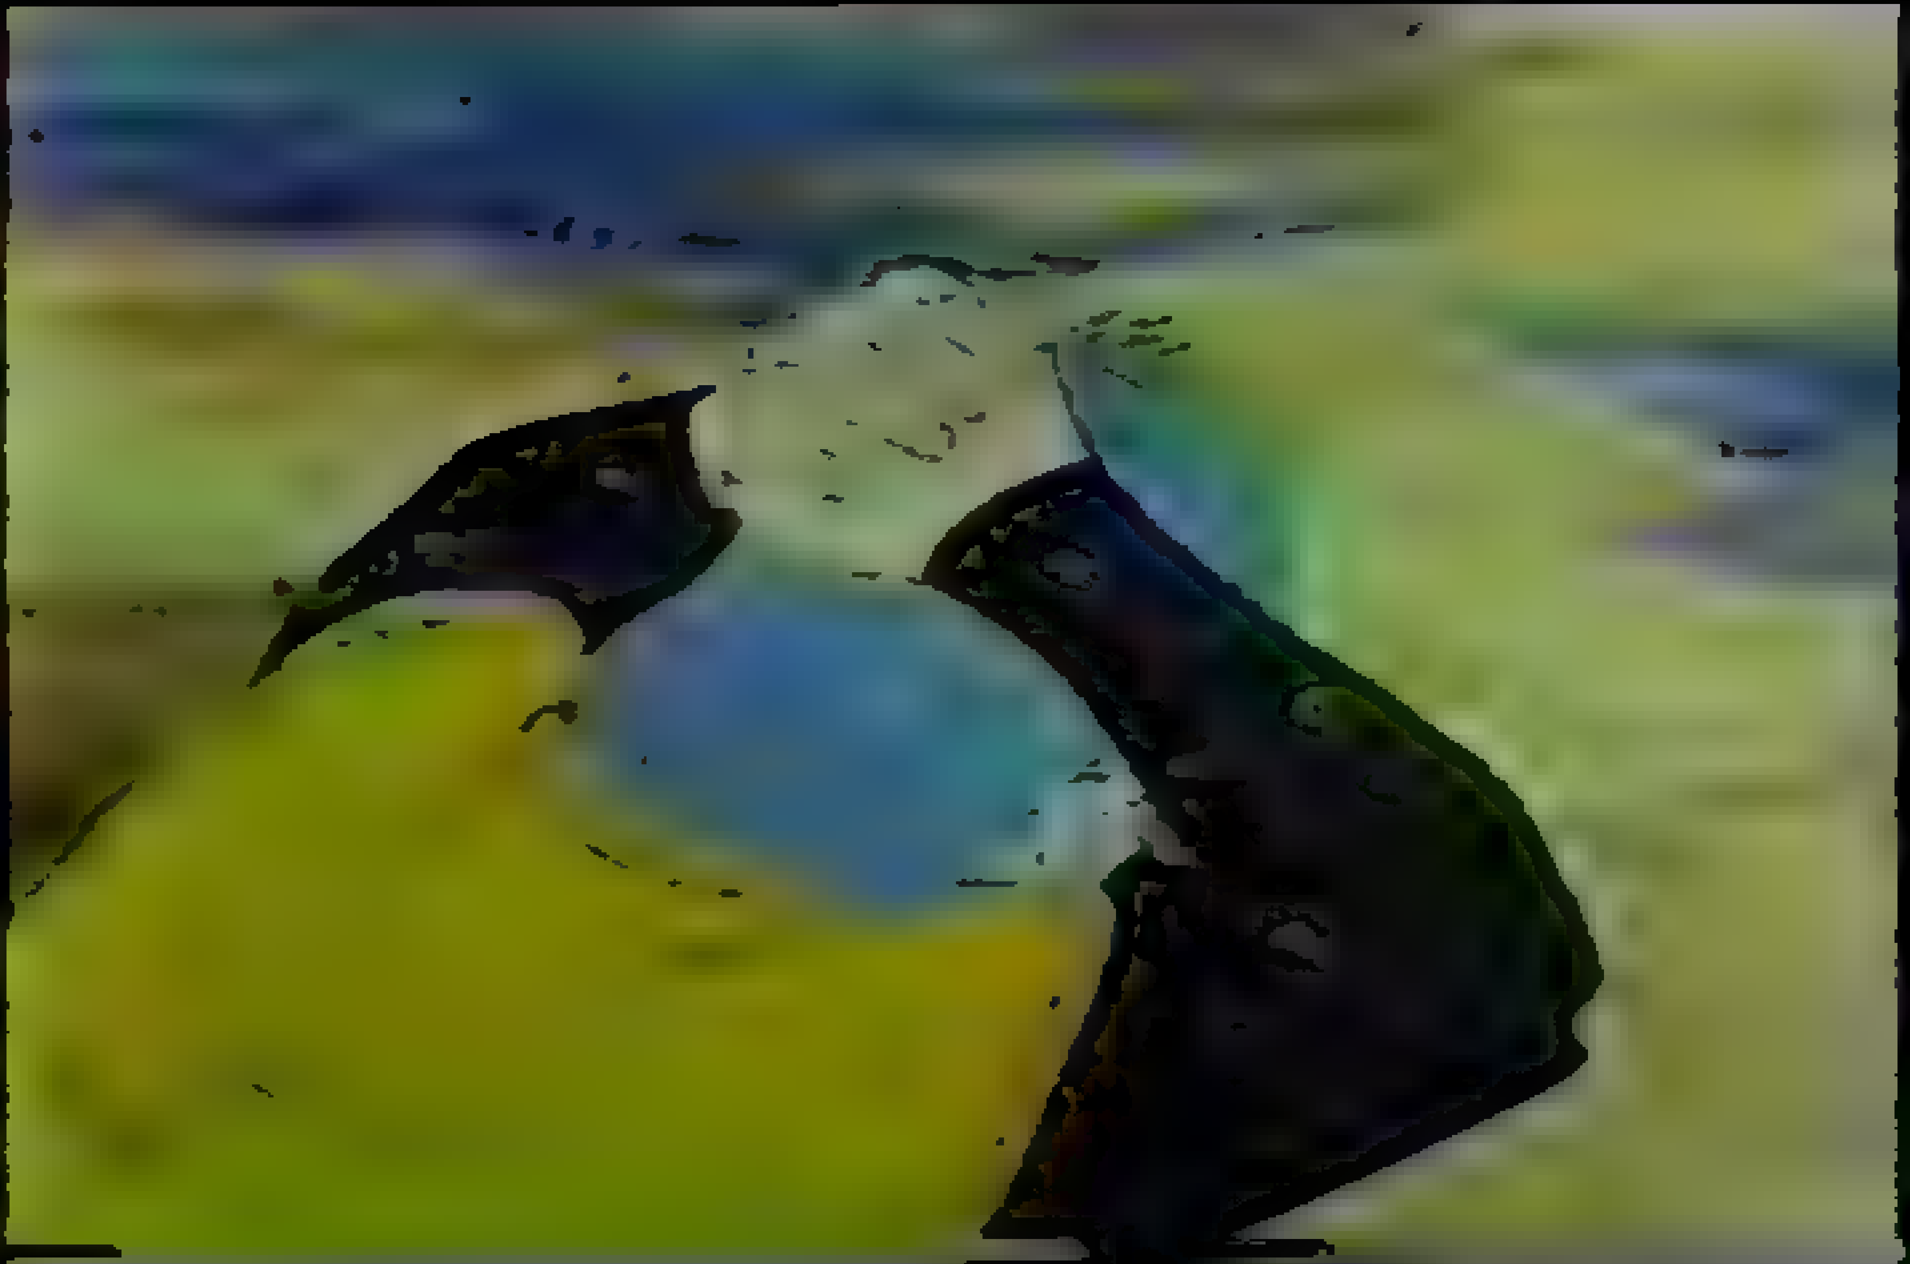

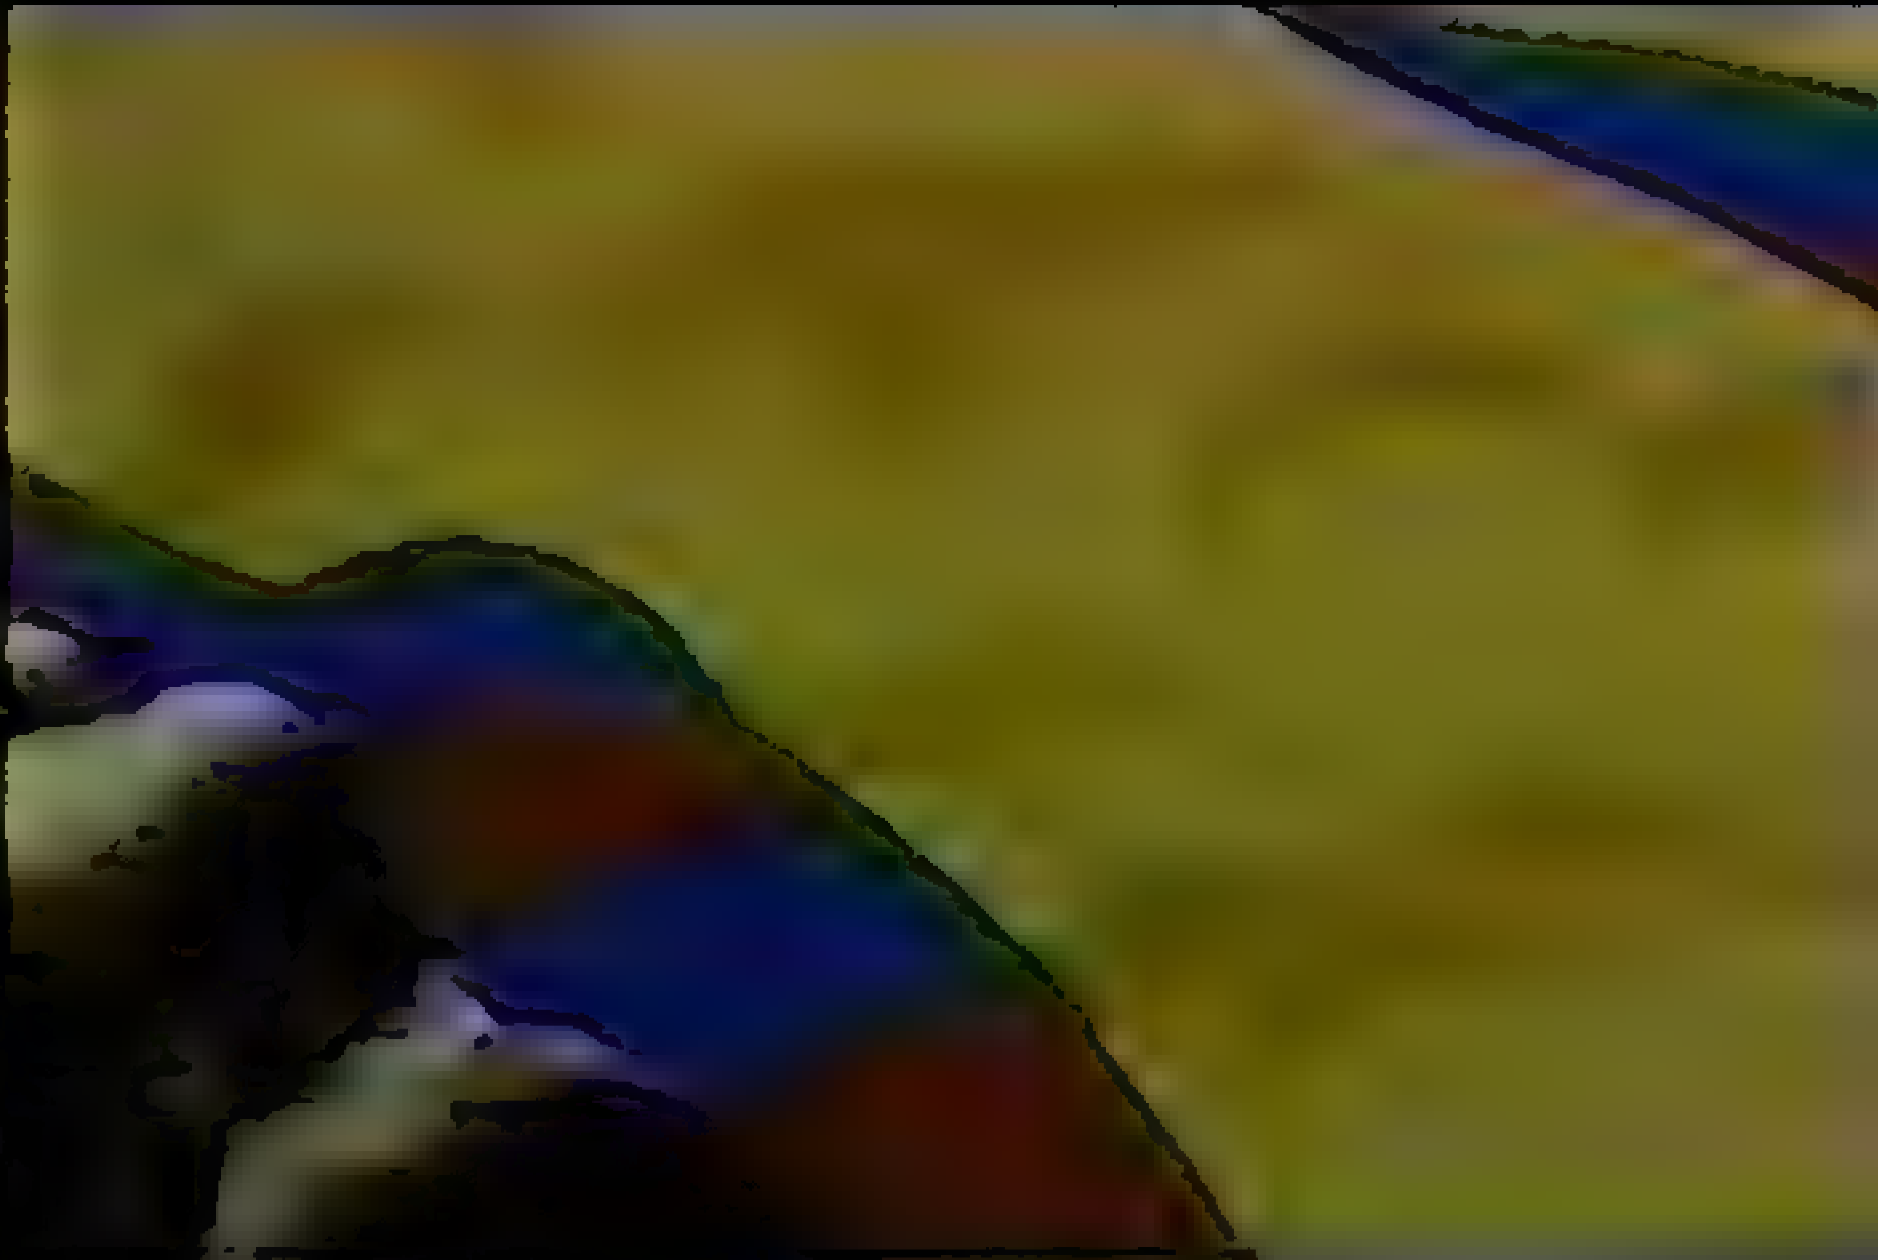

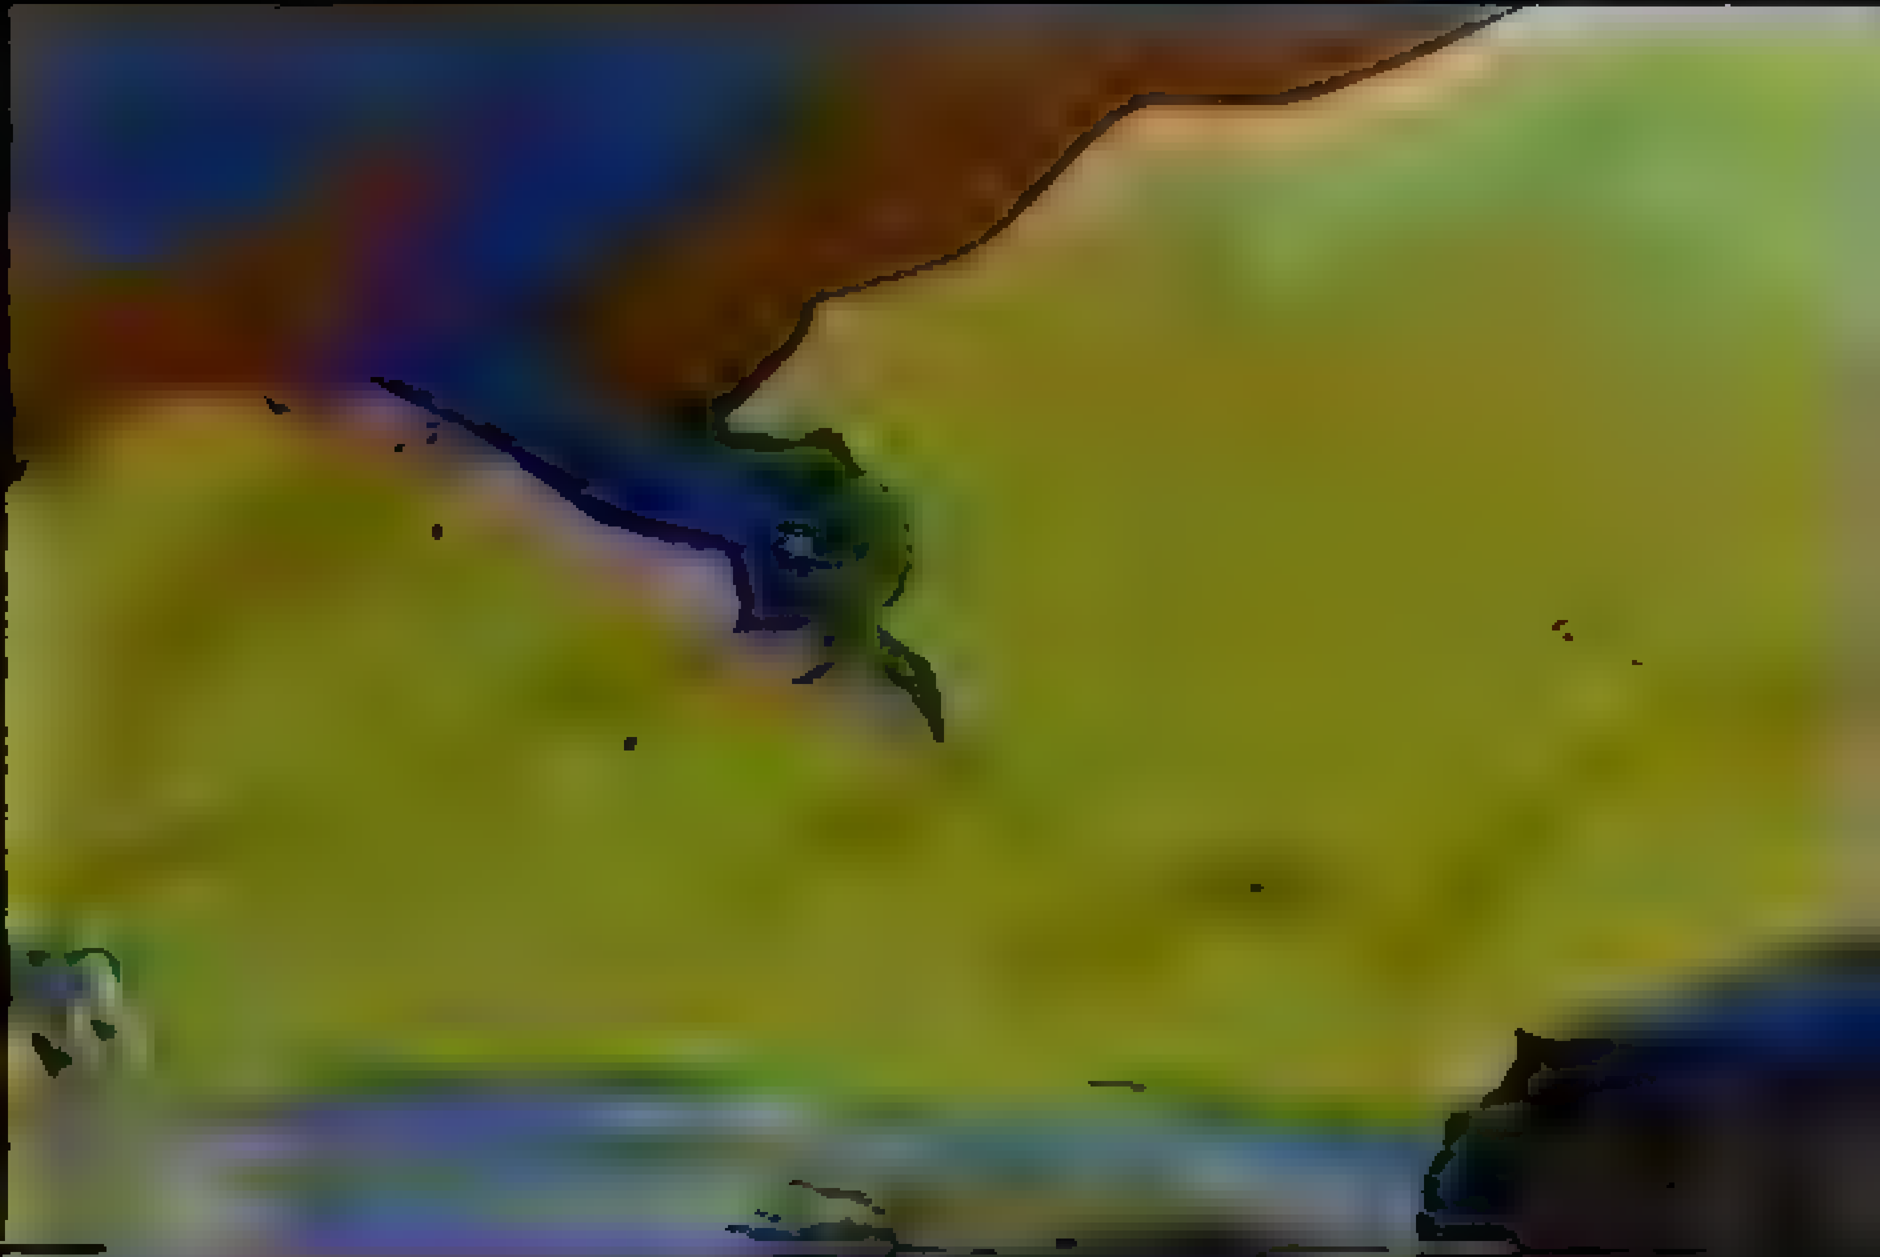

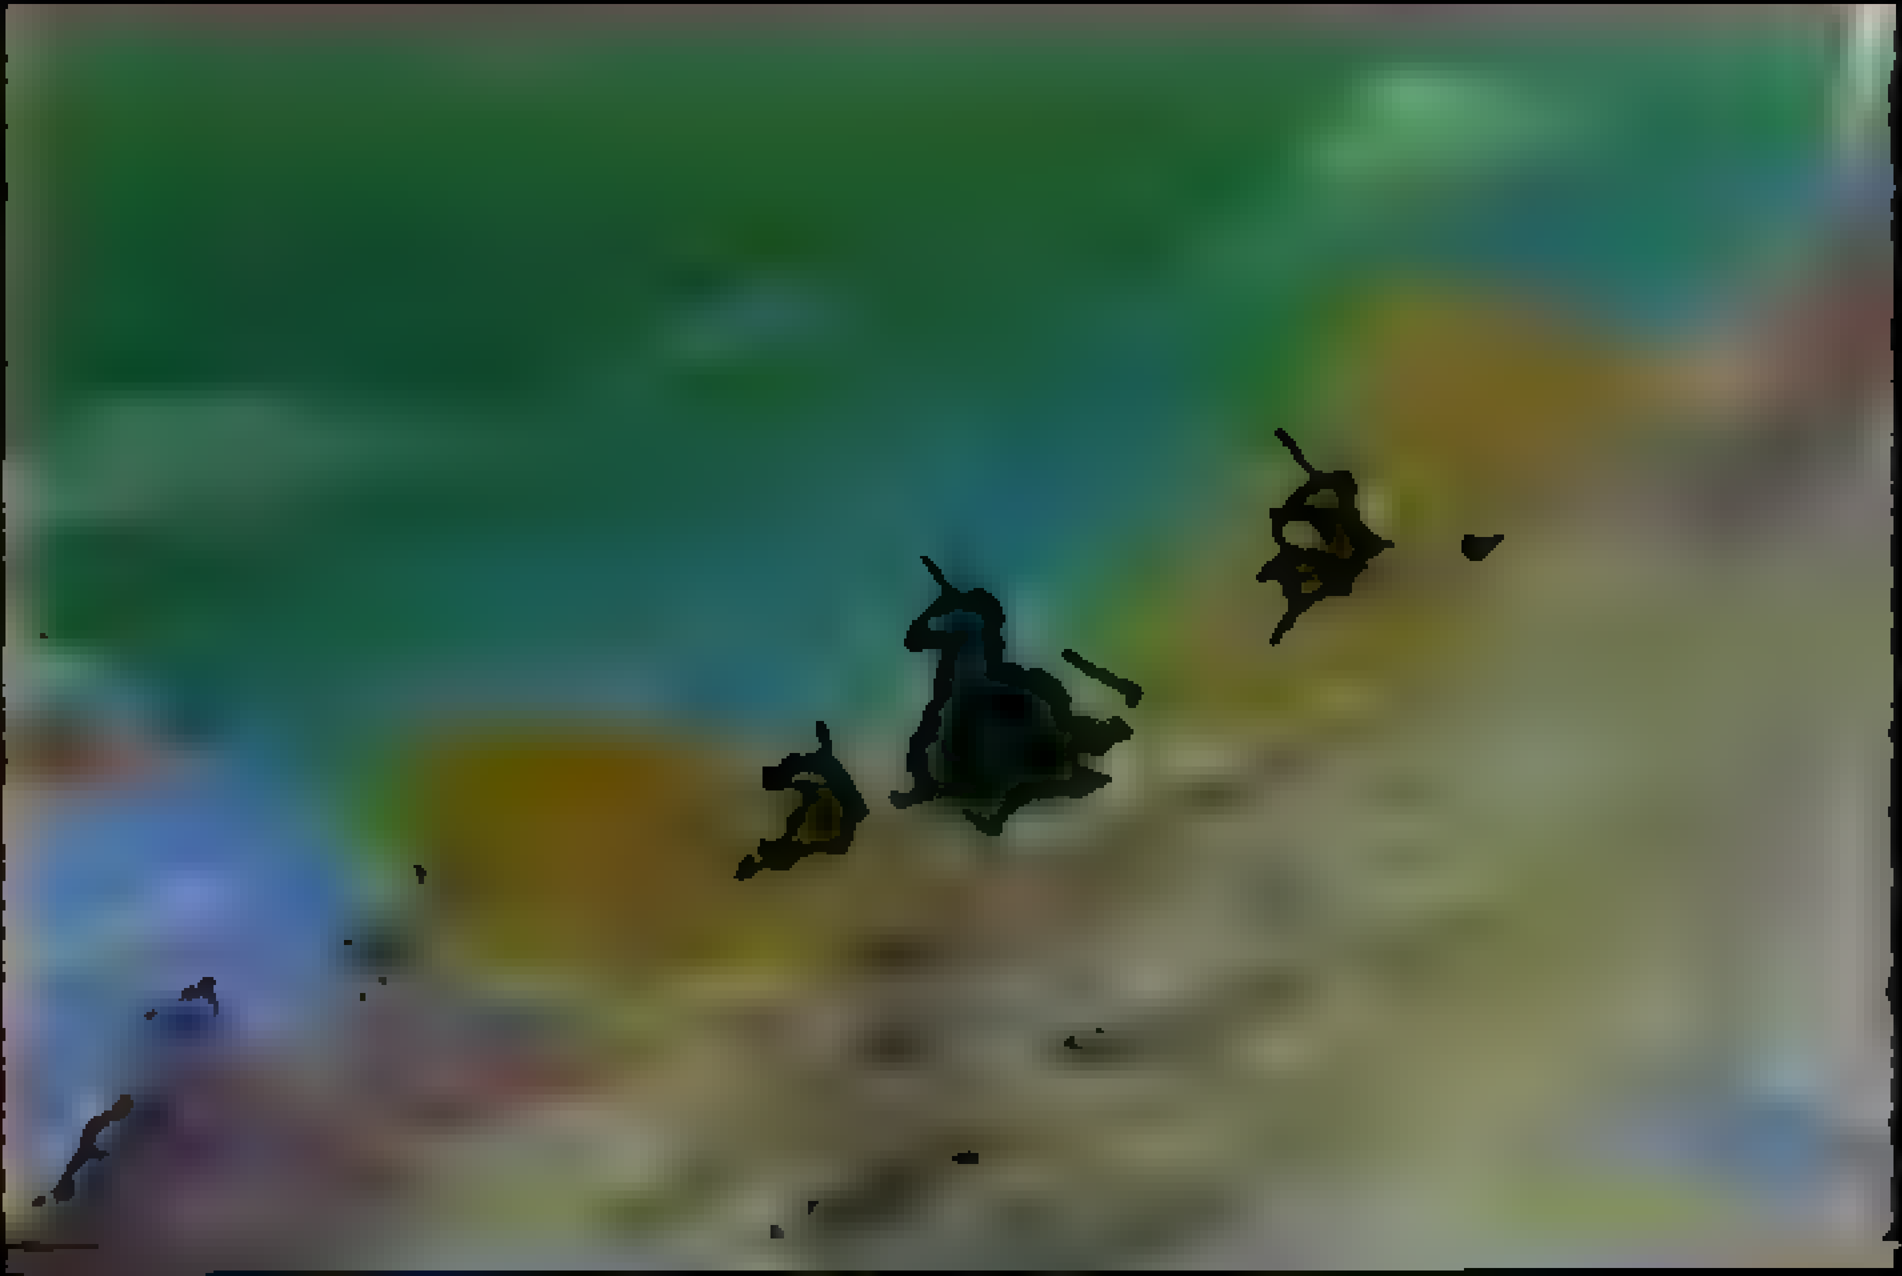

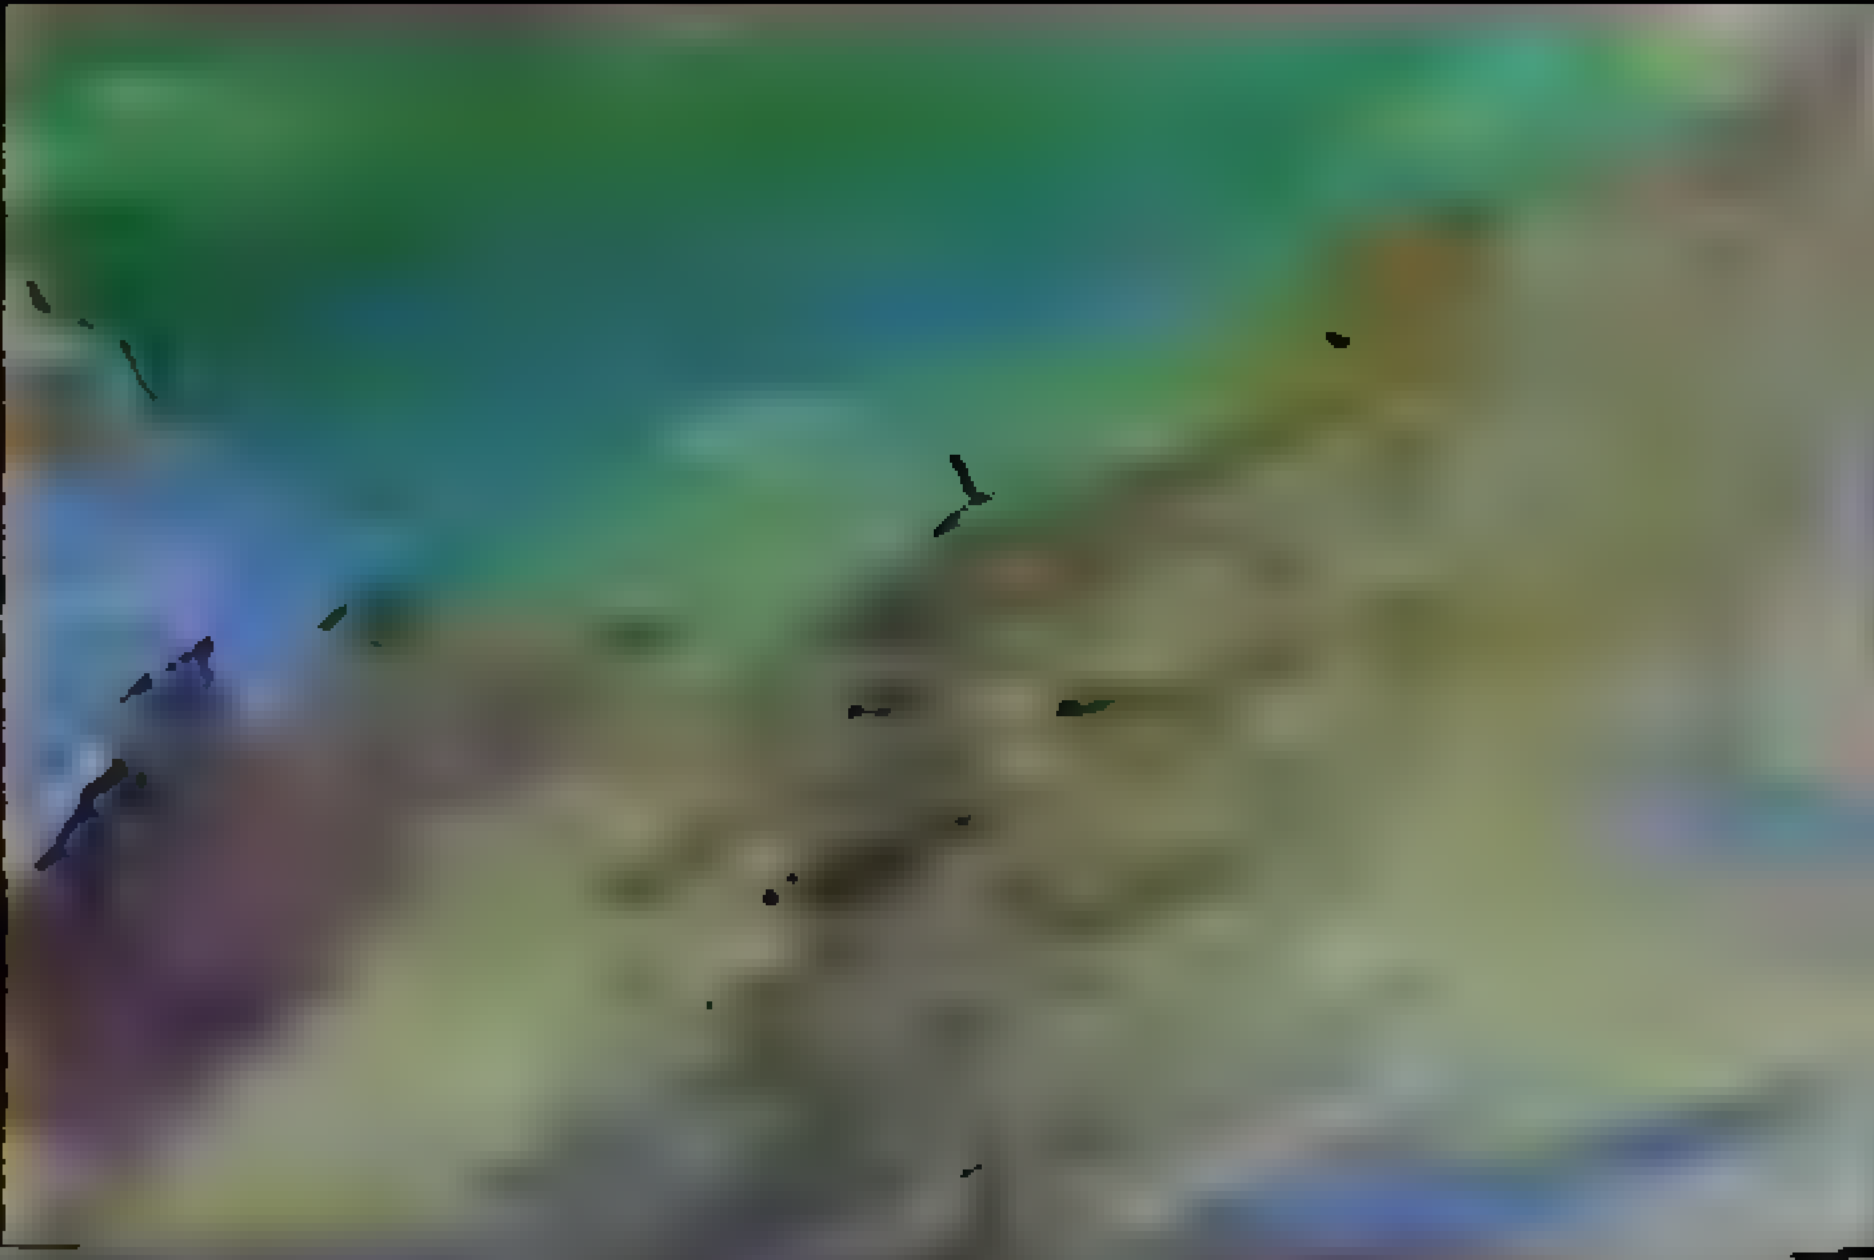

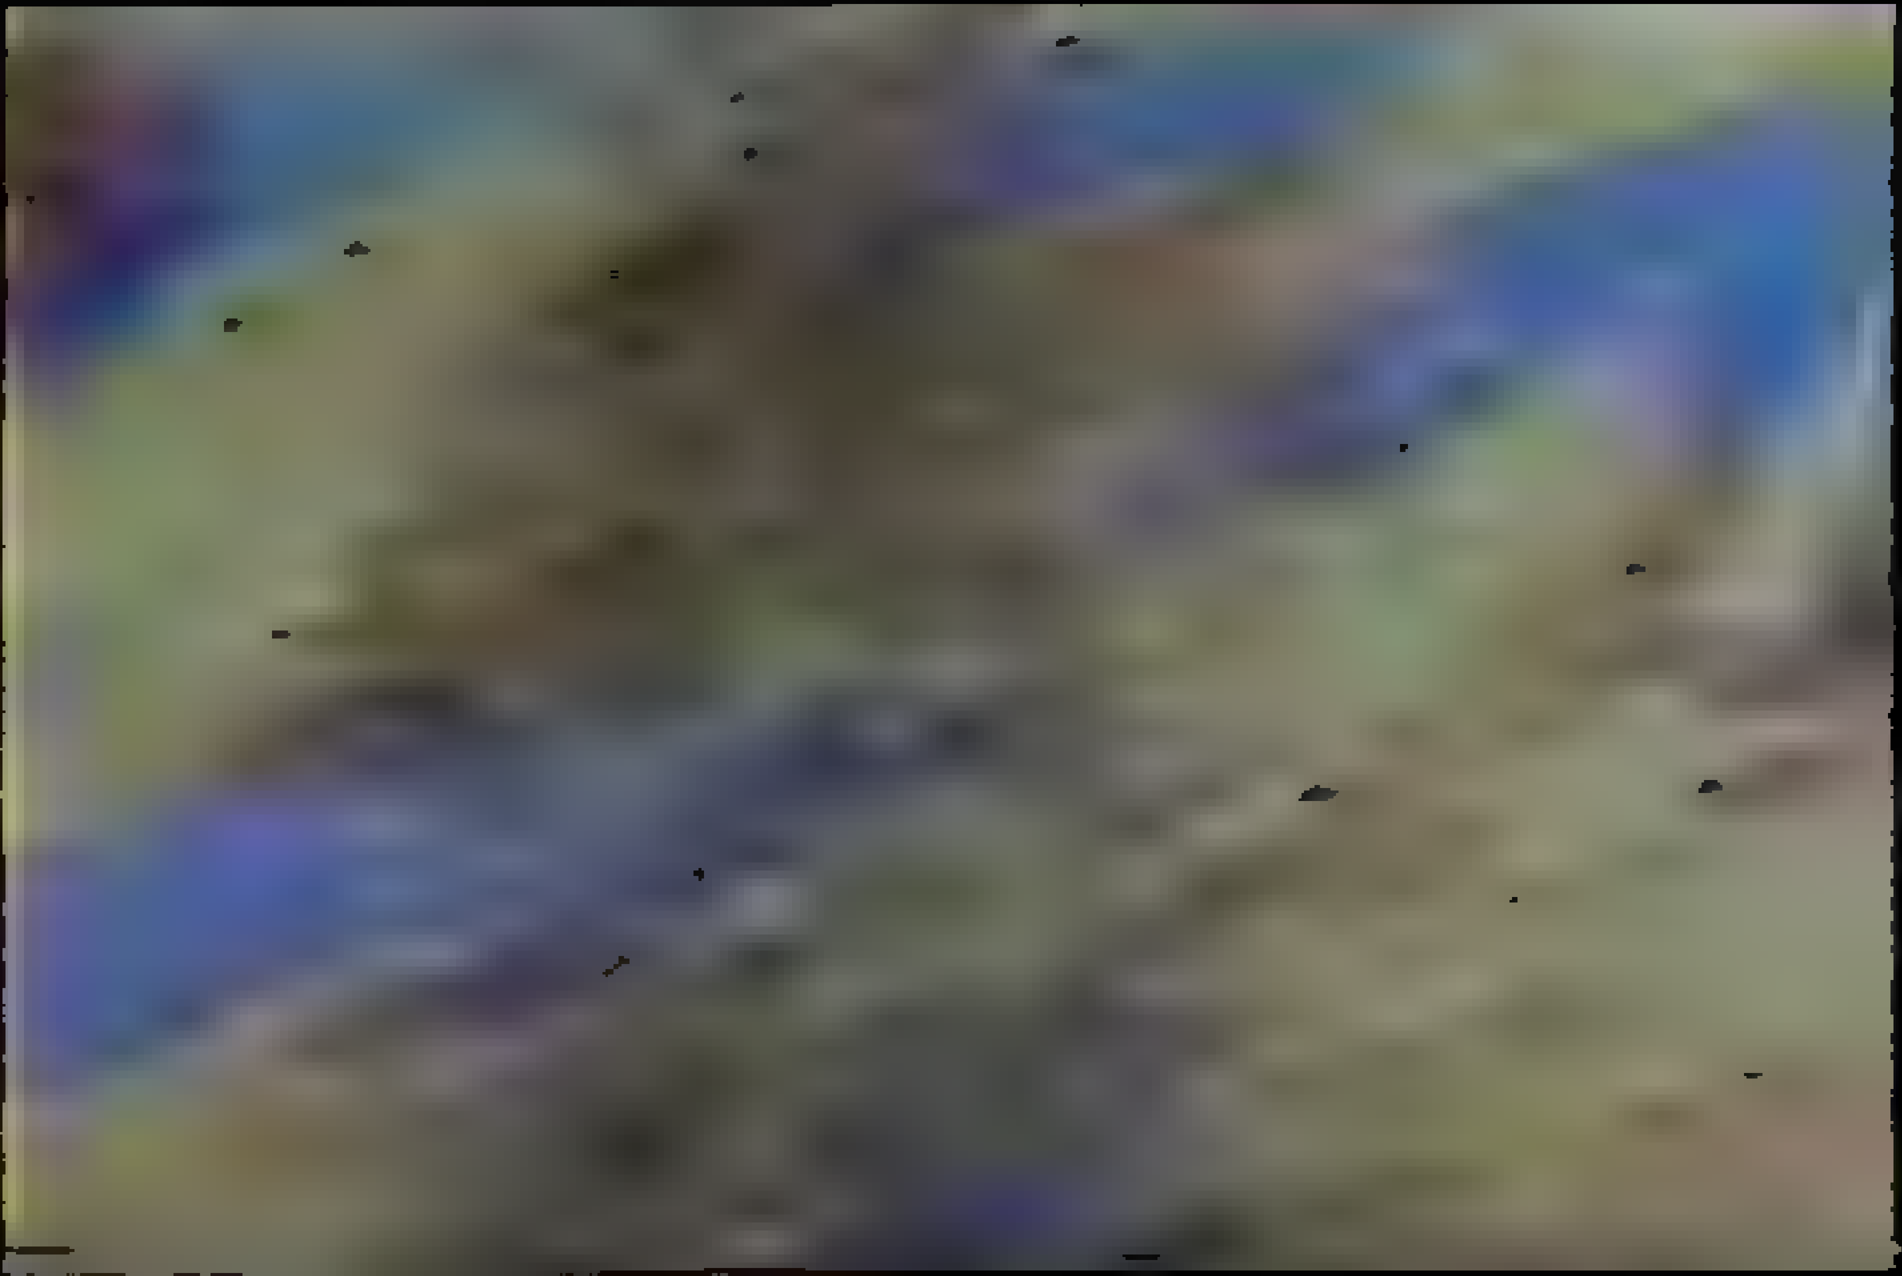

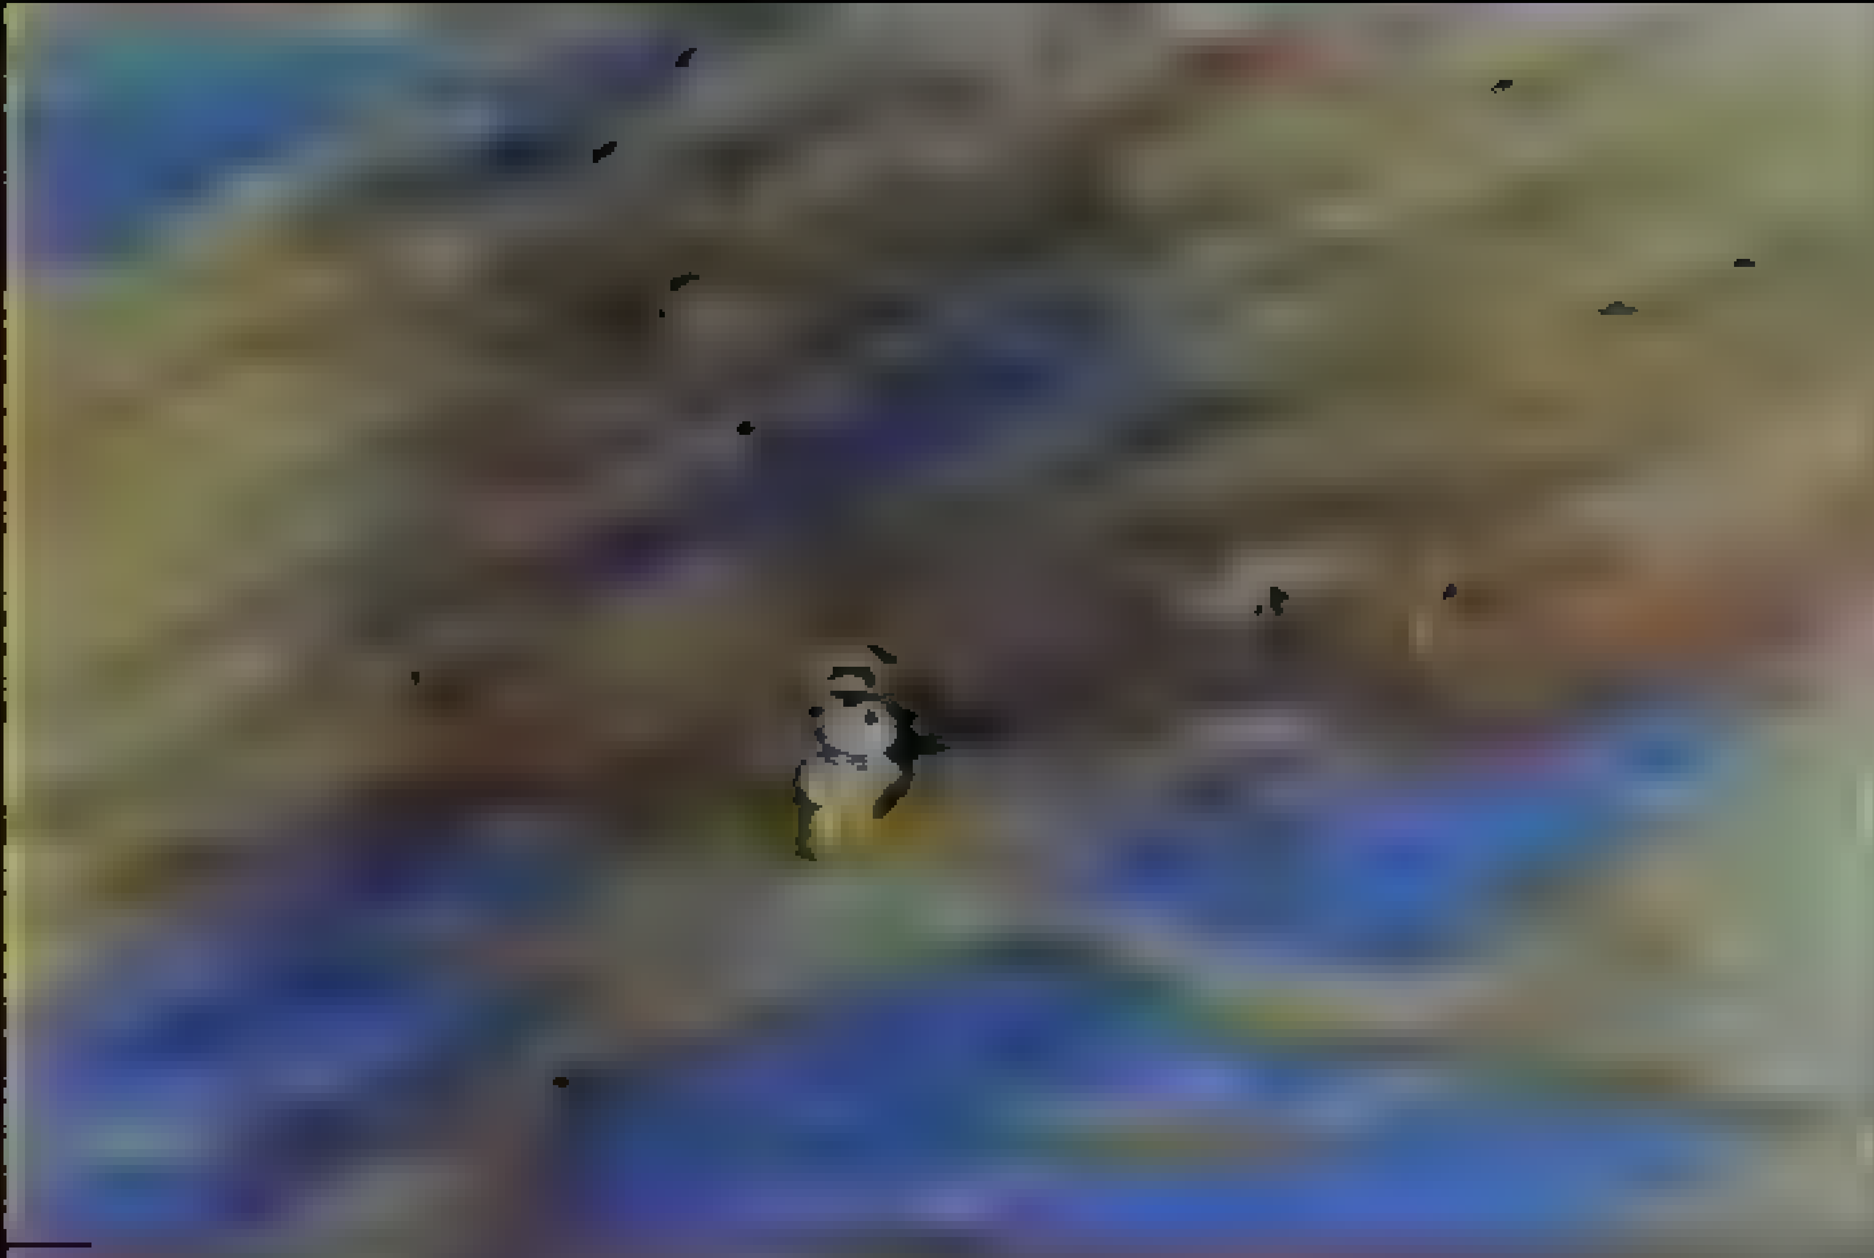

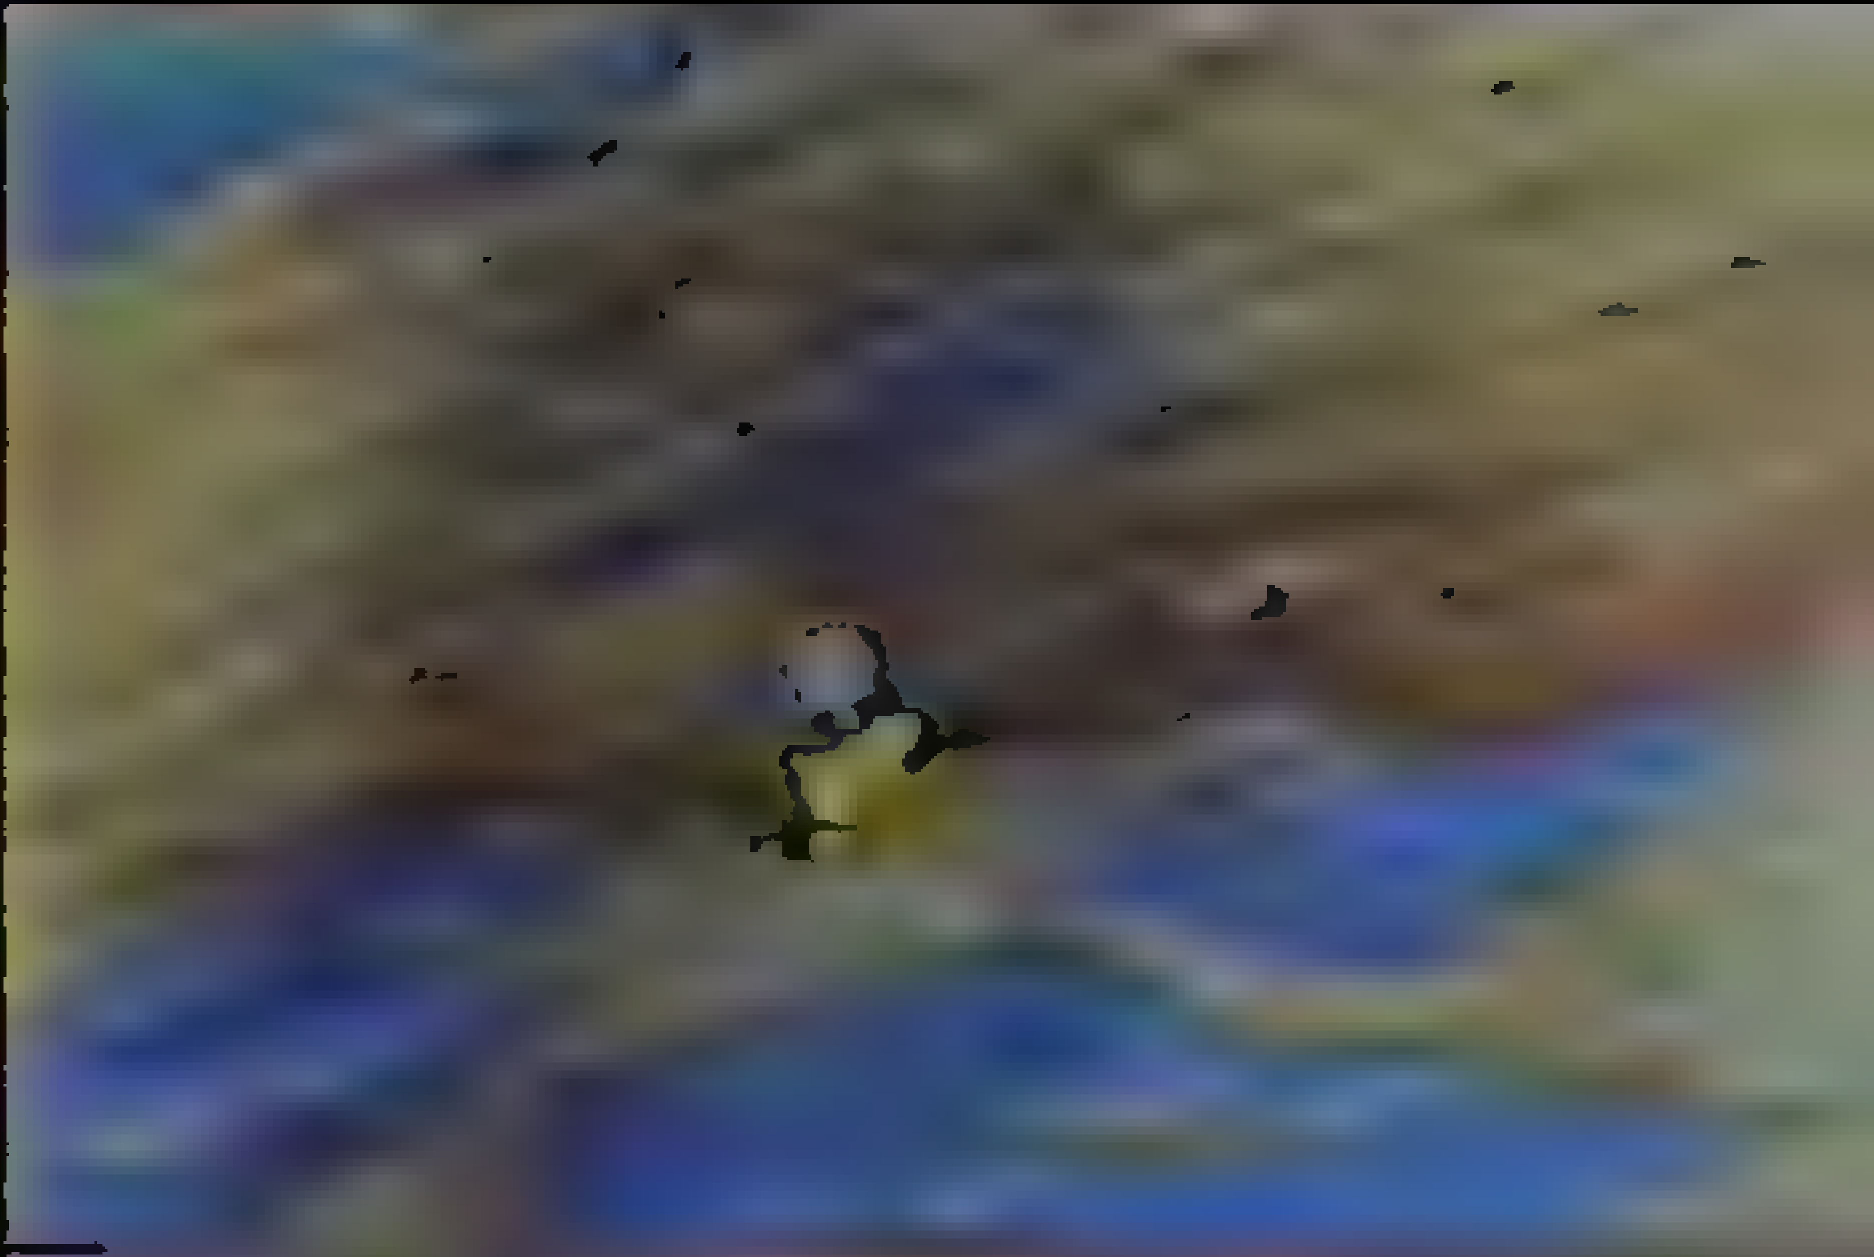

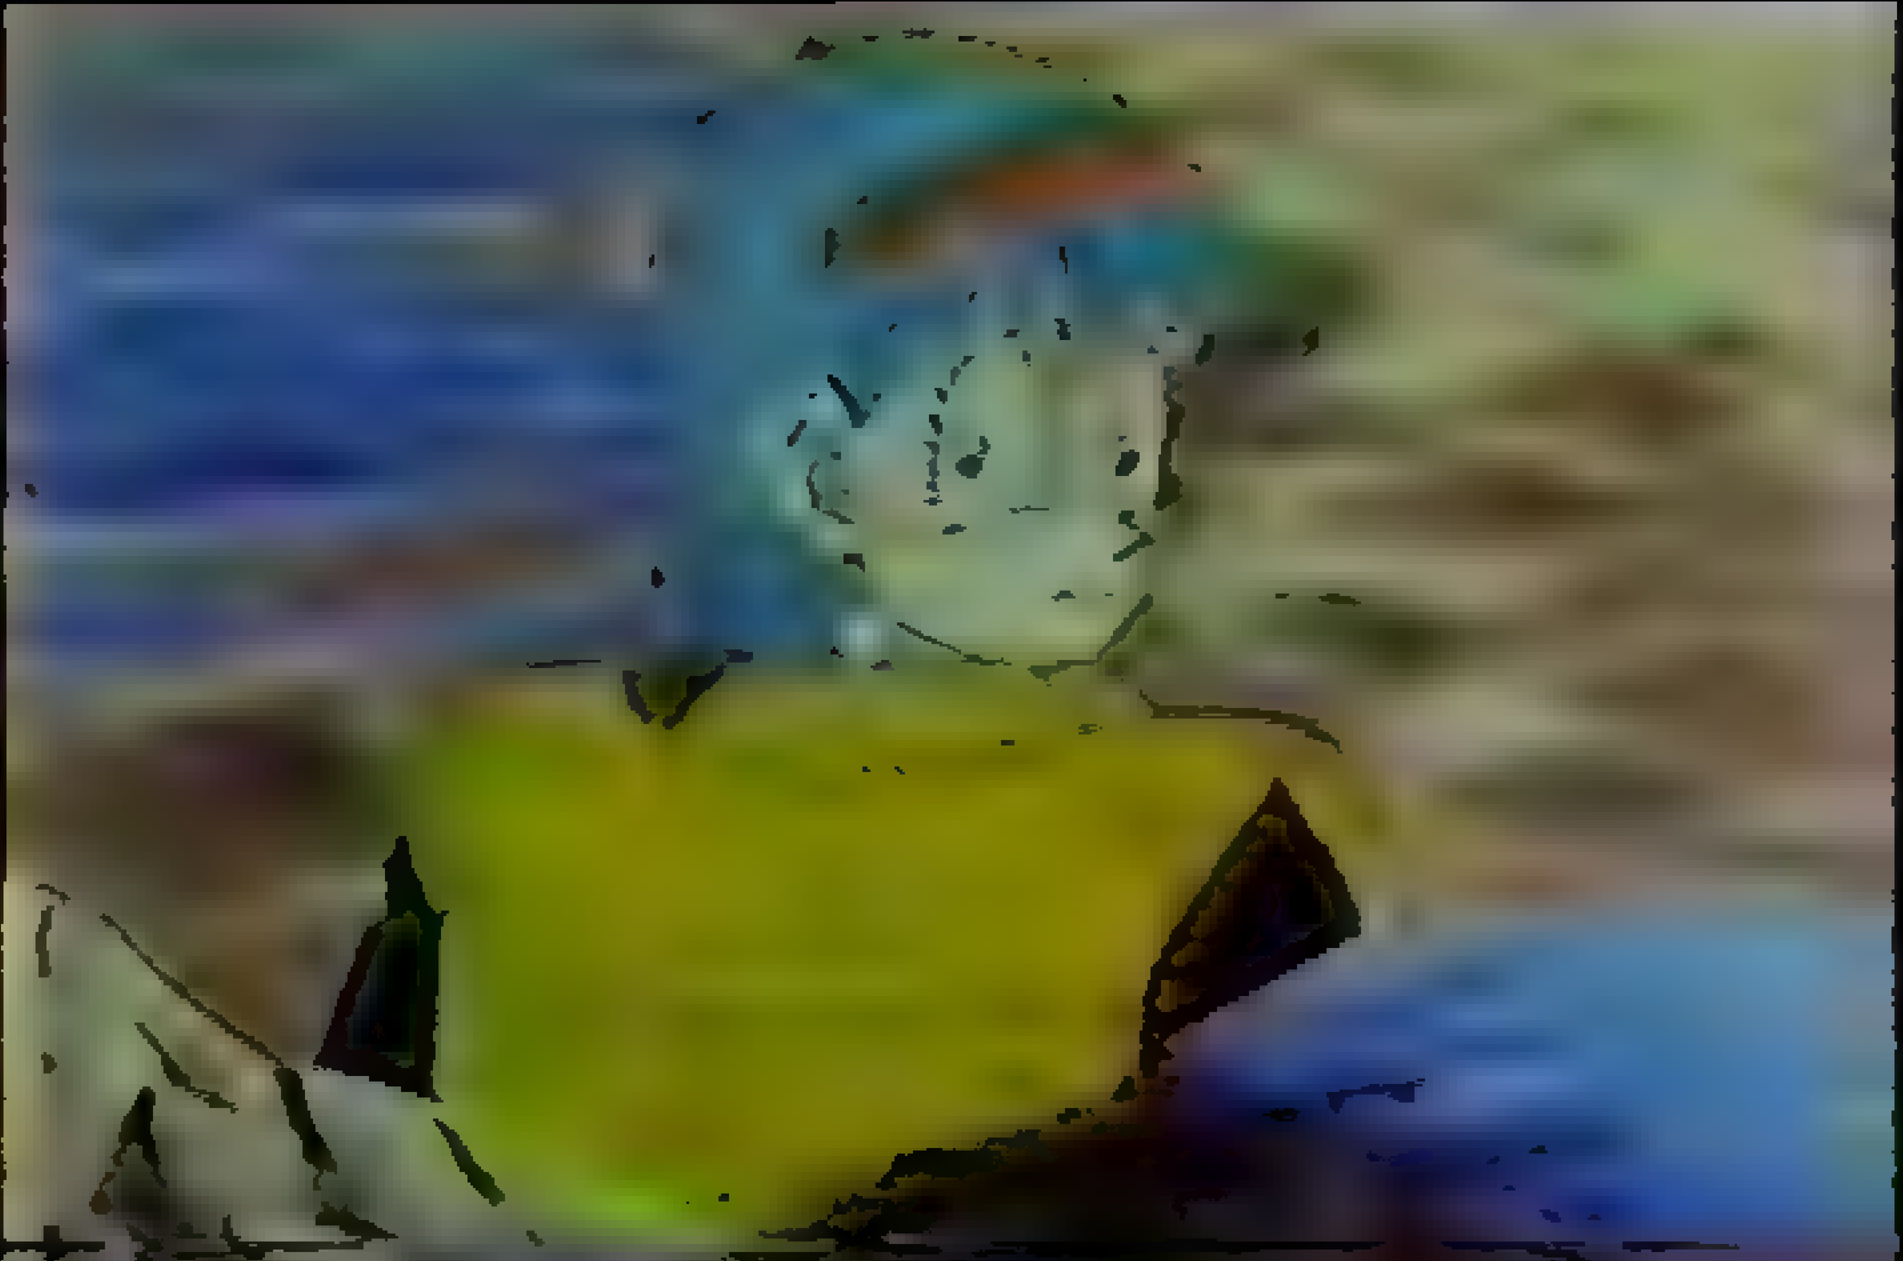

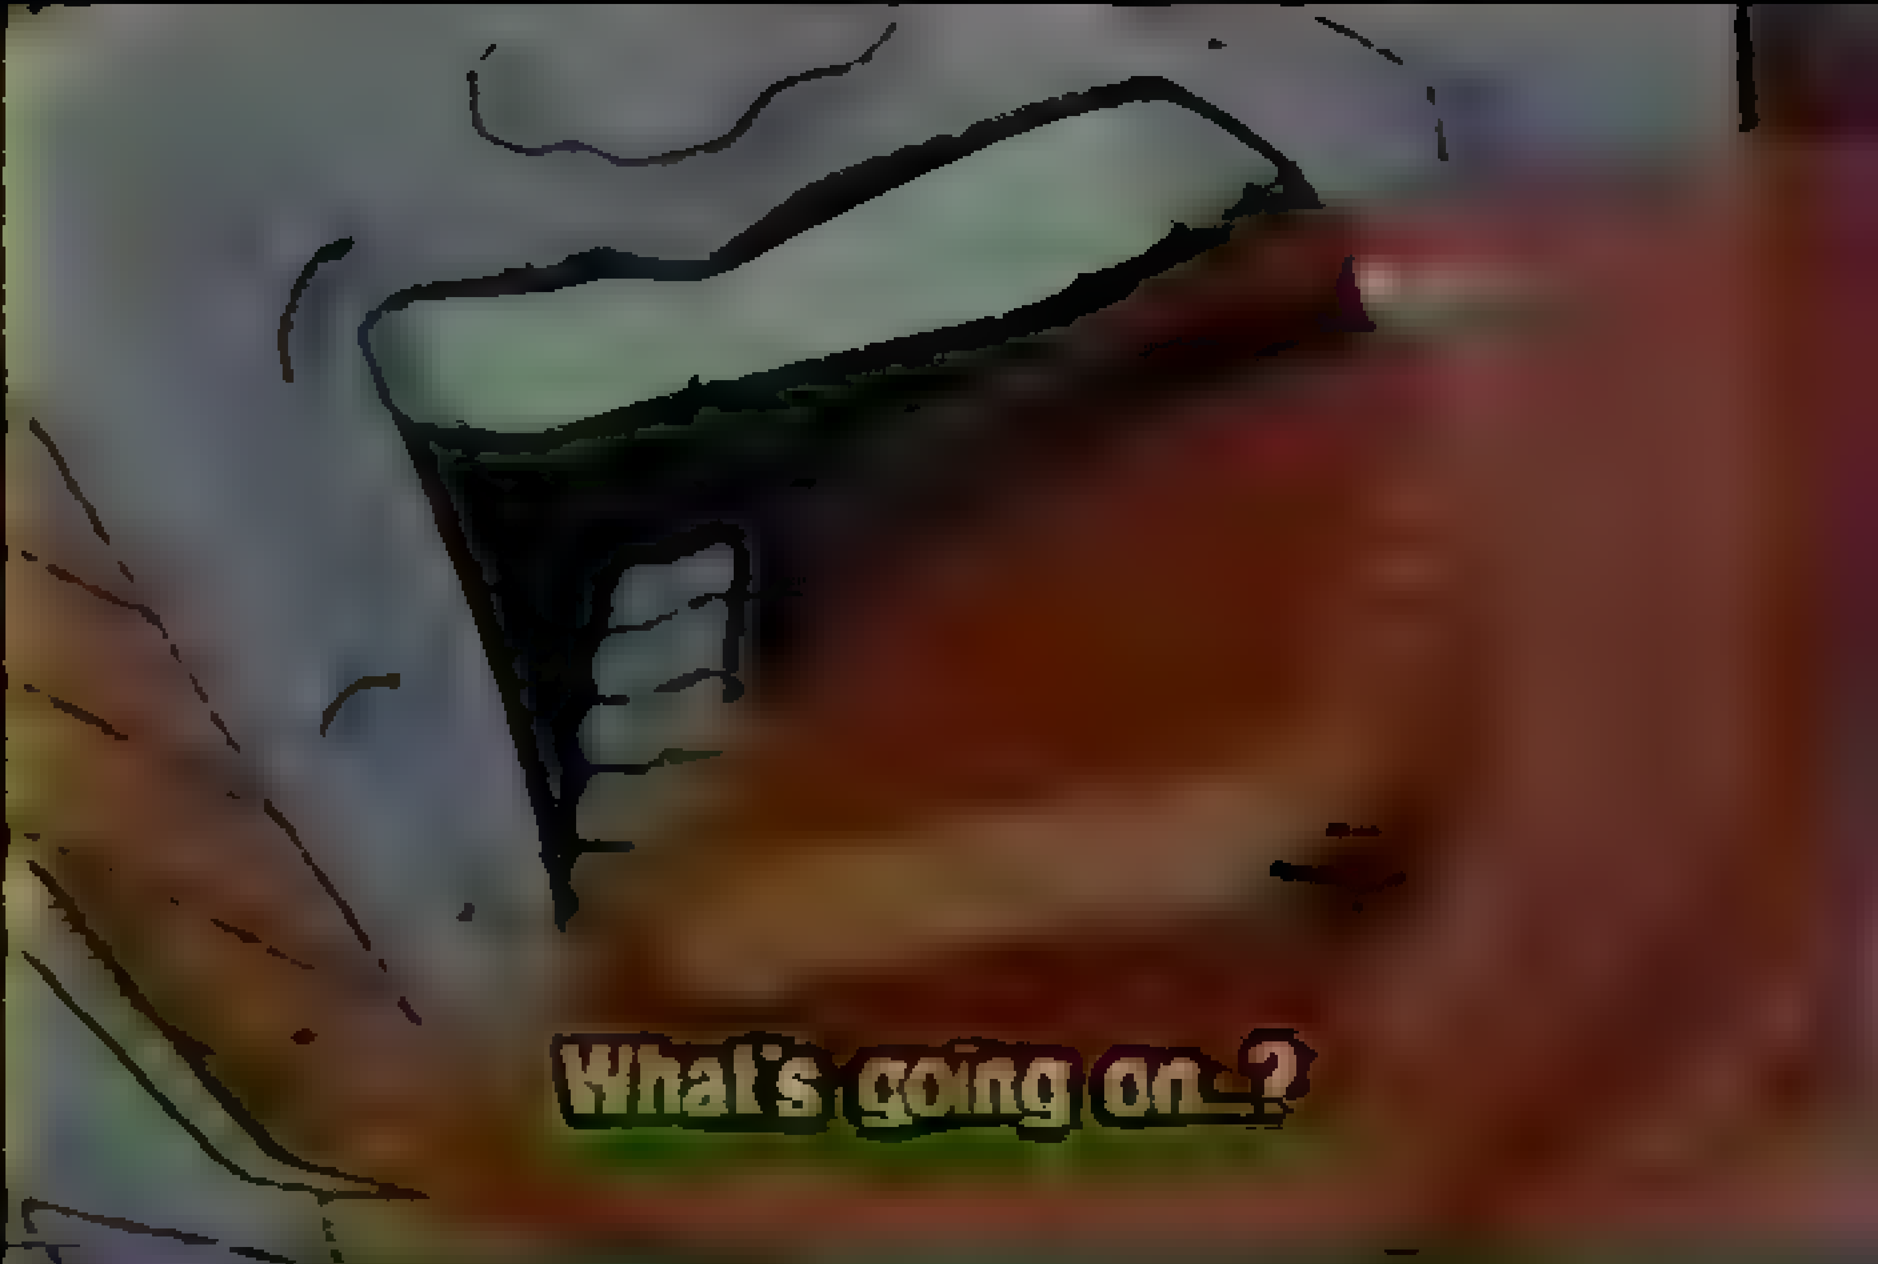

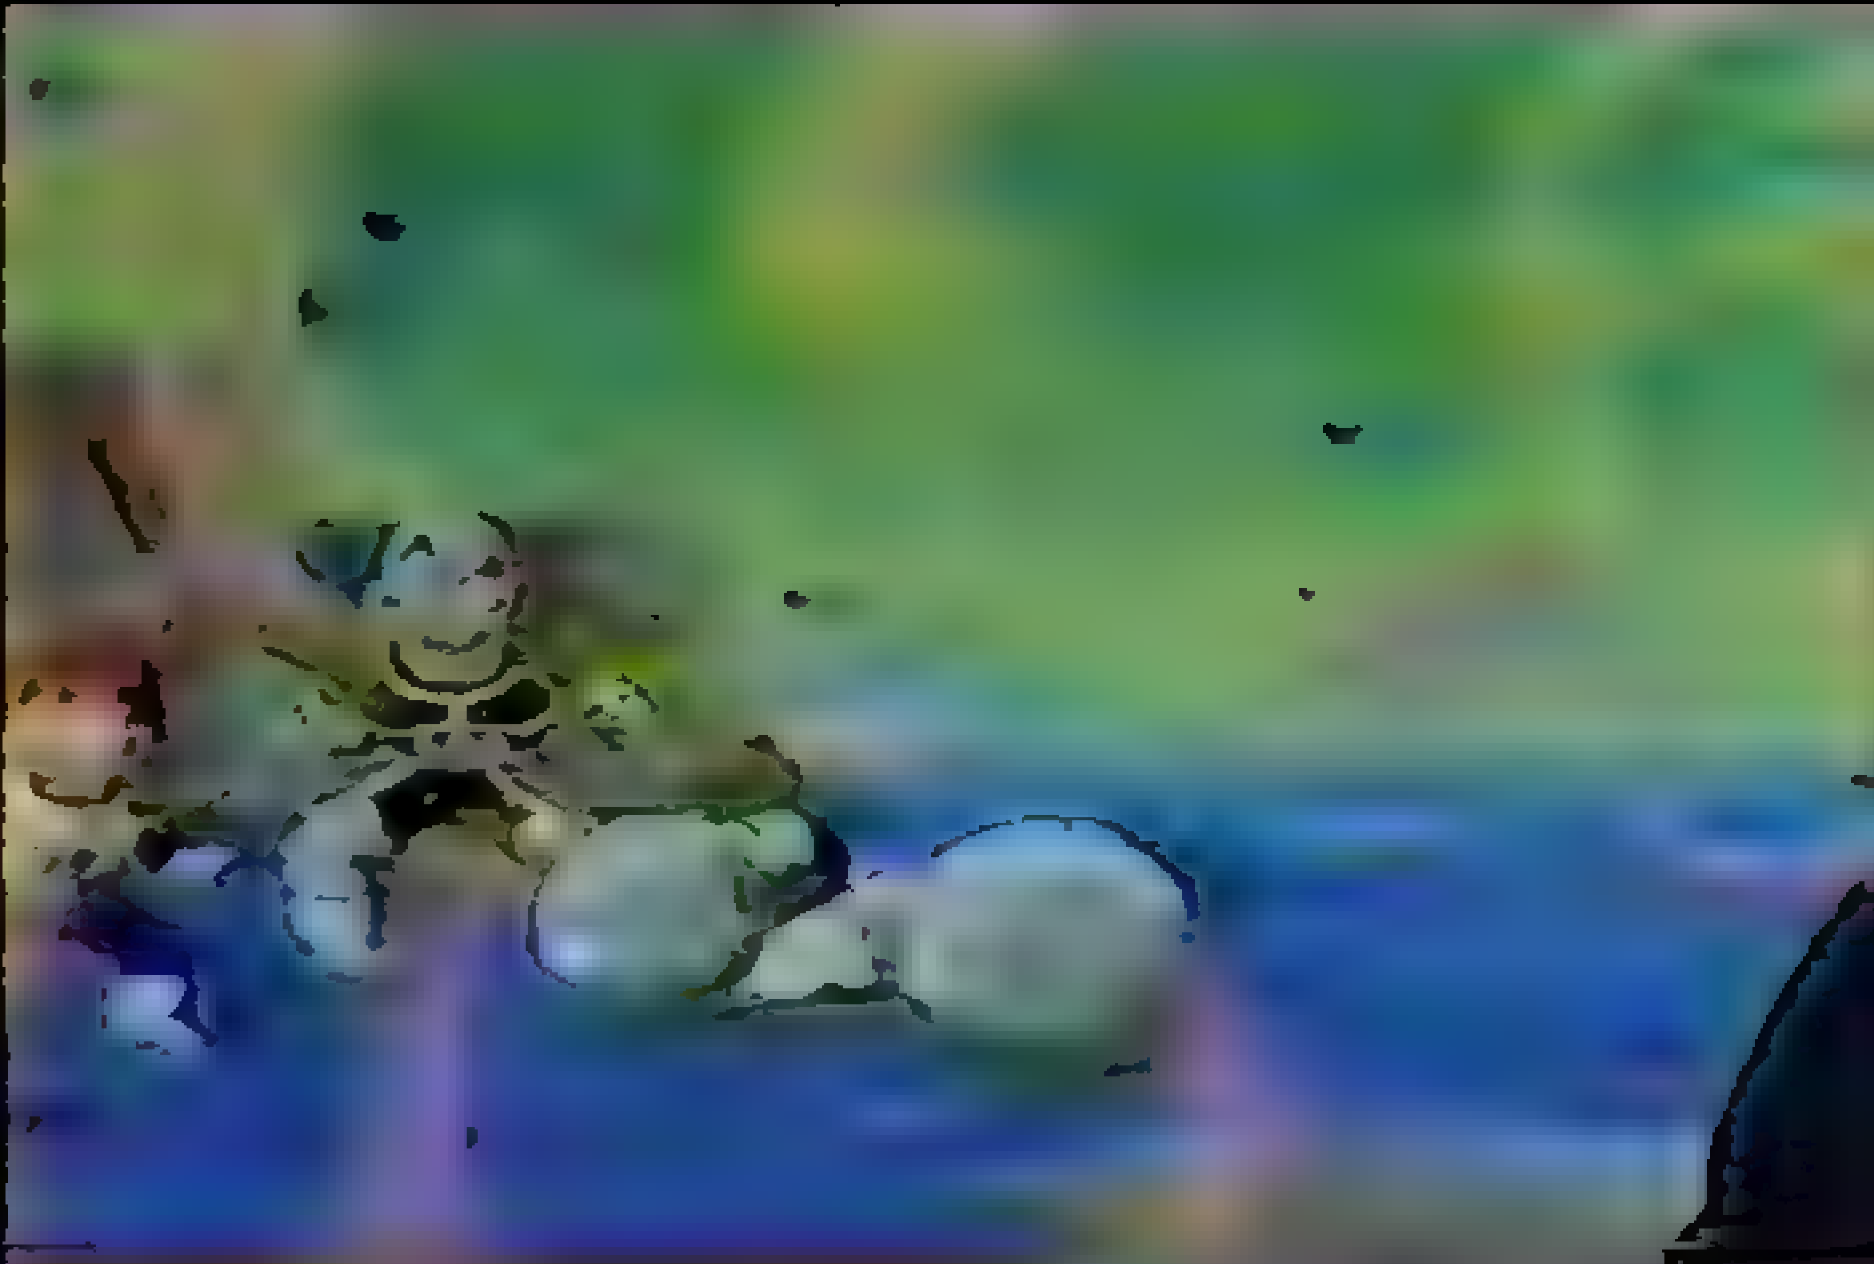

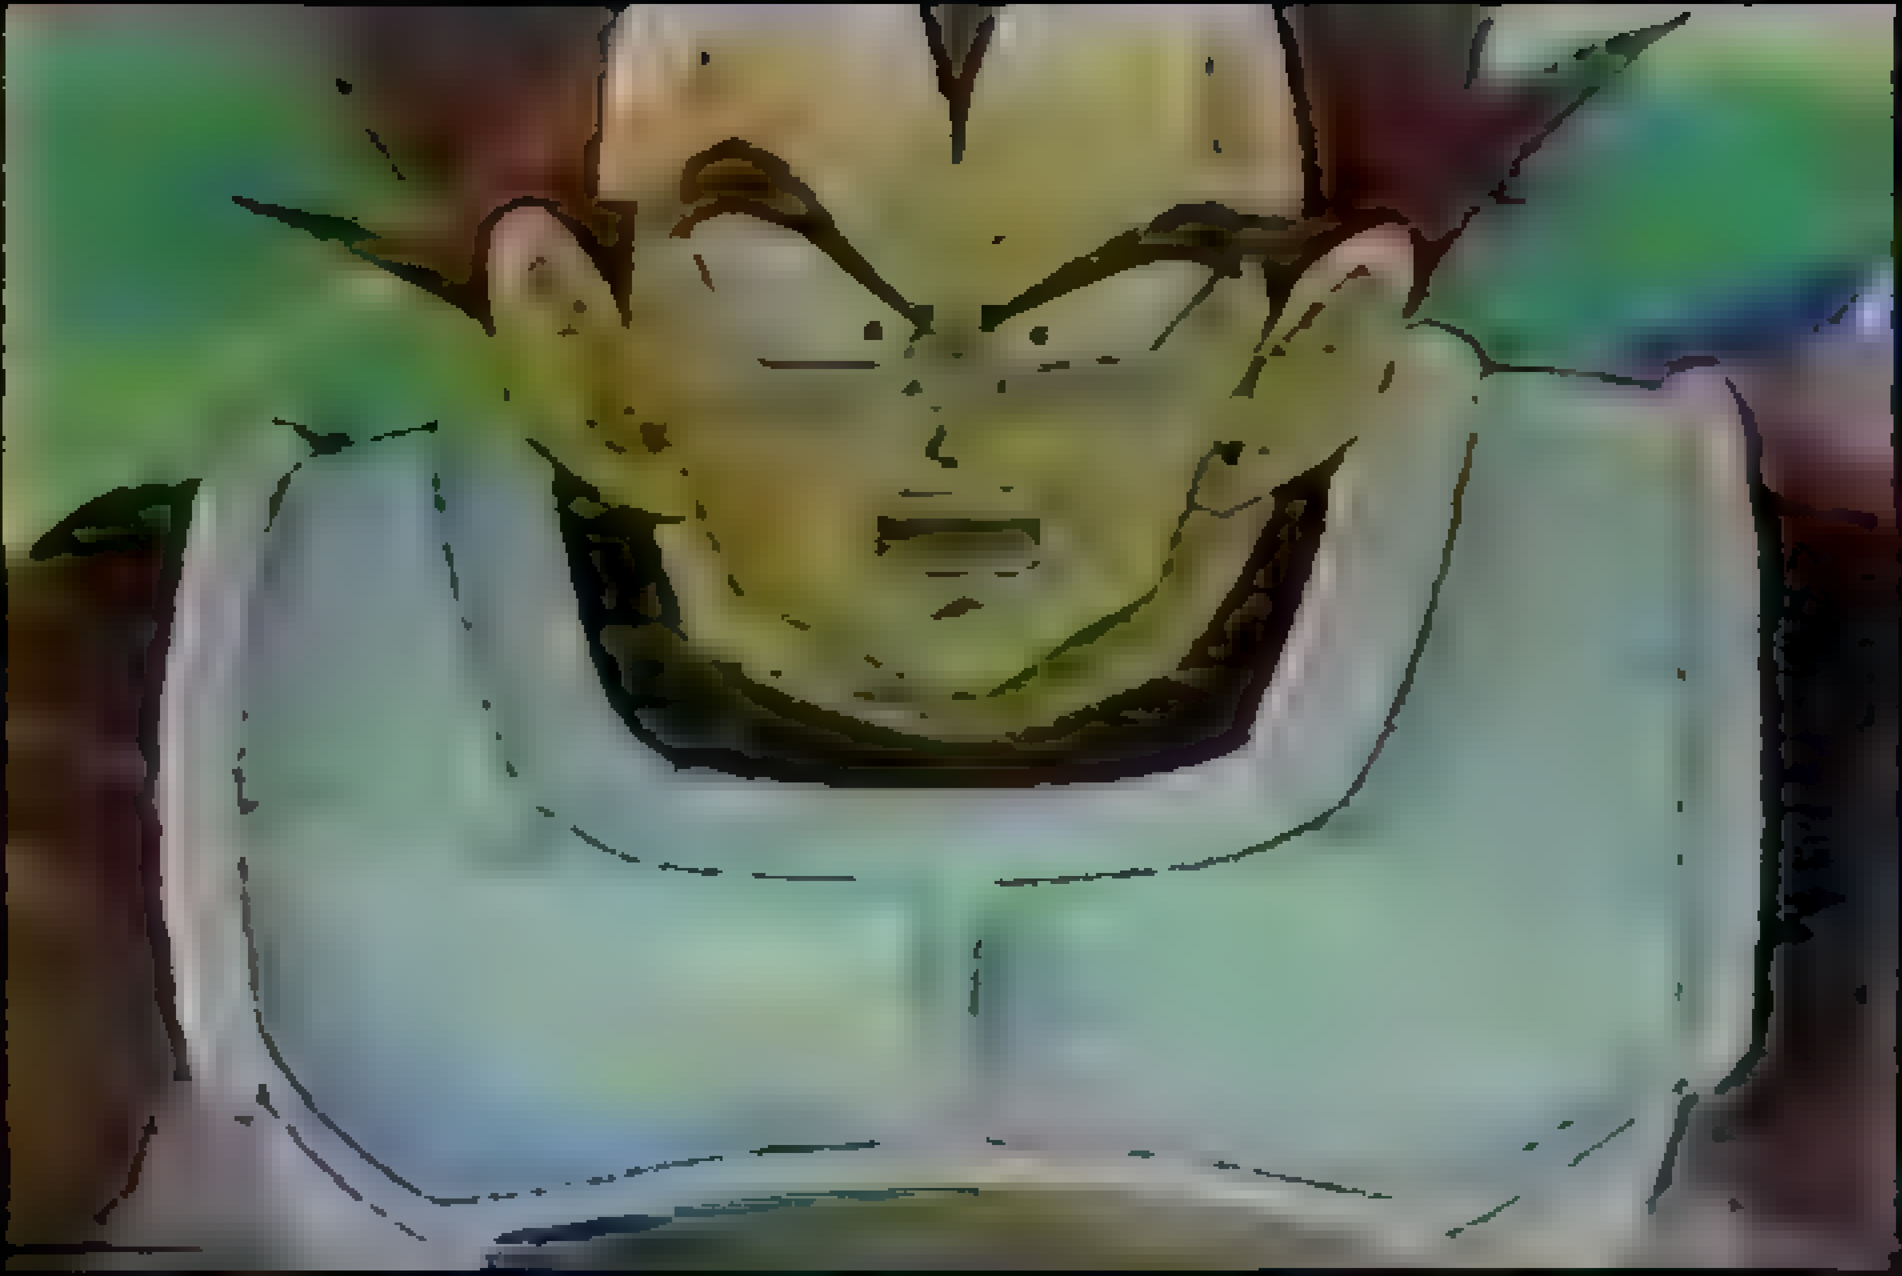

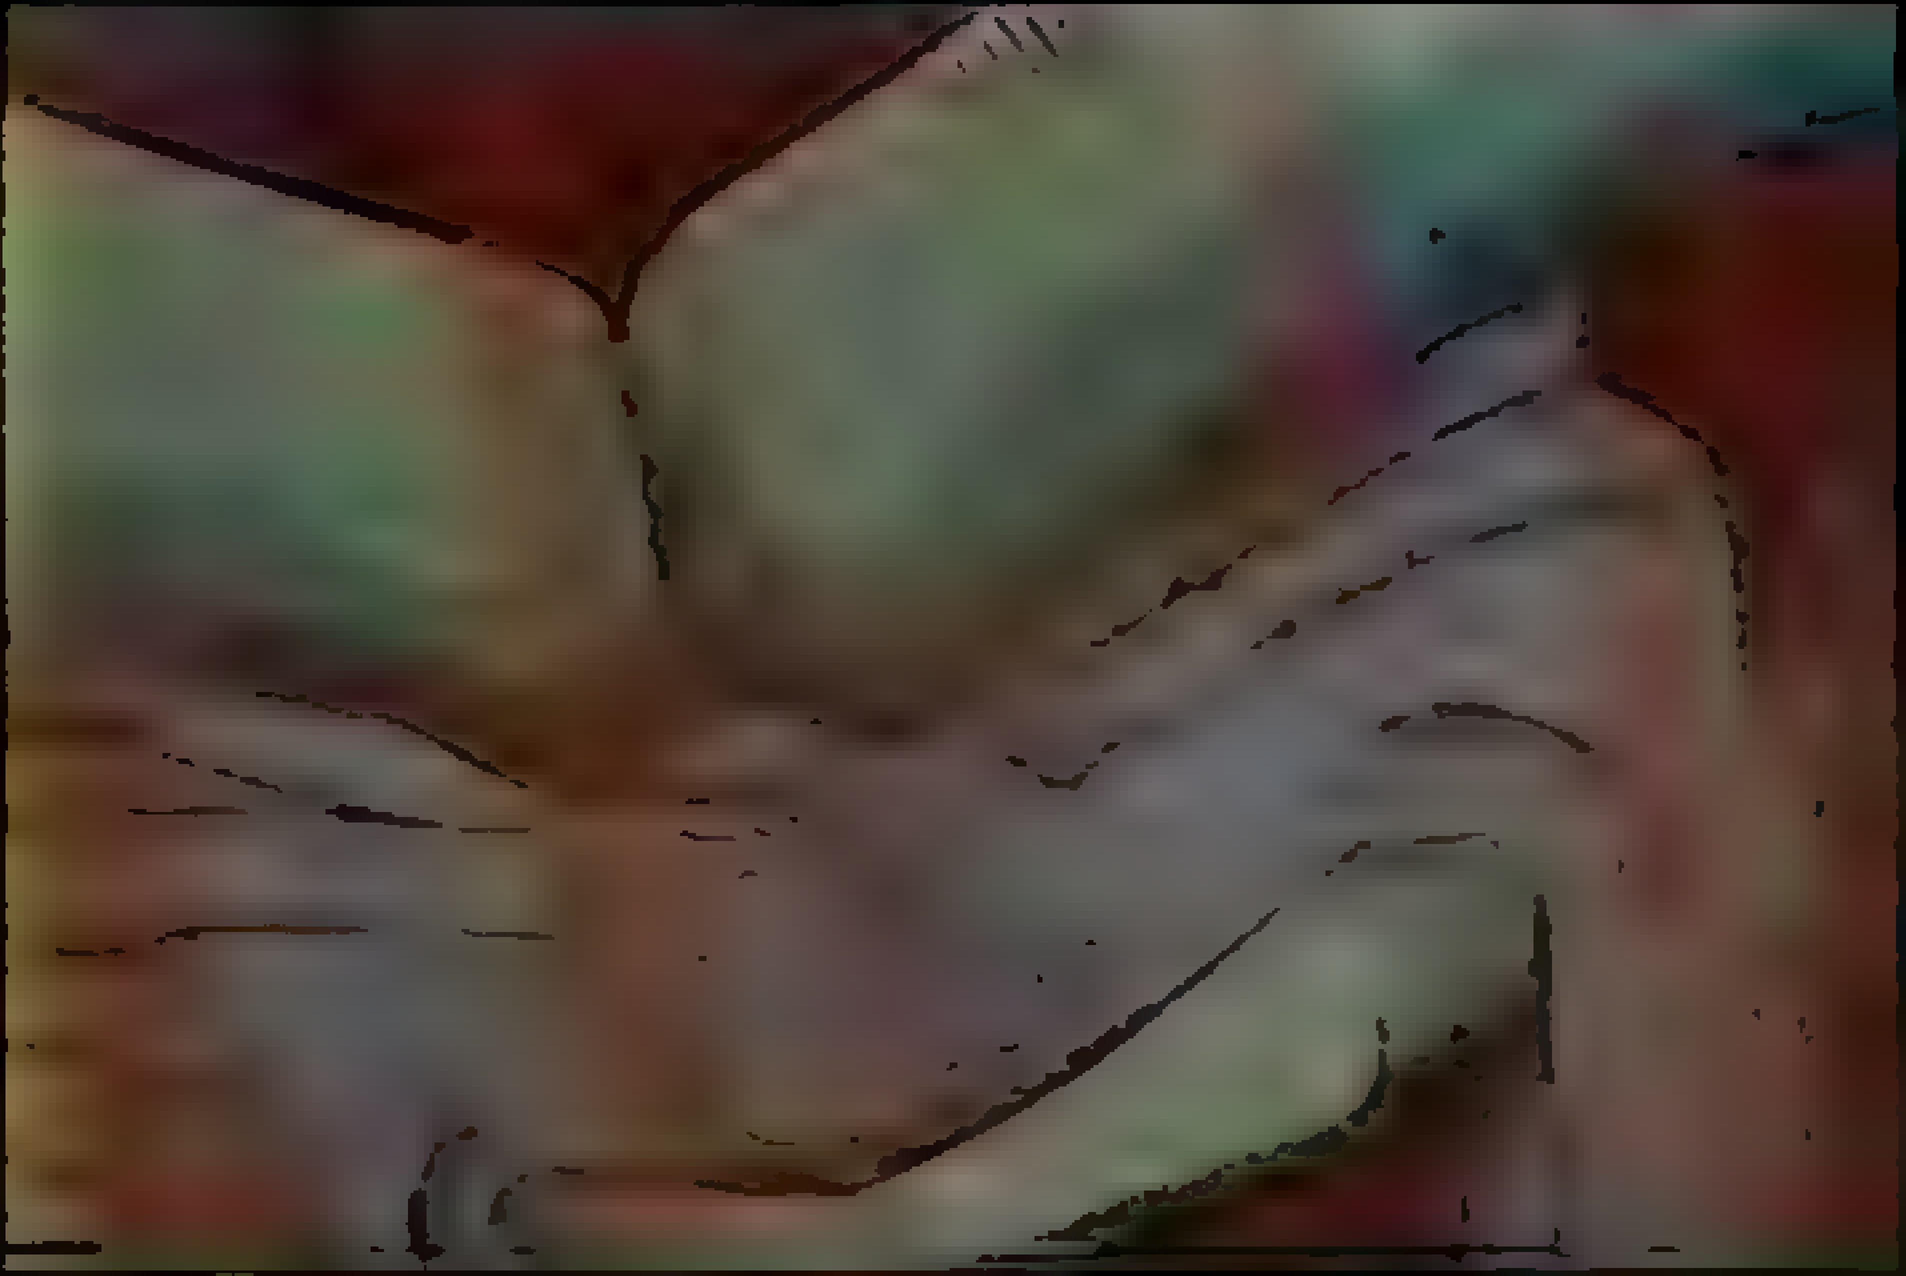

What's going on..?

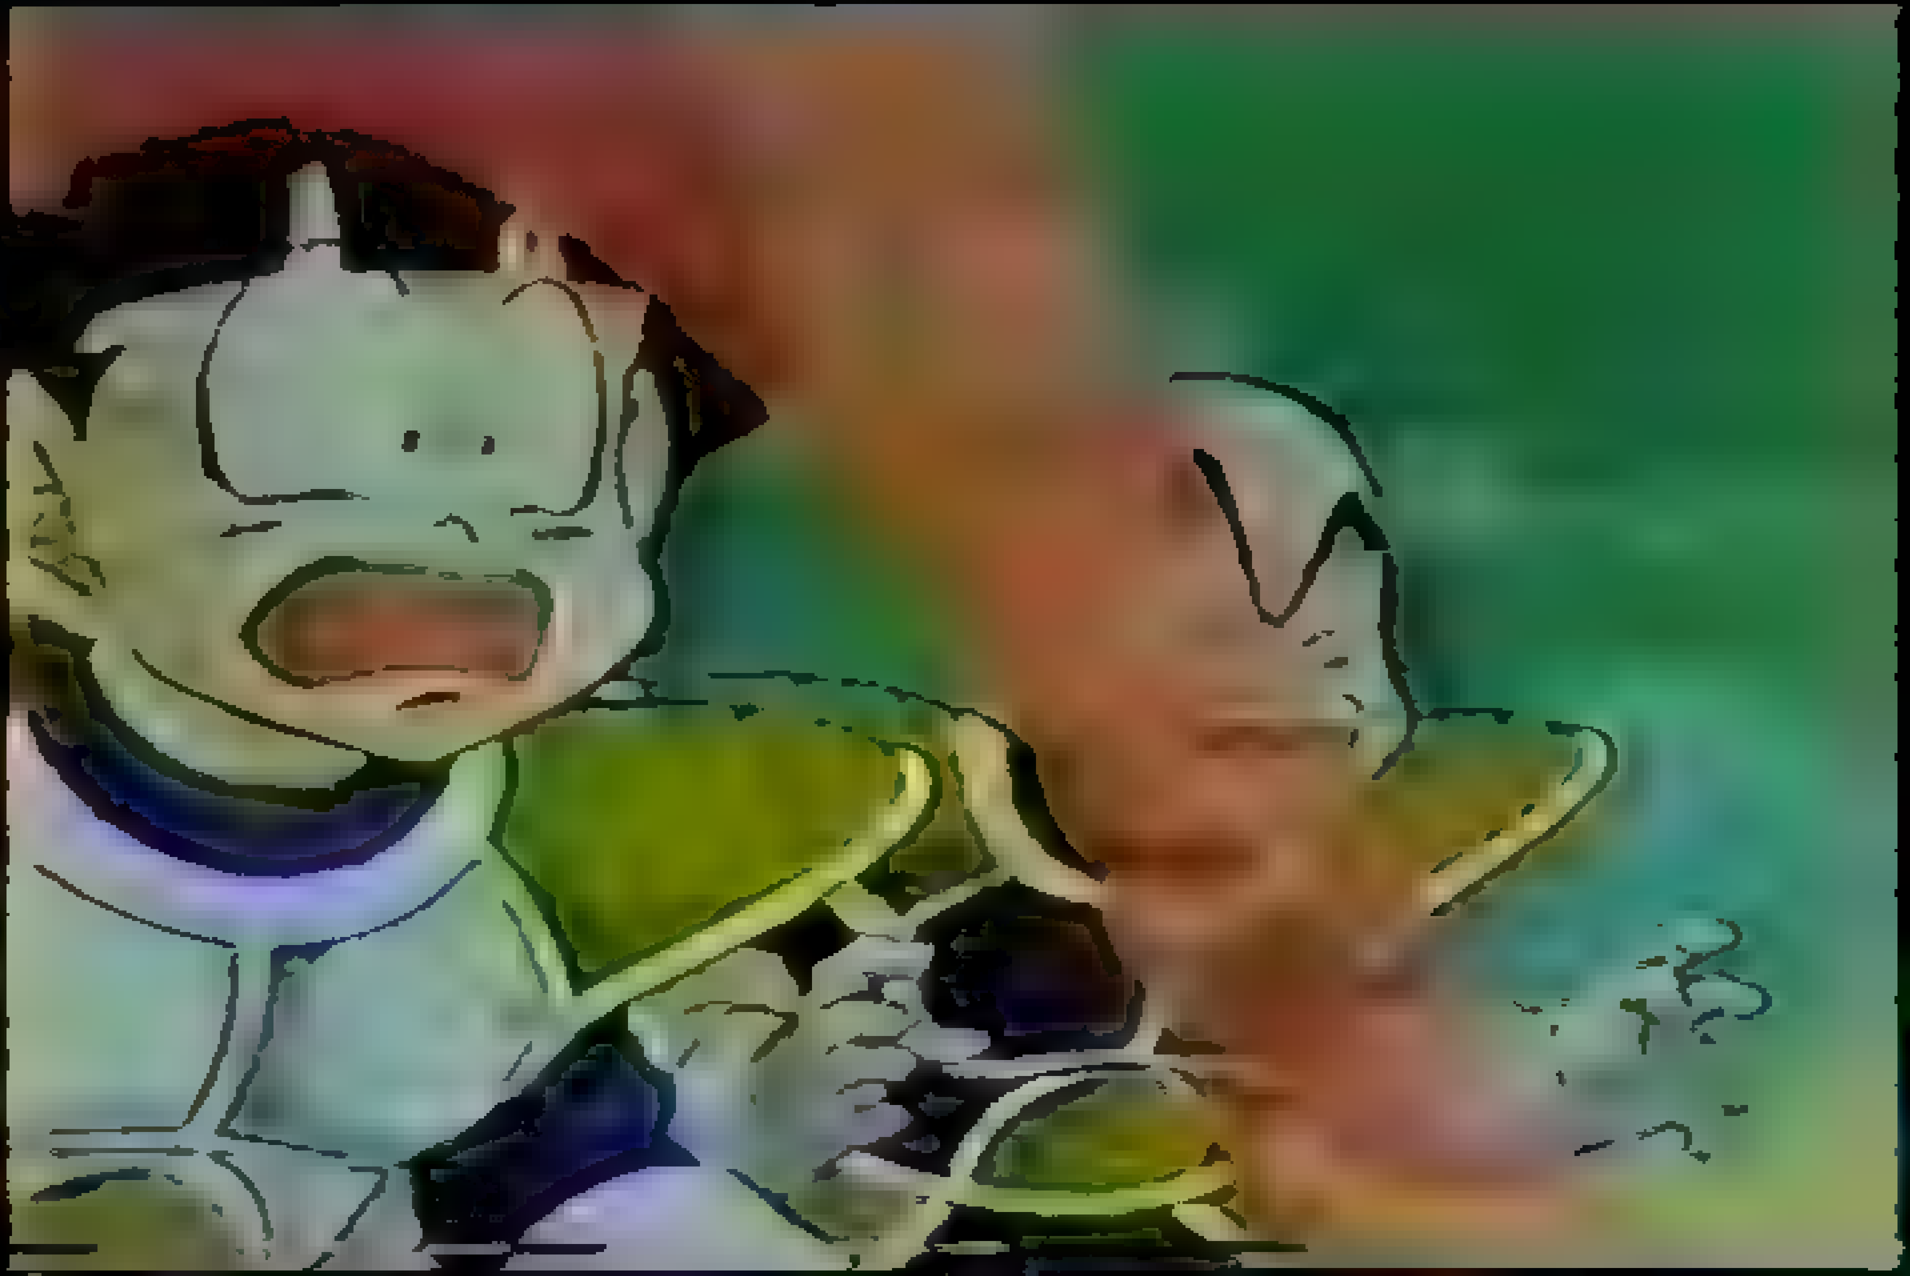

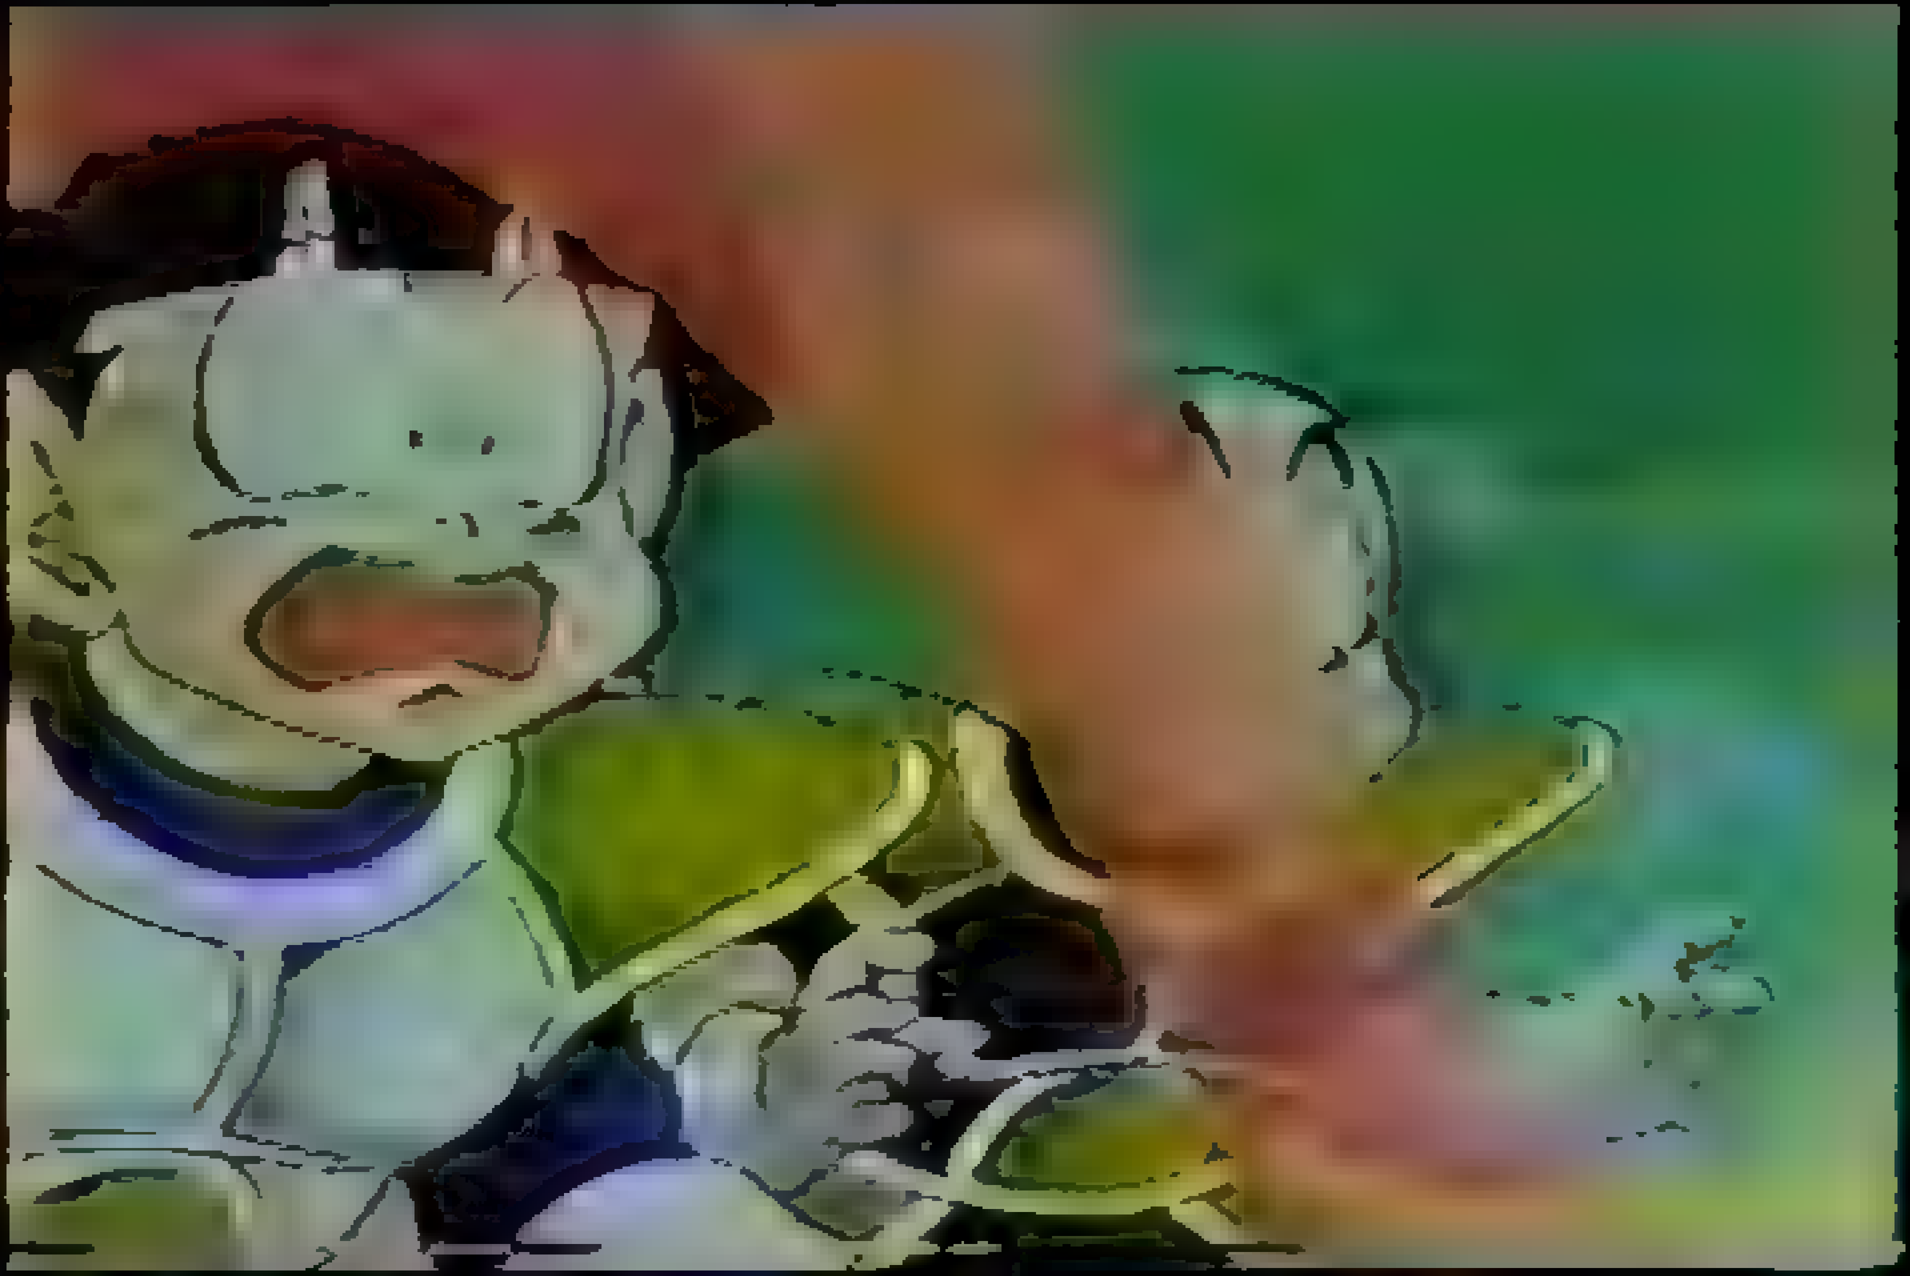

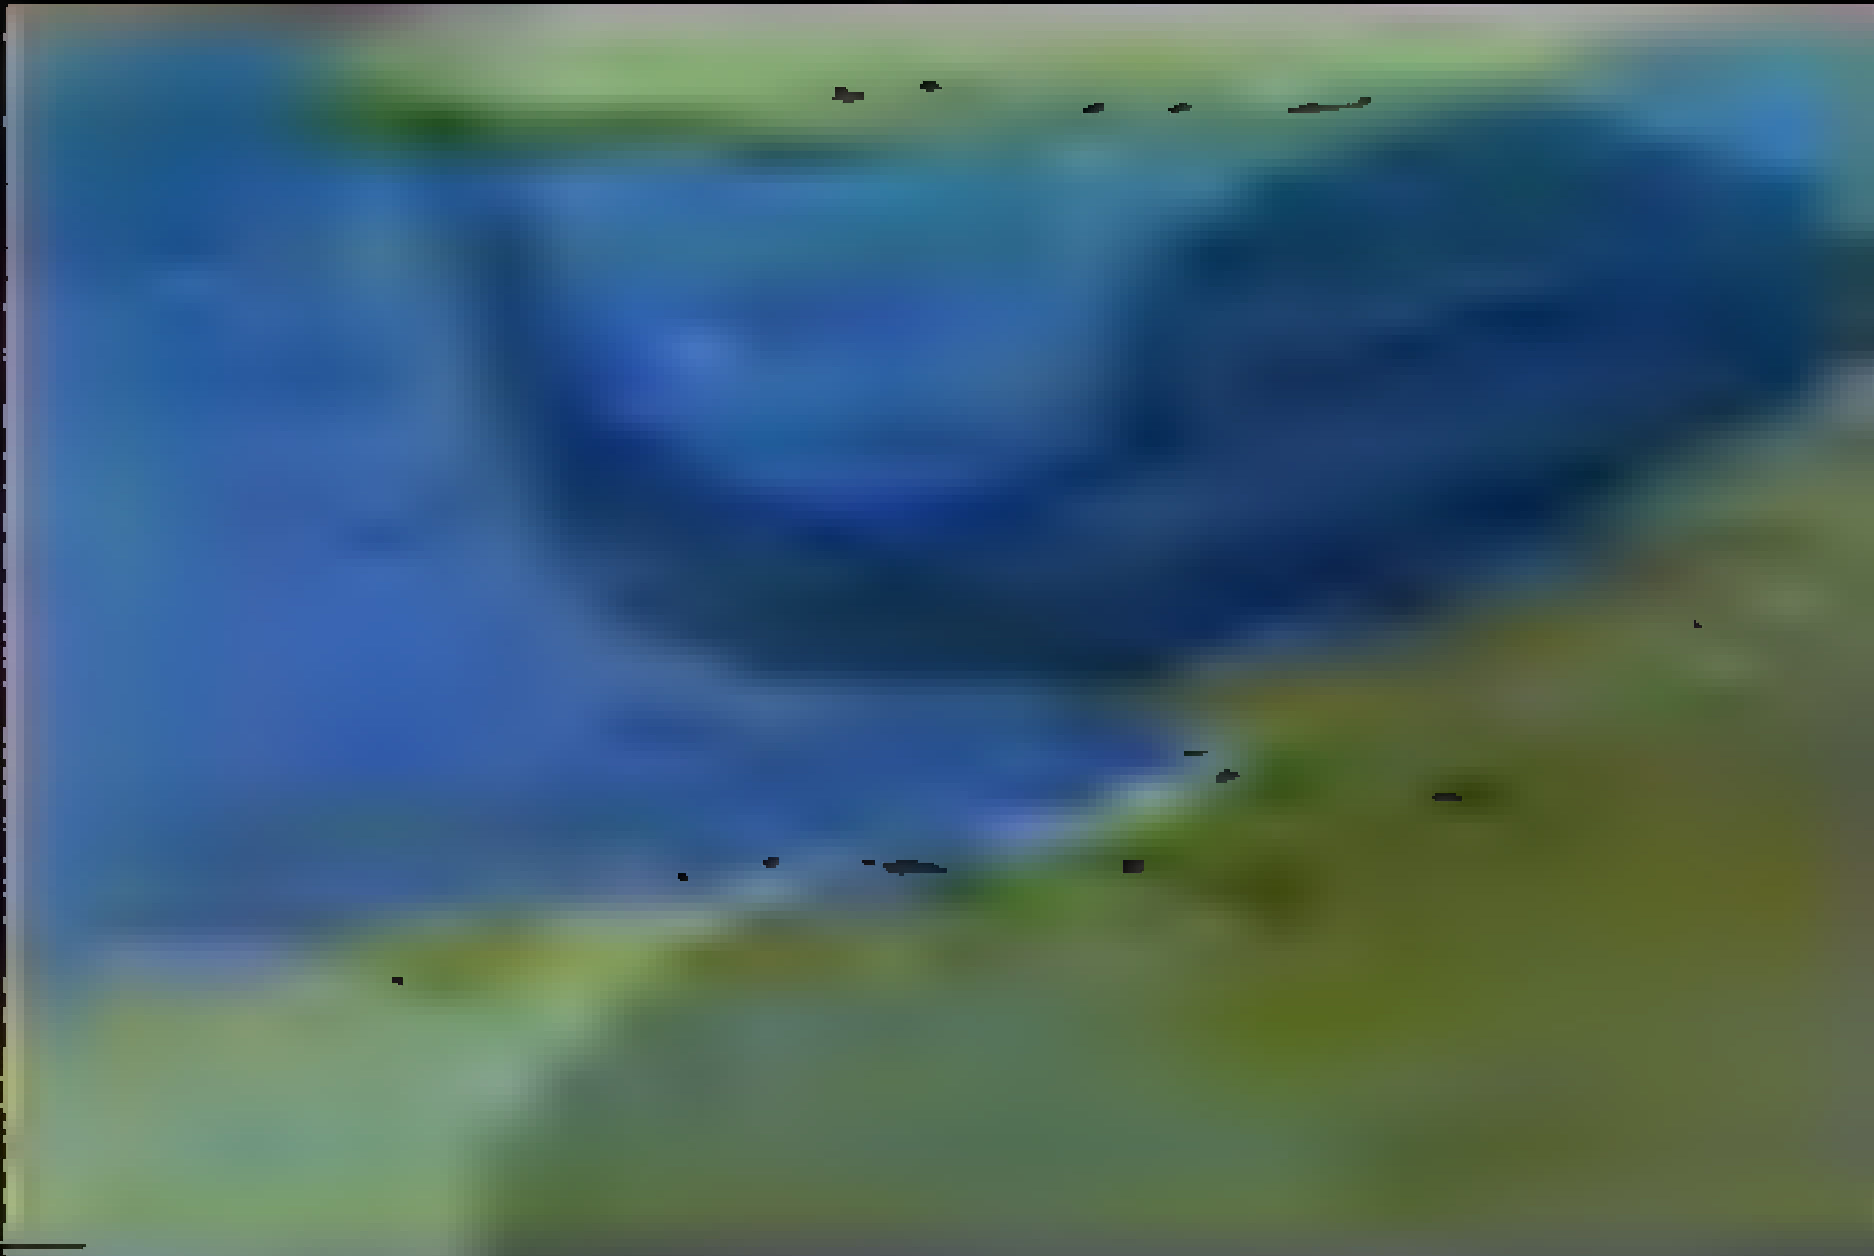

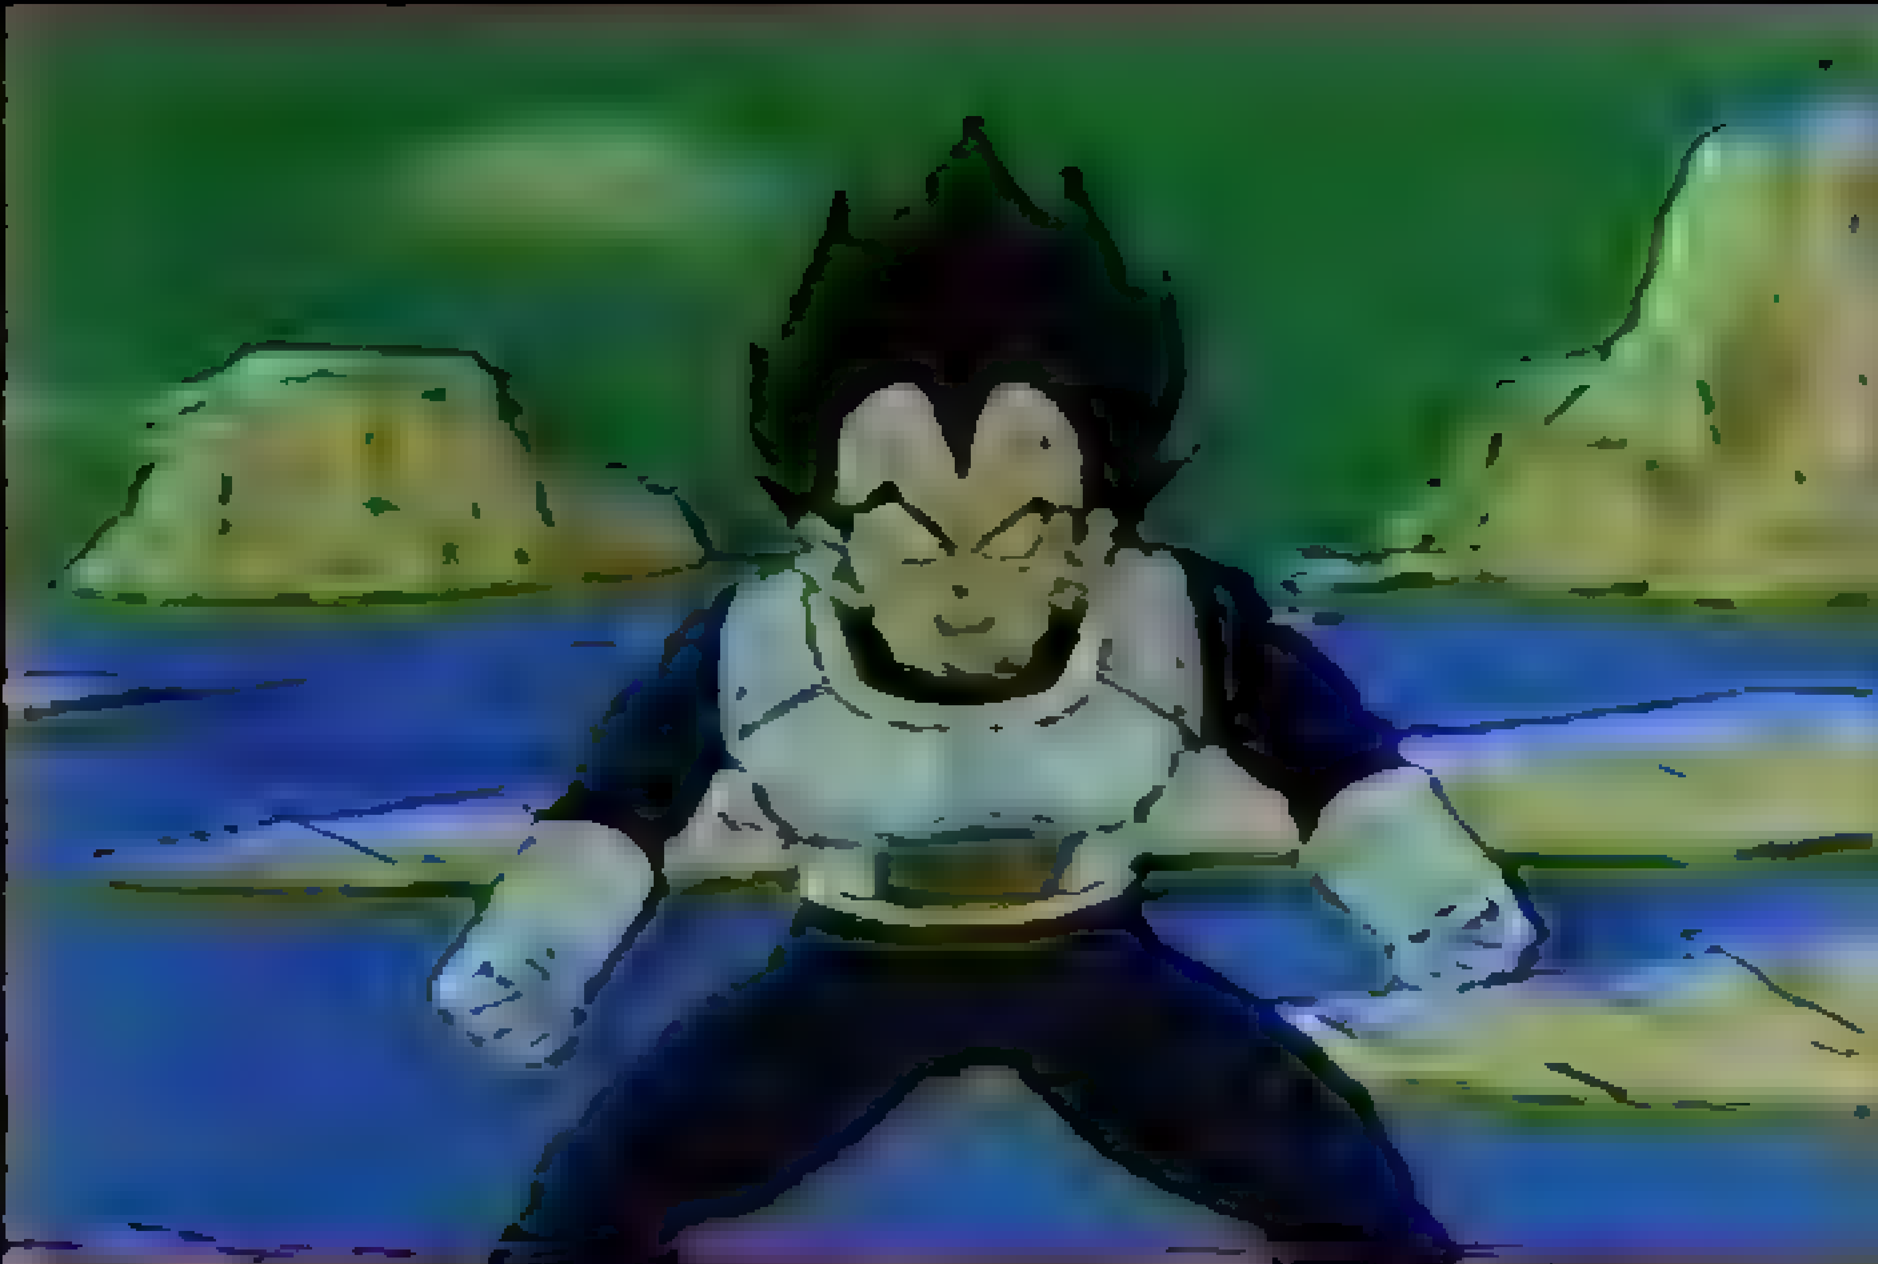

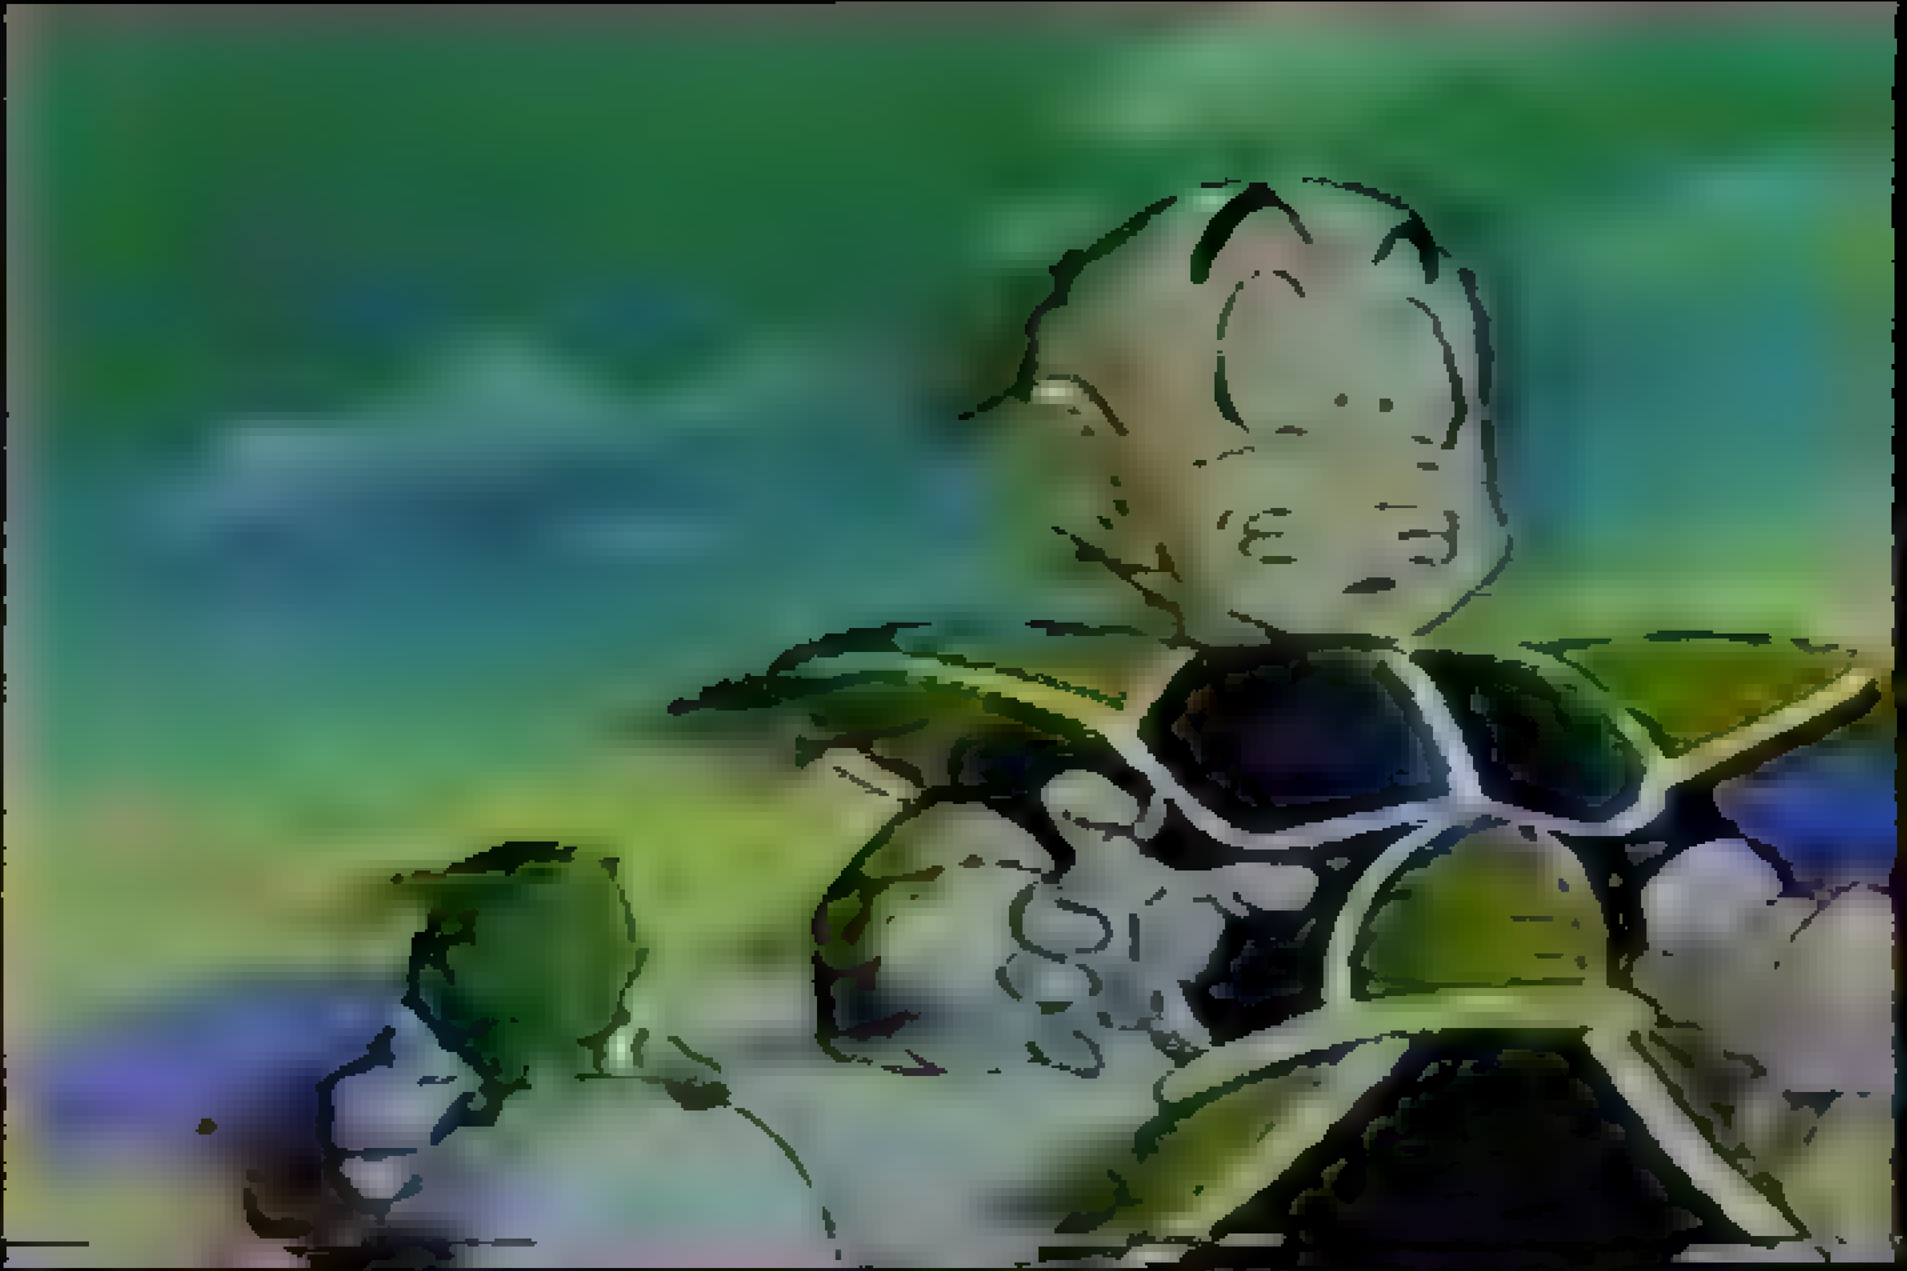

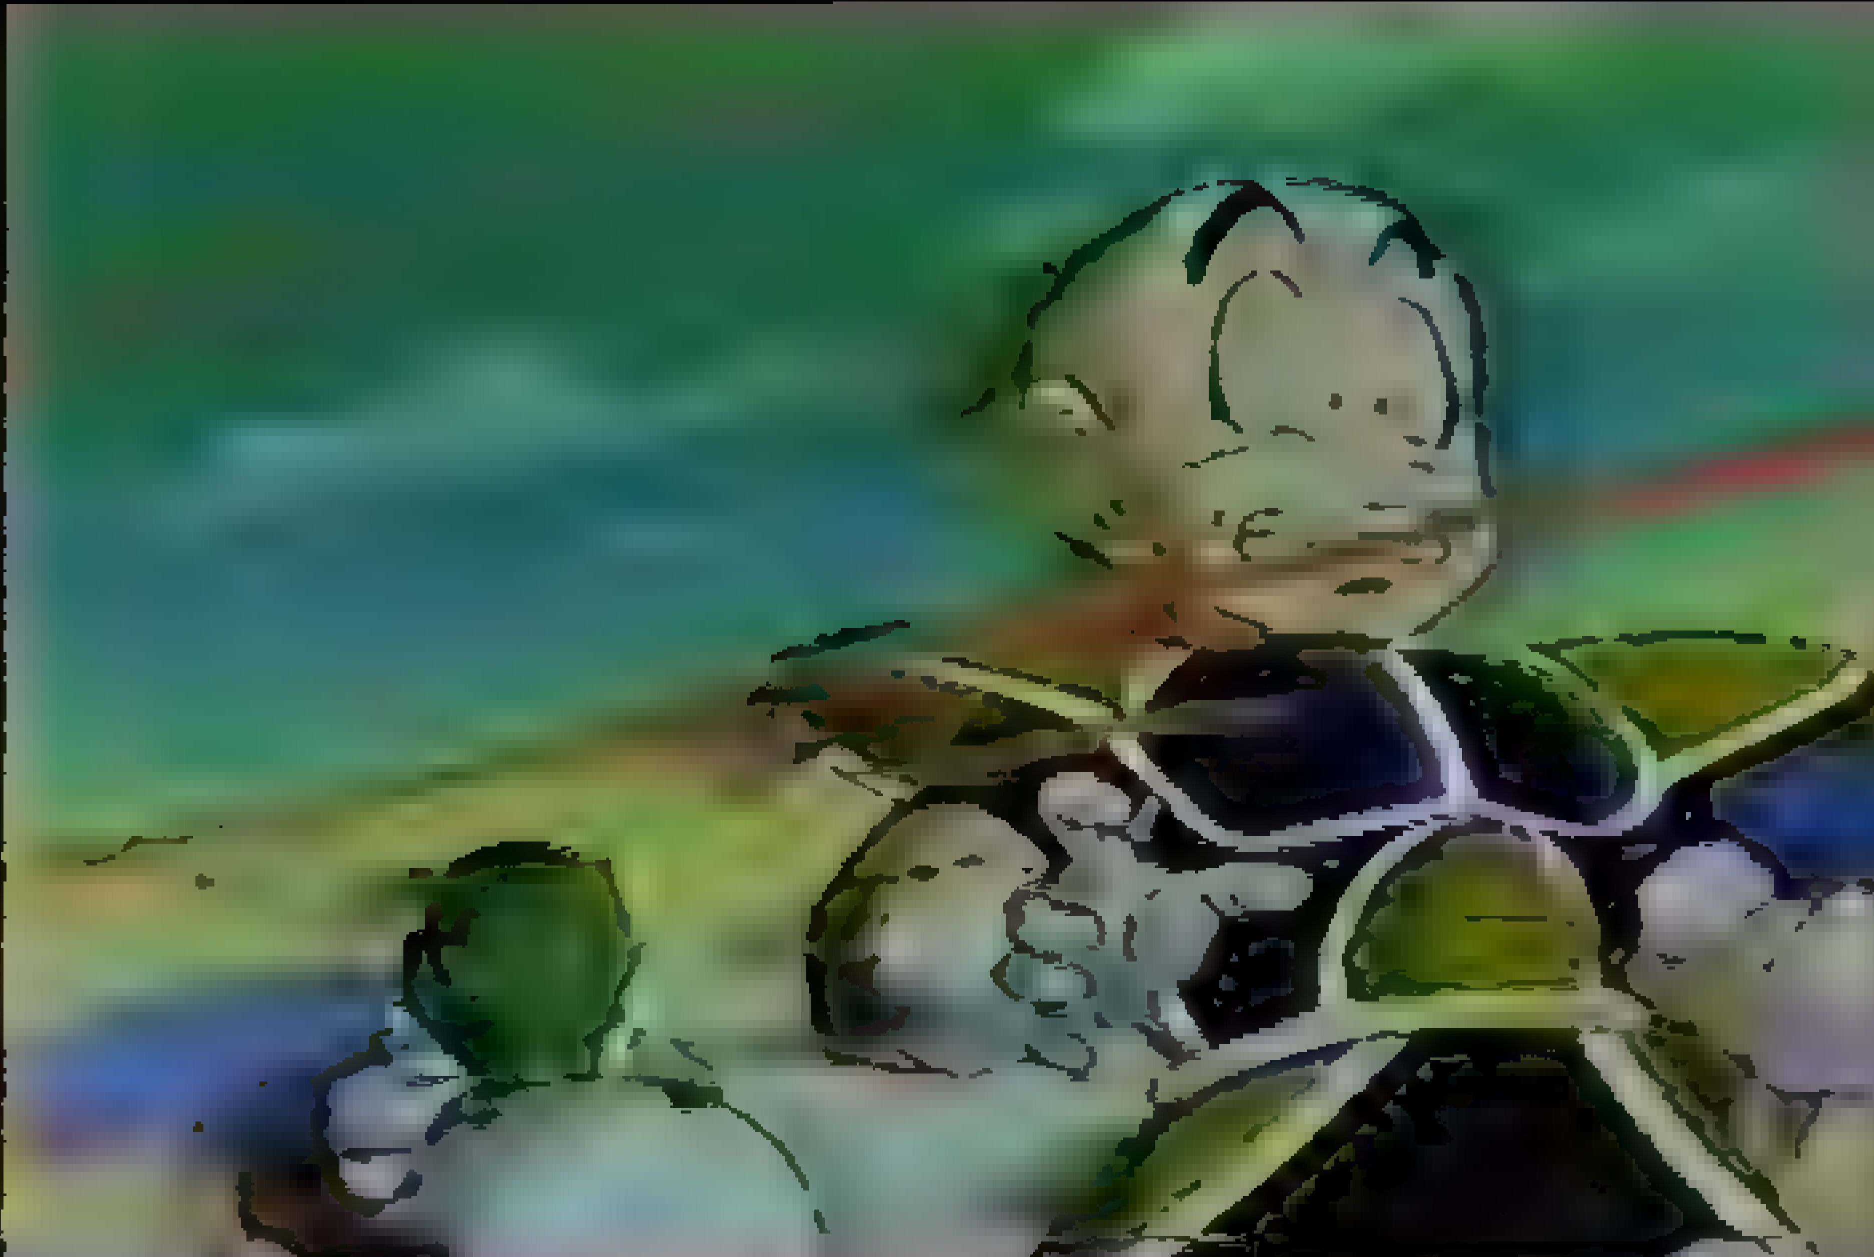

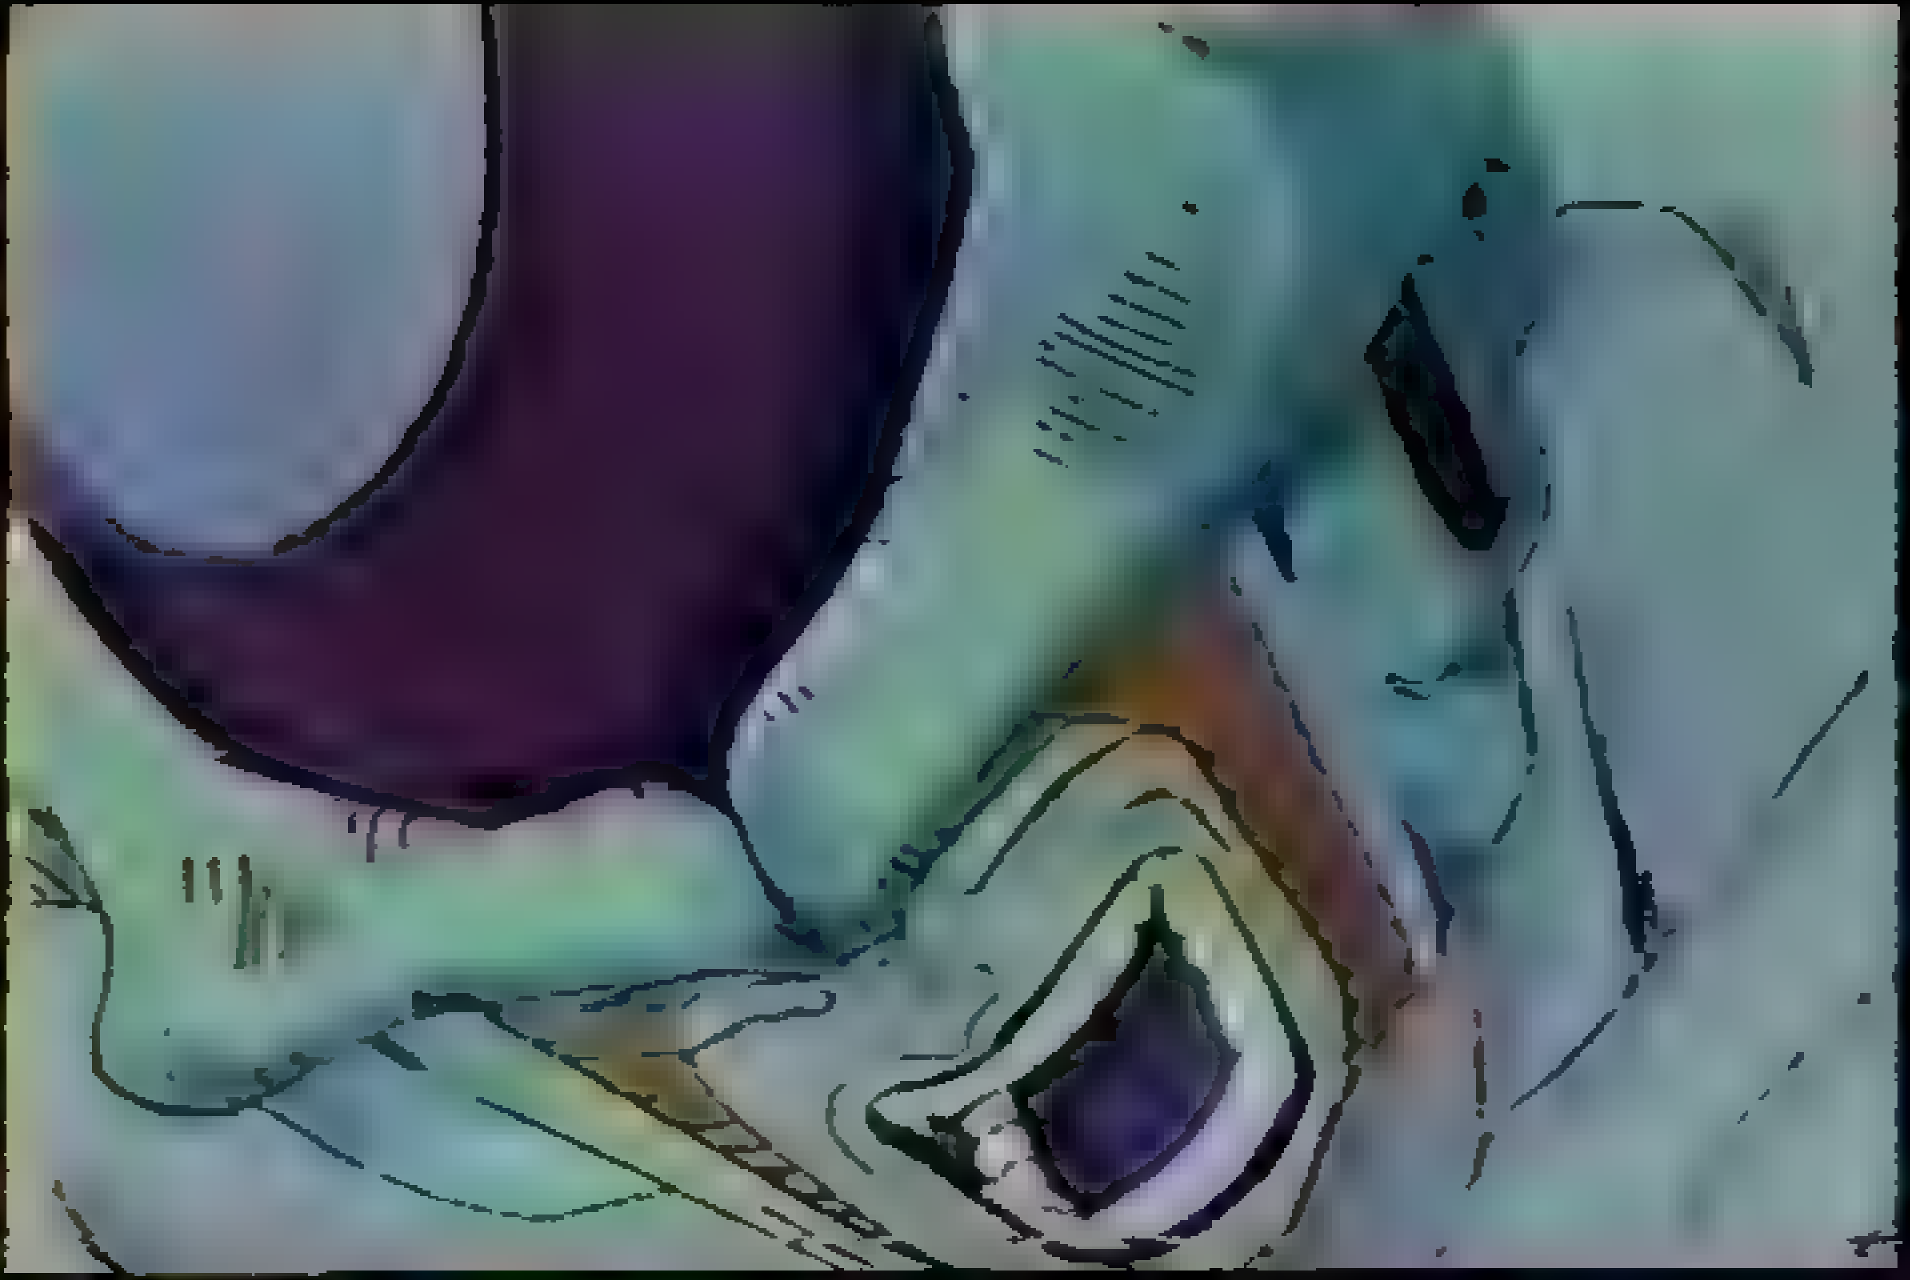

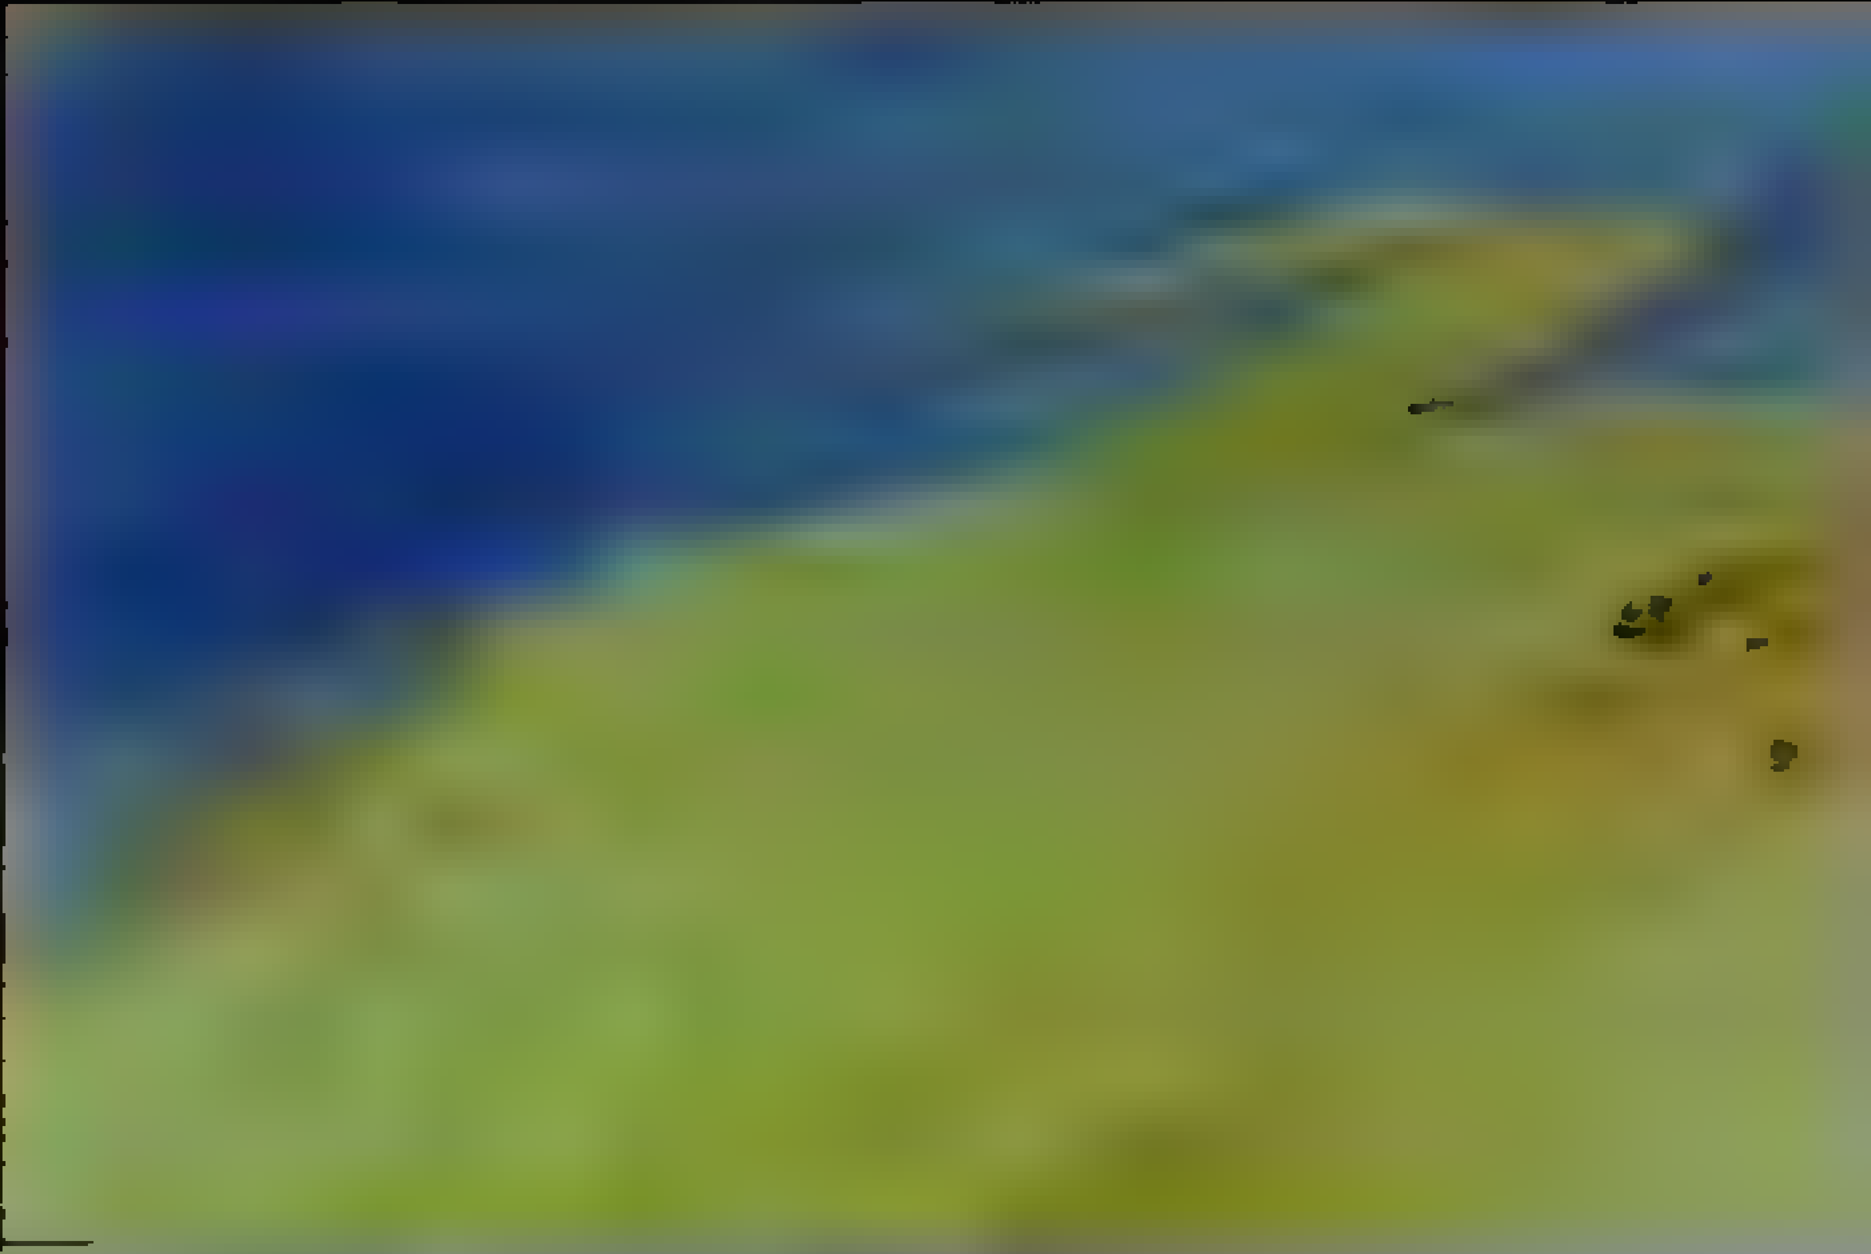

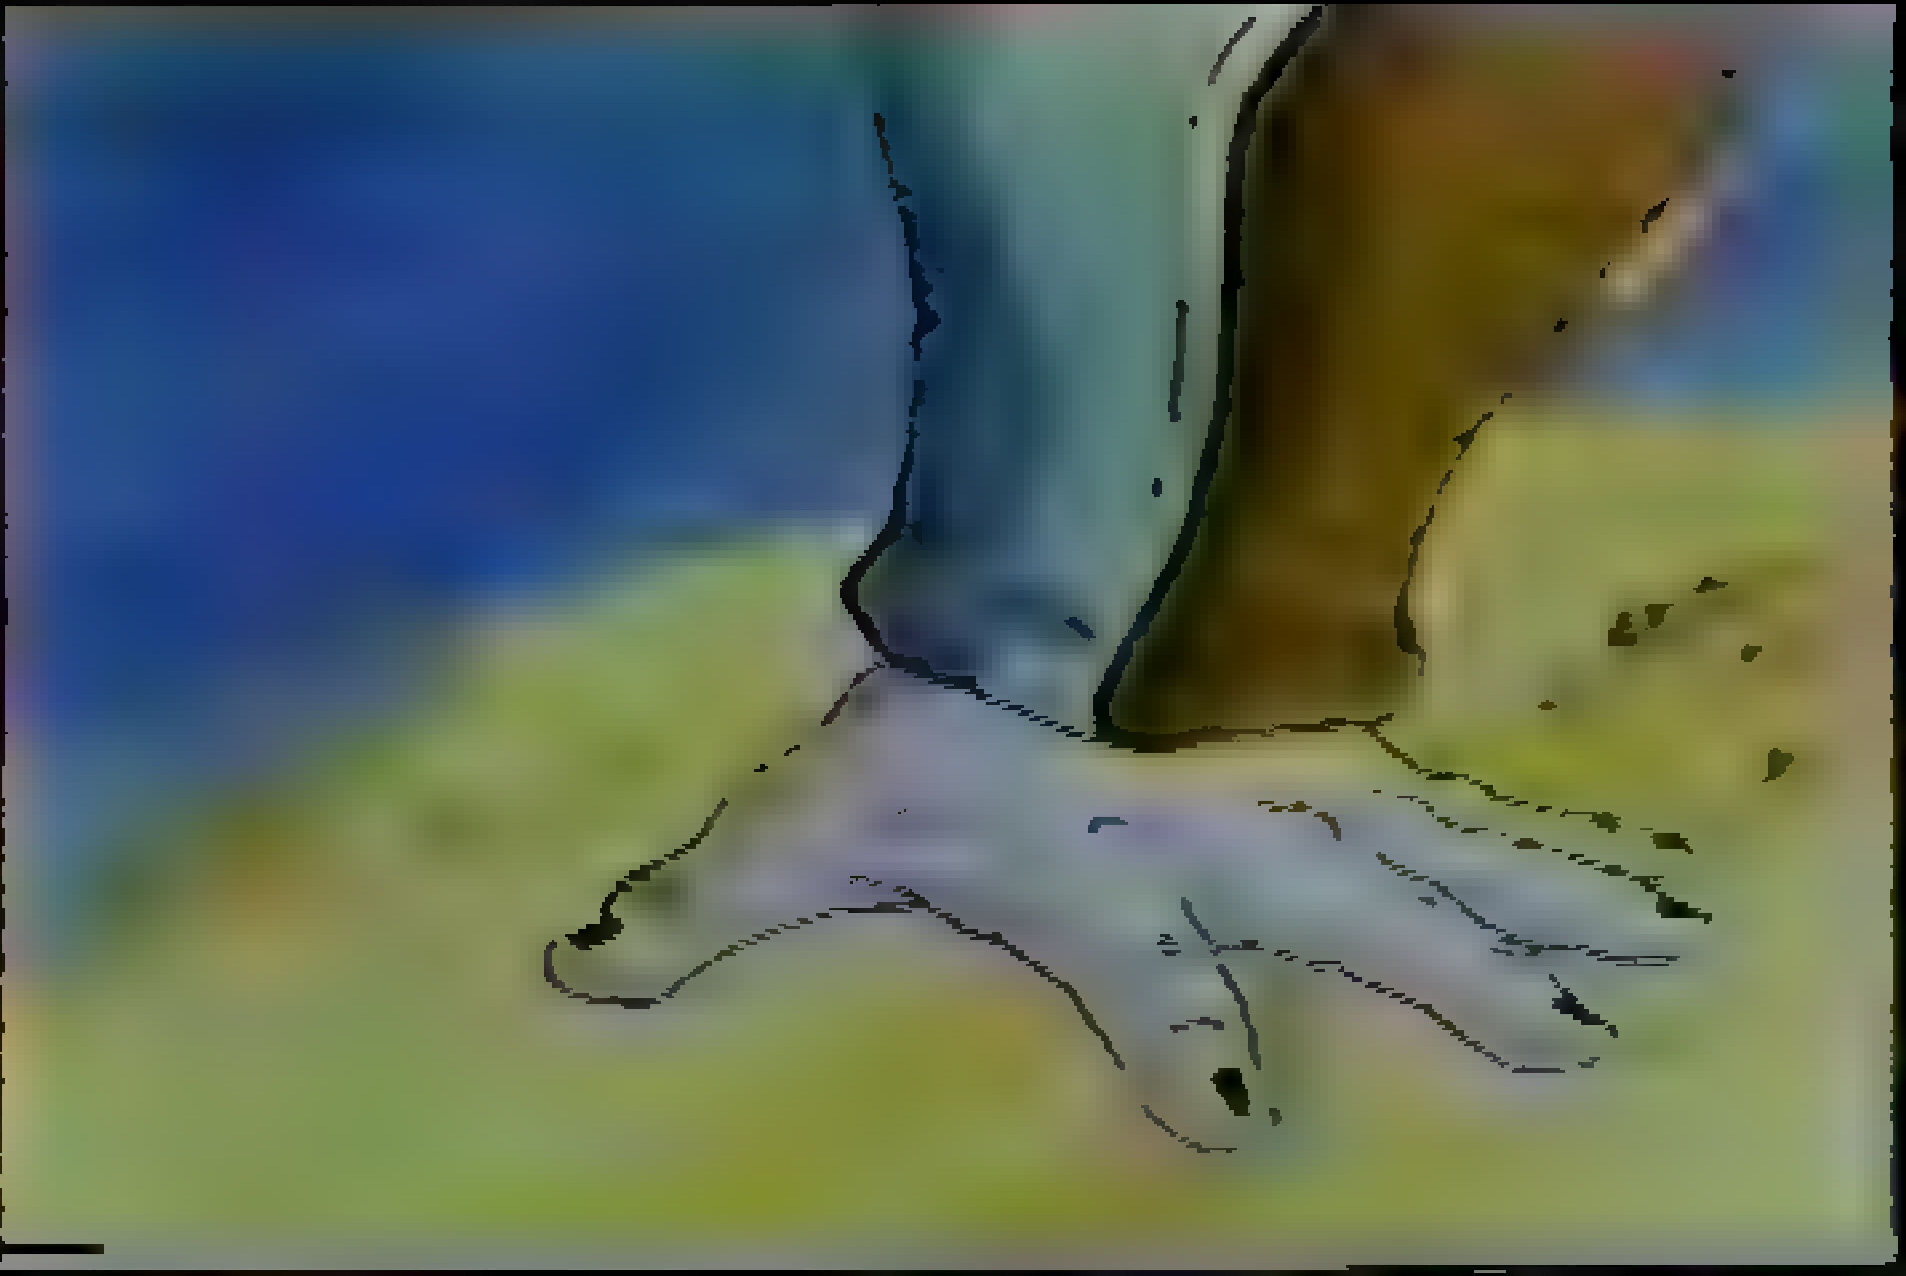

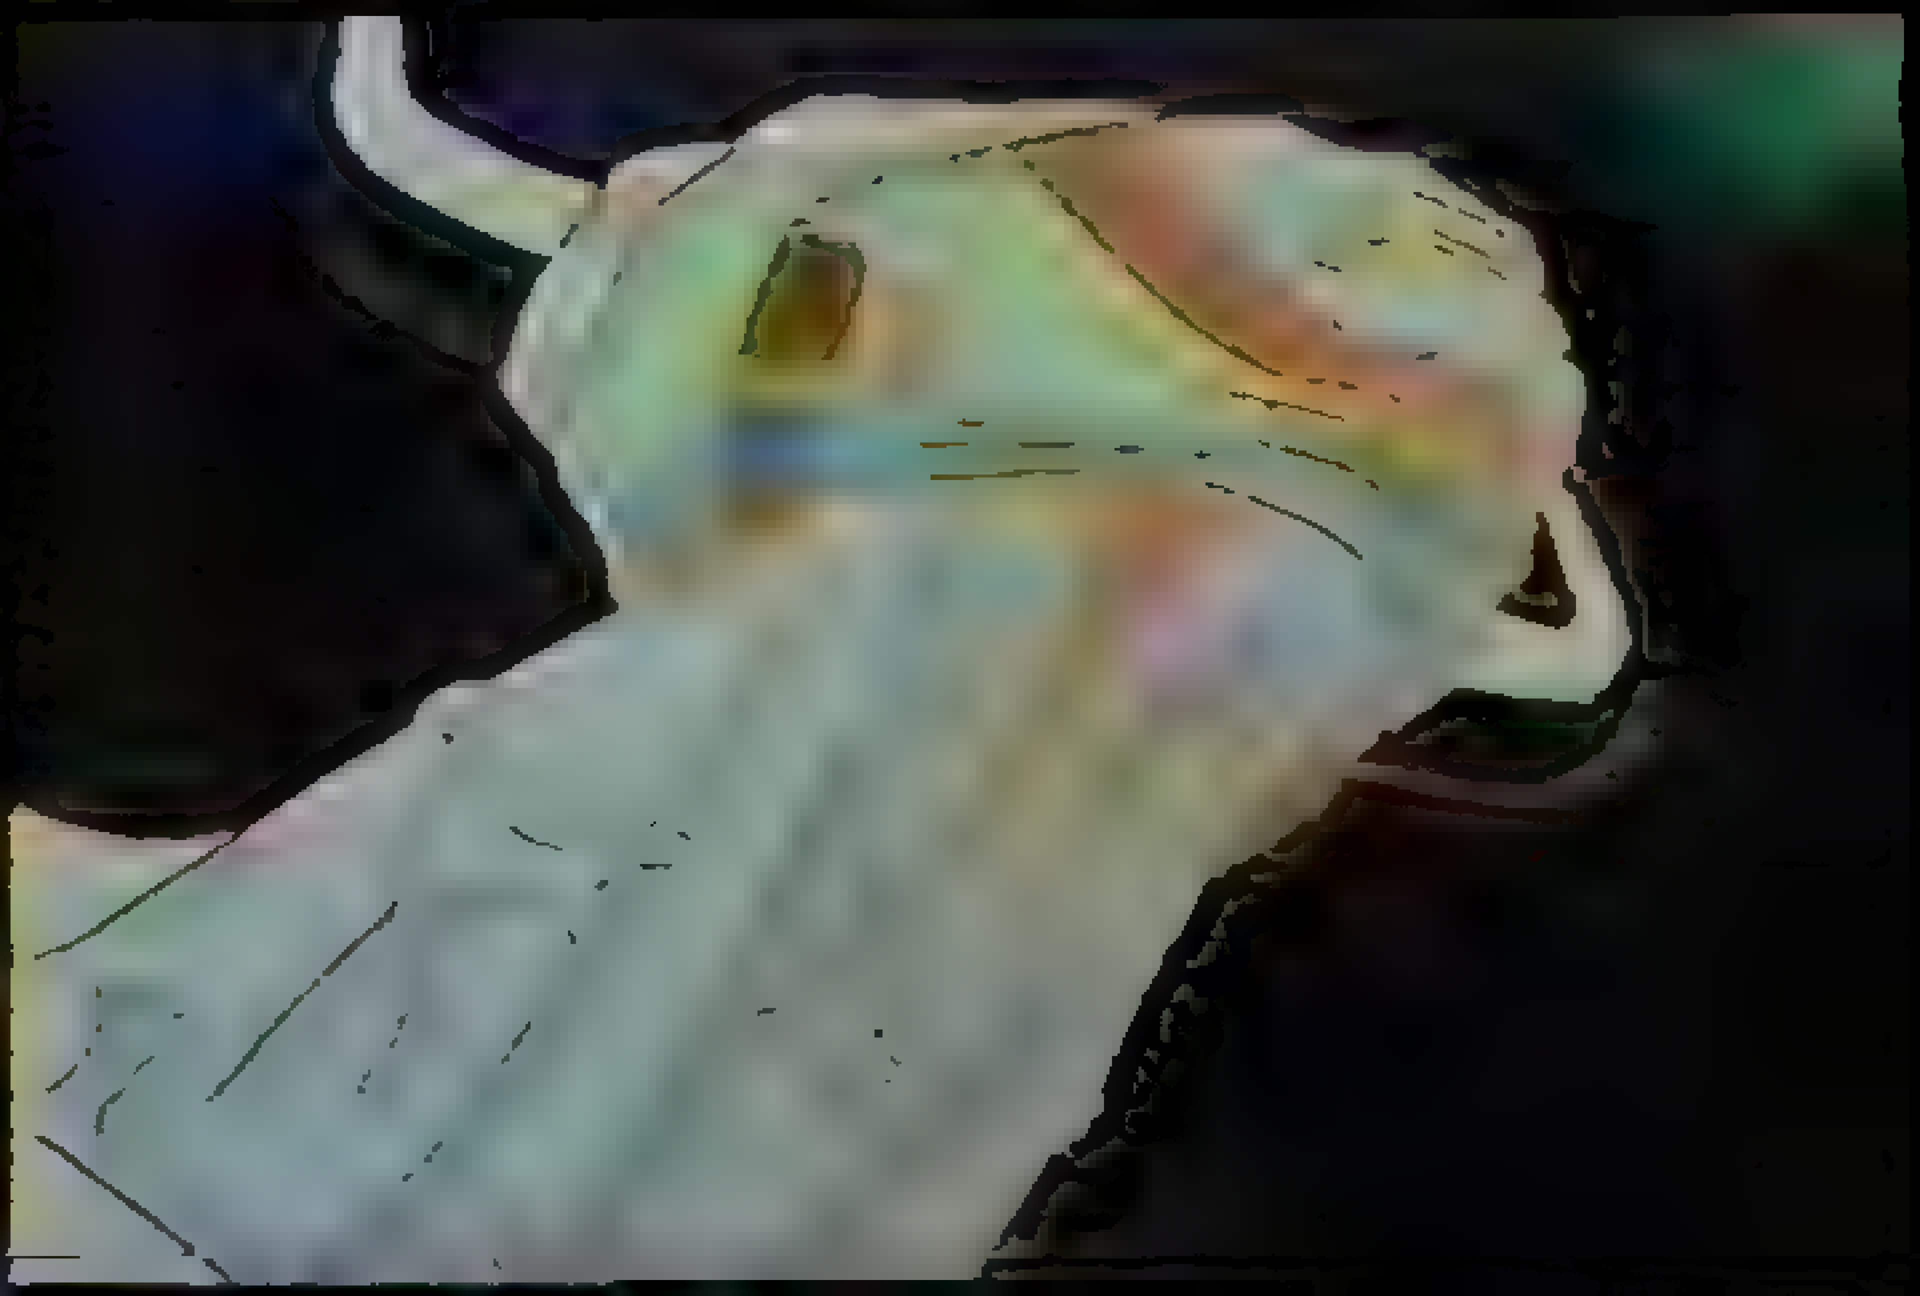

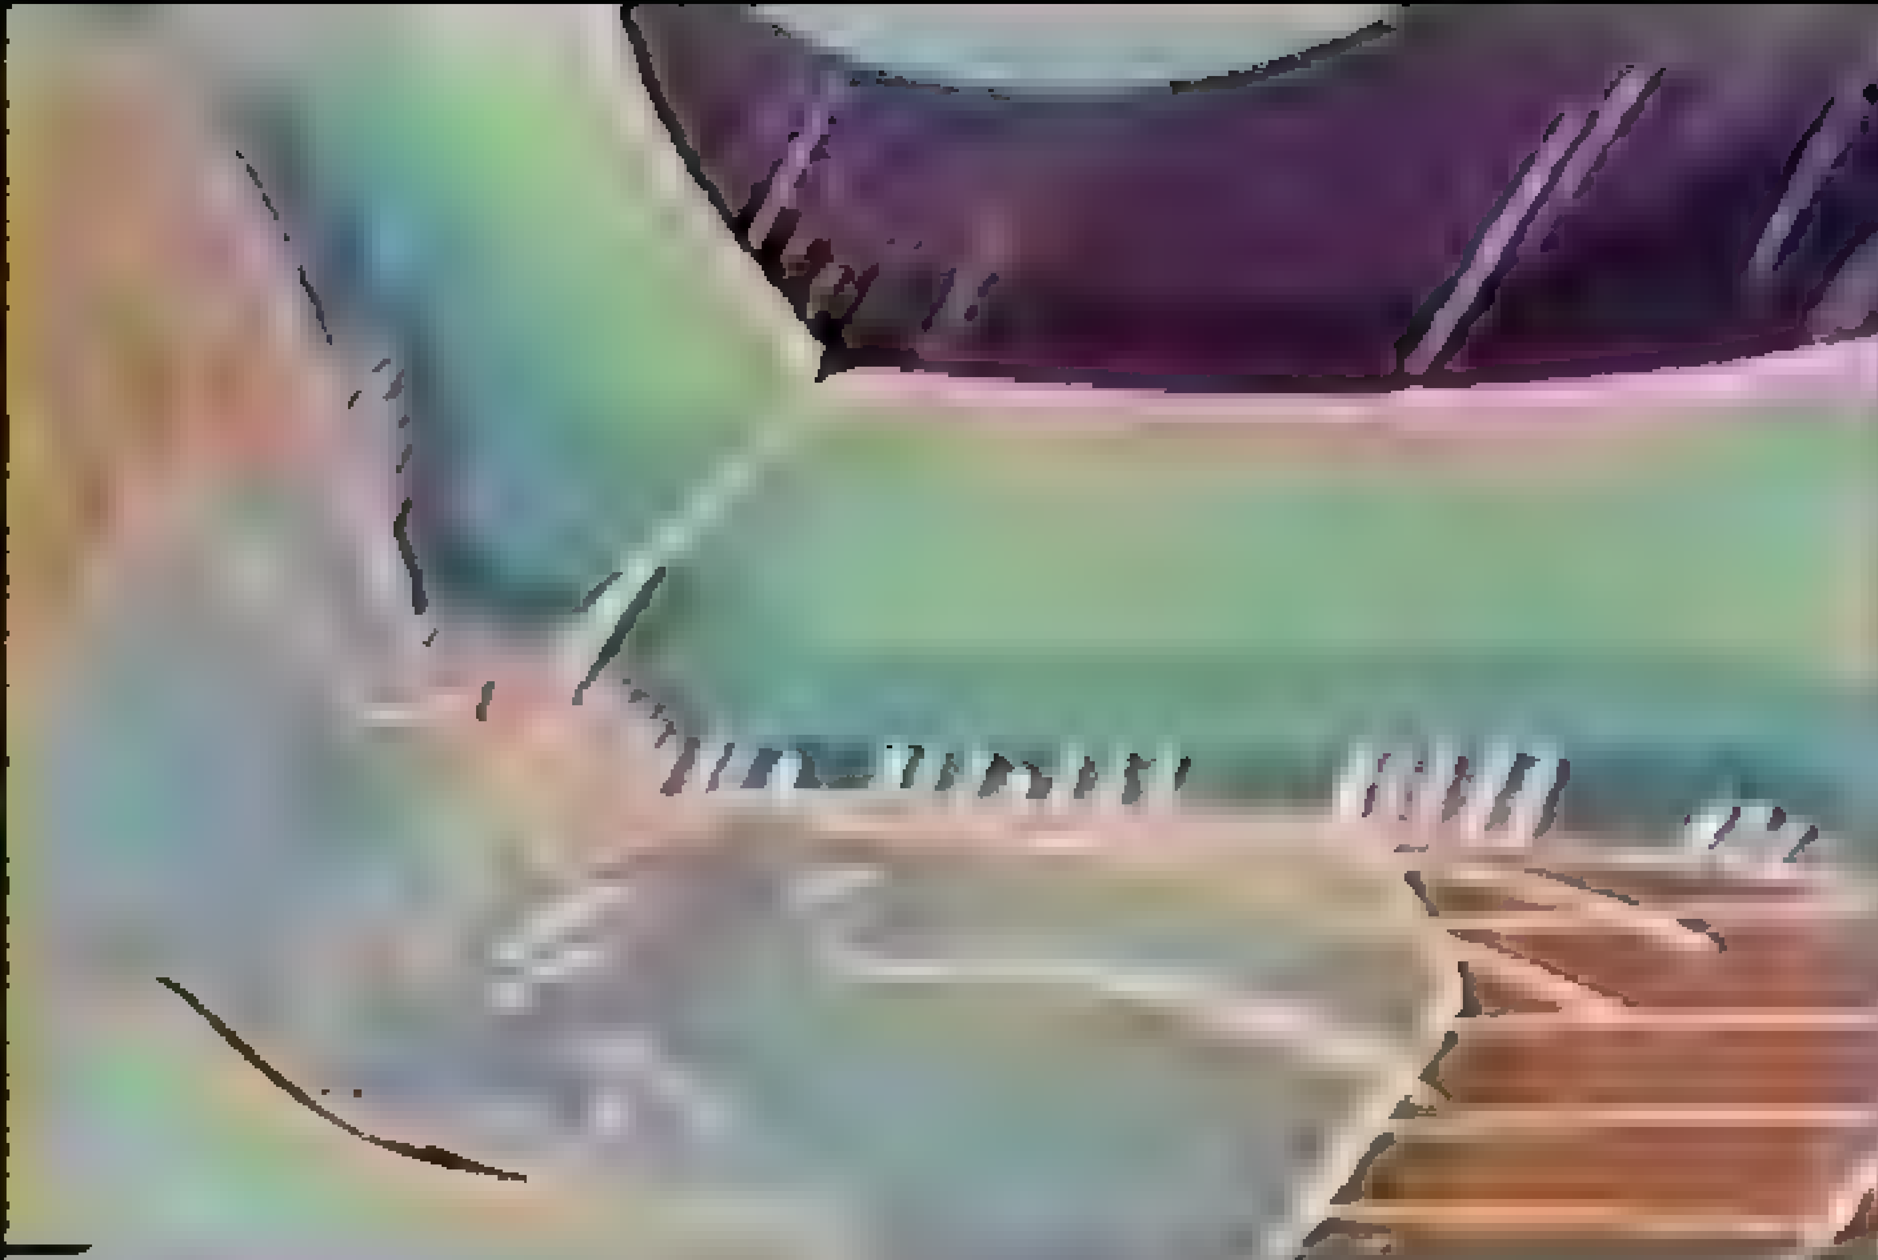

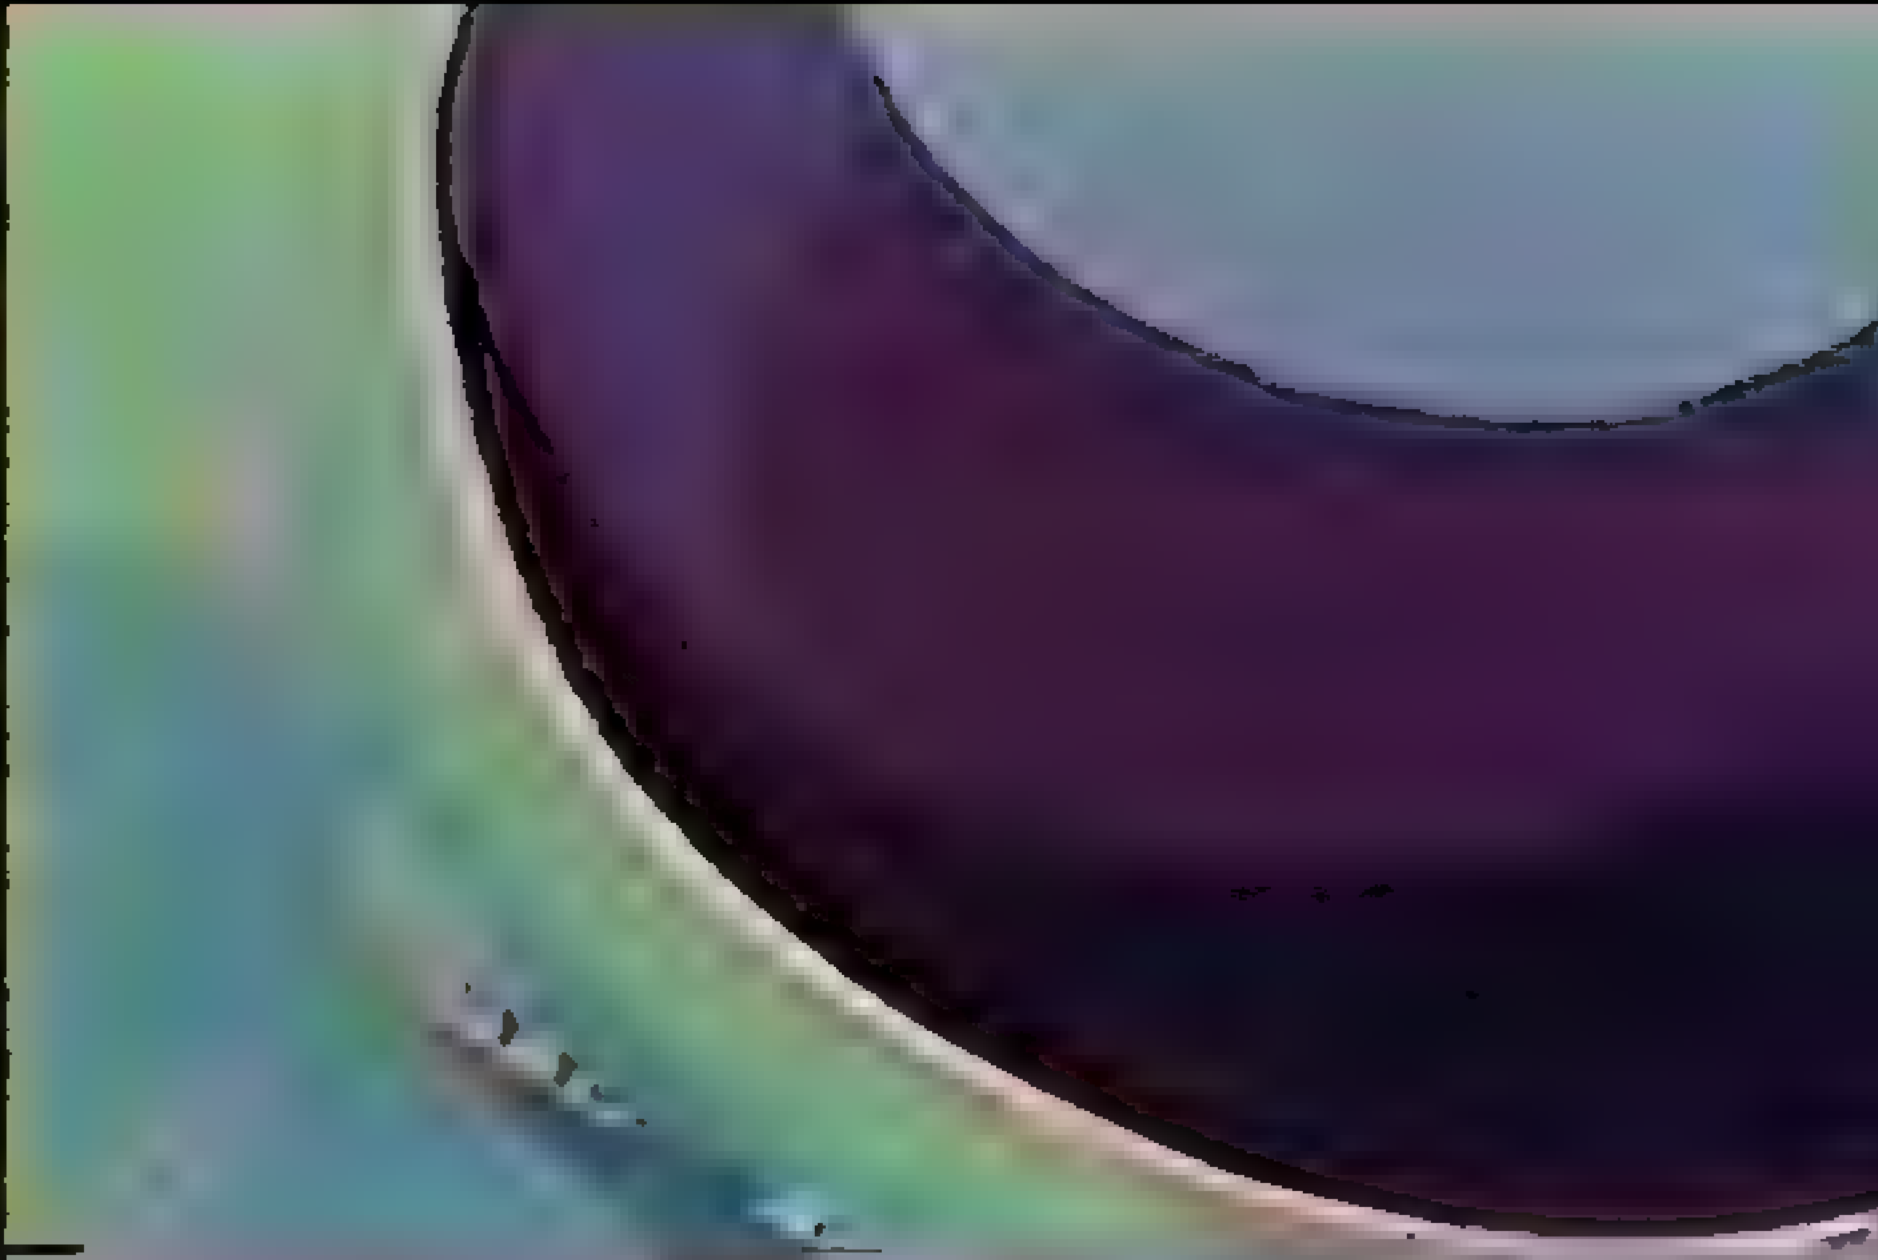

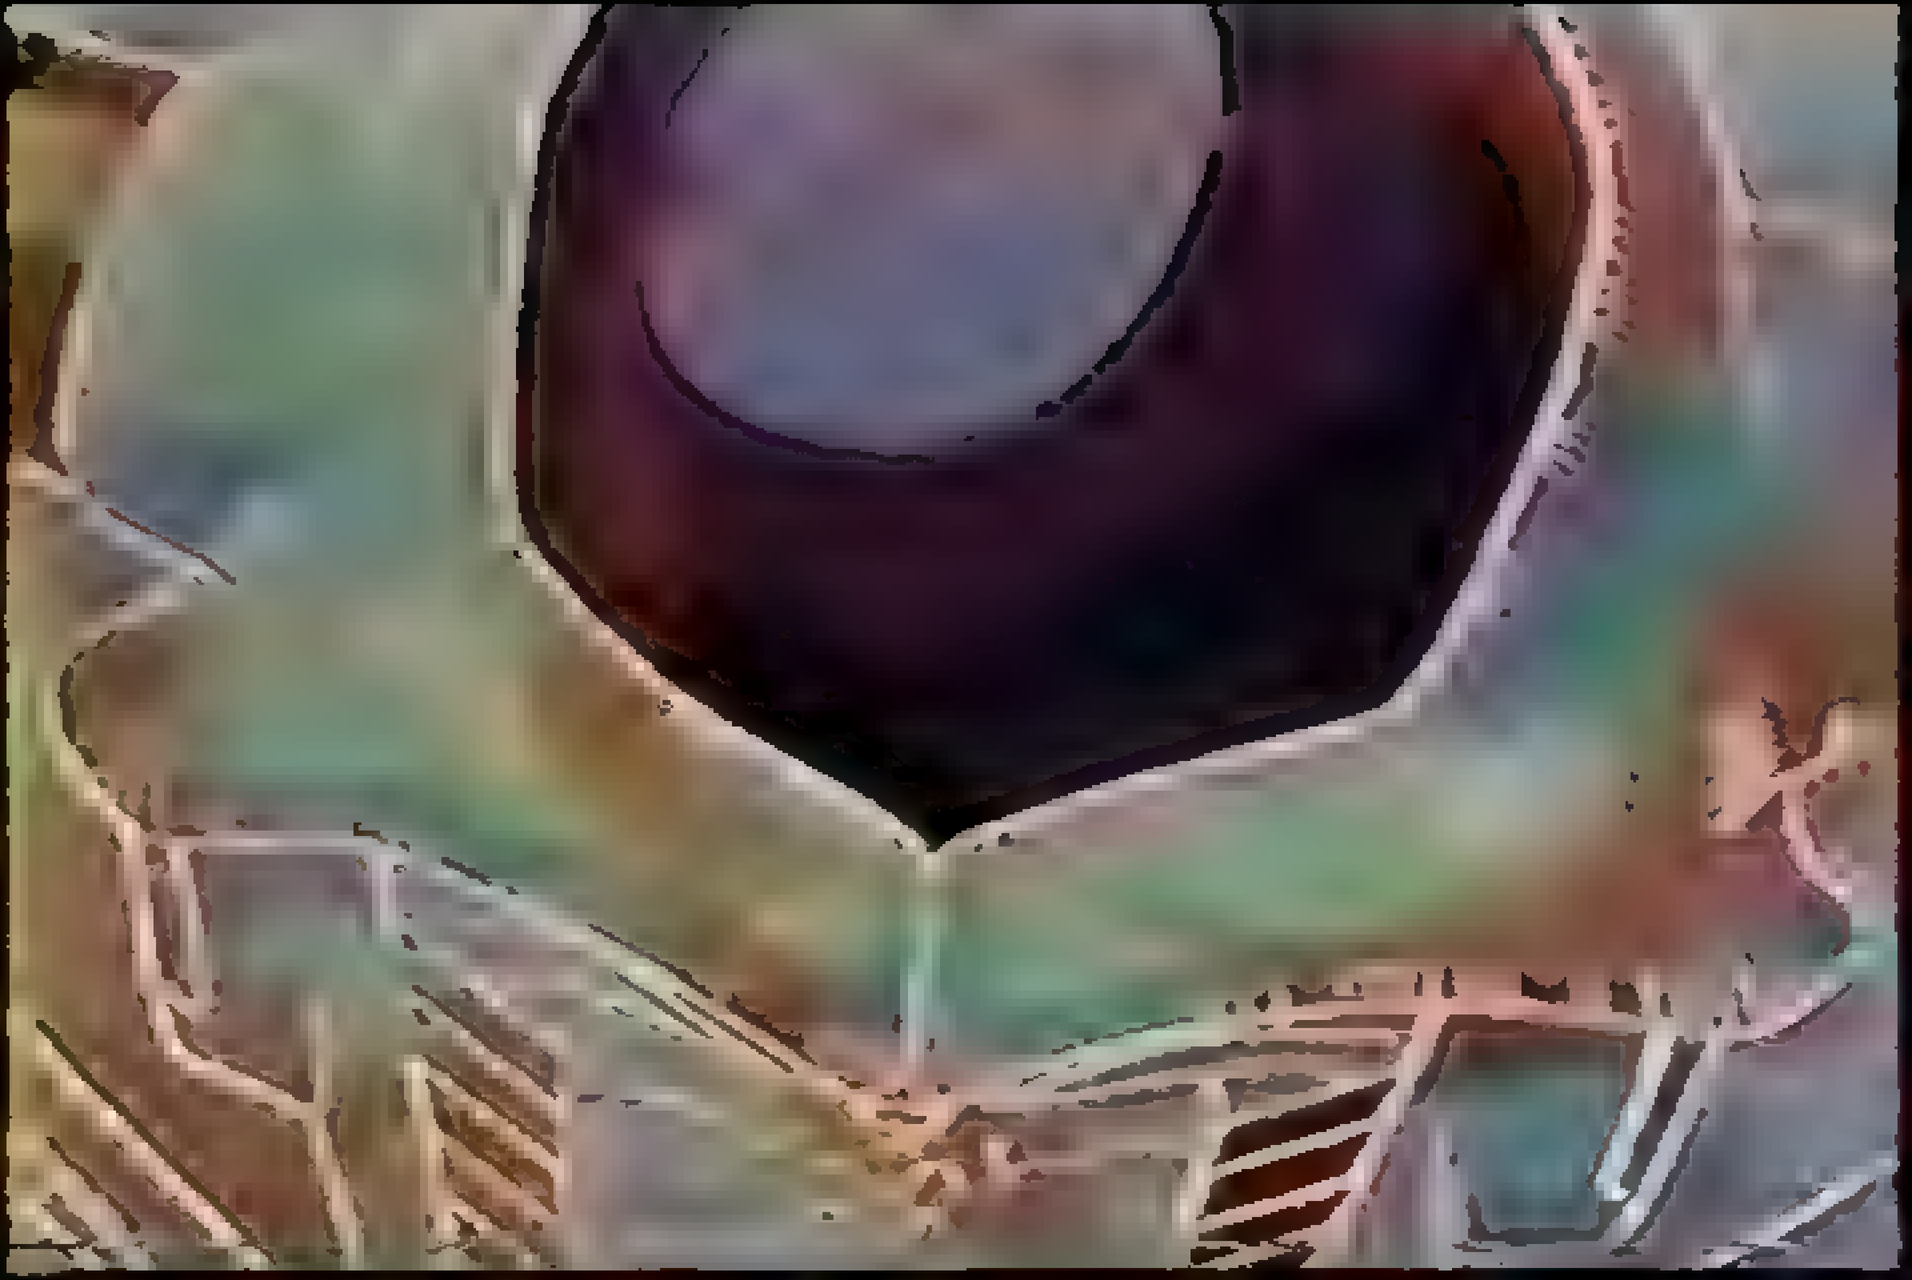

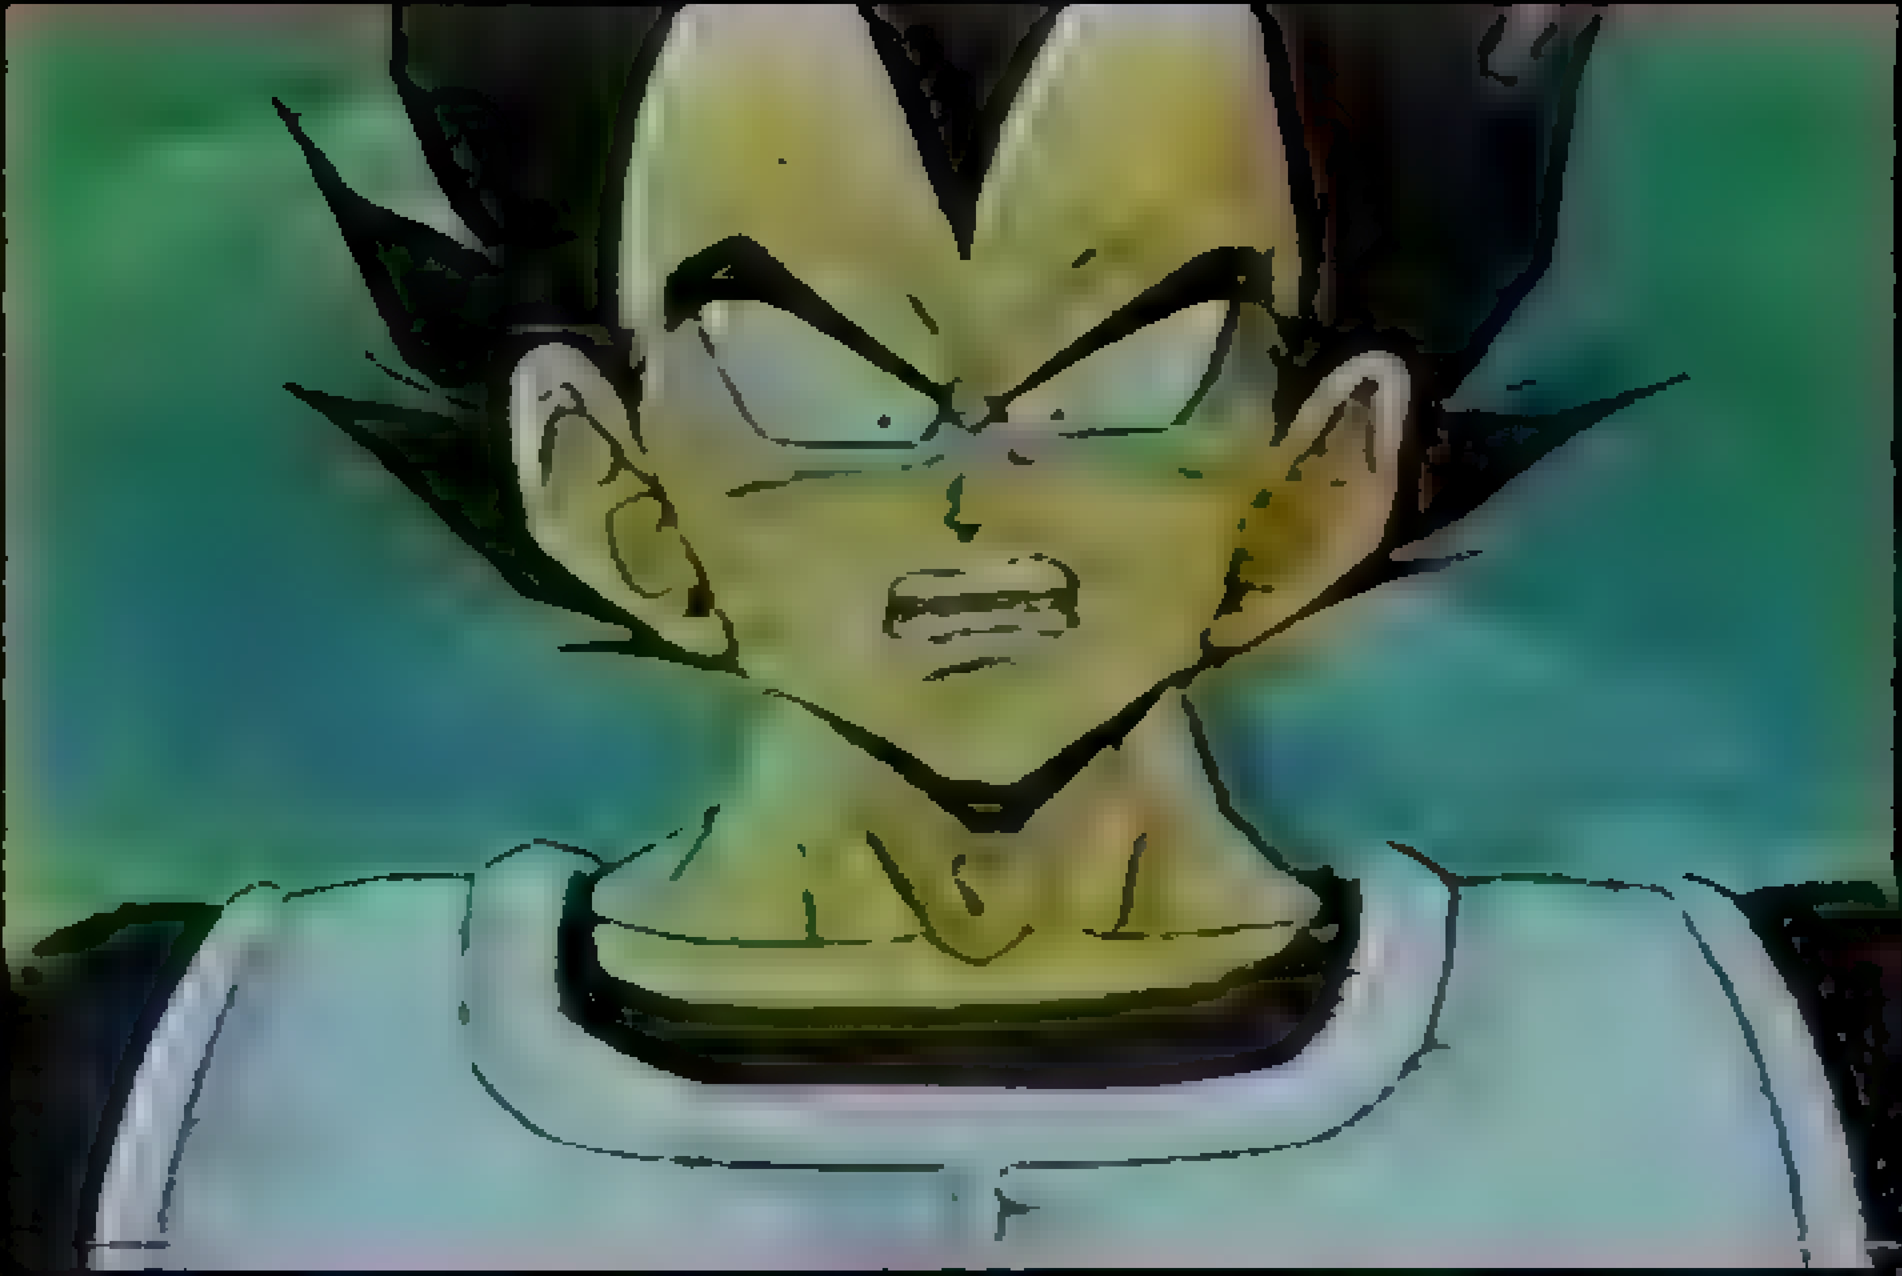

This is impossible--!

We're going to be killed...

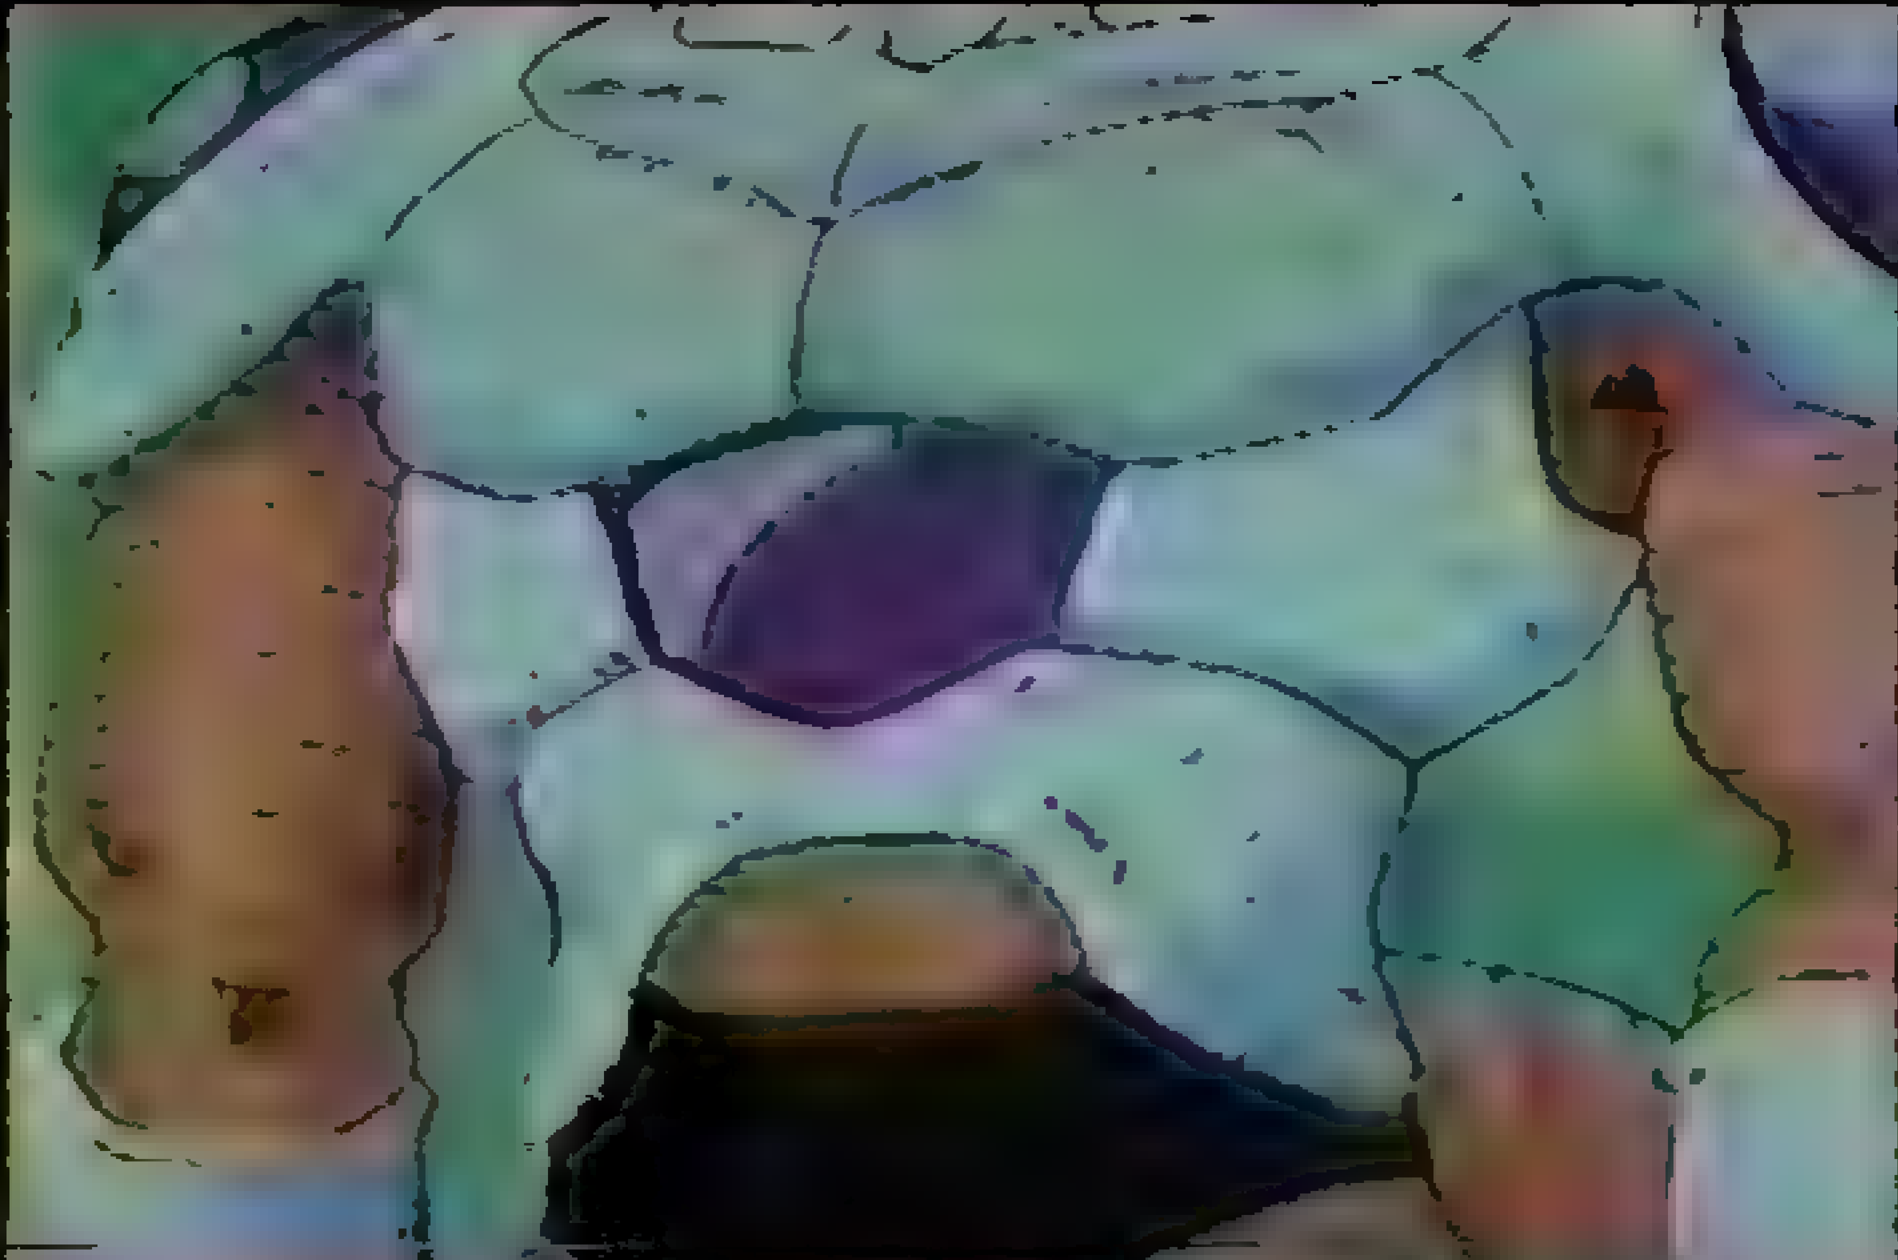

This is a nightmare...

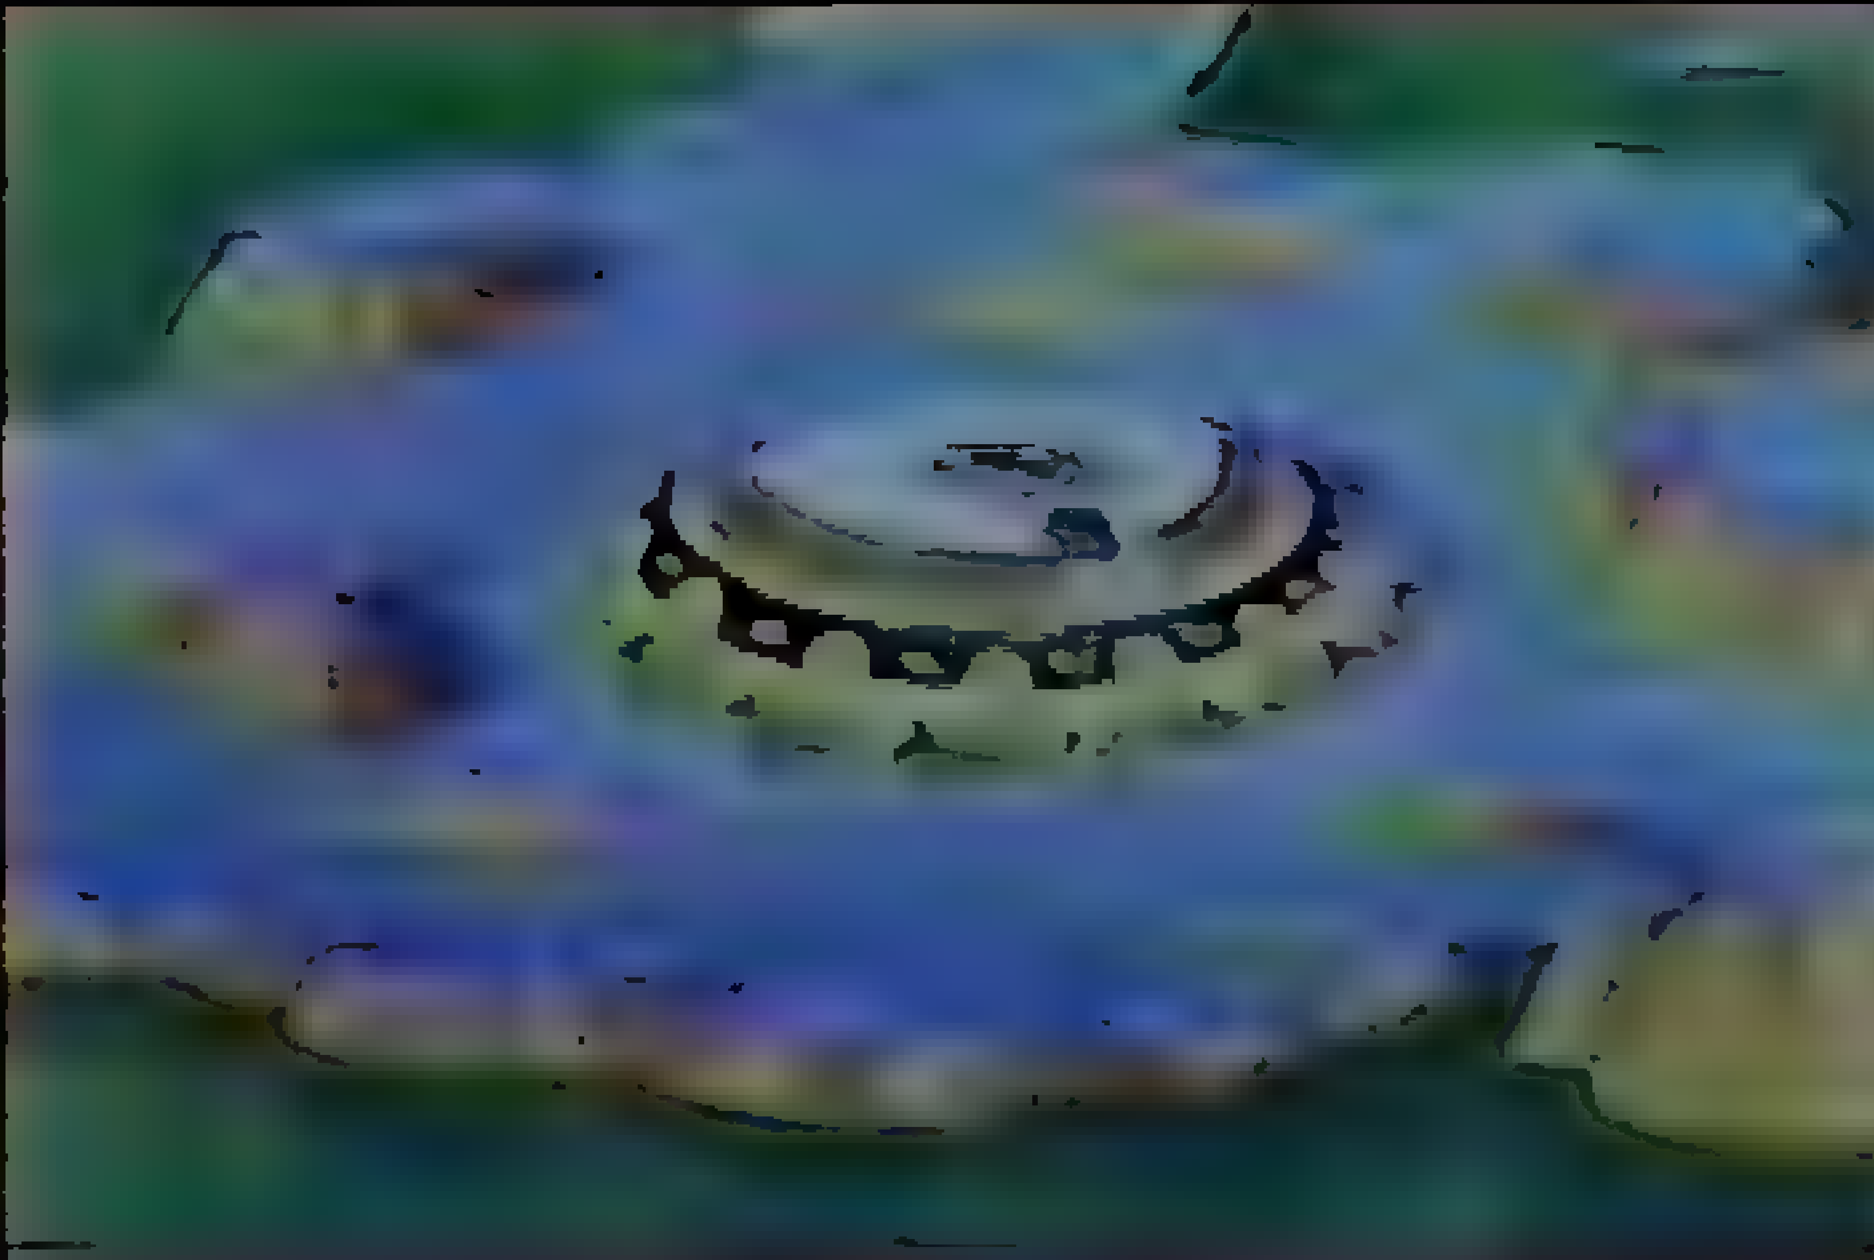

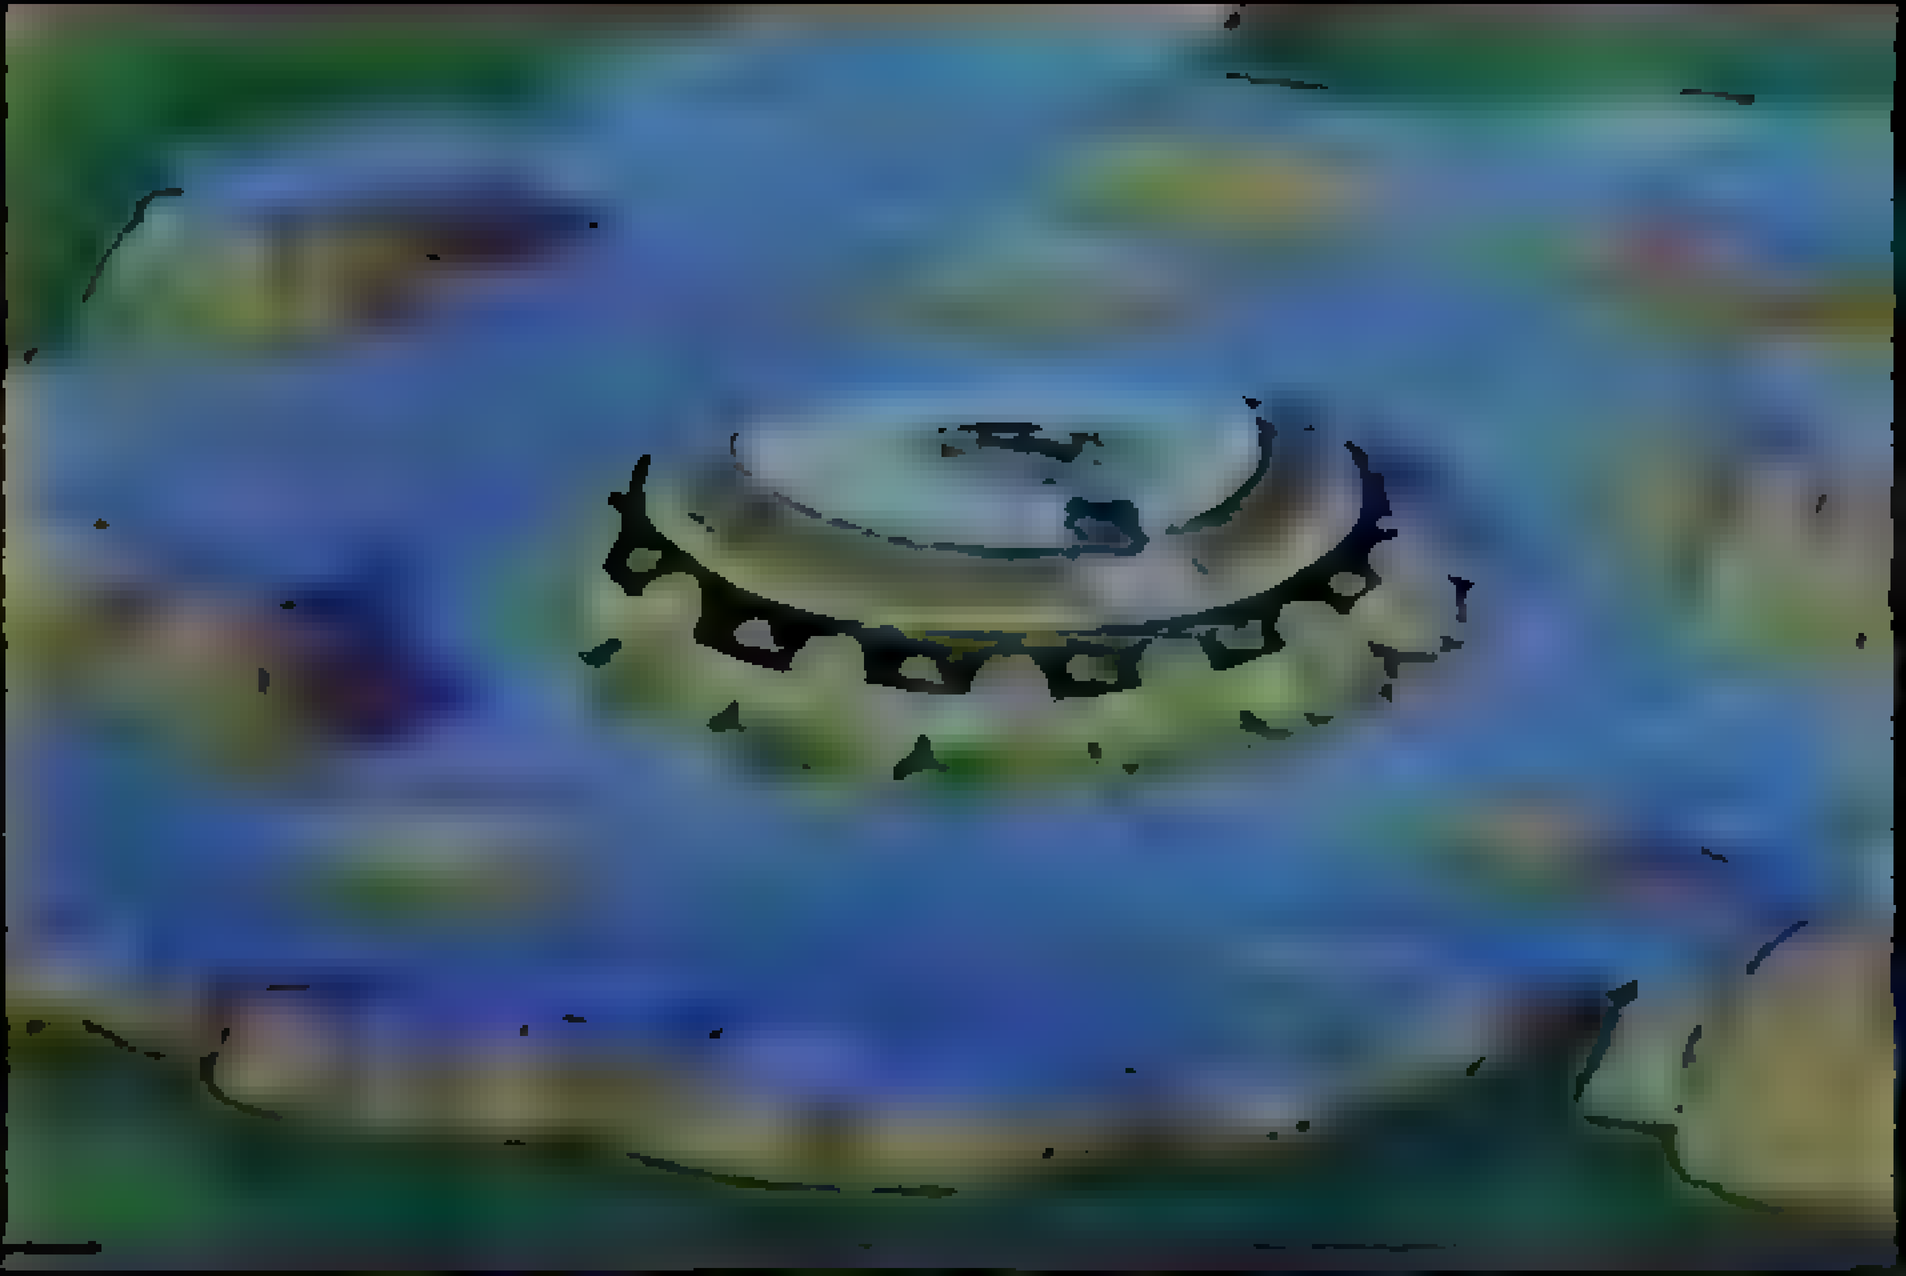

Better be careful!

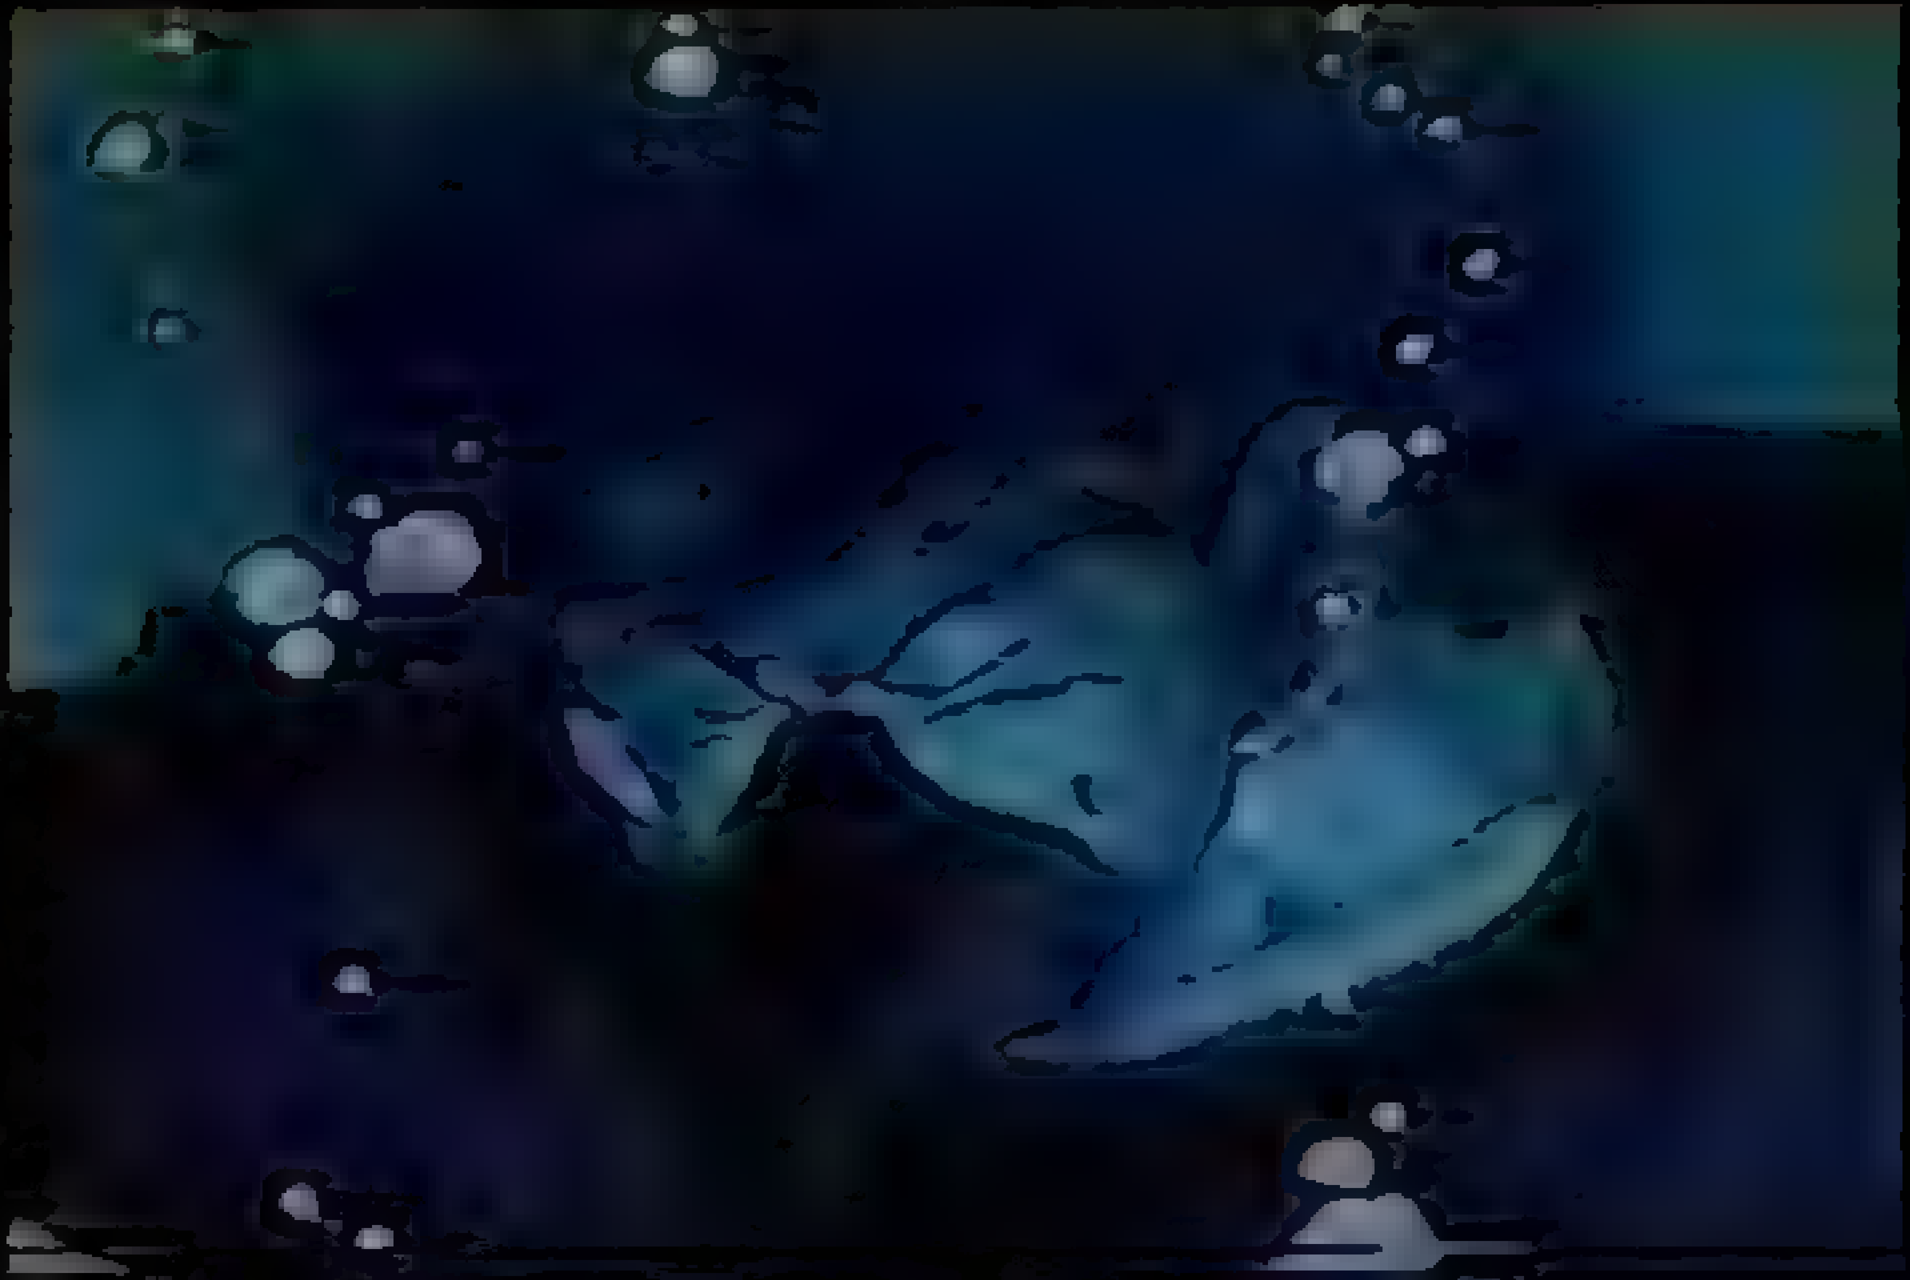

I'm not going to be as
nice as I was before.

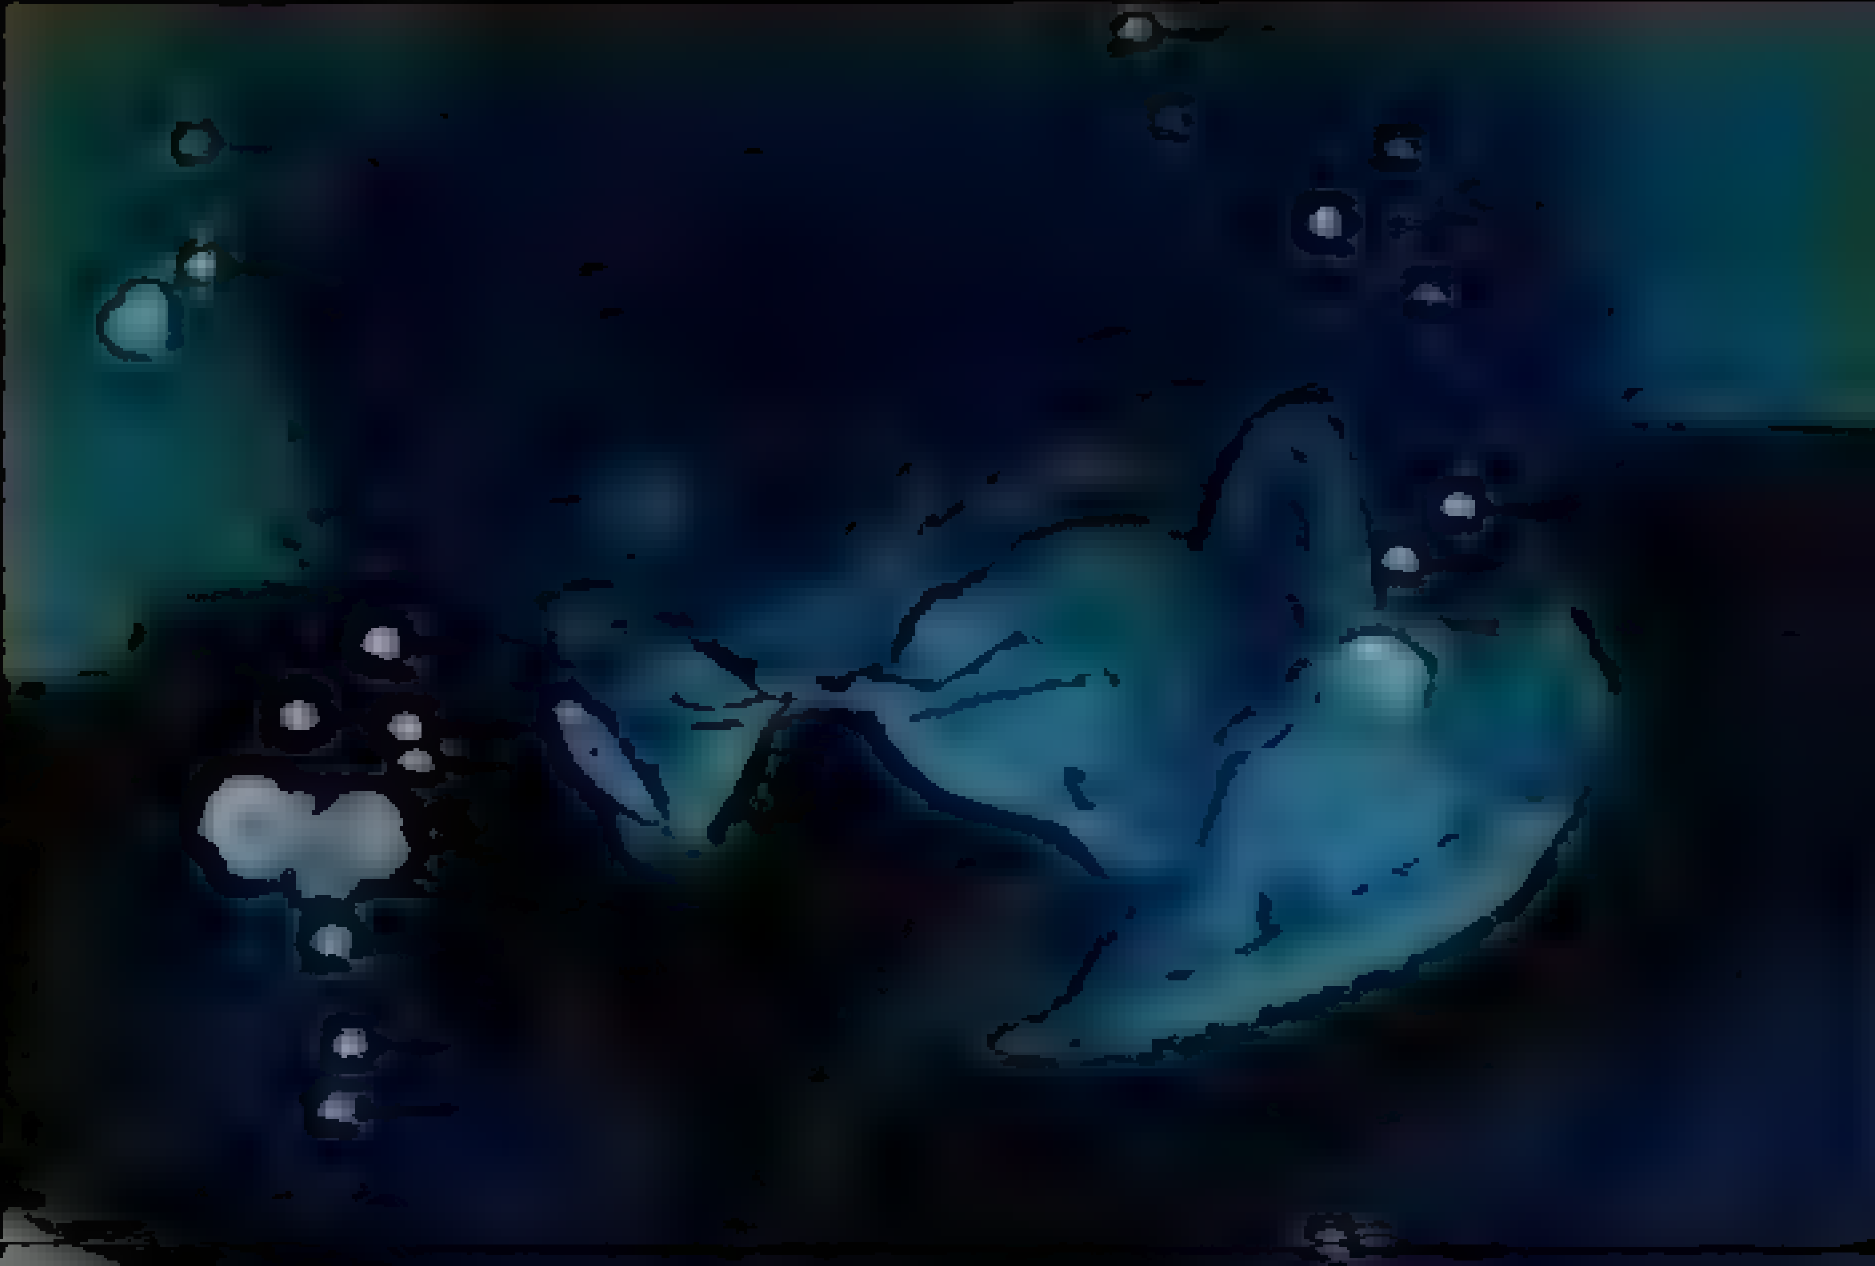

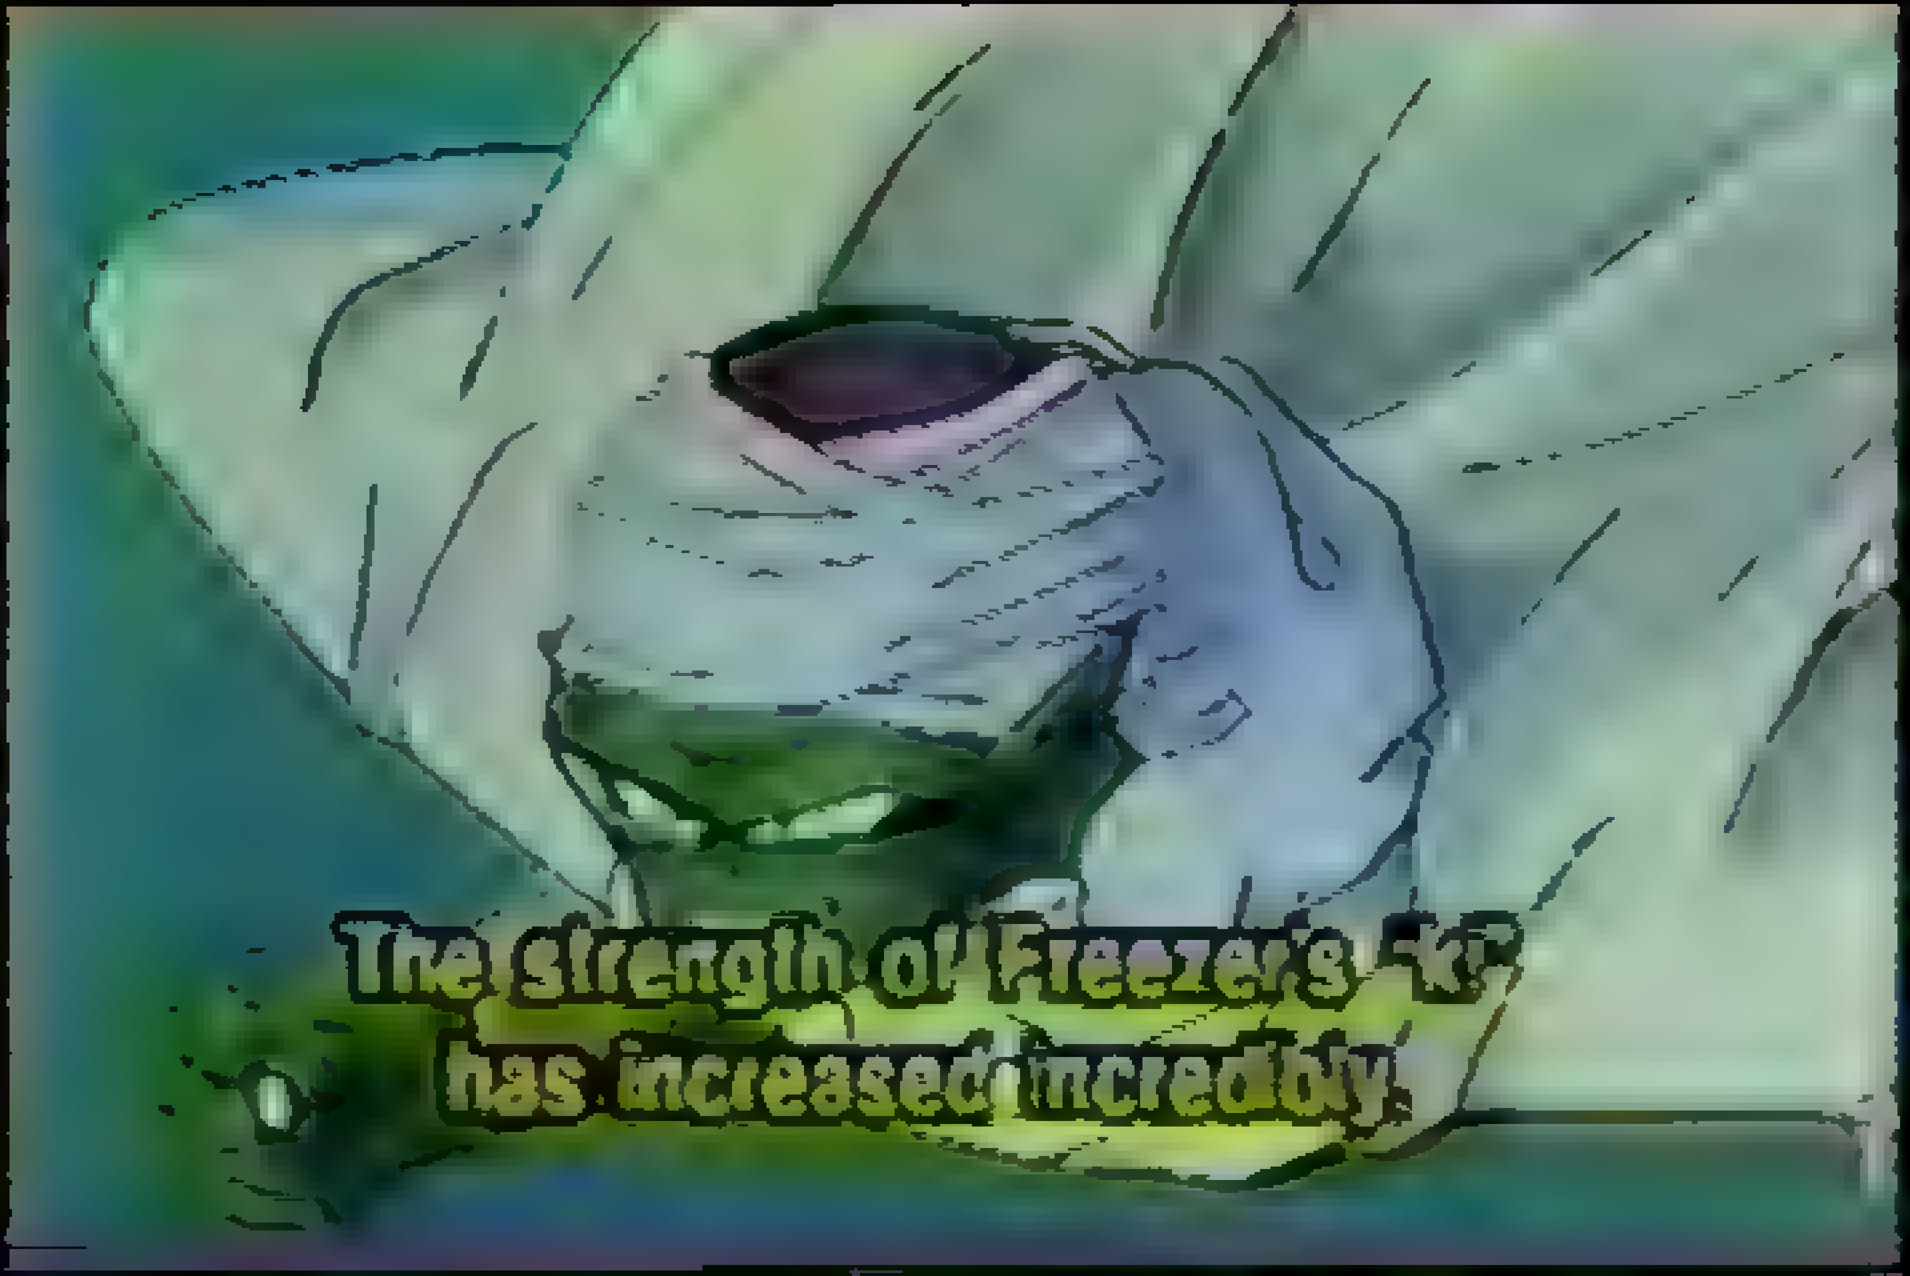

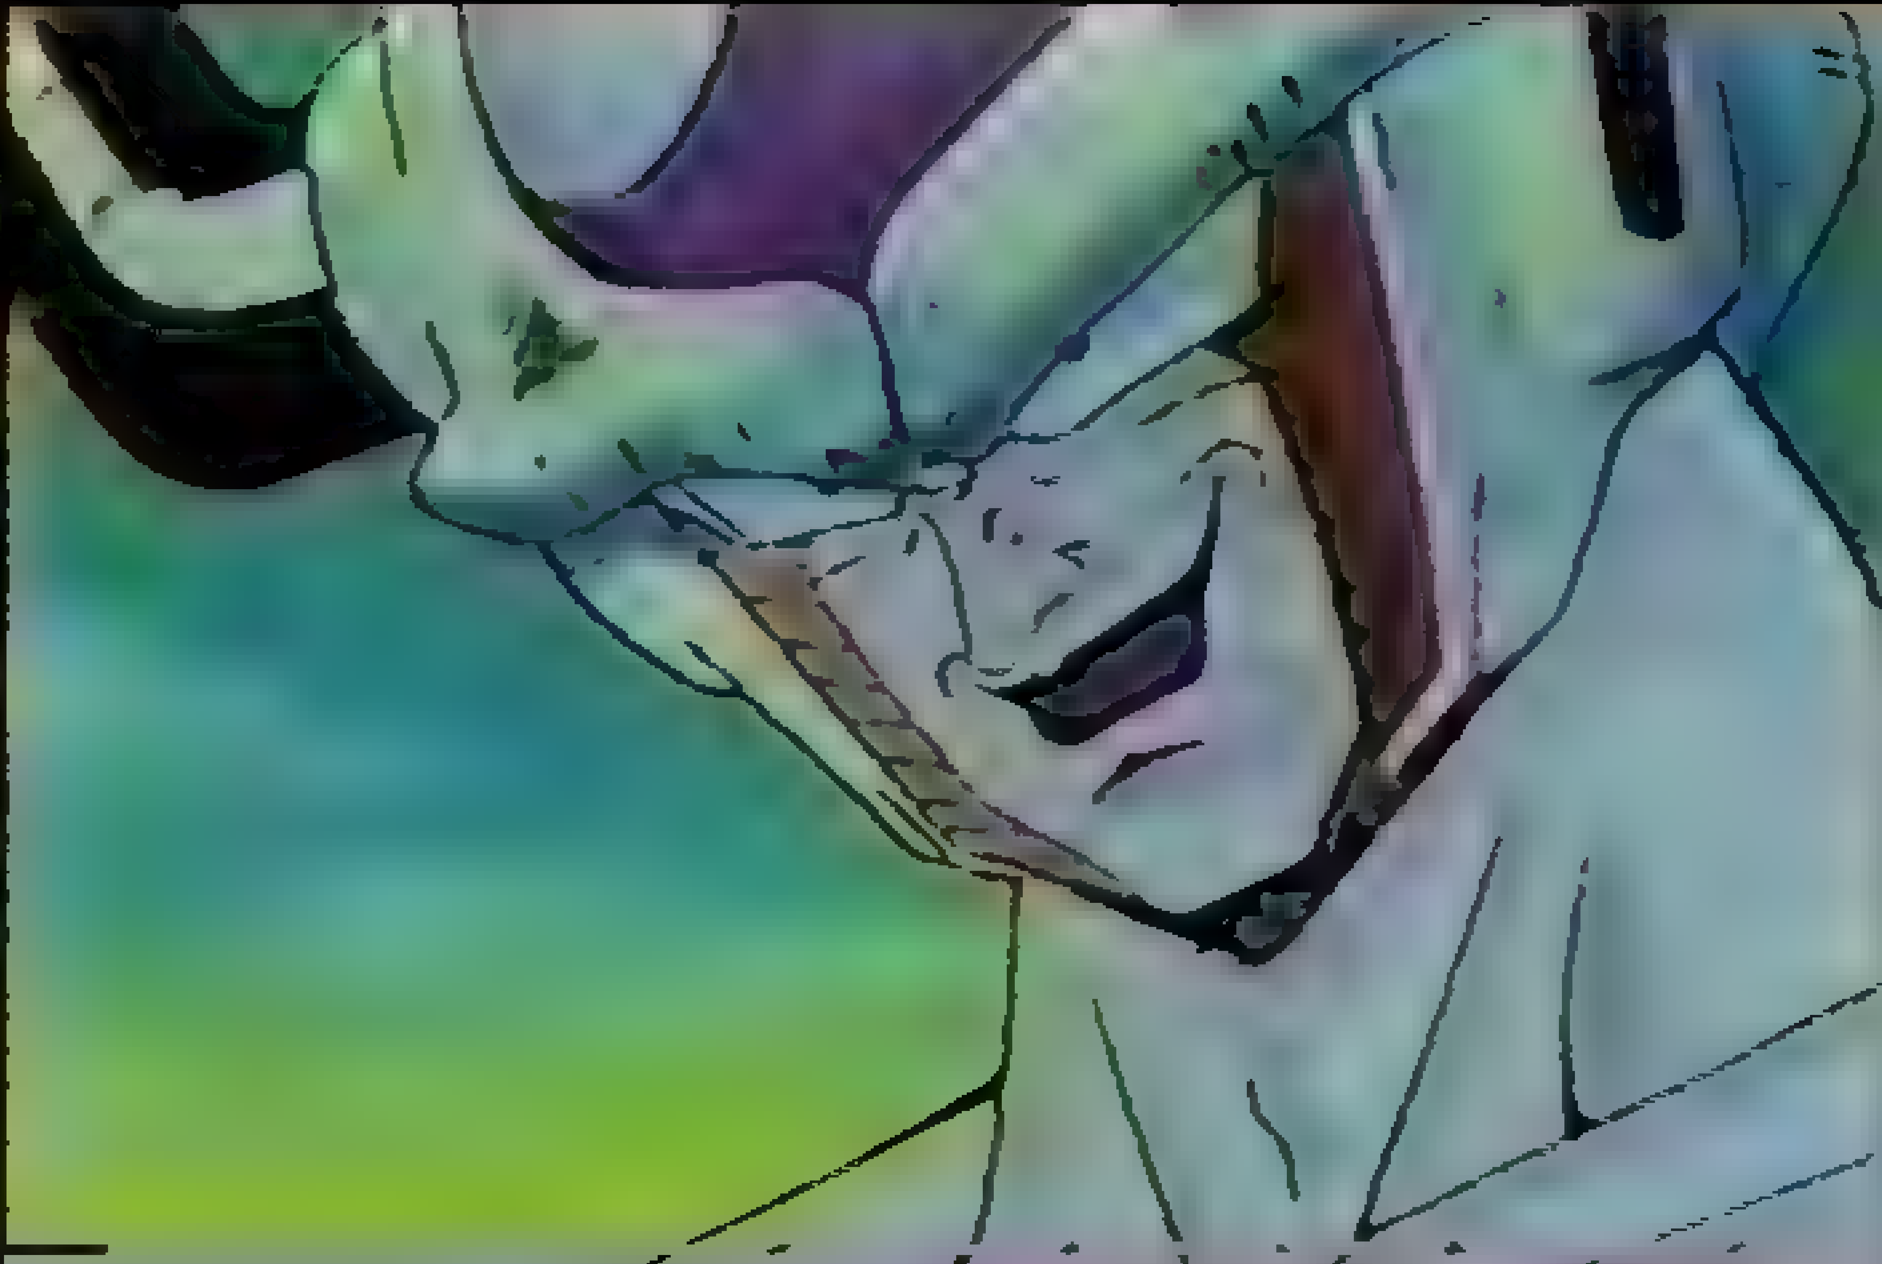

What amazing "ki"...

The strength of Freezer's "ki"
has increased incredibly.

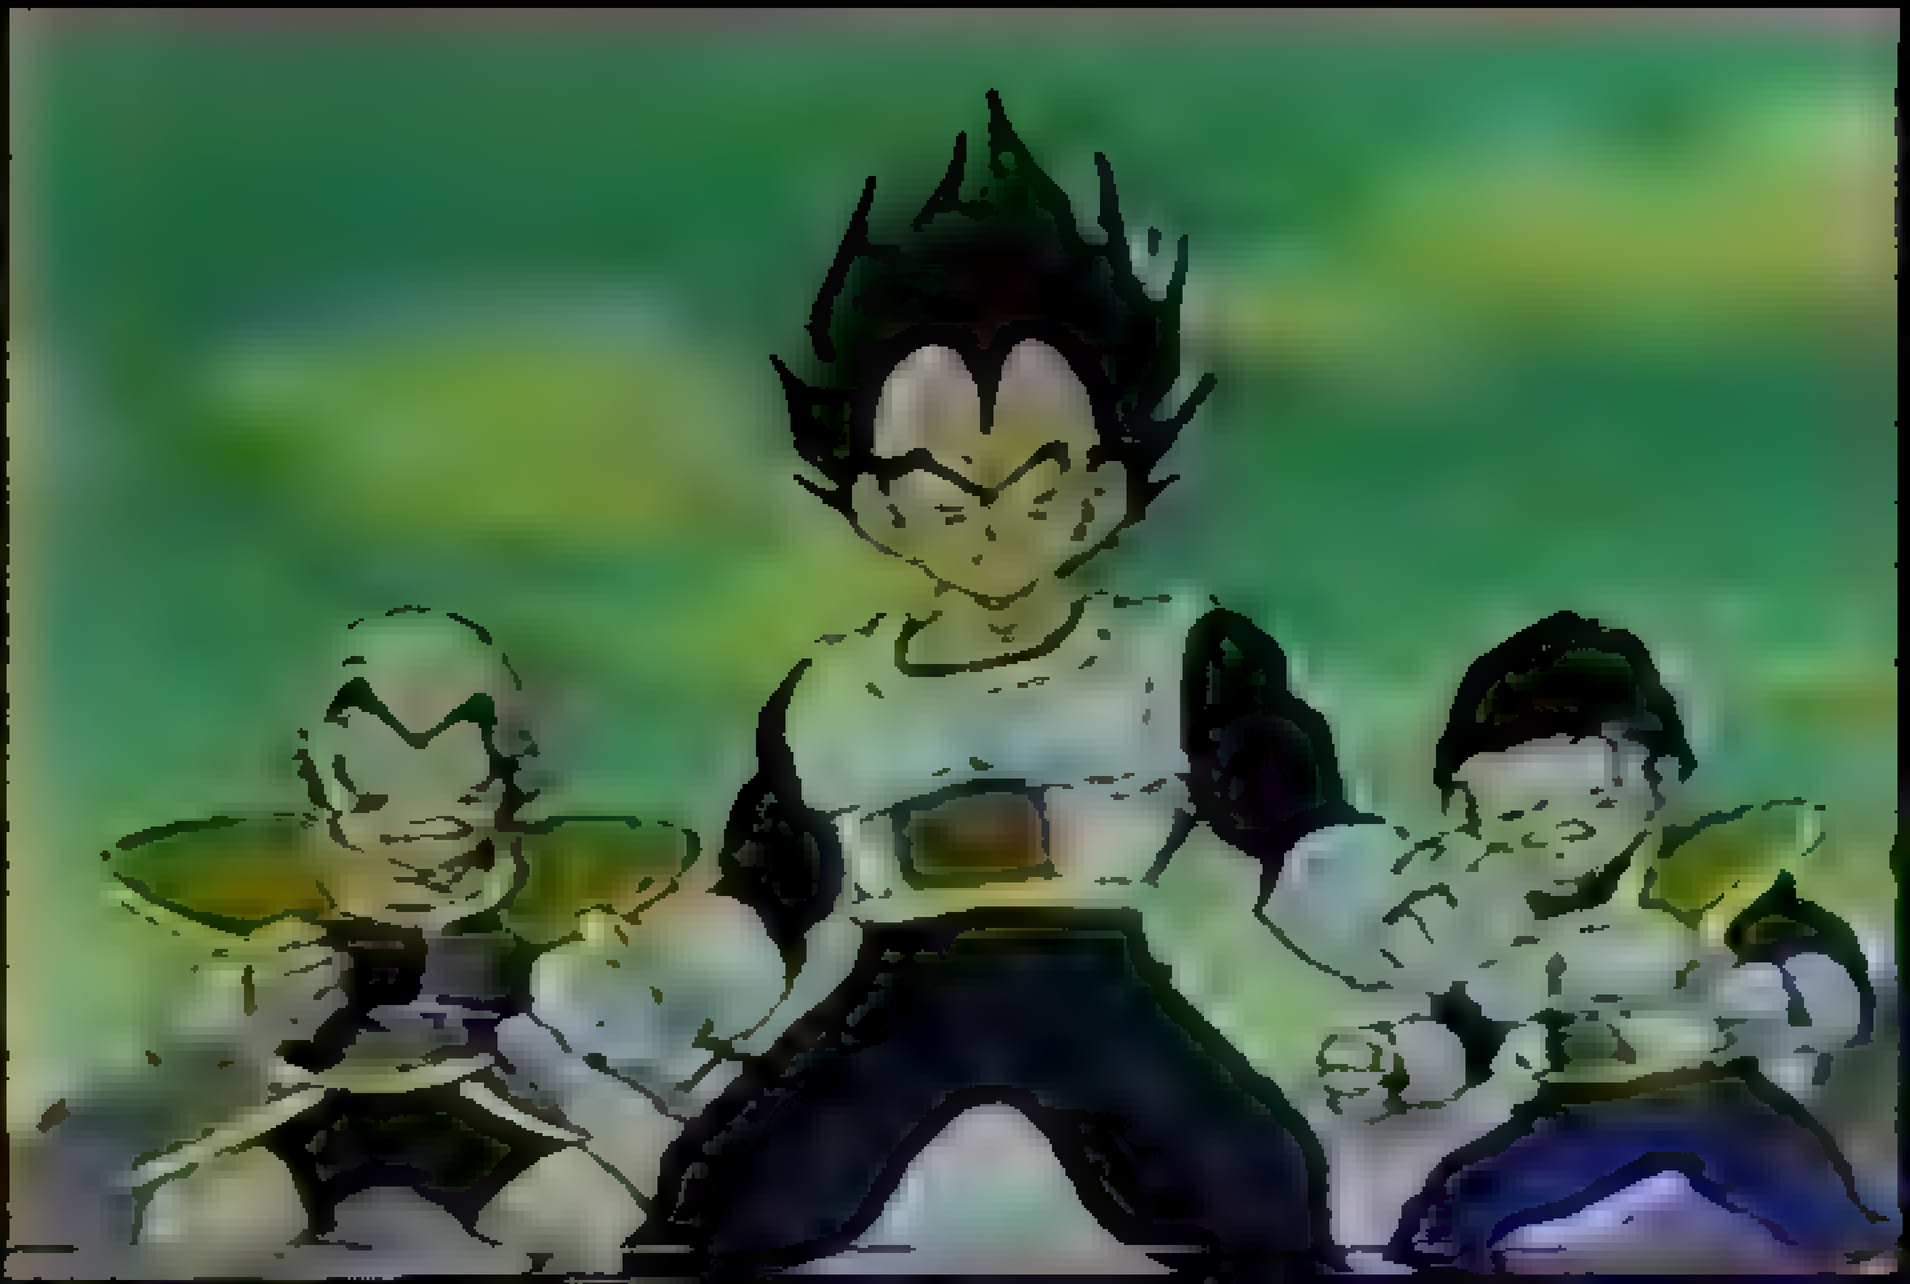

No! Gohan!

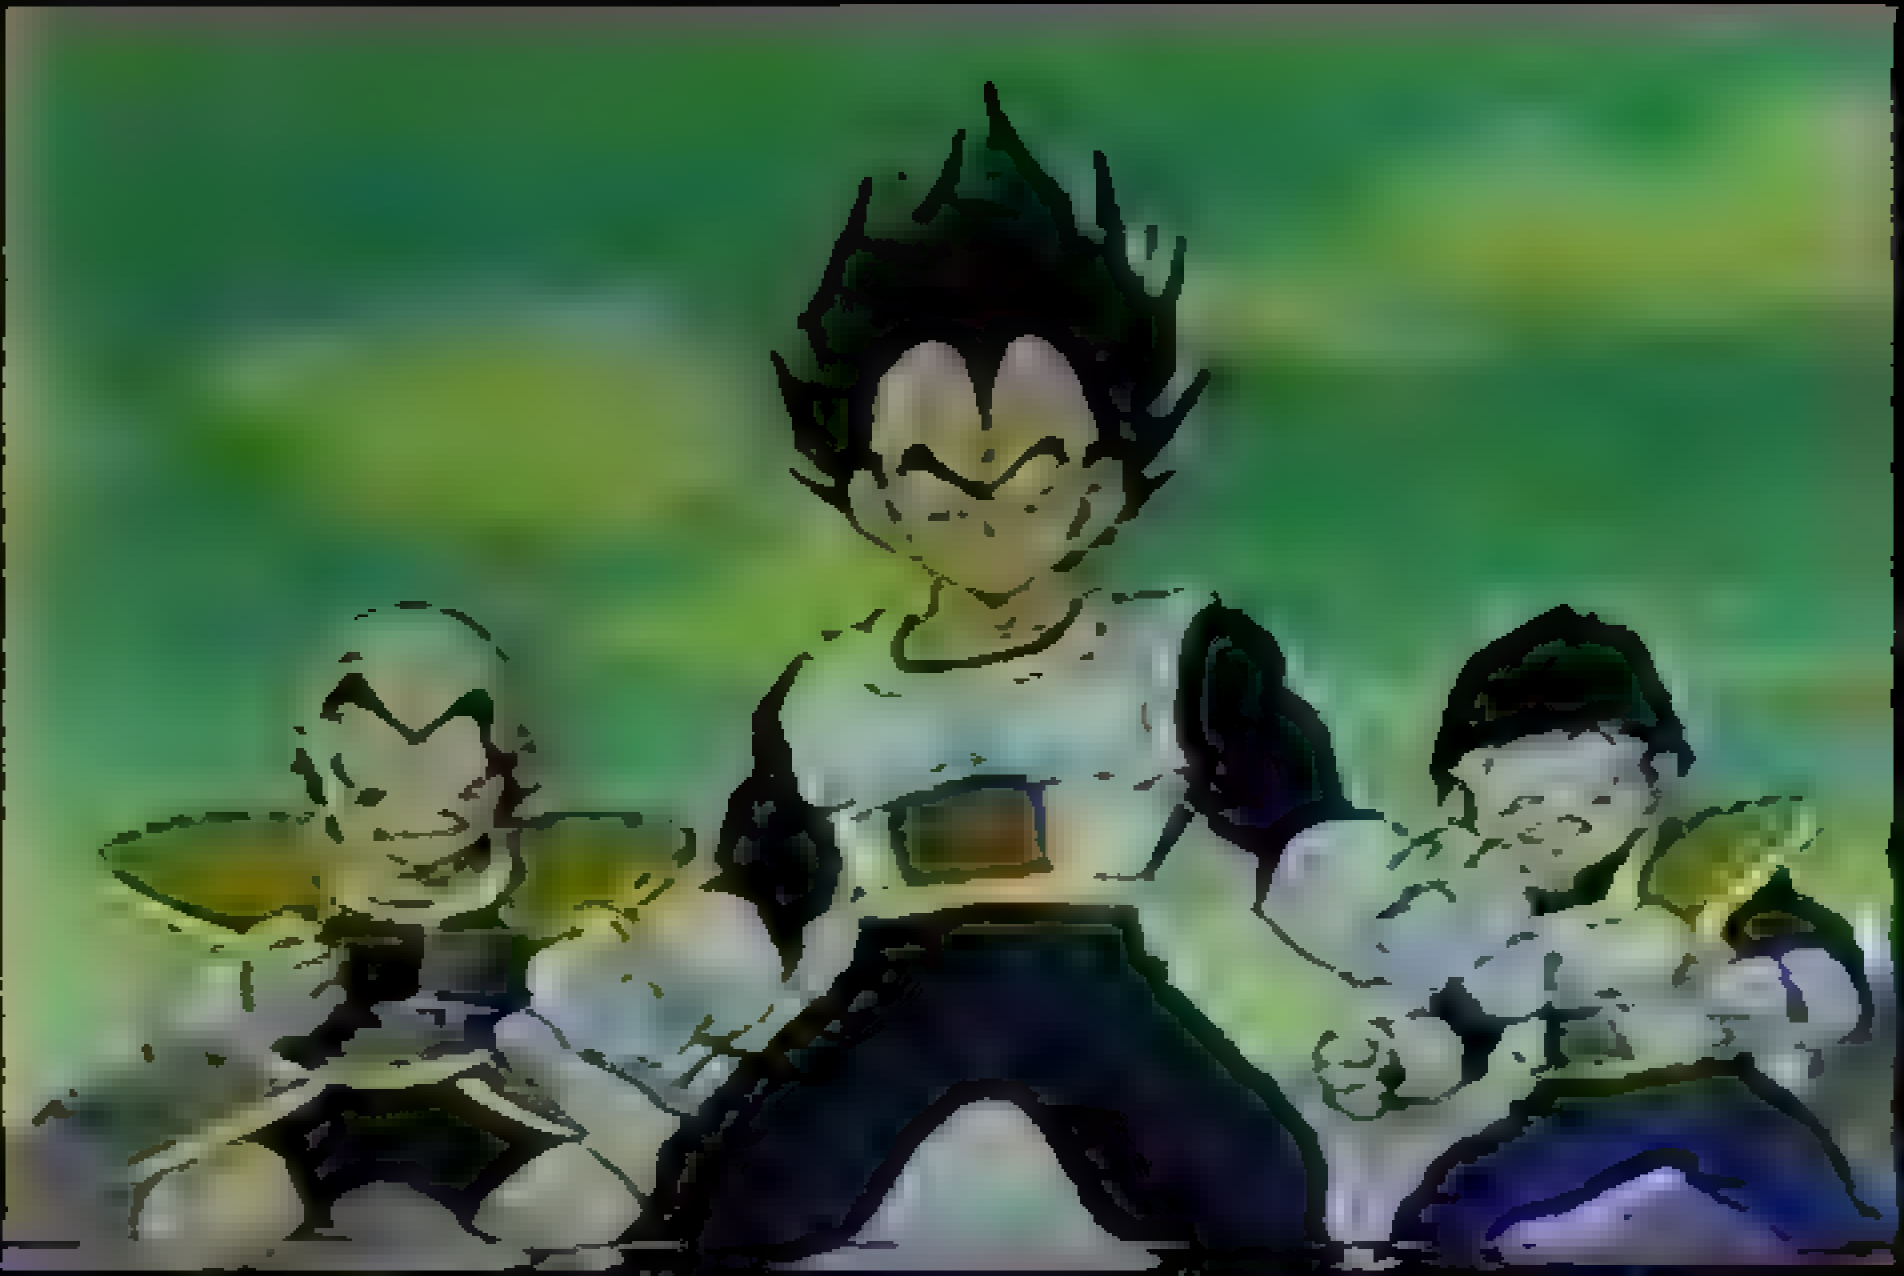

What happened to all
that energy you just had?

What happened to all

You were spouting
all kinds of boasts

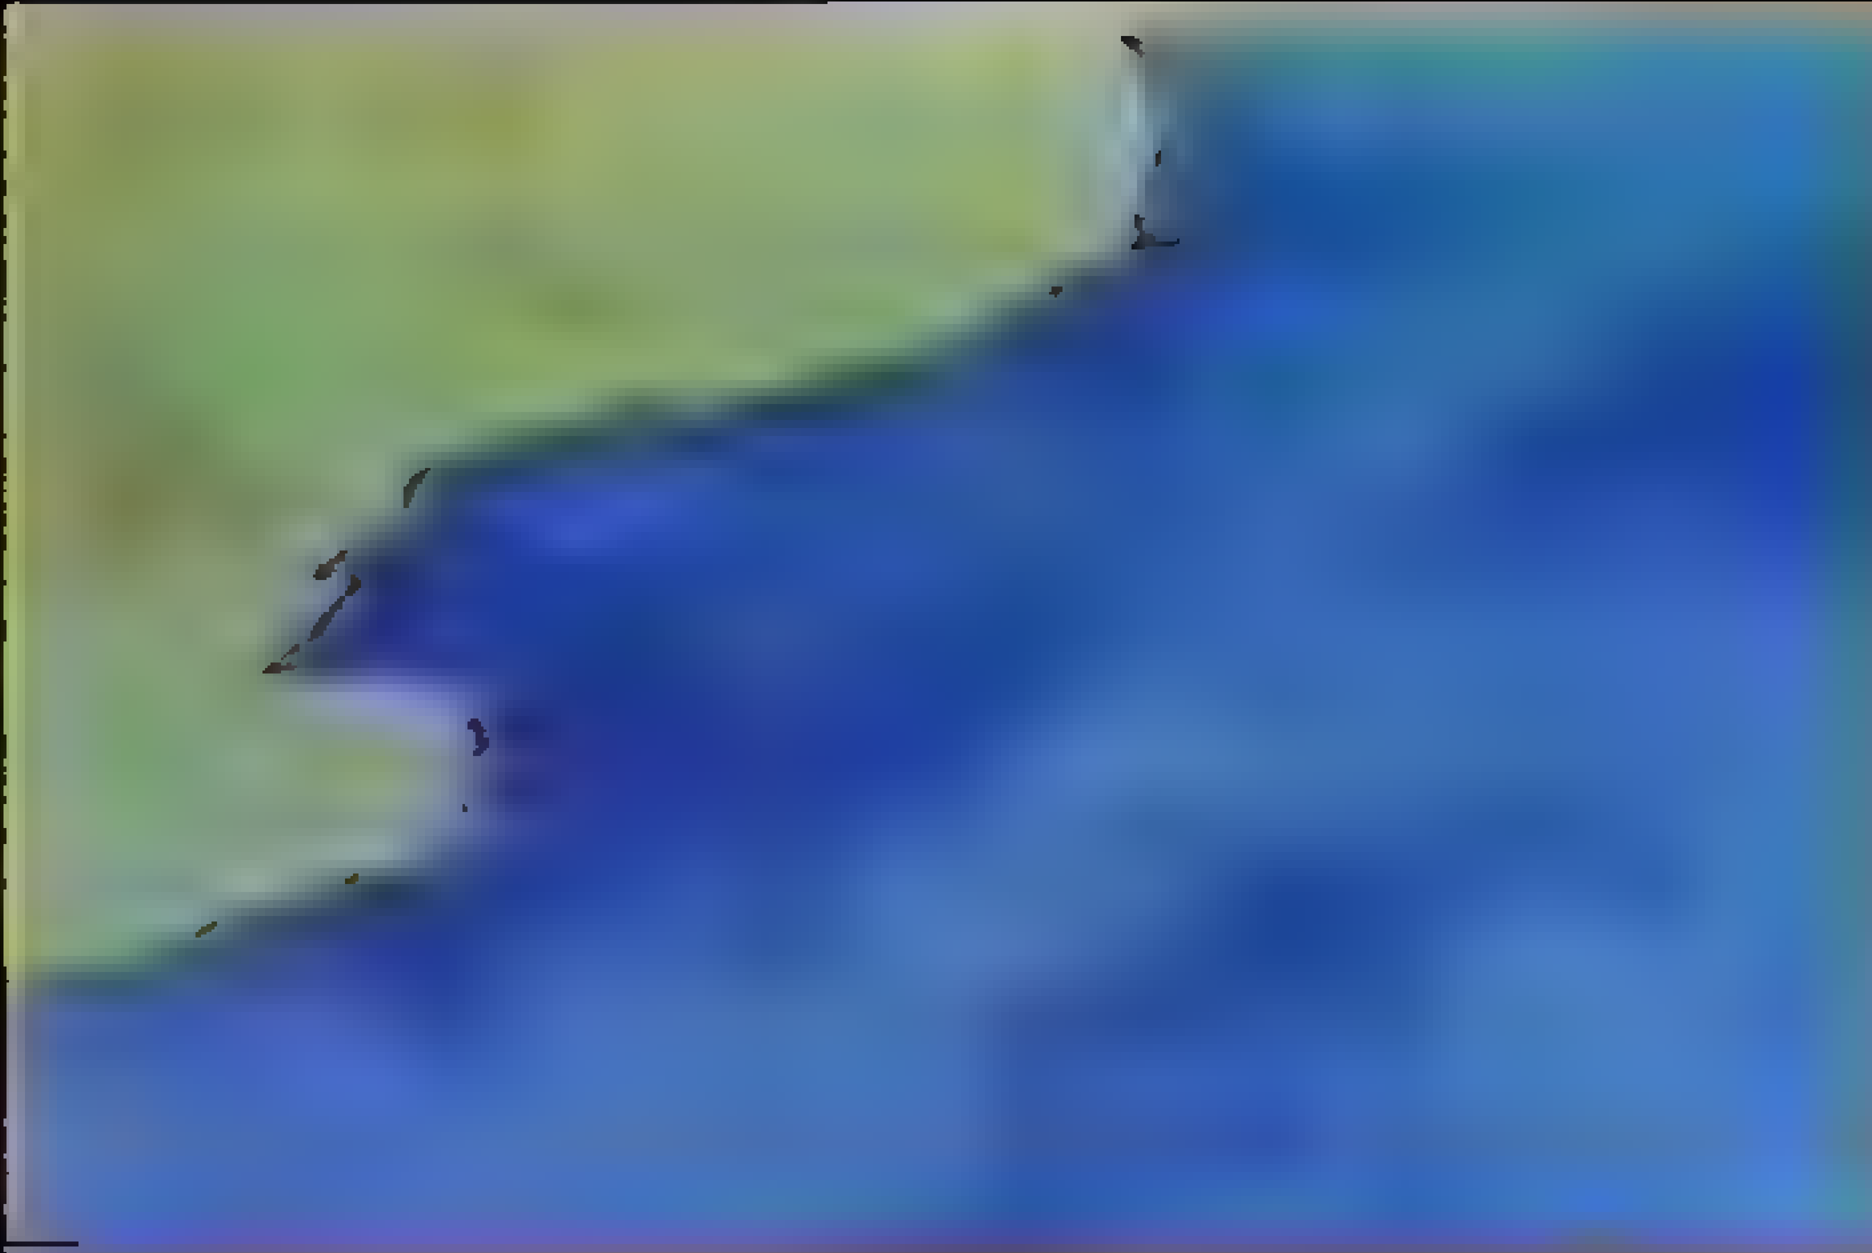

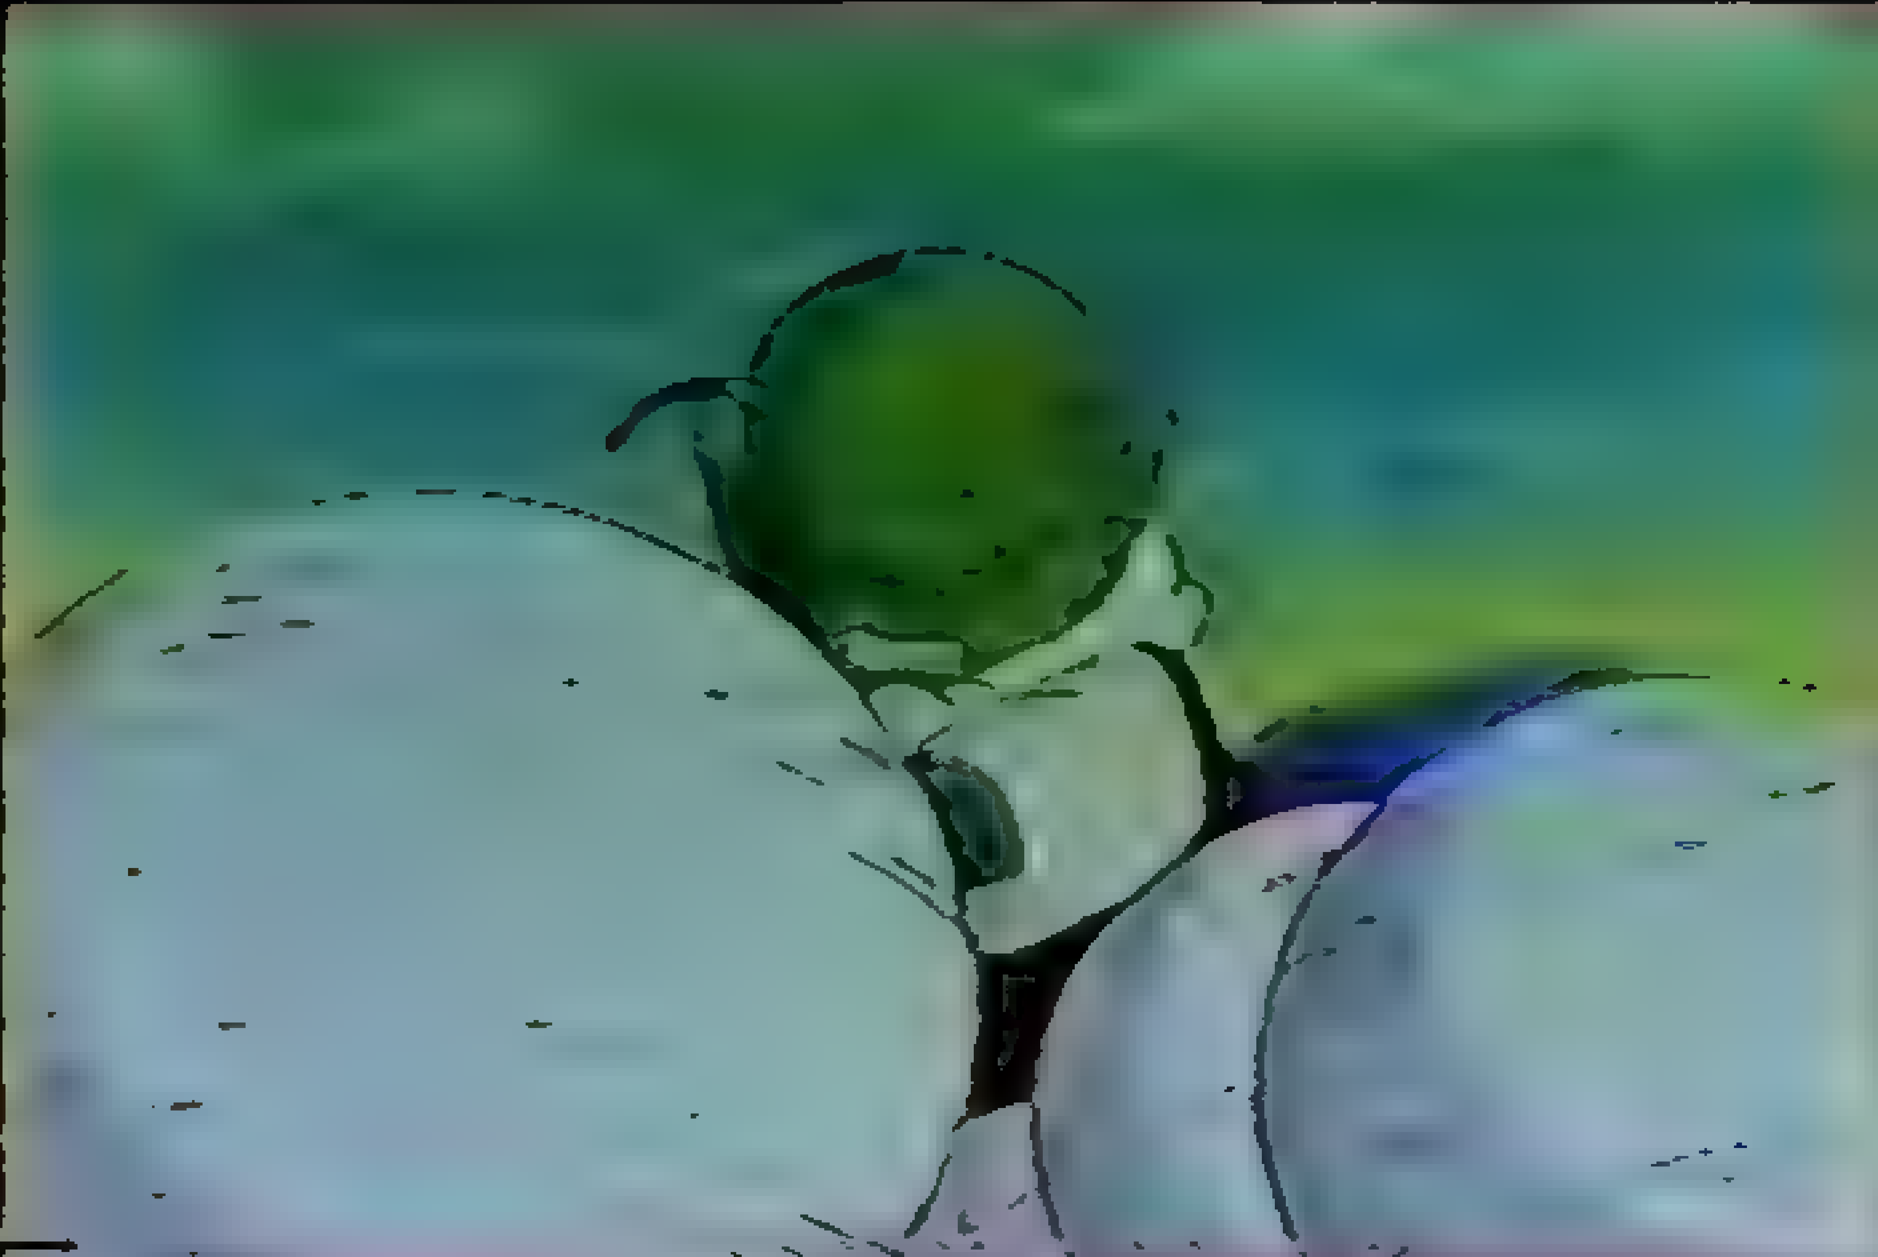

I don't blame you.

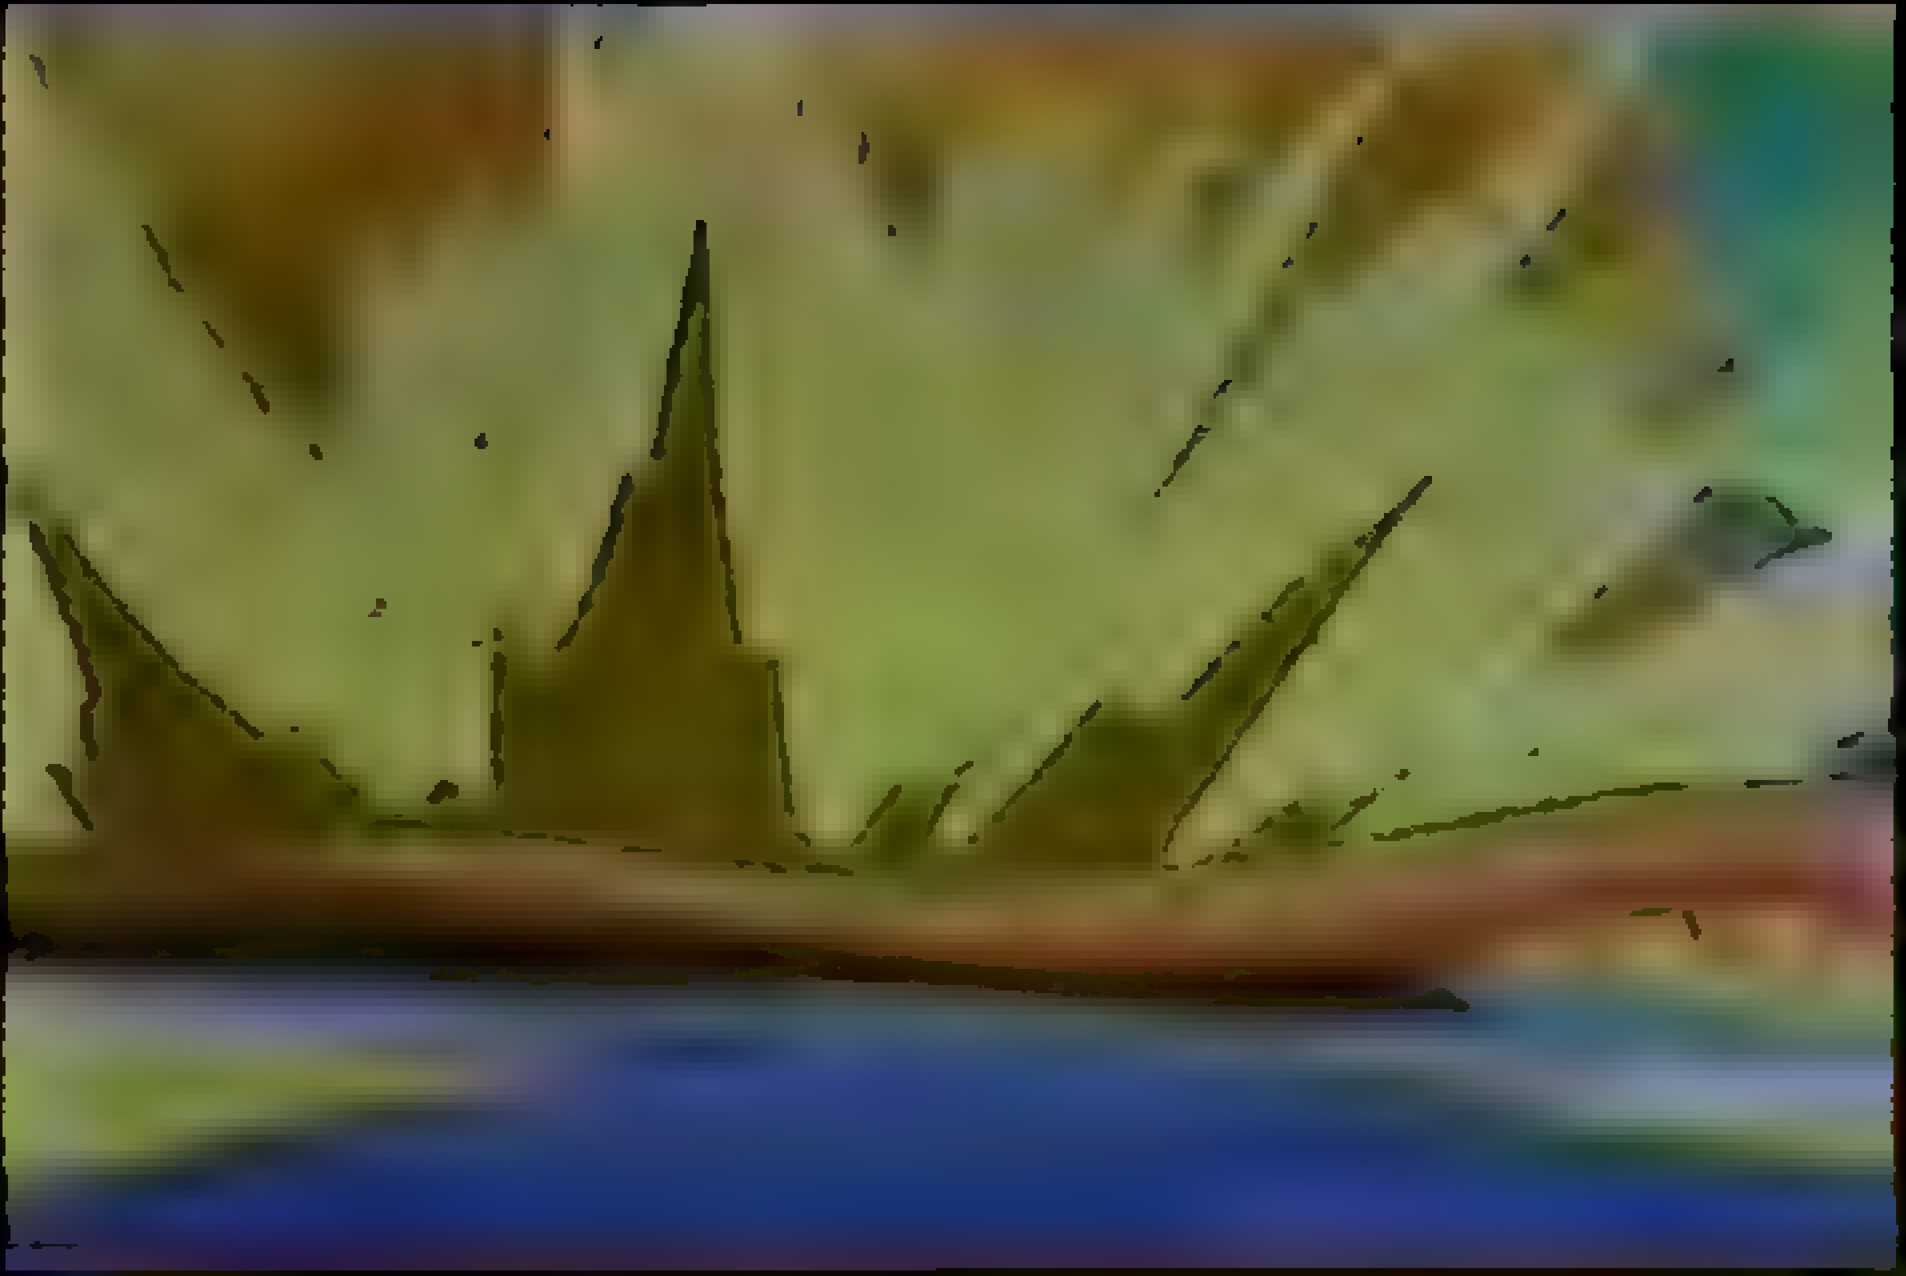

Not in the face of my
overwhelming power...

Not in the face of my
overwhelming power...

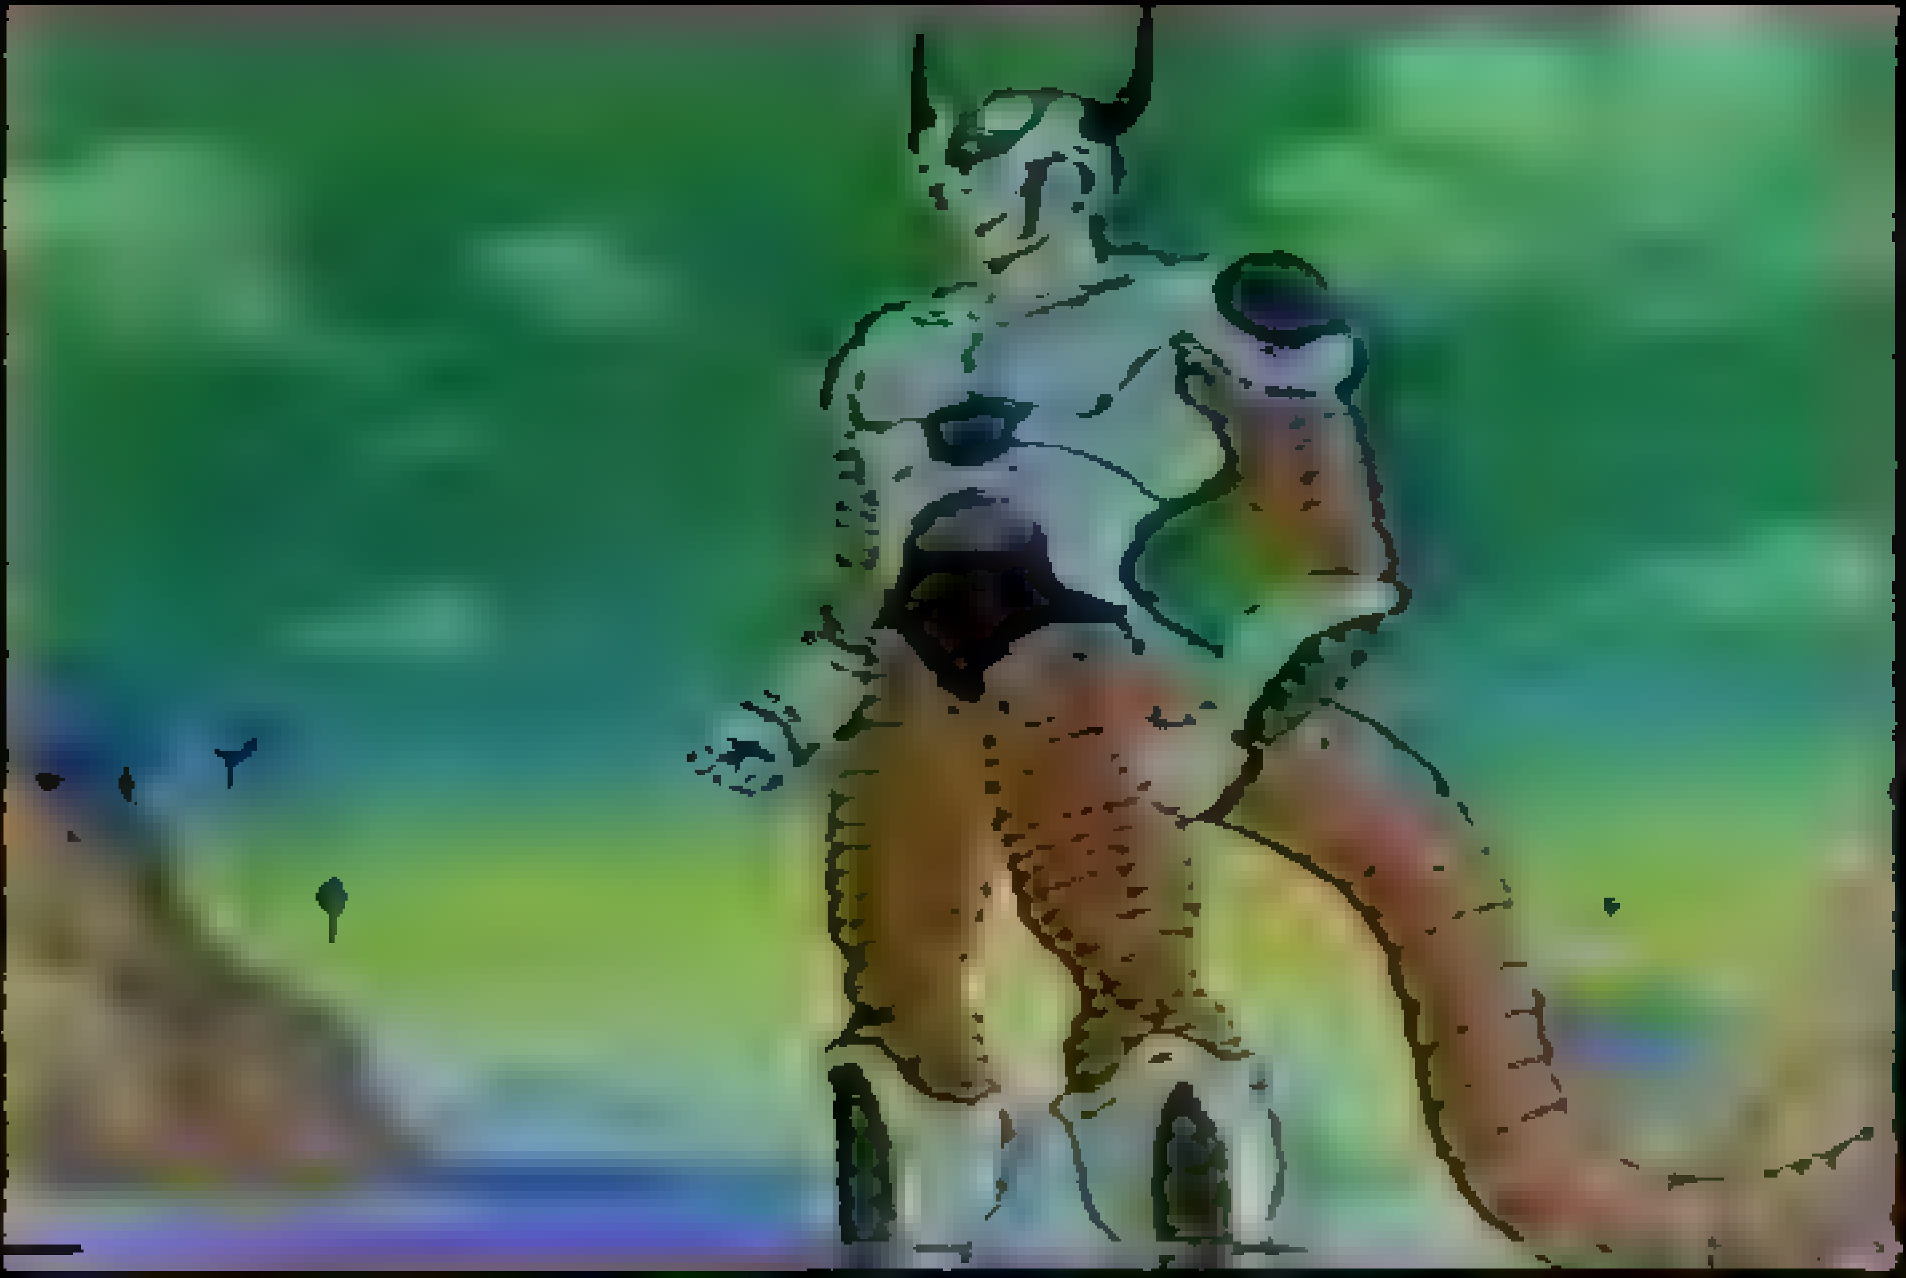

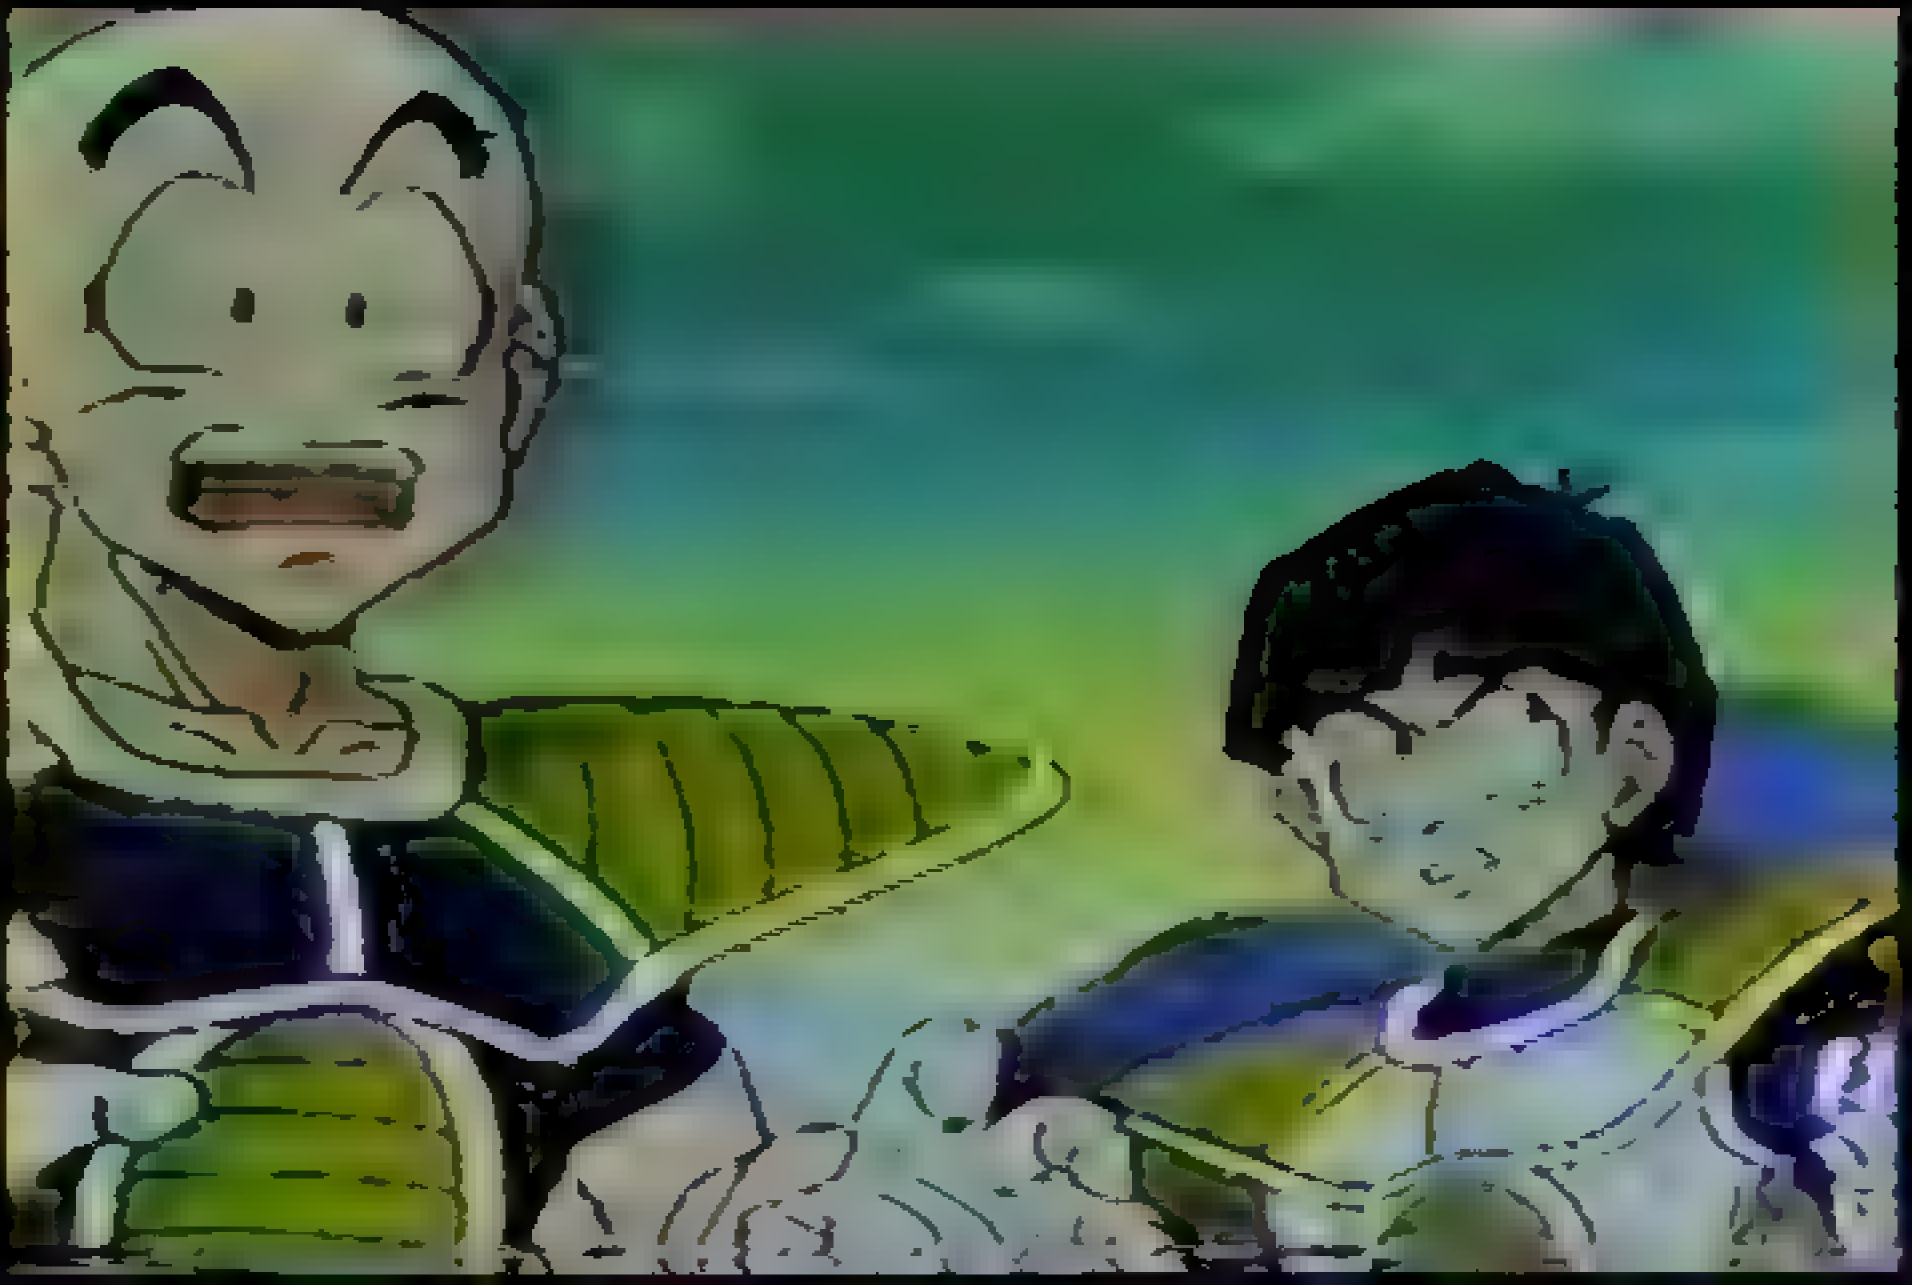

He's unbelievable.

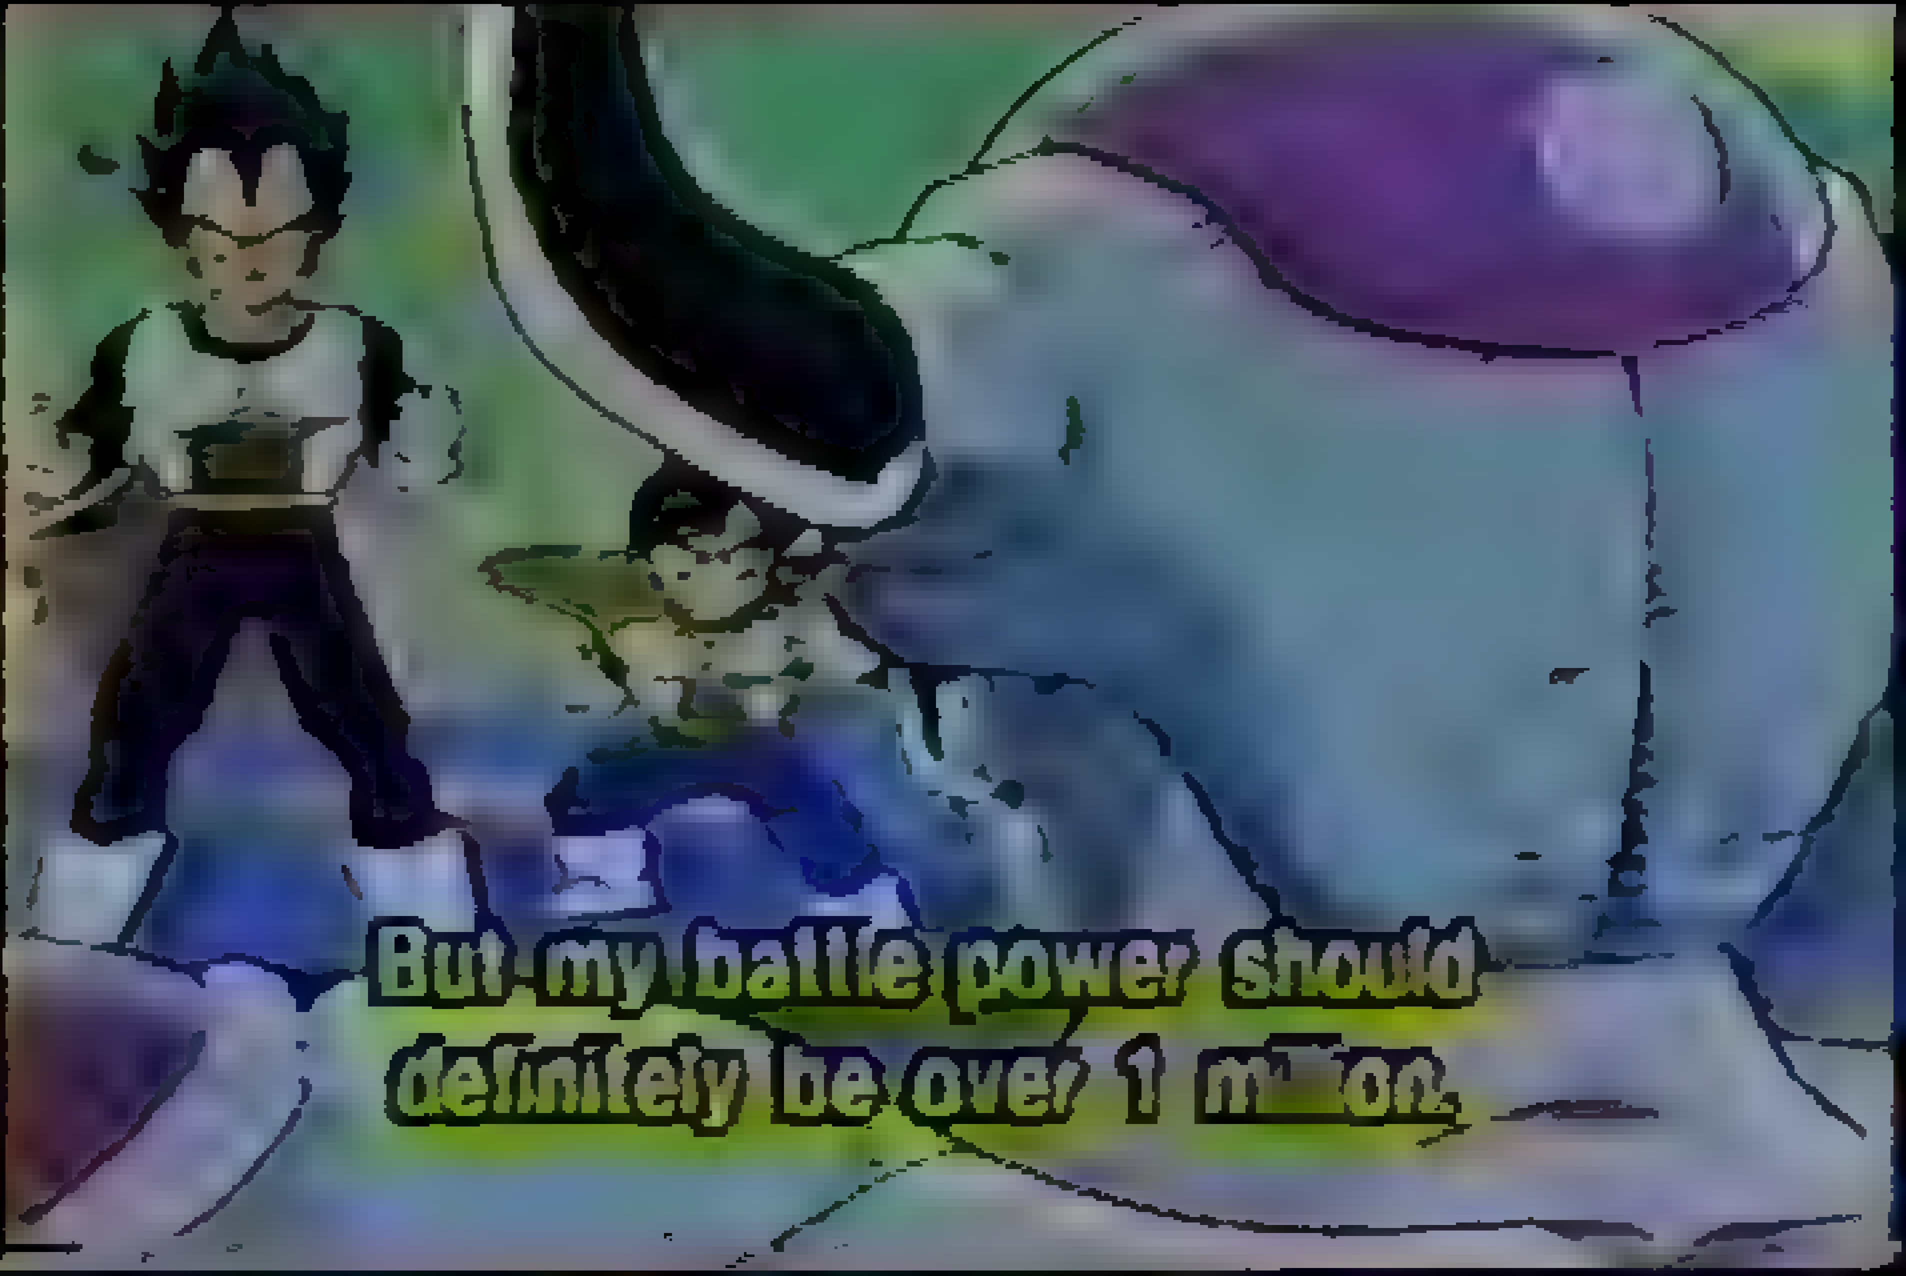

That's why I warned you
to be careful.

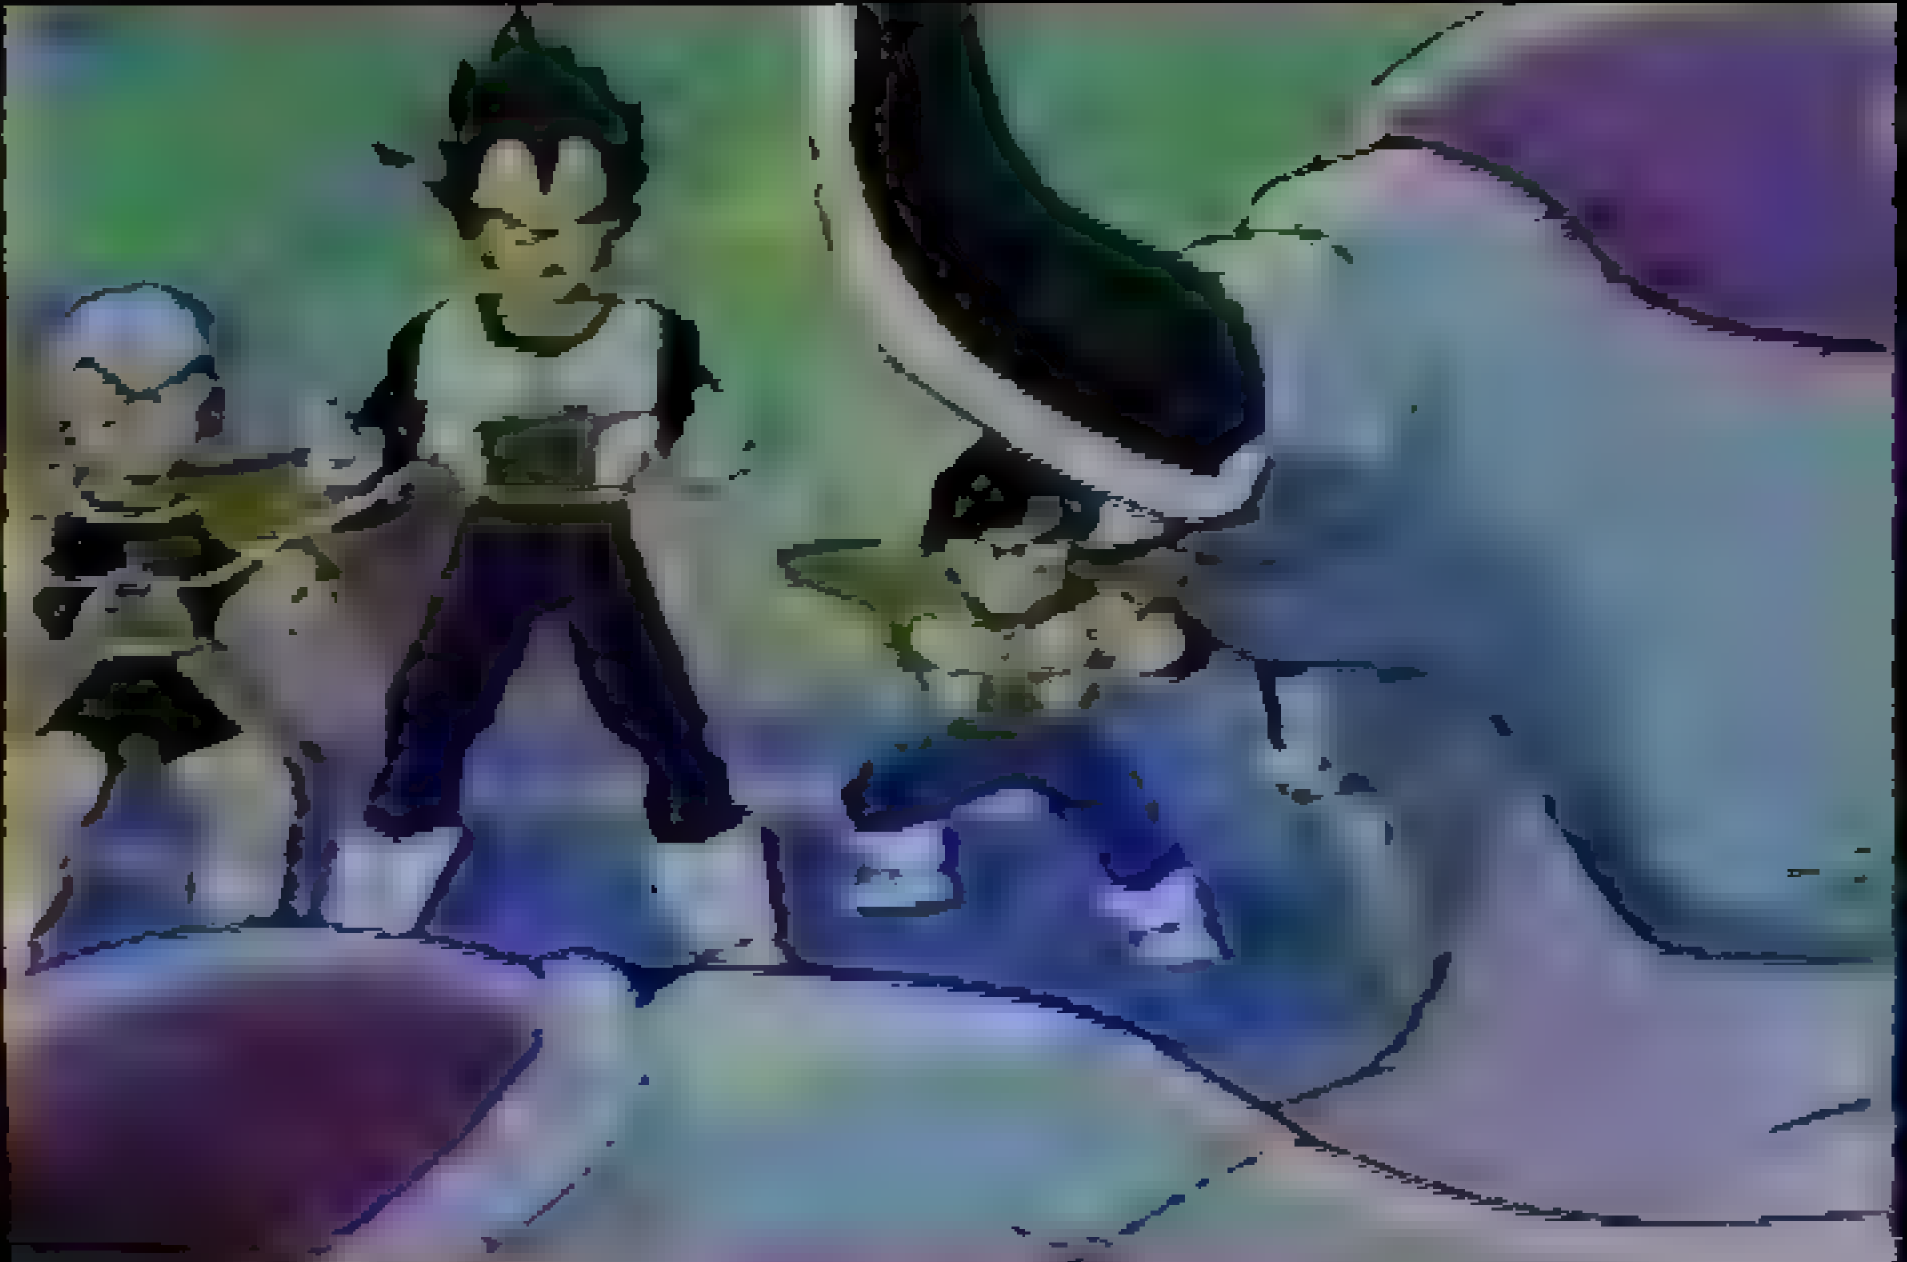

I have more power
than I can handle.

I have more power
than I can handle.

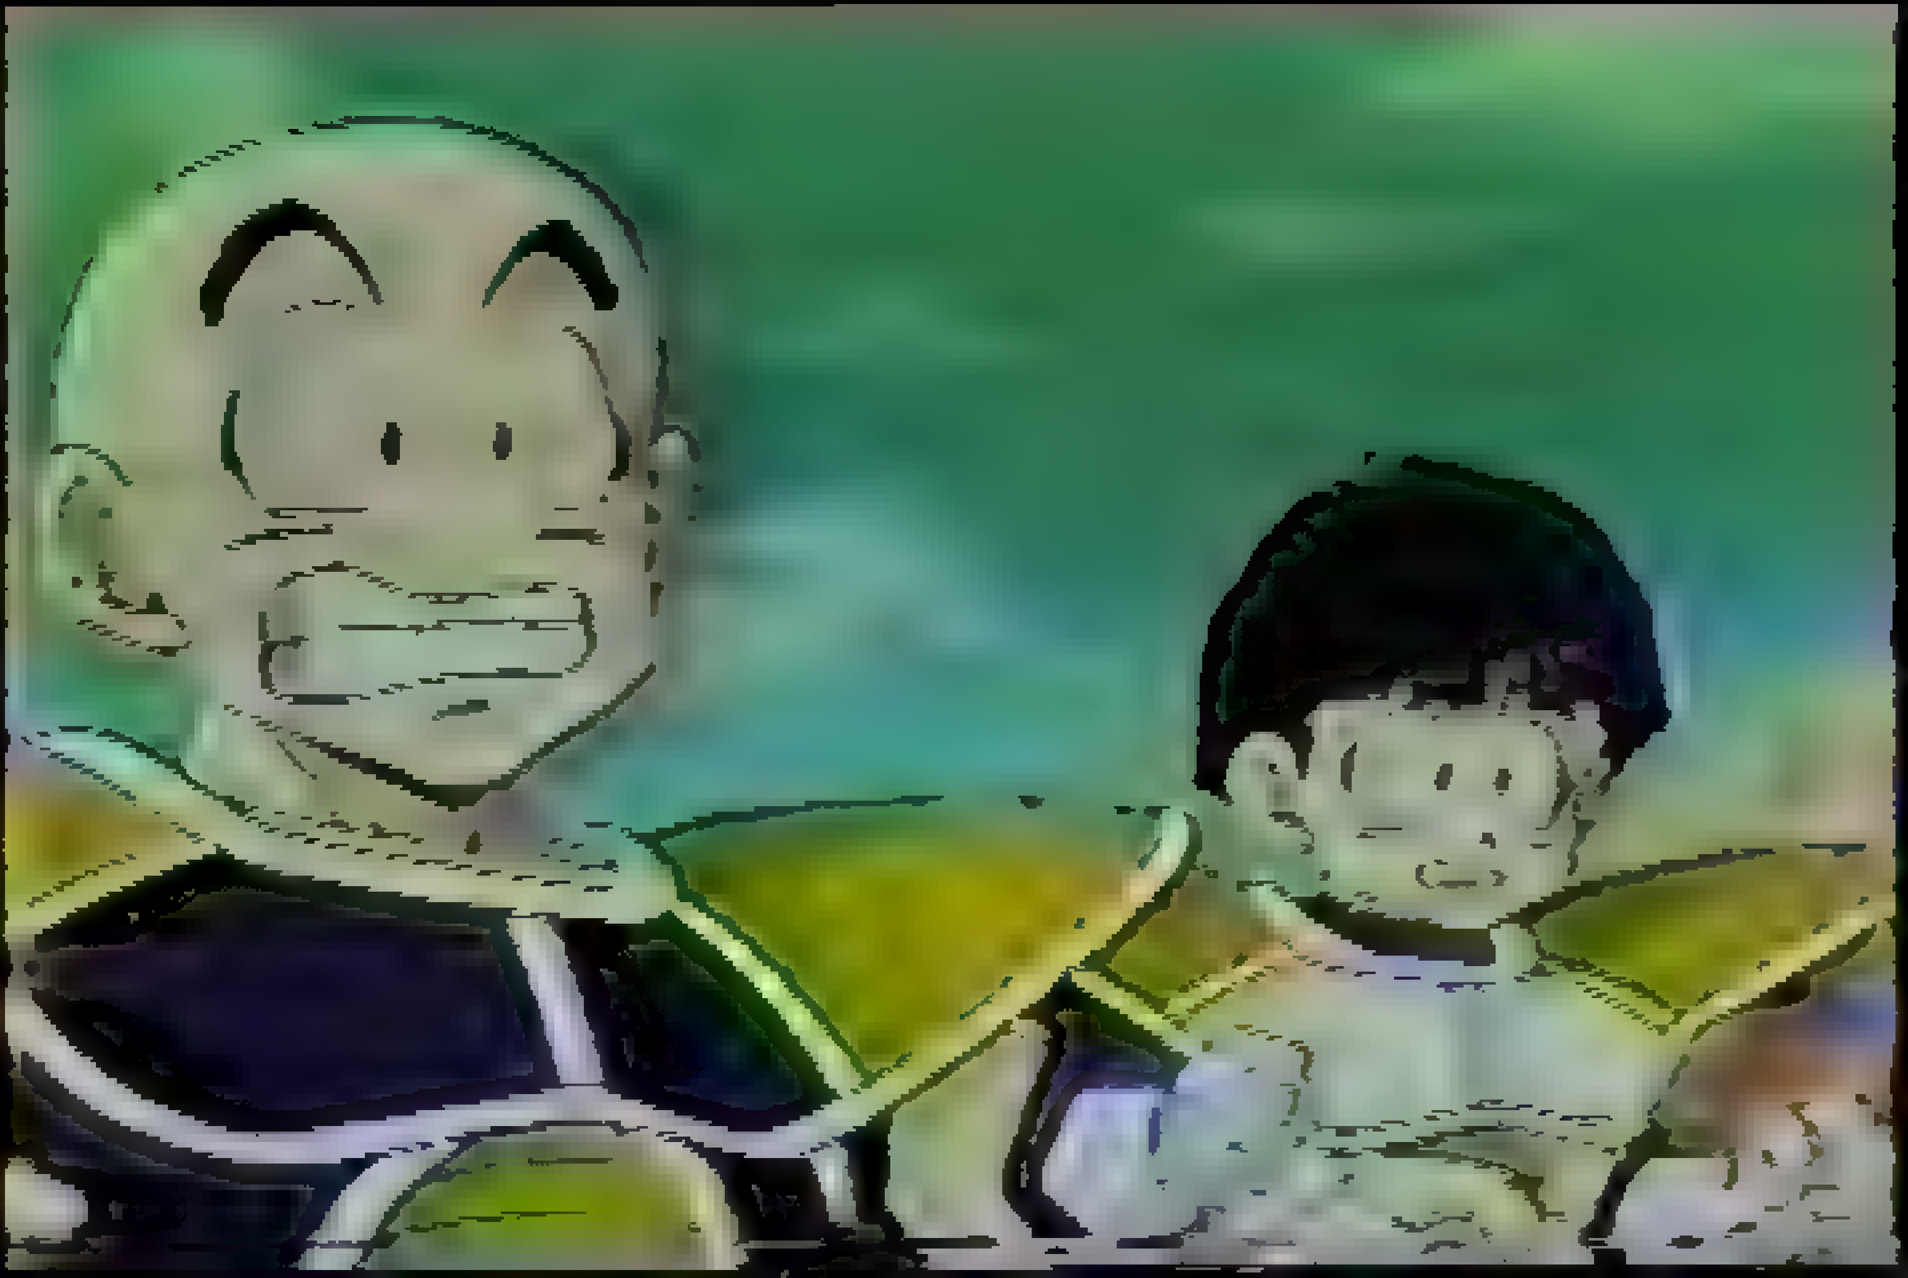

I may overdo it a bit.

But my battle power should
definitely be over 1 million.

But my battle power should

What!

Not even you could be...!

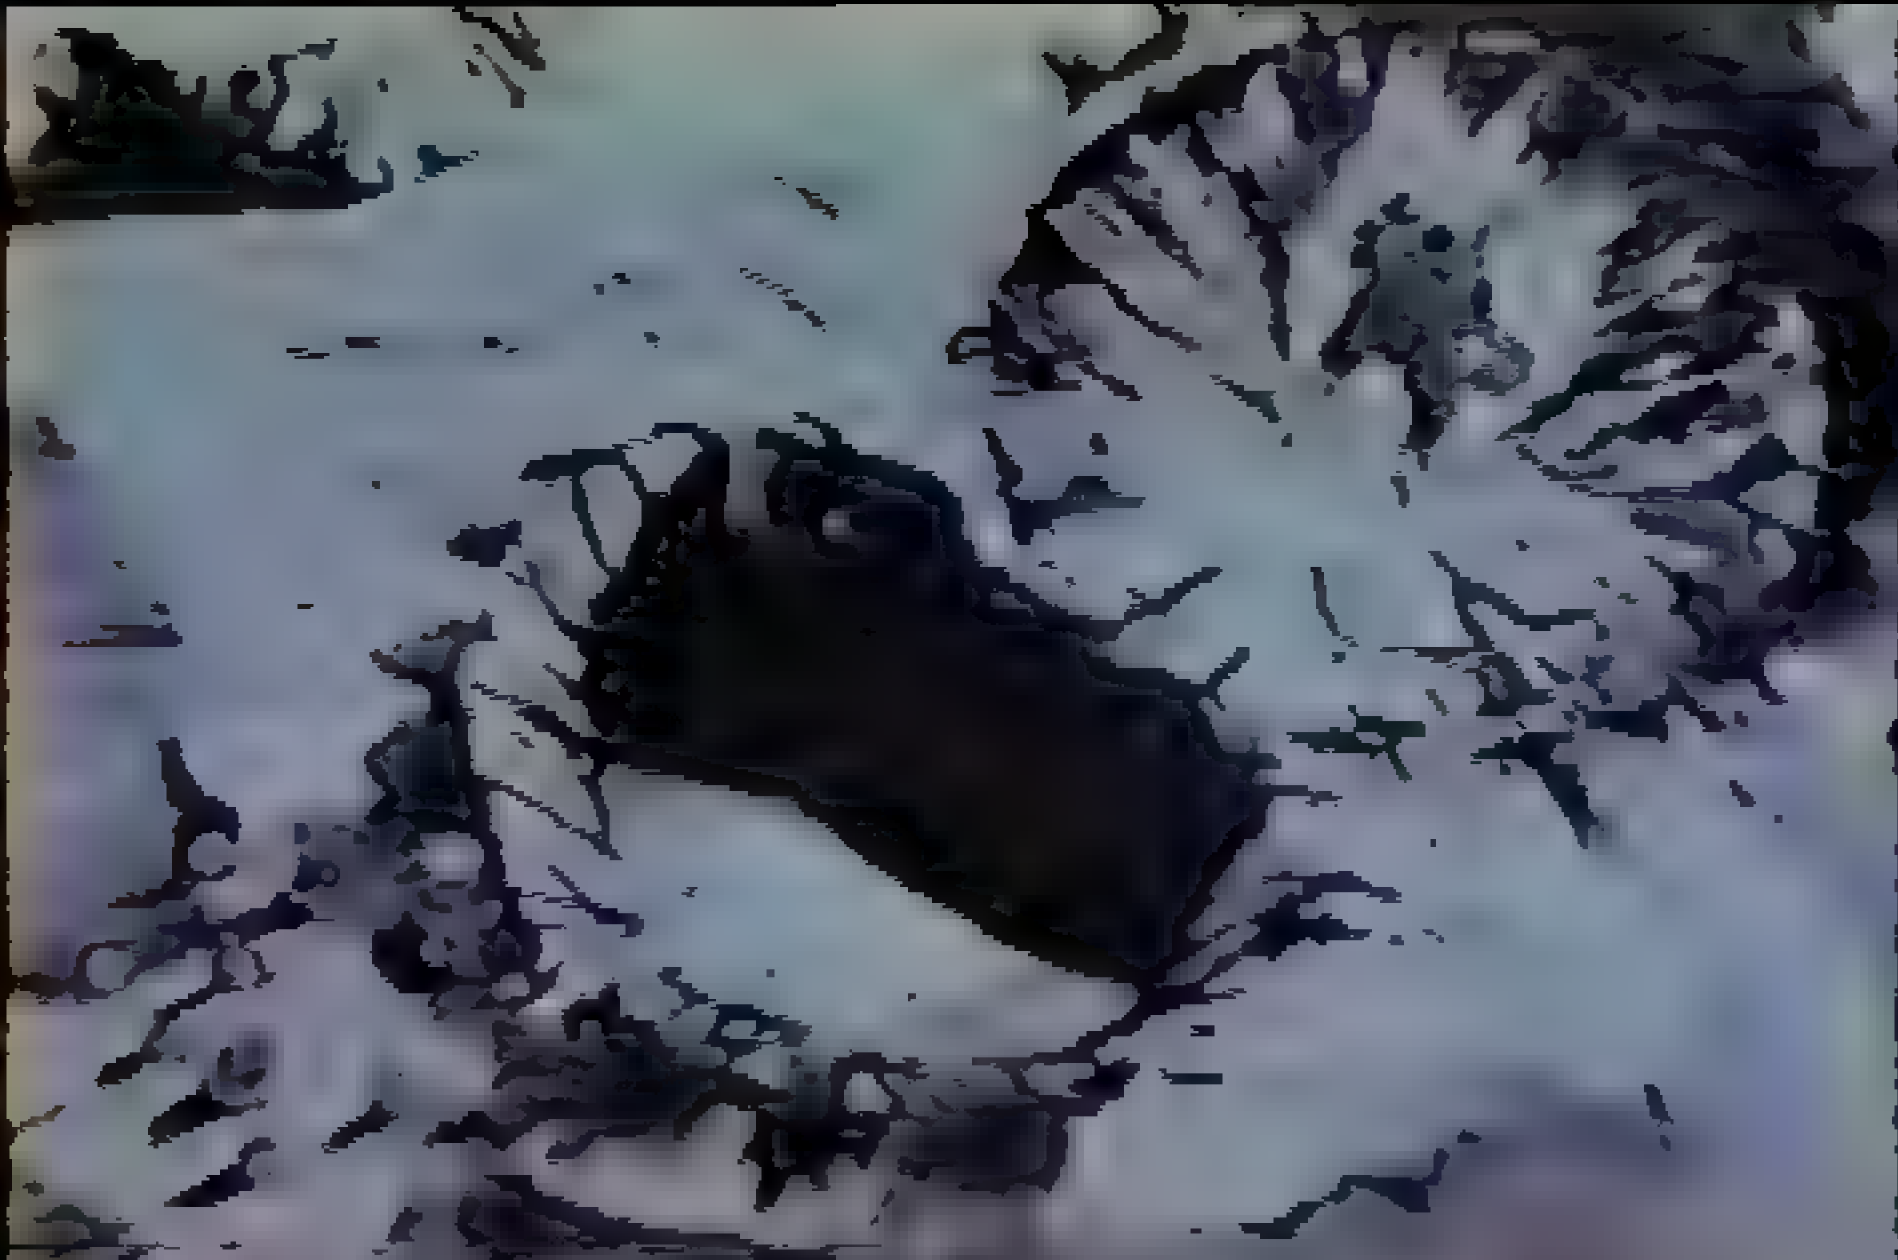

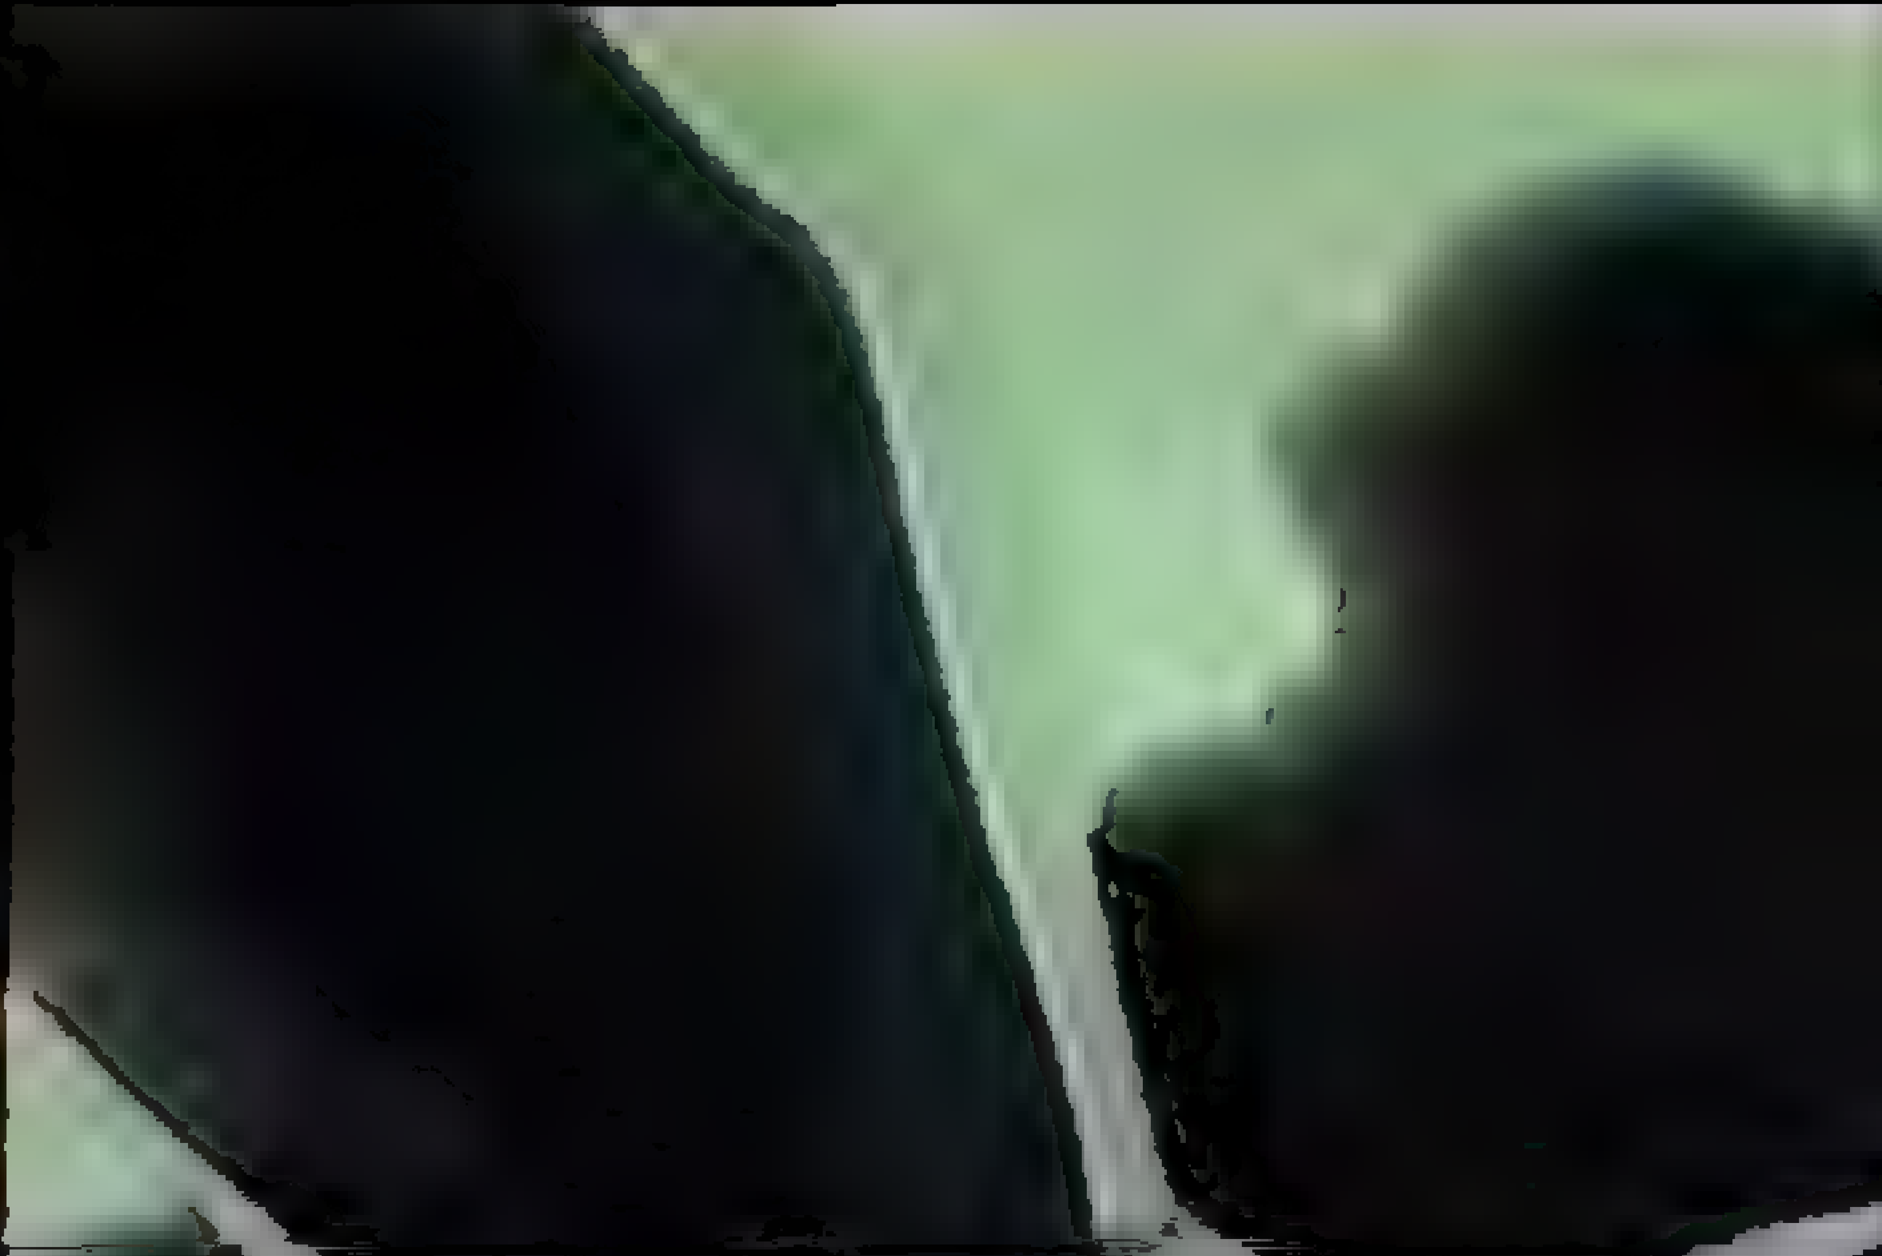

If you think I'm lying..
I'll show you!

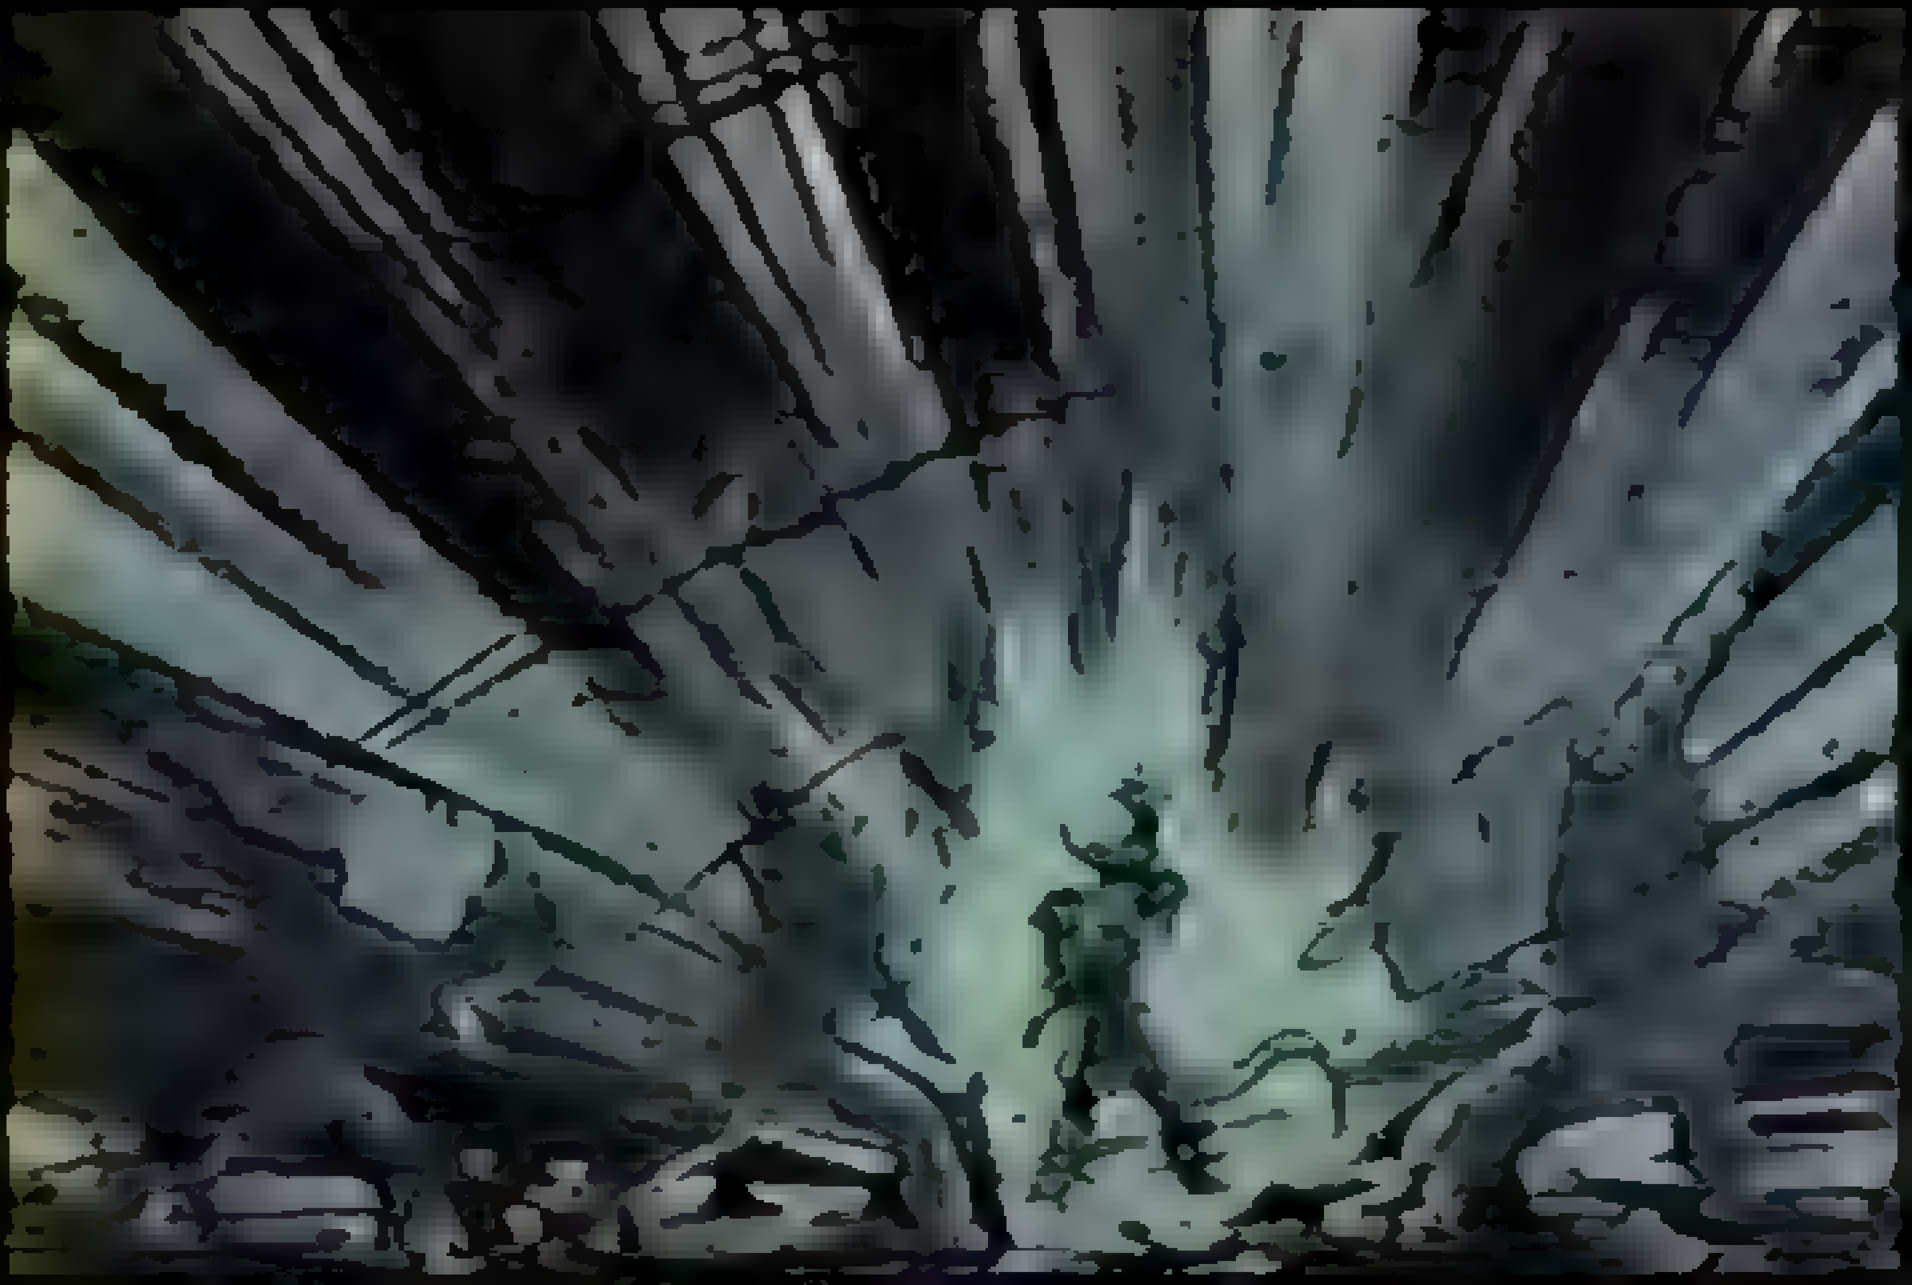

If you think I'm lying
I'll show you!

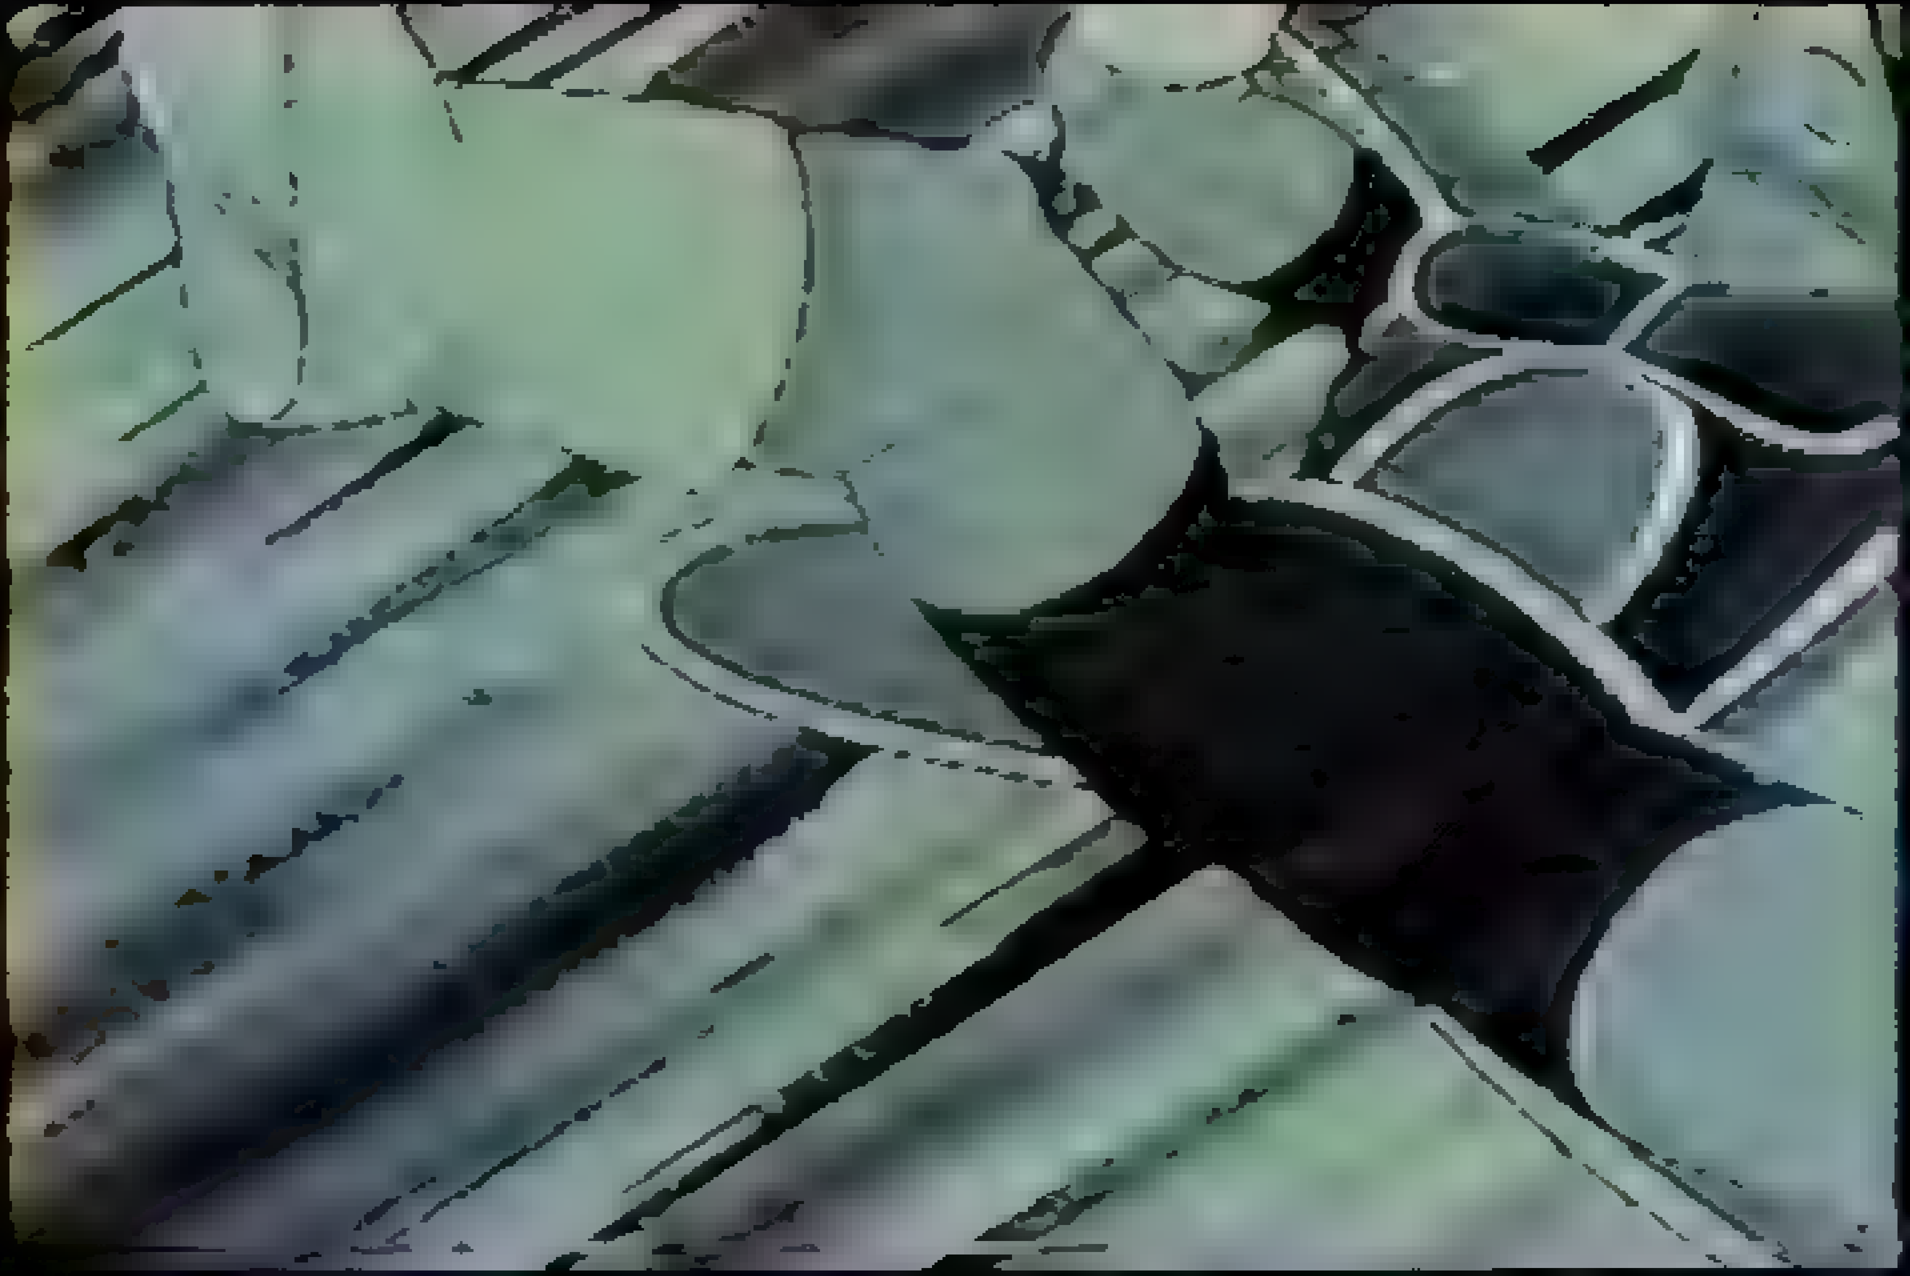

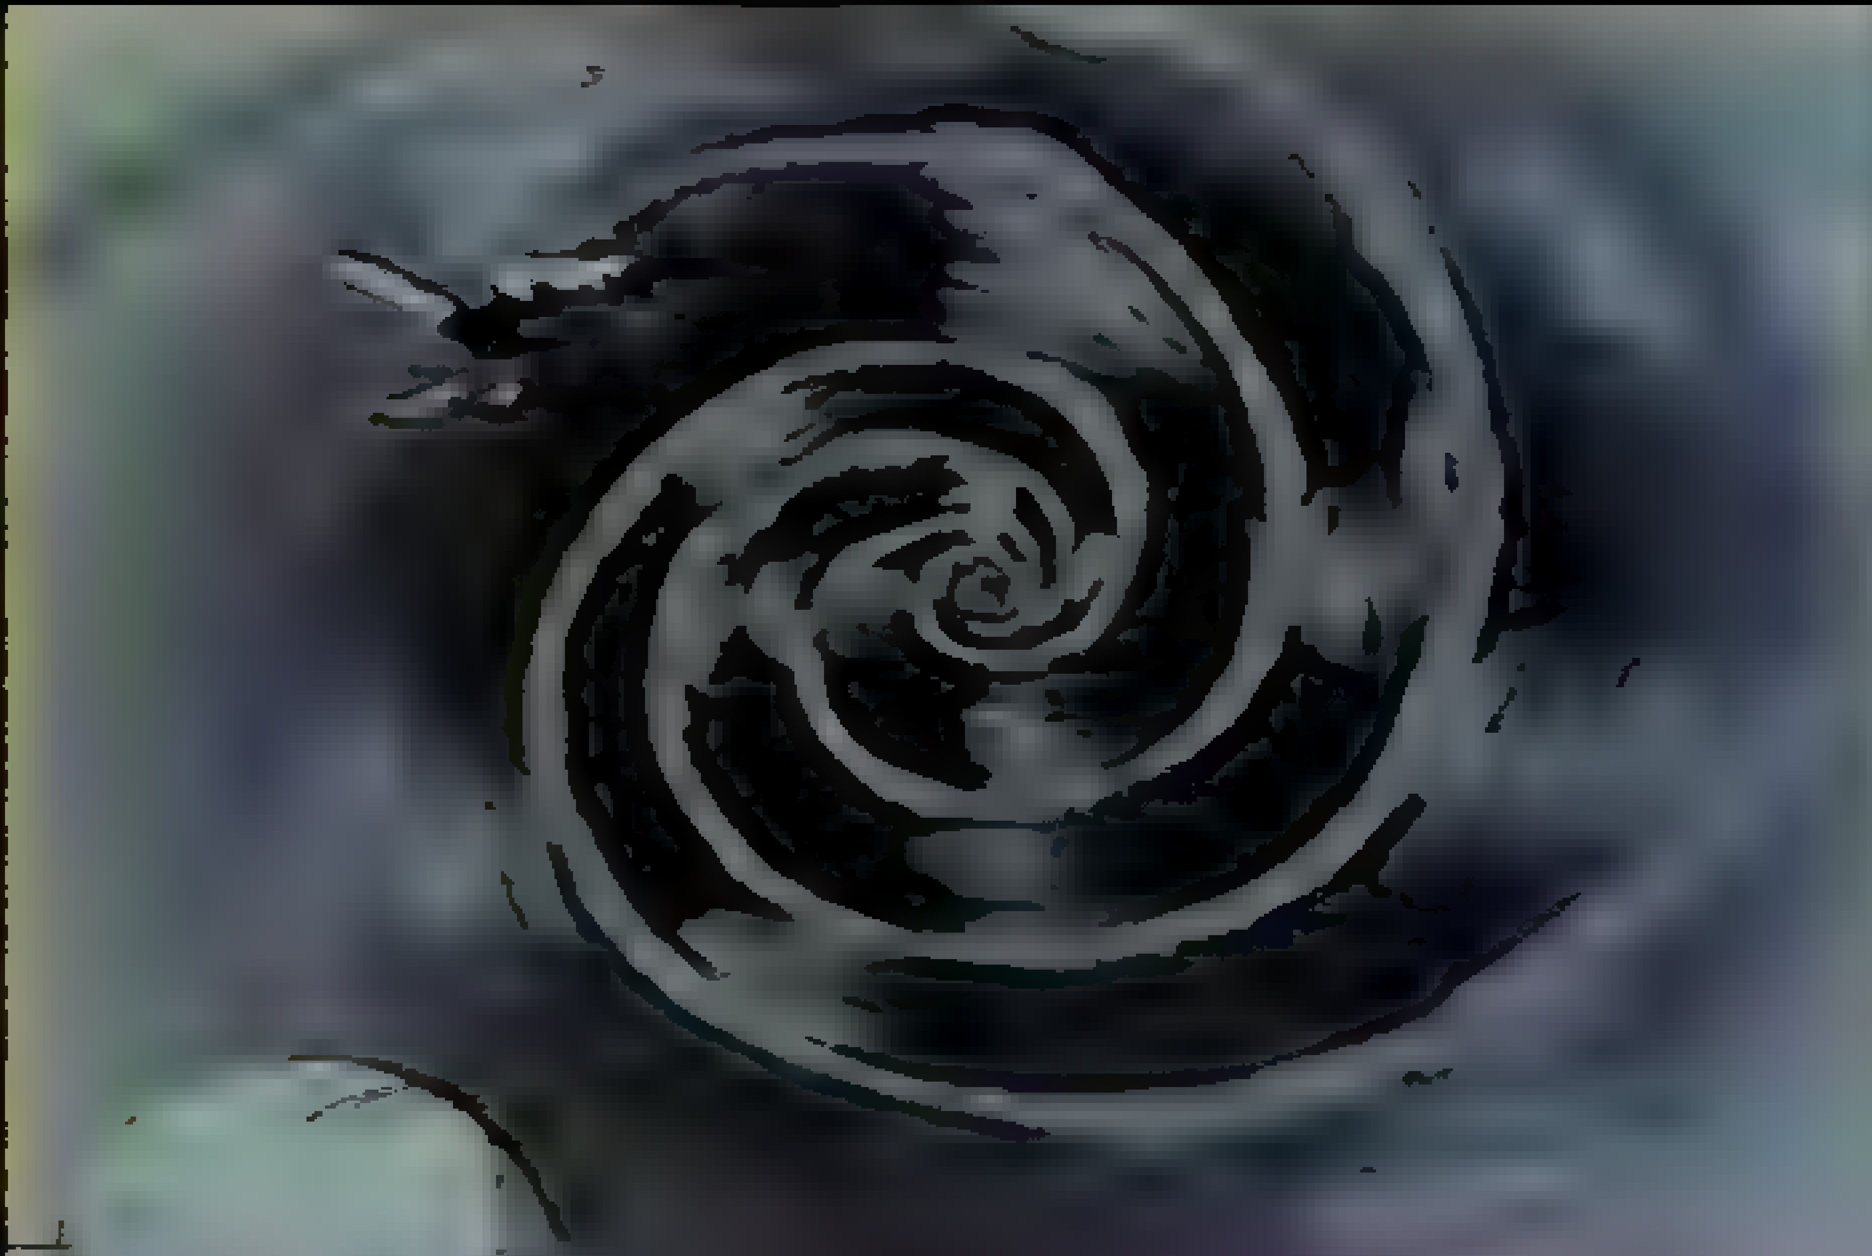

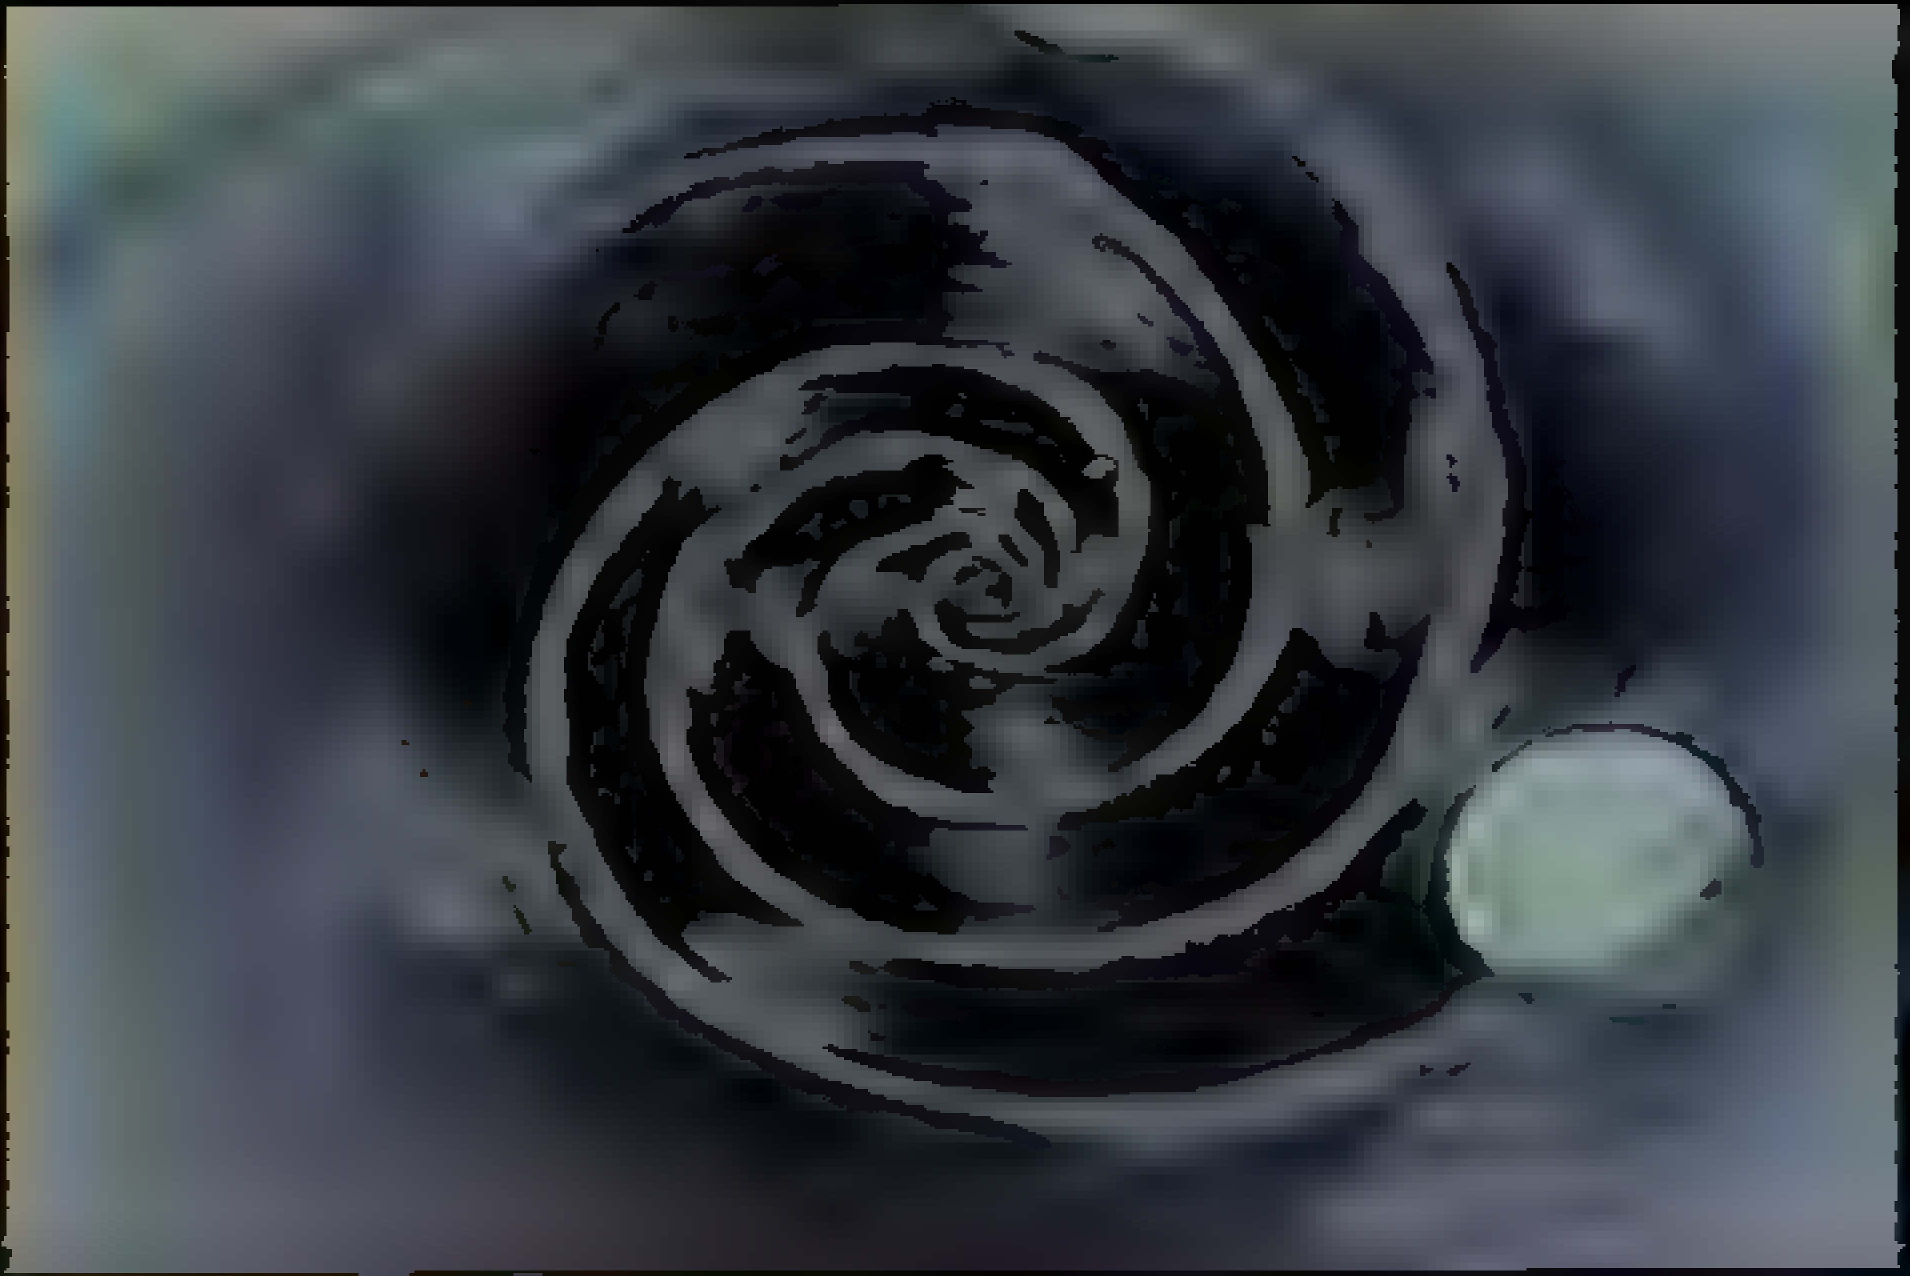

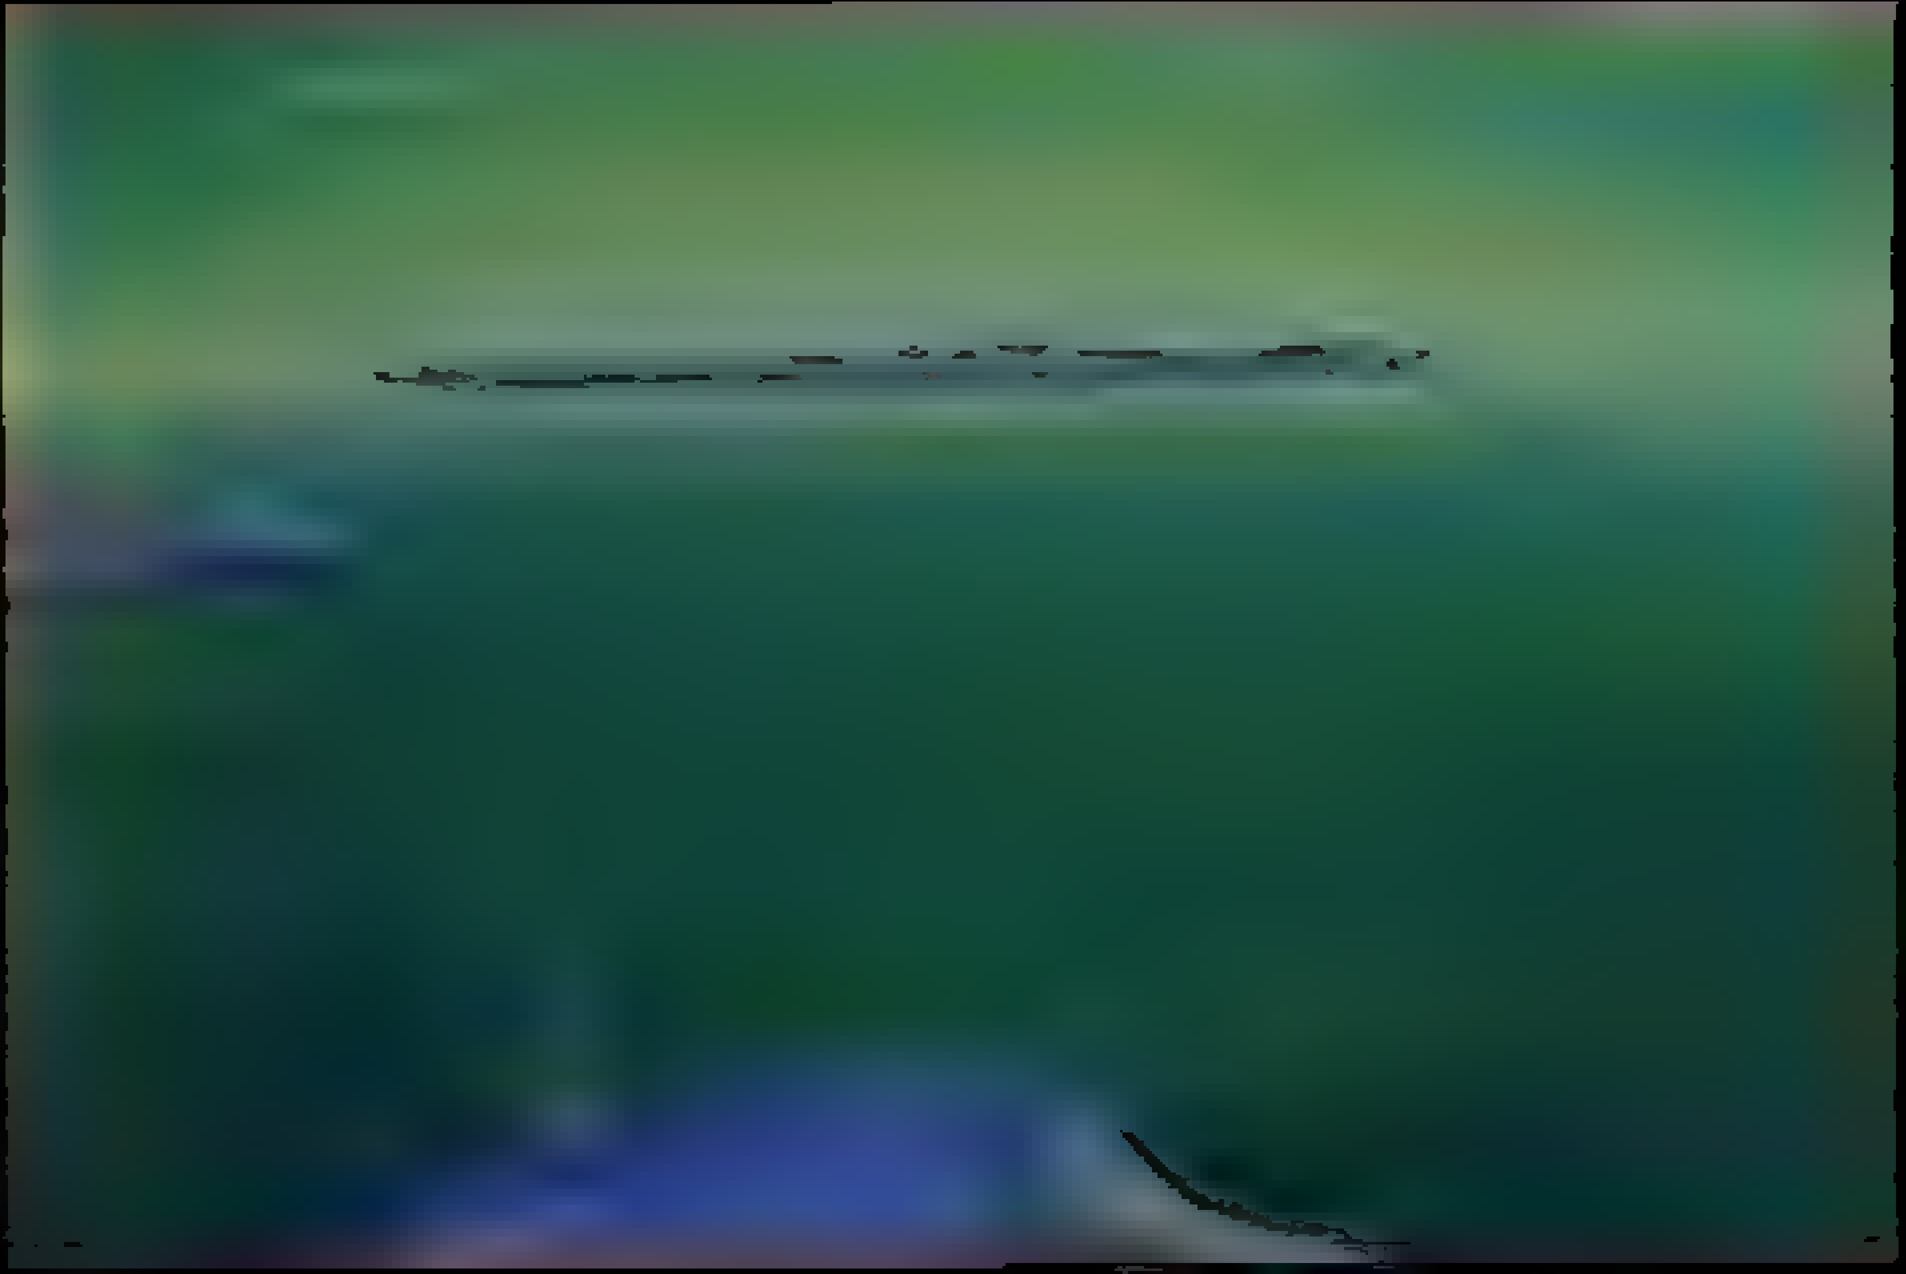

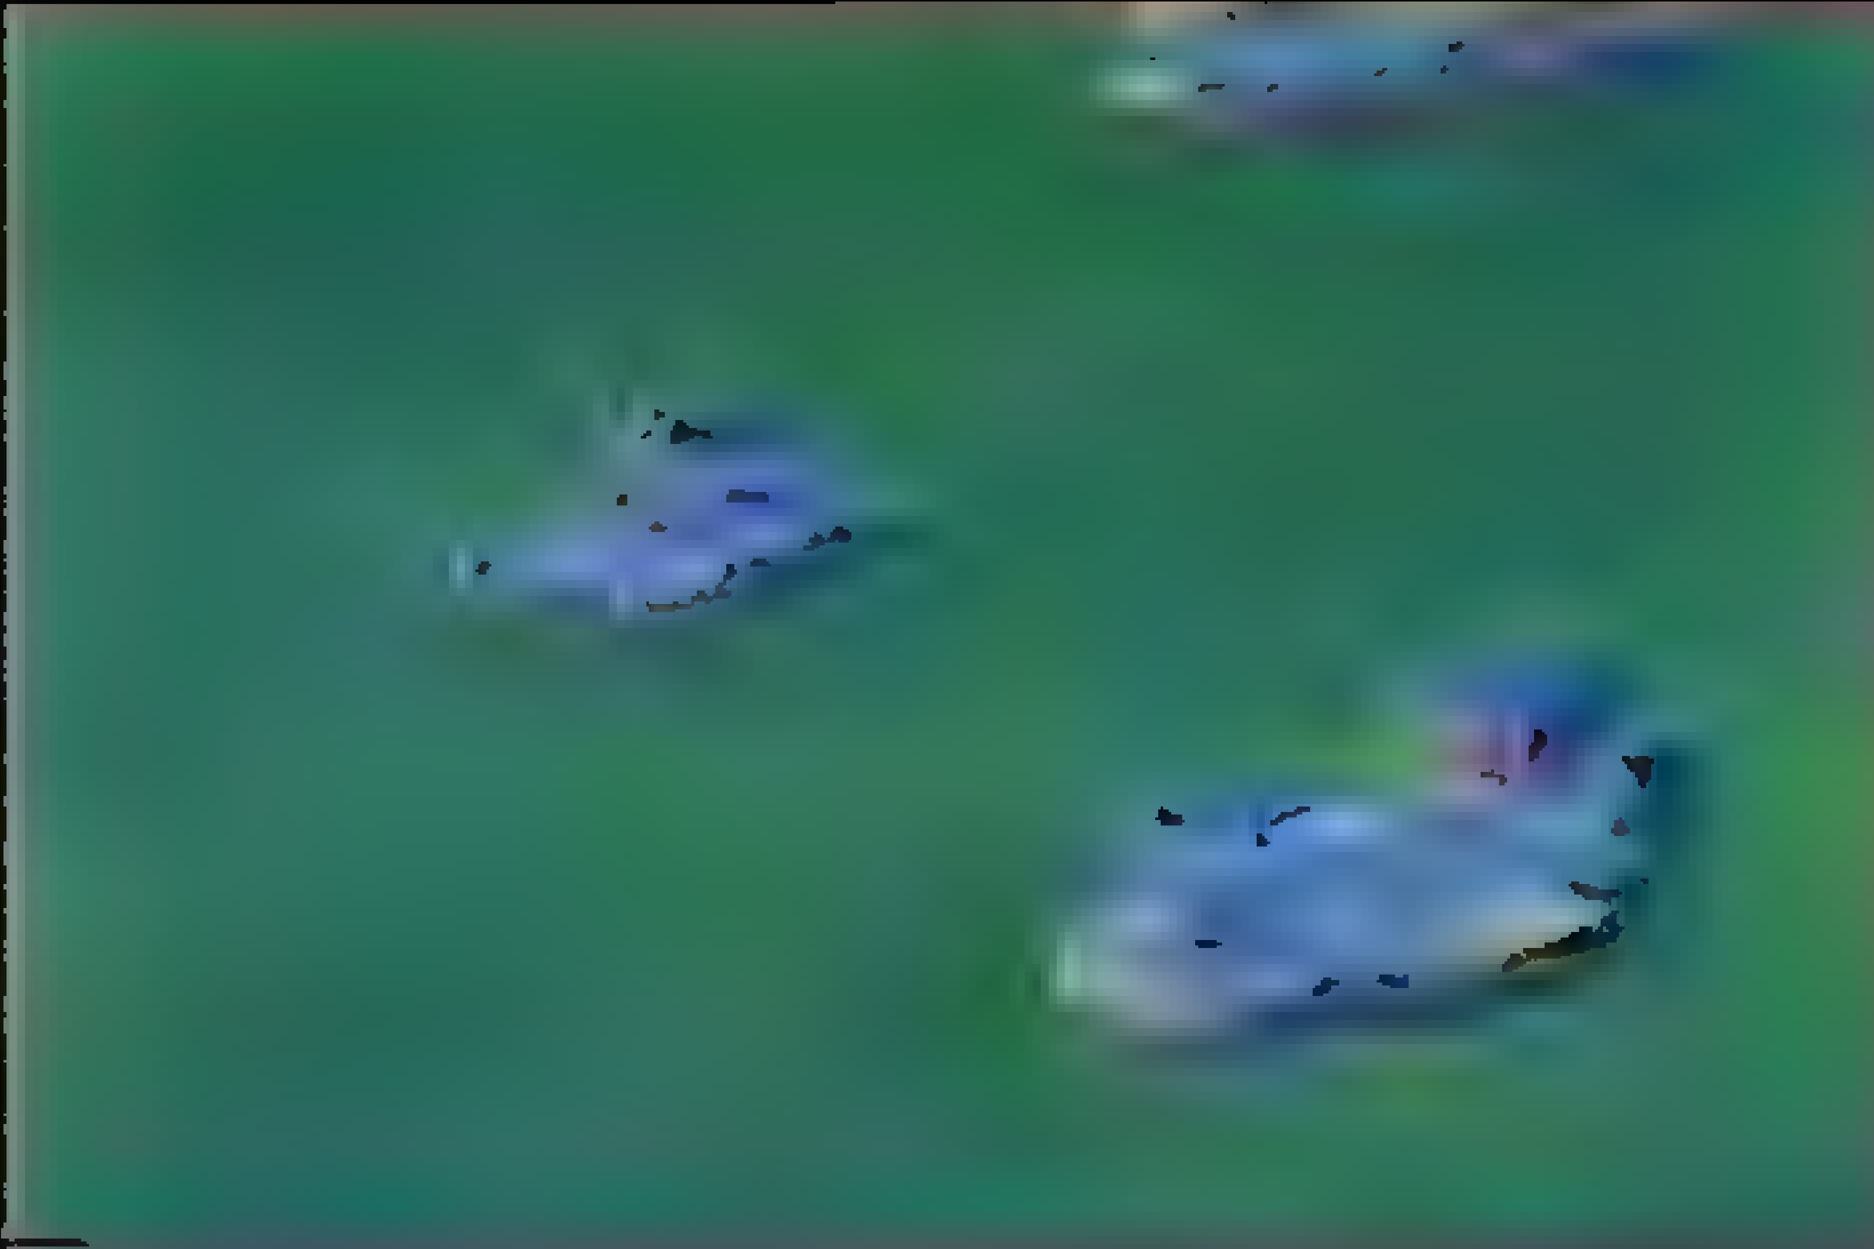

Dende!

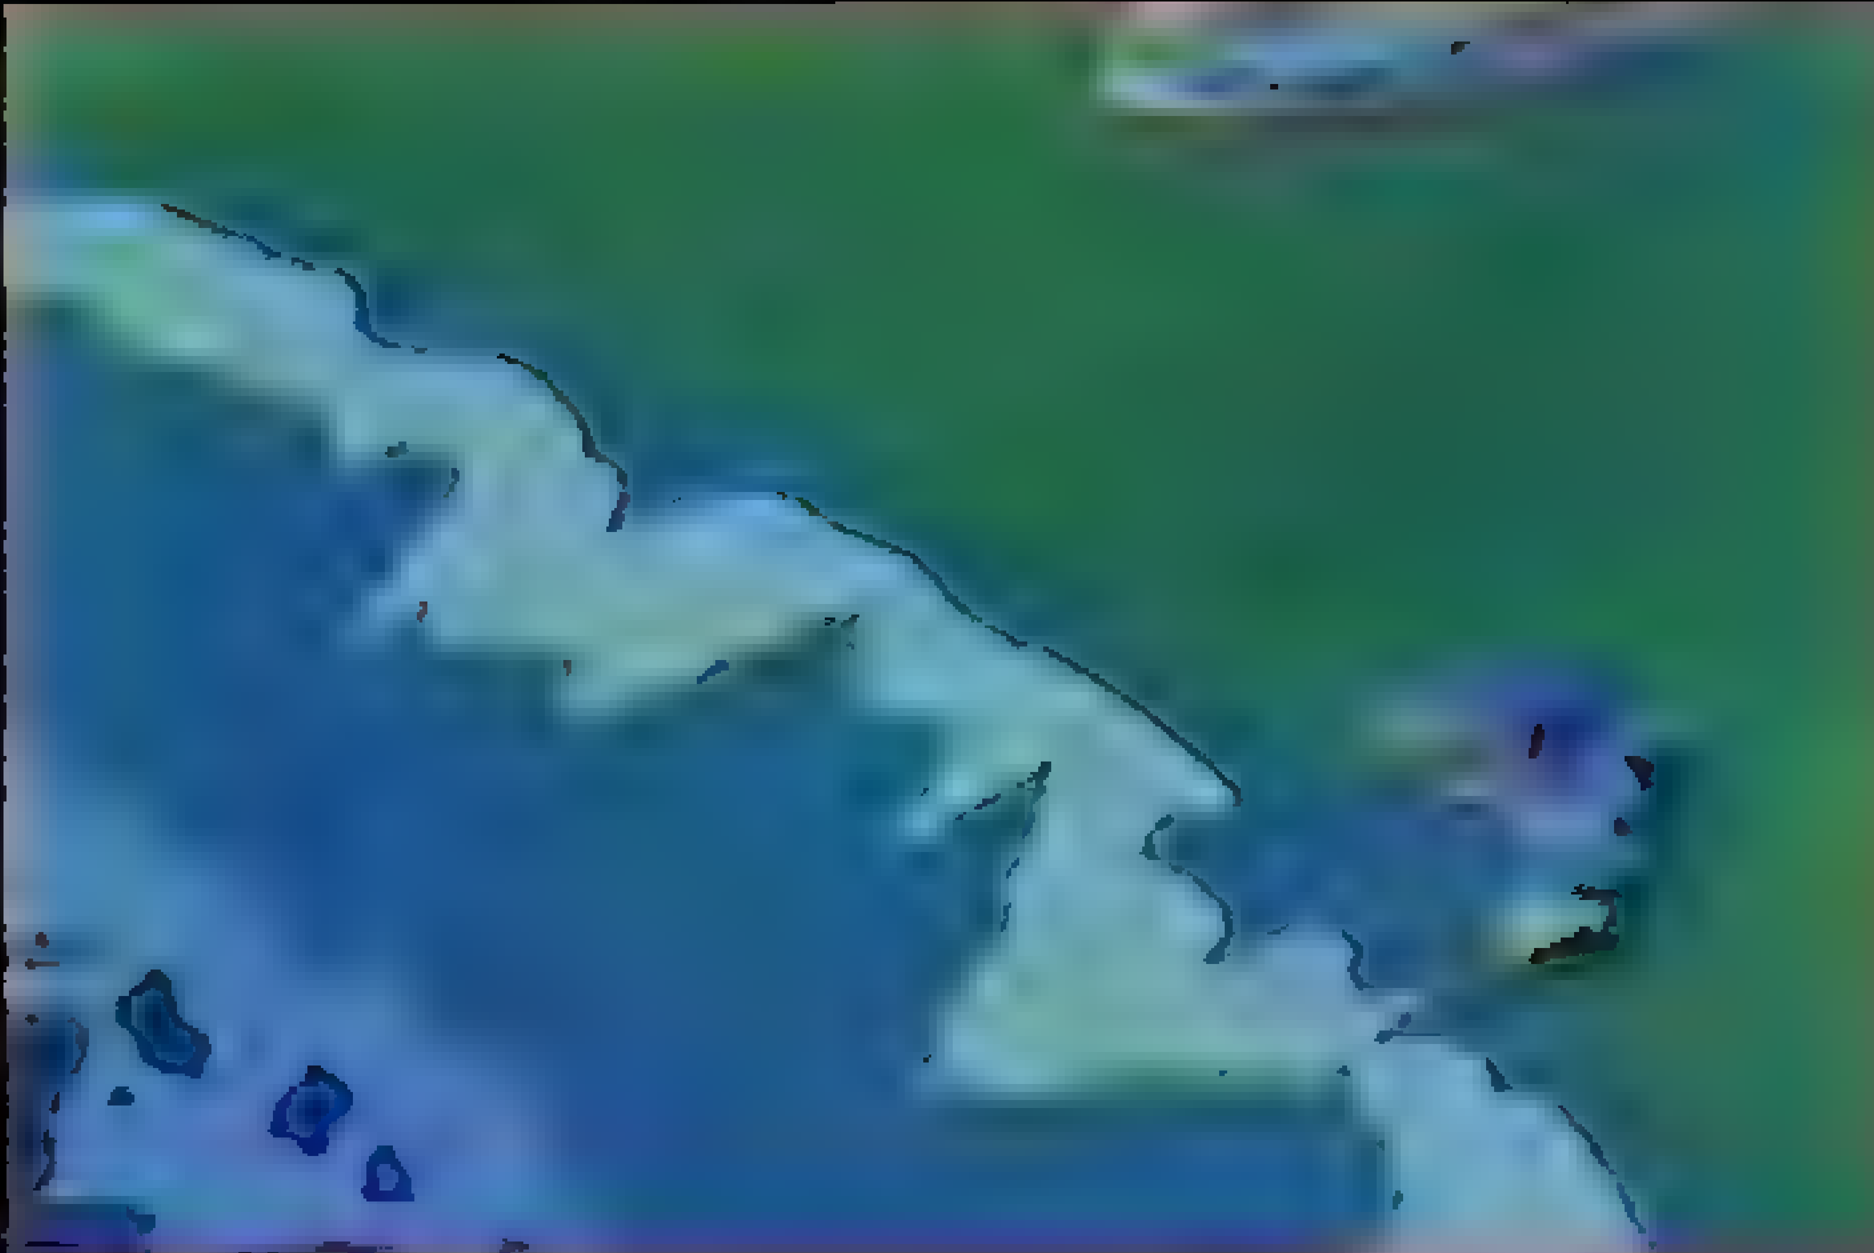

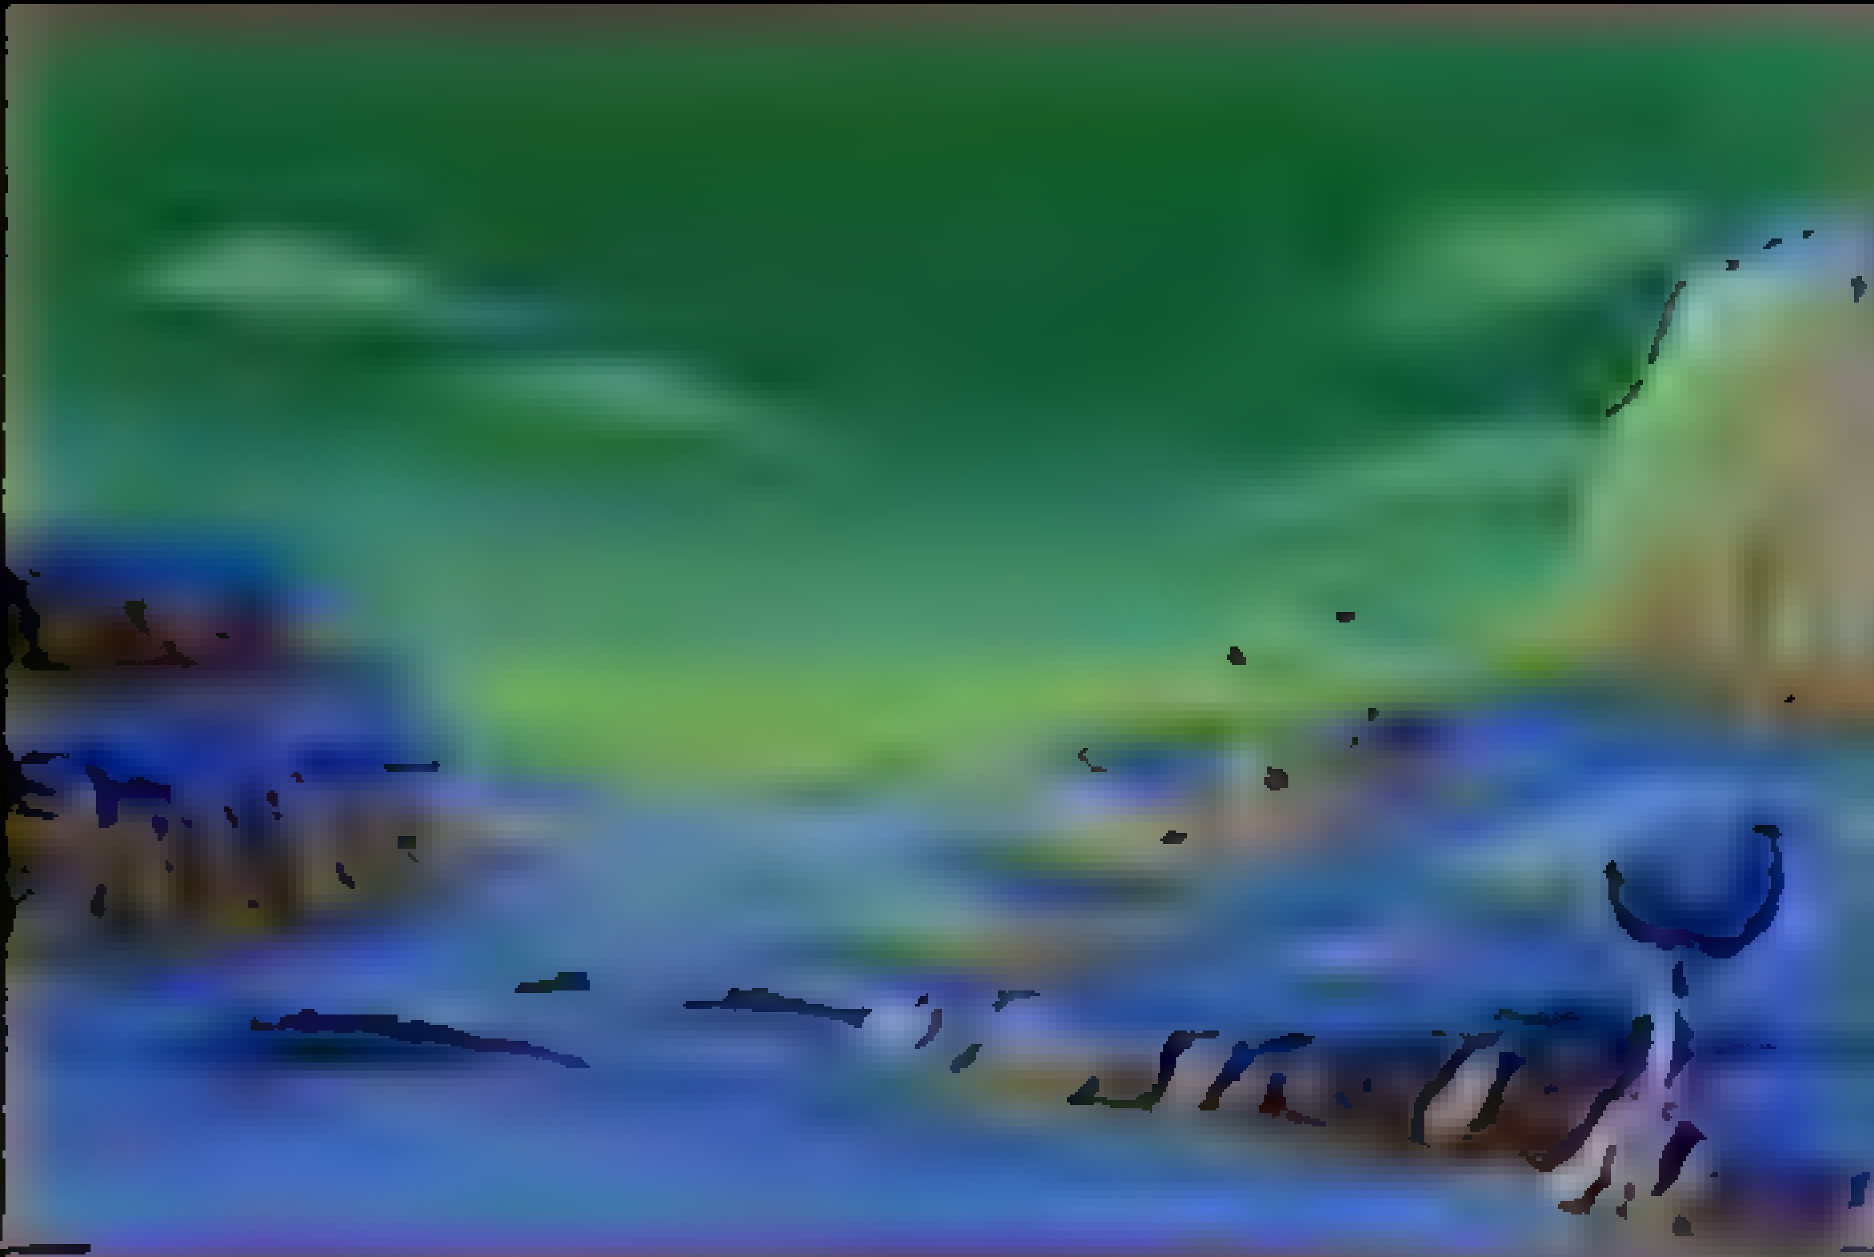

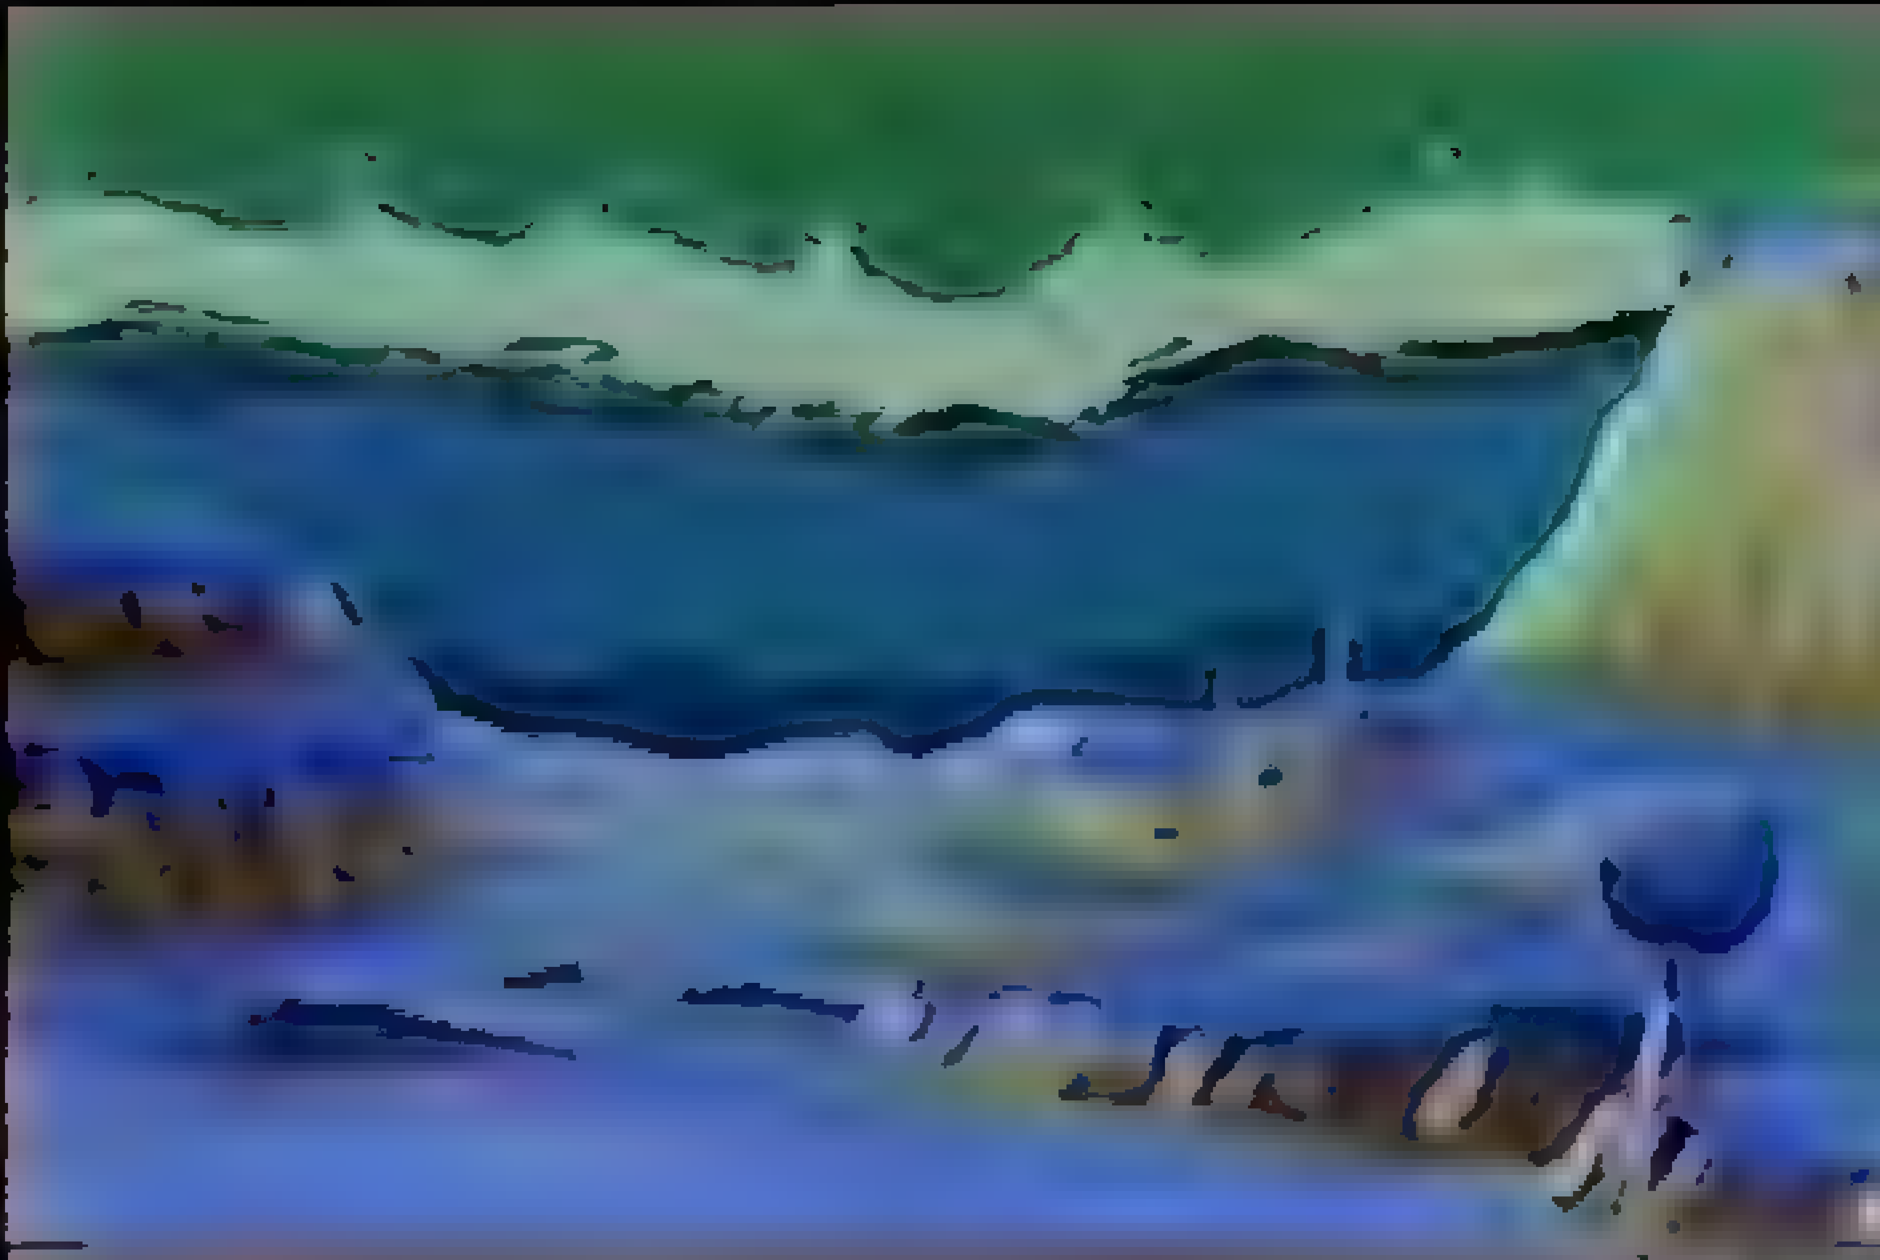

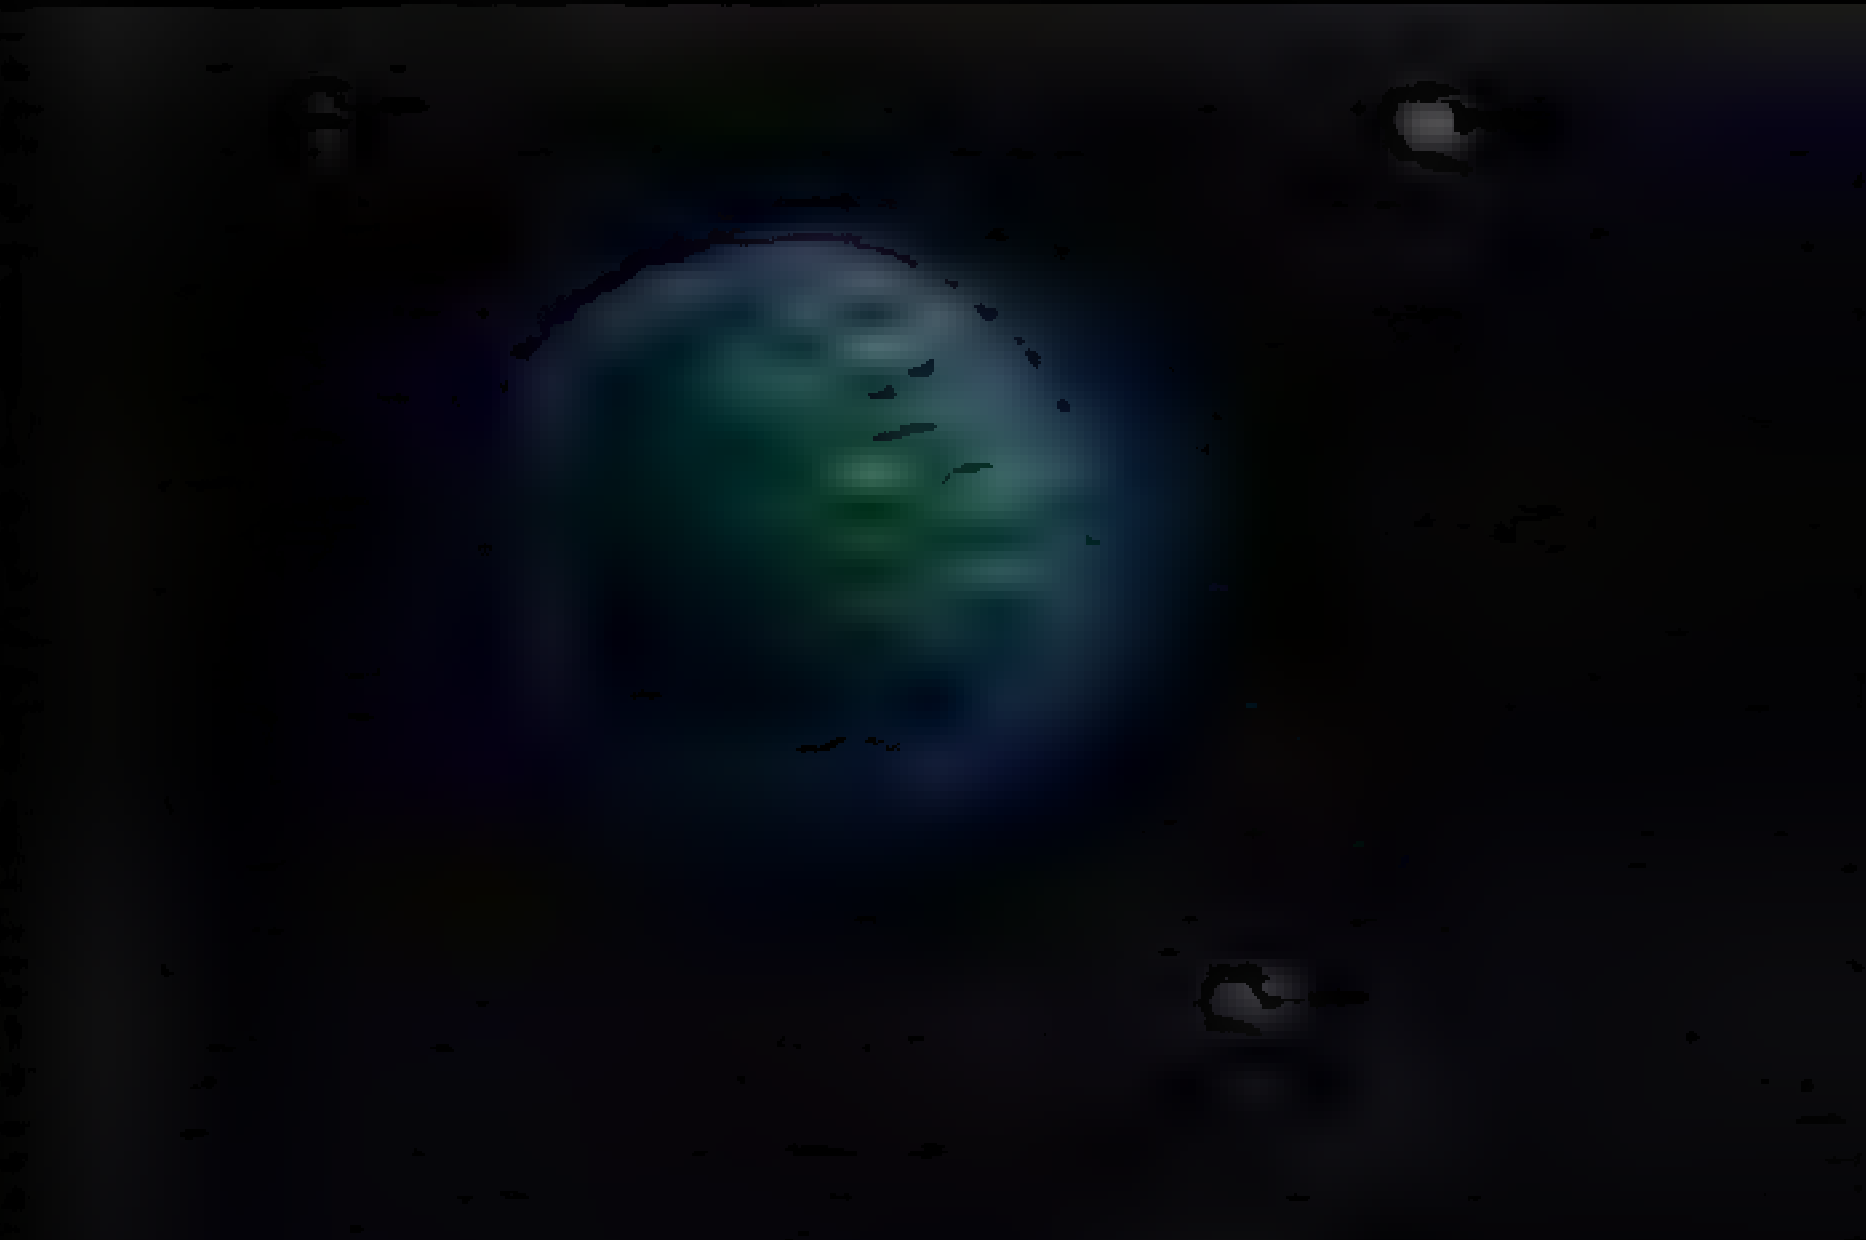

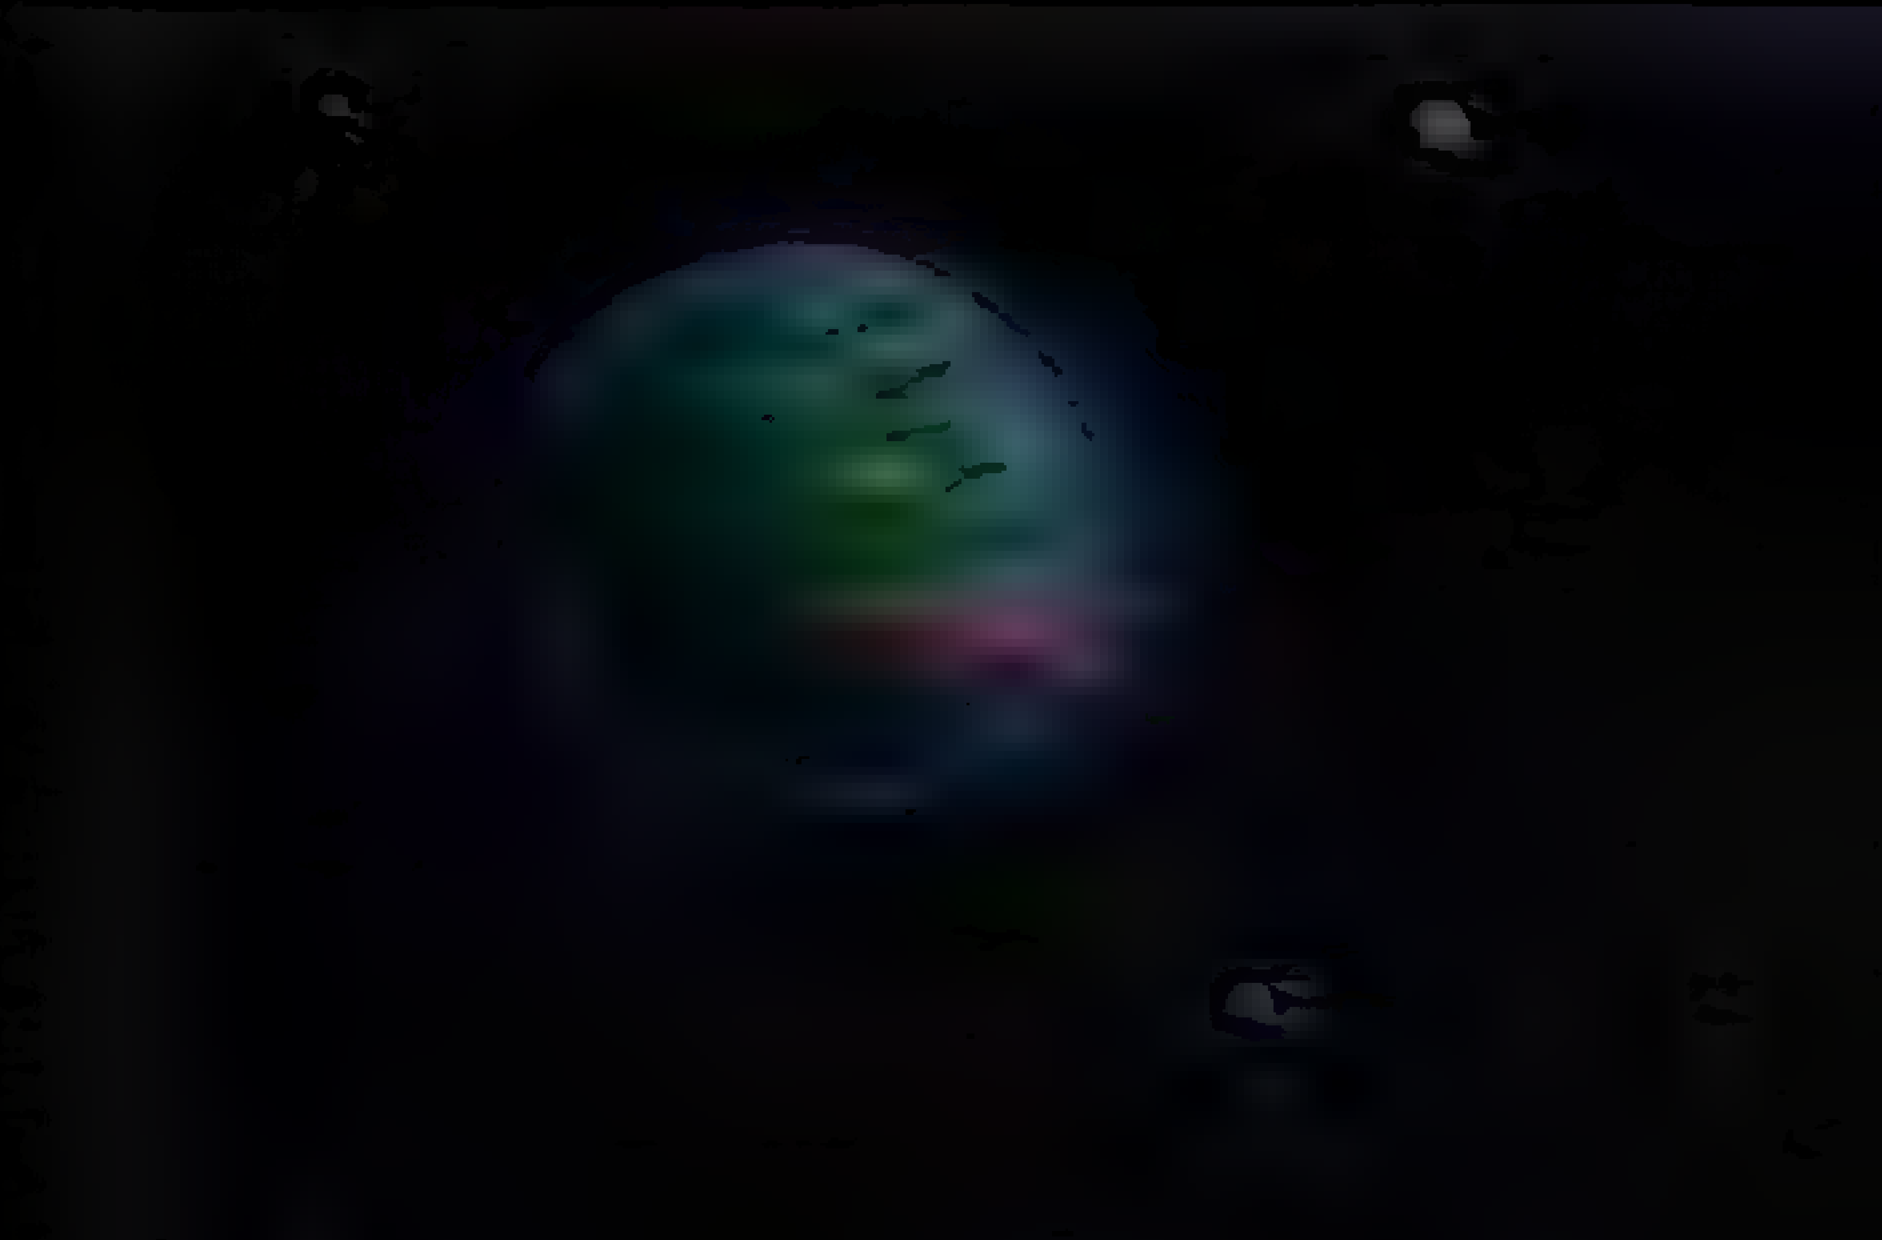

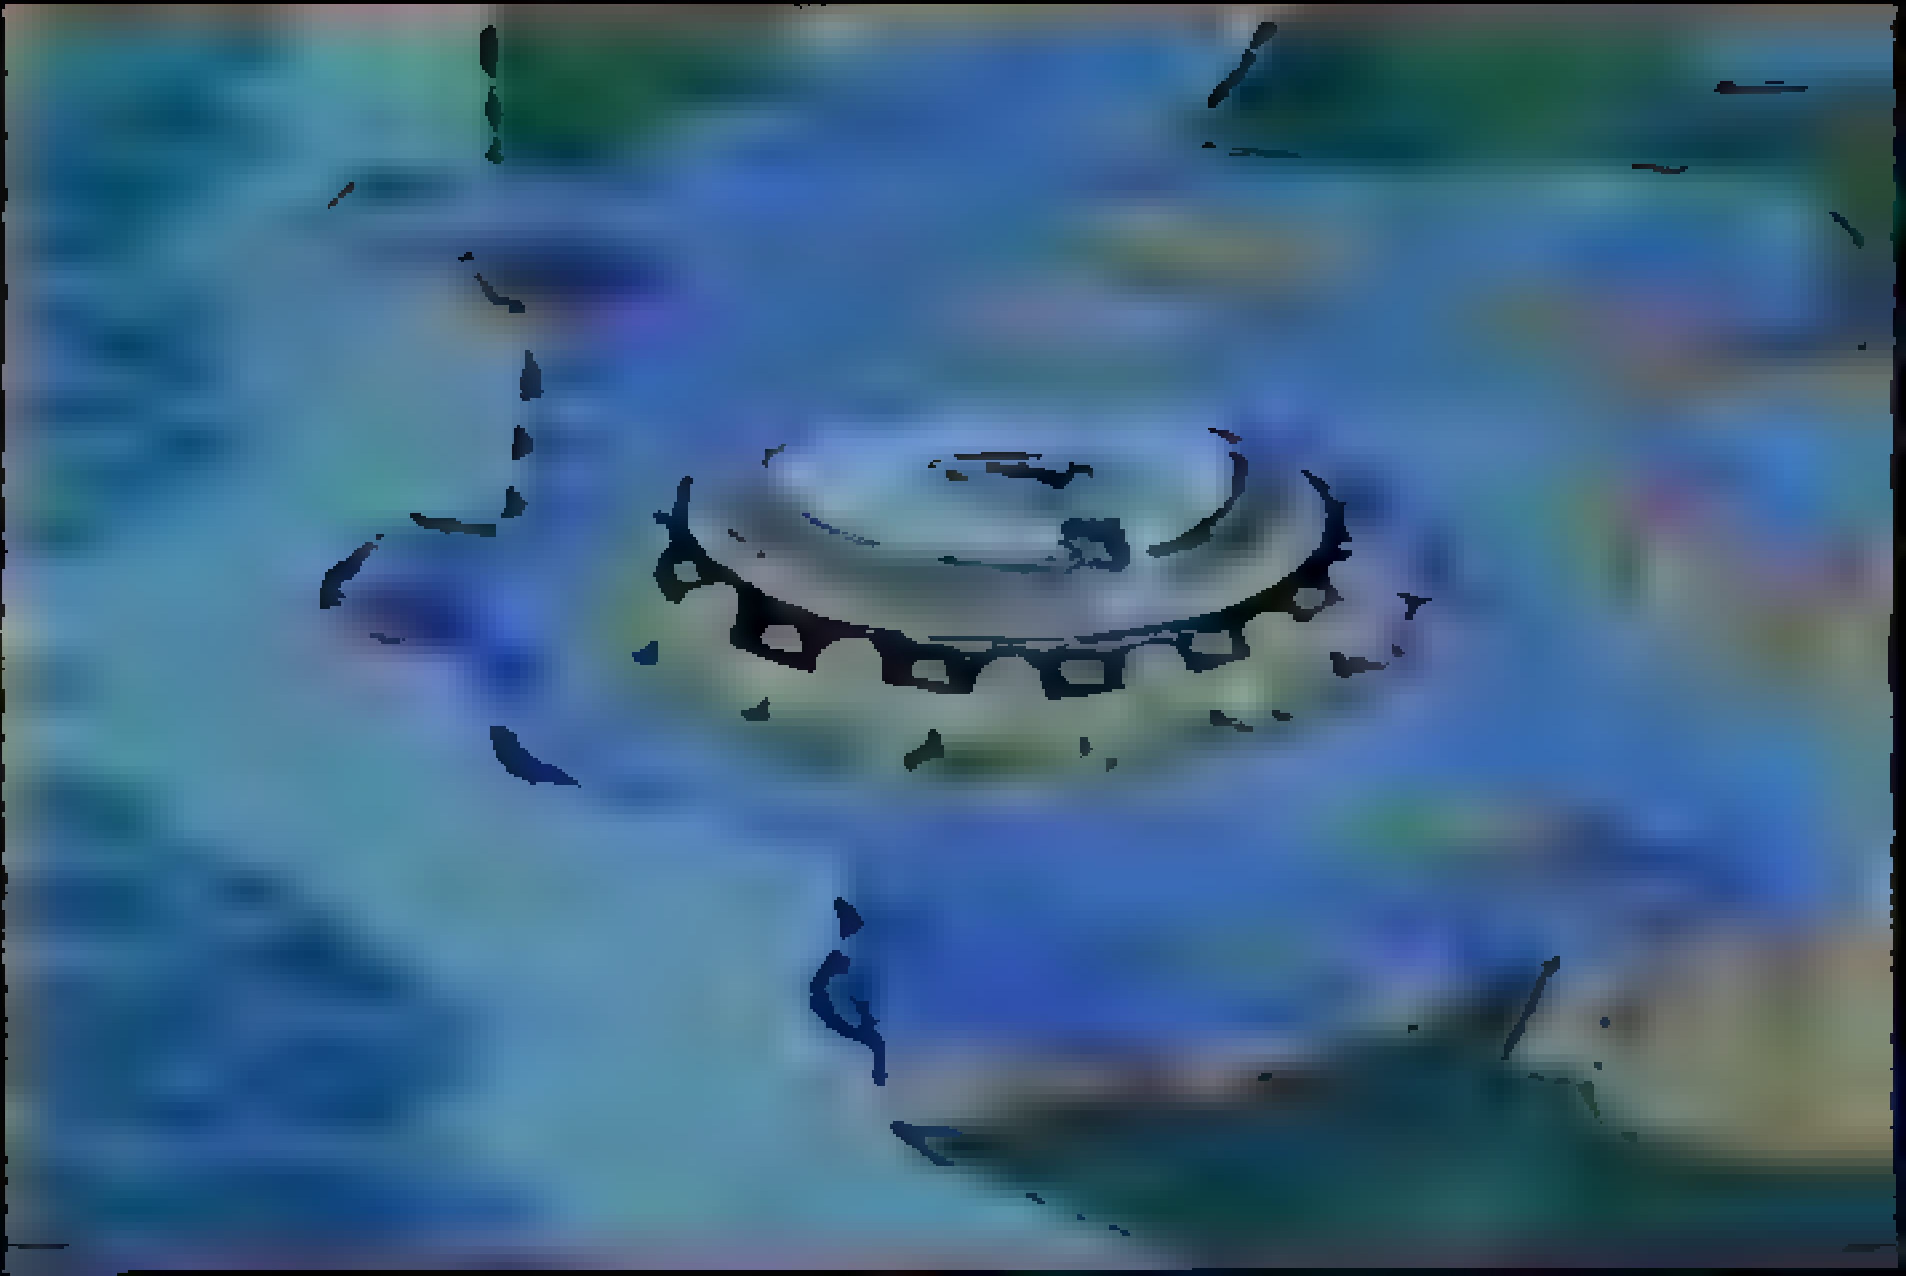

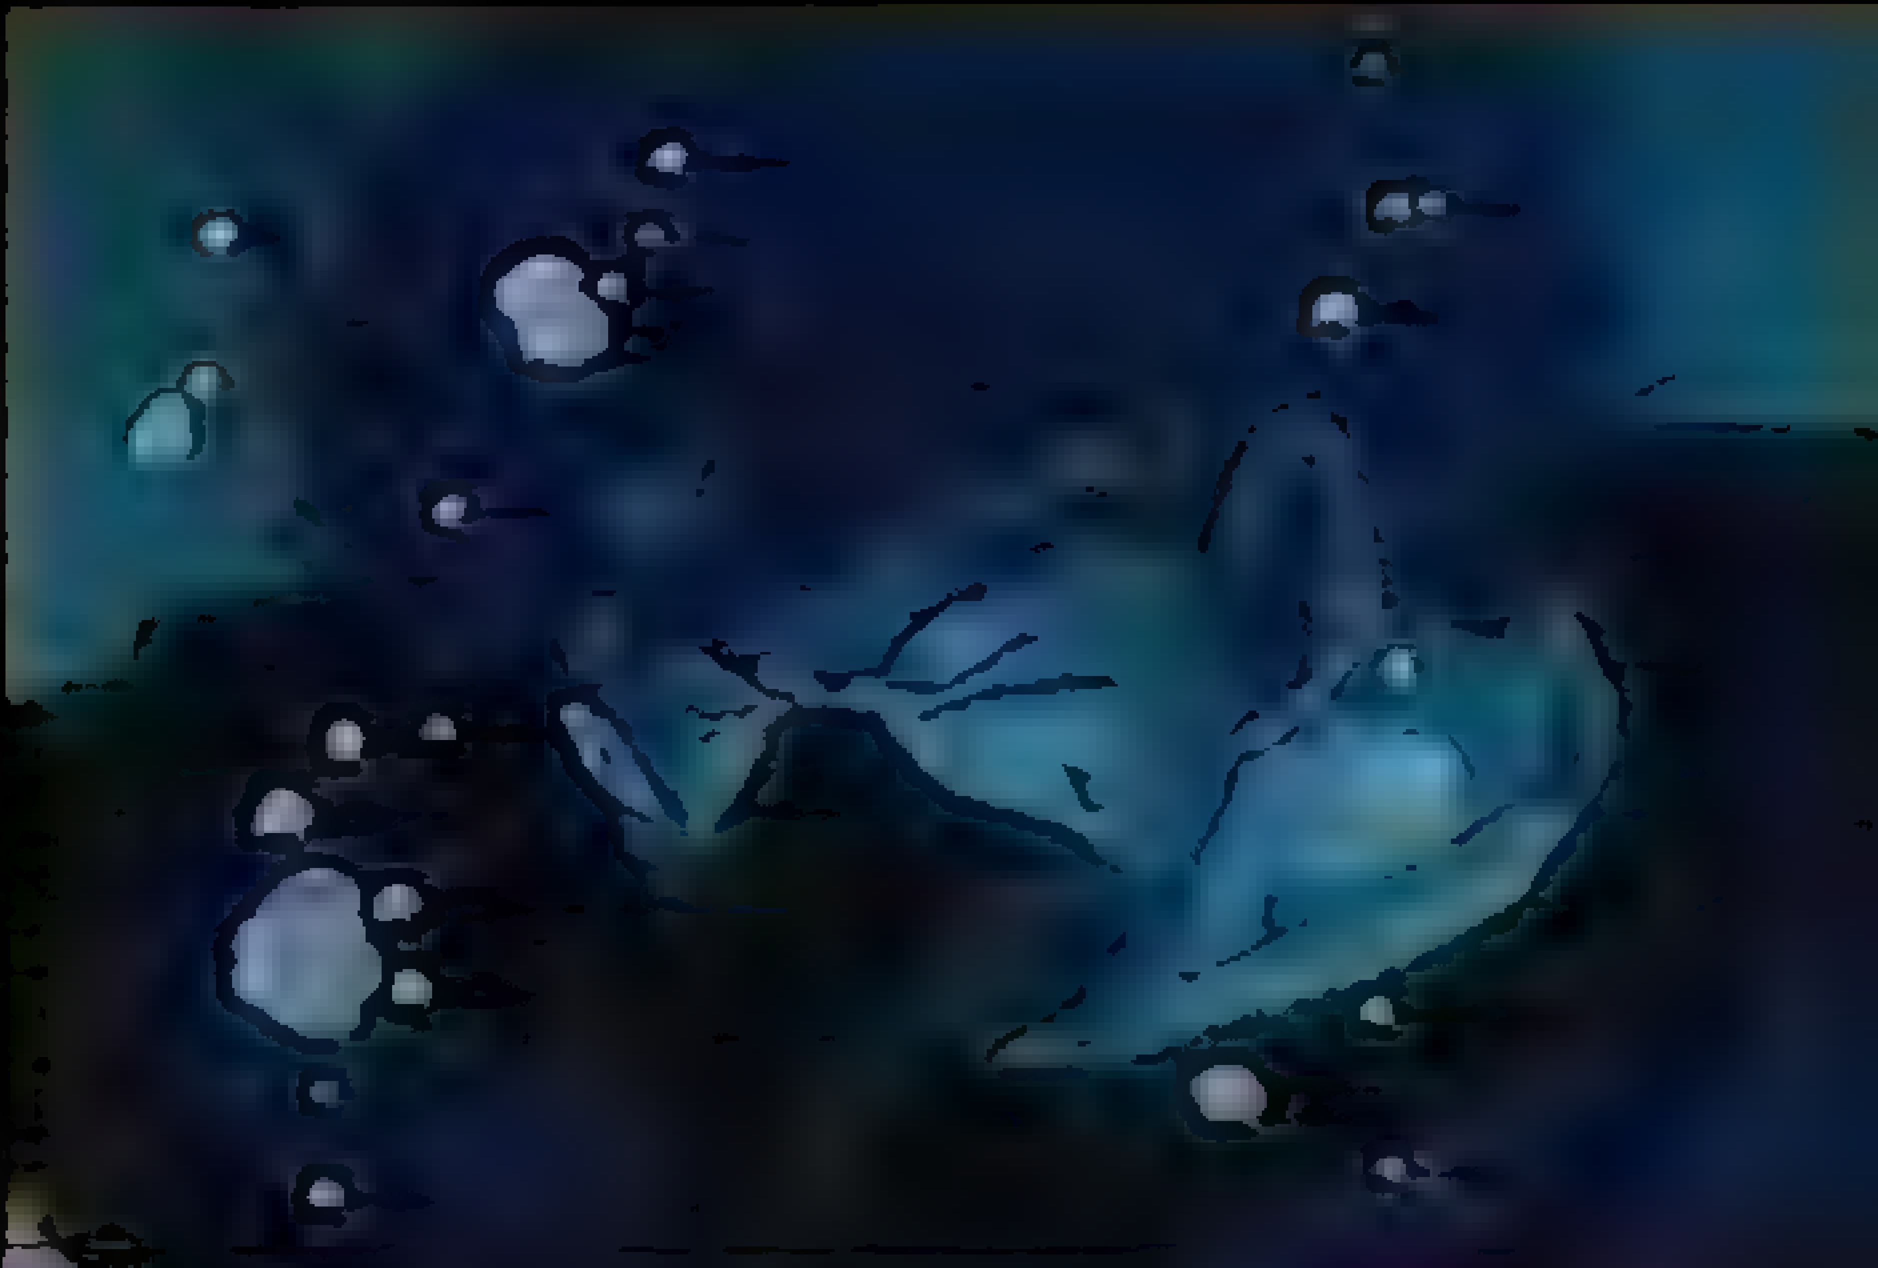

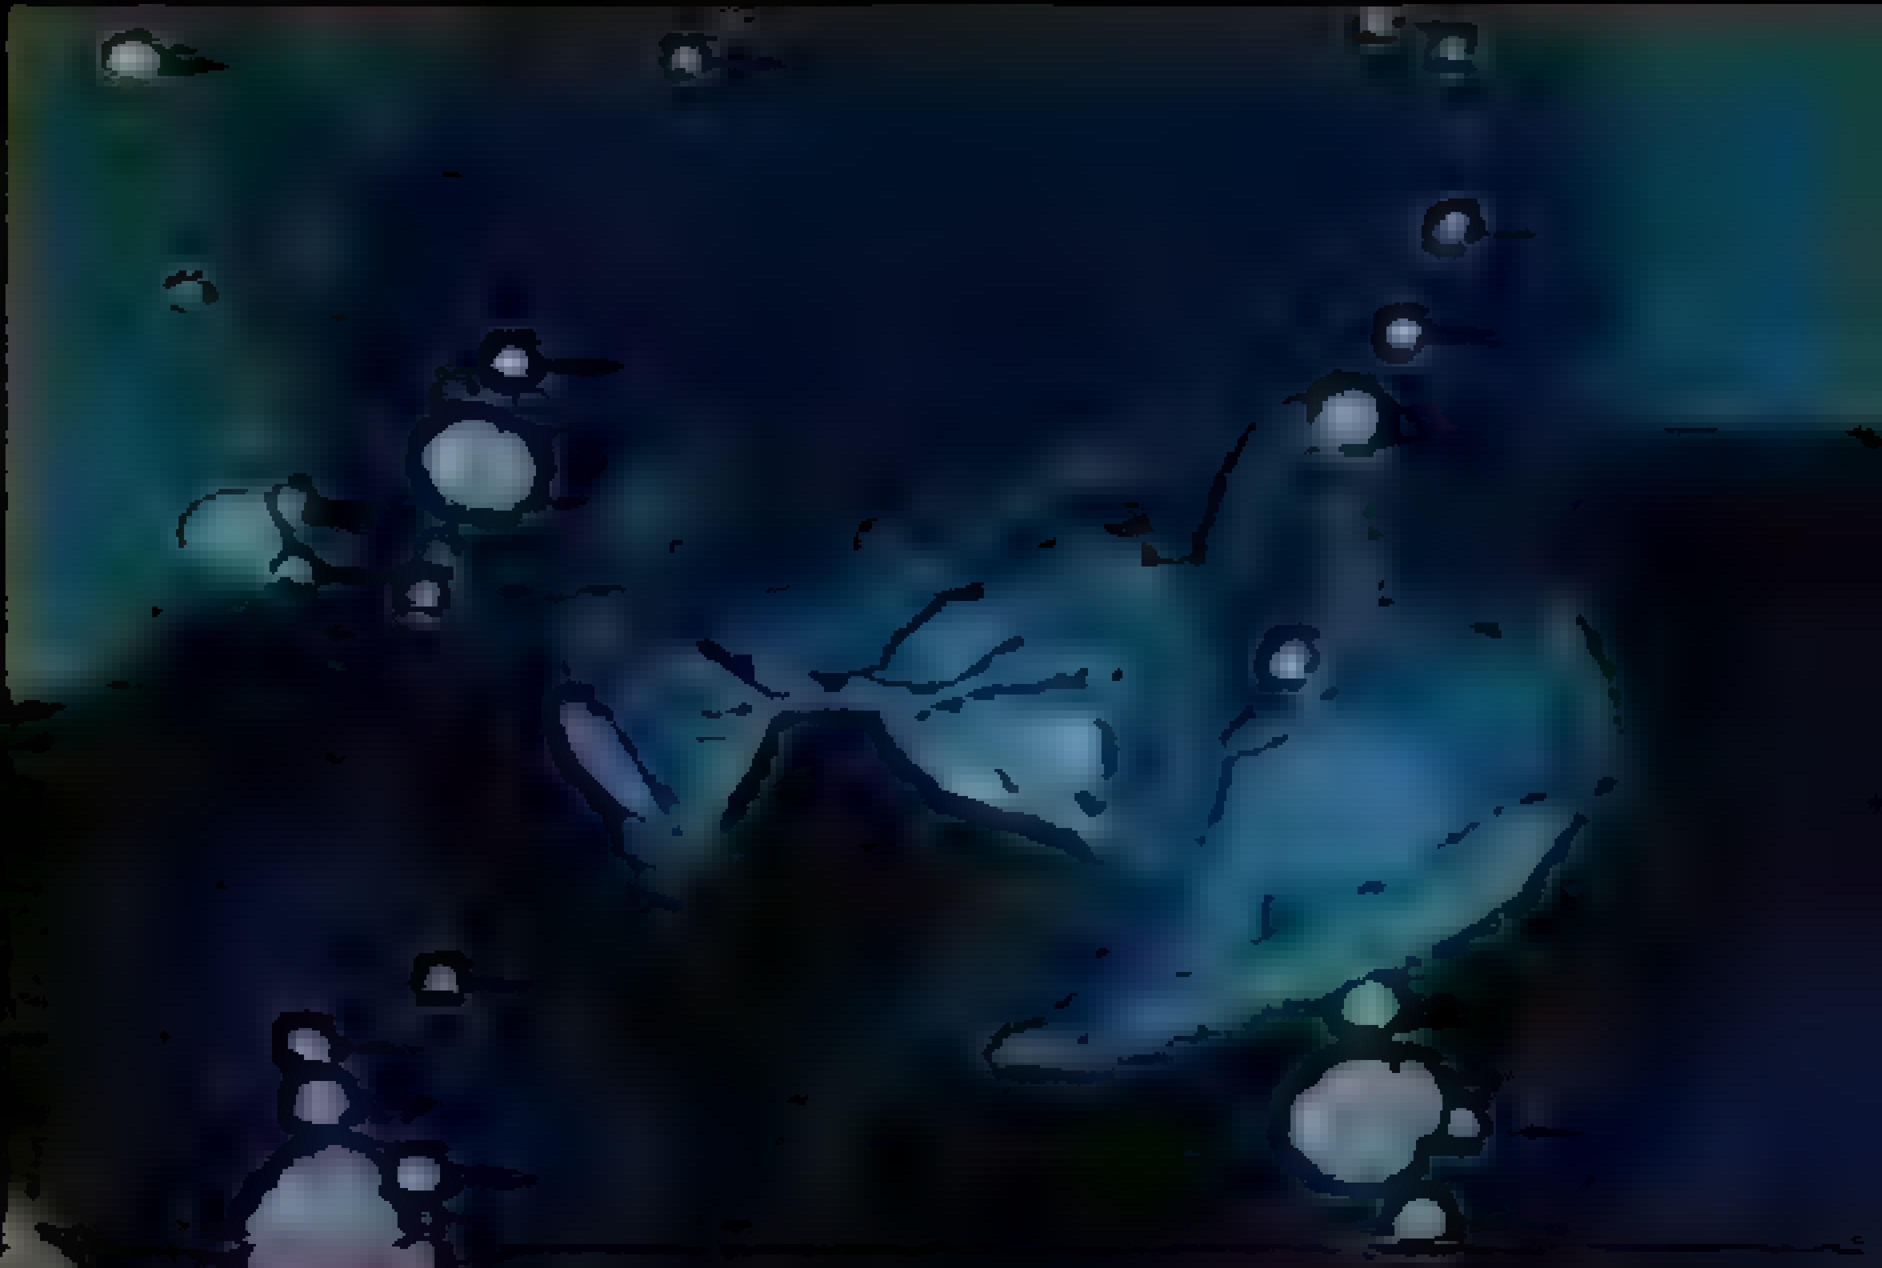

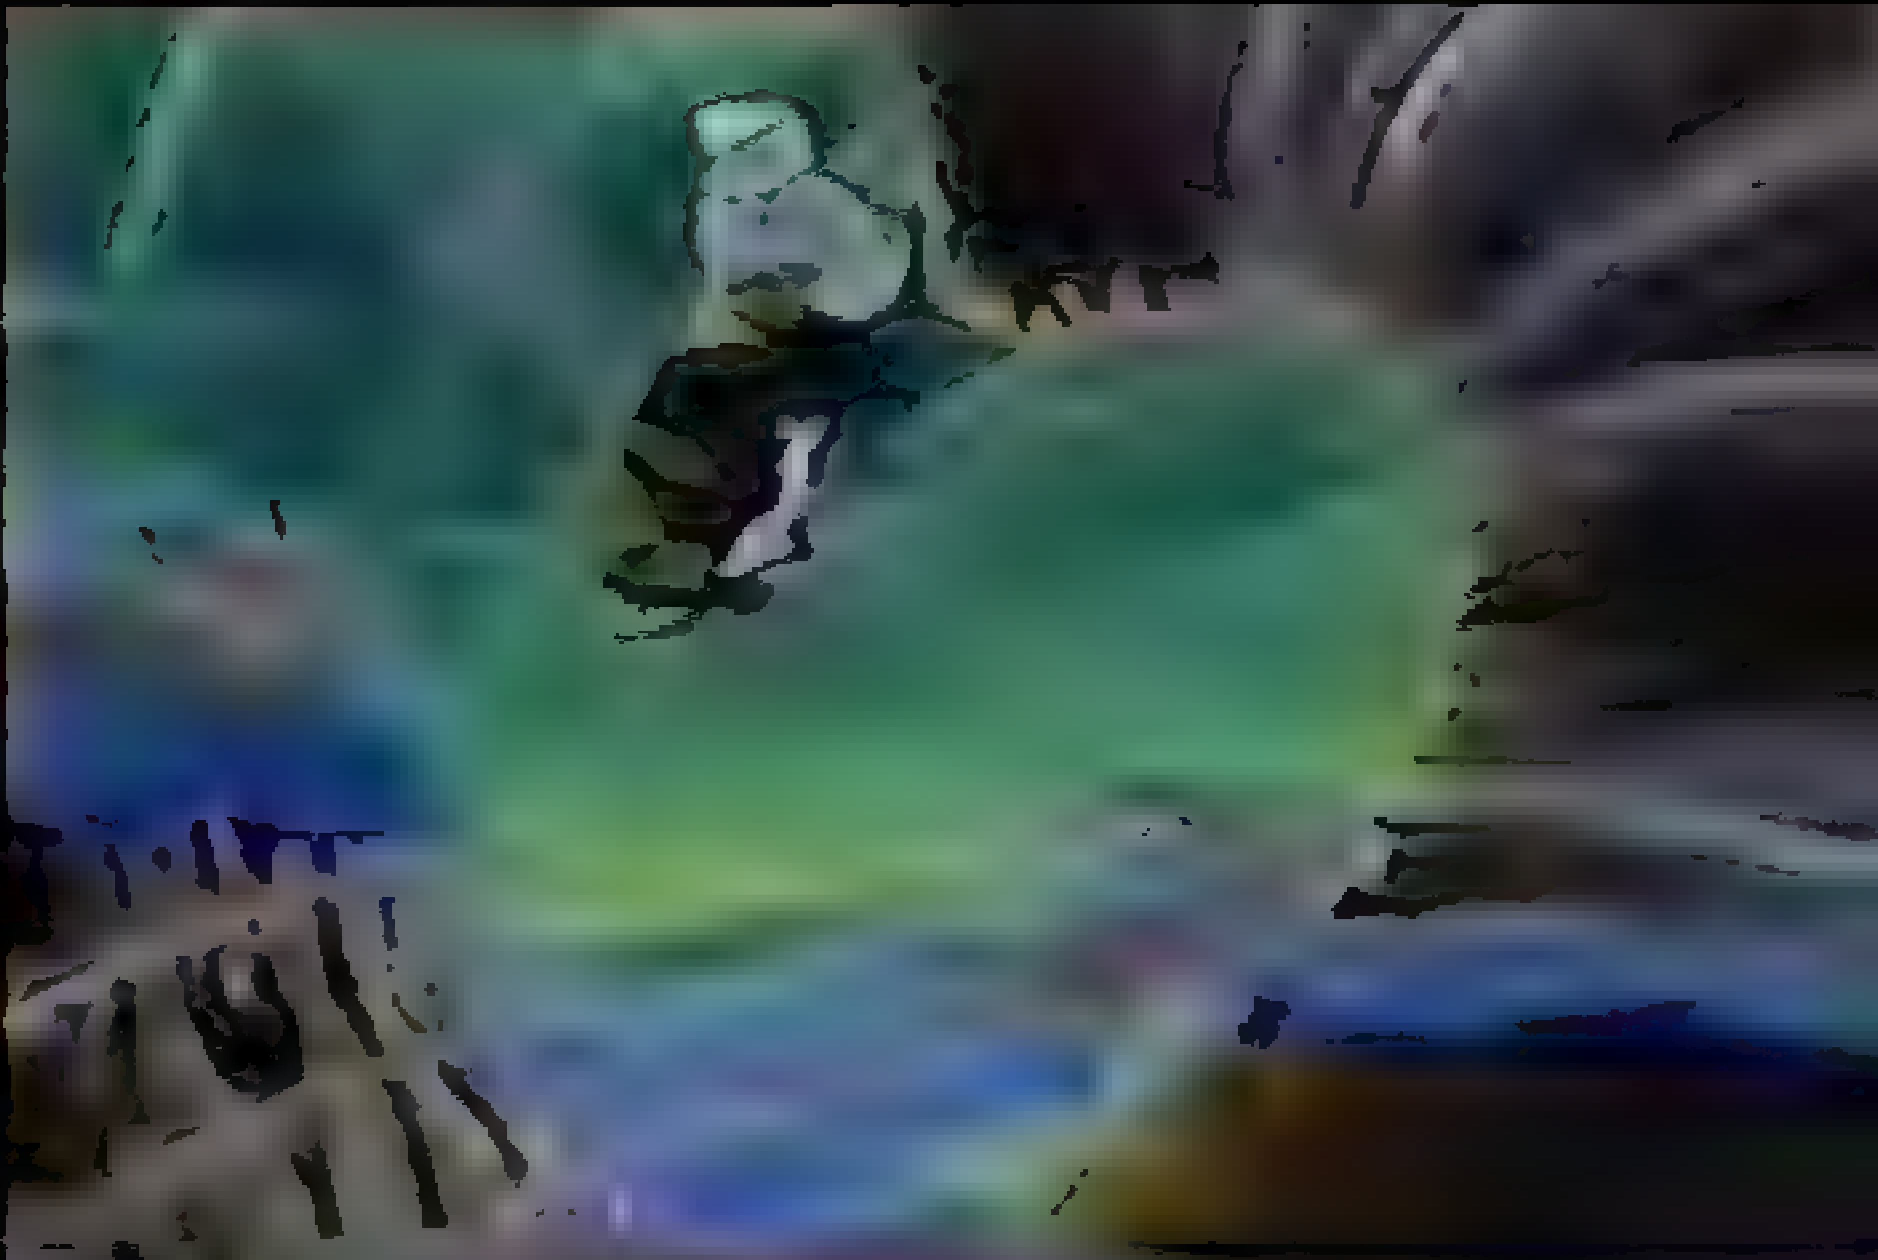

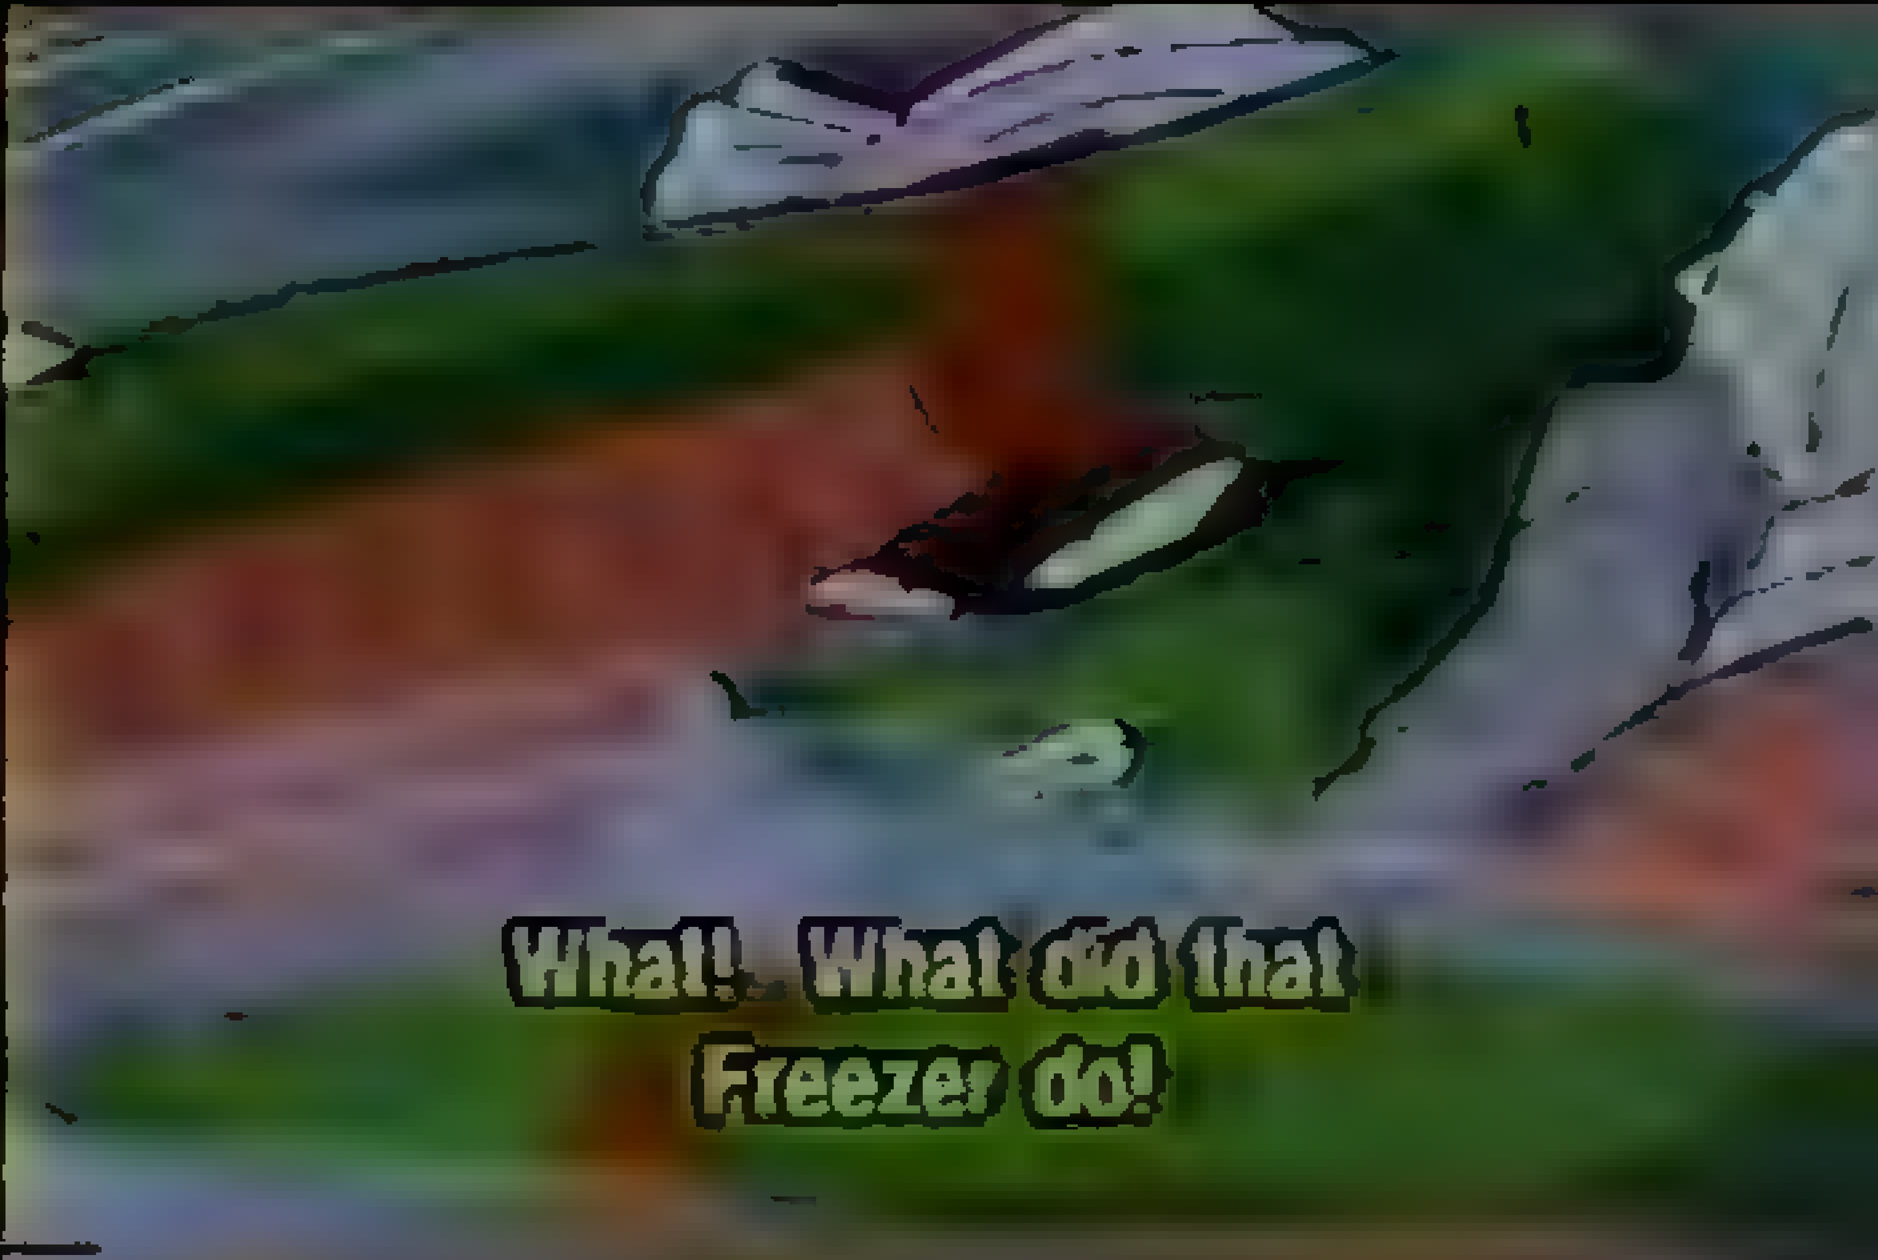

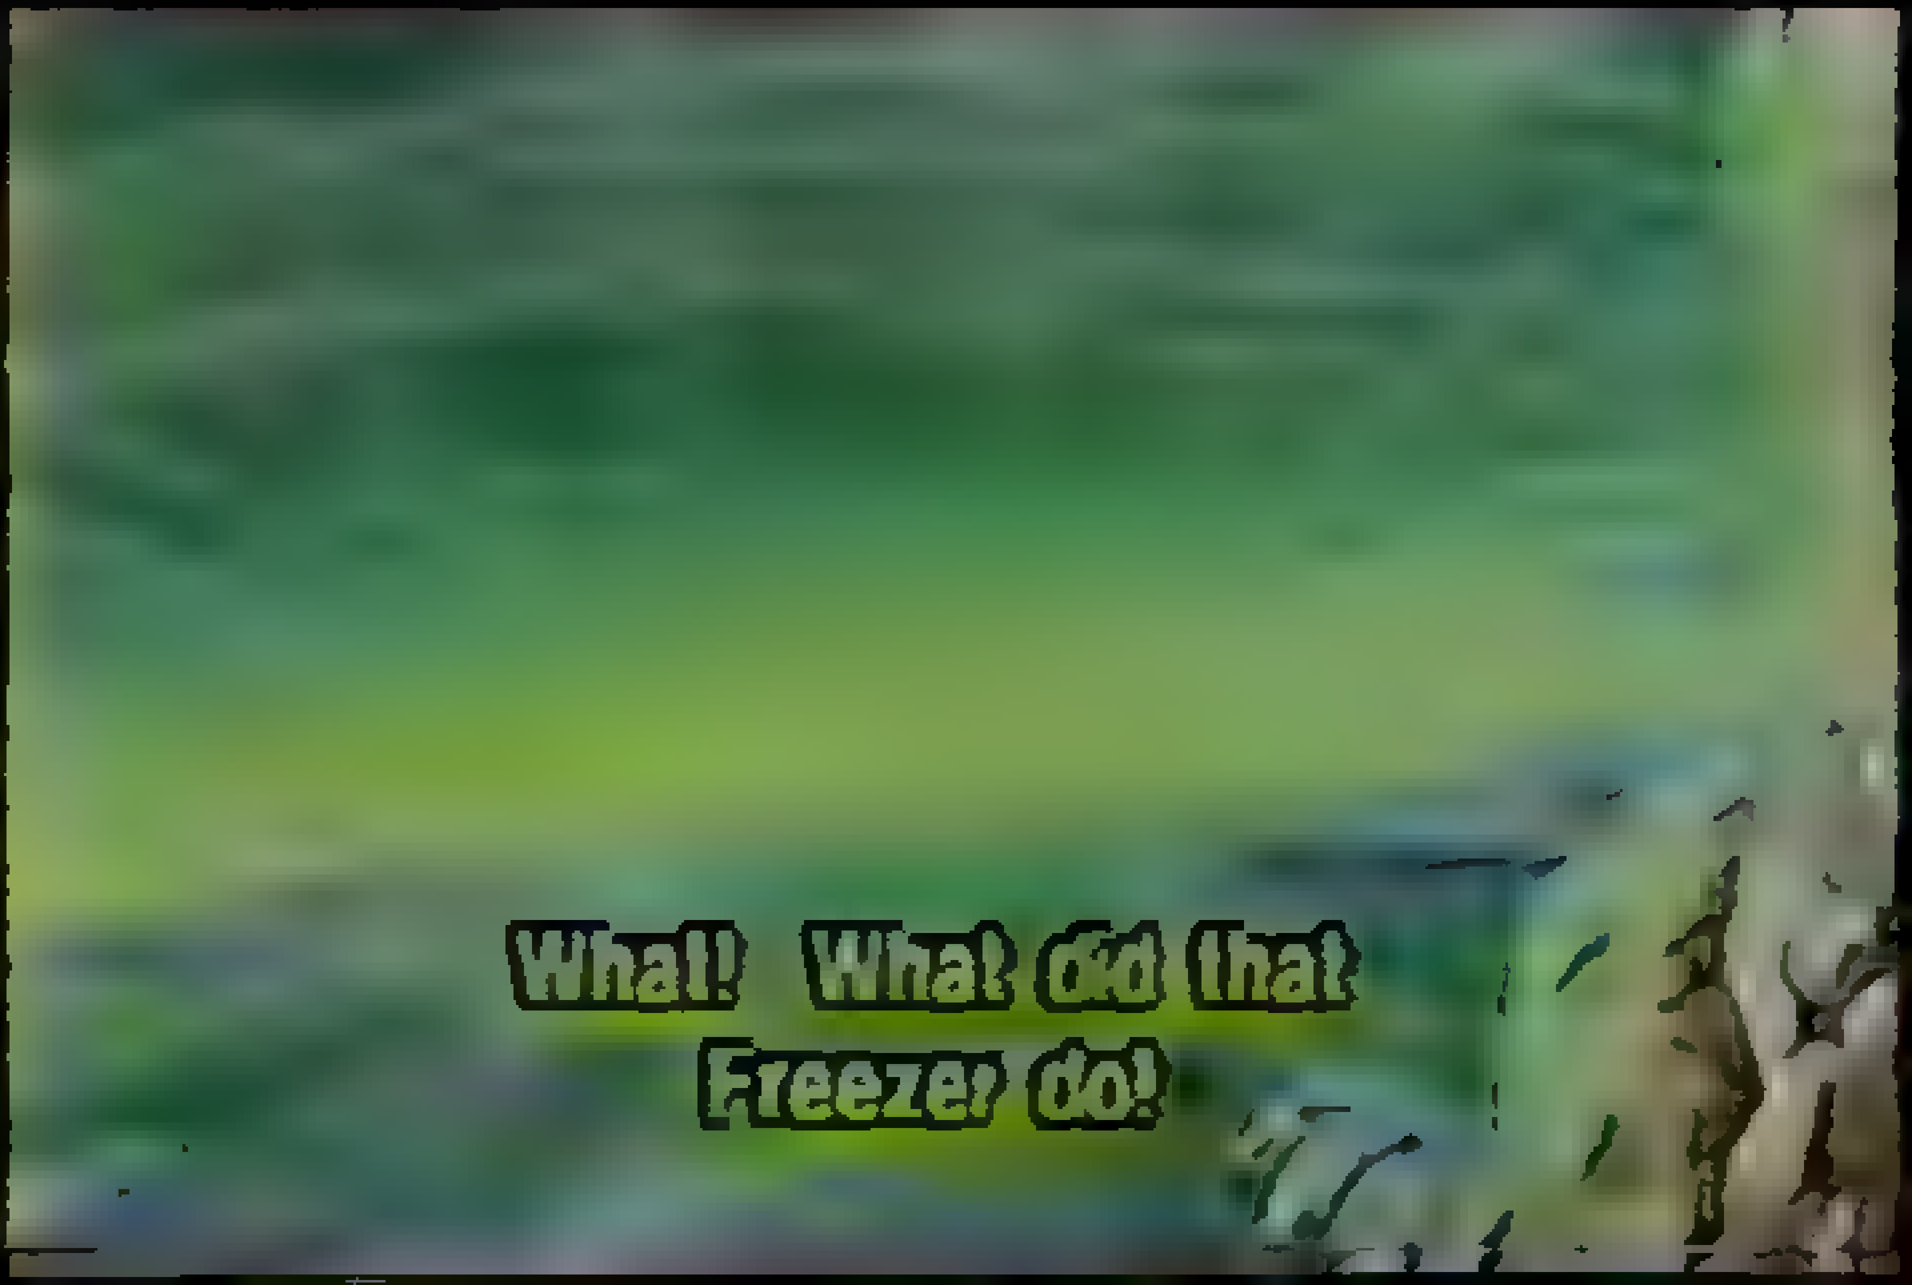

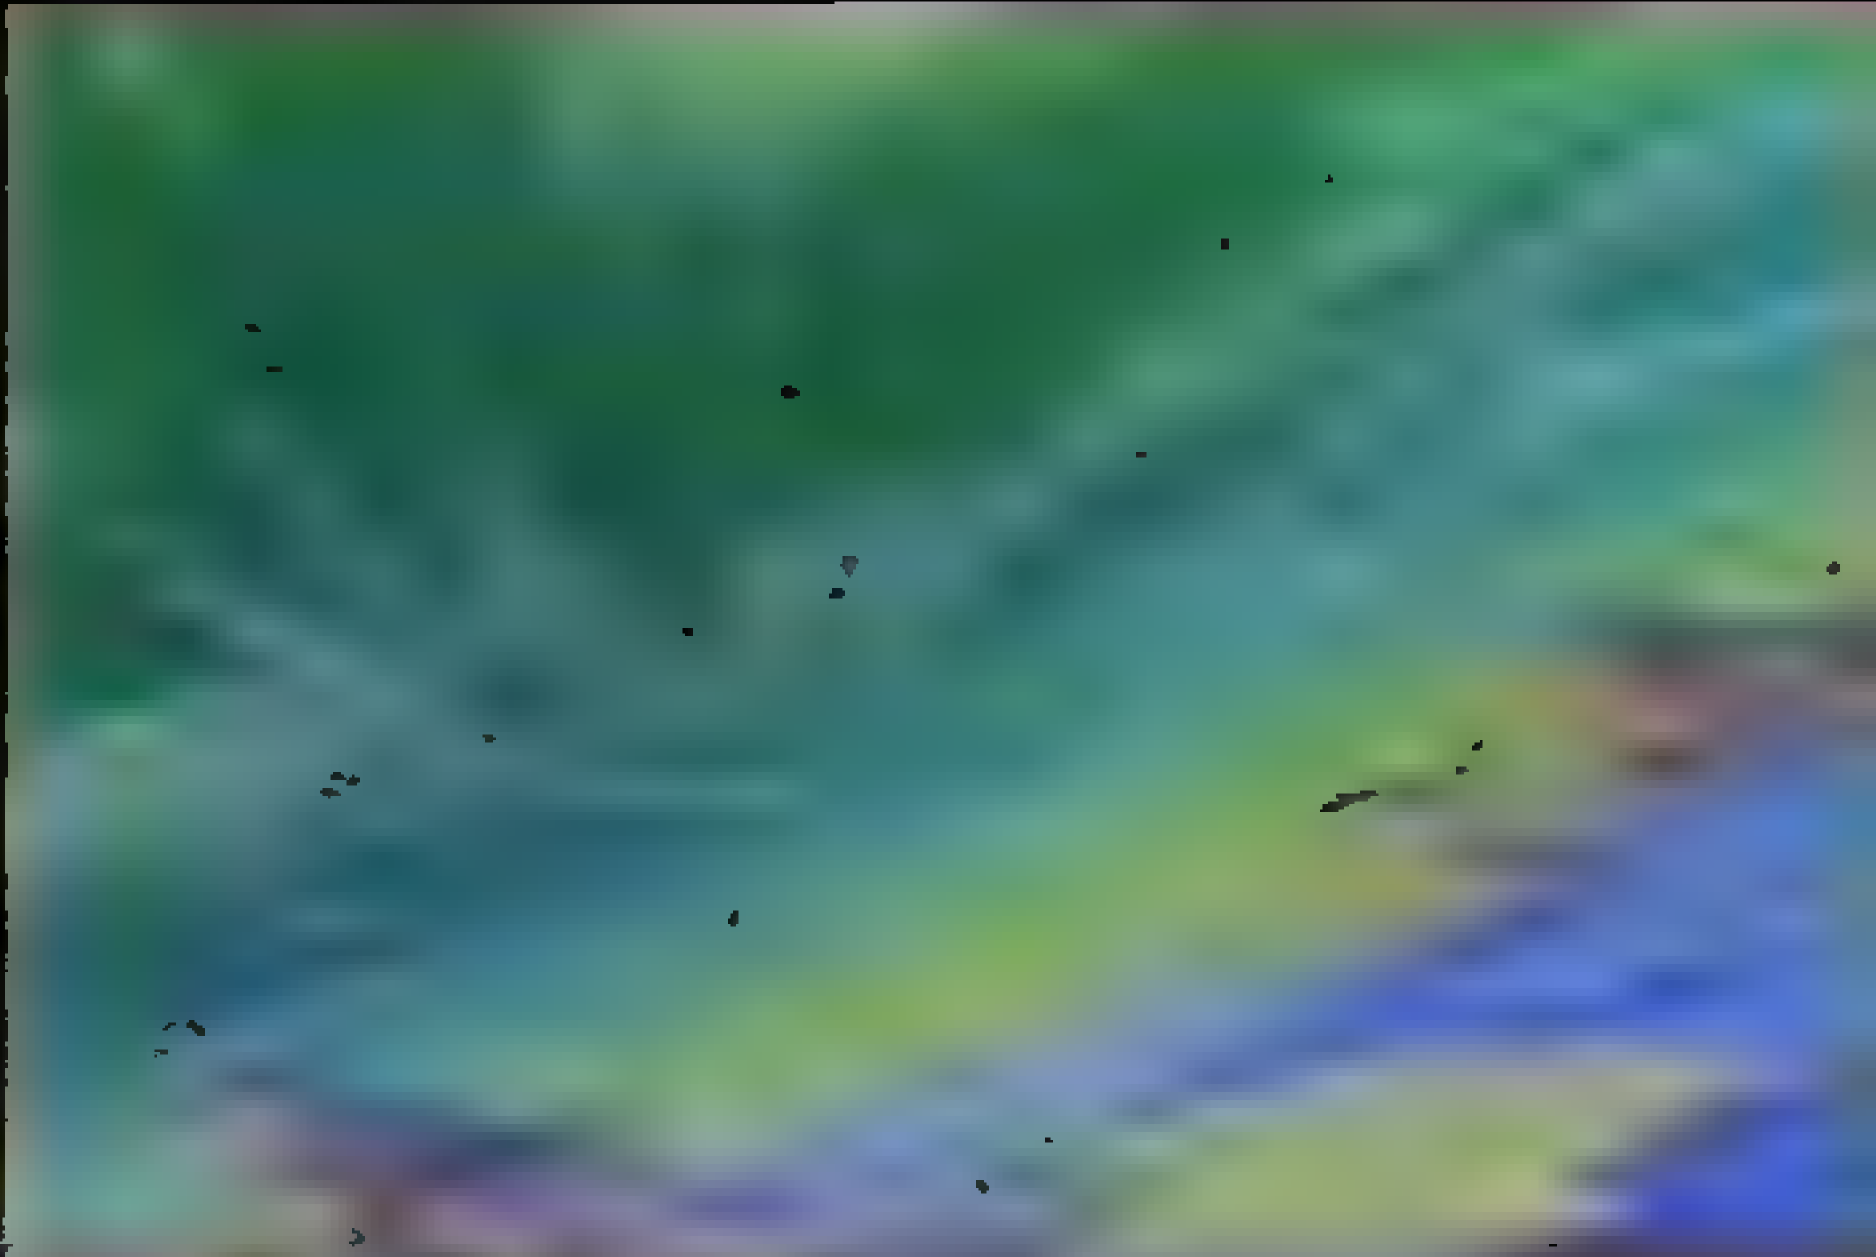

What! What did that
Freezer do!

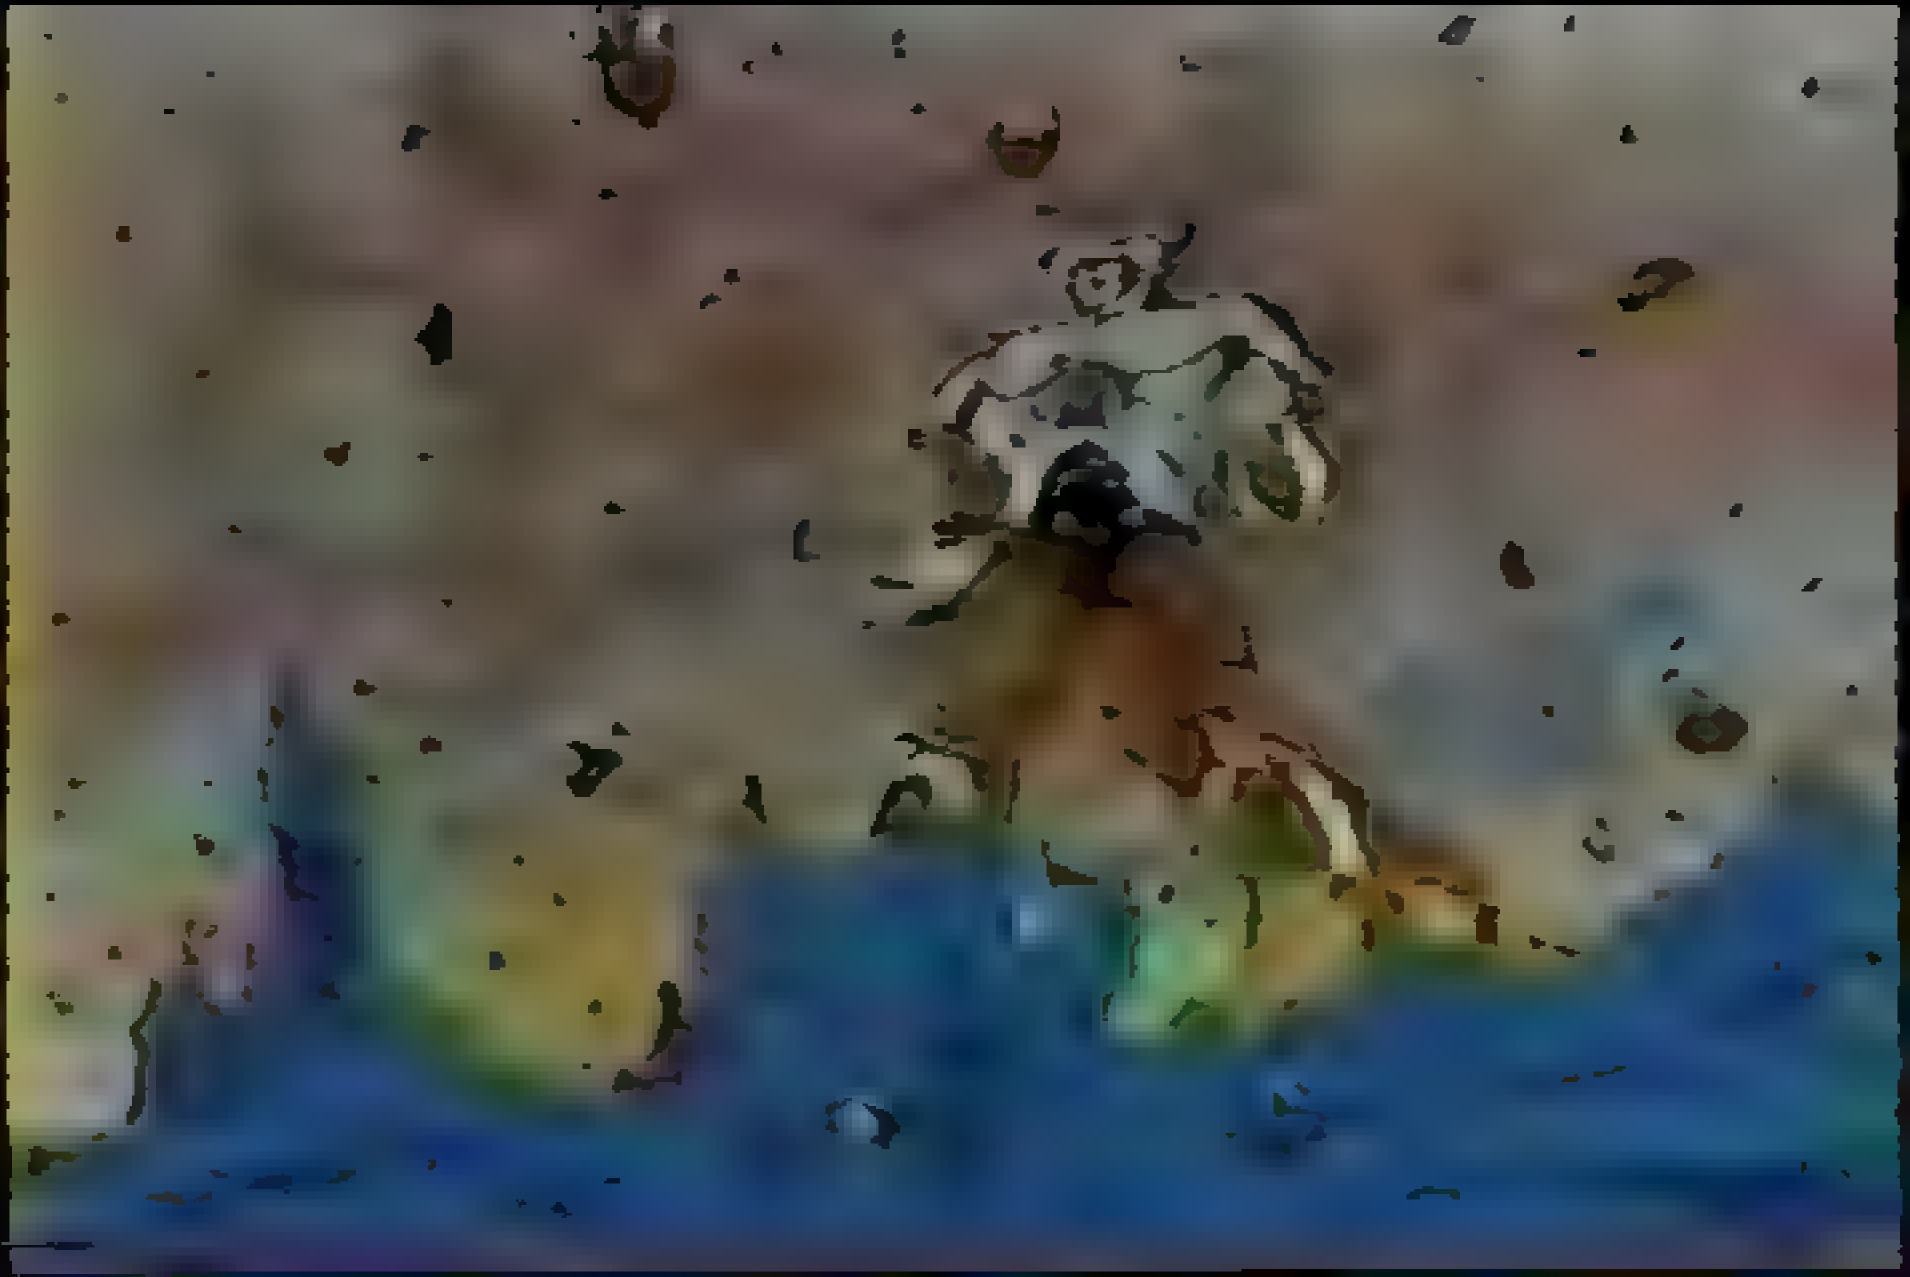

What! What did that
Freezer do!

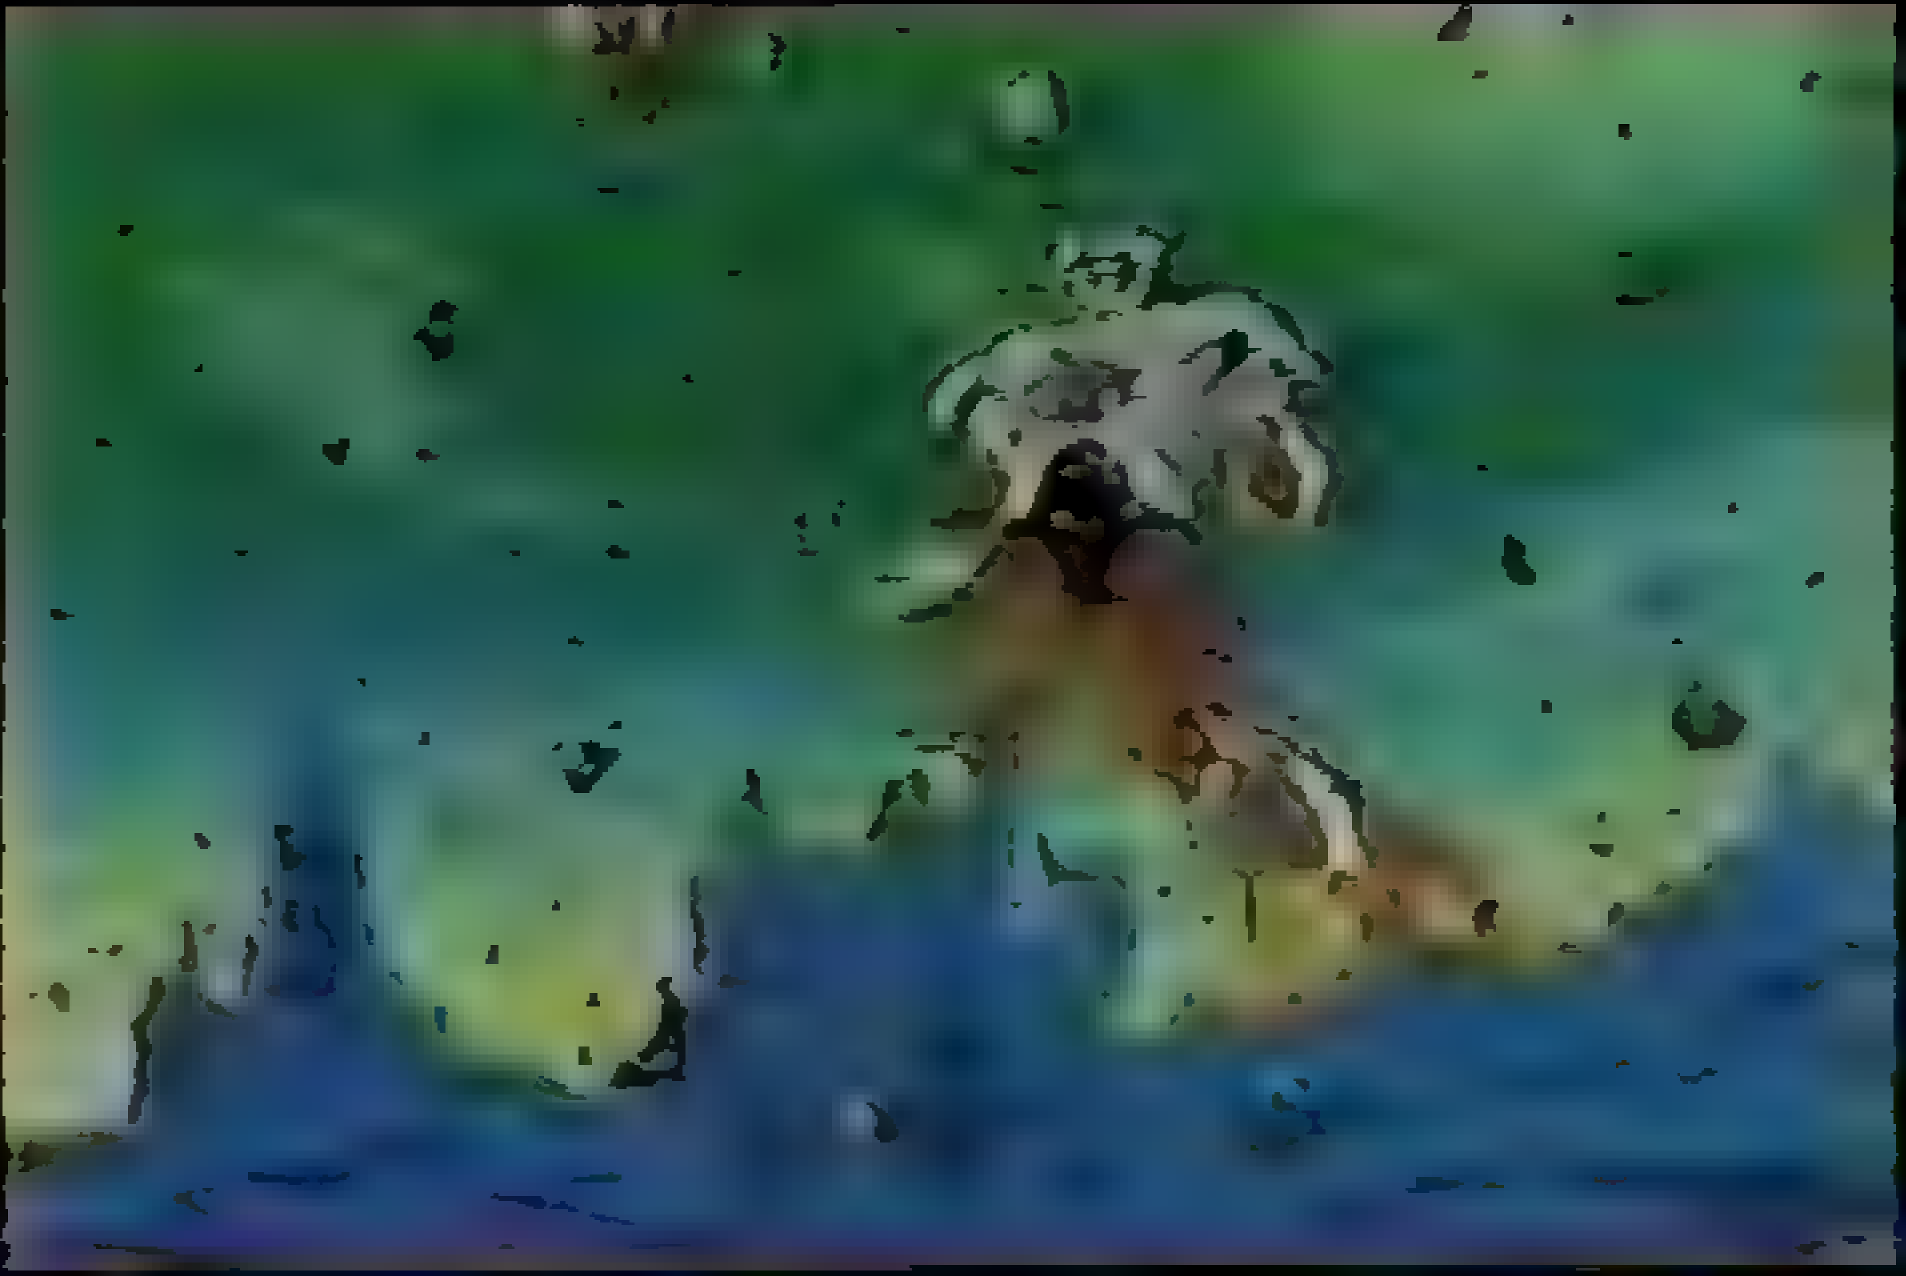

What! What did that
Freezer do!

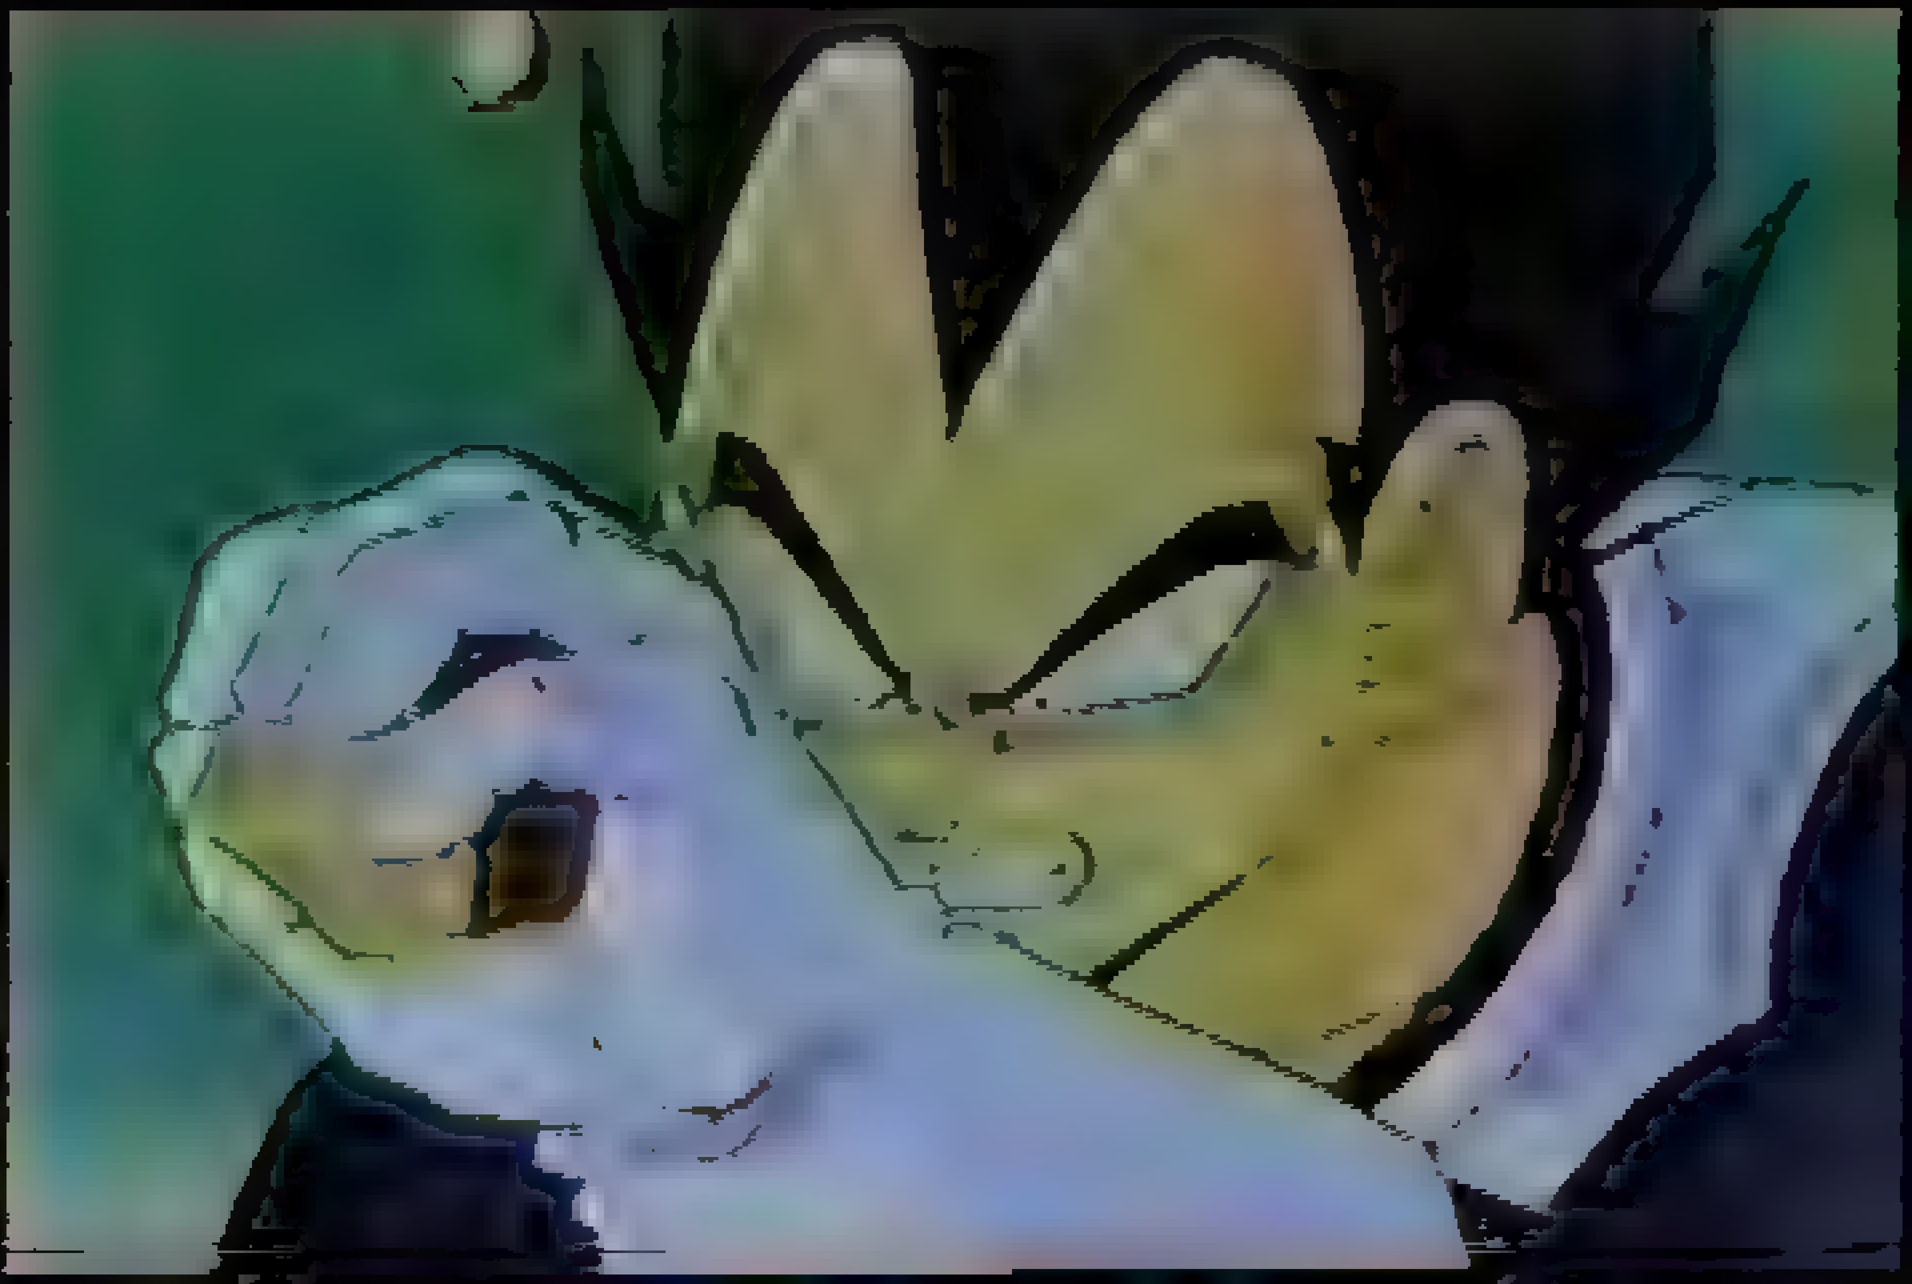

What's with this planet!

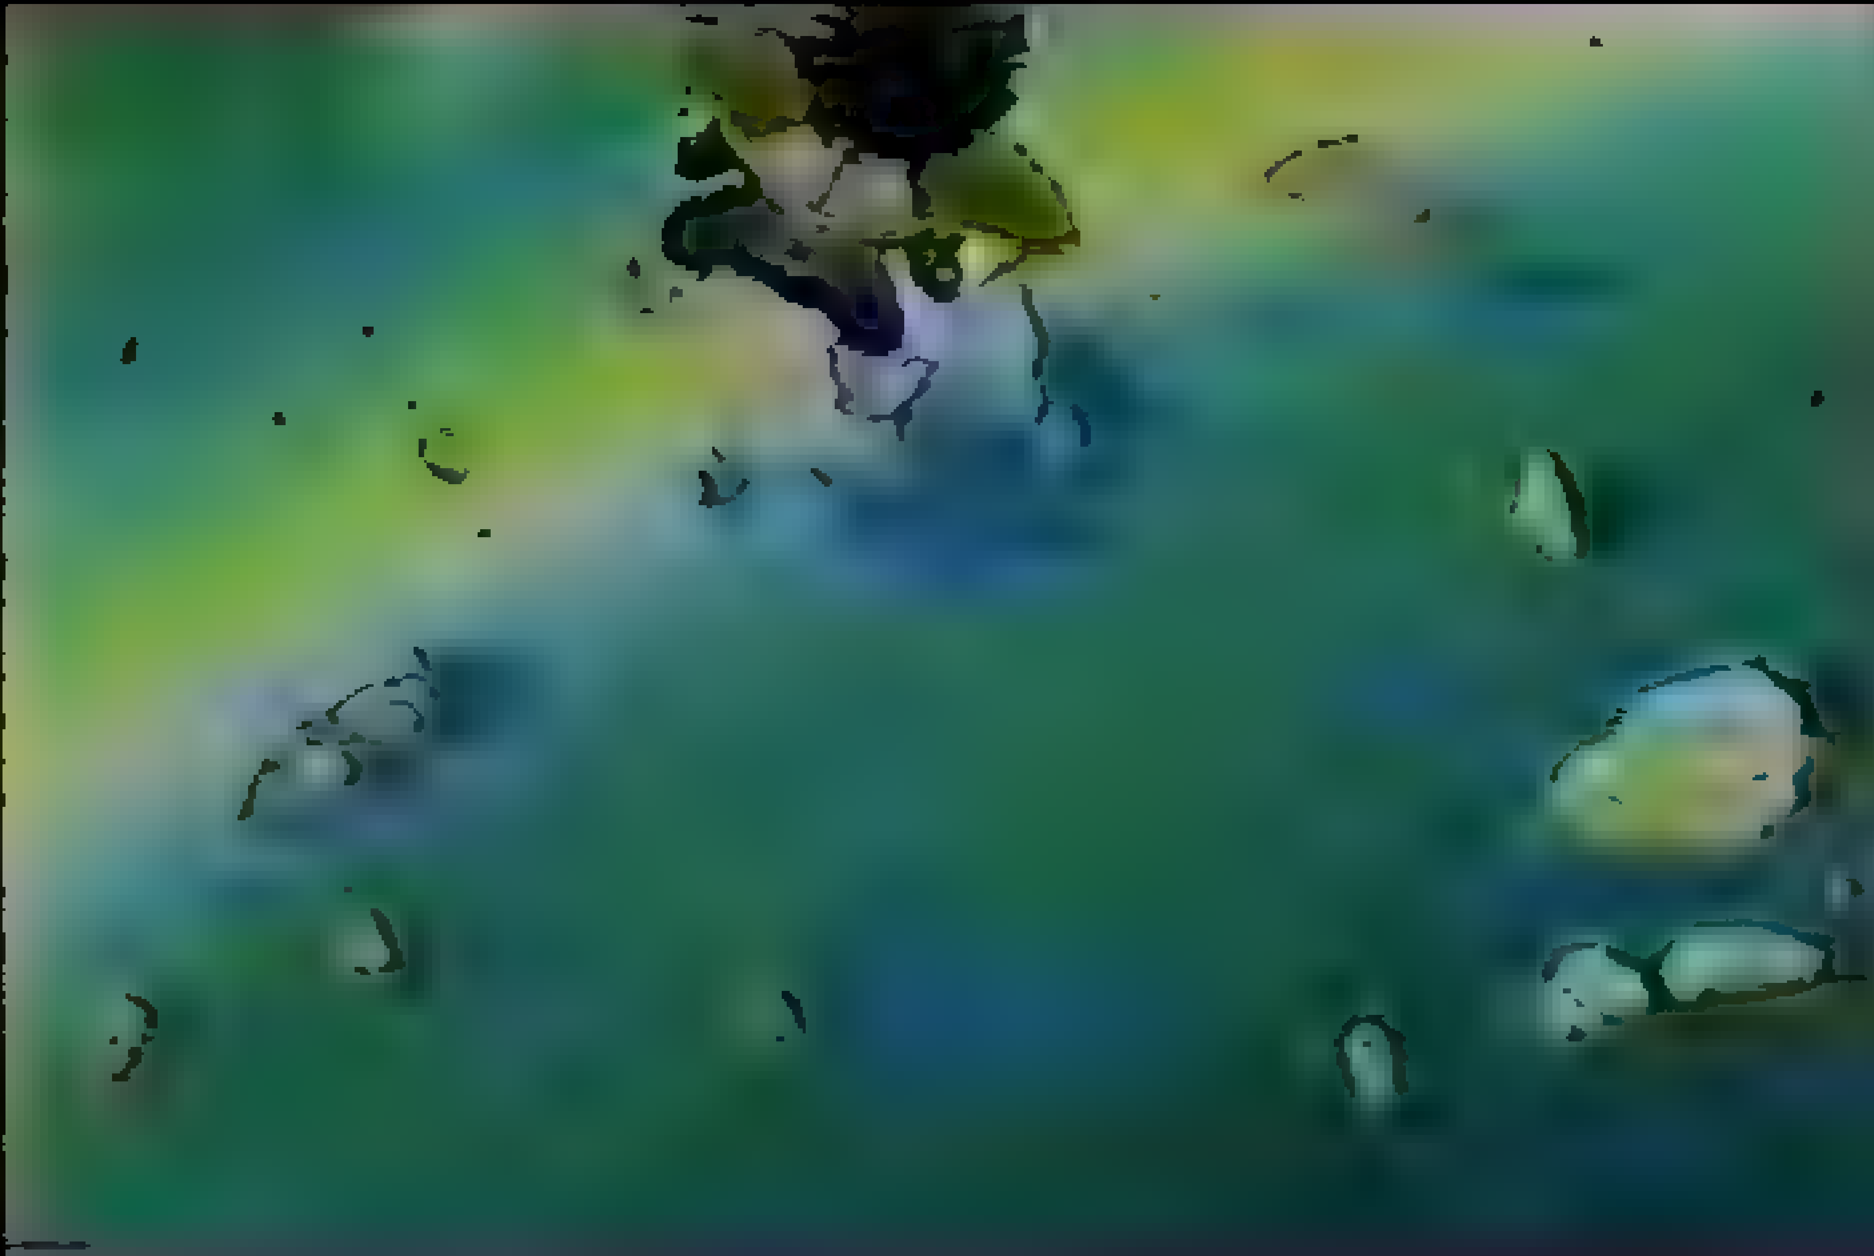

Where's Kurinn?

Where's Kuriin?

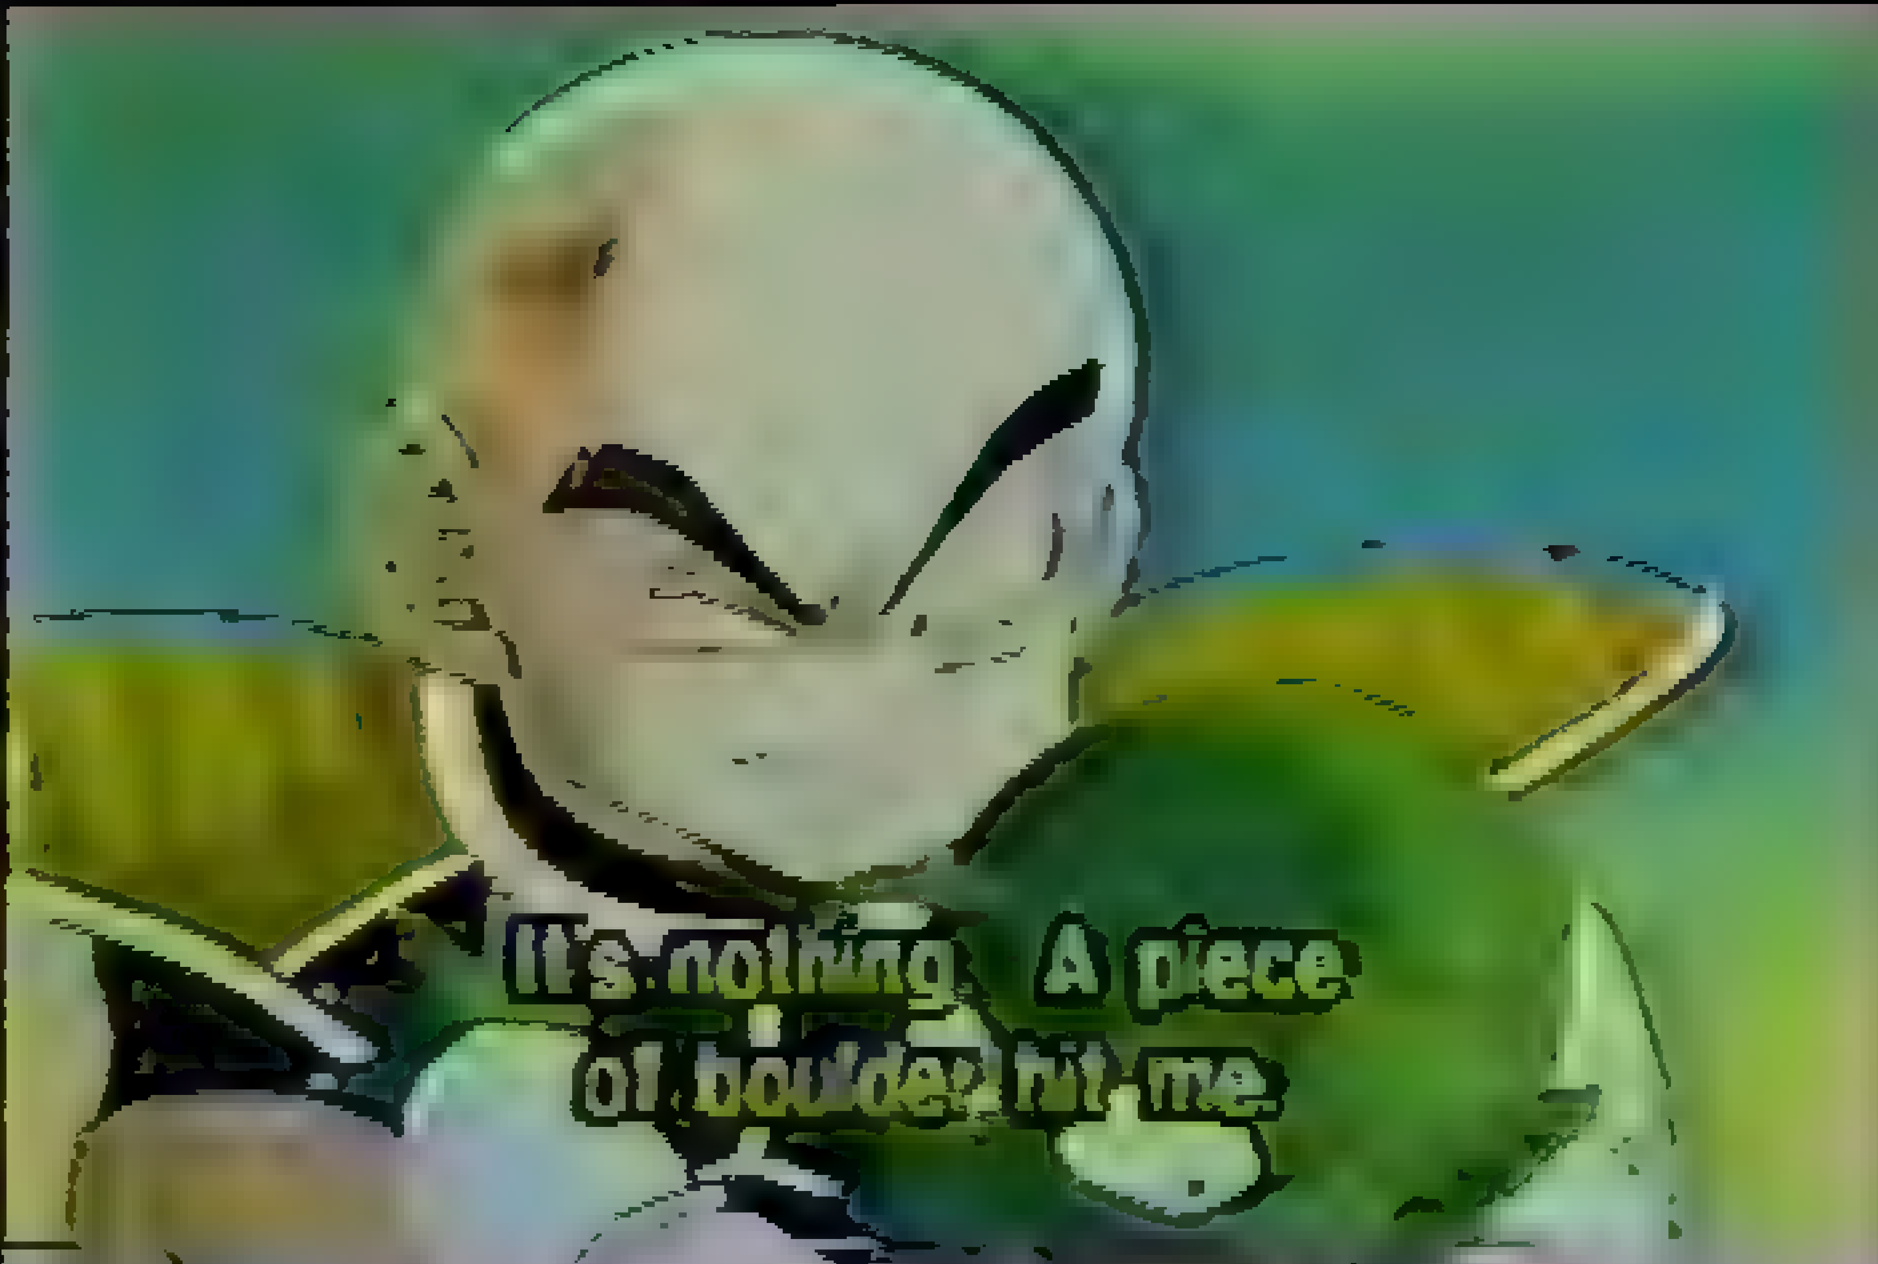

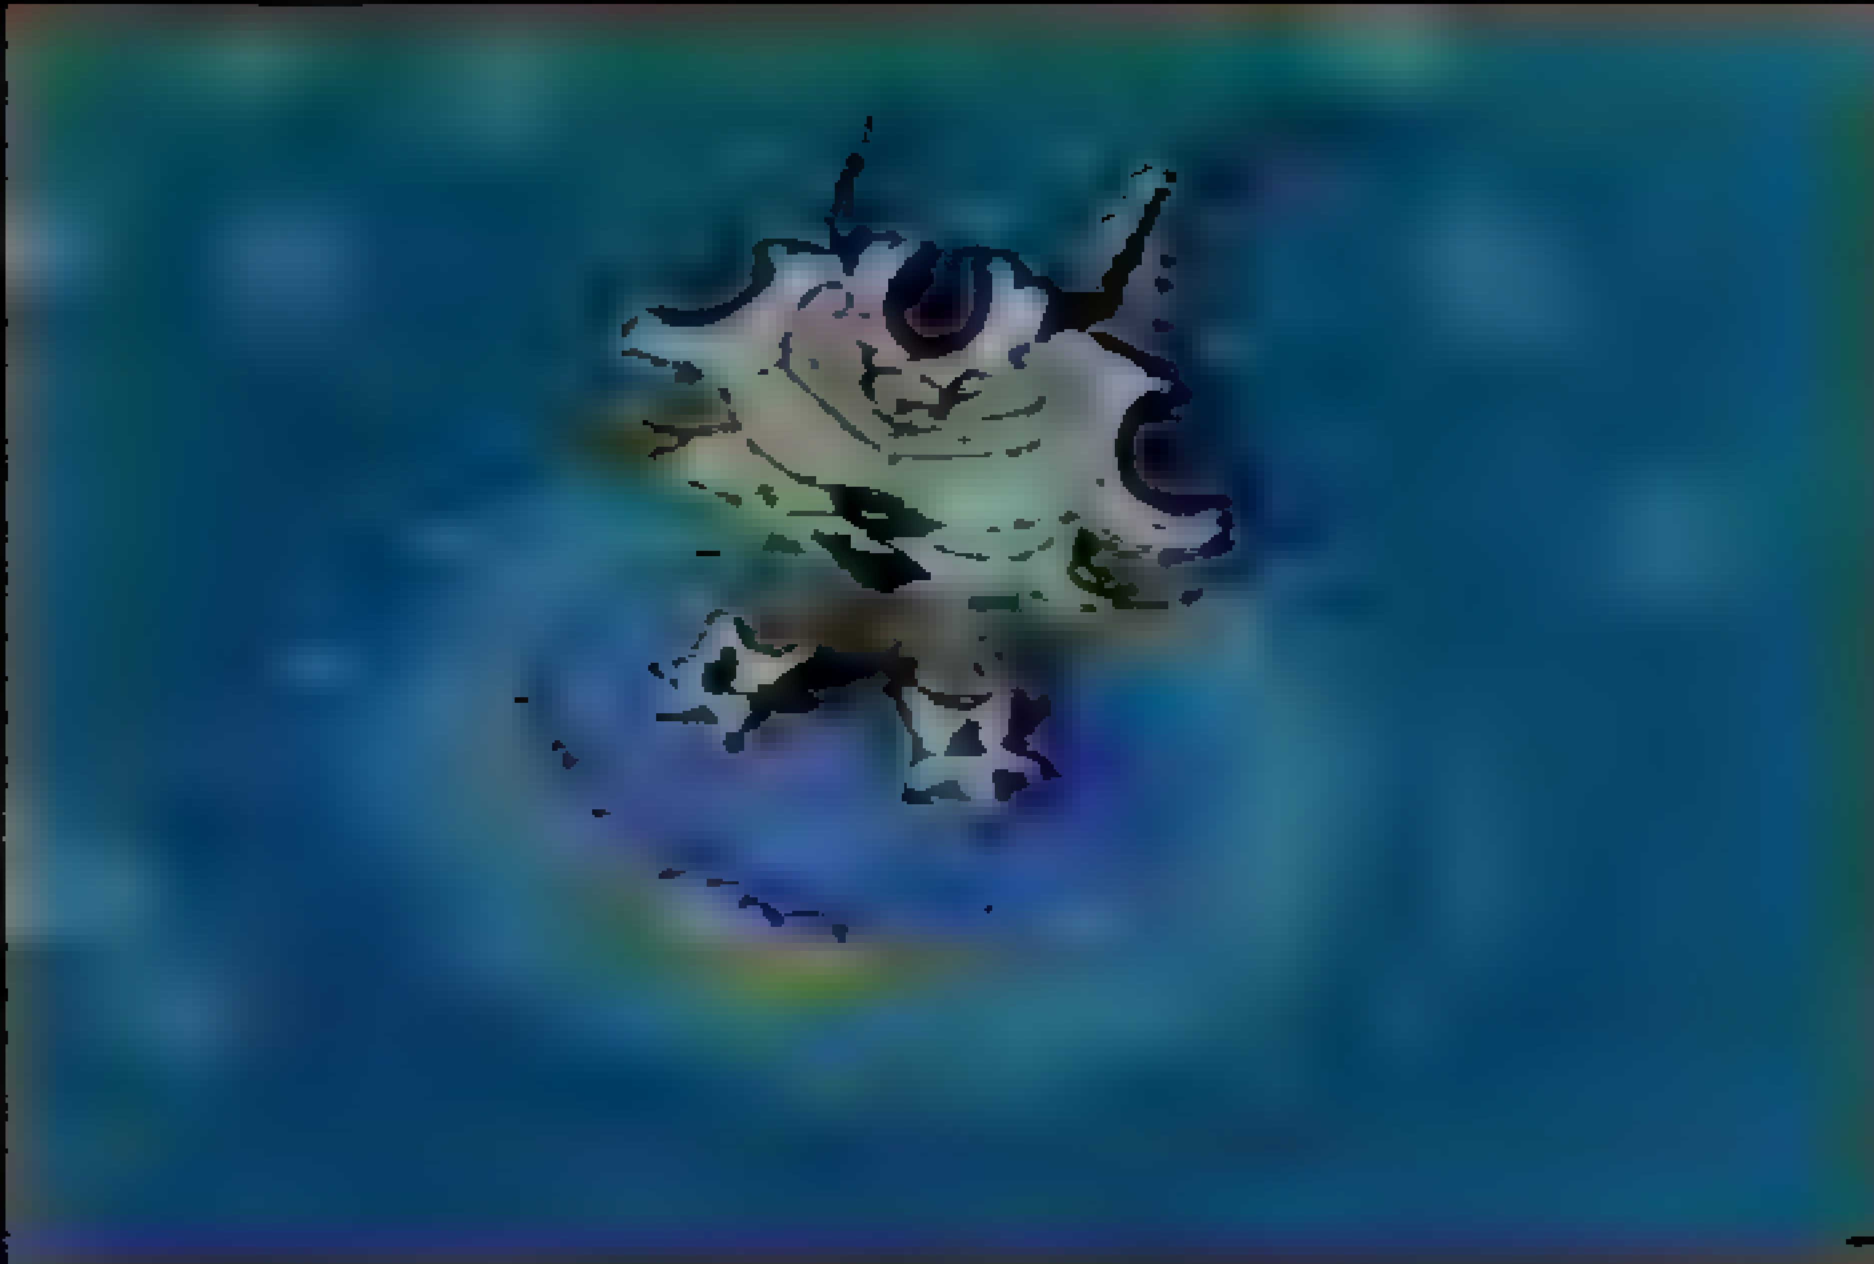

Over here!

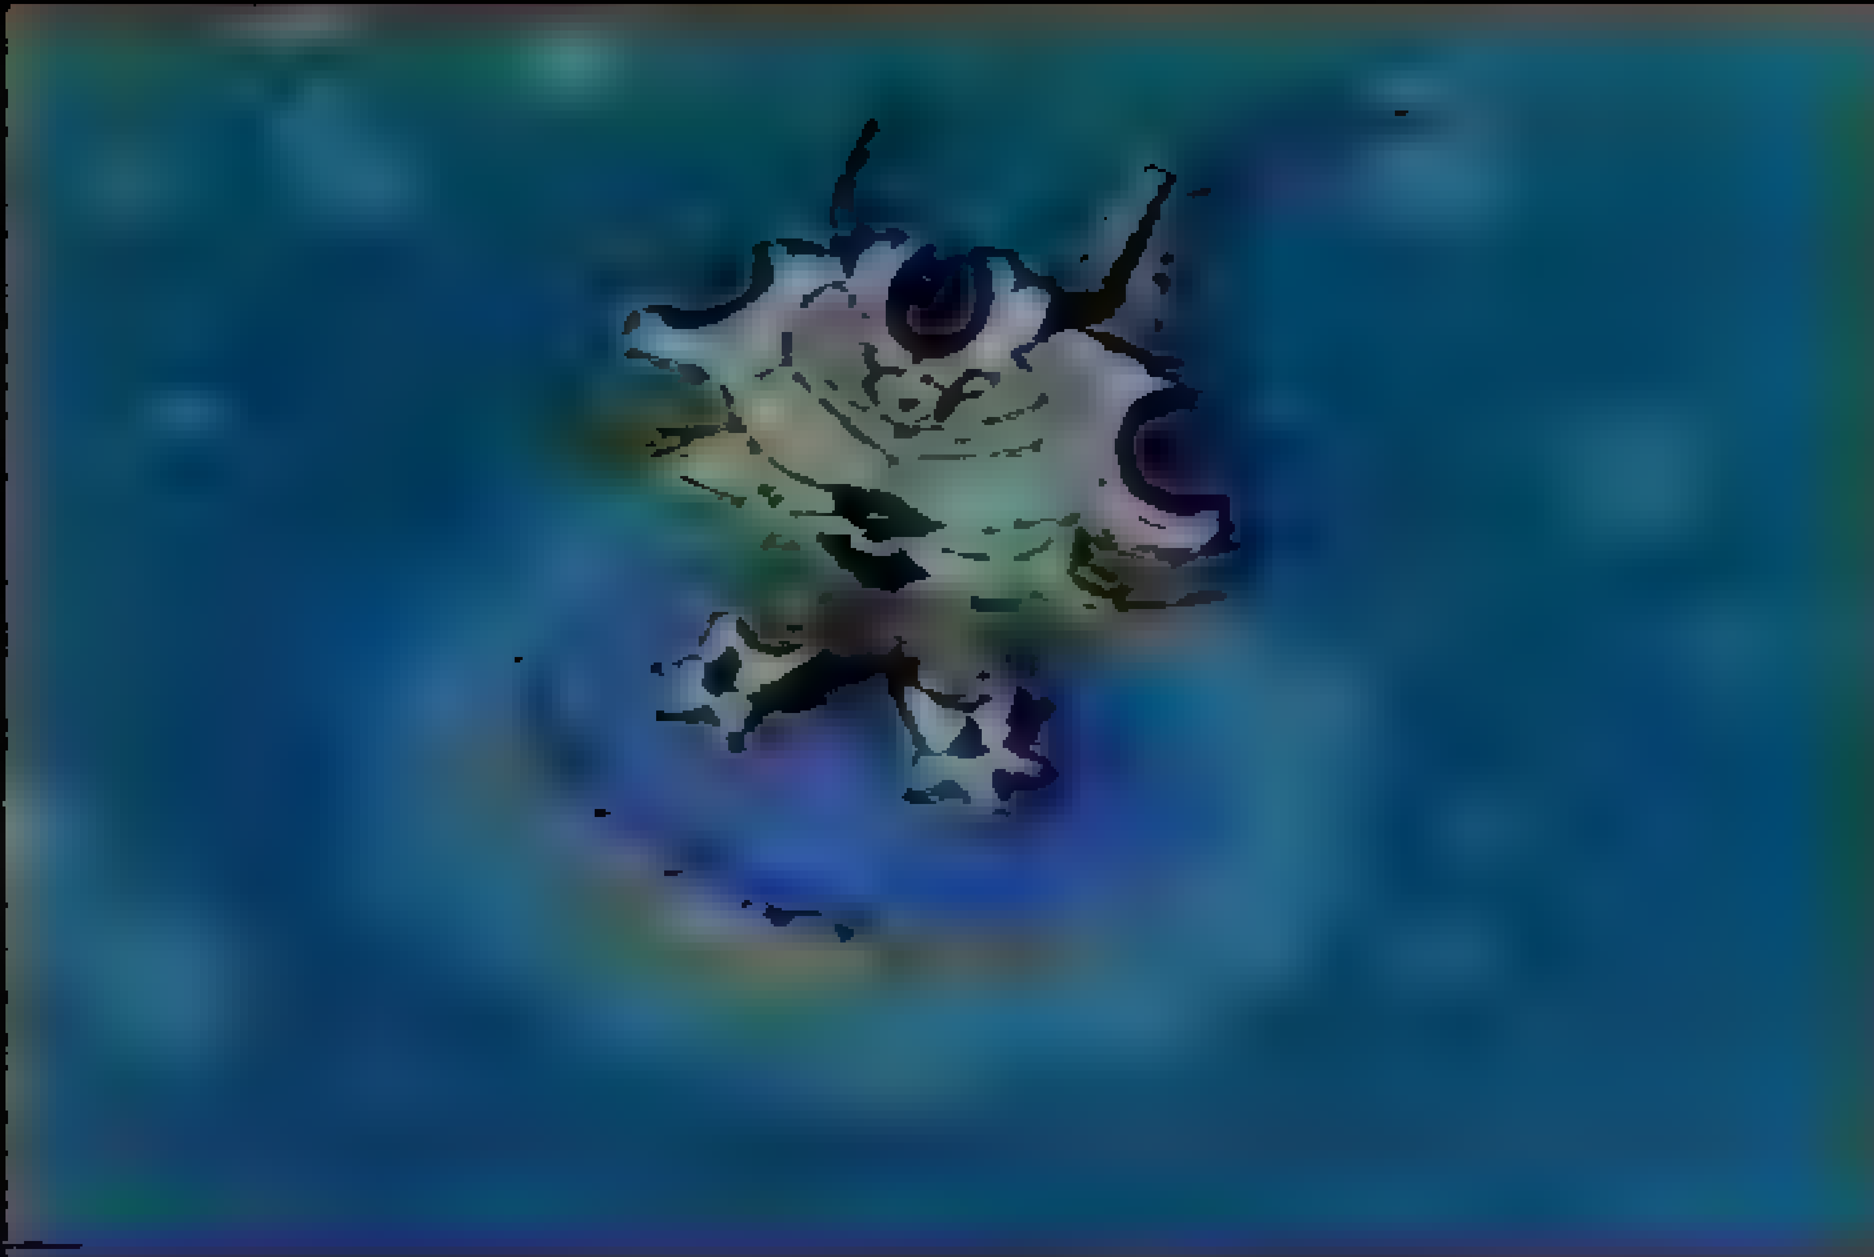

You're bleeding

It's nothing. A piece
of boulder hit me.

It's nothing. A piece
of boulder hit me.

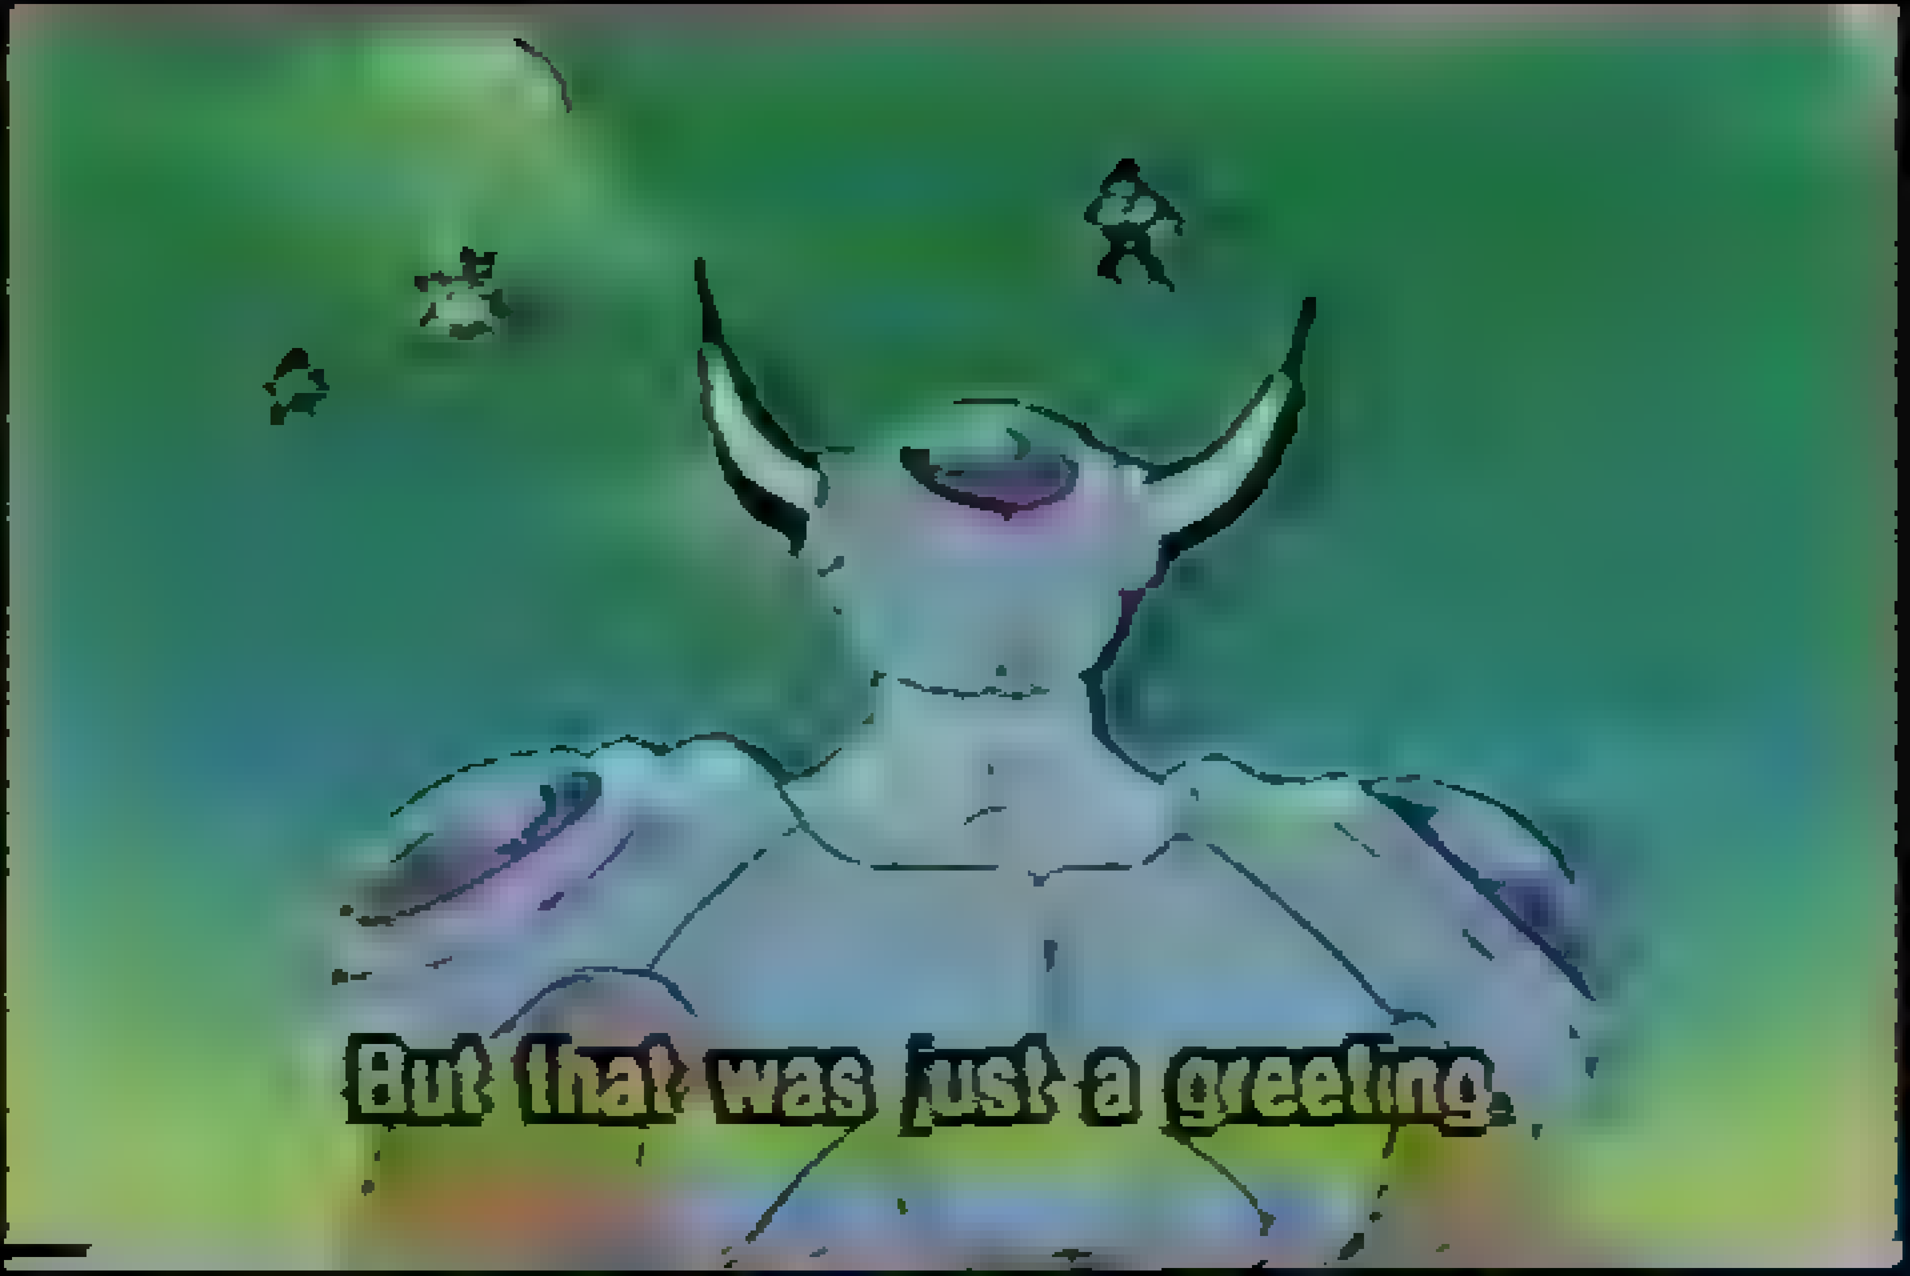

I'm impressed. You all
can run away pretty fast.

I'm impressed. You all
can run away pretty fast.

But that was just a greeting.

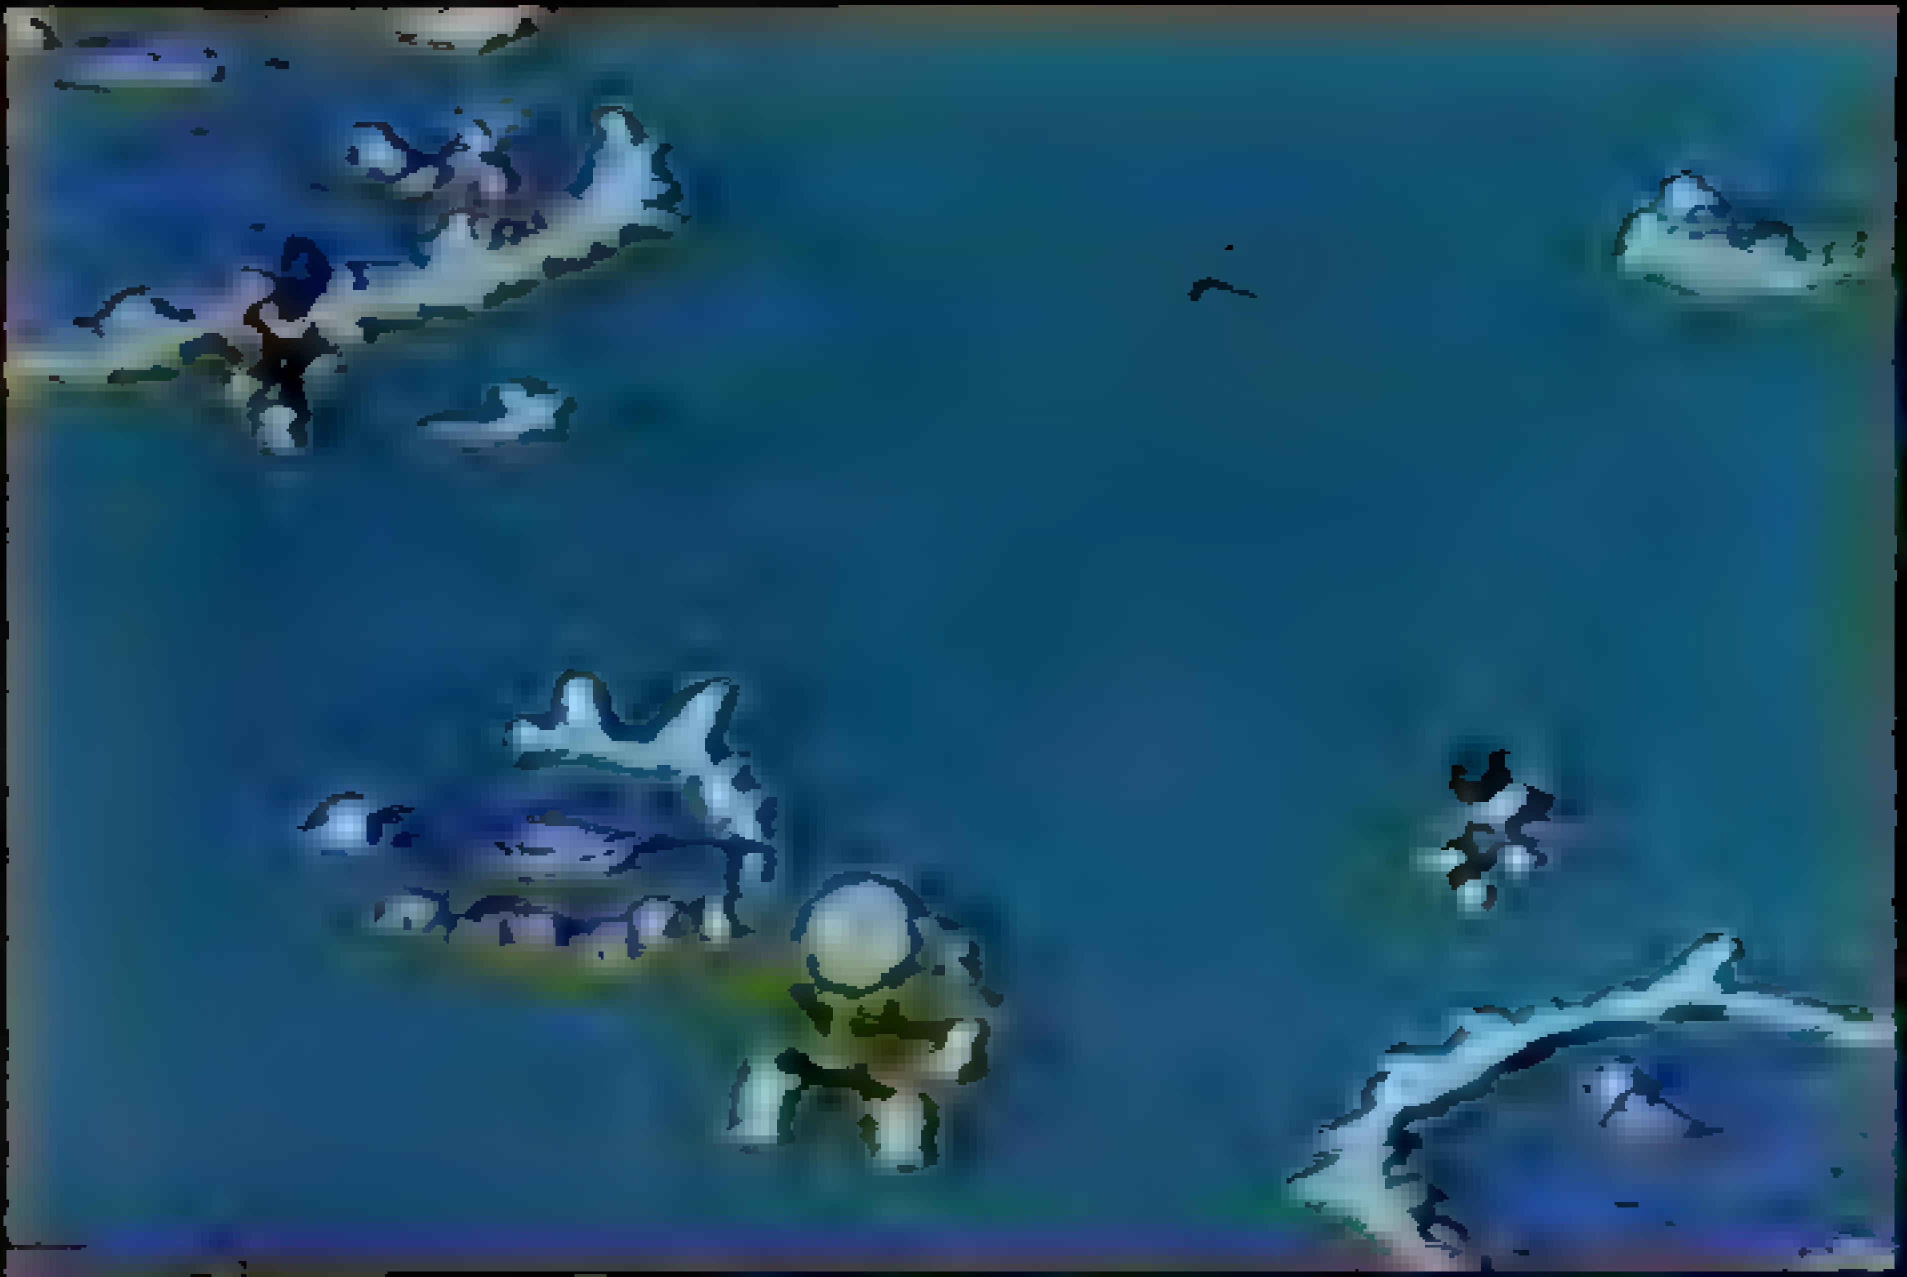

But that was just a greeting.

Even a Saiyan can do that.

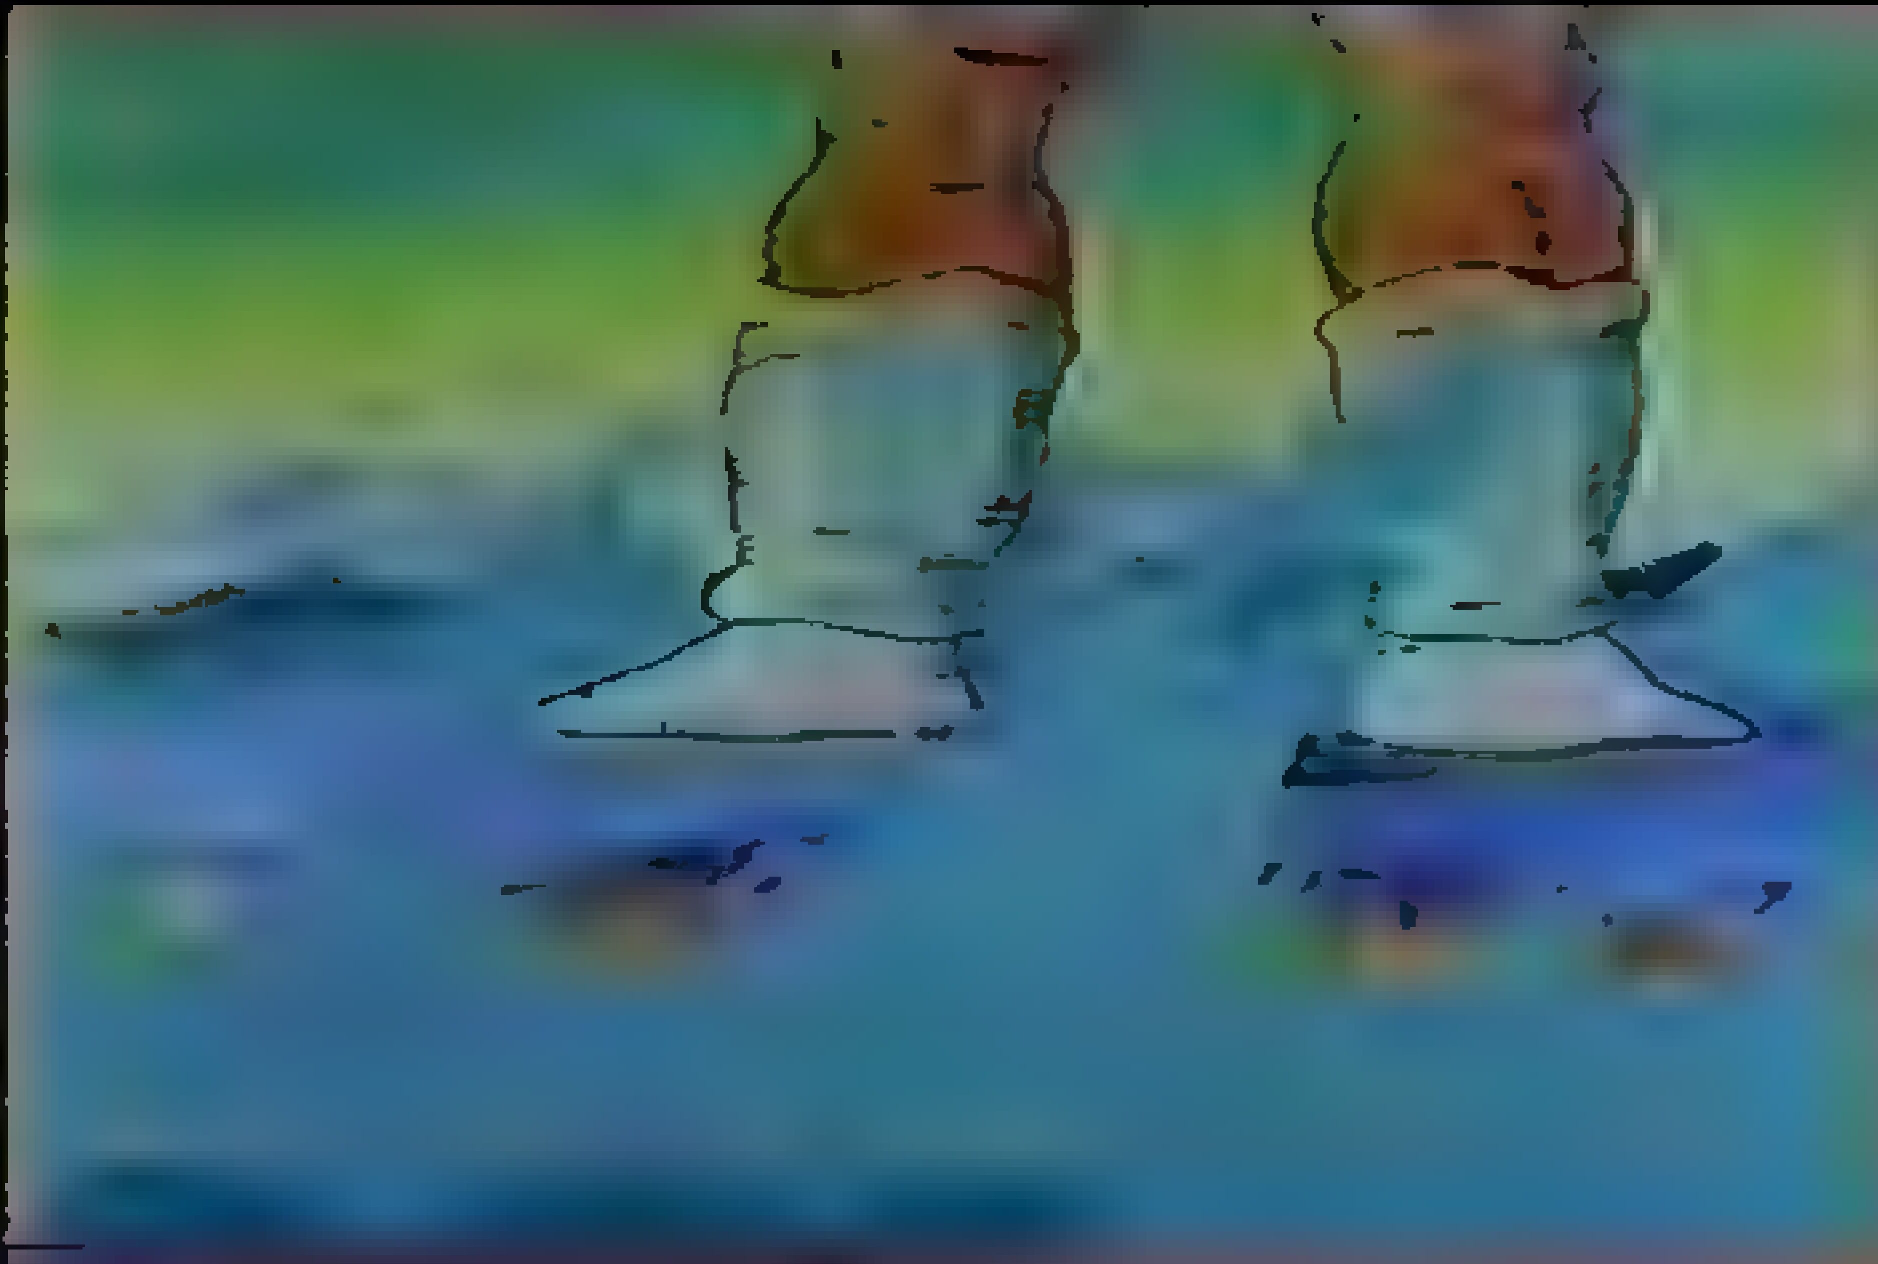

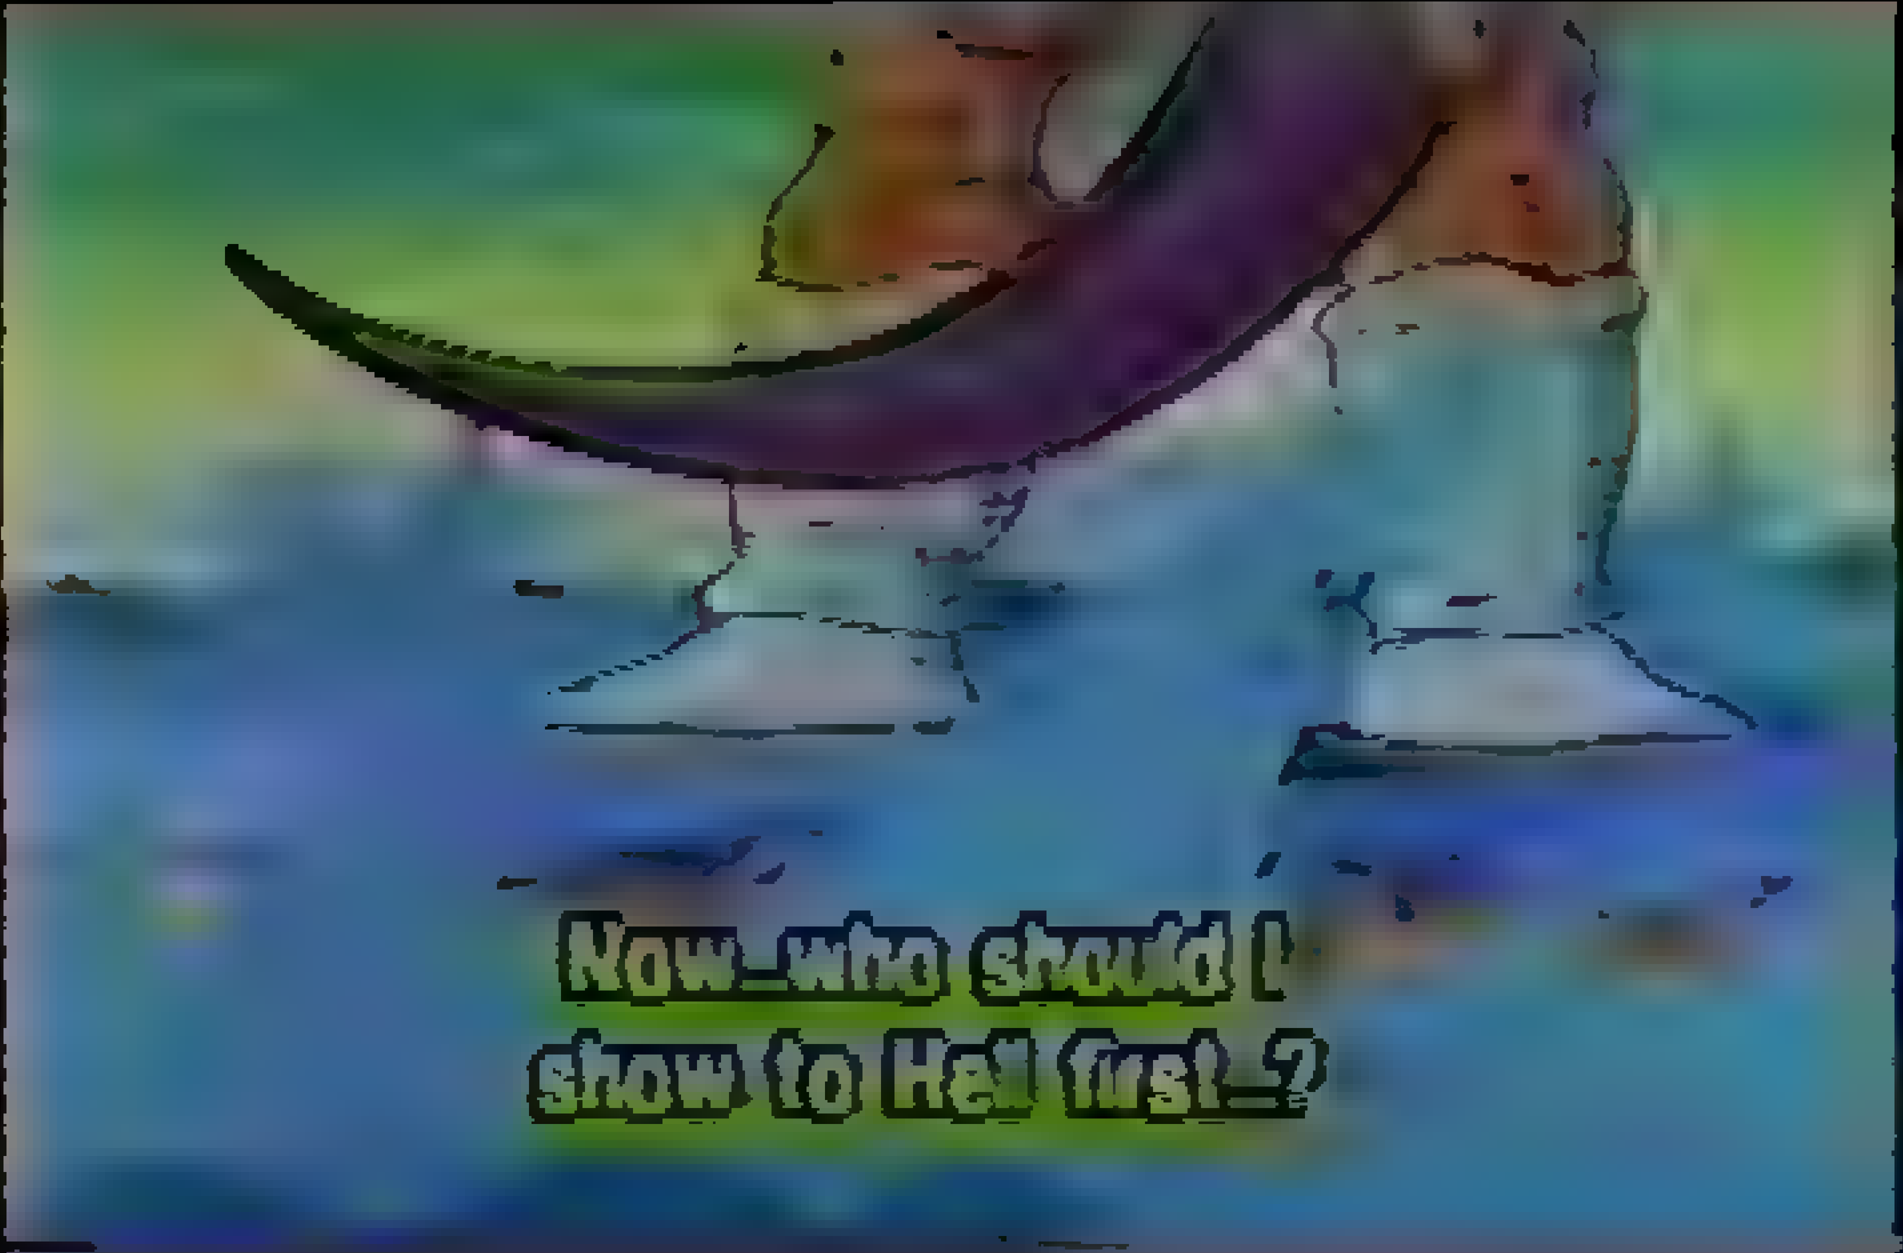

You look pathetic, Bejeeta.

I see my power is beyond
anything you had imagined

I see my power is beyond
anything you had imagned

Now... who should I
show to Hell first...?

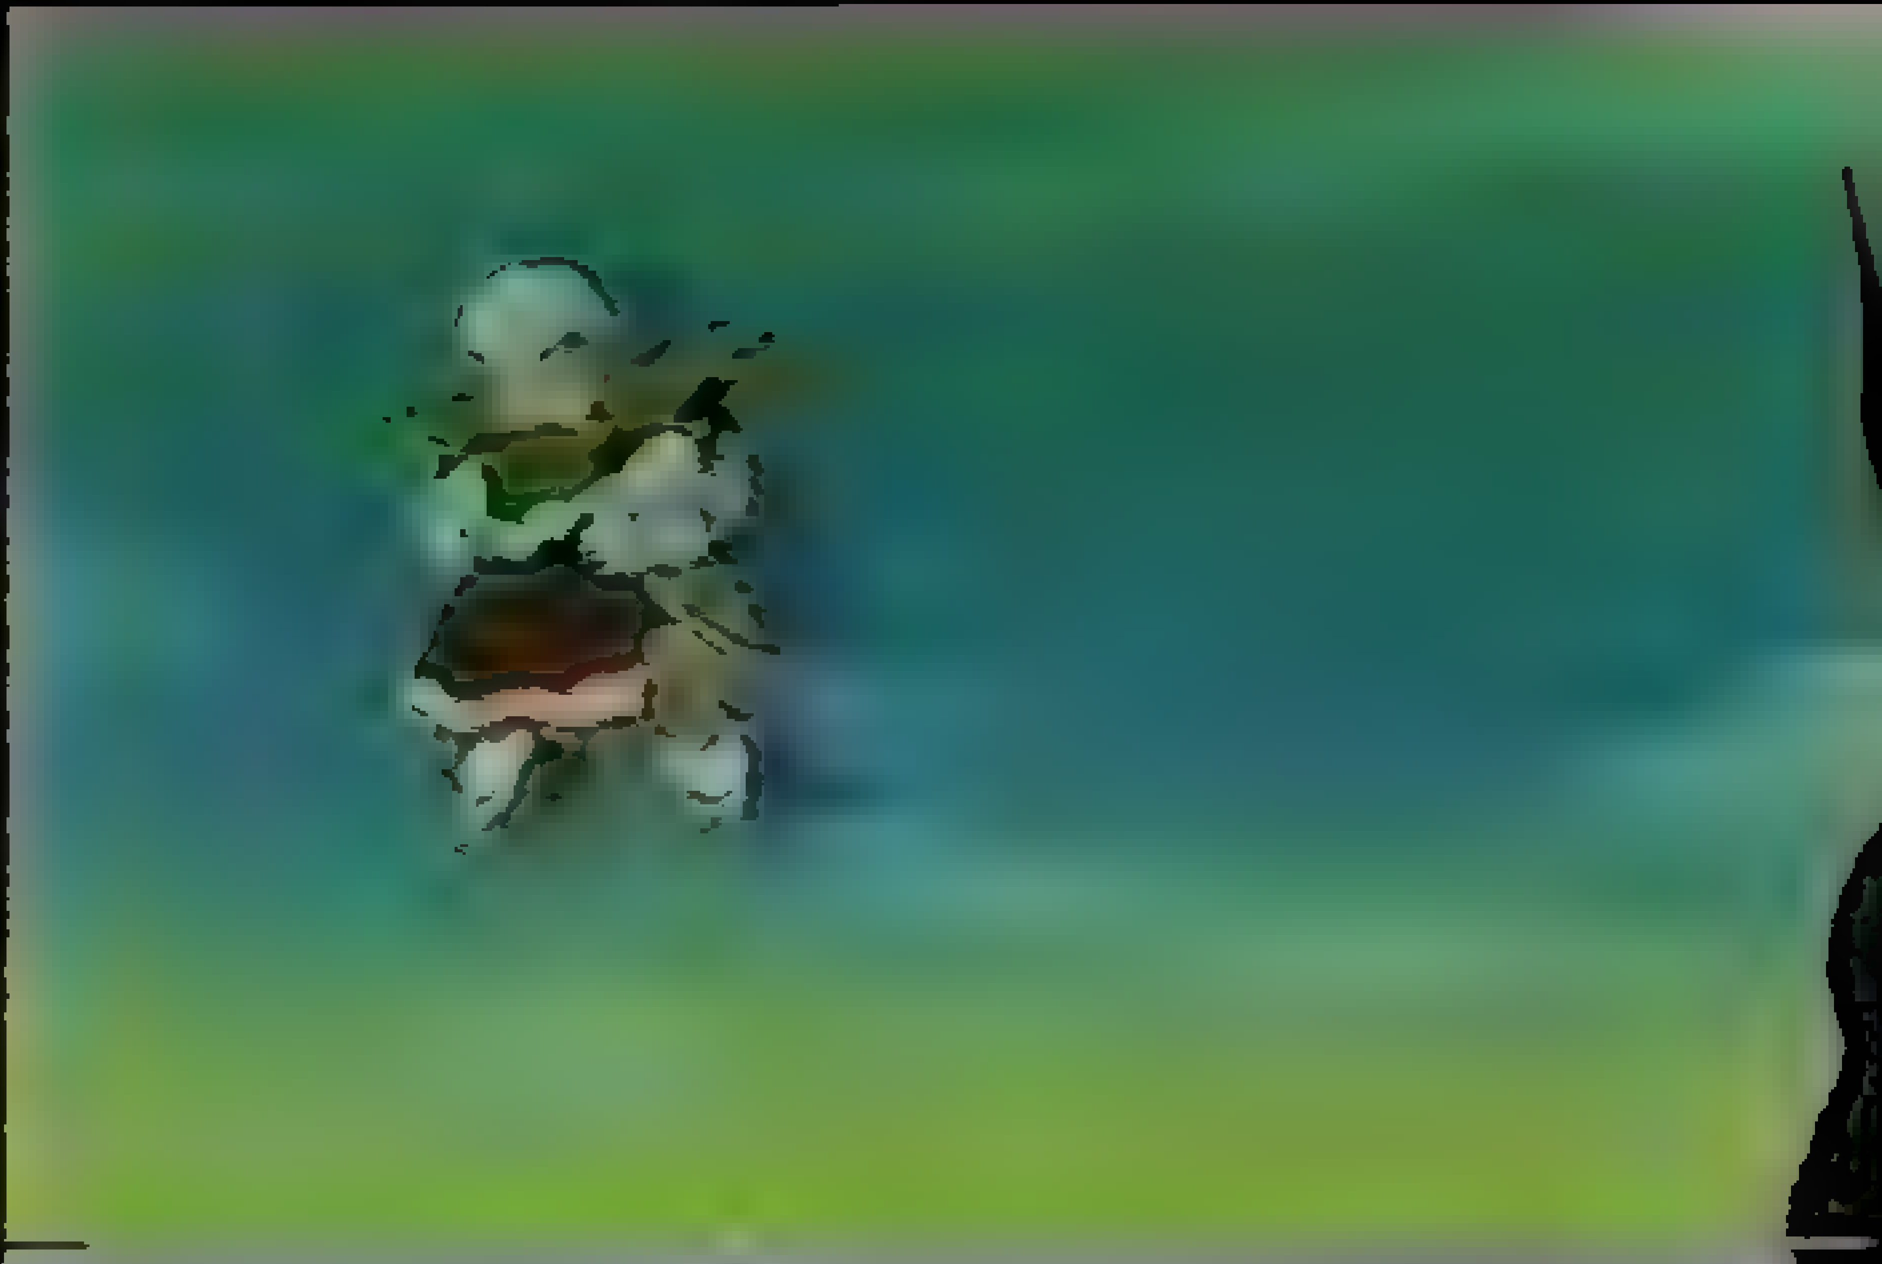

Now...who should I
show to Hell first...?

Now...who should I
show to Hell first...?

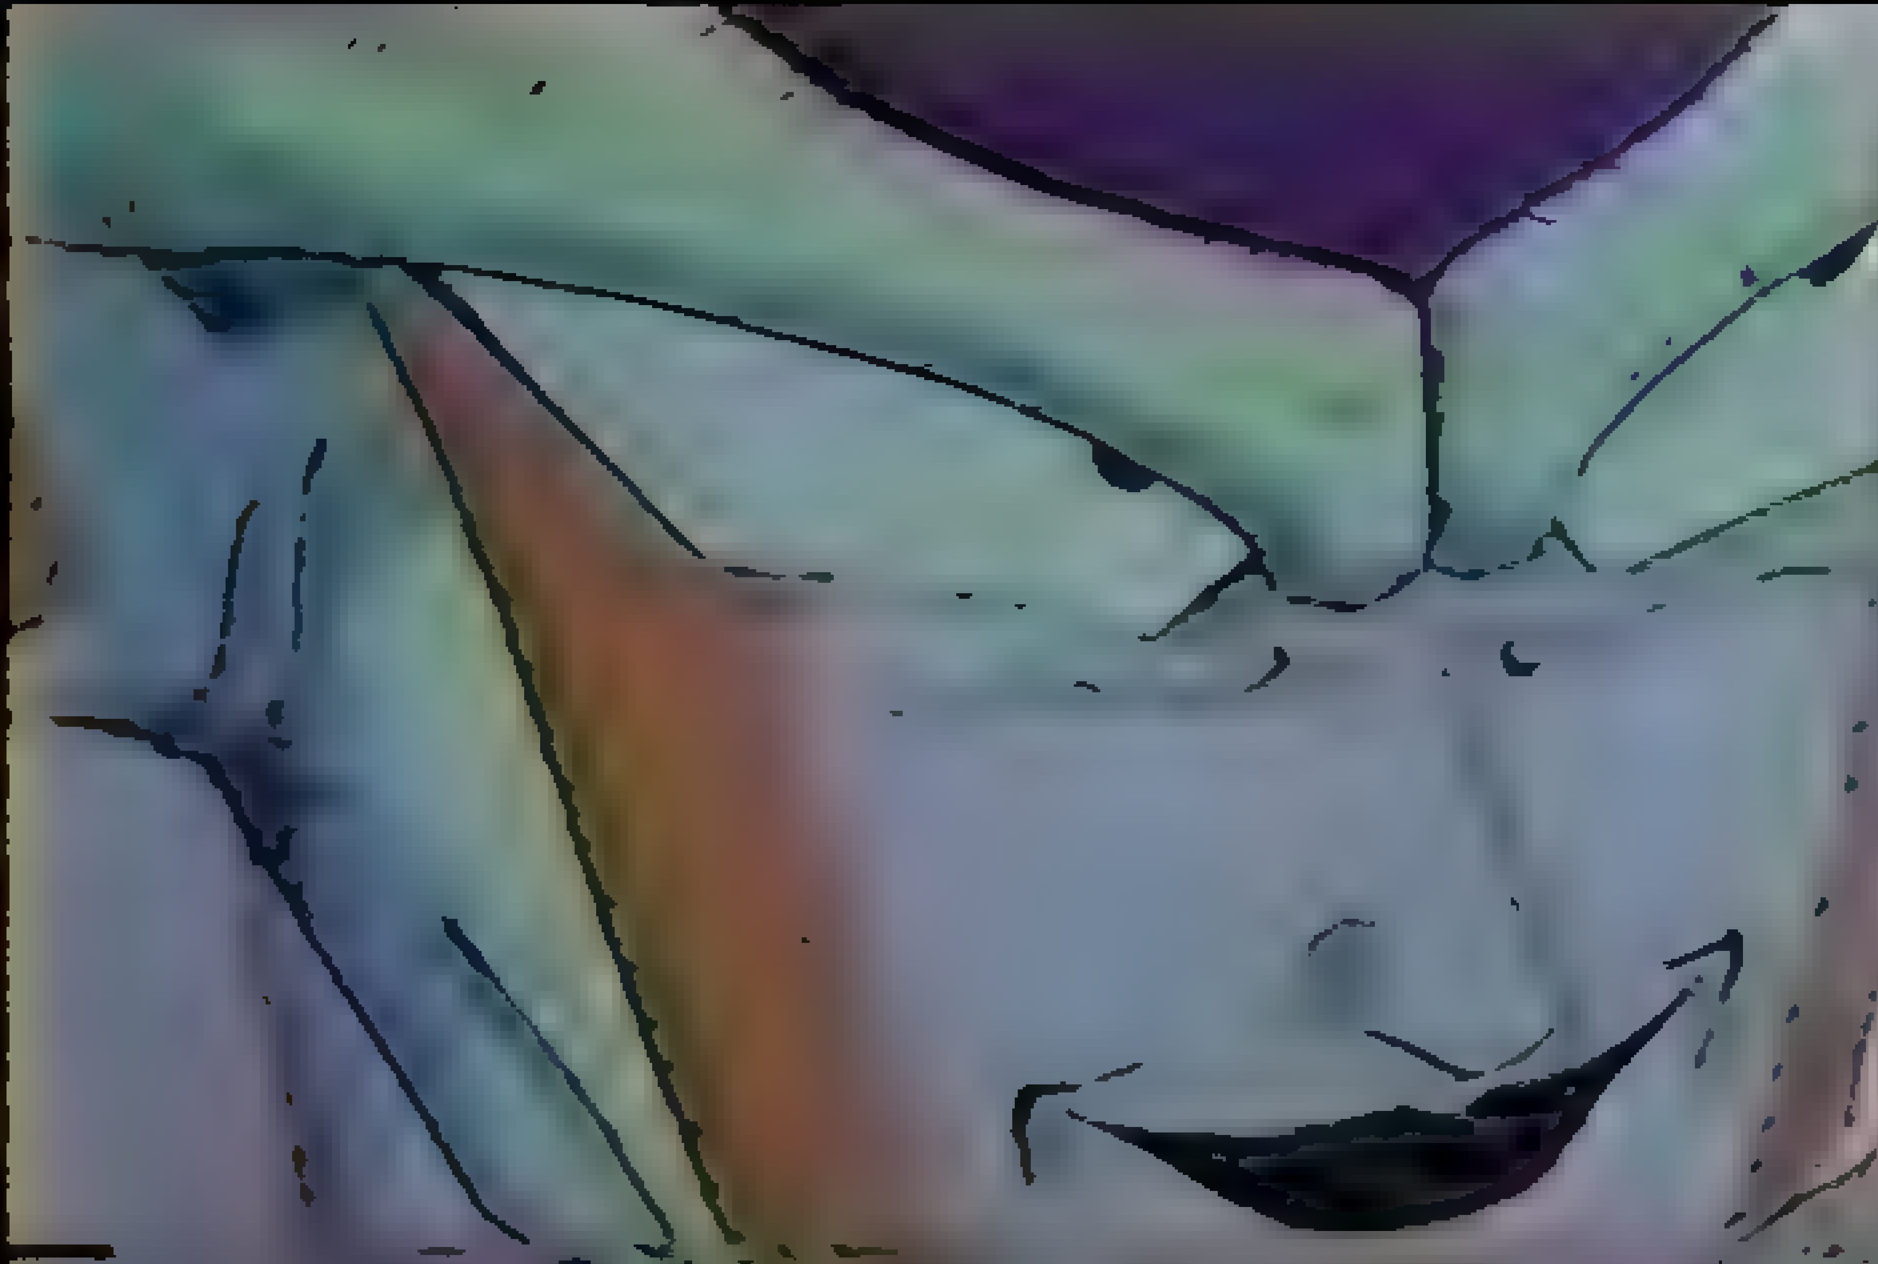

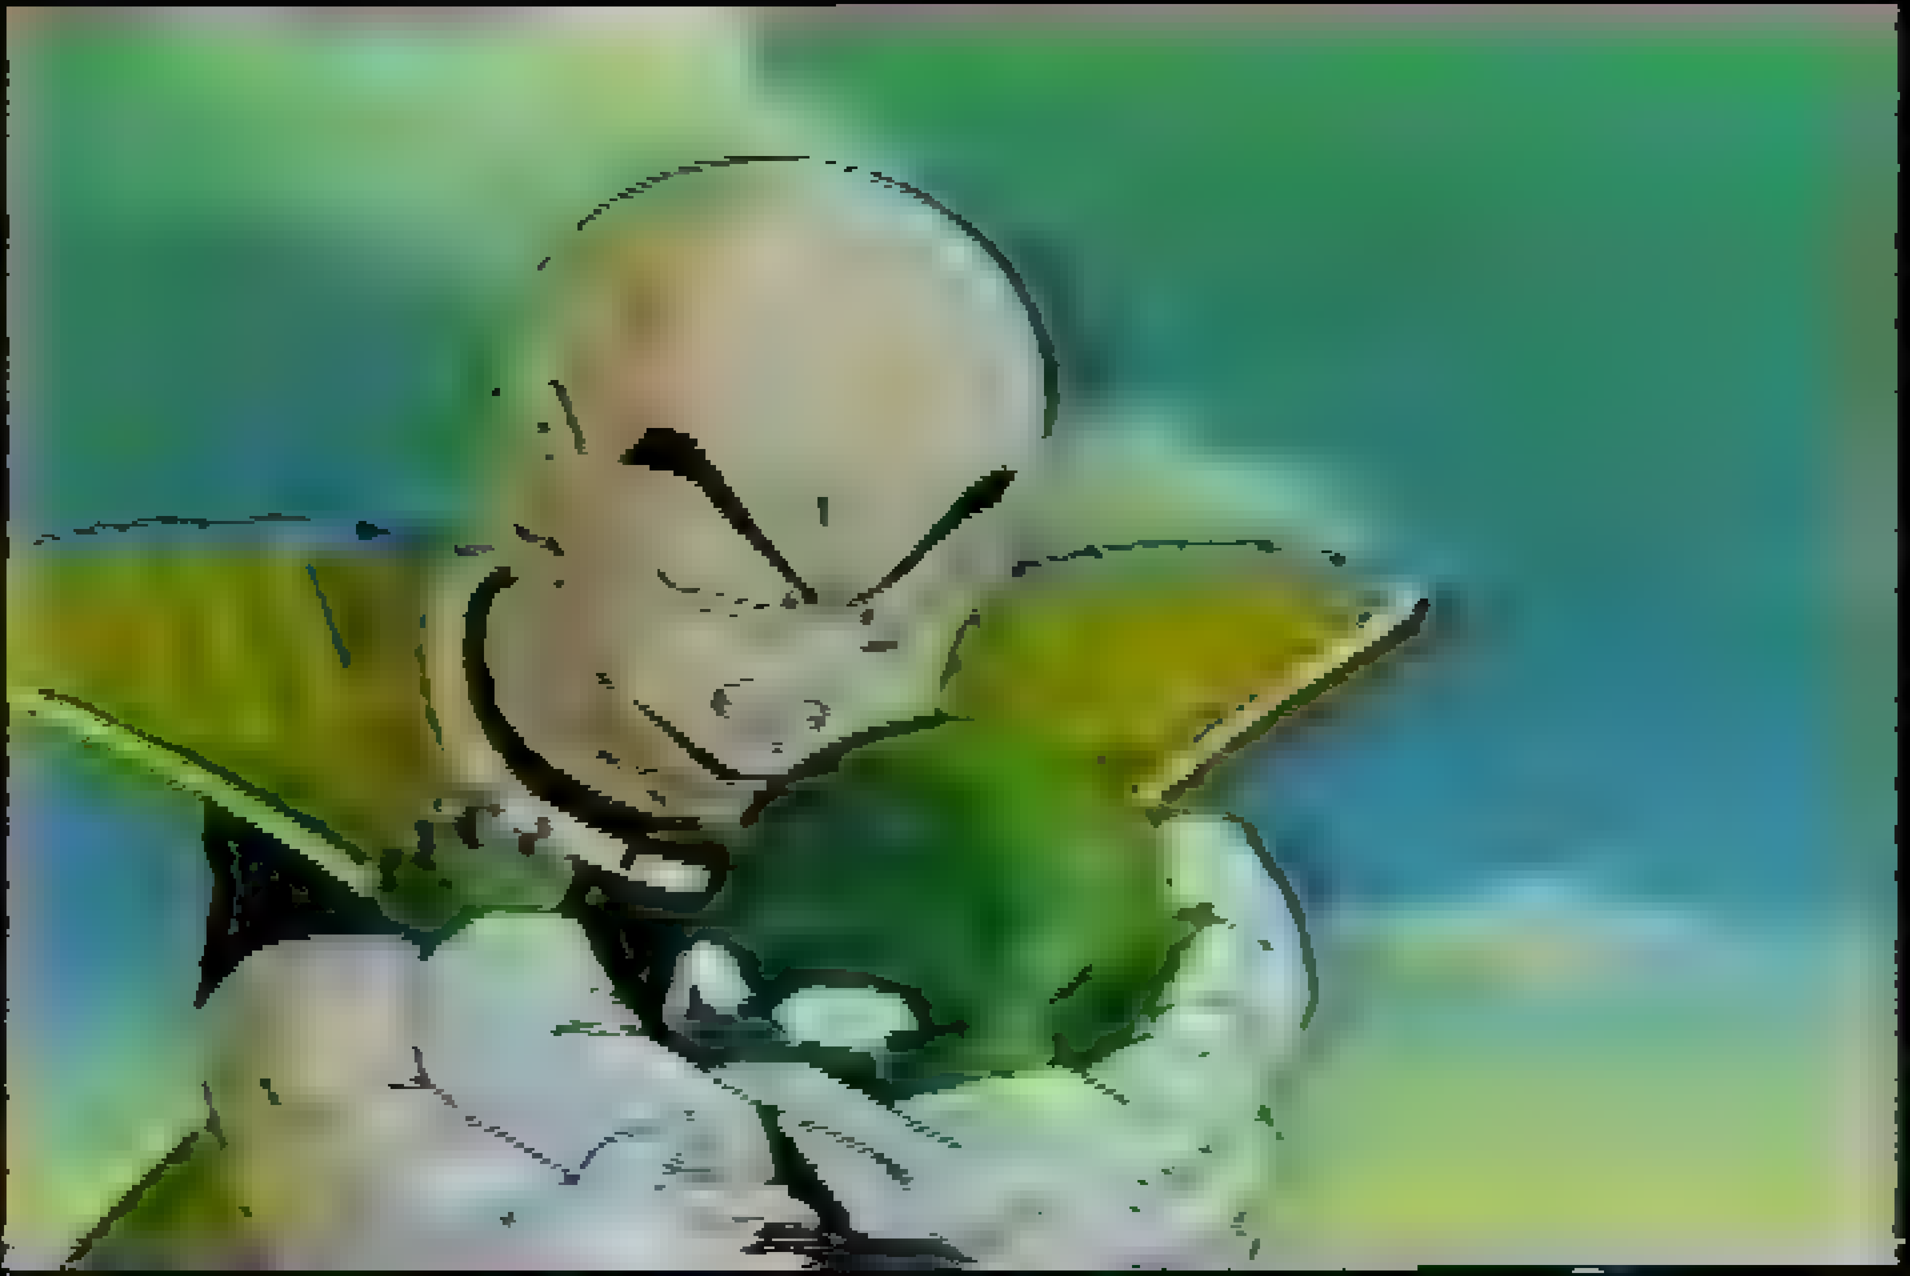

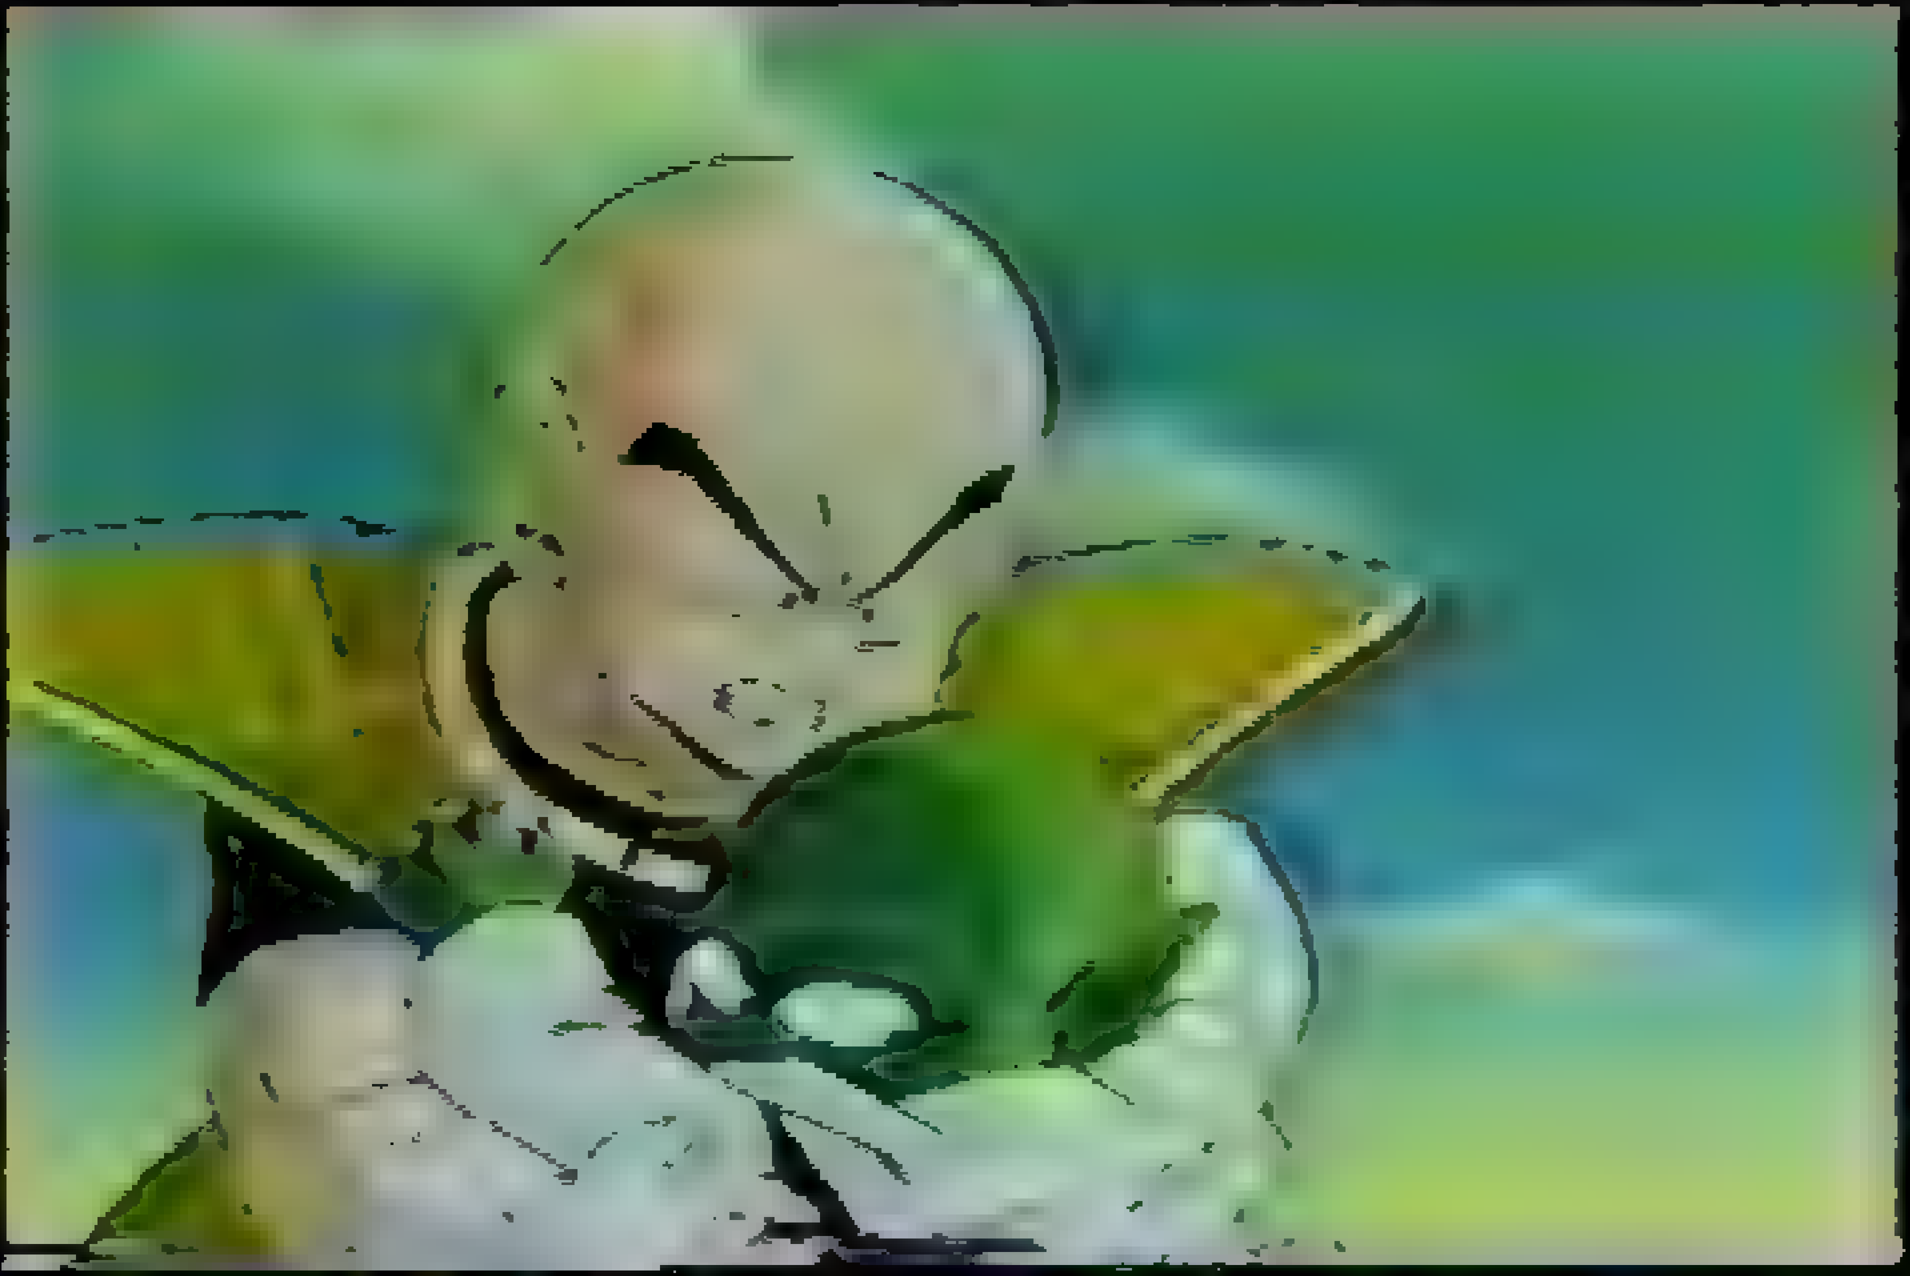

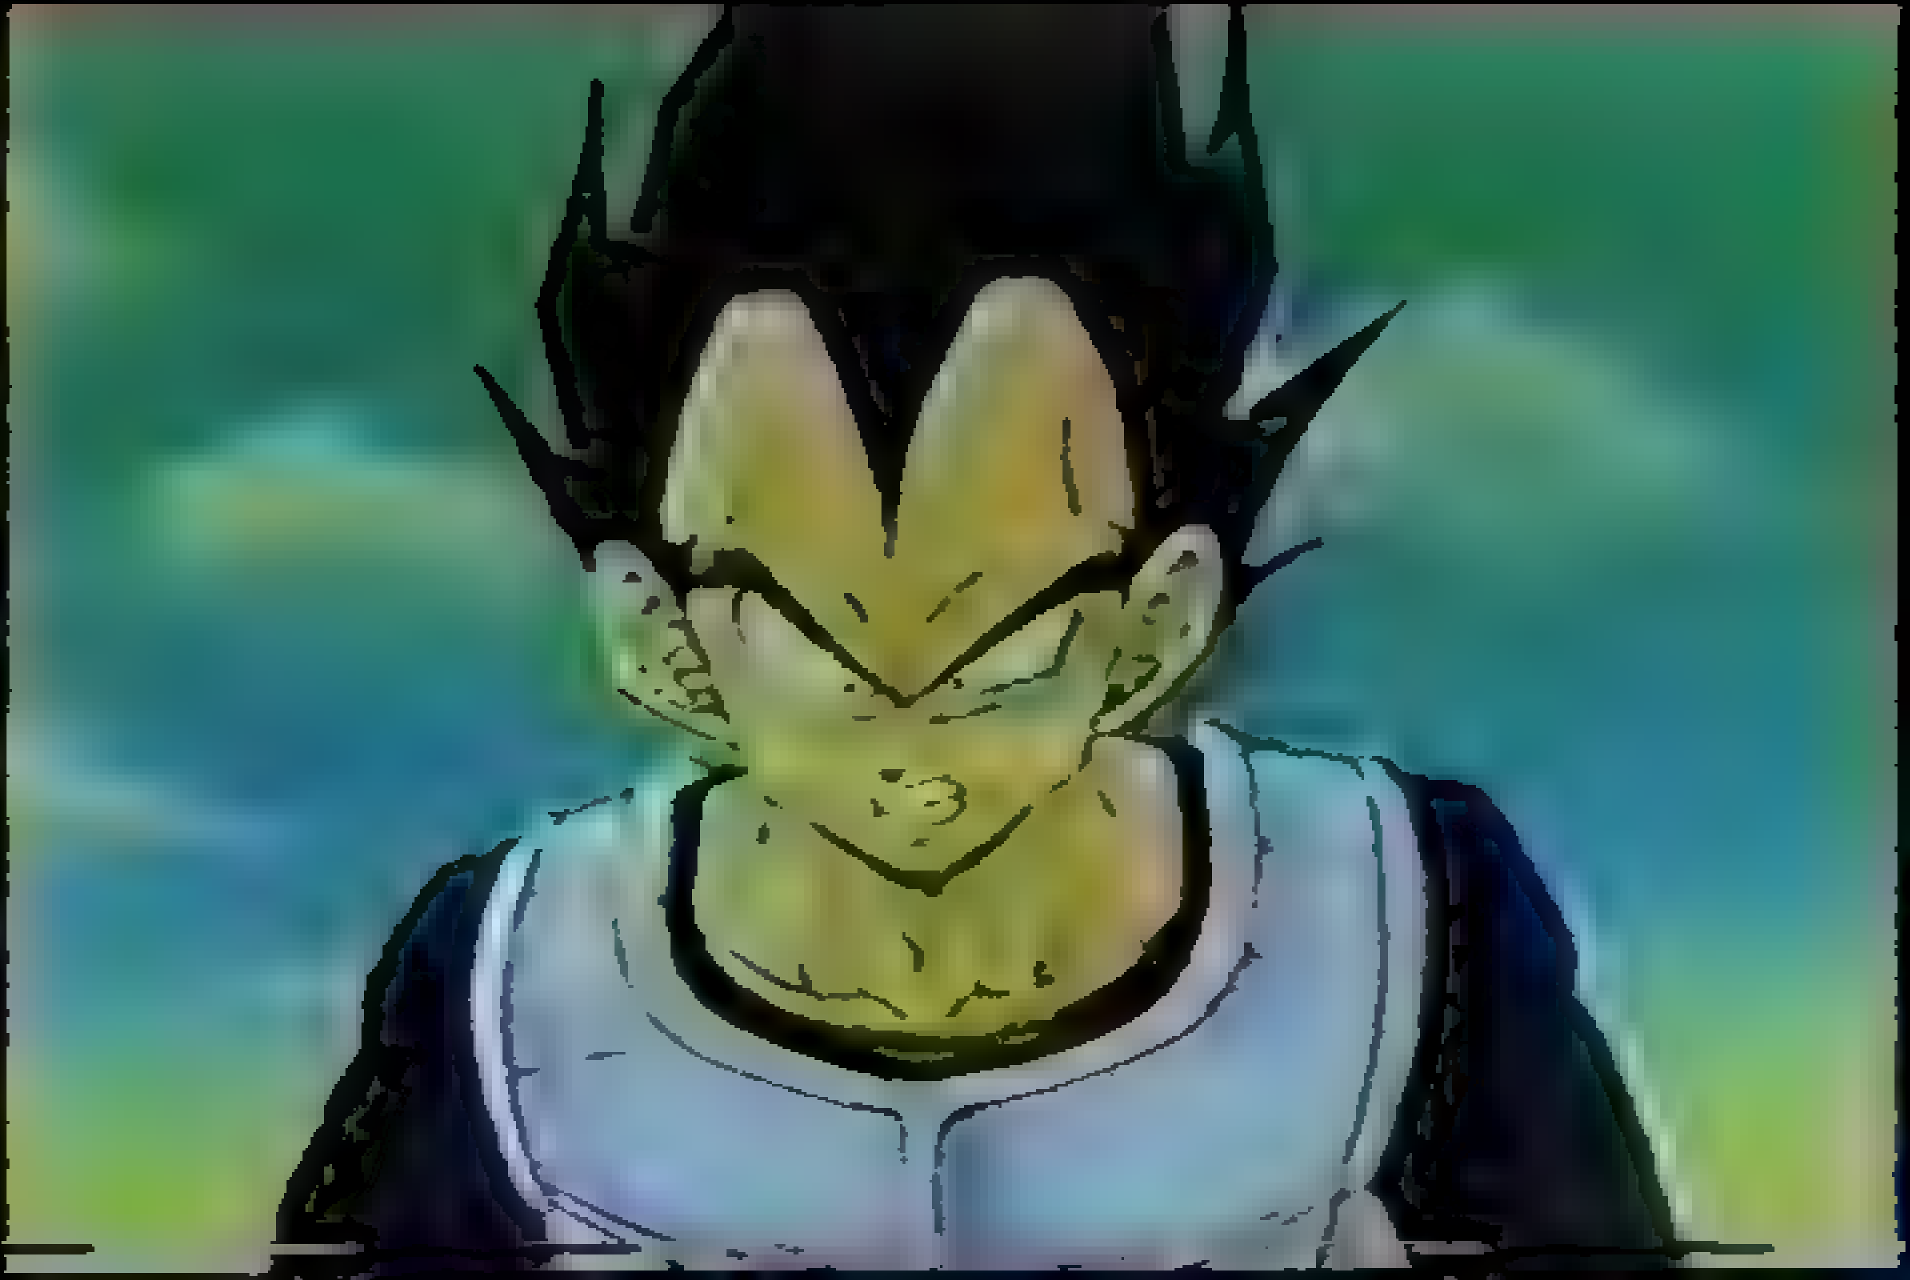

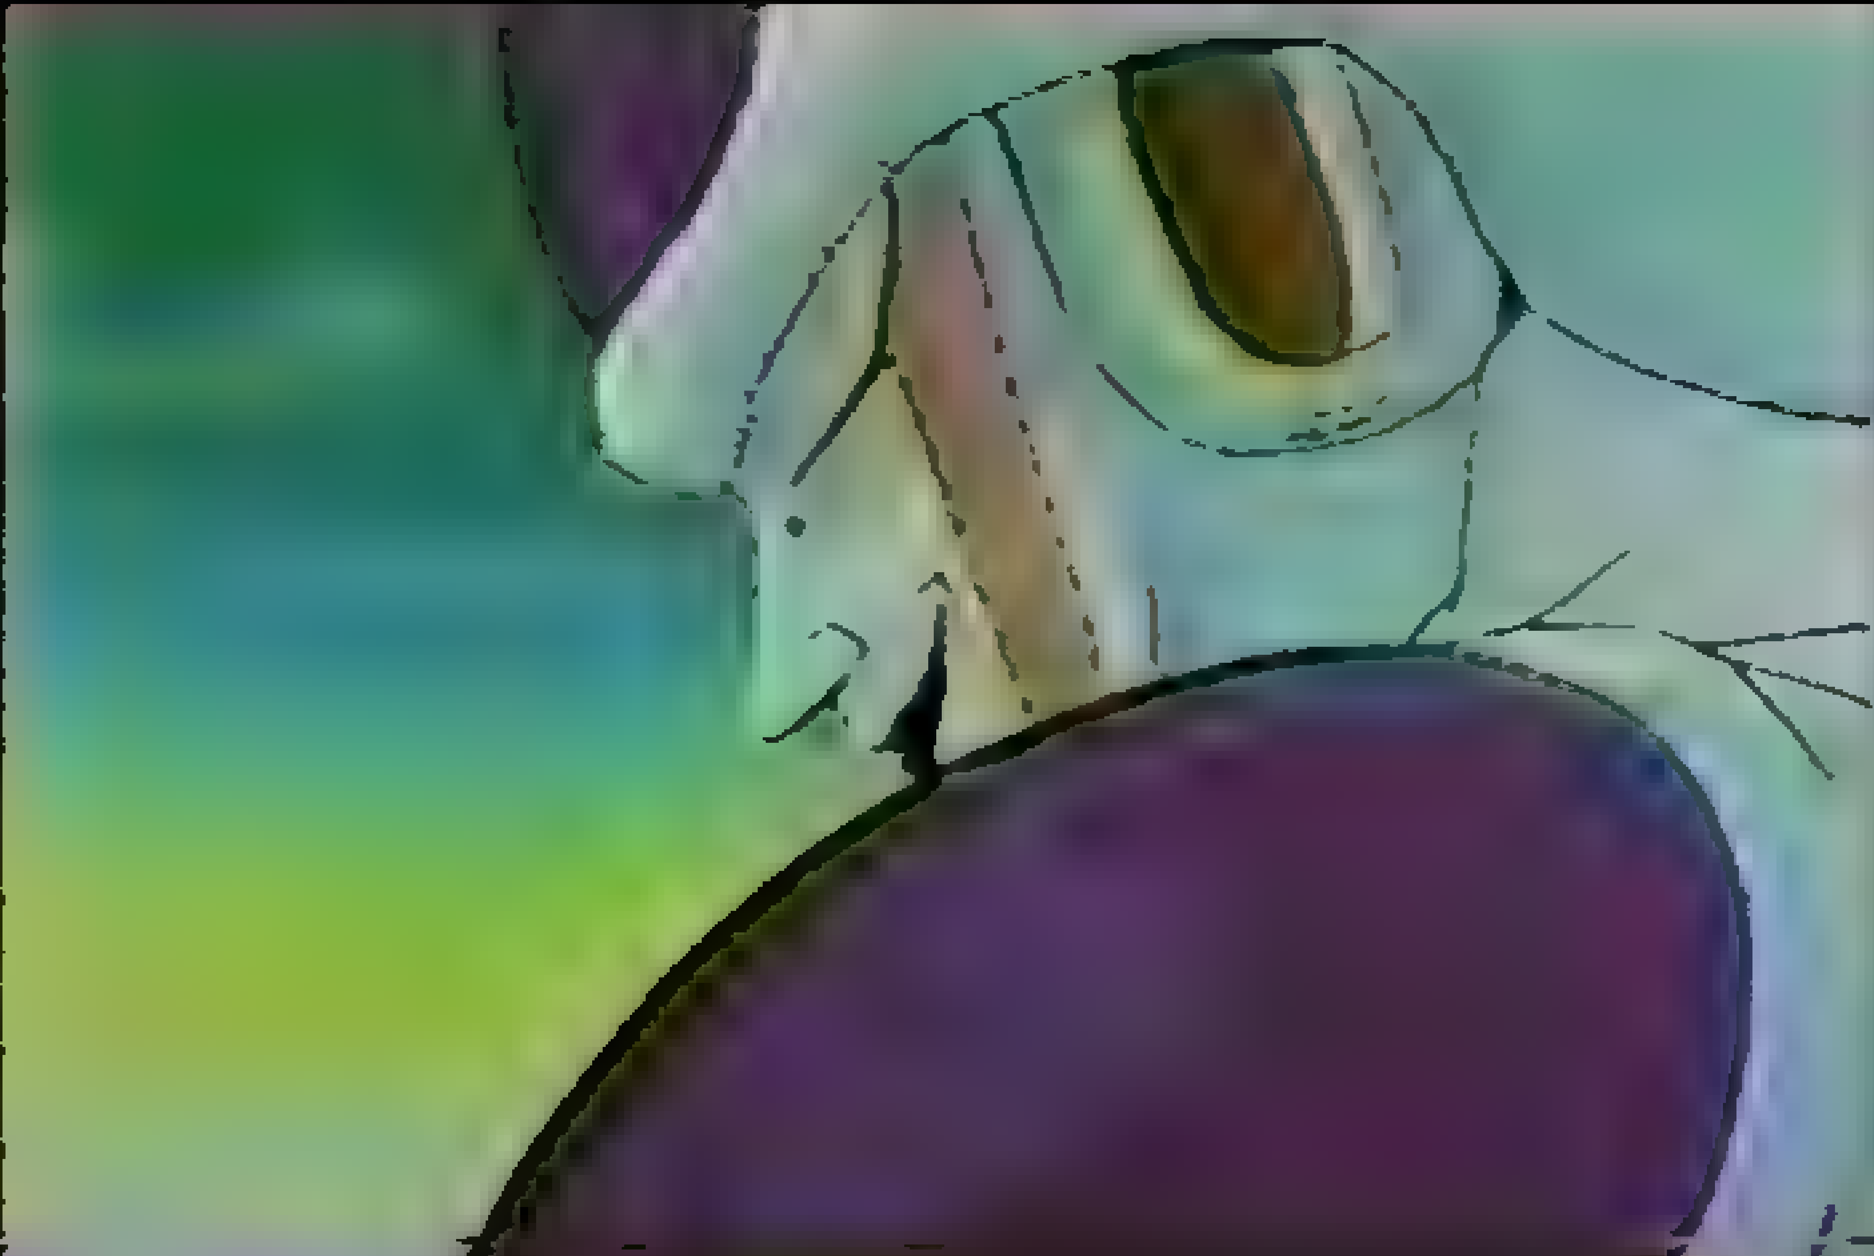

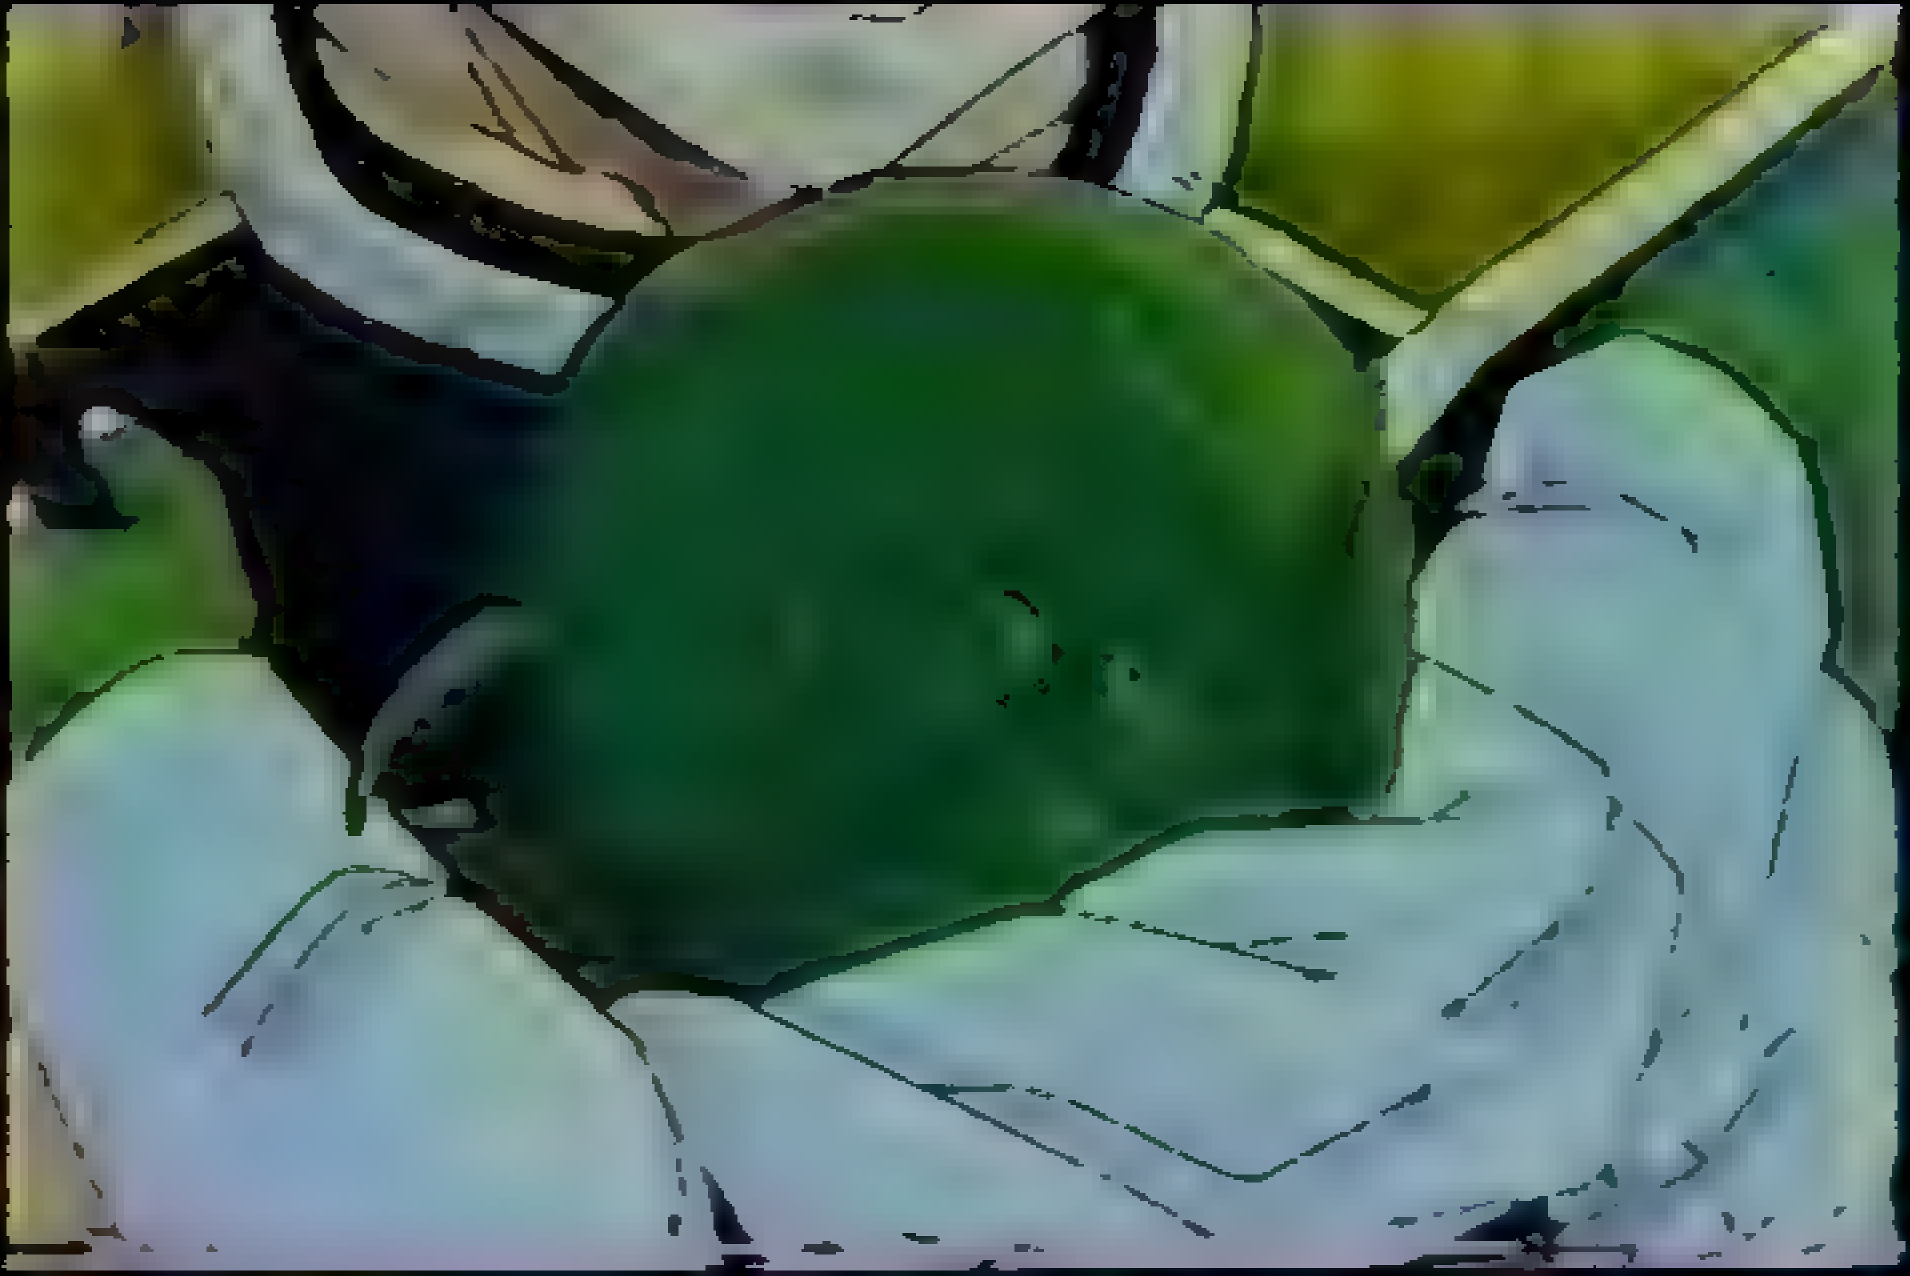

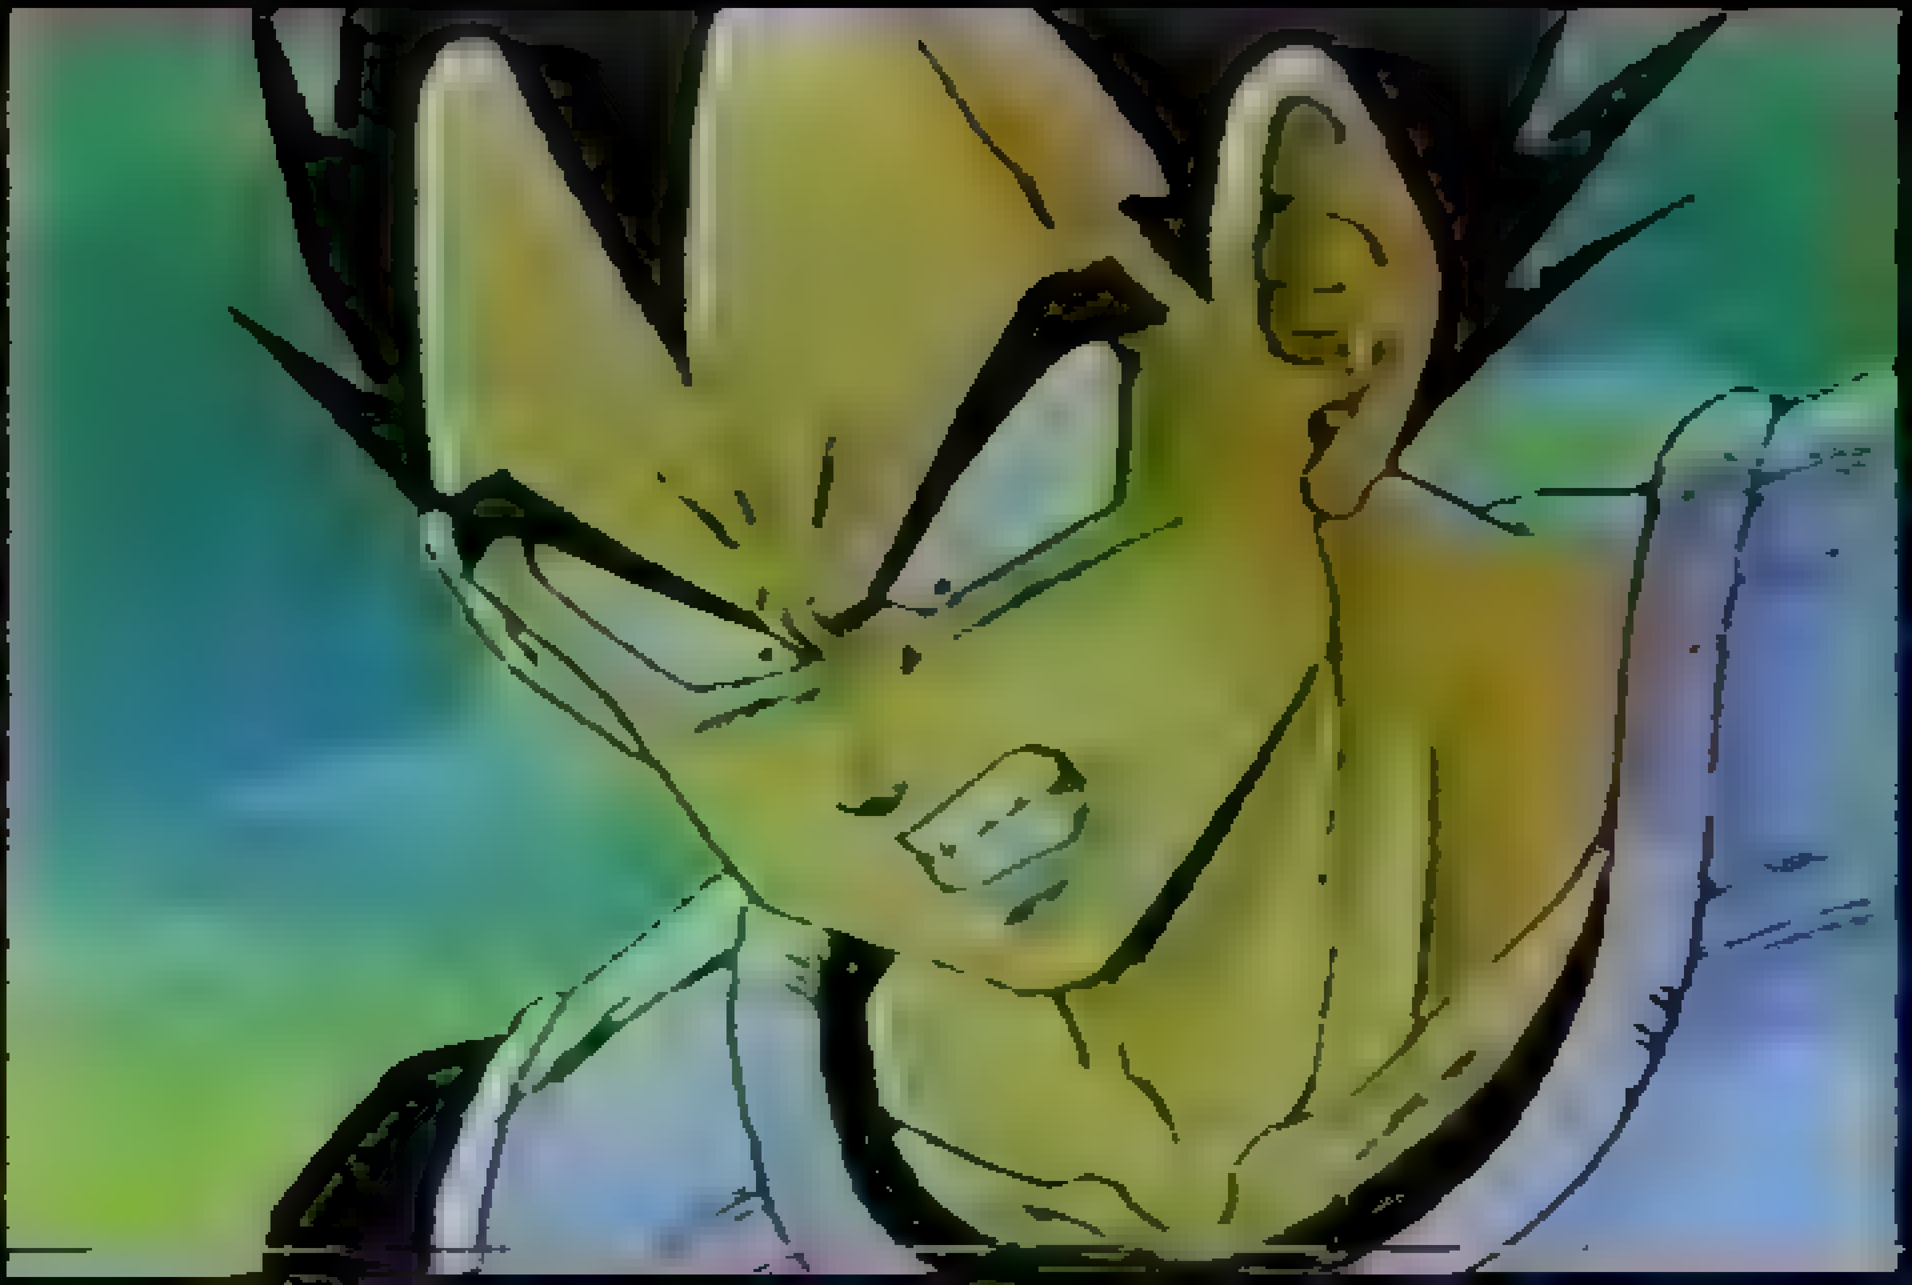

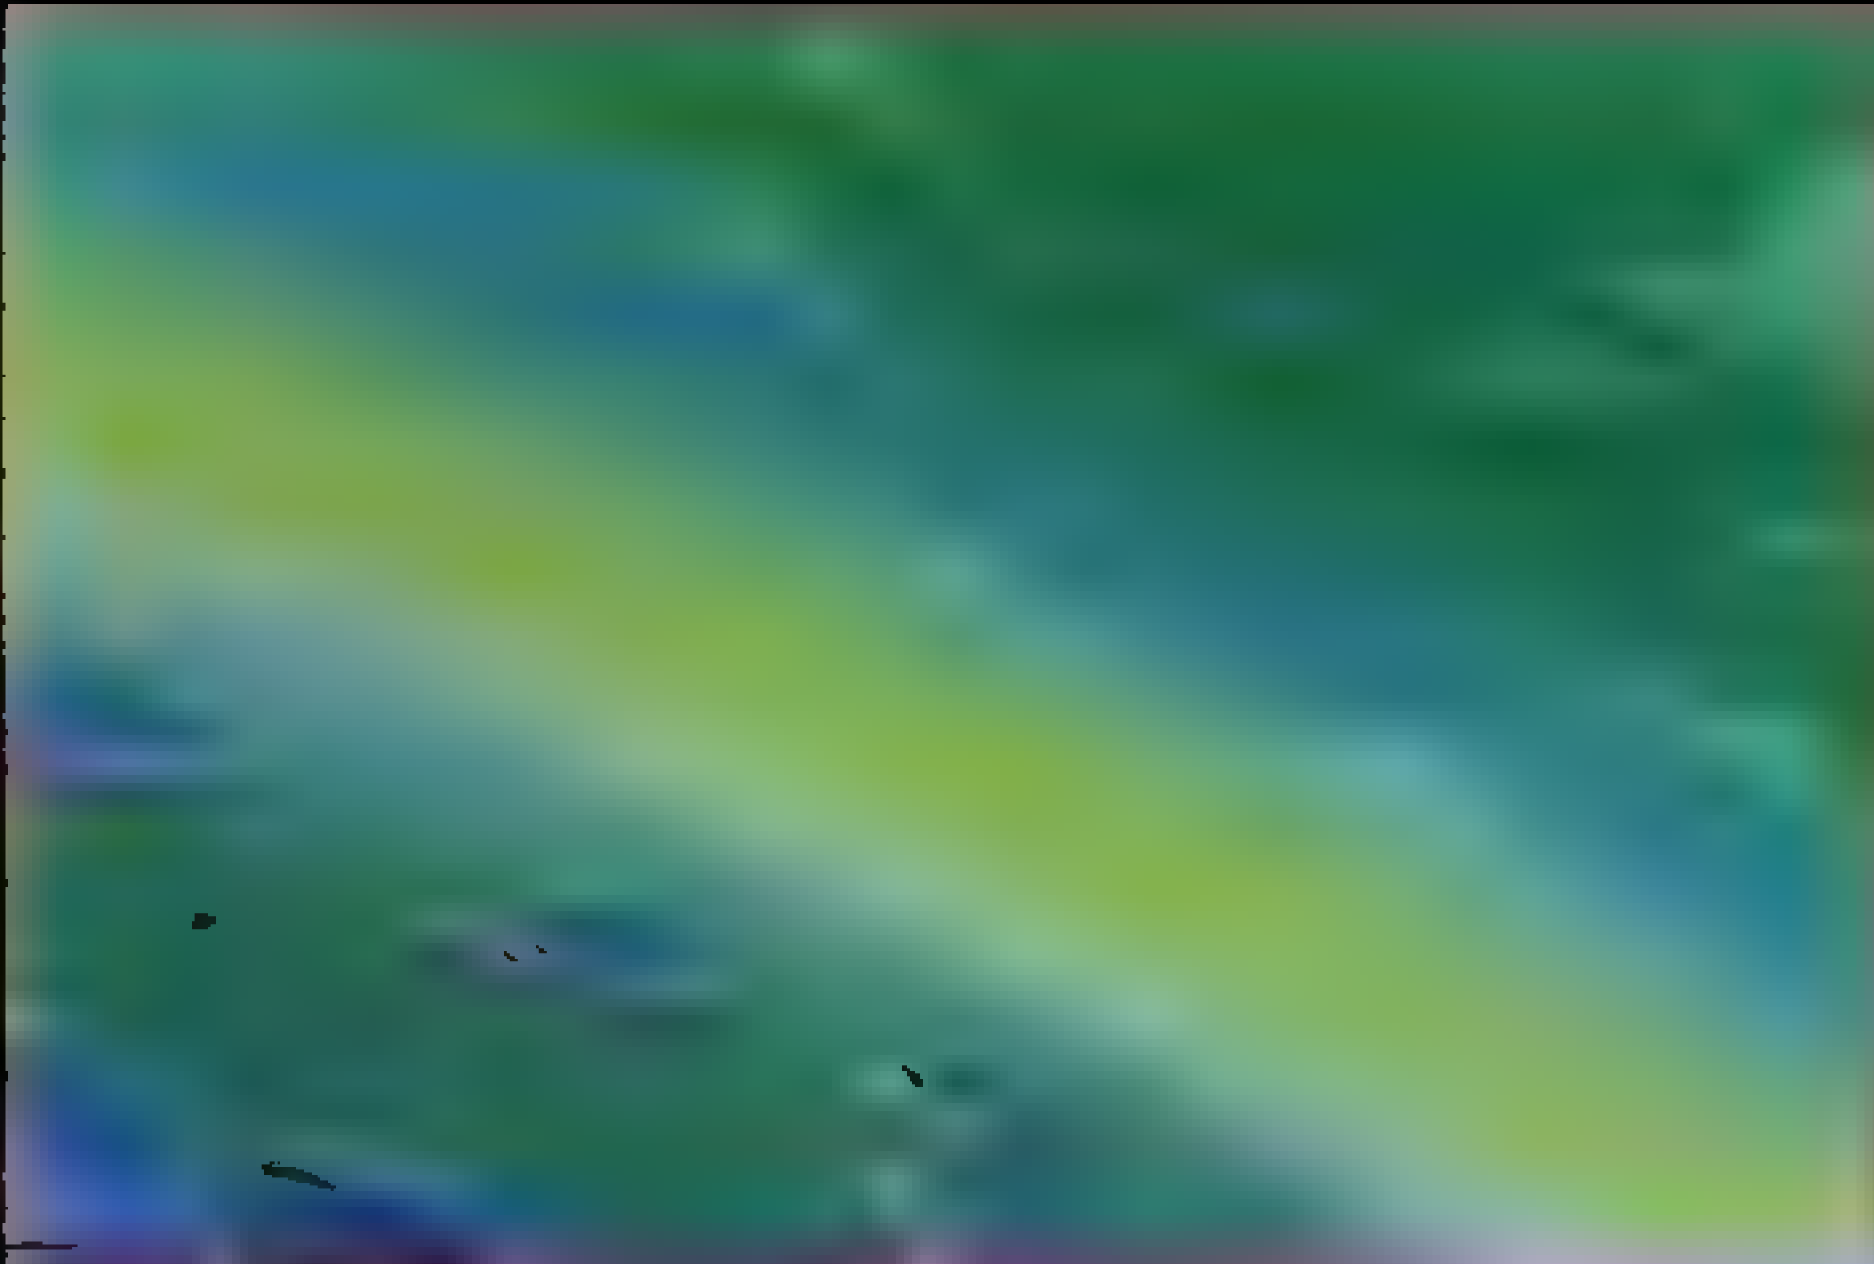

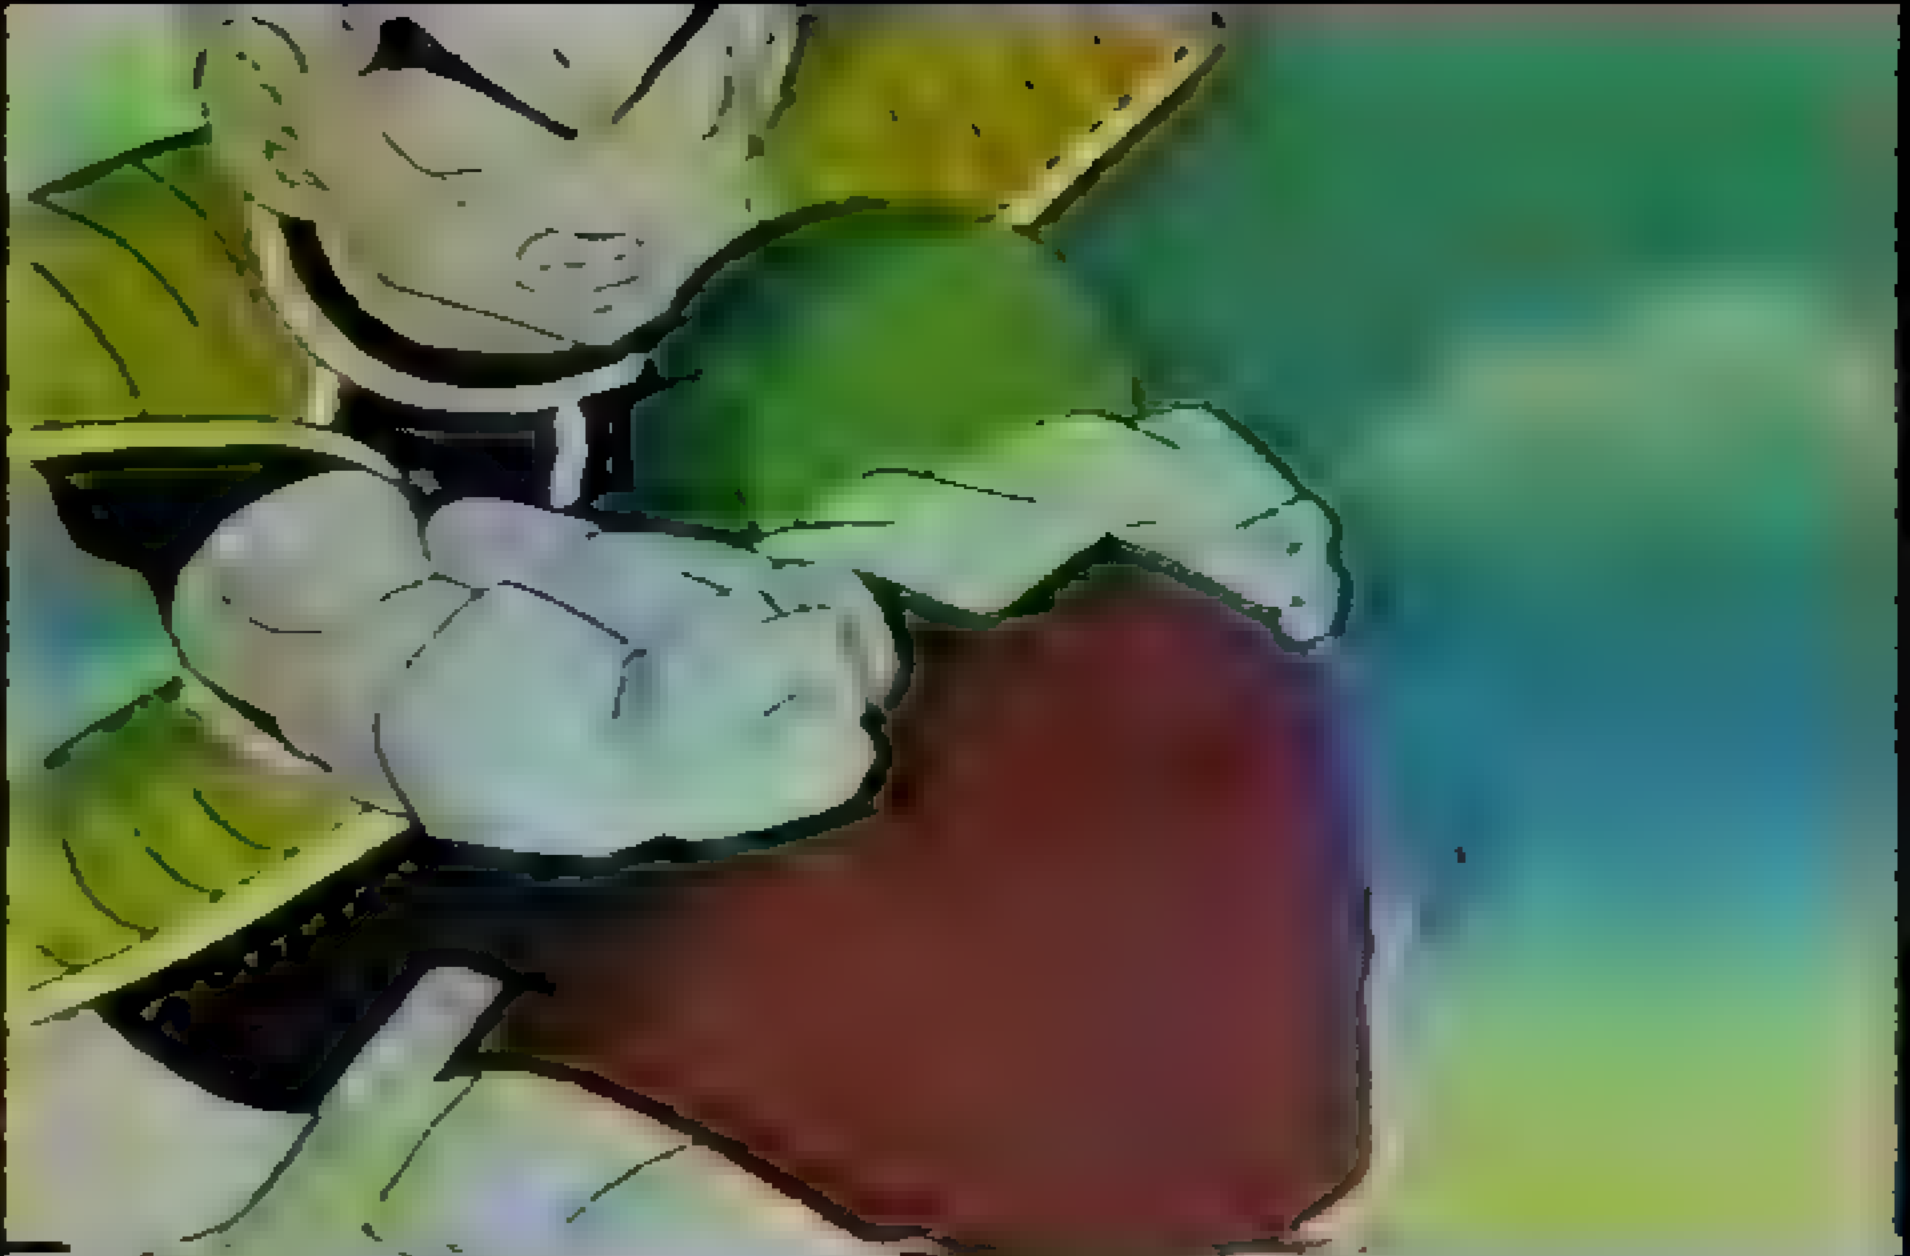

I've decided!

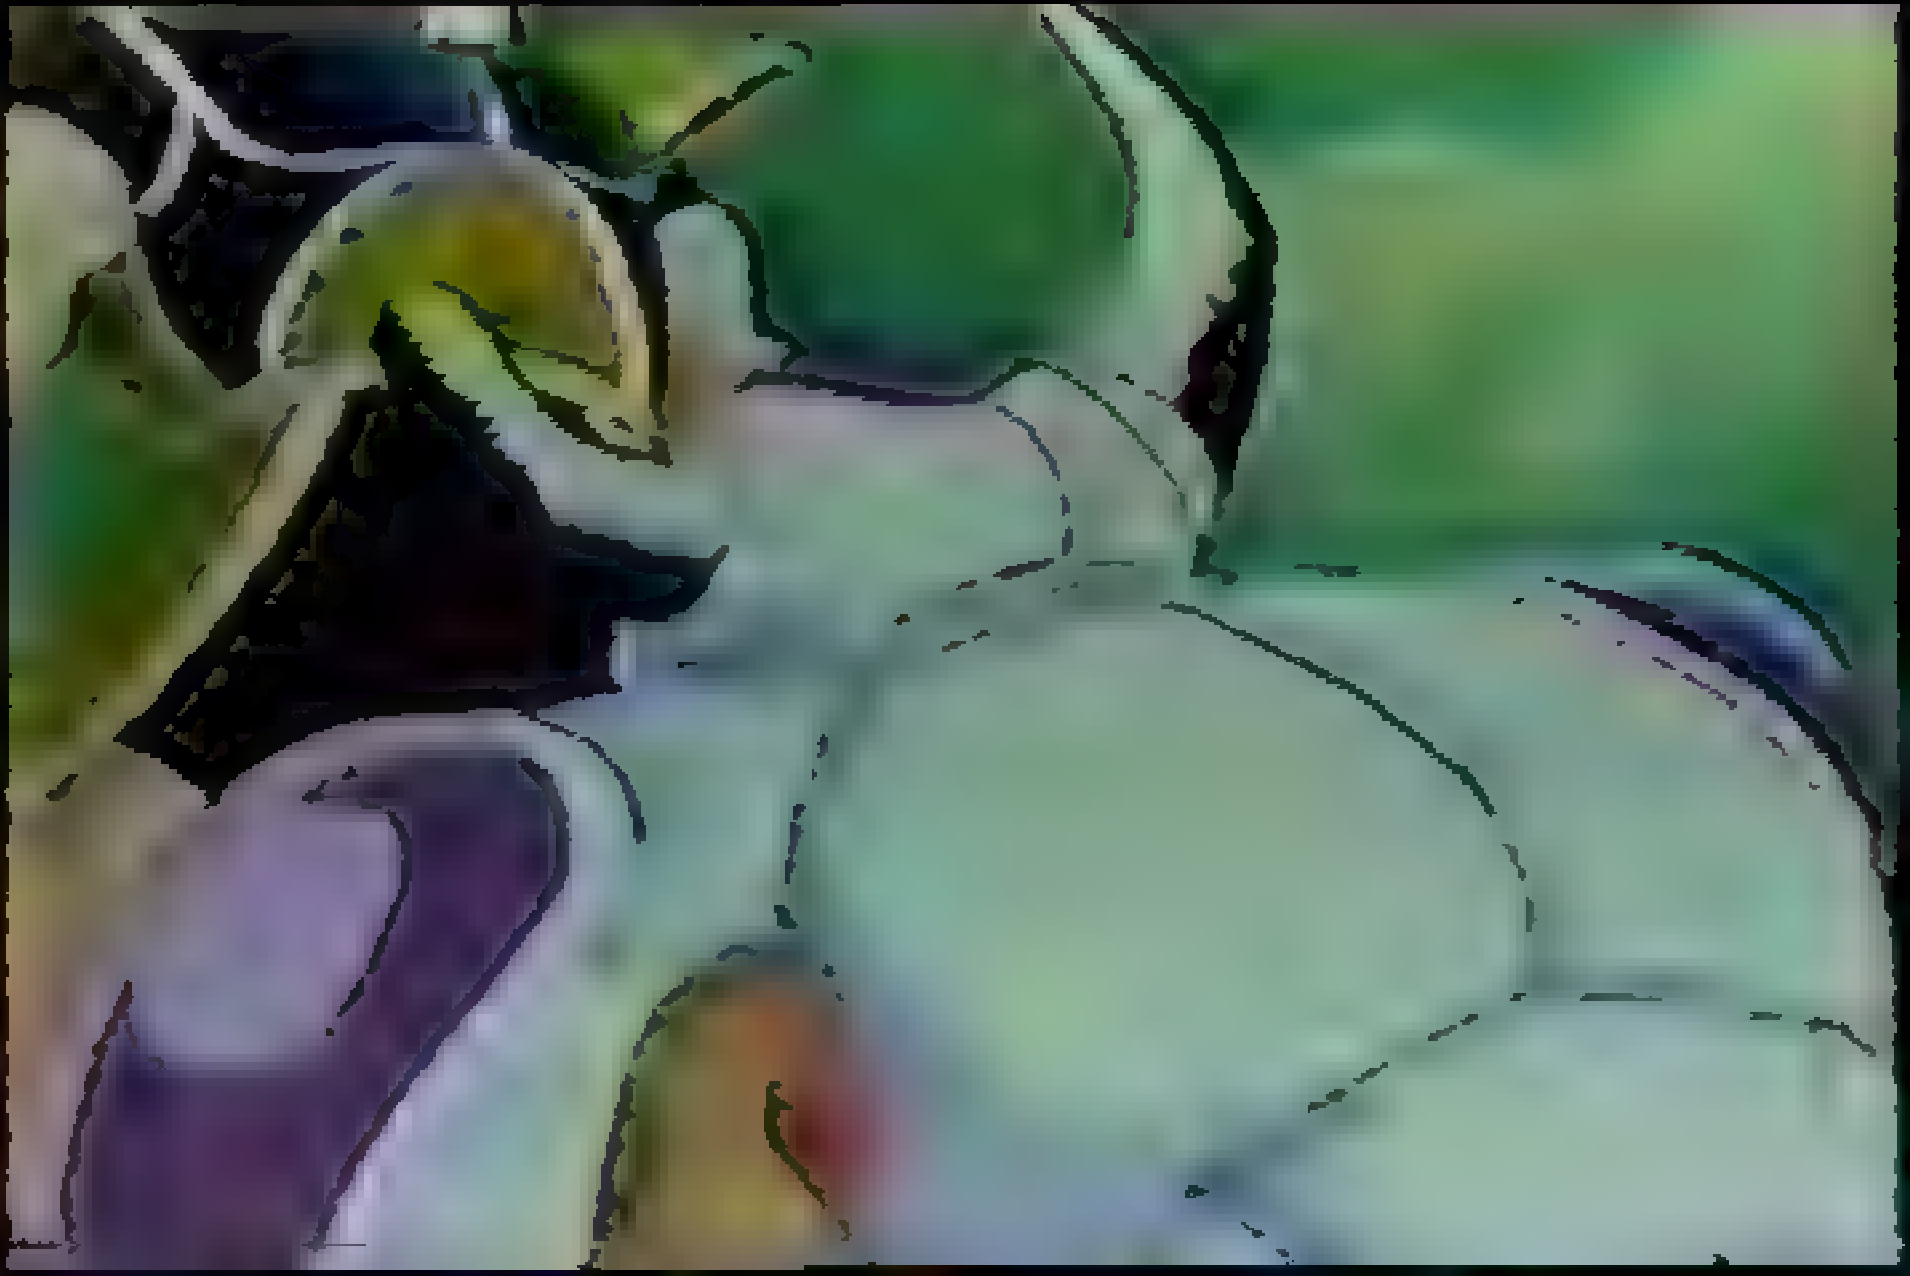

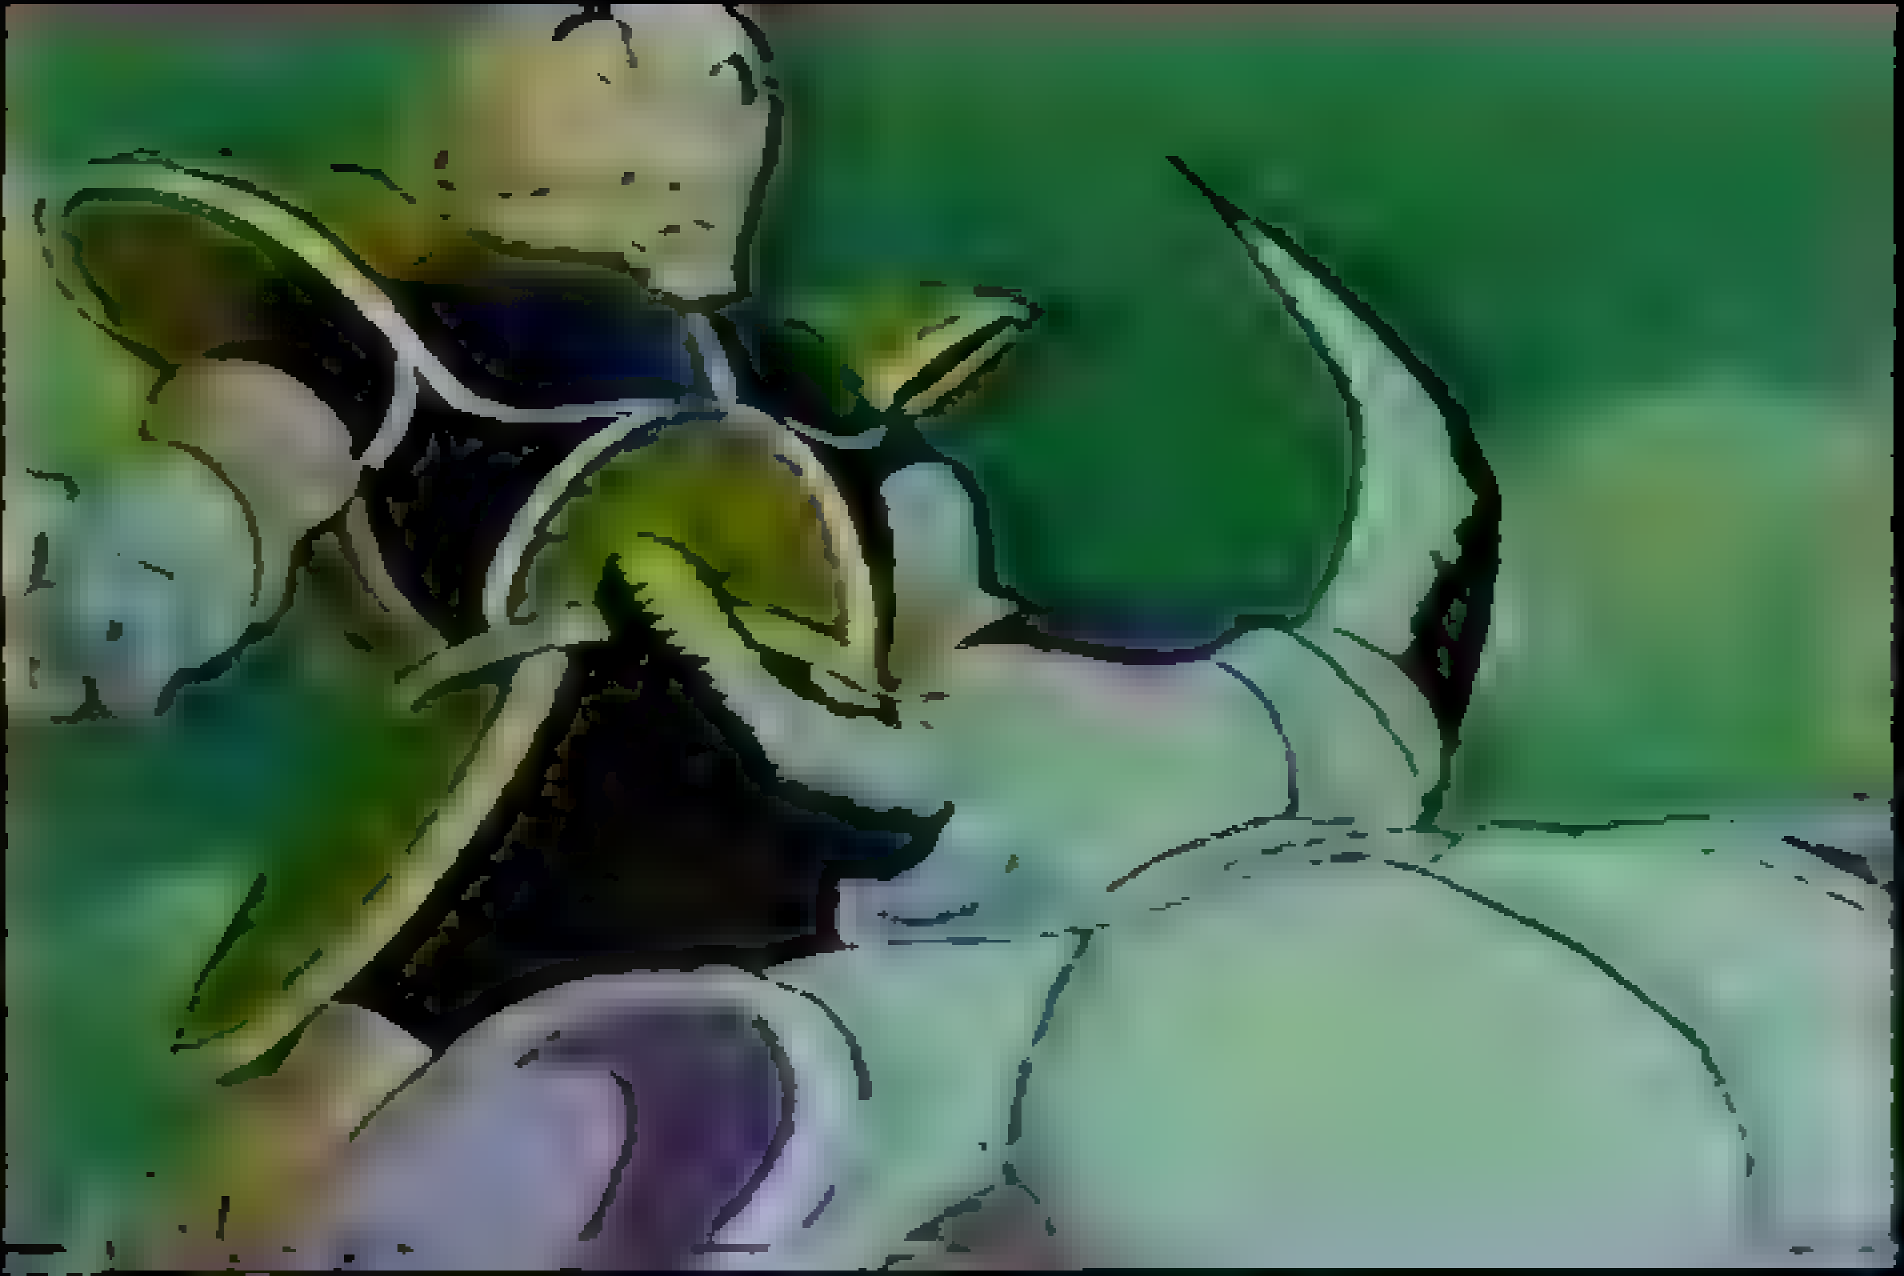

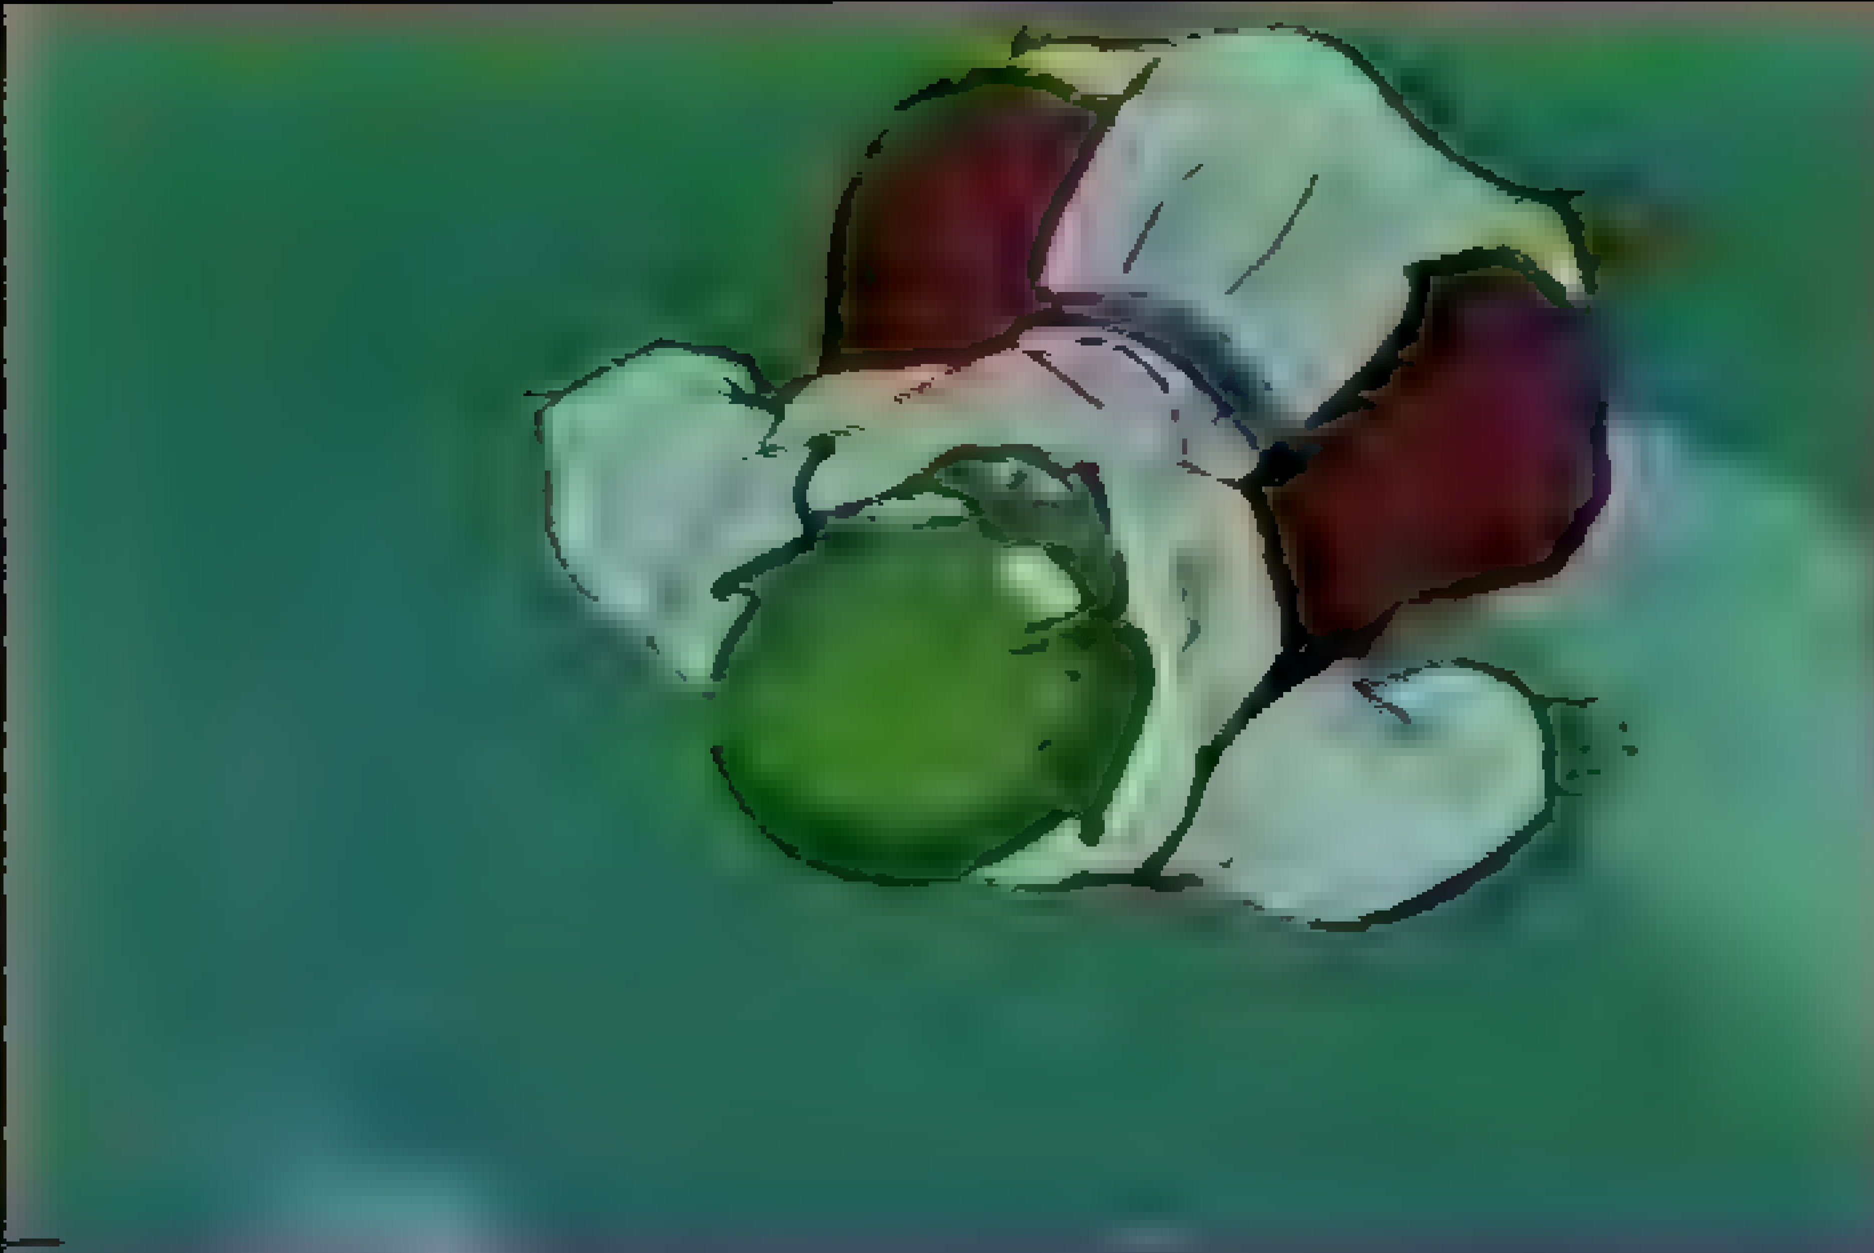

The speed!

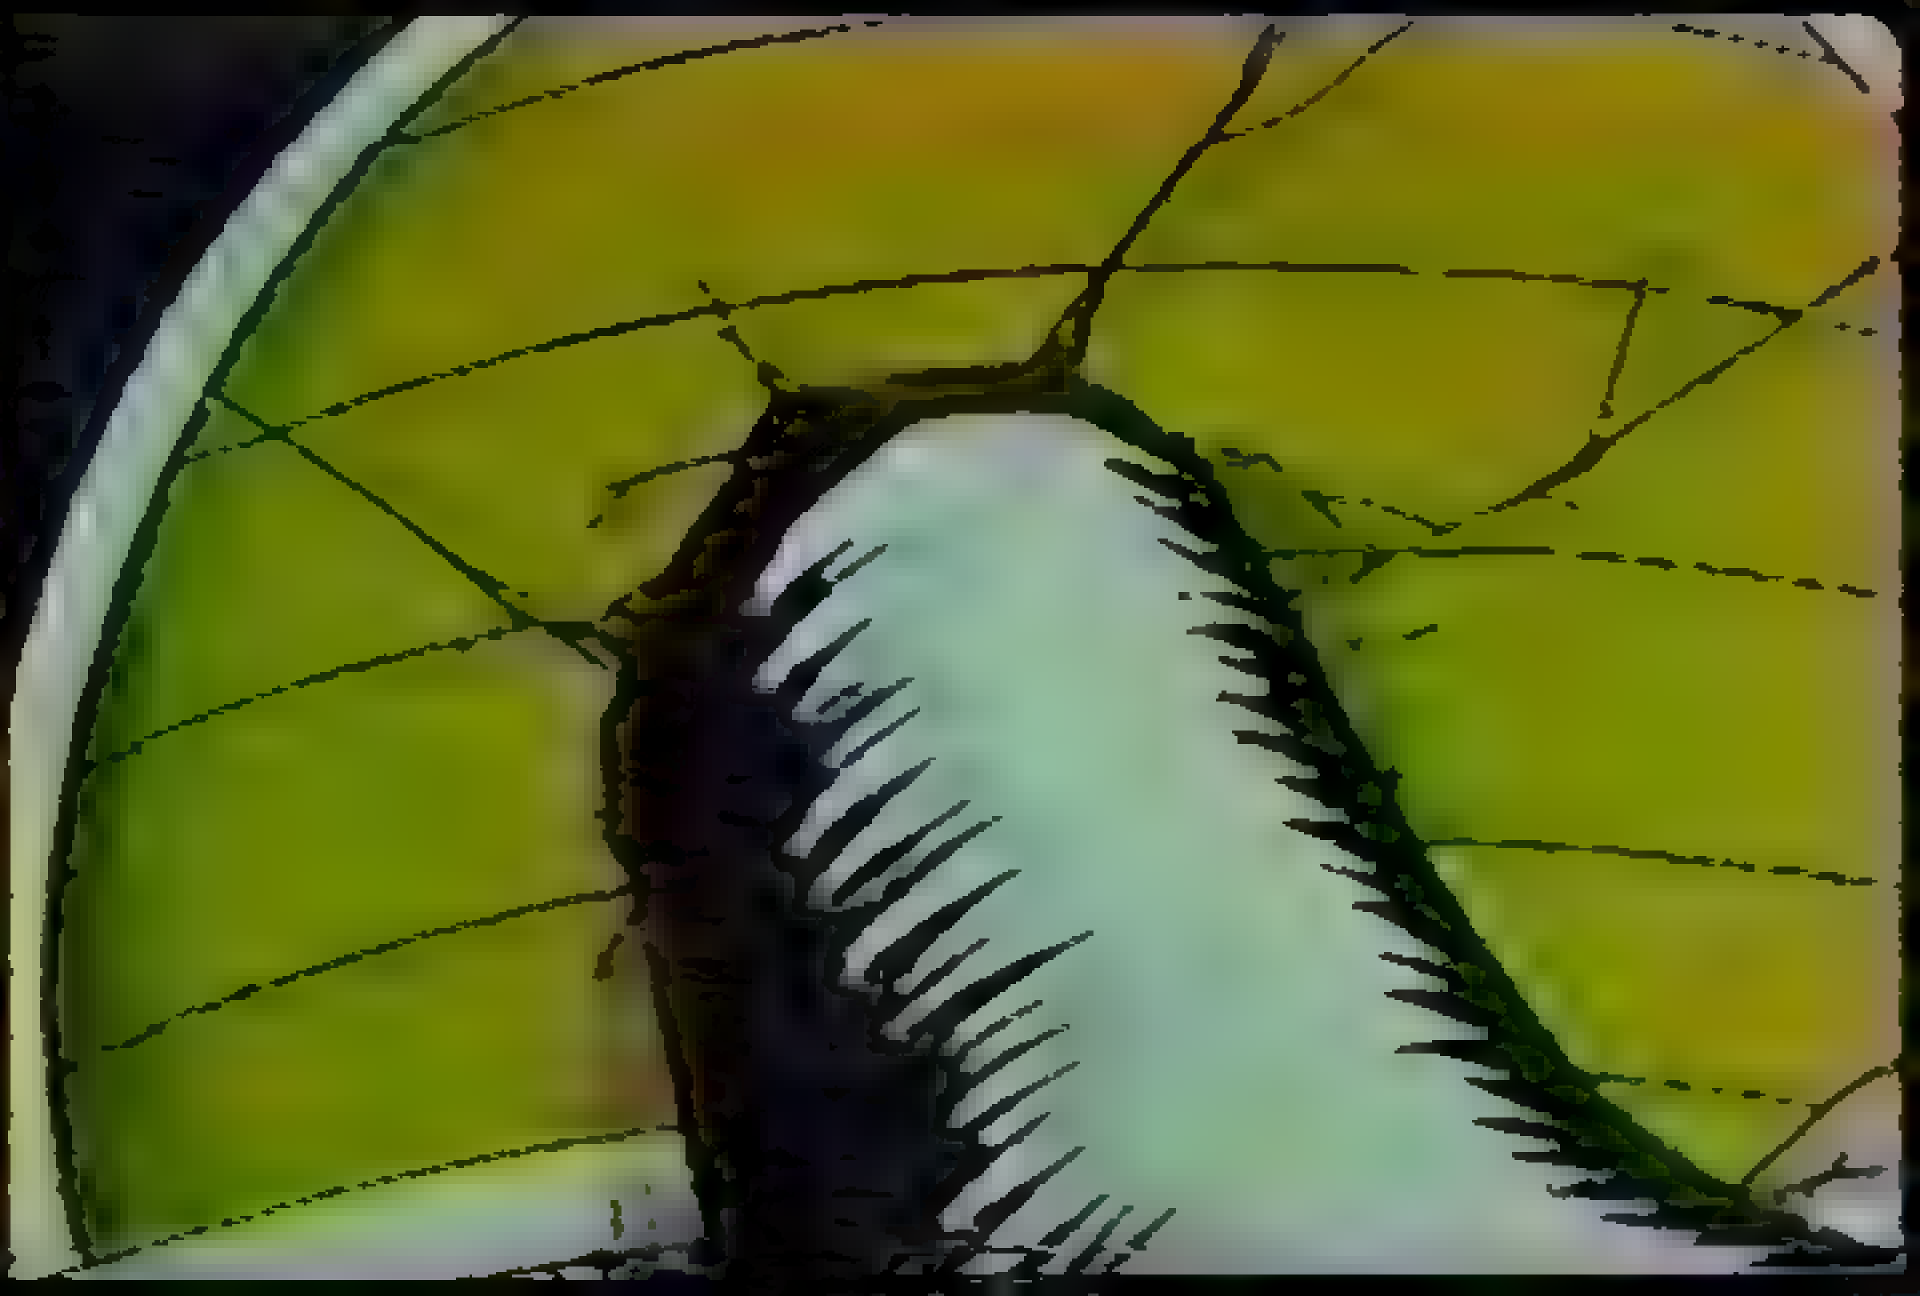

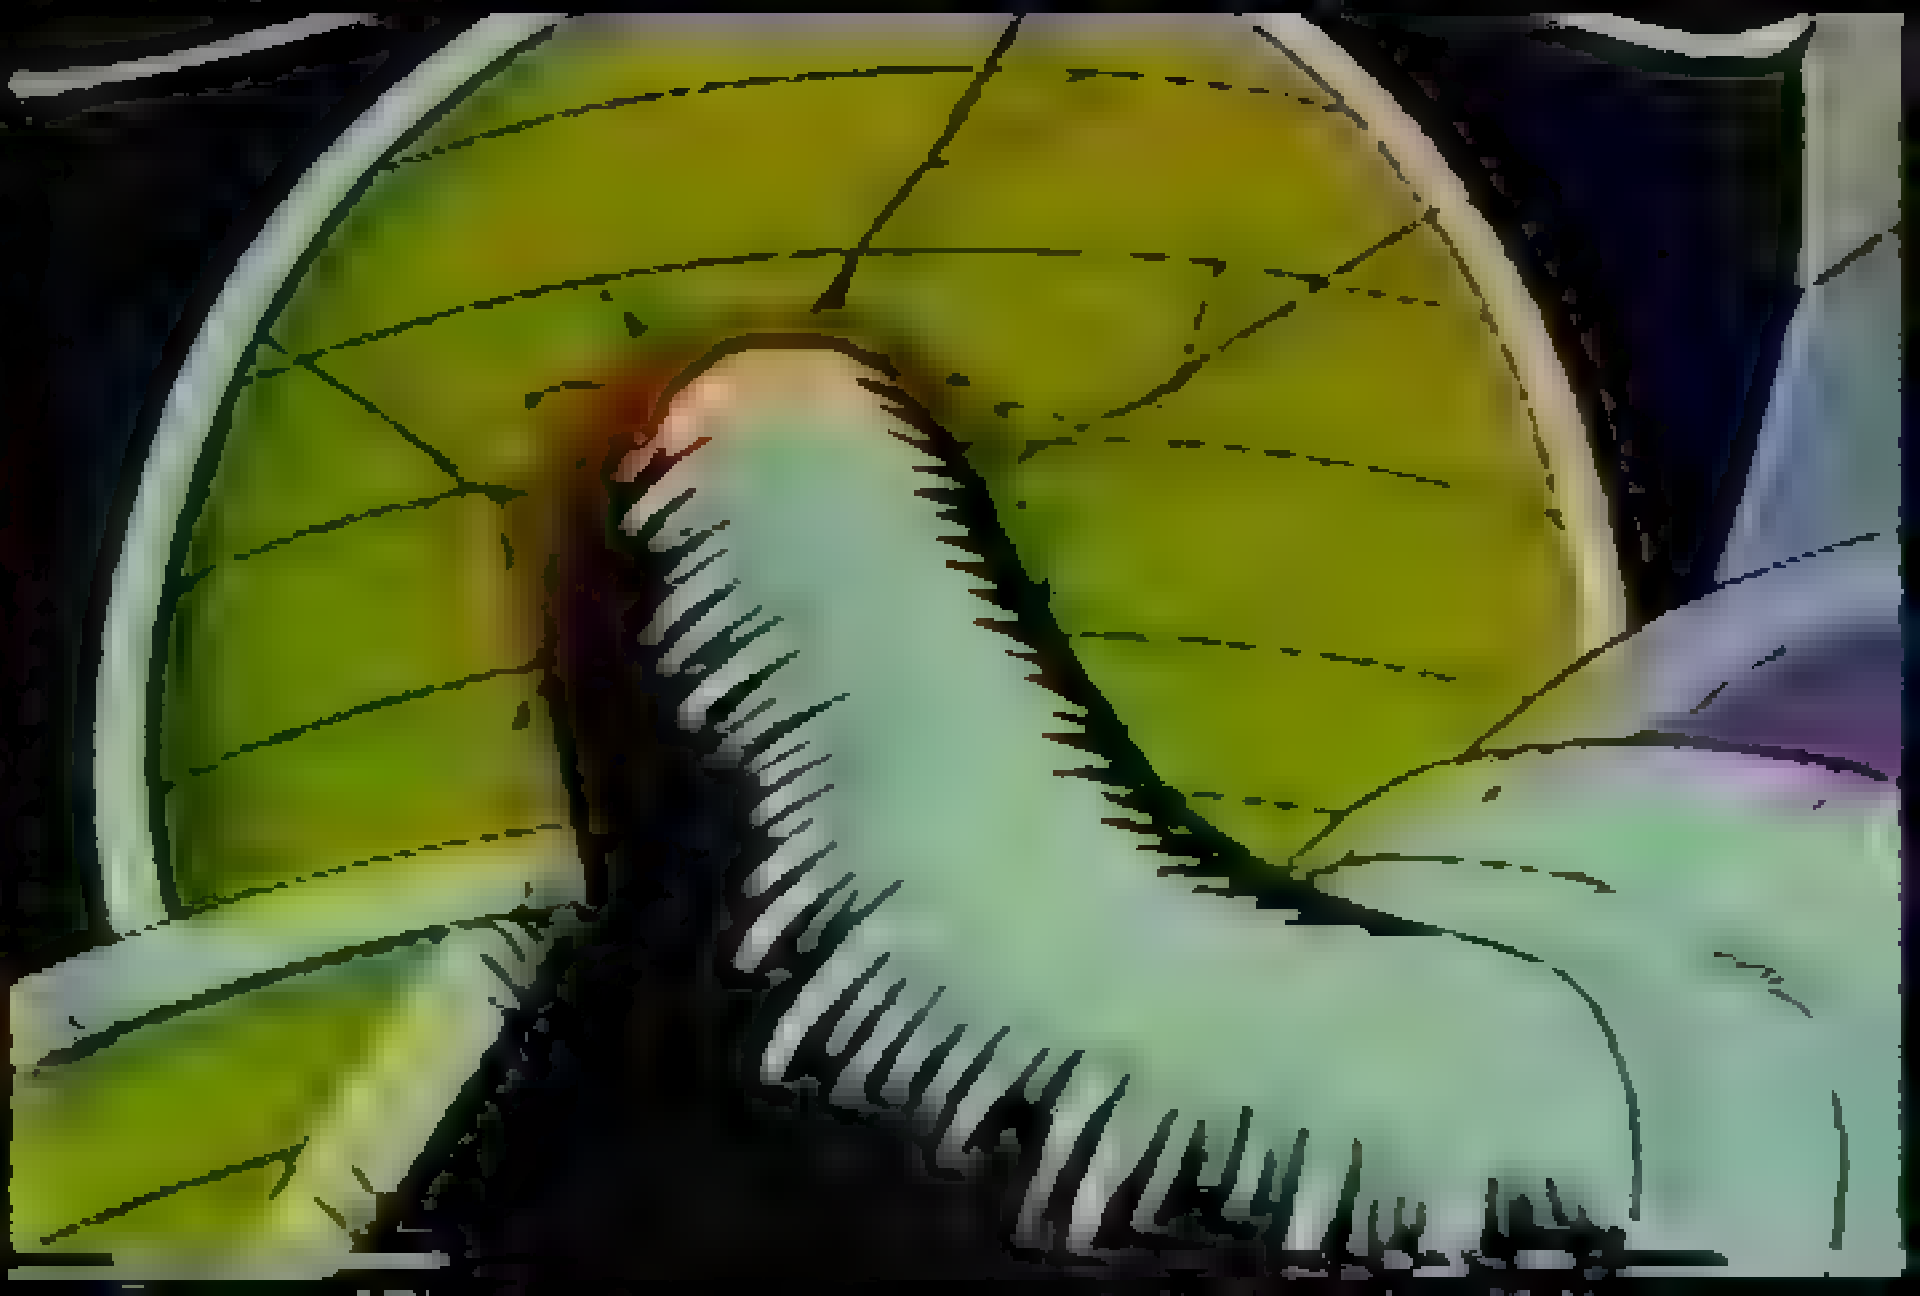

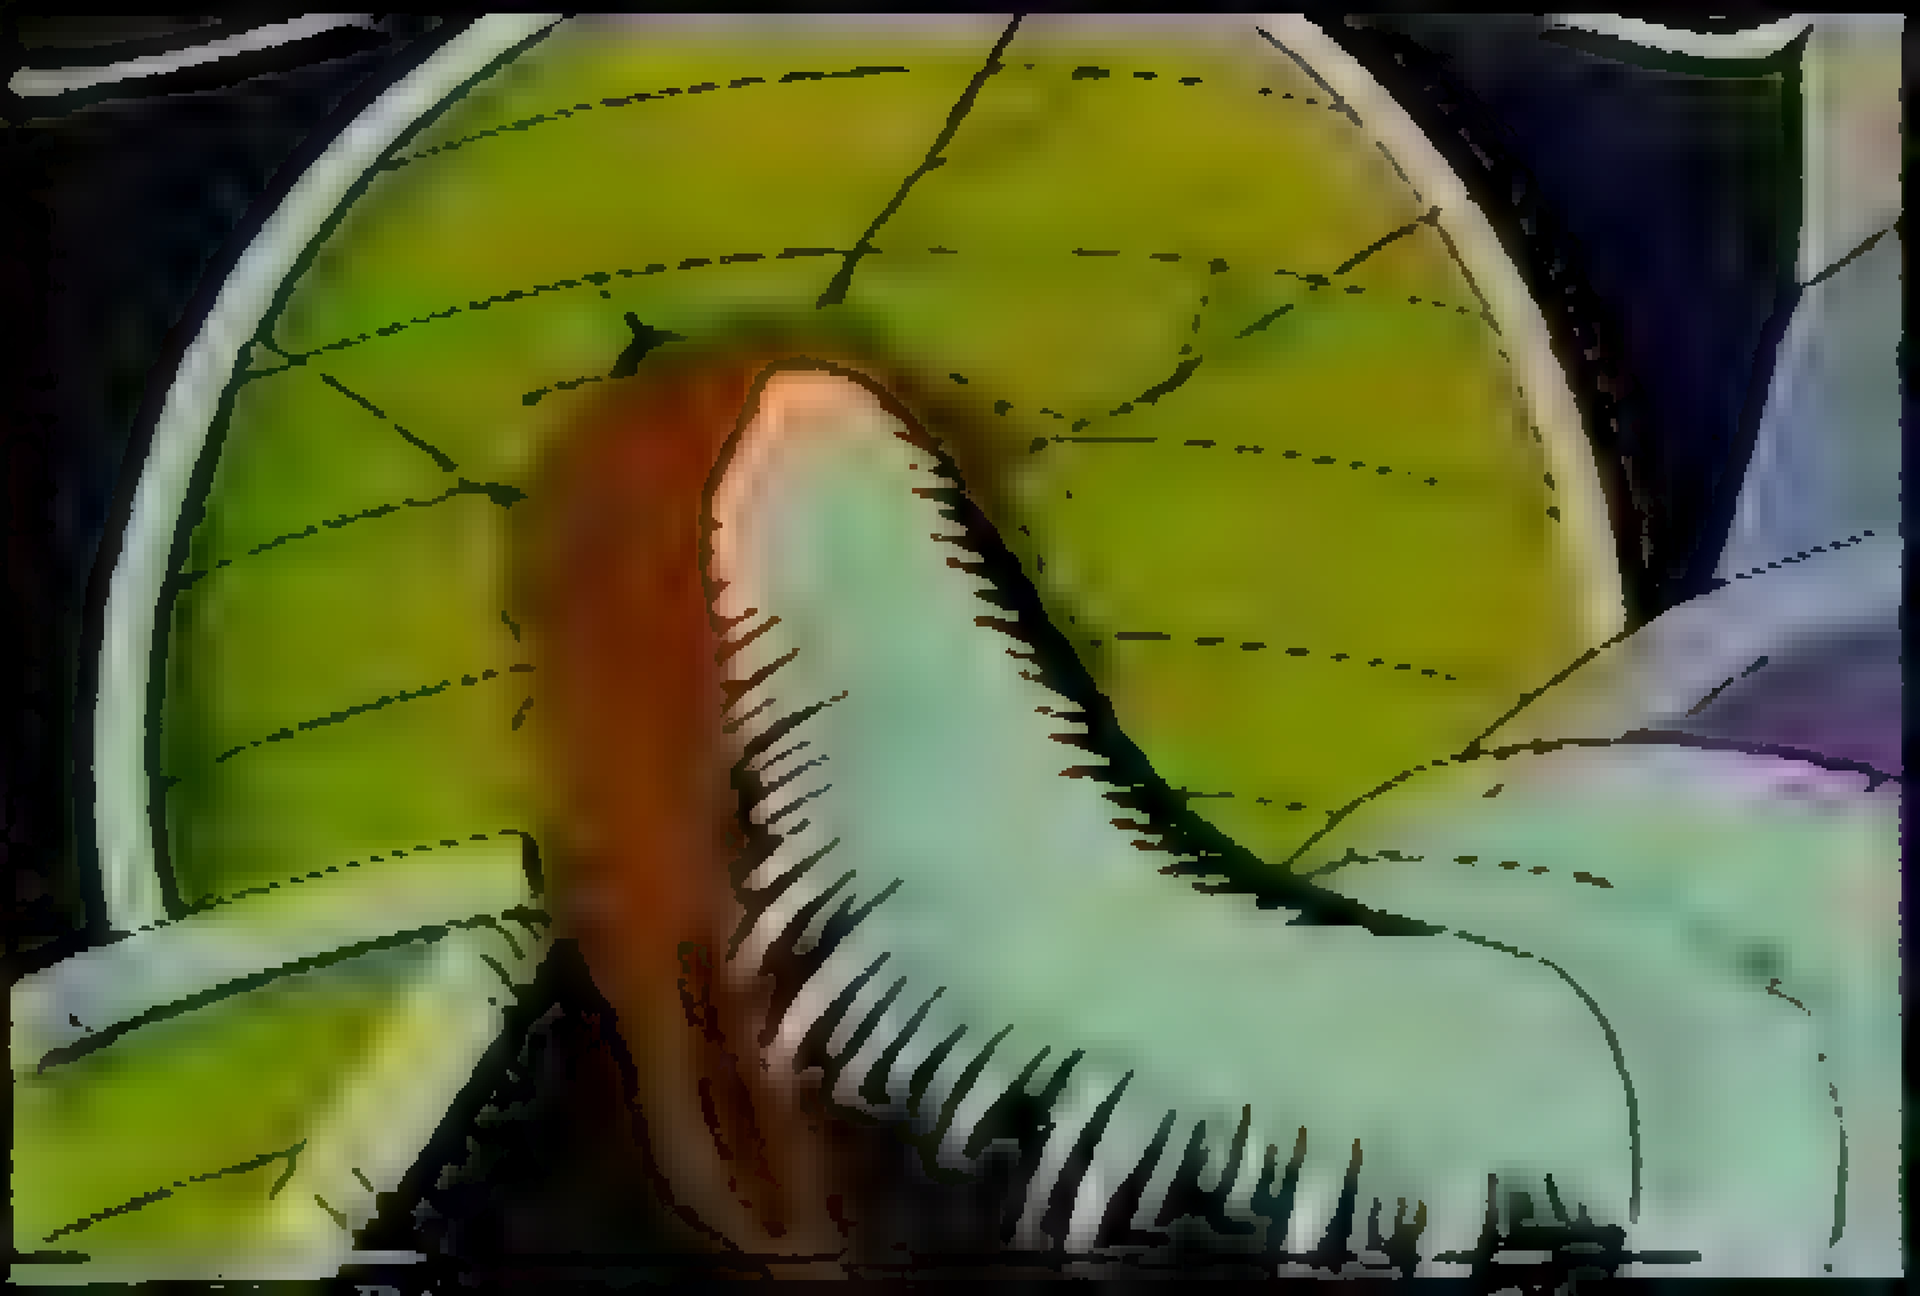

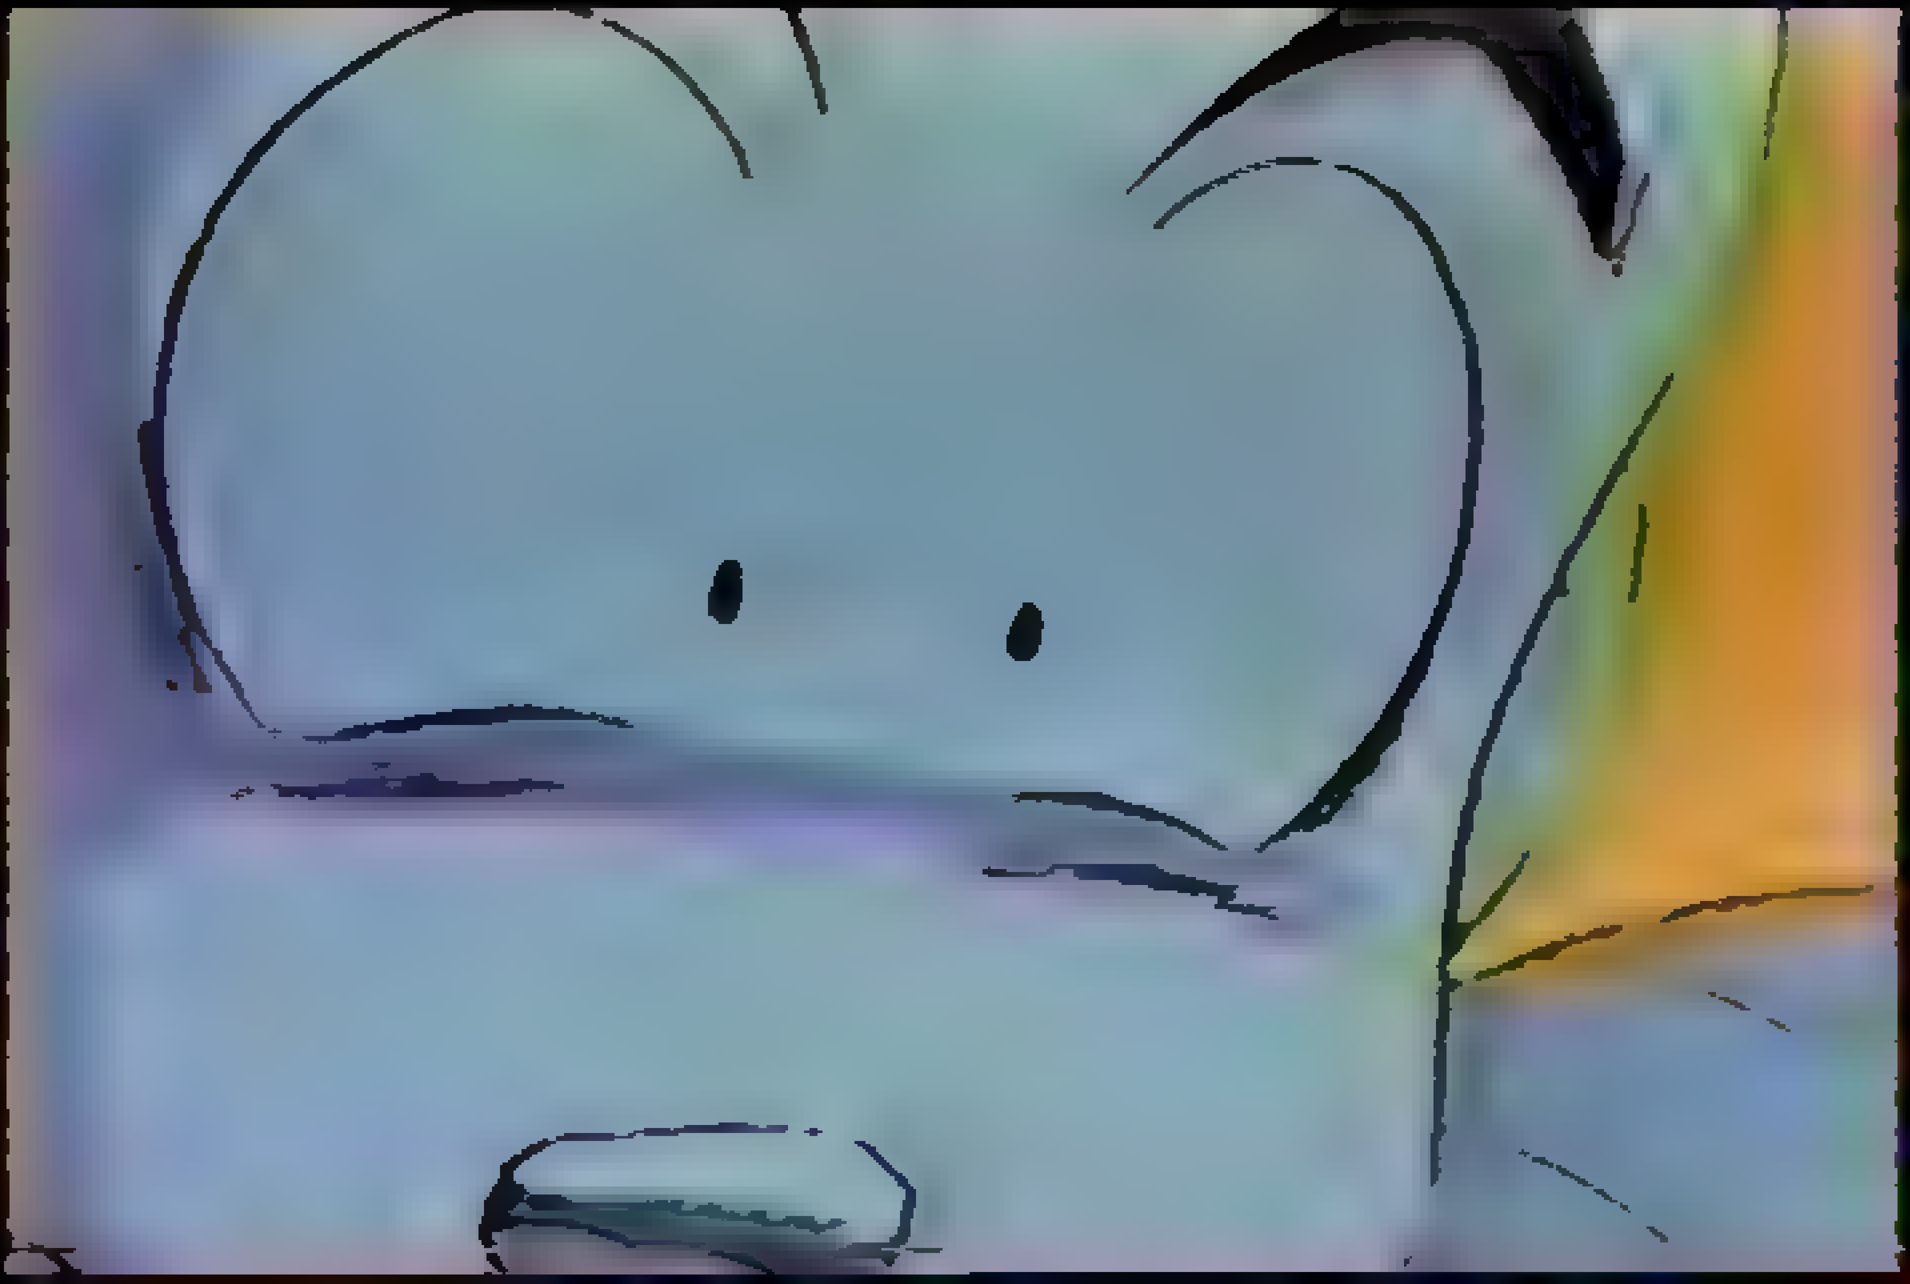

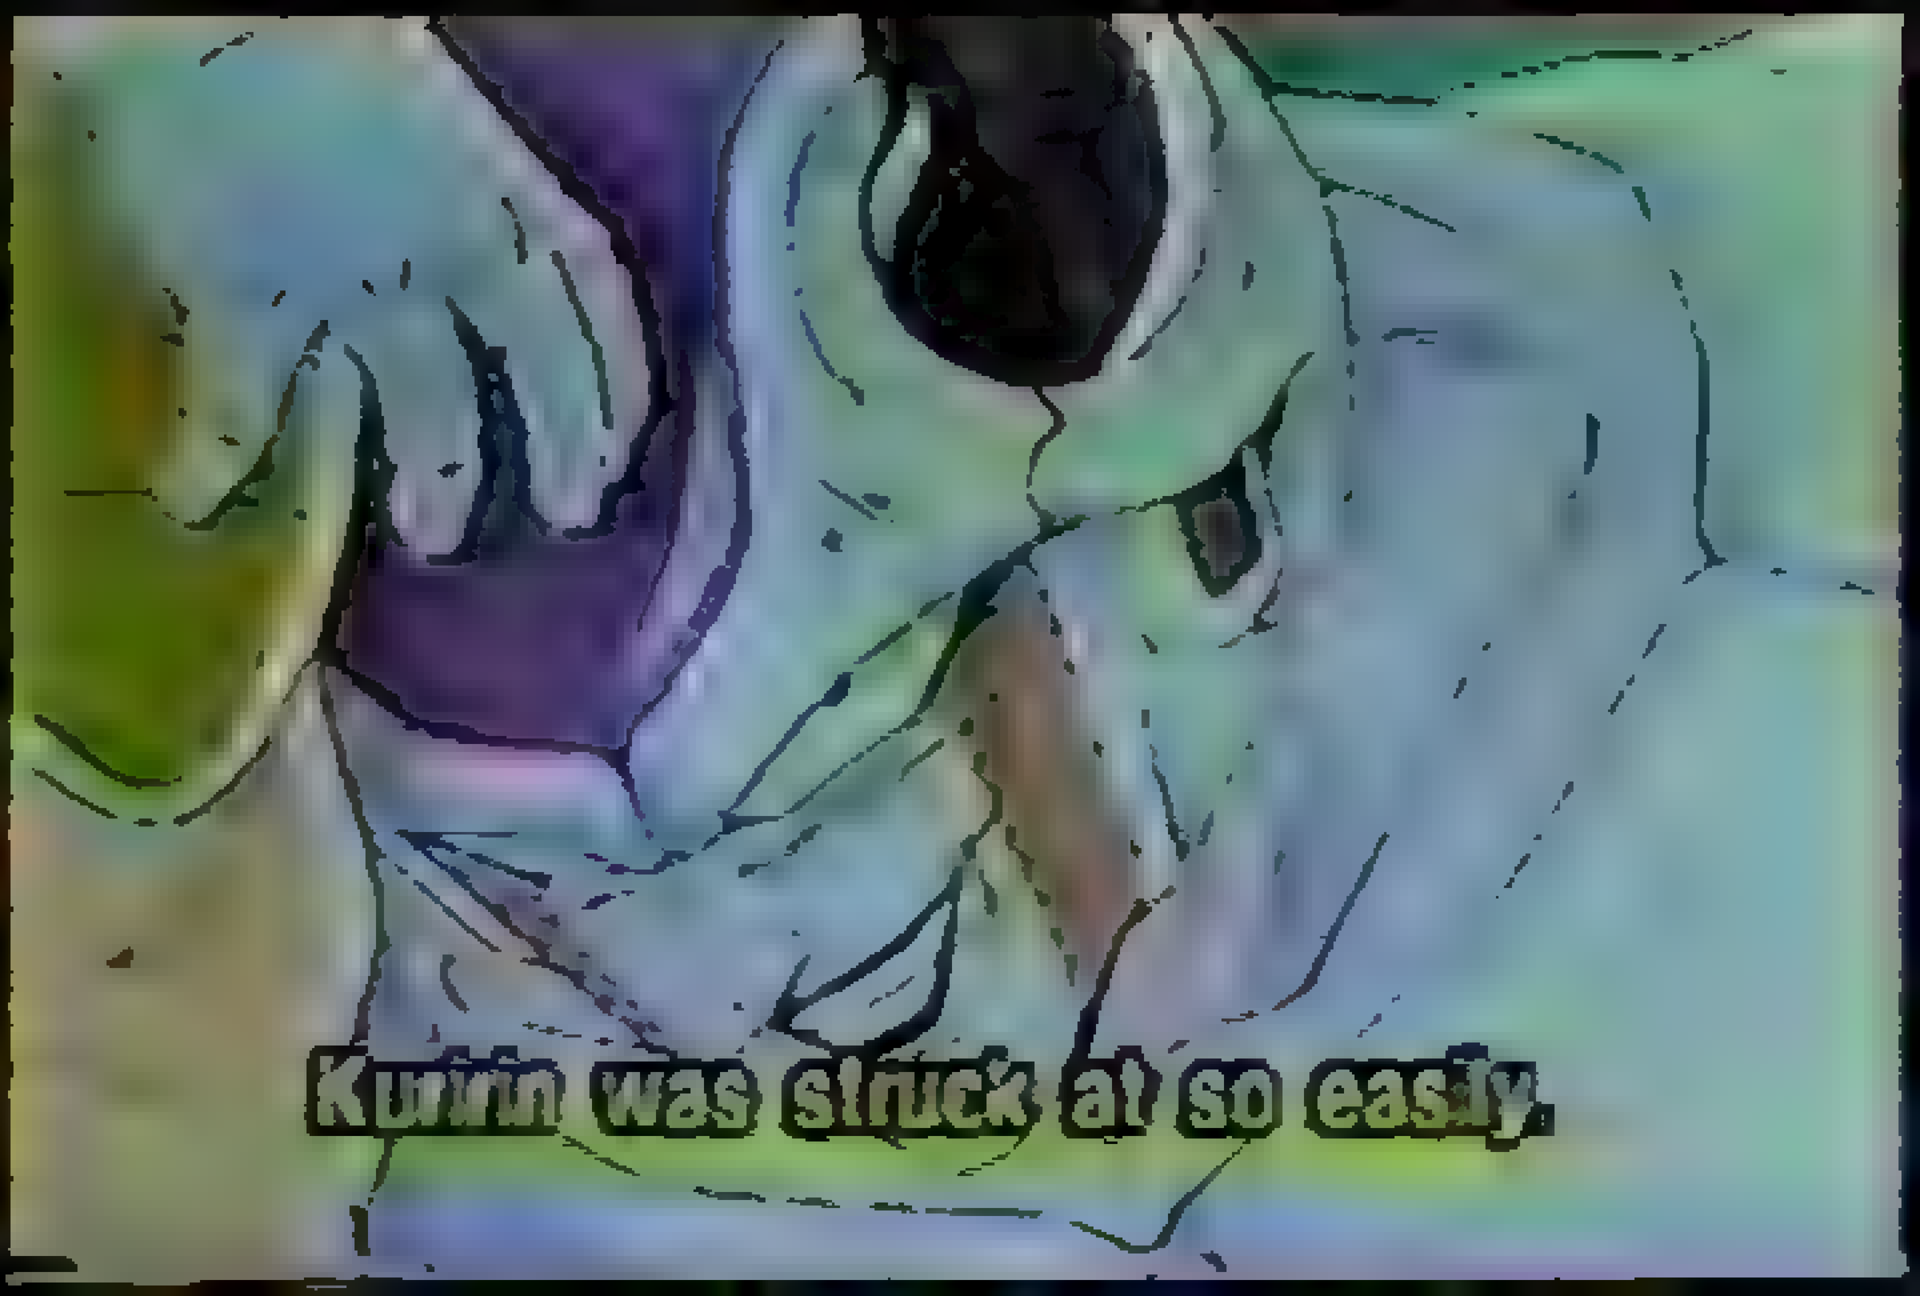

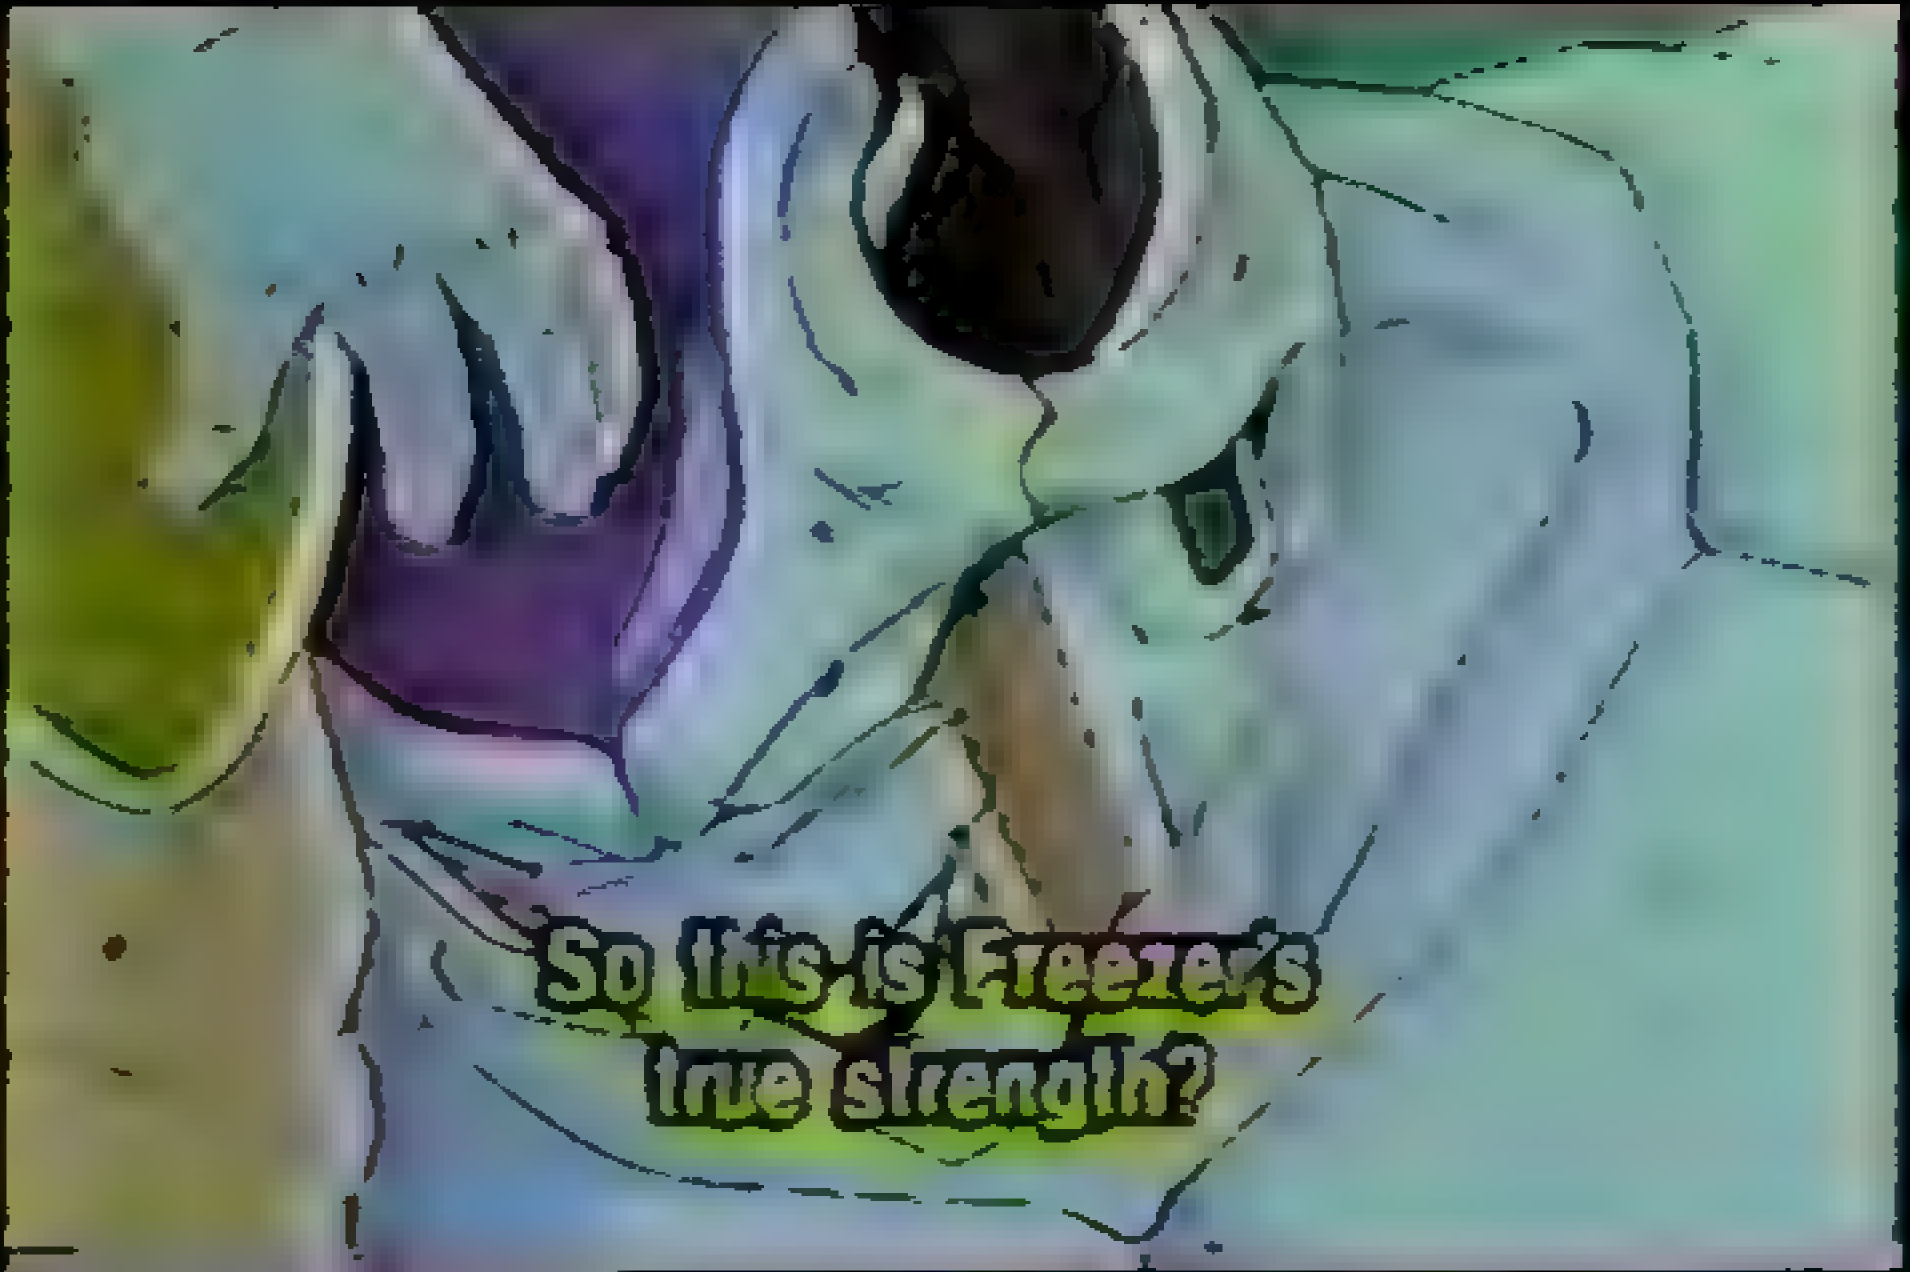

Kuririn was struck at so easily.

Kuririn was struck at so easily.

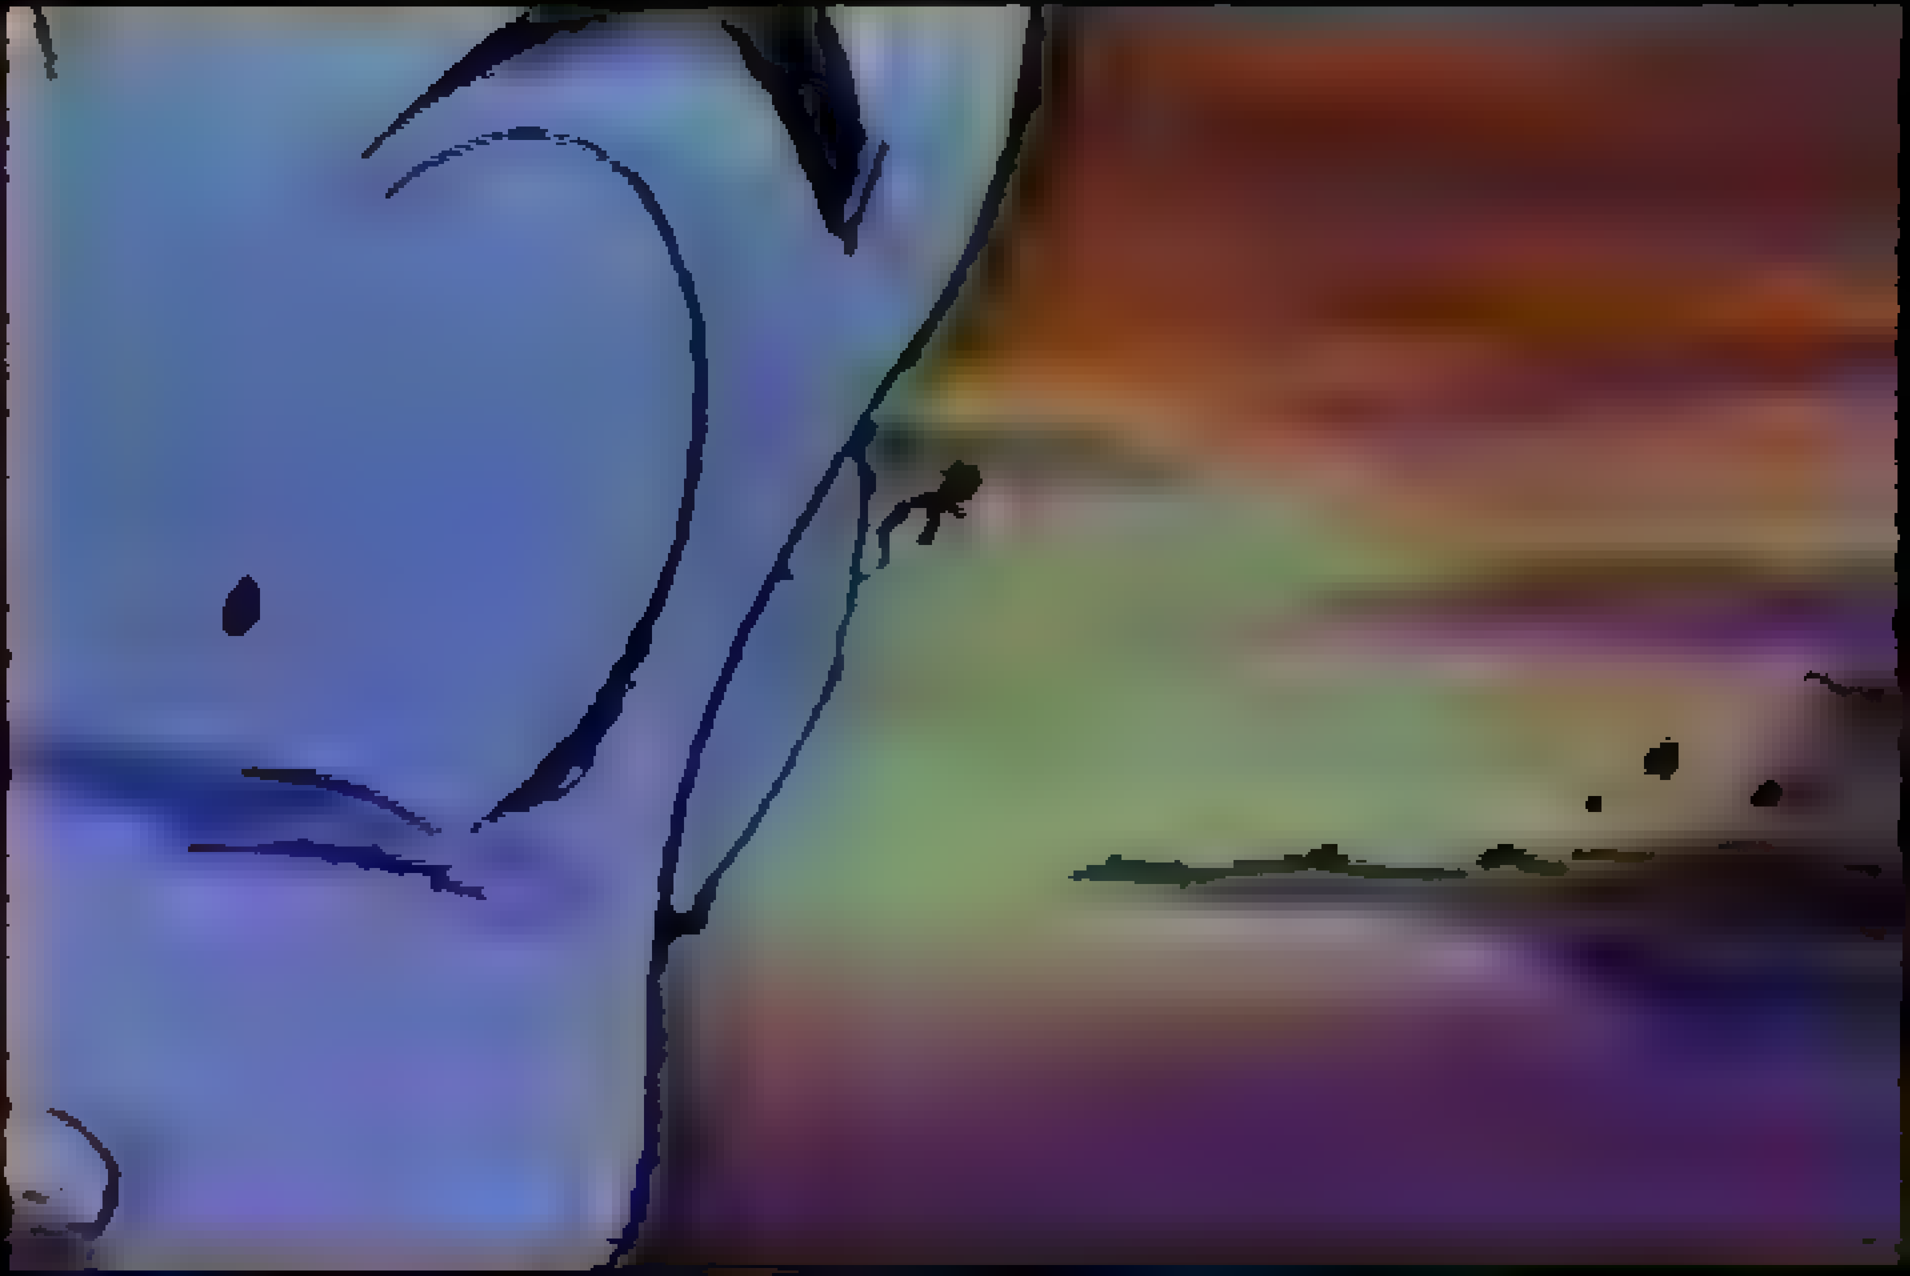

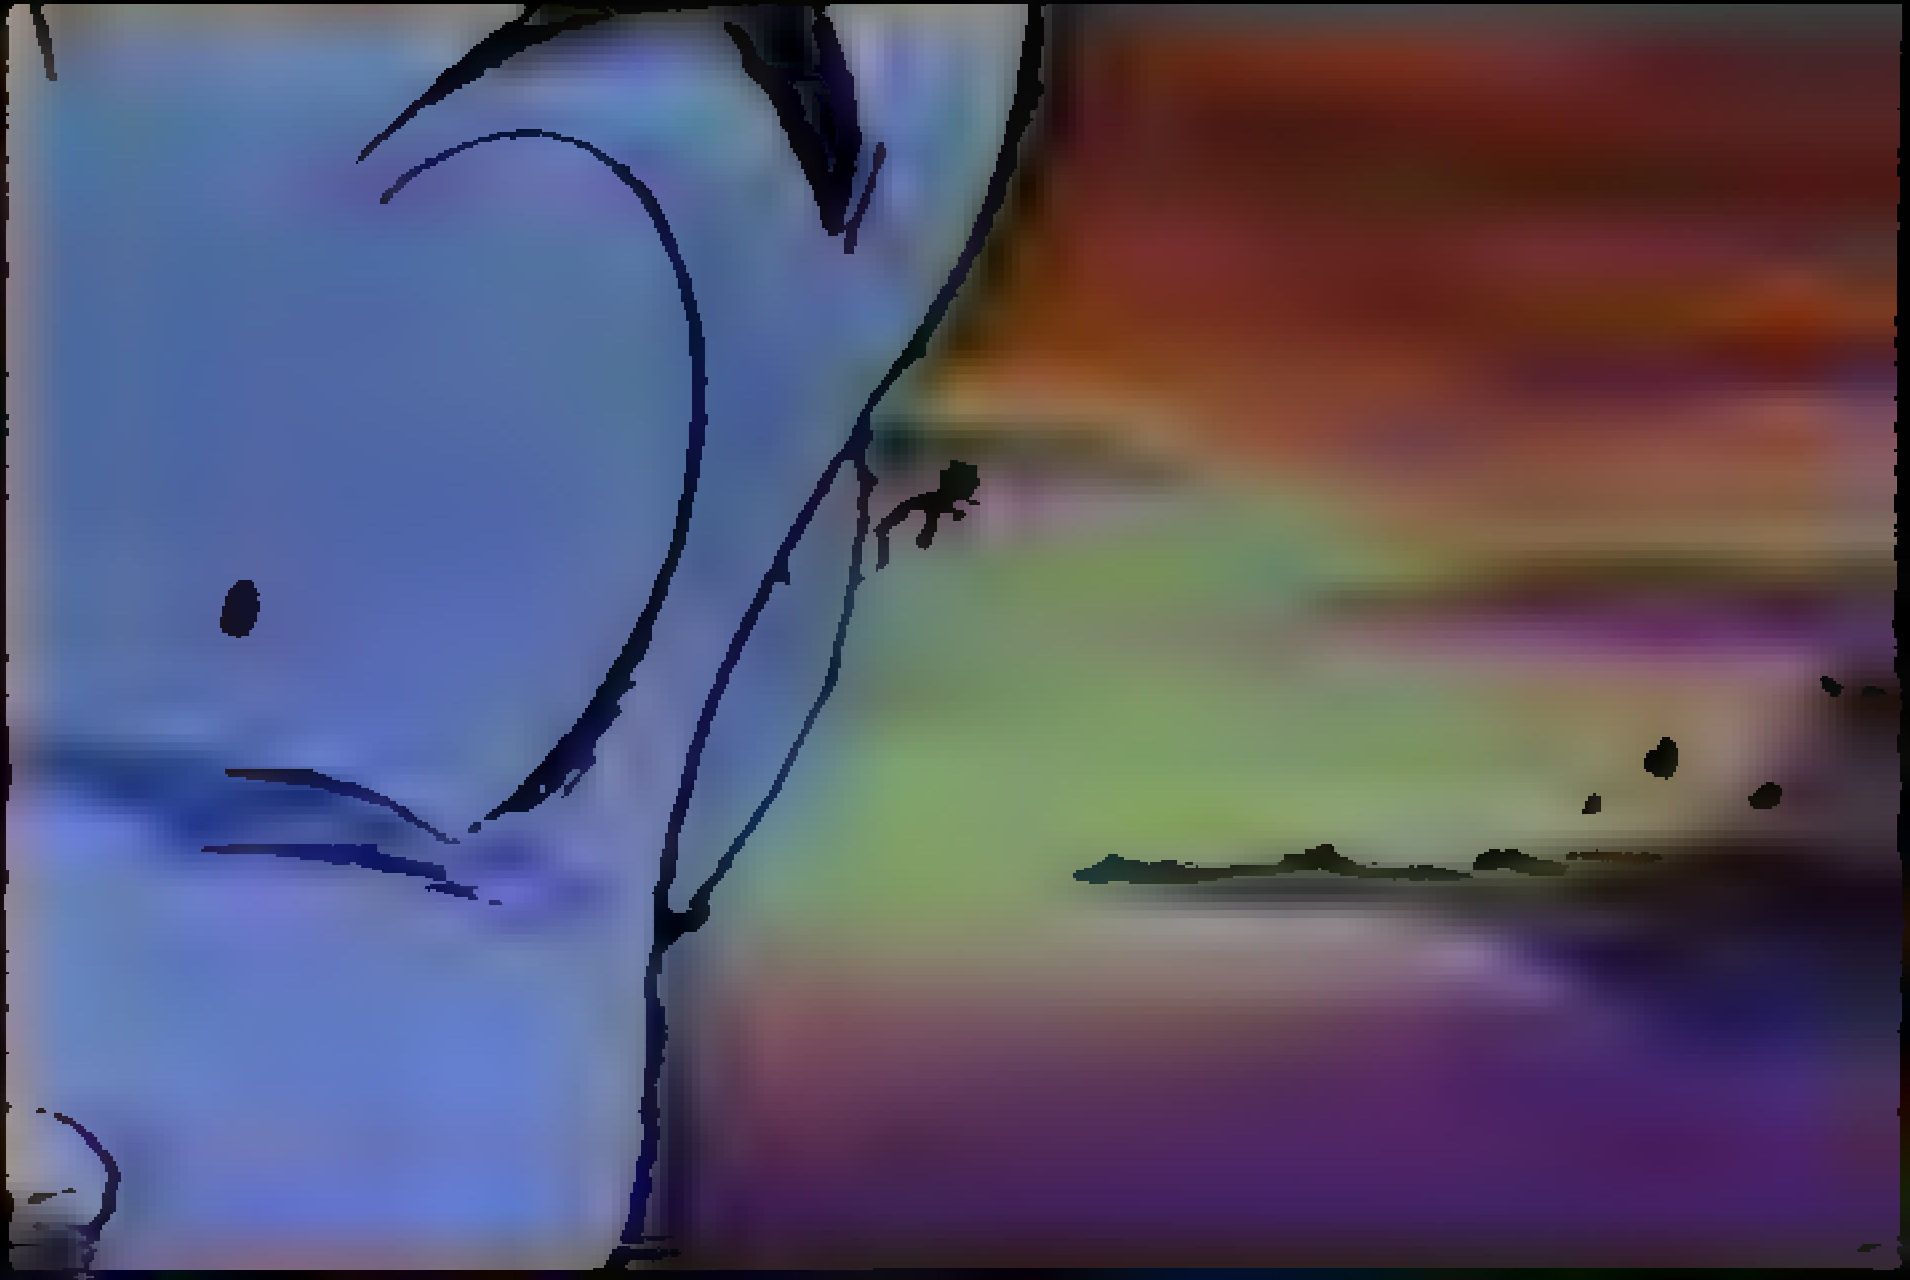

So this is Freezer's
true strength?

Kuriin!

Mr. Piccolo will do it.

After all, he taught you.

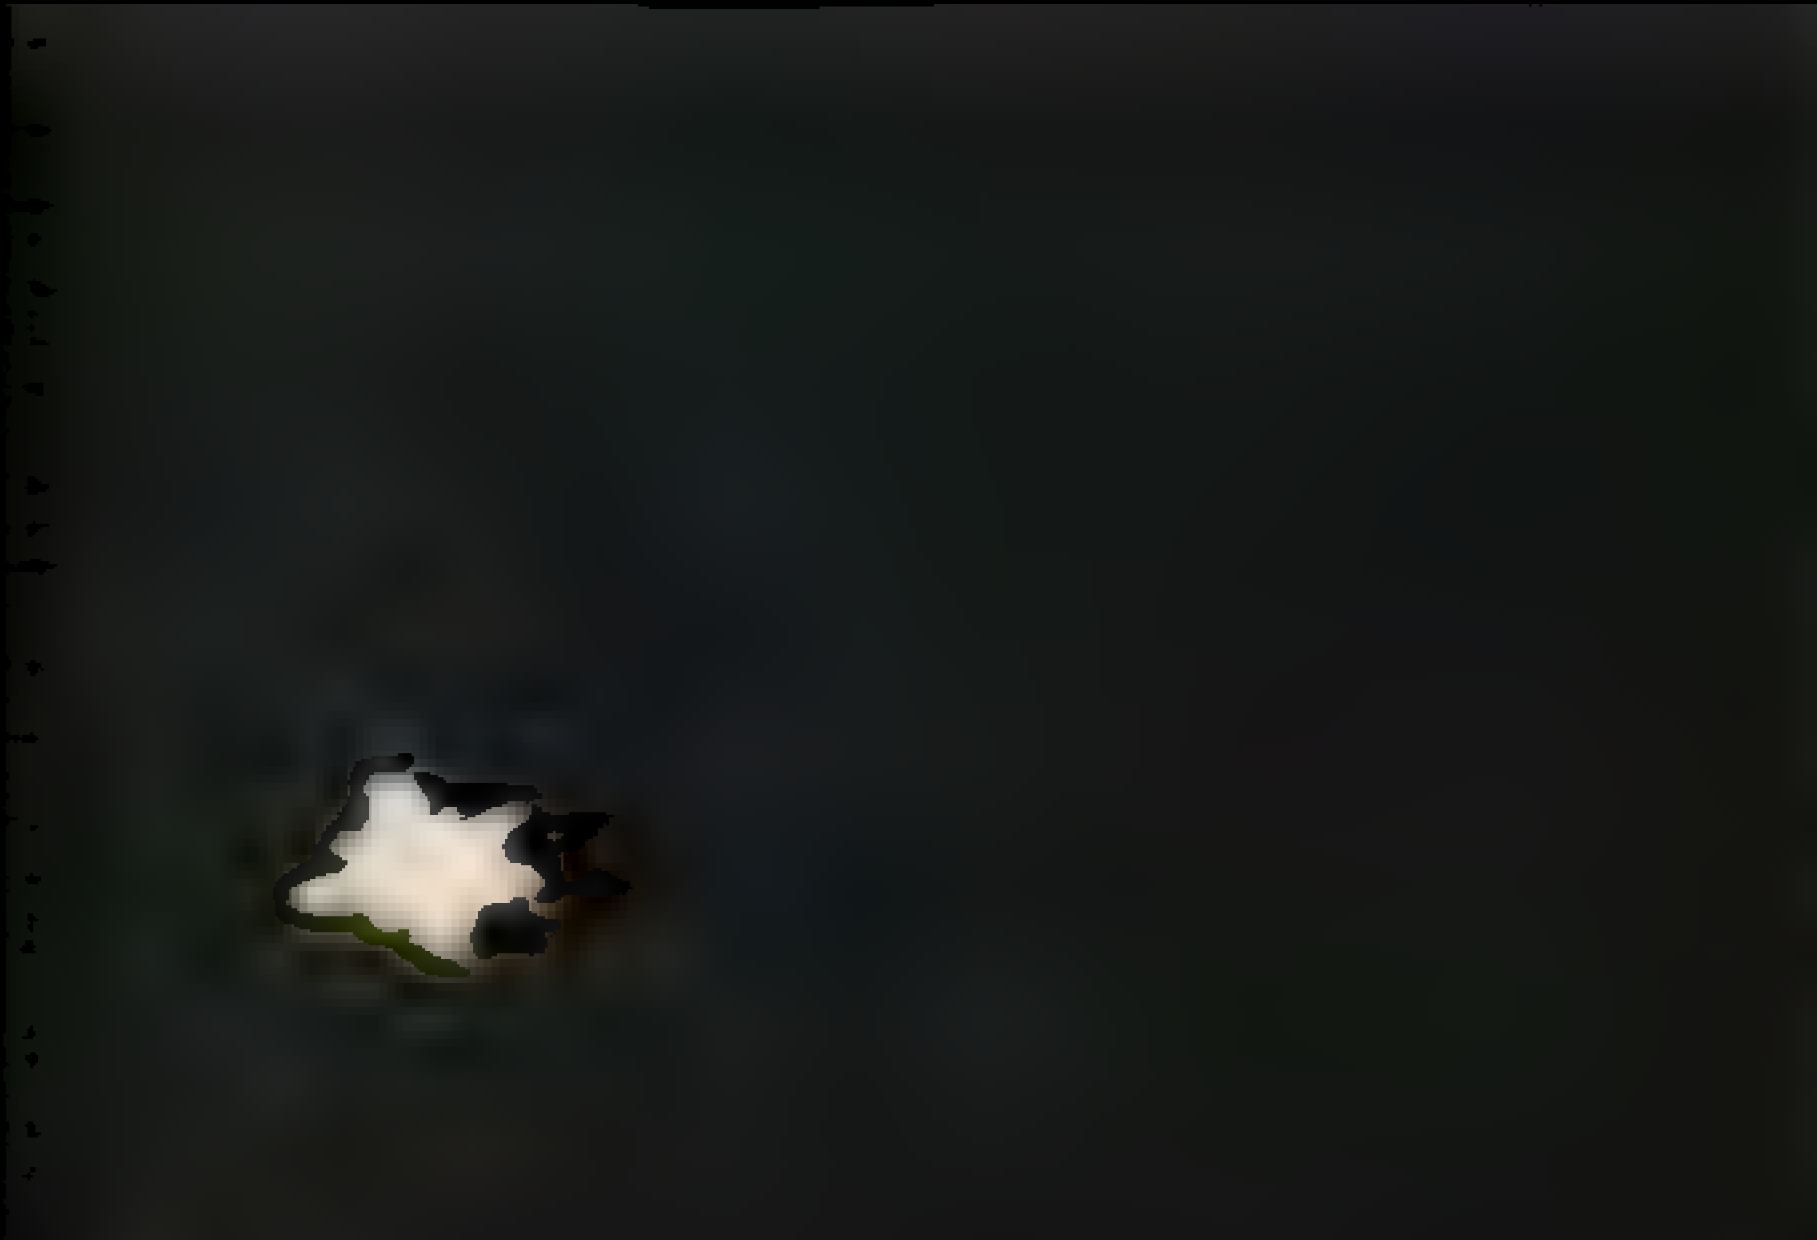

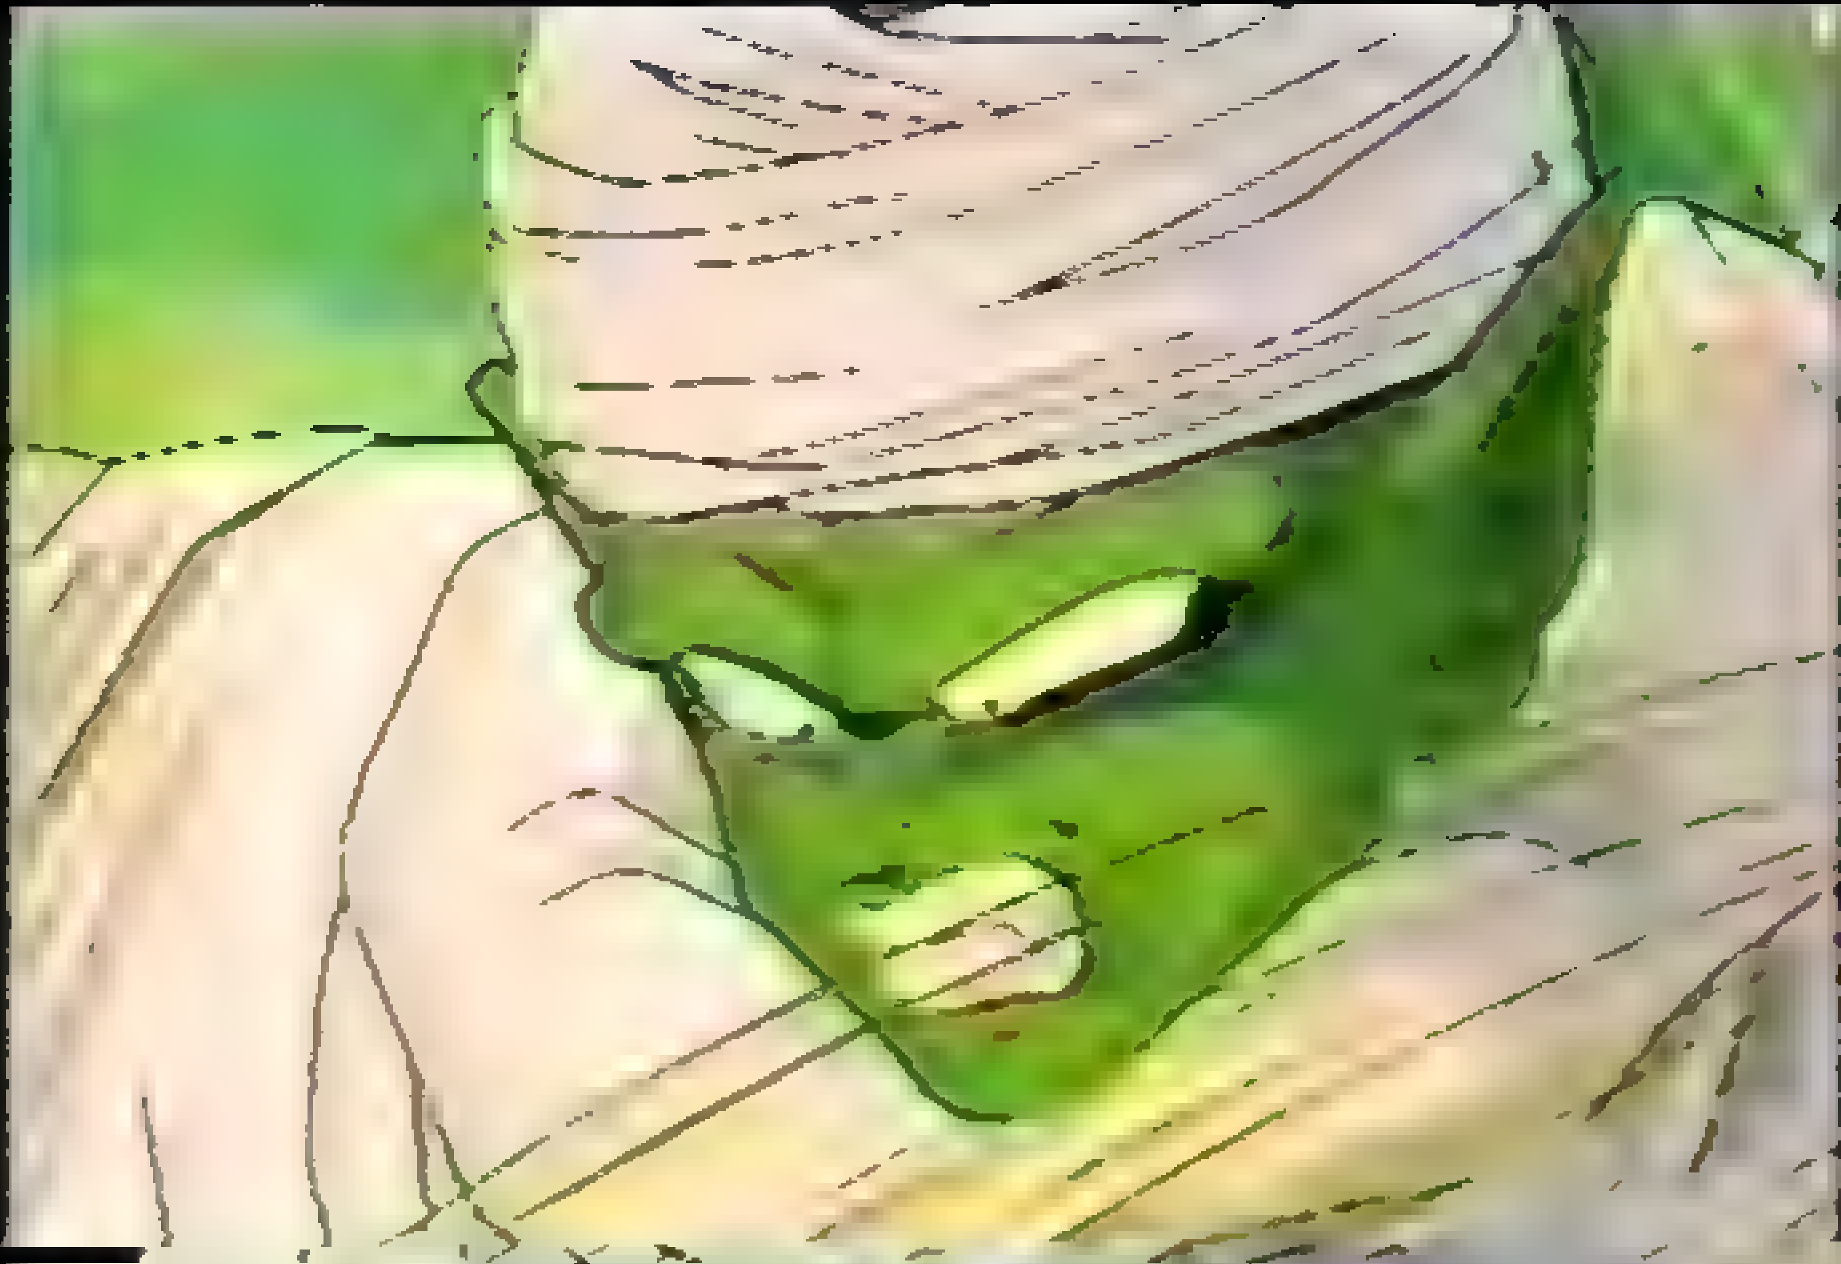

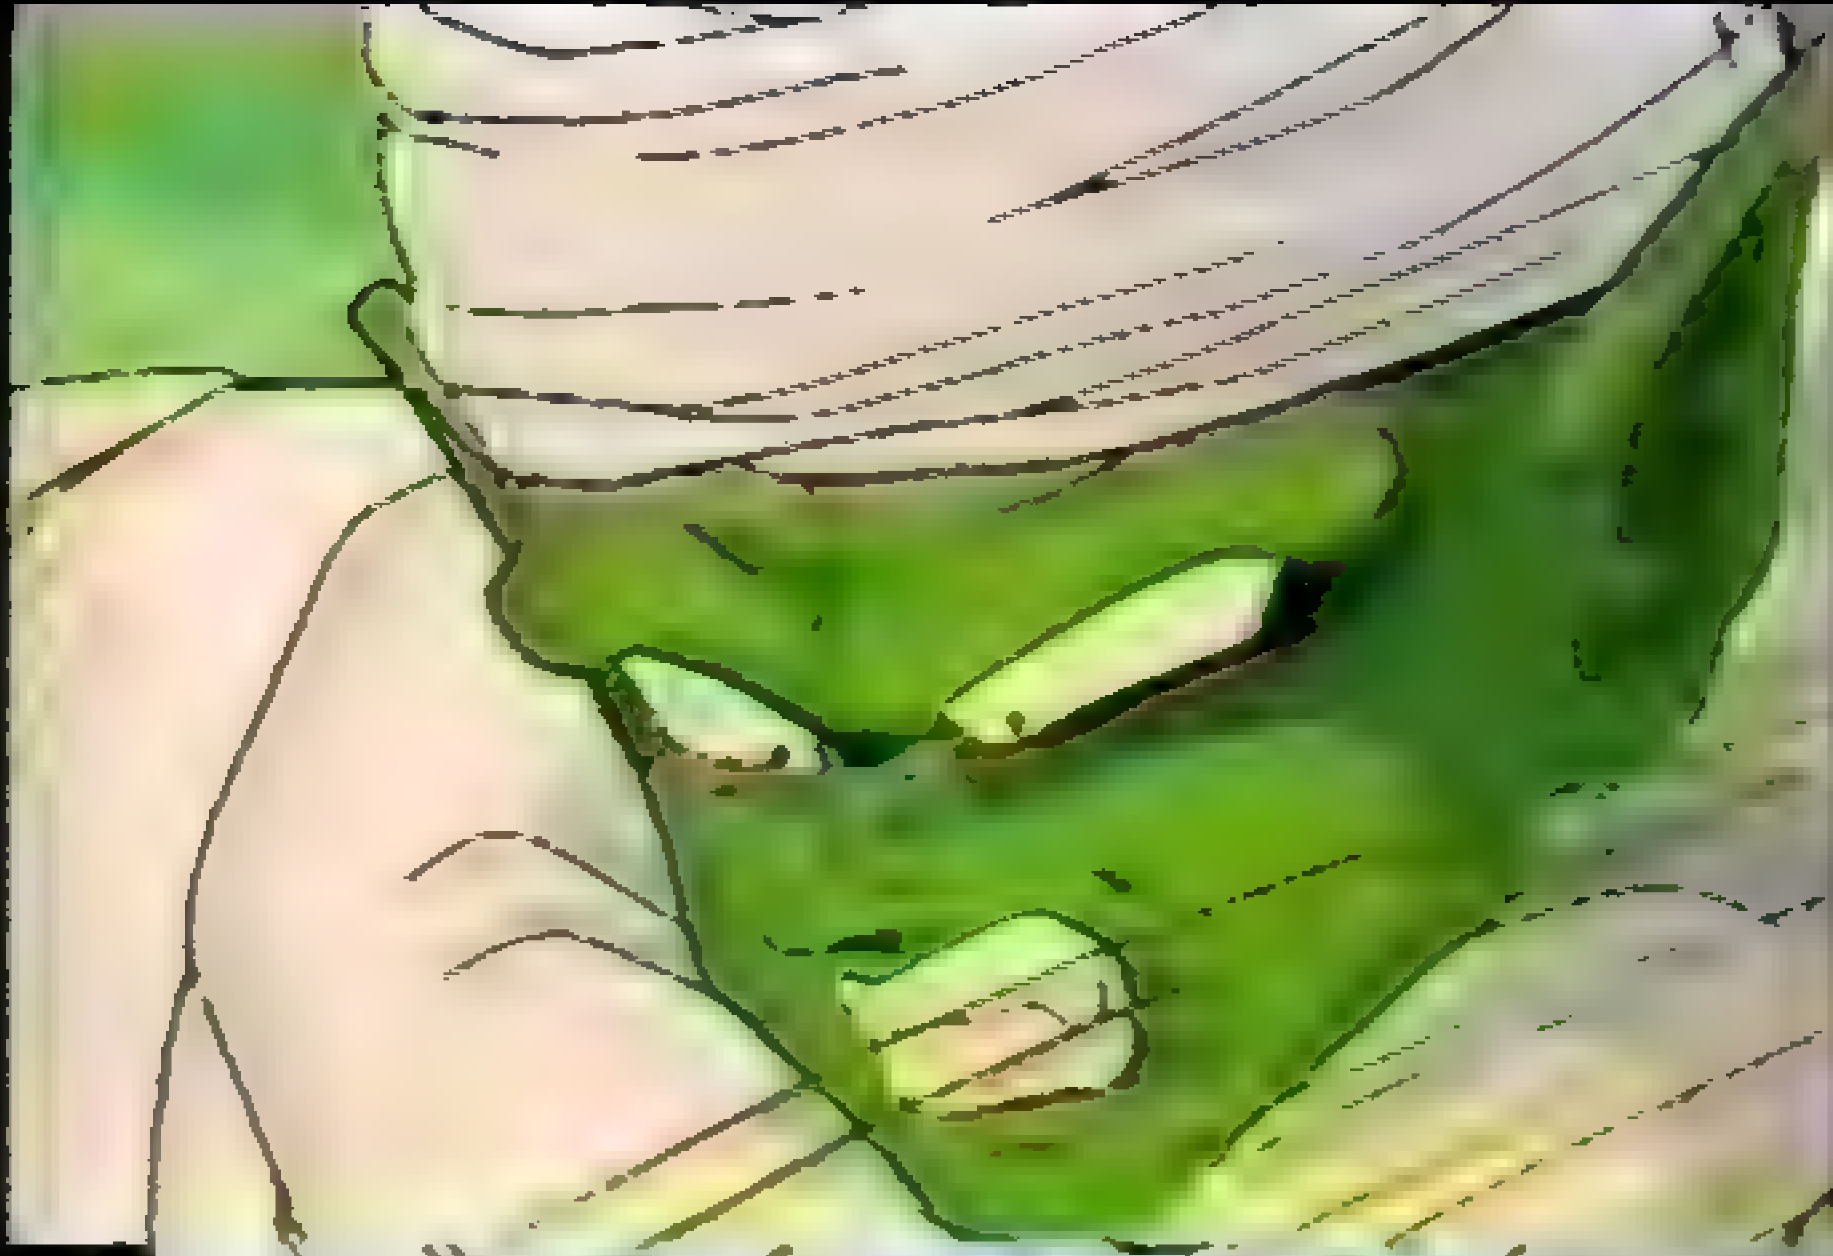

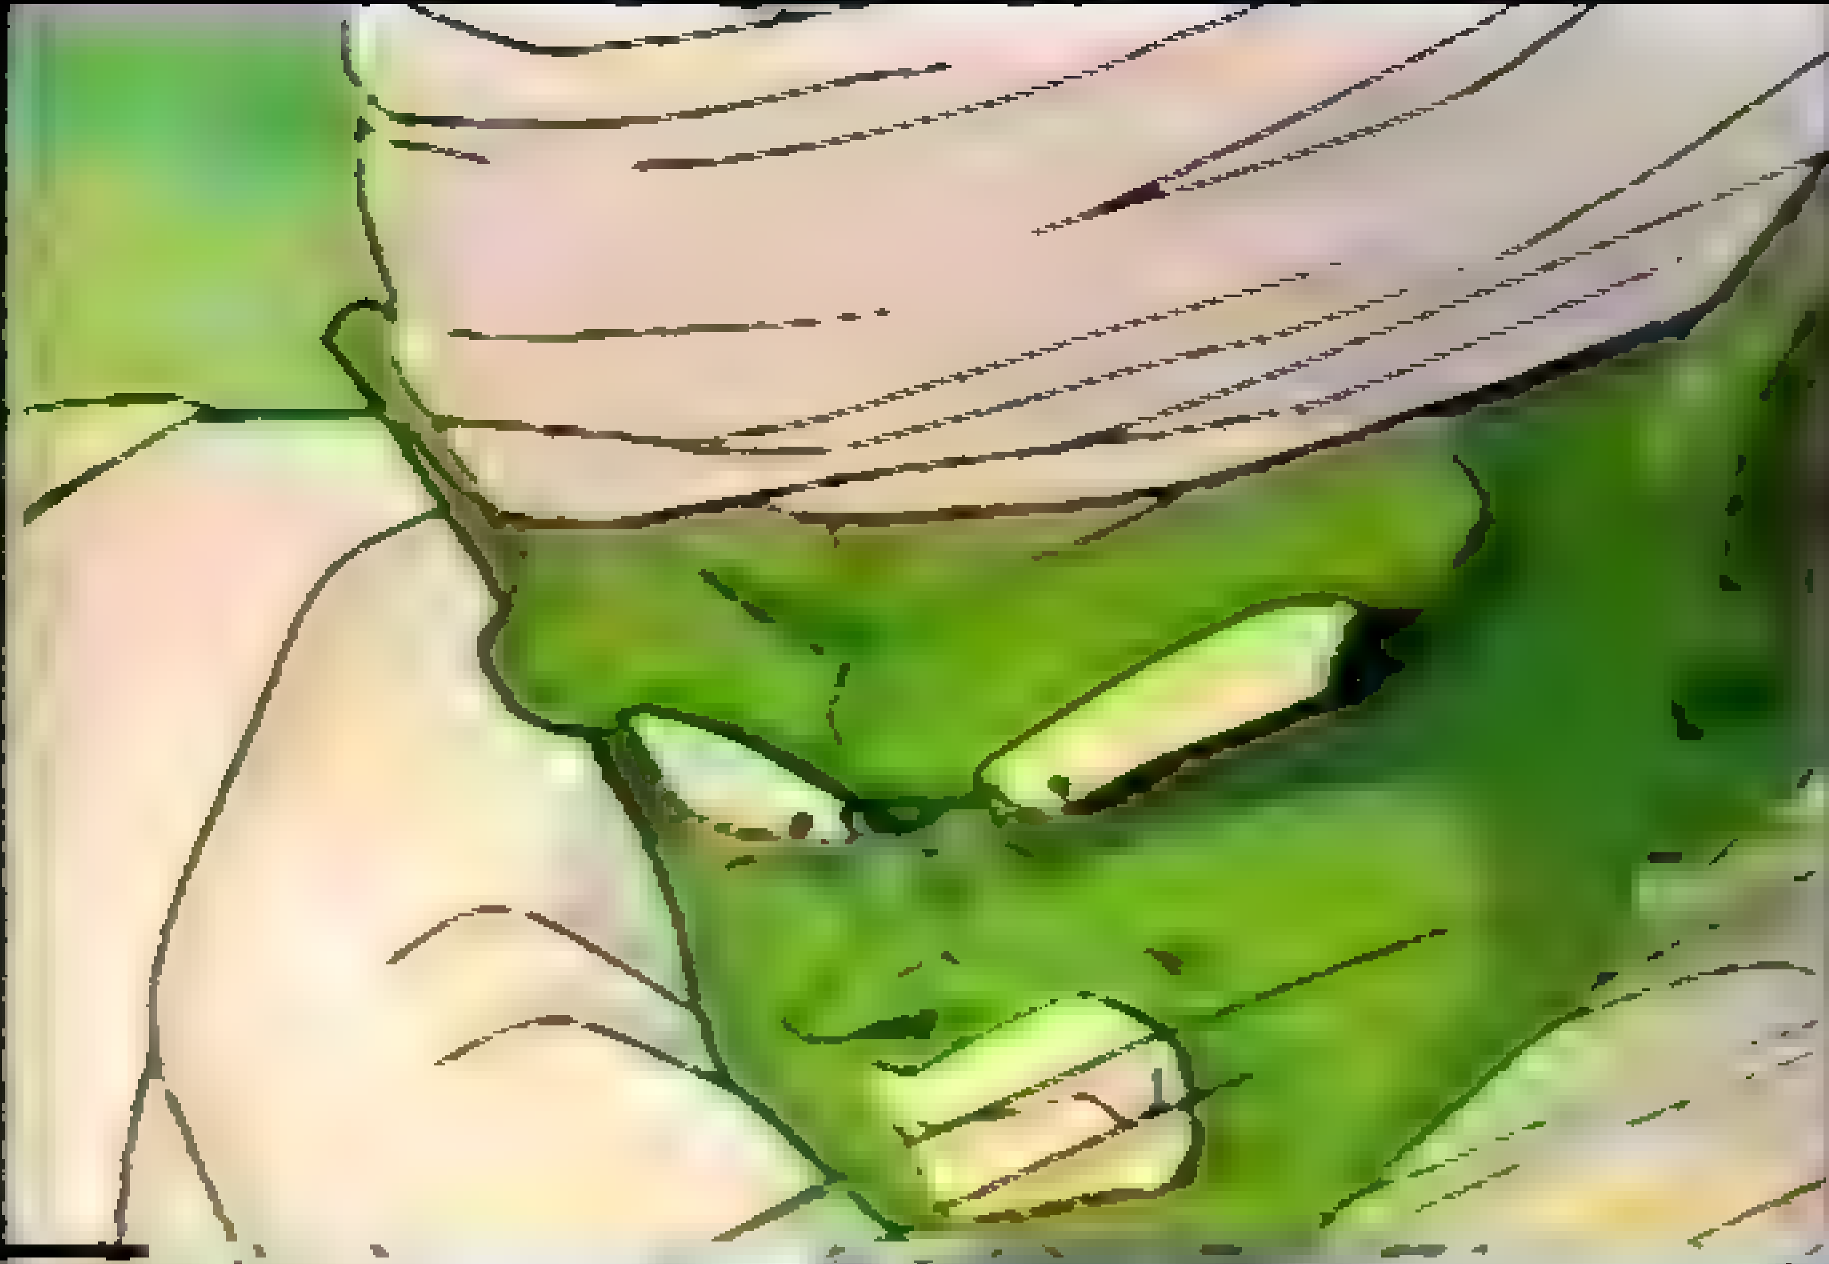

Did he...?

DRAGON

Mr. Piccolo...

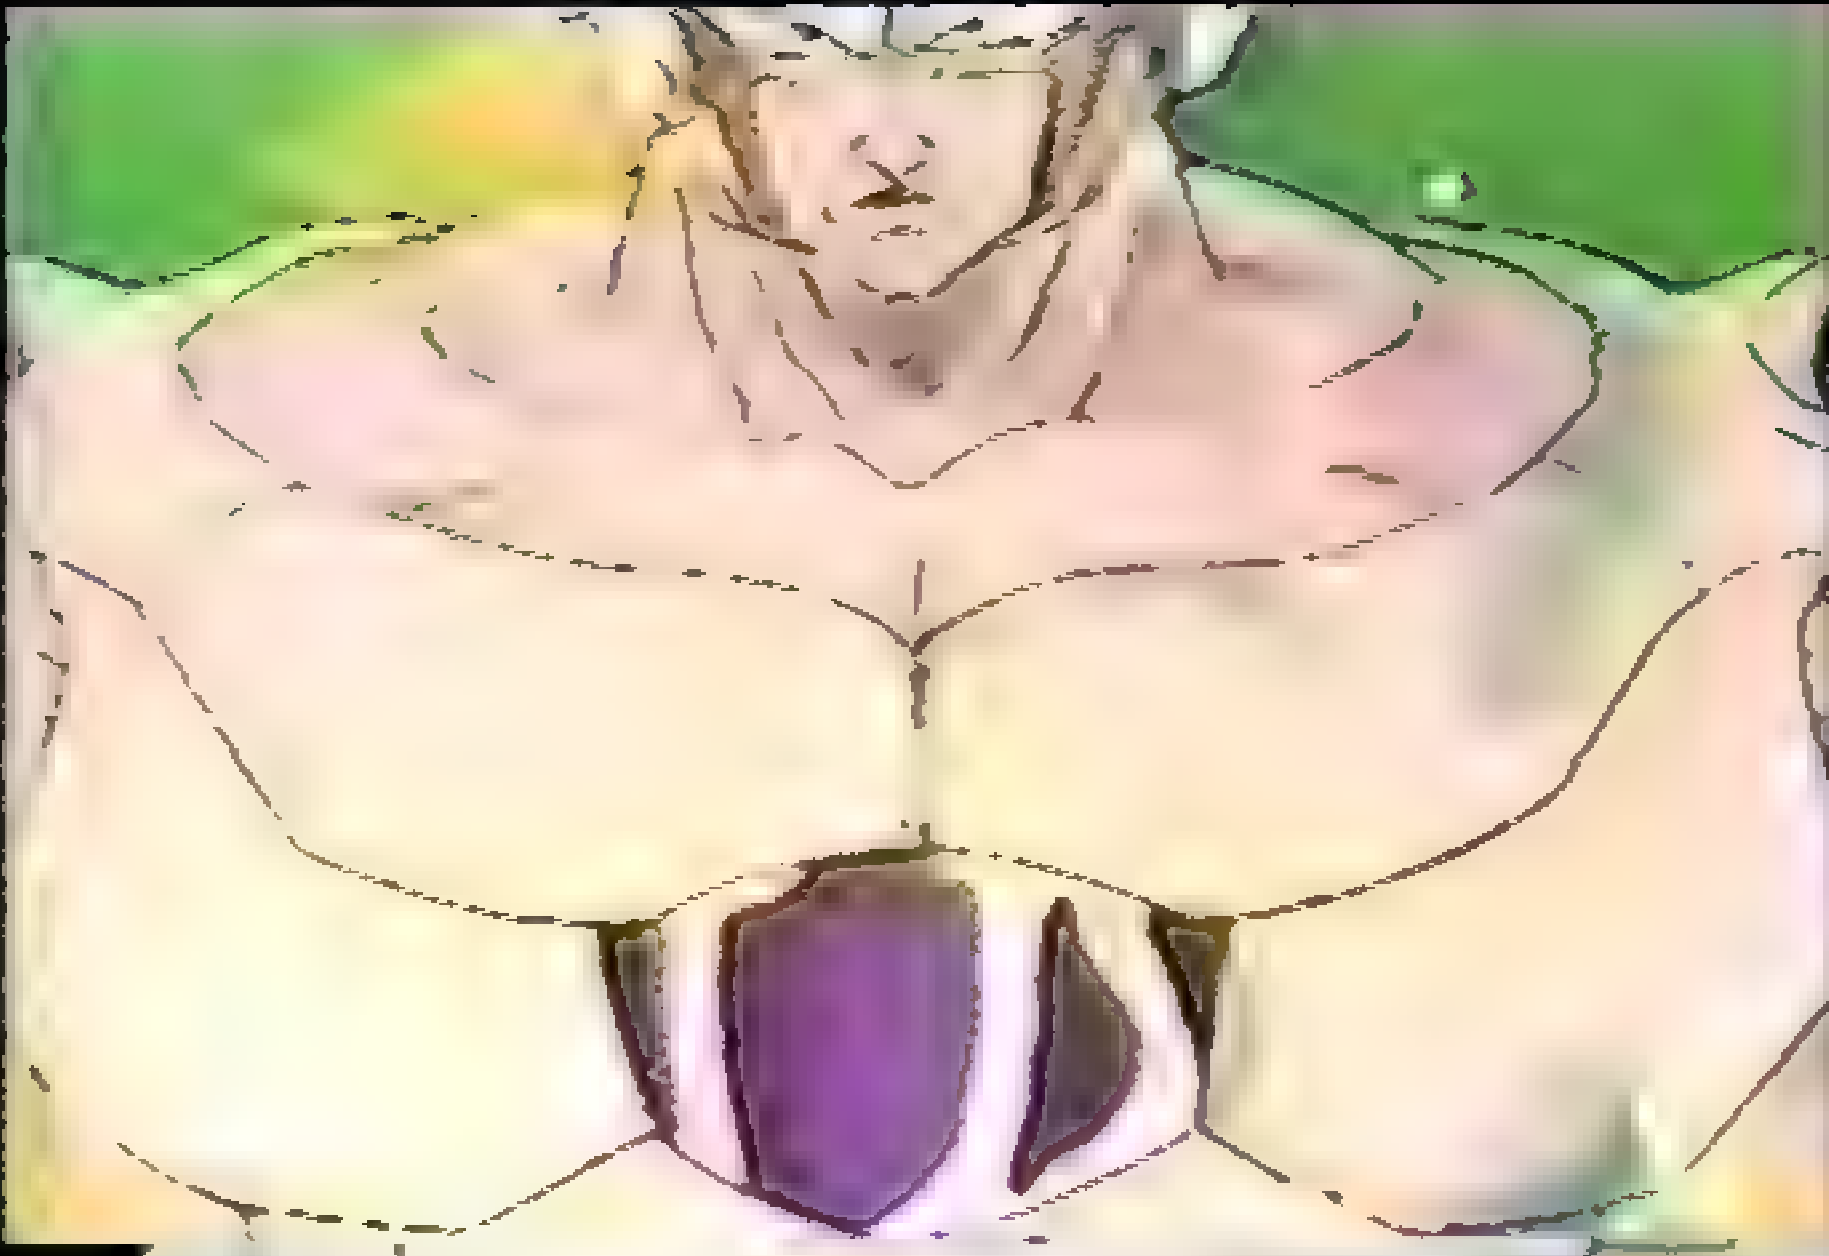

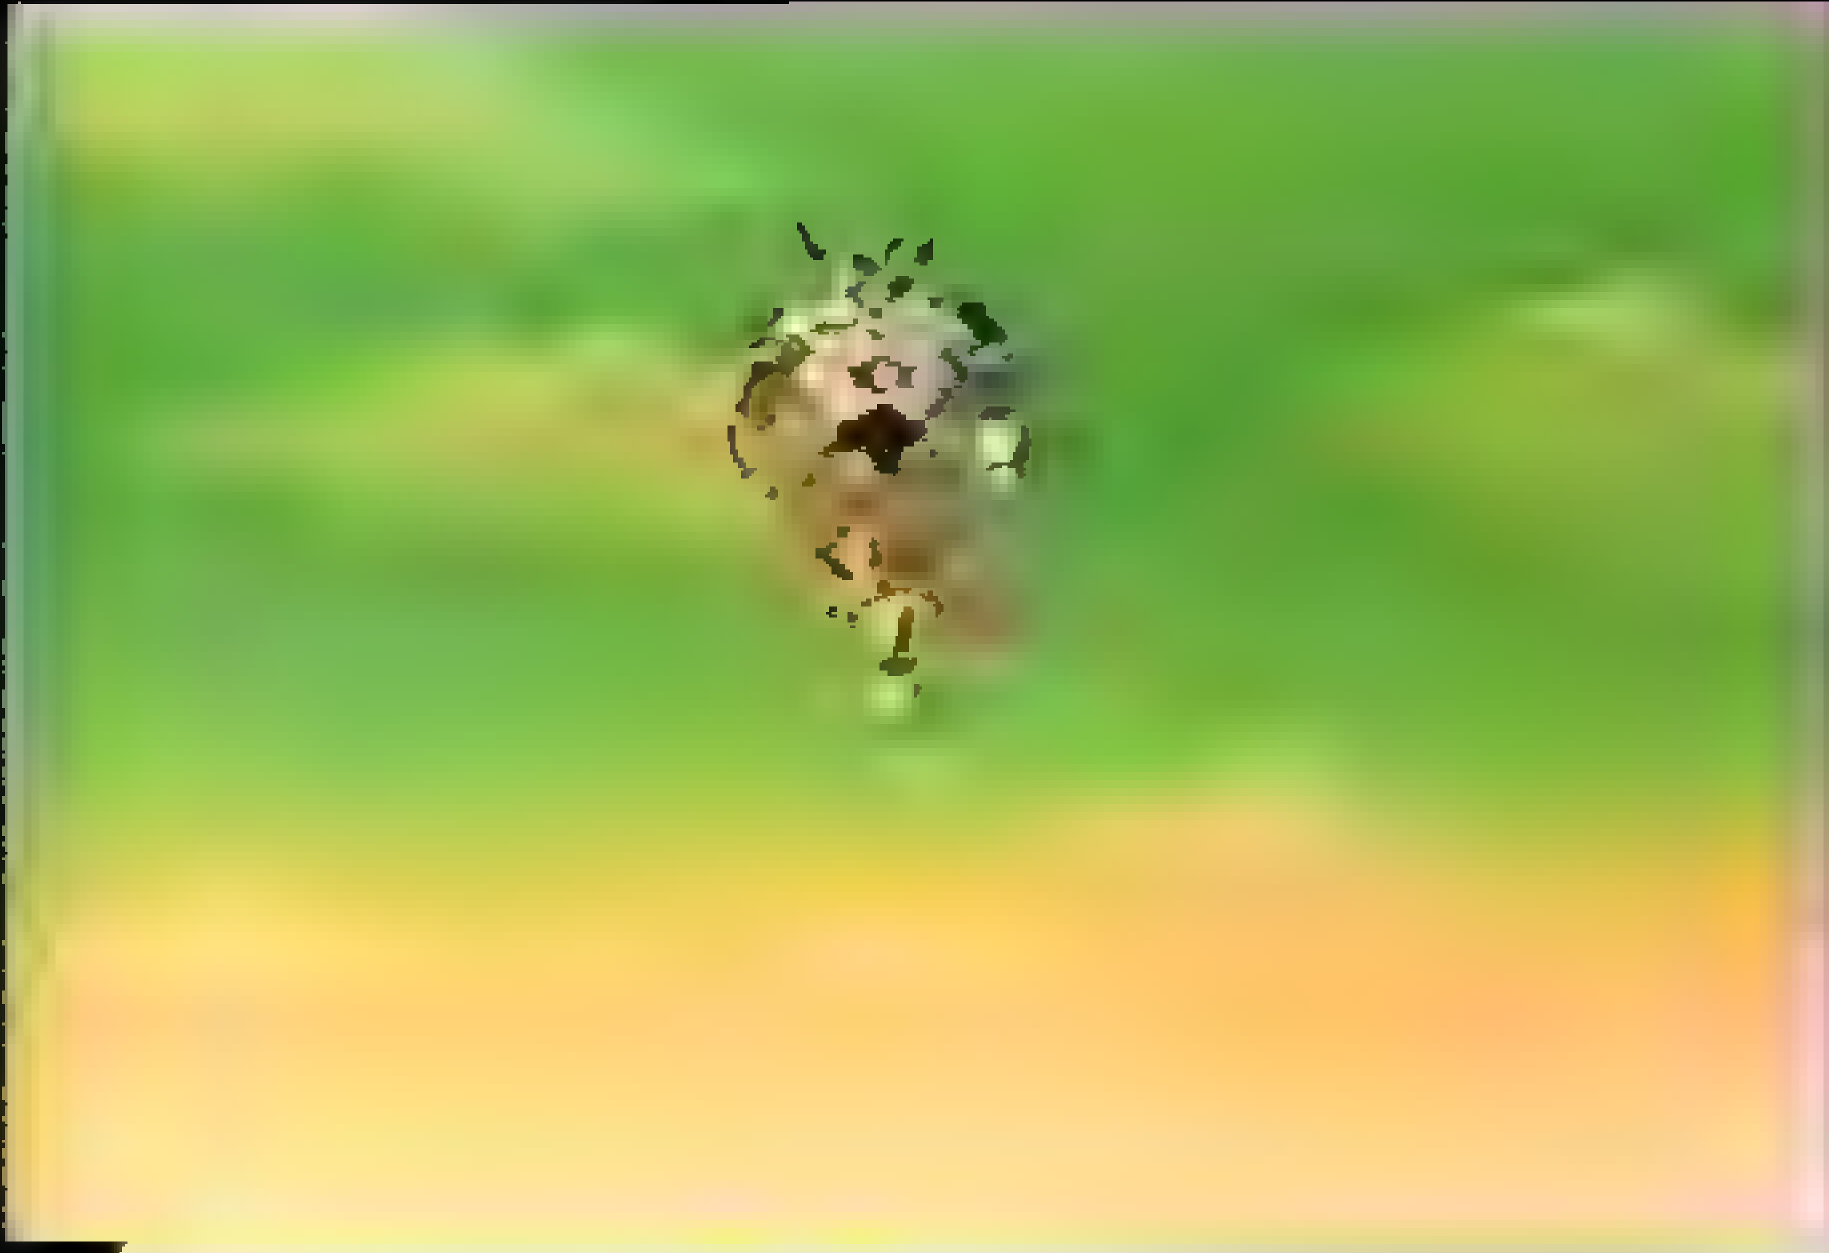

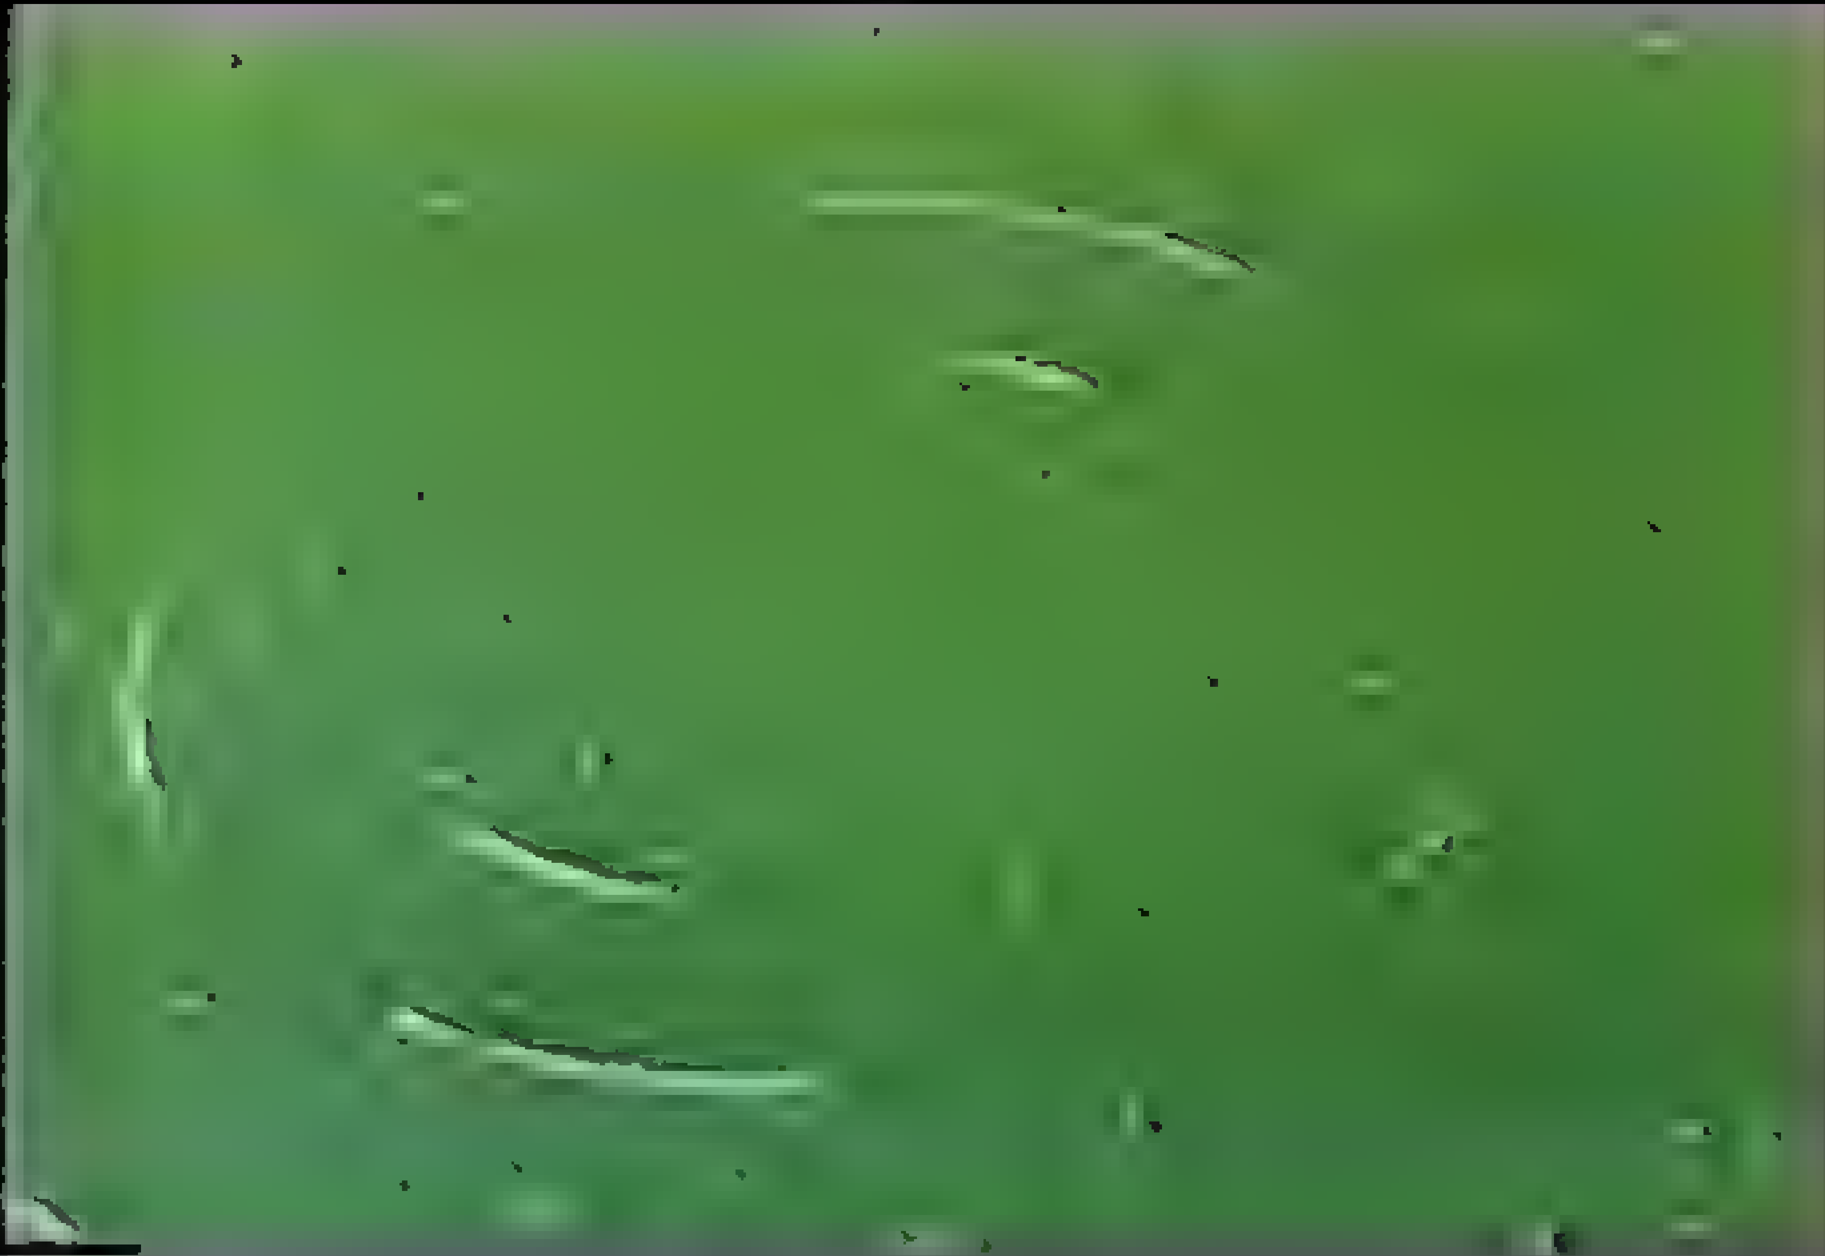

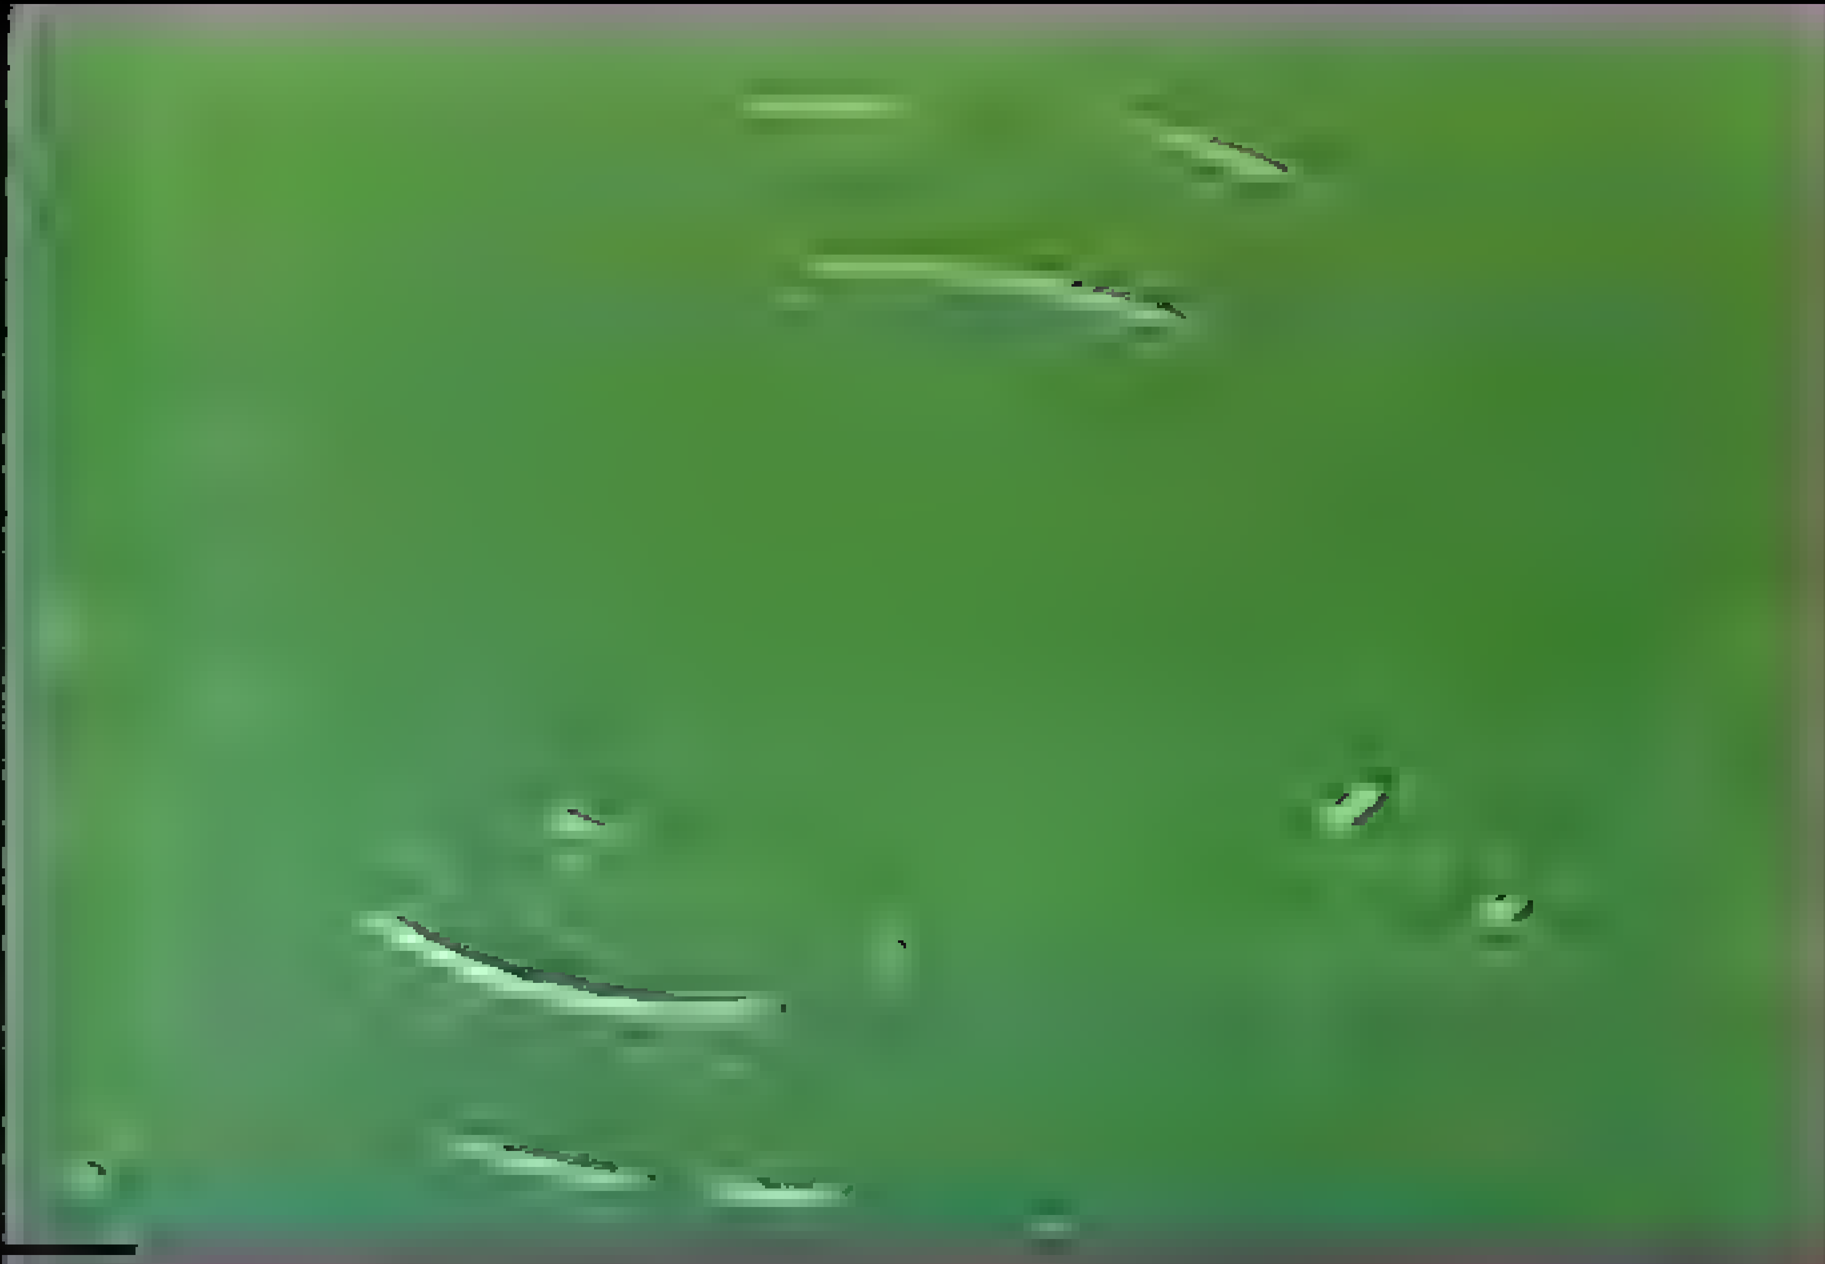

Mr. Piccolo!

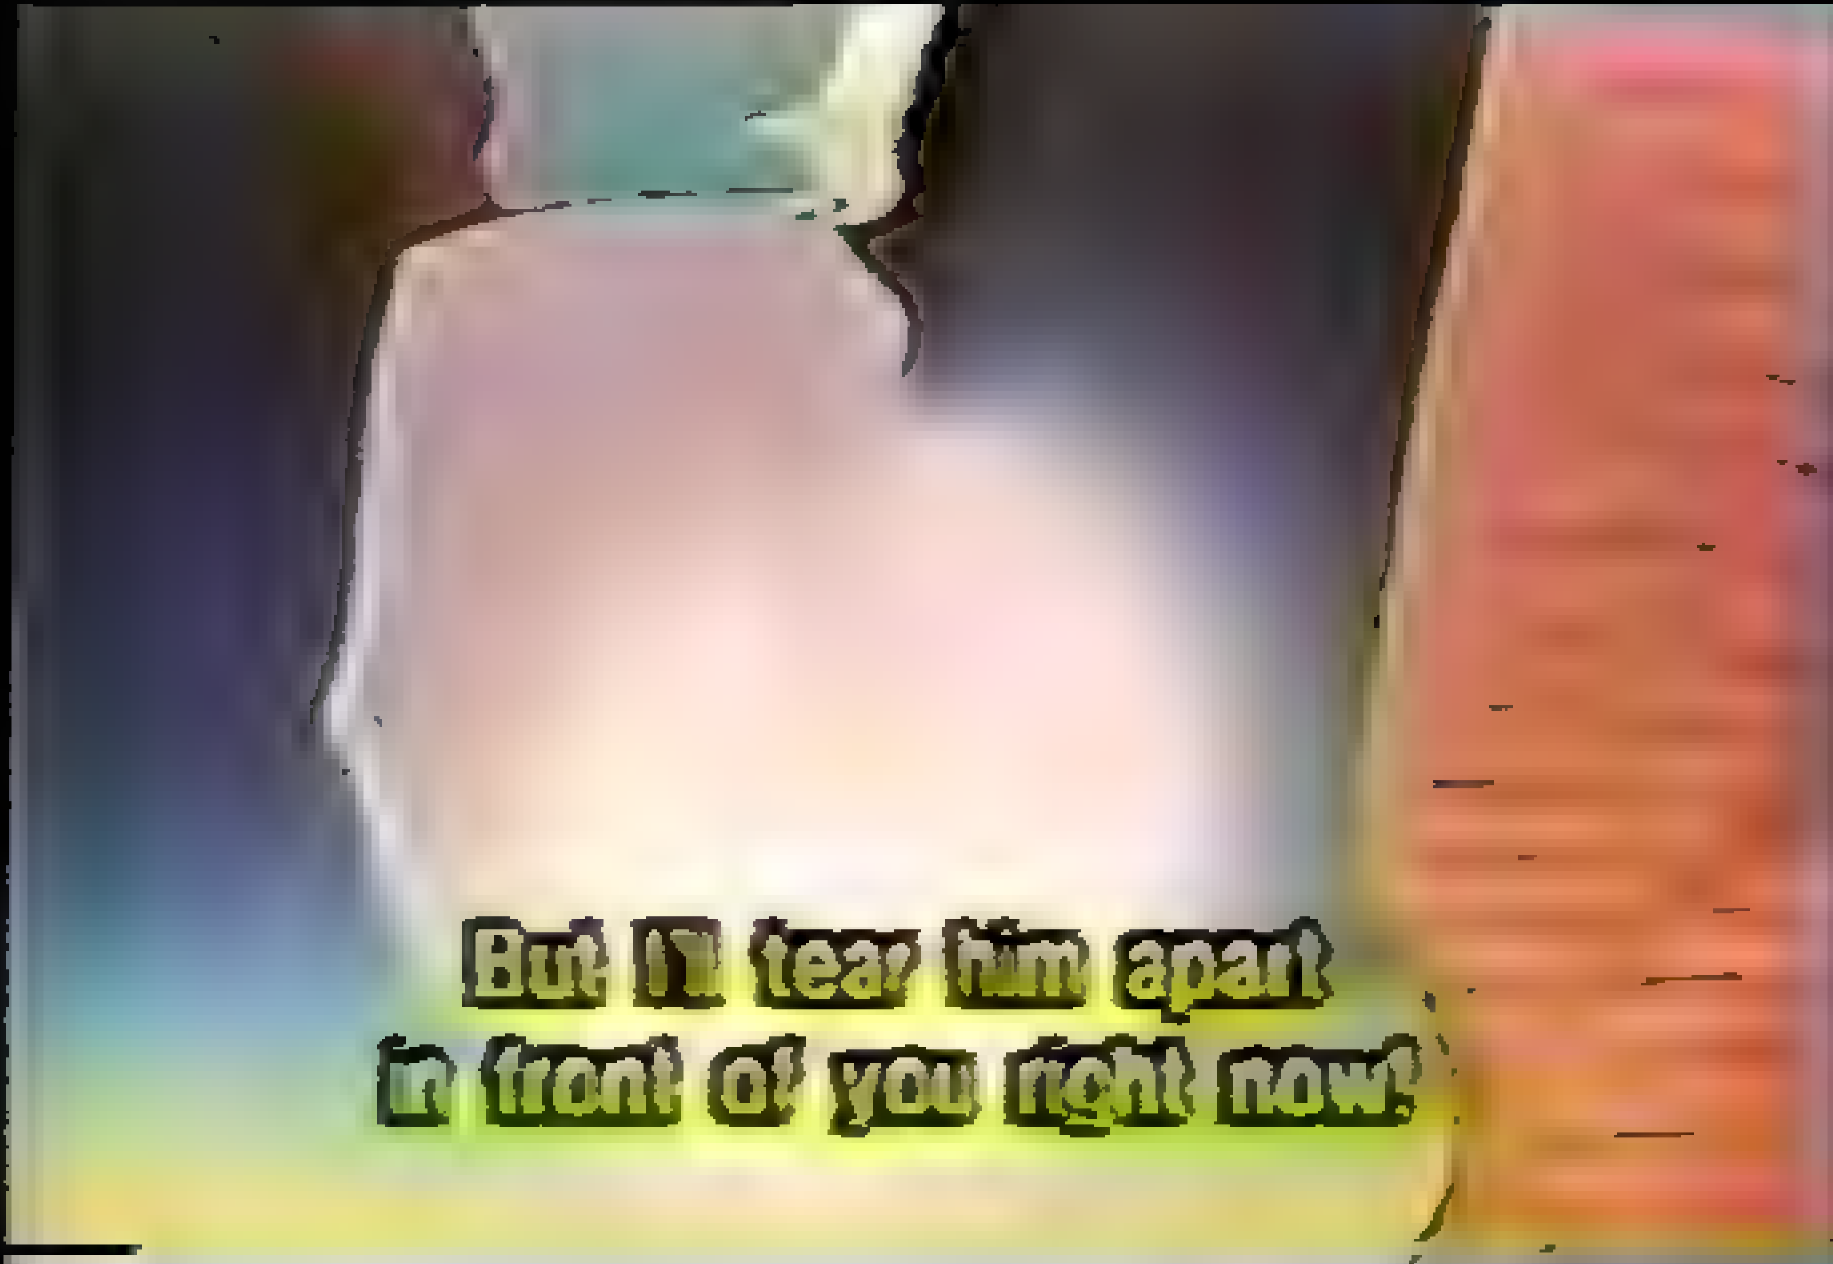

Don't panic!

It'll take more
to kill him than that!

It'll take more
to kill him than that!

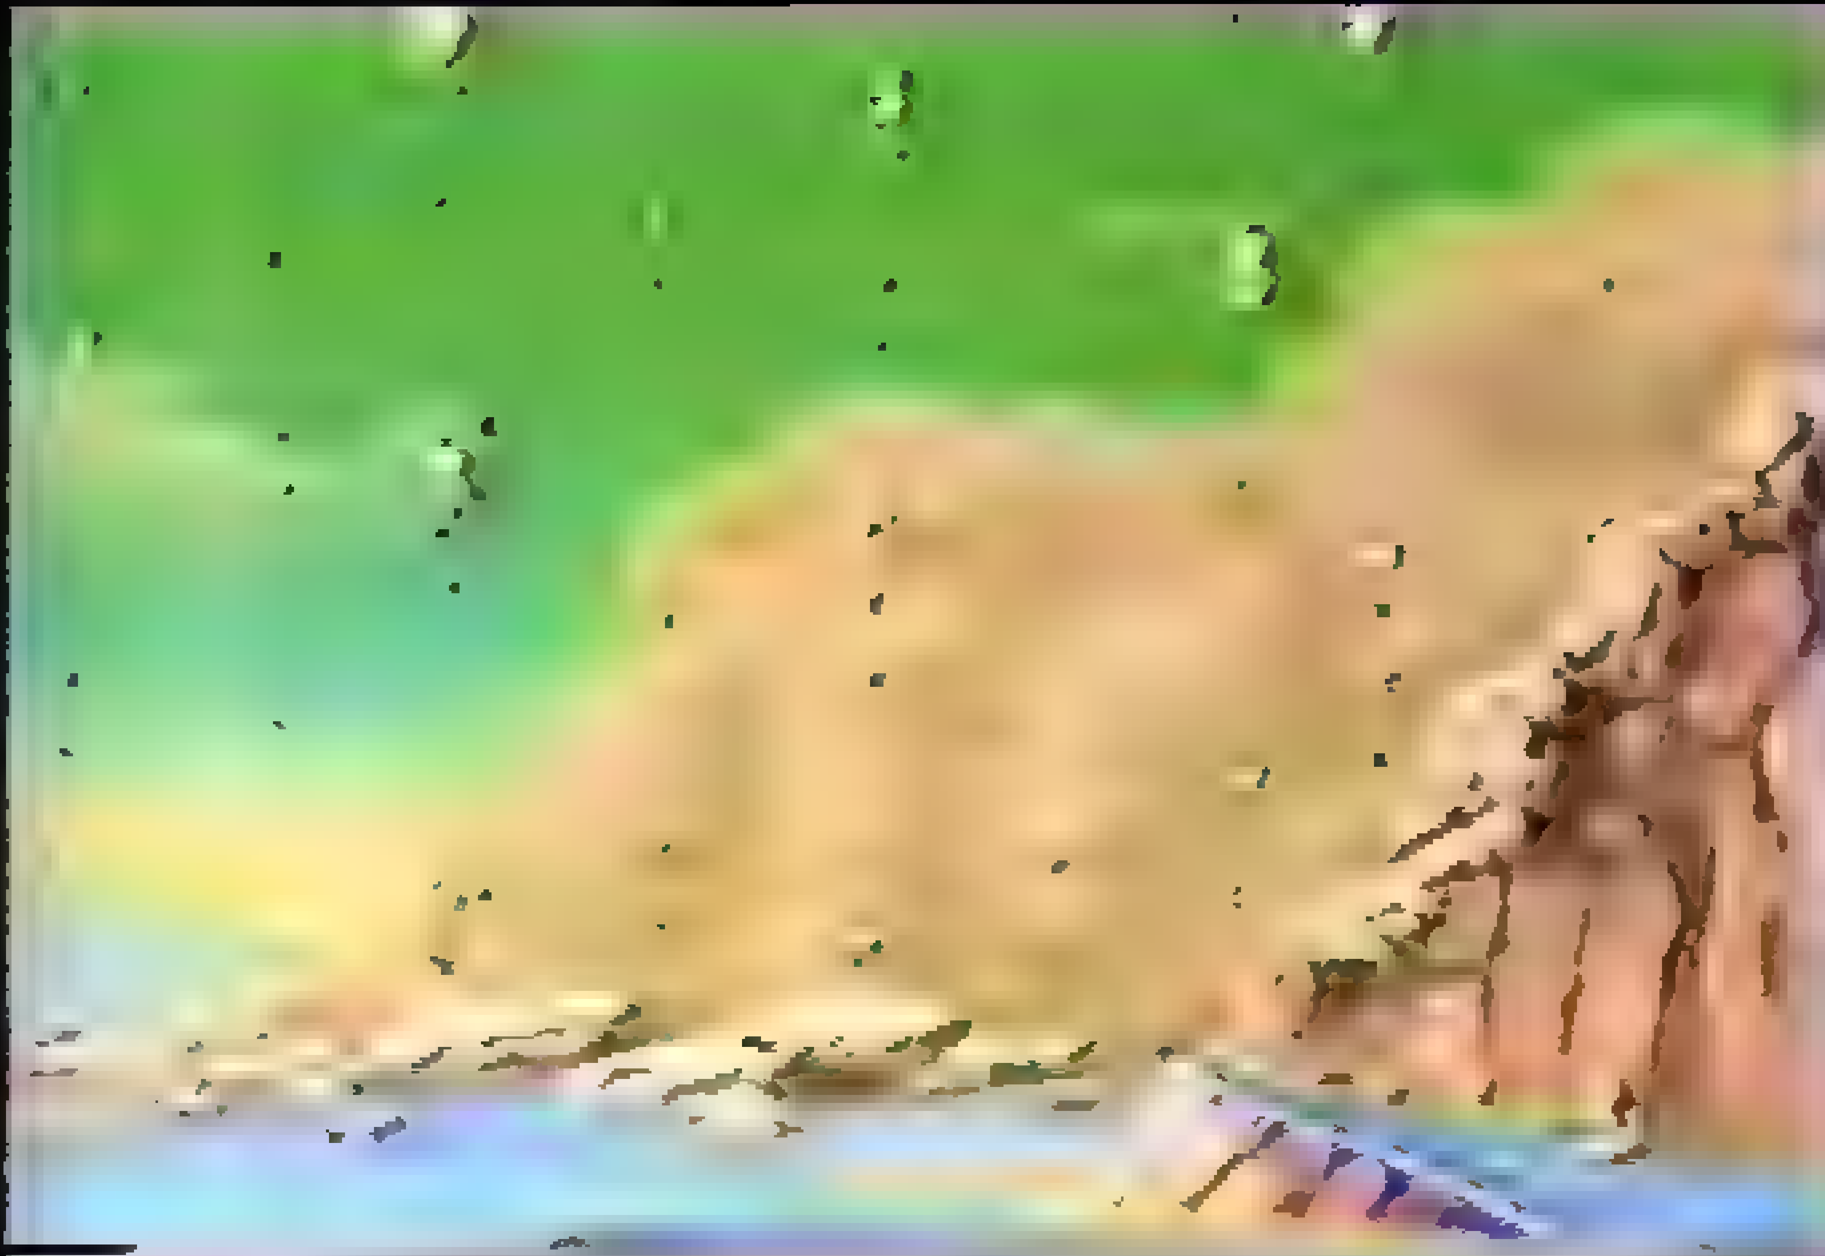

But I'll tear him apart
in front of you right now!

But I'll tear him apart
in front of you right now!

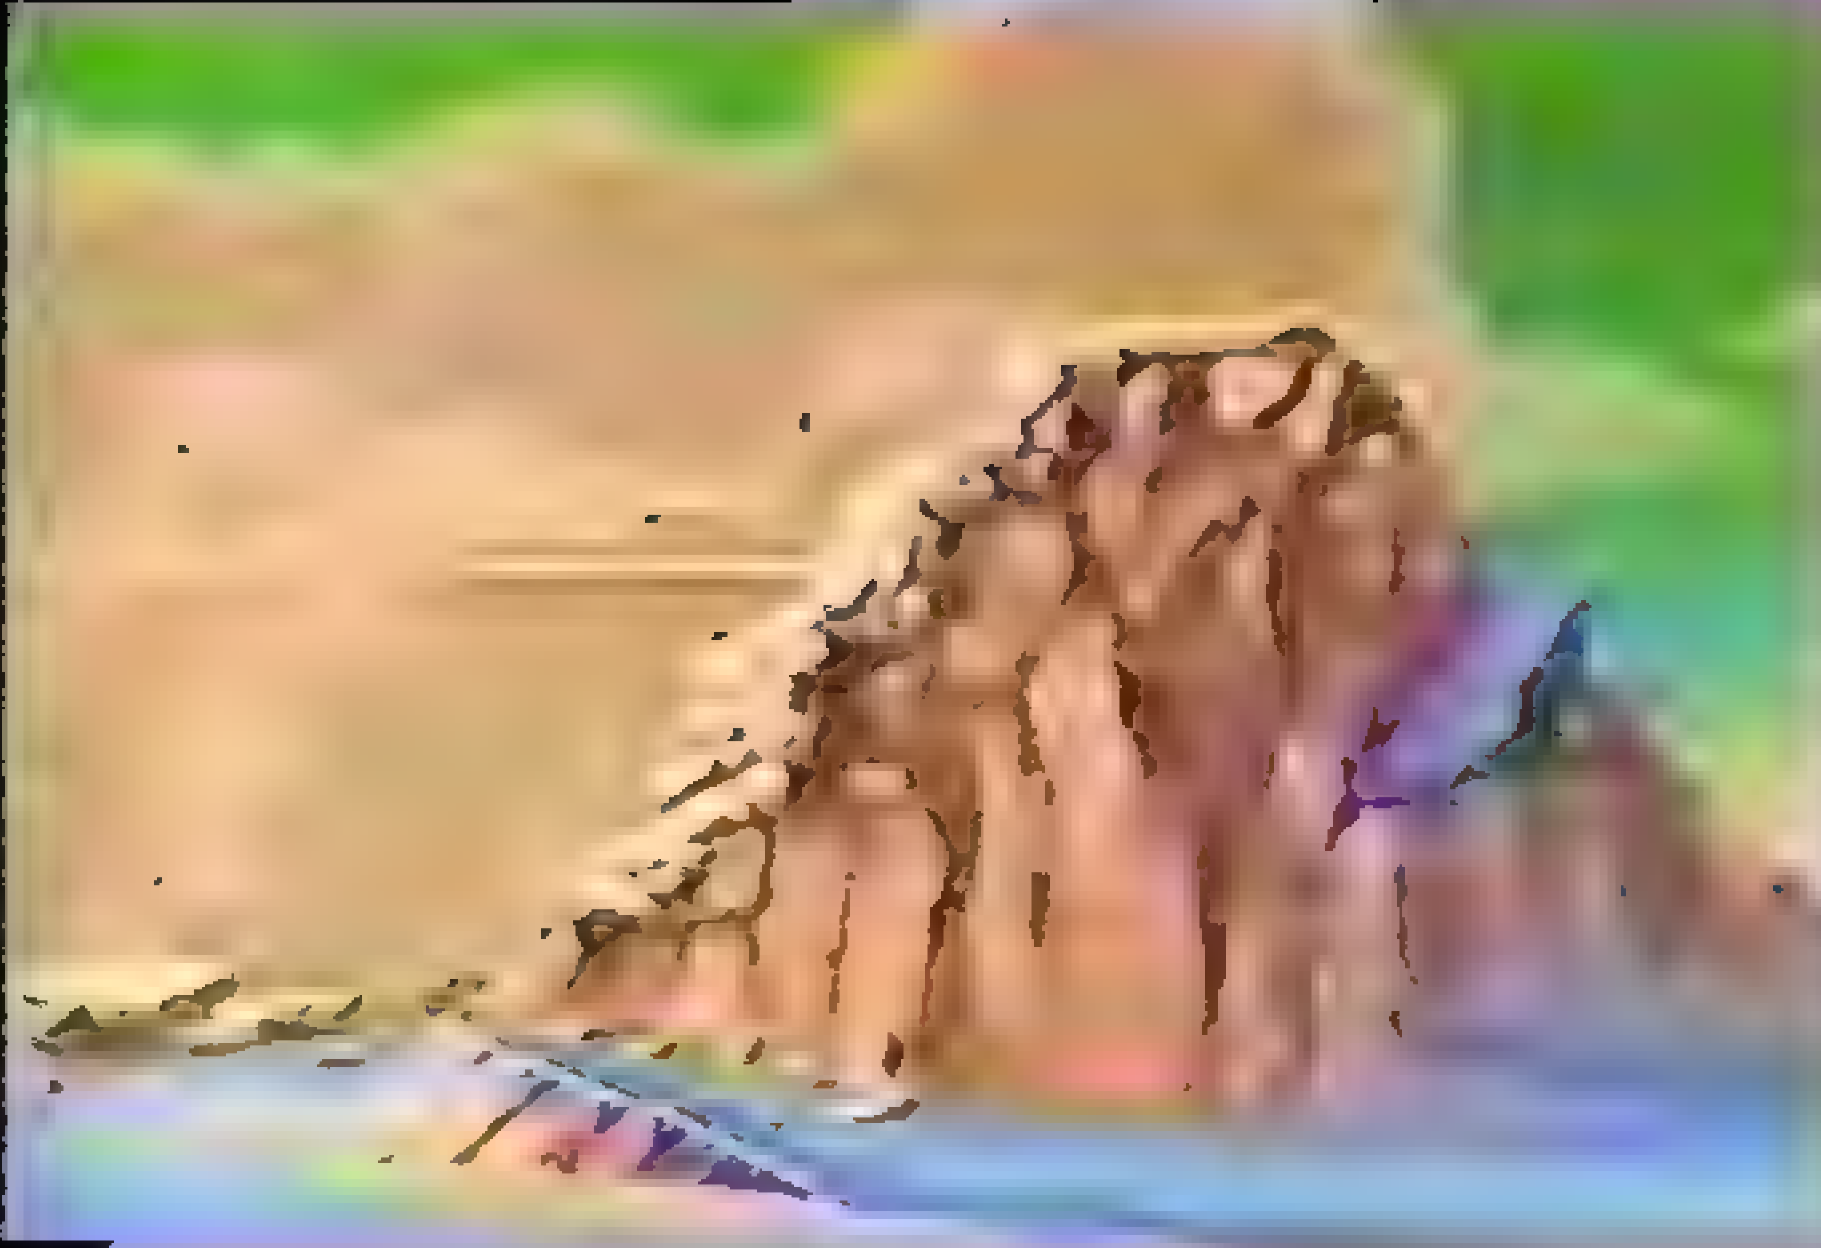

You fought well for a Nameccian.
I'll praise you for that.

You fought well for a Nameccian.
I'll praise you for that.

But the next in line is
waiting. This is it for you.

But the next in line is
waiting. Tr's is it for you

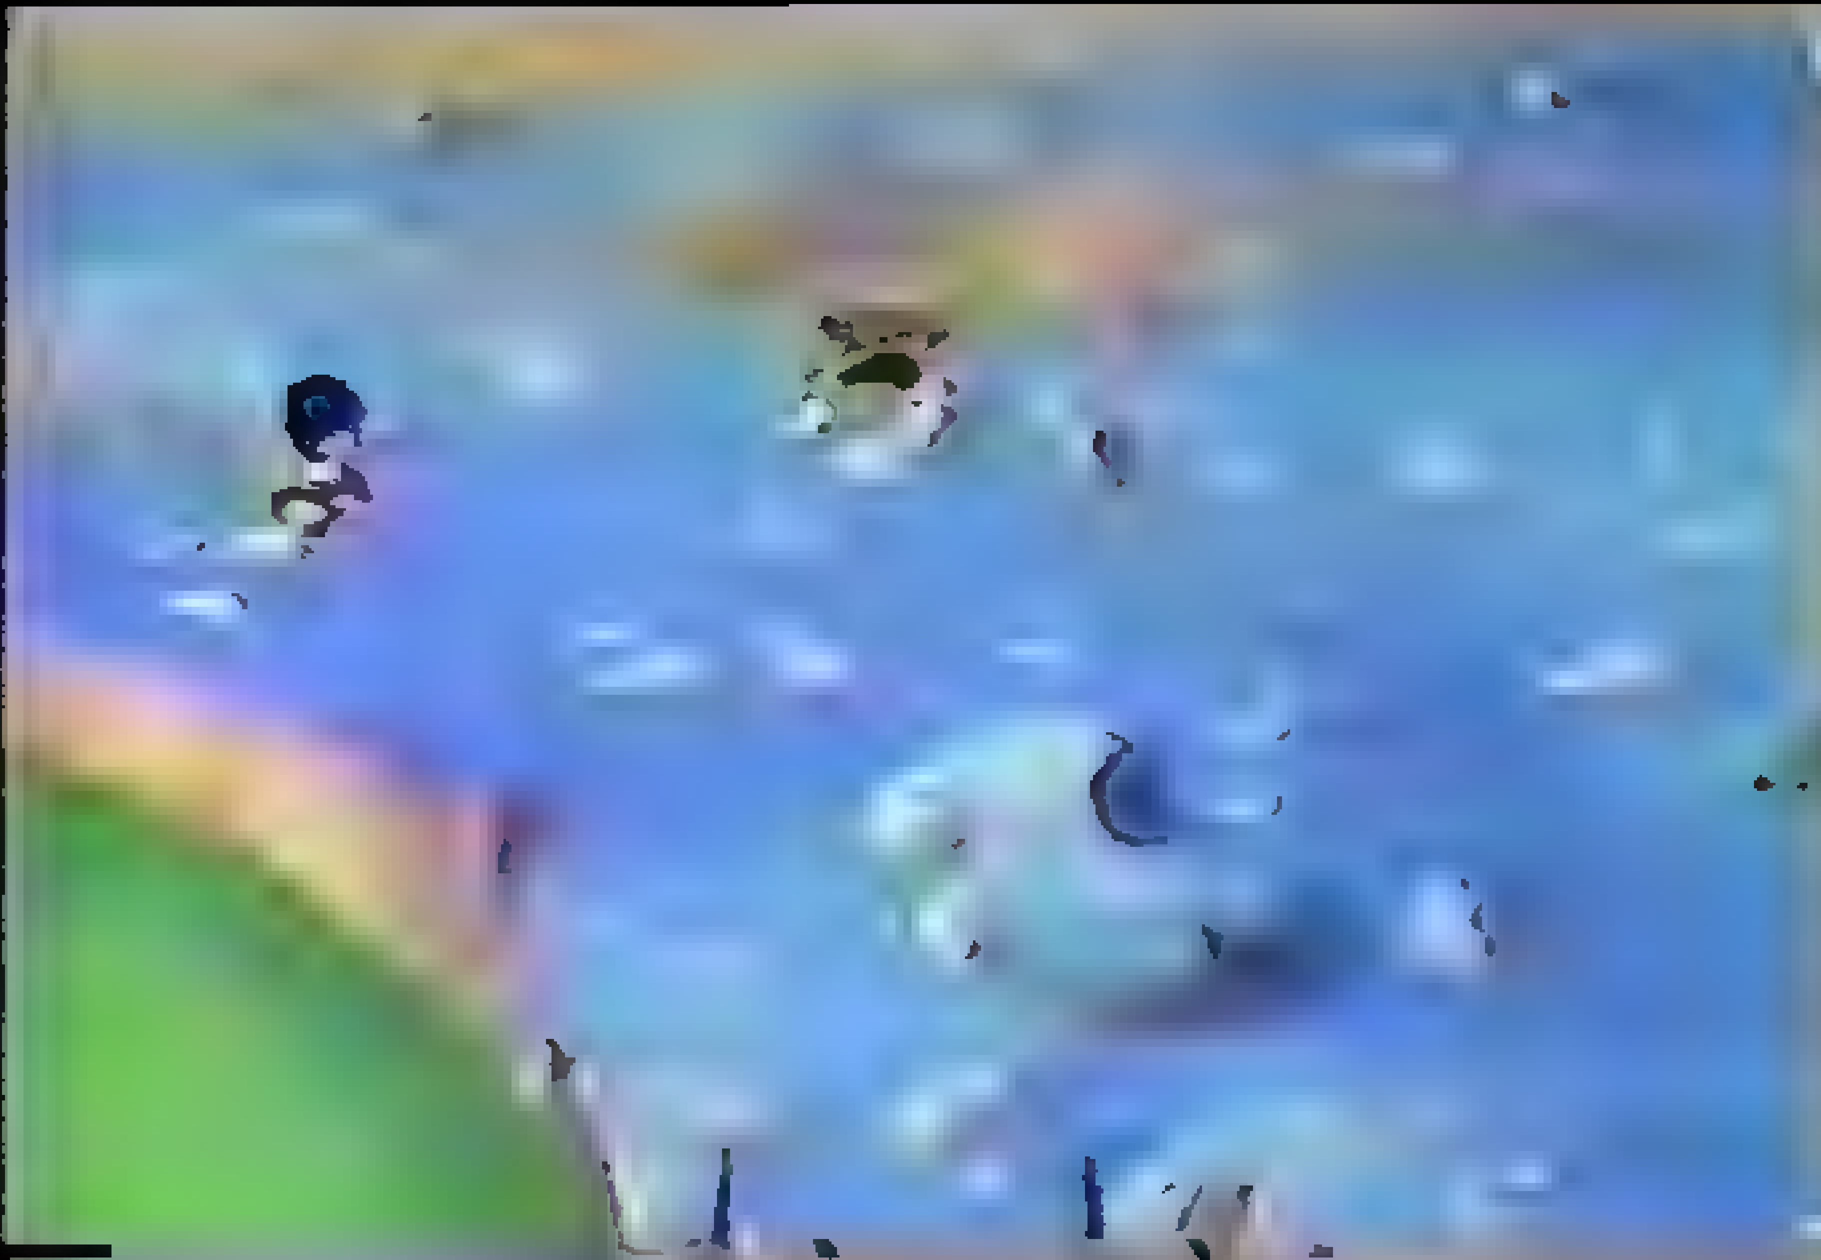

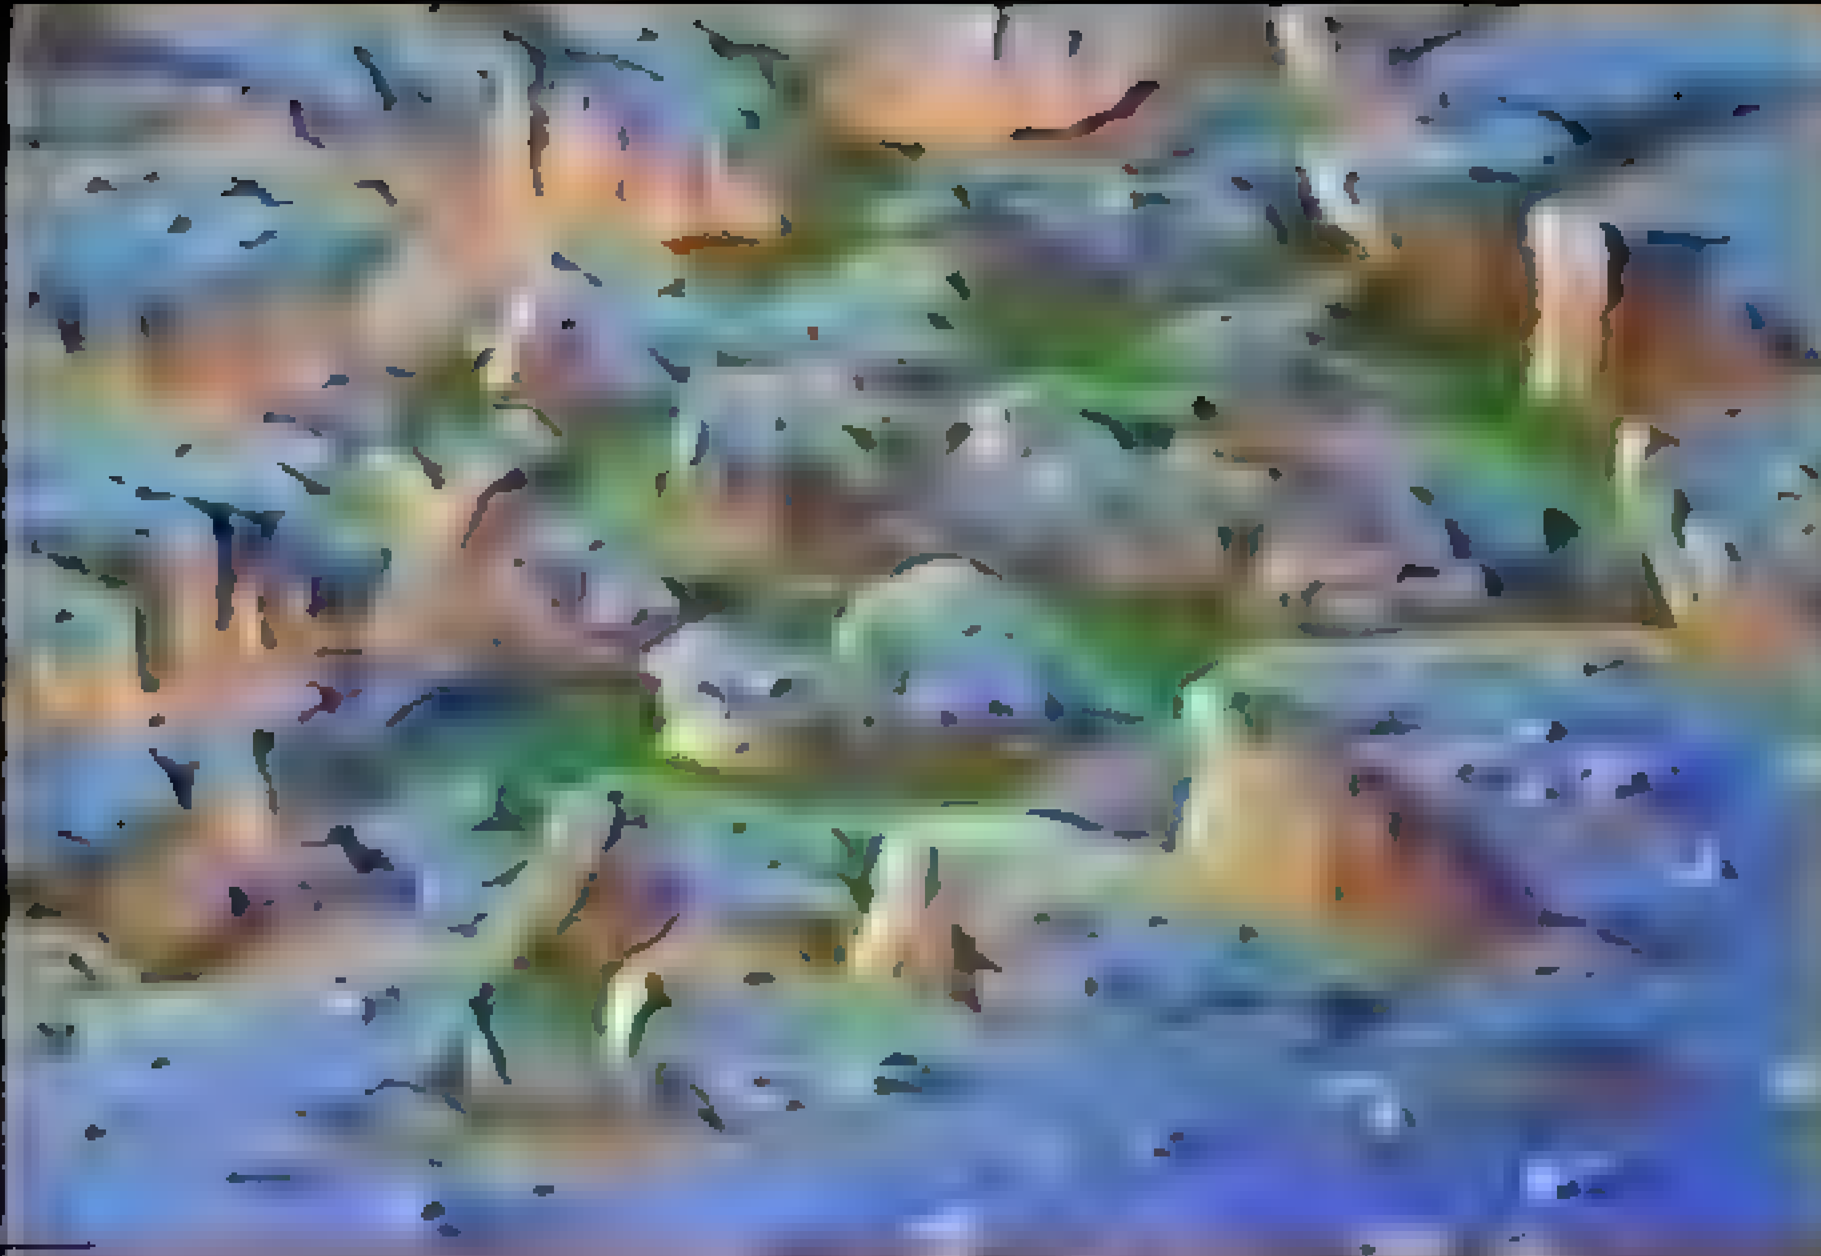

Mr. Piccolo!

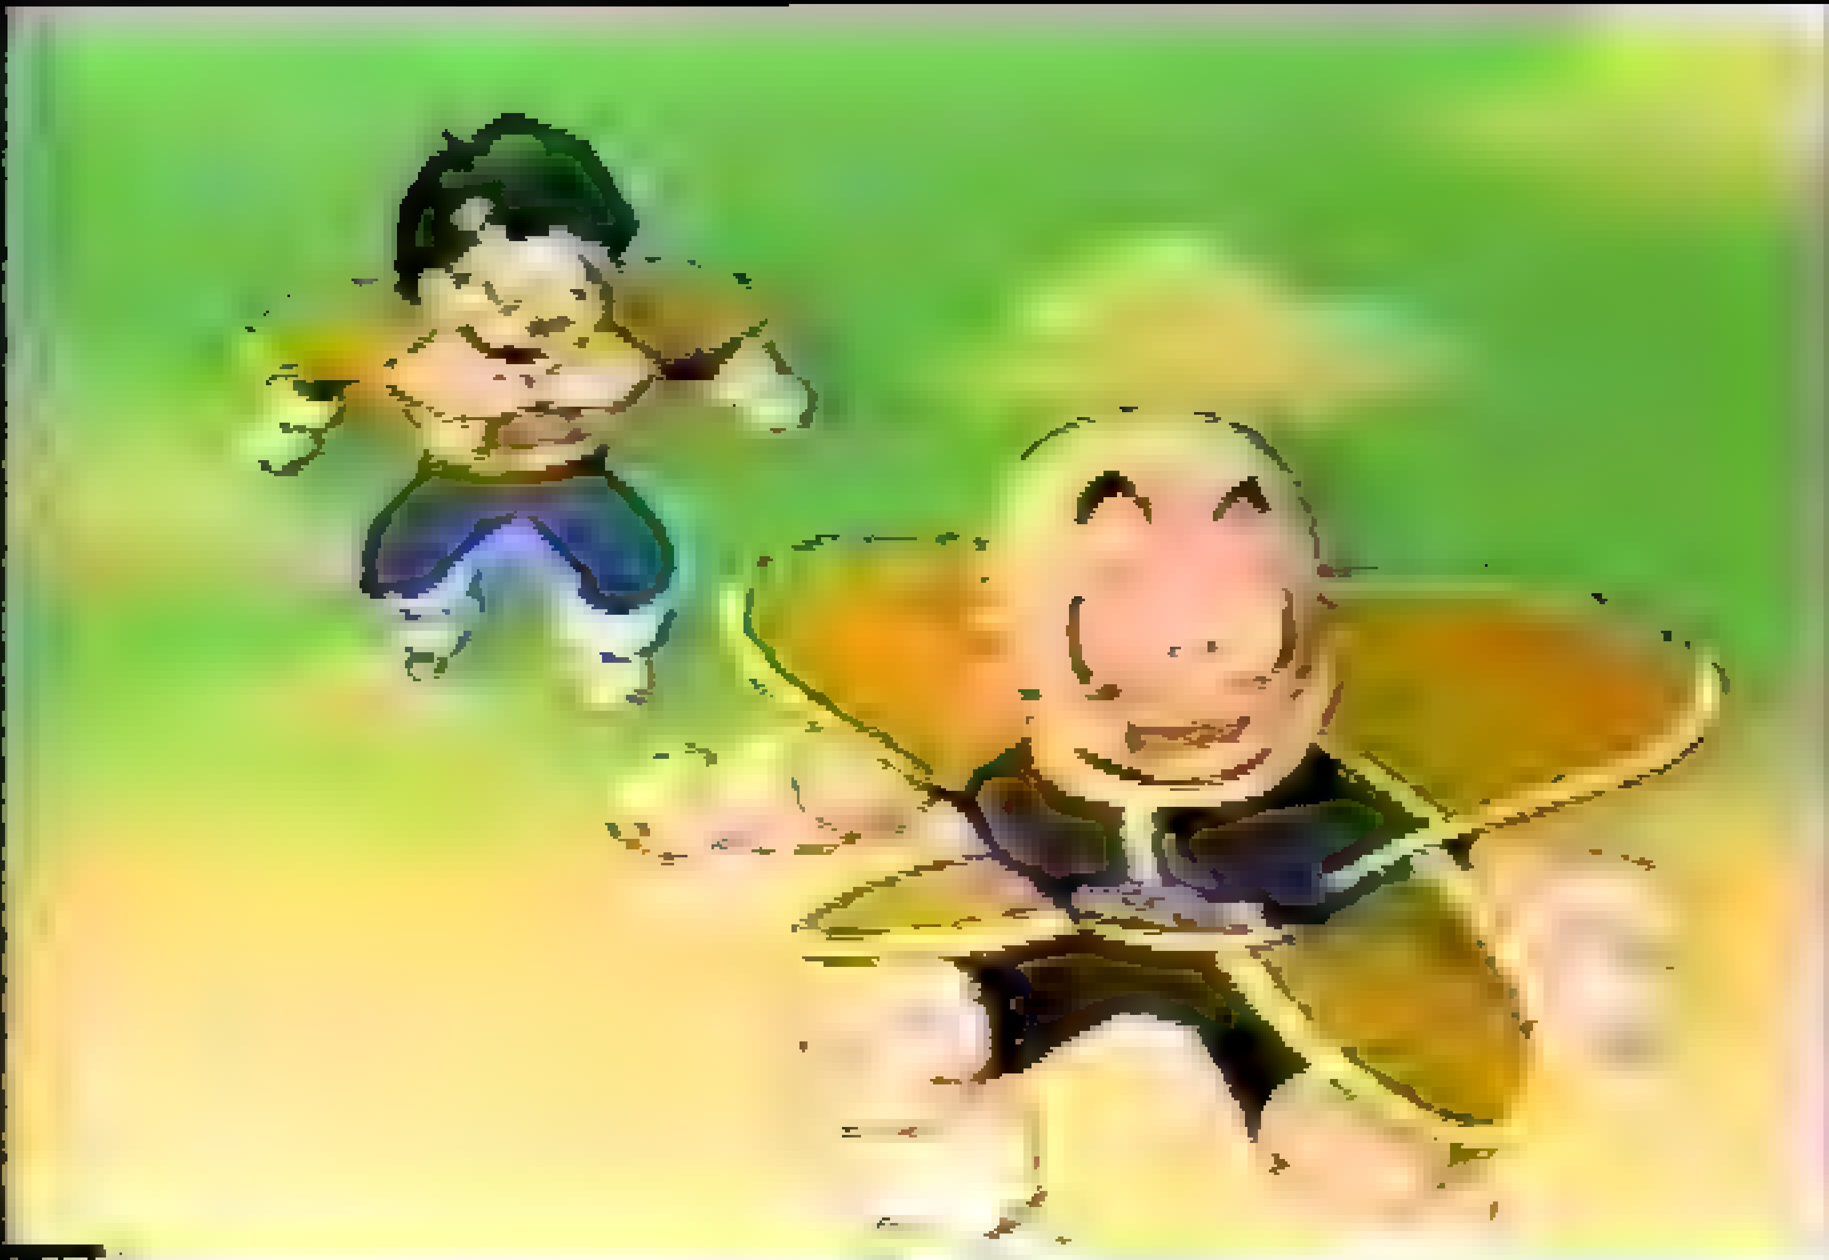

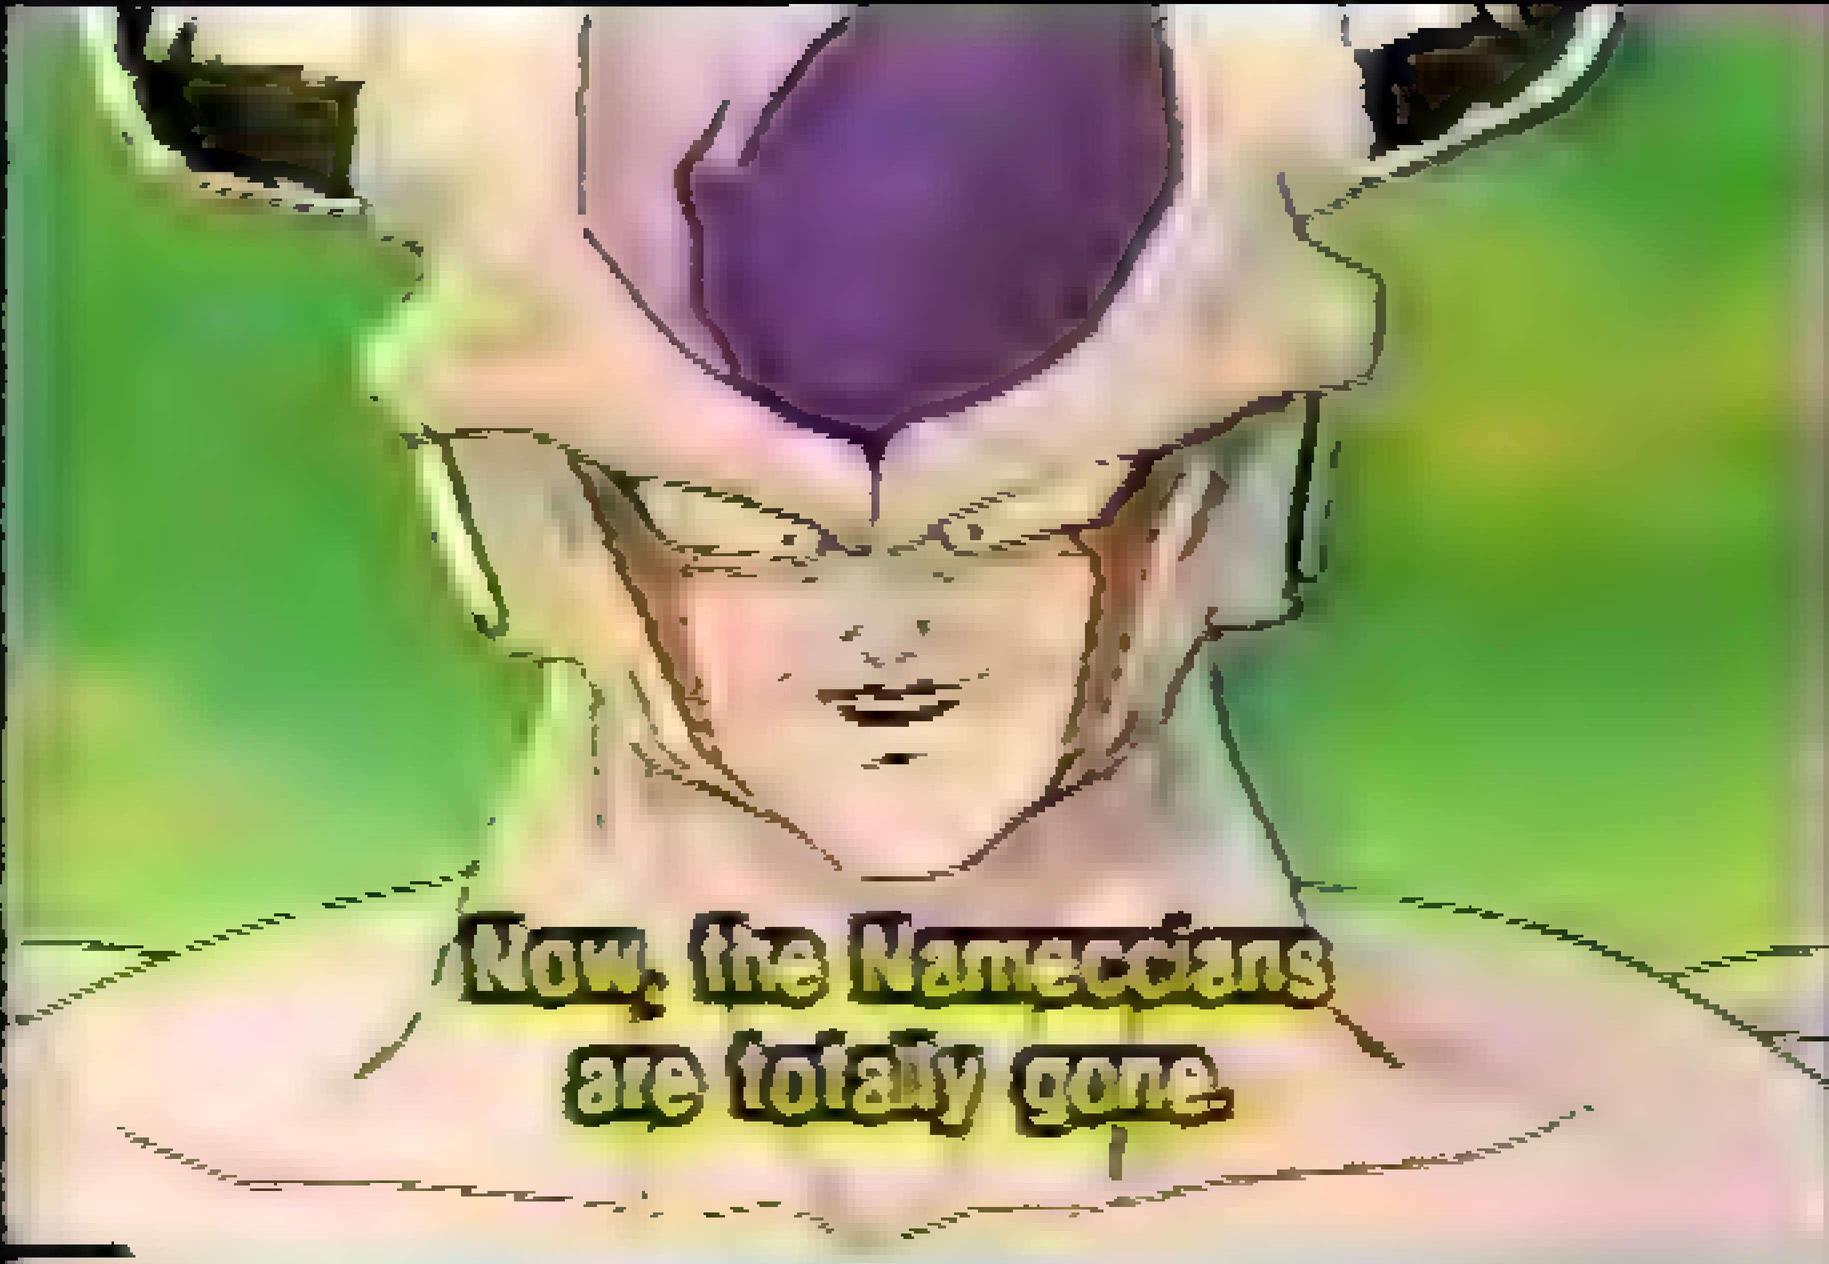

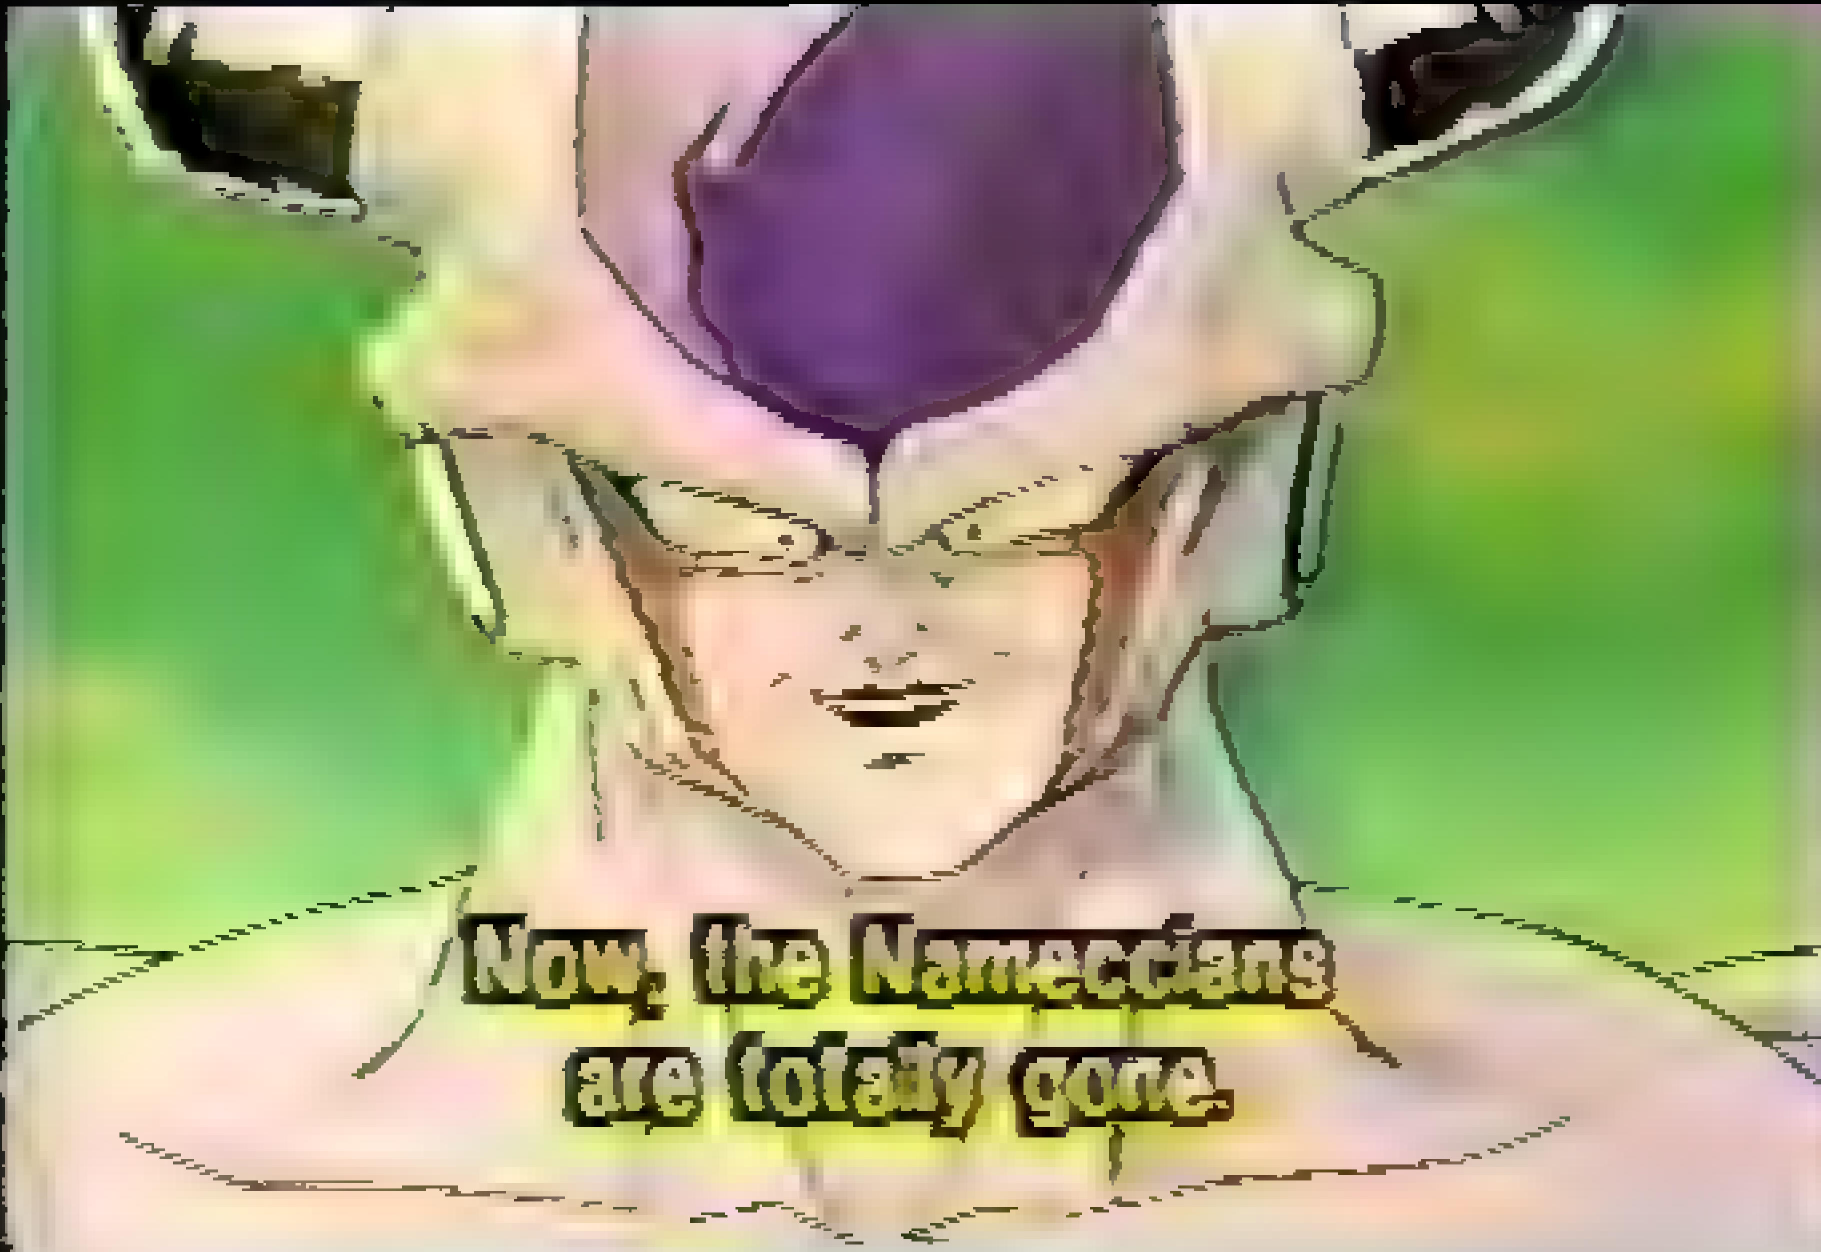

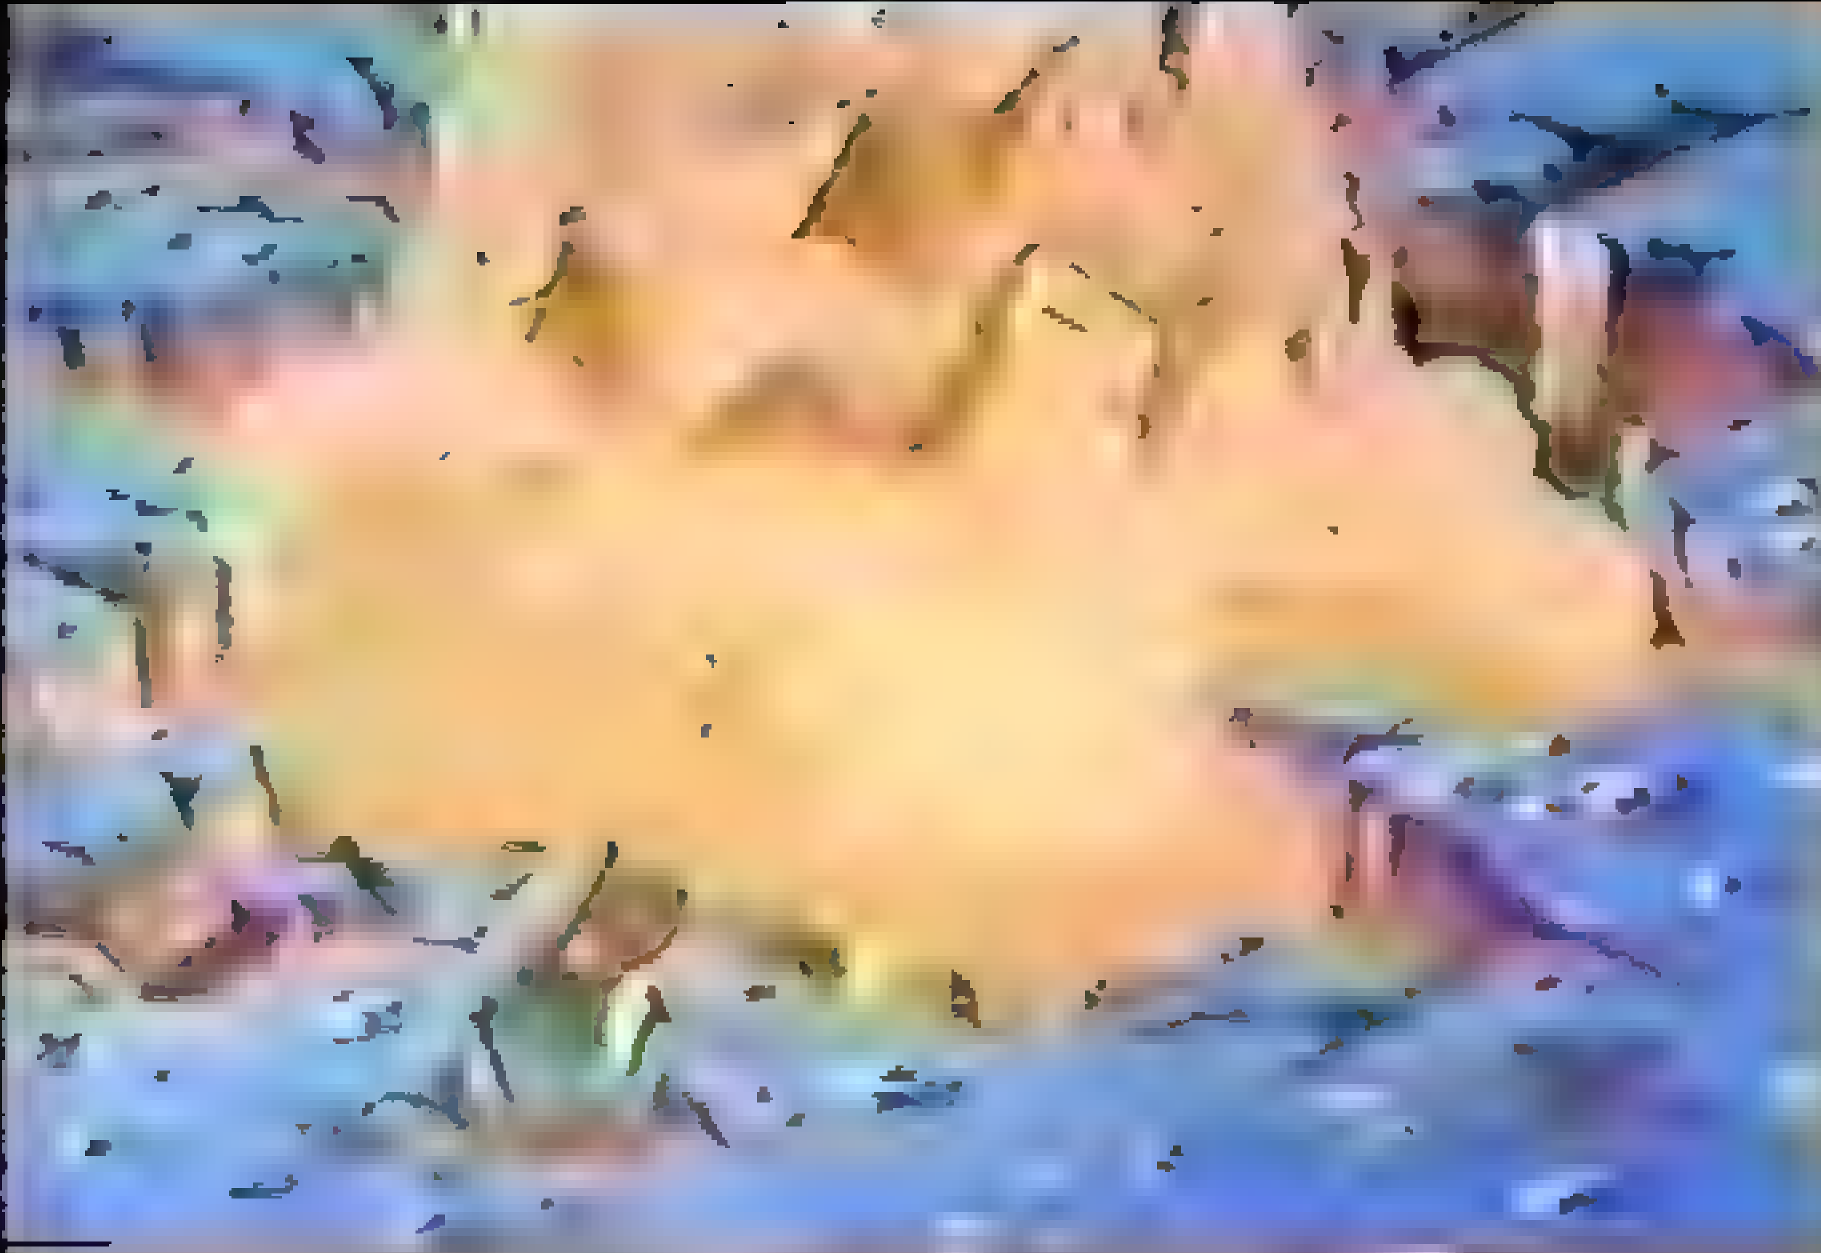

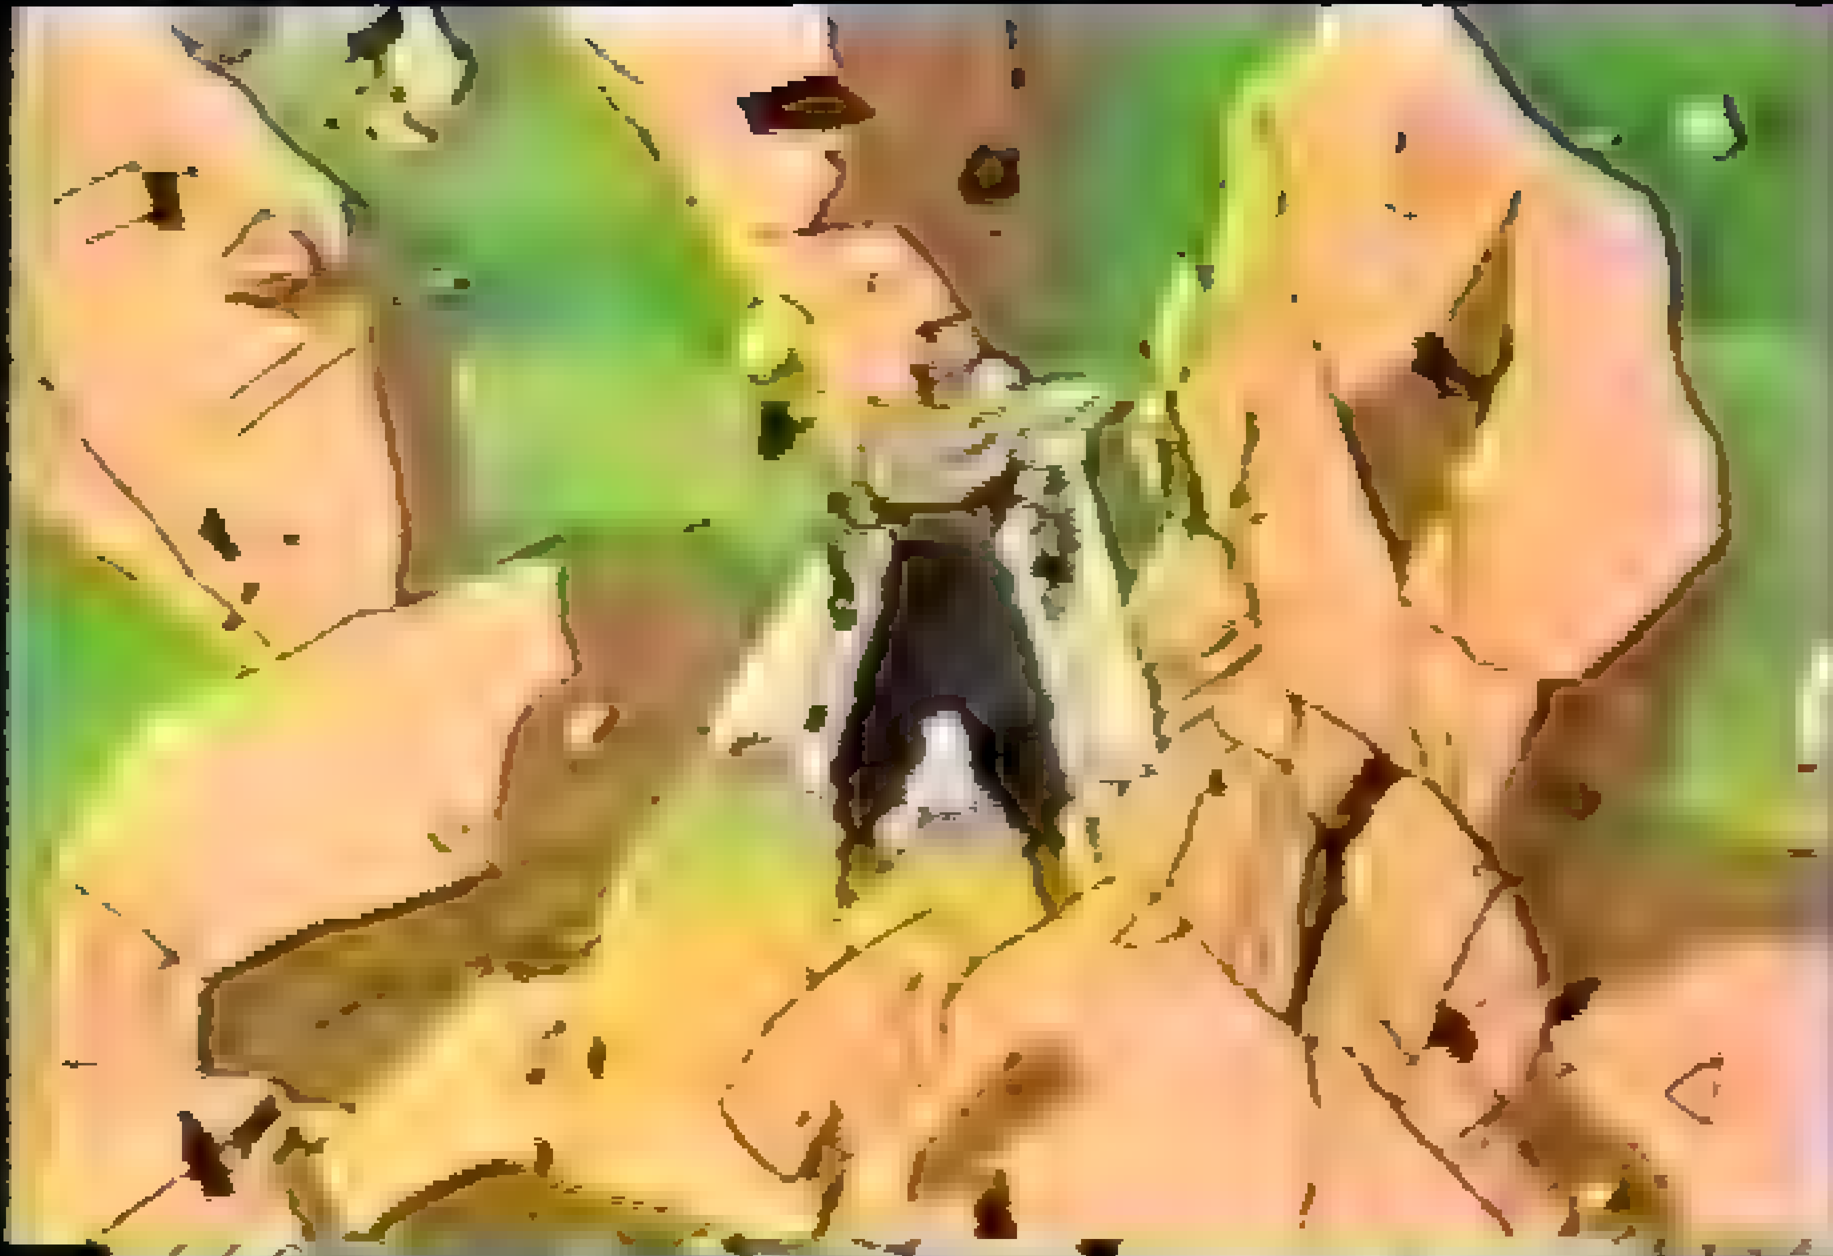

Now, the Nameccians
are totally gone.

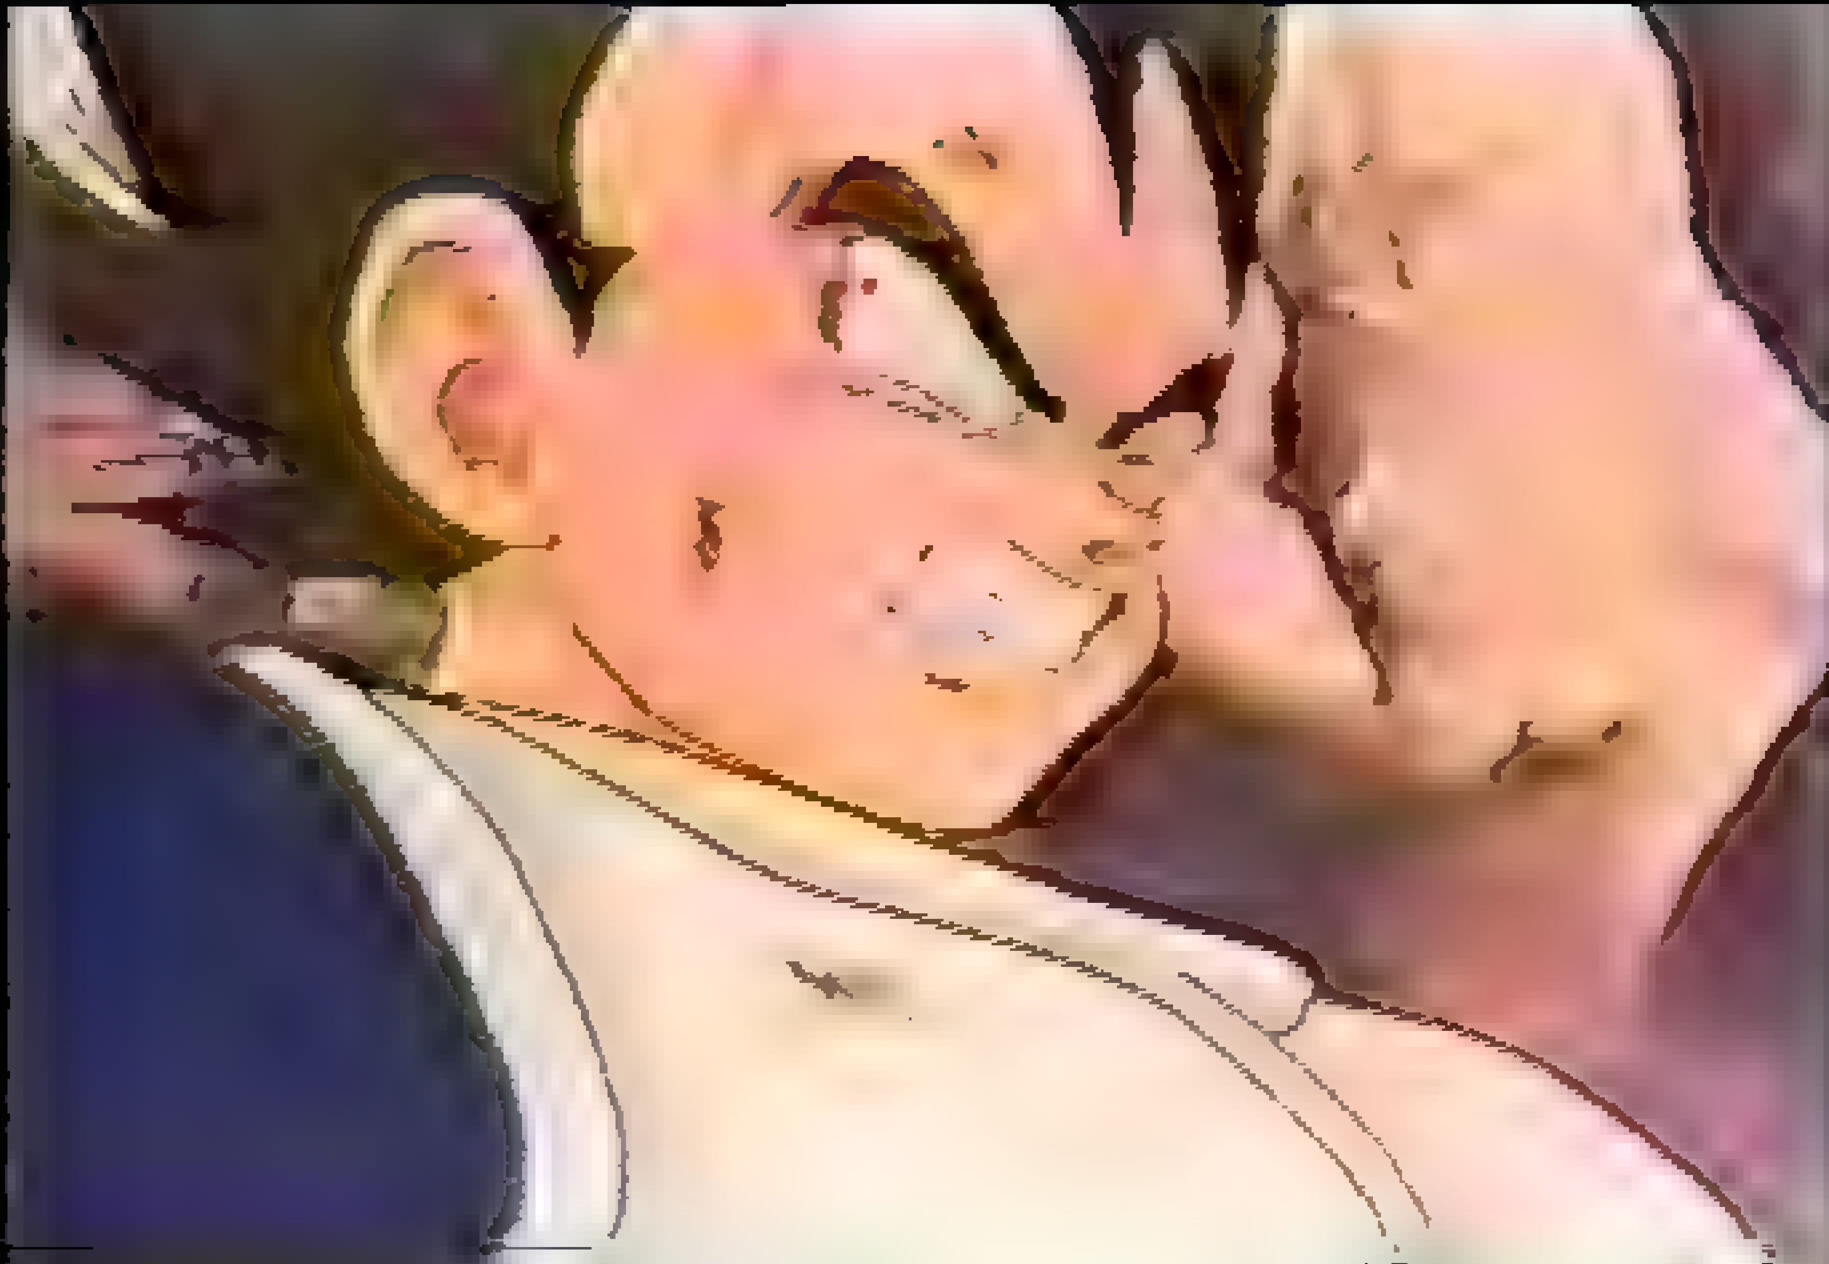

Now, the Nameccians
are totally gone.

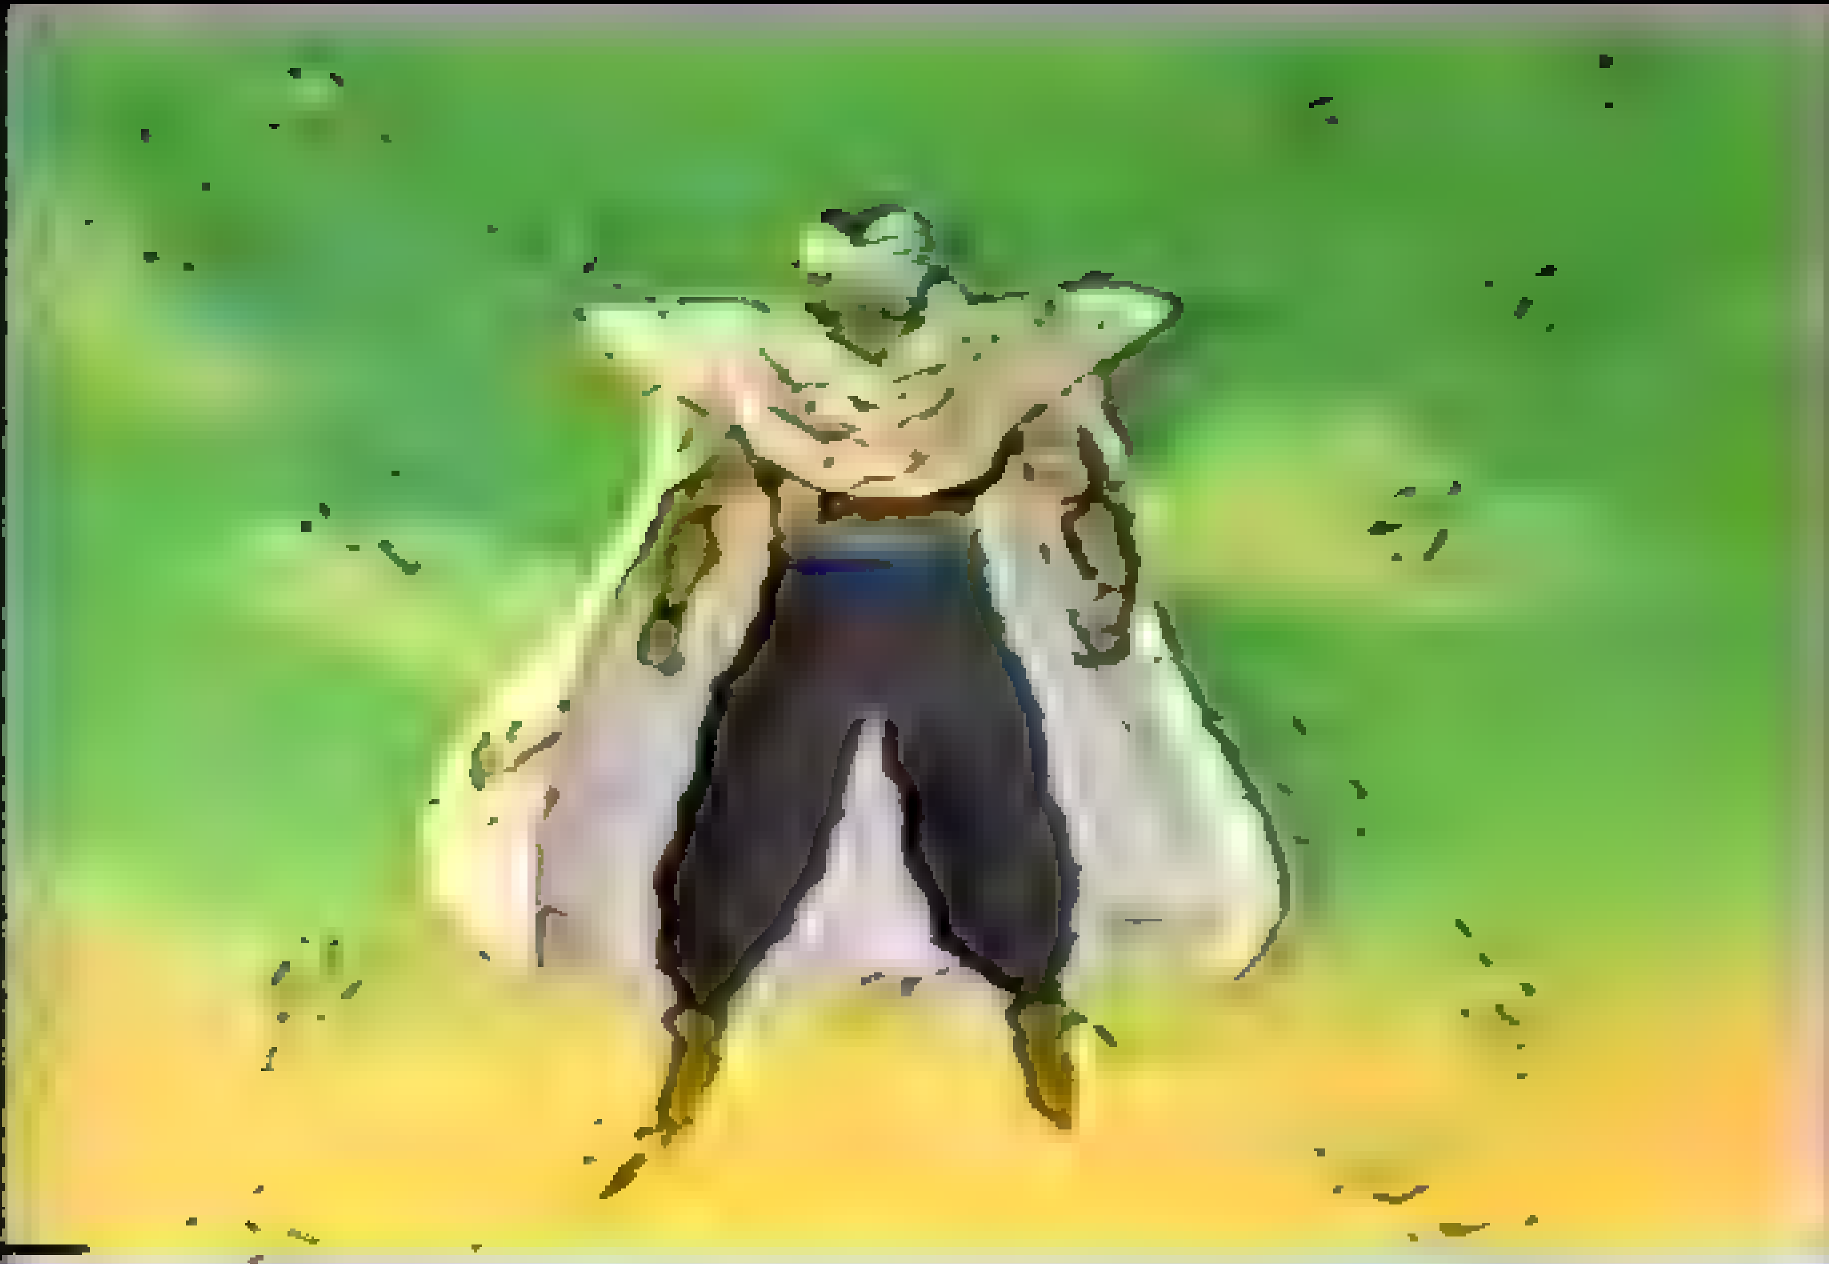

Don't underestimate me.

We may be able to win.

You're right.

If we both fight with Piccolo,
we may manage to do it.

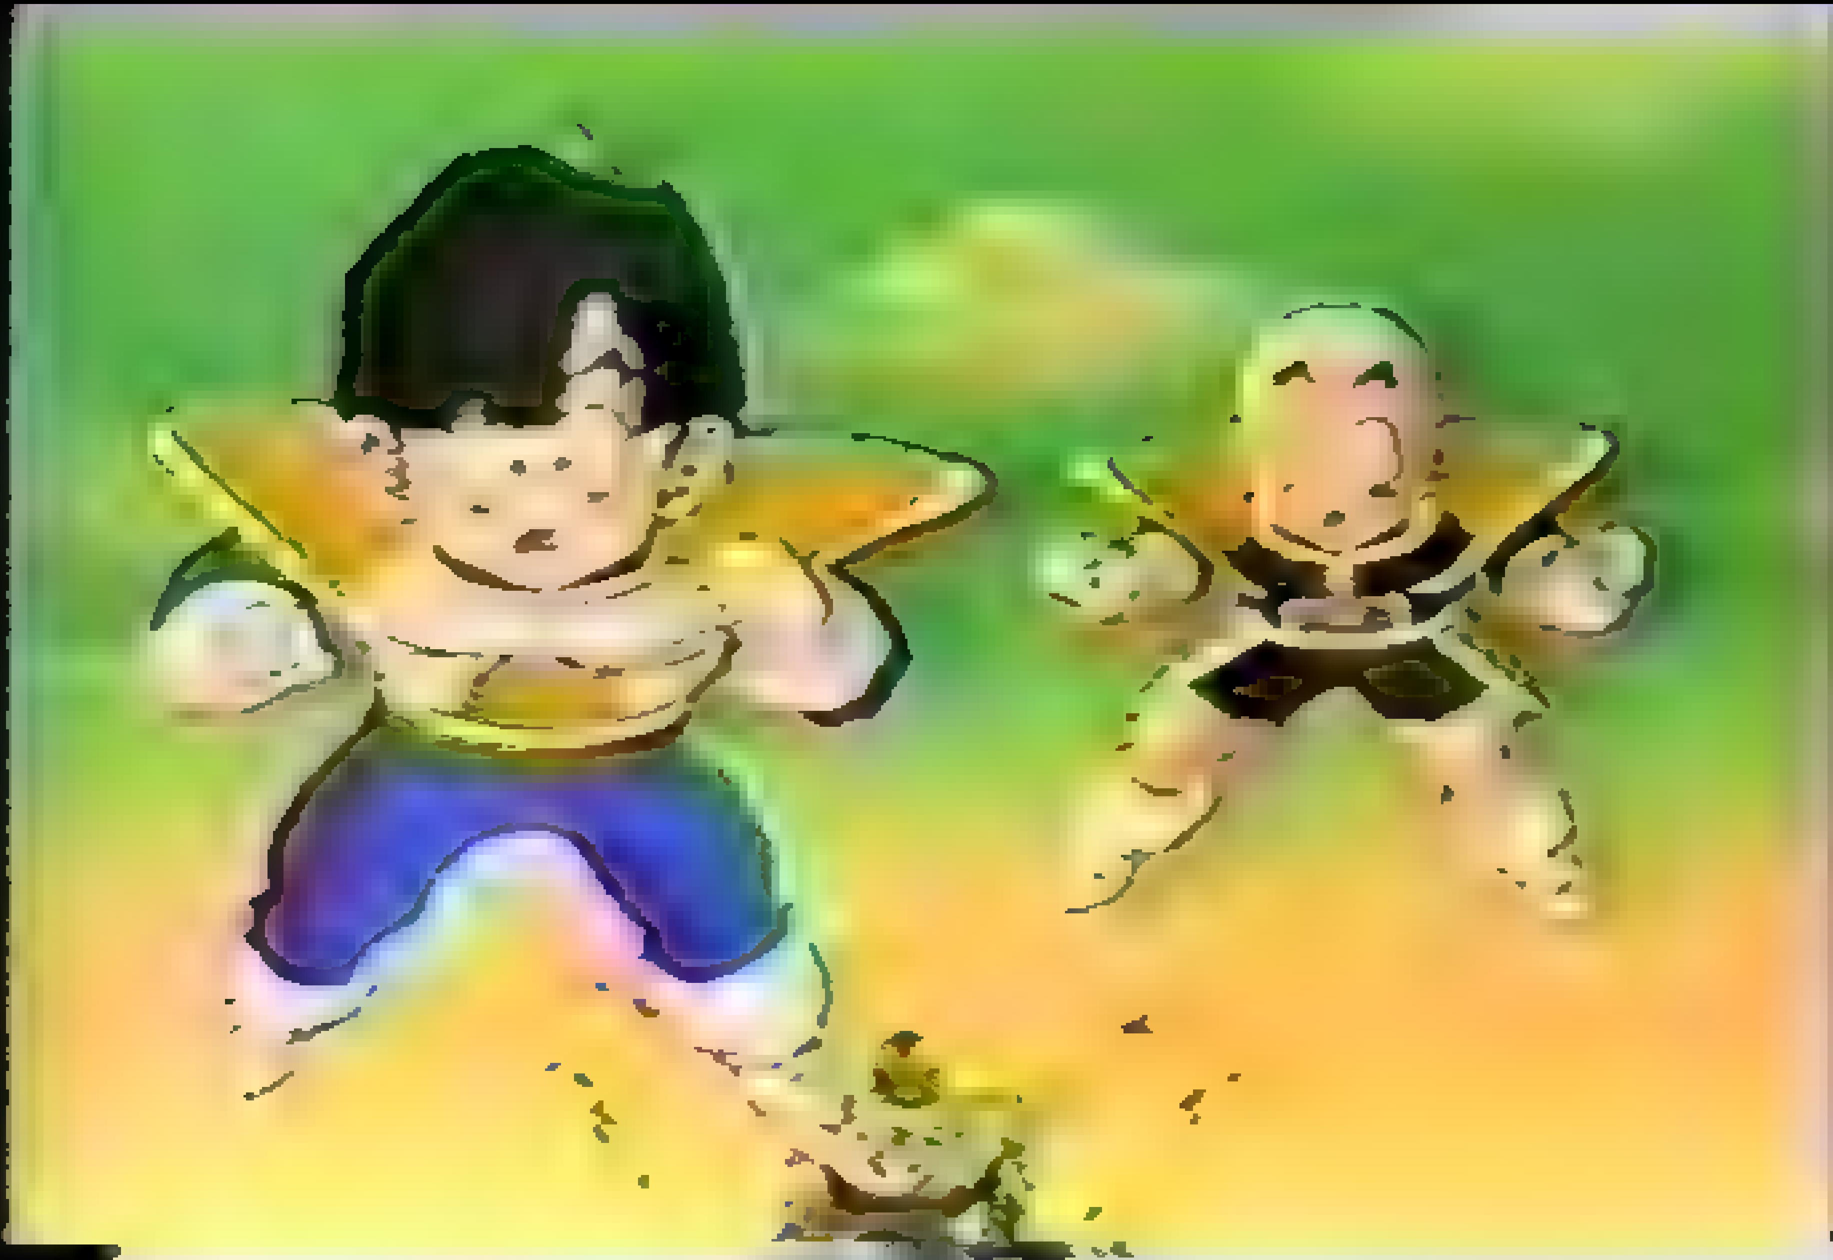

If we both fight with Piccolo,
we may manage to do it.

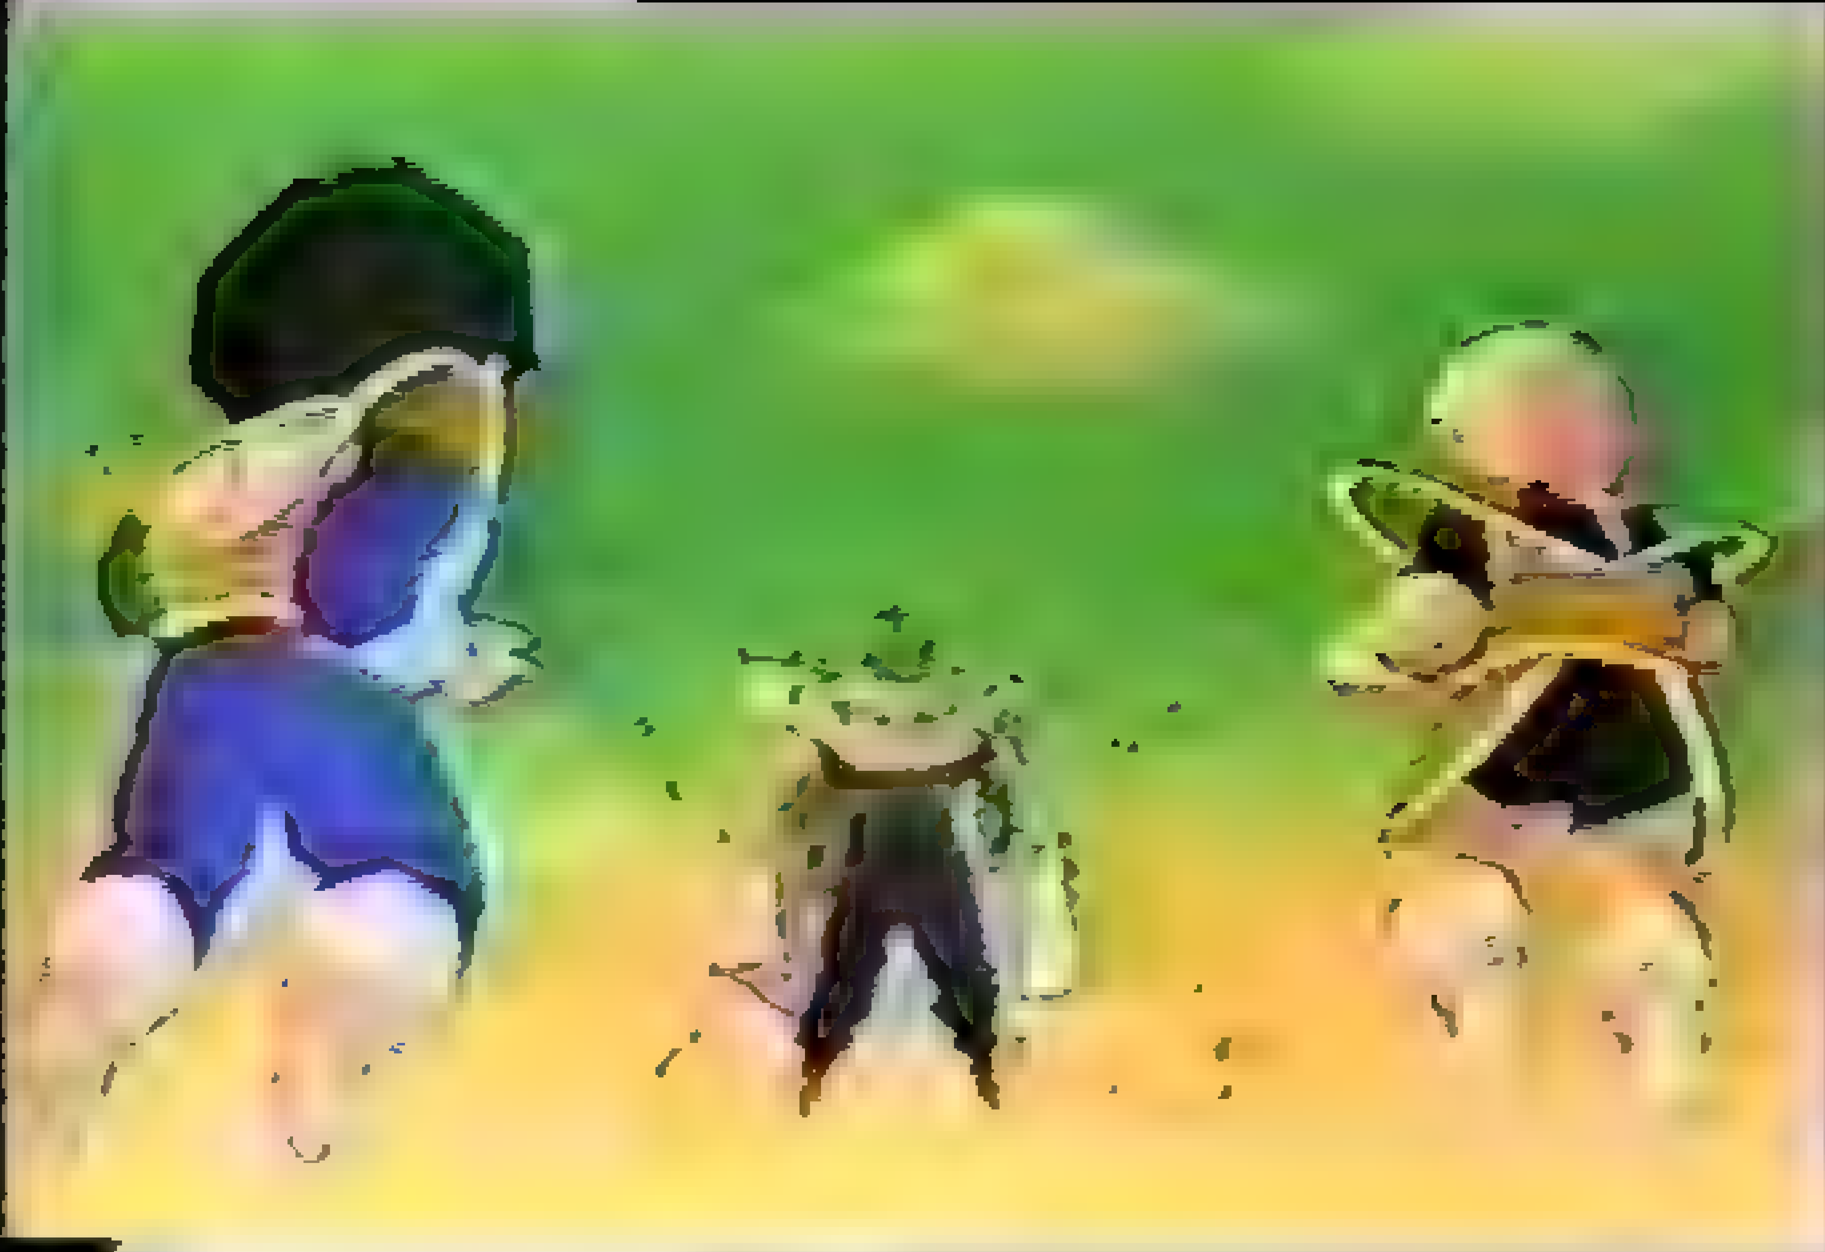

It's decided!

Don't interfere!

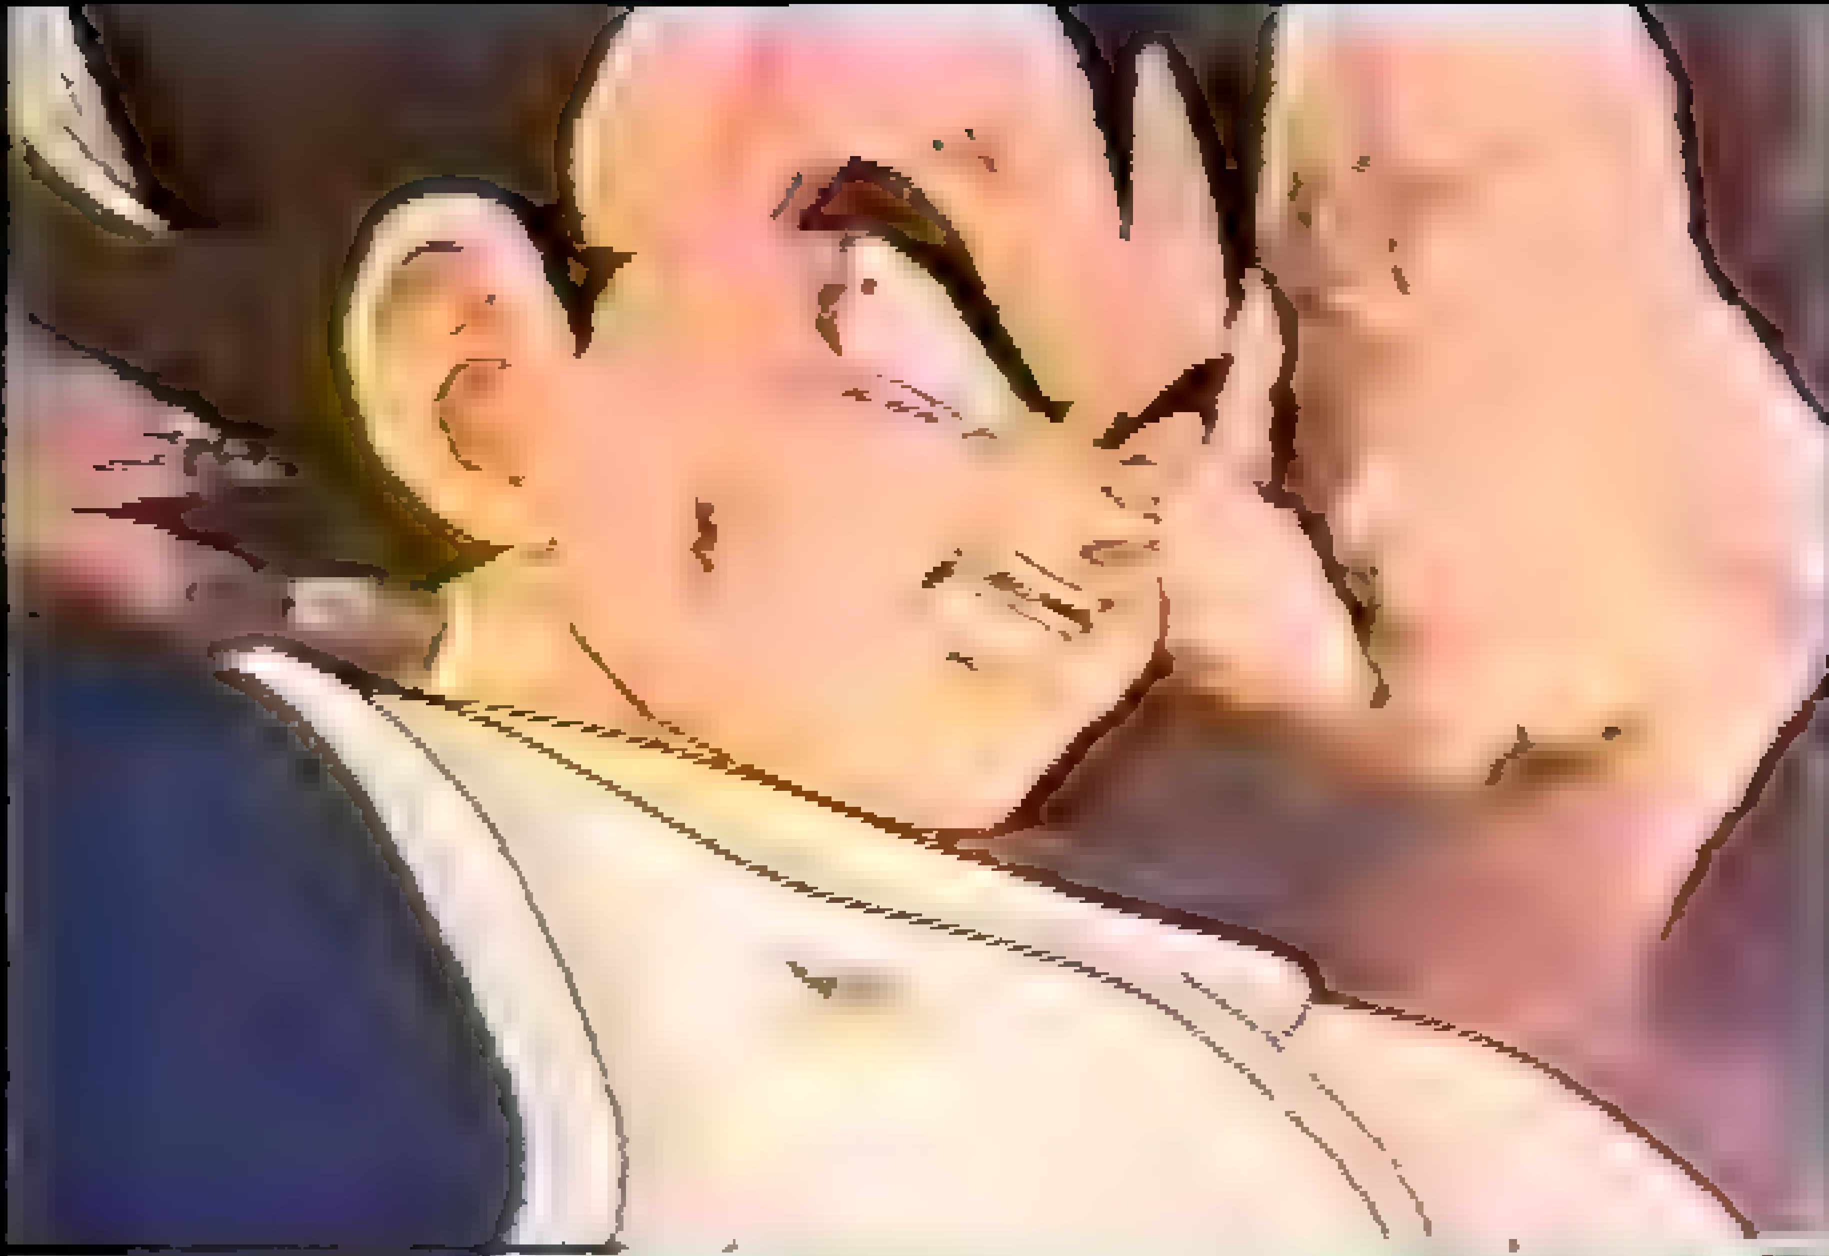

I told you, I'll do it alone!

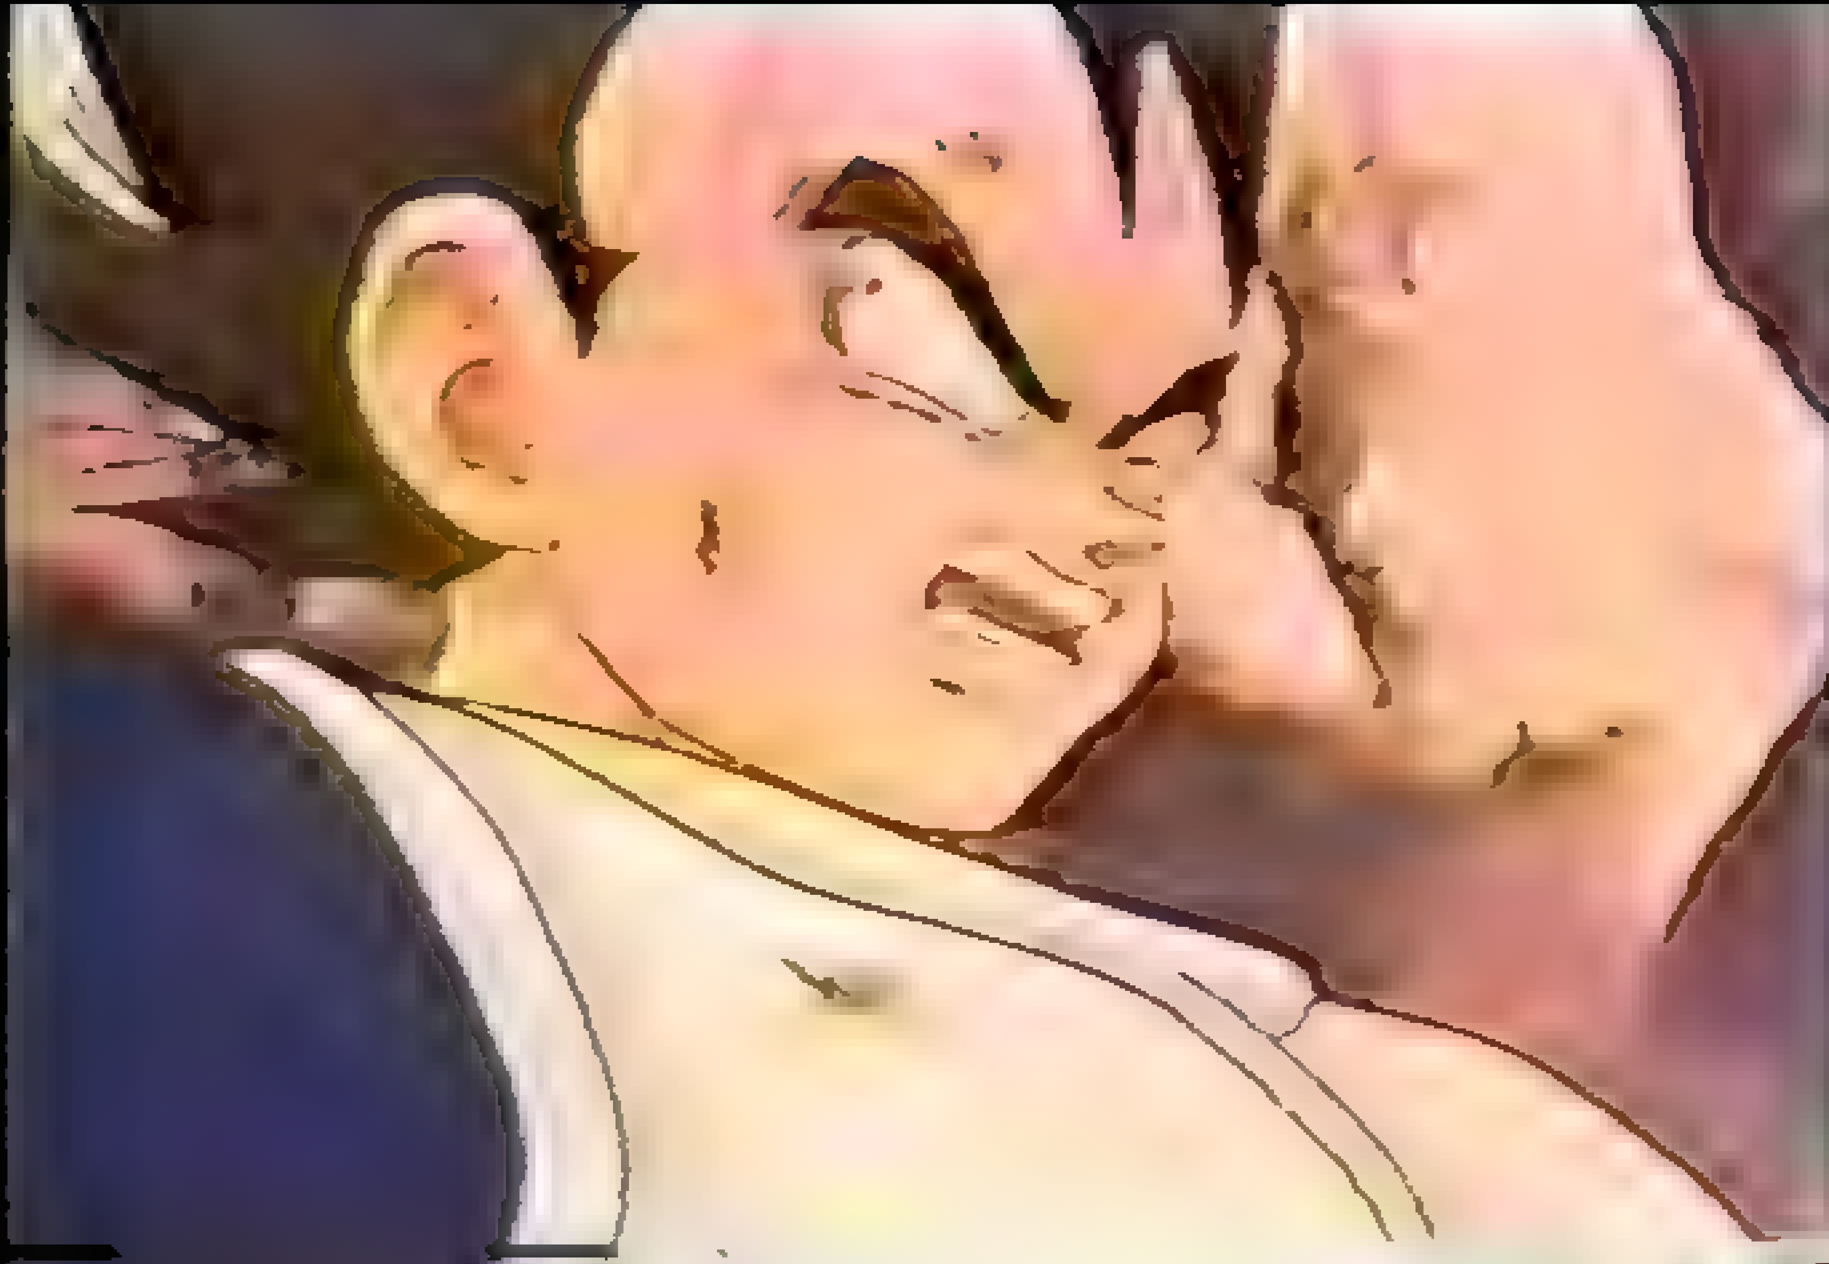

But...!

We can help a little...!

Leave him to me.

That idiot! This is our
chance to defeat Freezer!

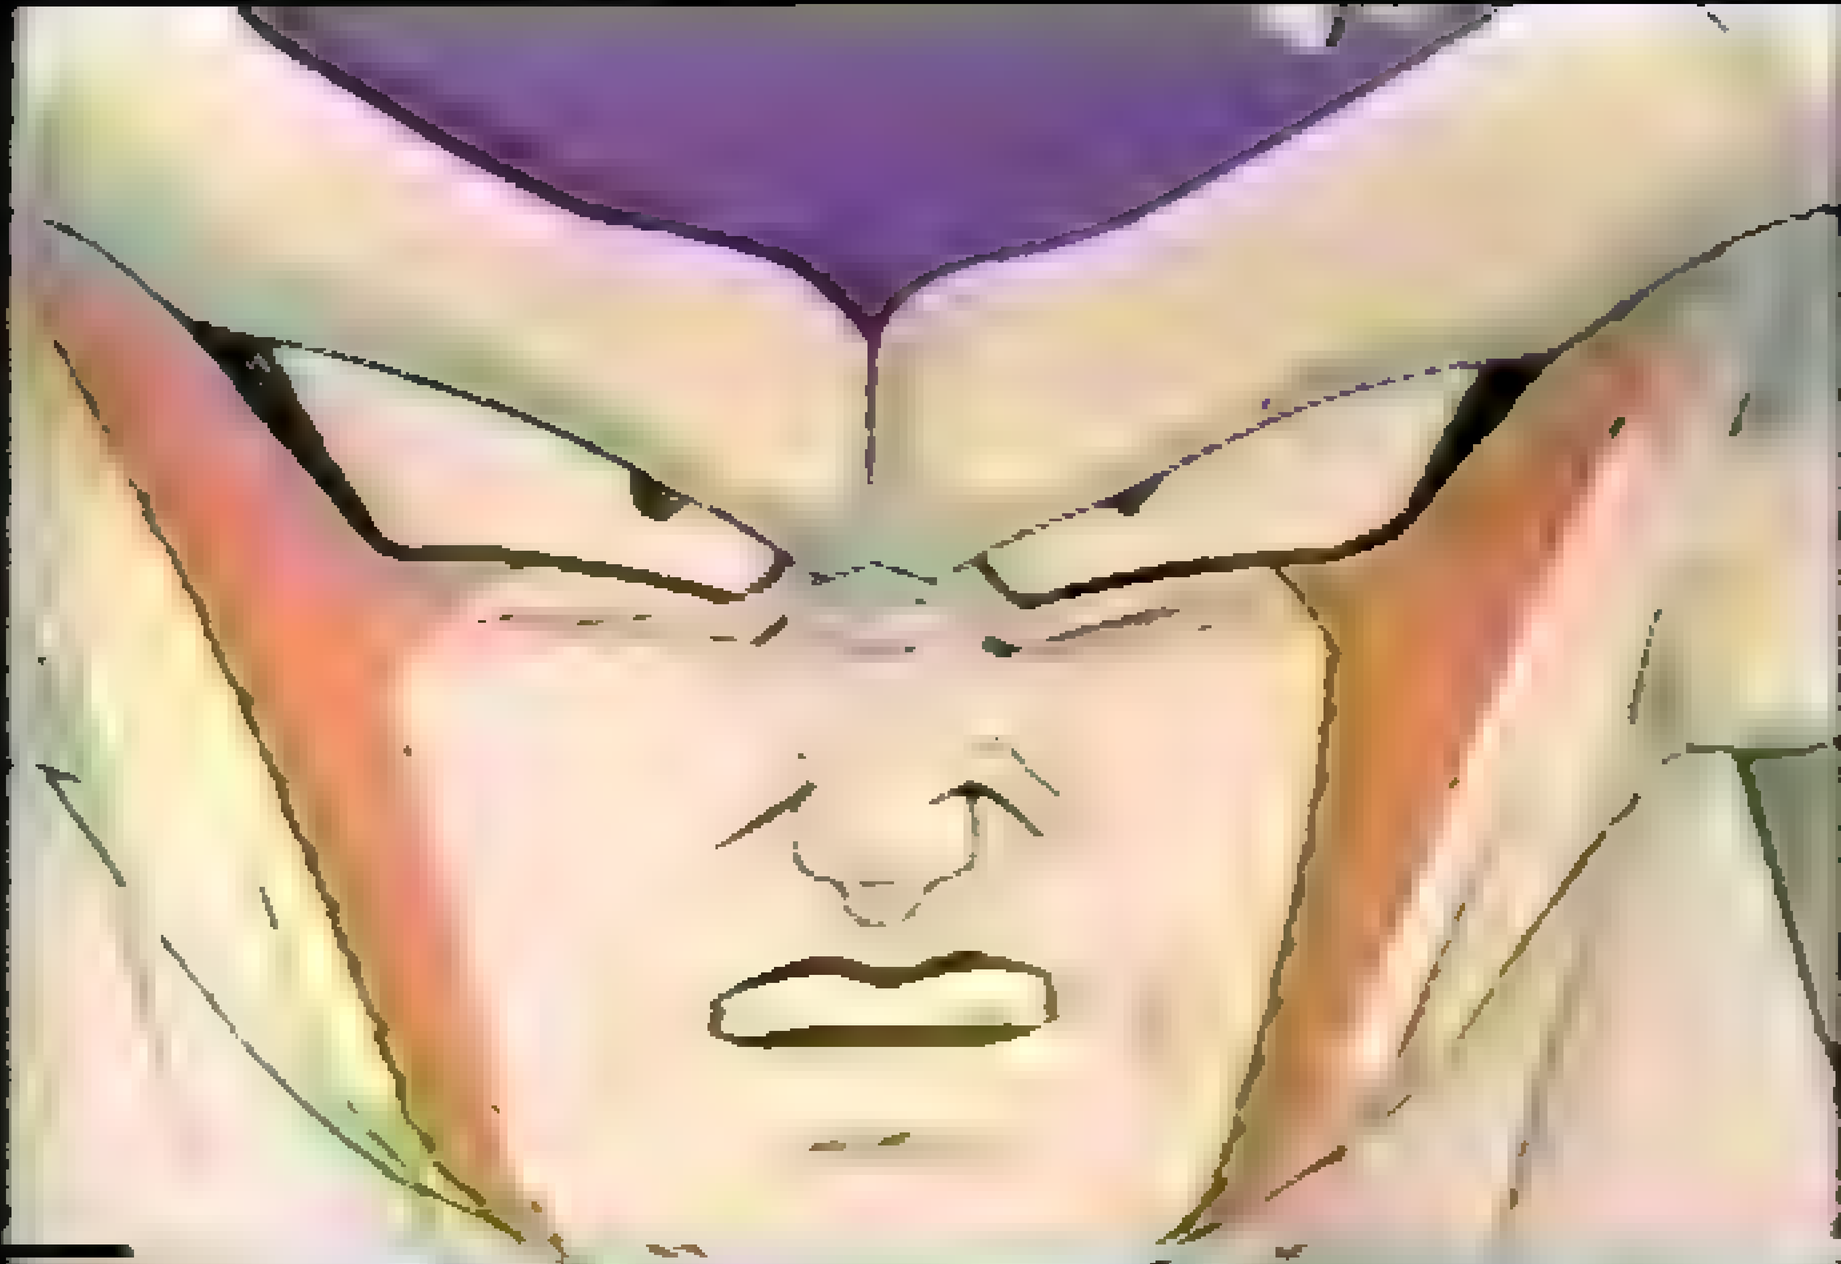

There's no way
he can do it alone!

There's no way
he can do it alone!

You maggots...!

Haven't you realized it yet?

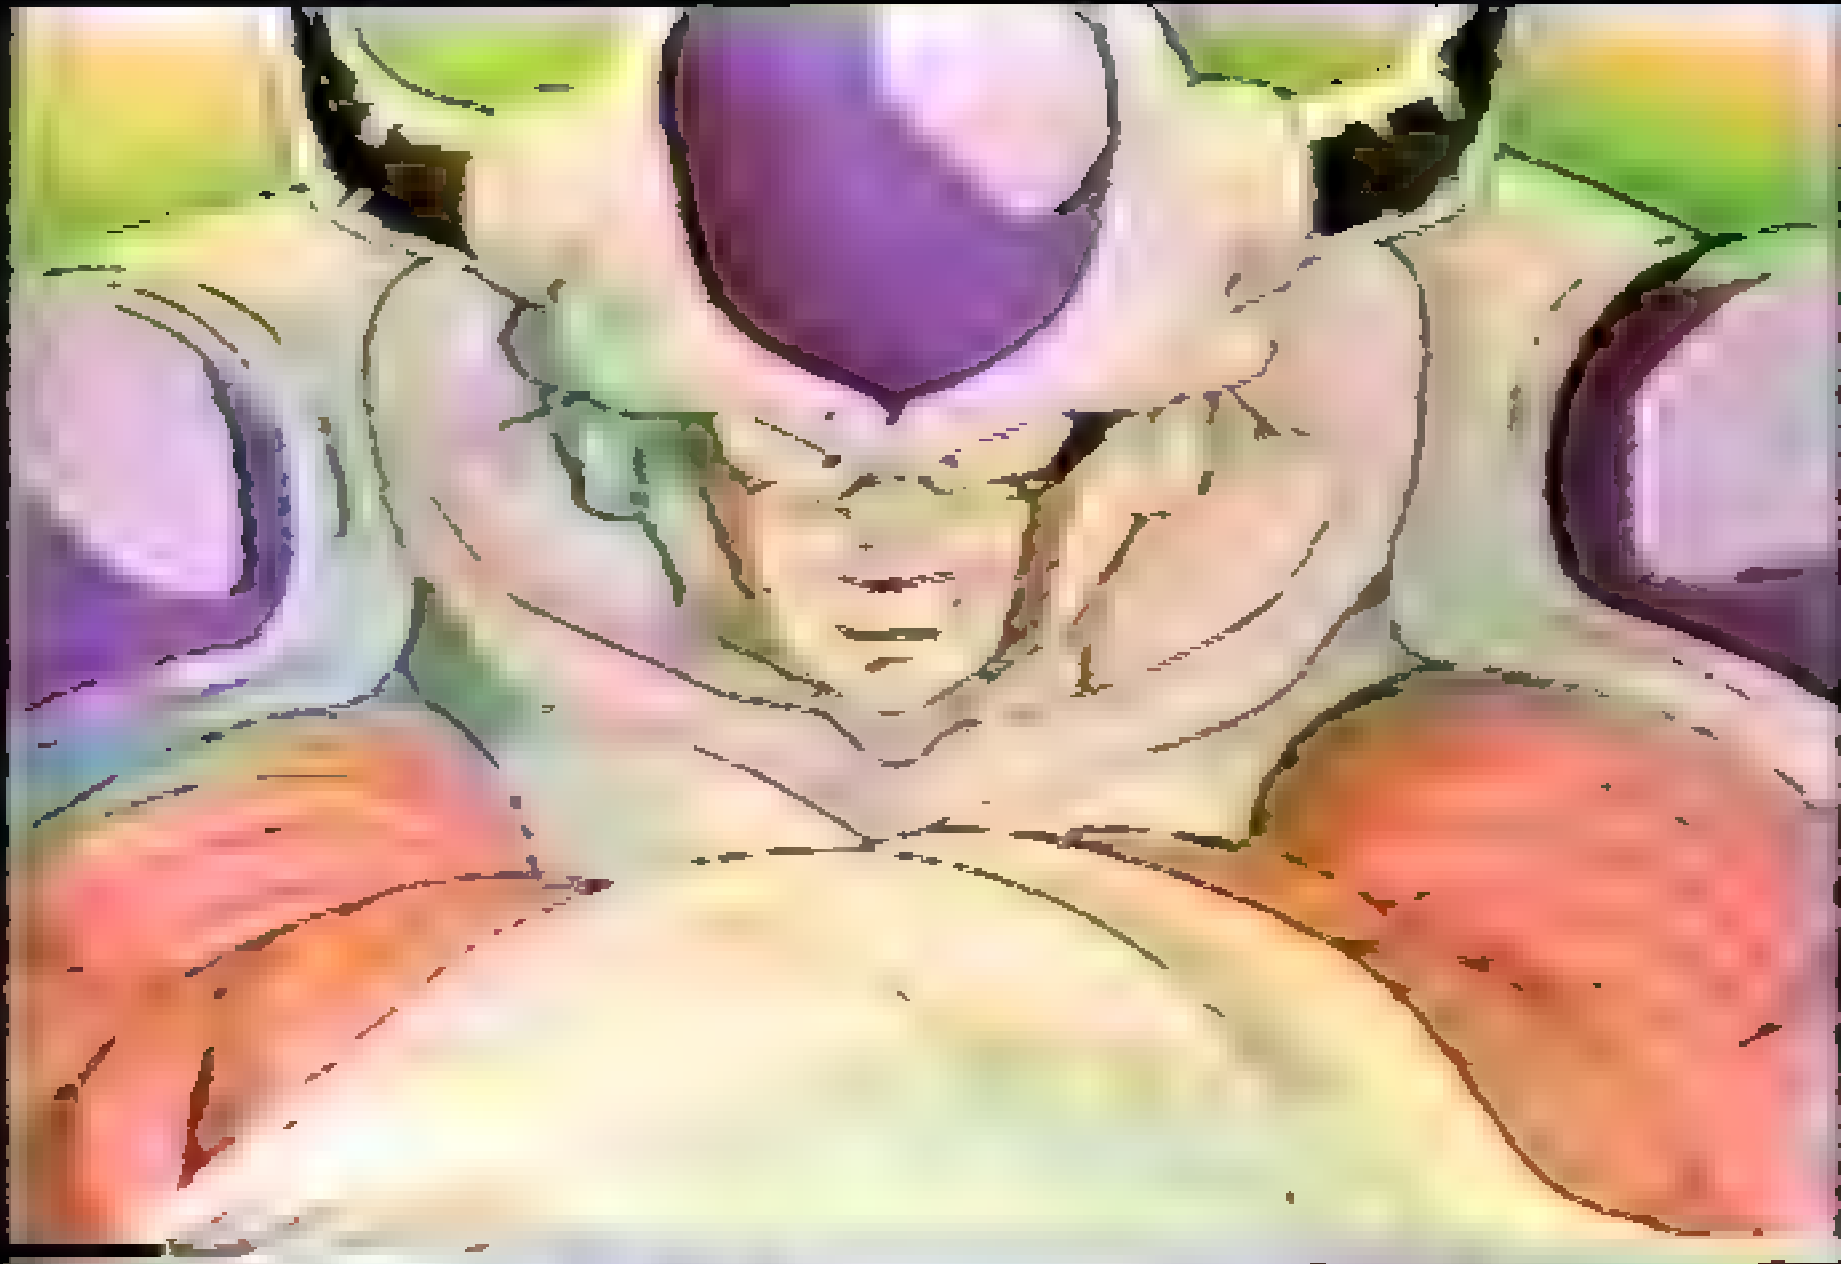

We can read all
of your movements.

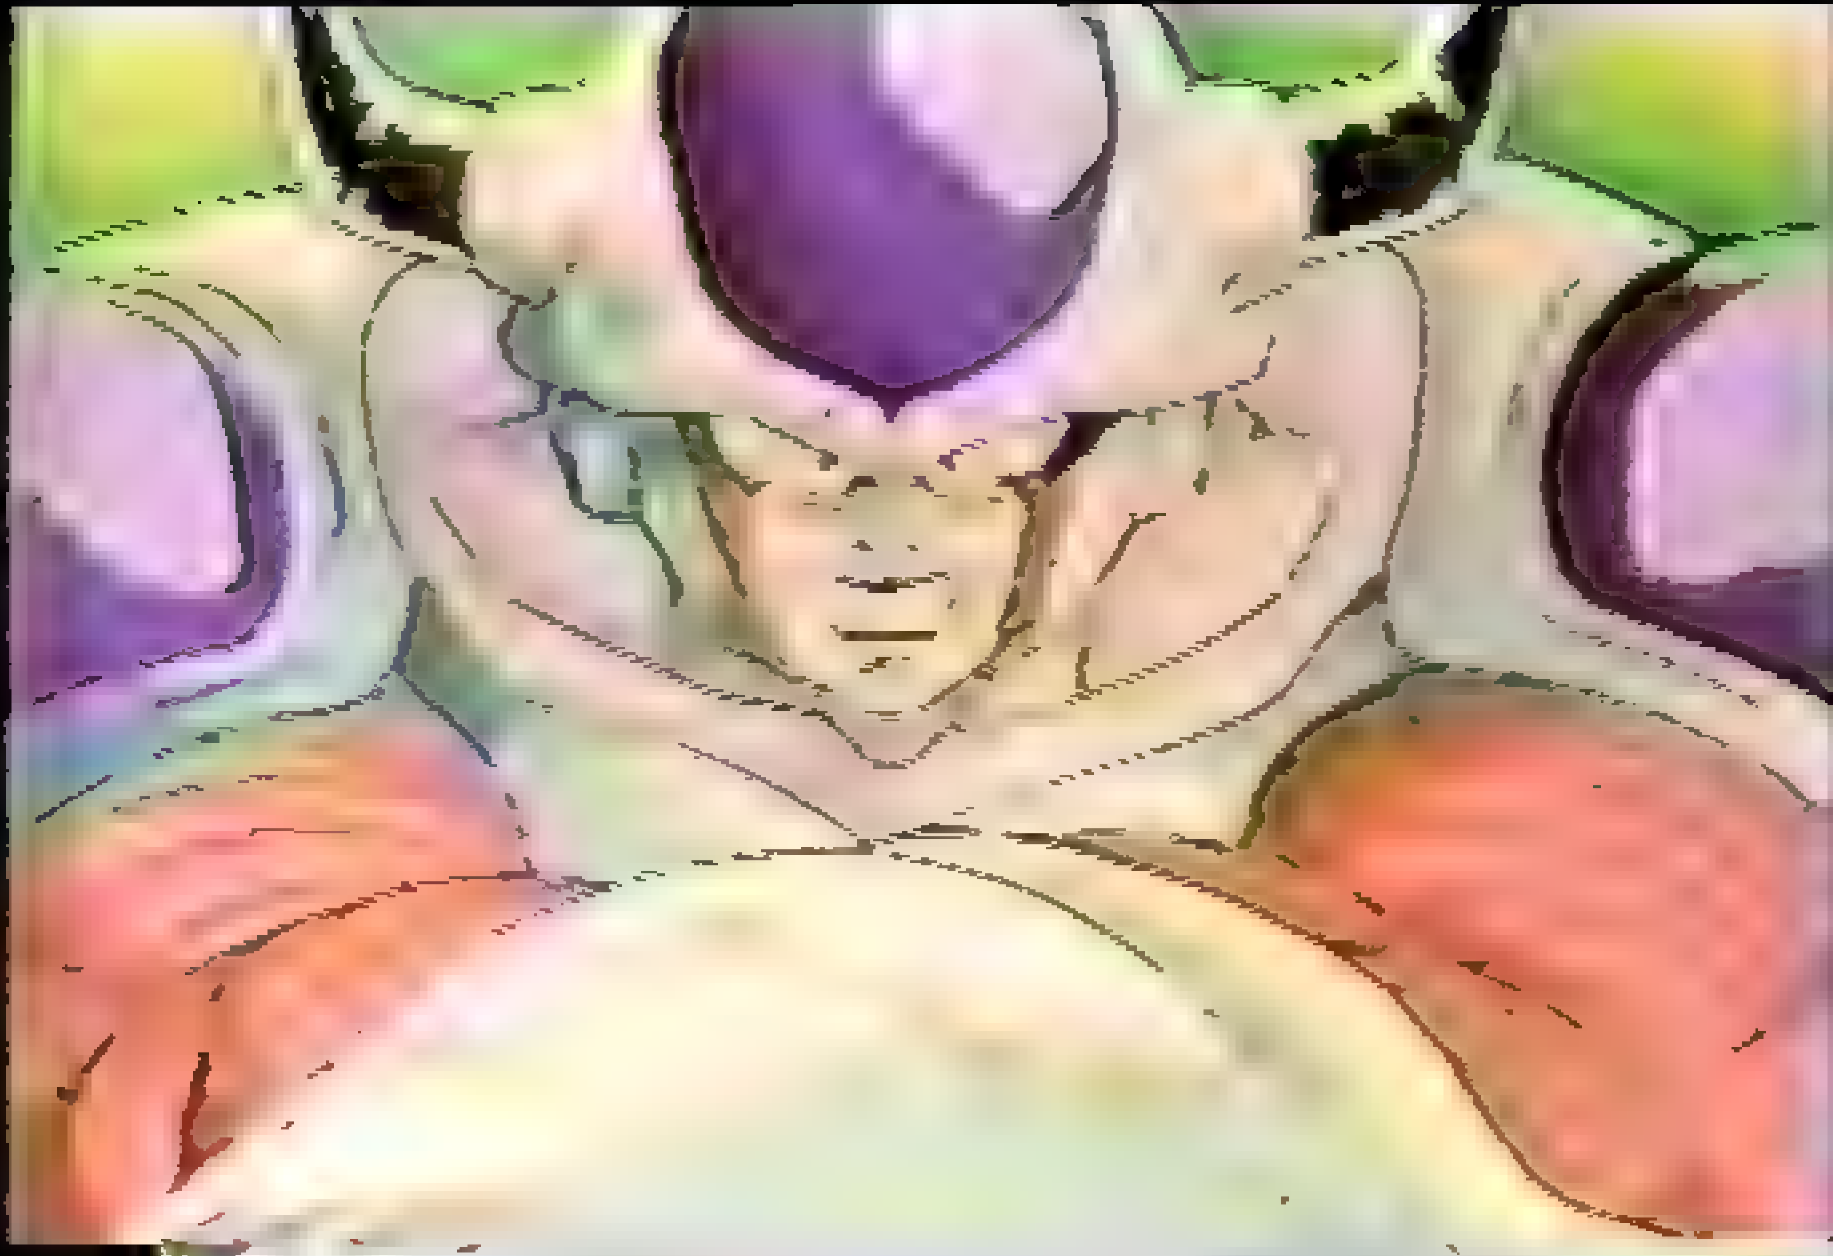

We can read all
of your movements.

What? We...?

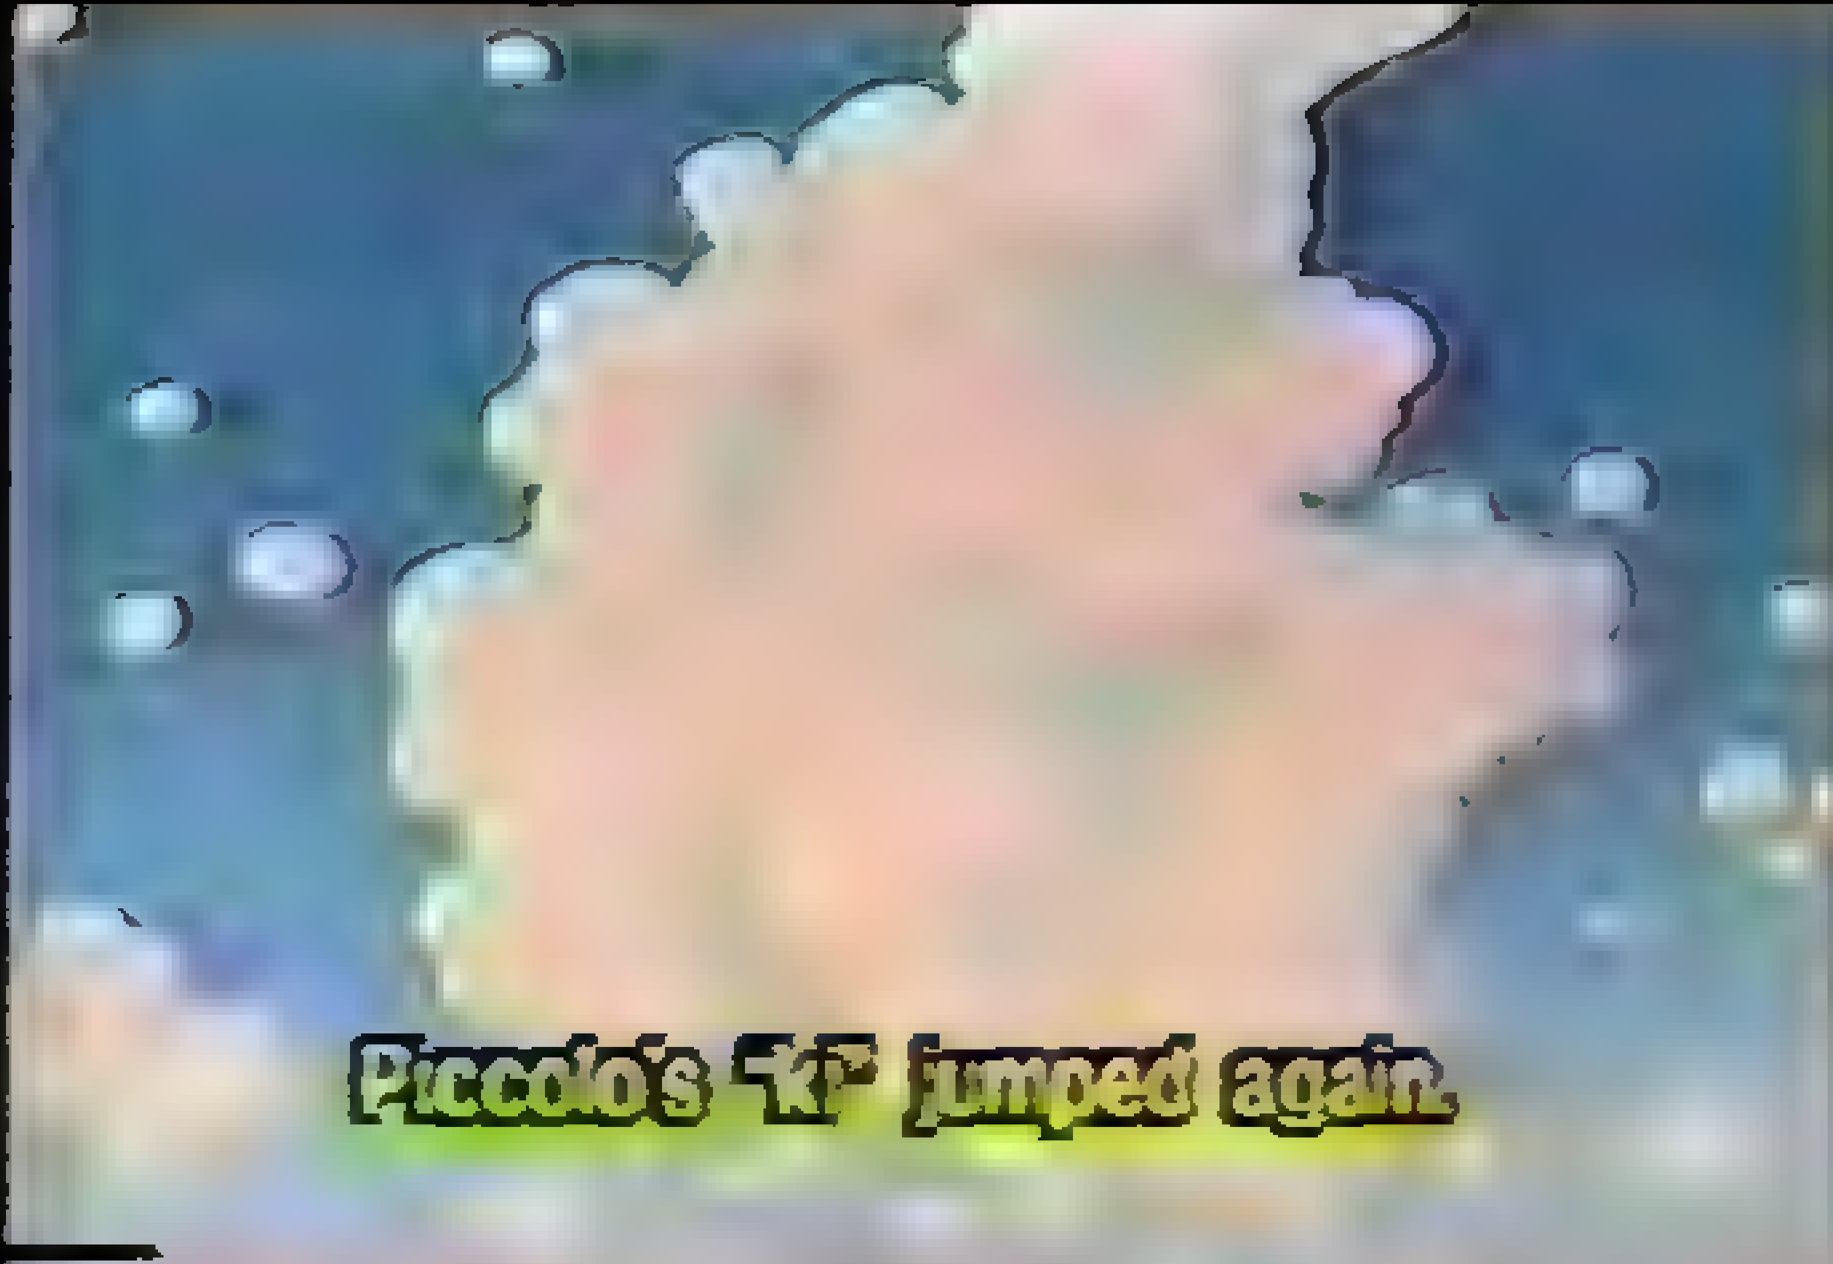

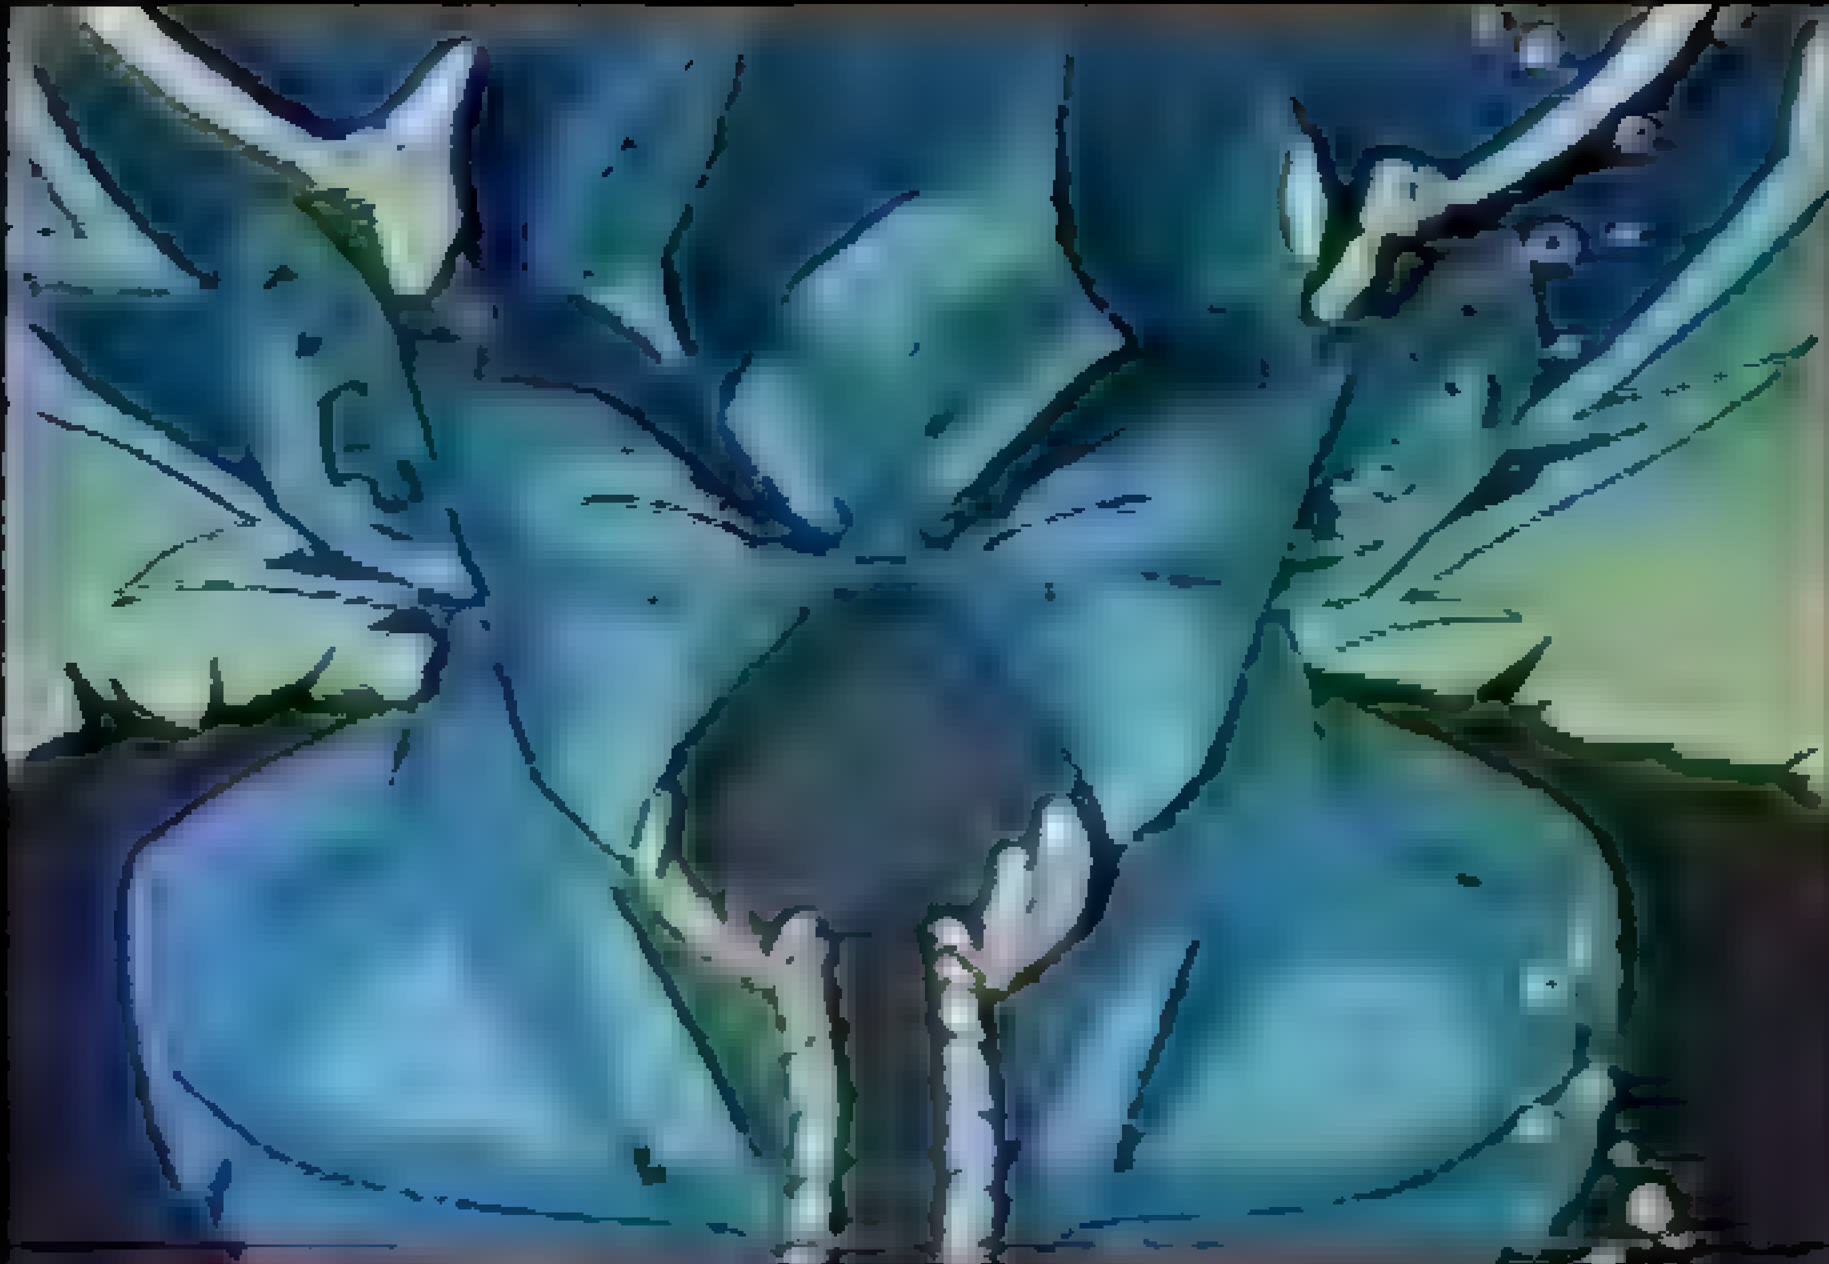

What's going on?

Piccolo!

Piccolo's "ki" jumped again.

Piccolo's "ki" jumped again.

Piccolo's "ki" jumped again.

What's going on?

You've become a giant
and using both hands, too.

And that's all
you can manage?

That voice...!

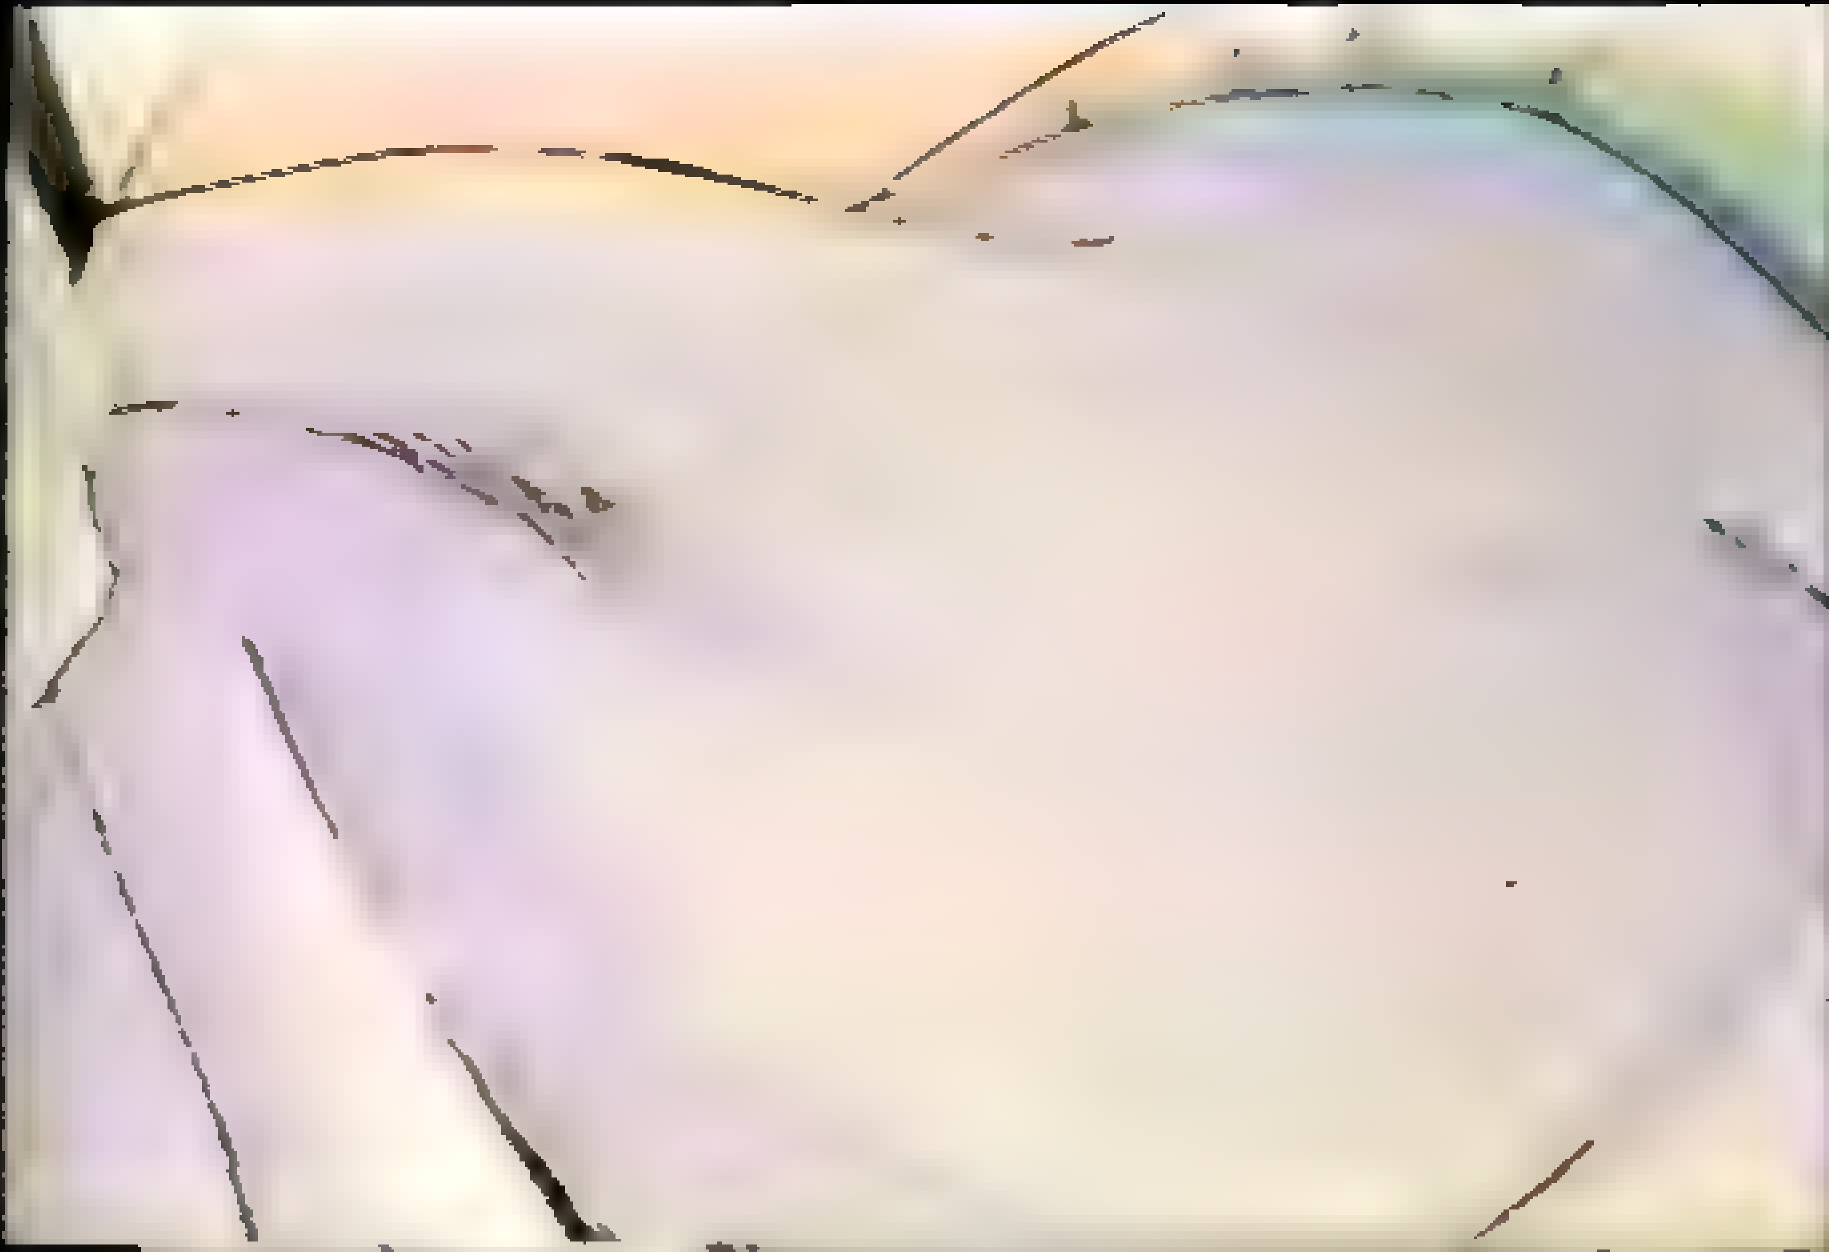

I know. I'll just fight you
with my left hand.

I know. I'll just fight you
with my left hand.

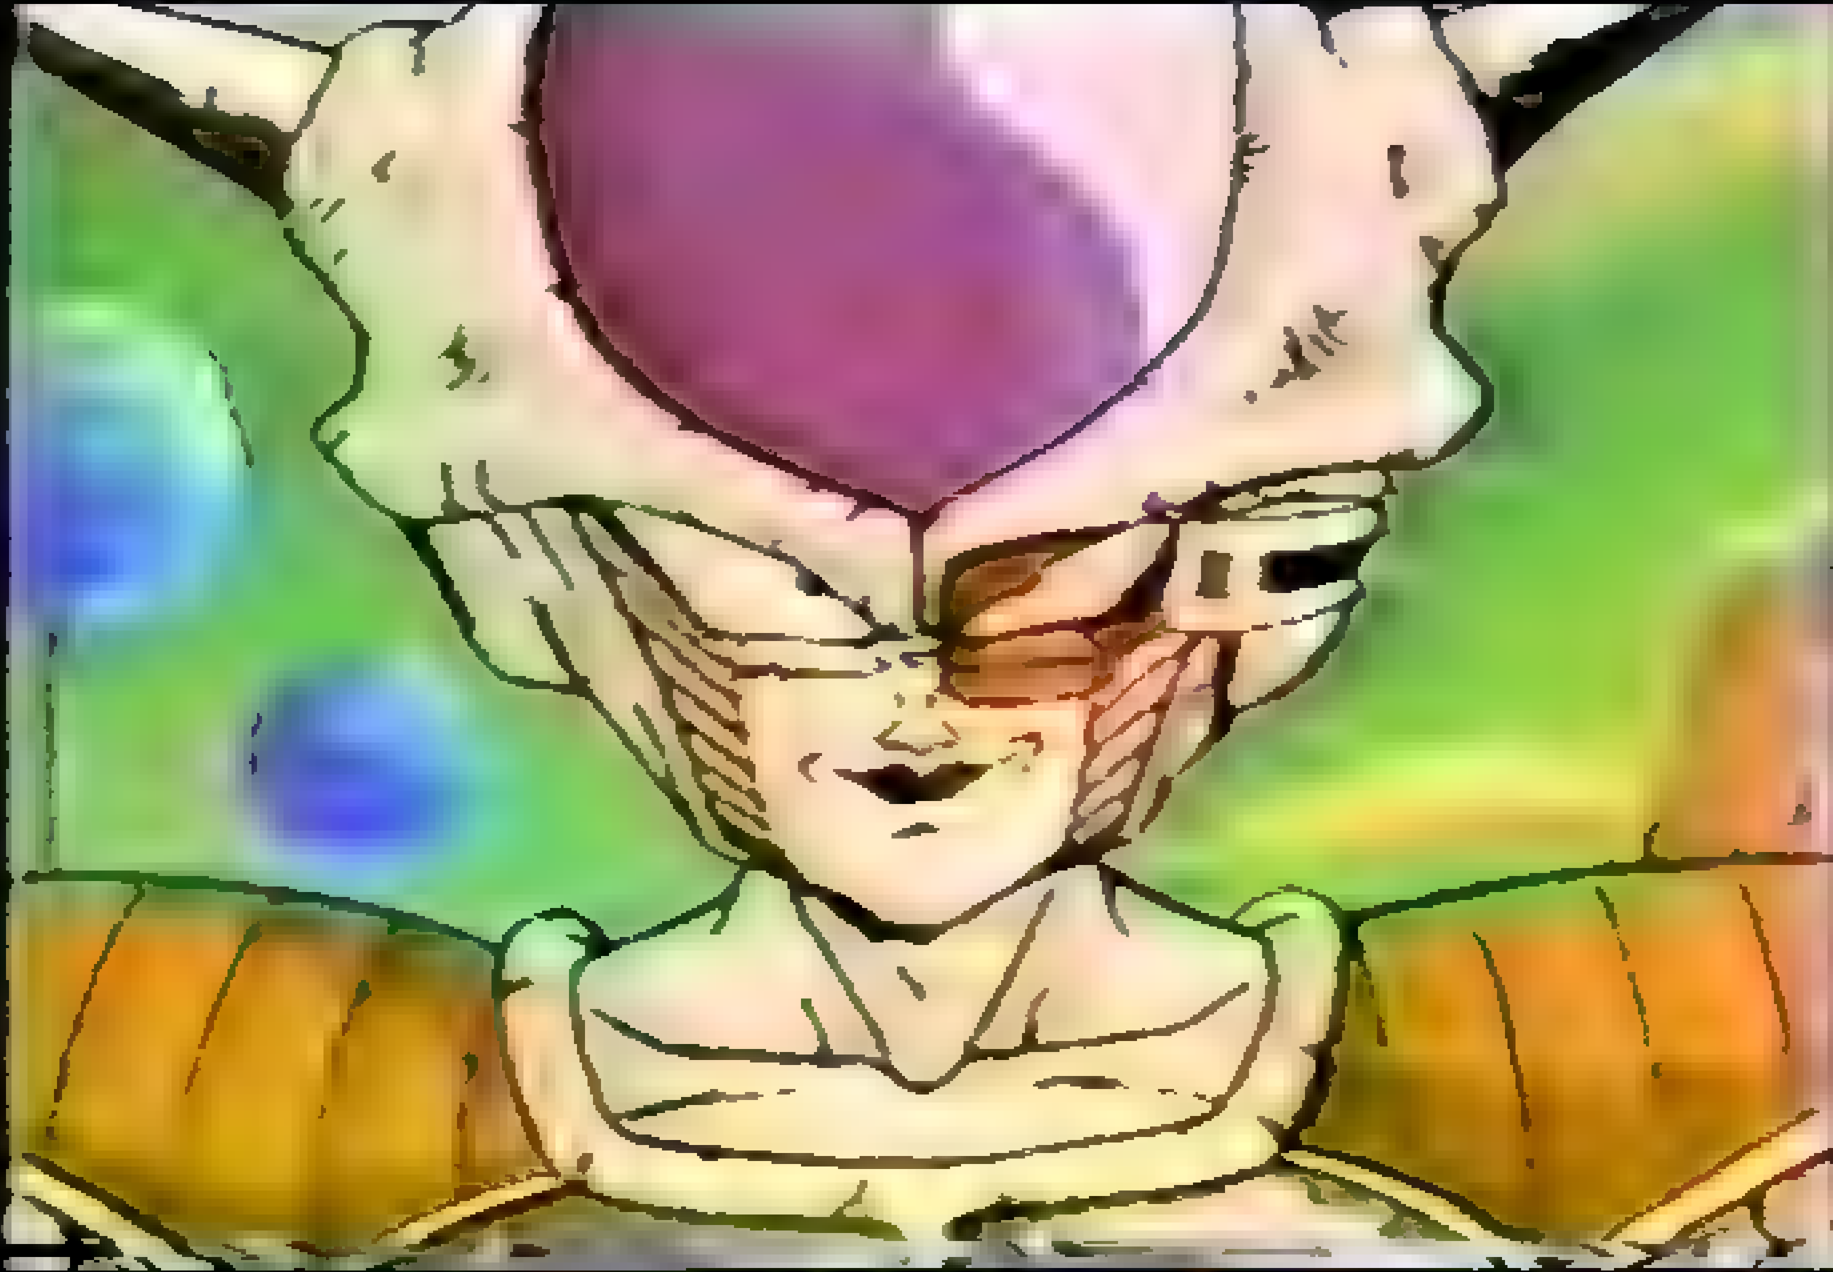

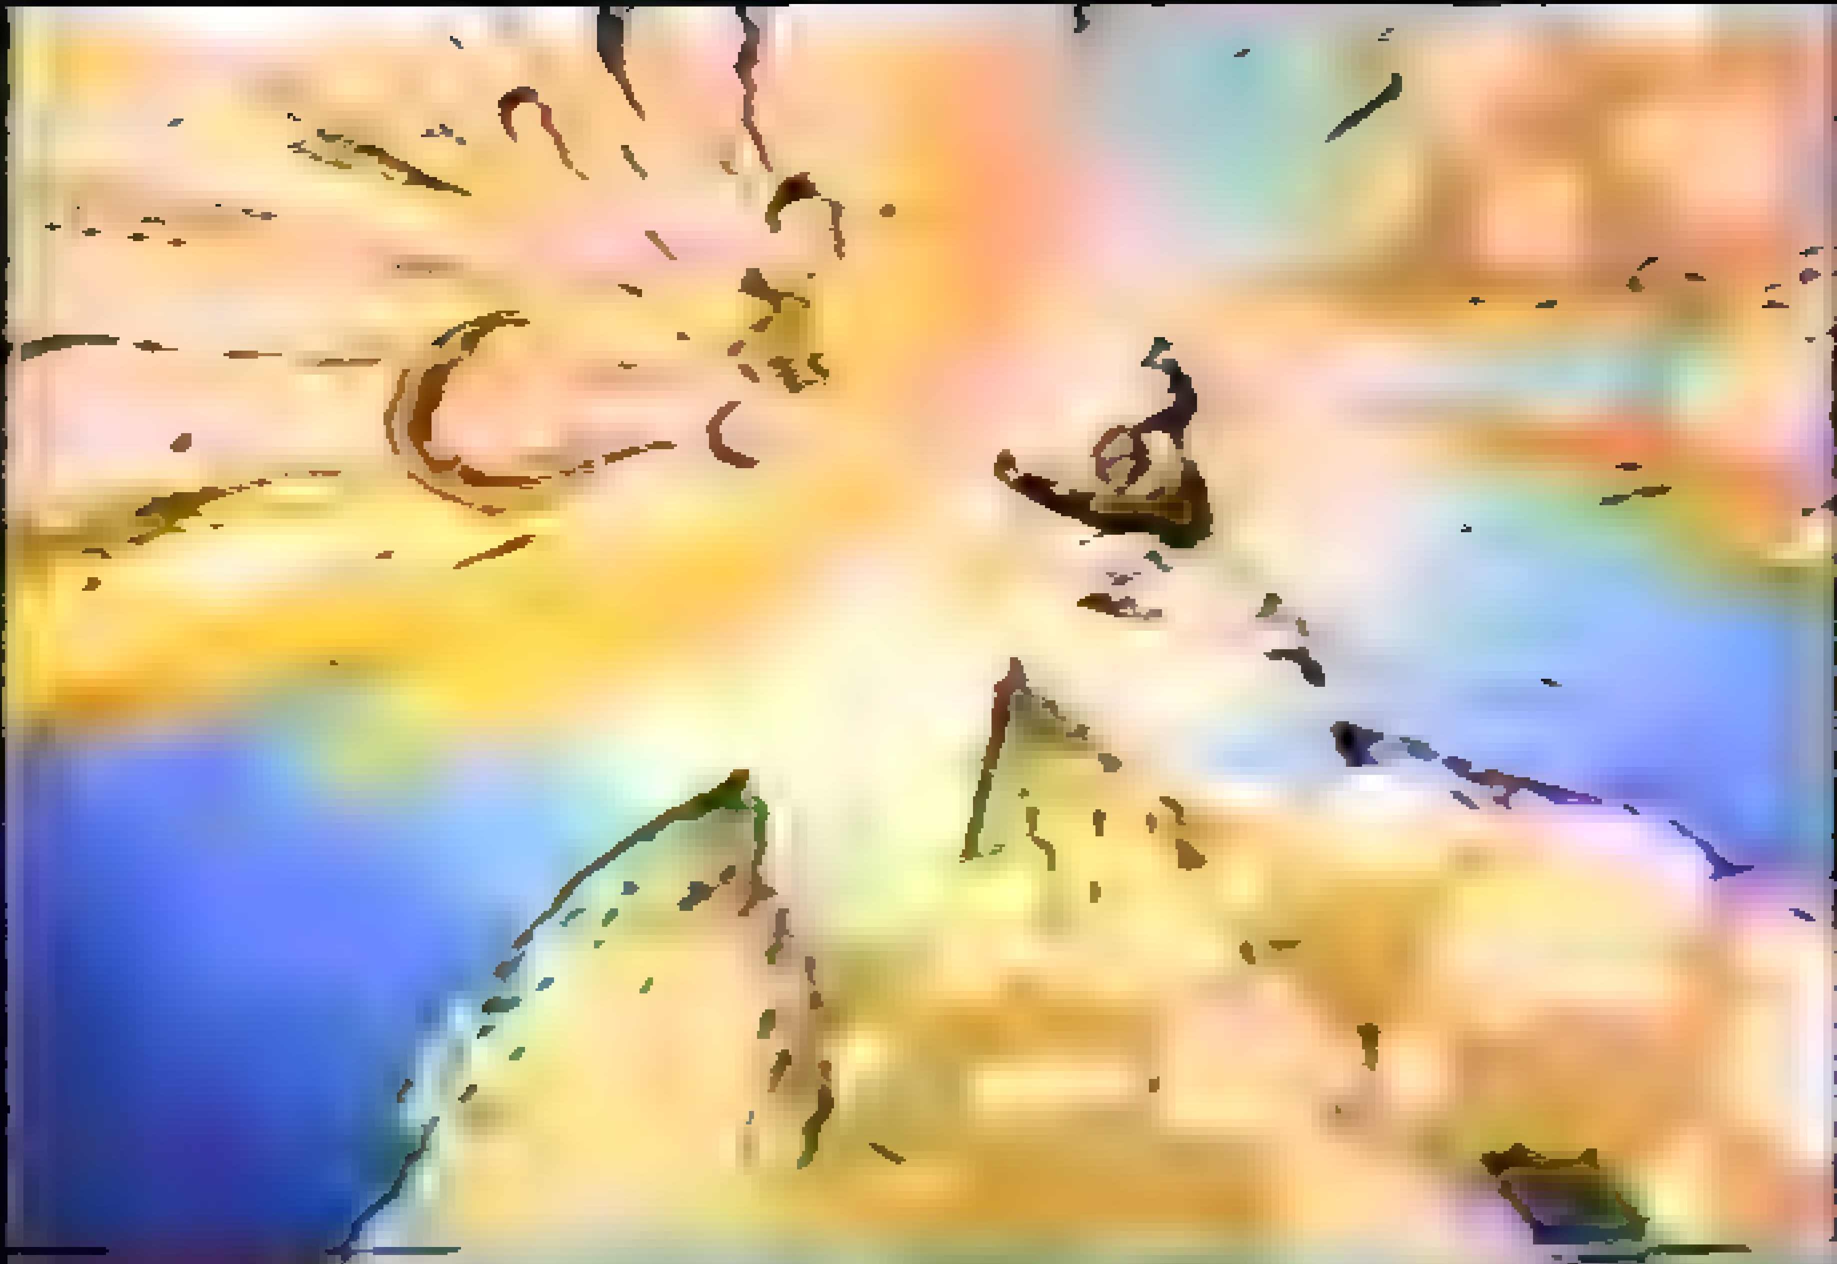

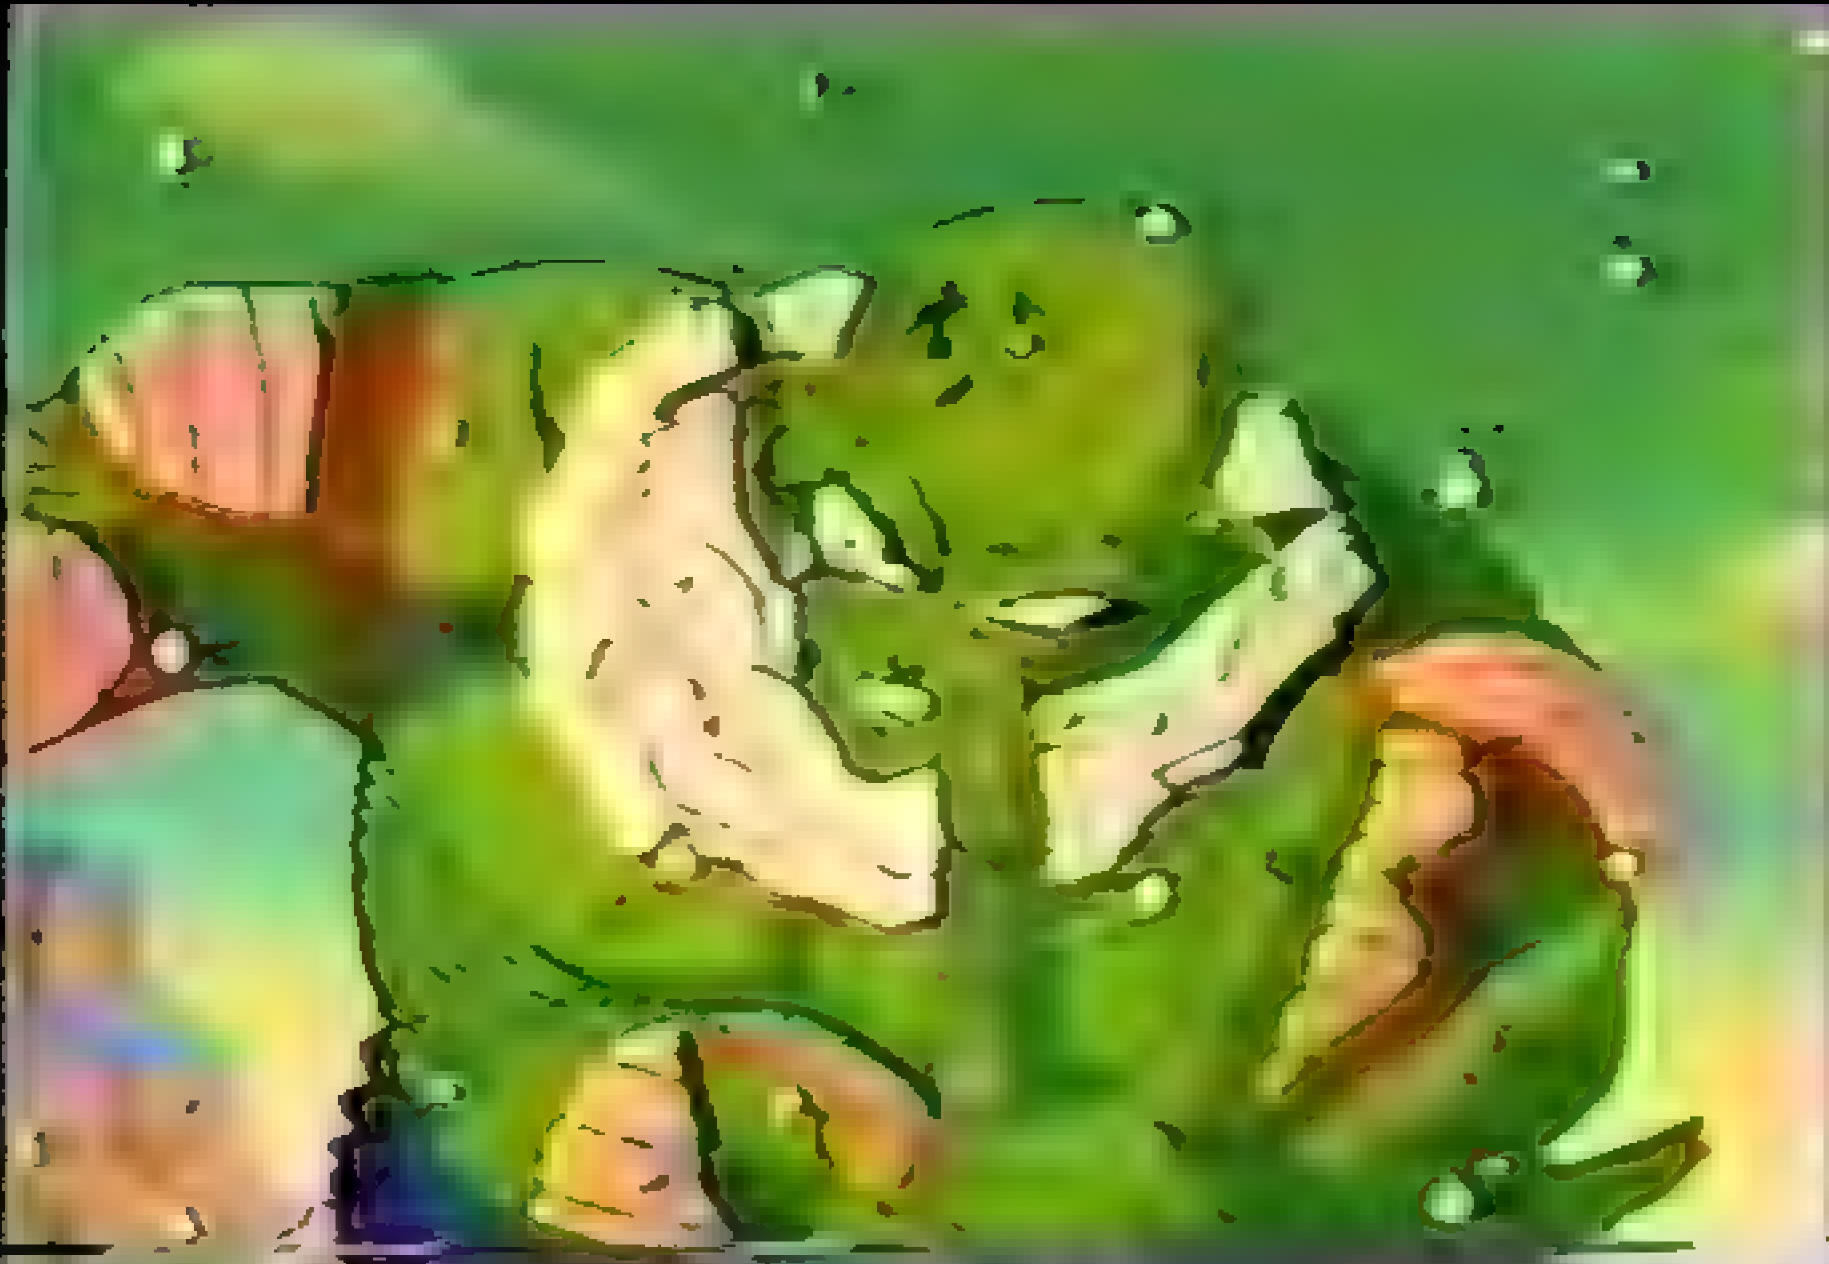

Do you think something
like that would hurt me?

Do you think something
like that would hurt me?

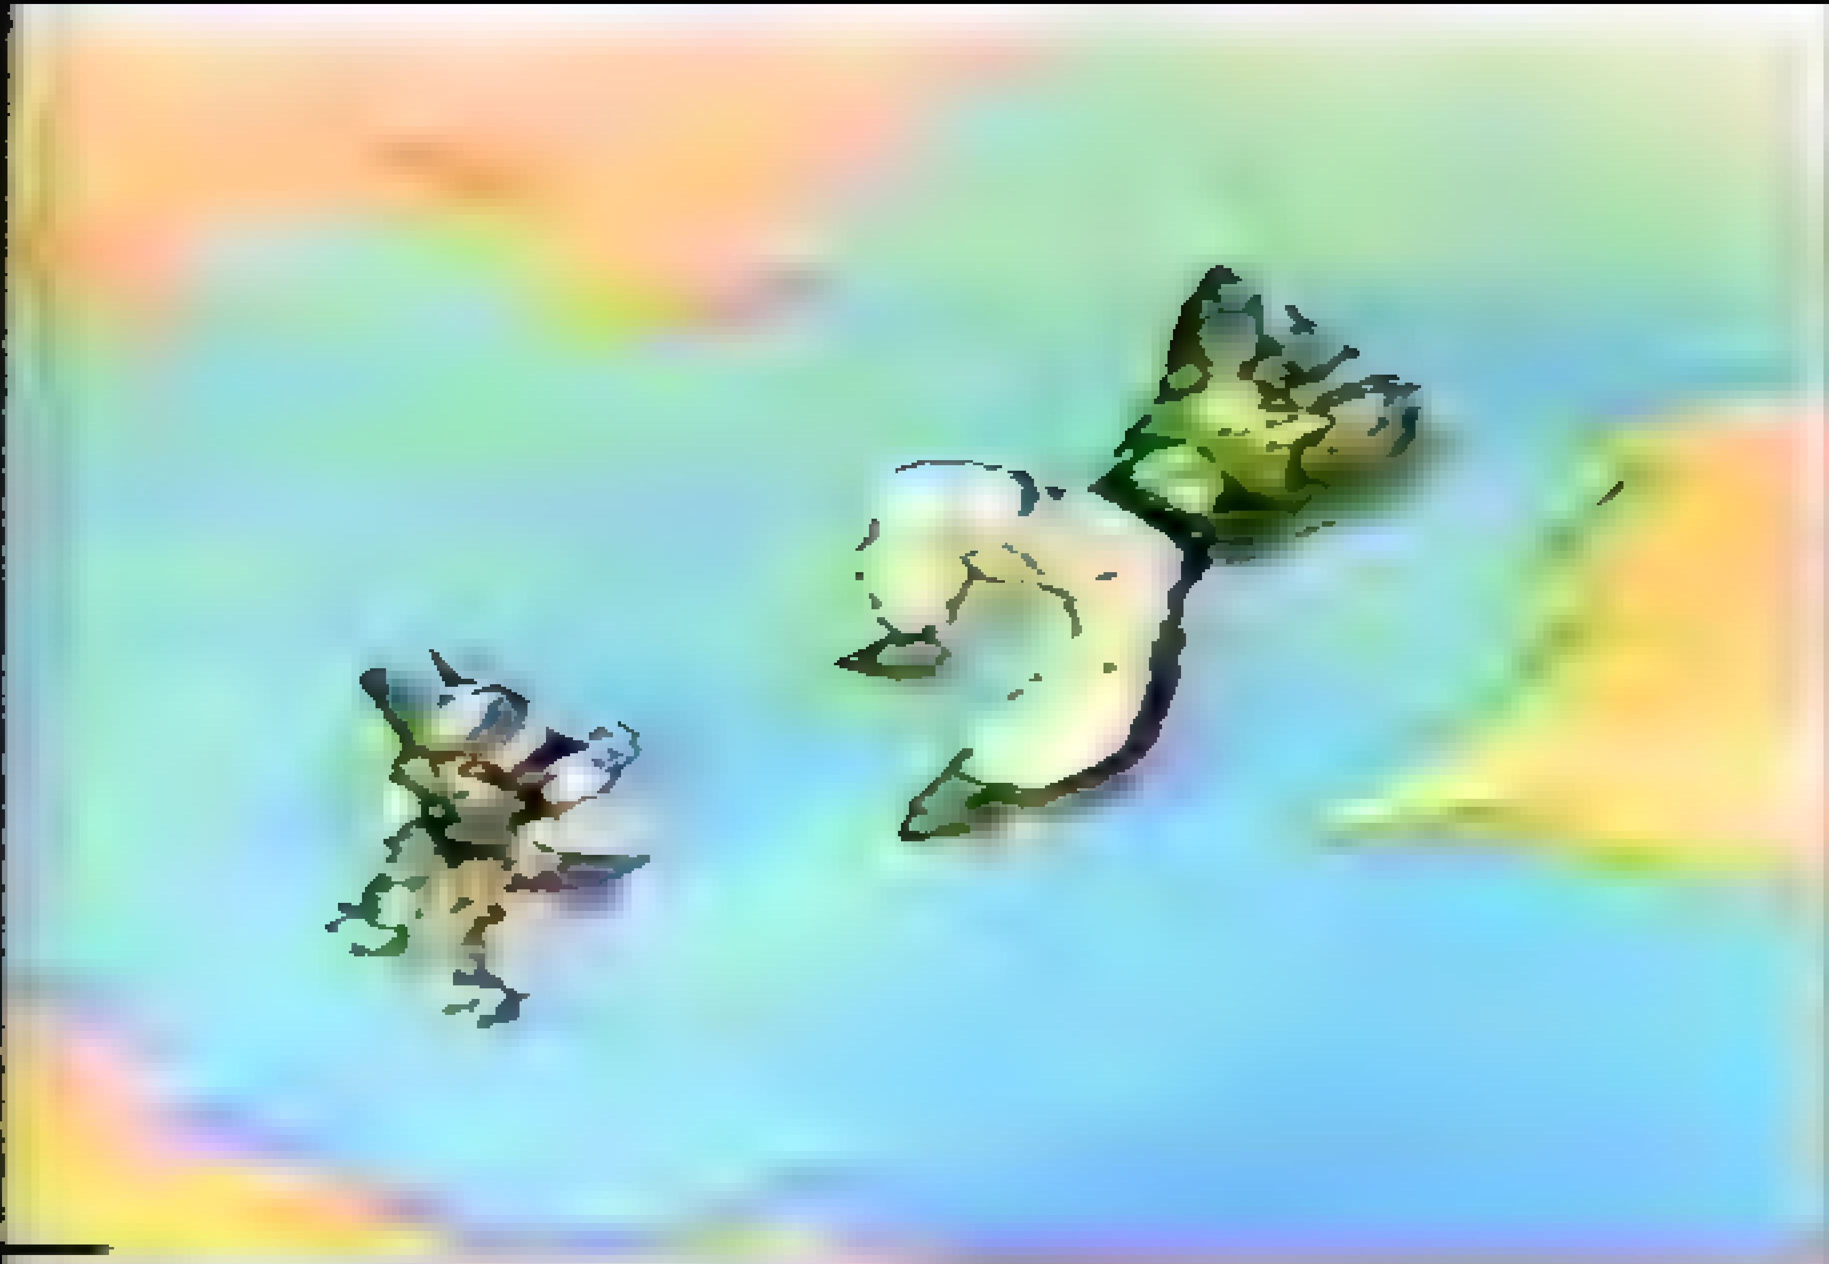

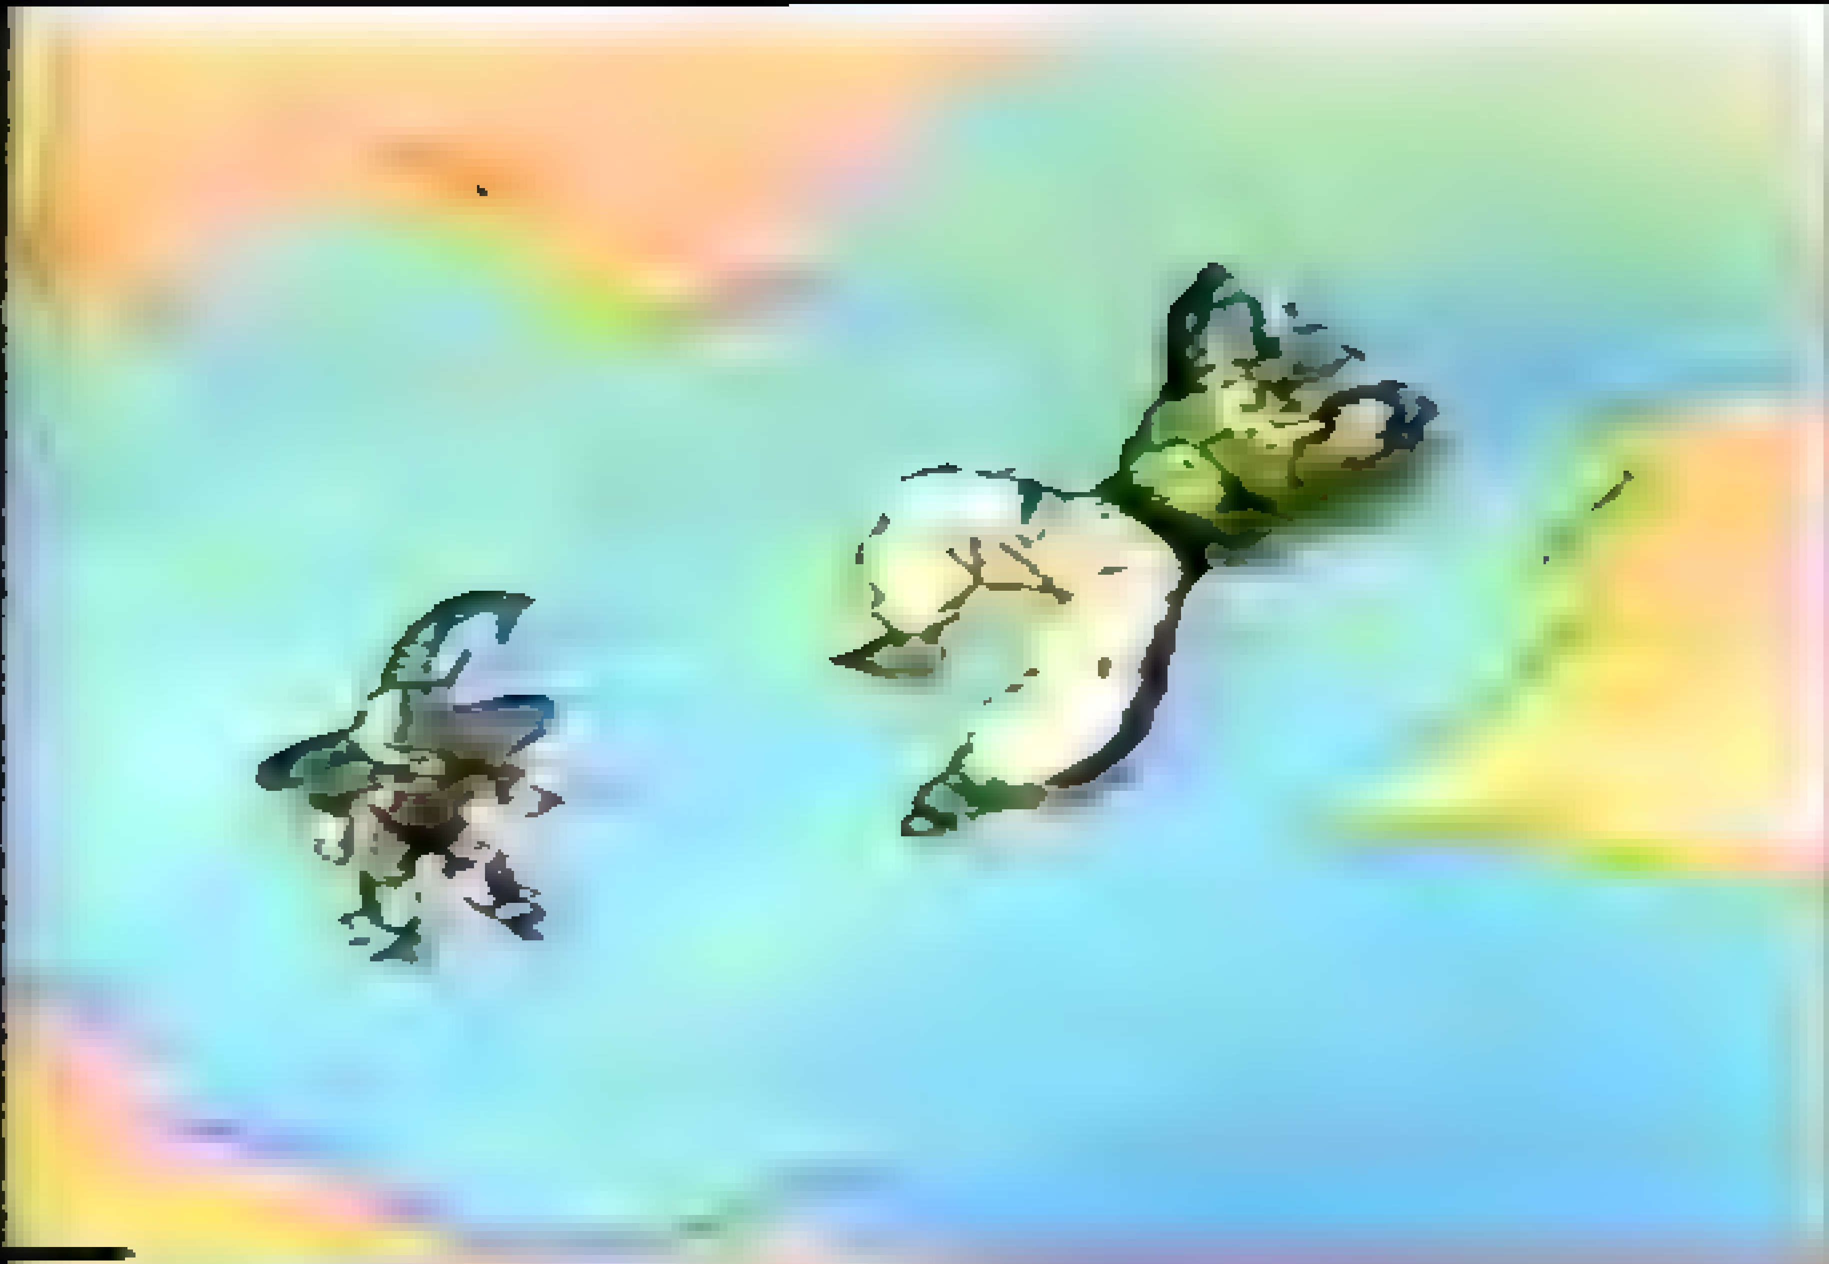

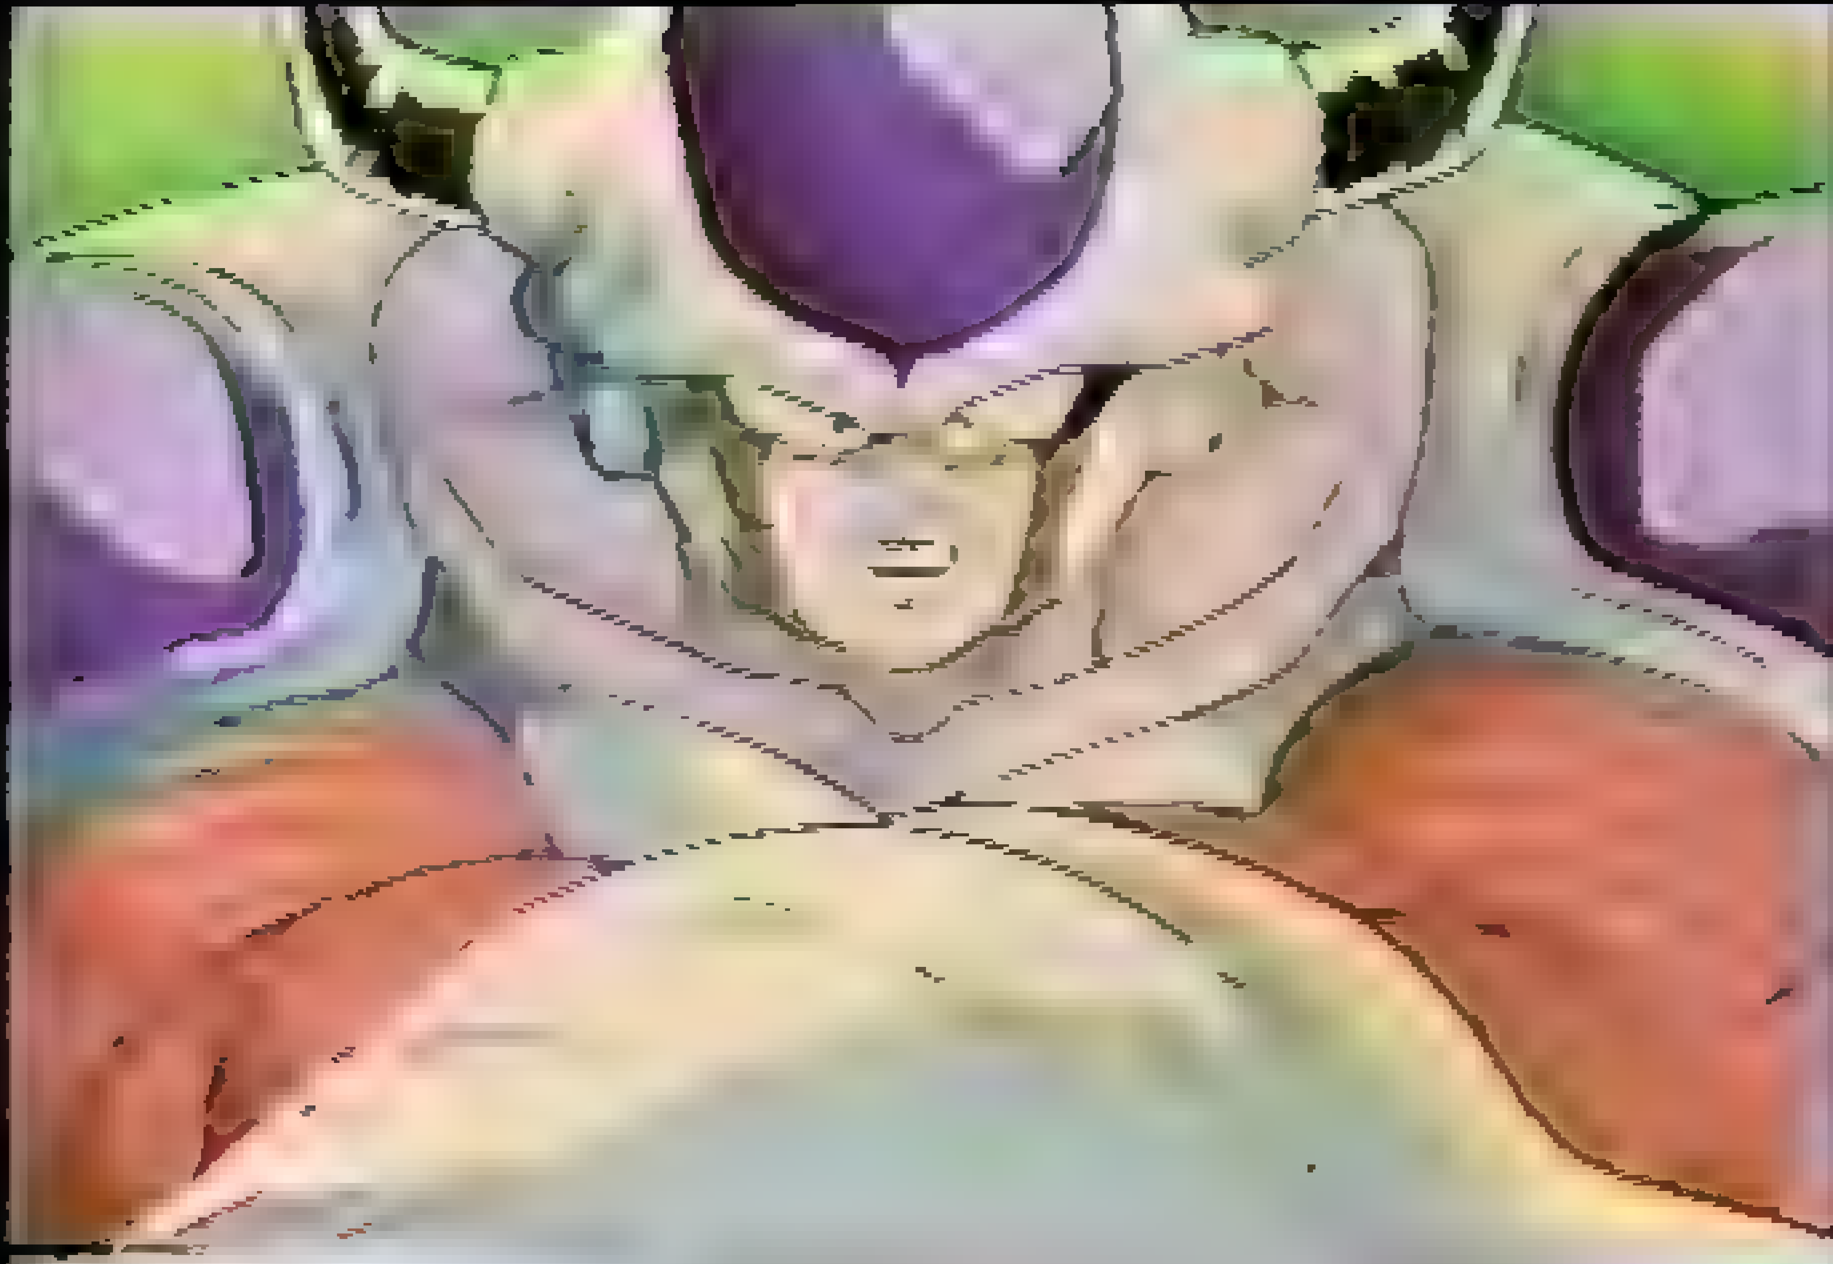

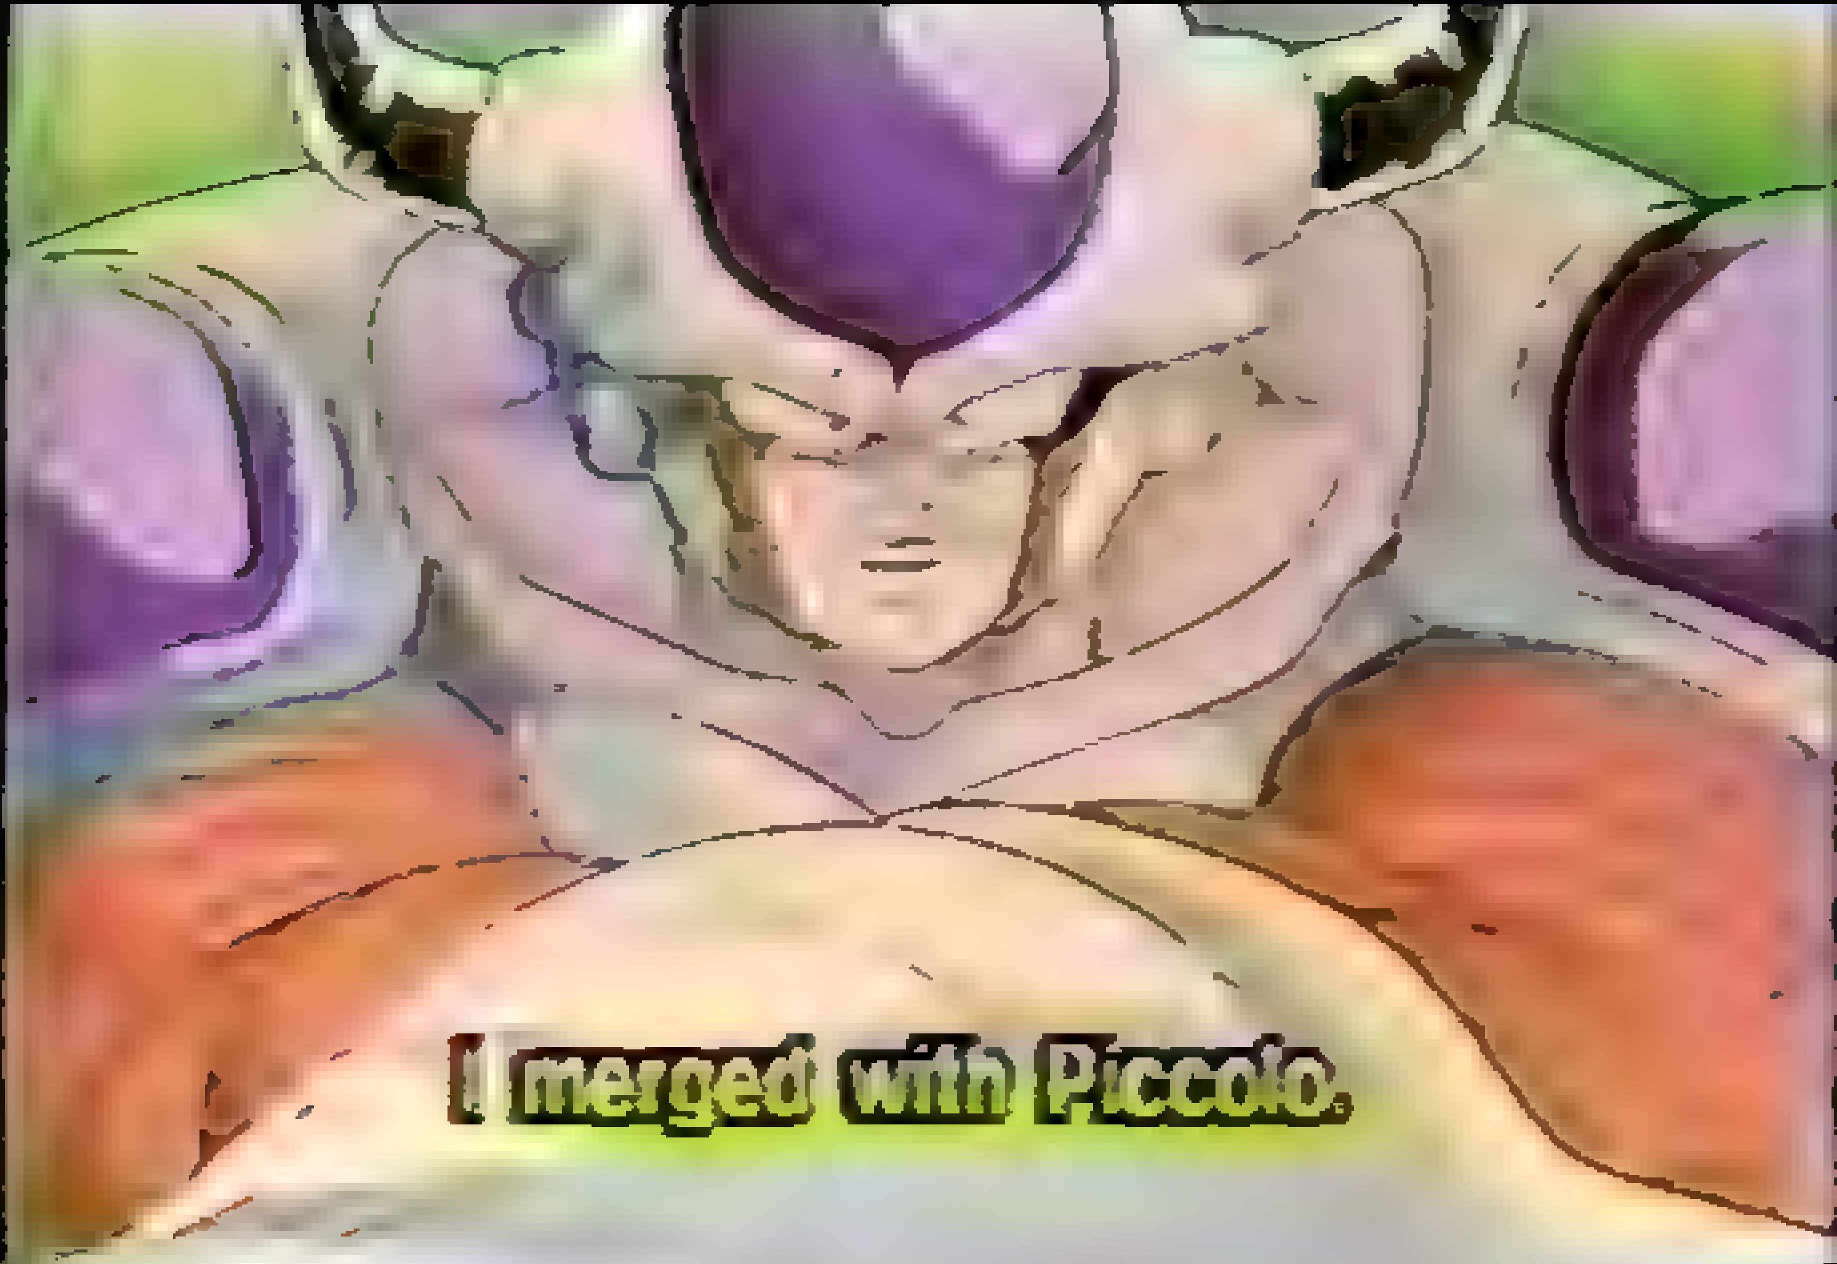

Look at you.
You know you can't win.

Look at you.
You know you can't win.

I merged with Piccolo.

So he did.

By doing that my power
increased several times over.

By doing that my power
increased several times over.

Merge with me!

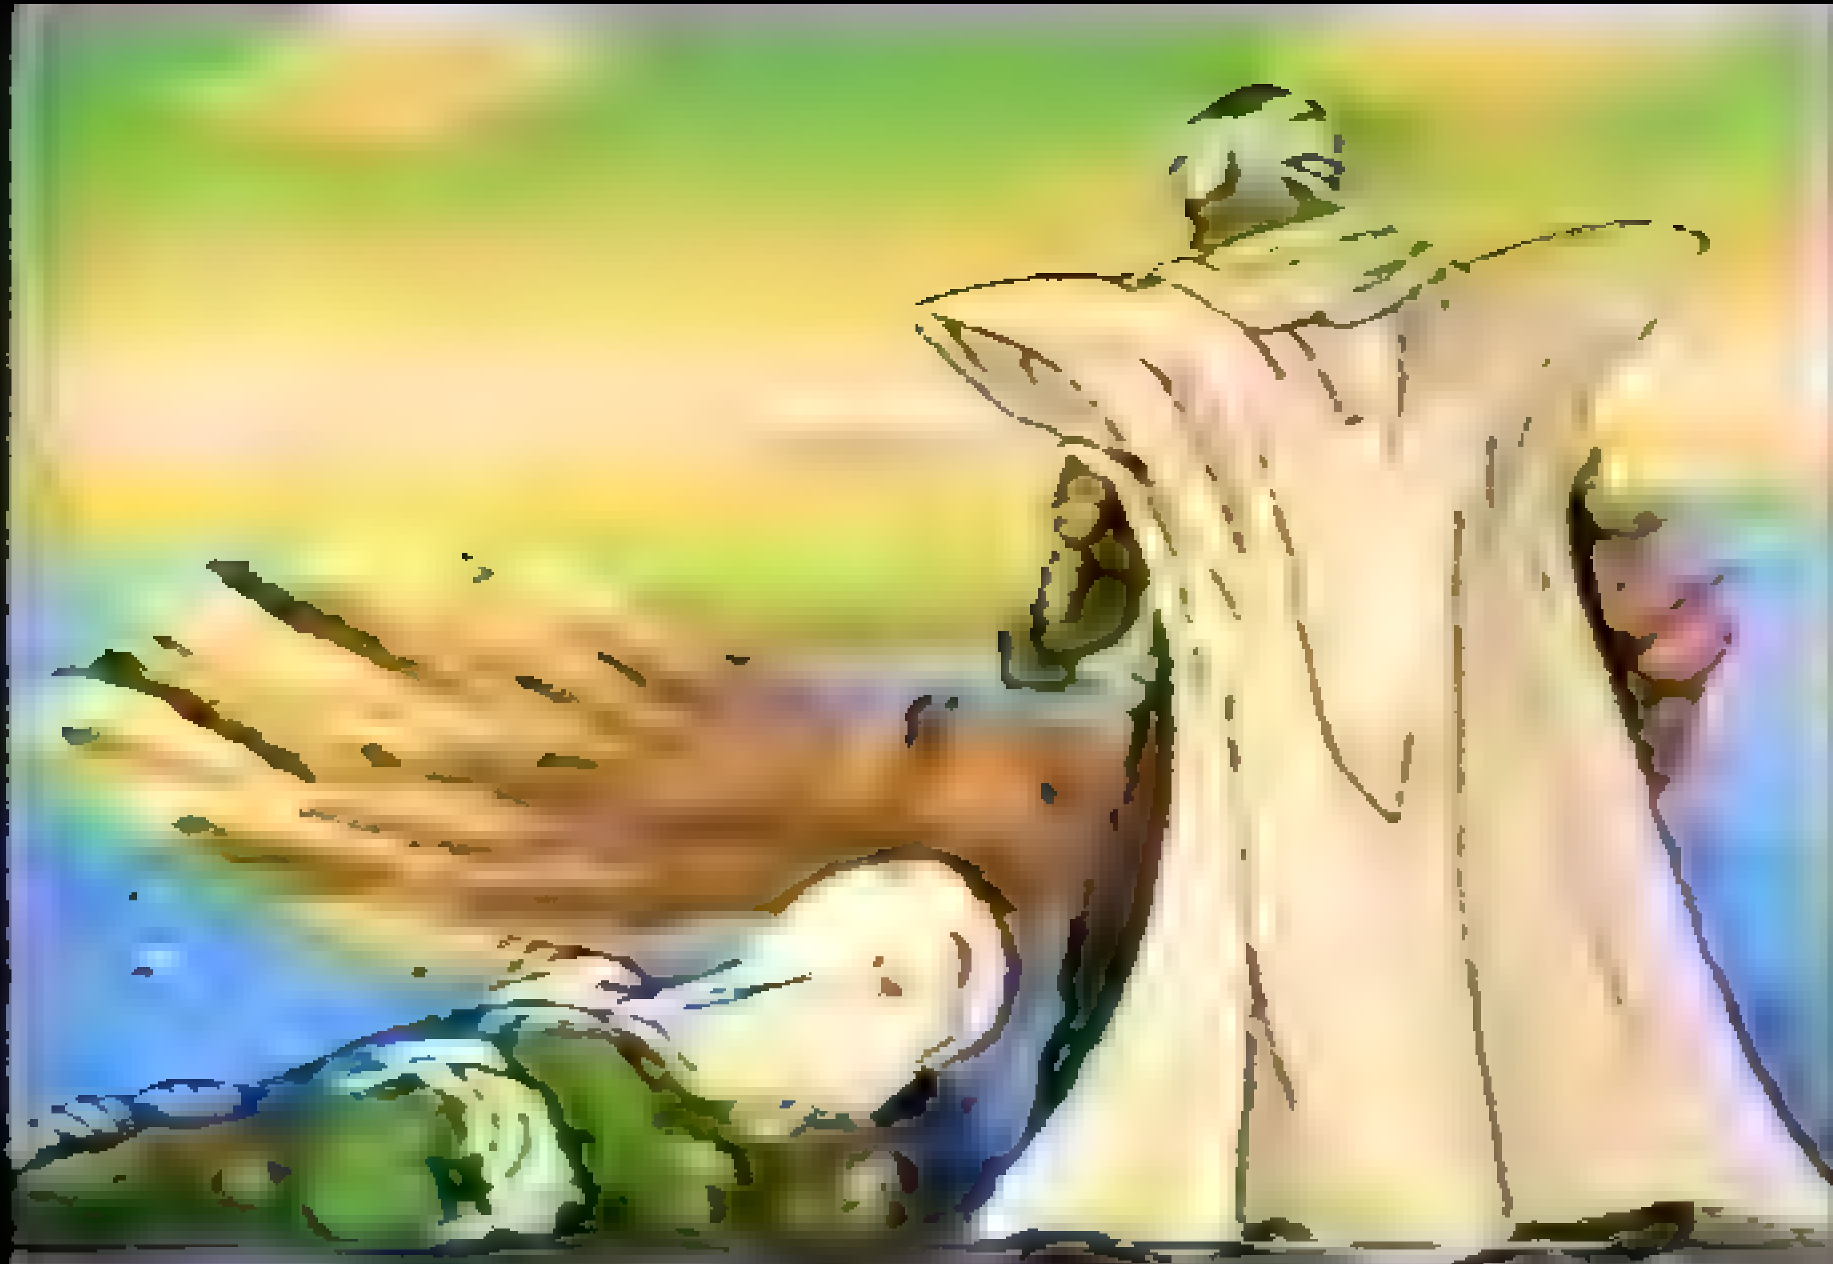

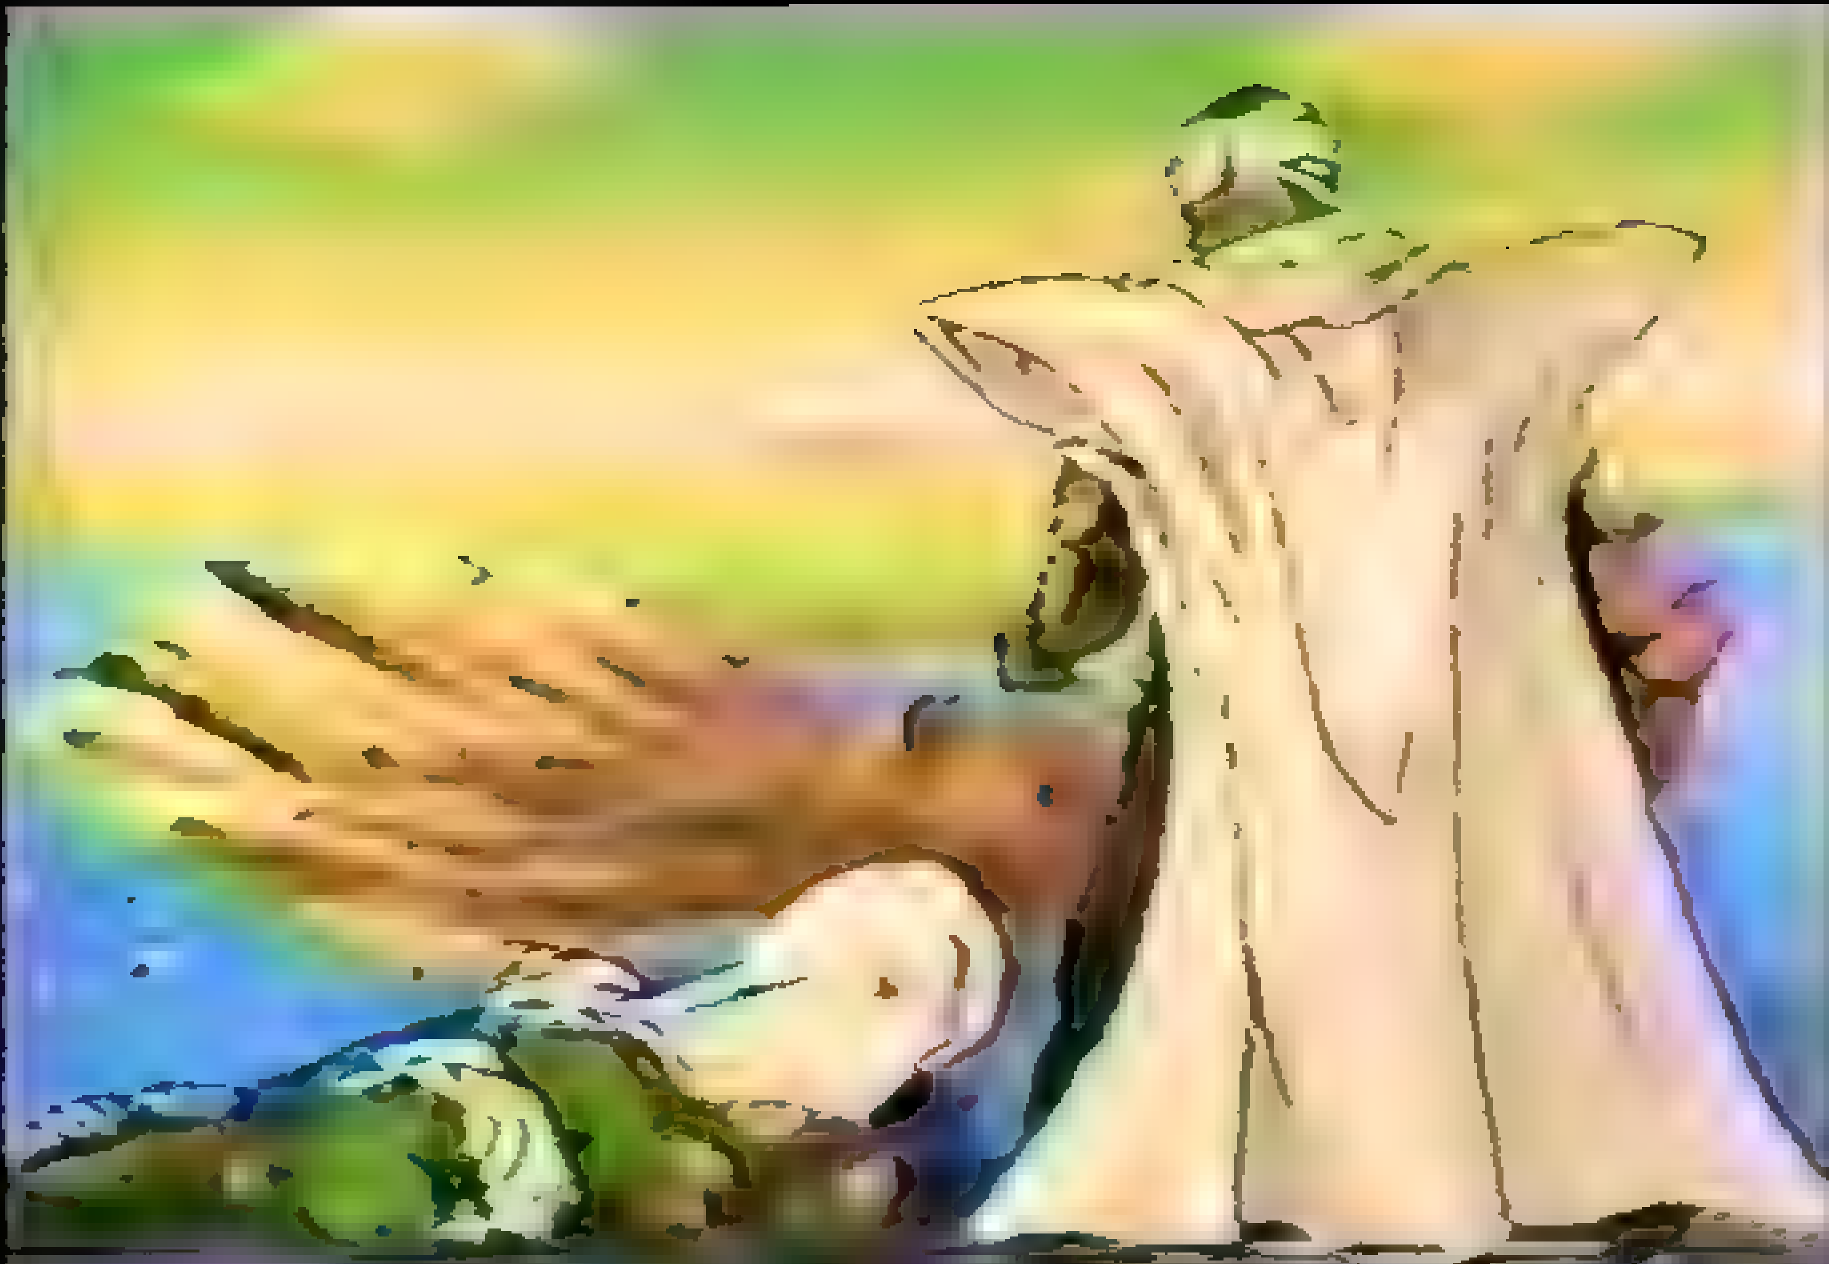

I am the last warrior-type
Nameccian left.

I am the last warrior-type
Nameccian left!

or this planet.

Right. If we merge, your power
will increase several levels.

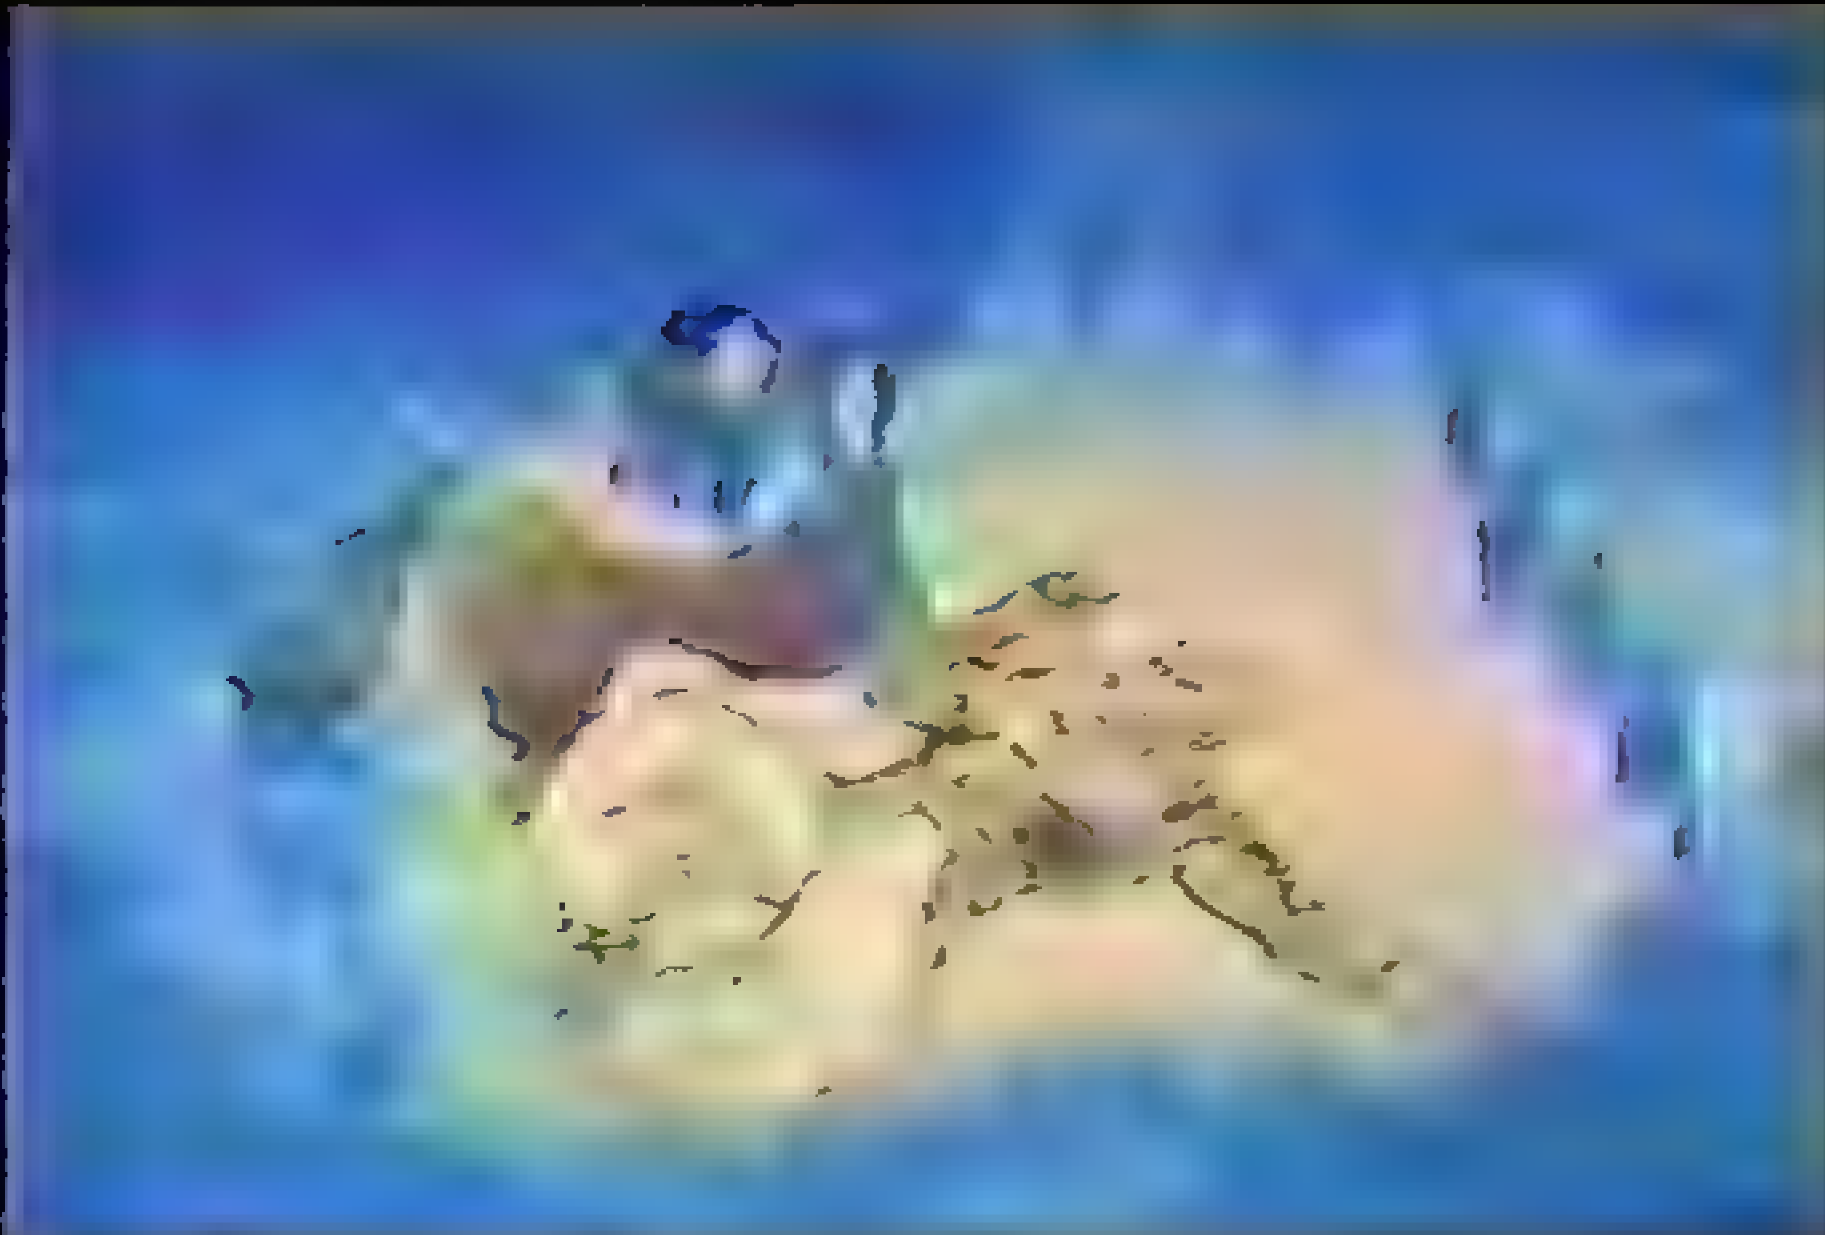

Right. If we merge, your power
will increase several levels.

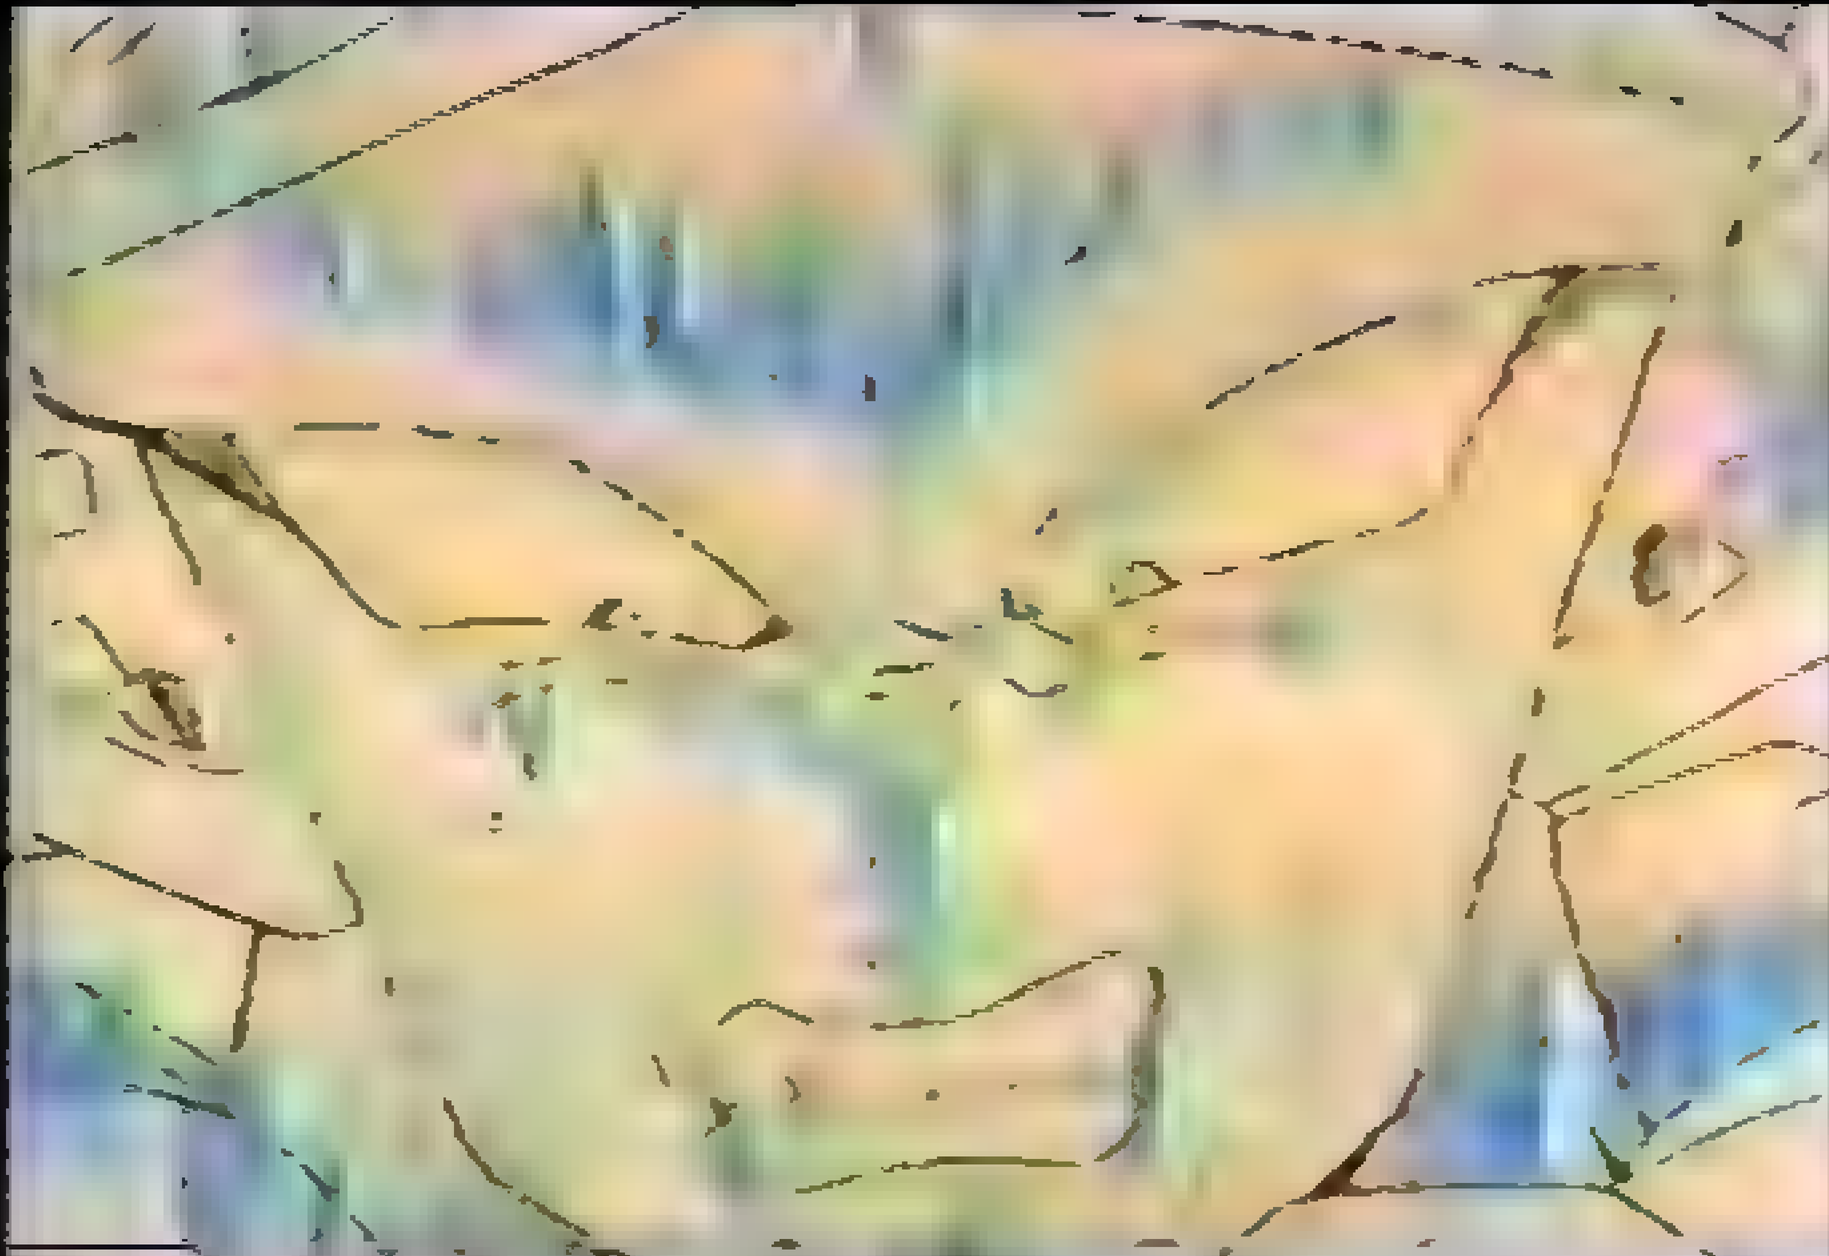

Right. If we merge, your power
will increase several levels.

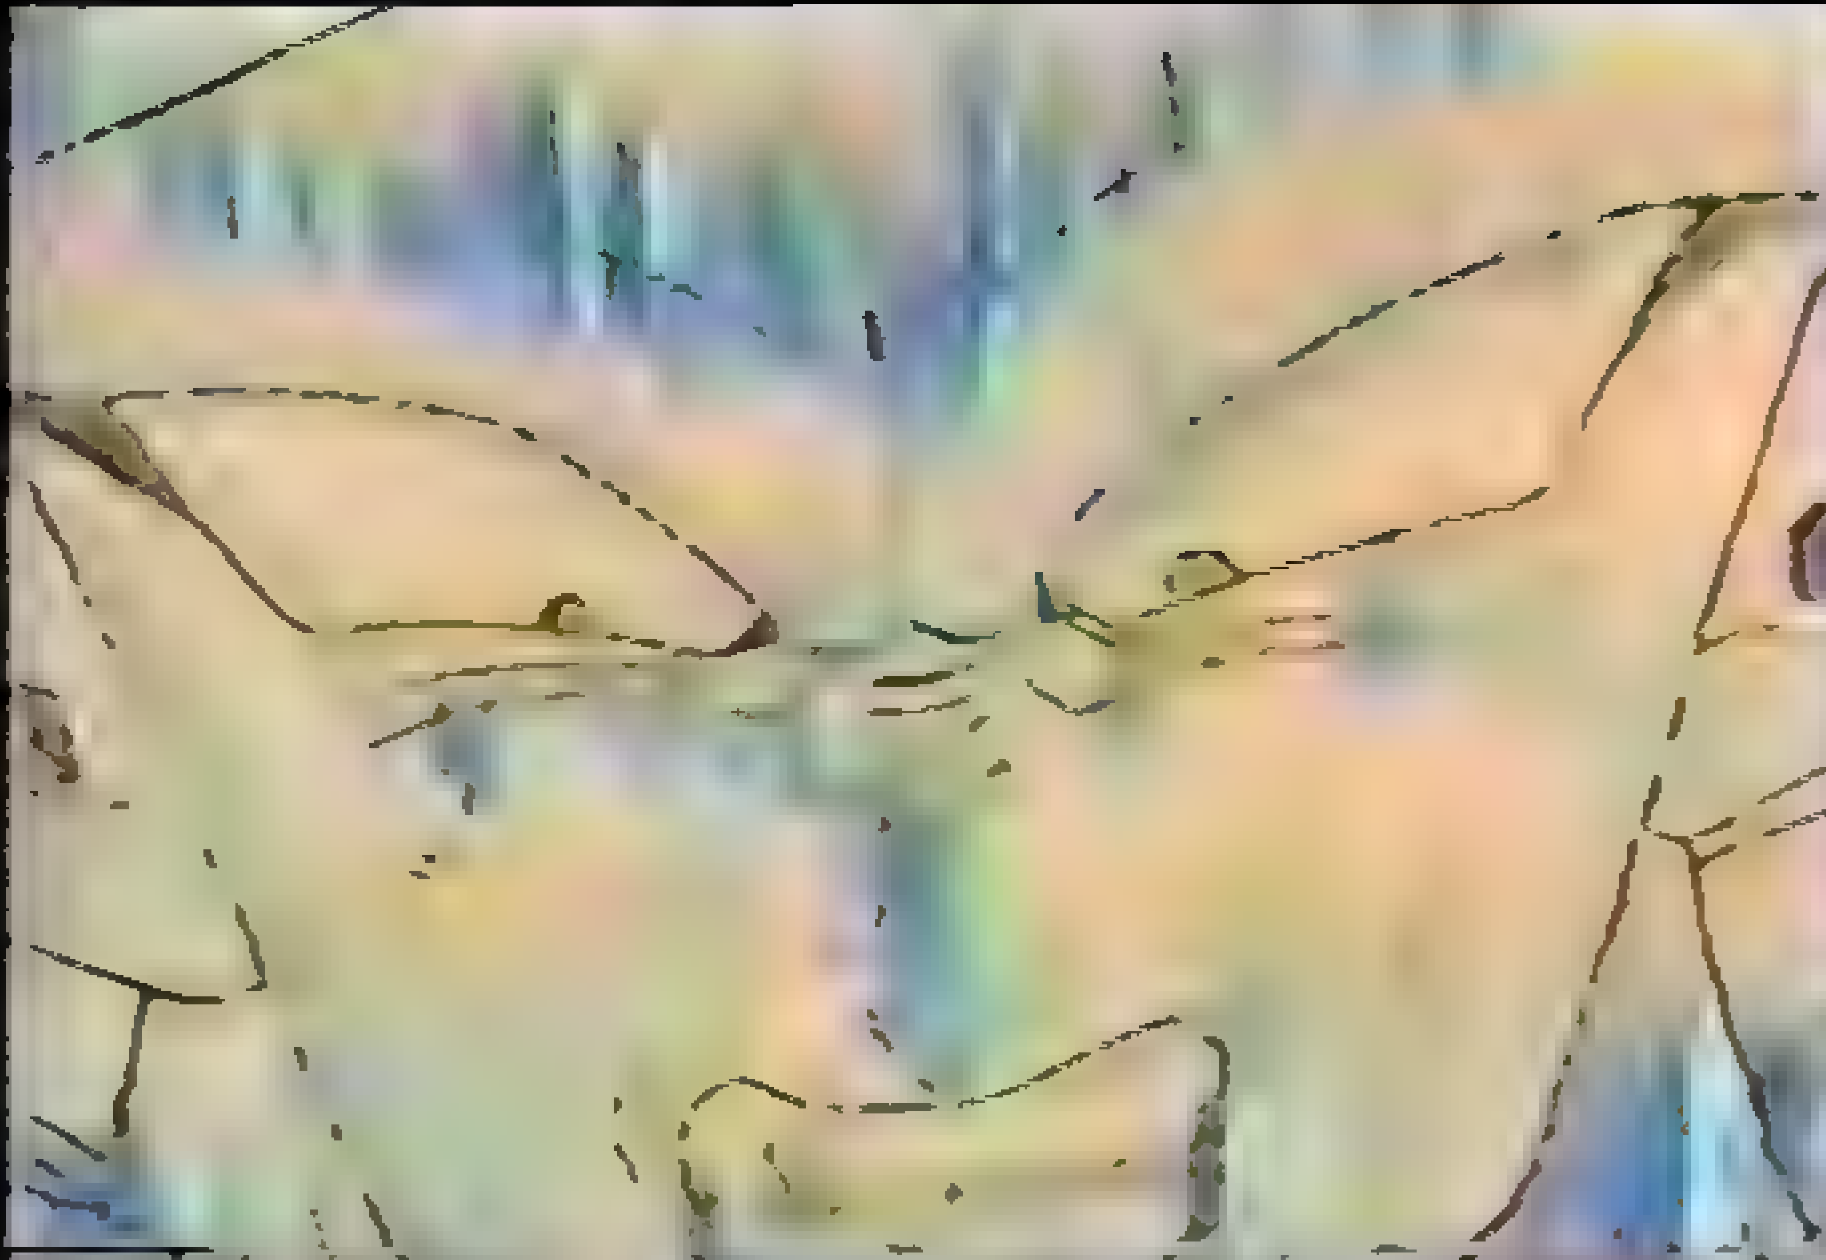

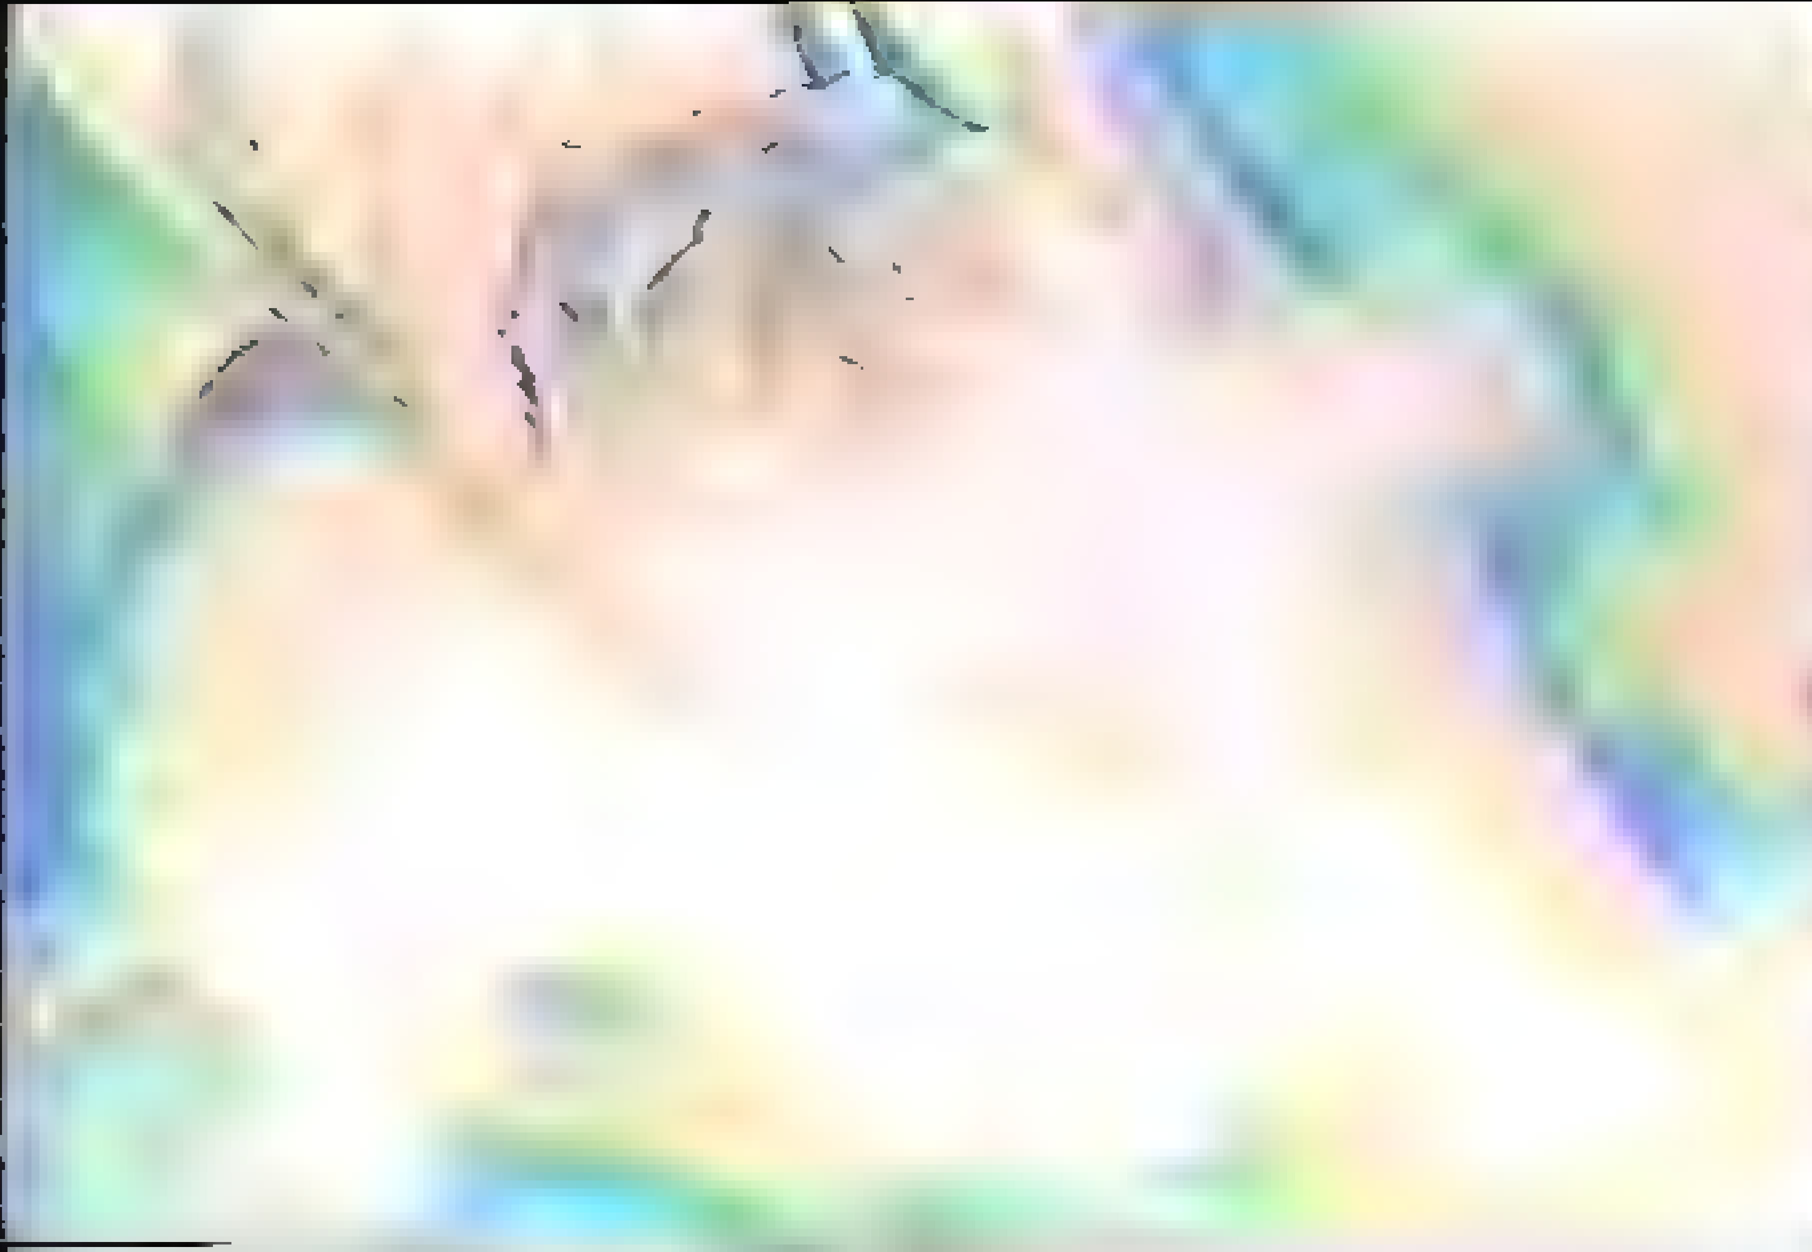

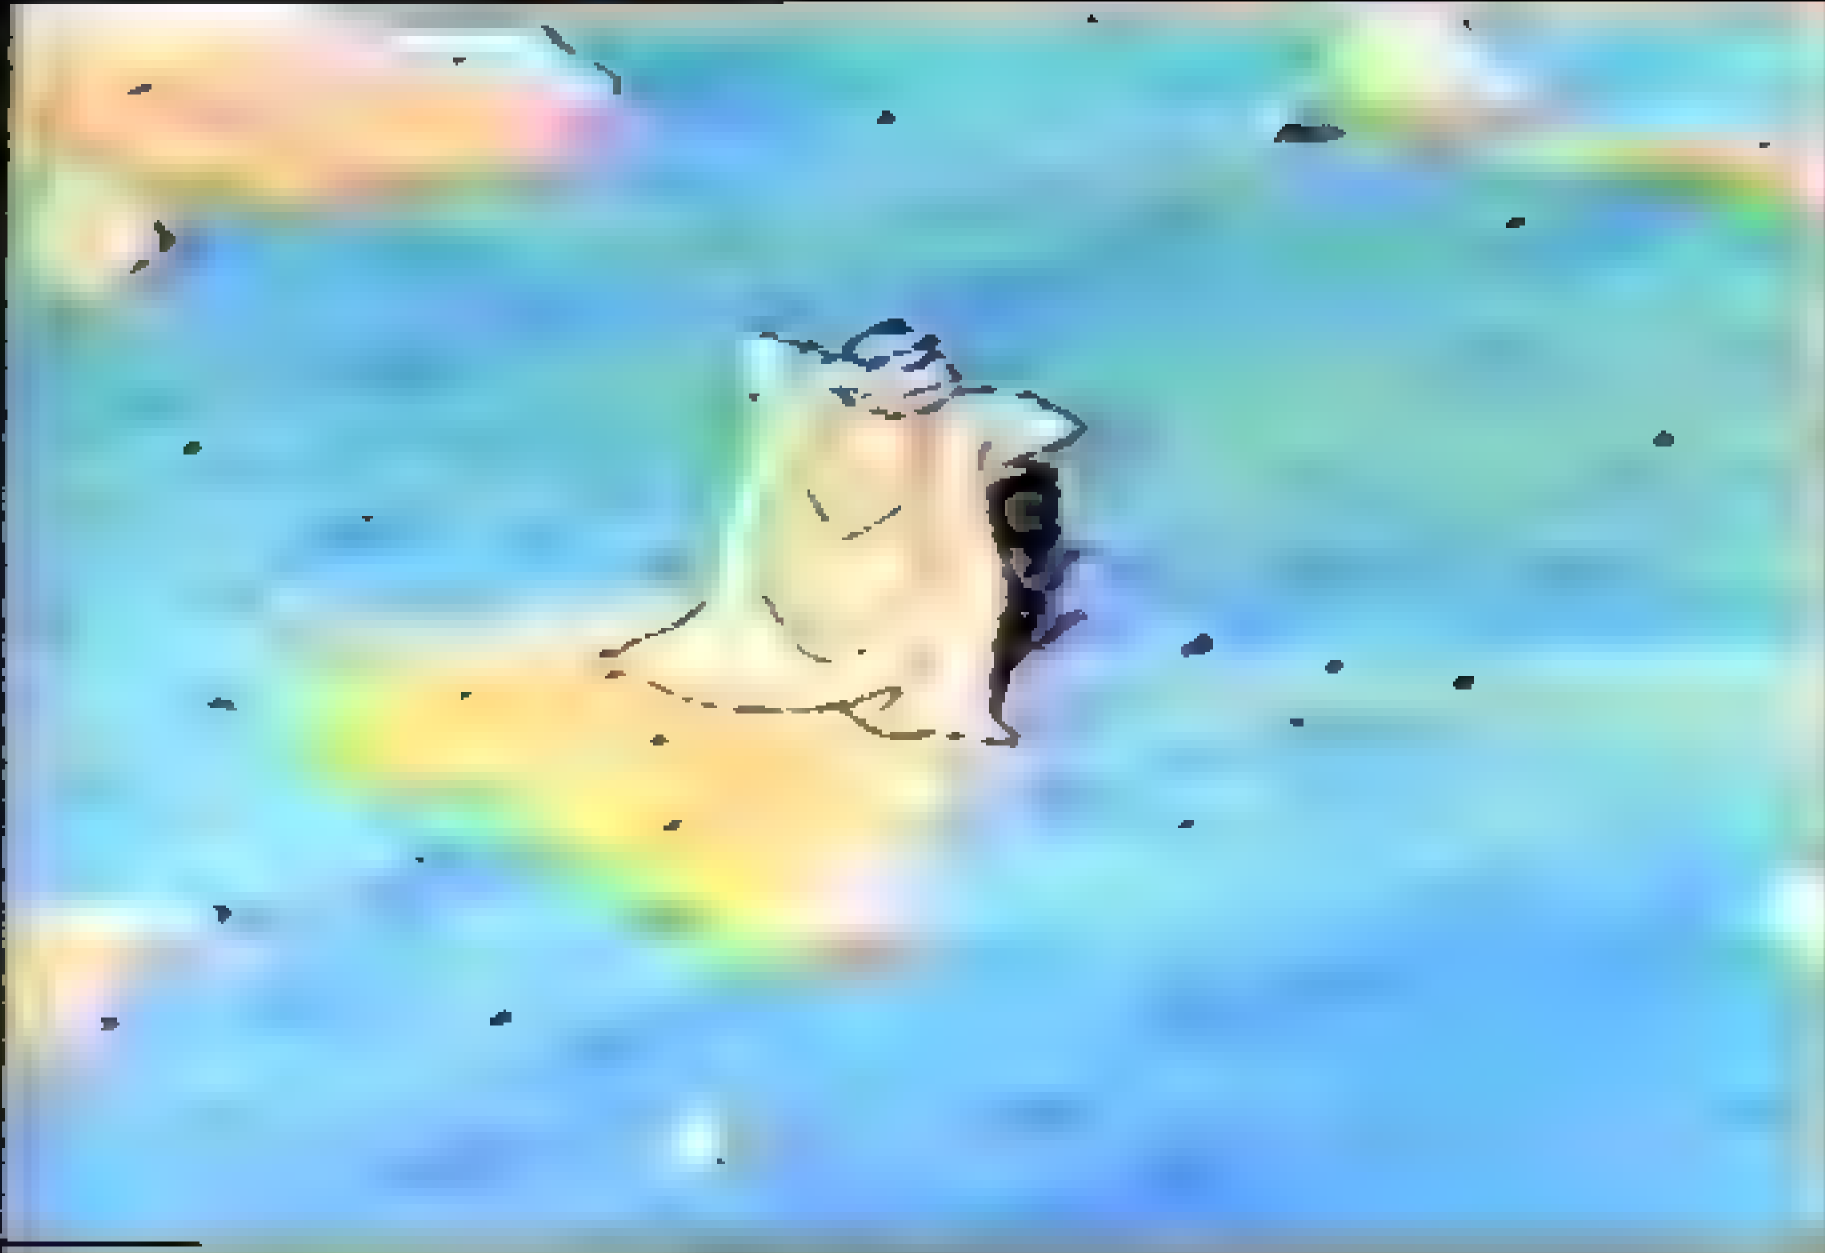

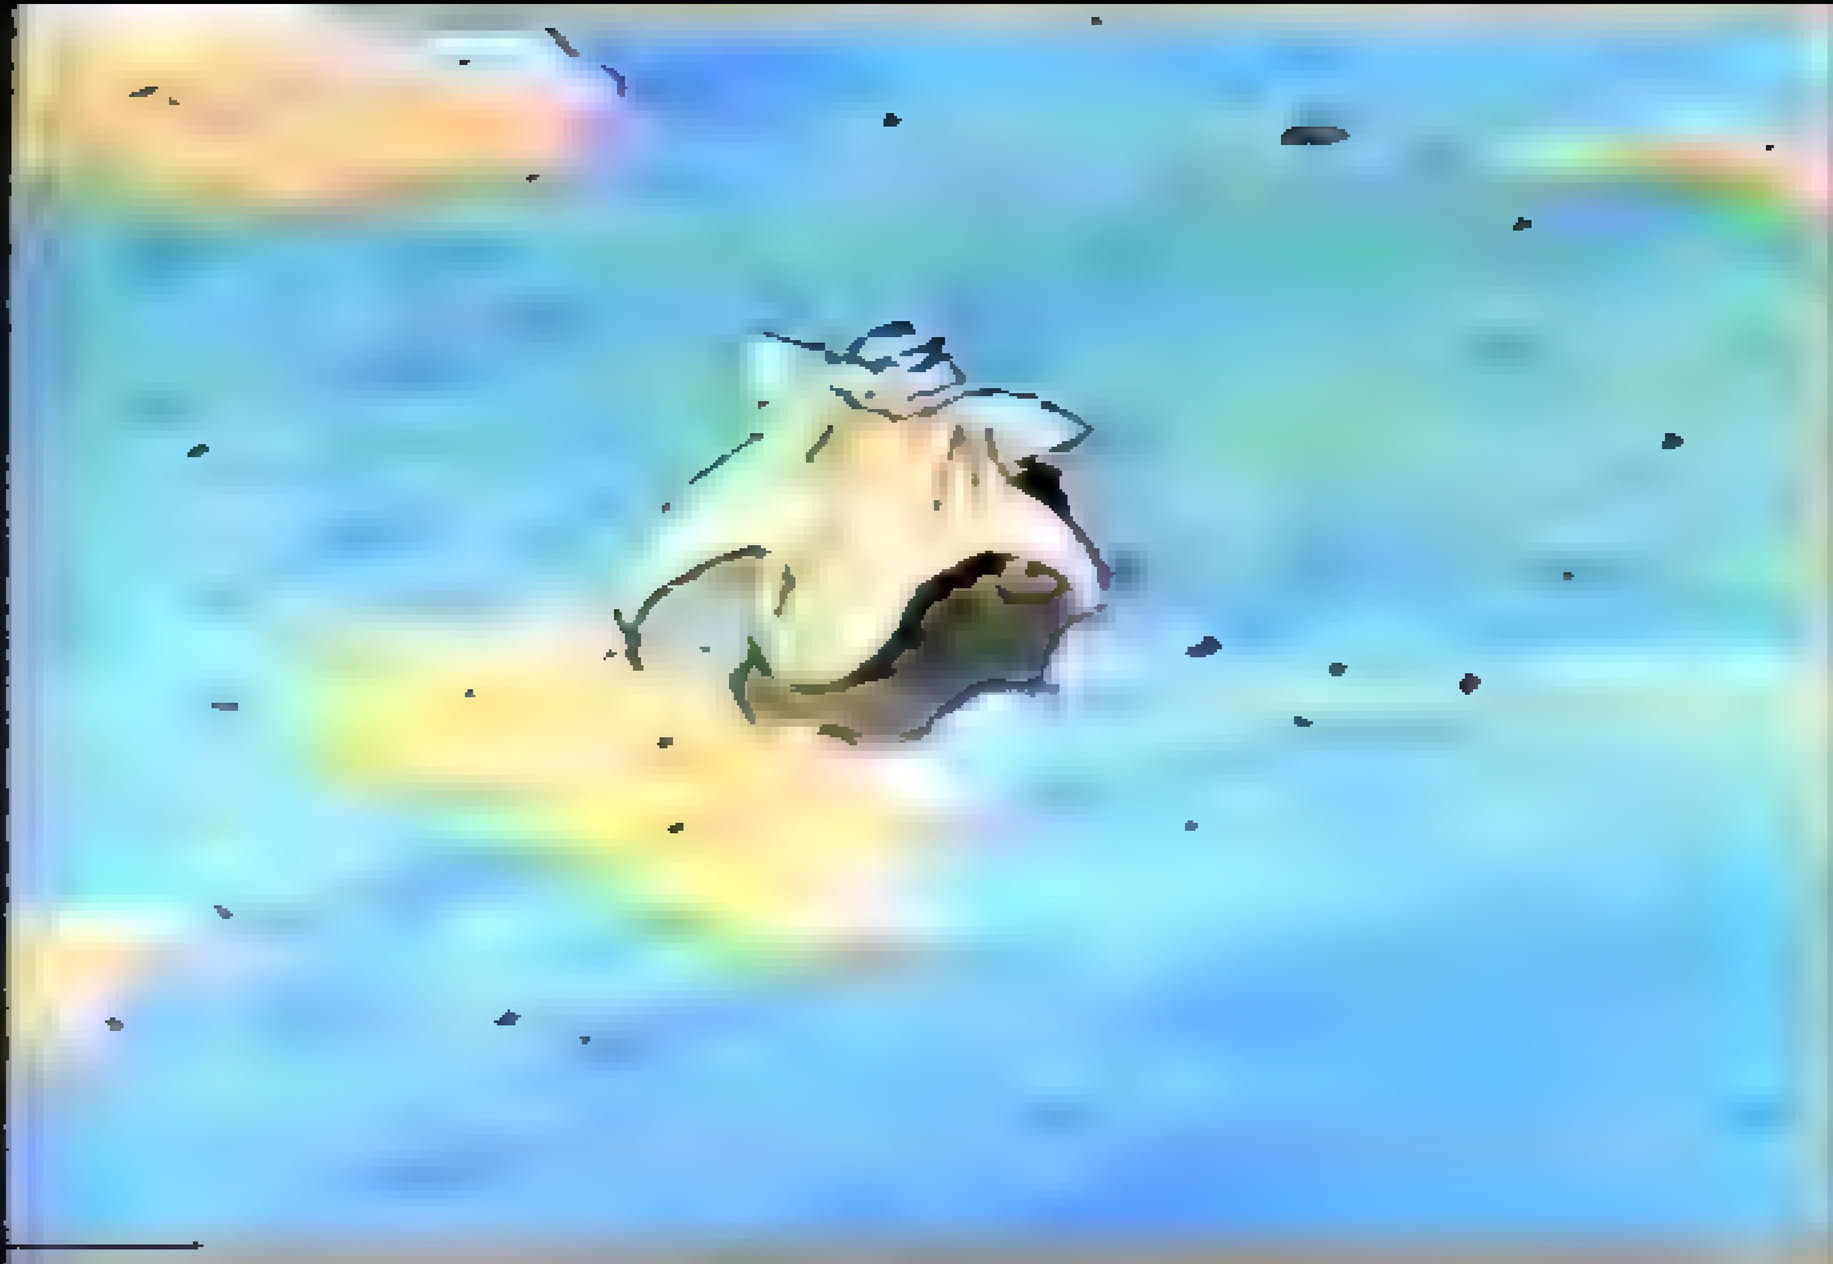

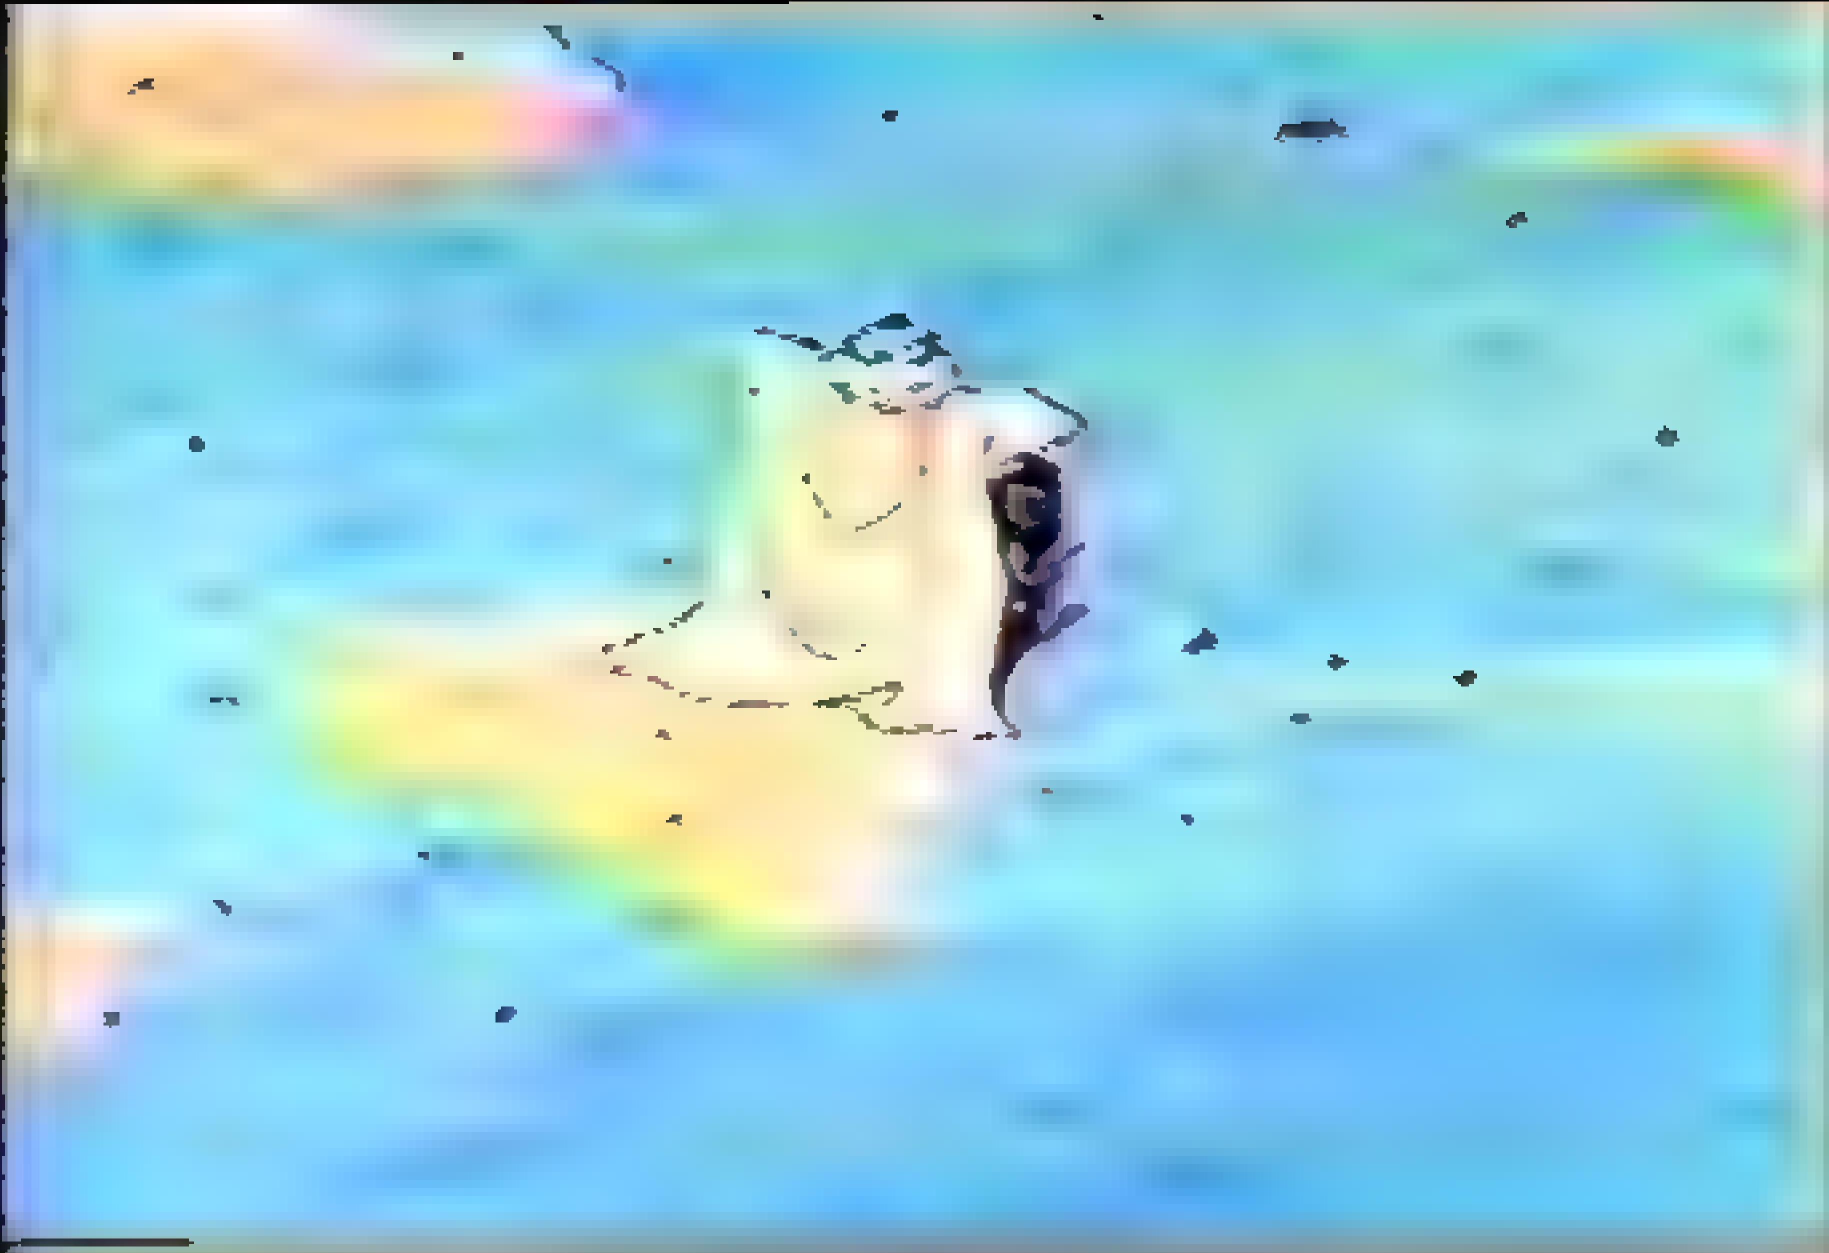

What power! This is
unbelievable power!

What power! This is
unbelievable power!

Is this what merging means!

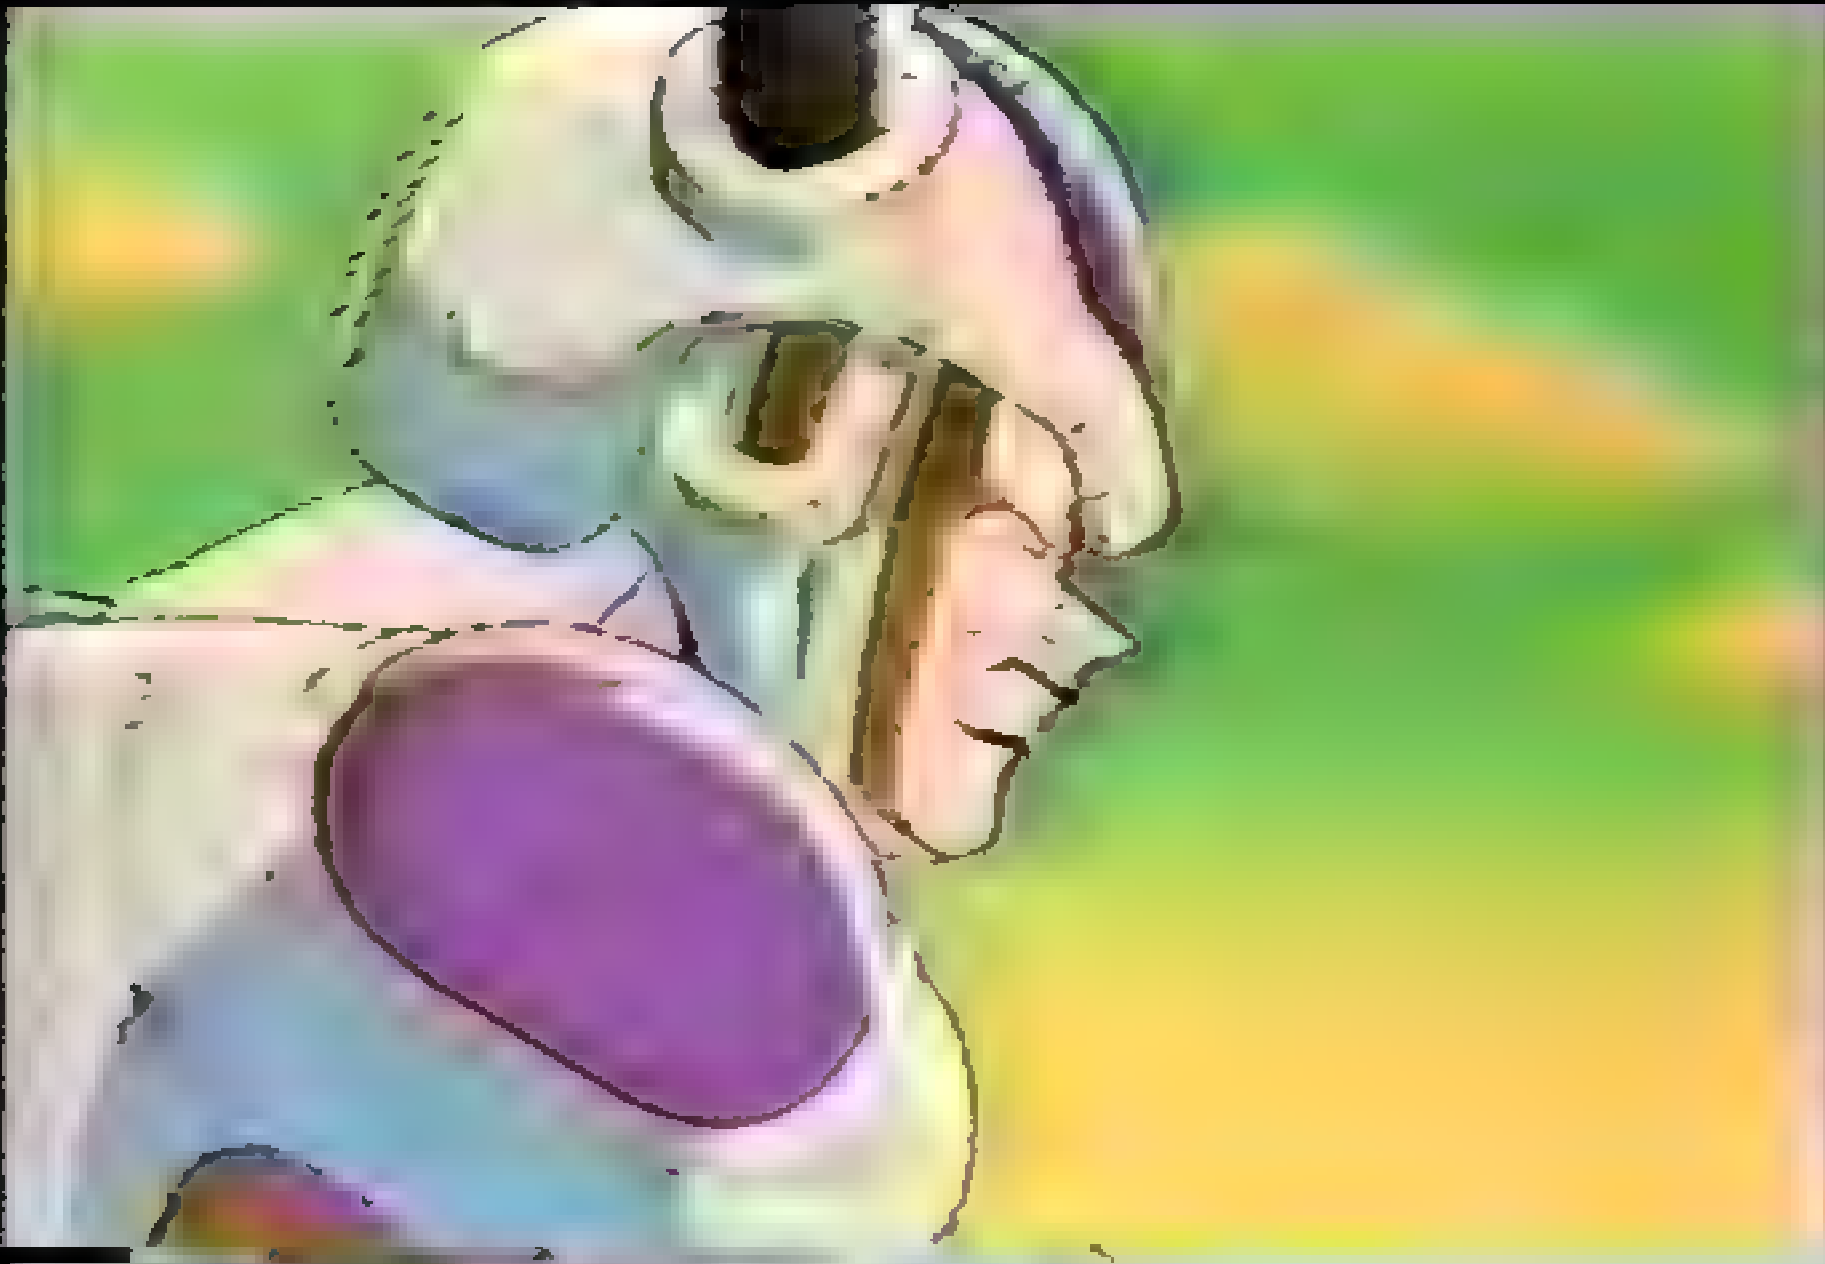

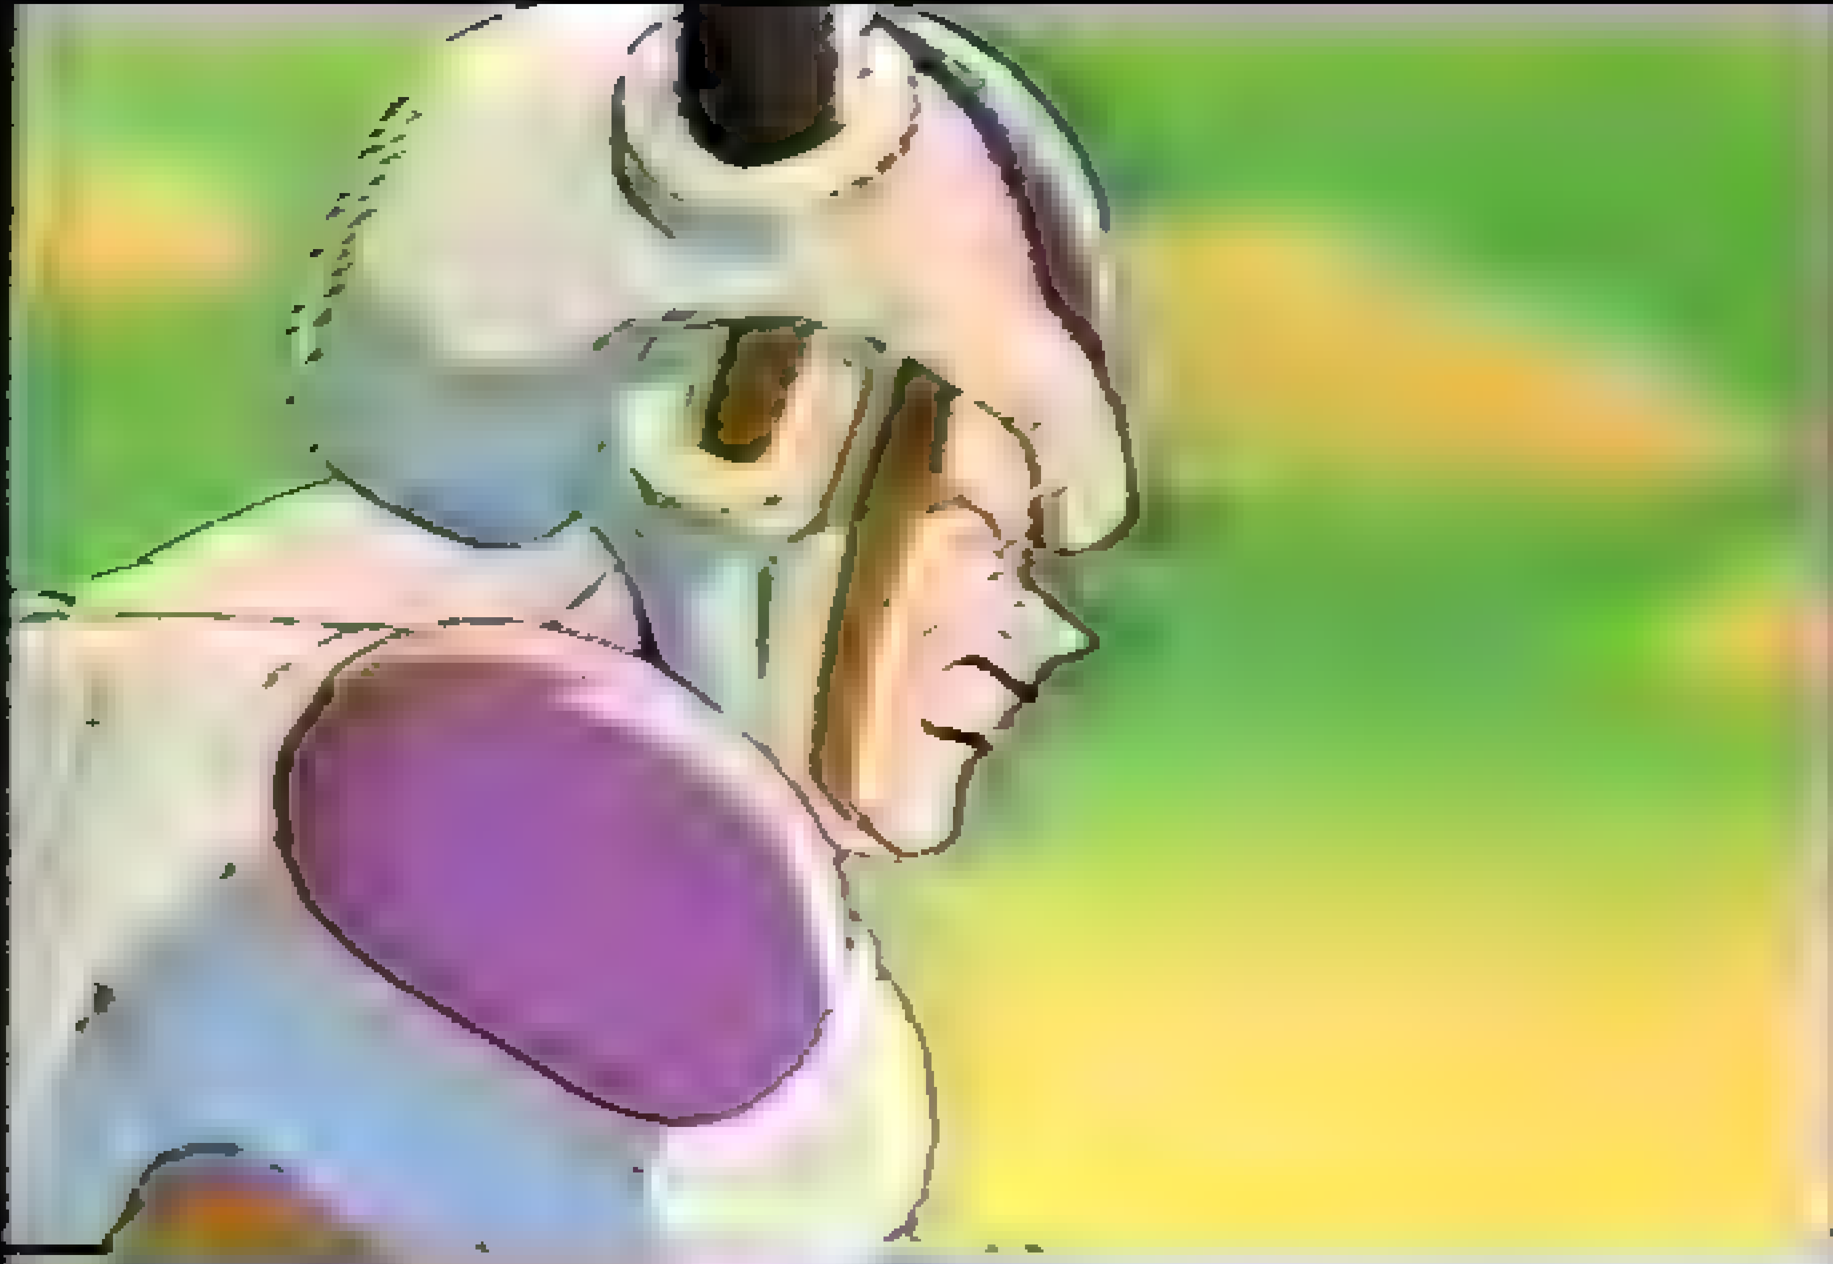

Wow...!

WOW_!

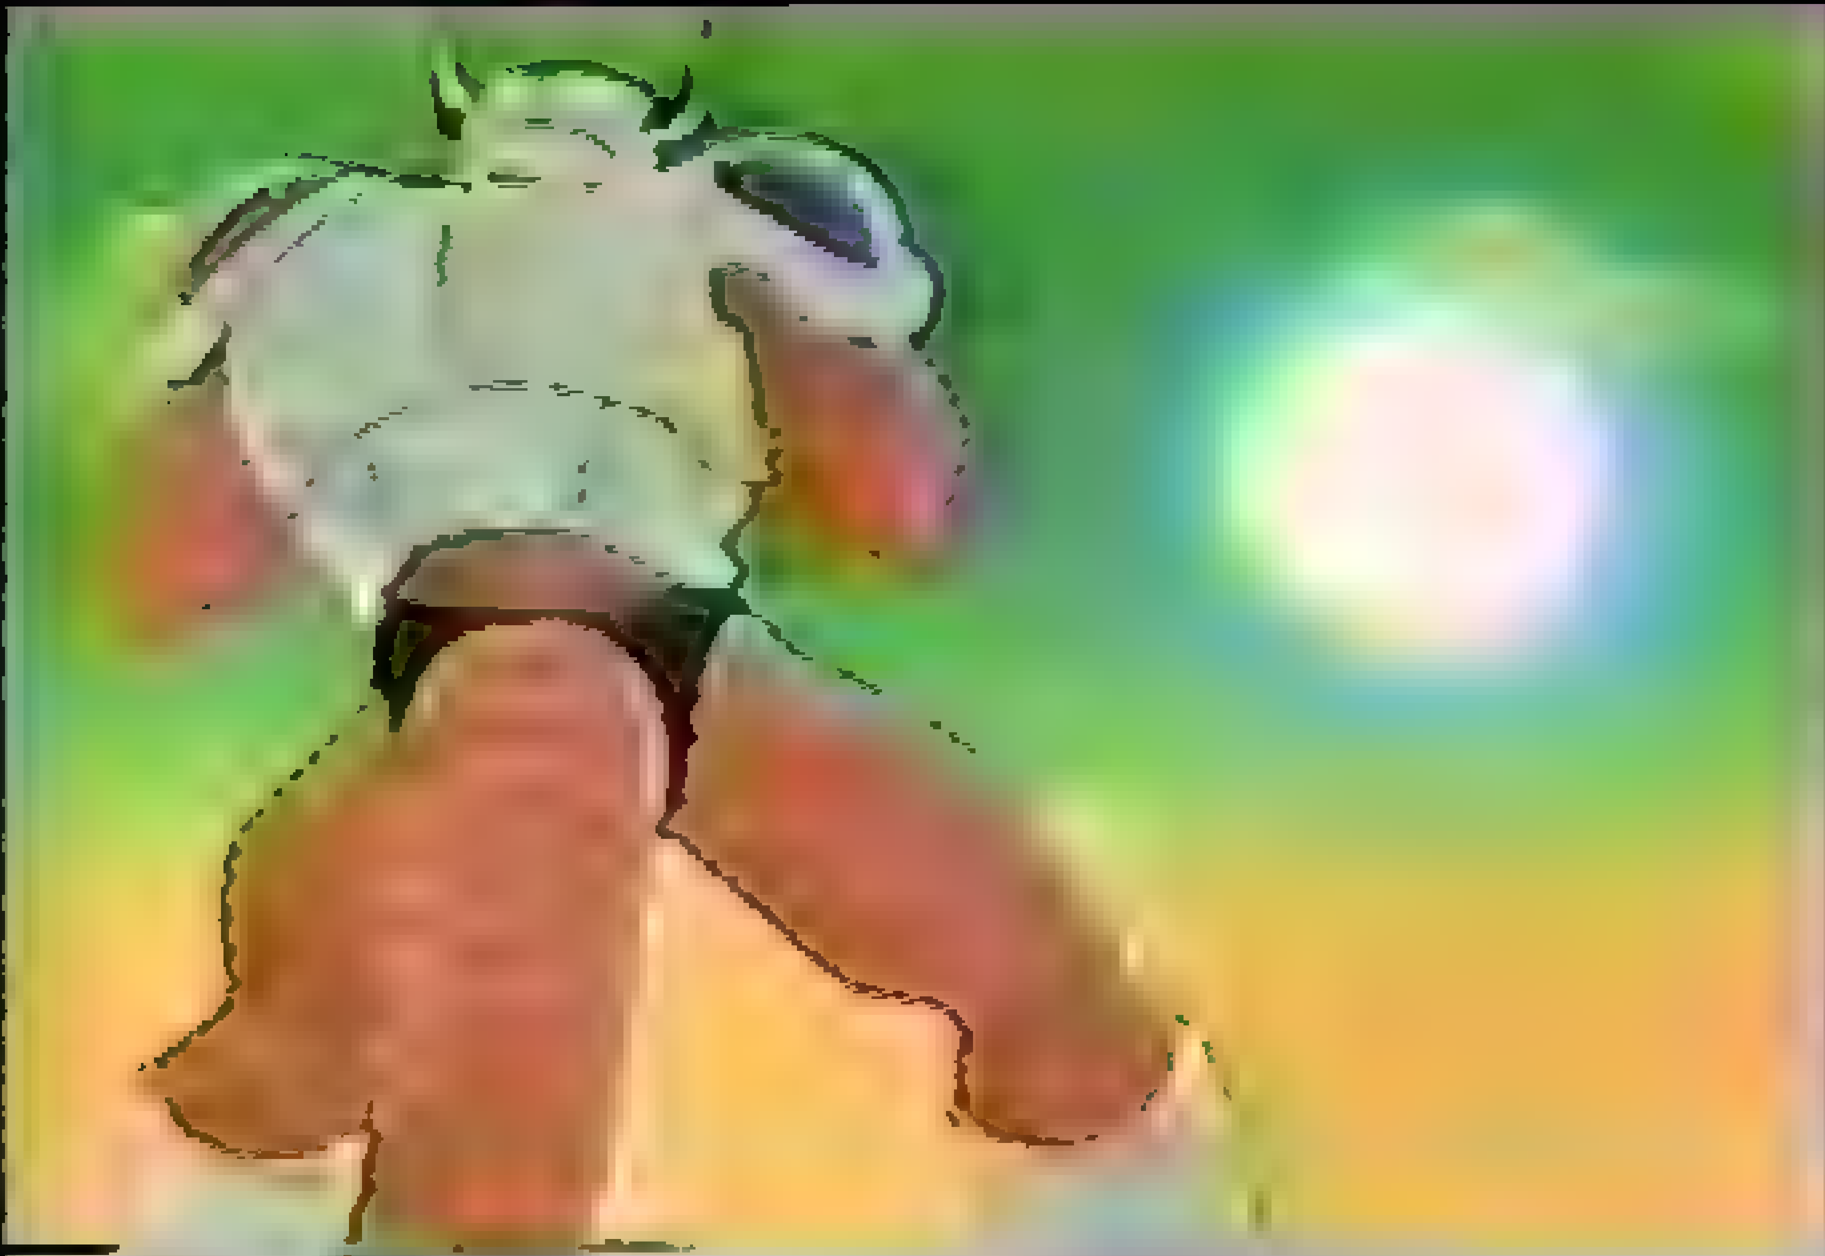

Impossible!

I obtained ultimate power!

I obtained ultimate power!

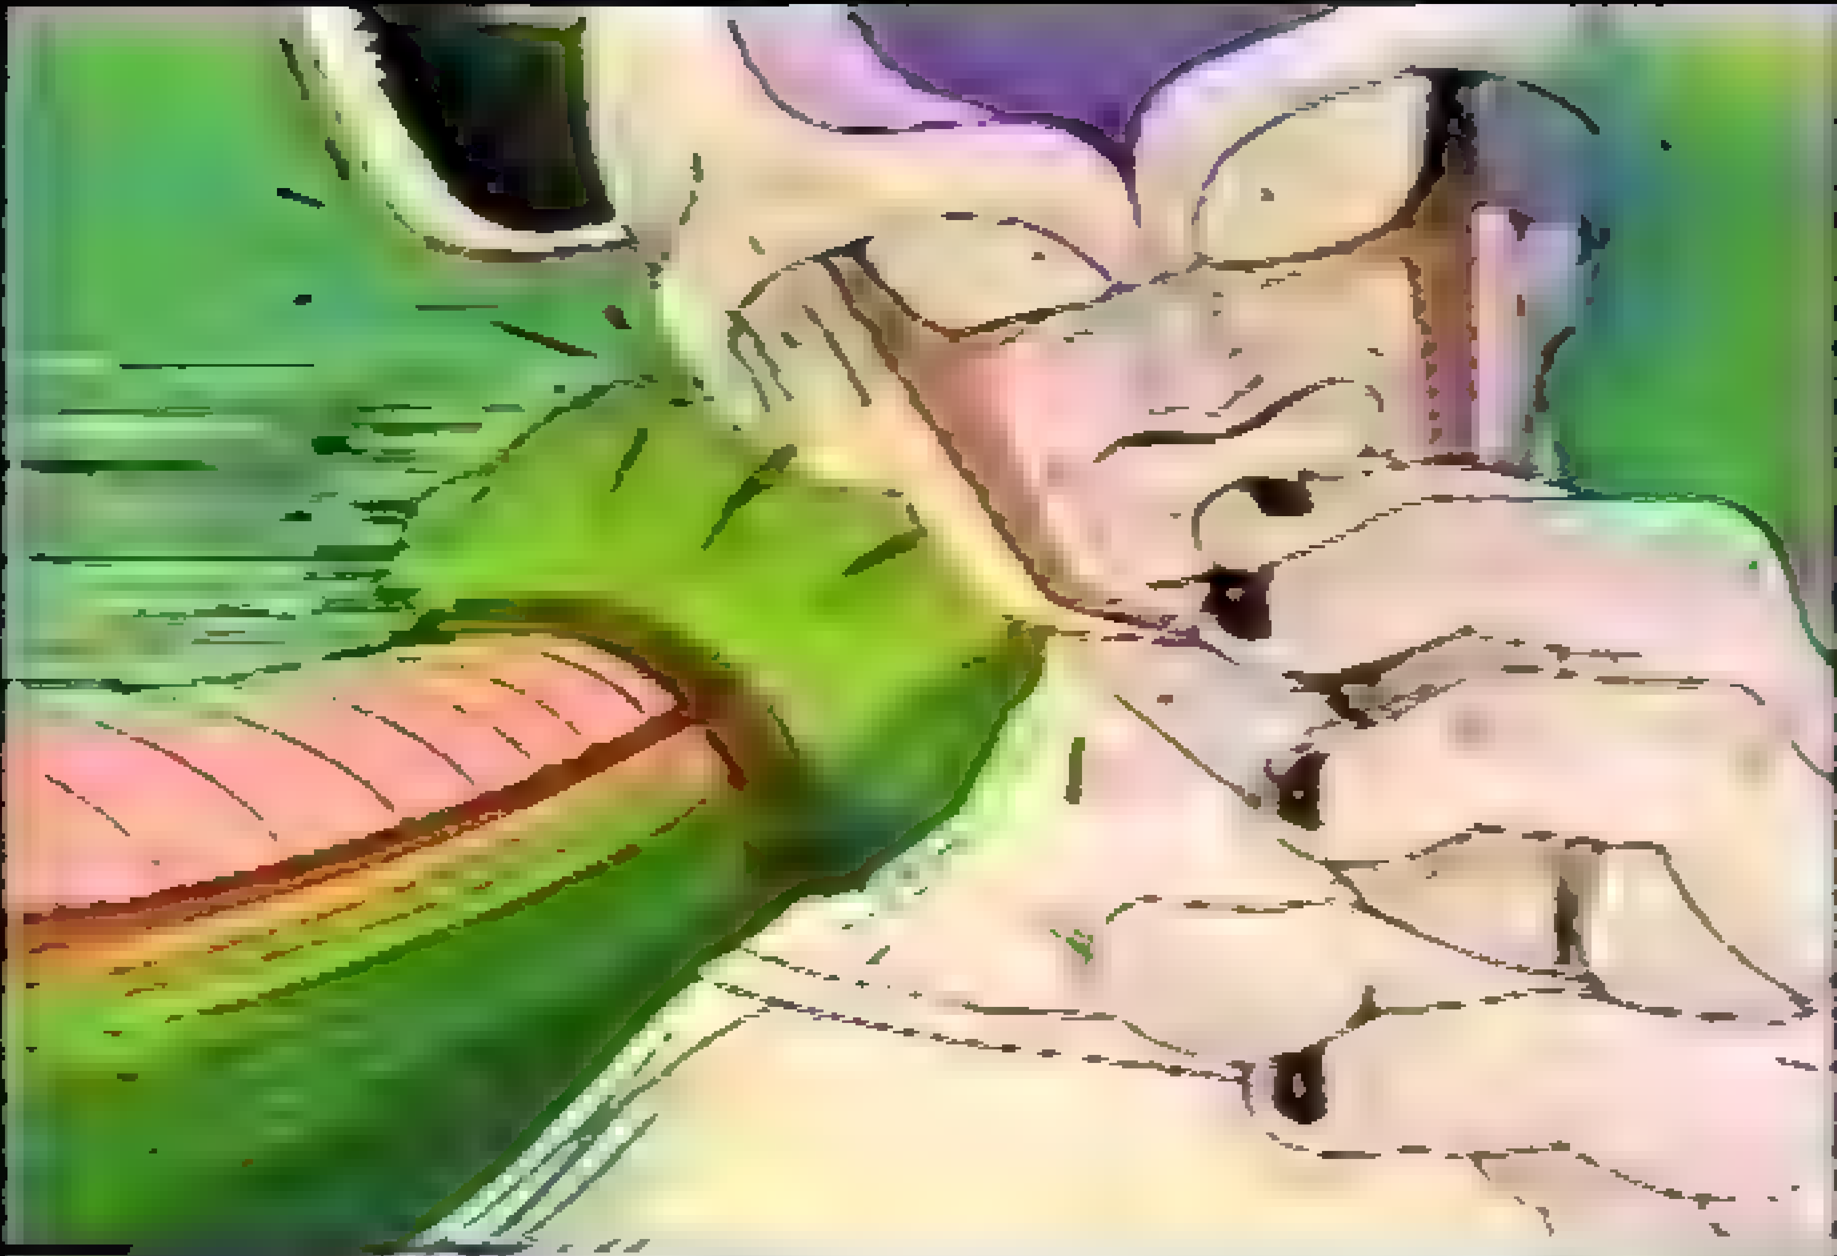

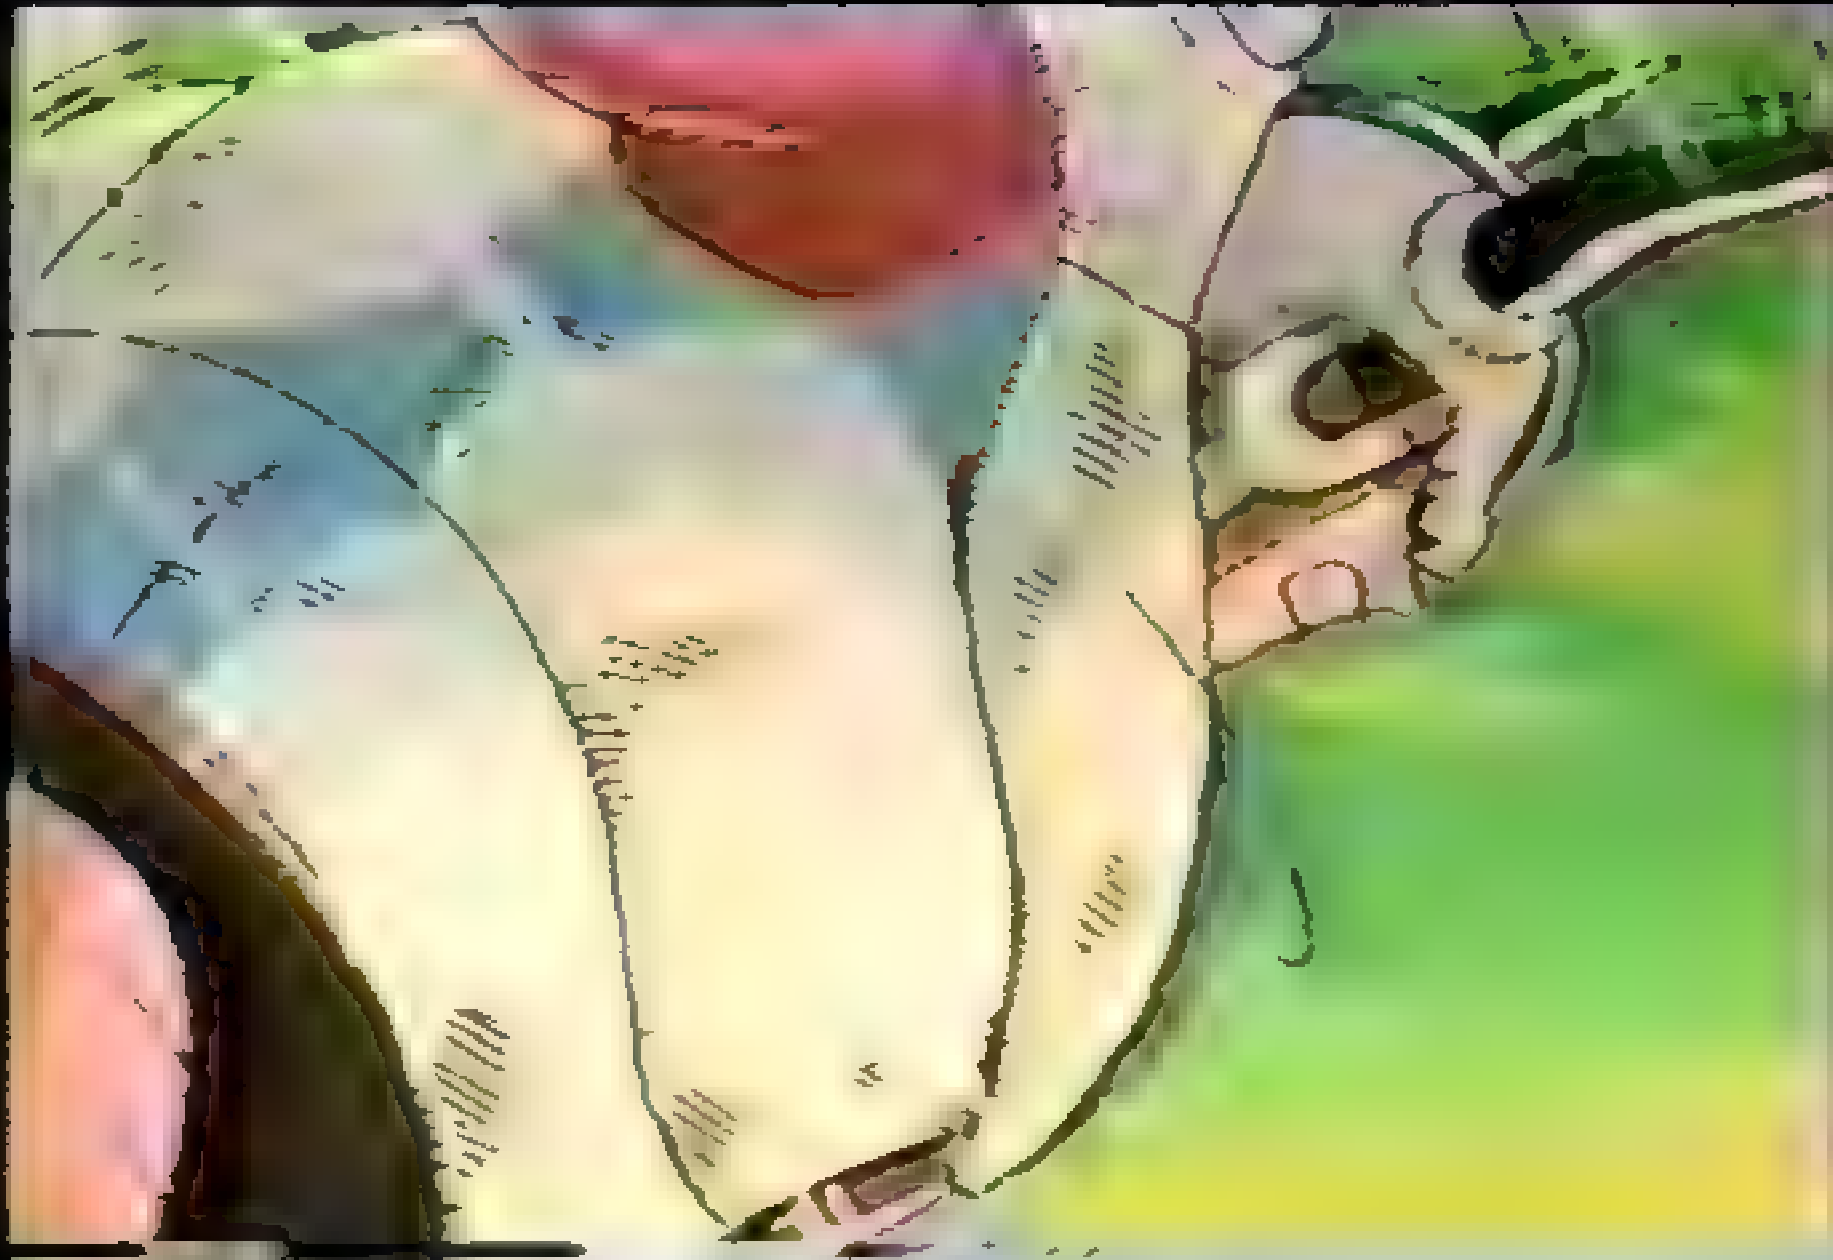

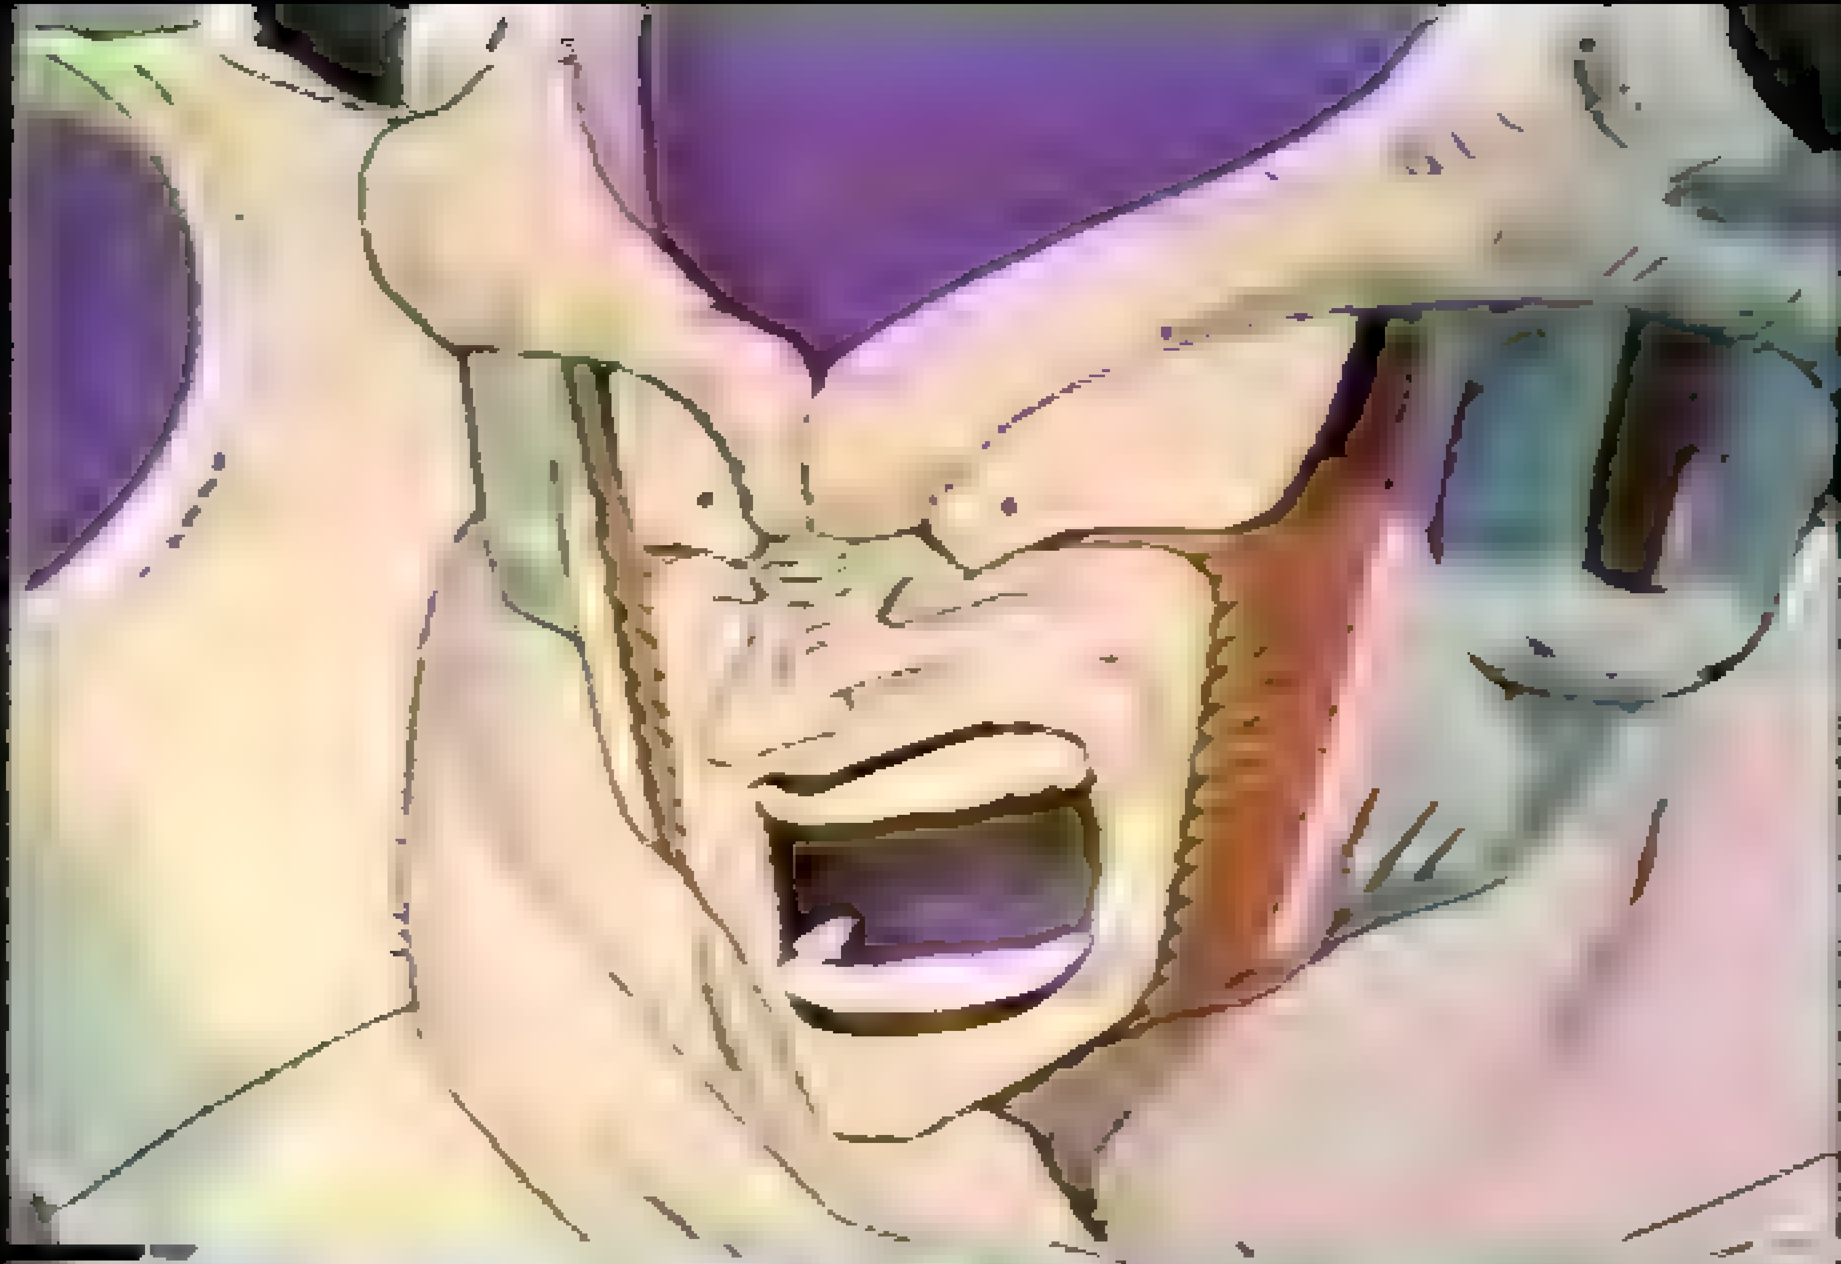

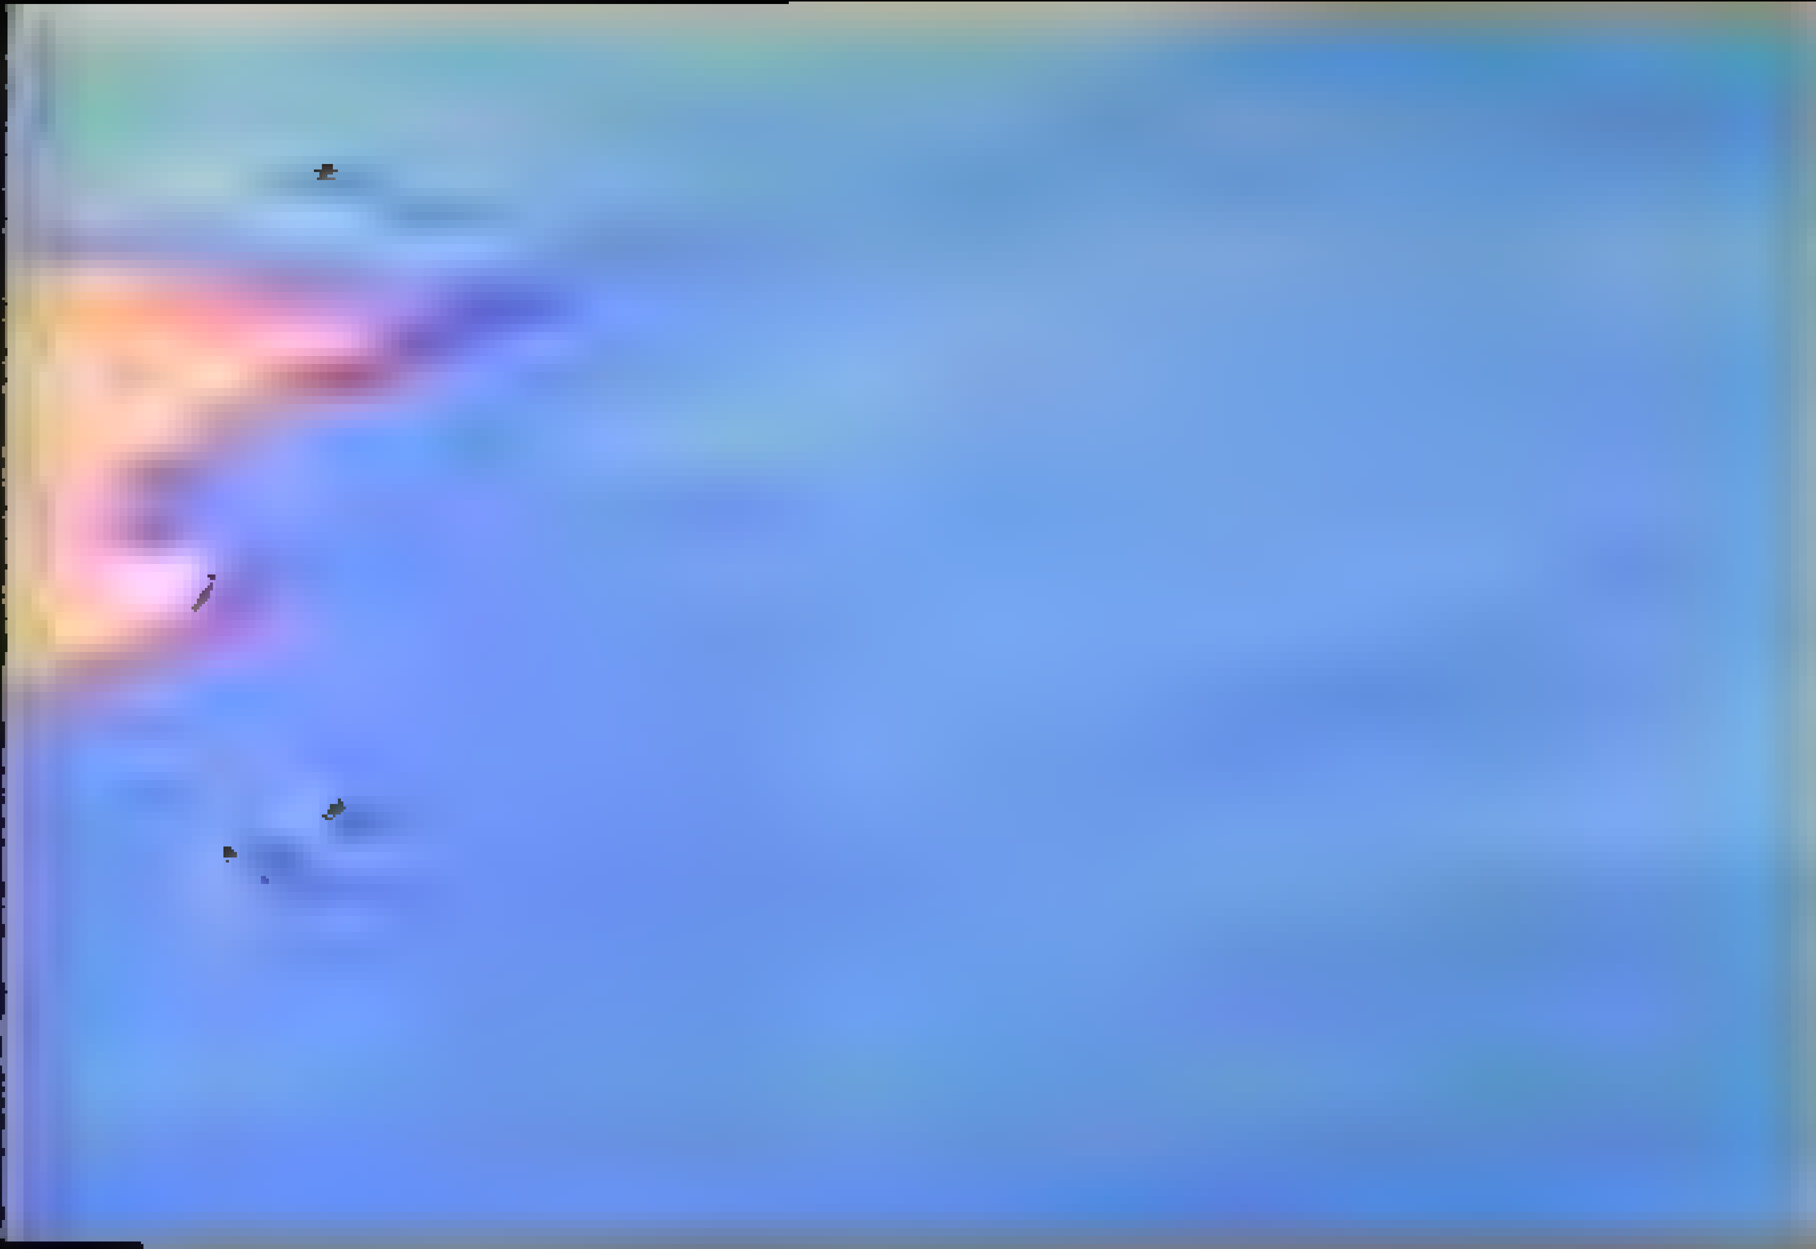

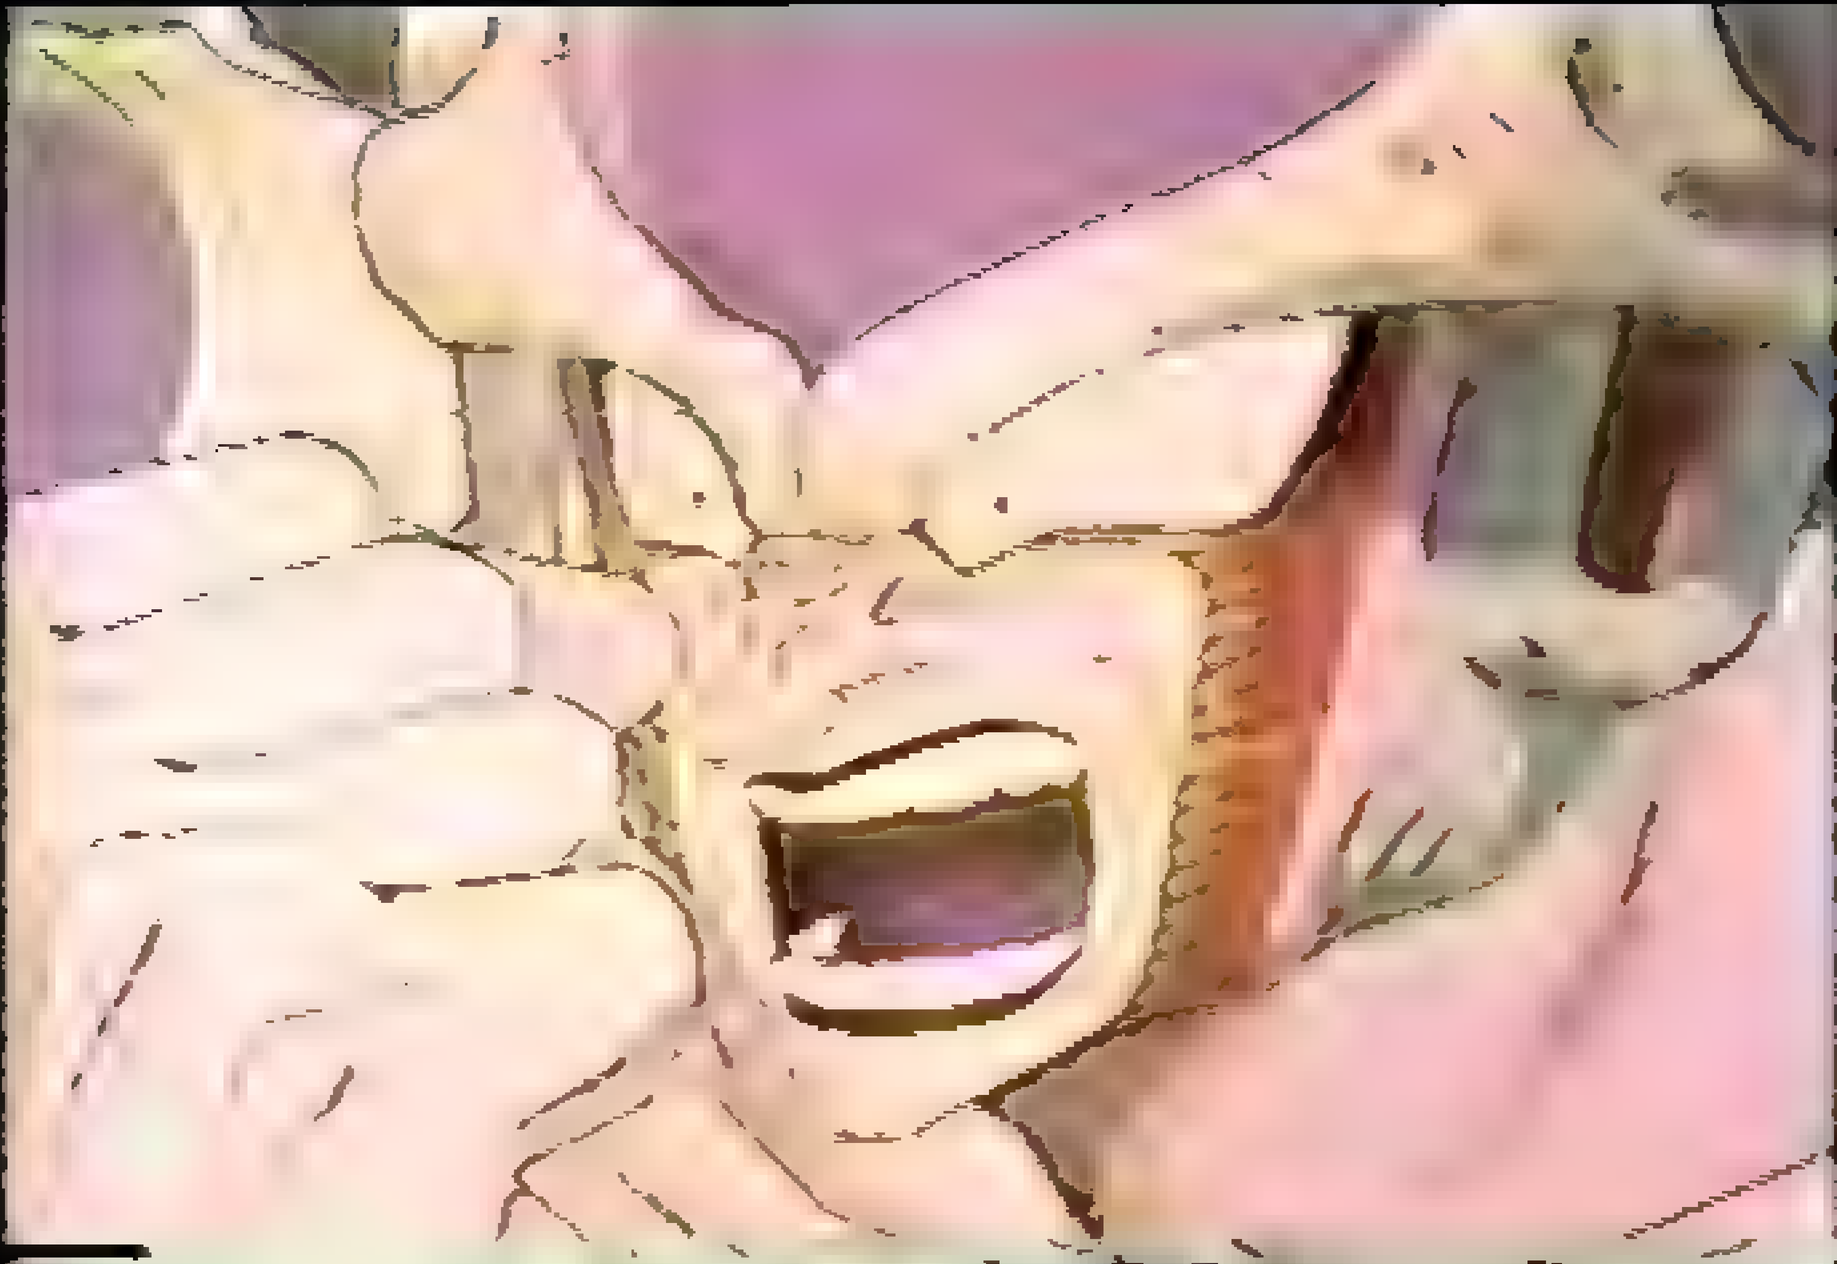

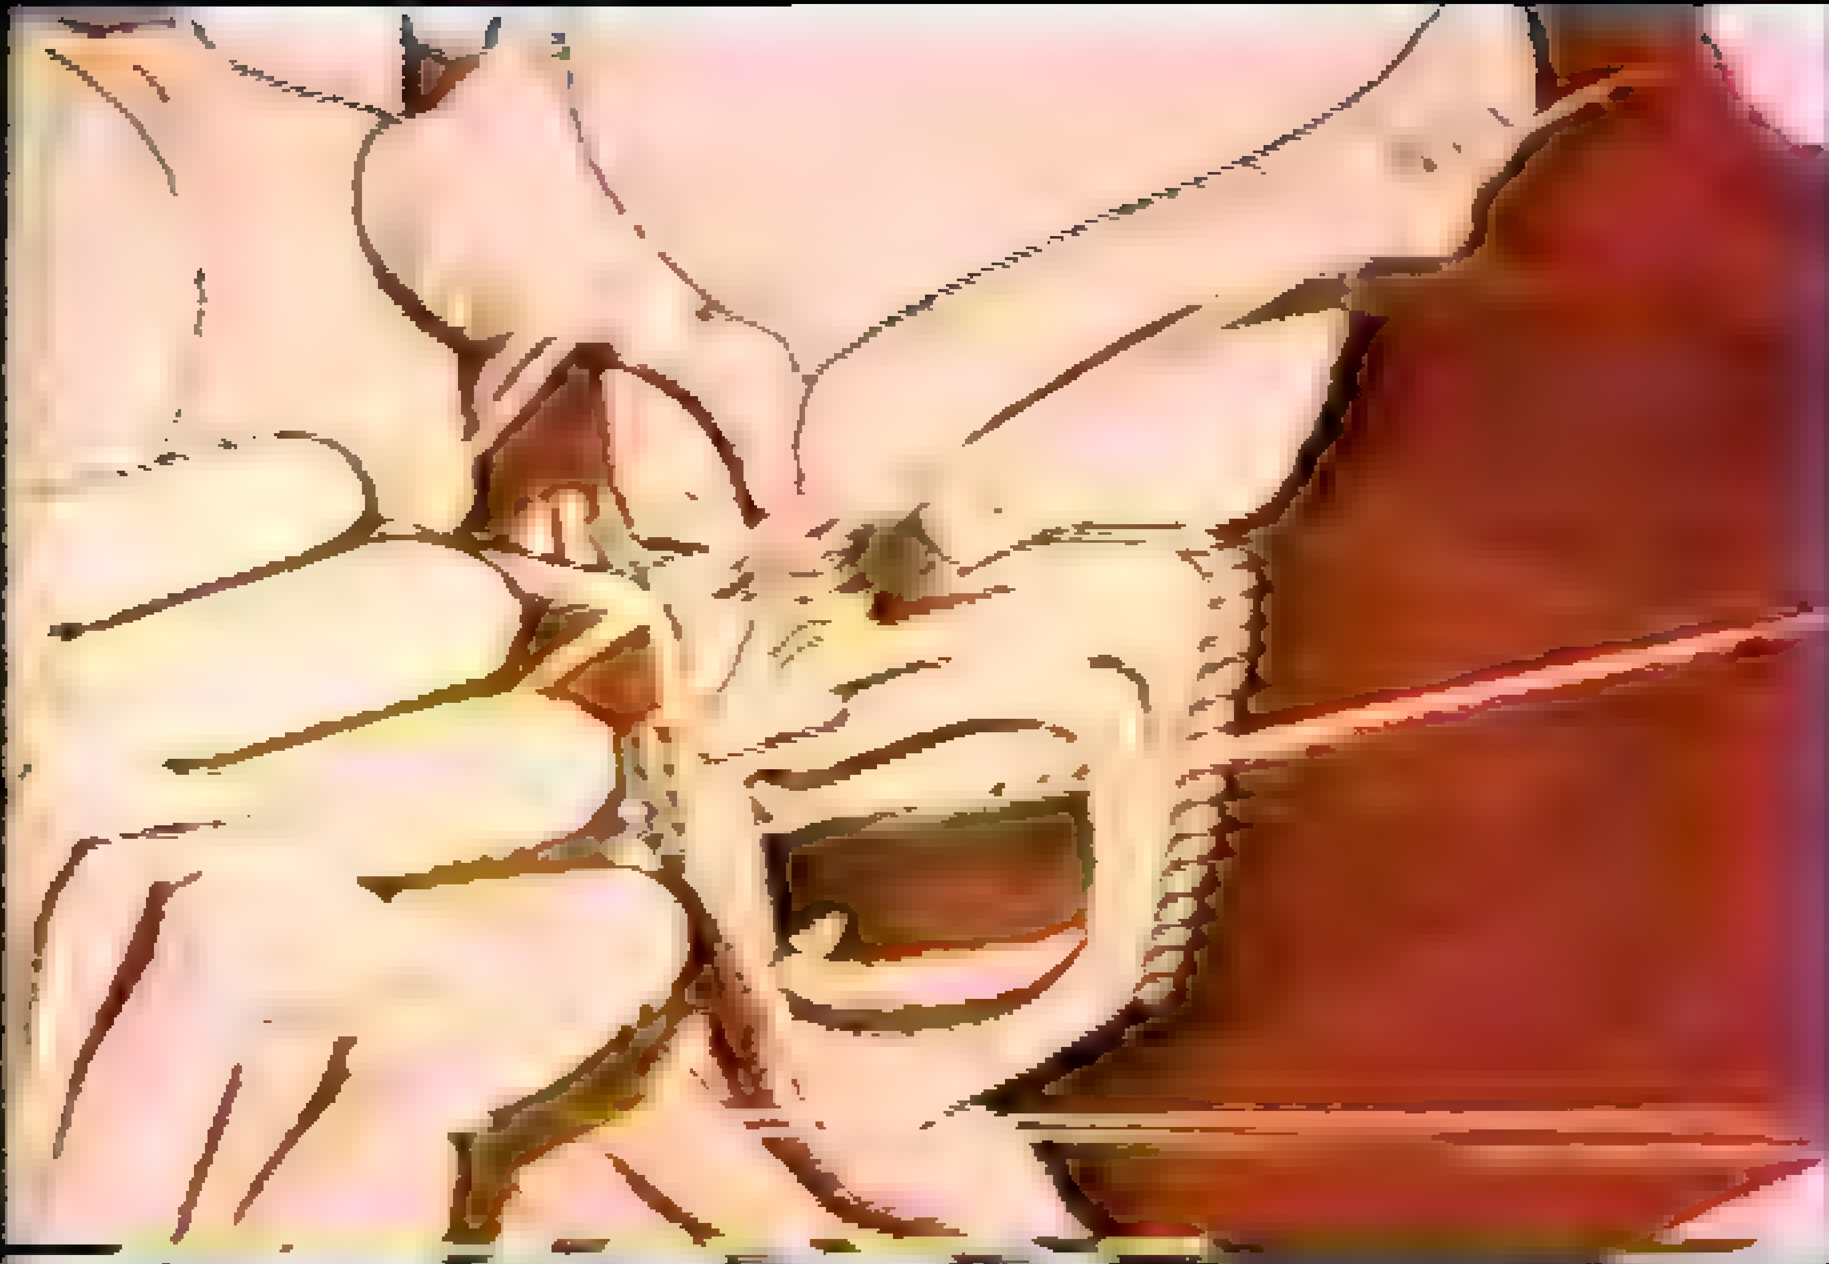

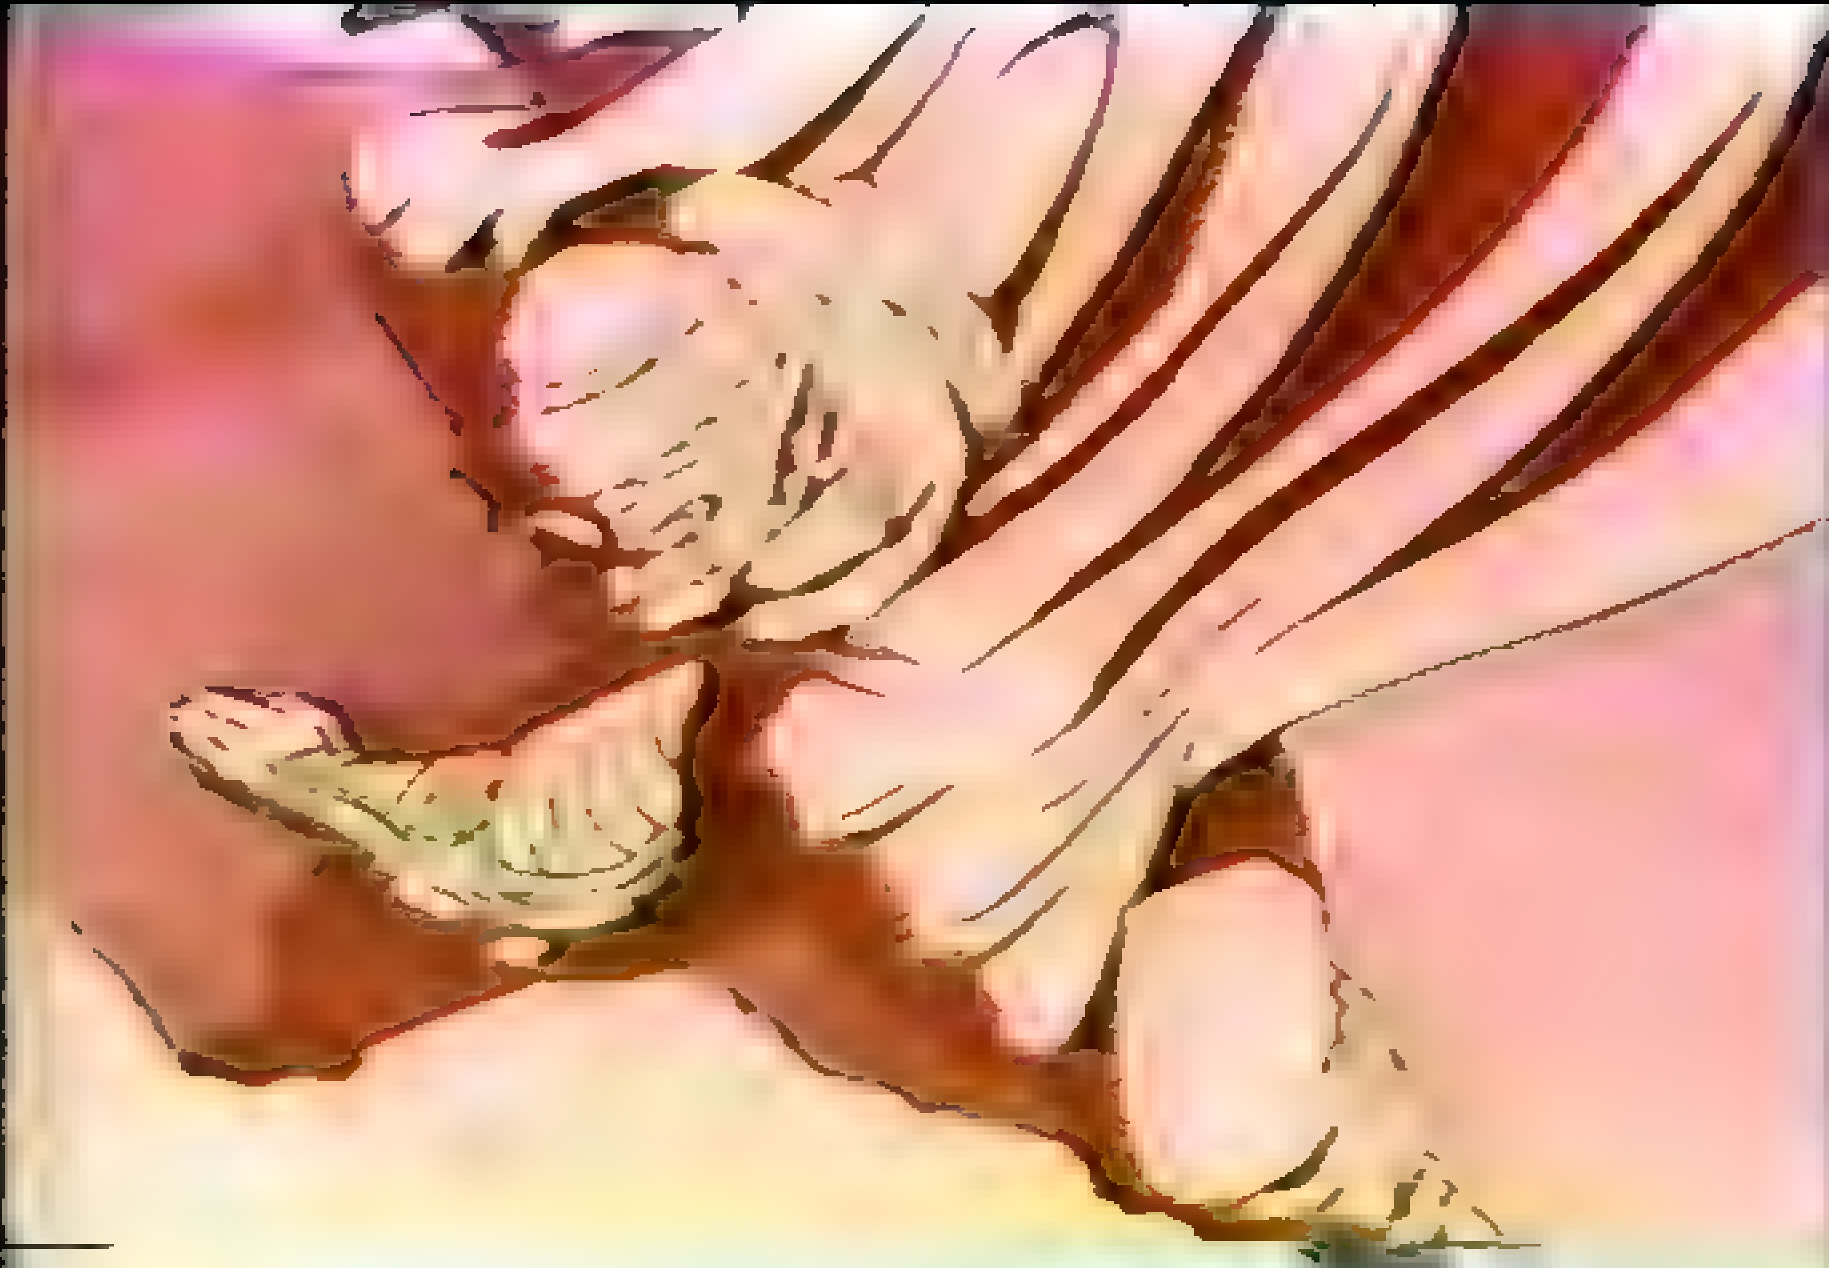

Mr. Piccolo!

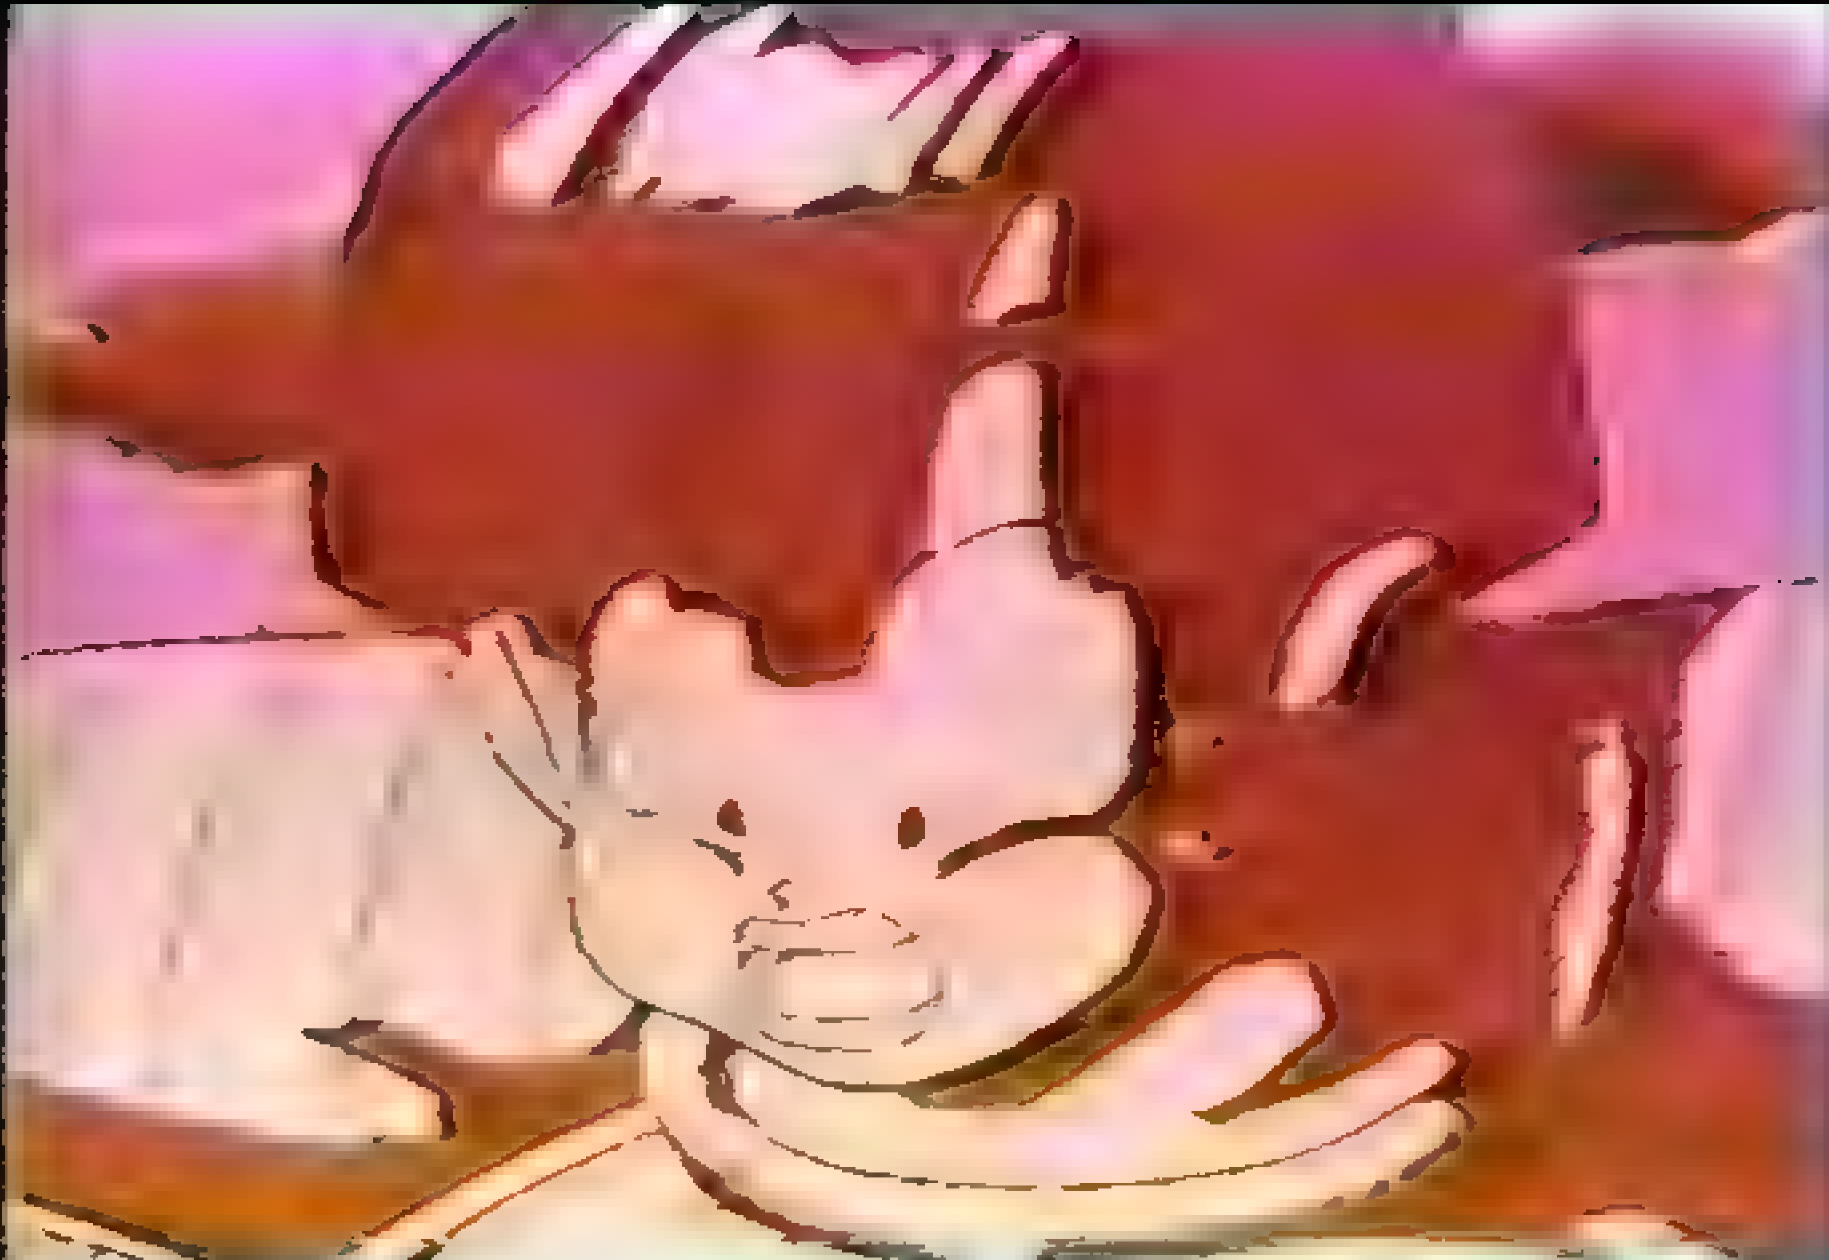

Impossible...!

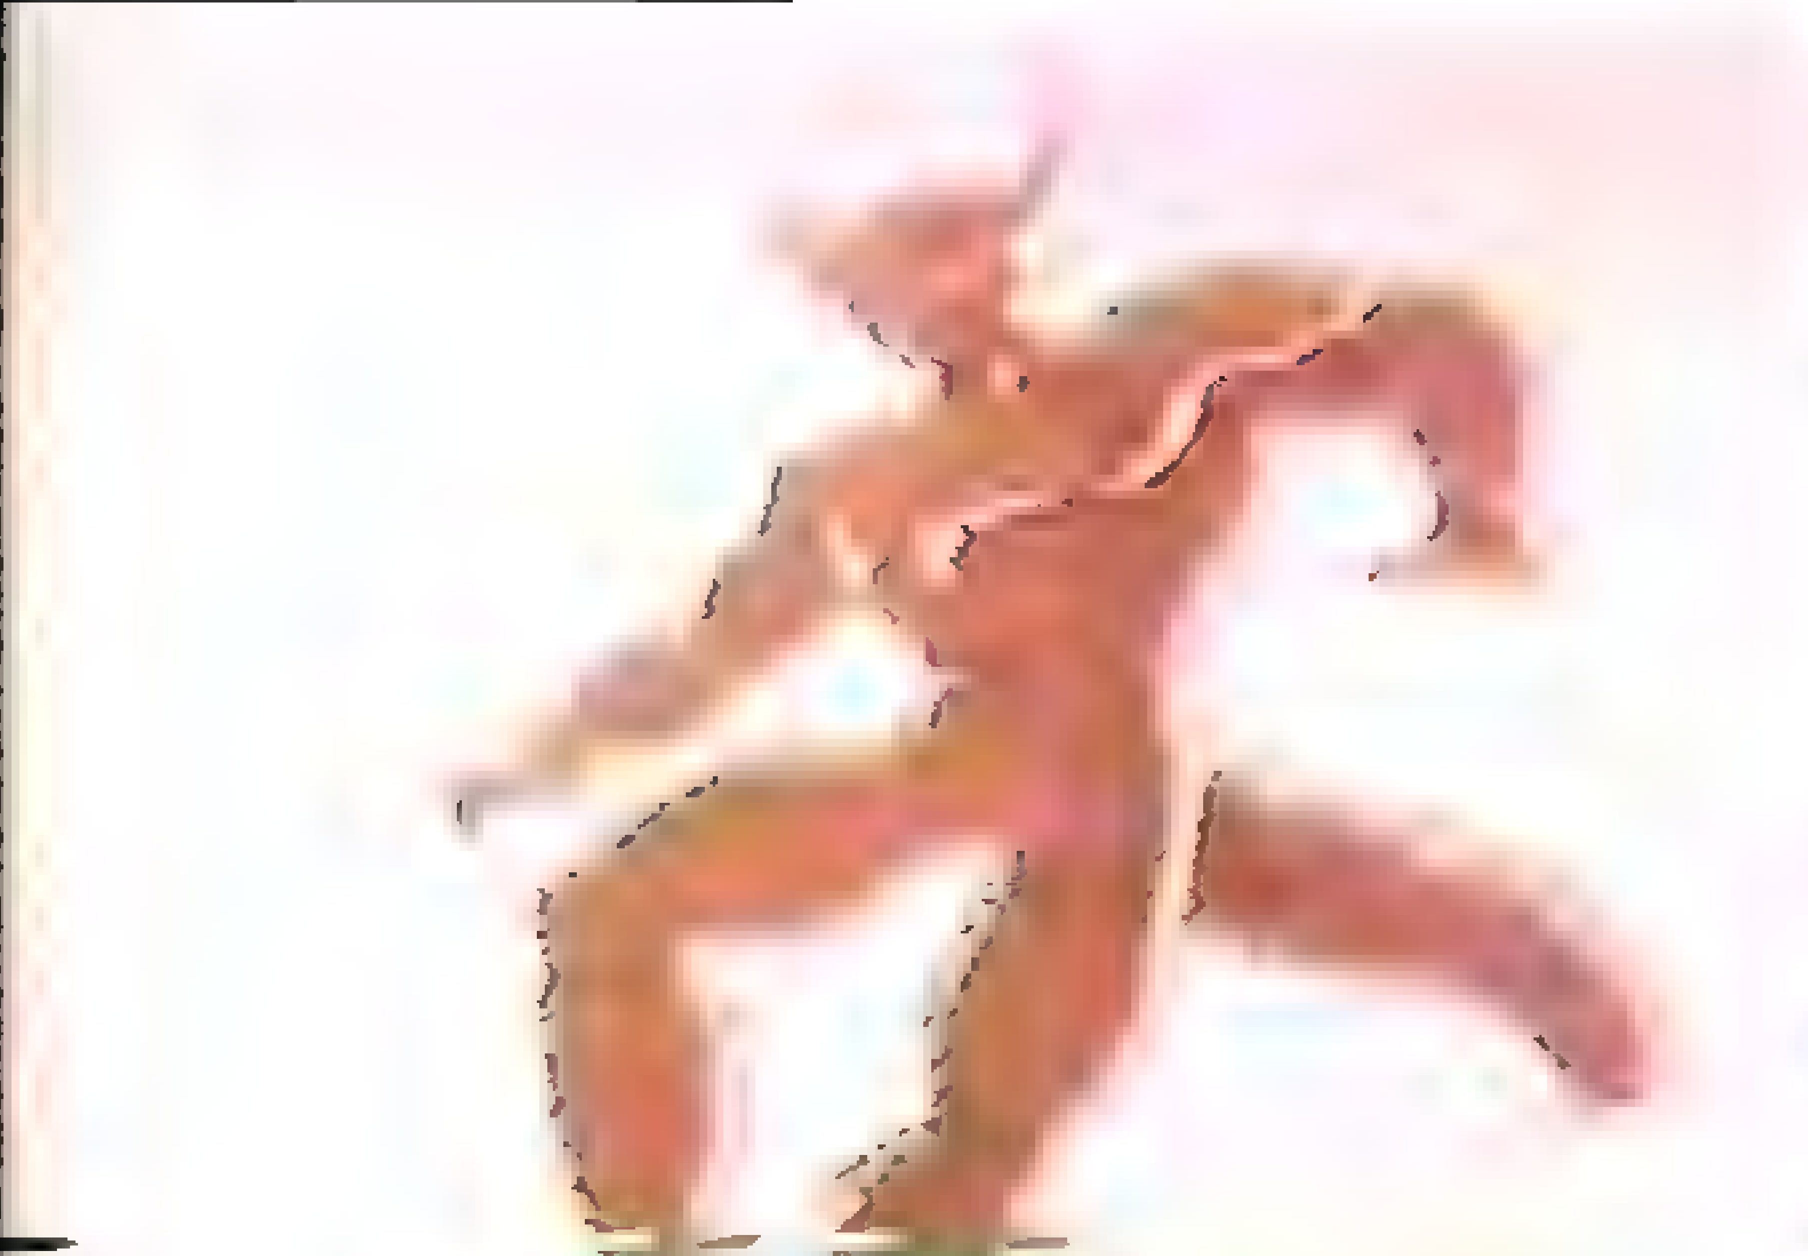

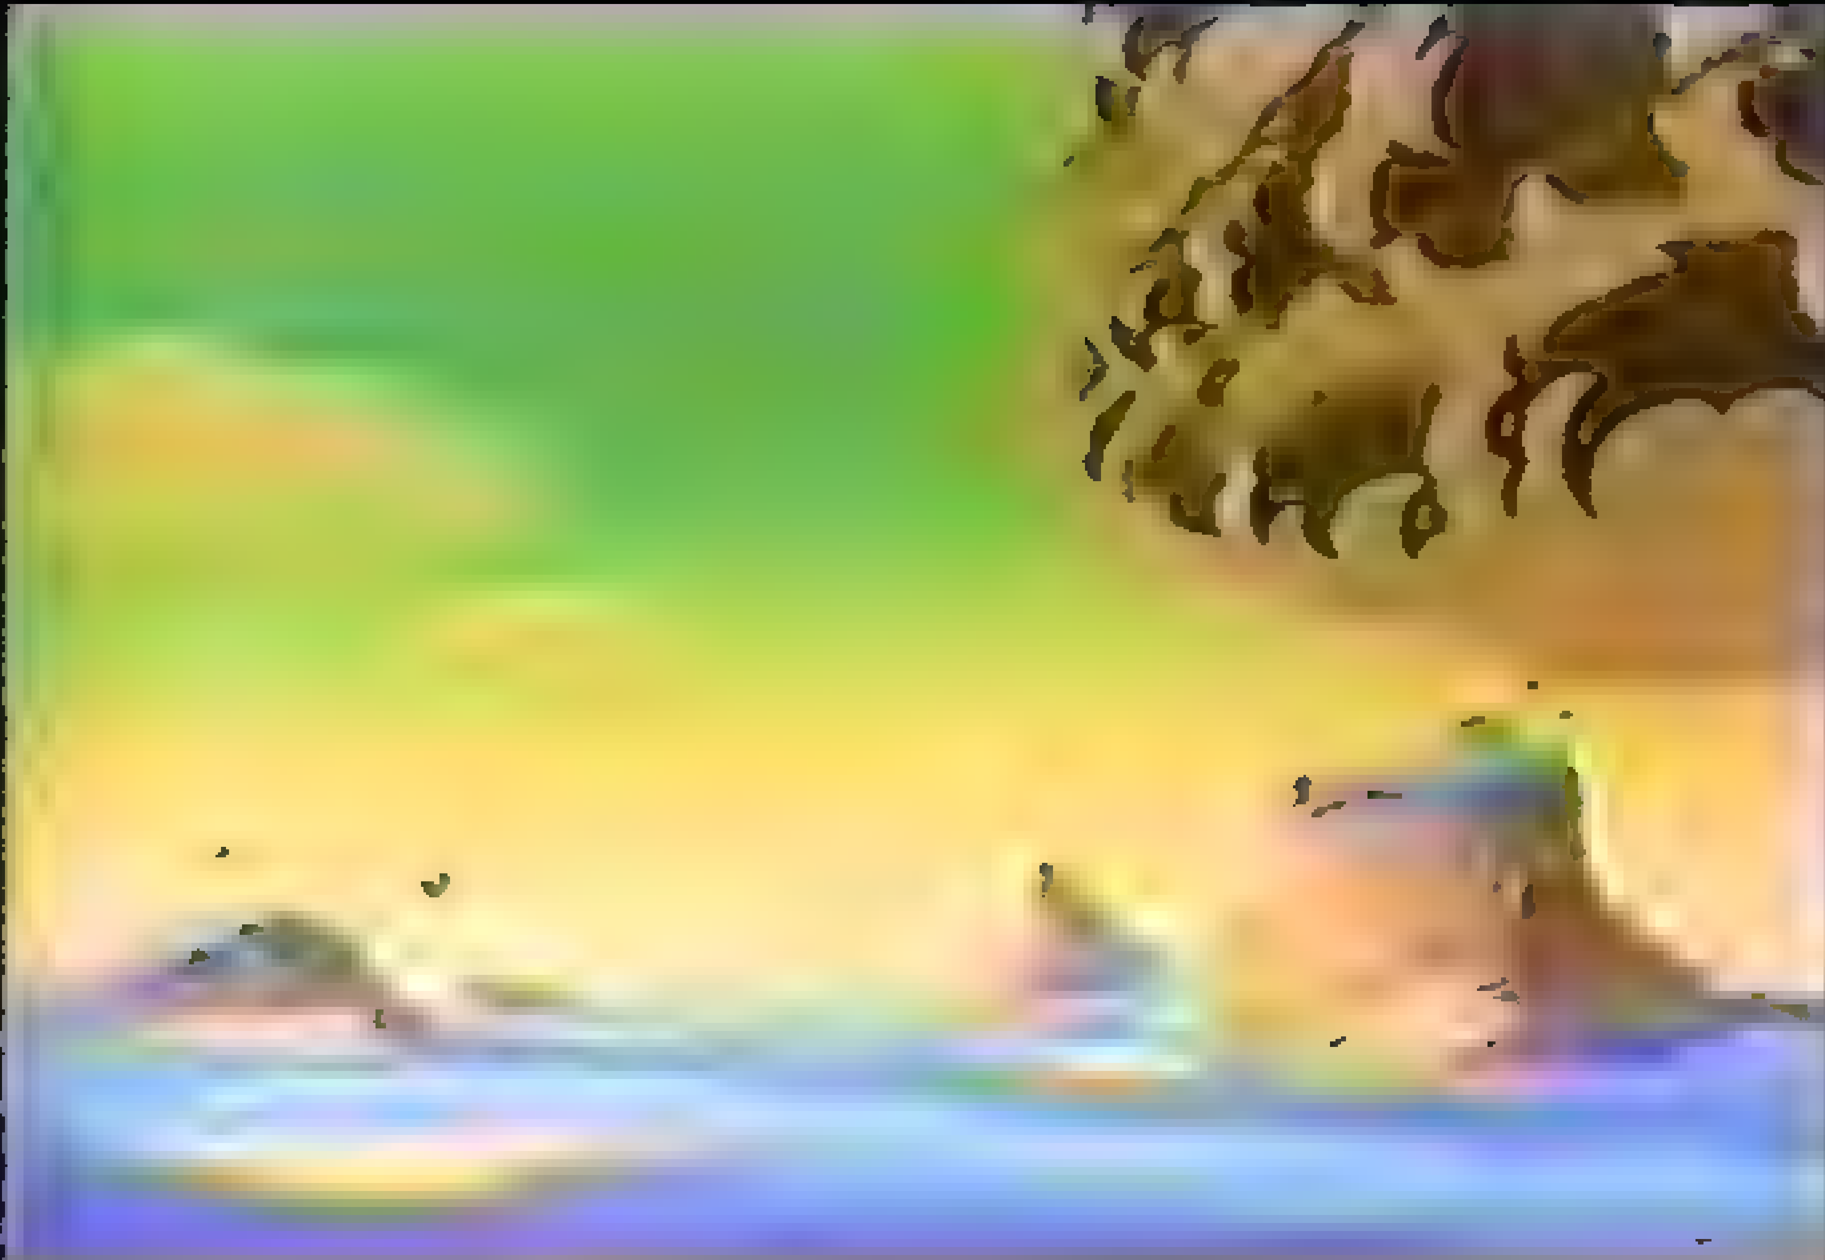

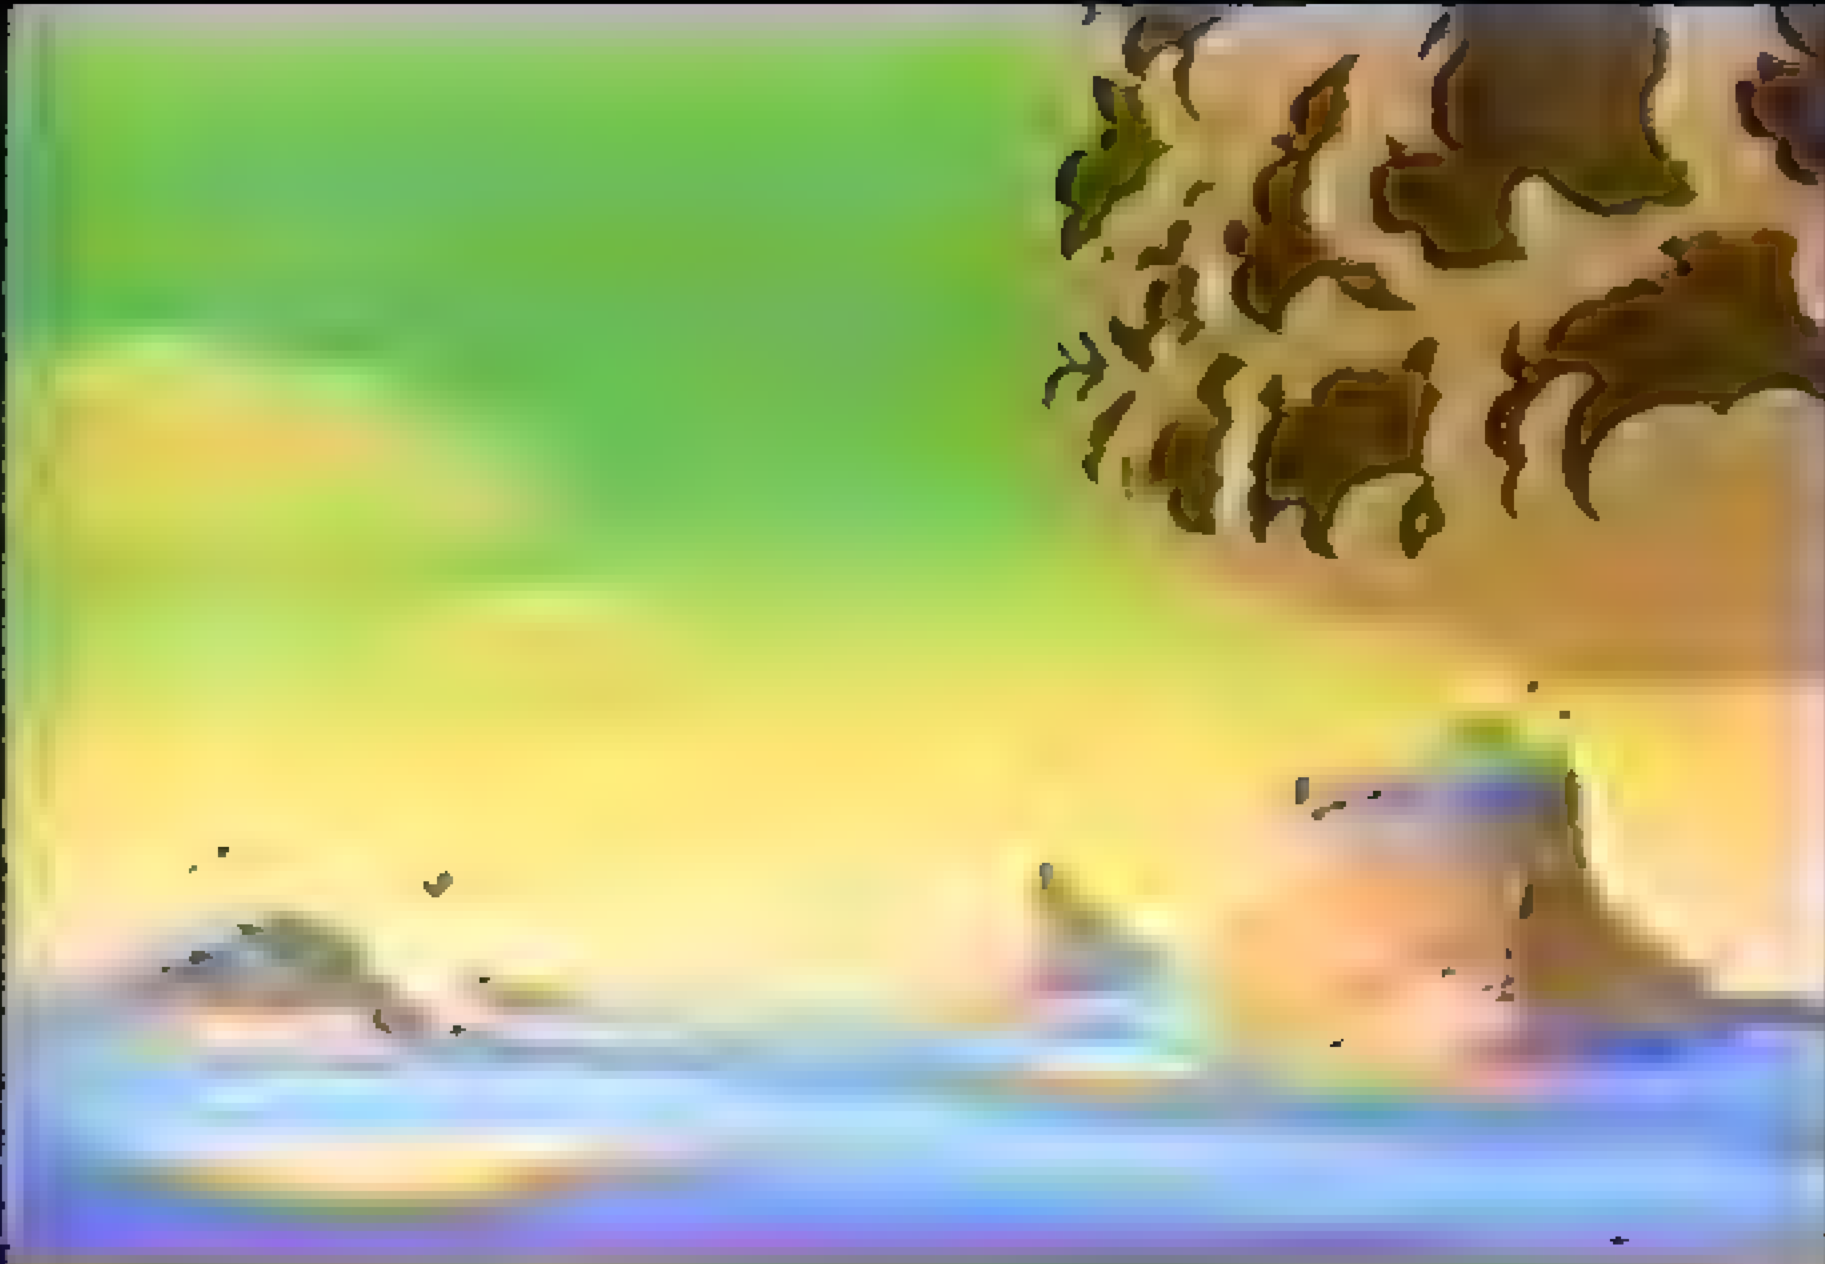

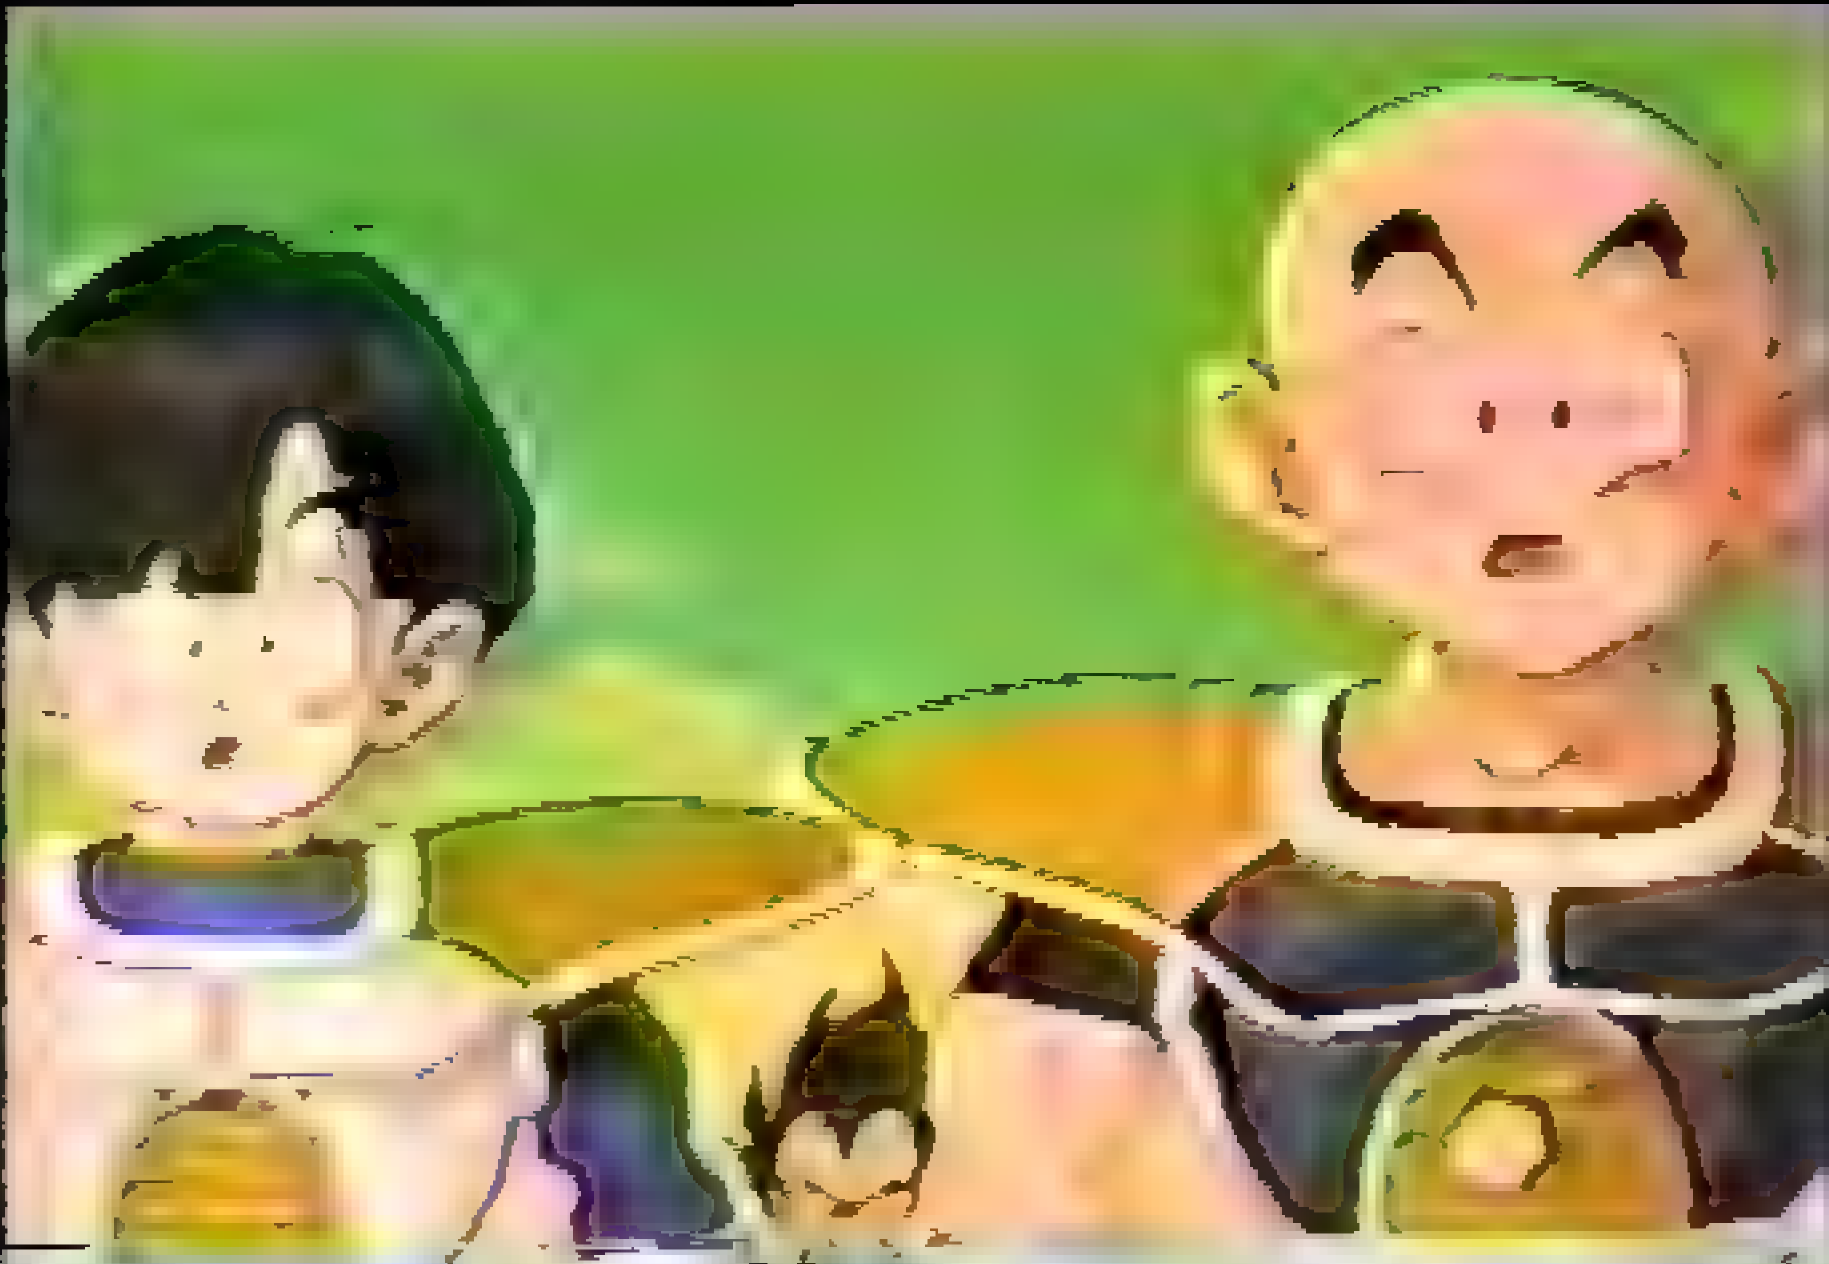

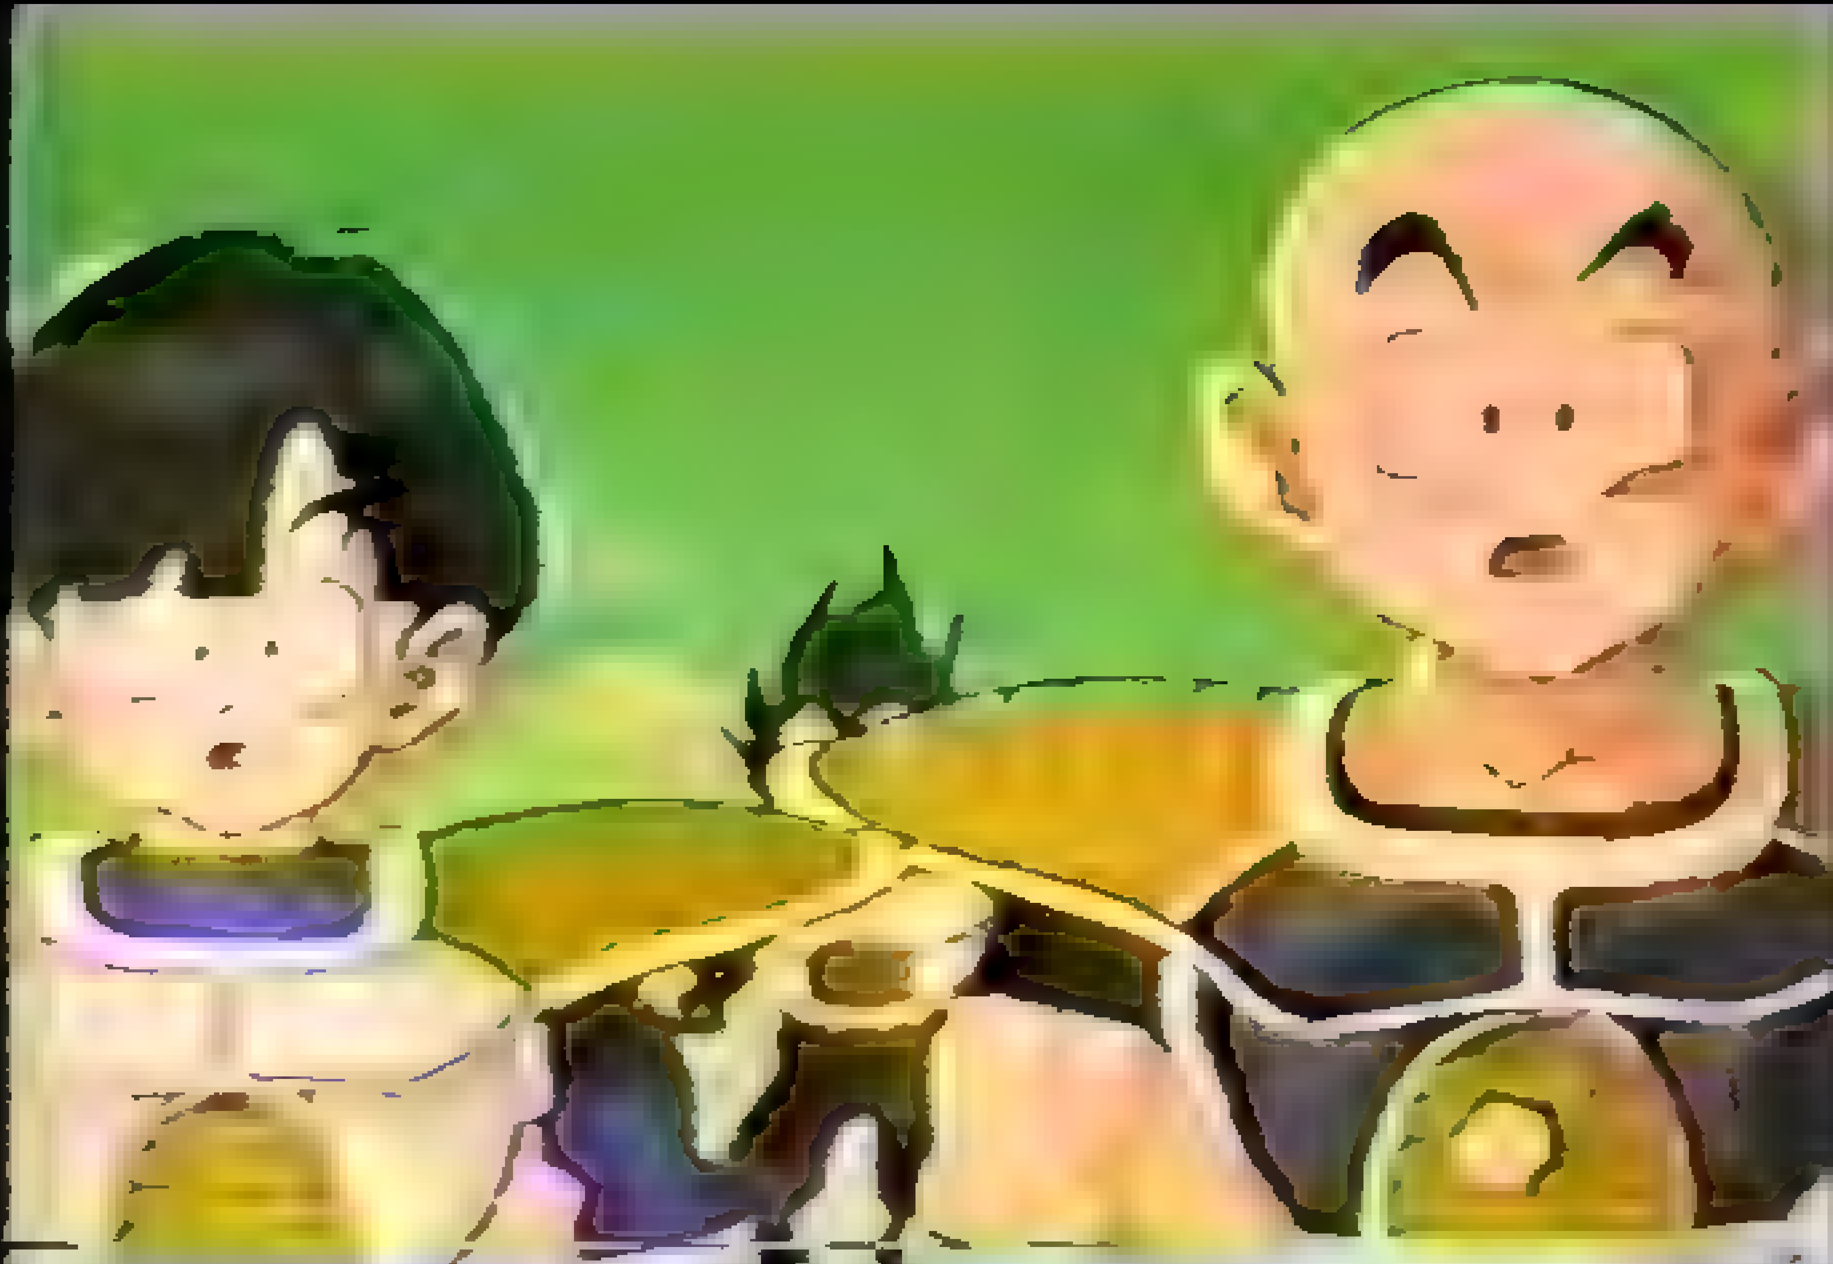

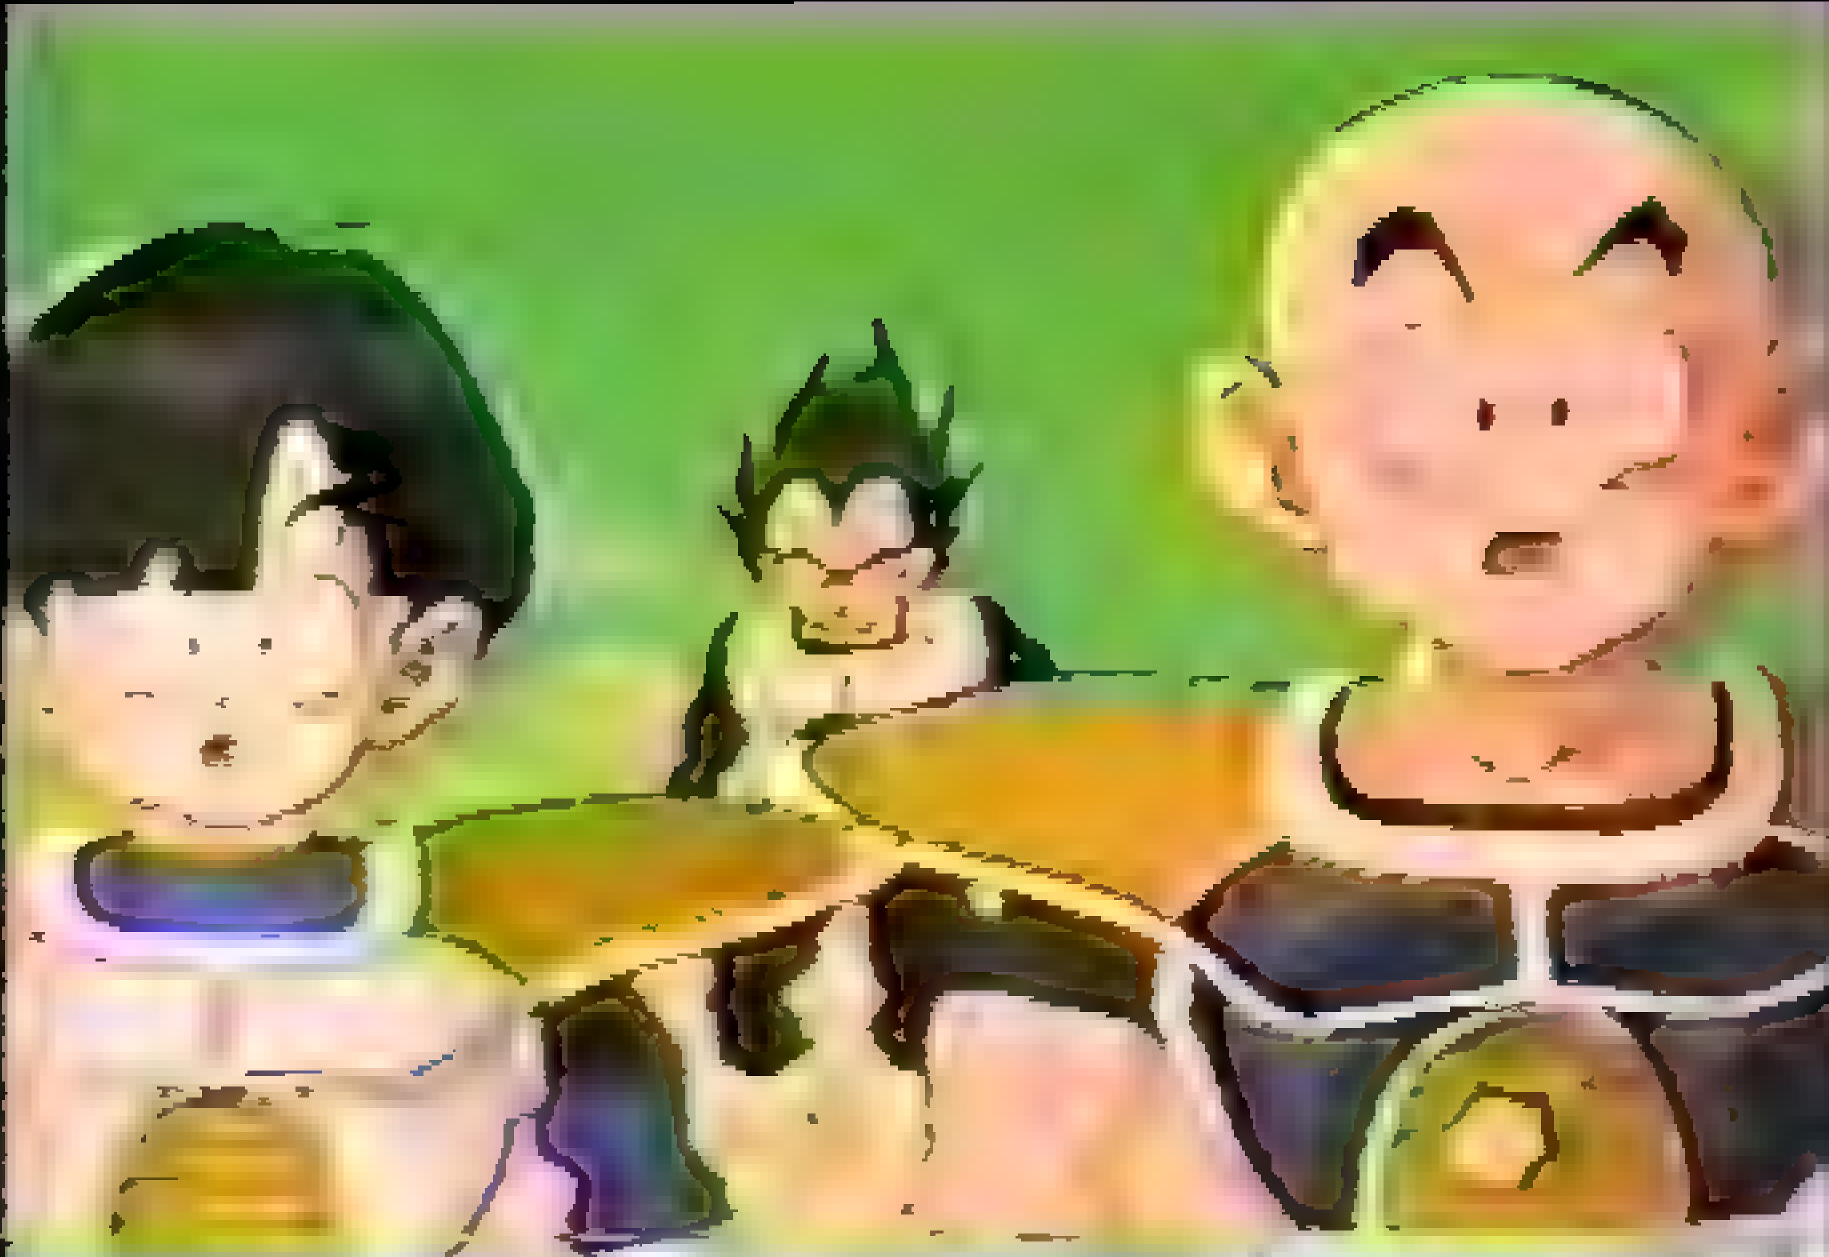

He did it!

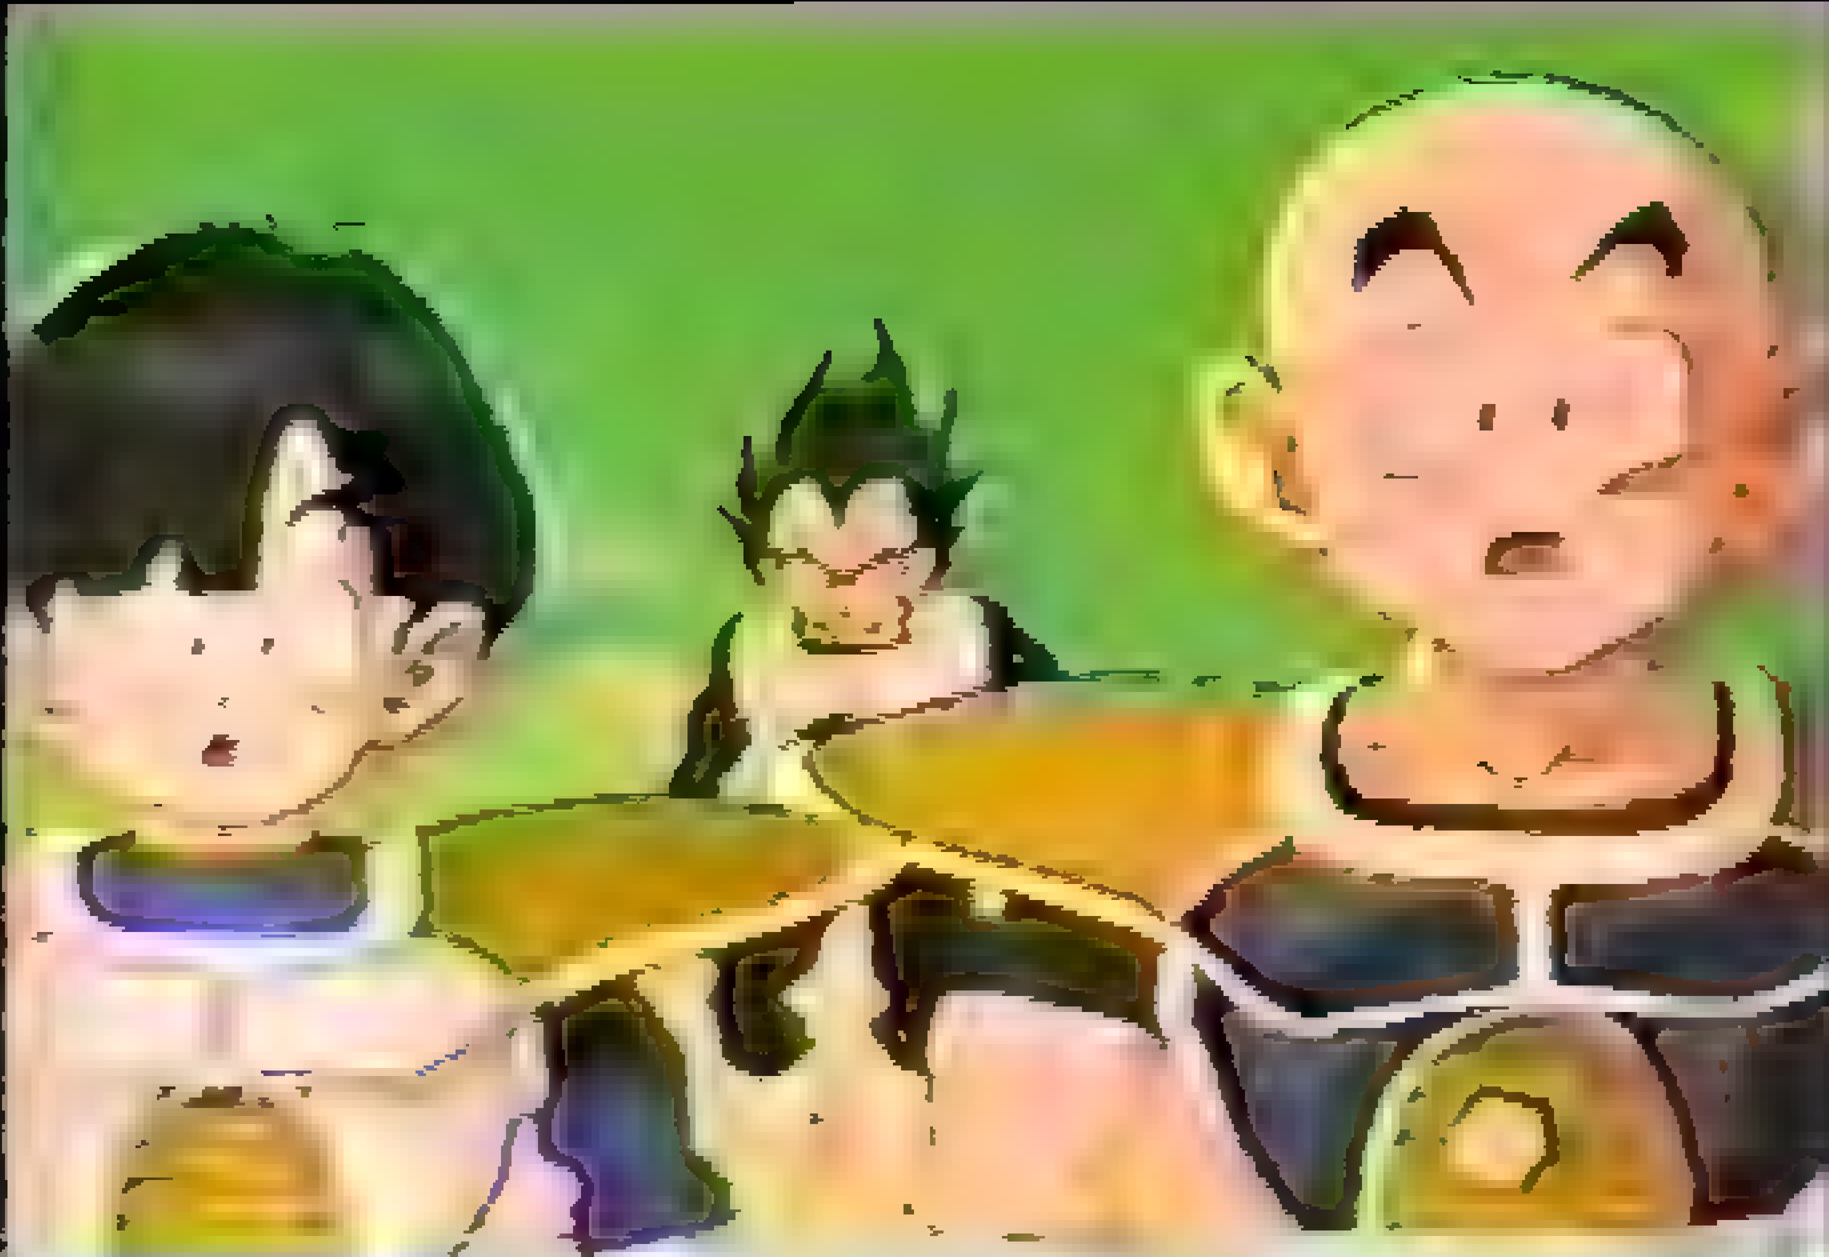

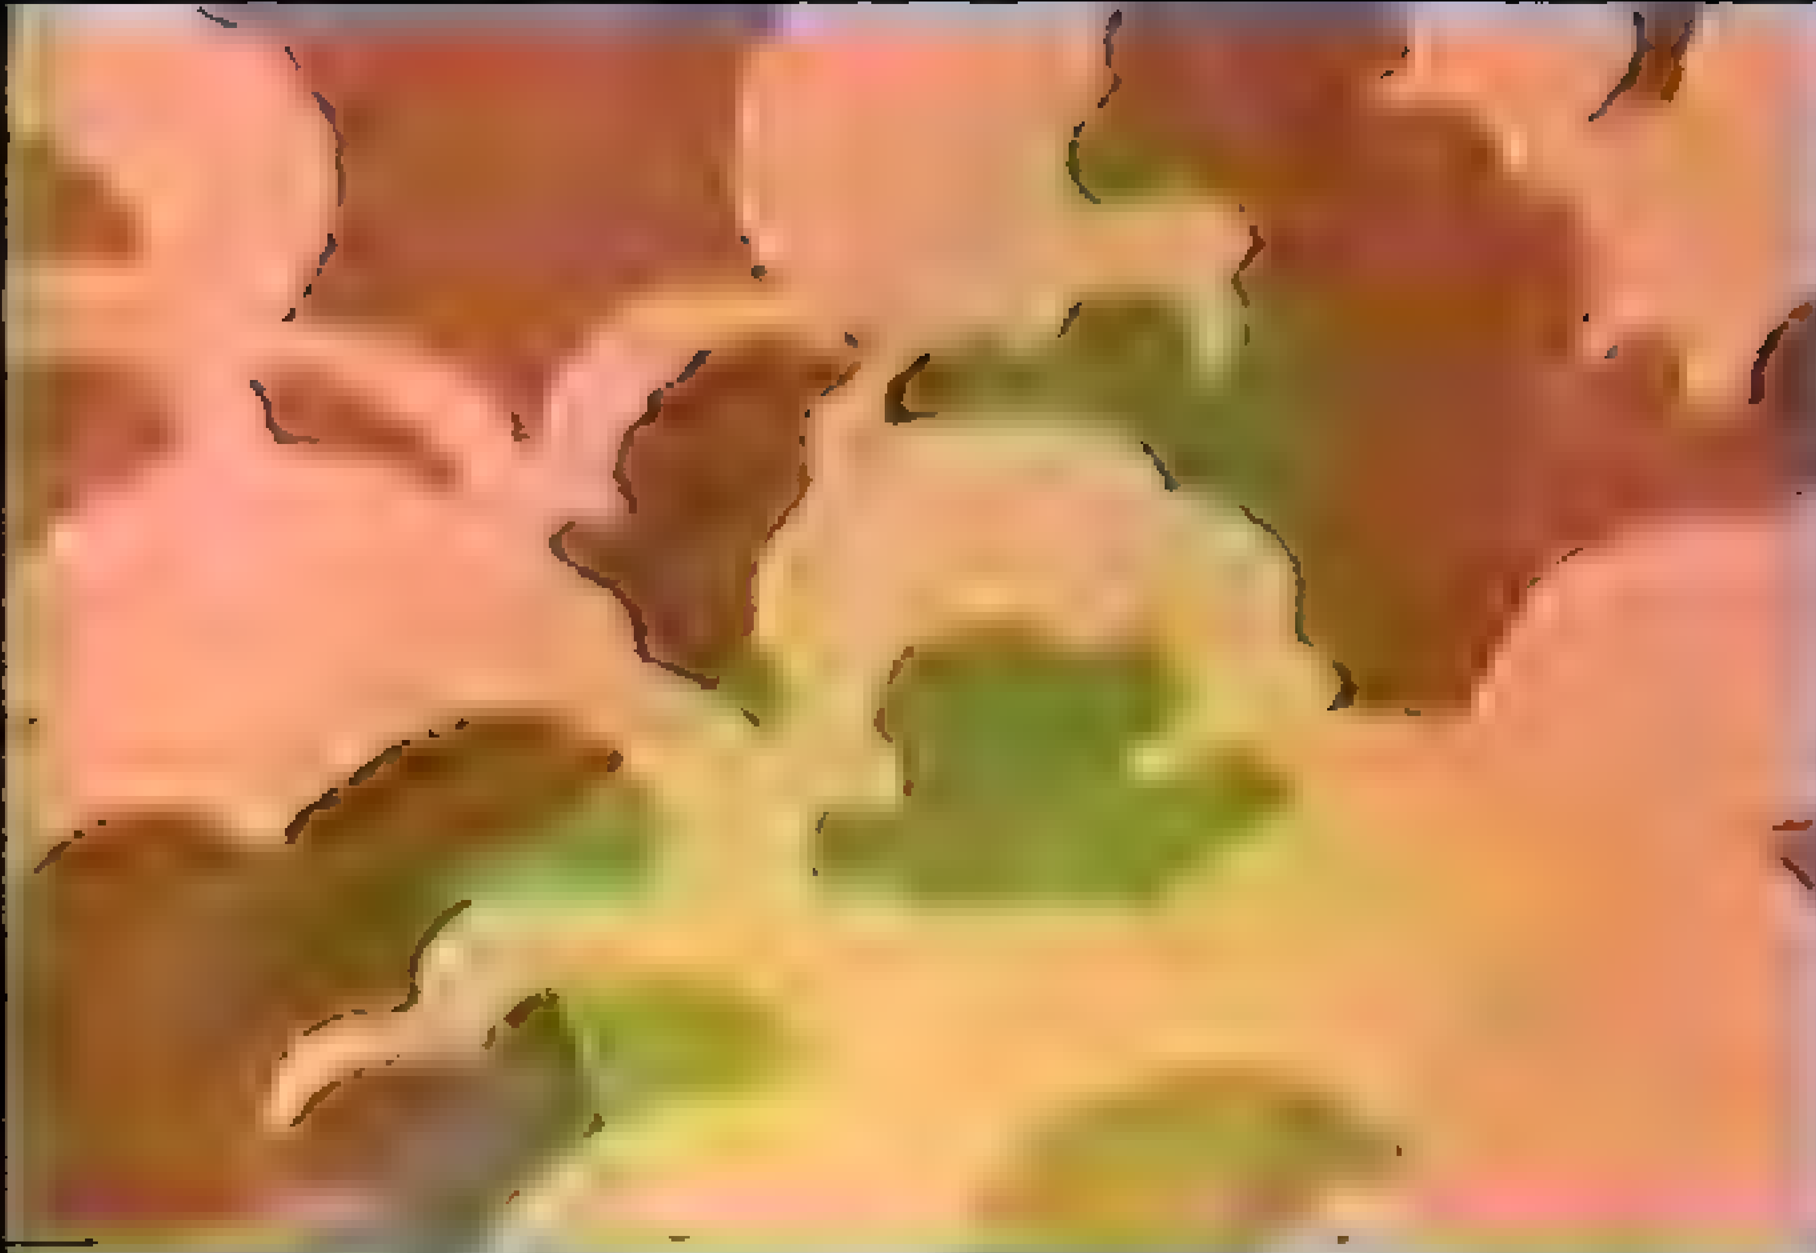

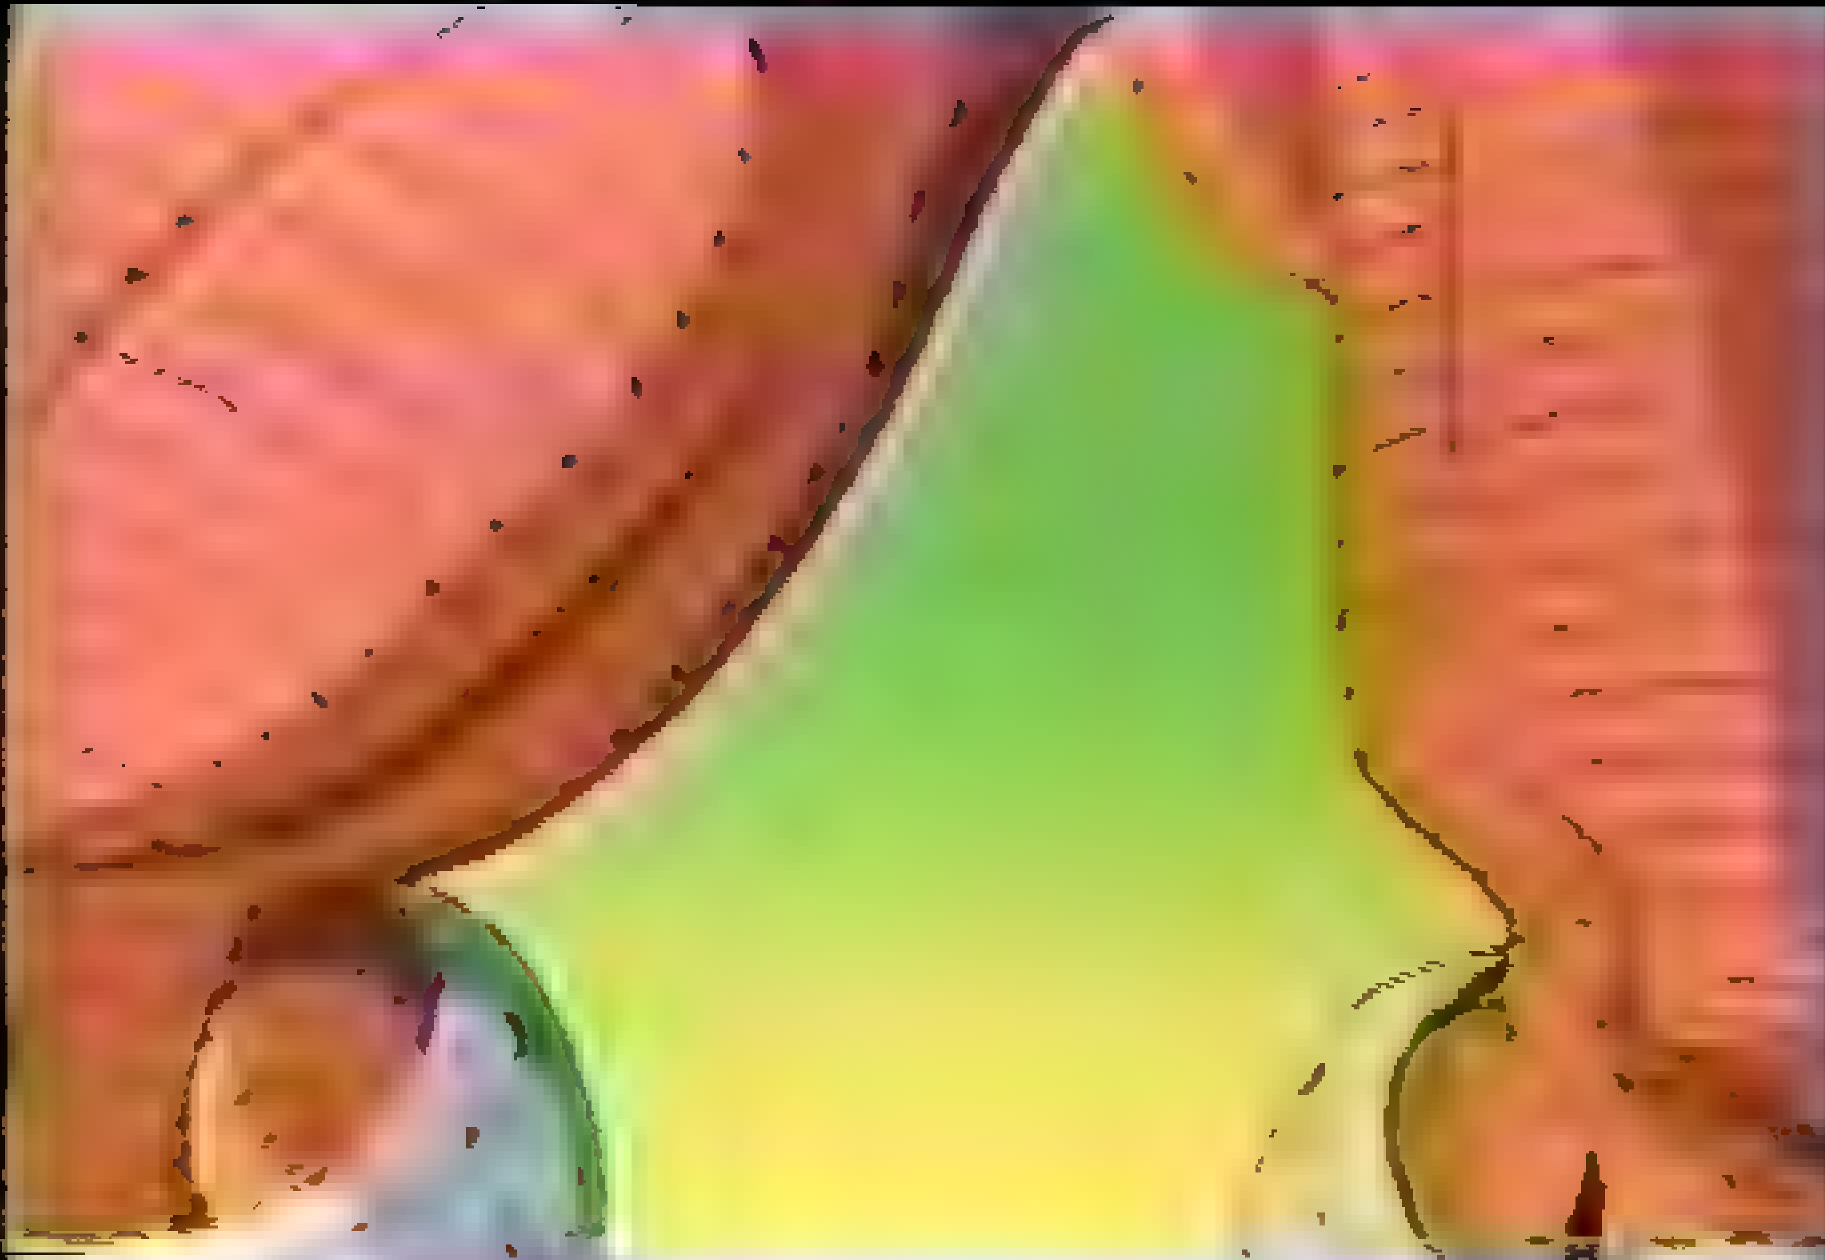

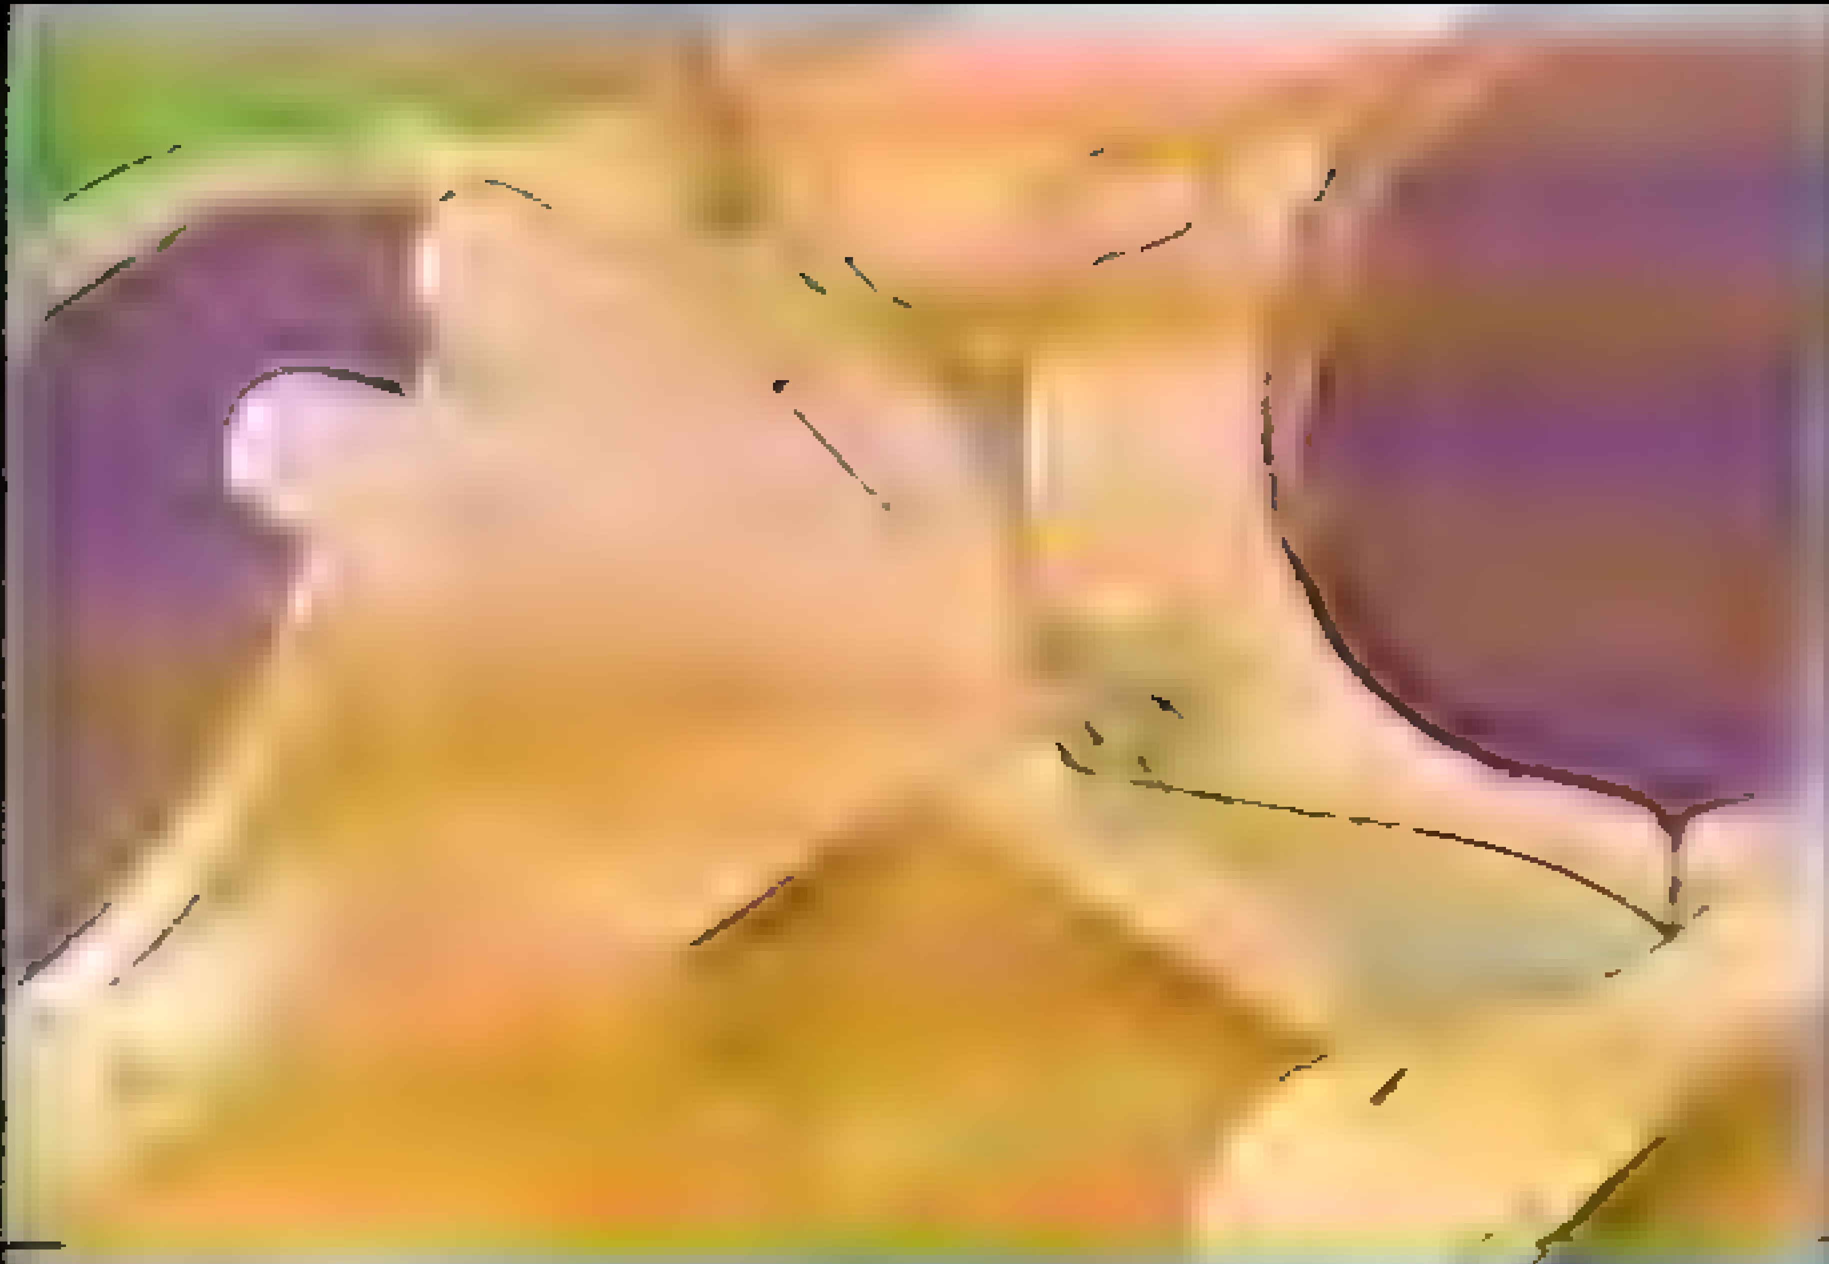

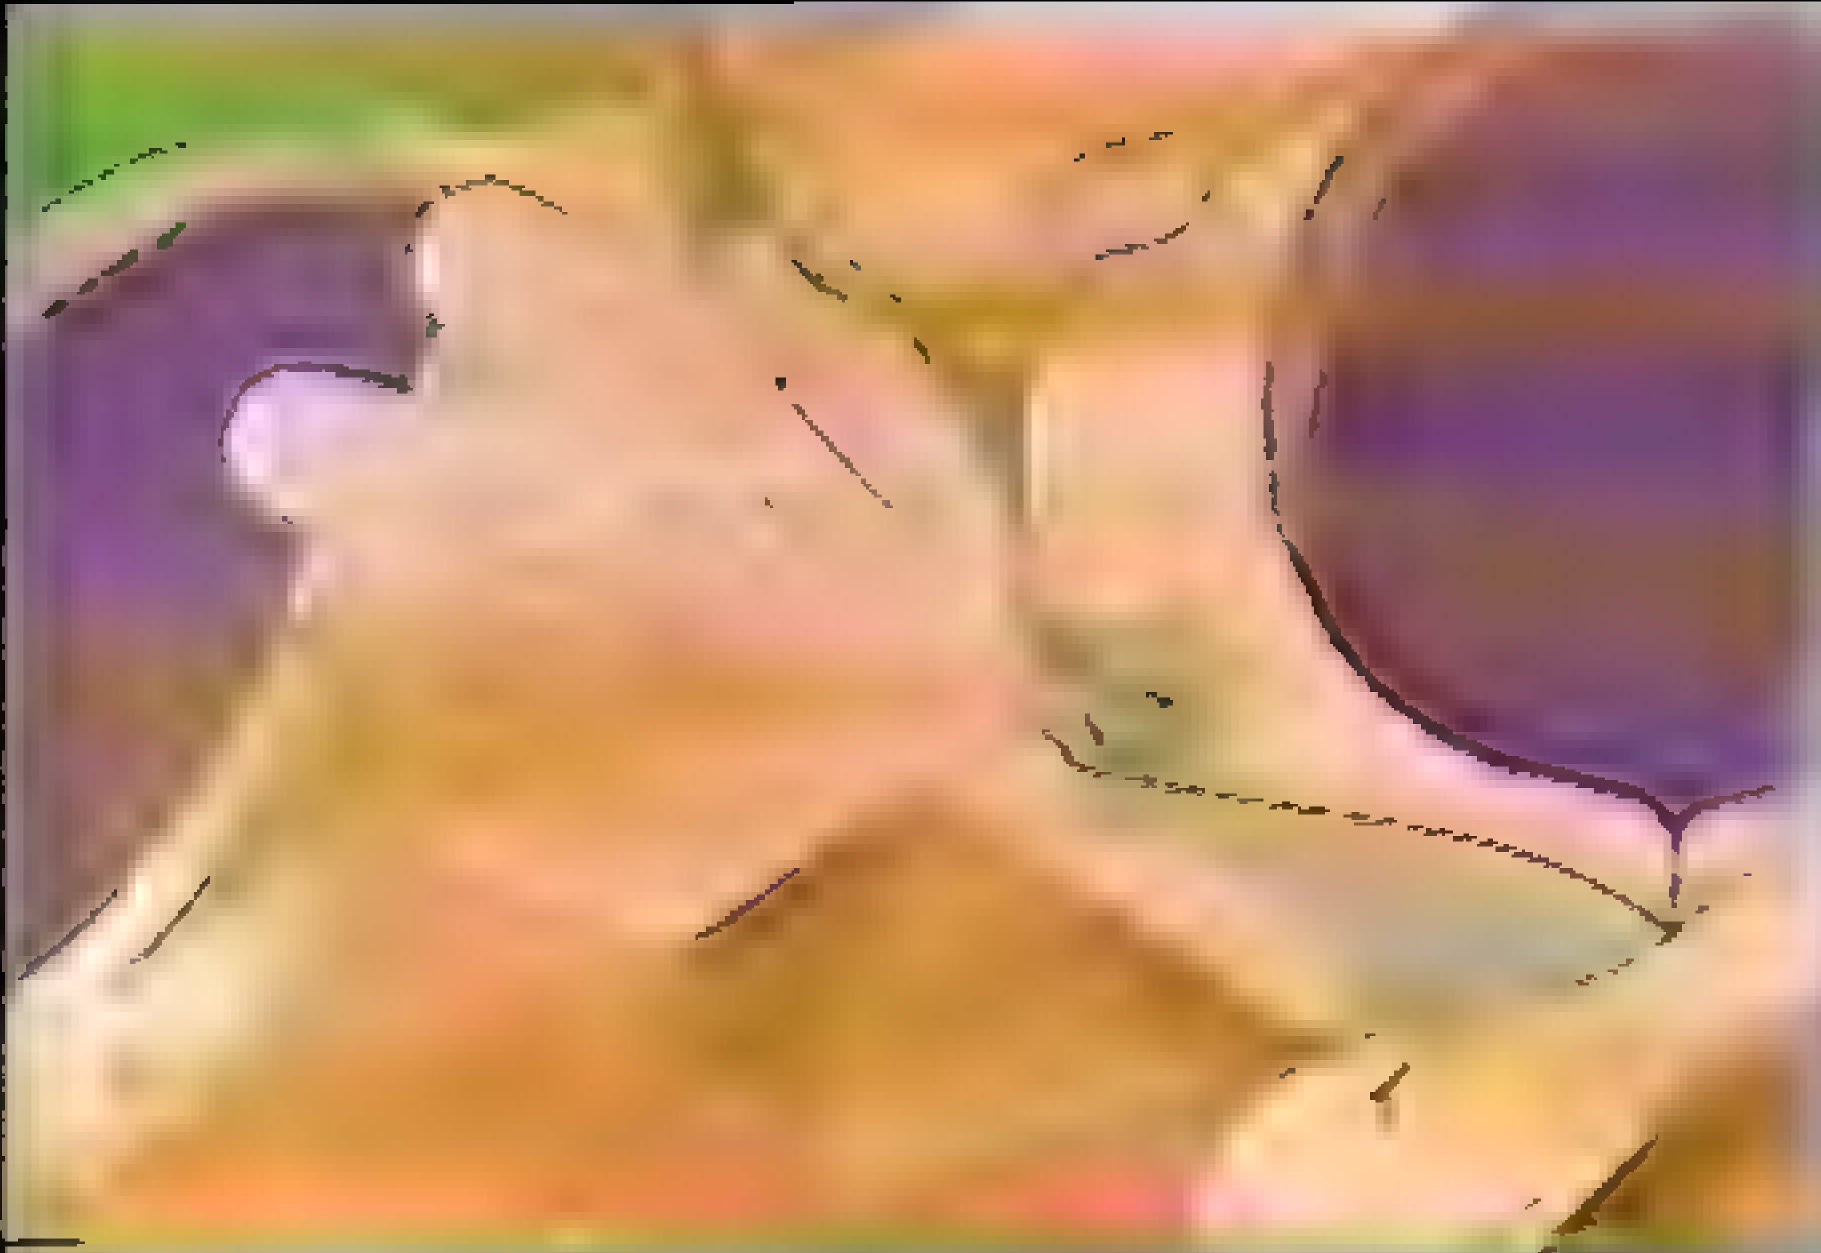

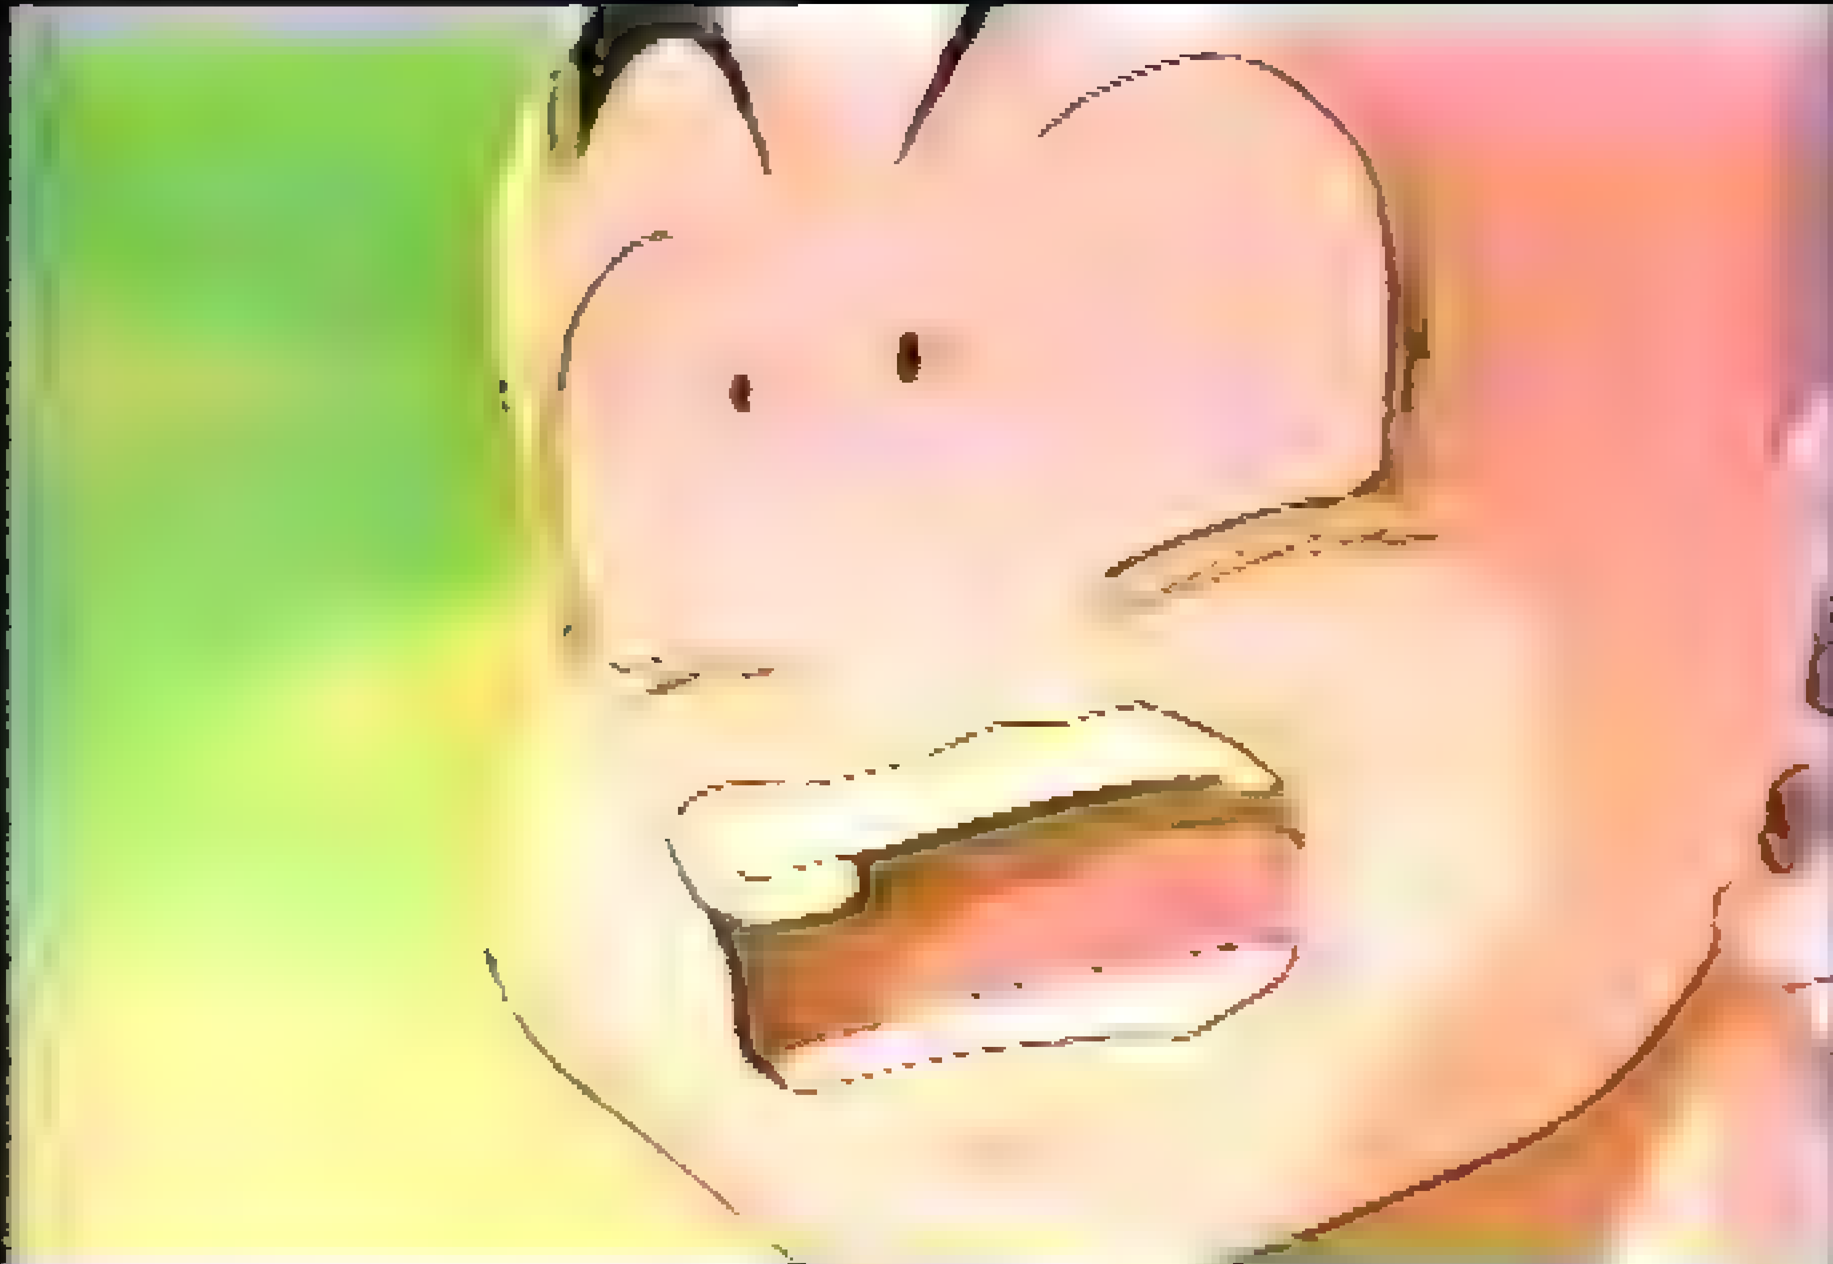

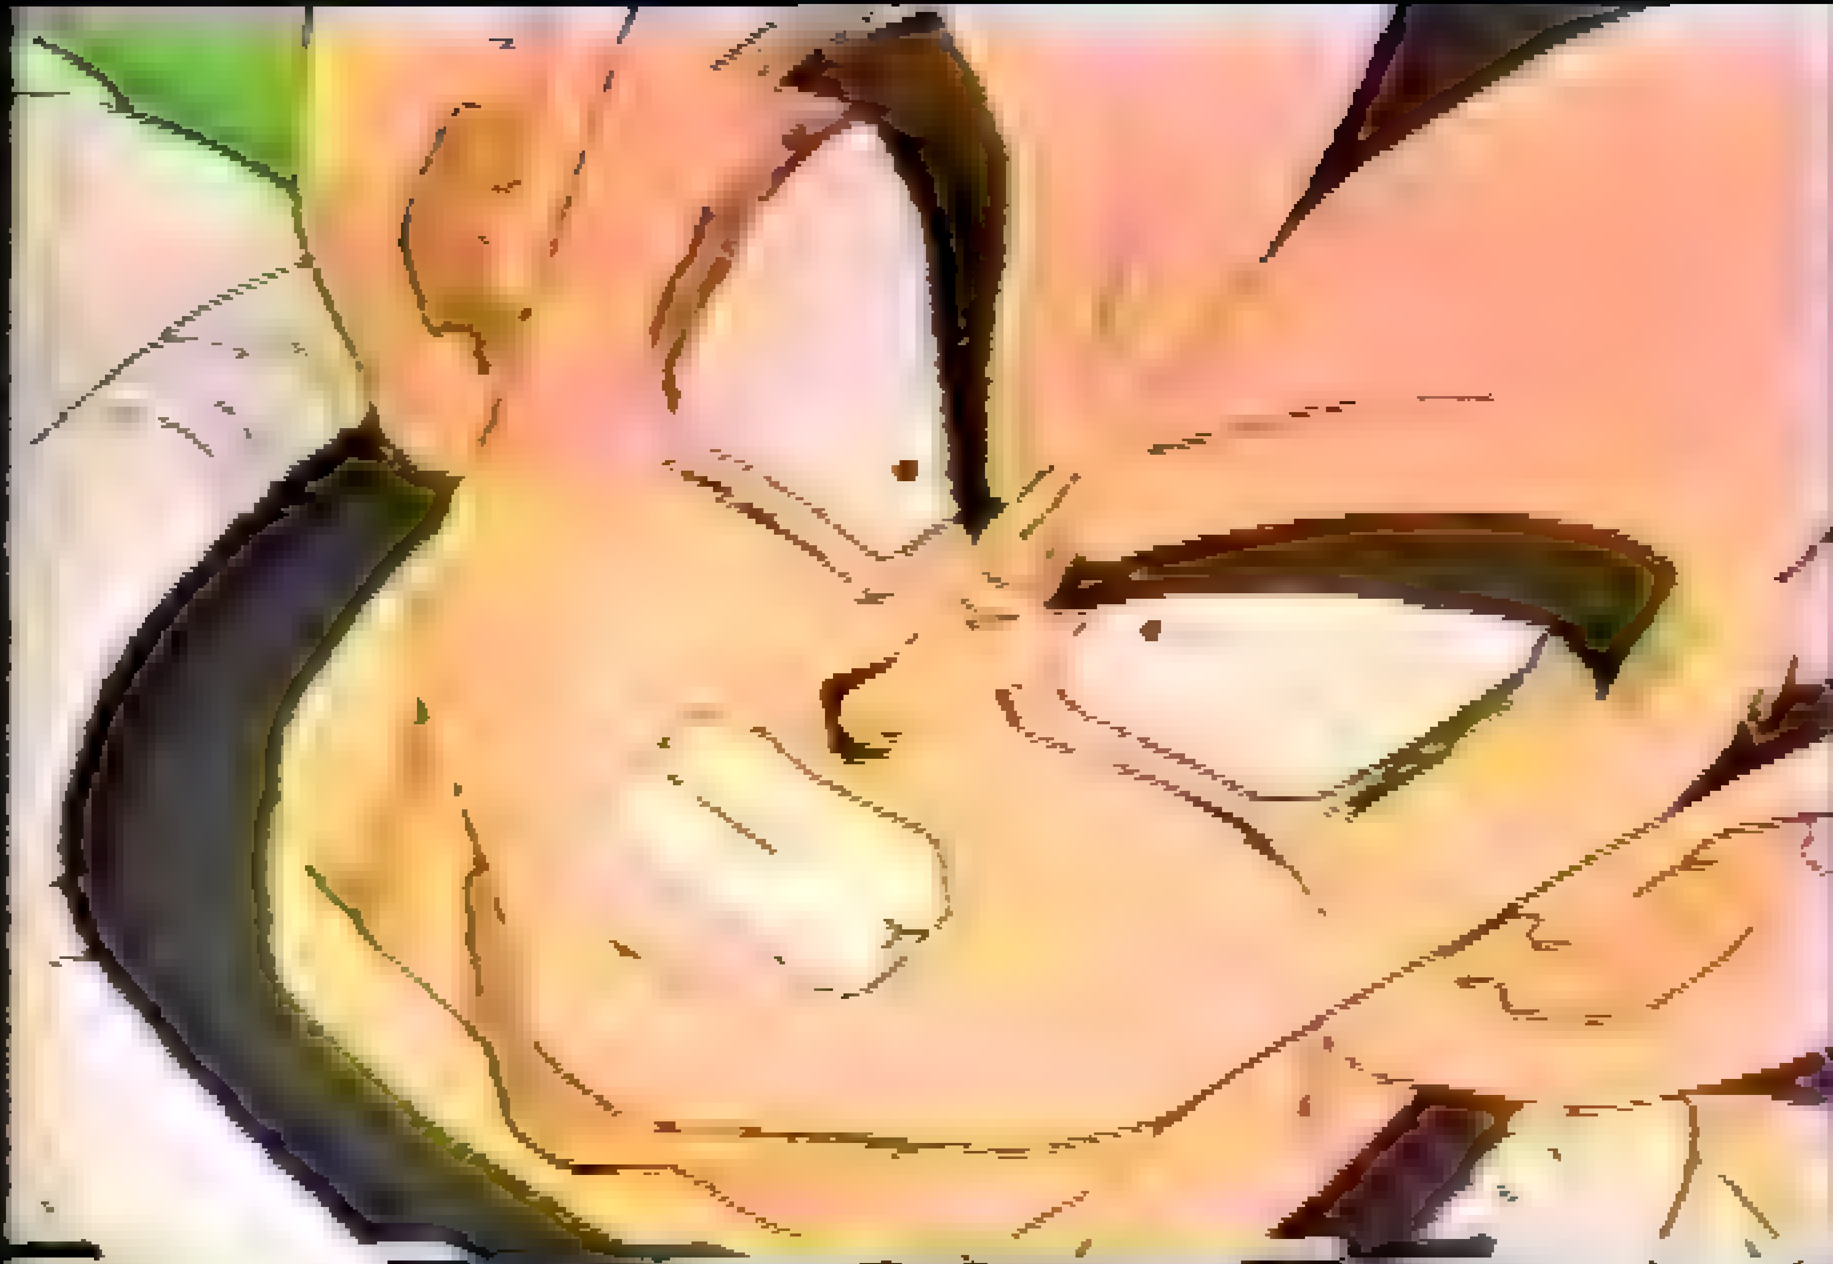

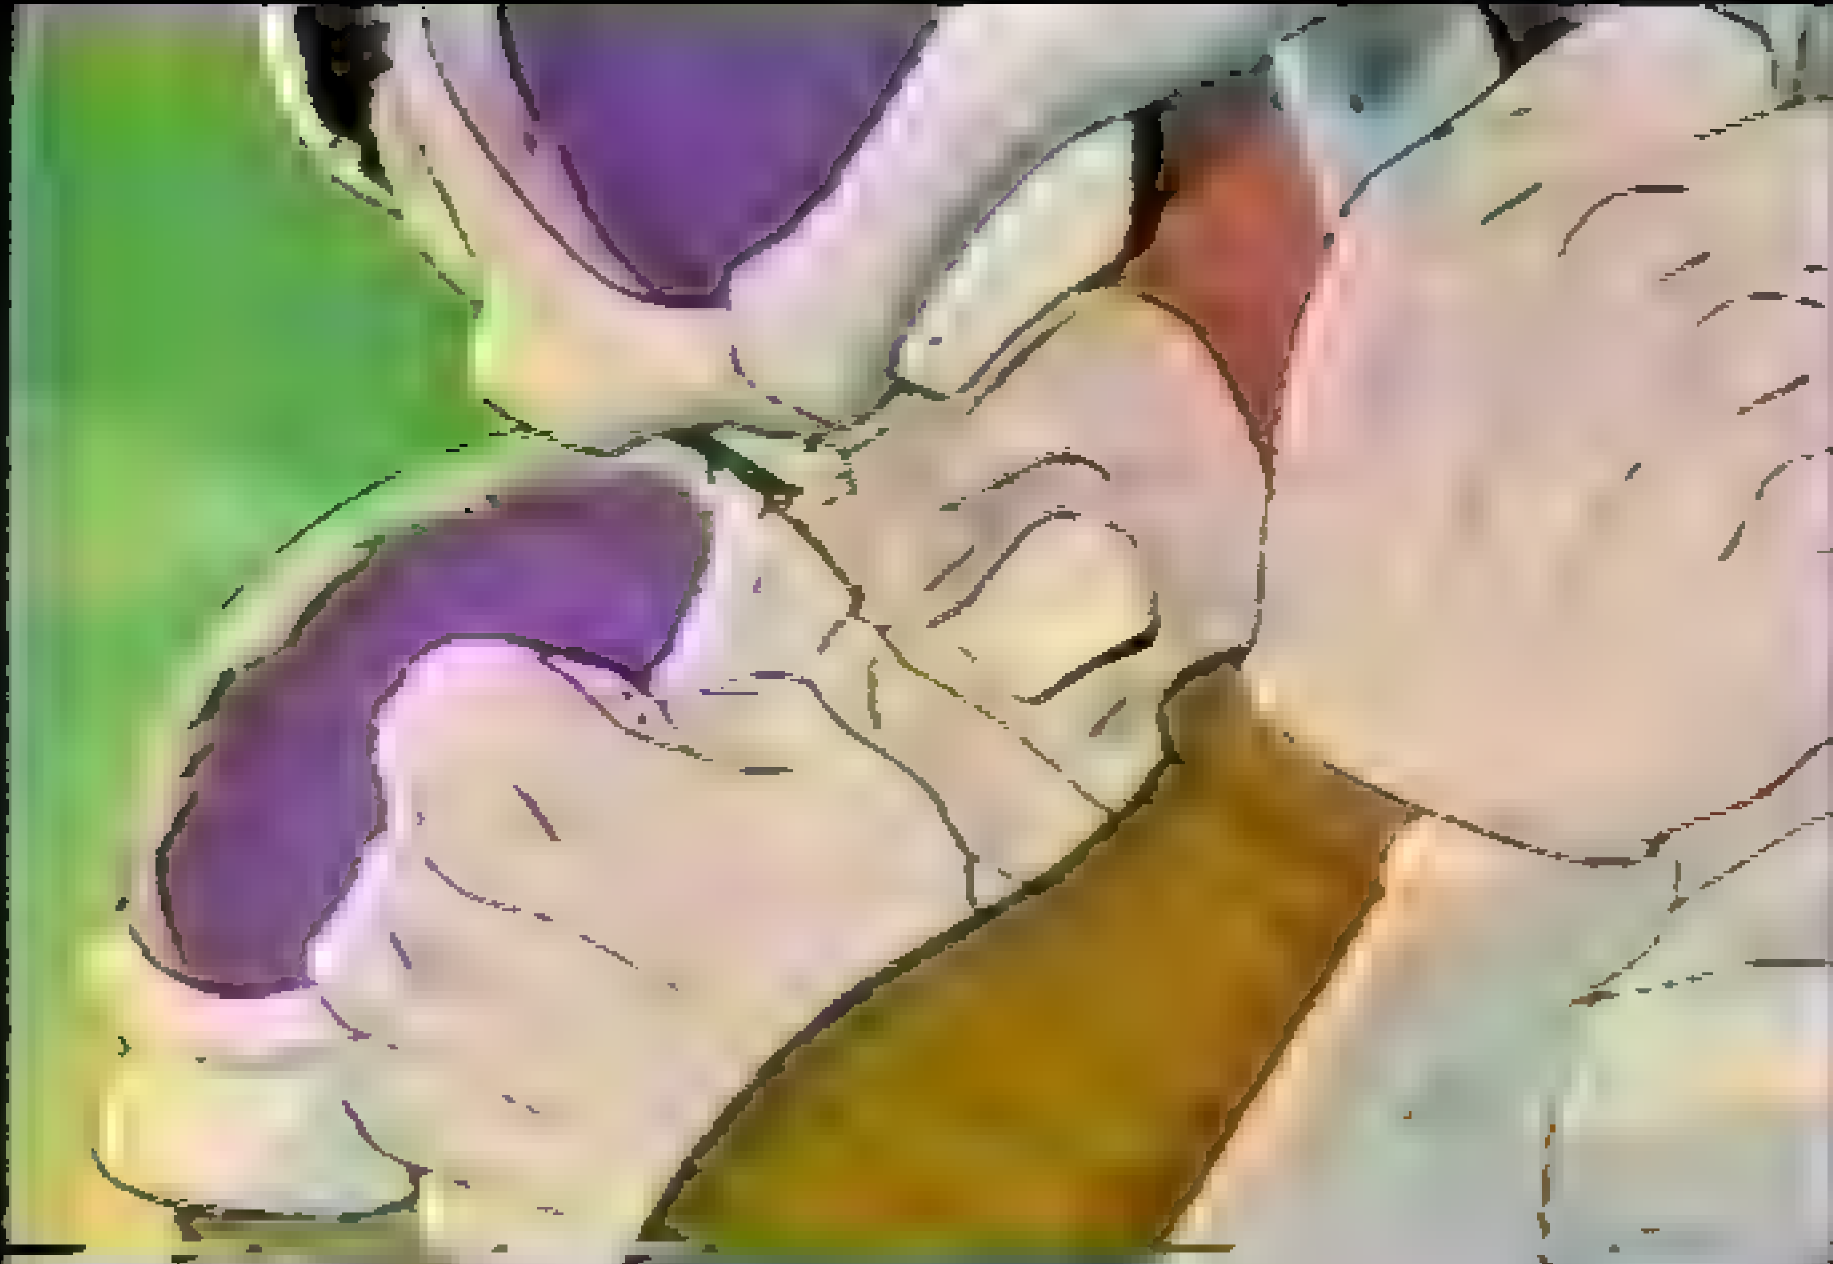

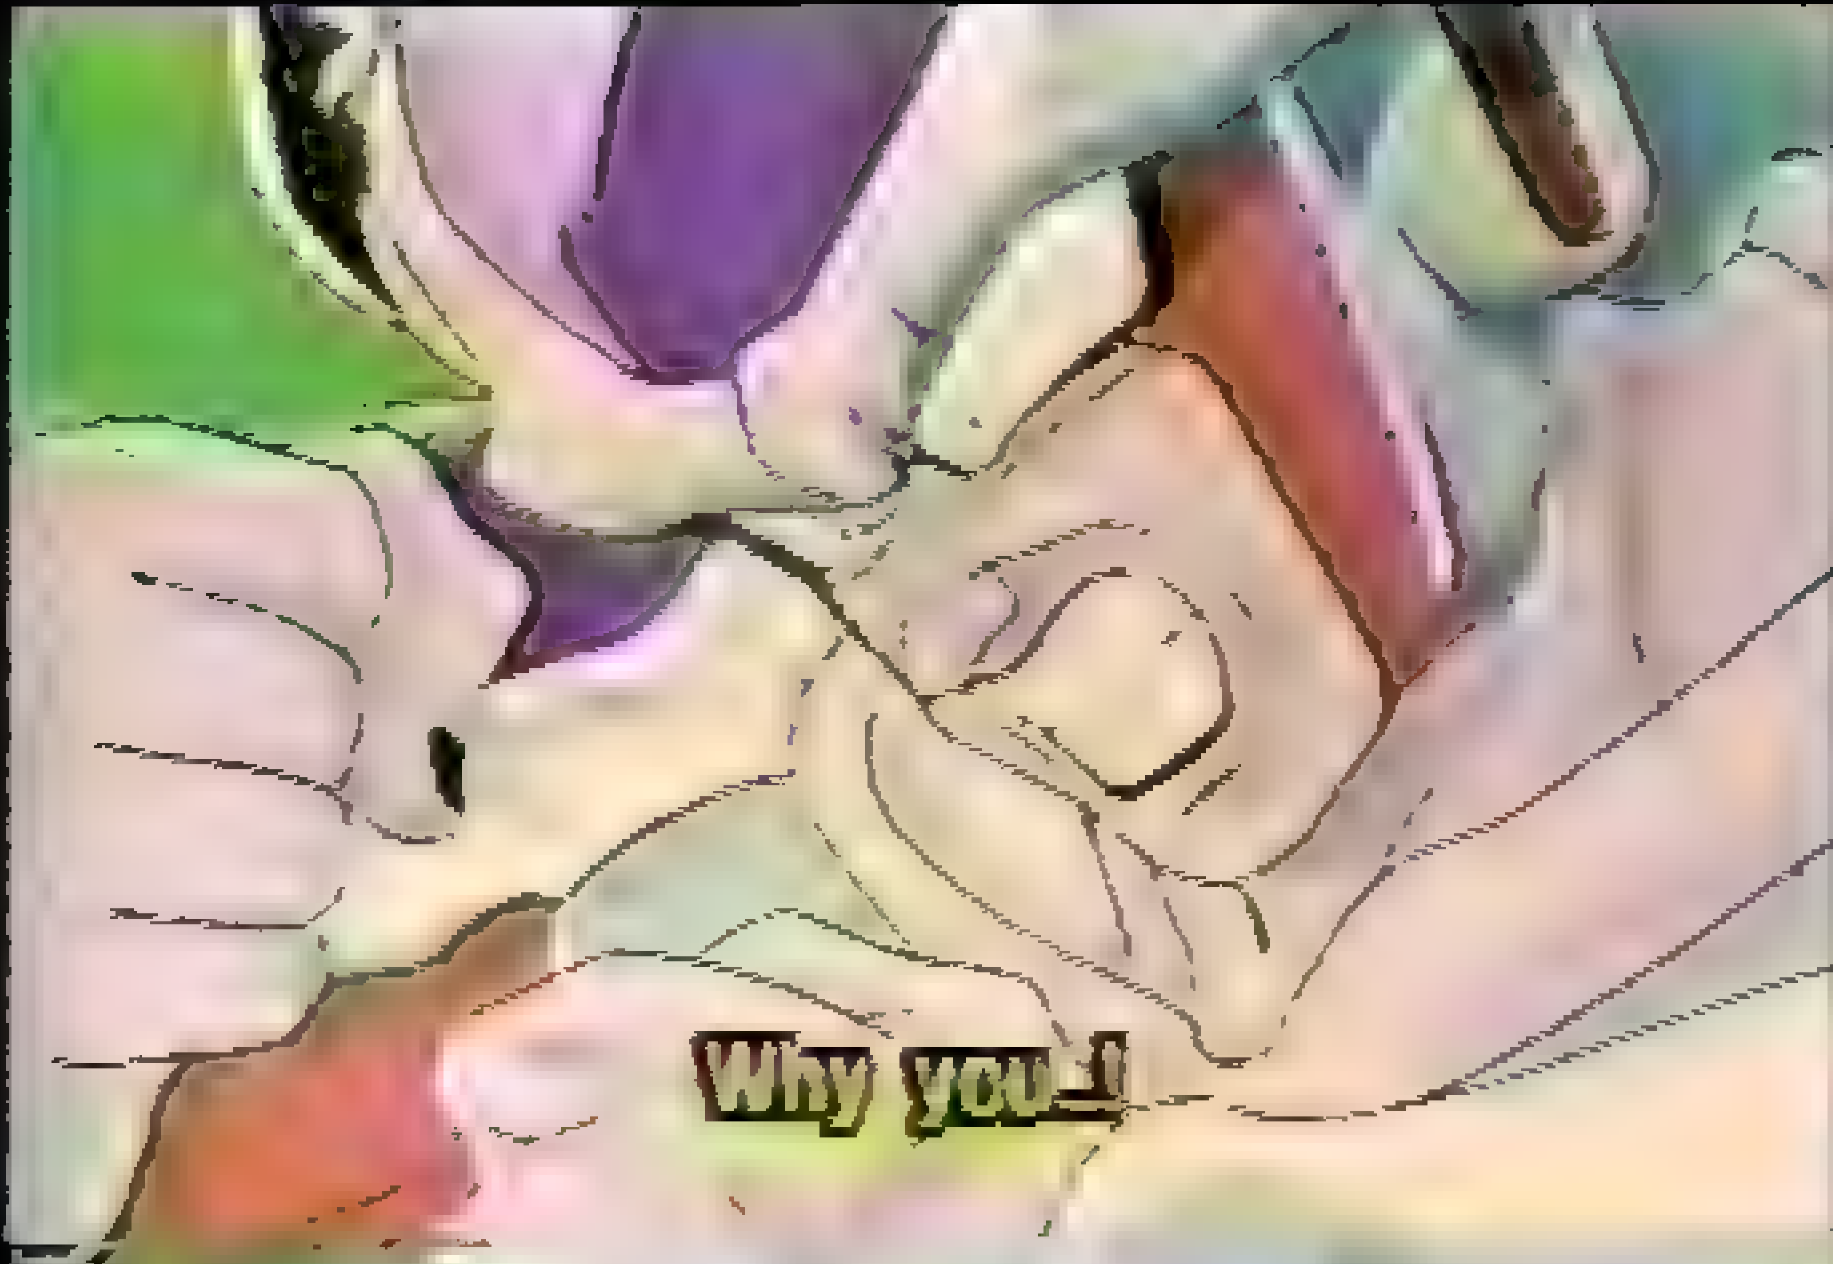

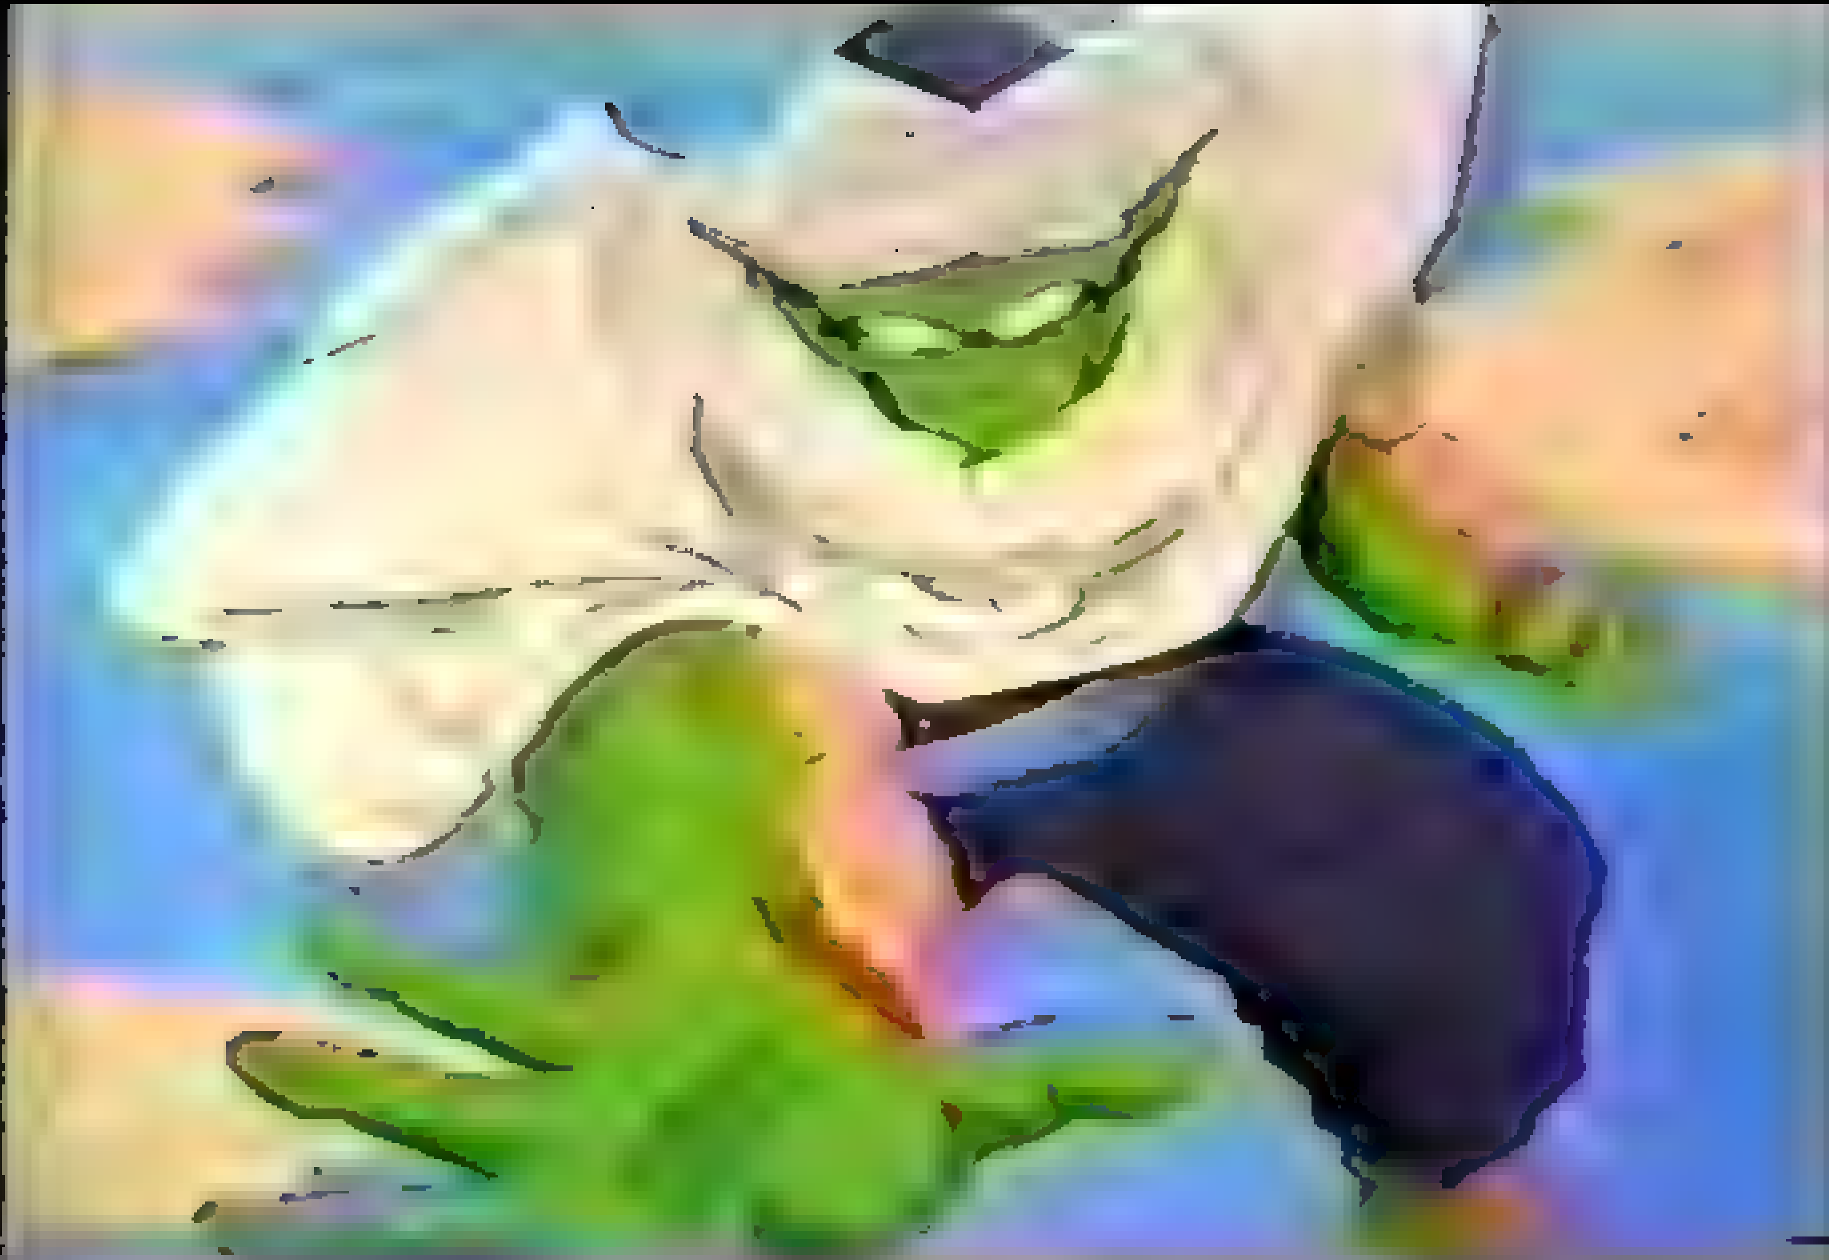

Why you...!

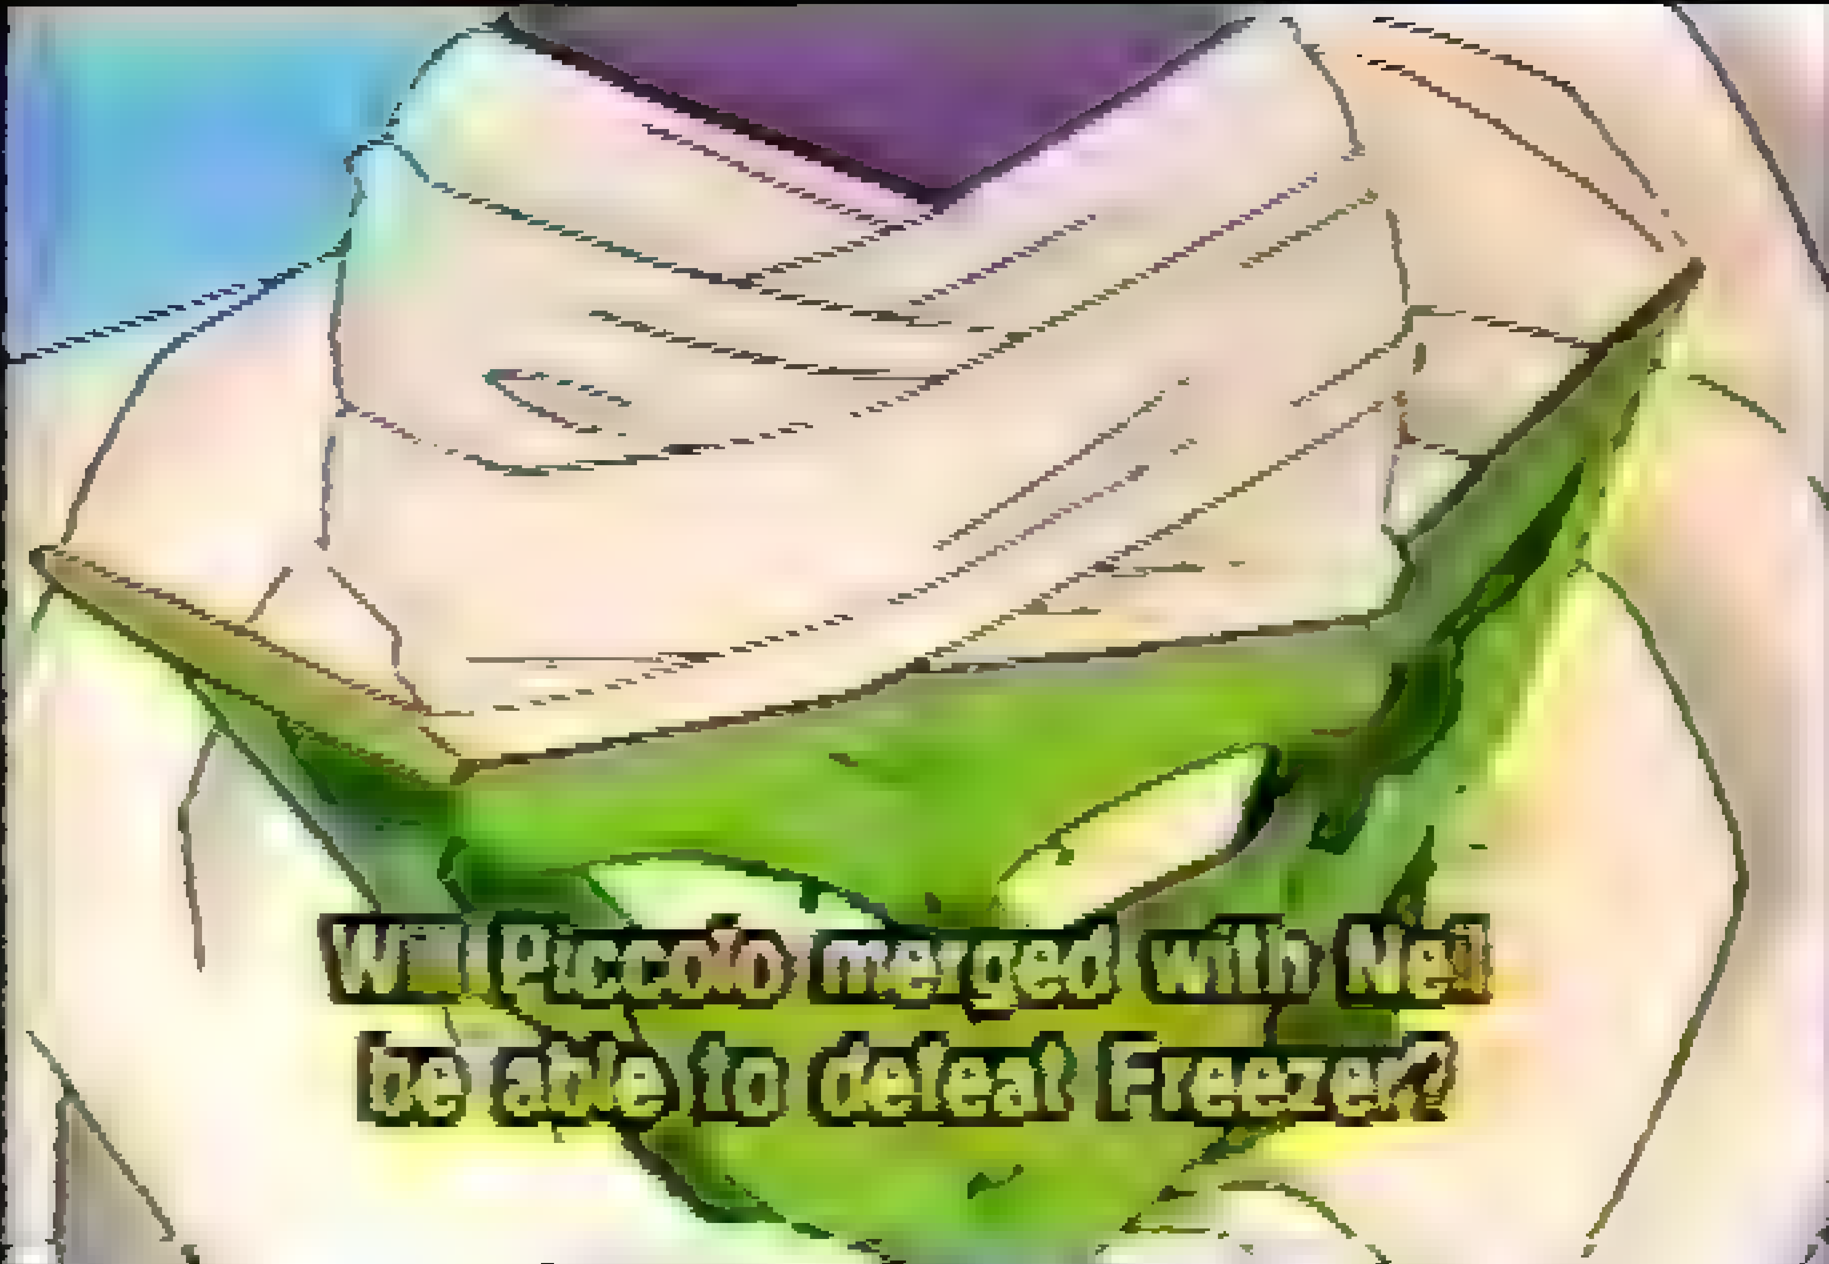

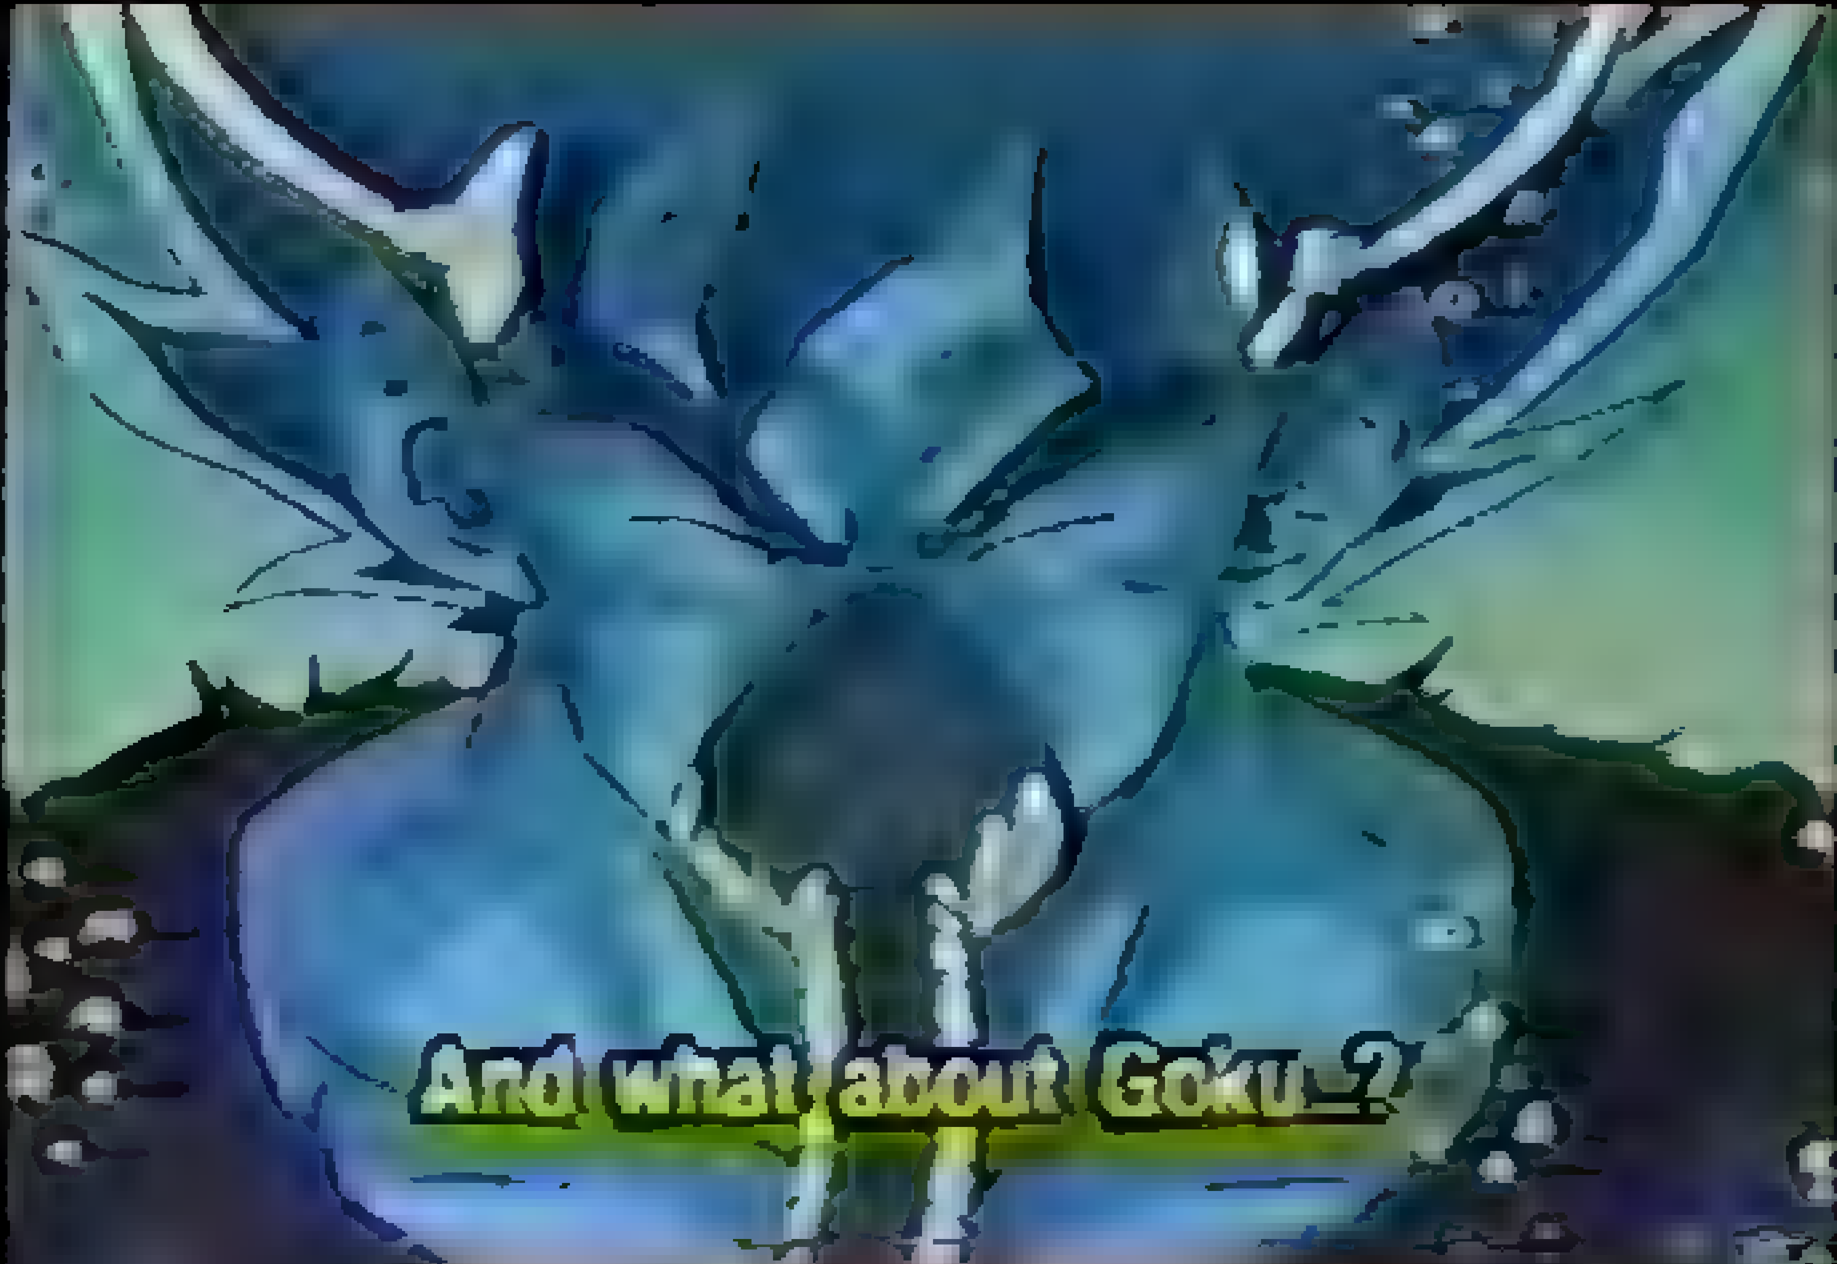

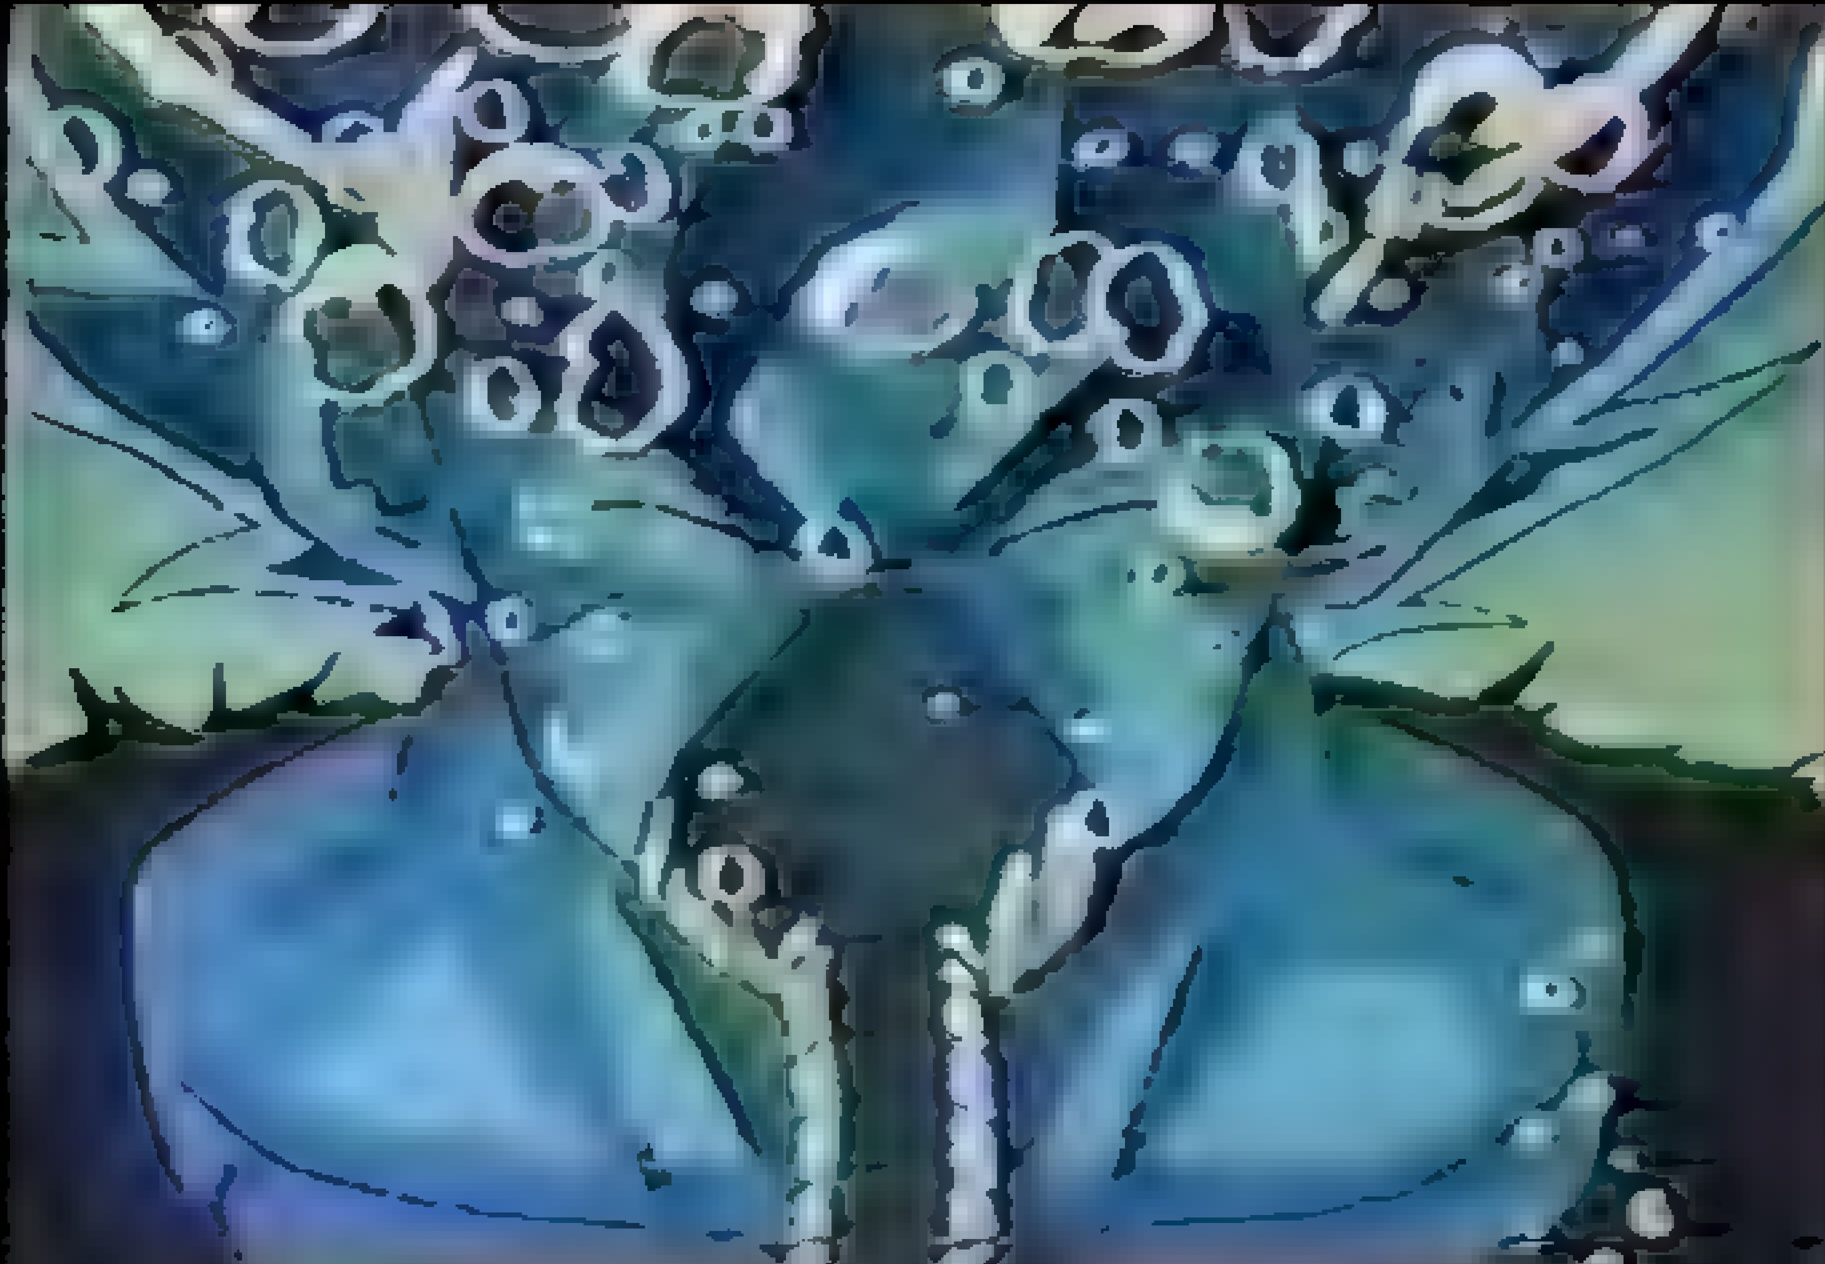

Will Piccolo merged with Neil
be able to defeat Freezer?

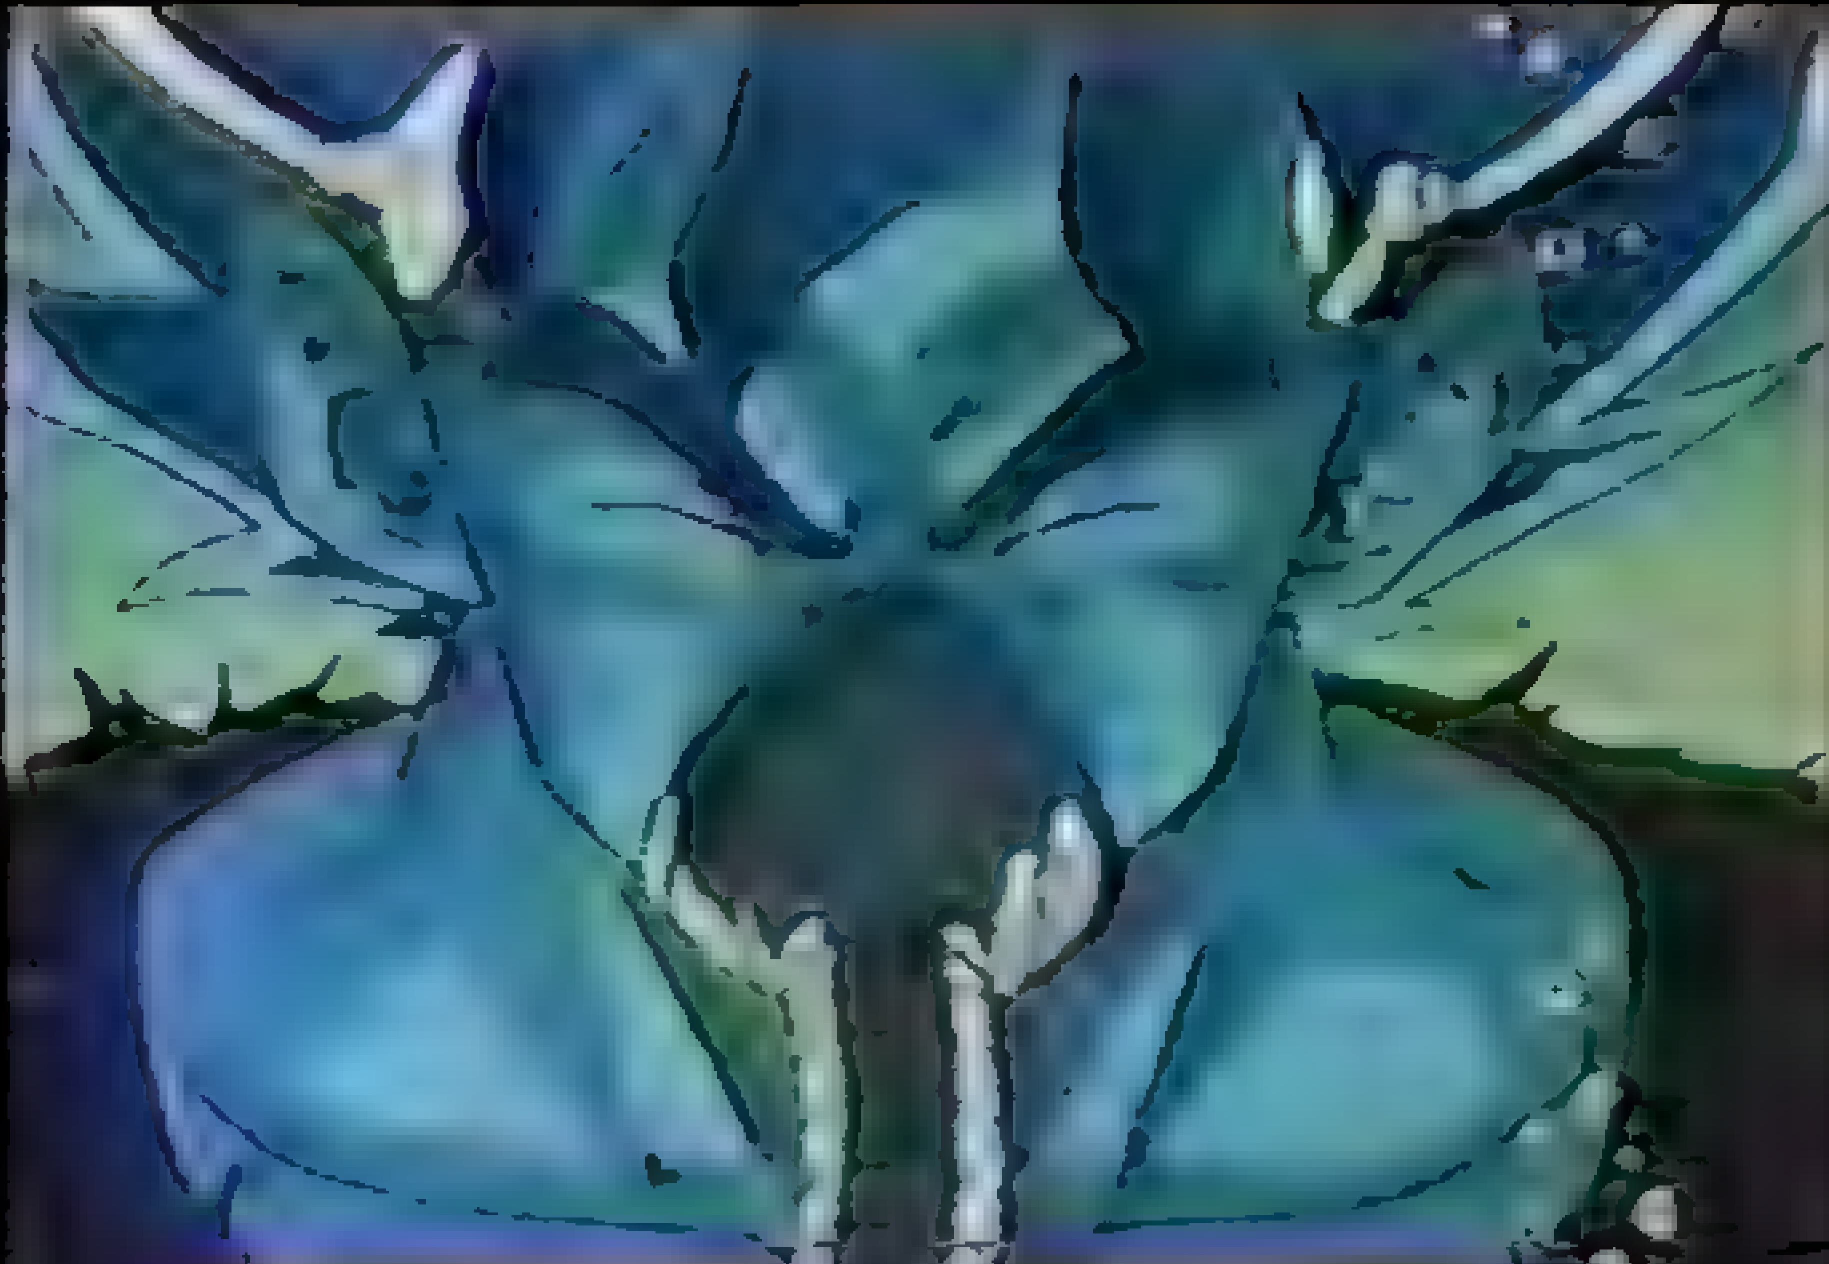

Will Piccolo merged with Neil
be able to defeat Freezer?

Will Piccolo merged with Neil
be able to defeat Freezer?

And what about Goku...?

And what about Goku_?

Having gained overwhelming
power by merging with

Piccolo was an
ever match for Freezer.

Piccolo was an
even match for Freezer.

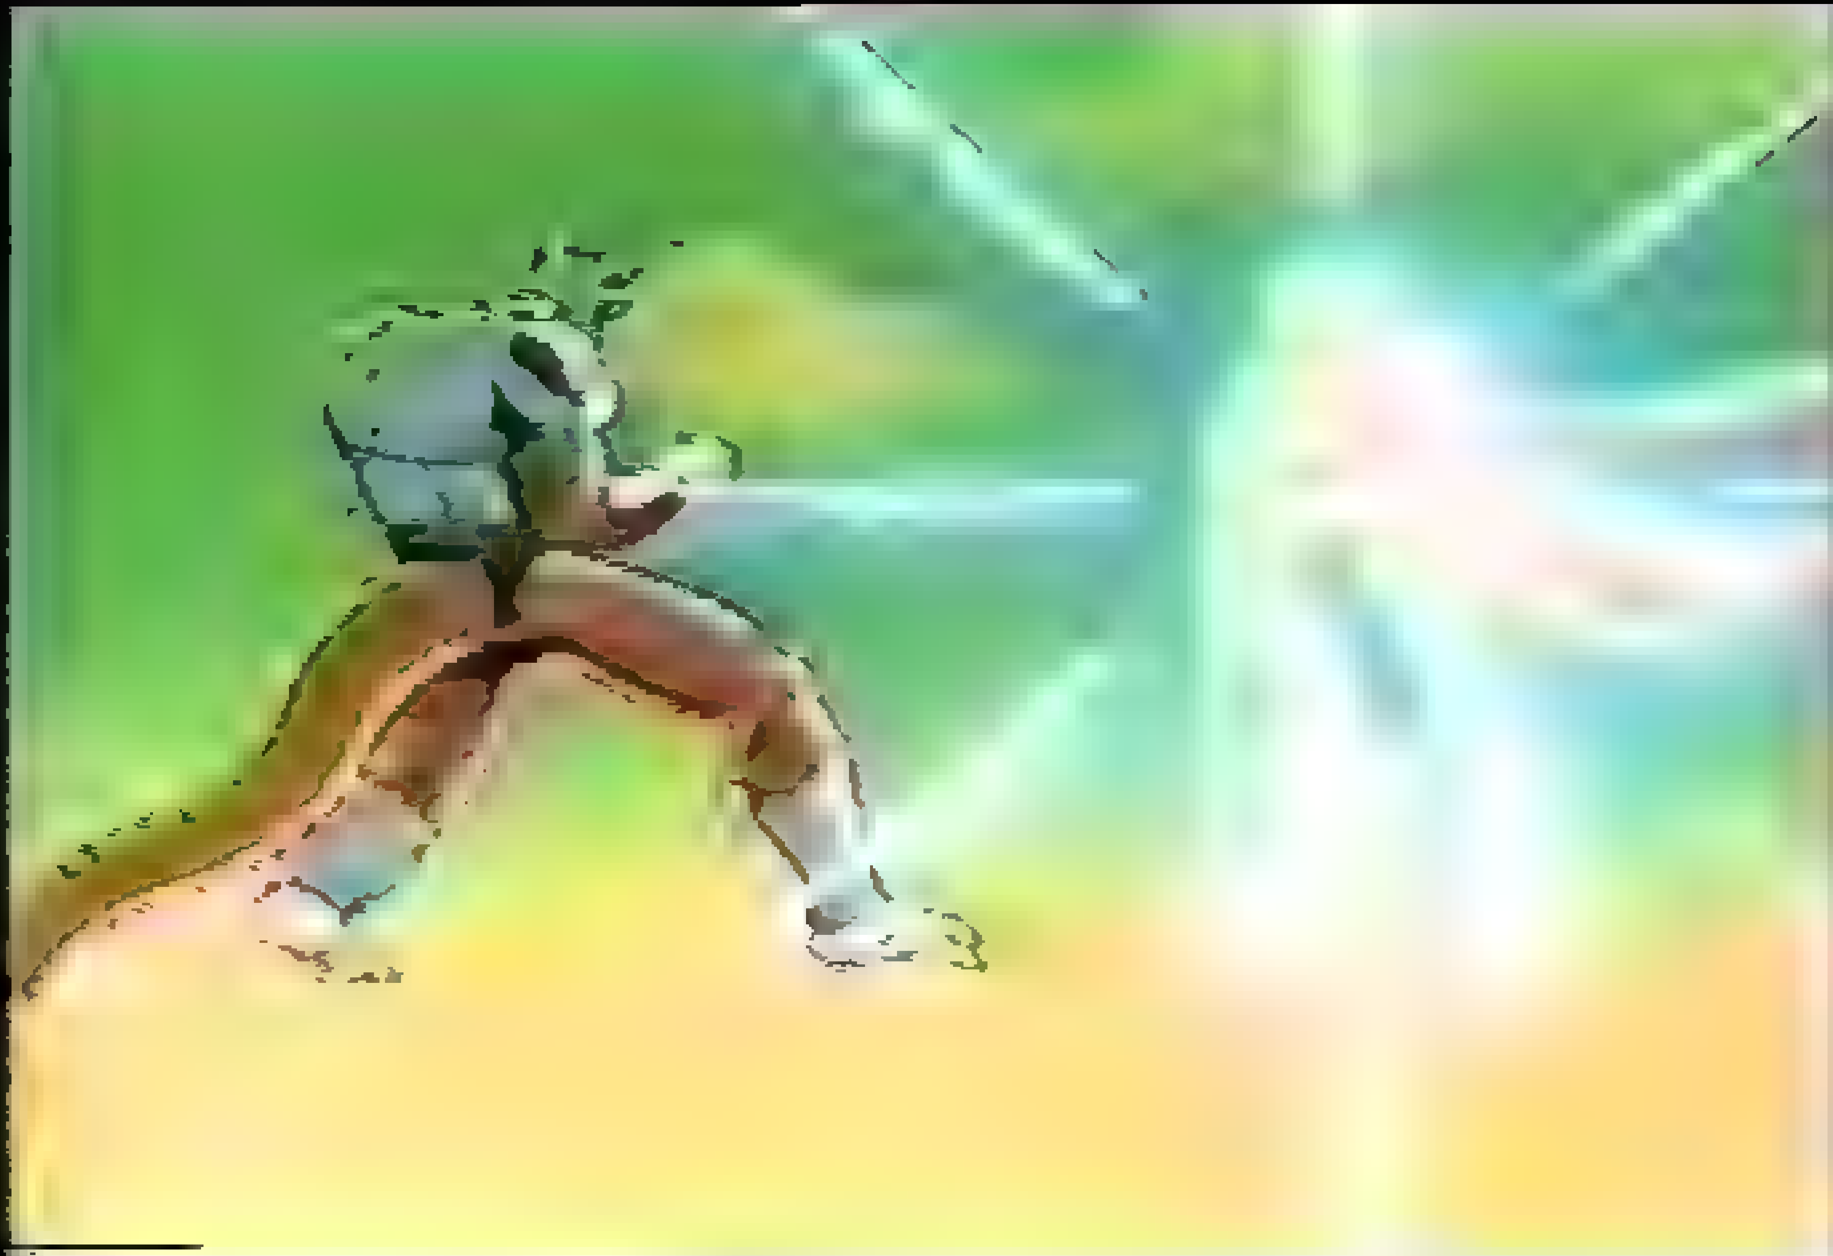

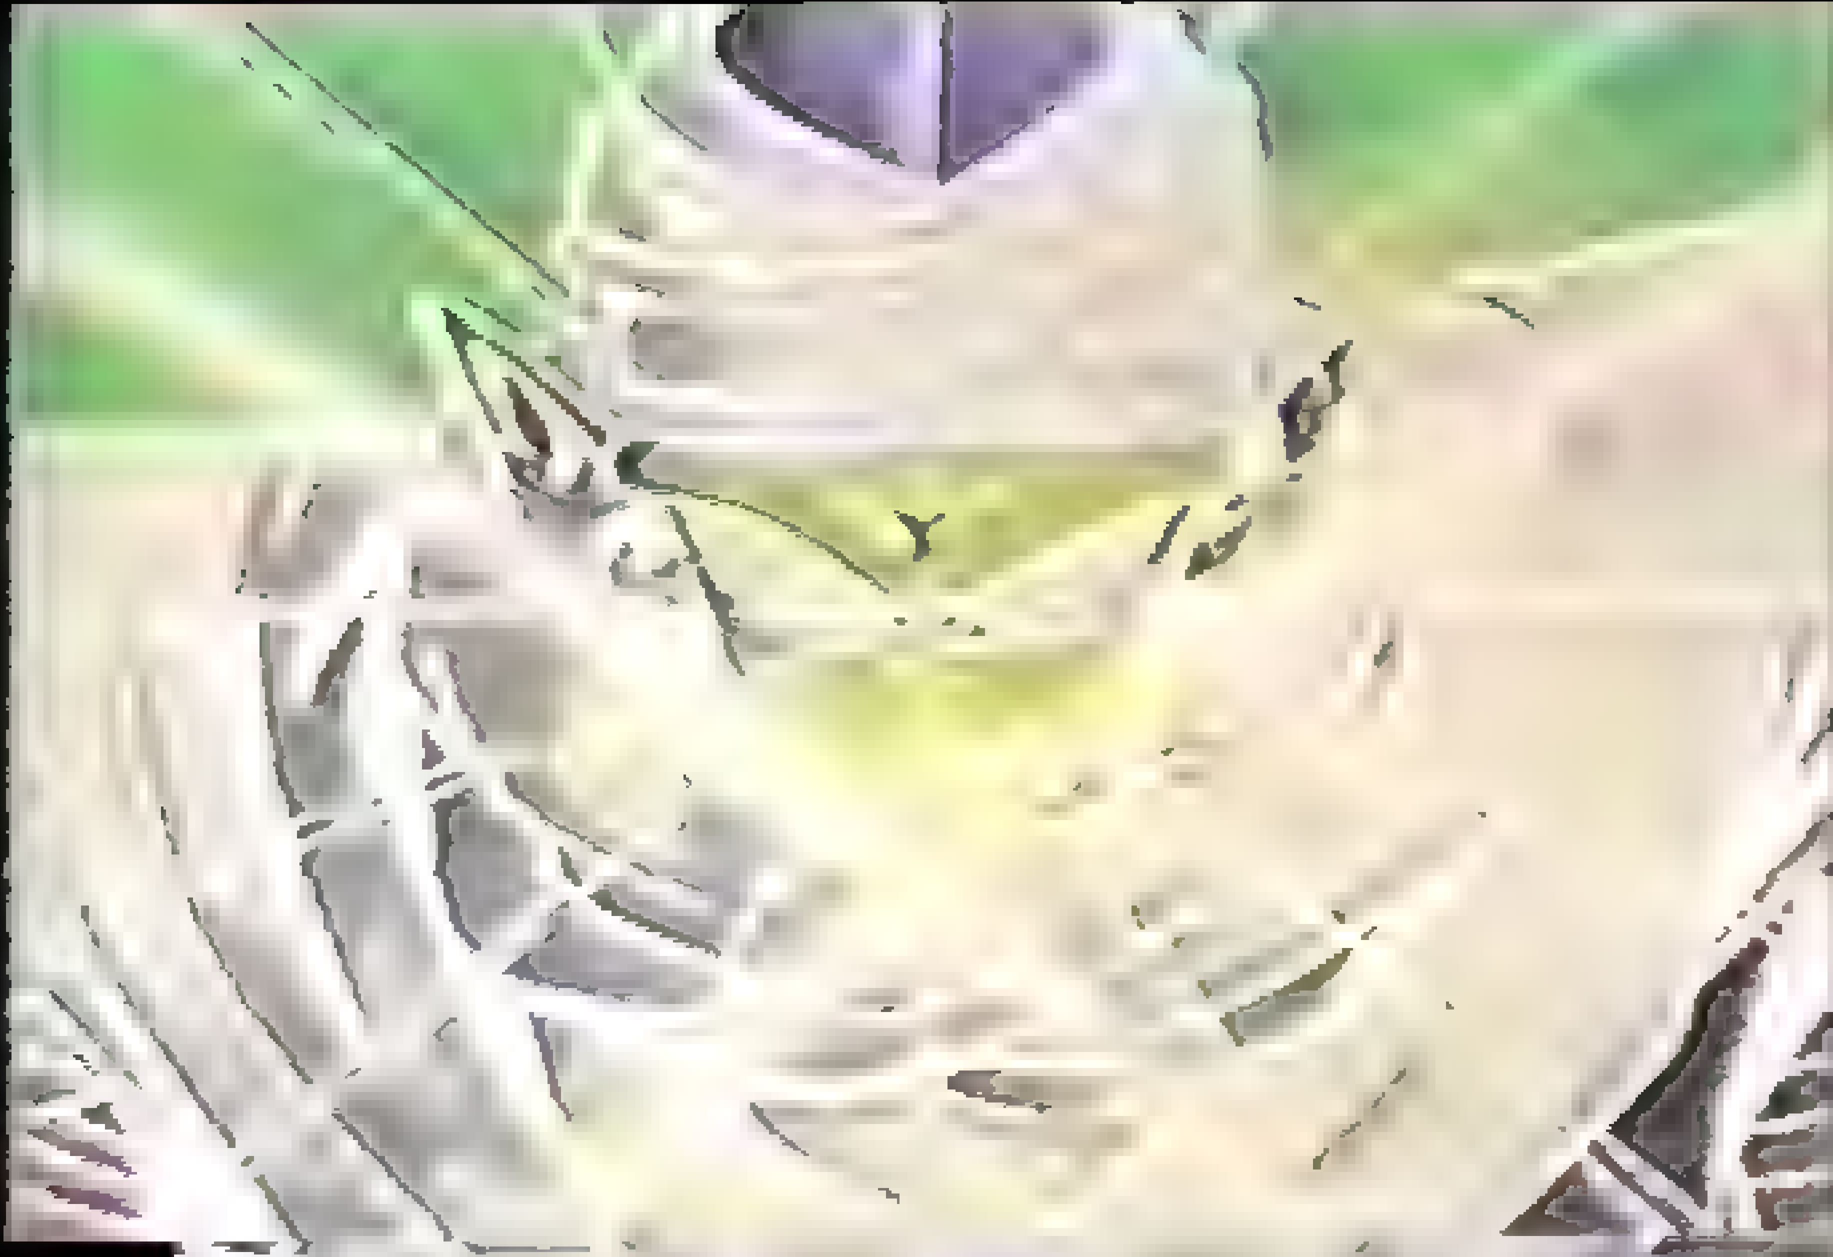

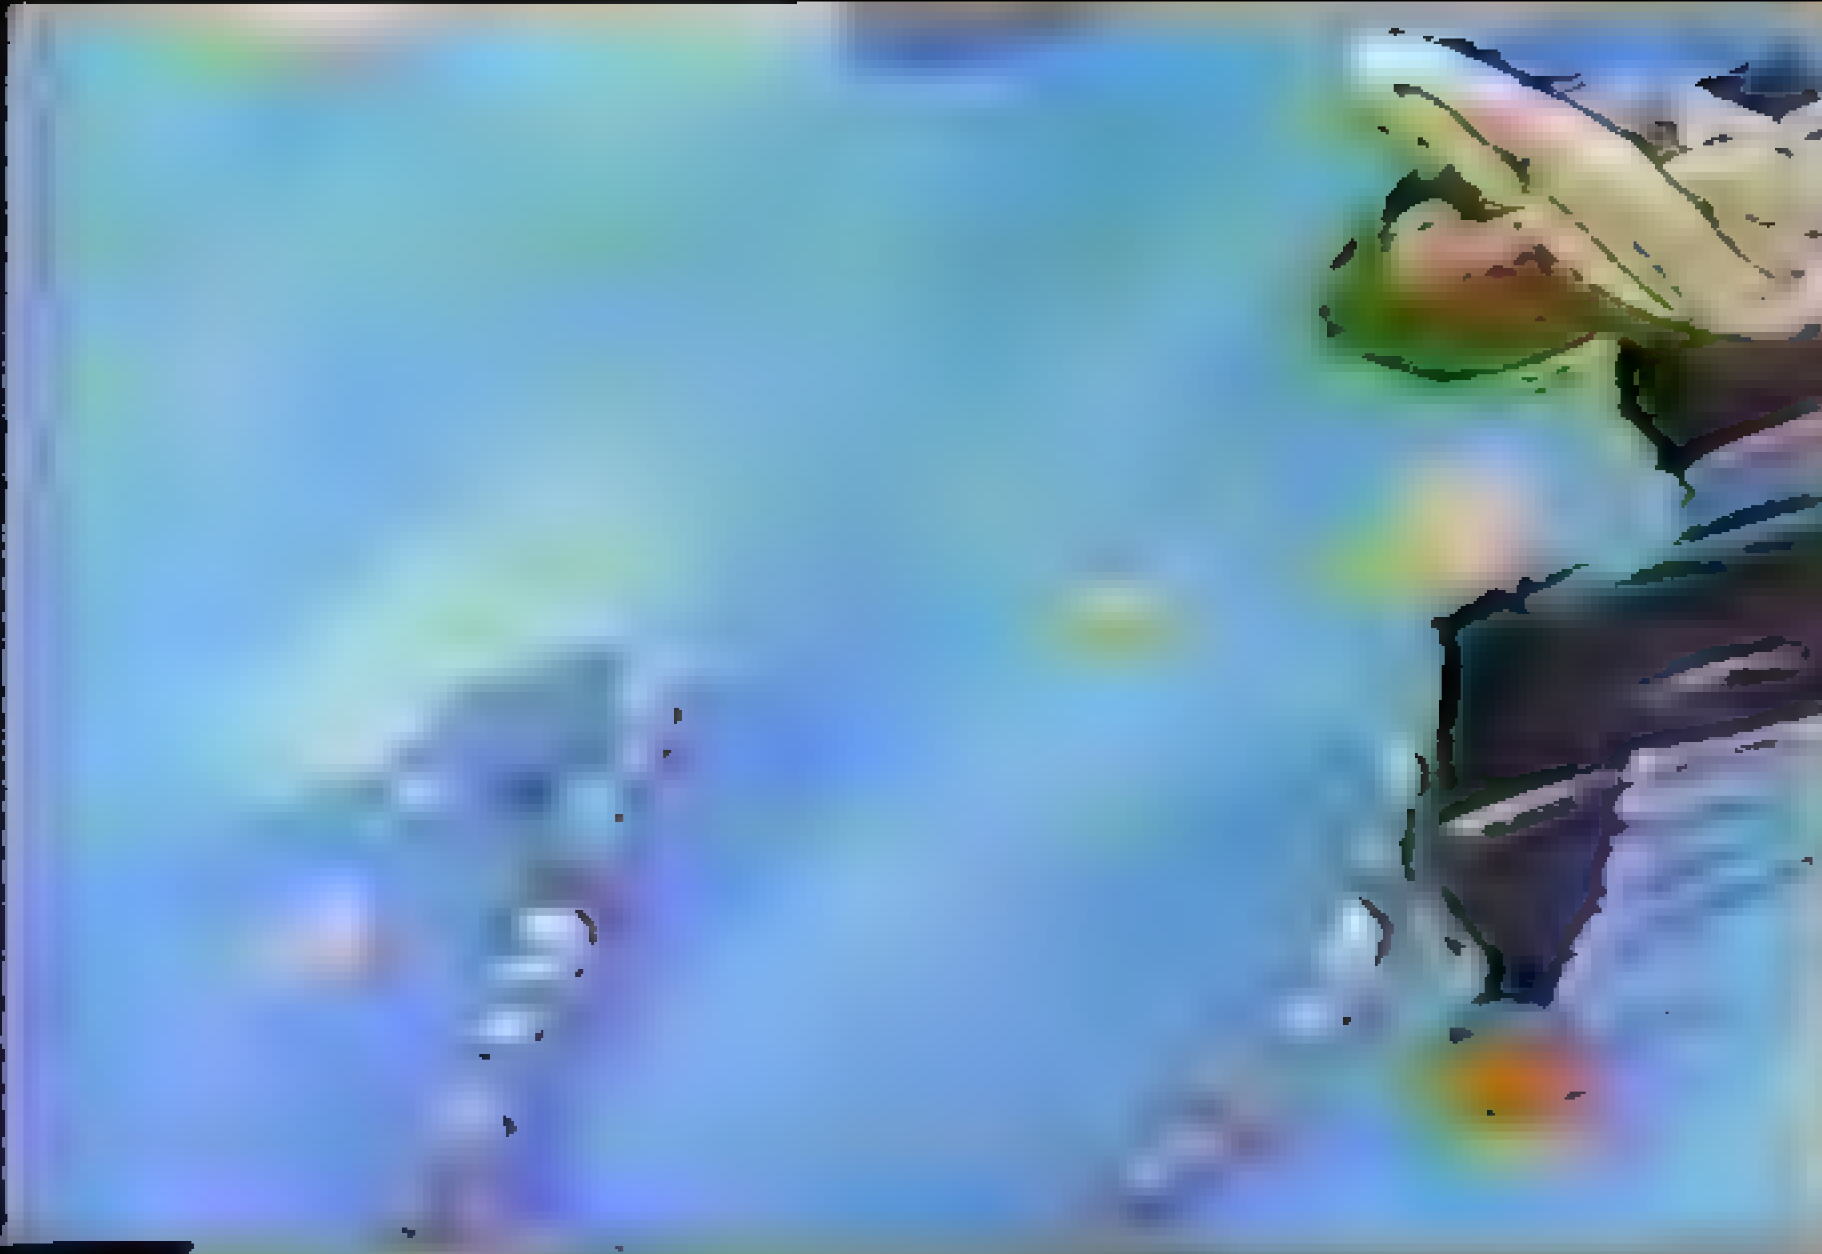

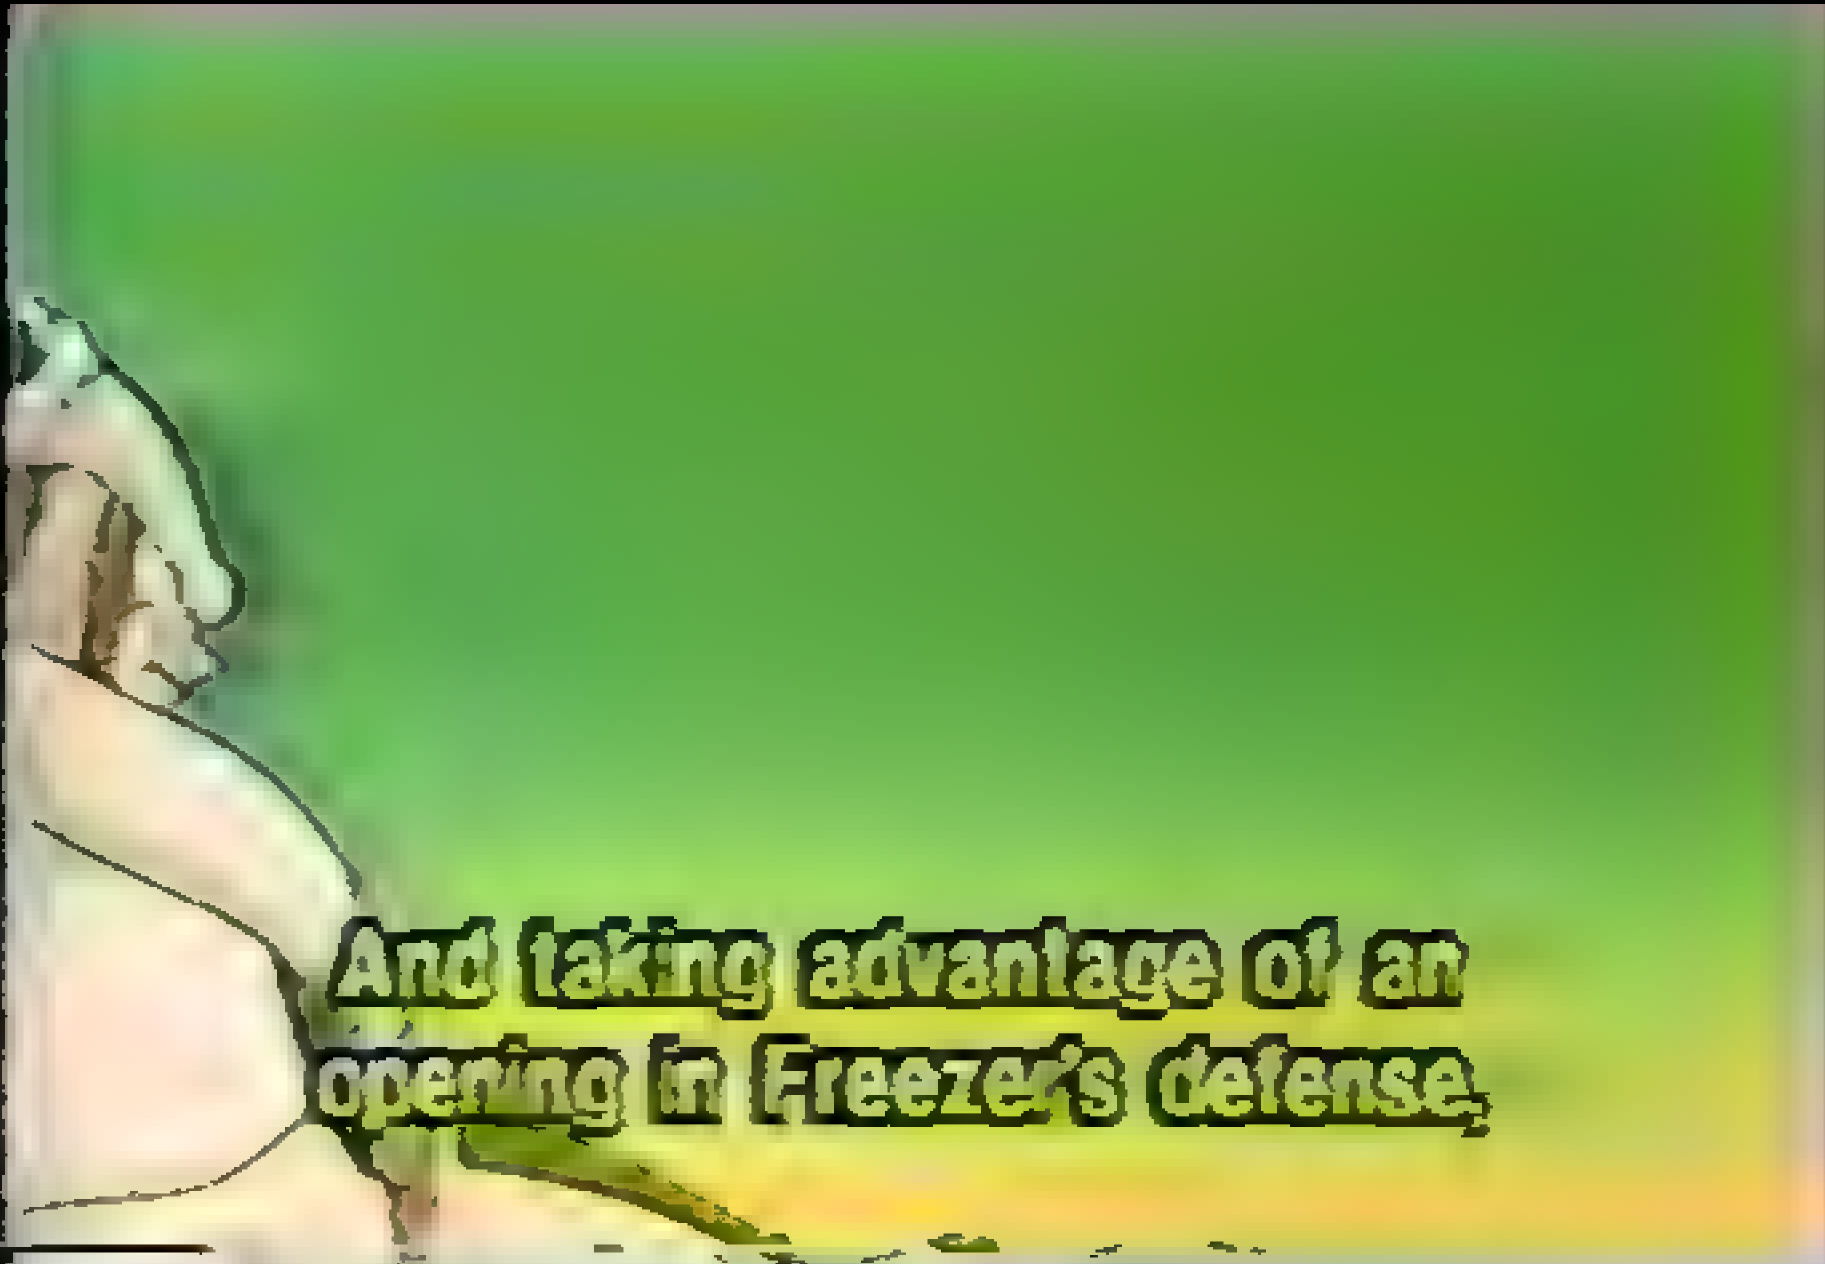

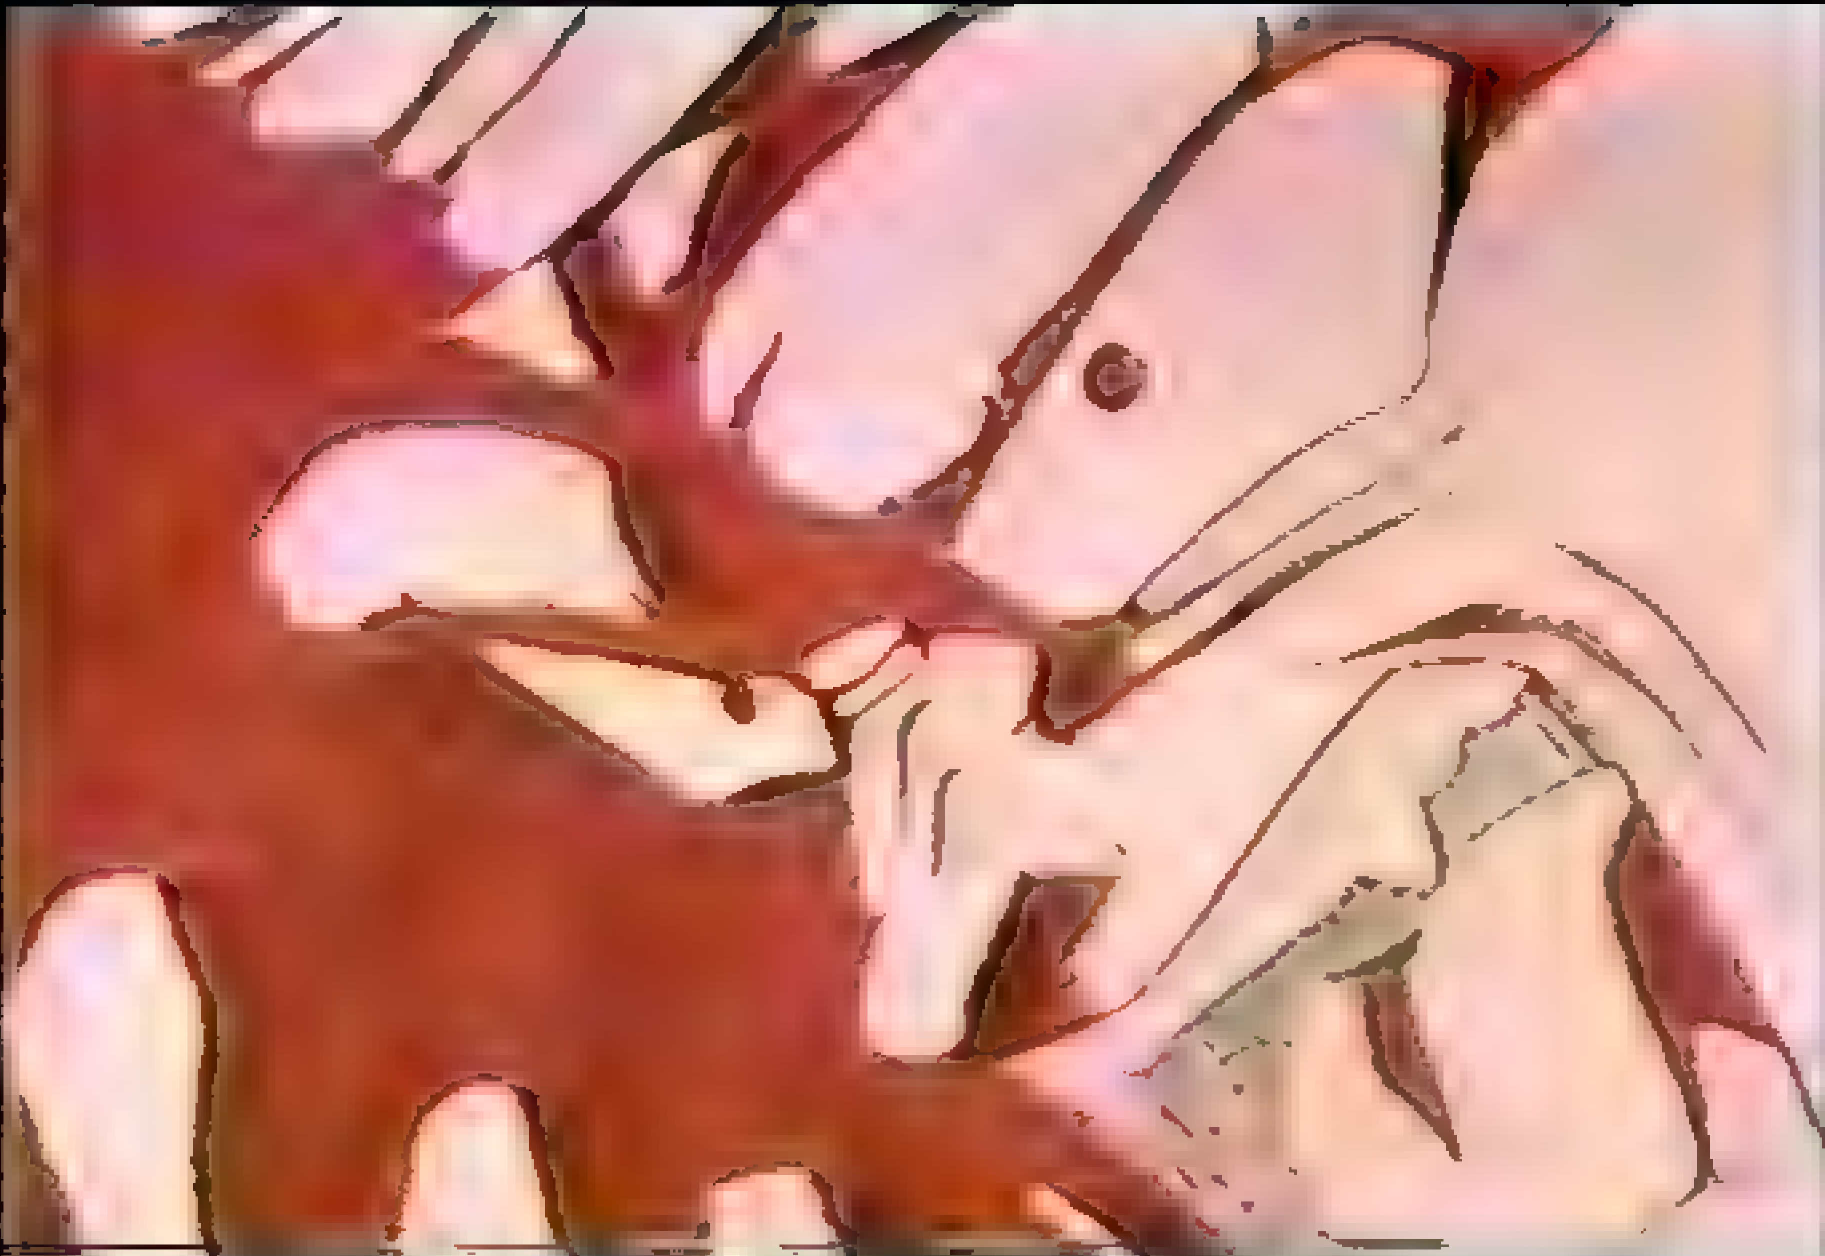

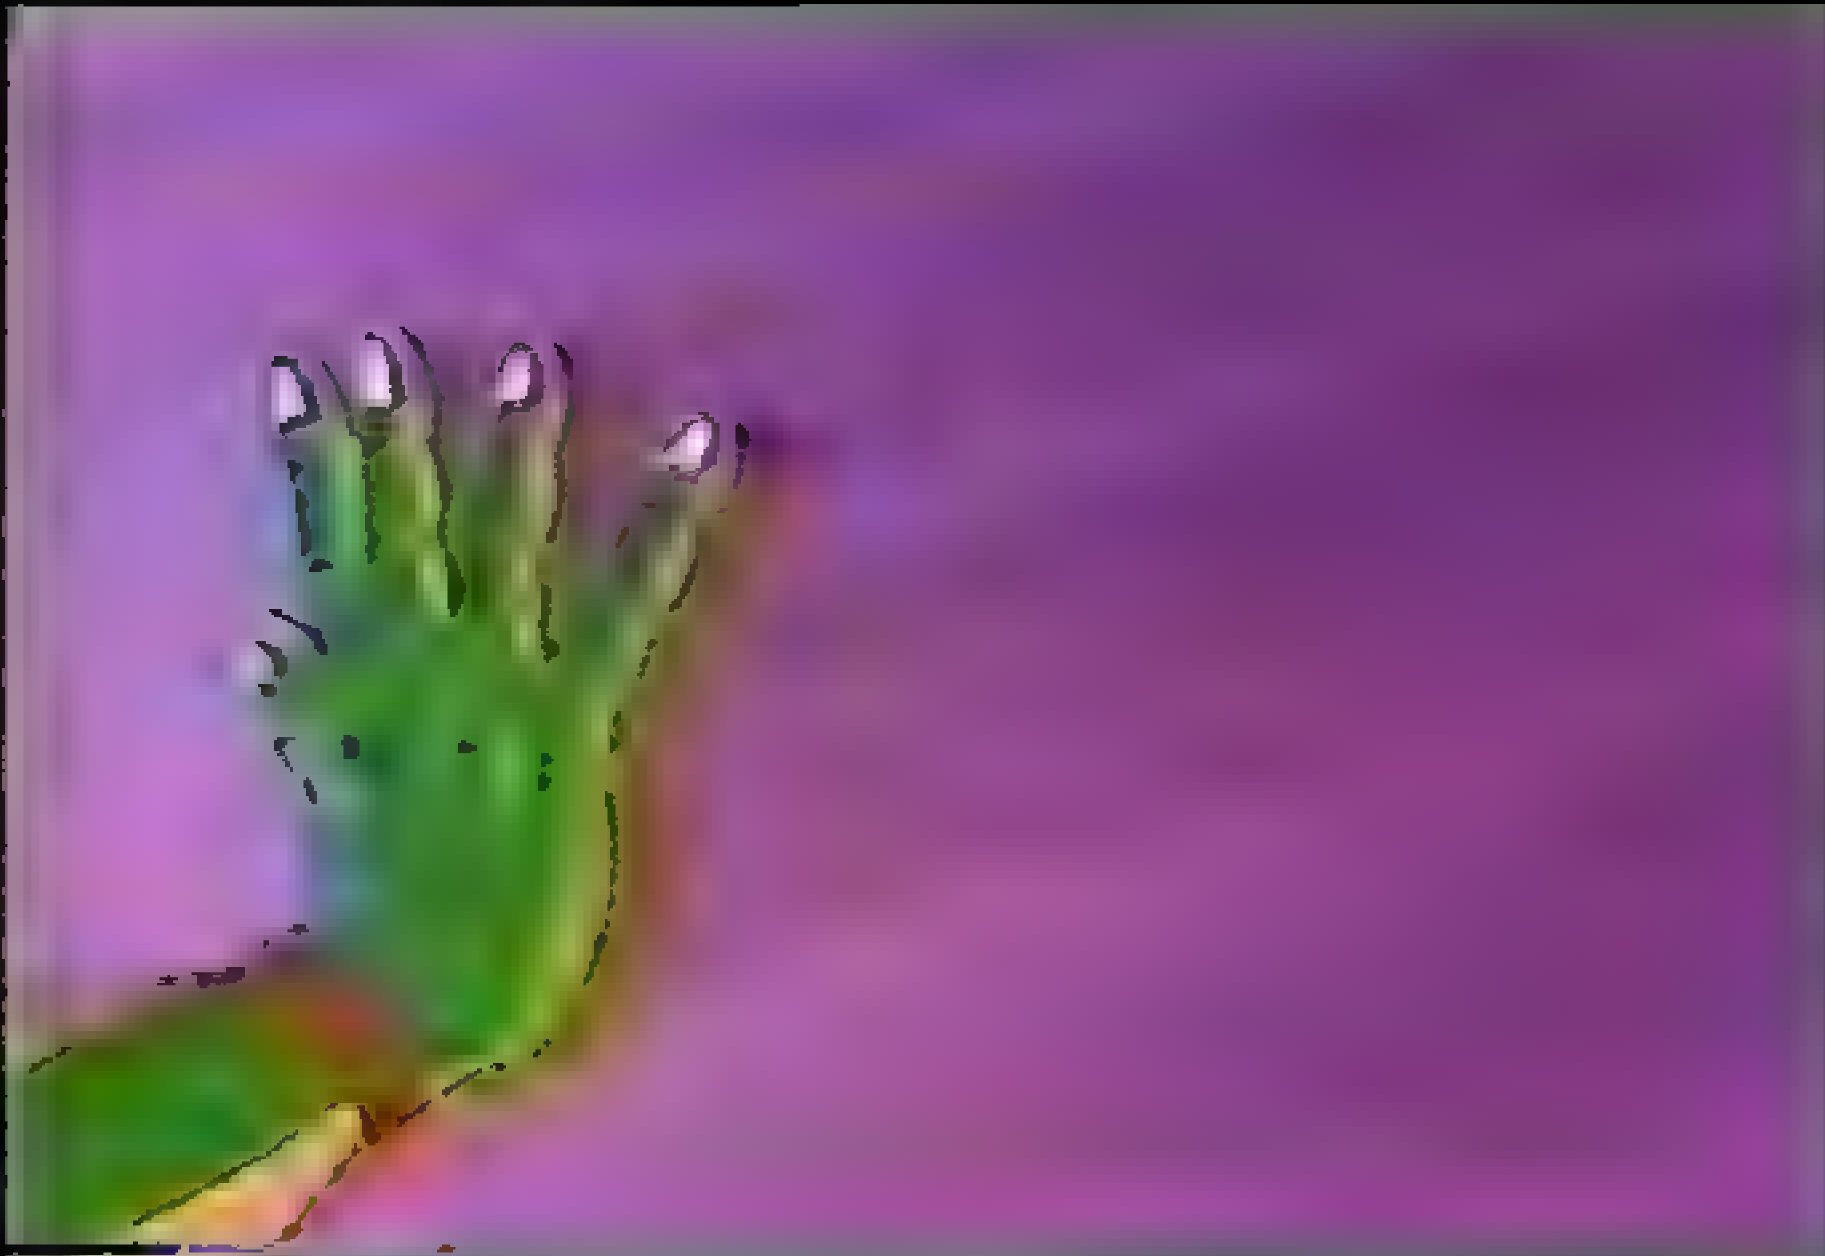

And taking advantage of an
opening in Freezer's defense,

he was able to
get in a direct hit.

he was able to
get in a direct hit.

Freezer Transforms Again!

Wow, he's holding
his own against Freezer.

Wow, he's holding
his own against Freezer.

No! Better.

No! Better.

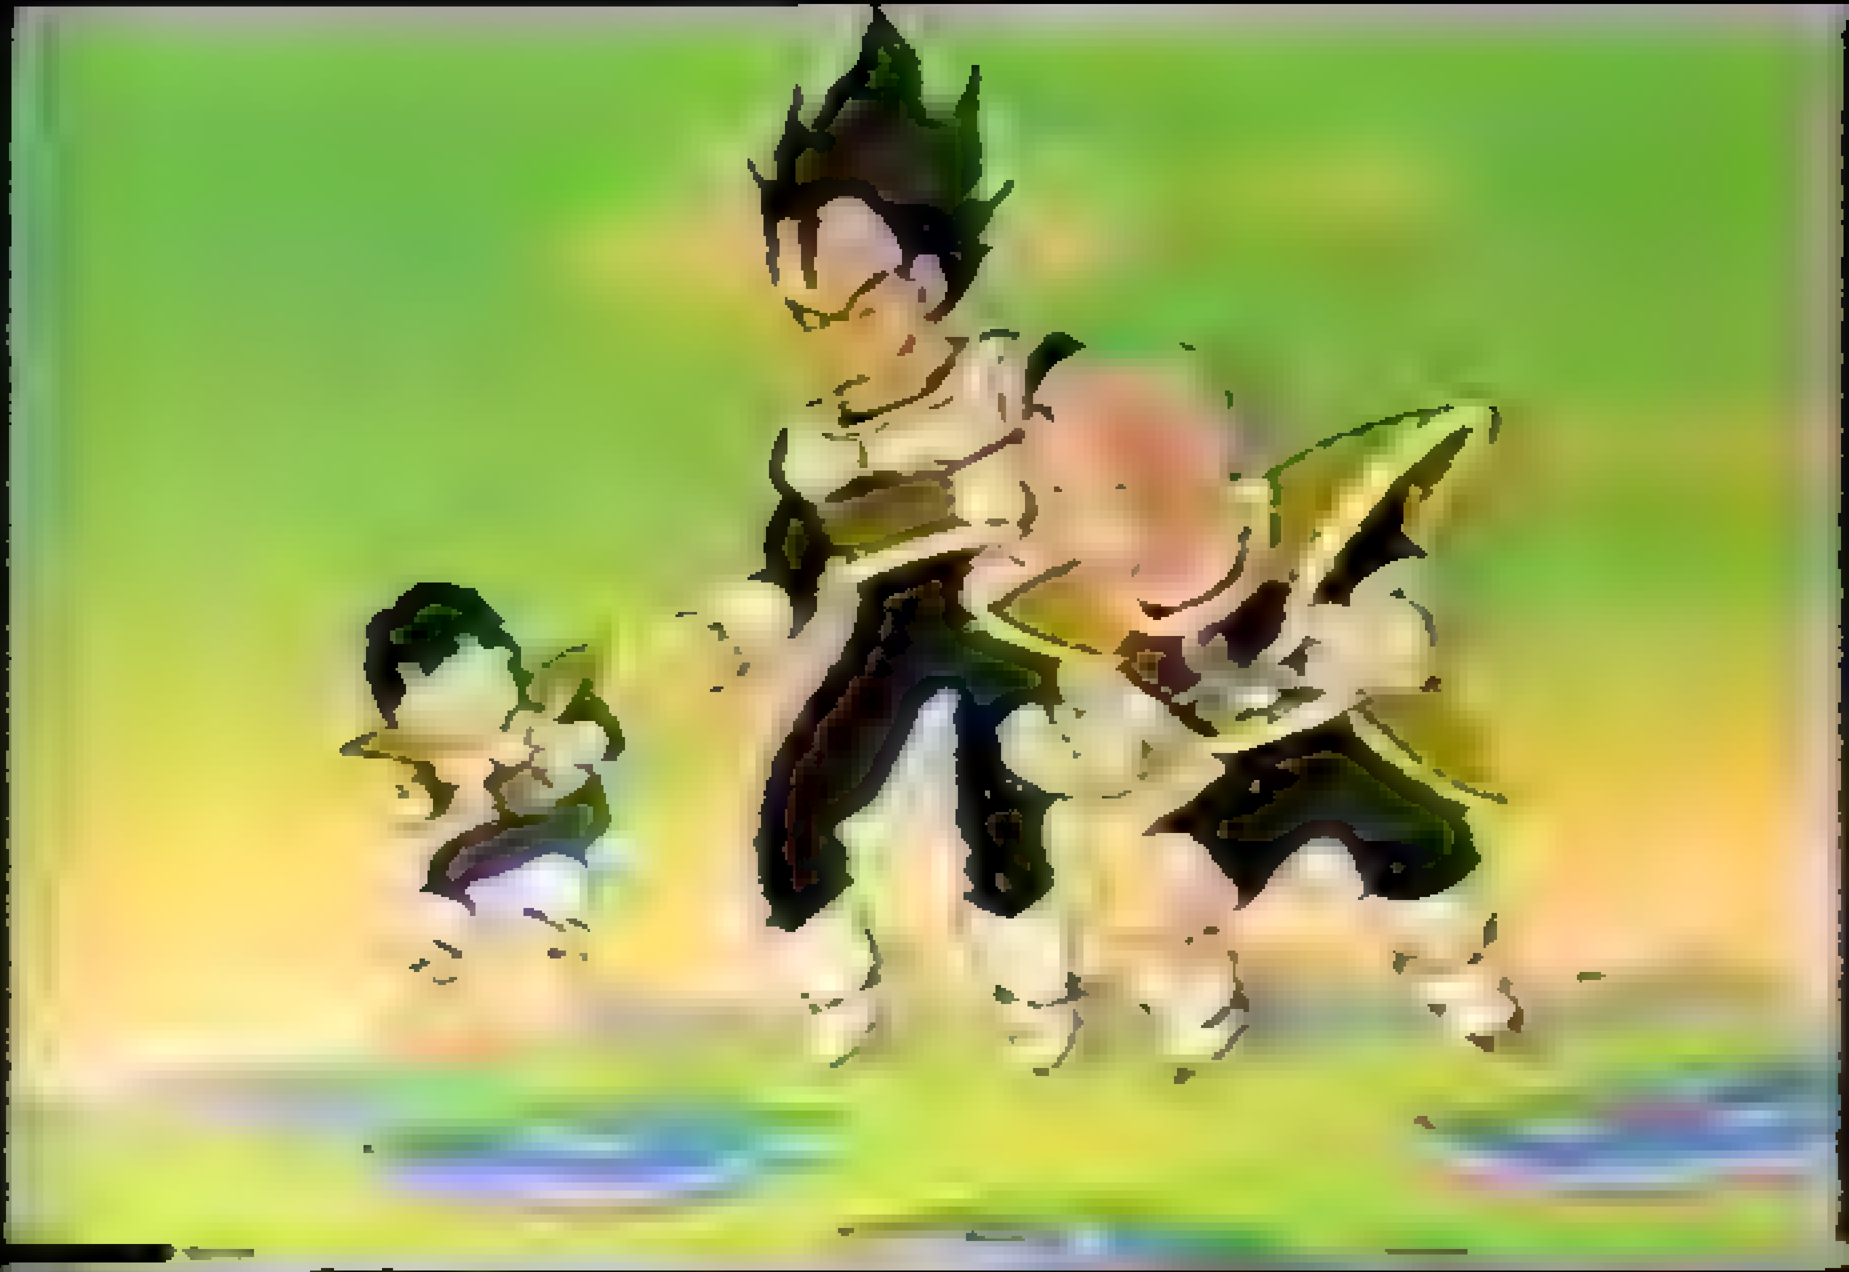

Mr. Piccolo is really great!

What's happened to him?

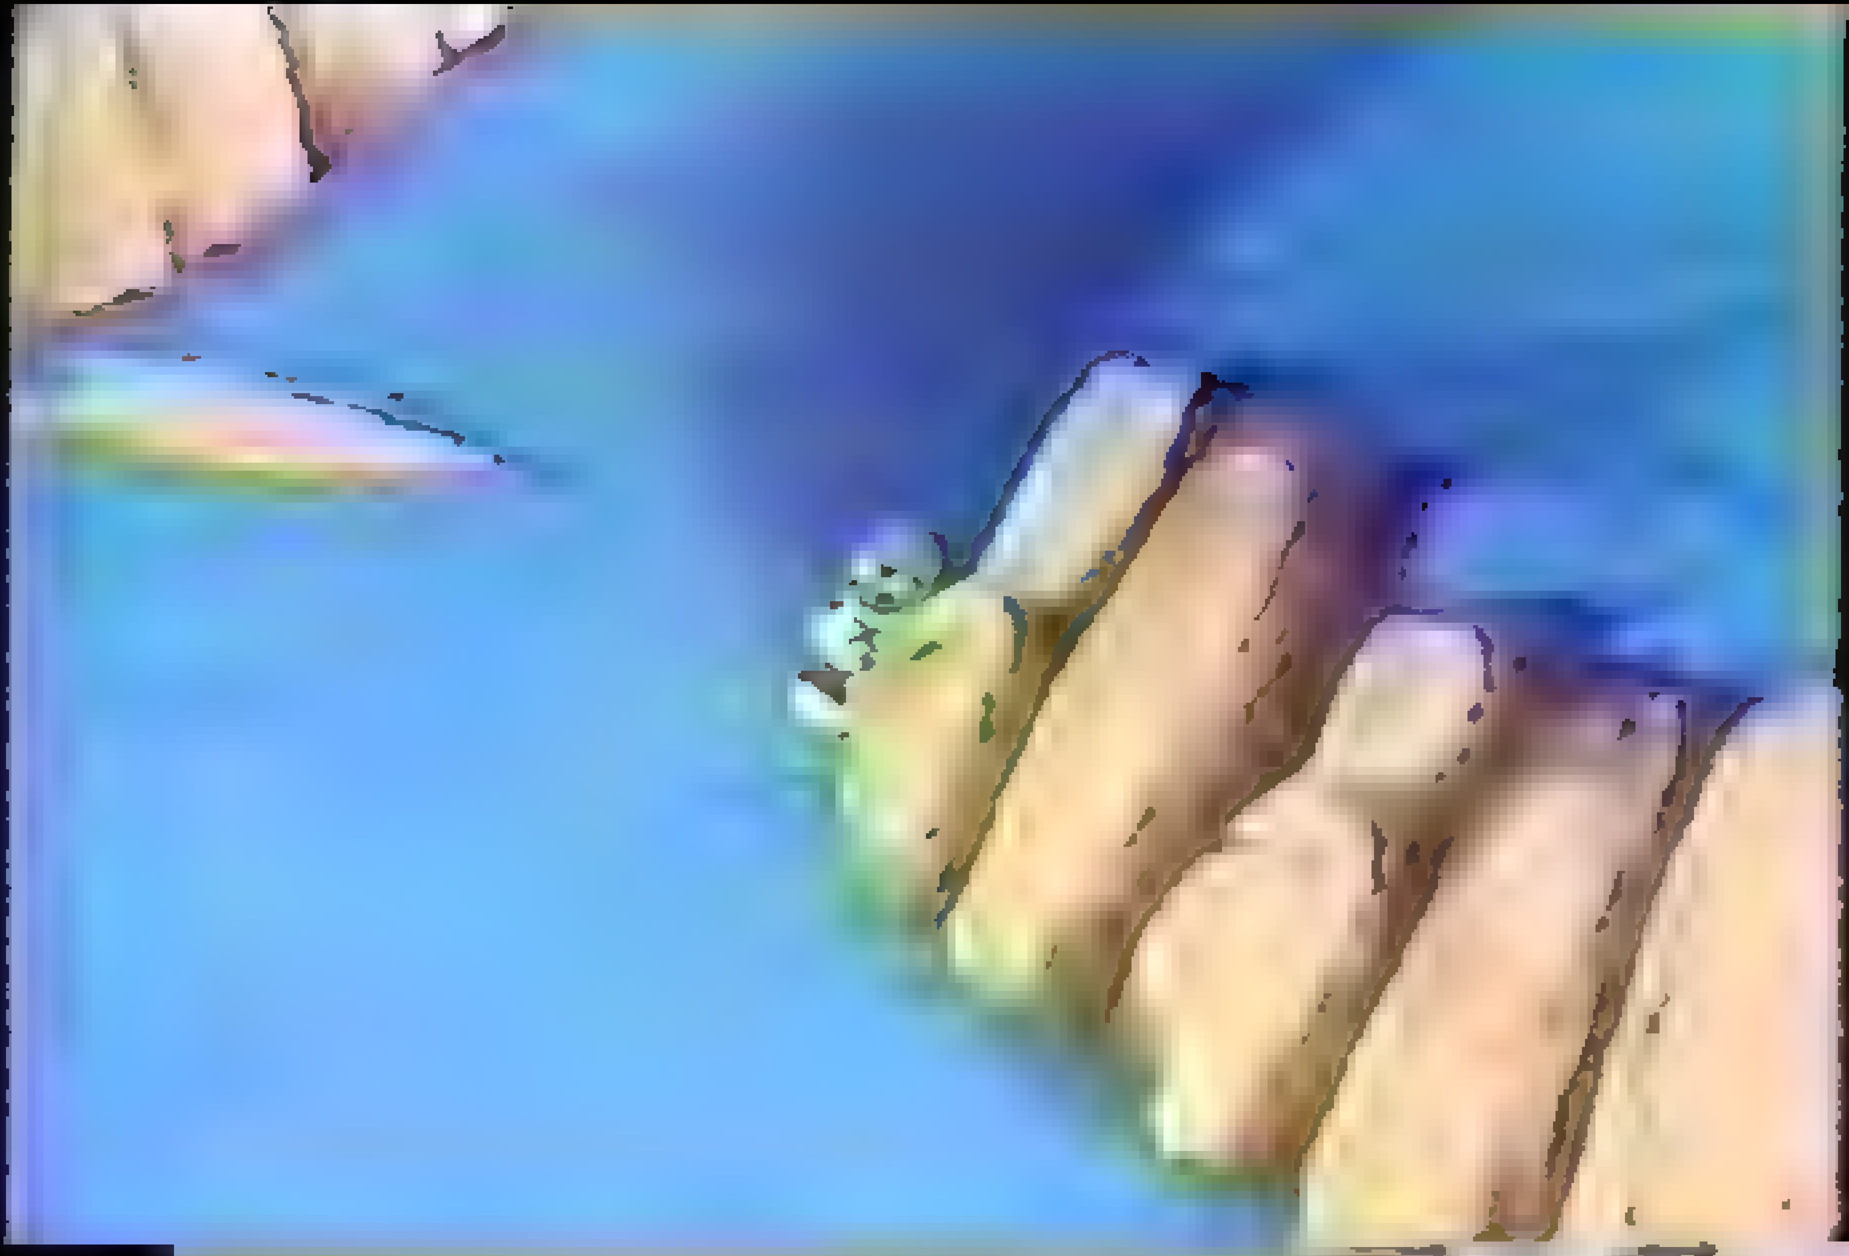

What's happened to him?

It wasn't very long ago that
I killed them all on Earth!

It wasn't very long ago that
I killed them all on Earth!

Looks like we may
not have to die, Gohan!

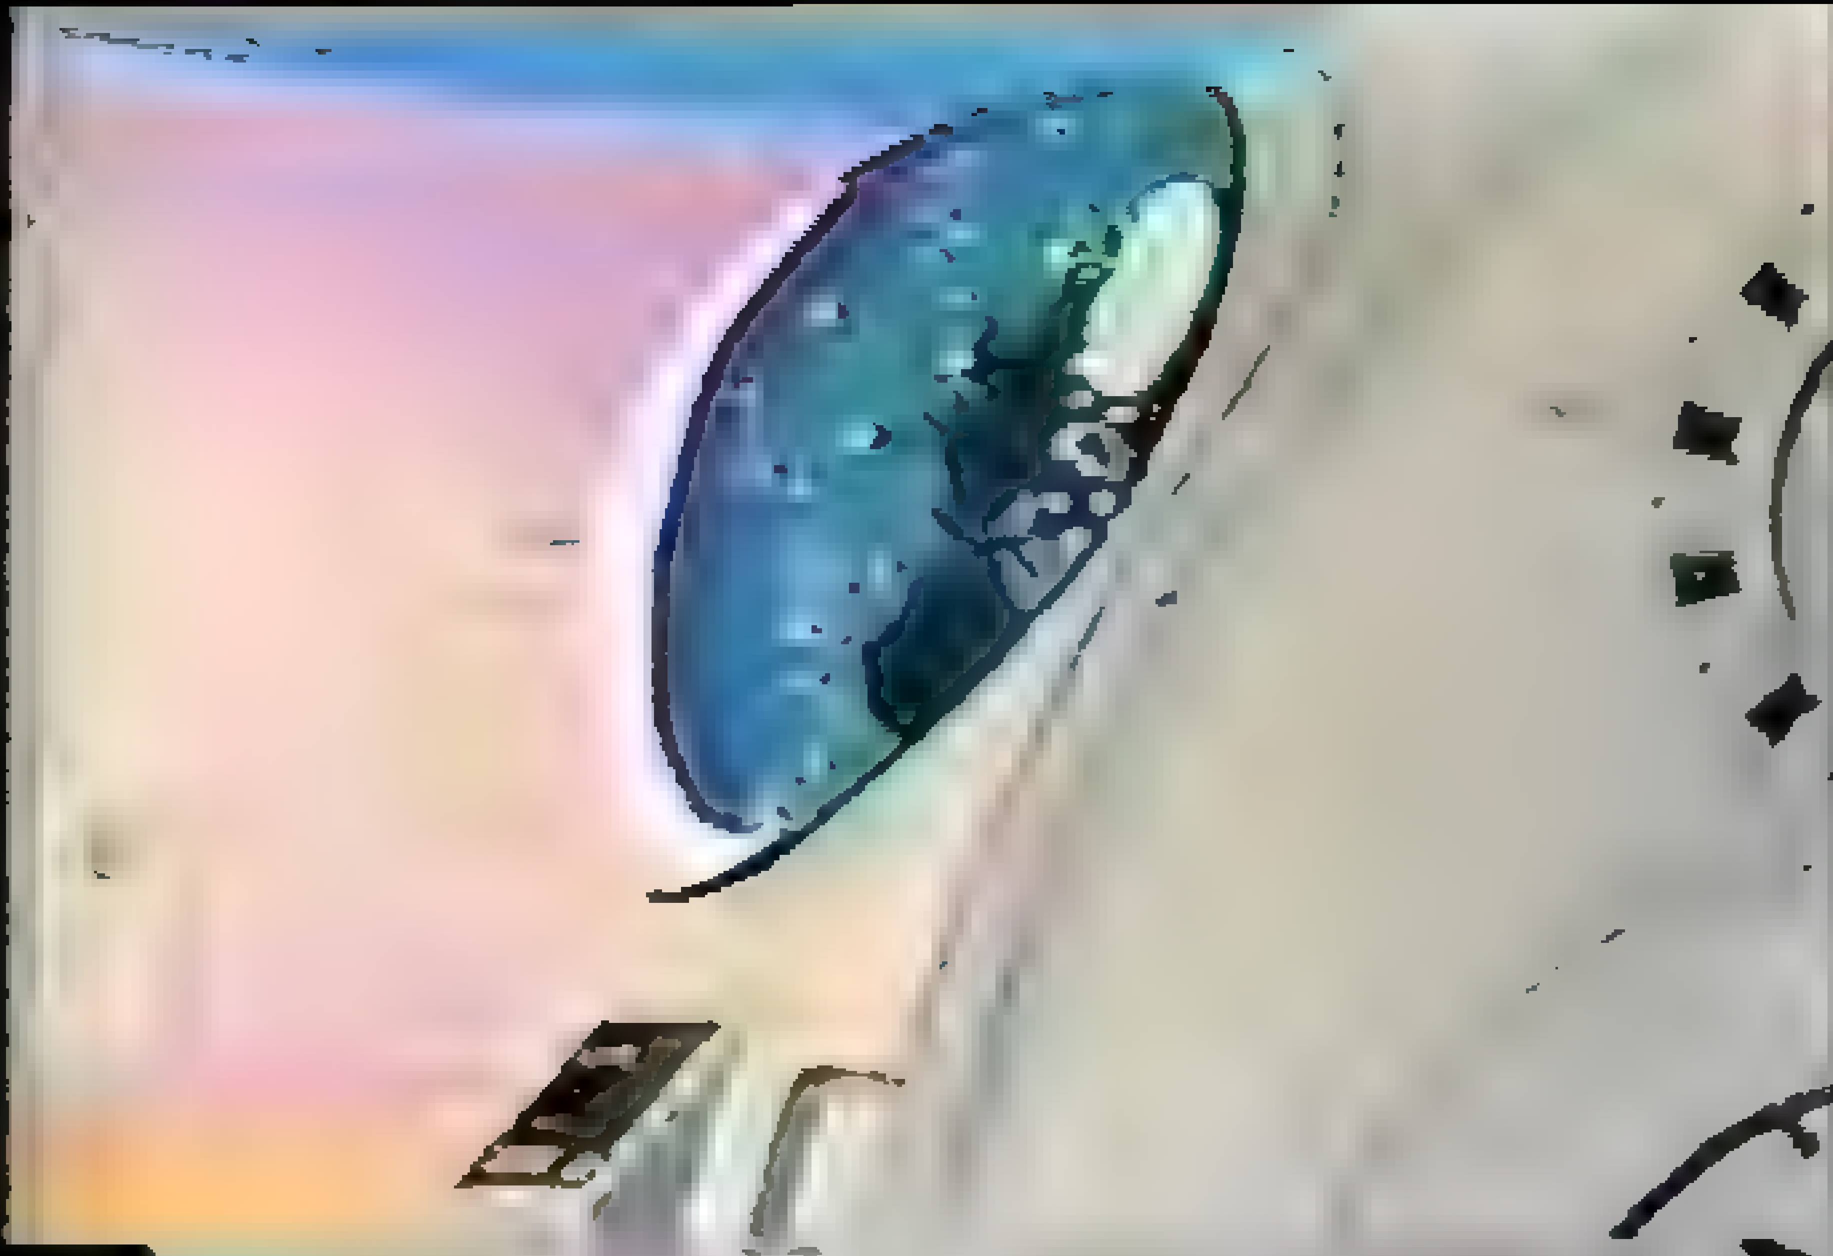

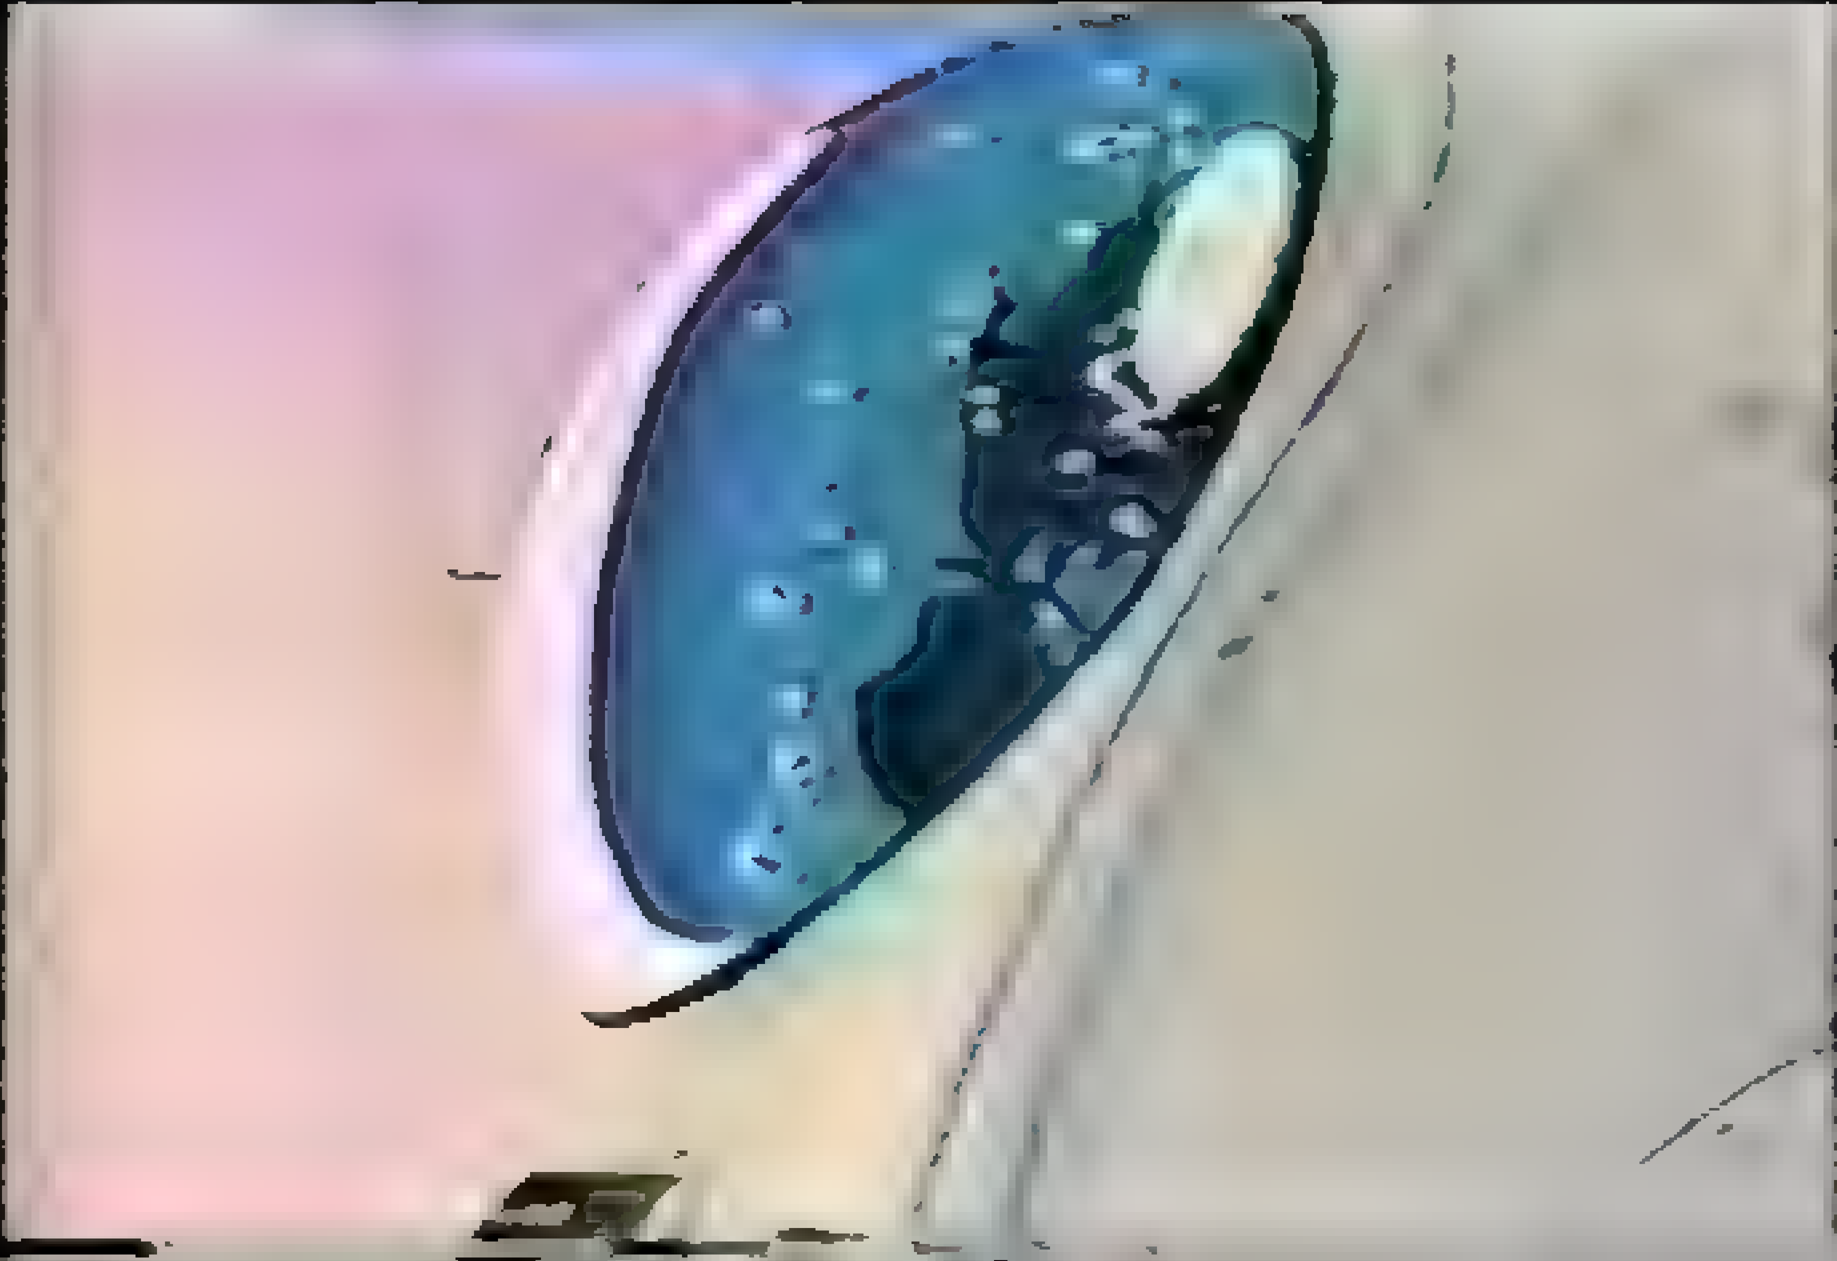

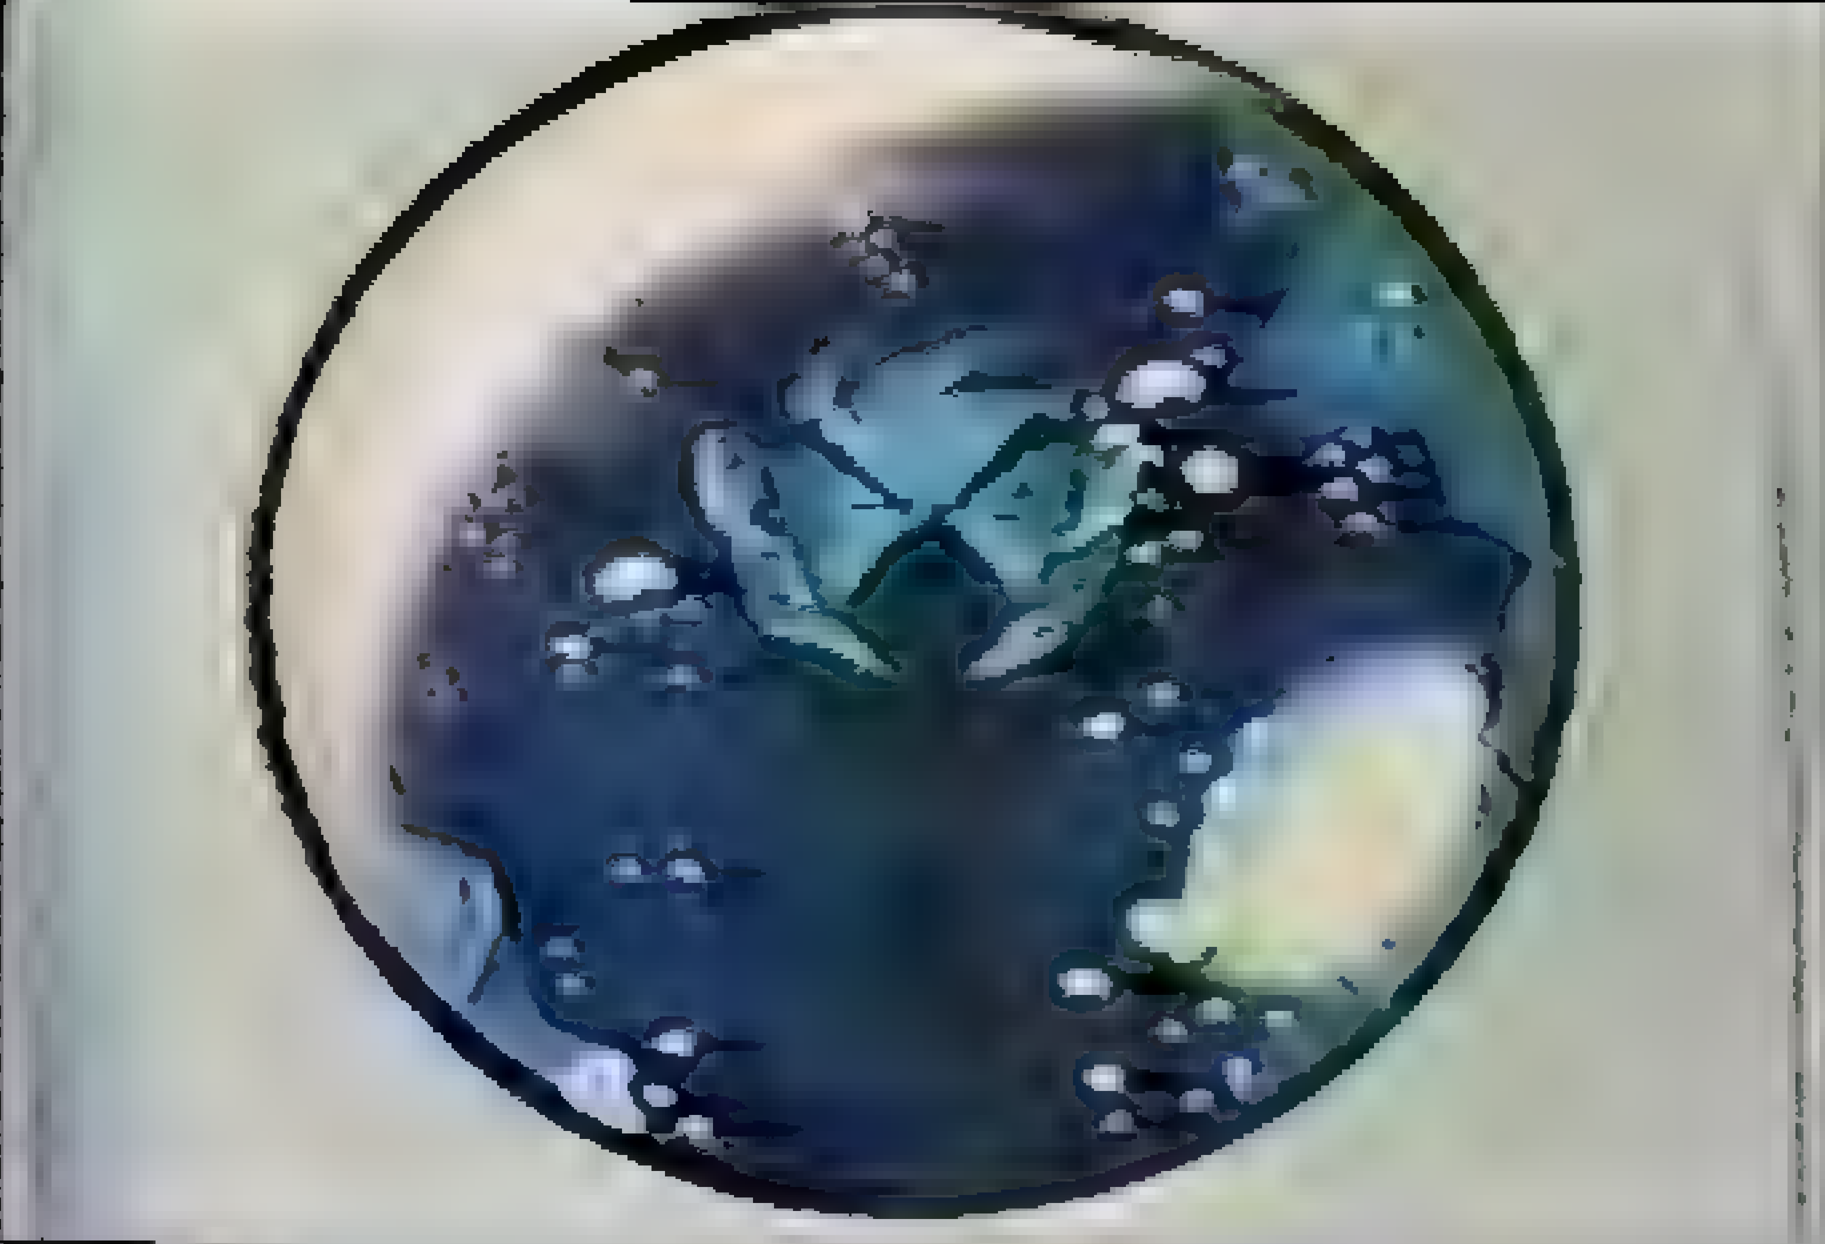

Freezer killed so many of our
people! Please defeat him!

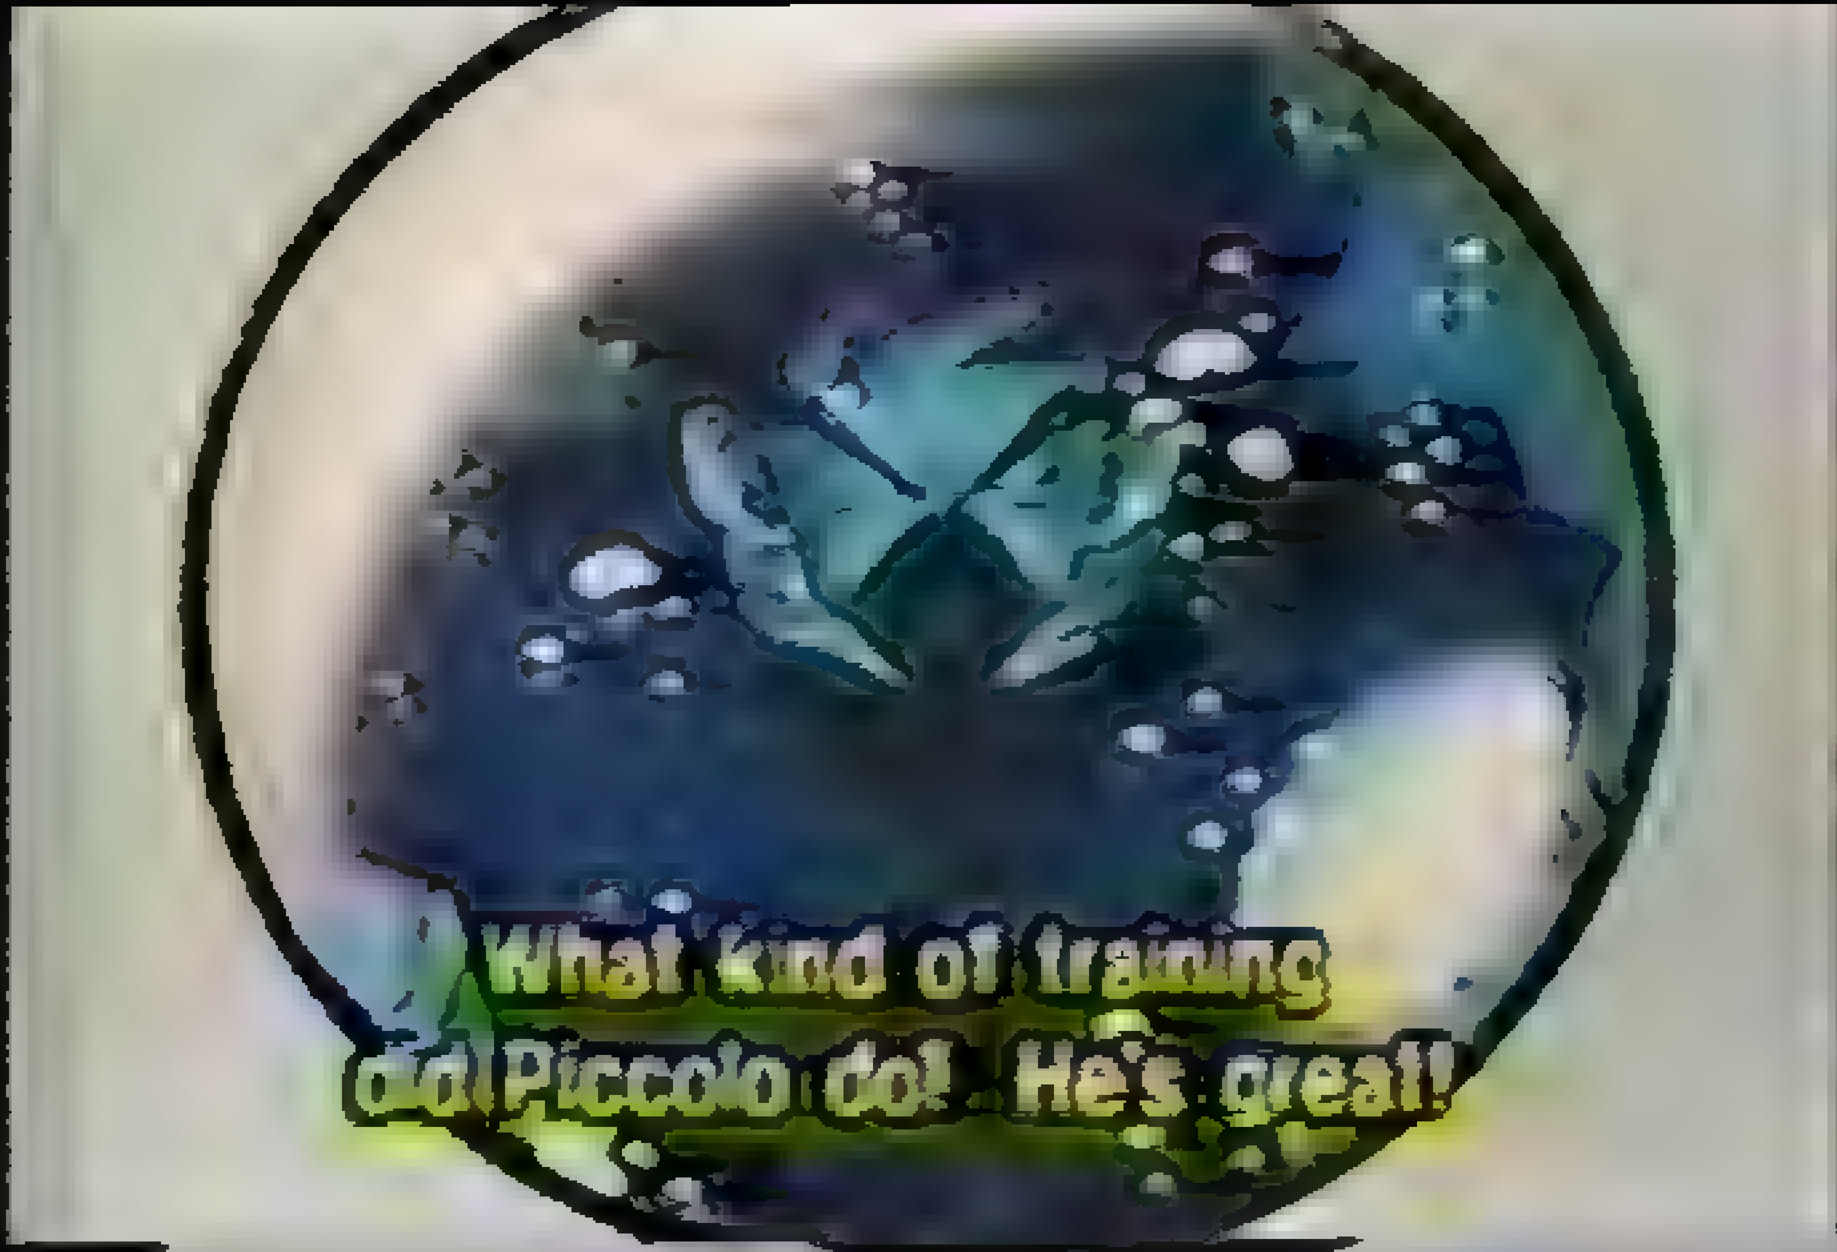

Freezer killed so many of our
people! Please defeat him!

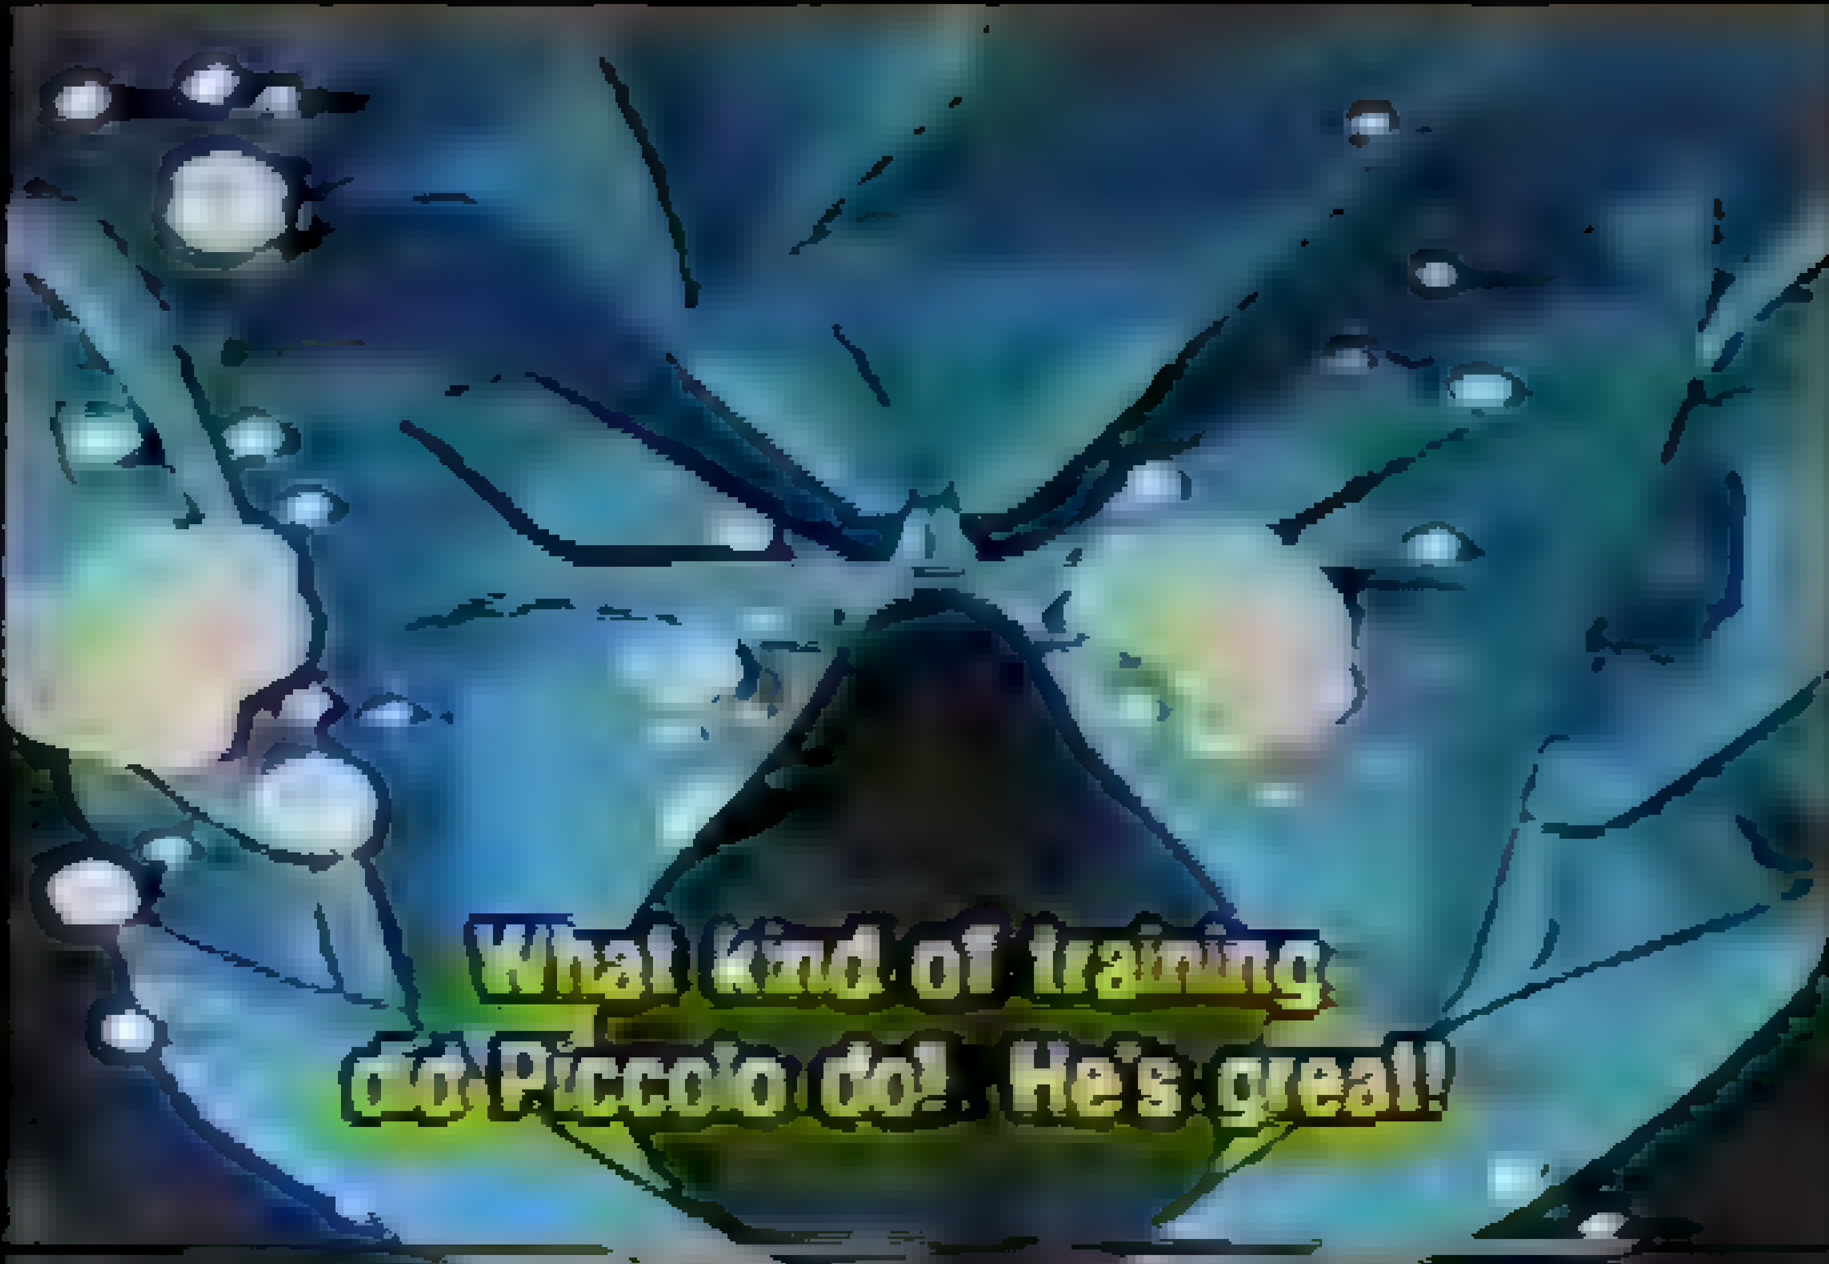

Use Neil's power to help!

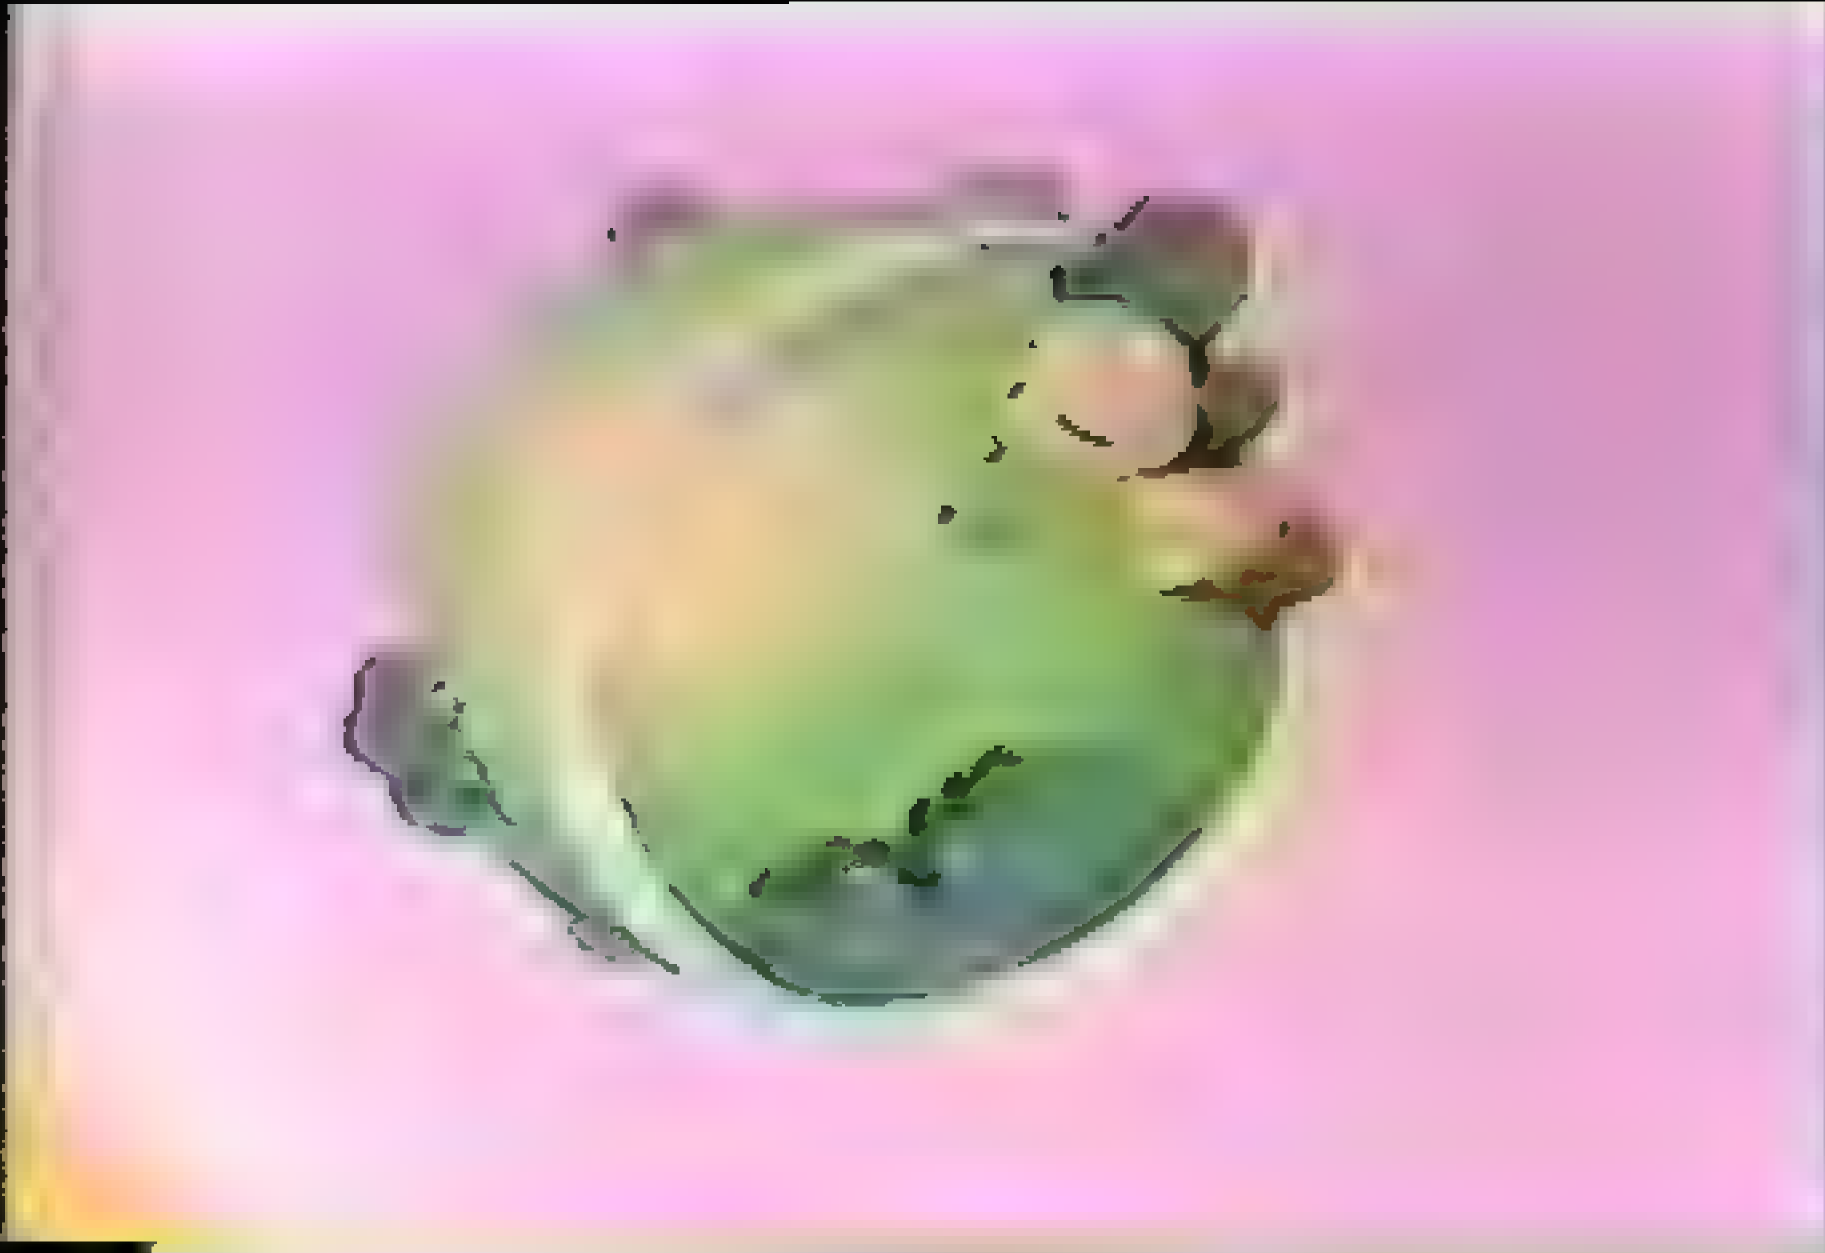

What kind of training
did Piccolo do! He's great!

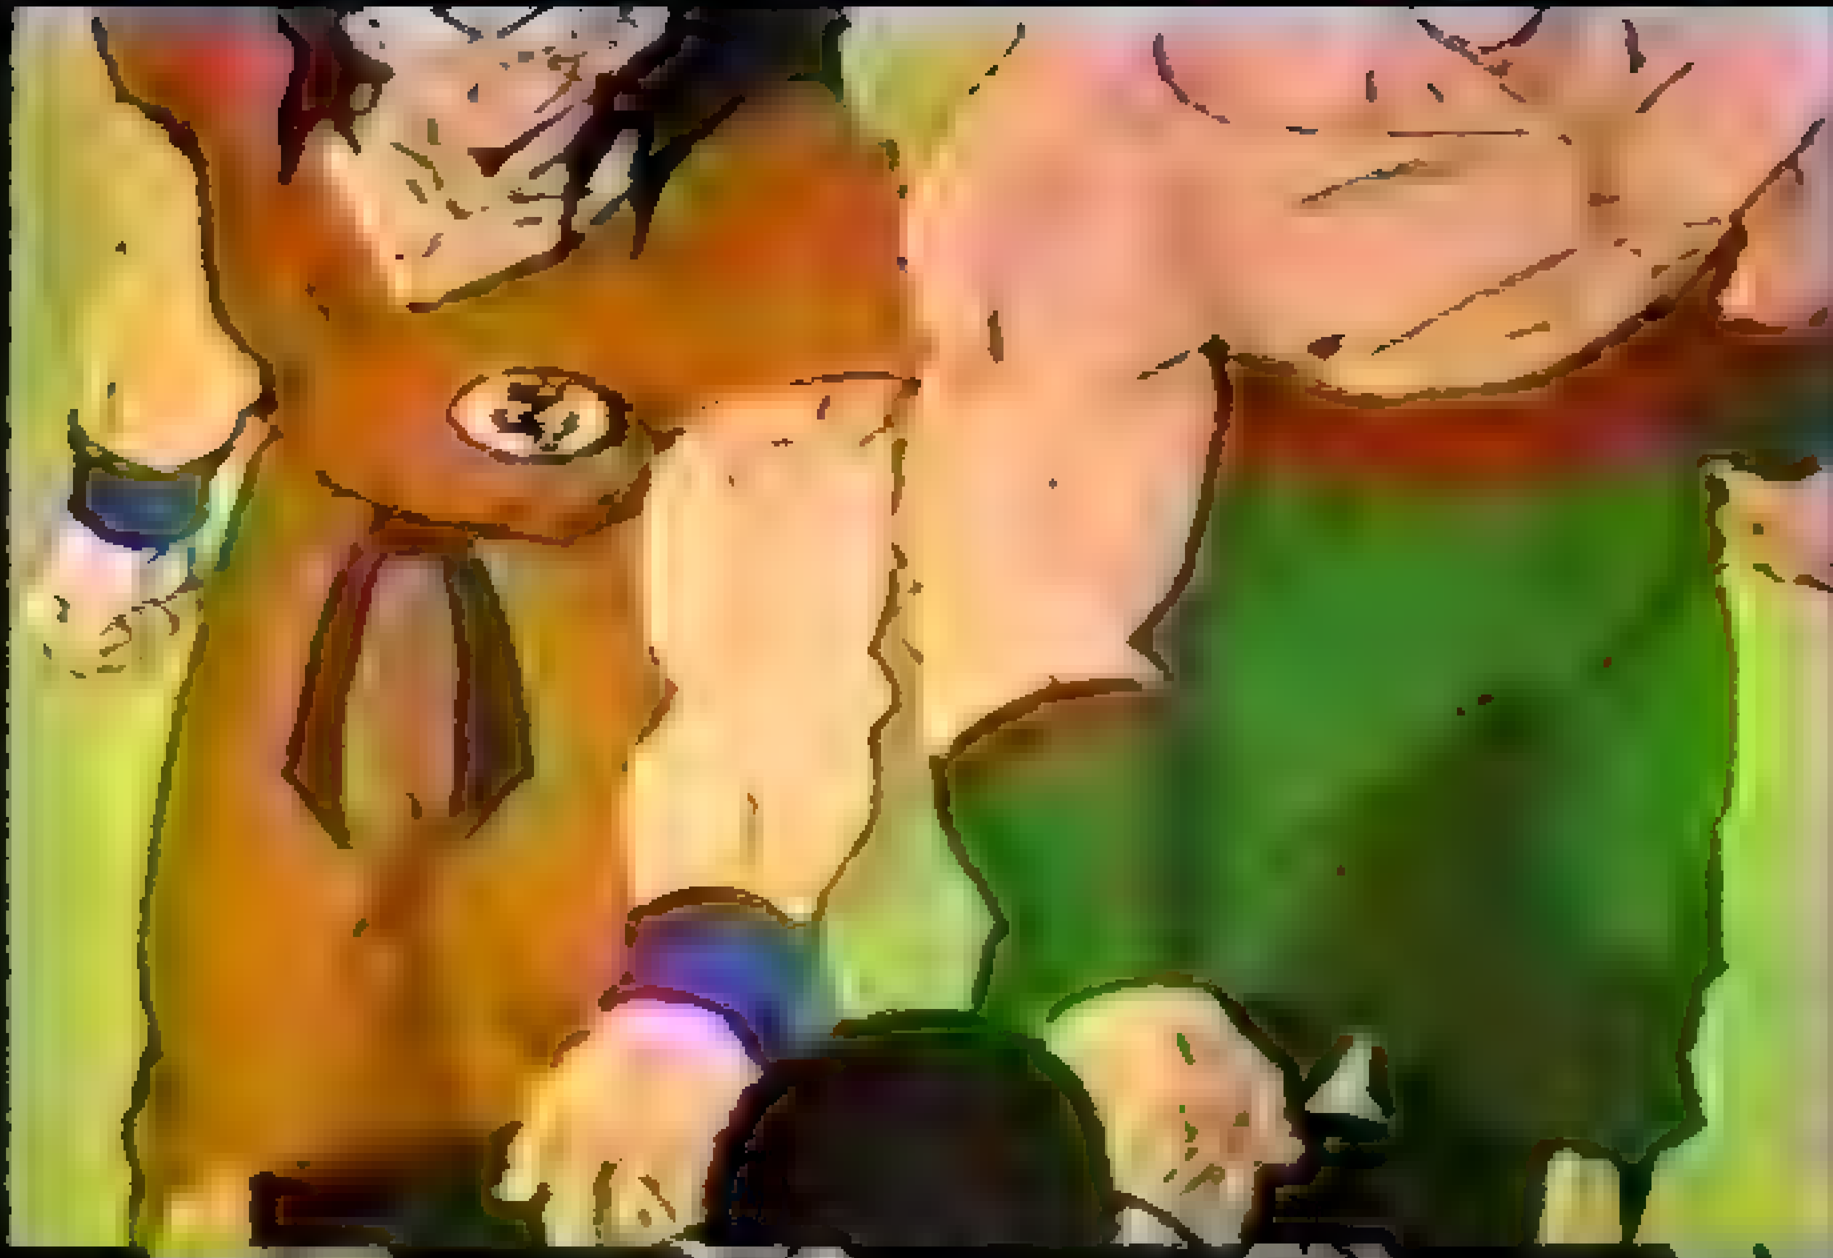

What kind of training
did Piccolo do! He's great!

Fight hard until I get there!

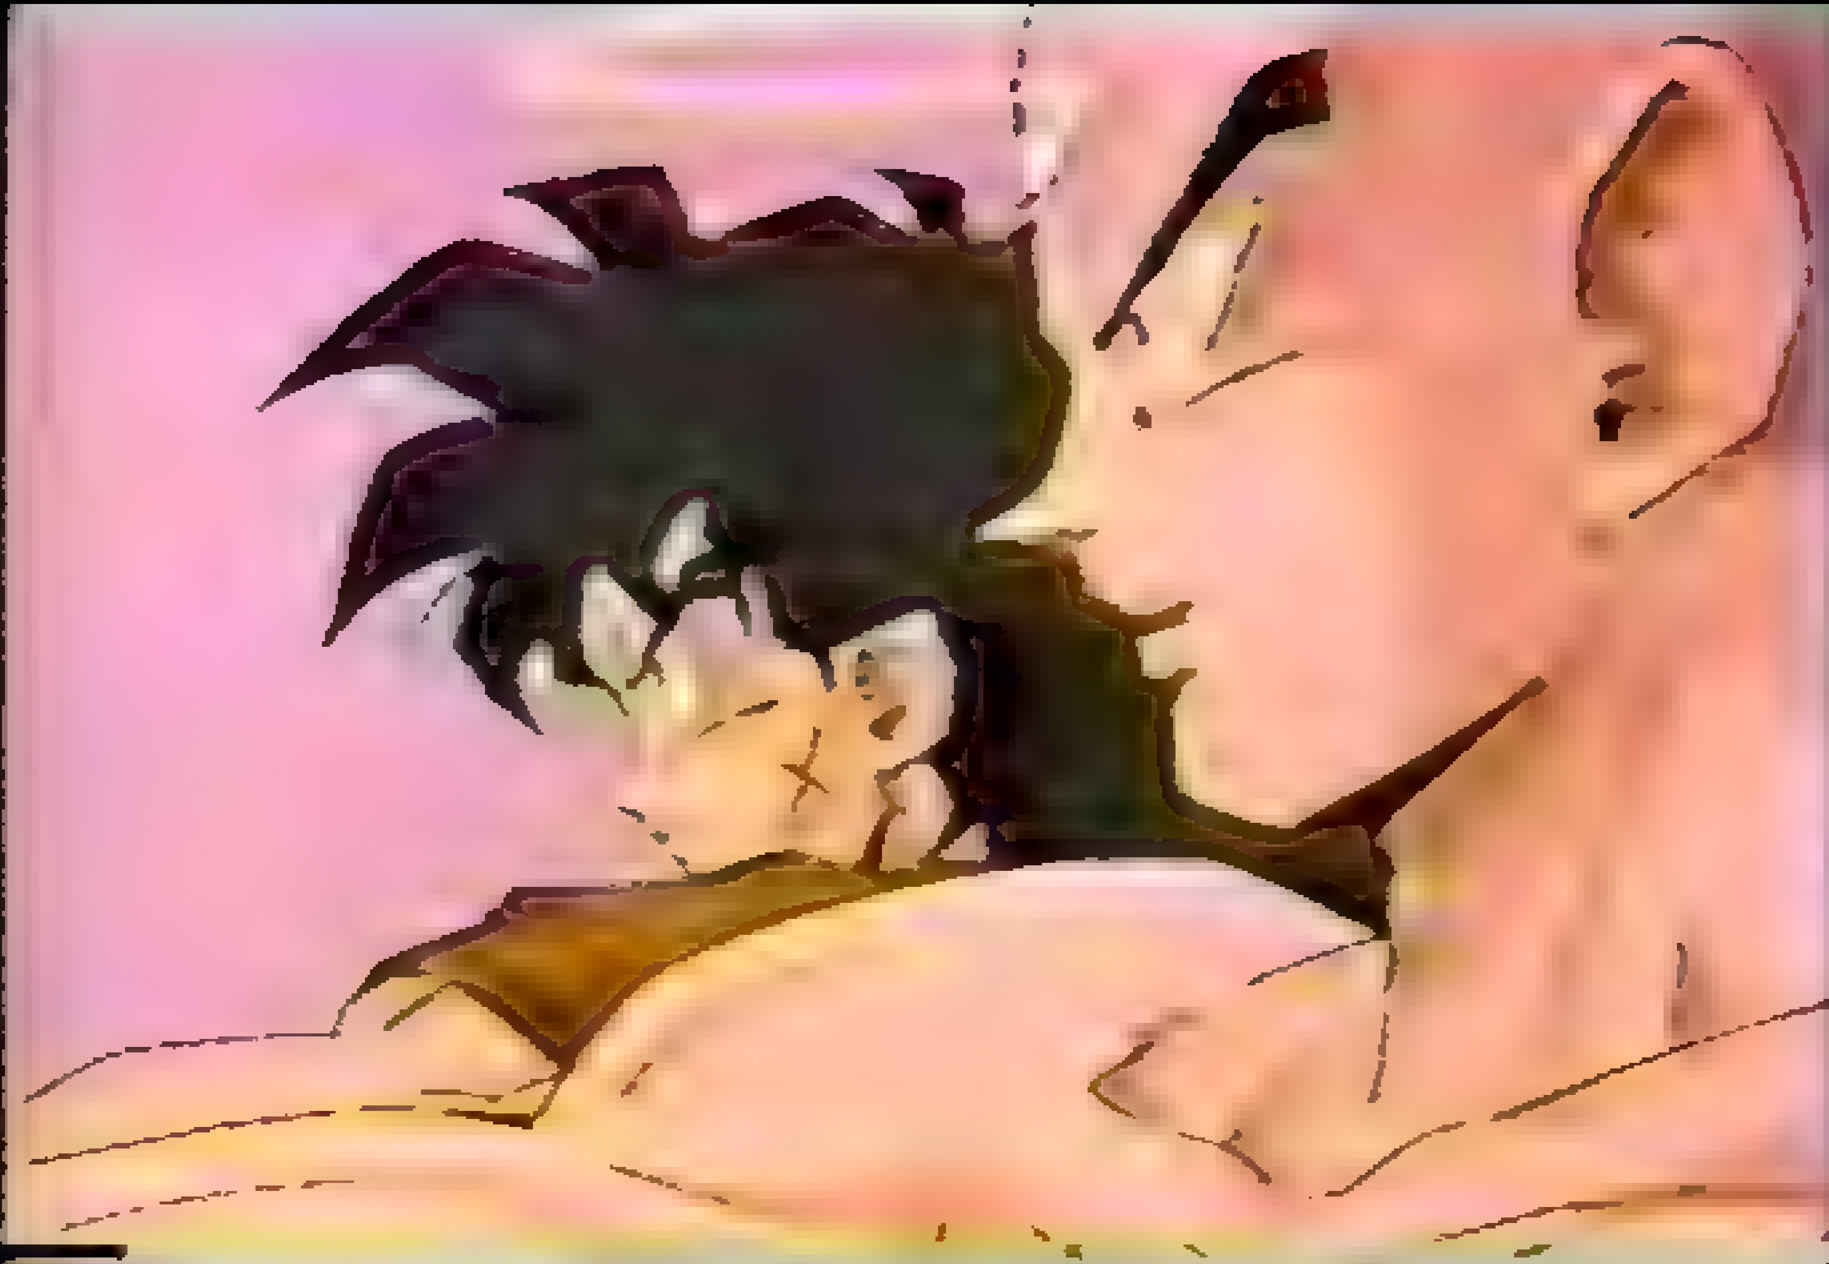

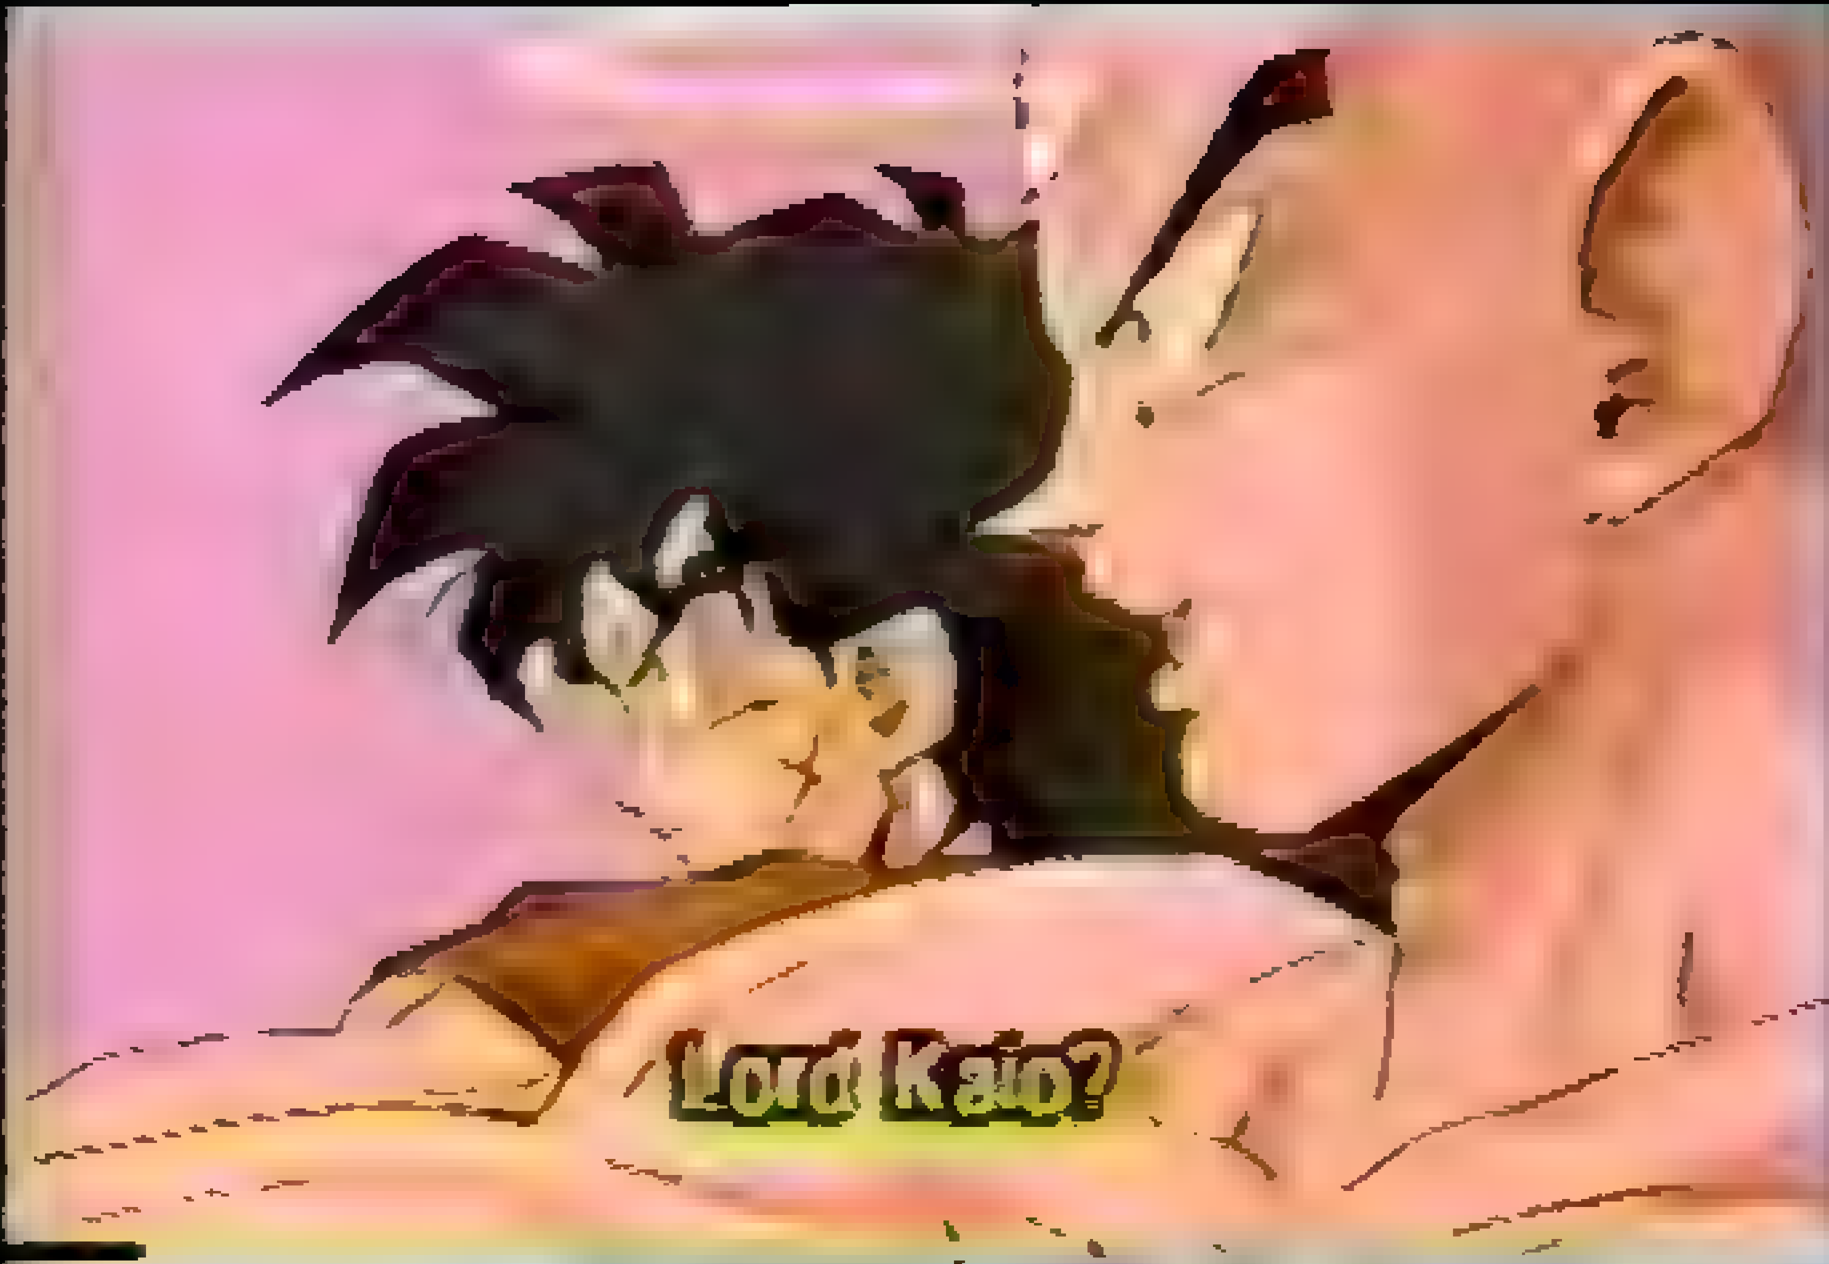

Lord Kaio?

Piccolo's gained so much
power he may be able

to defeat Freezer, won't he?

He has to!

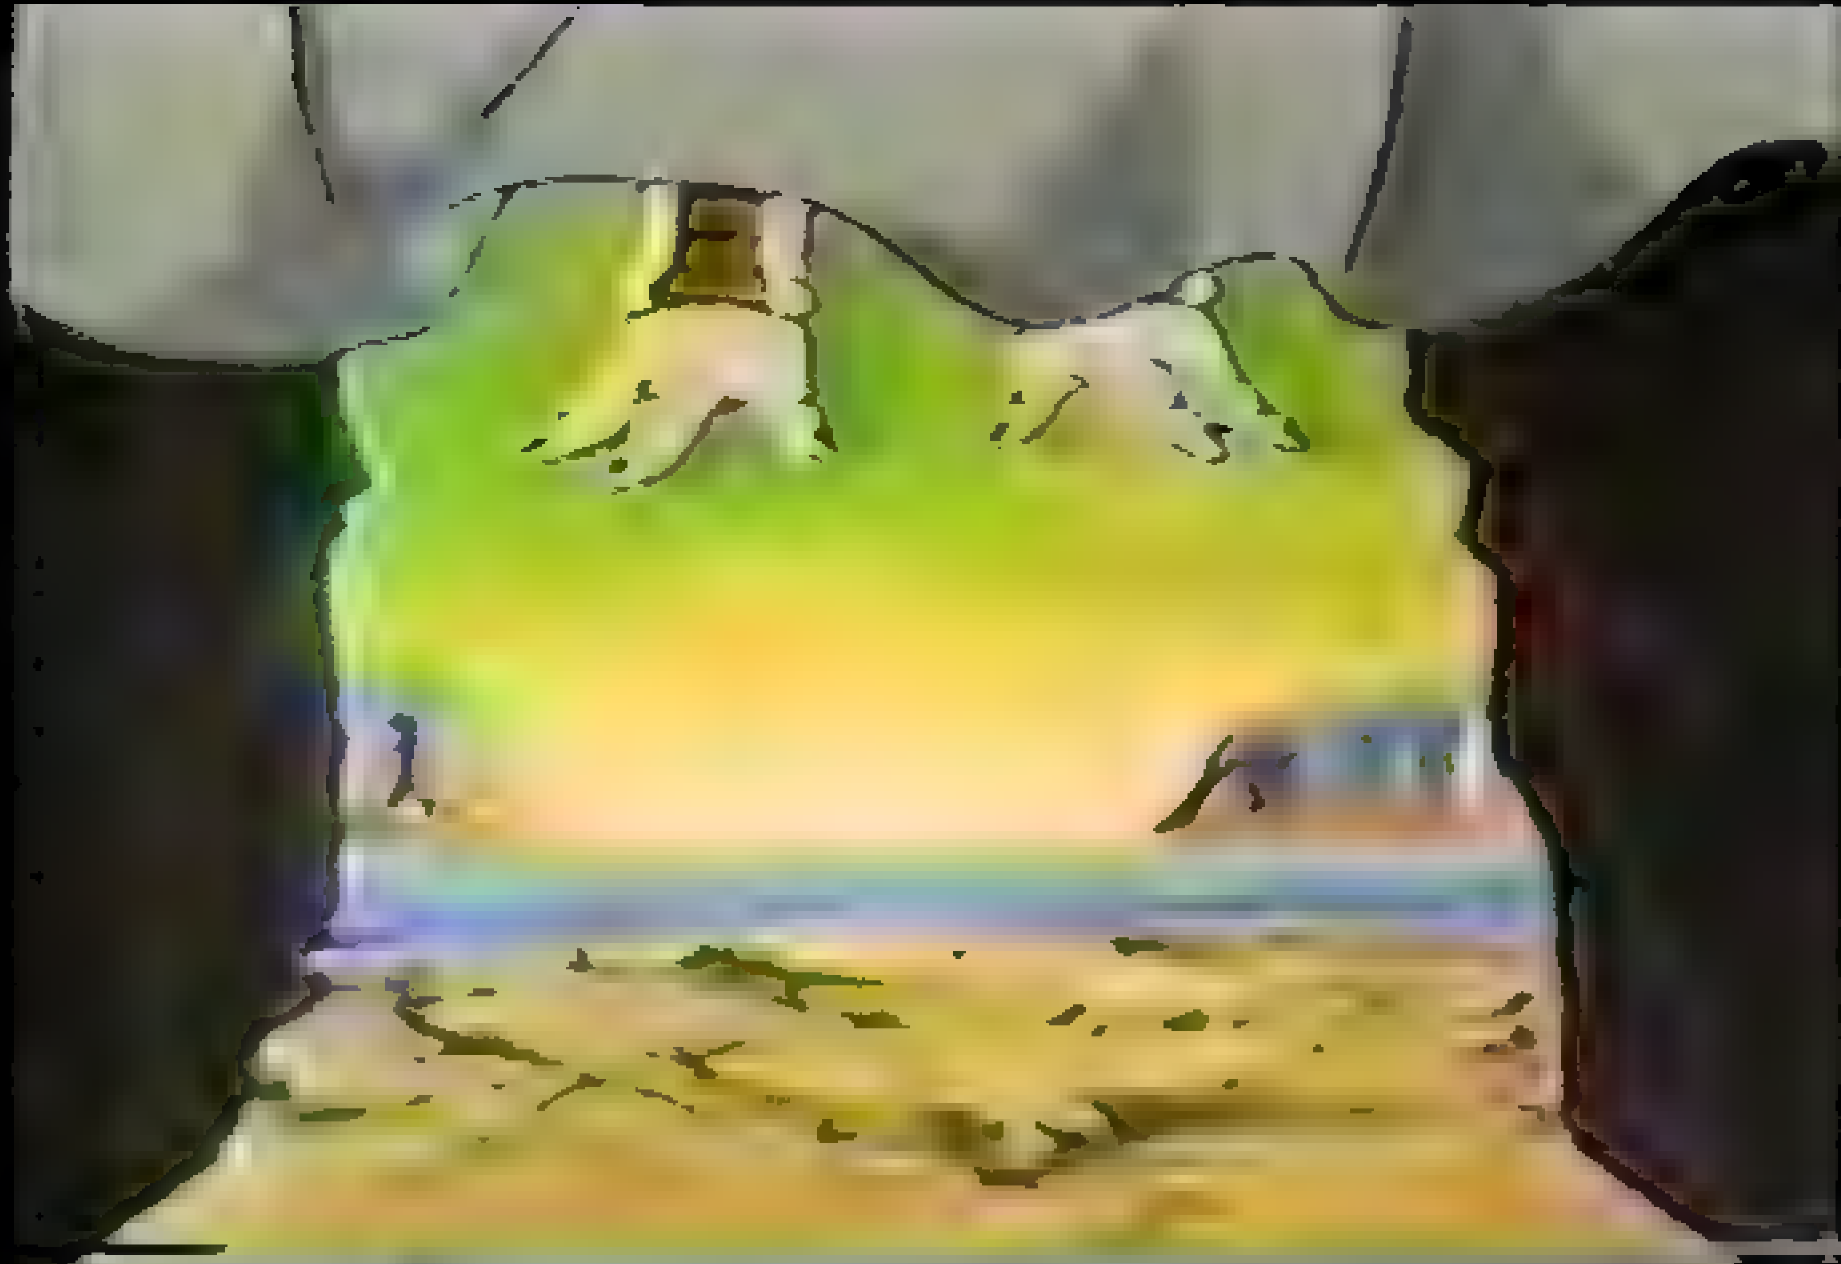

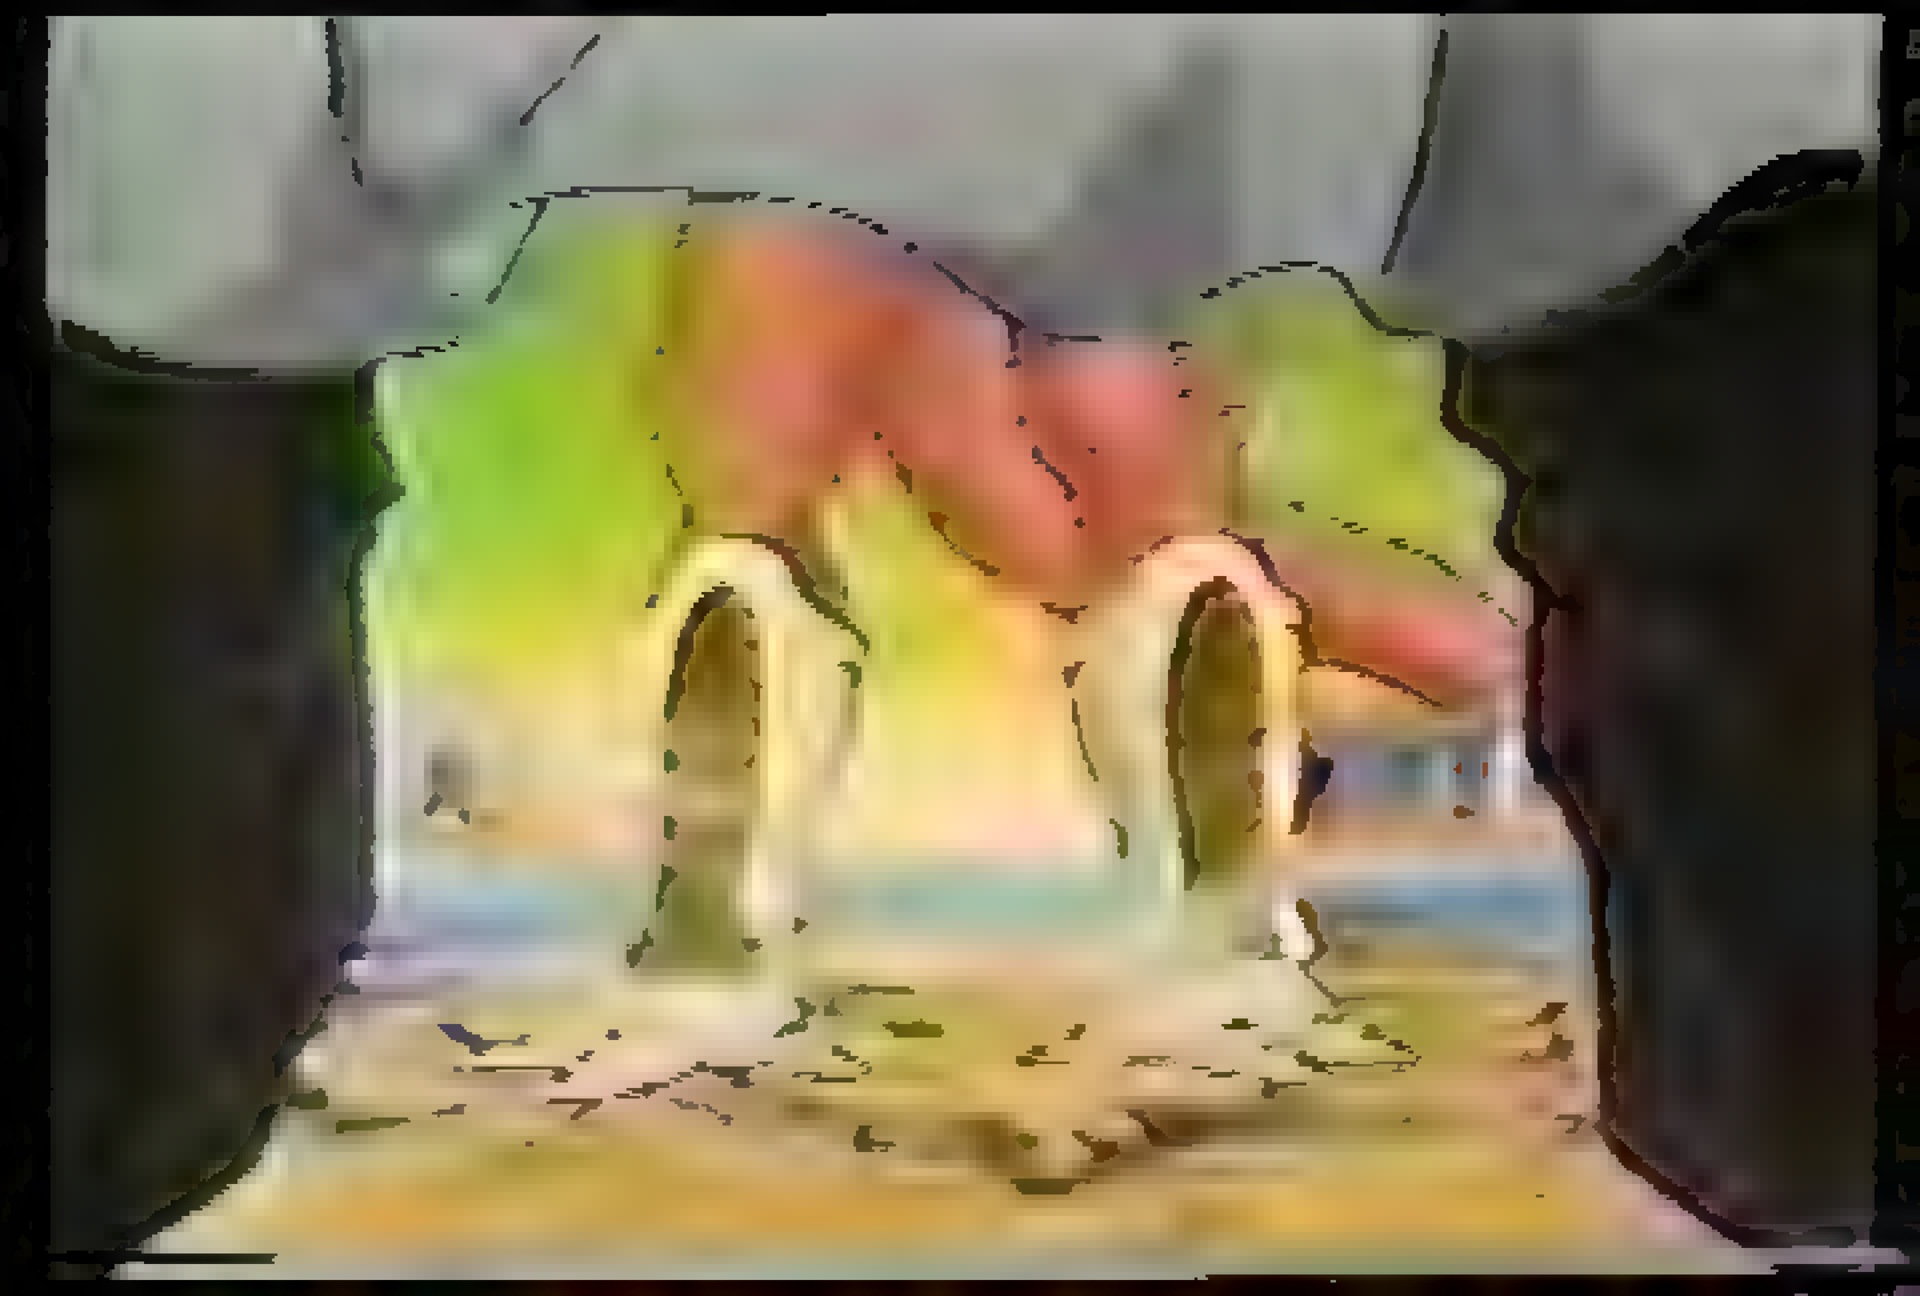

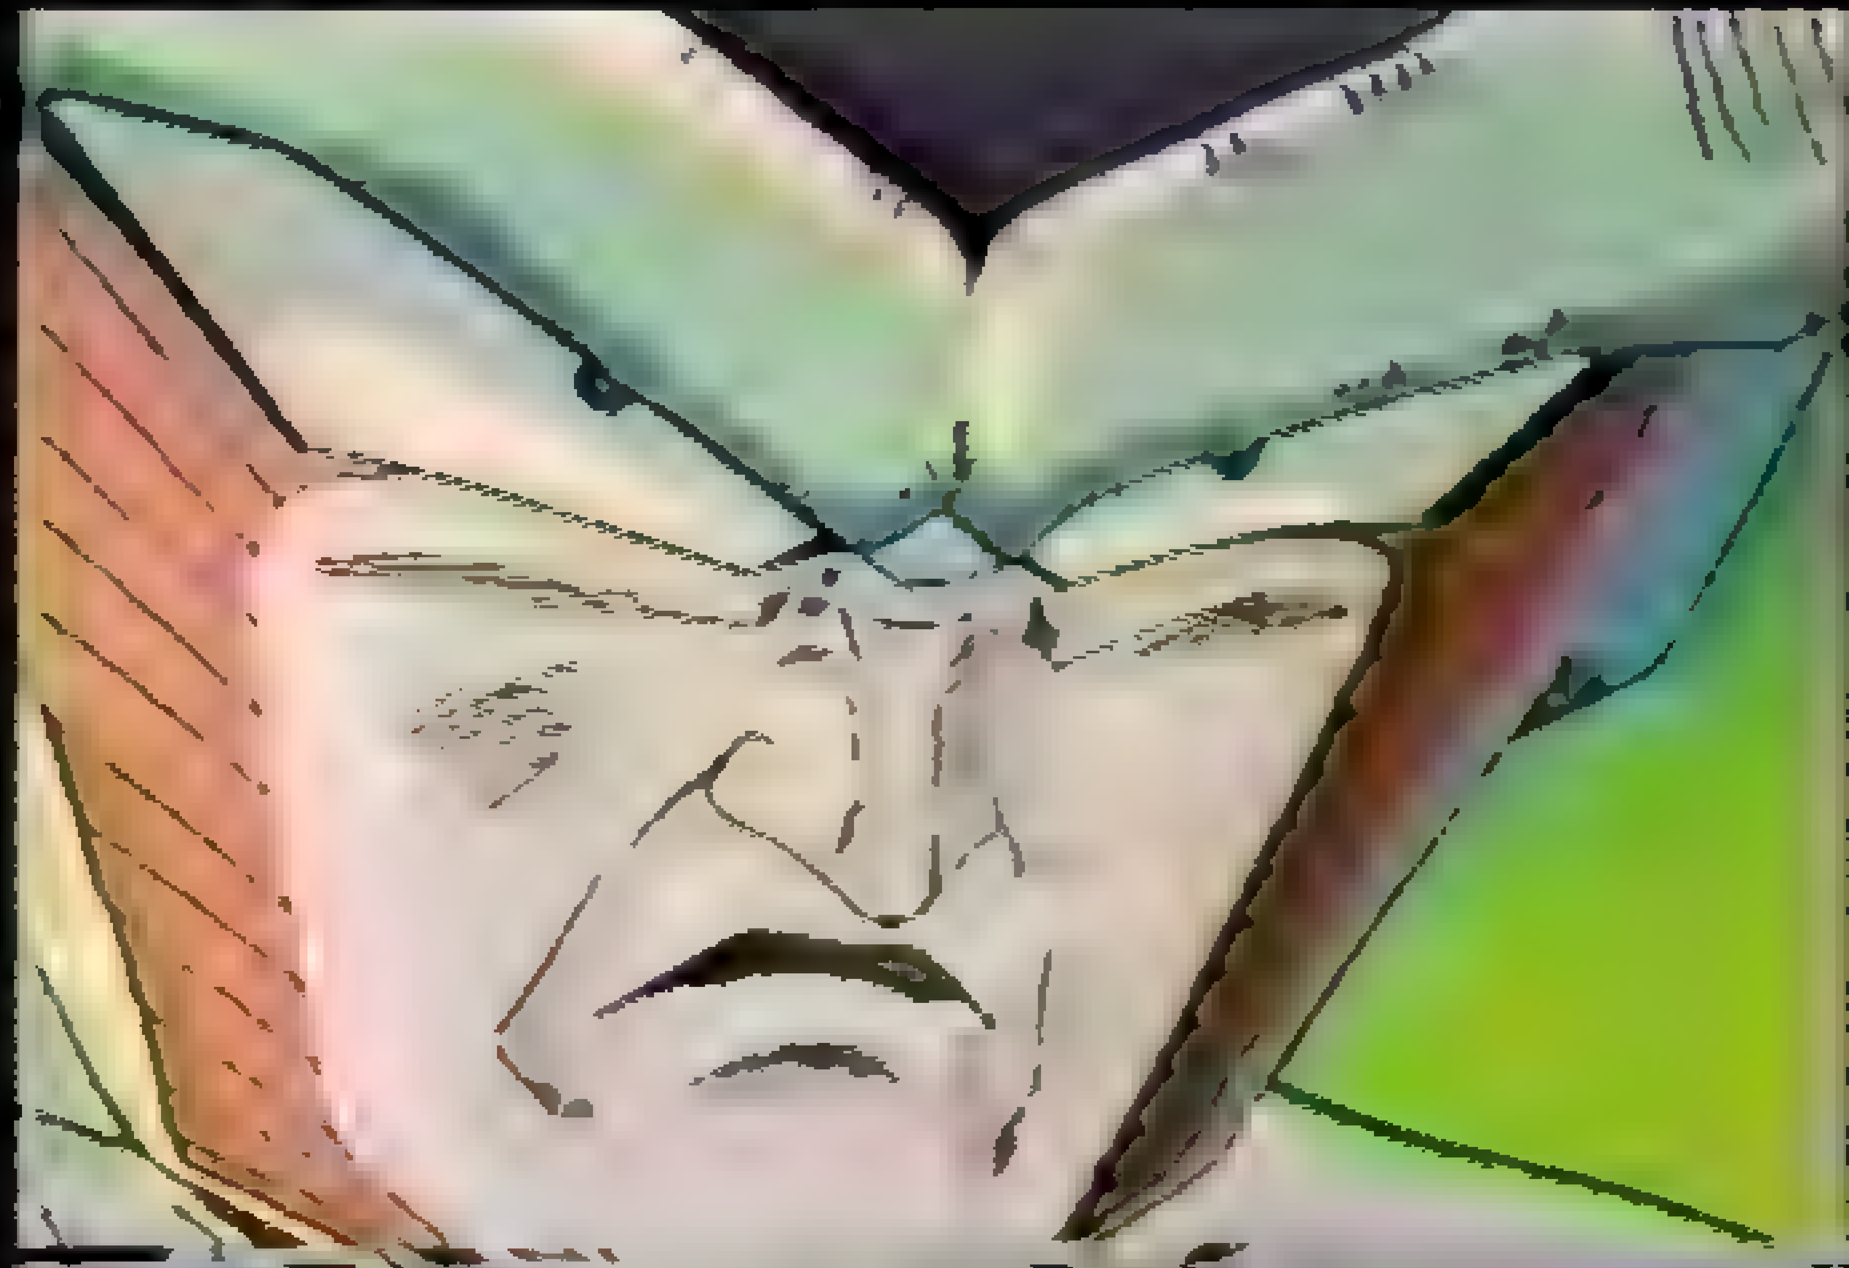

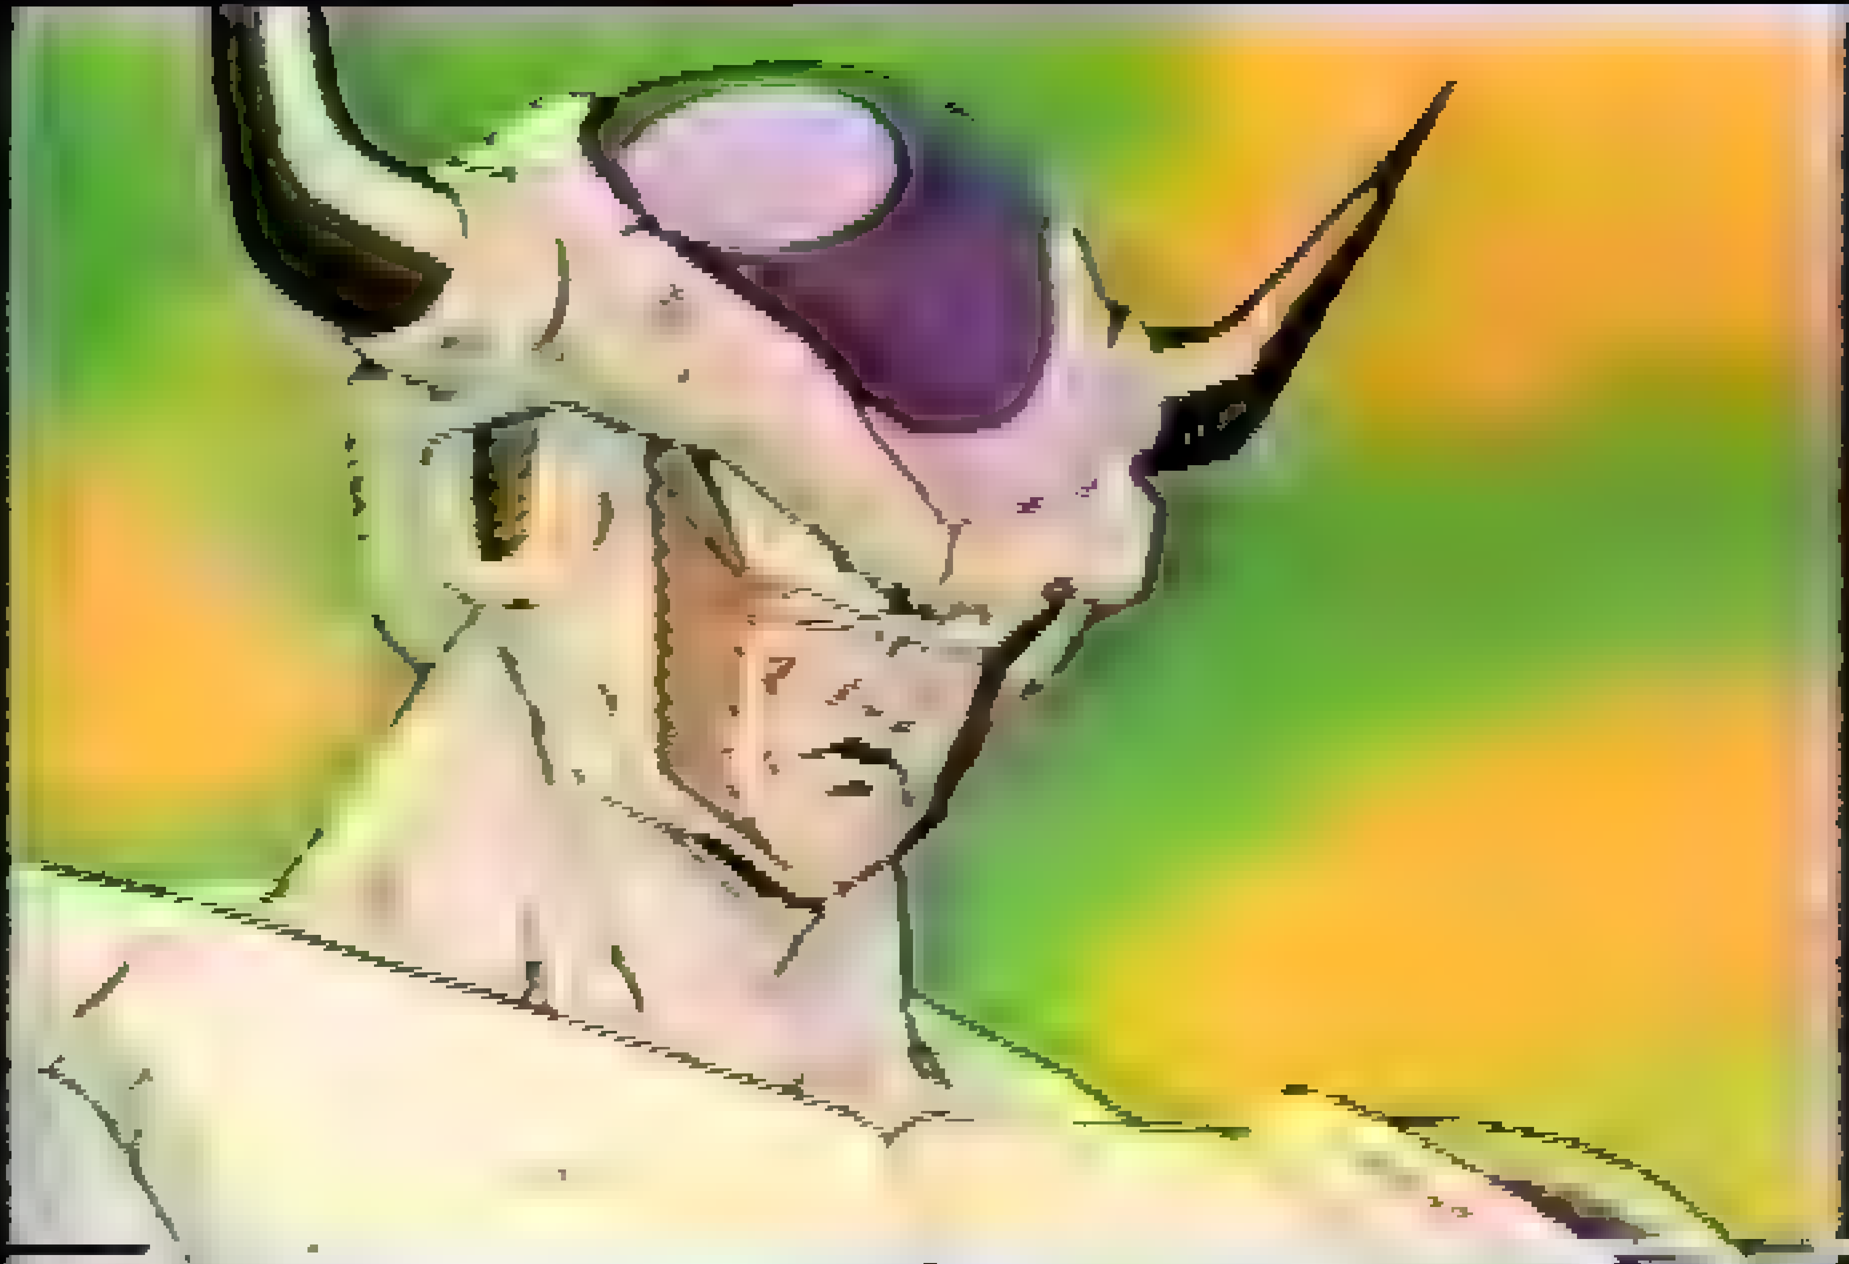

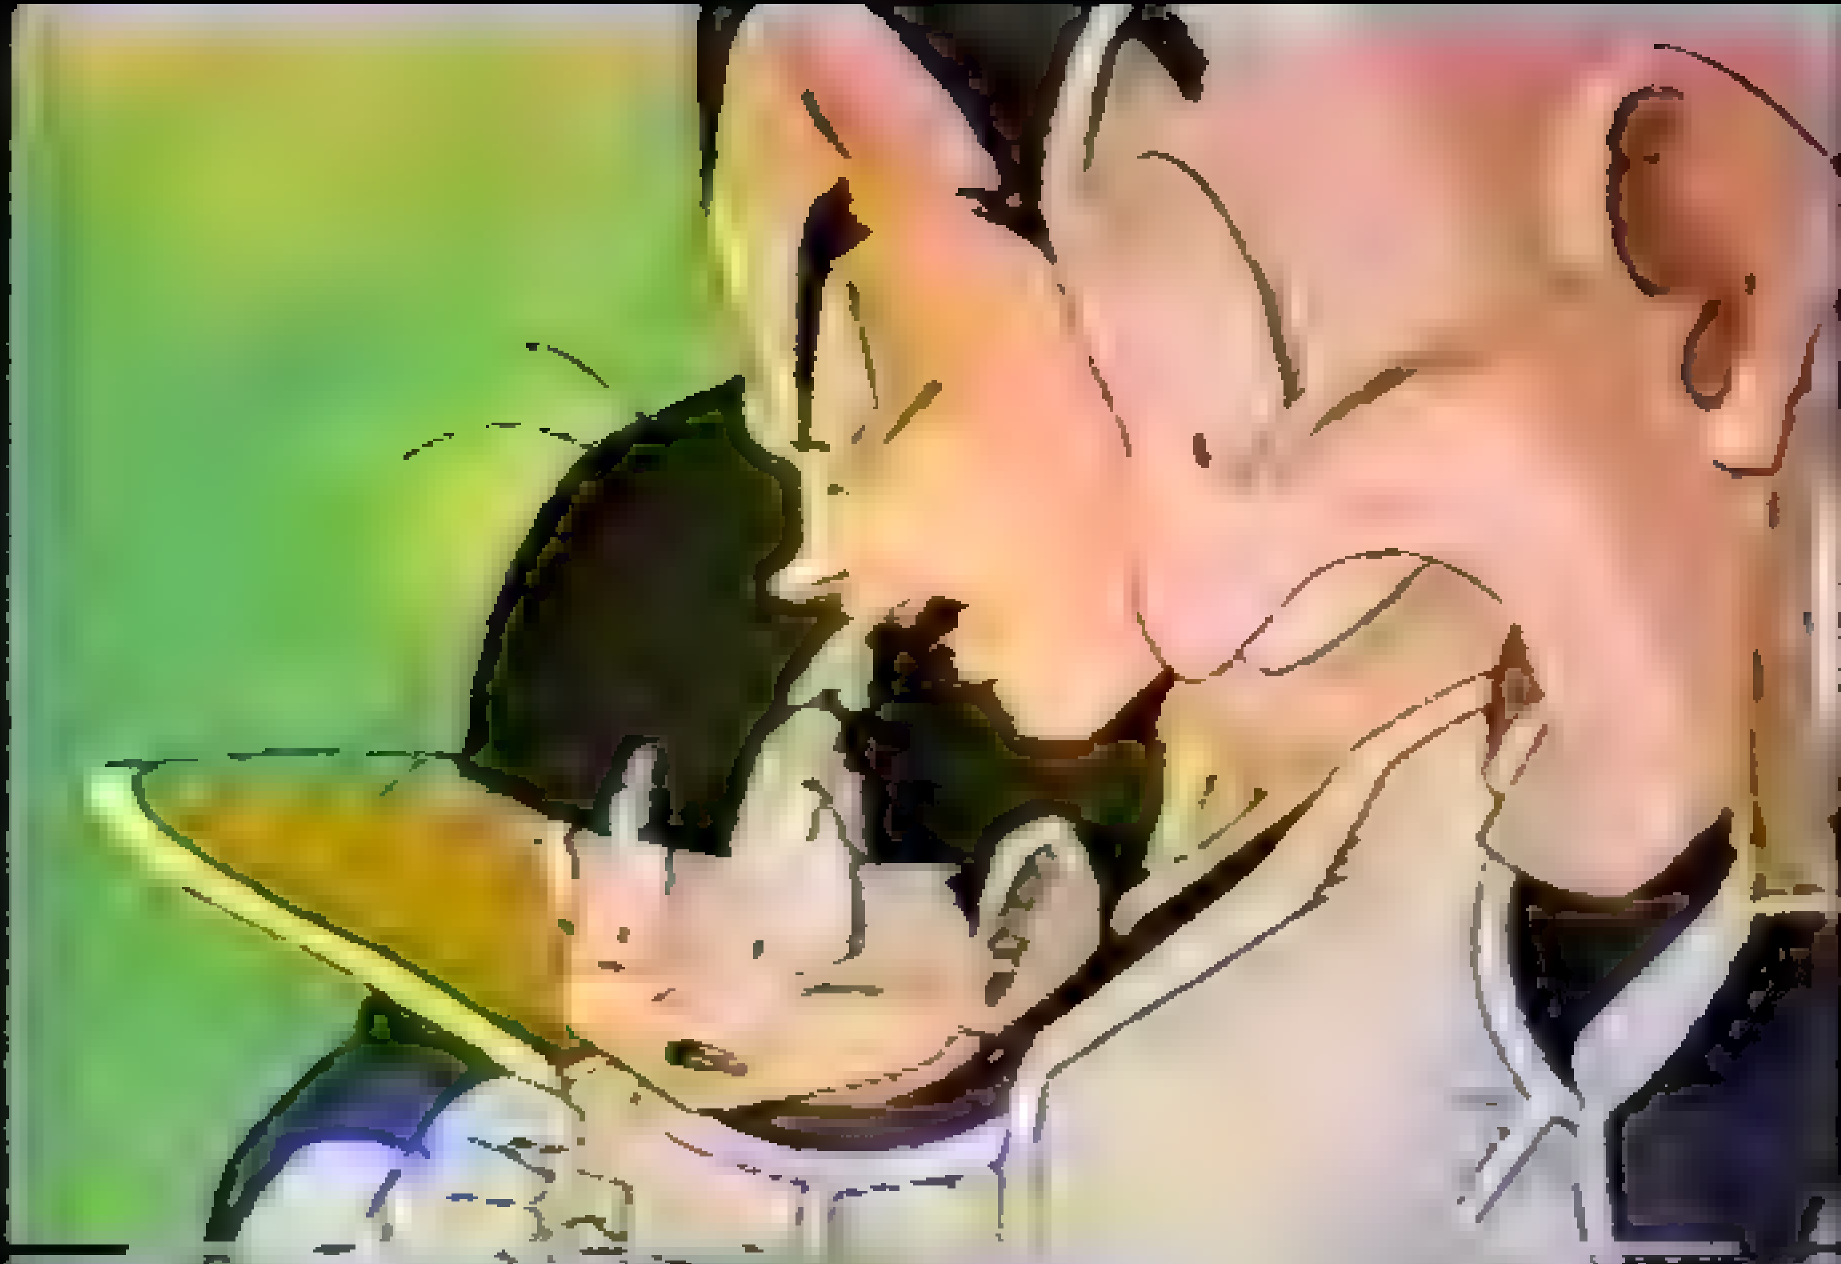

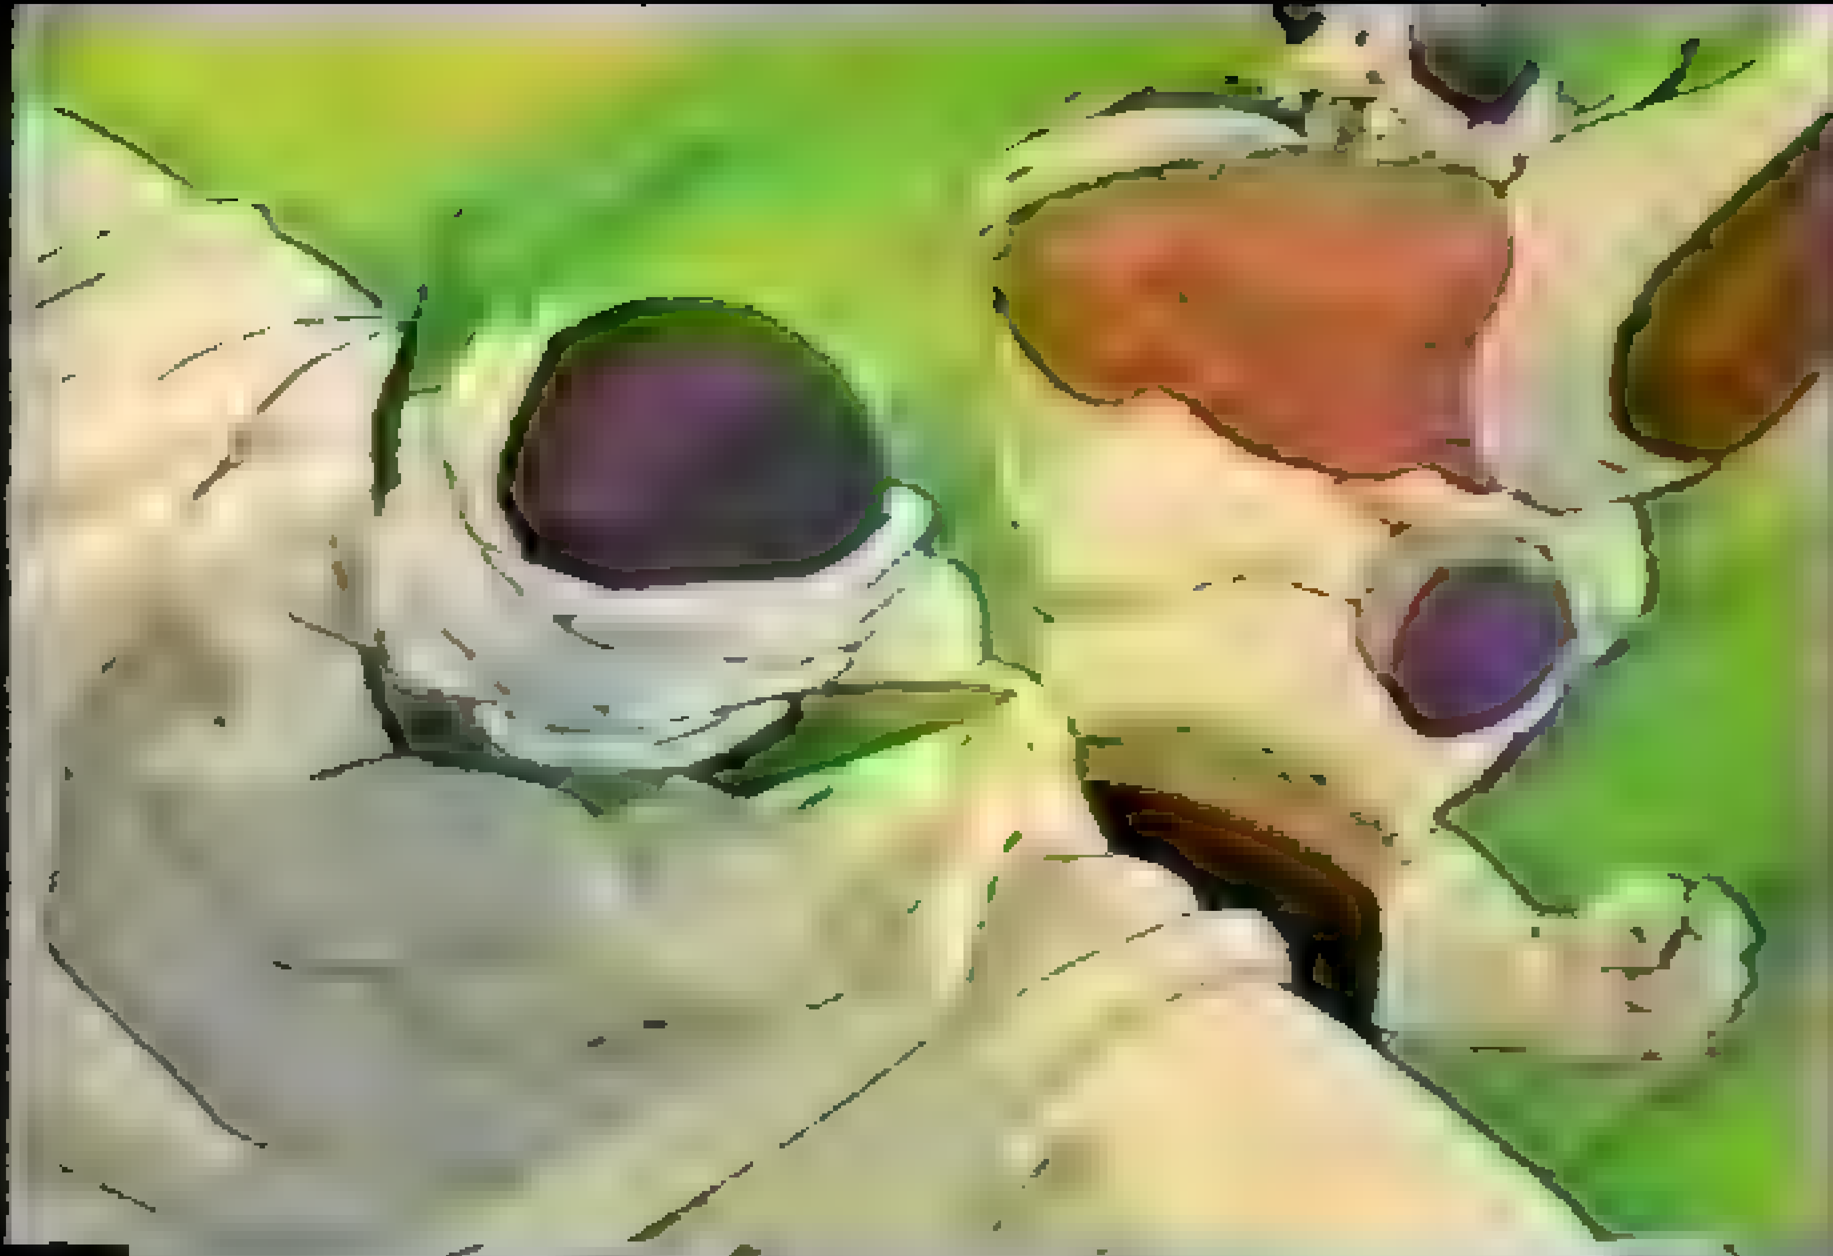

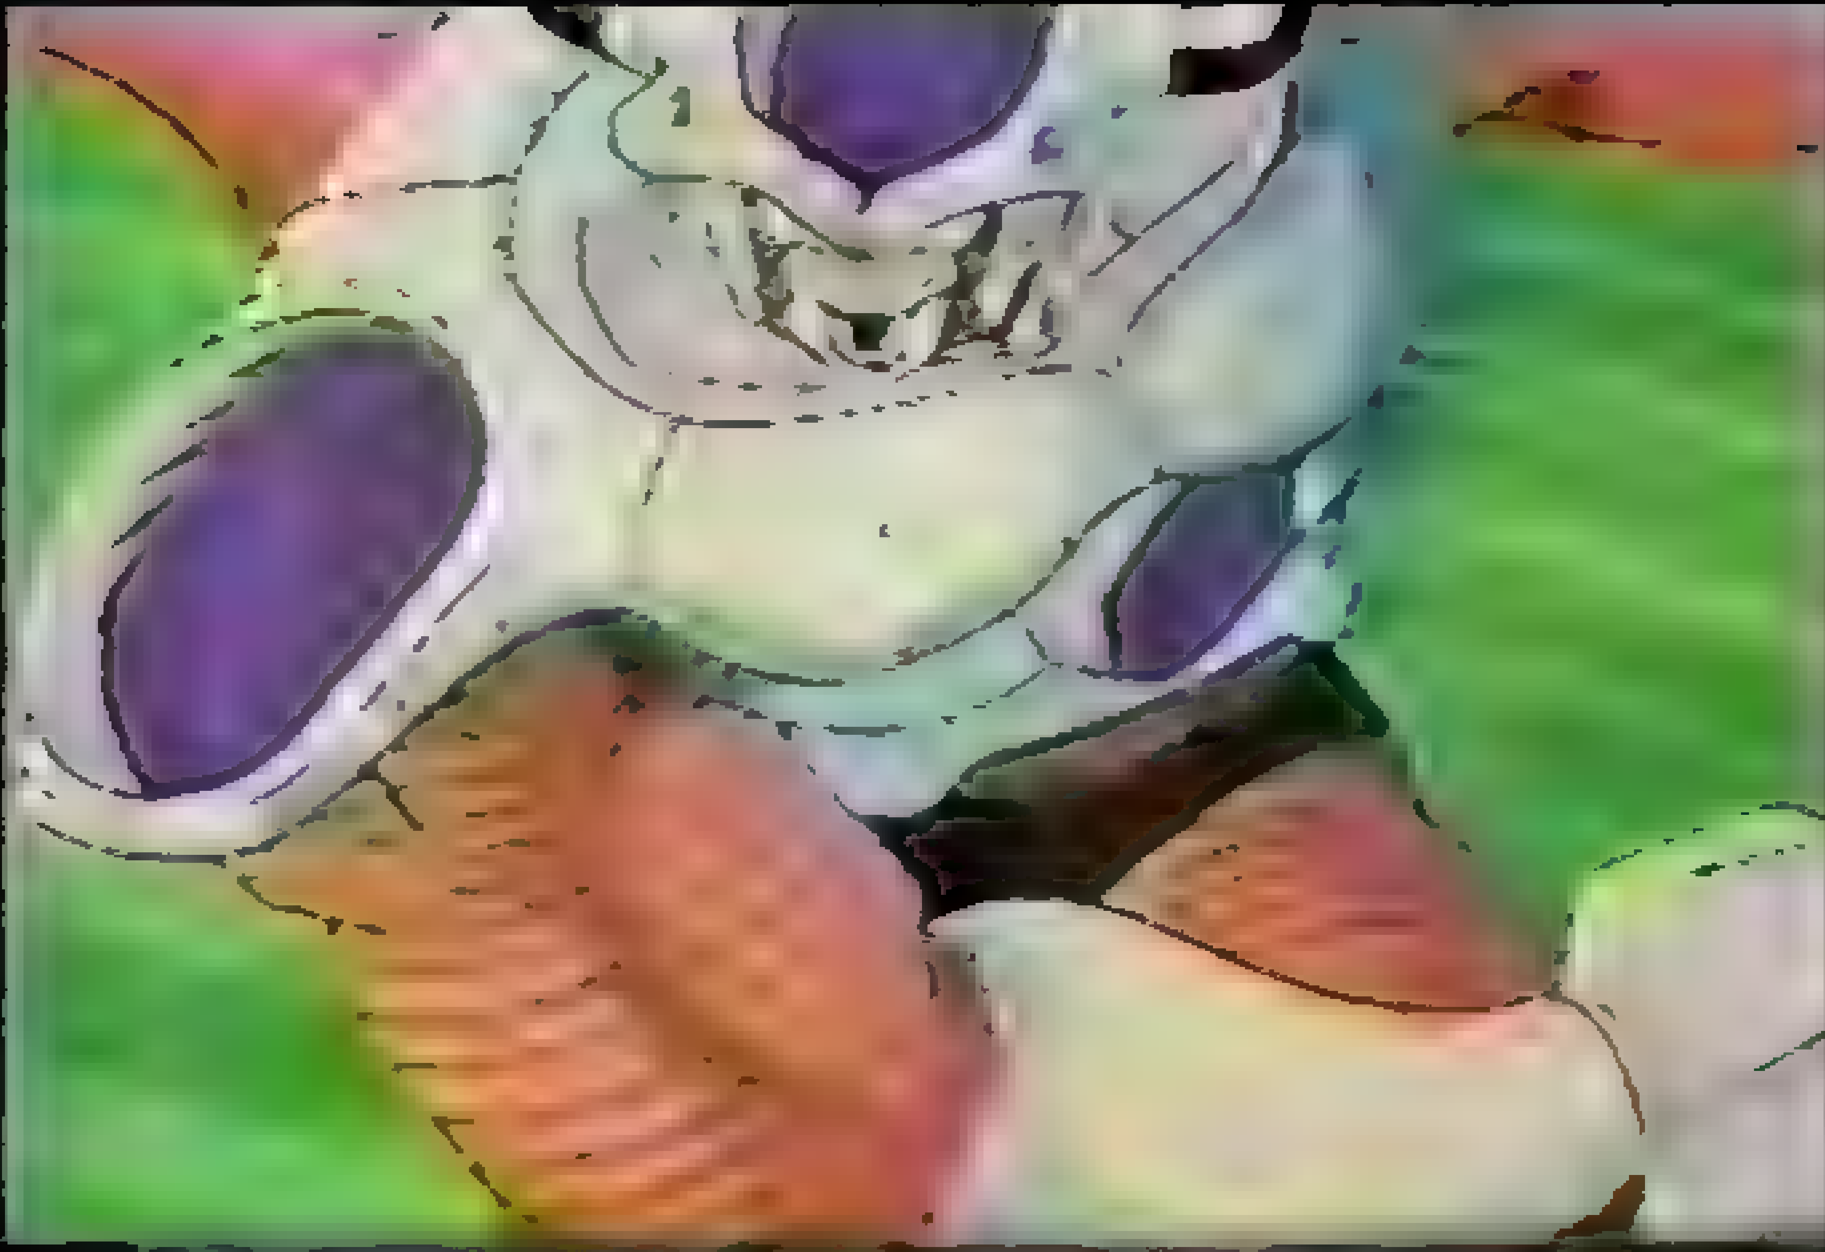

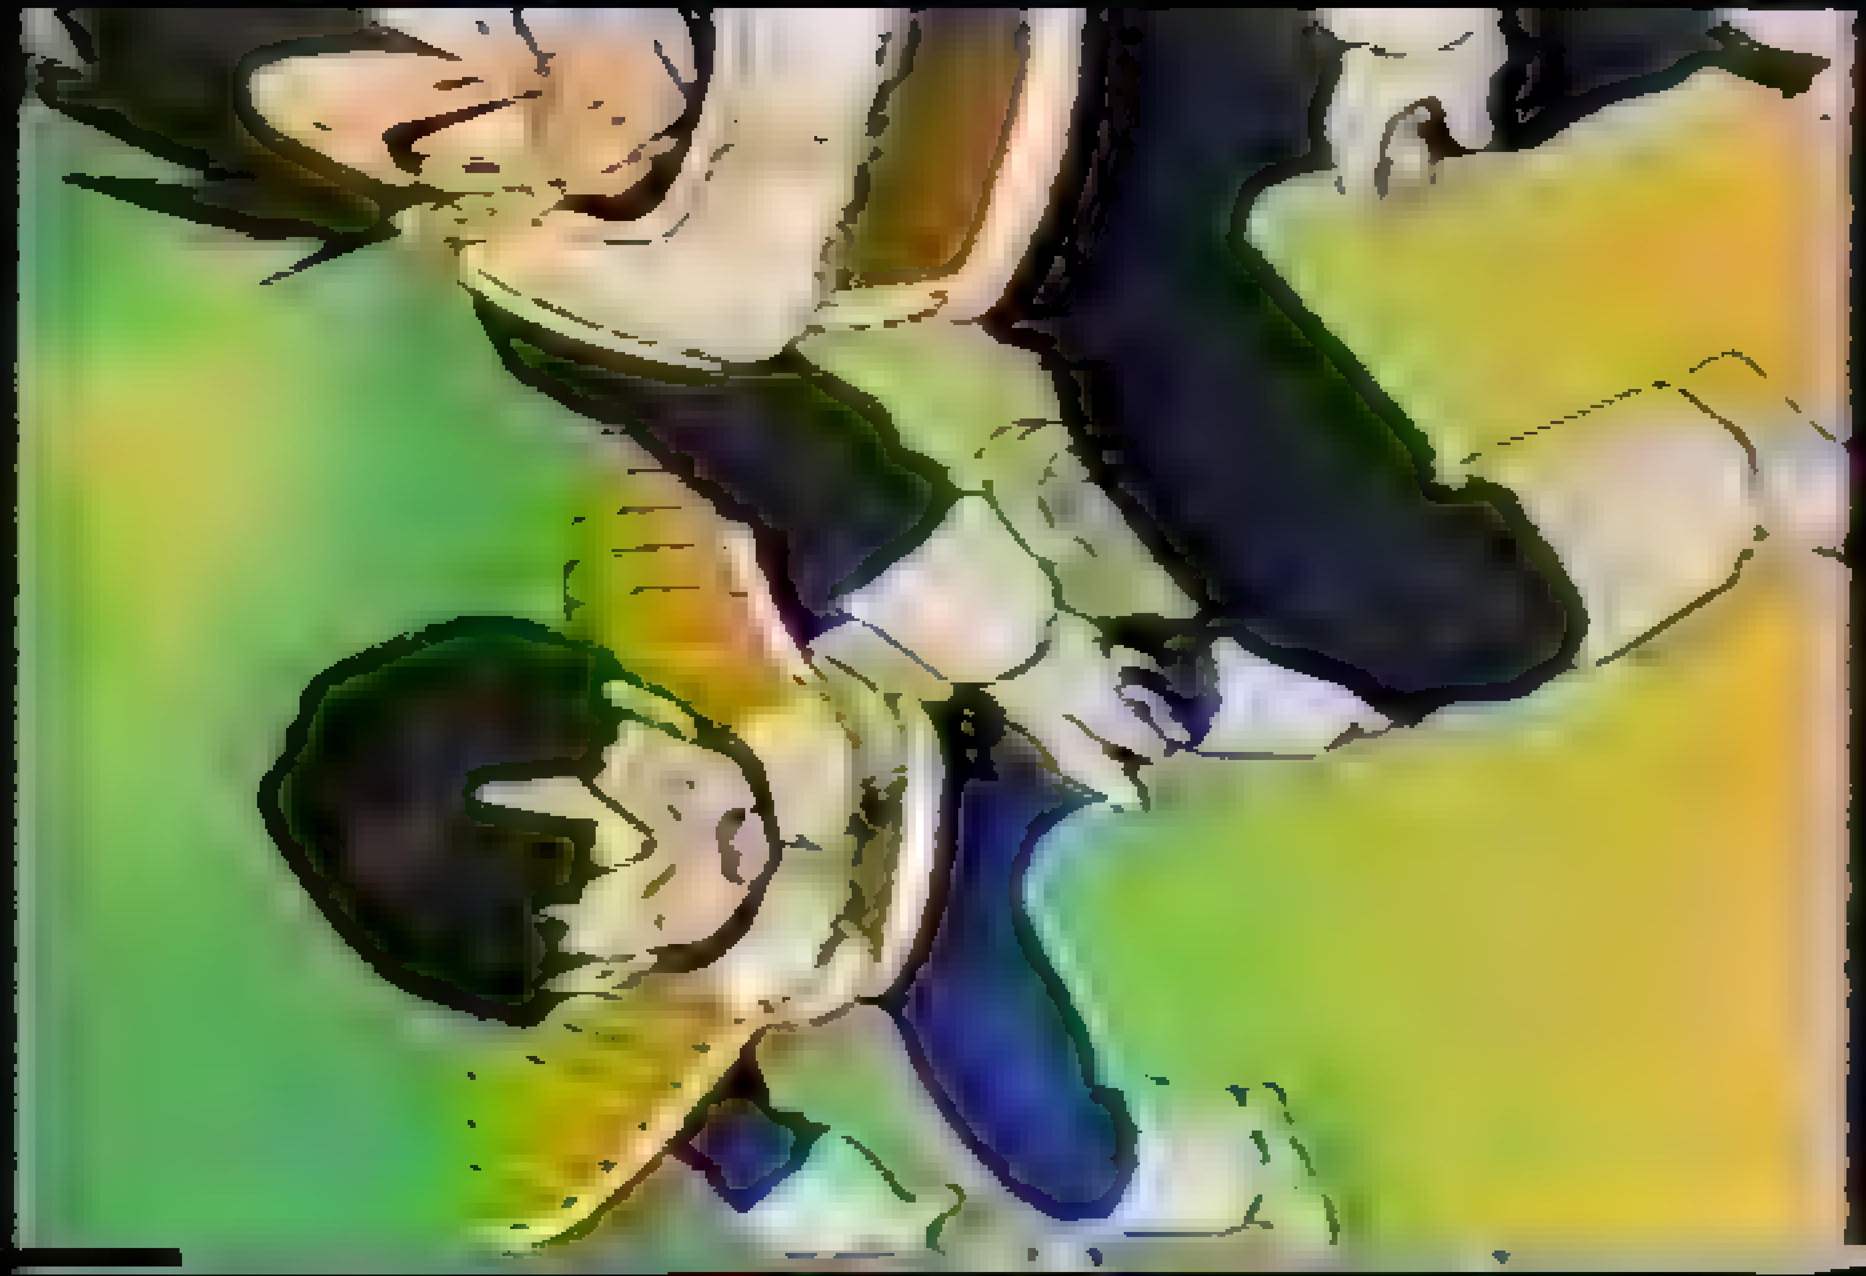

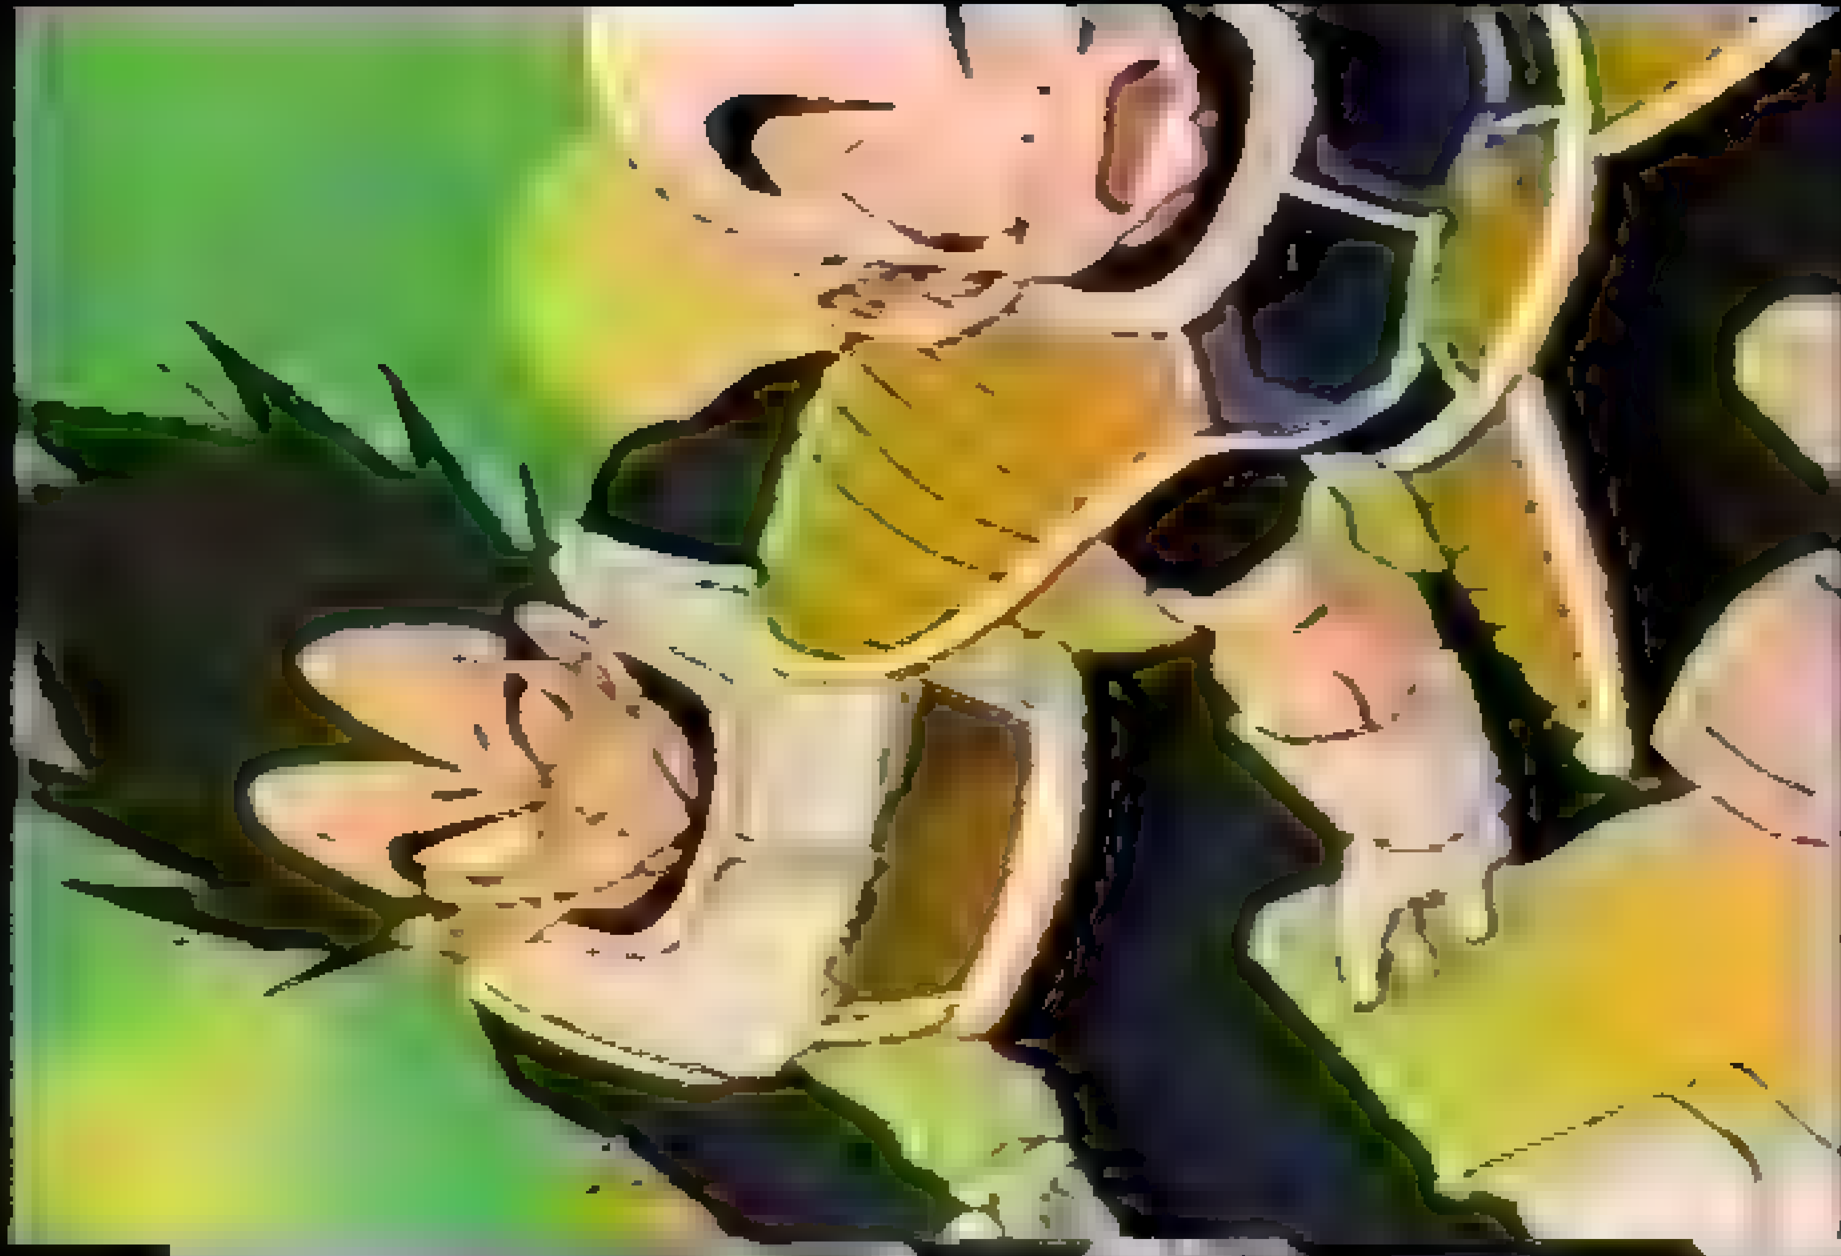

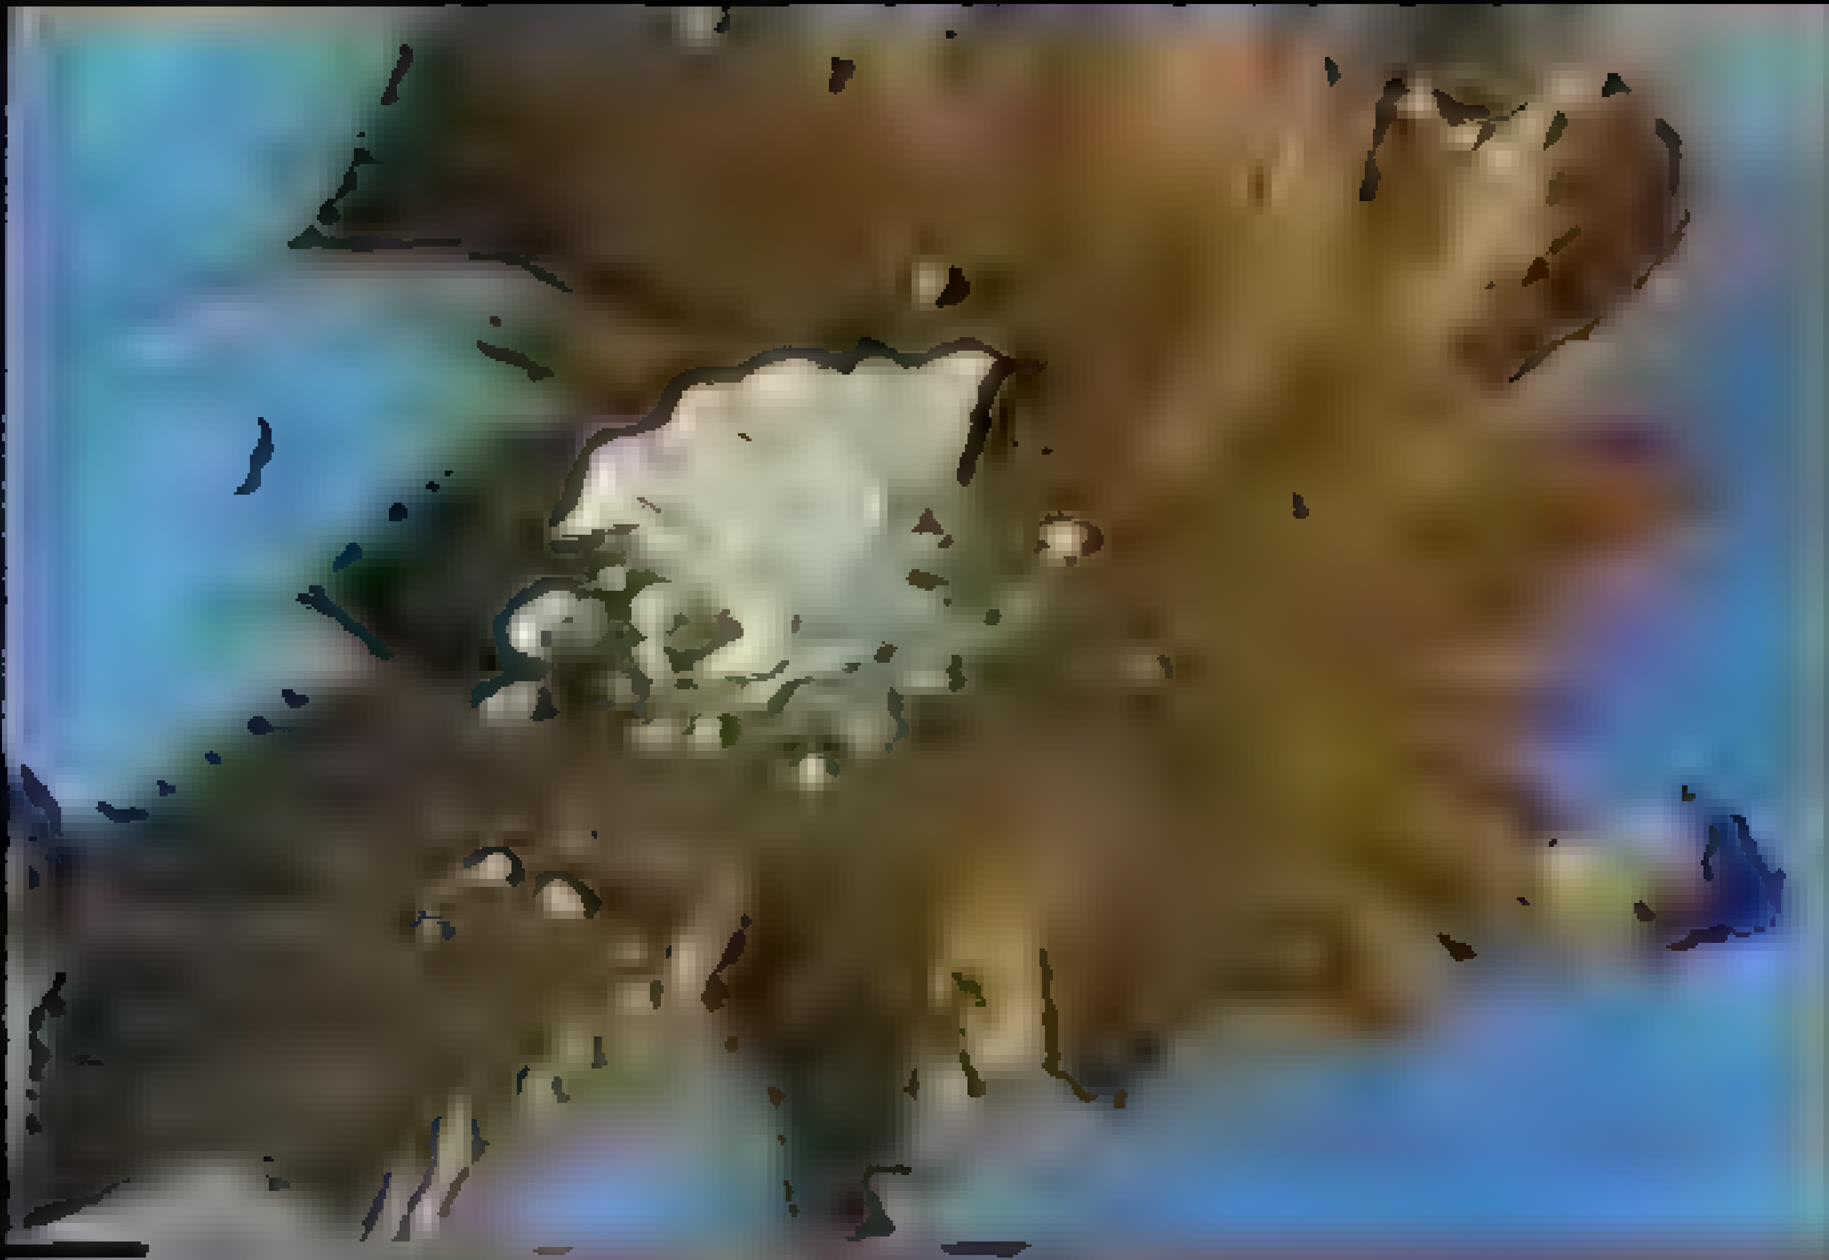

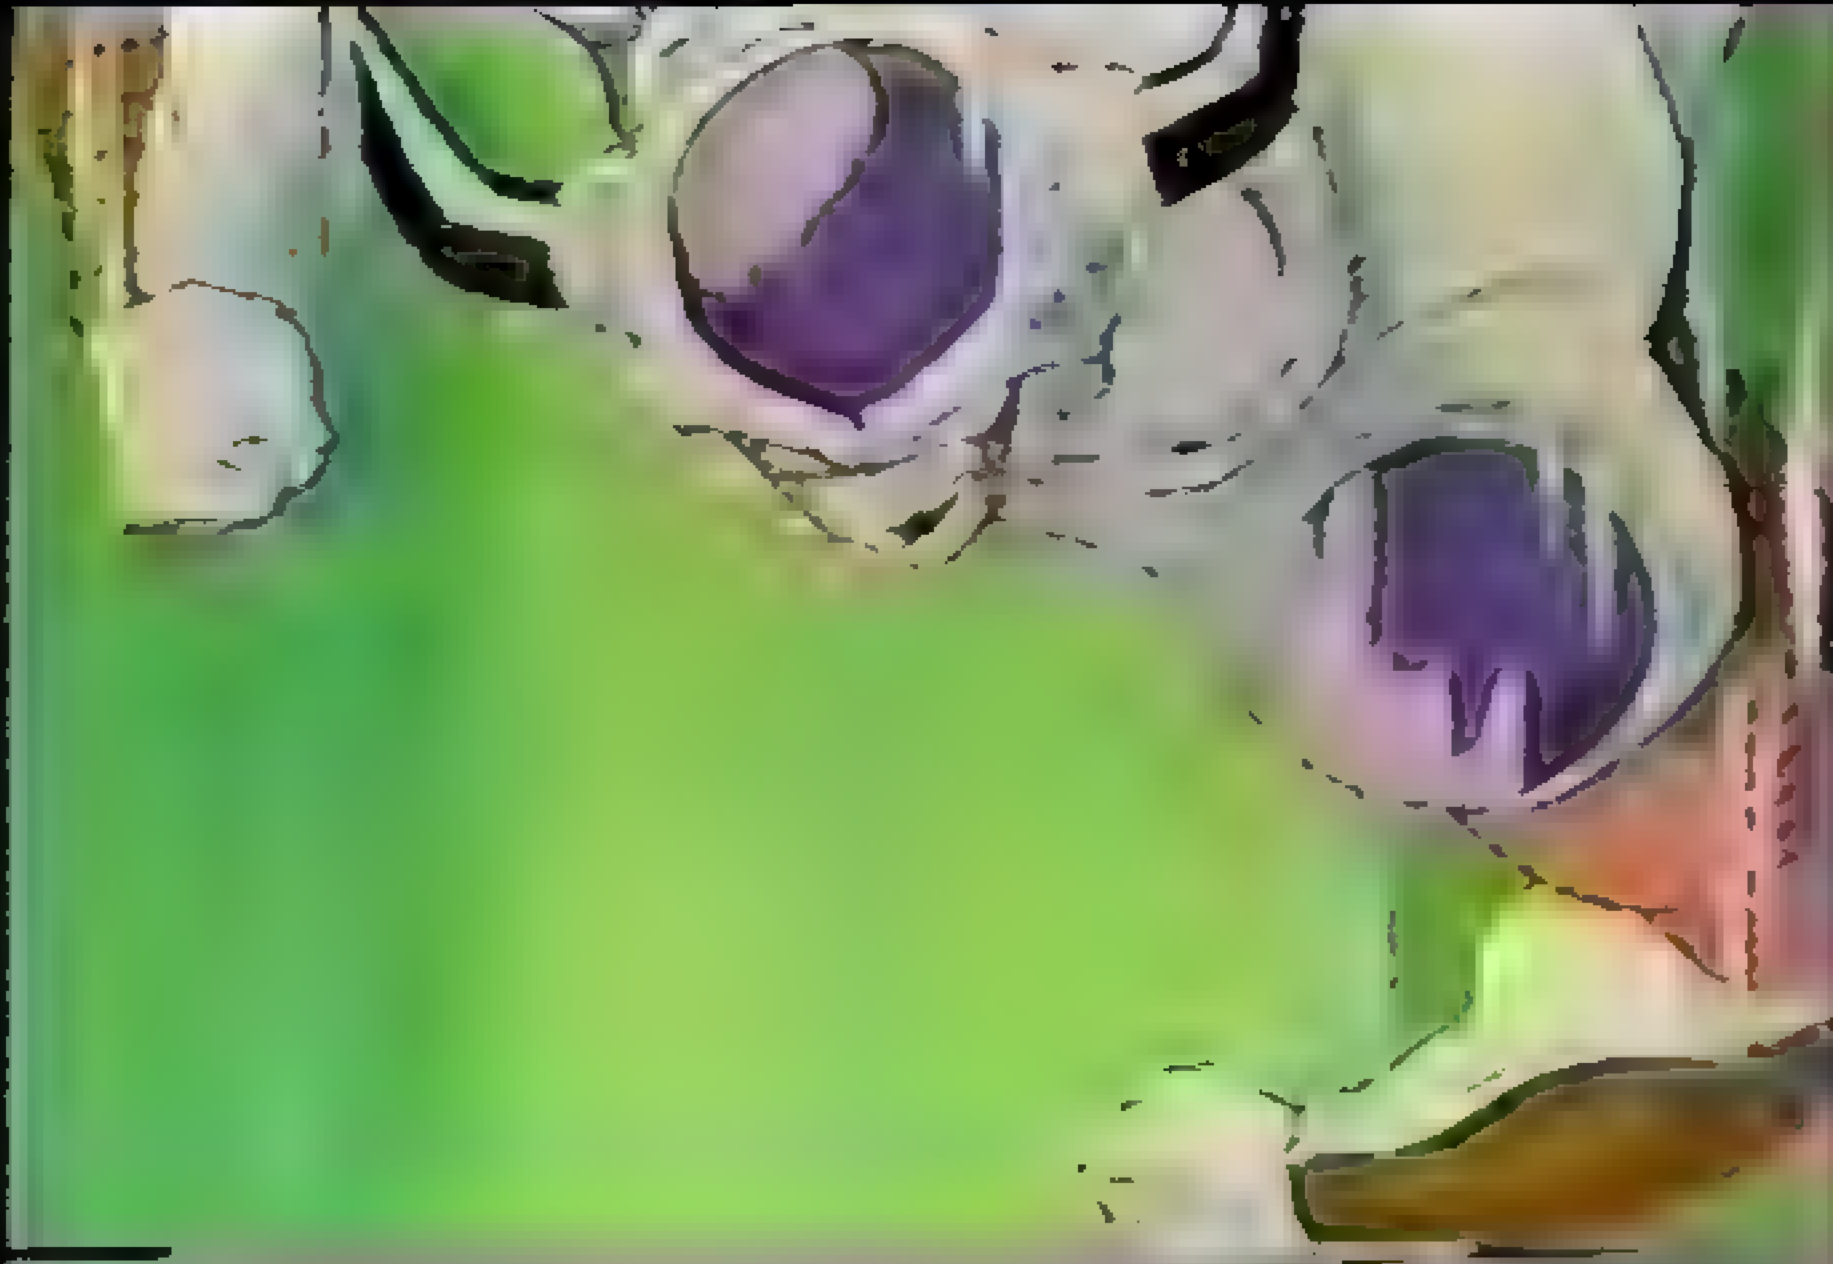

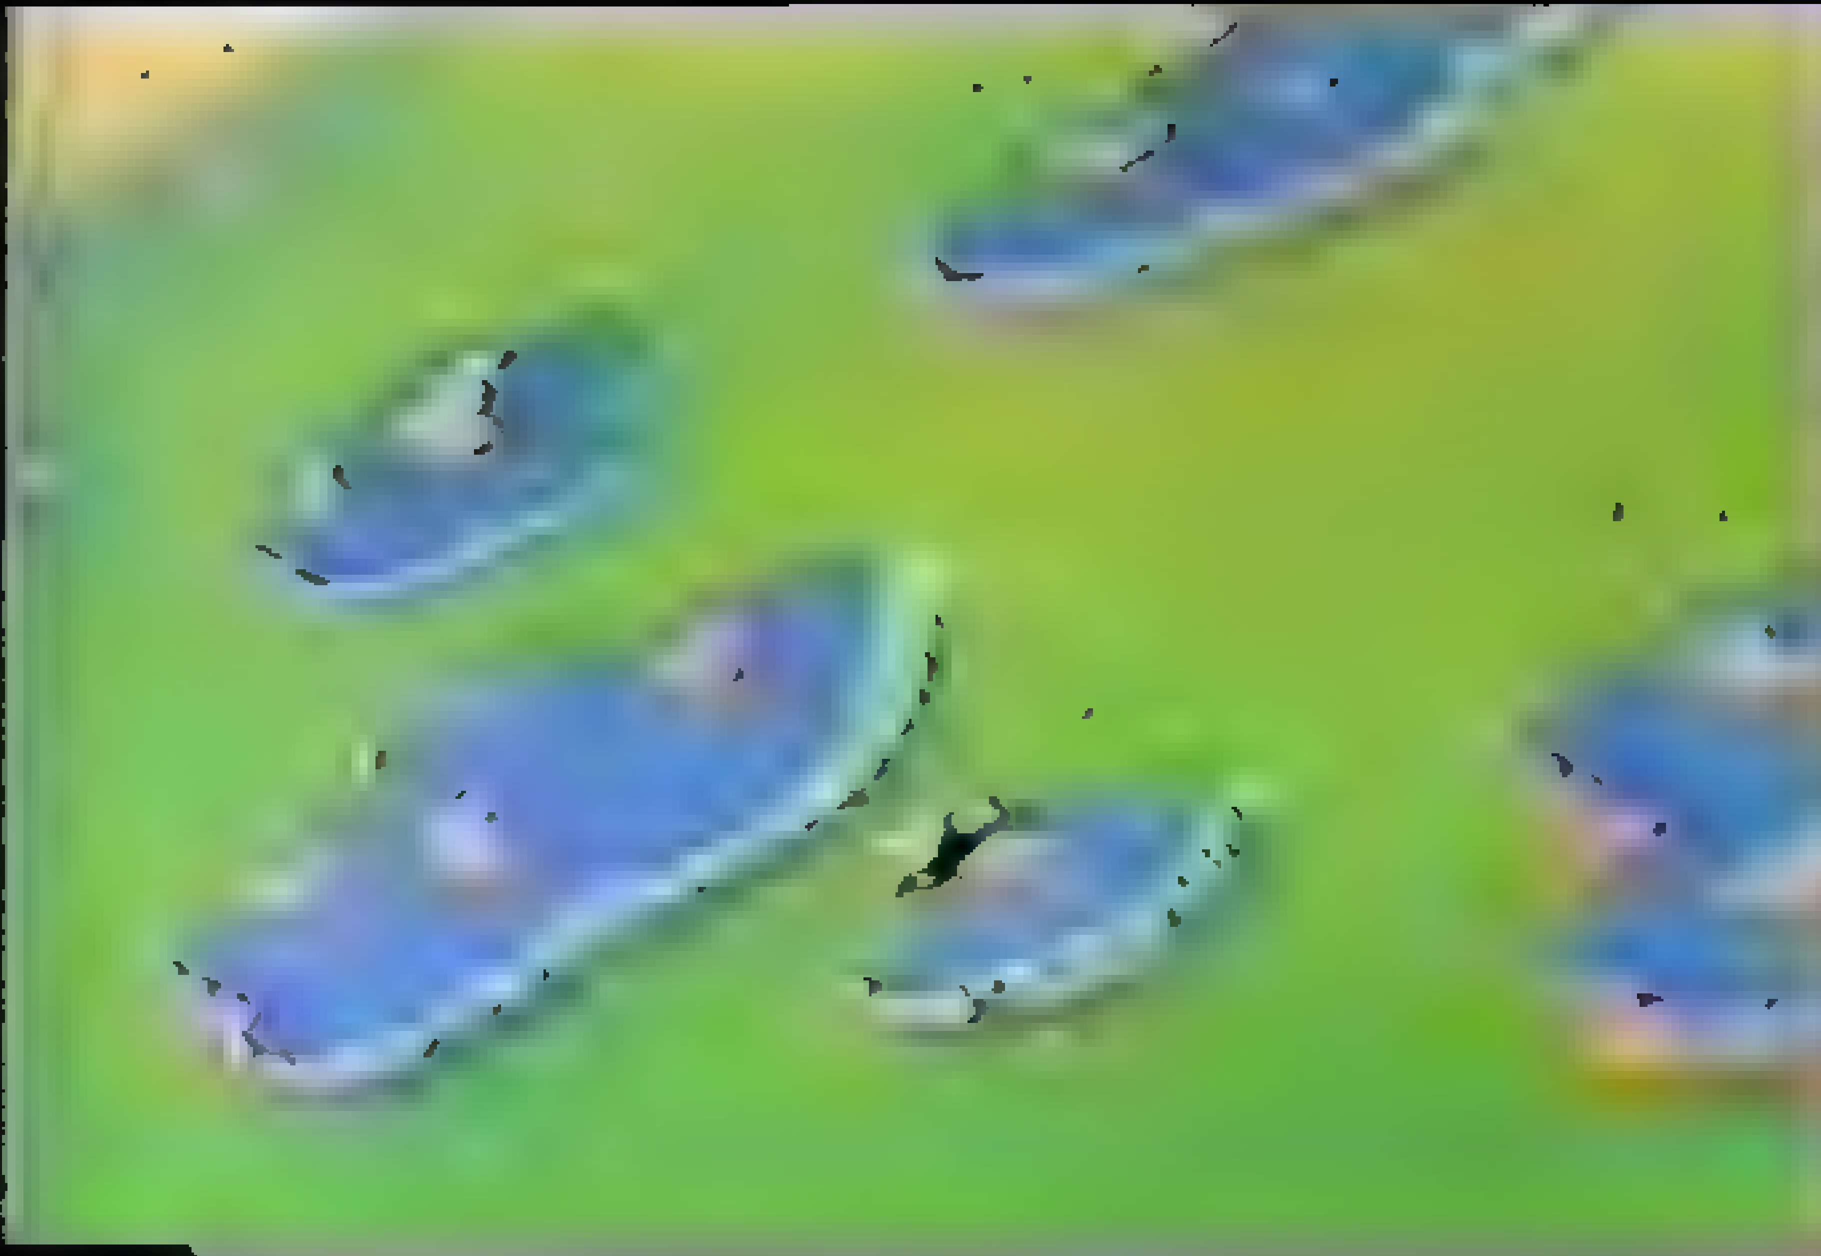

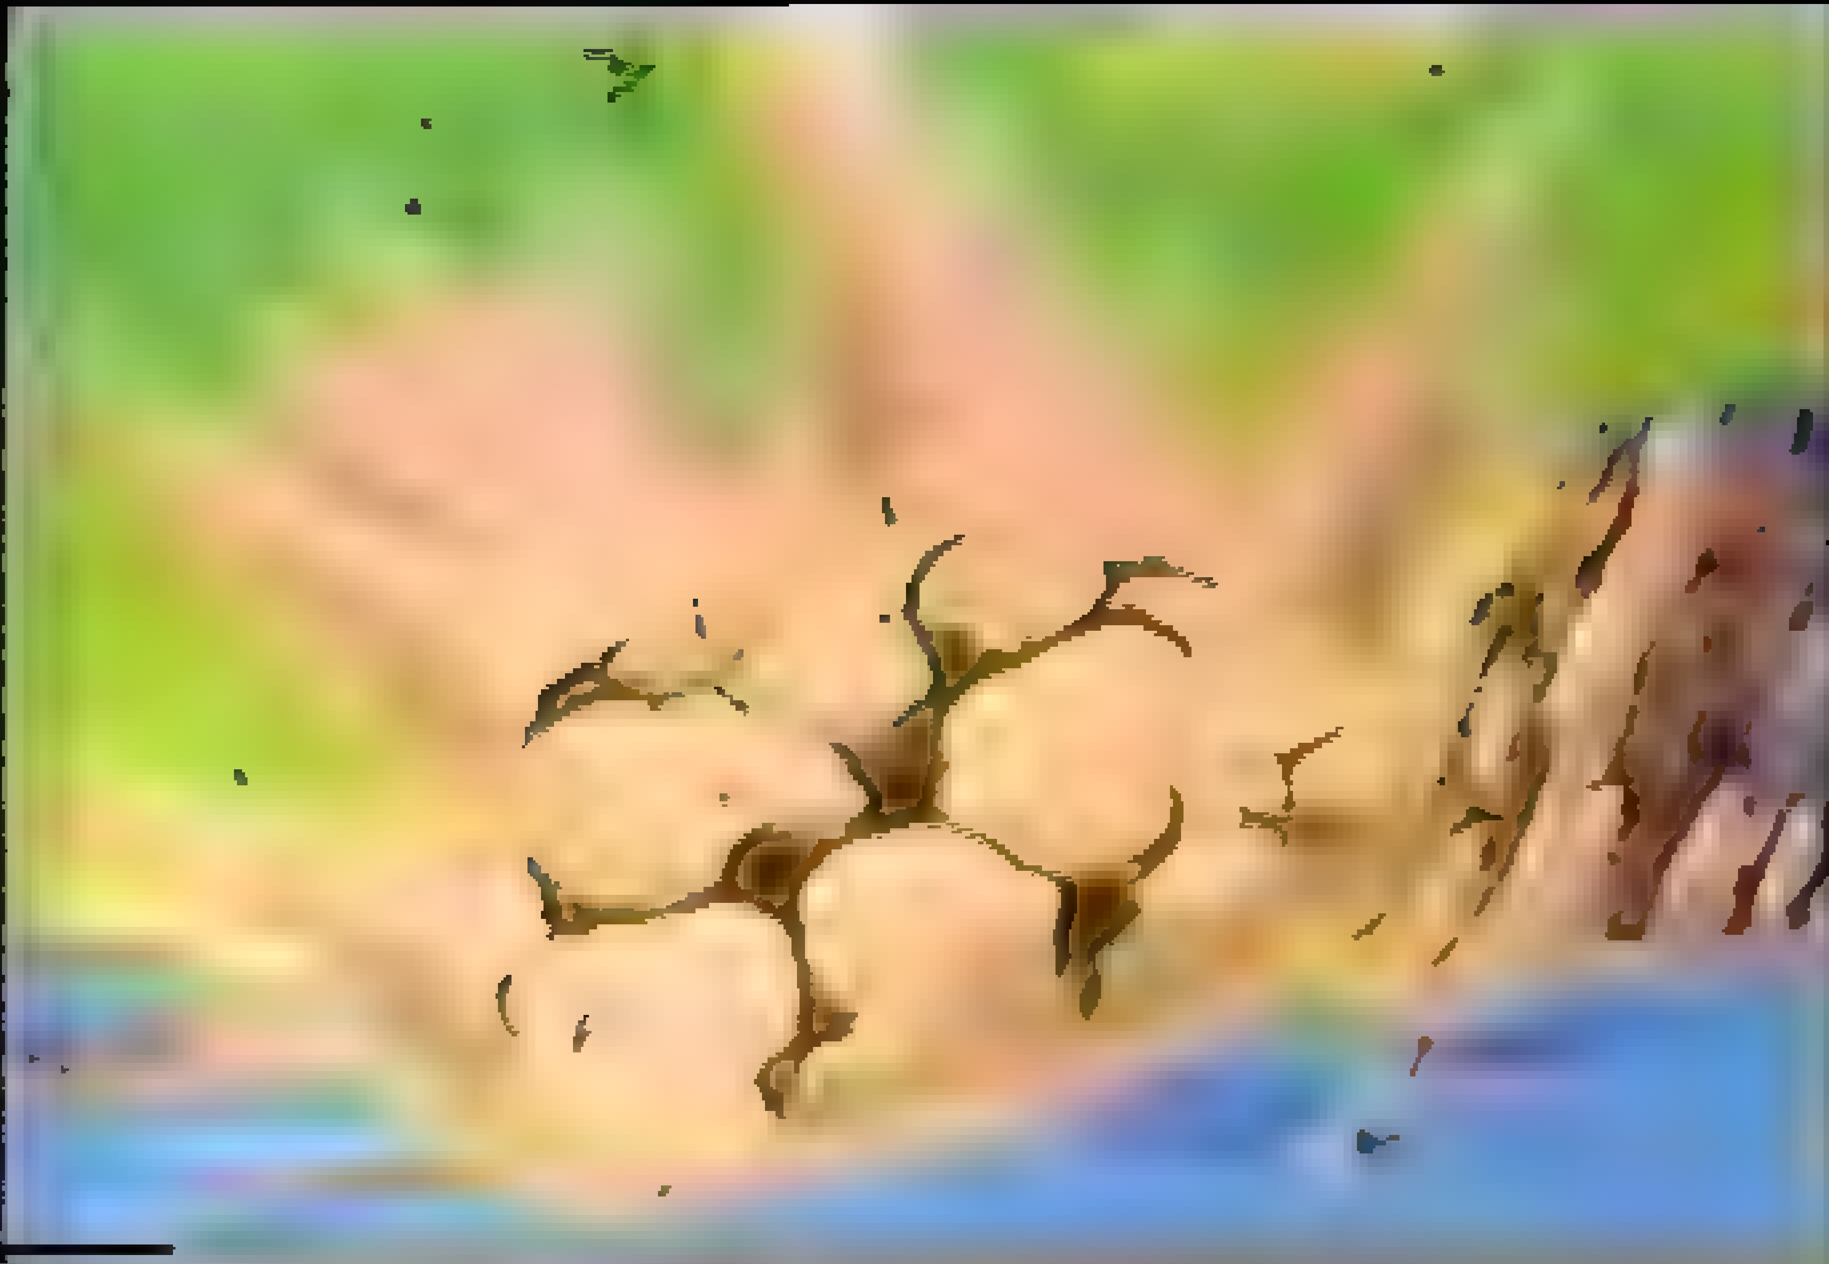

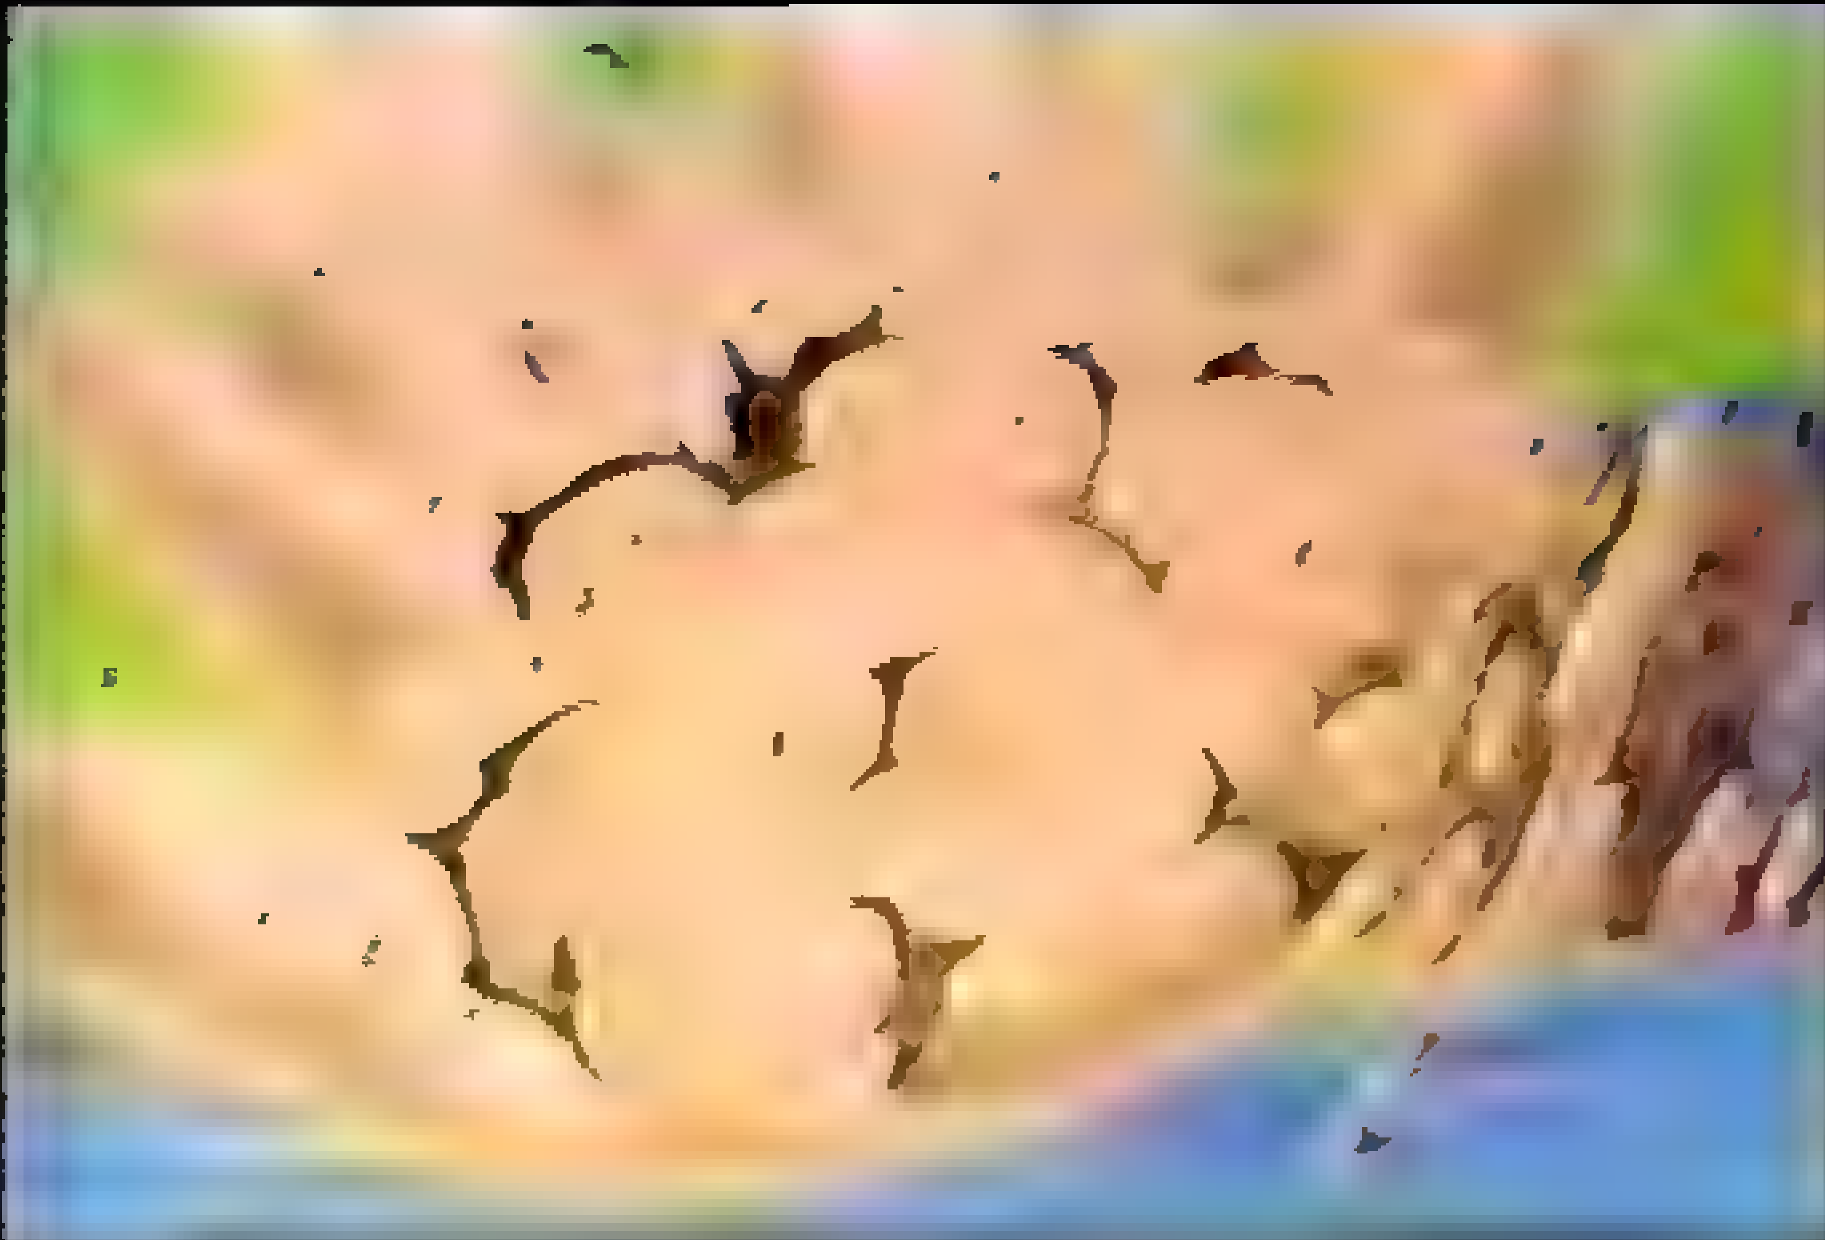

He's fast! But I should
be faster

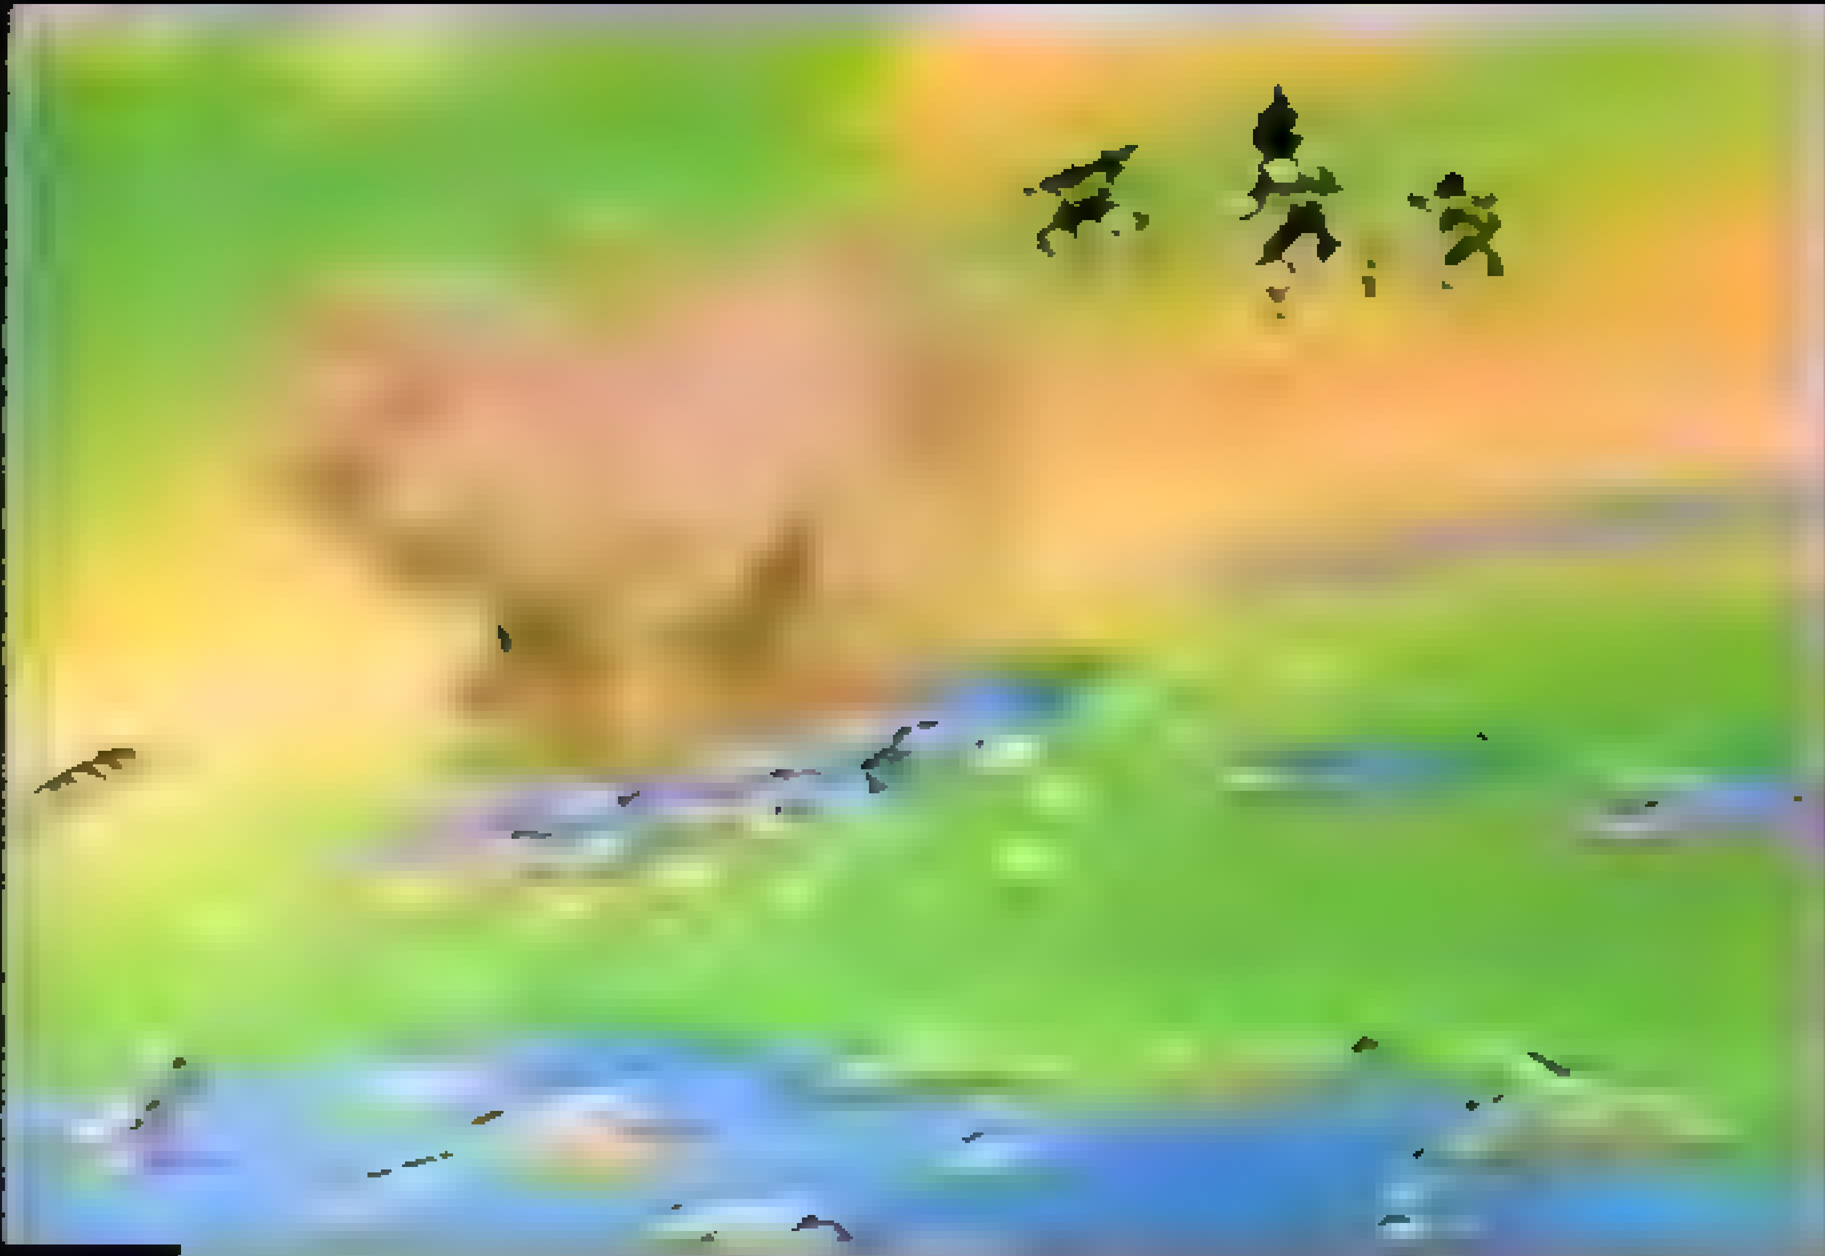

He's fast! But I should
be faster!

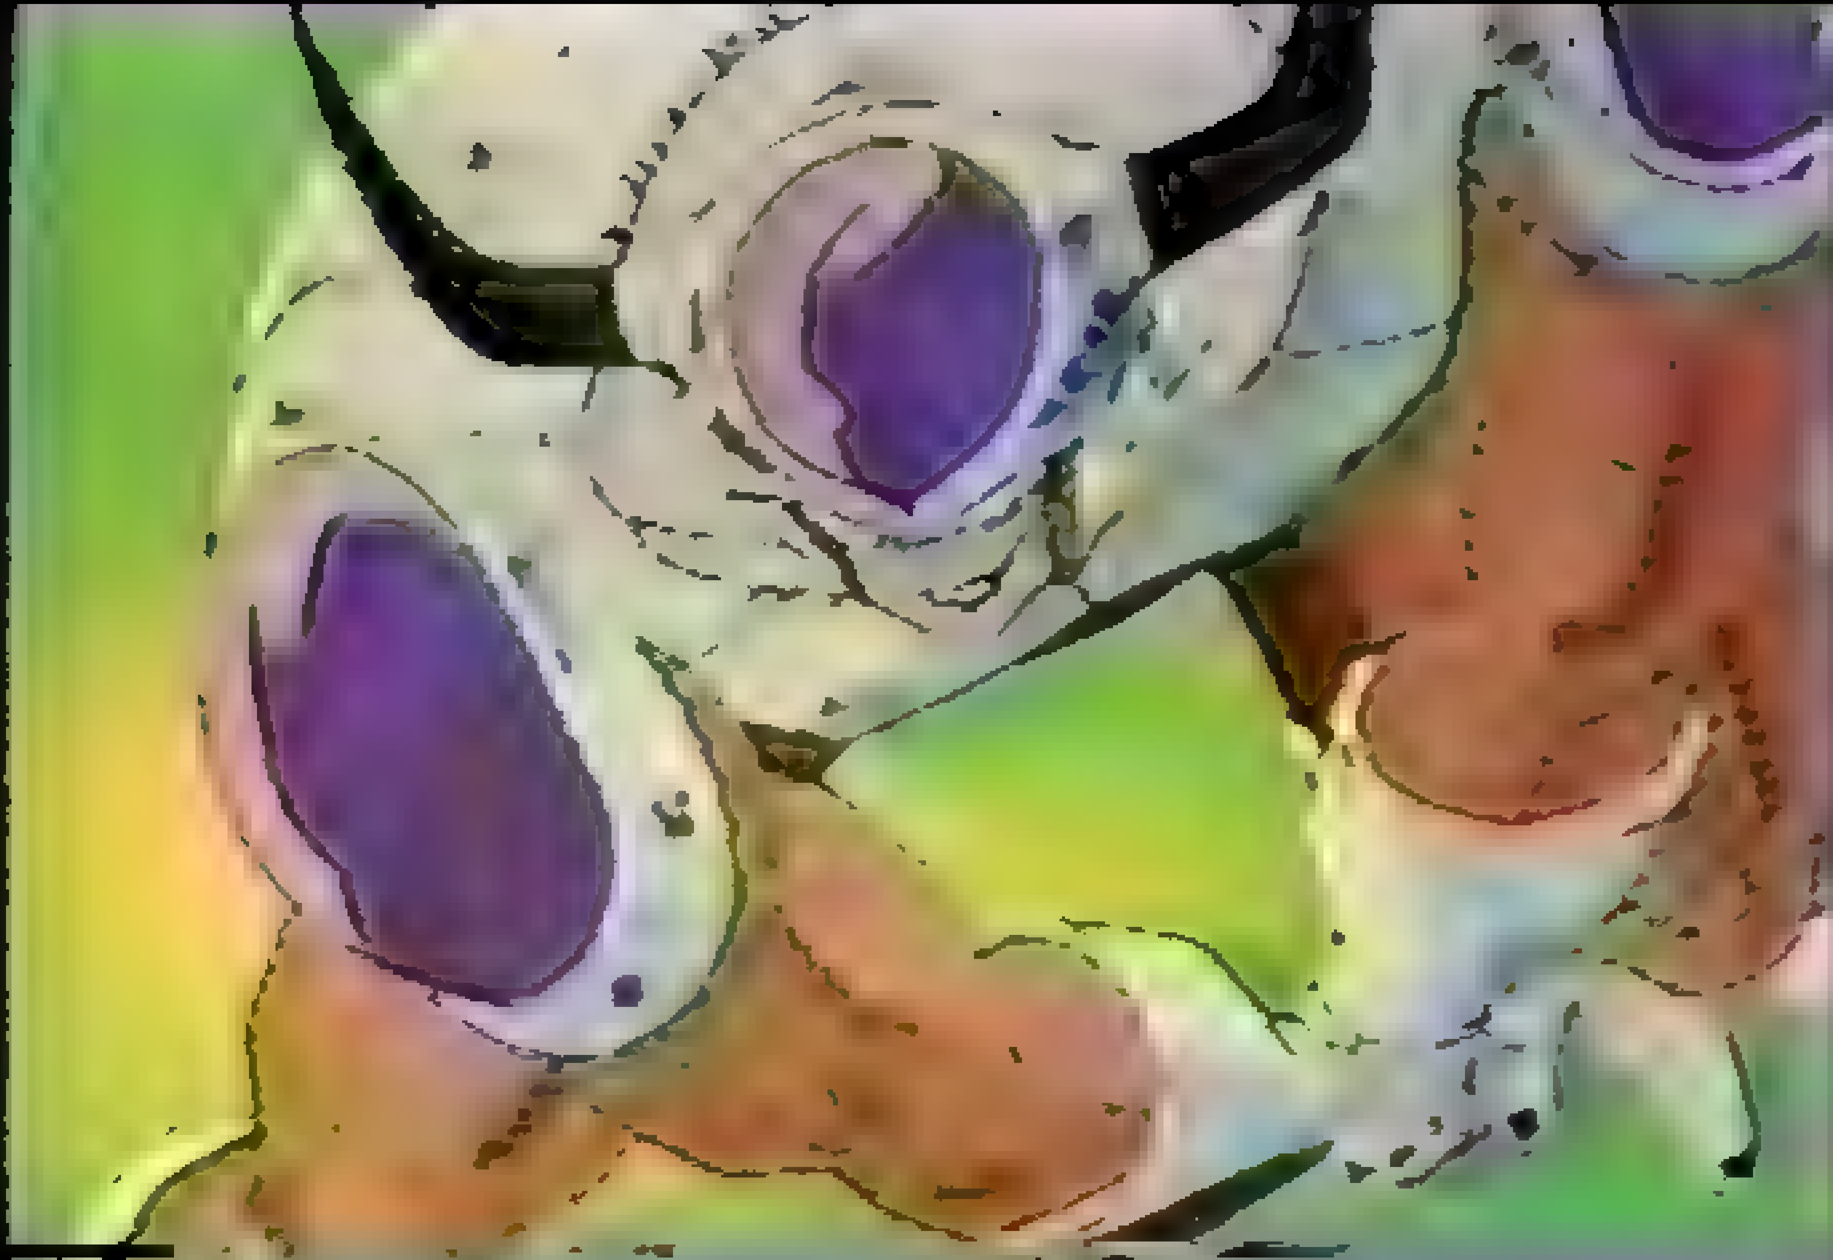

Kuiin_!

Unbelievable! He wasn't really
fighting seriously before.

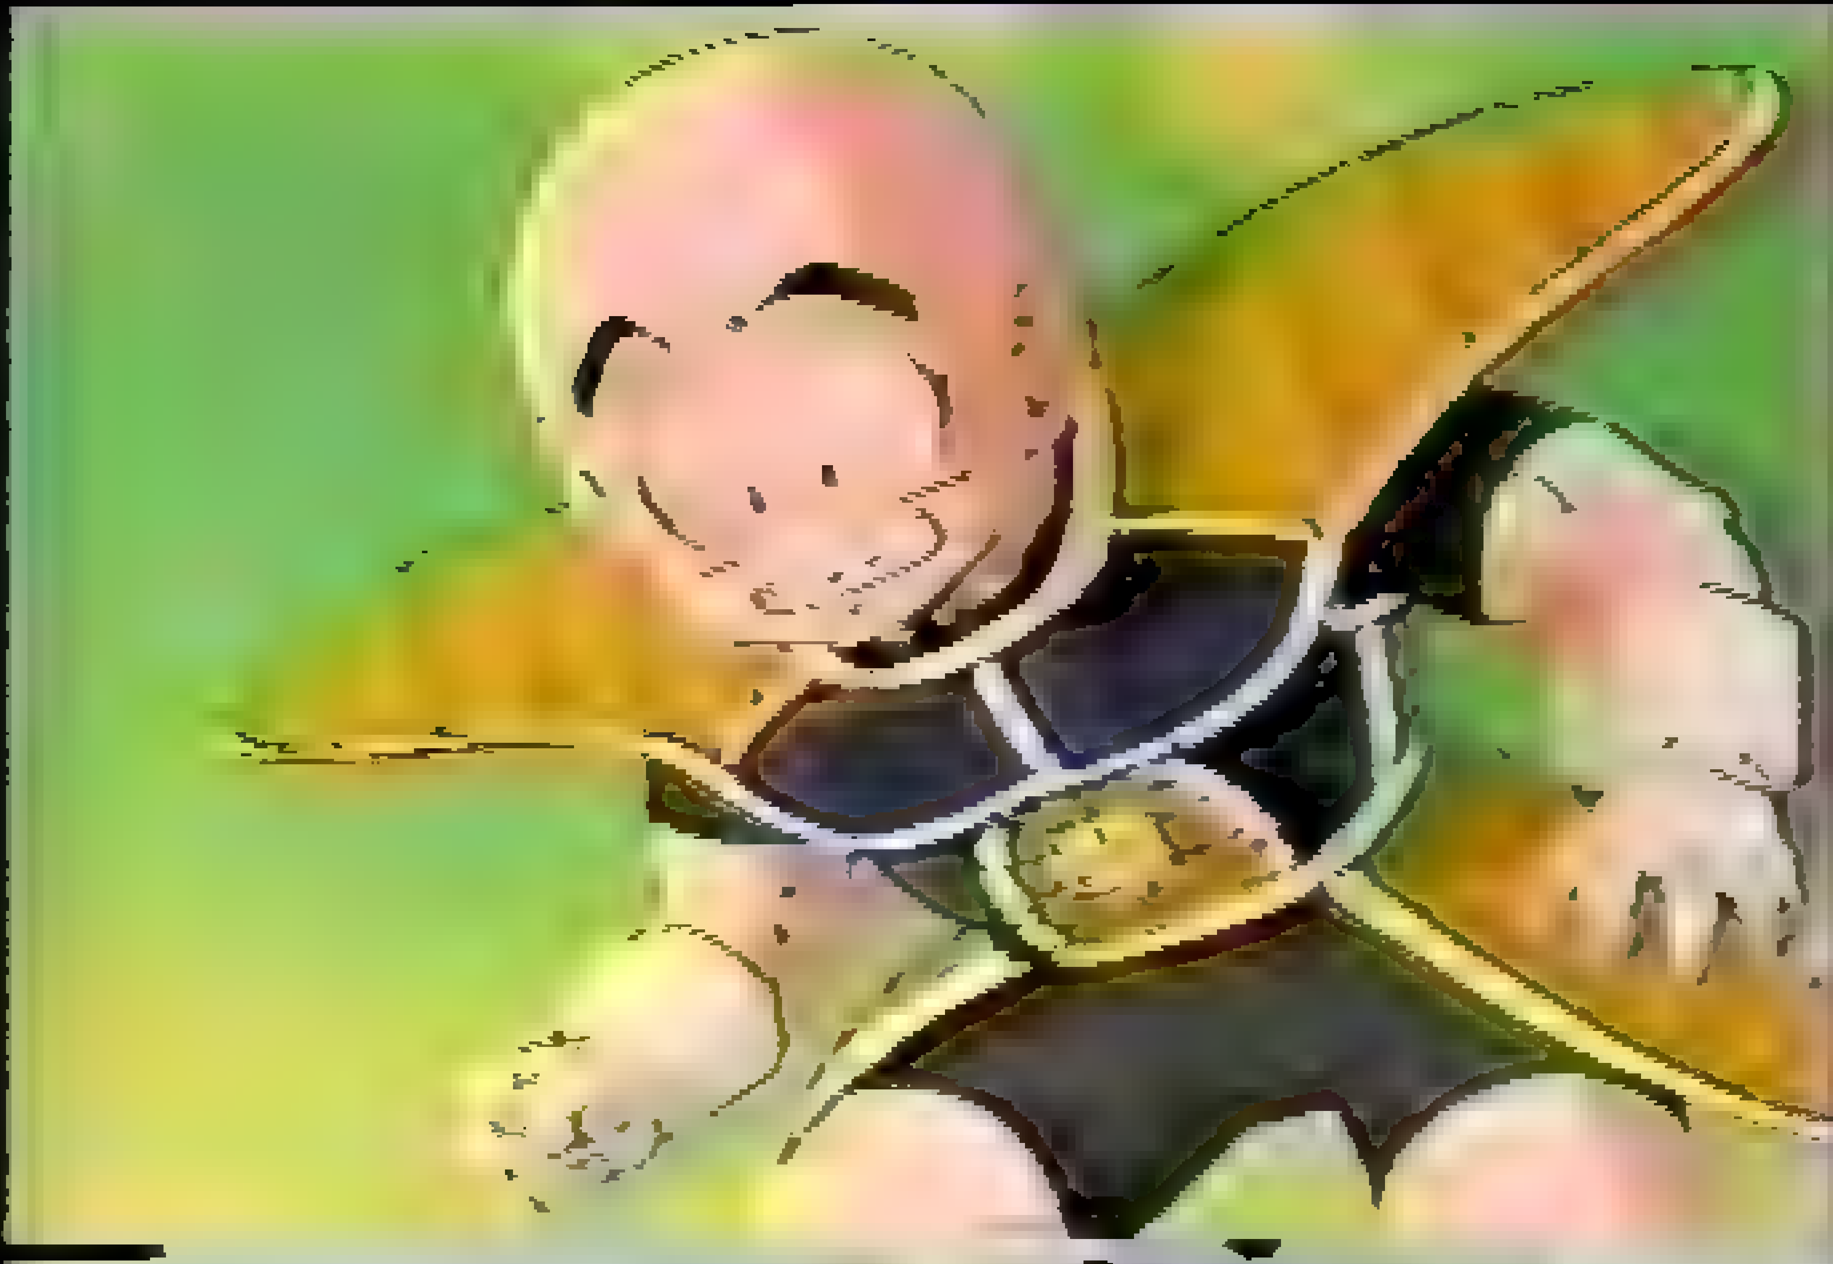

Unbelievable! He wasn't really
fighting seriously before.

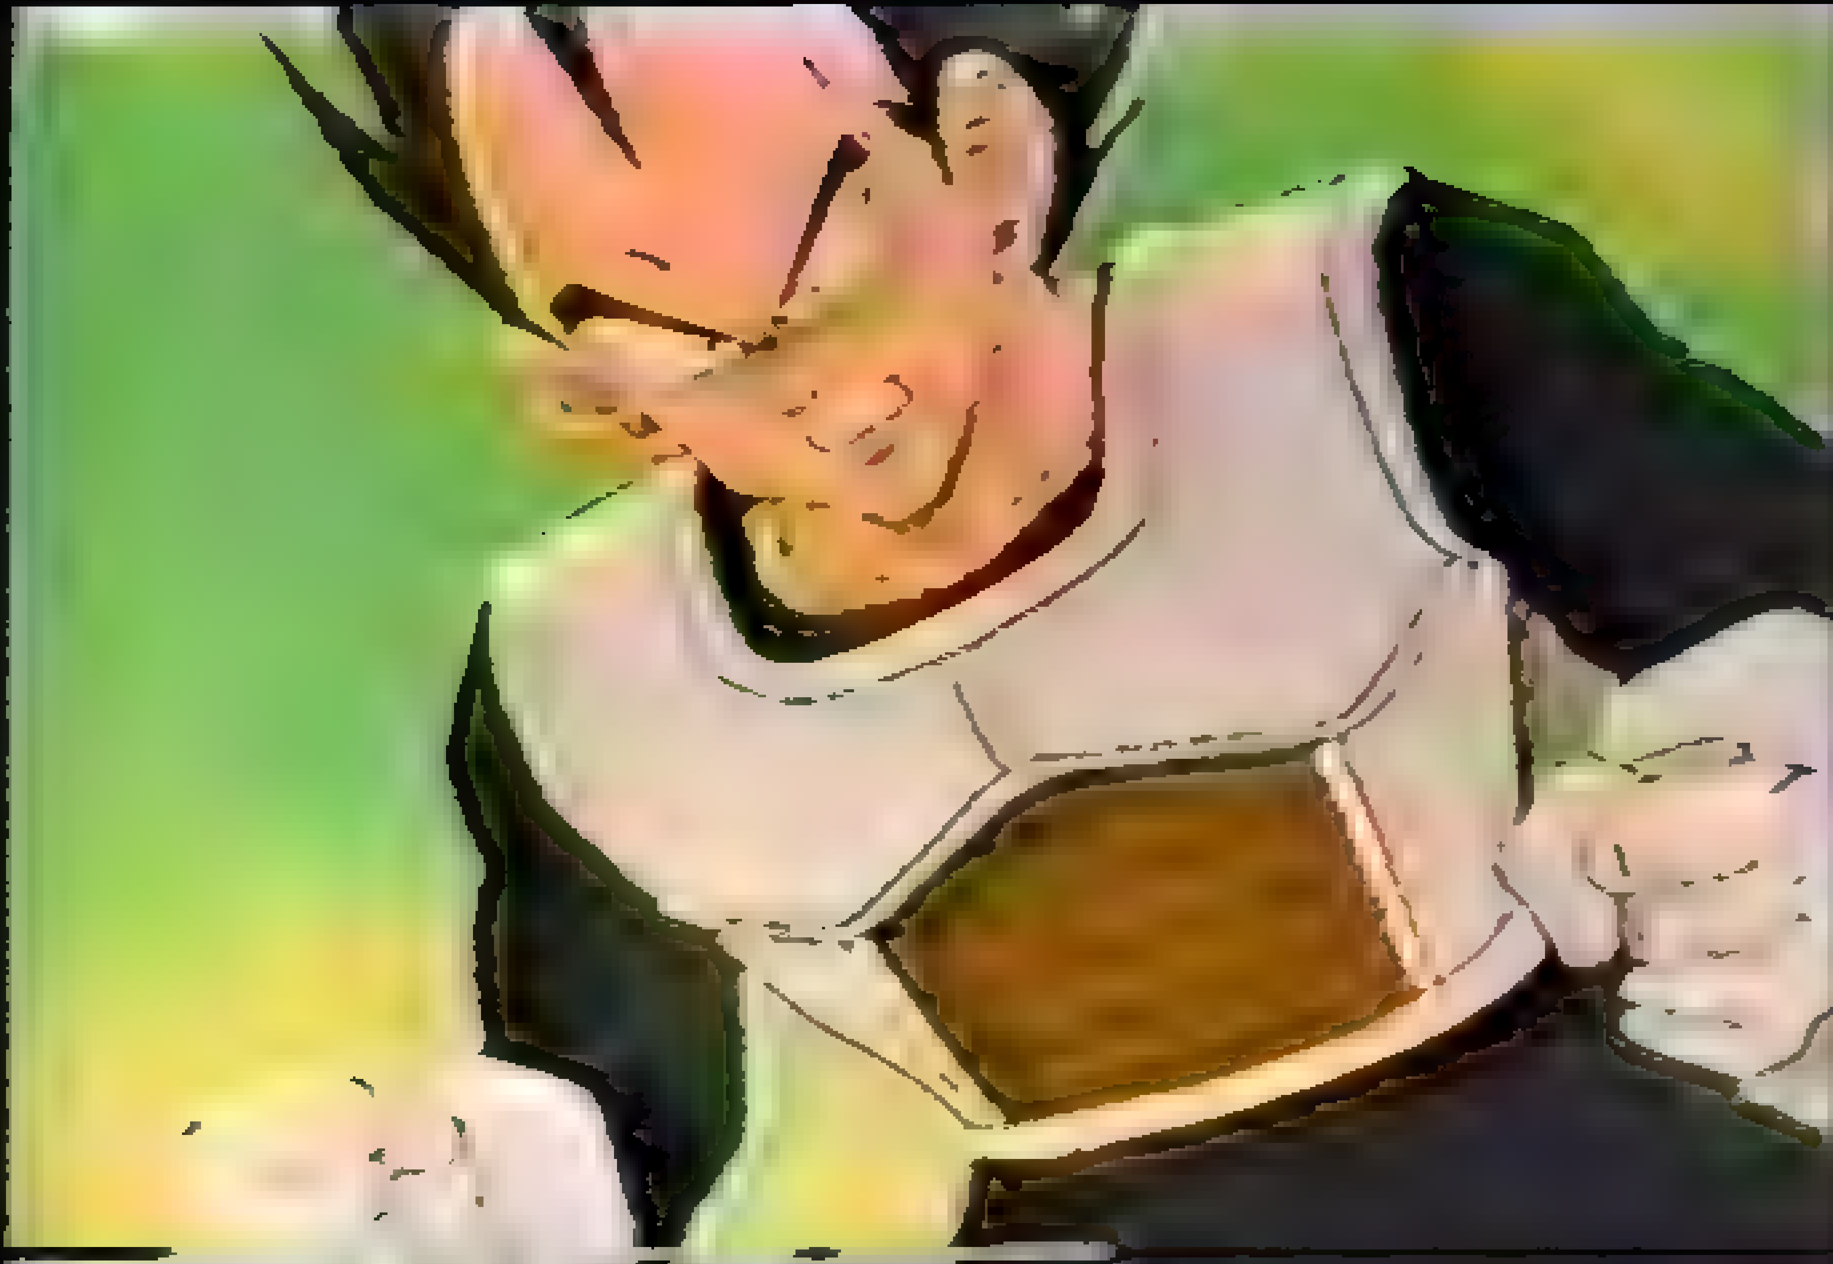

What can I do?
What's my best way out?

What can I do?
What's my best way out?

Getting our hopes up for nothing!

Getting our hopes up for nothing!

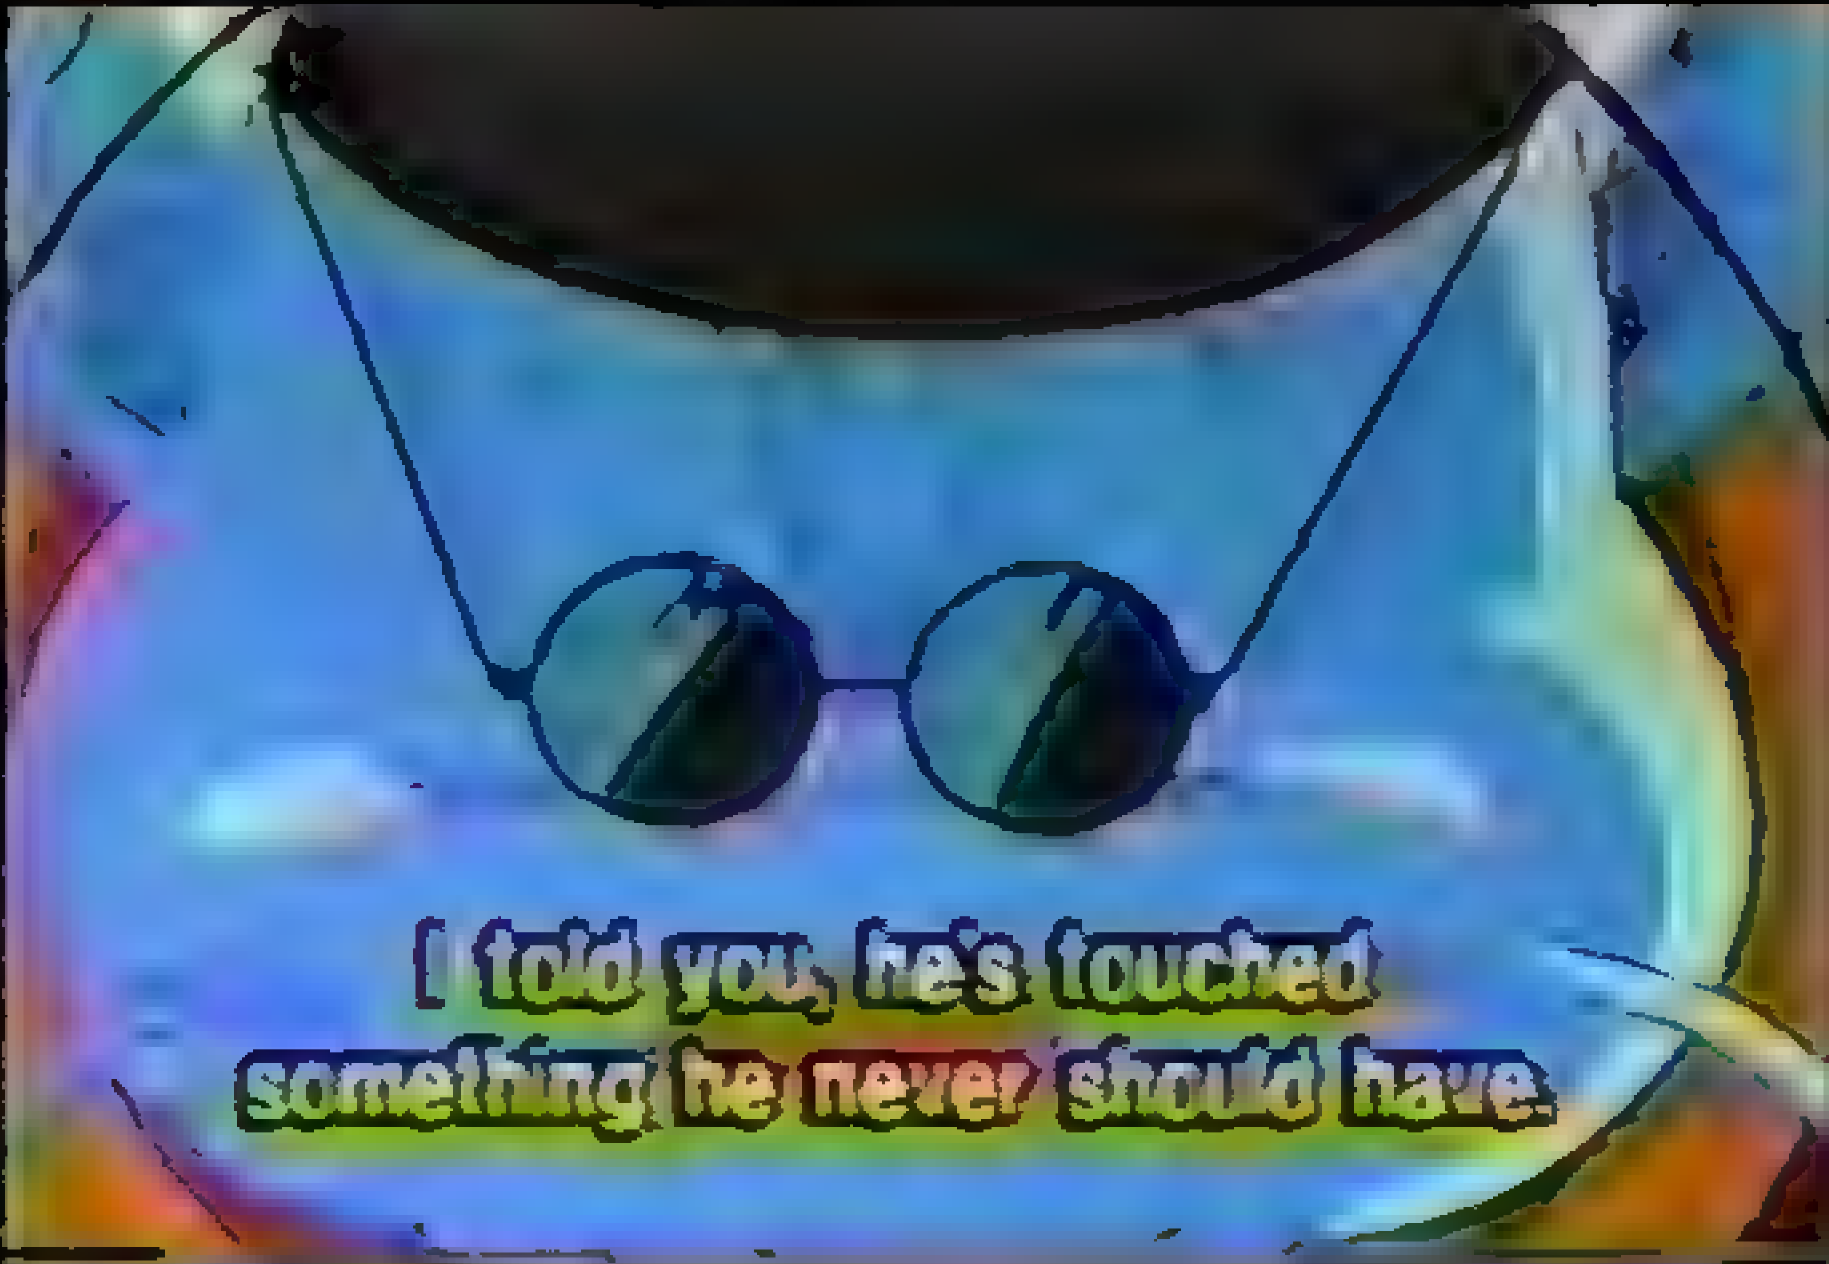

That Freezer is incredible

Piccolo!

Lord Kaio!

I told you, he's touched
something he never should have

I told you, he's touched
something he never should have.

I told you, he's touched
something he never should have.

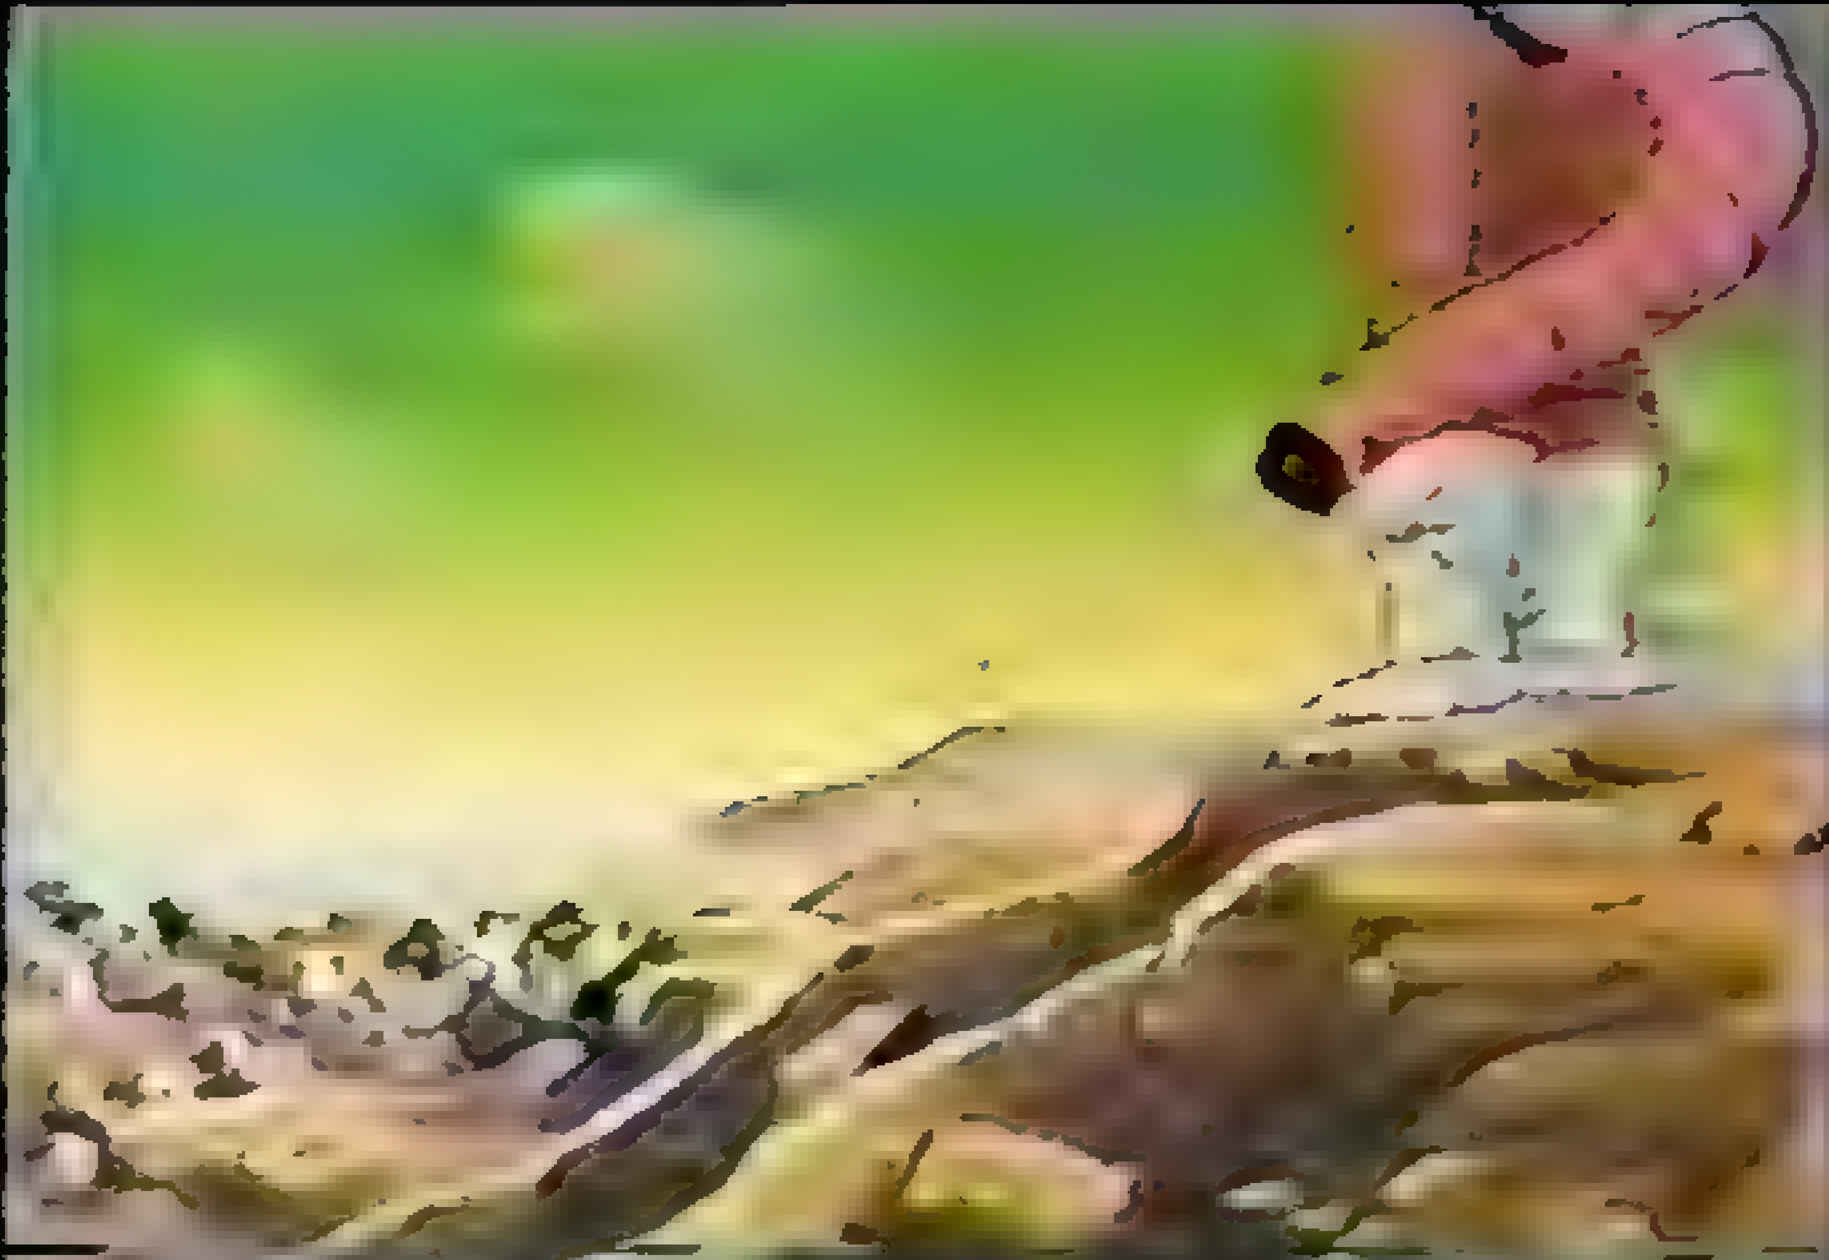

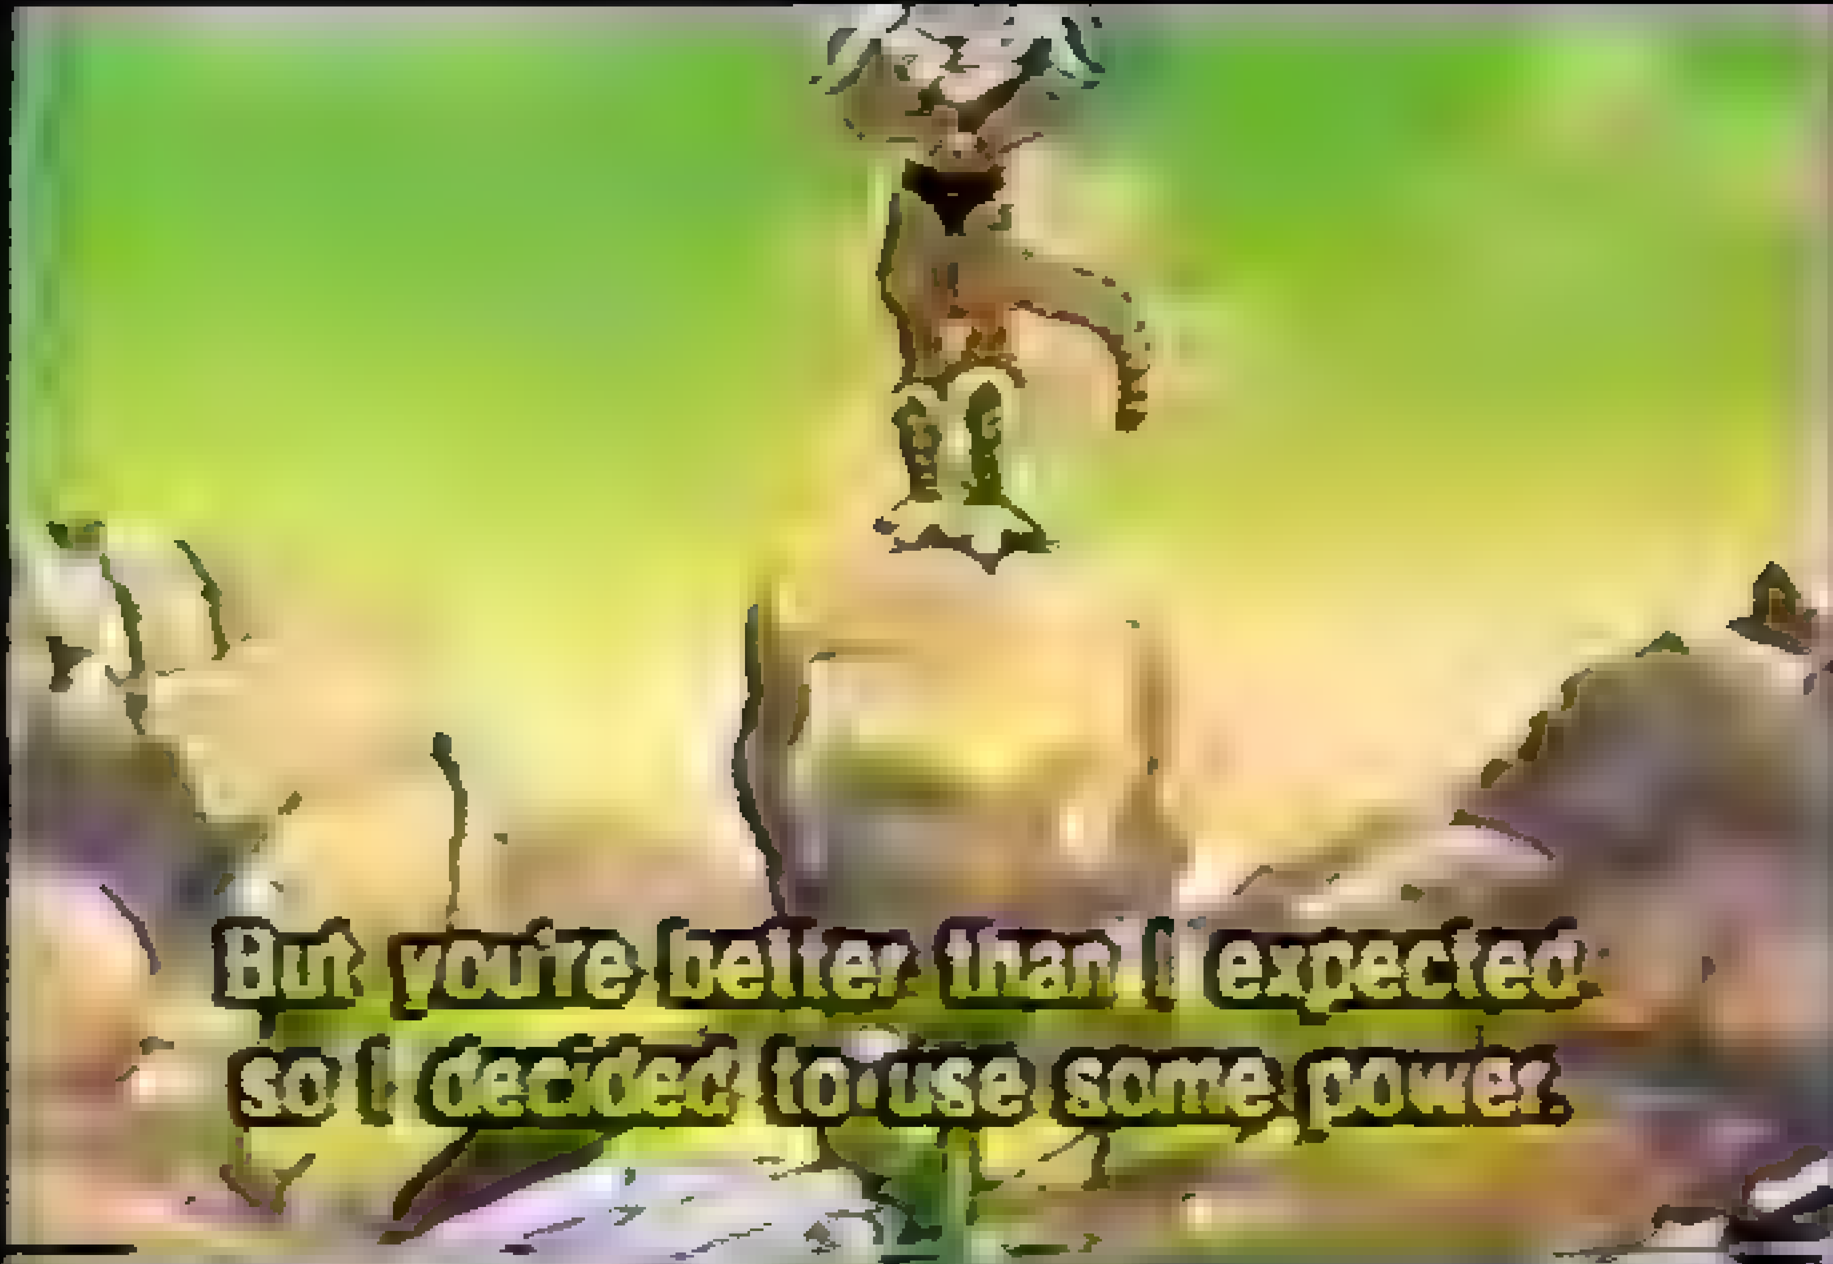

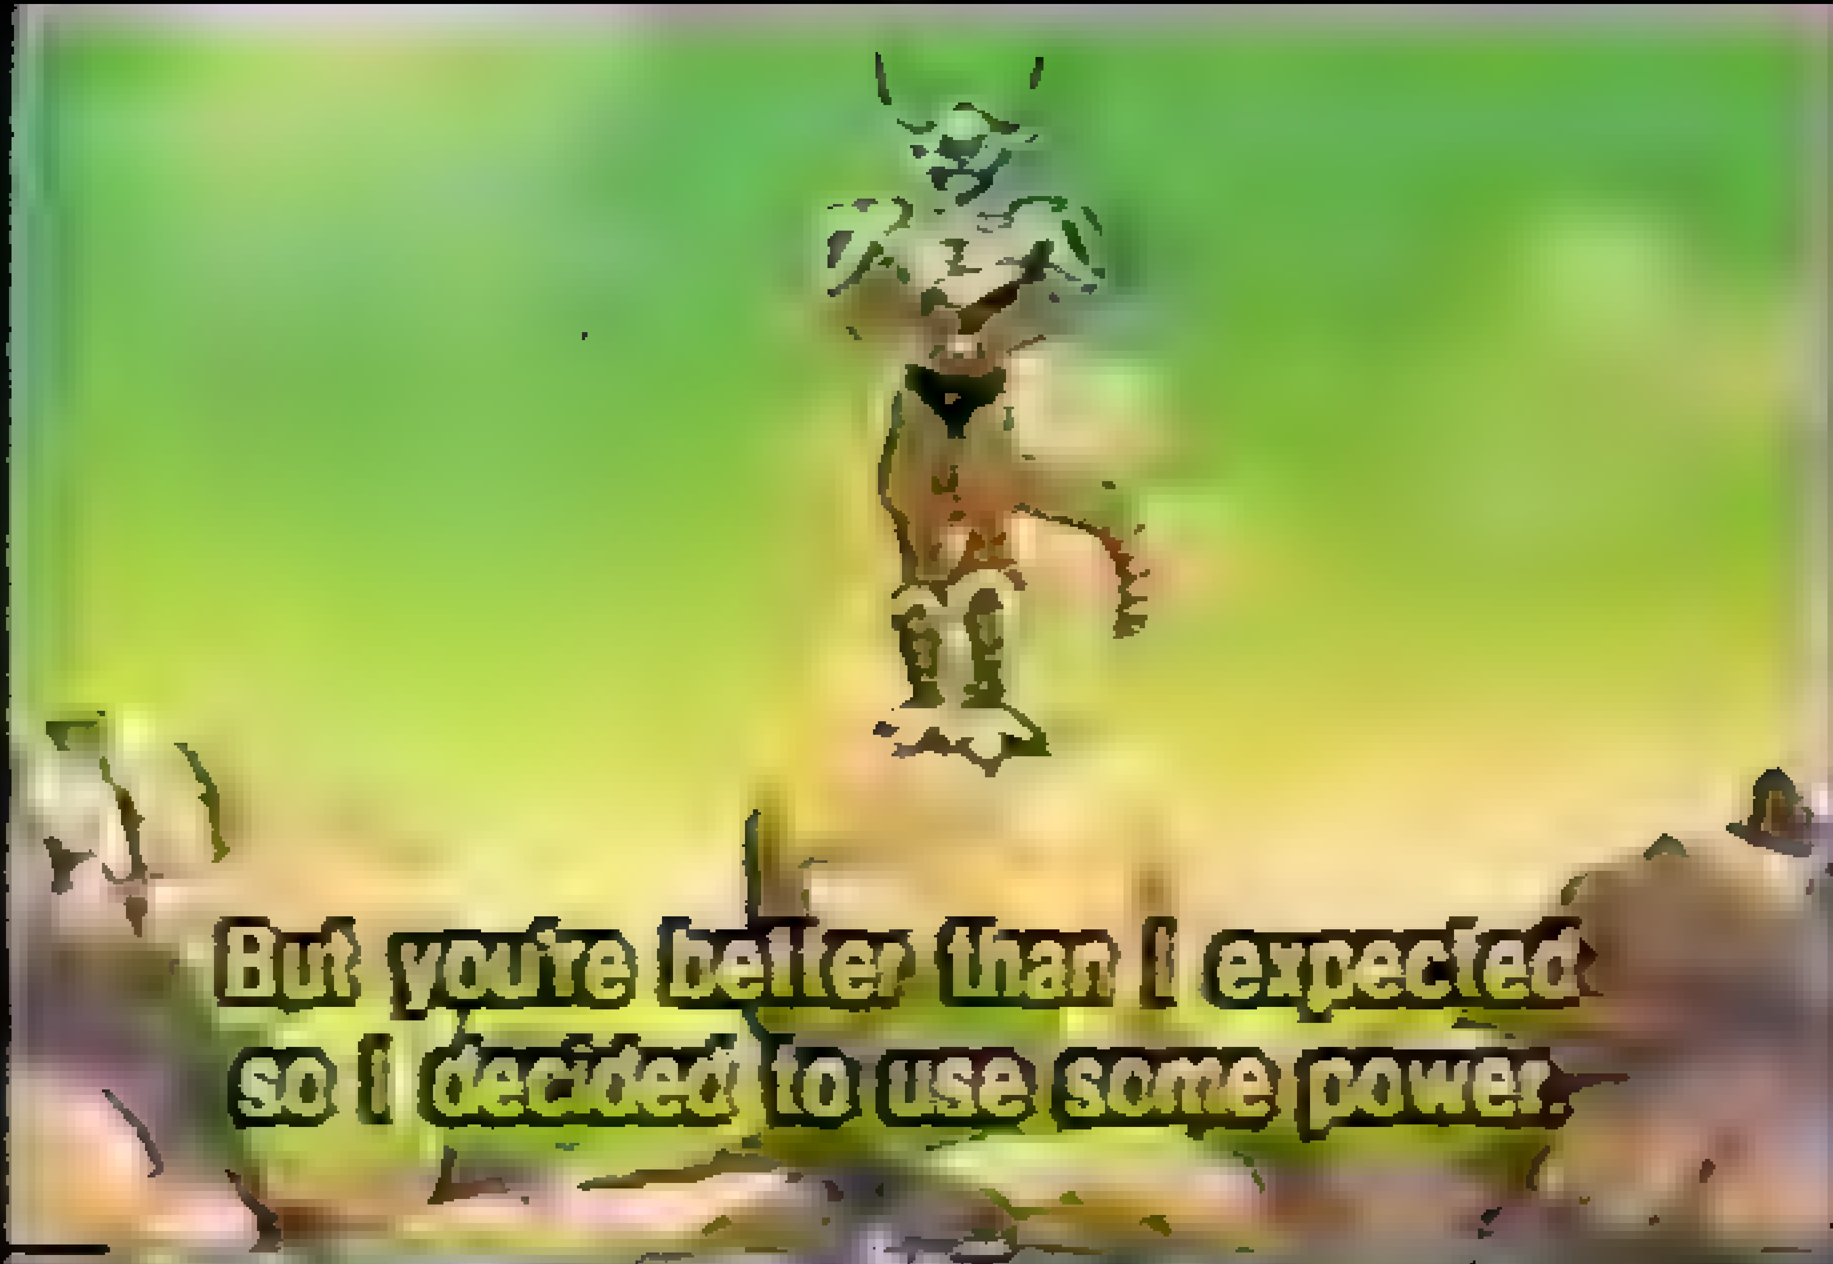

Sorry about that.
I didn't take you seriously.

Sorry about that.
I didn't take you seriously.

But you're better than I expected
so I decided to use some power.

But you're better than I expected
so I decided to use some power.

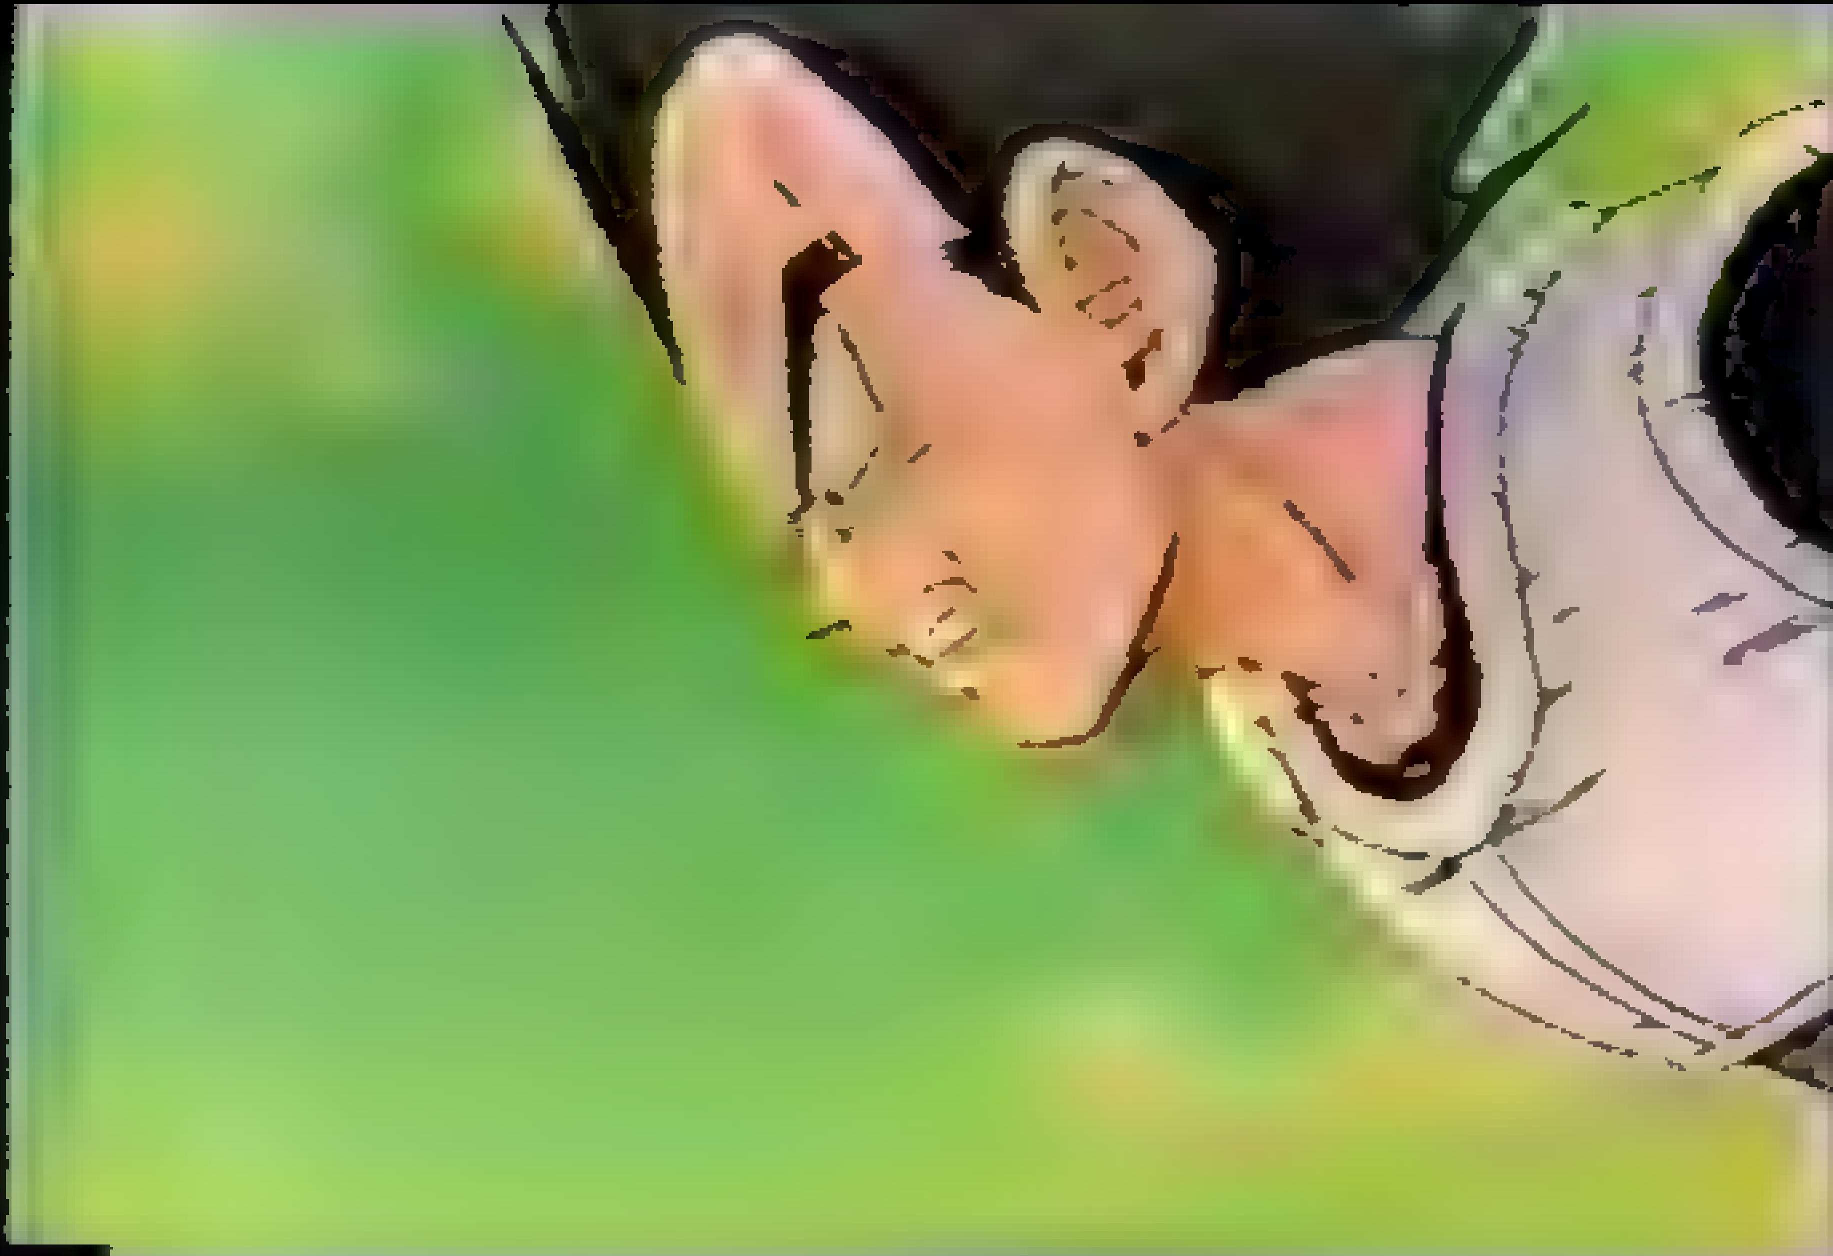

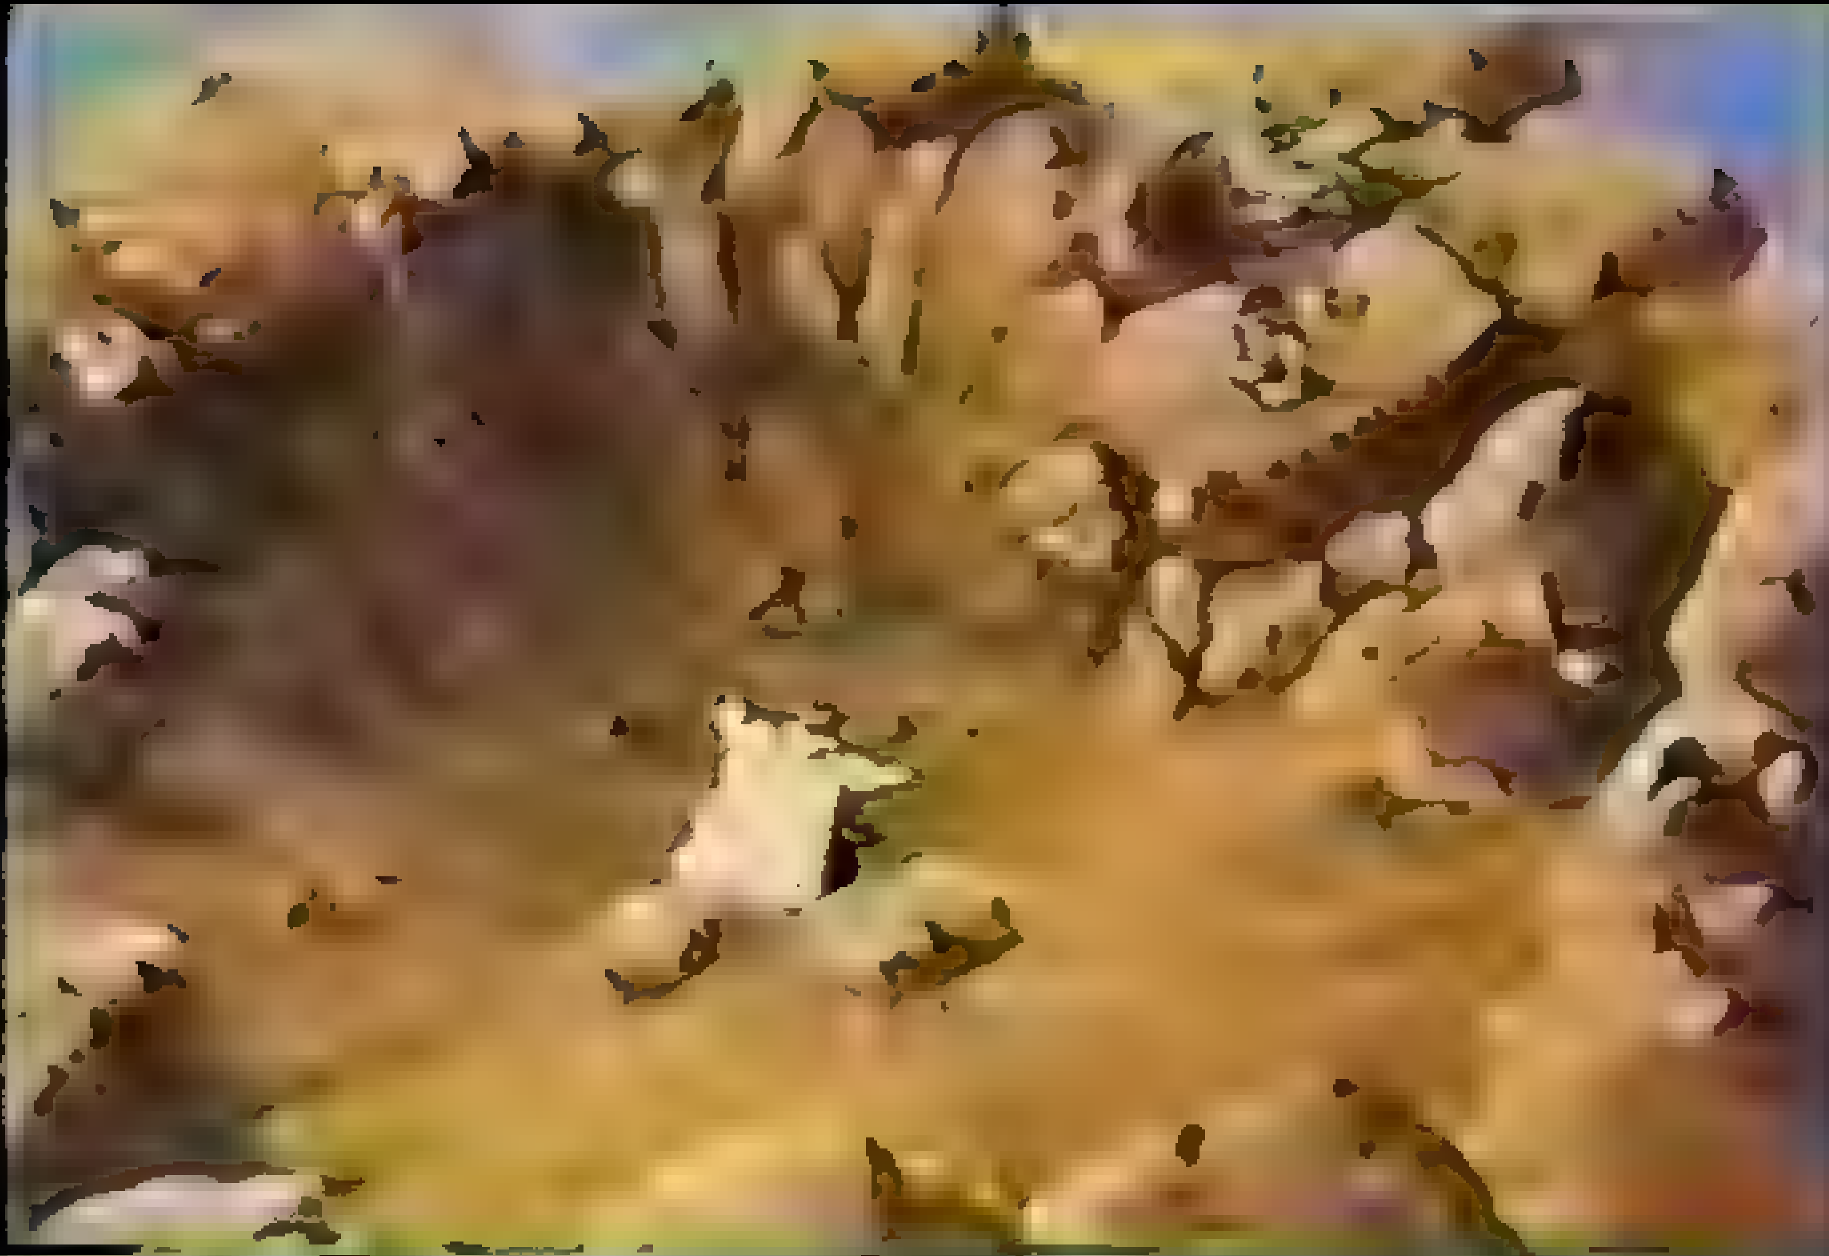

My real power...

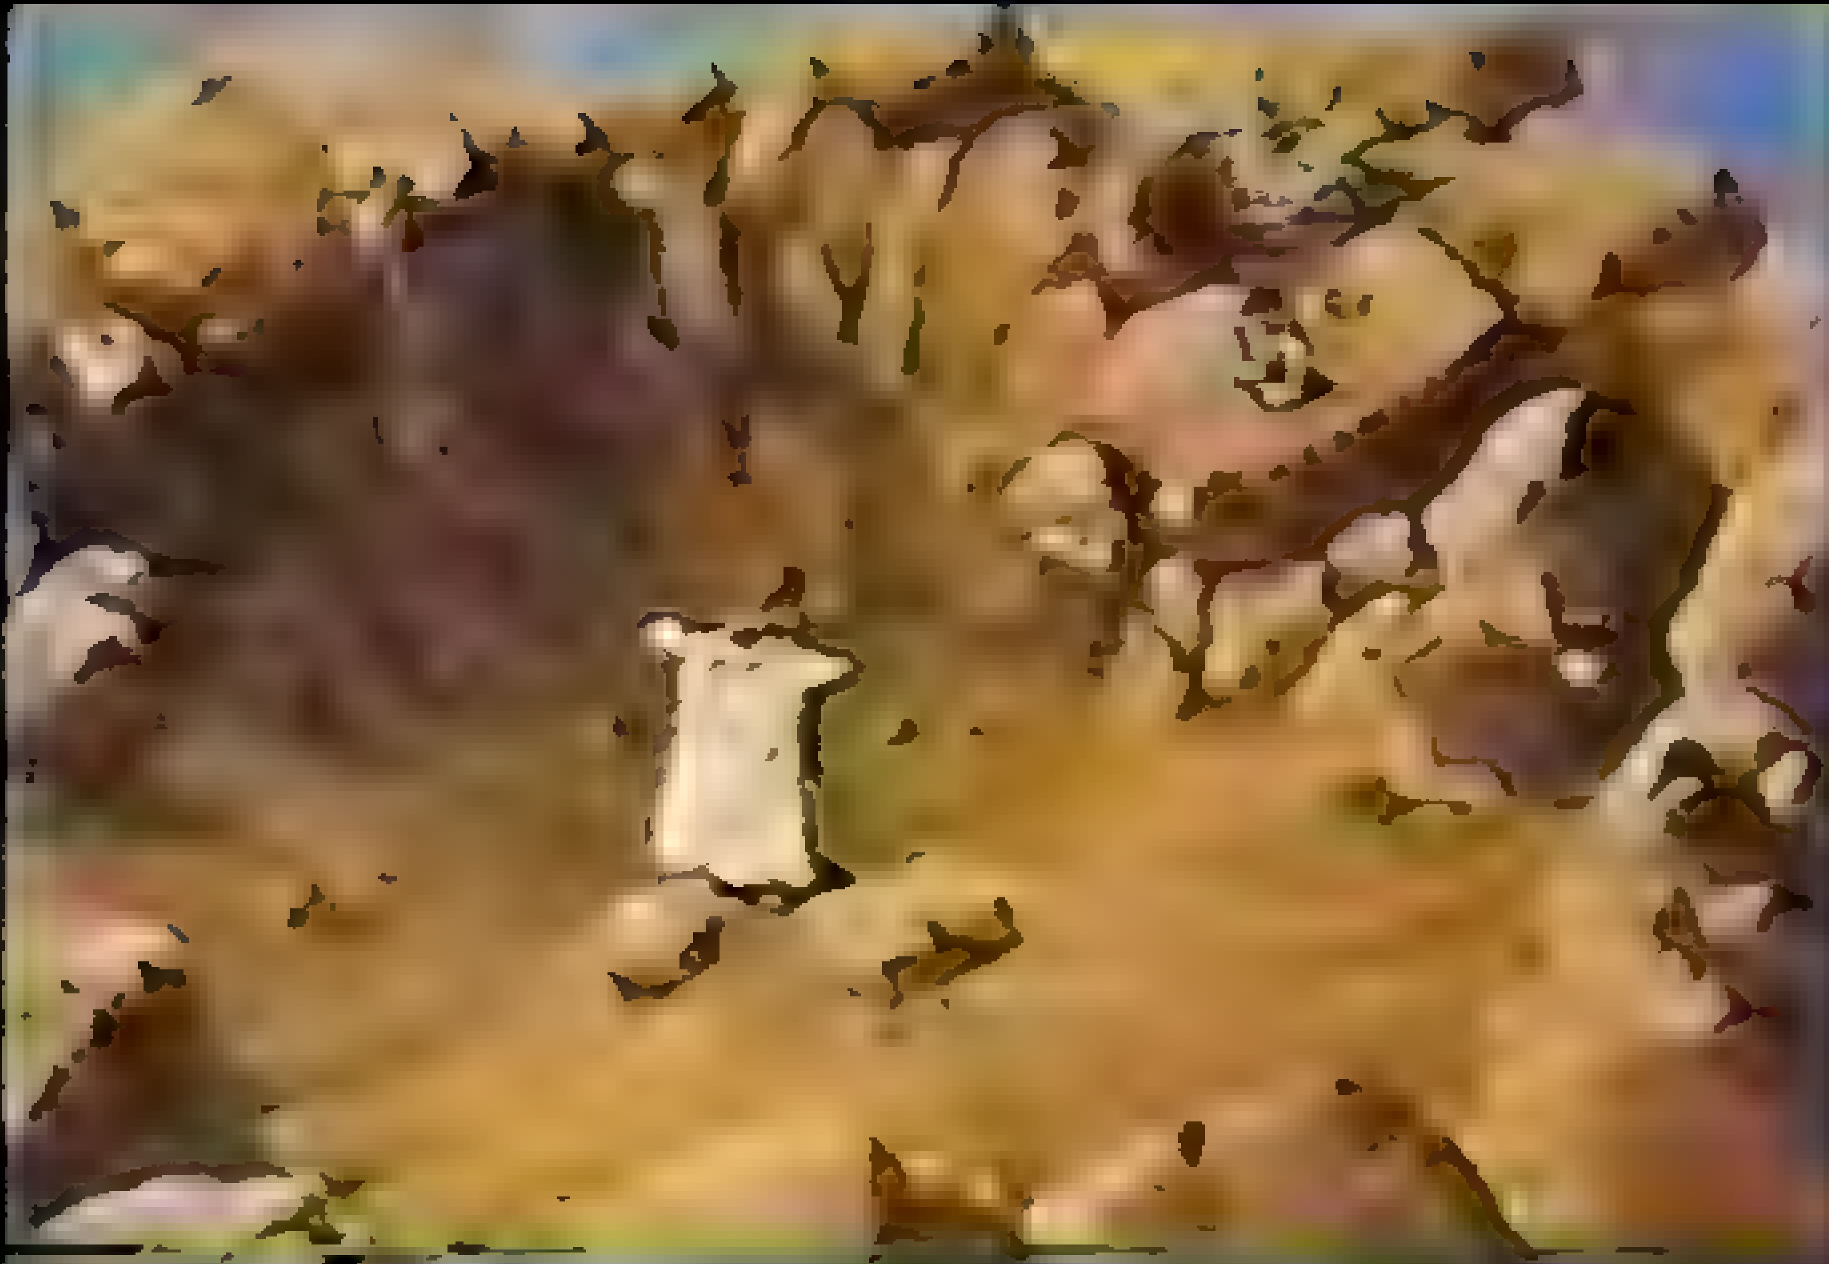

His power is unlimited!

And I intended to battle
a monster like that?

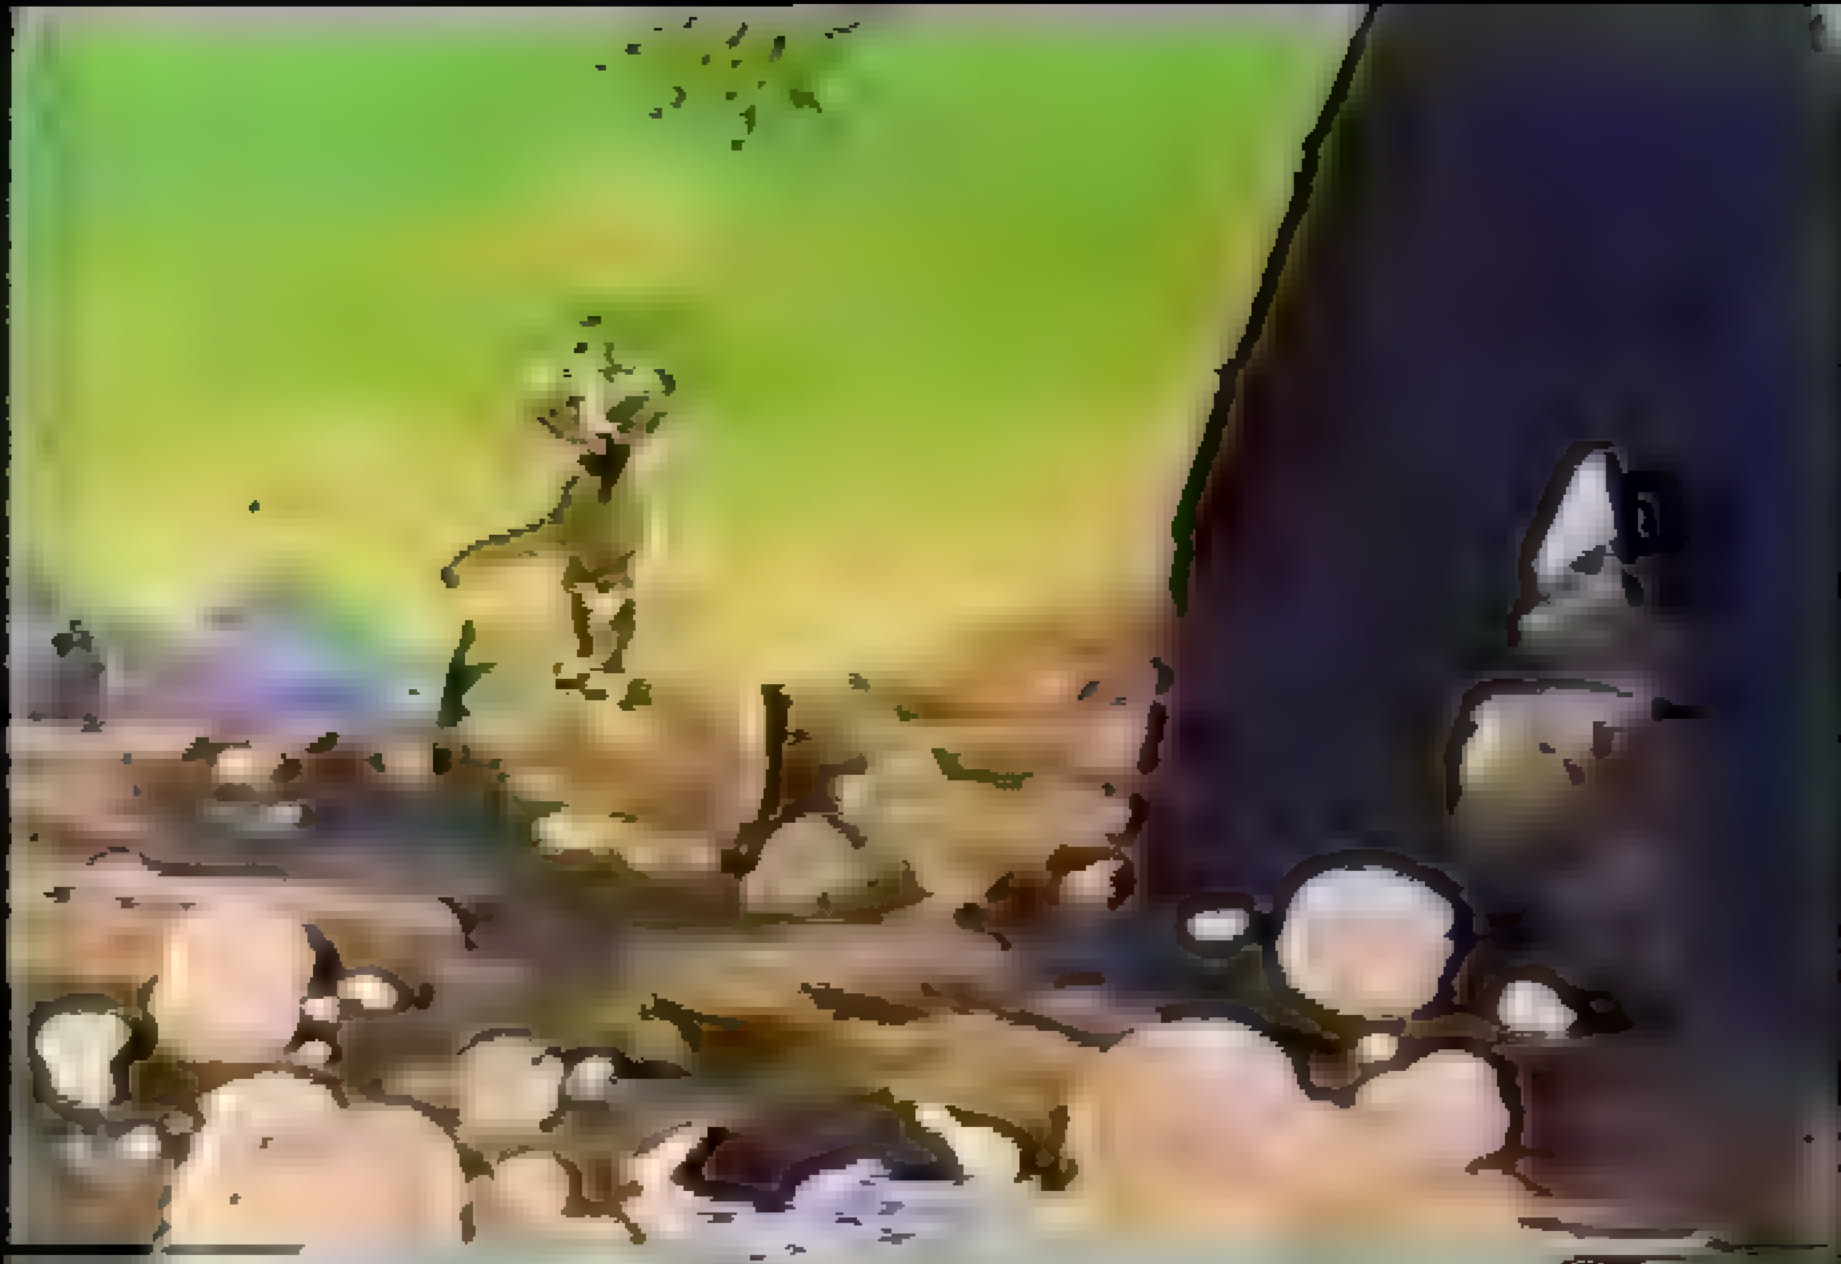

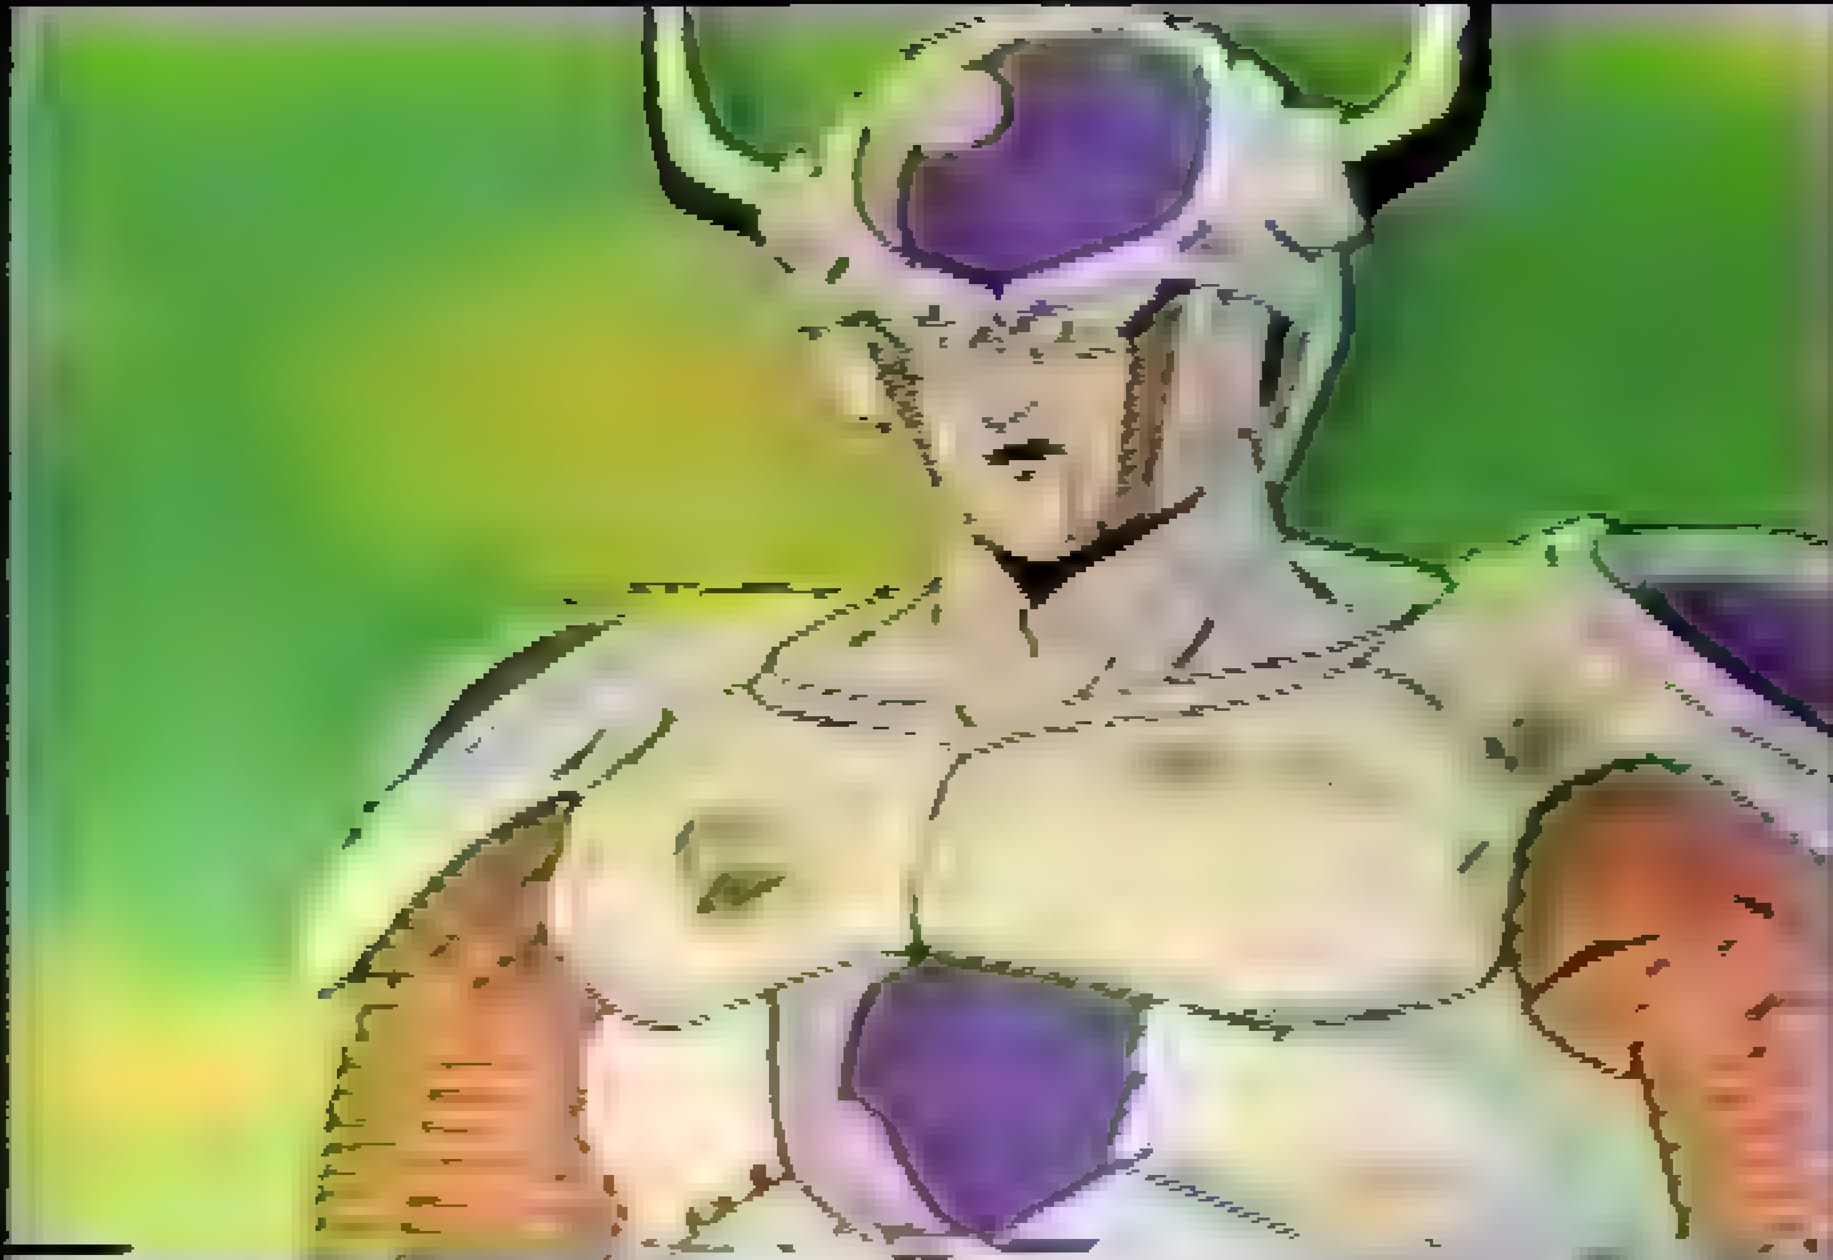

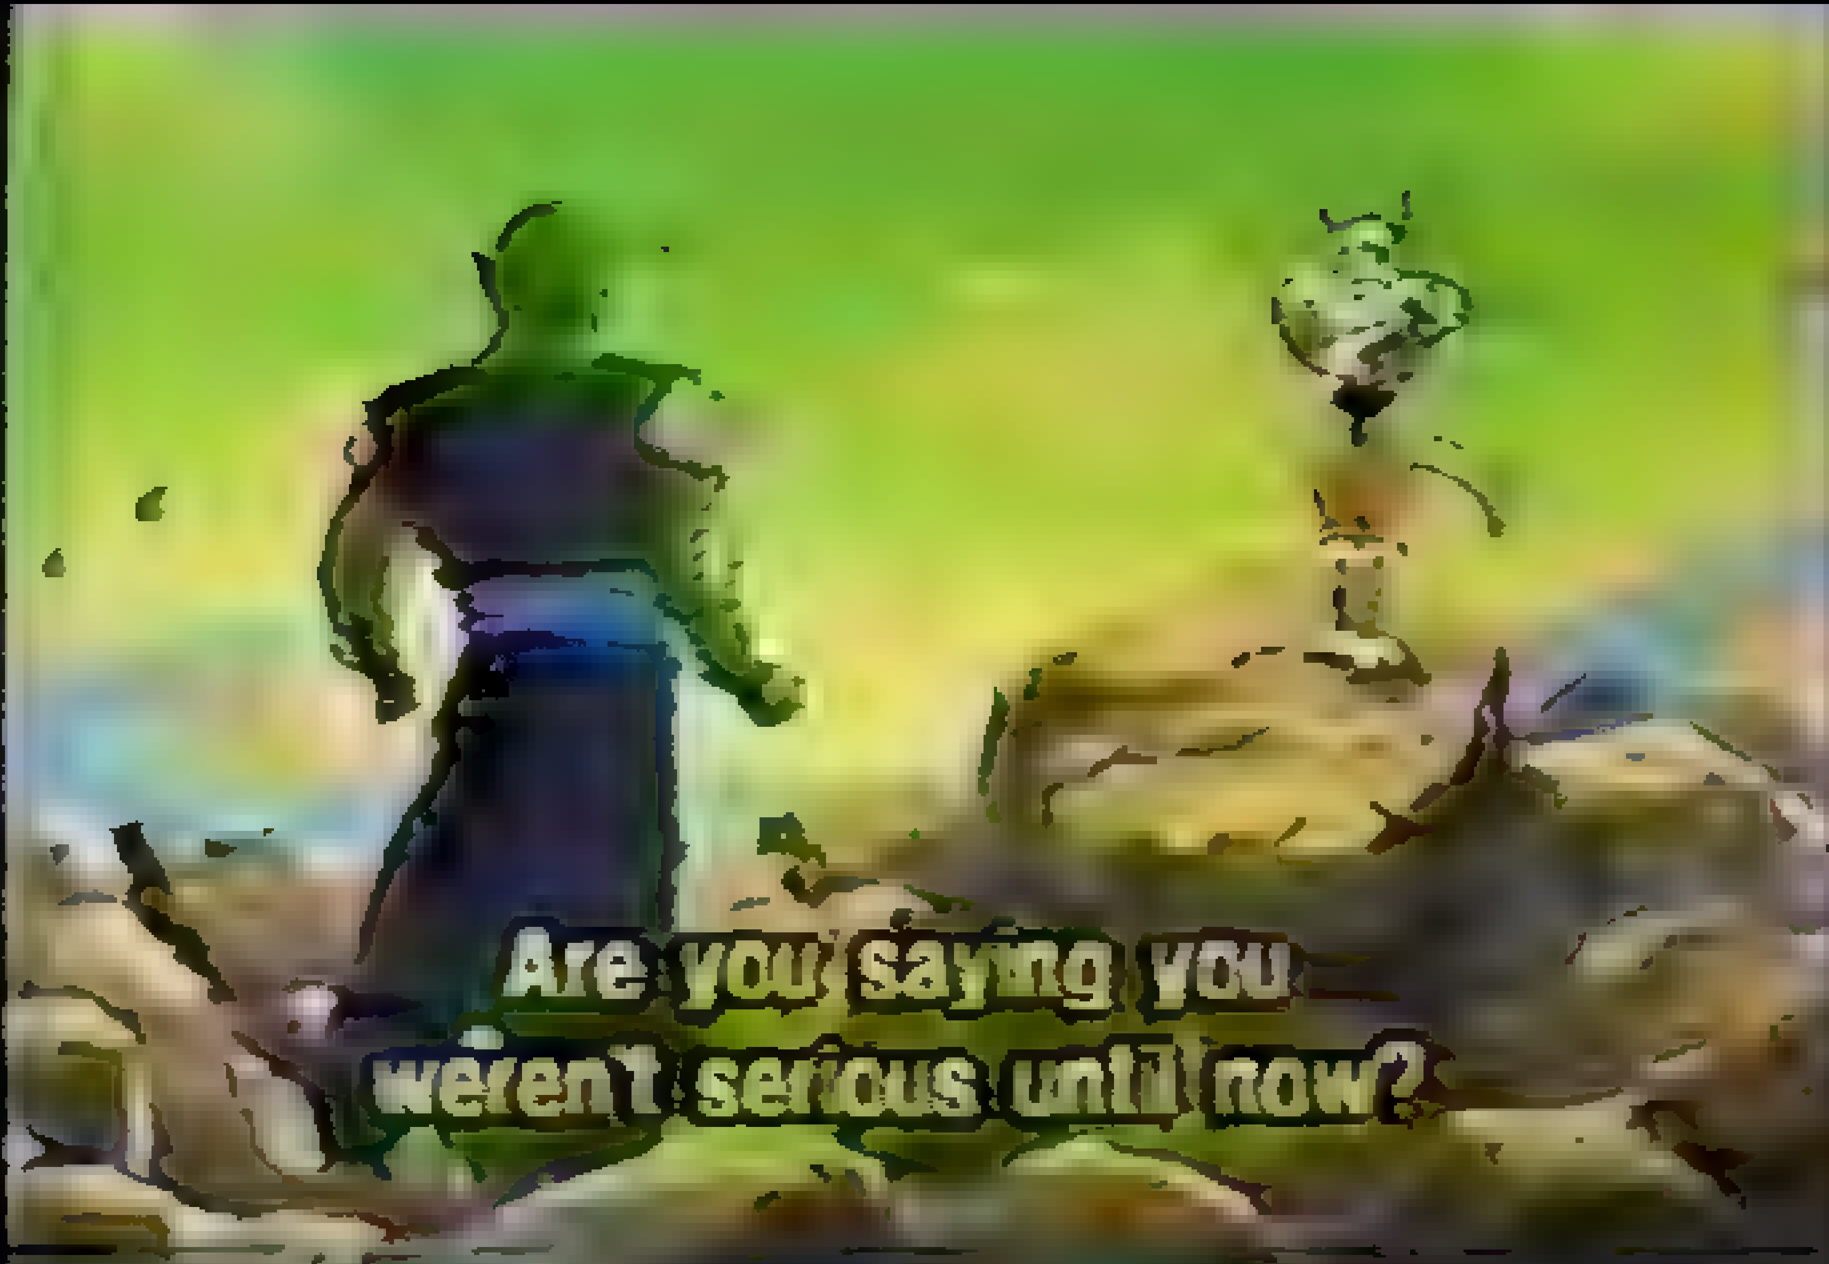

Then, I'll fight seriously, too.

What did you say?

Are you saying you
weren't serious until now?

I don't know Nameccians
could fake anything.

I didn't know Nameccians
could take anything

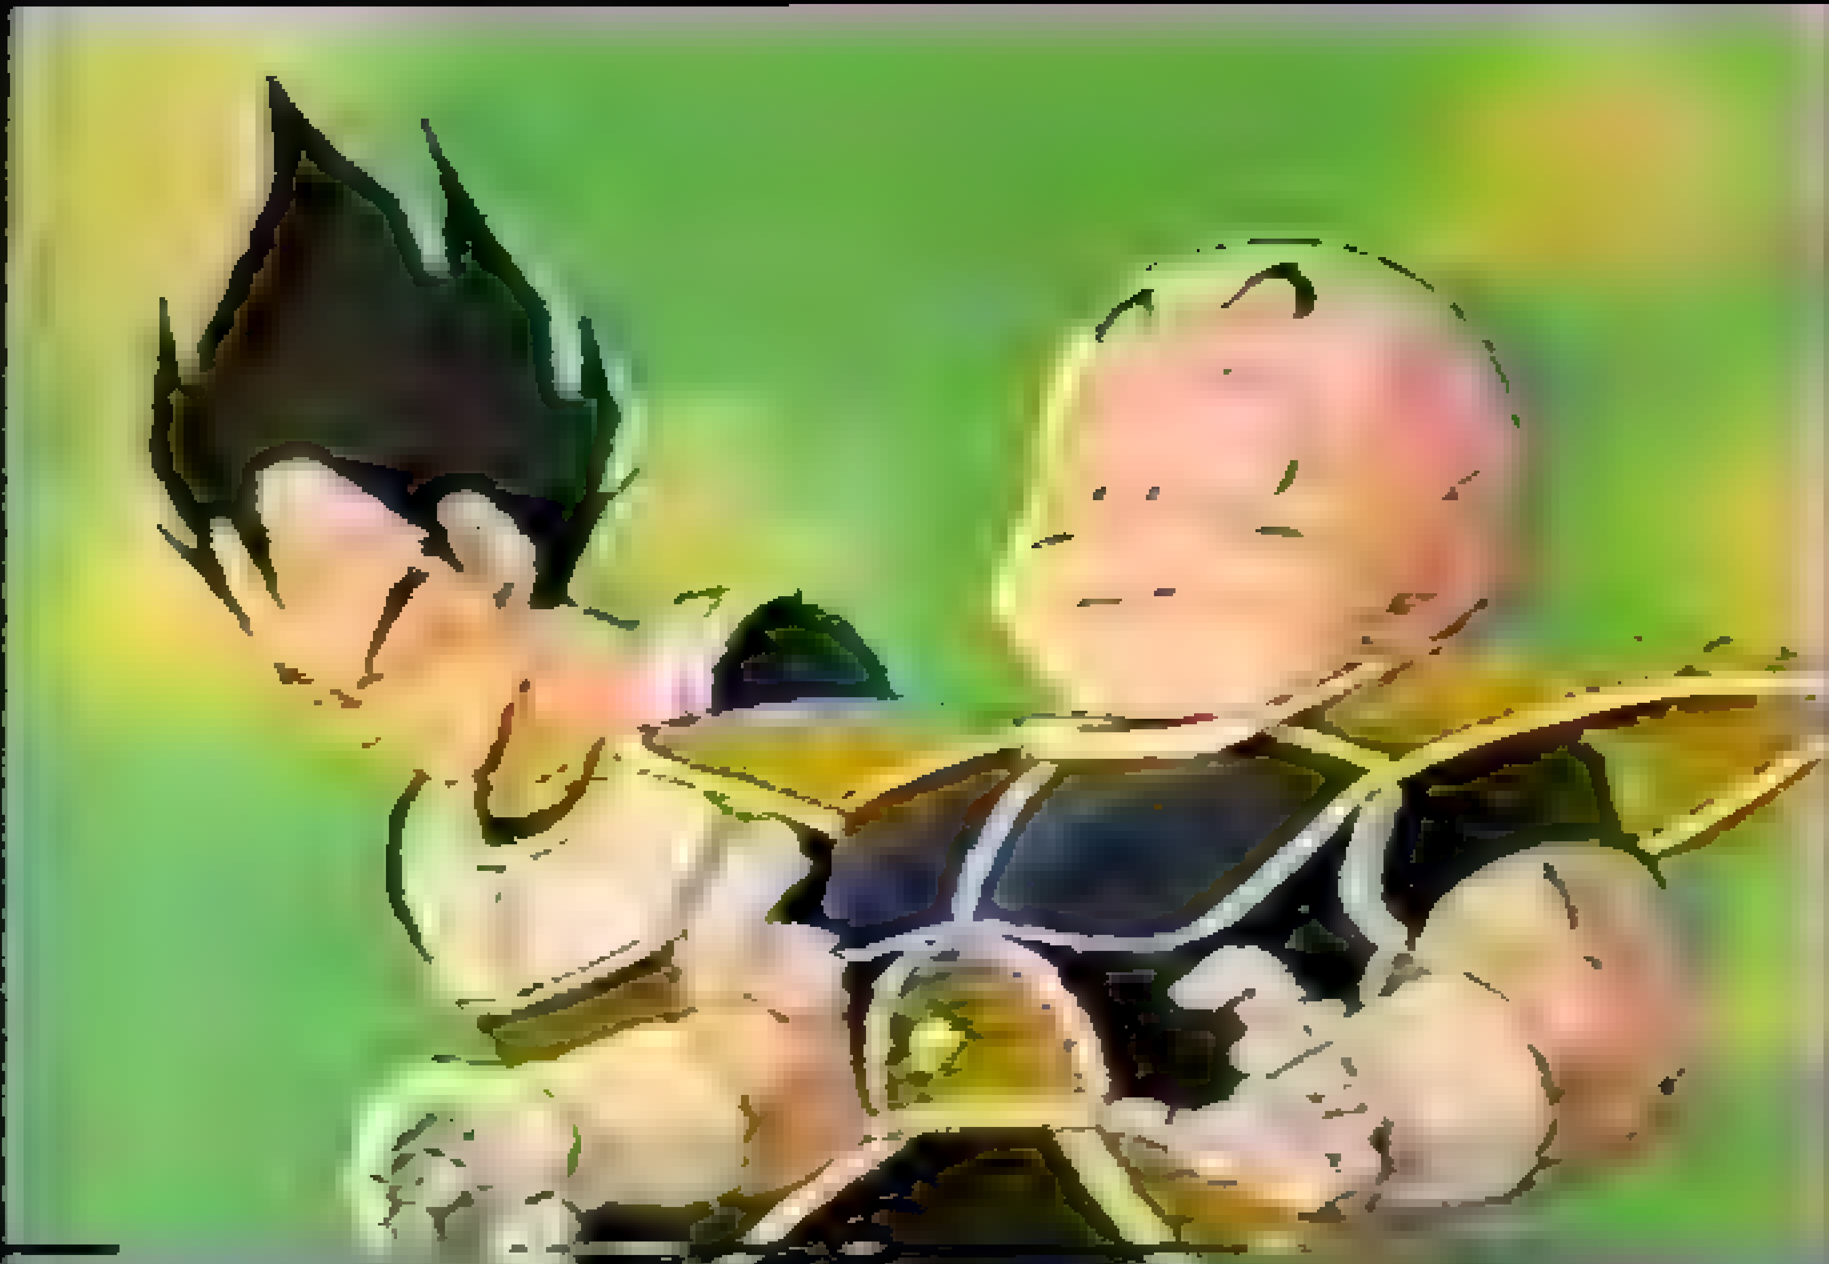

You'll find out right now.

That idiot! What good
will challenging him do?

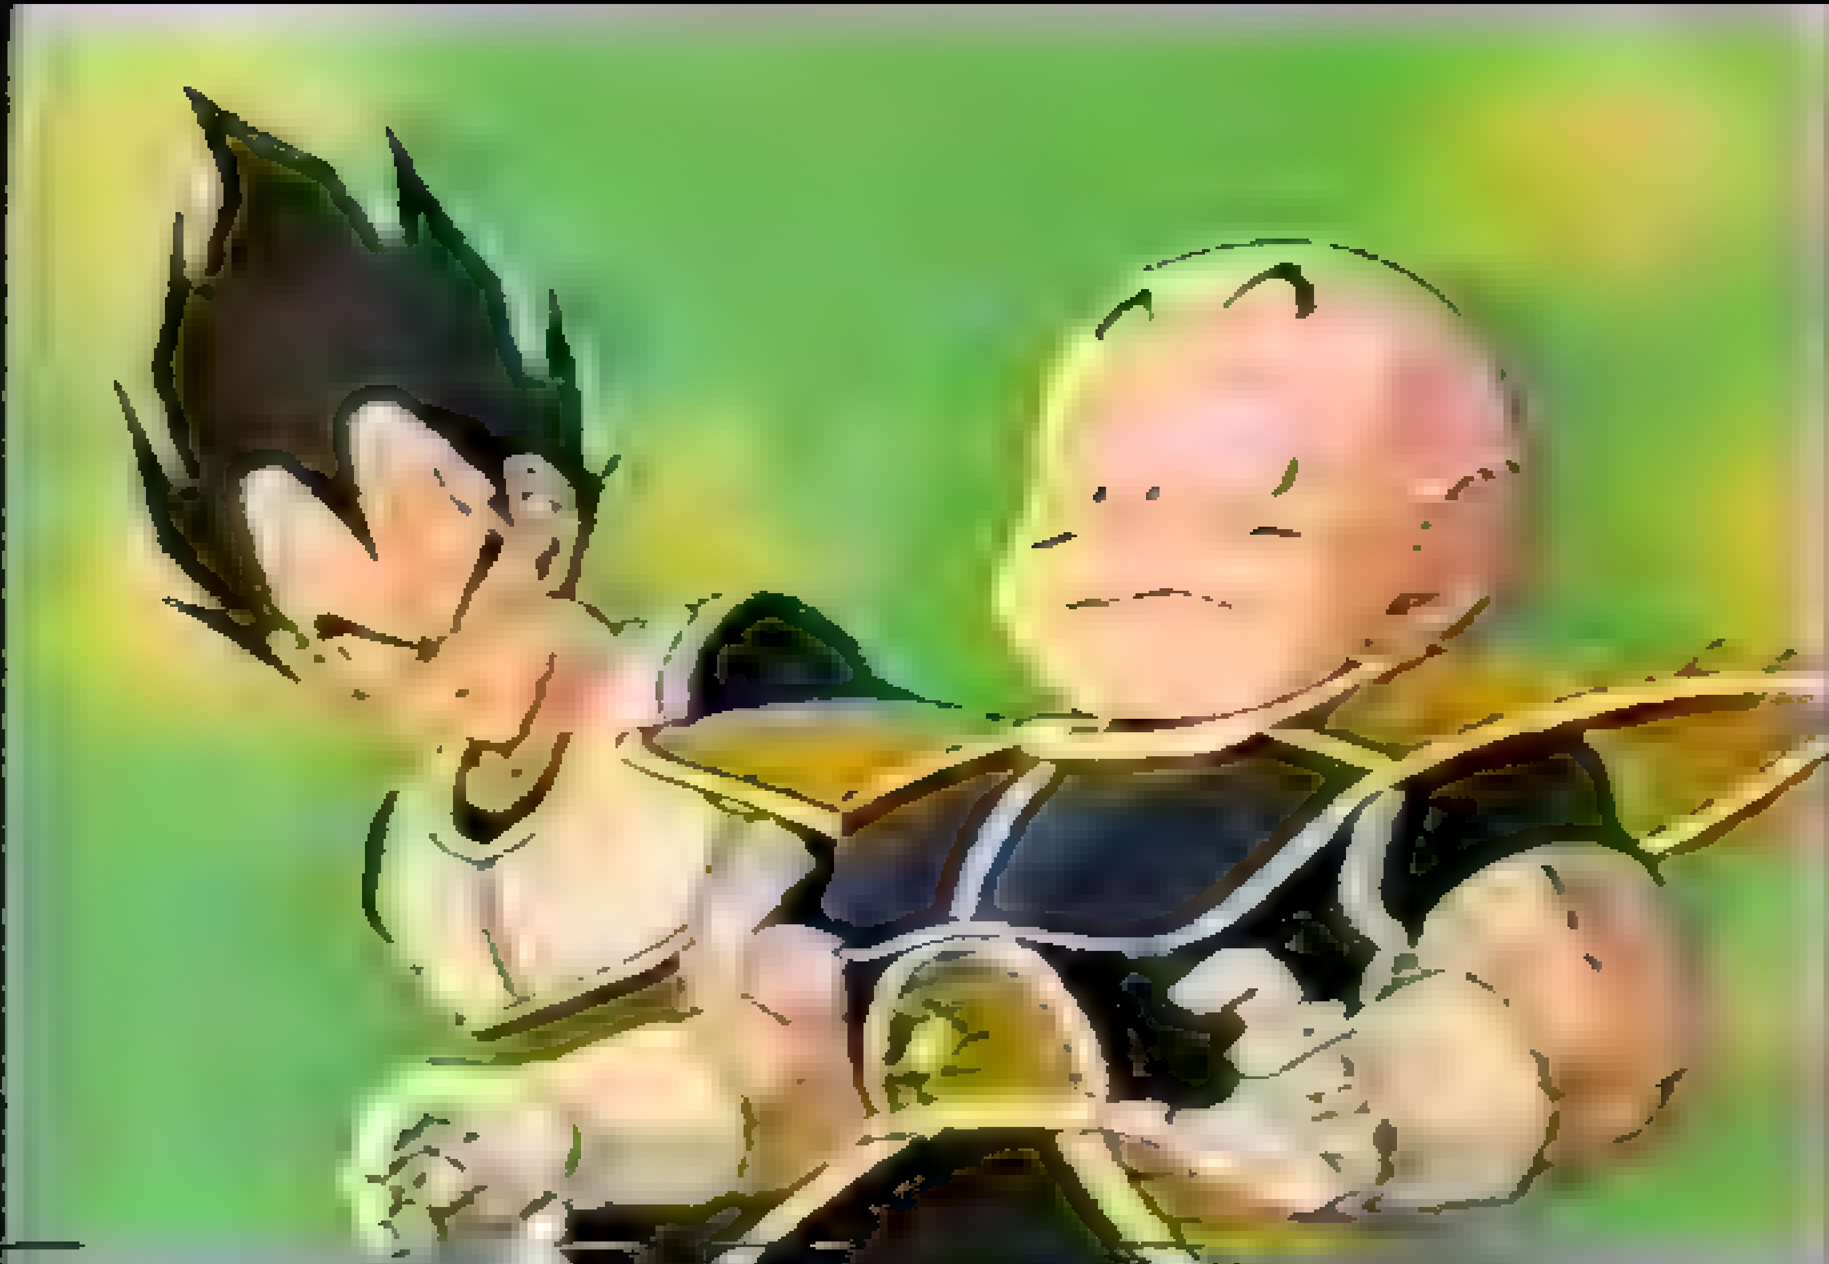

That idiot! What good
will challenging him do?

Piccolo was still wearing
that heavy turban and cloak!

Piccolo was still wearing
that heavy turban and cloak!

Feel the fury of all the
Nameccians you killed!

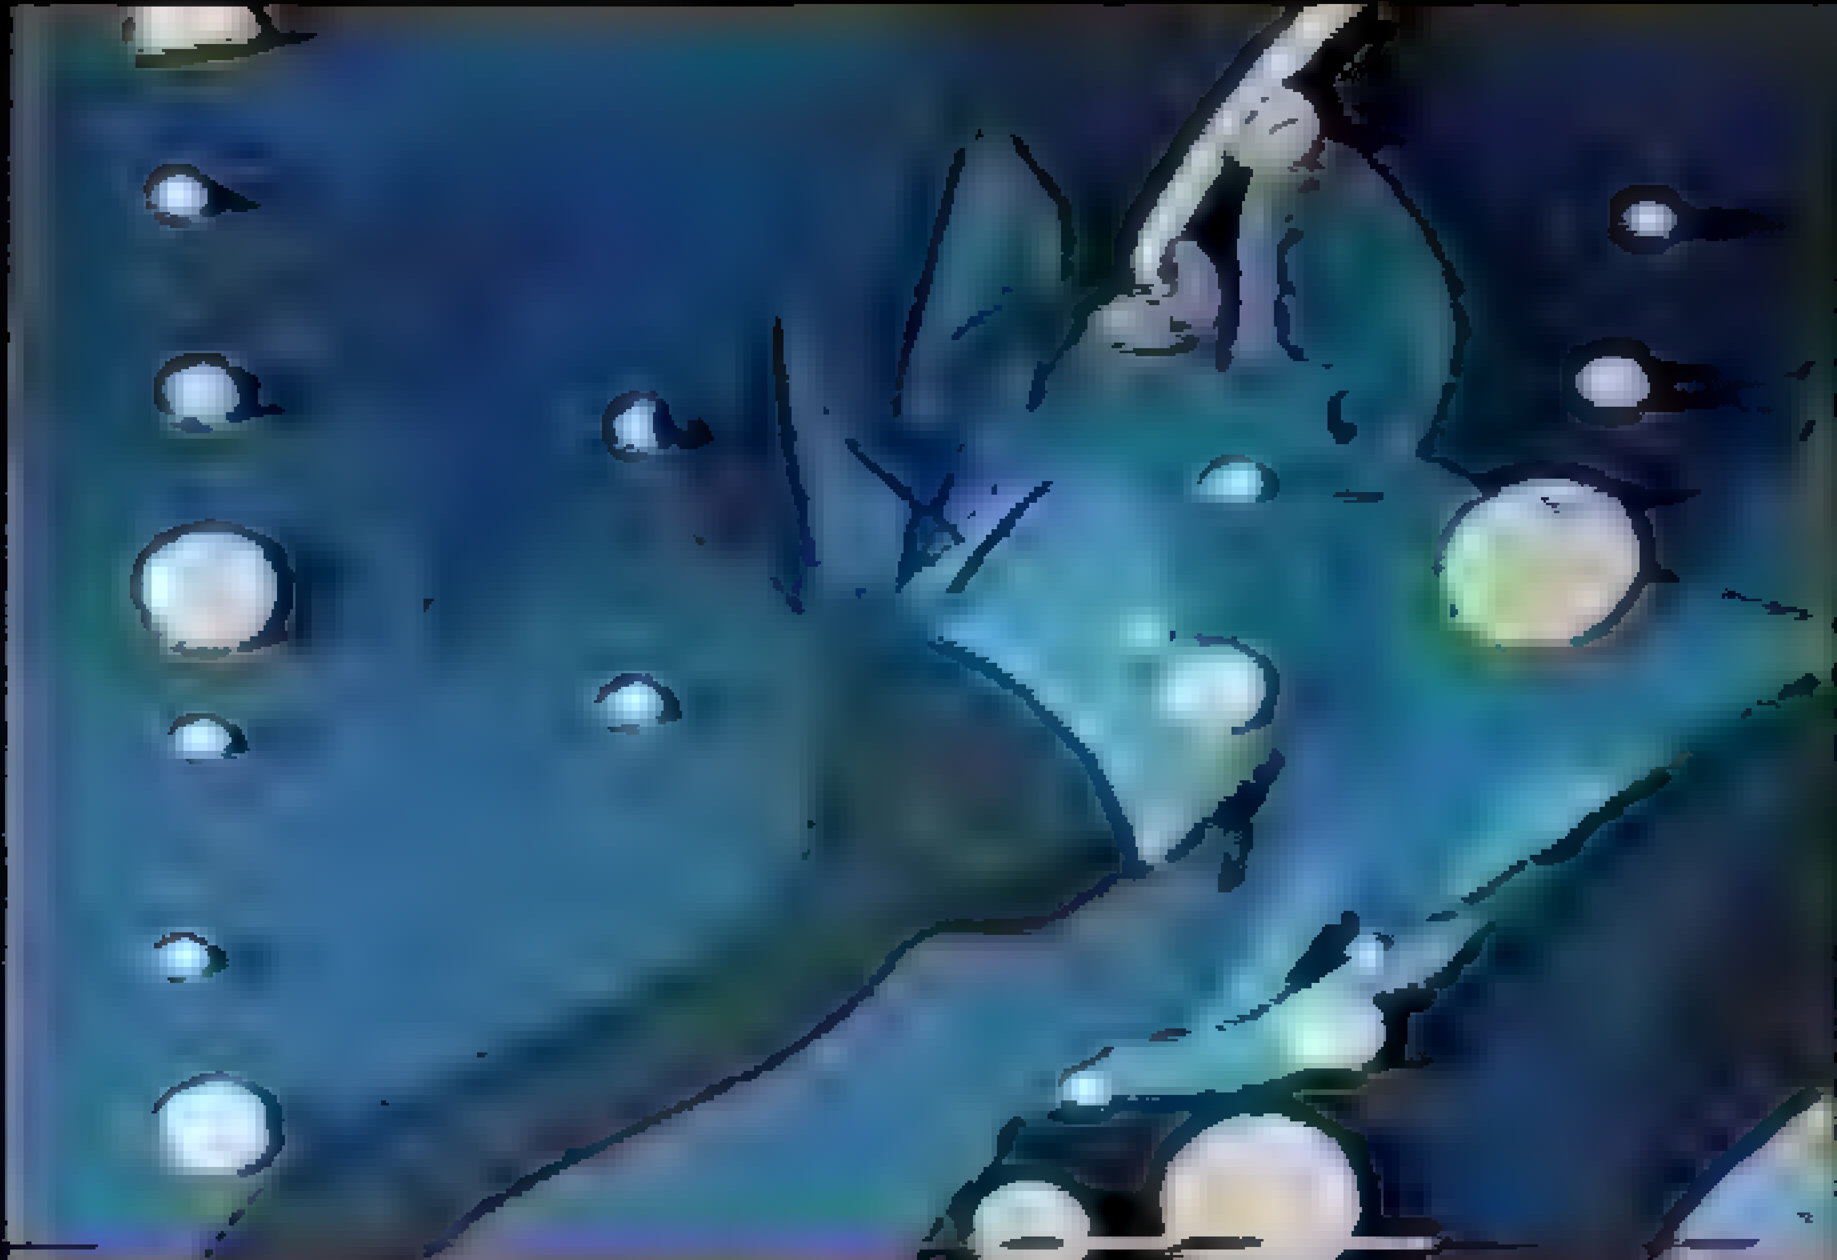

Feel the fury of all the
Nameccians you killed!

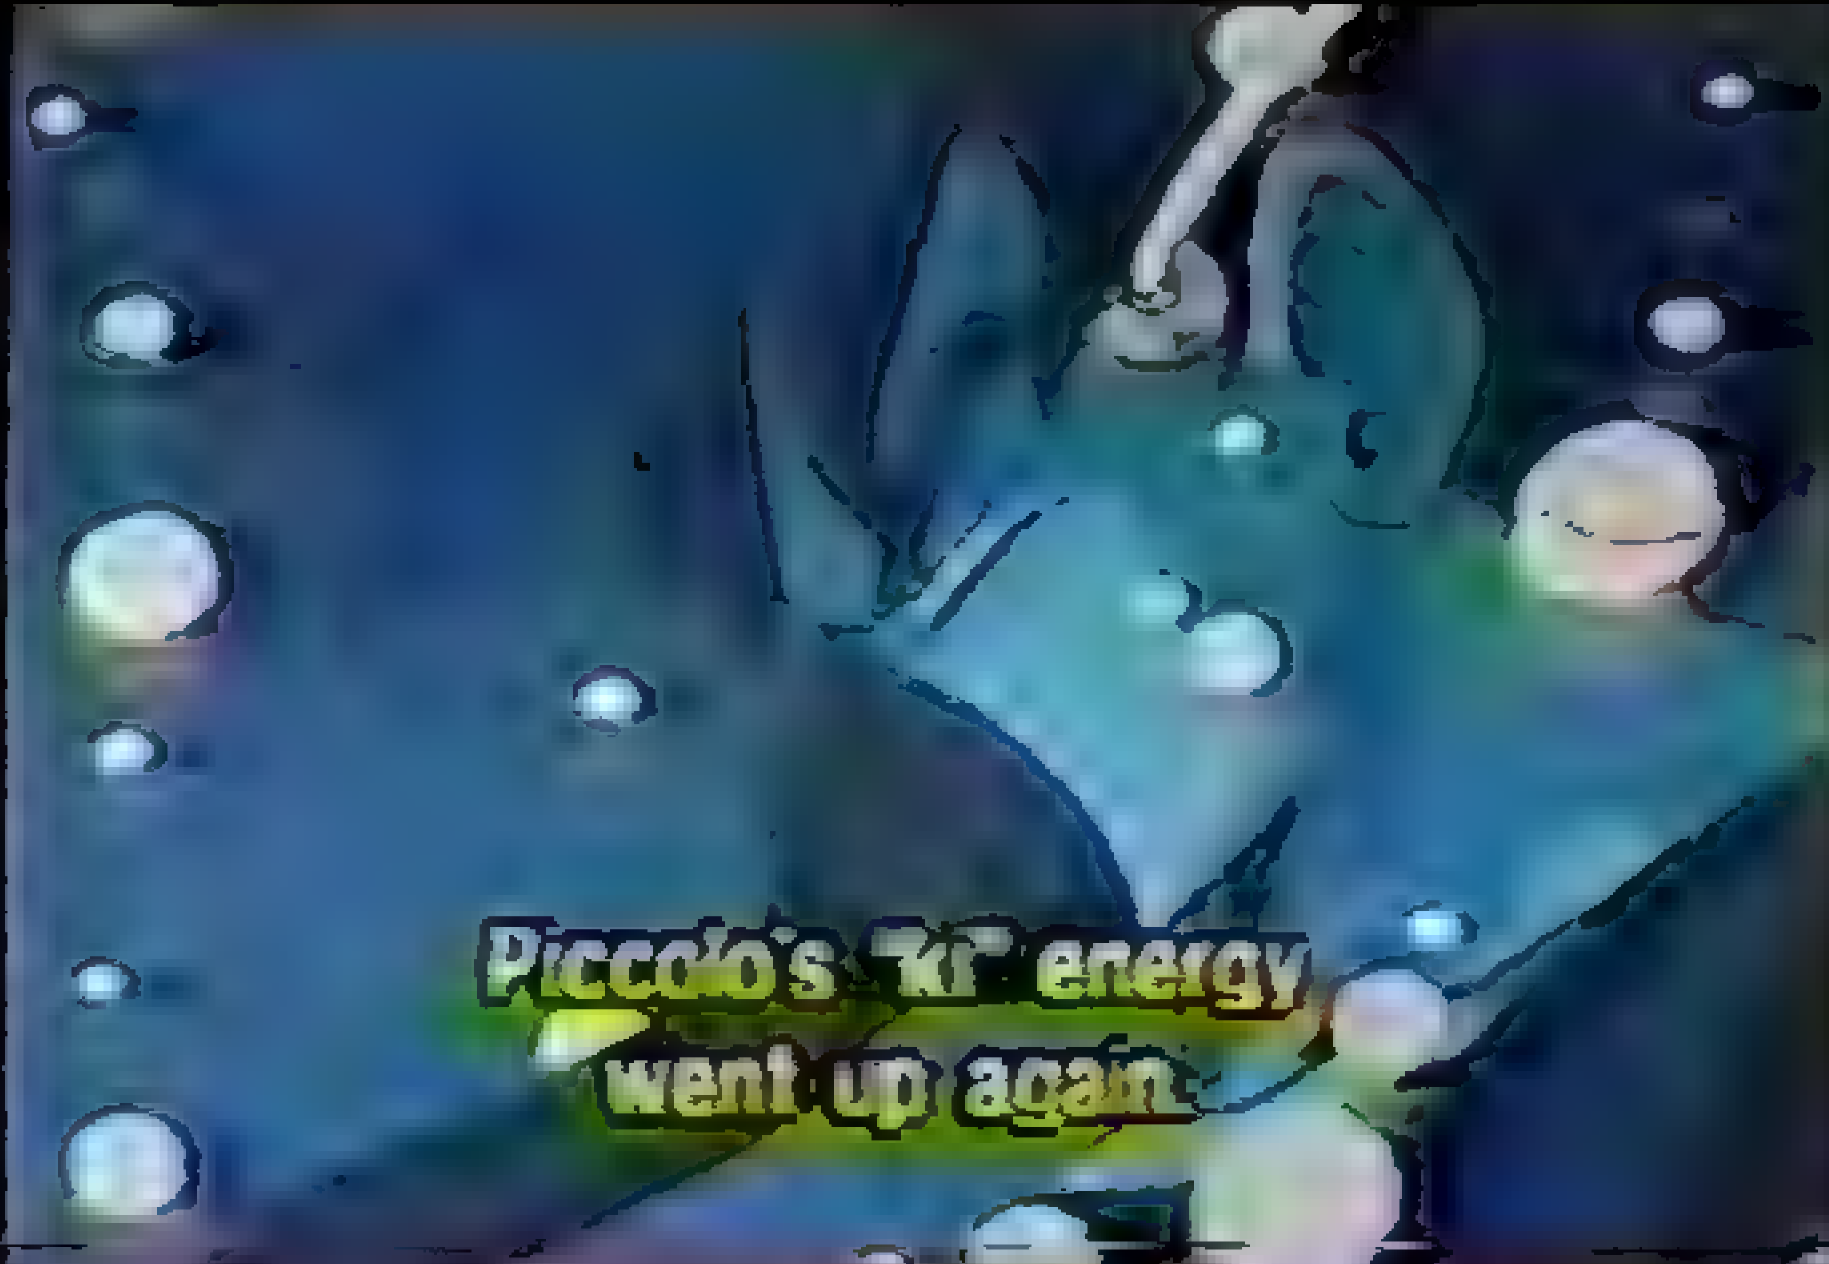

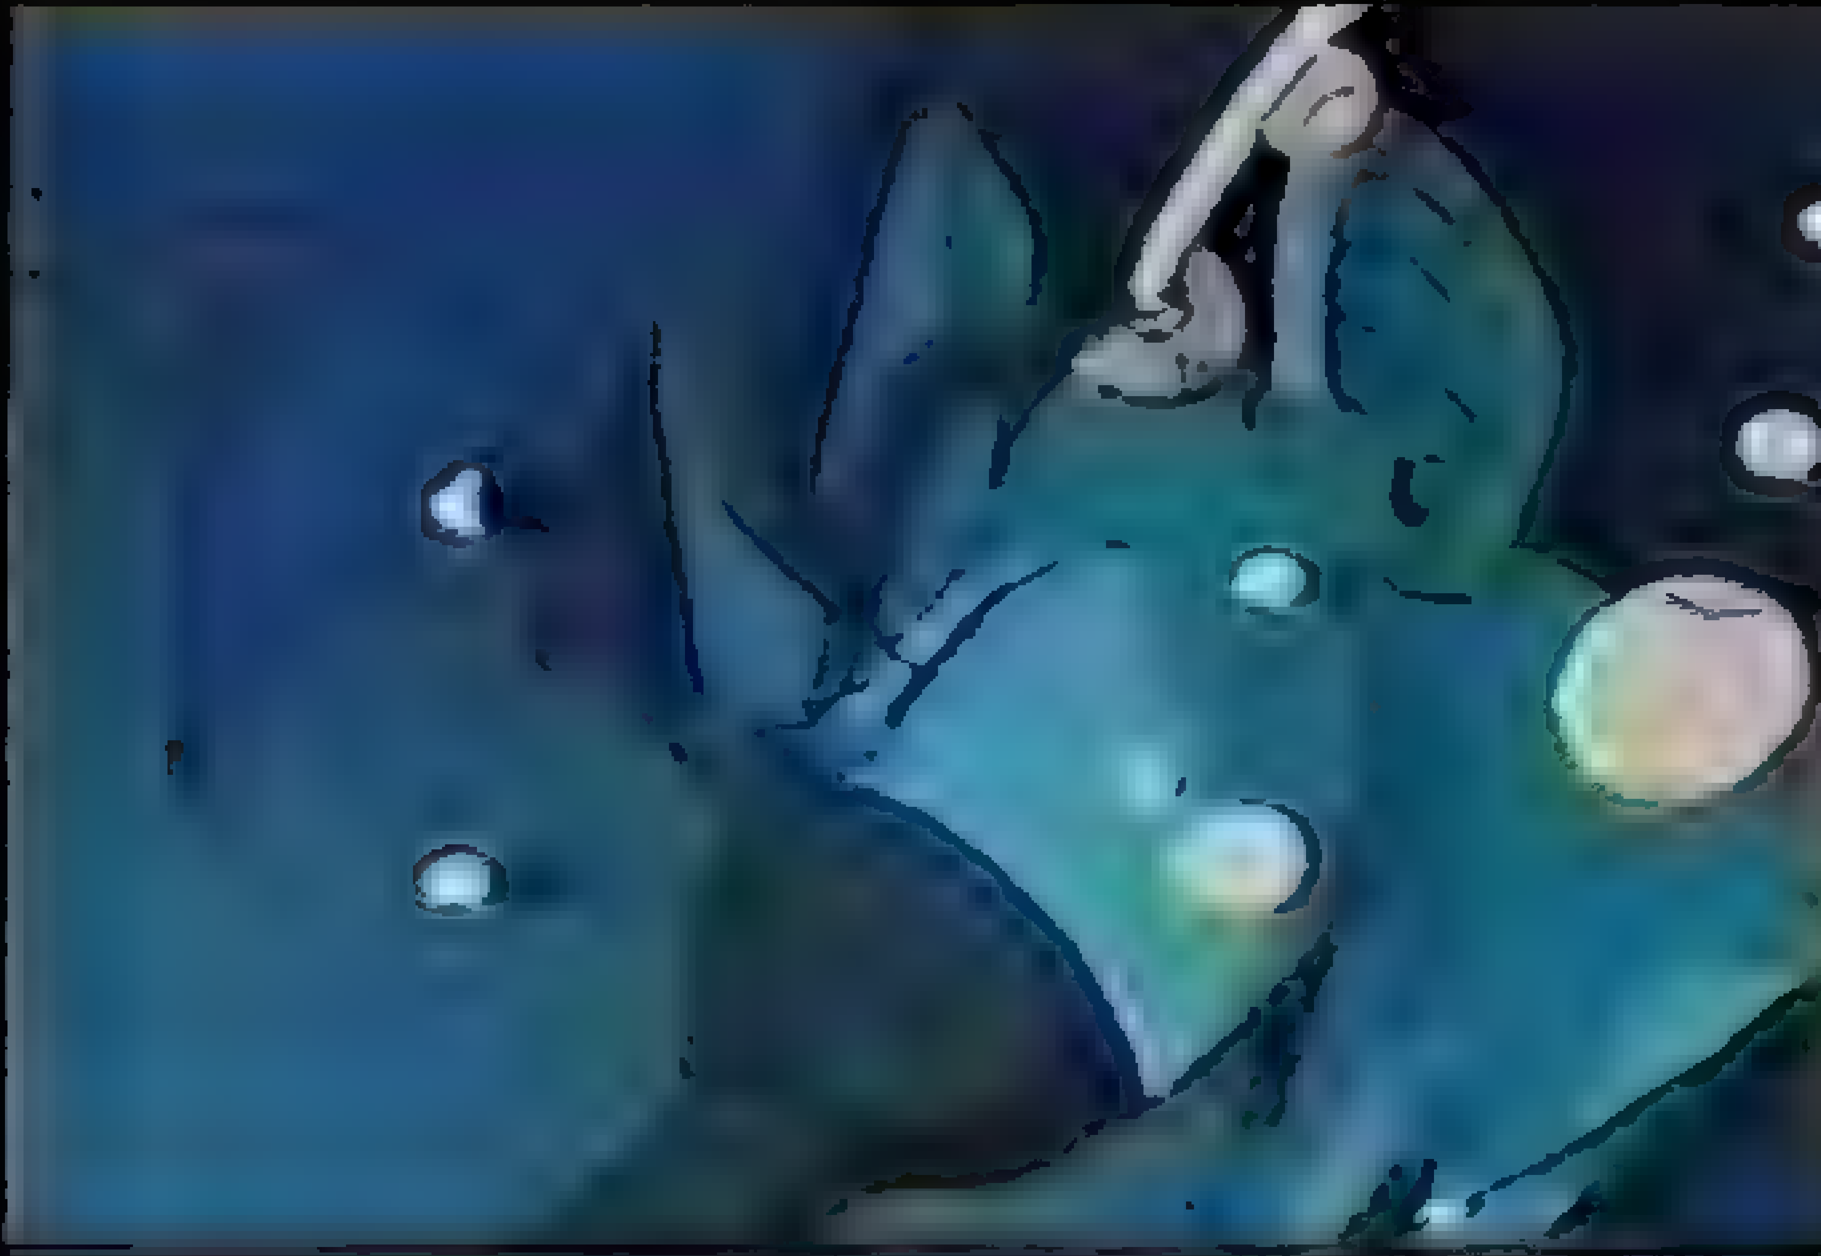

Piccolo's "Ki" energy
went up again

His power is real!

He can win! Piccolo can win!

We're counting on you, Piccolo!

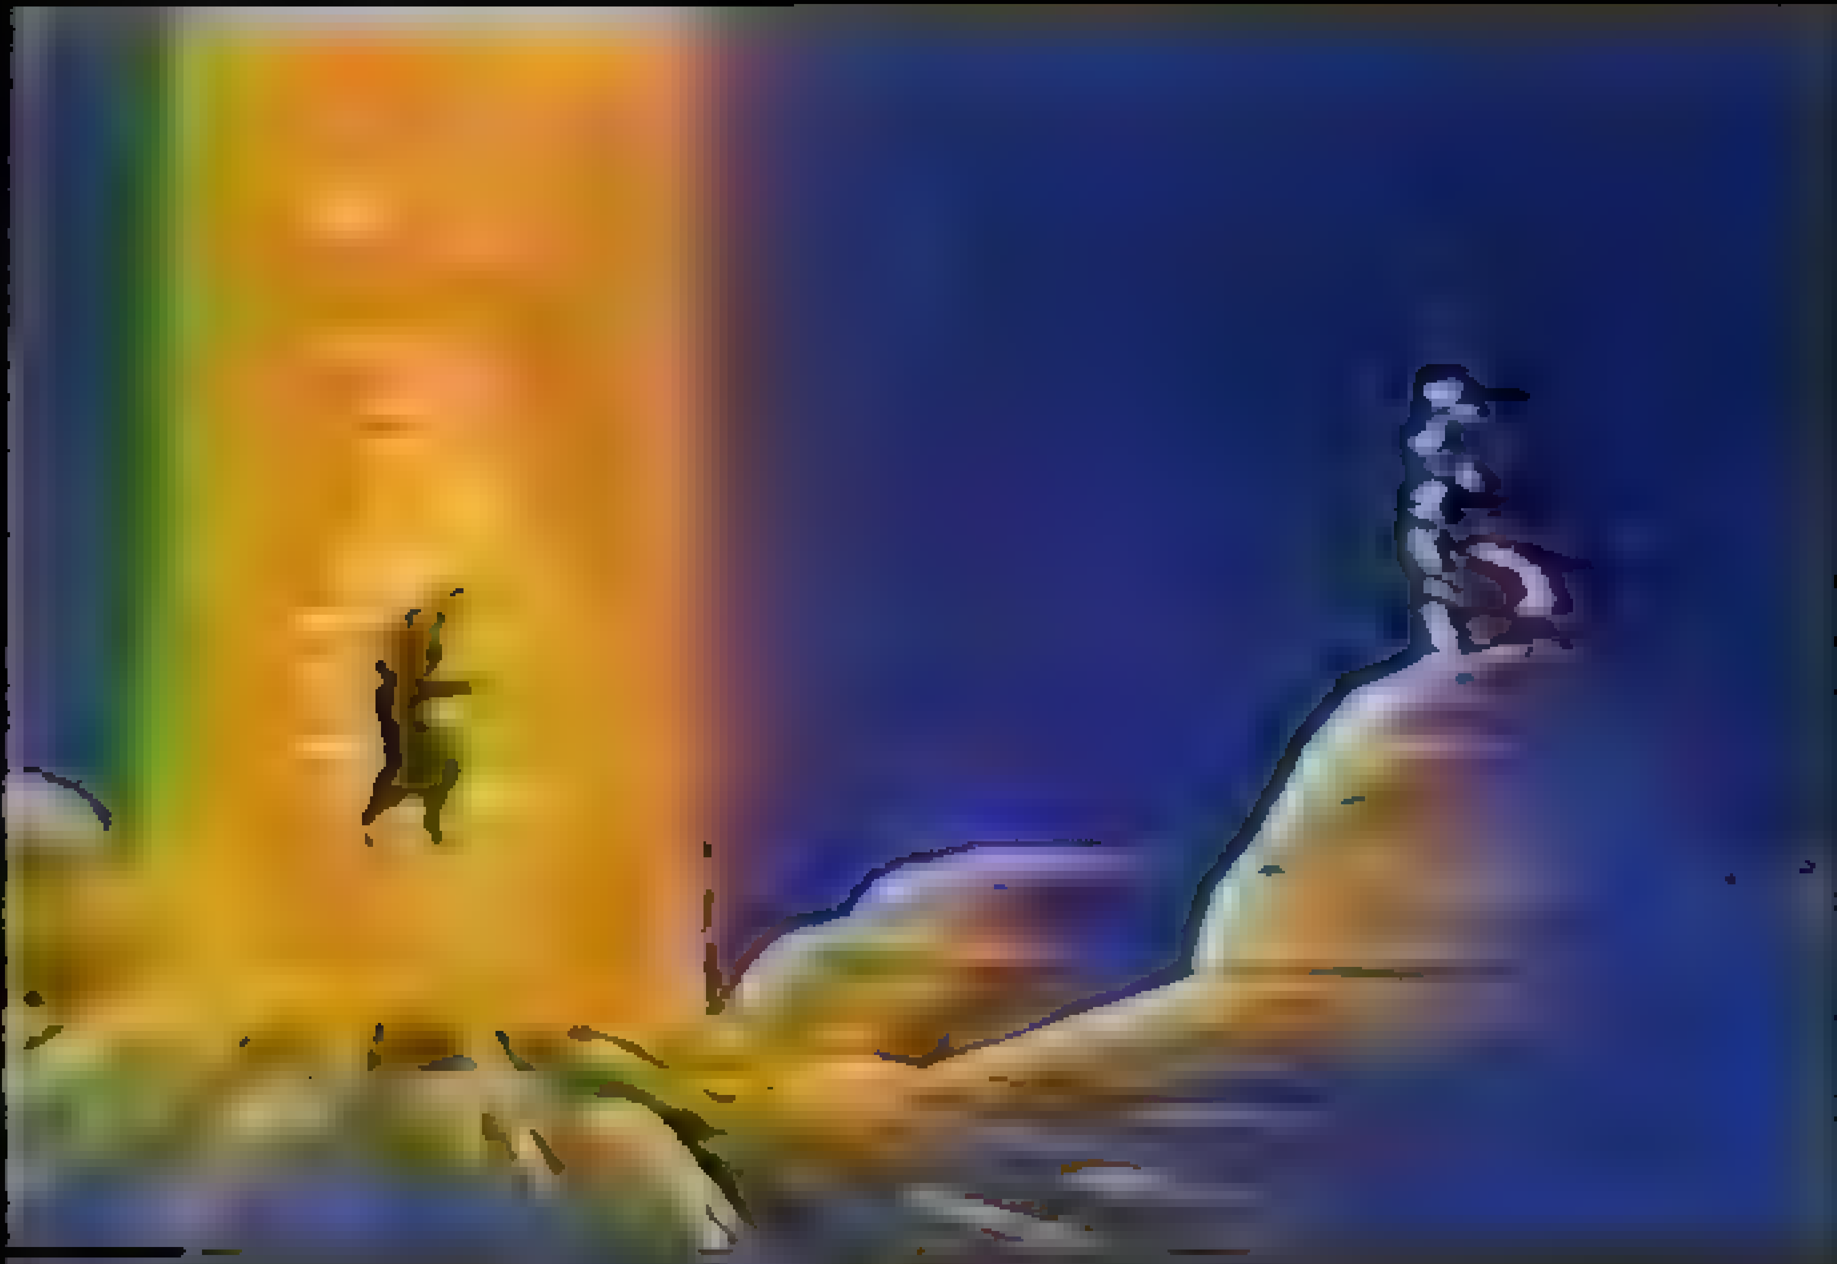

The odds changed again!

You took off your heavy
clothing so you're lighter now.

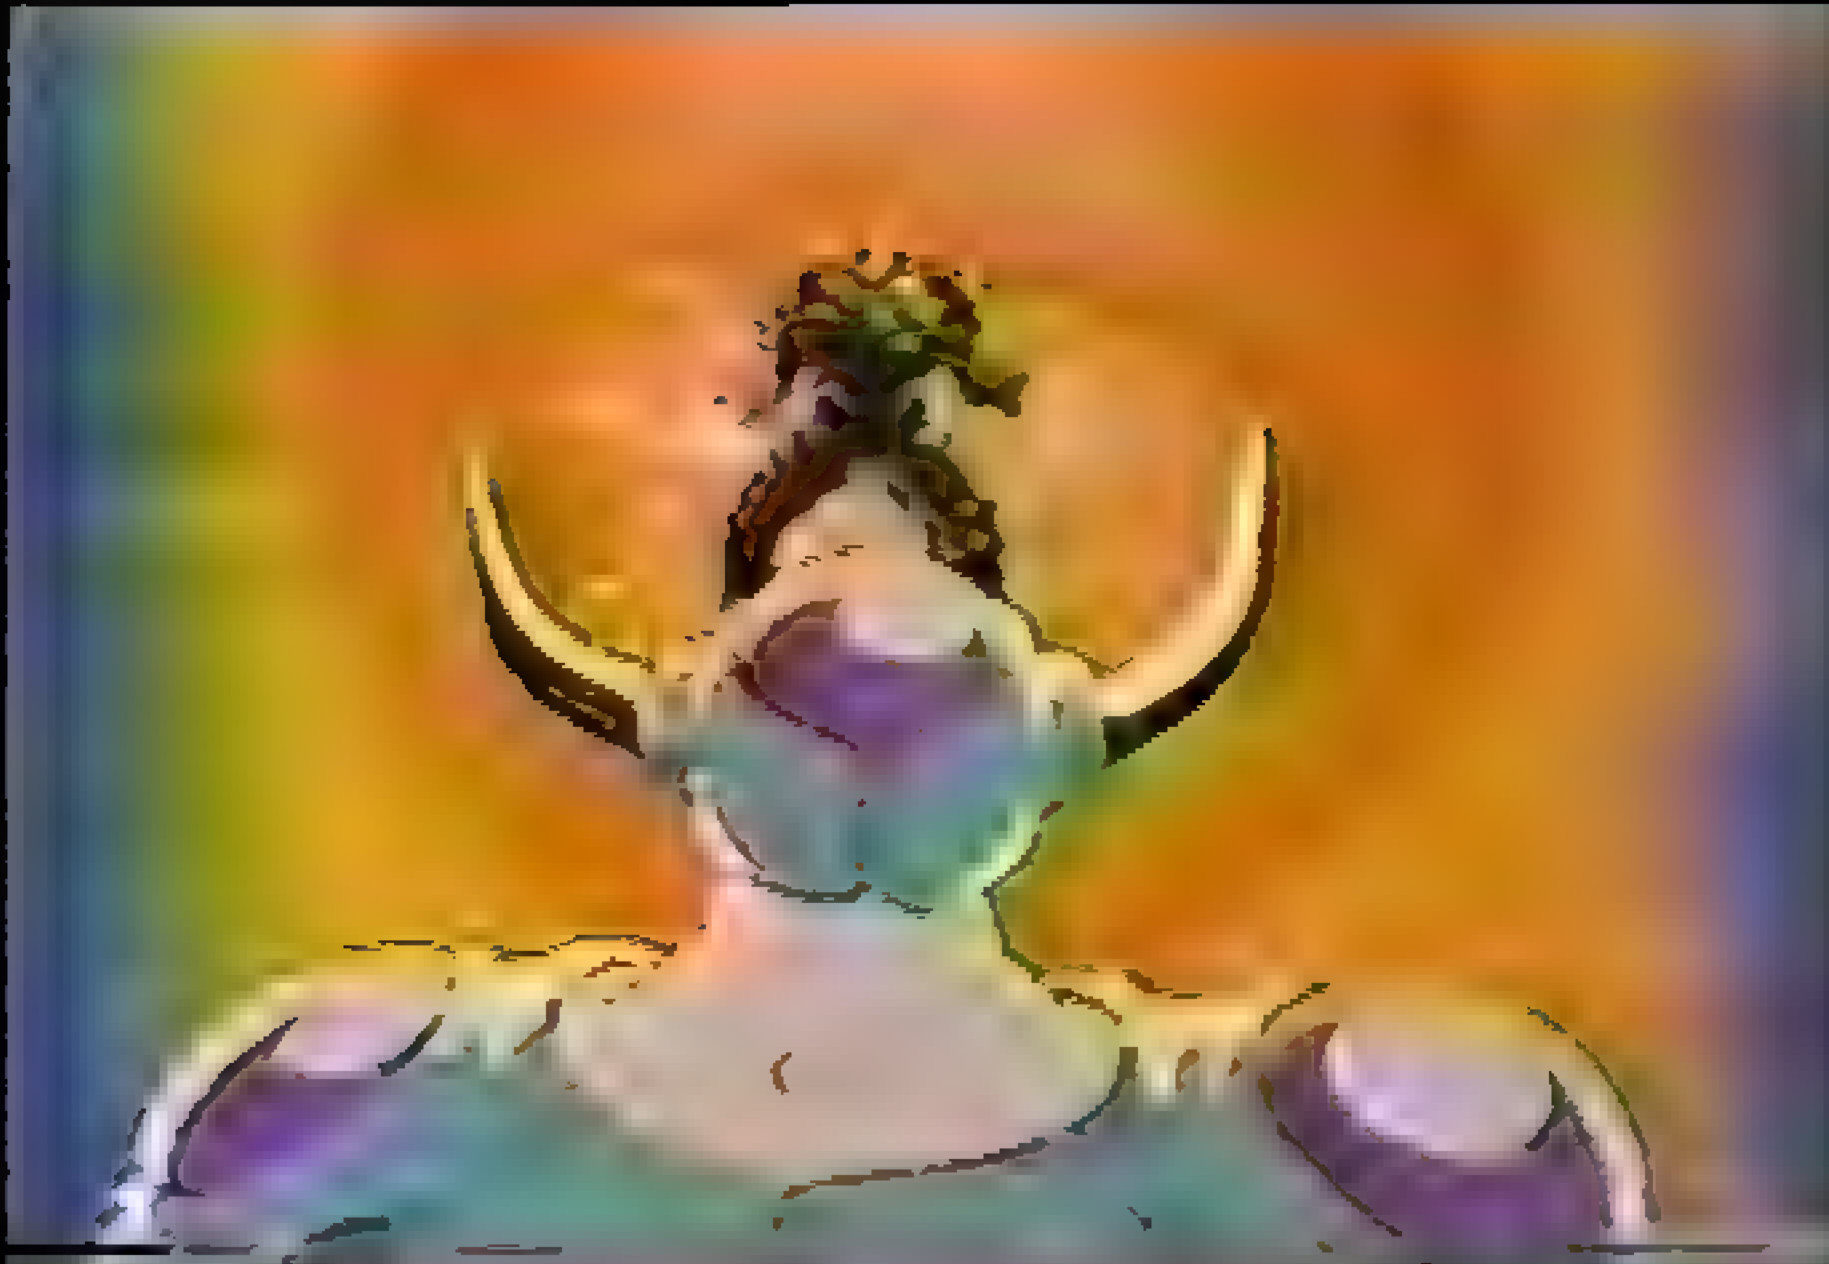

You took off your heavy
clothing so you're lighter now.

Which means you'll
be even faster than before.

I wonder?

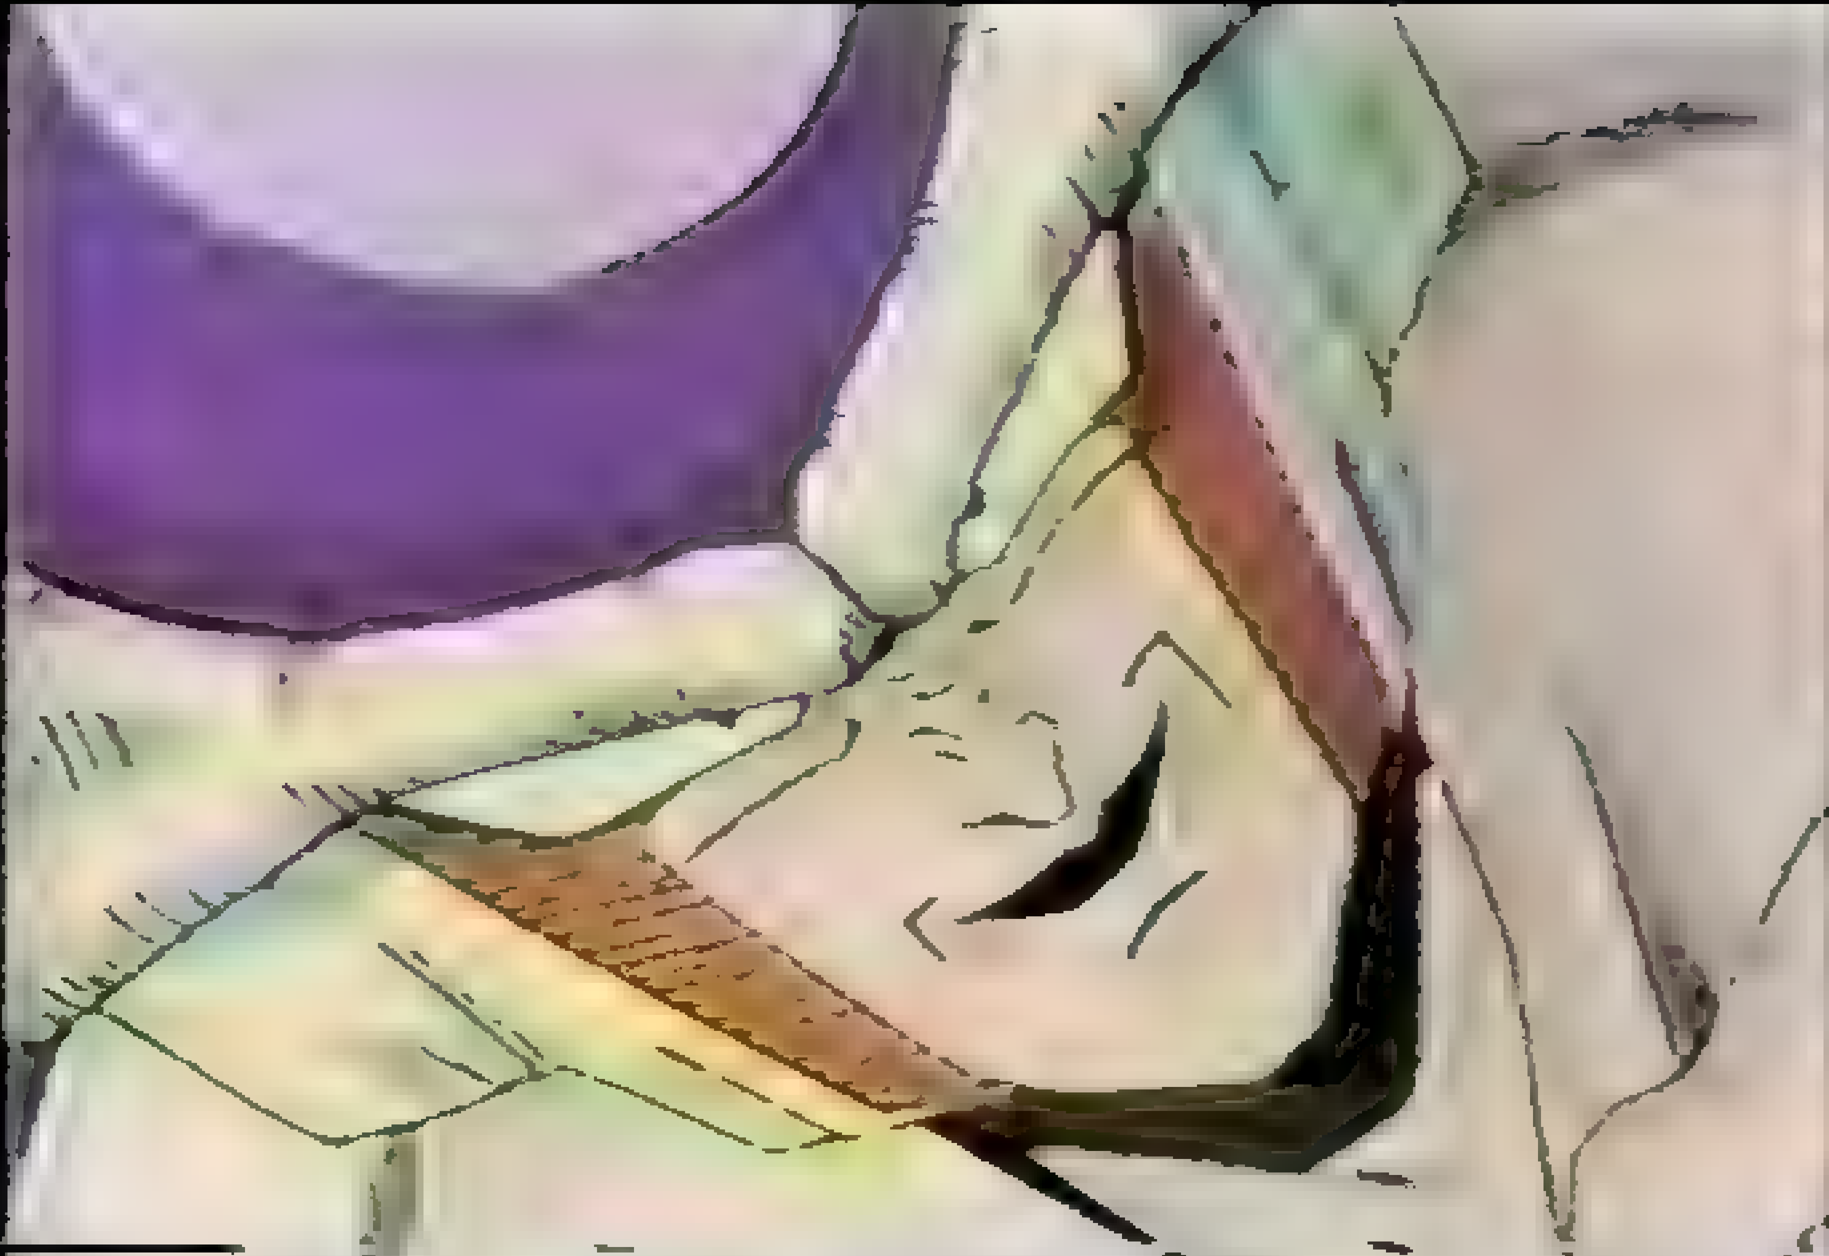

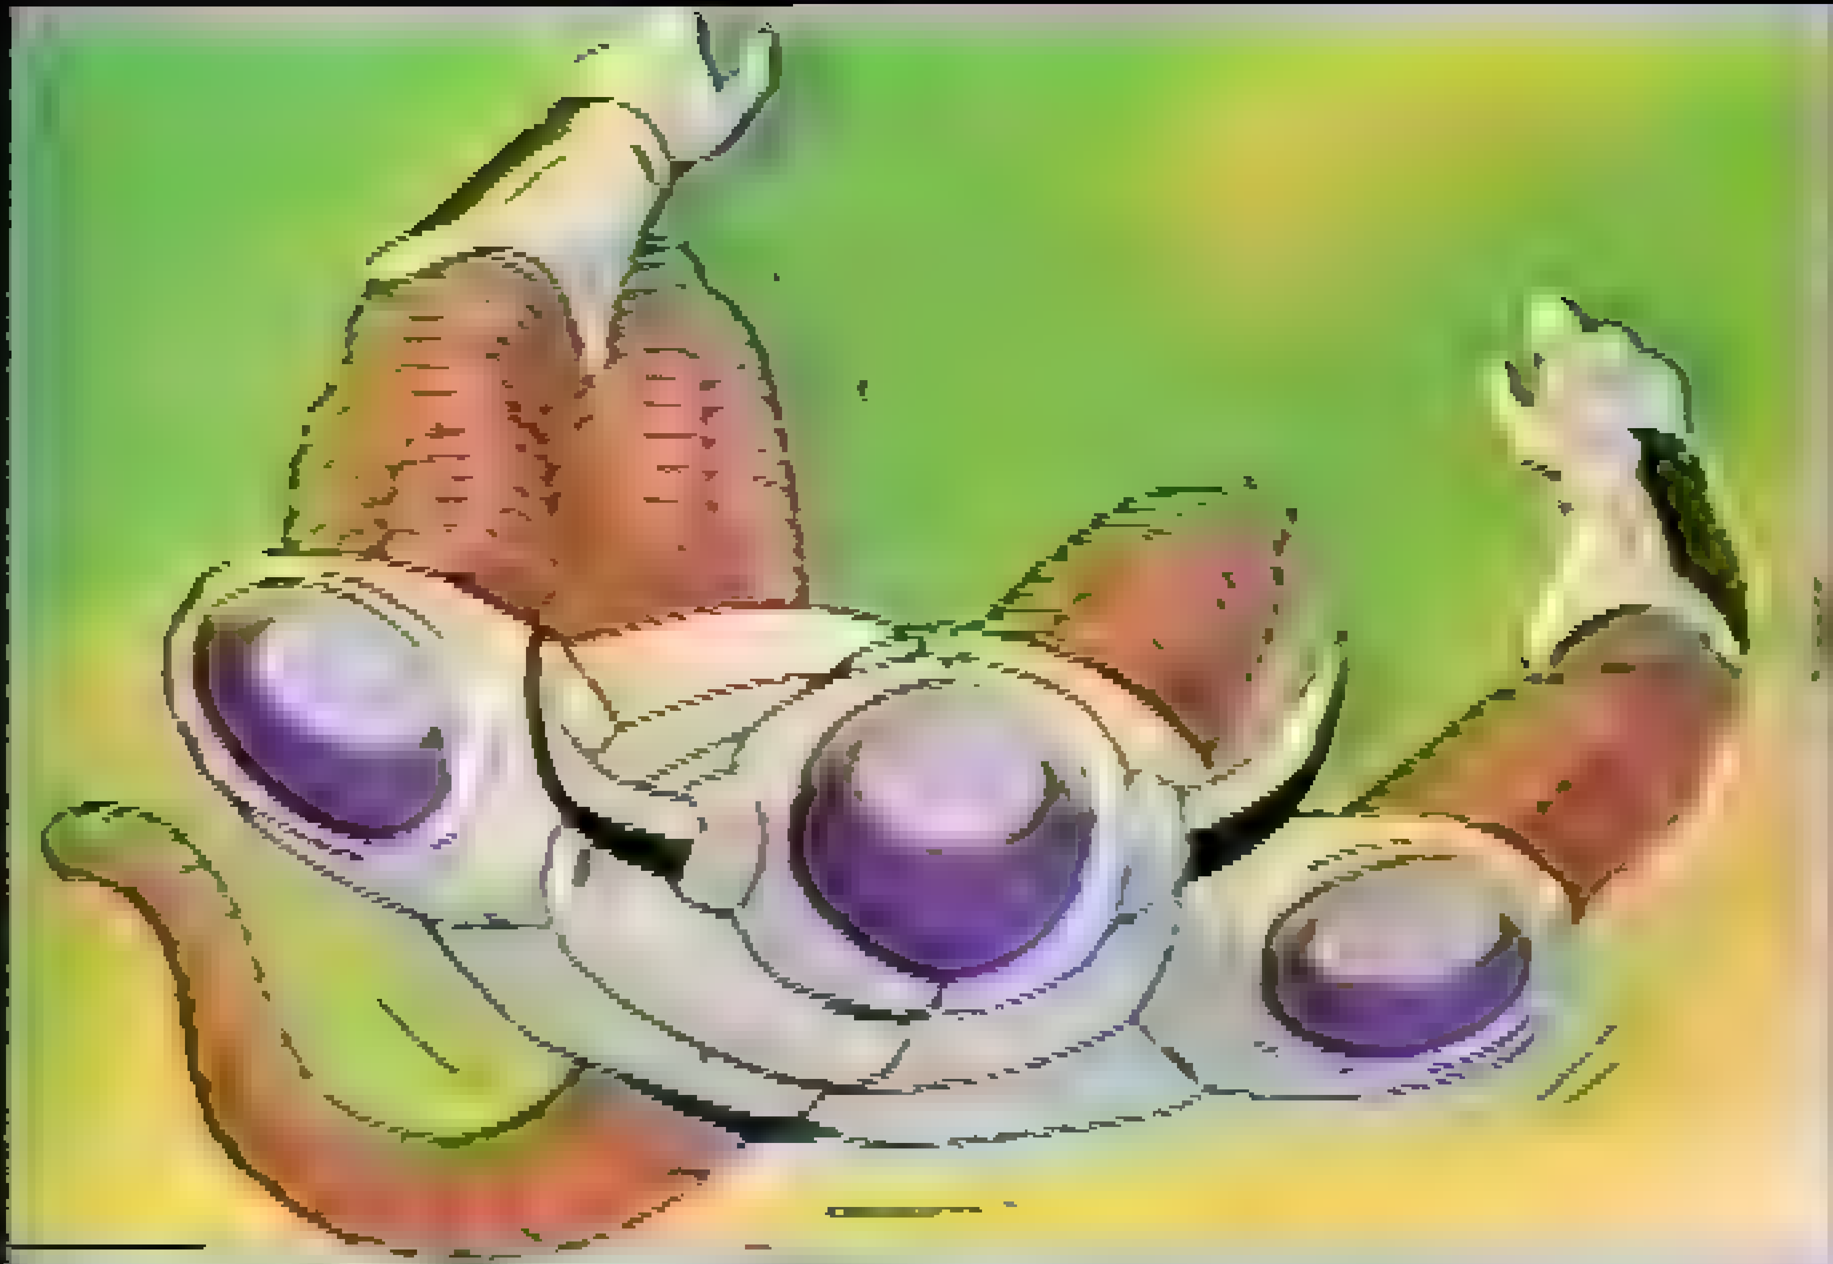

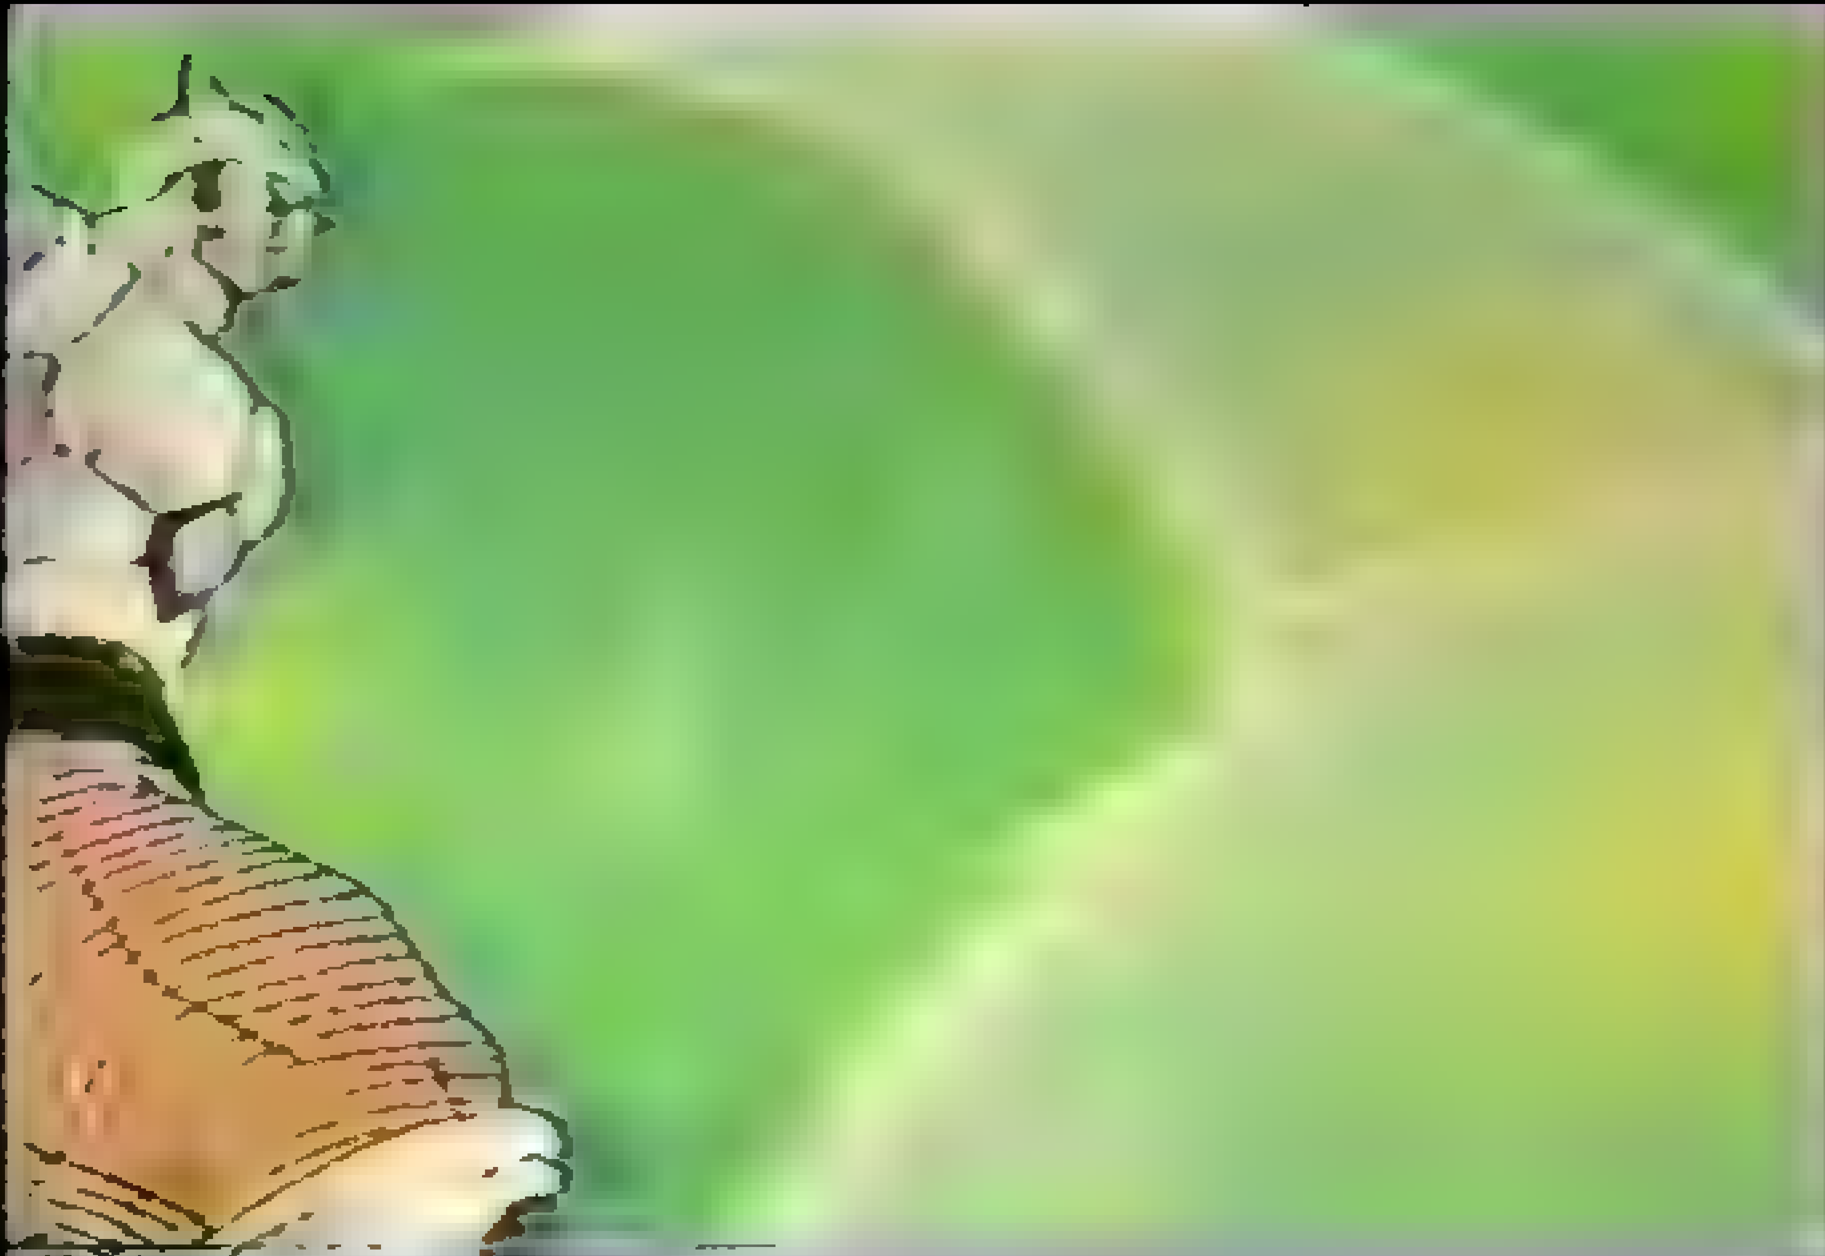

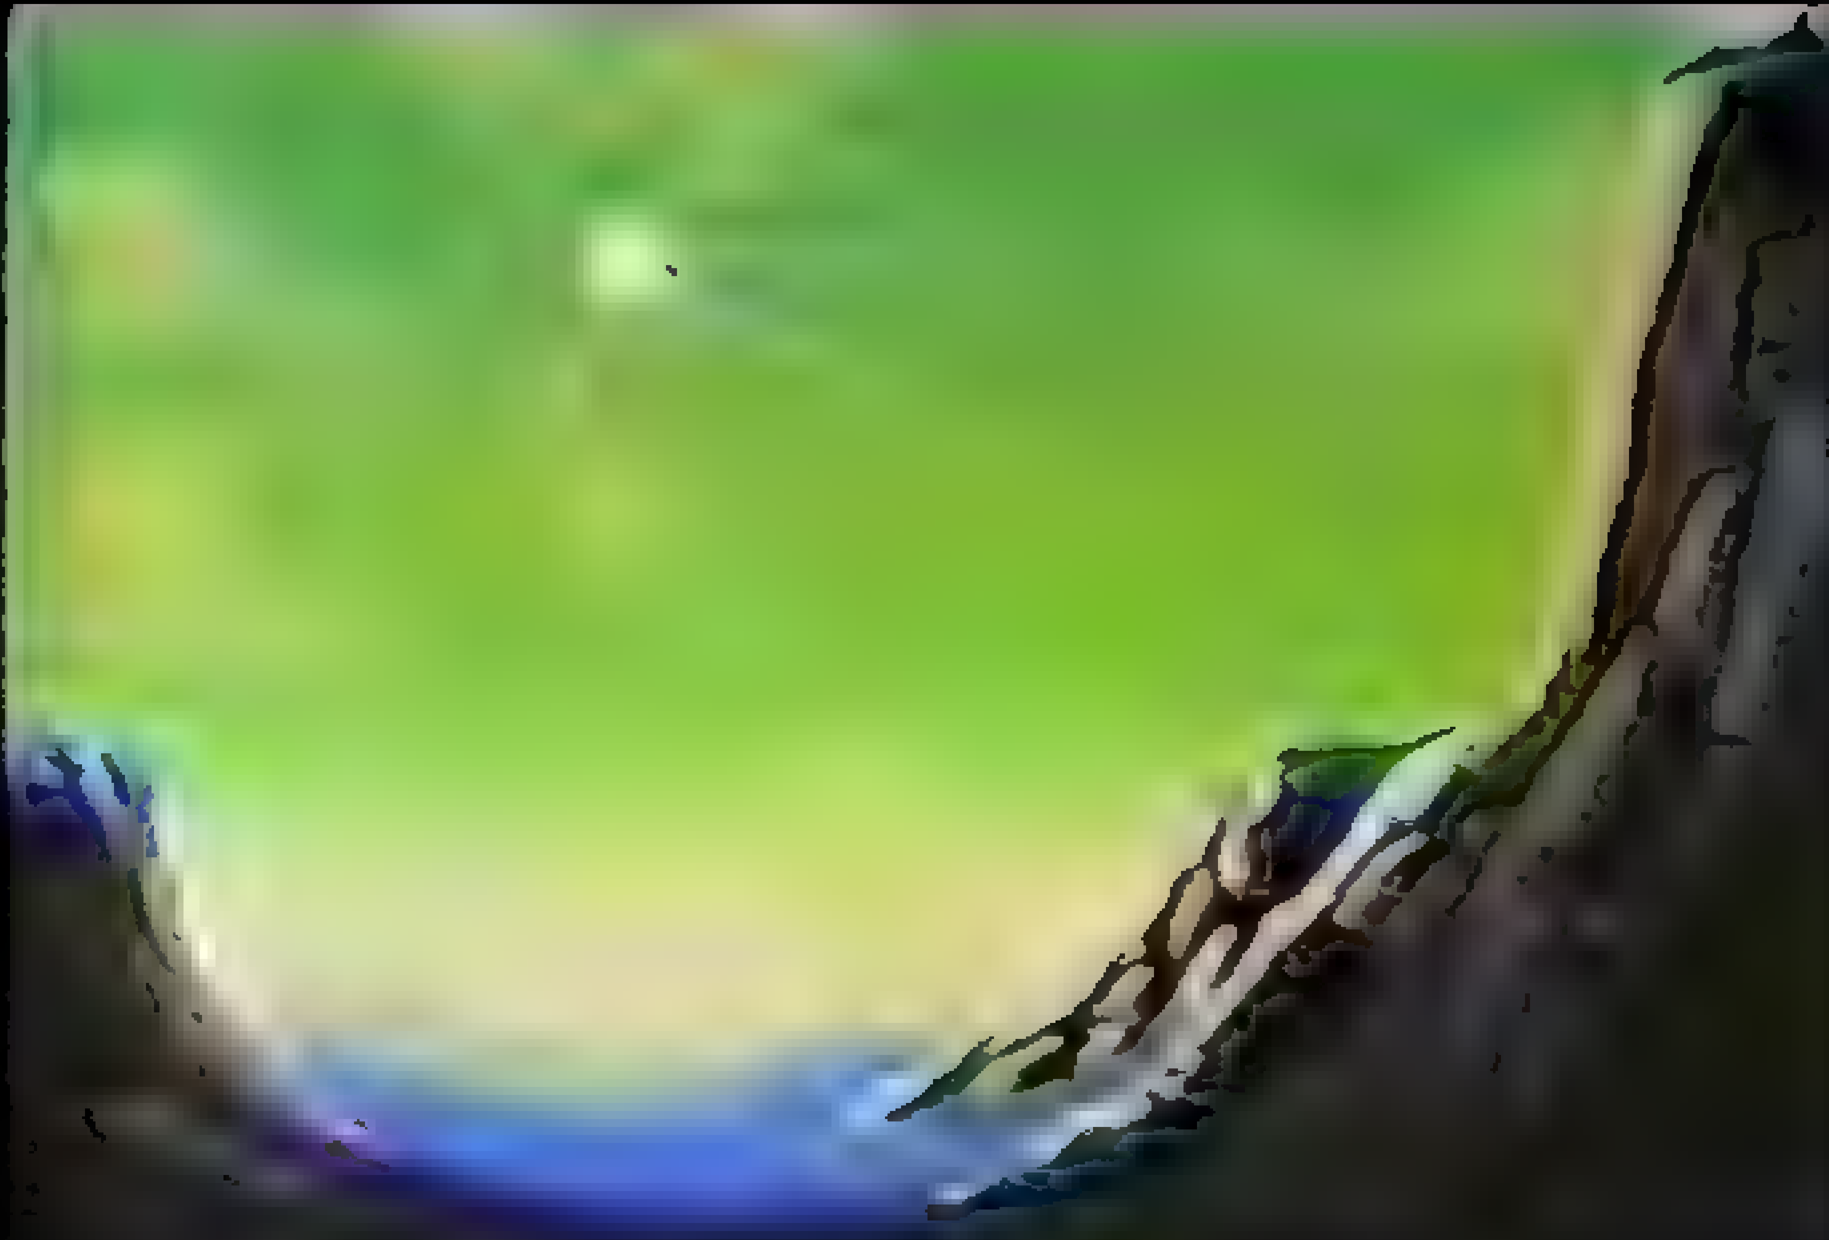

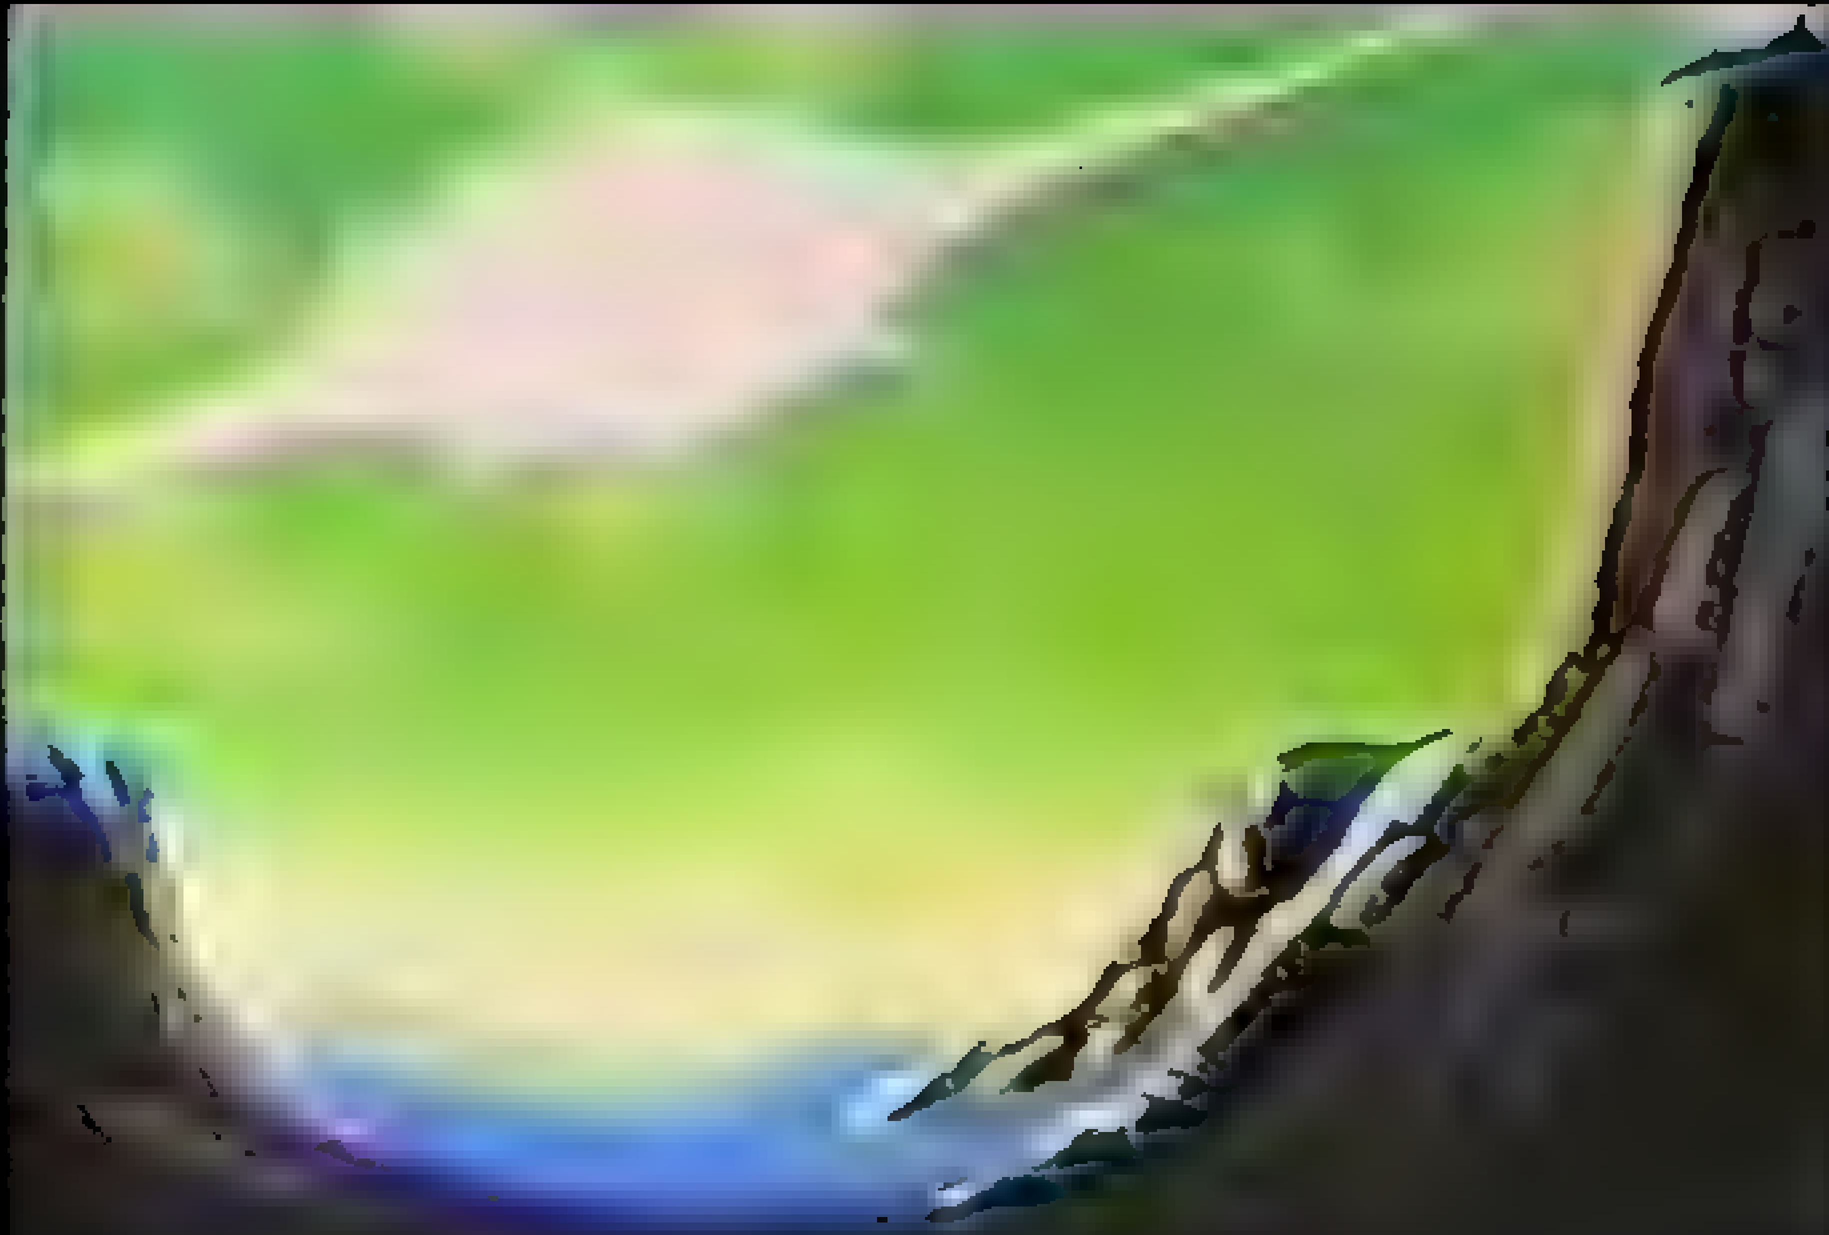

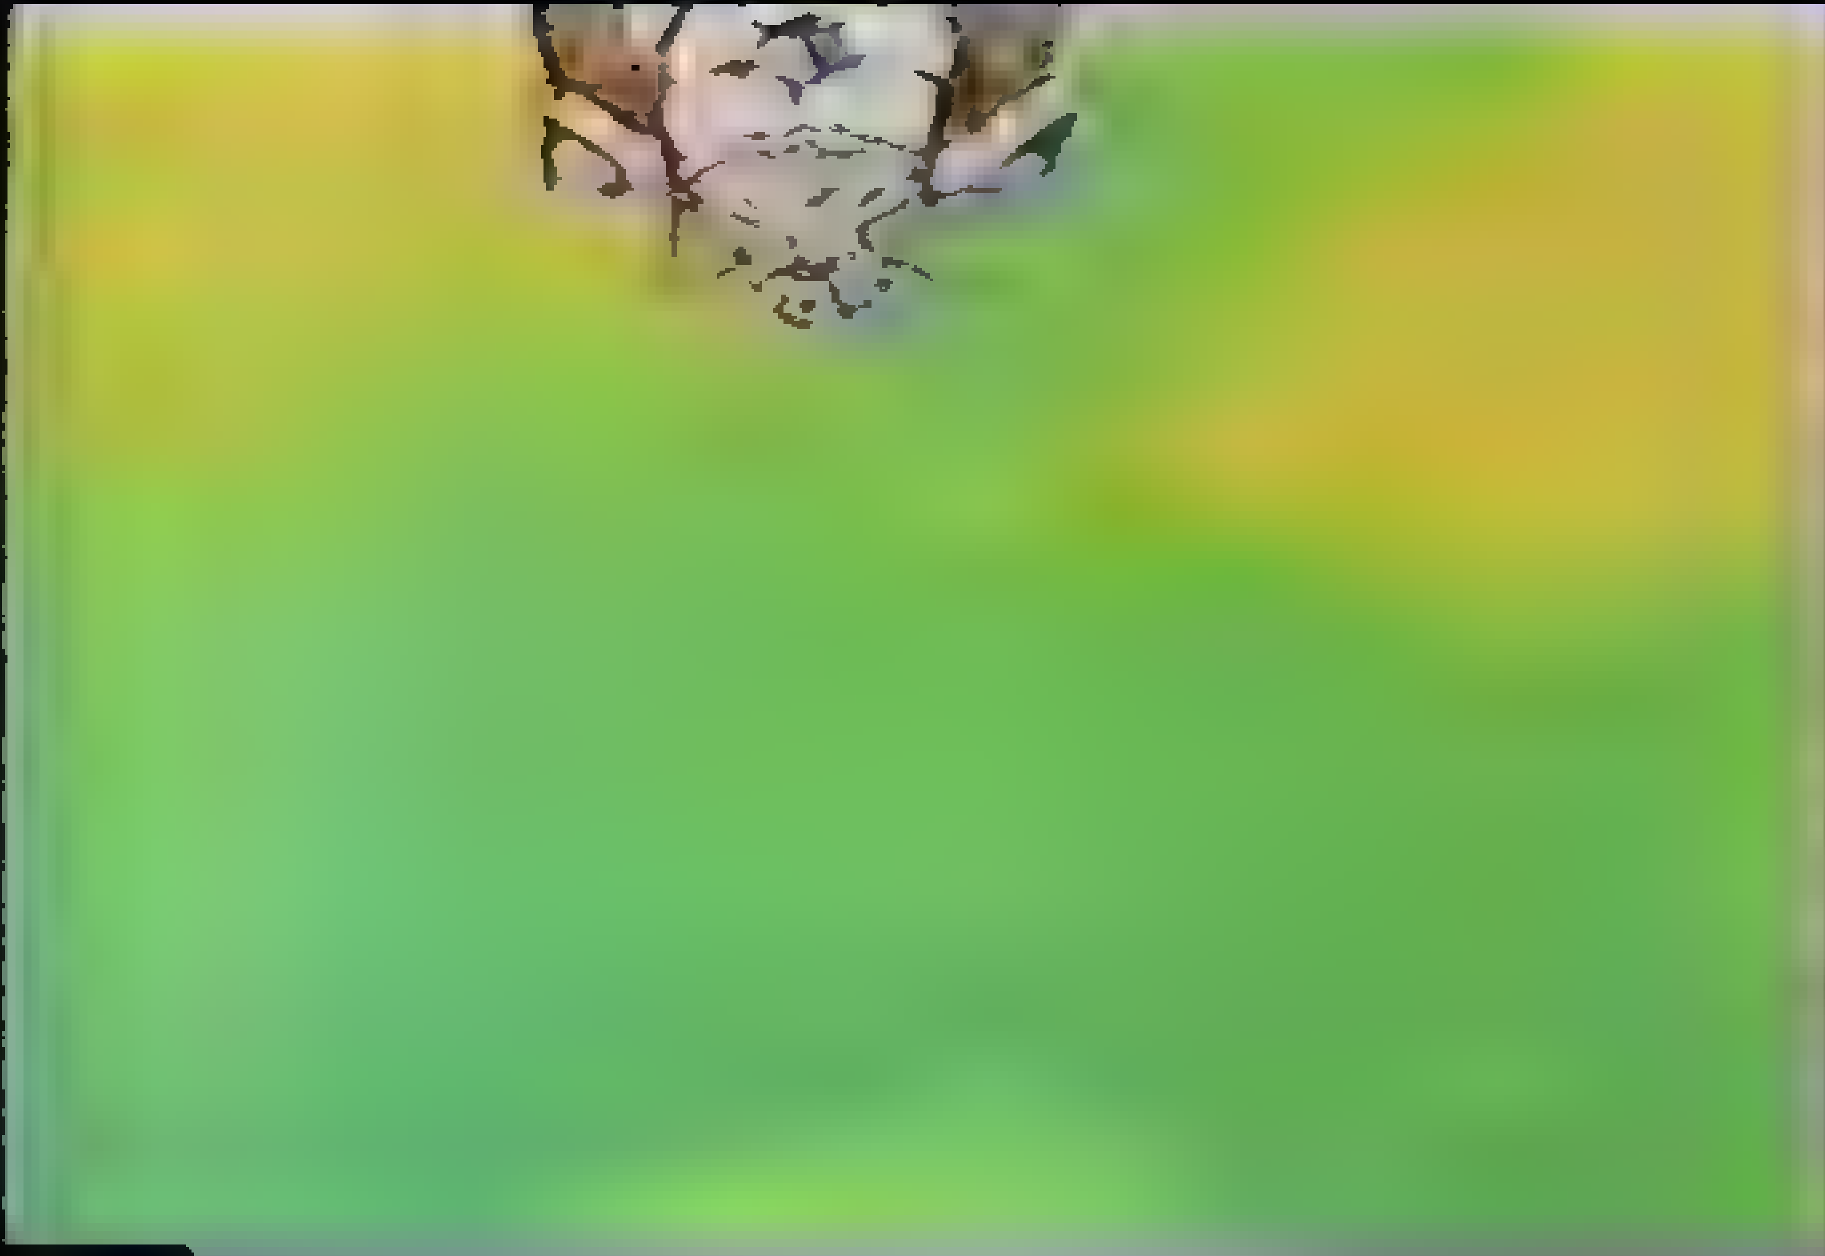

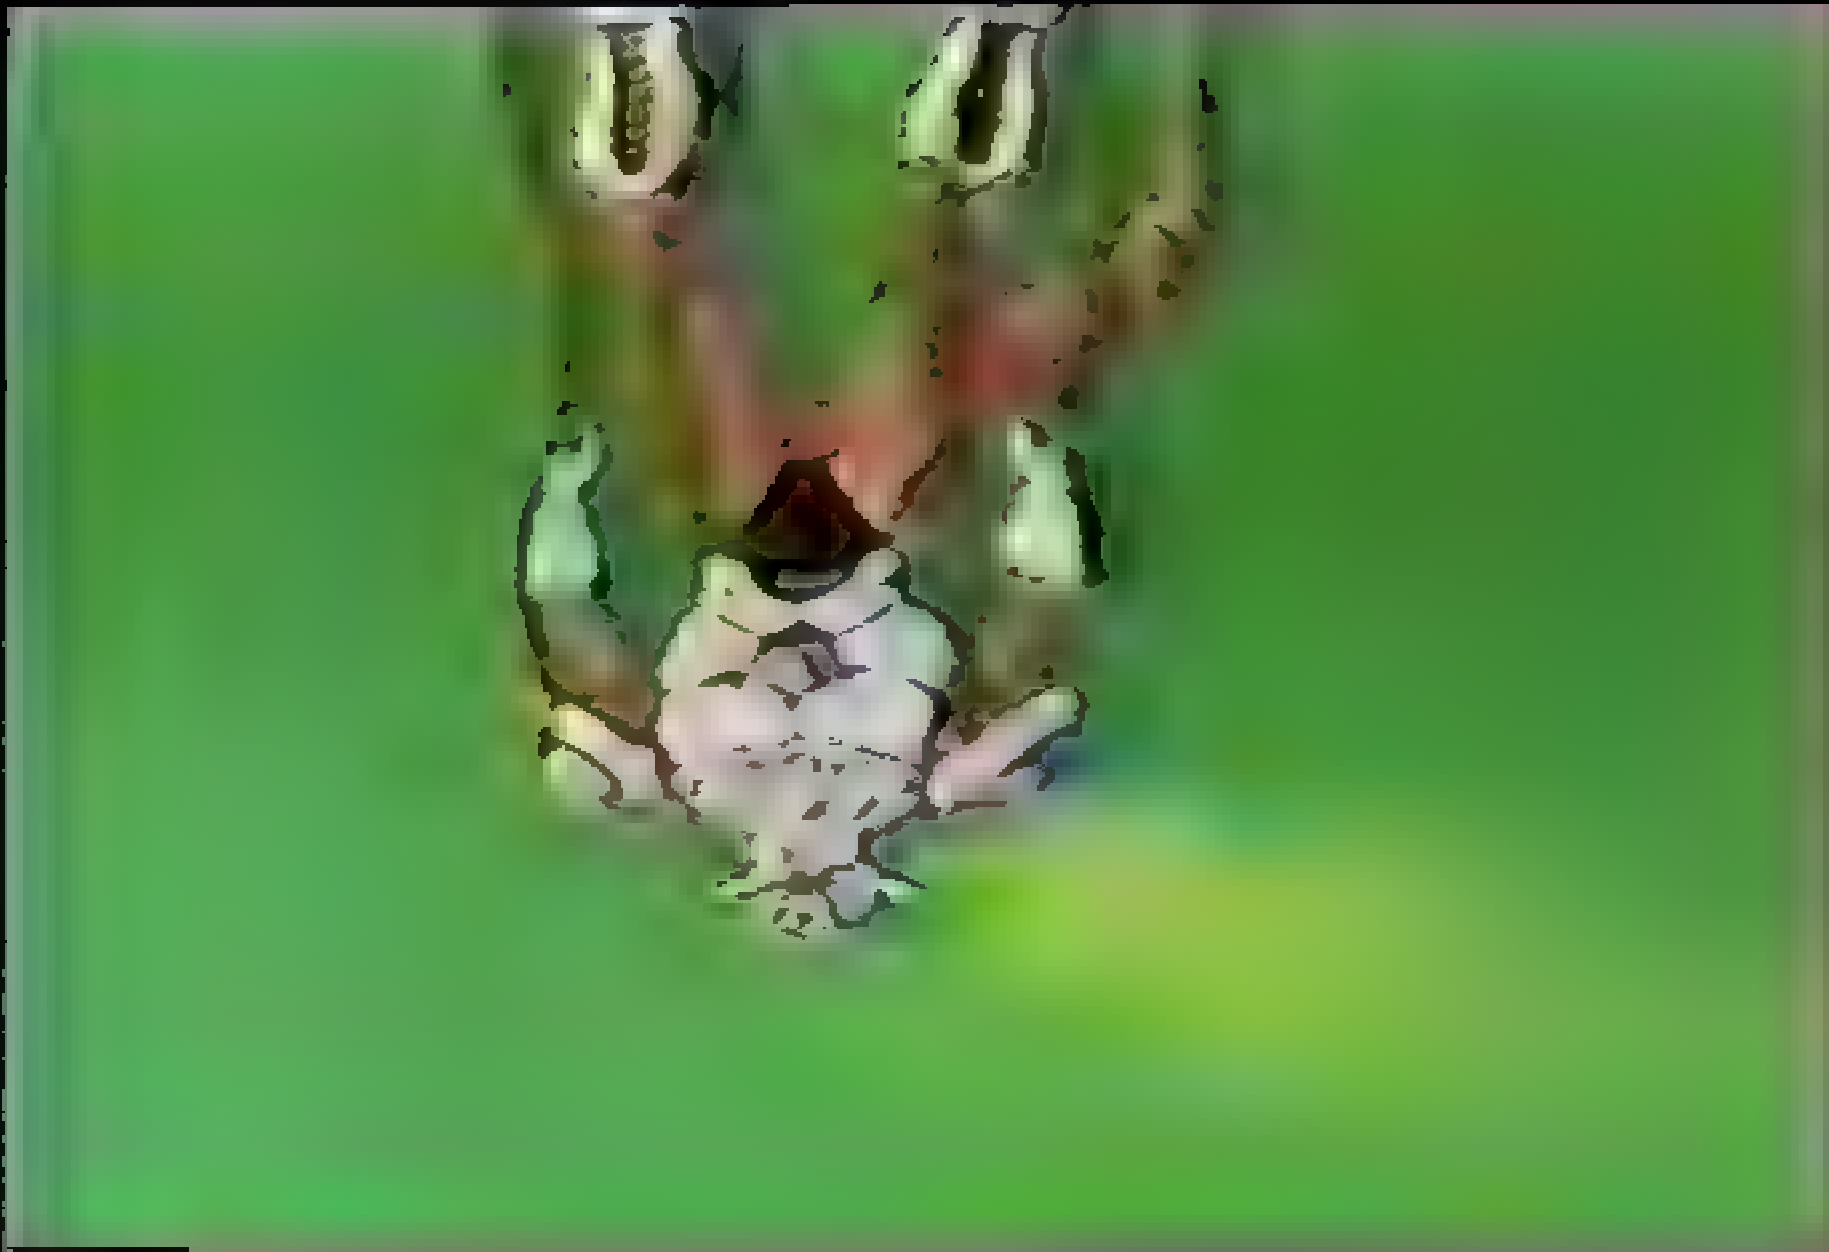

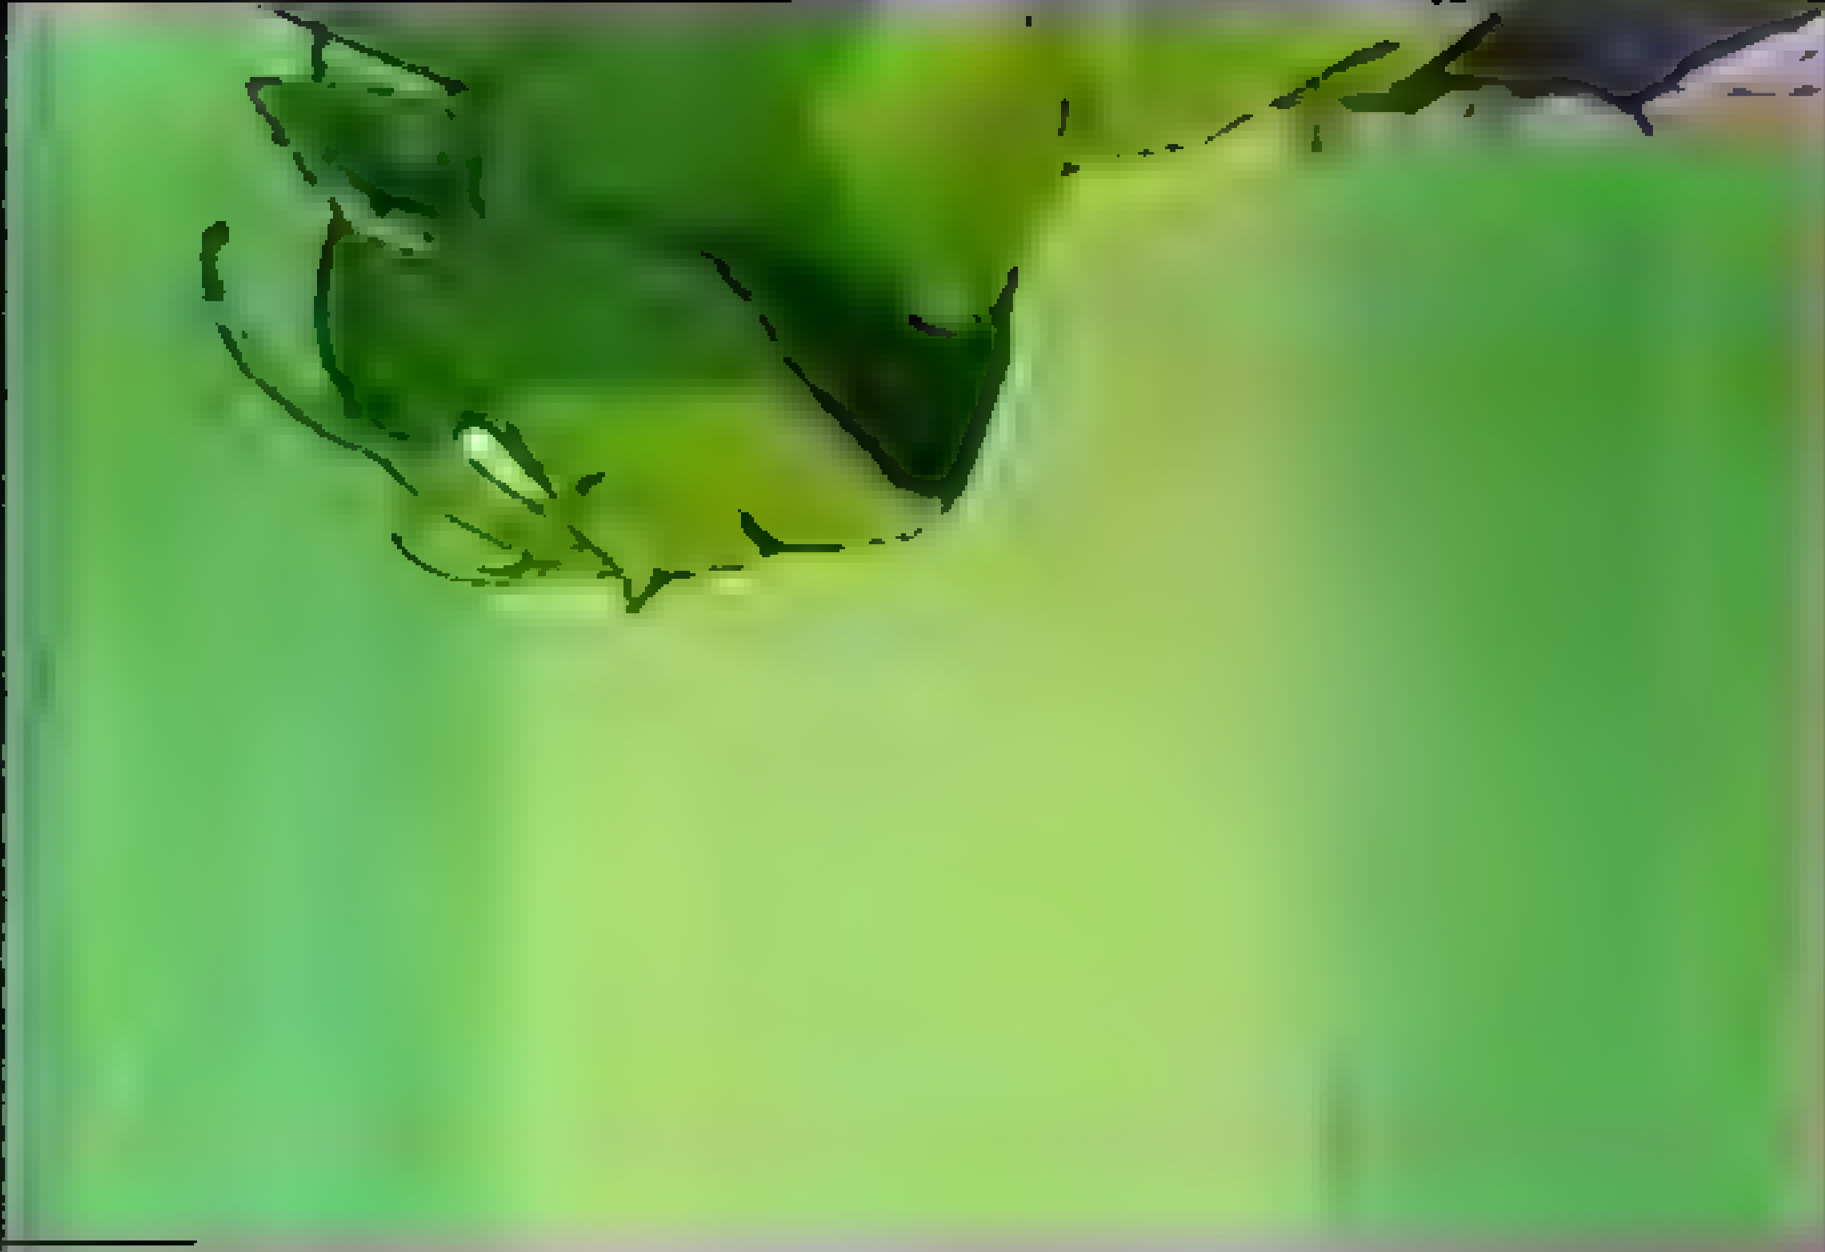

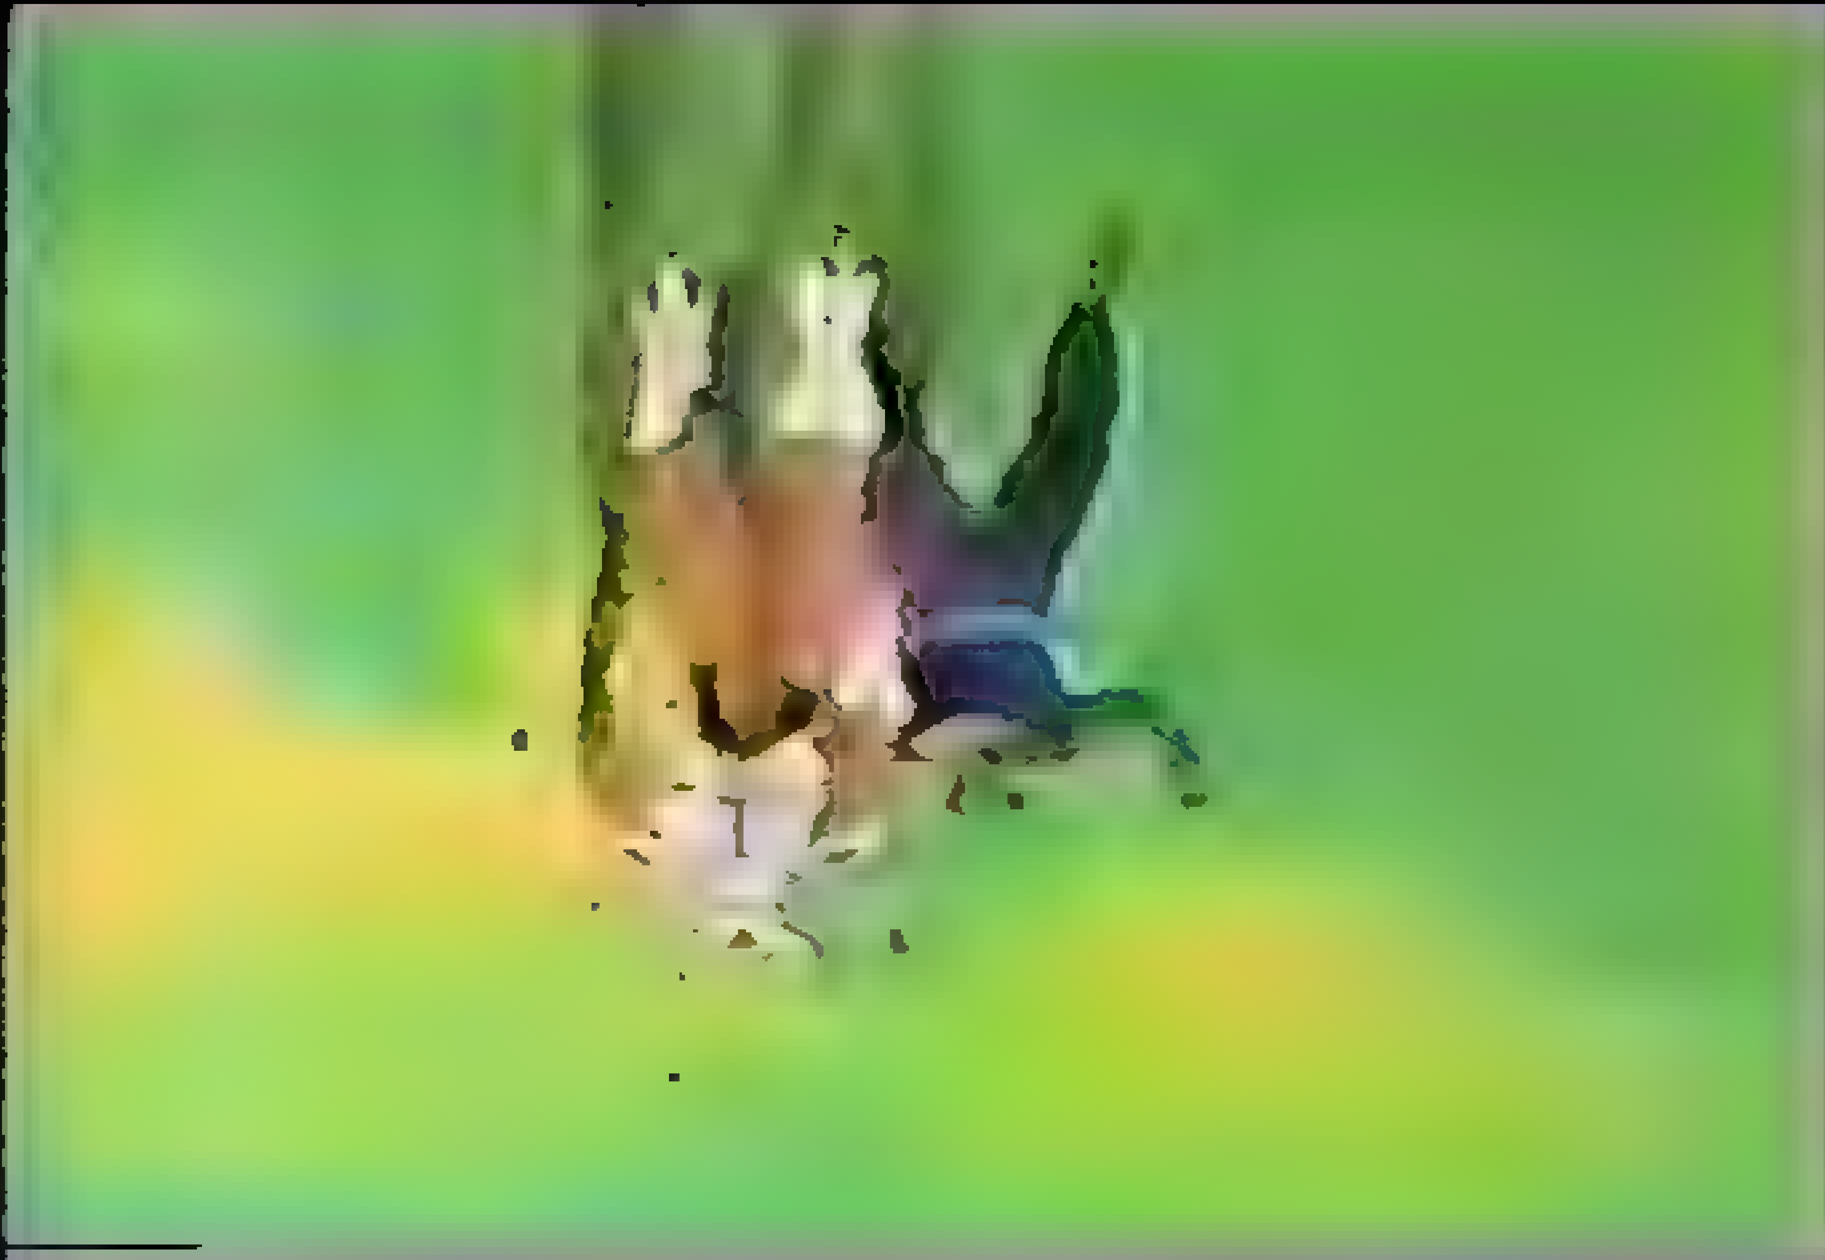

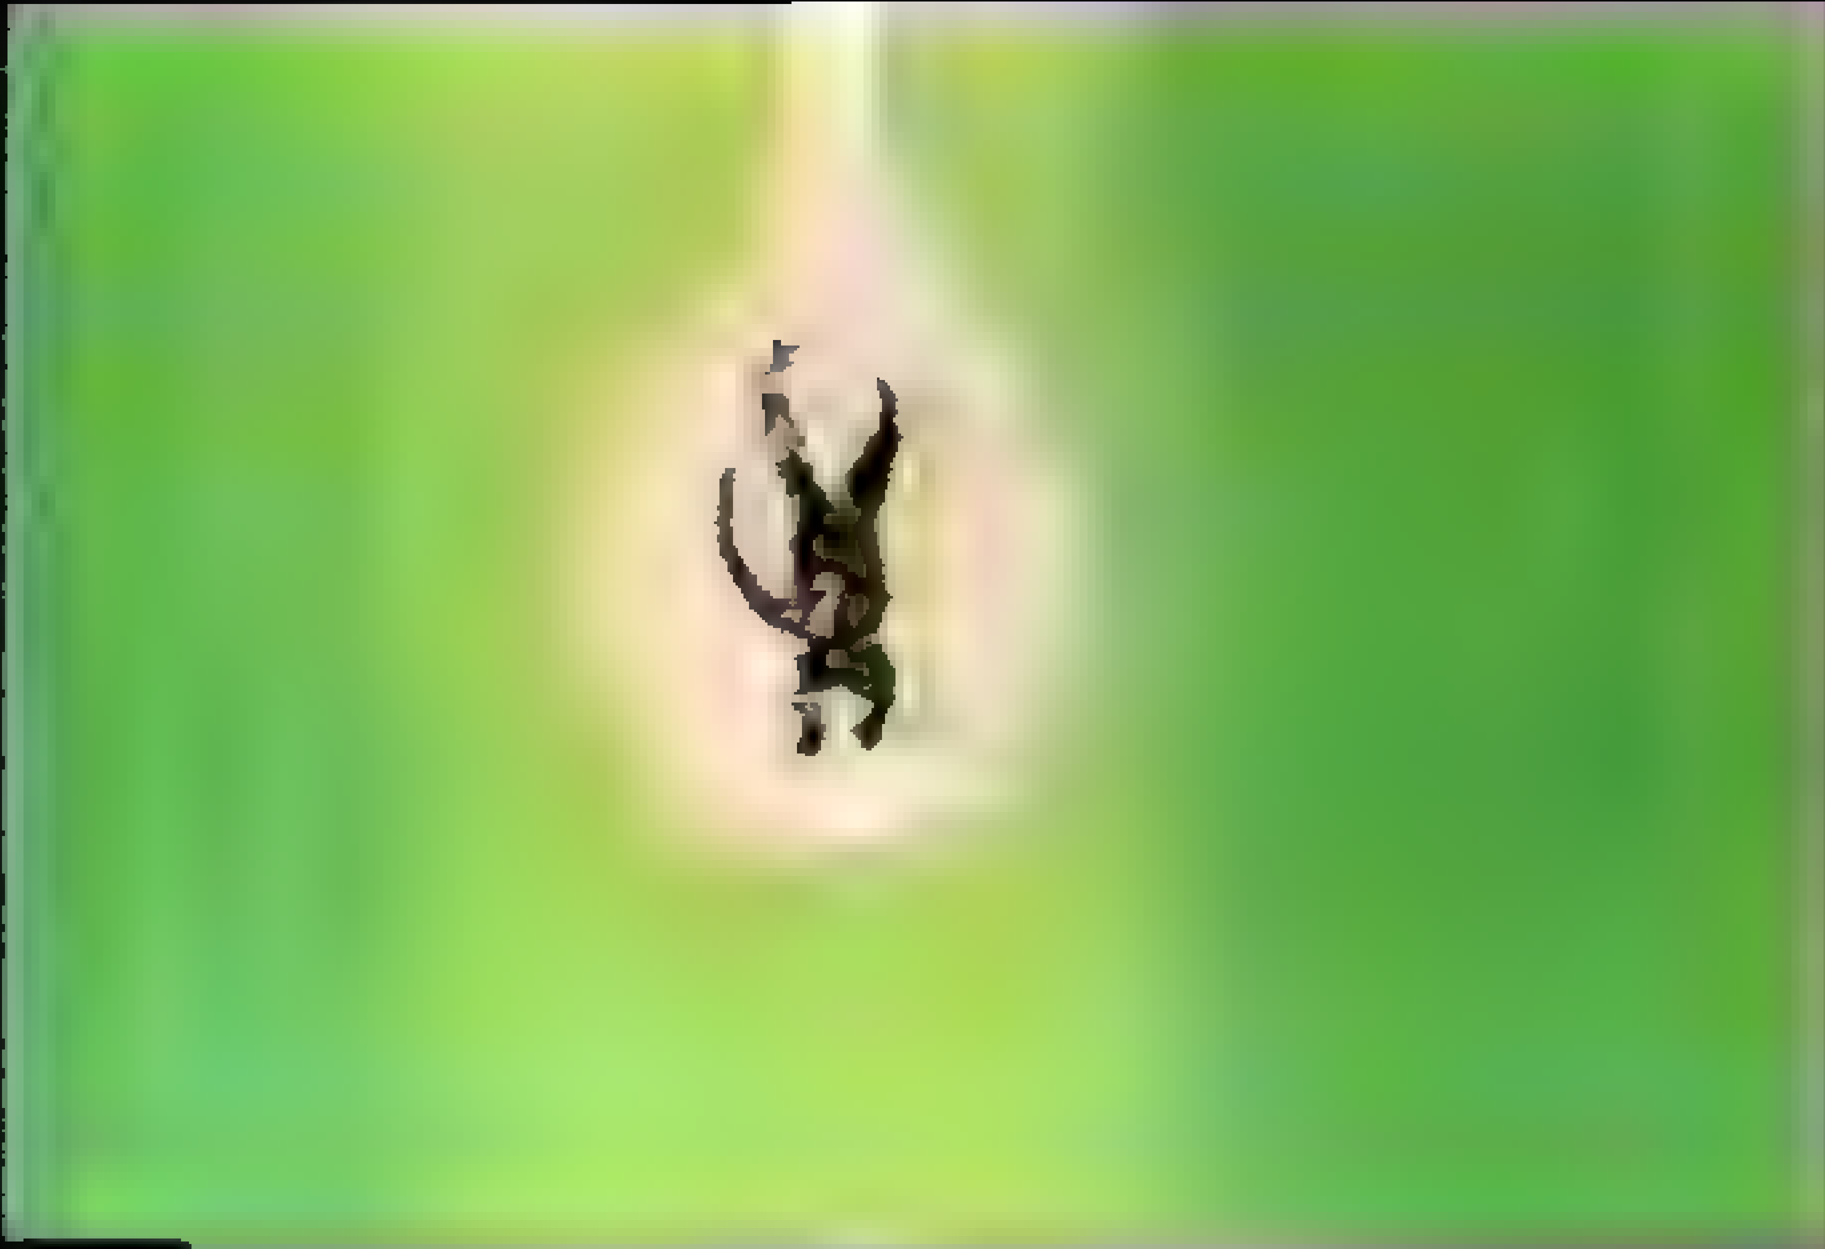

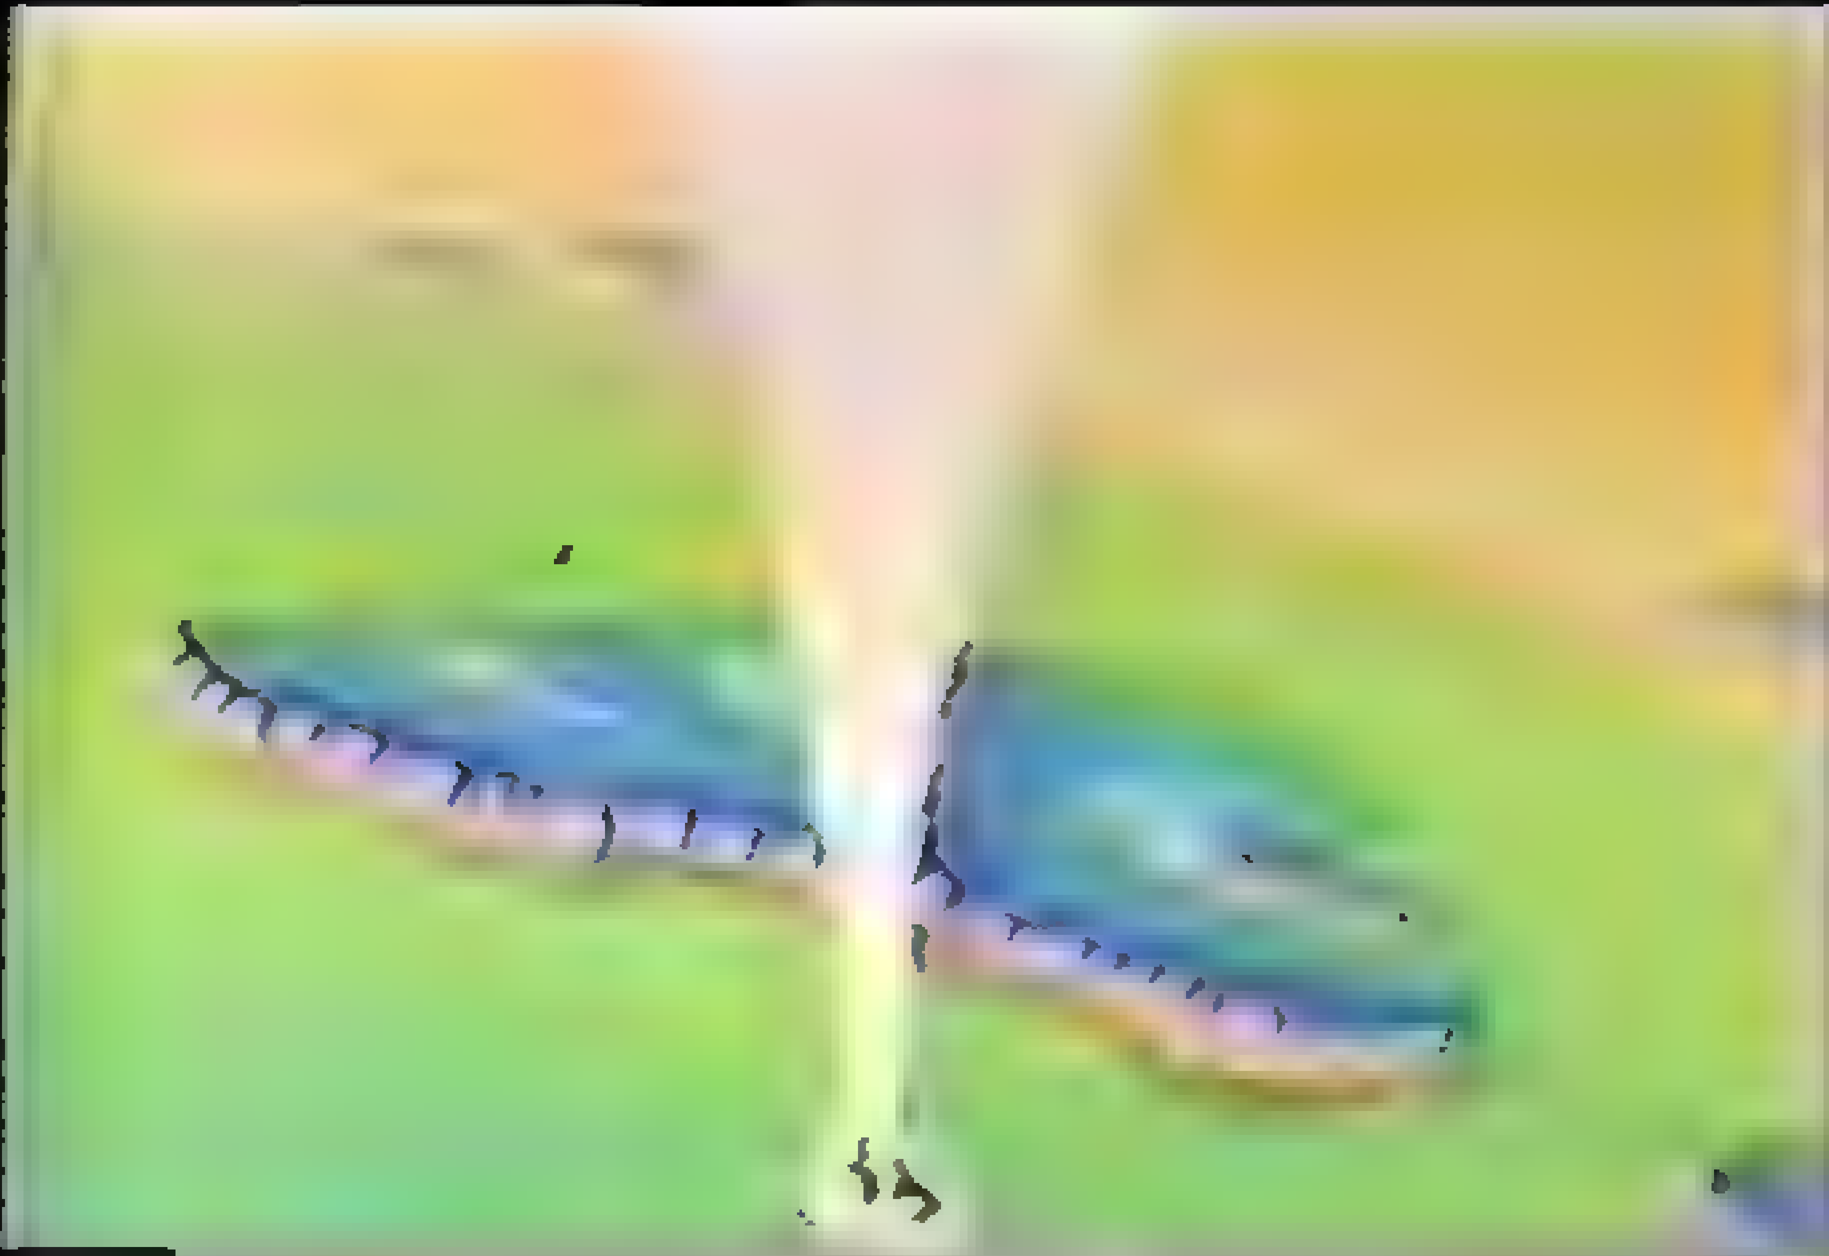

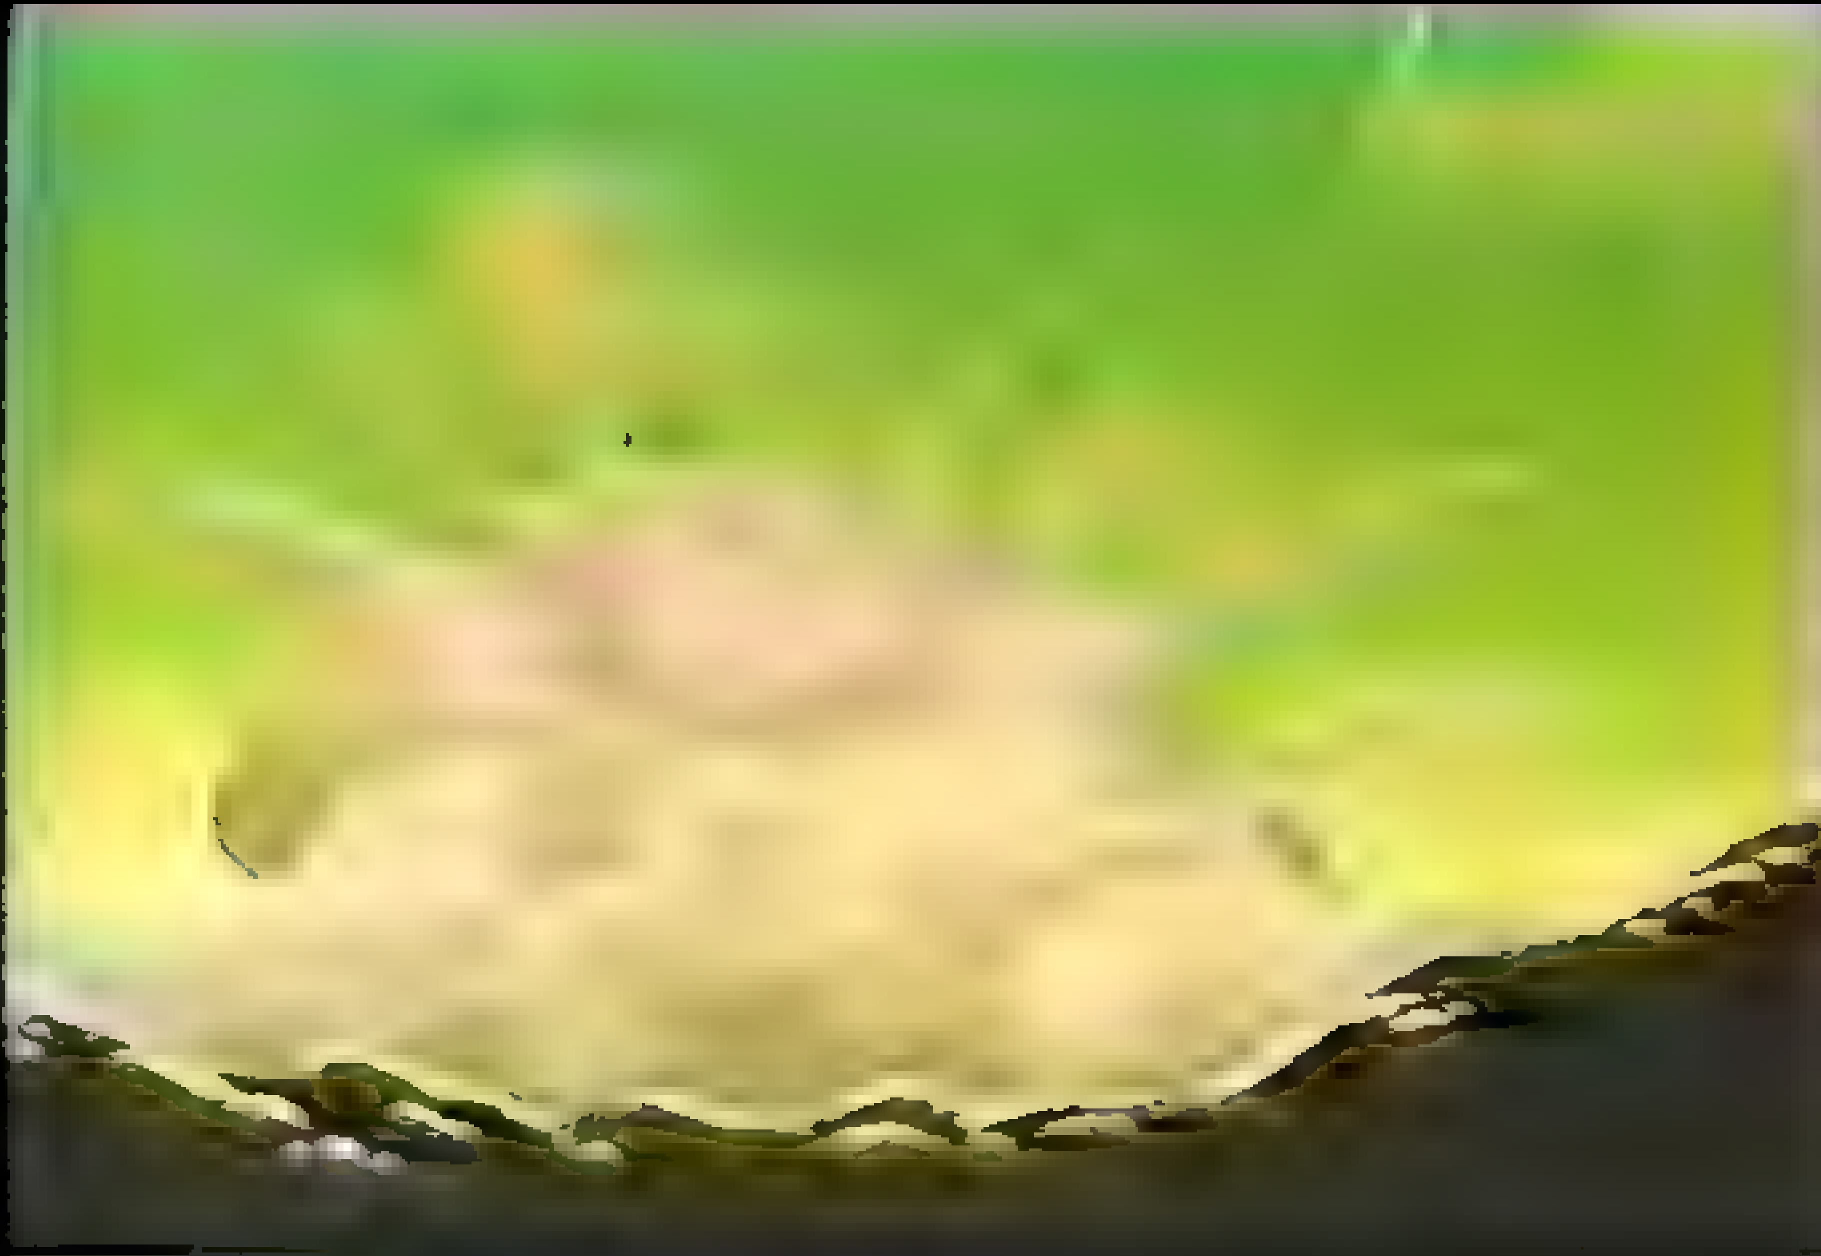

There's more to the fury of the
Nameccians than this!

There's more to the fury of the
Nameccians than this!

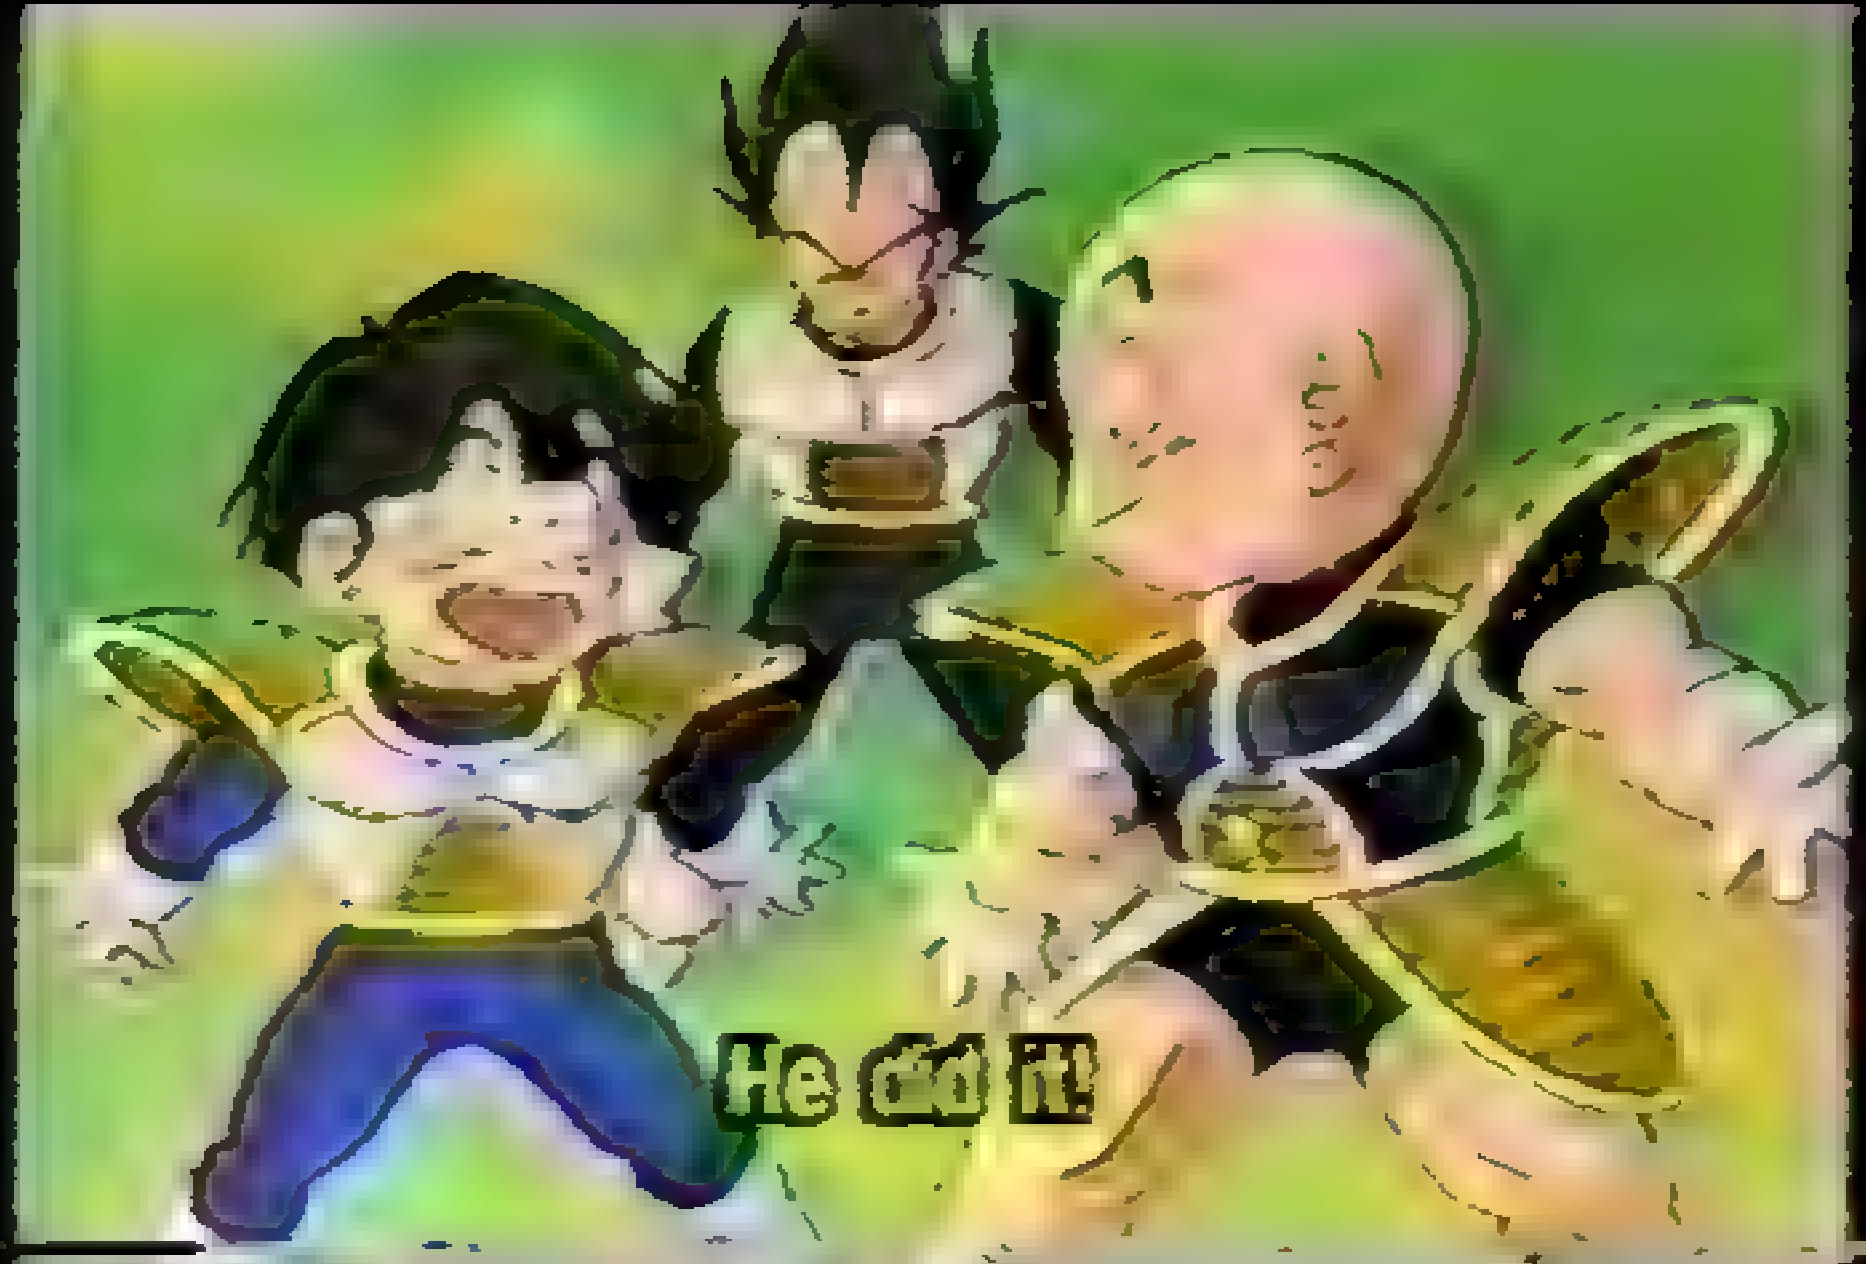

He did it!

Neil

Great! Mr. Piccolo!

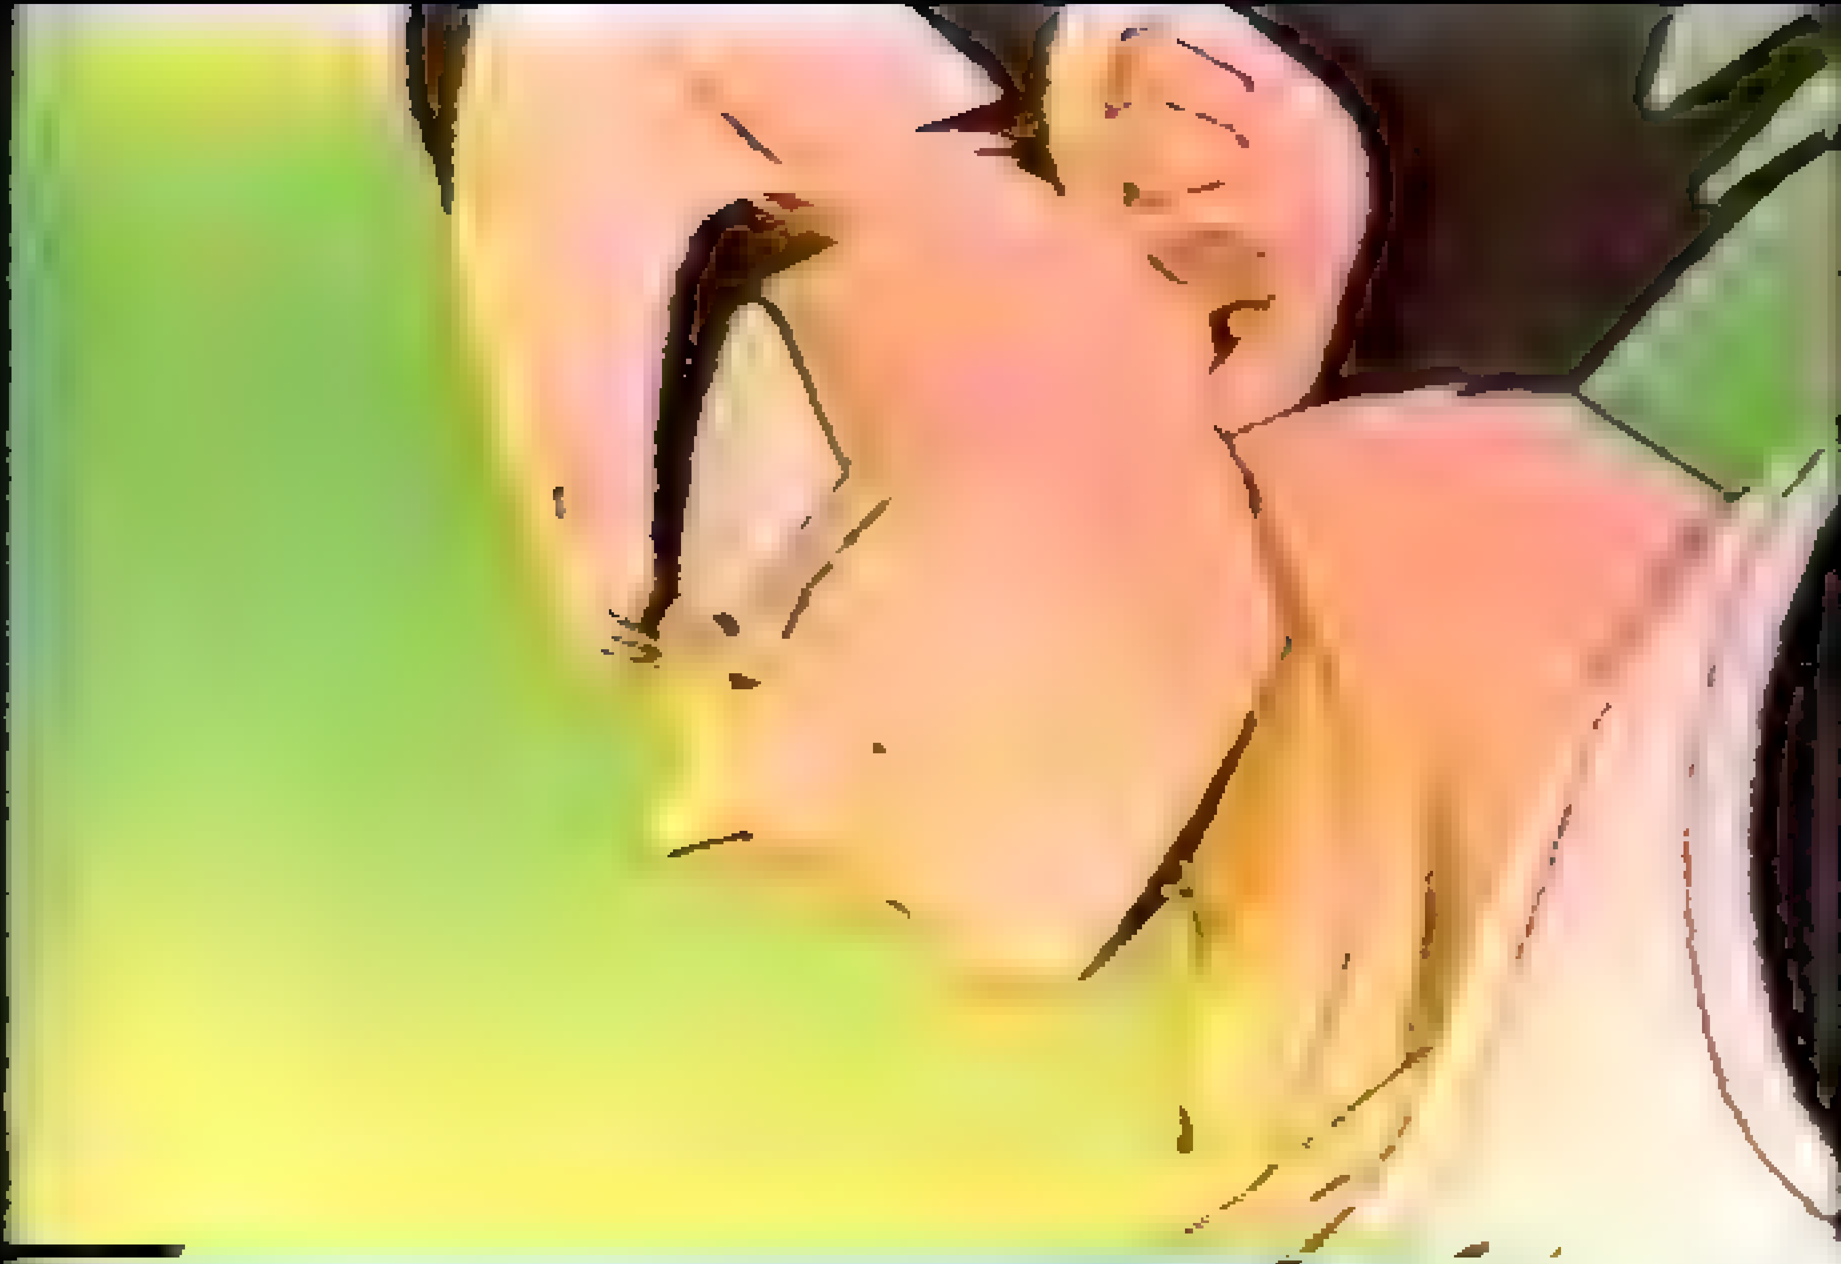

Good going!

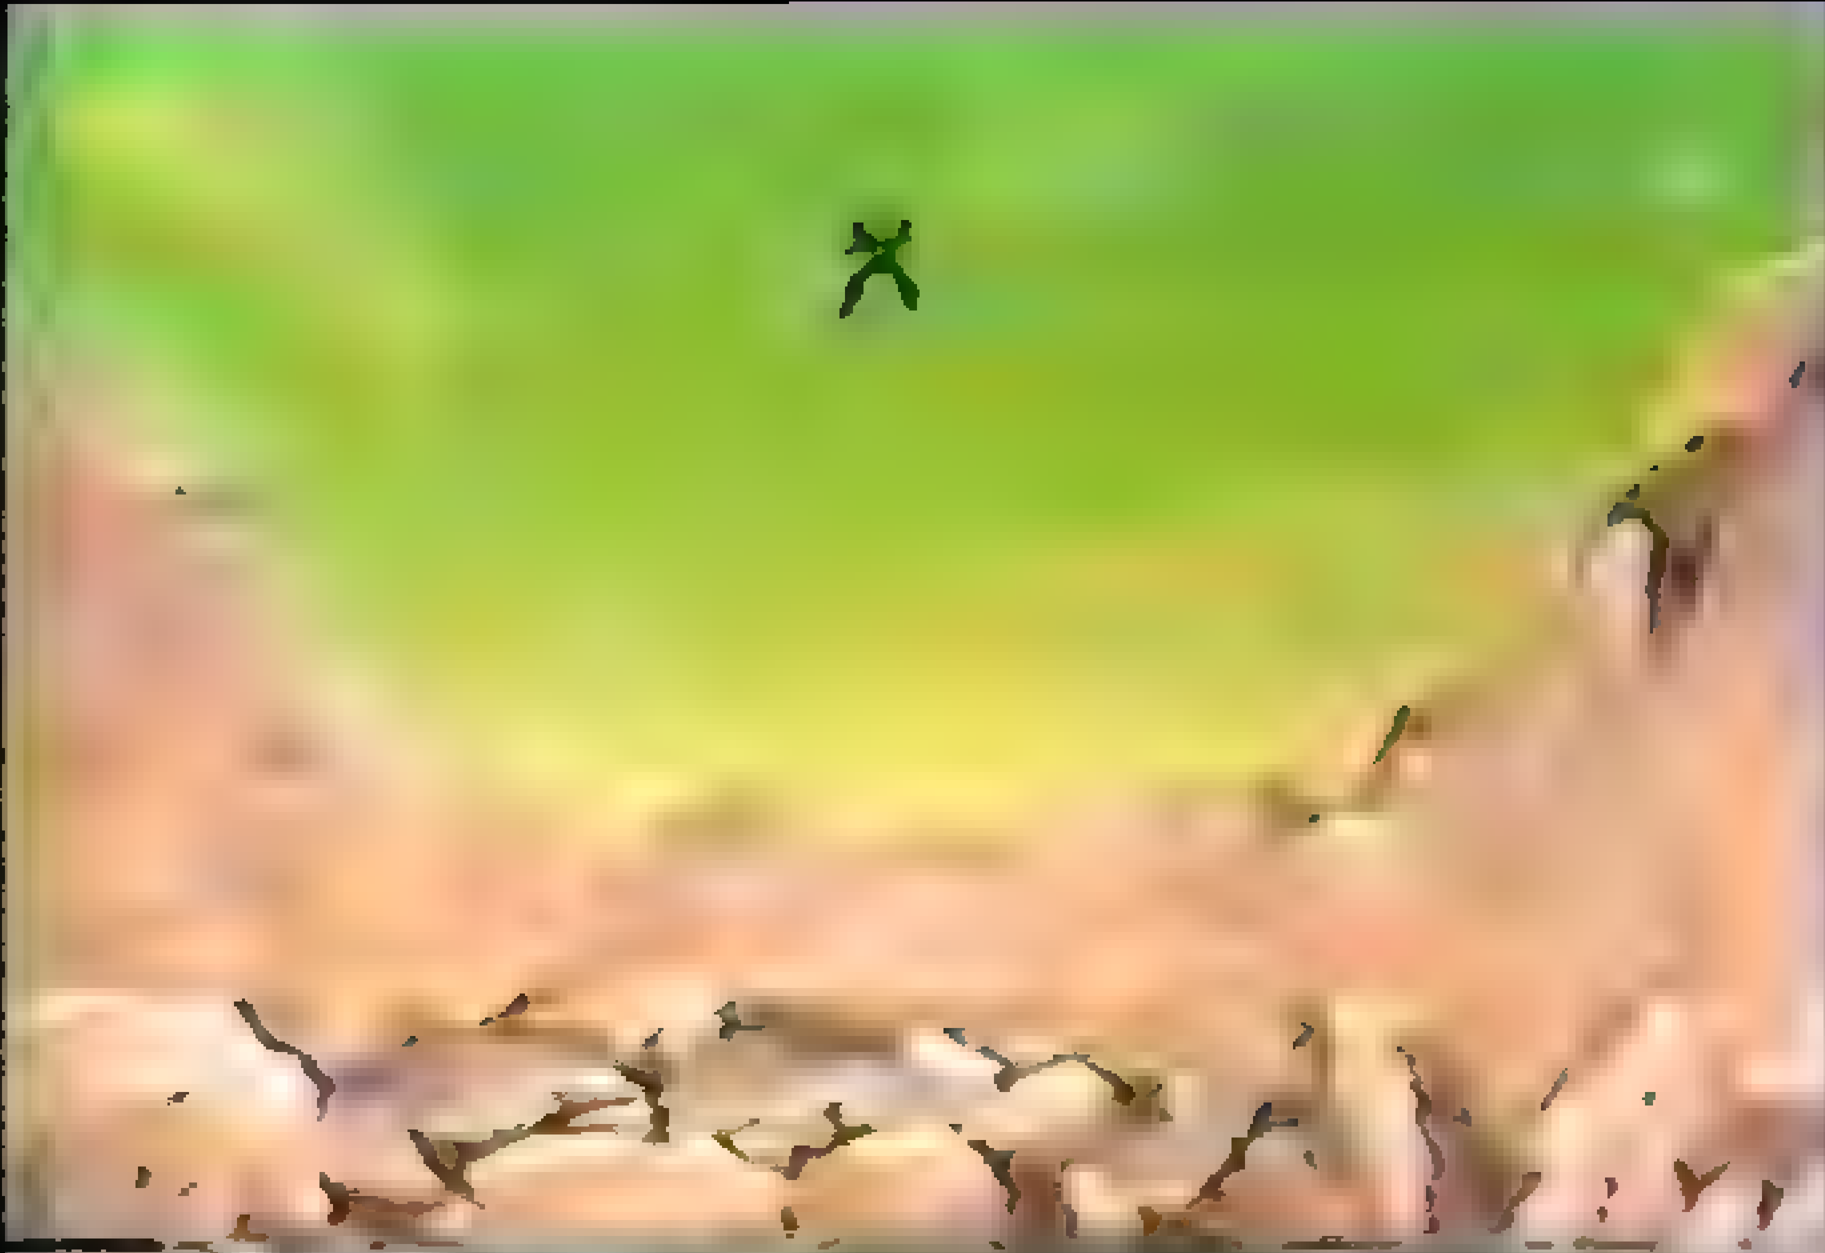

At this rate, Kakarot
may get here in time.

If he does, I may not die.

This is the end for you!

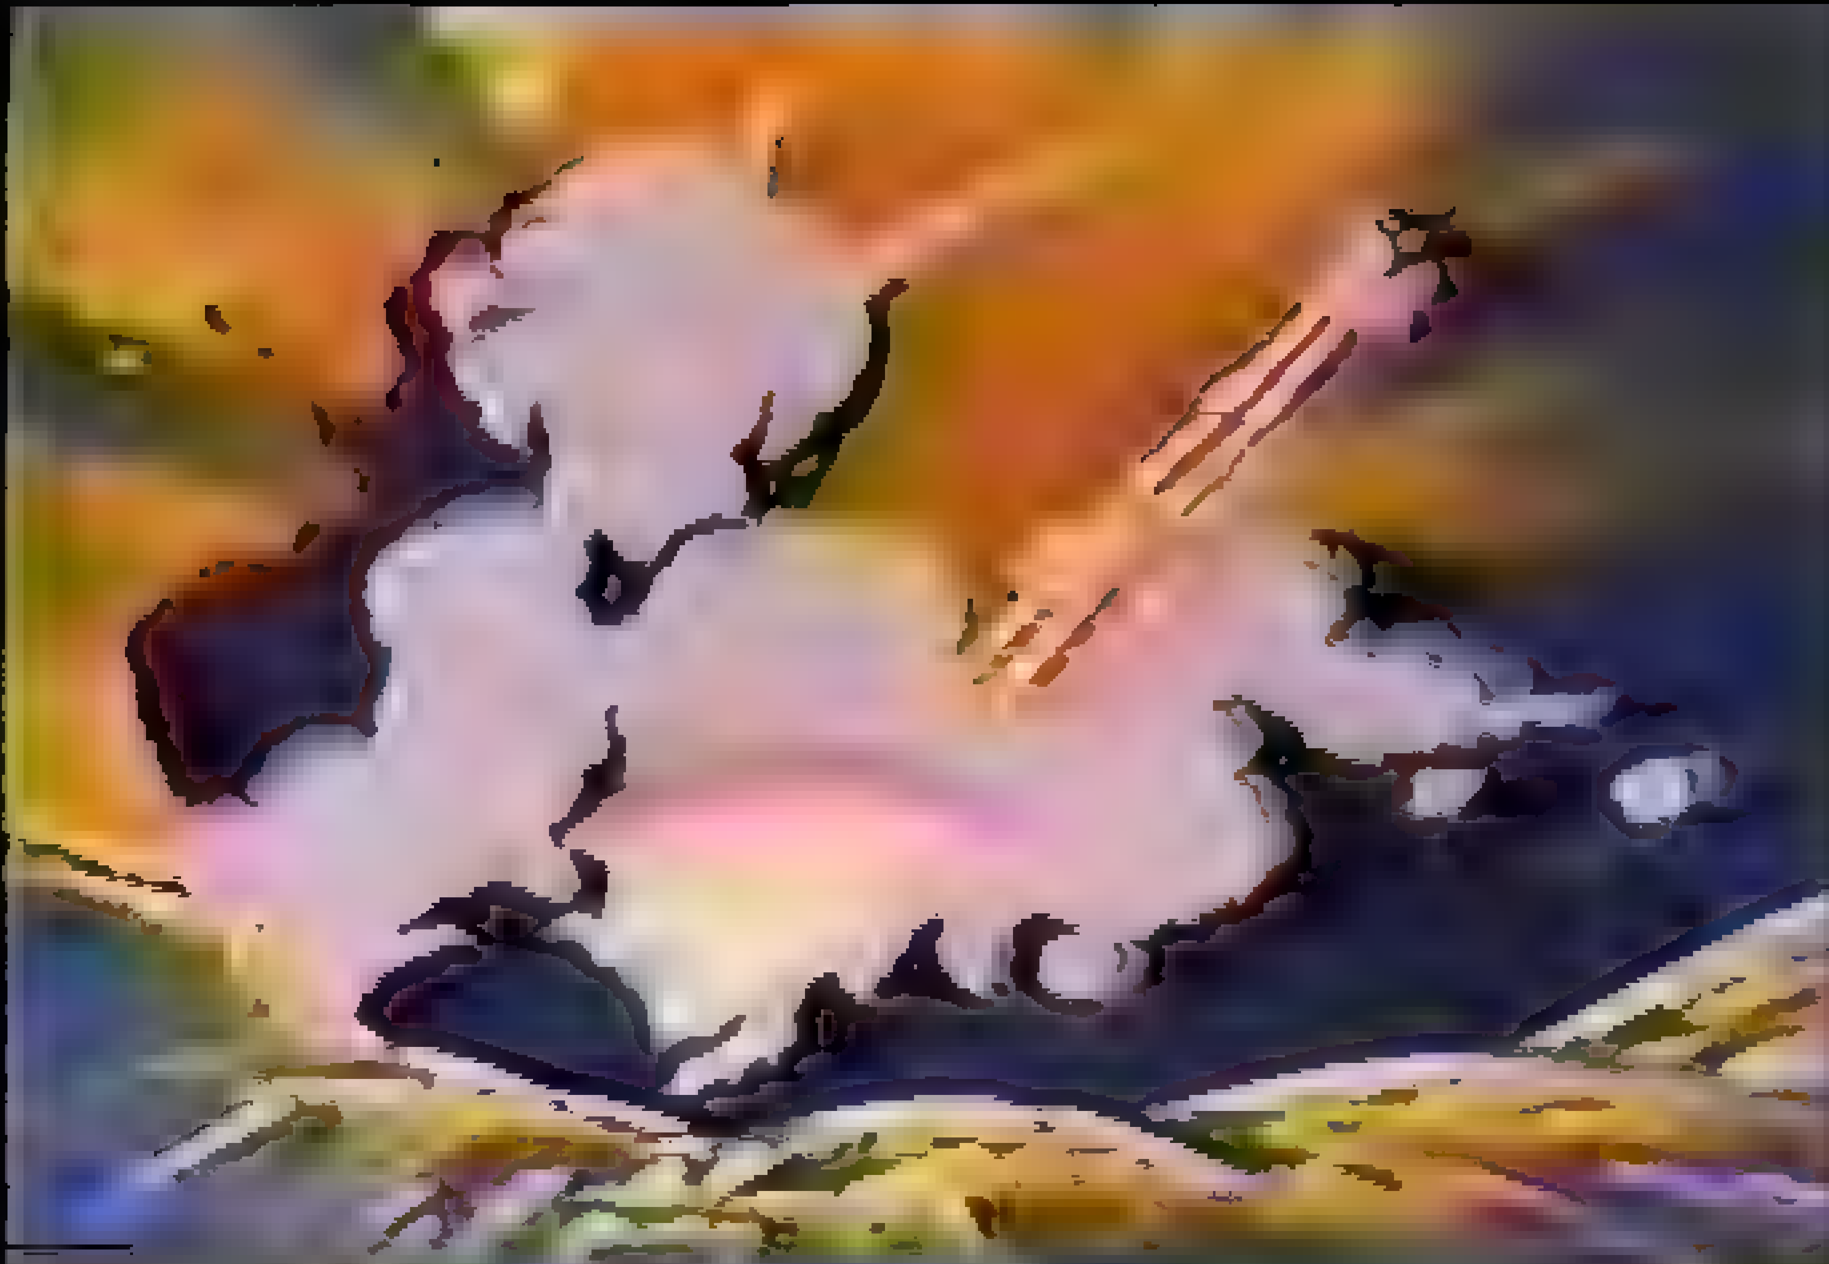

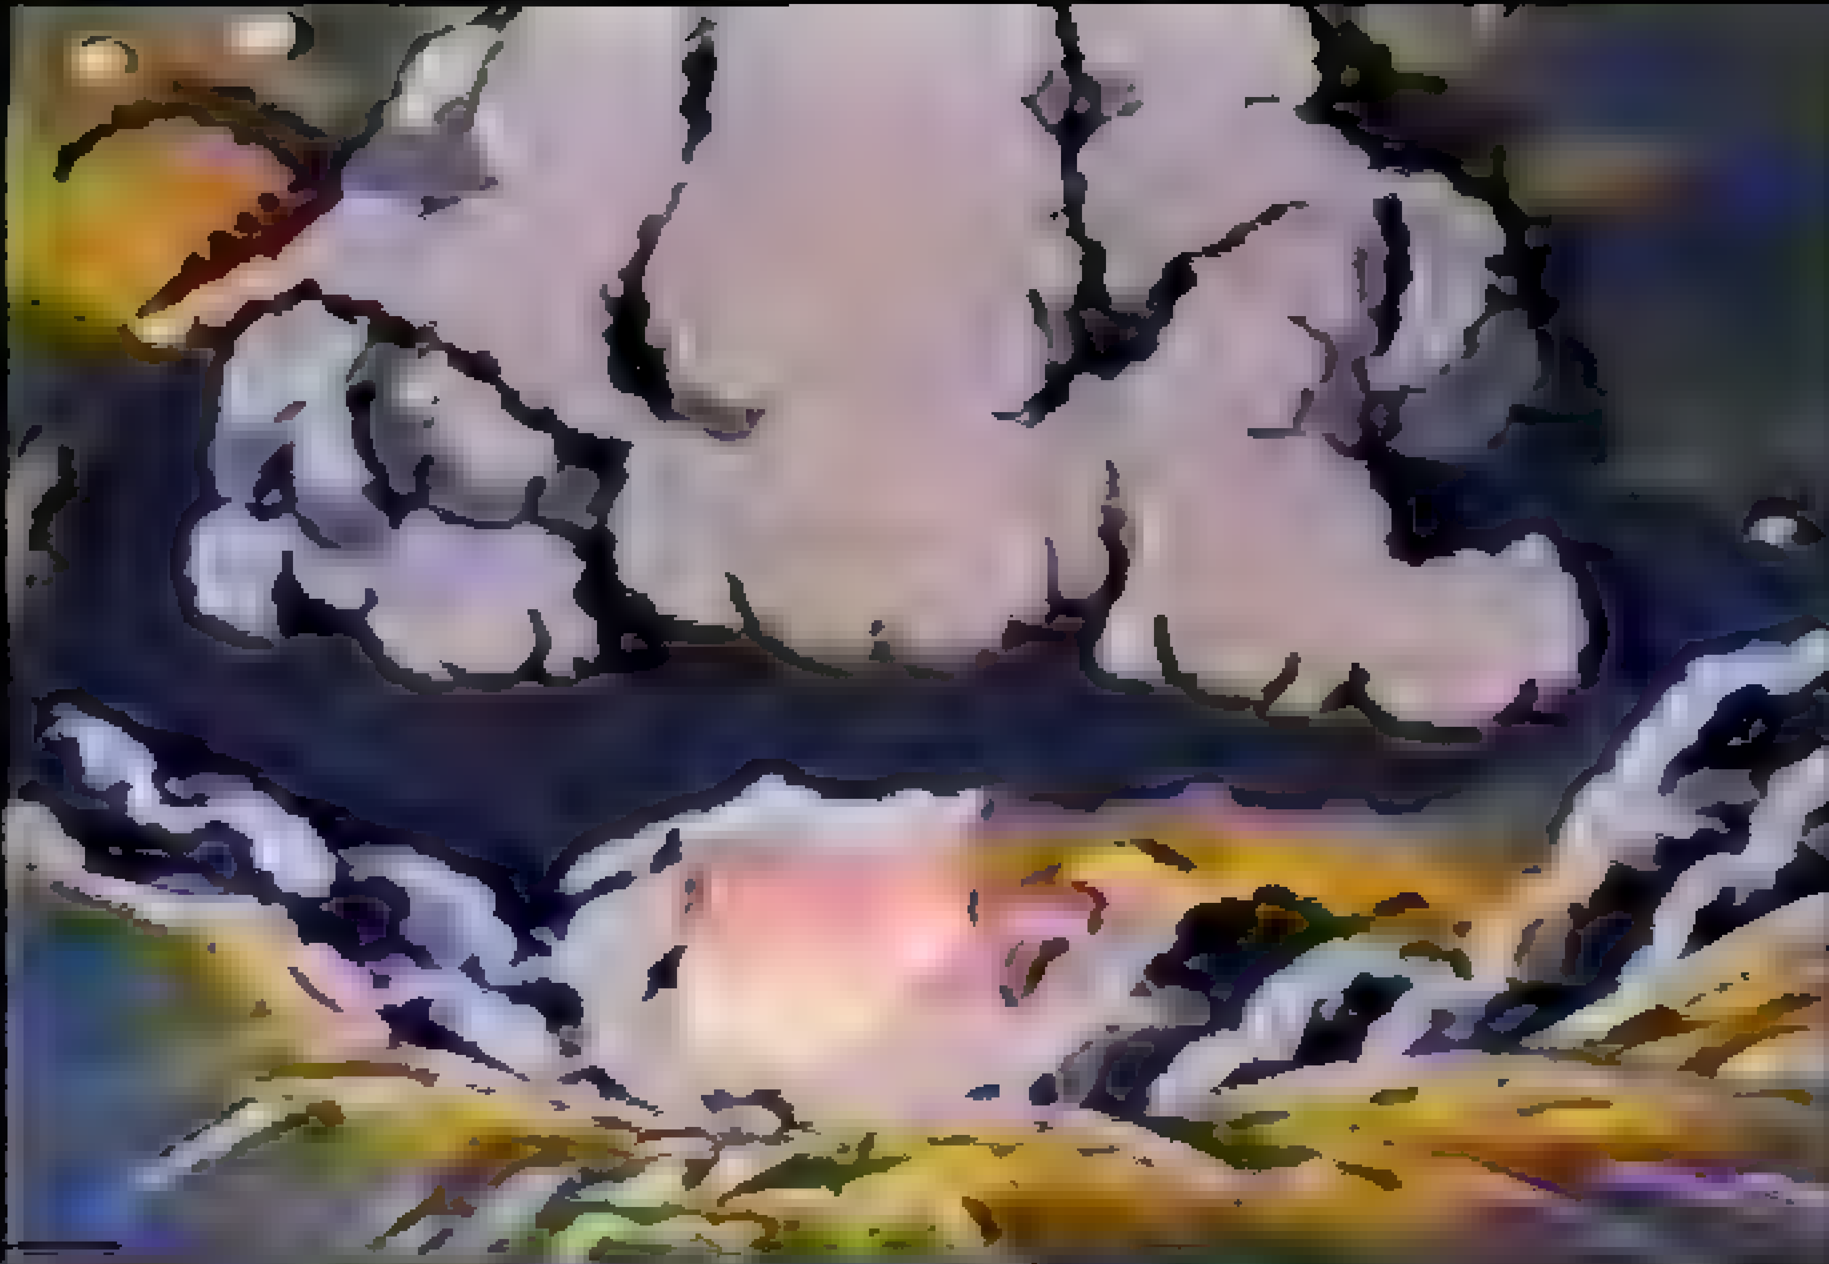

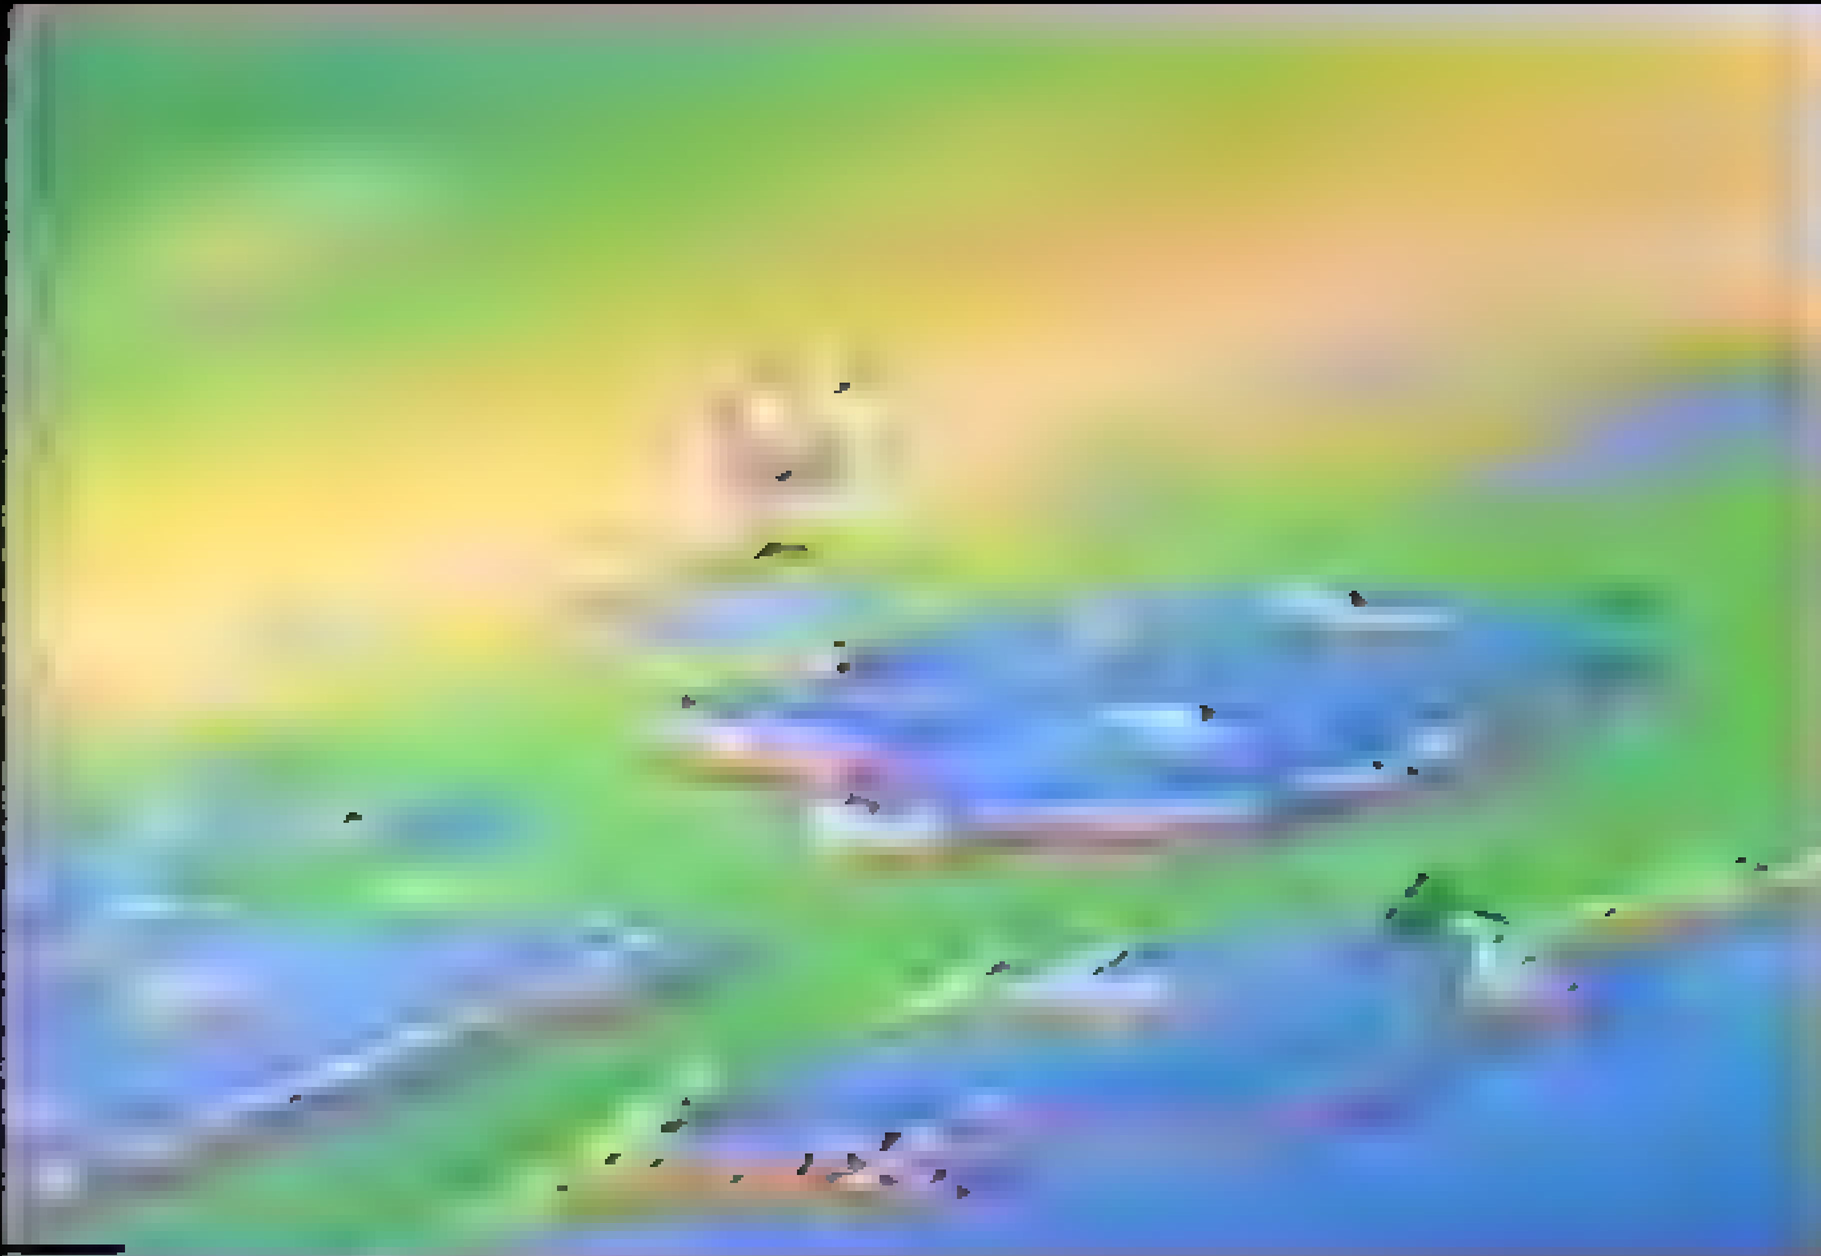

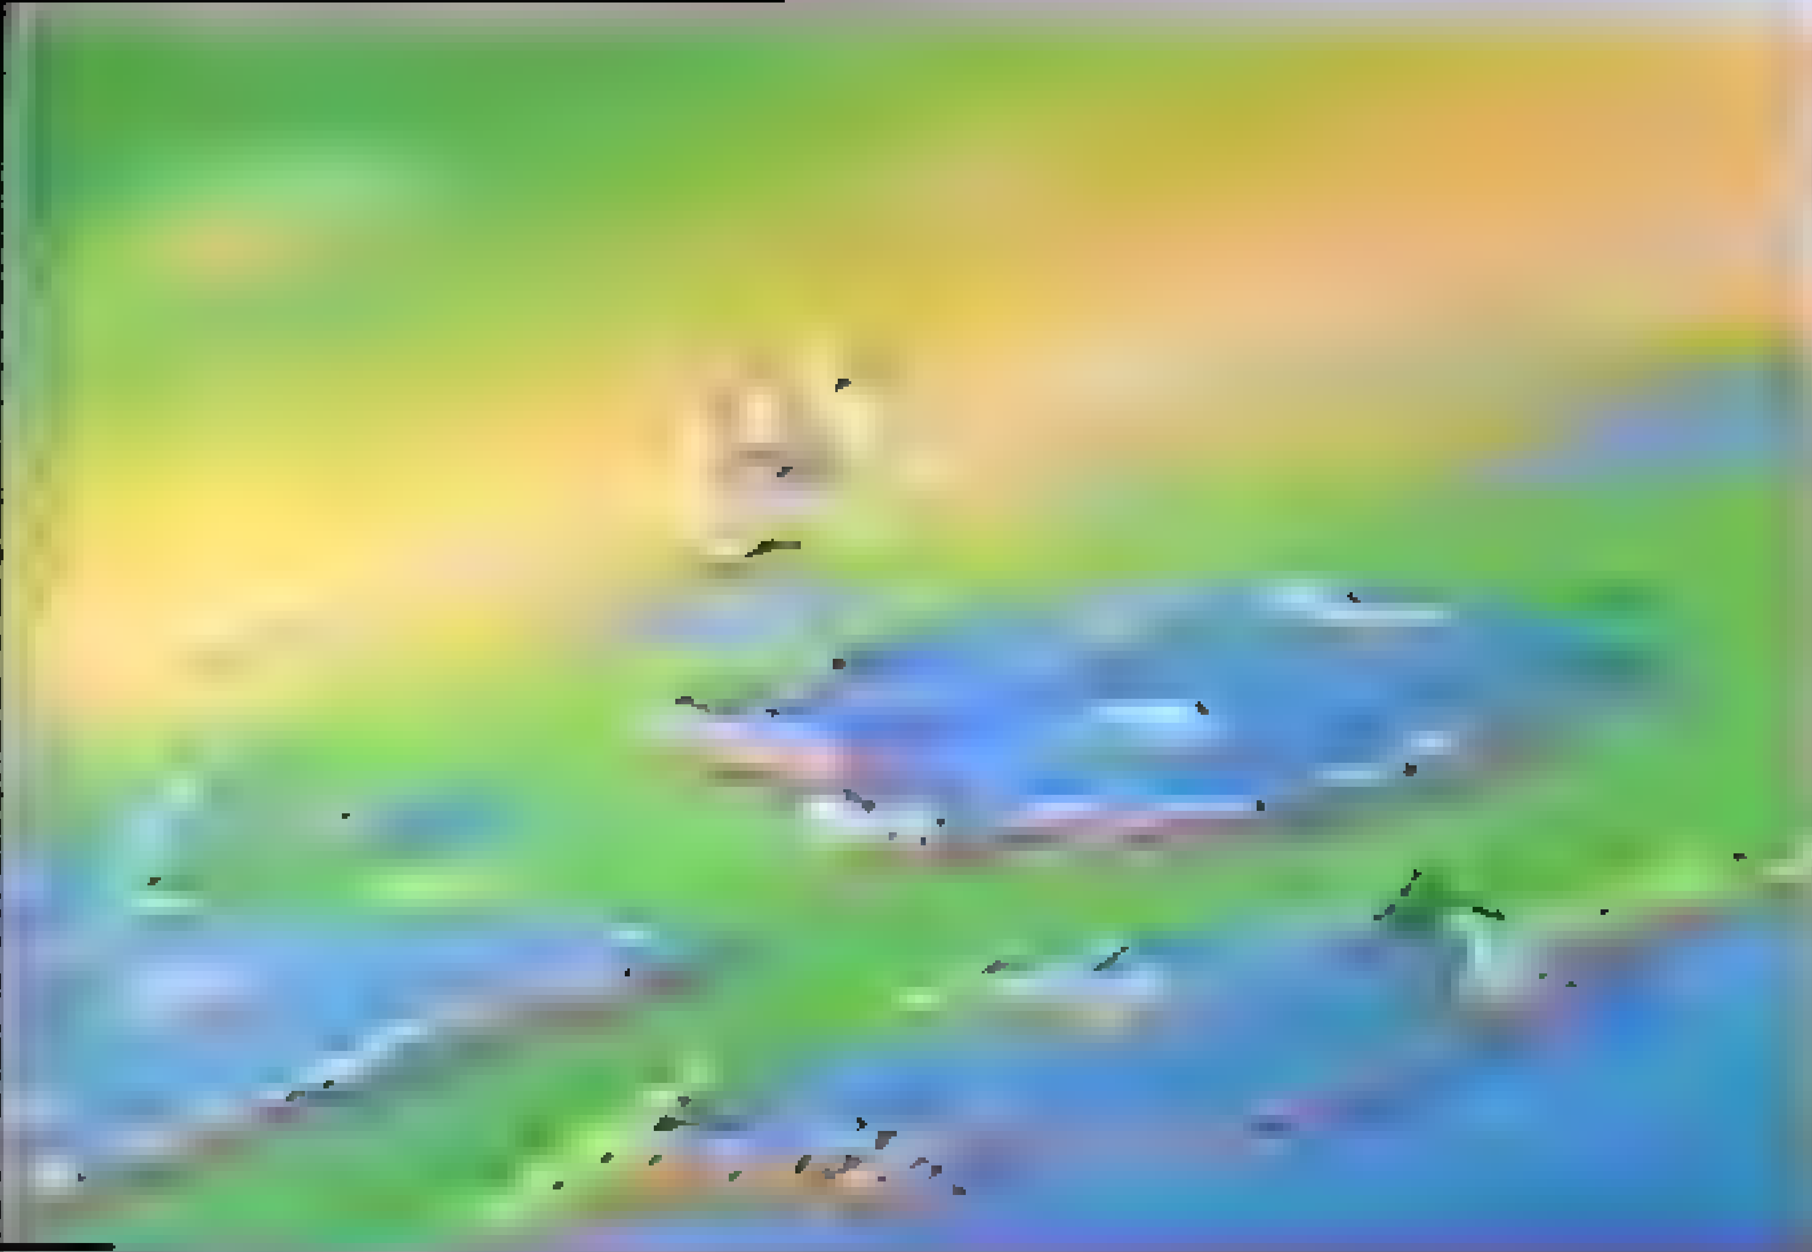

DRAGON
Z

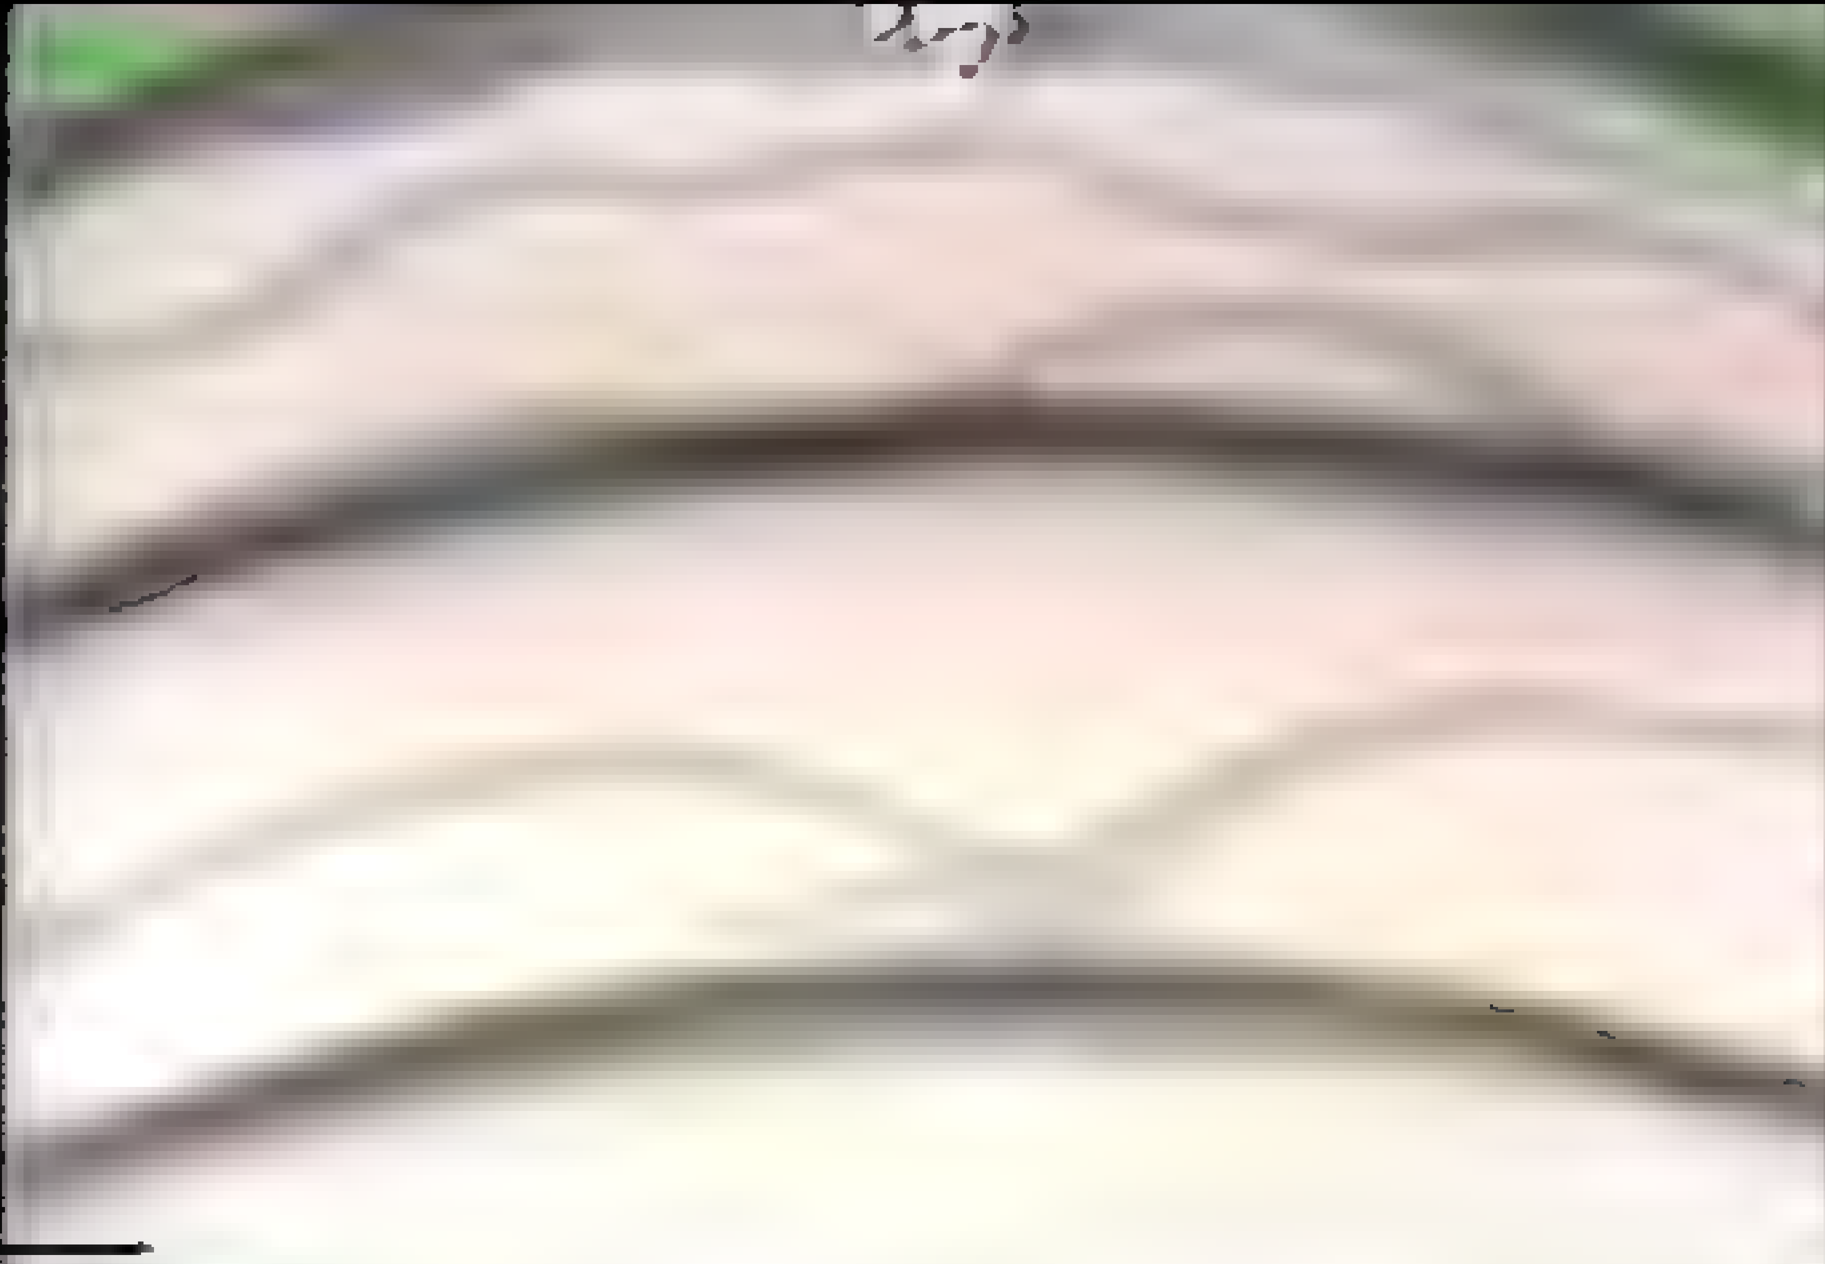

Where's Freezer?

Is he...?

Look!

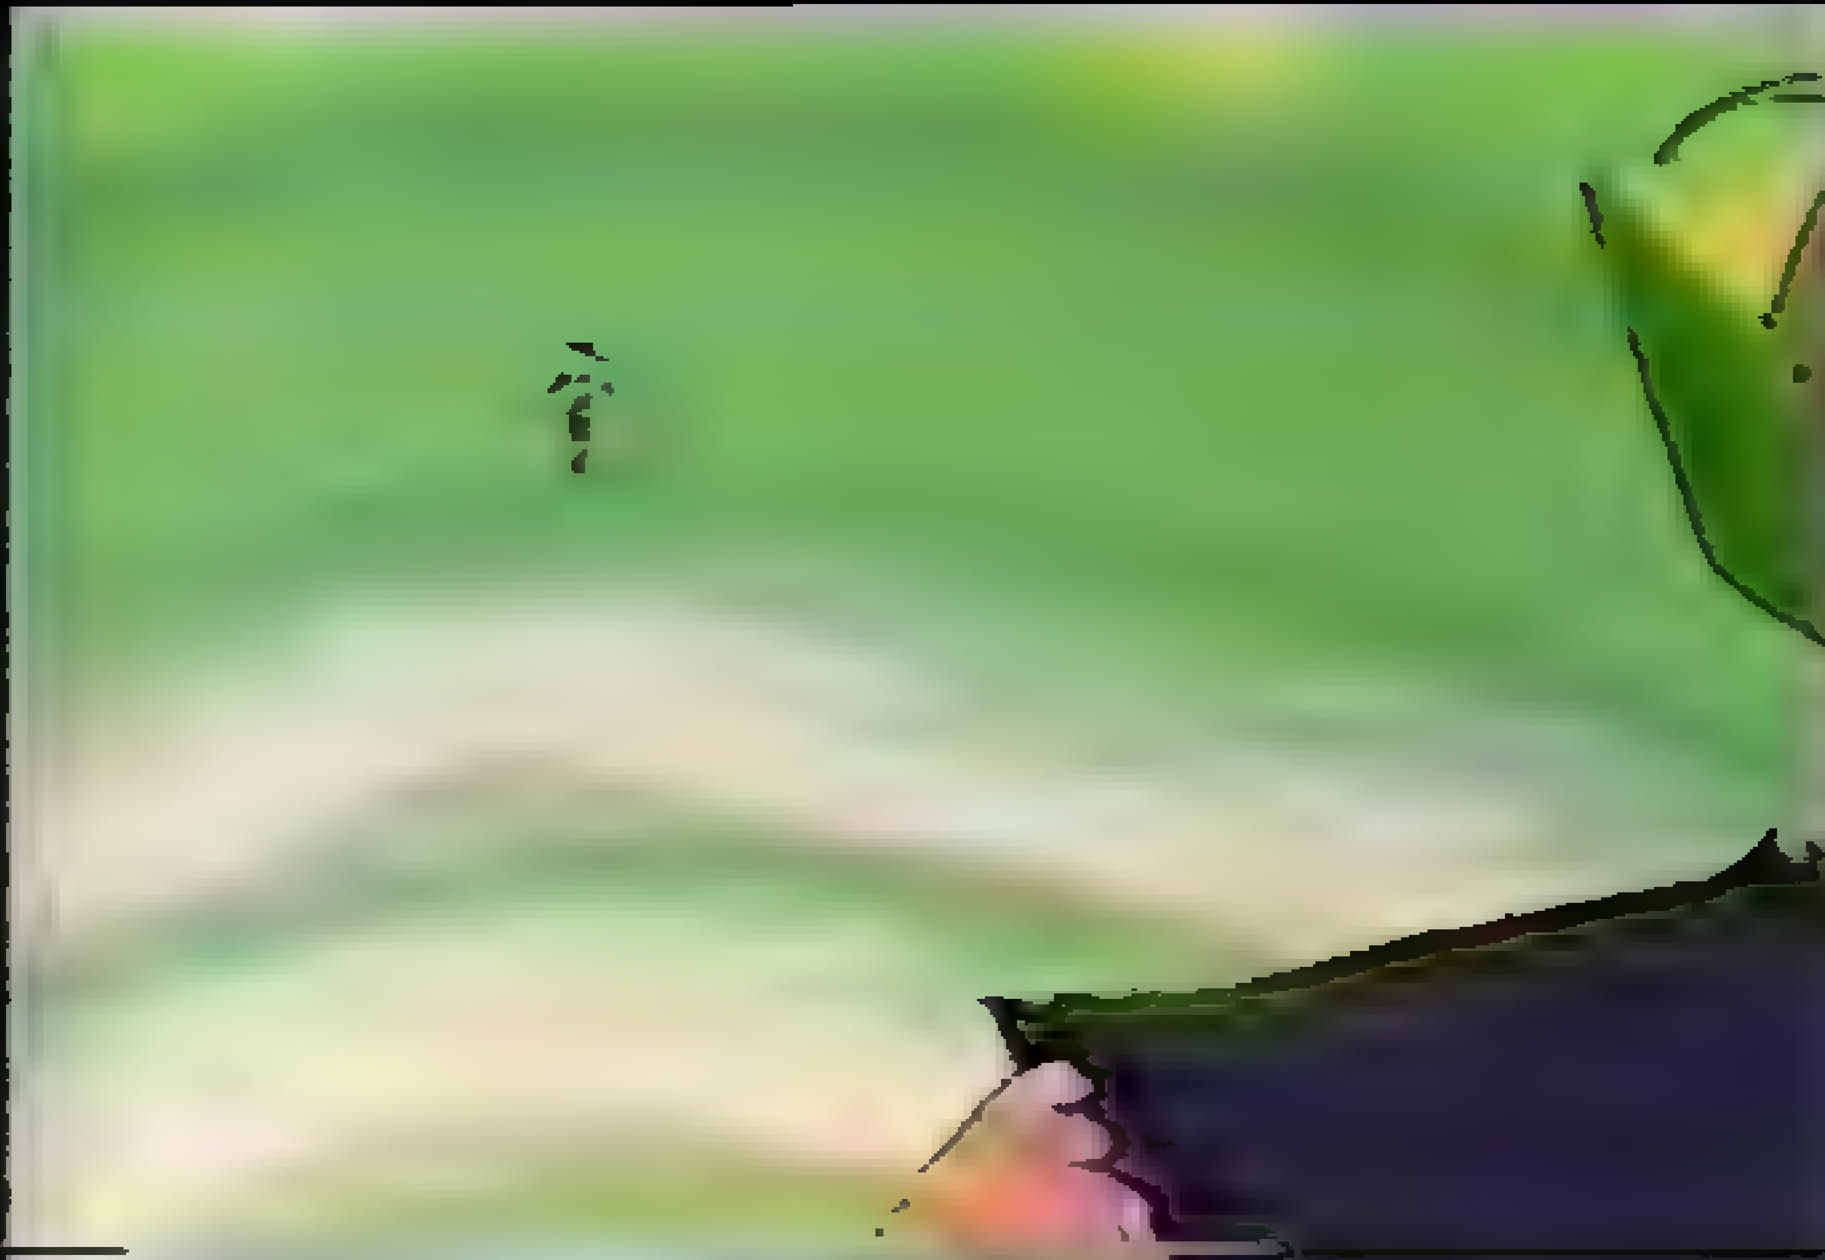

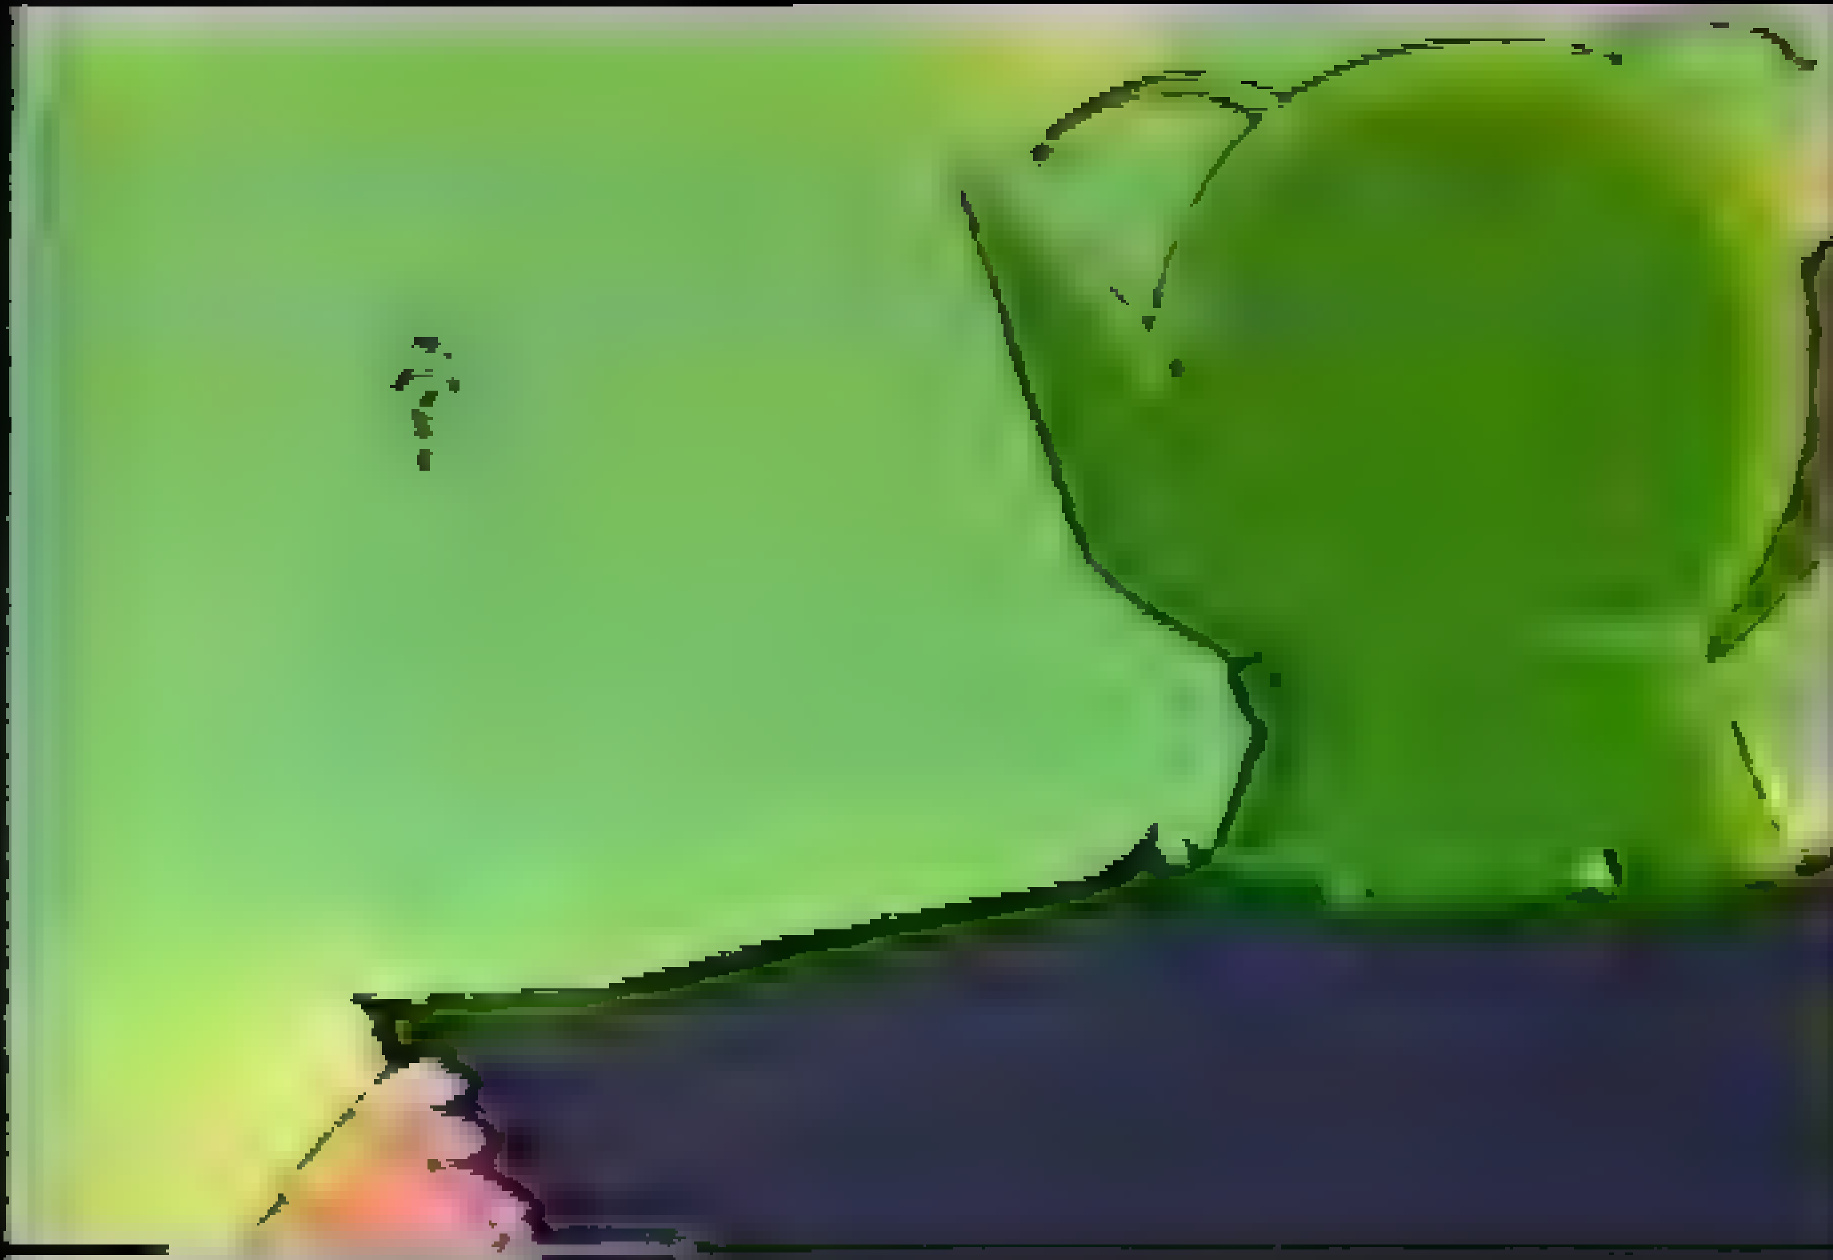

You really are
tough, aren't you?

I think you've made a
mistake about my real power.

I think you've made a
mistake about my real power.

What did you say!

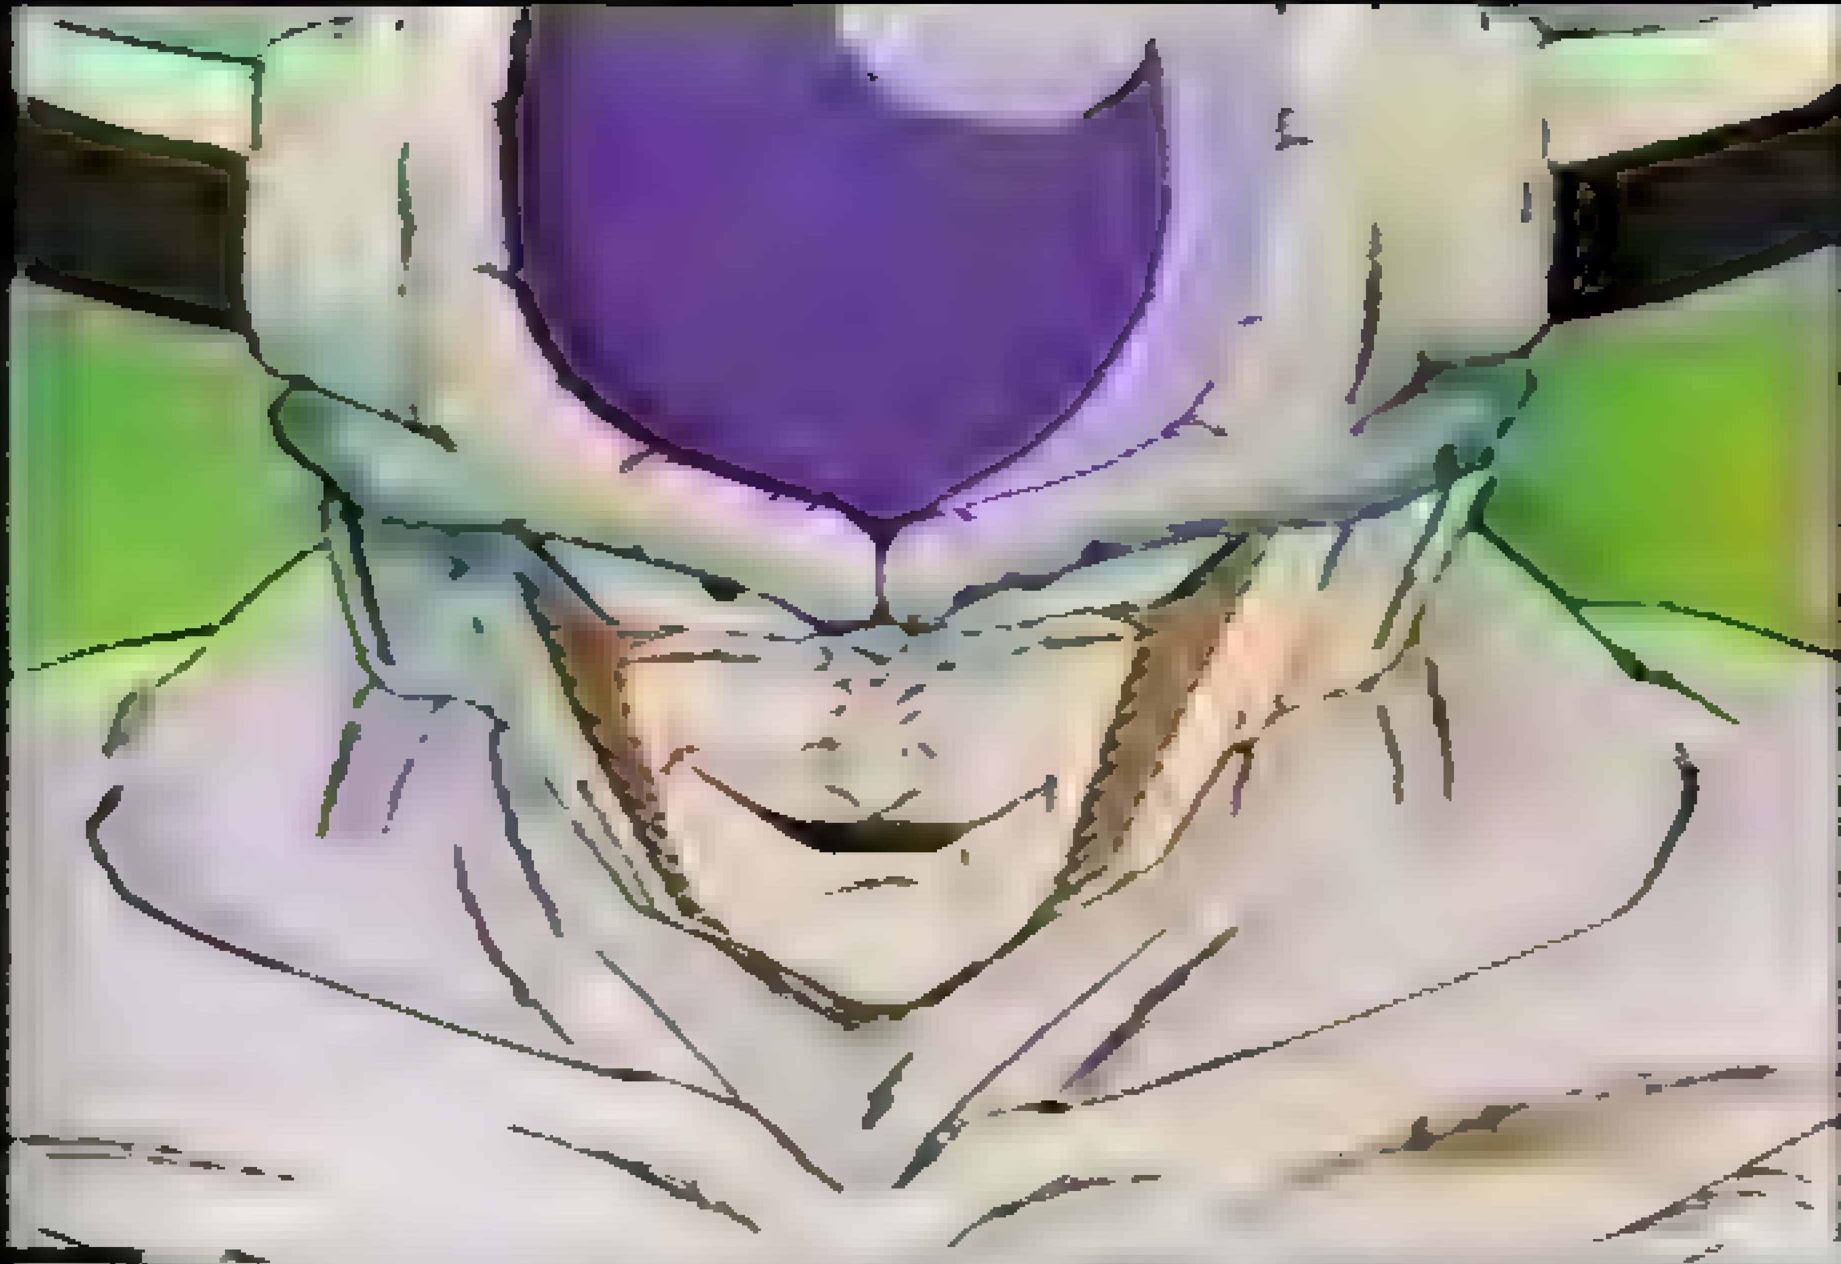

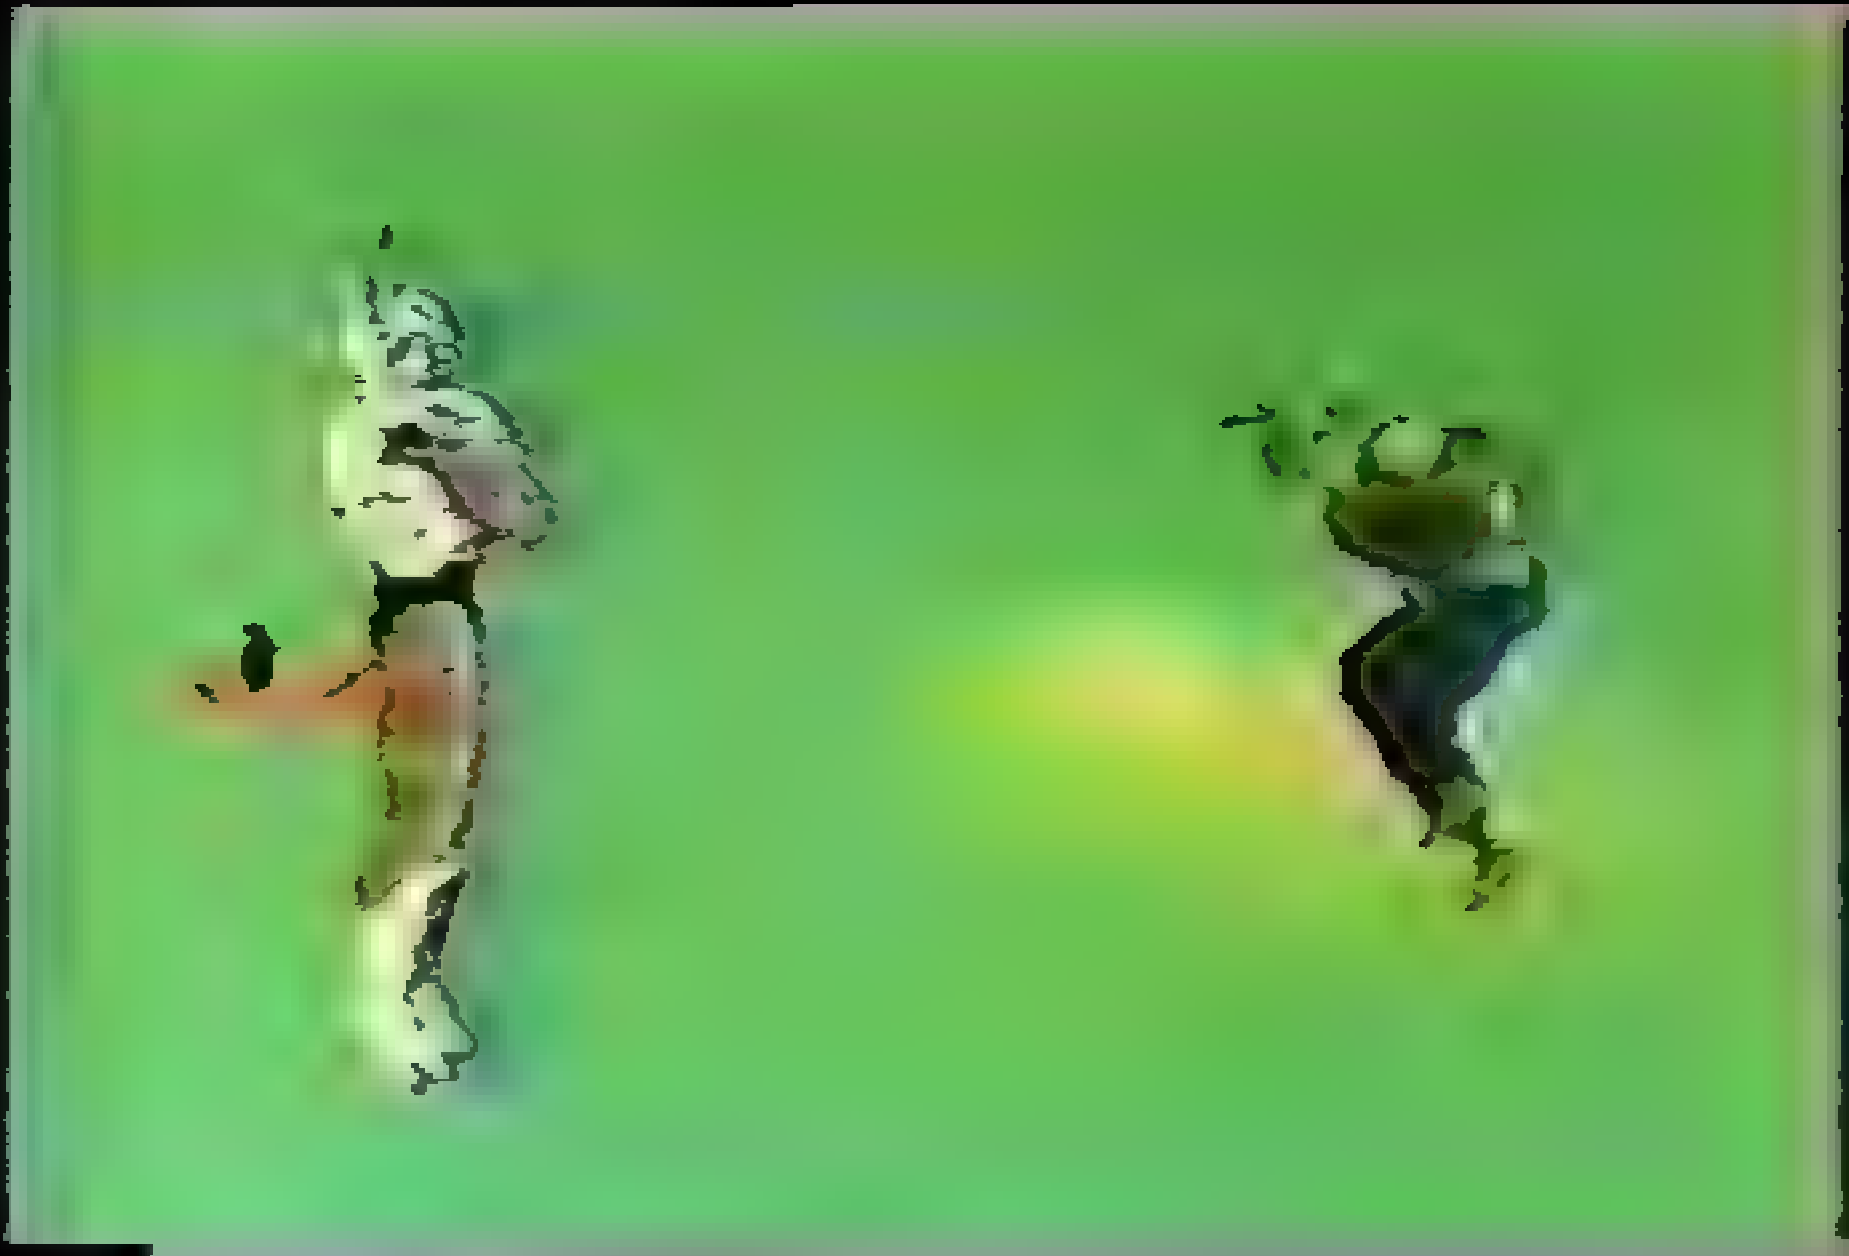

Did you think that was
my real power you saw?

Did you think that was
my real power you saw?

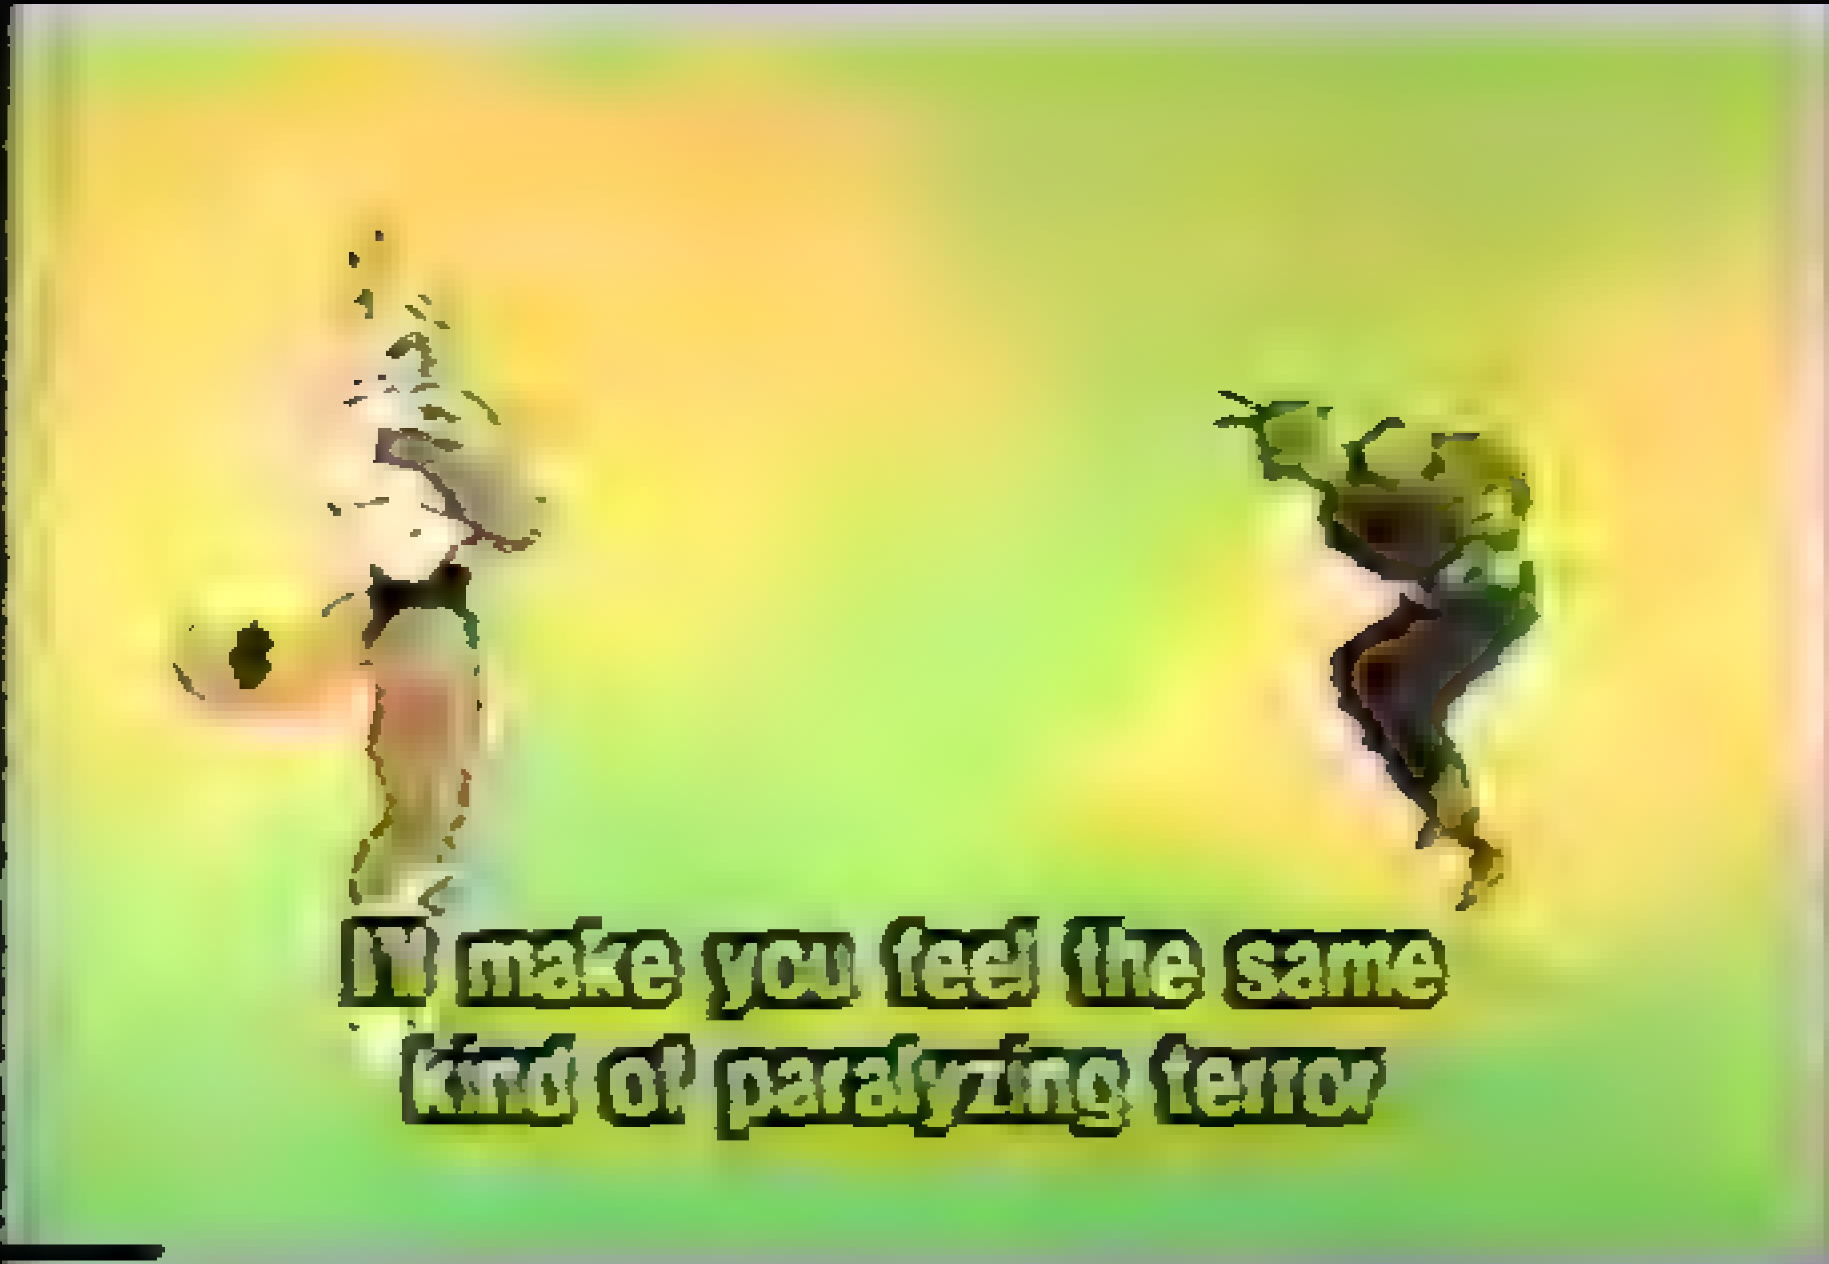

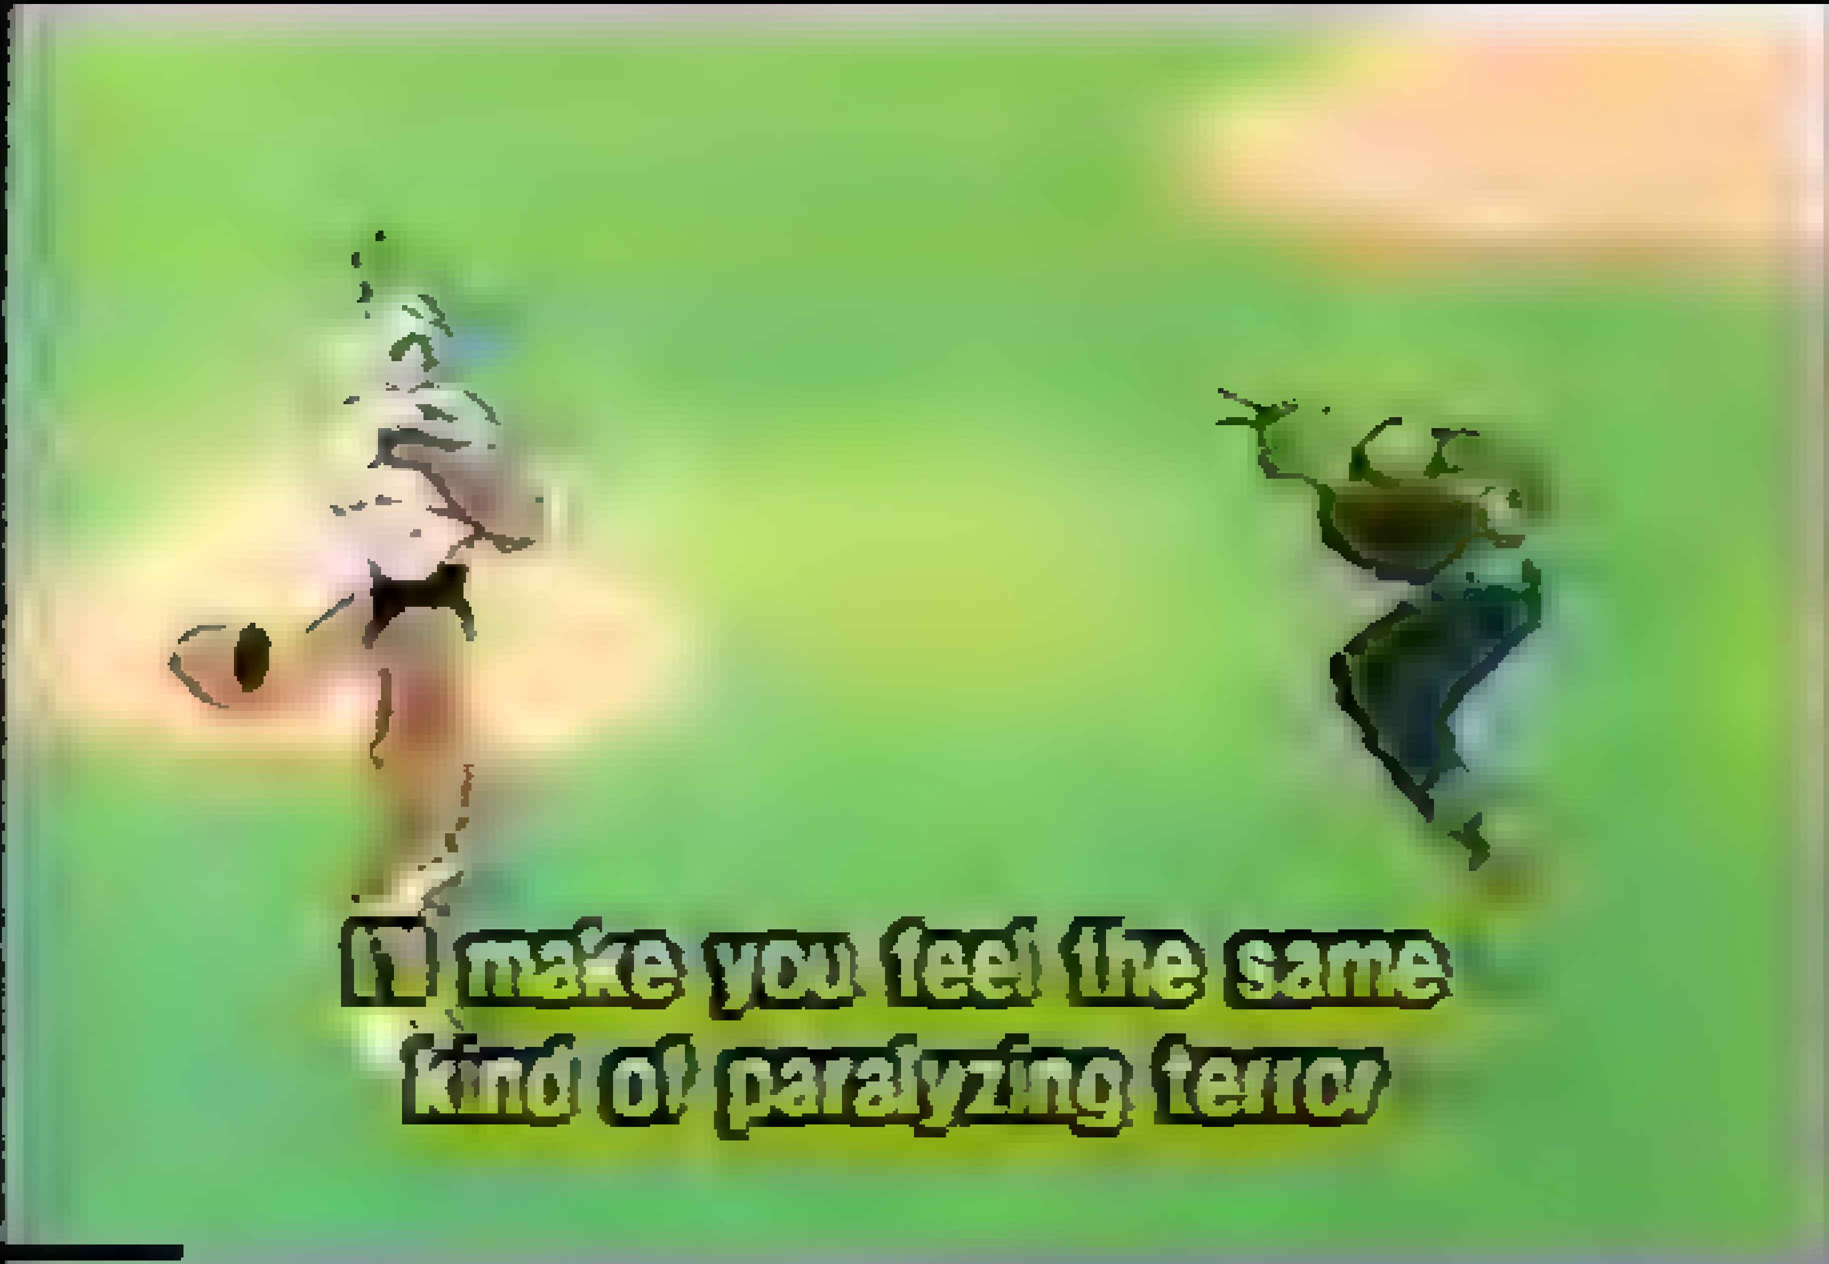

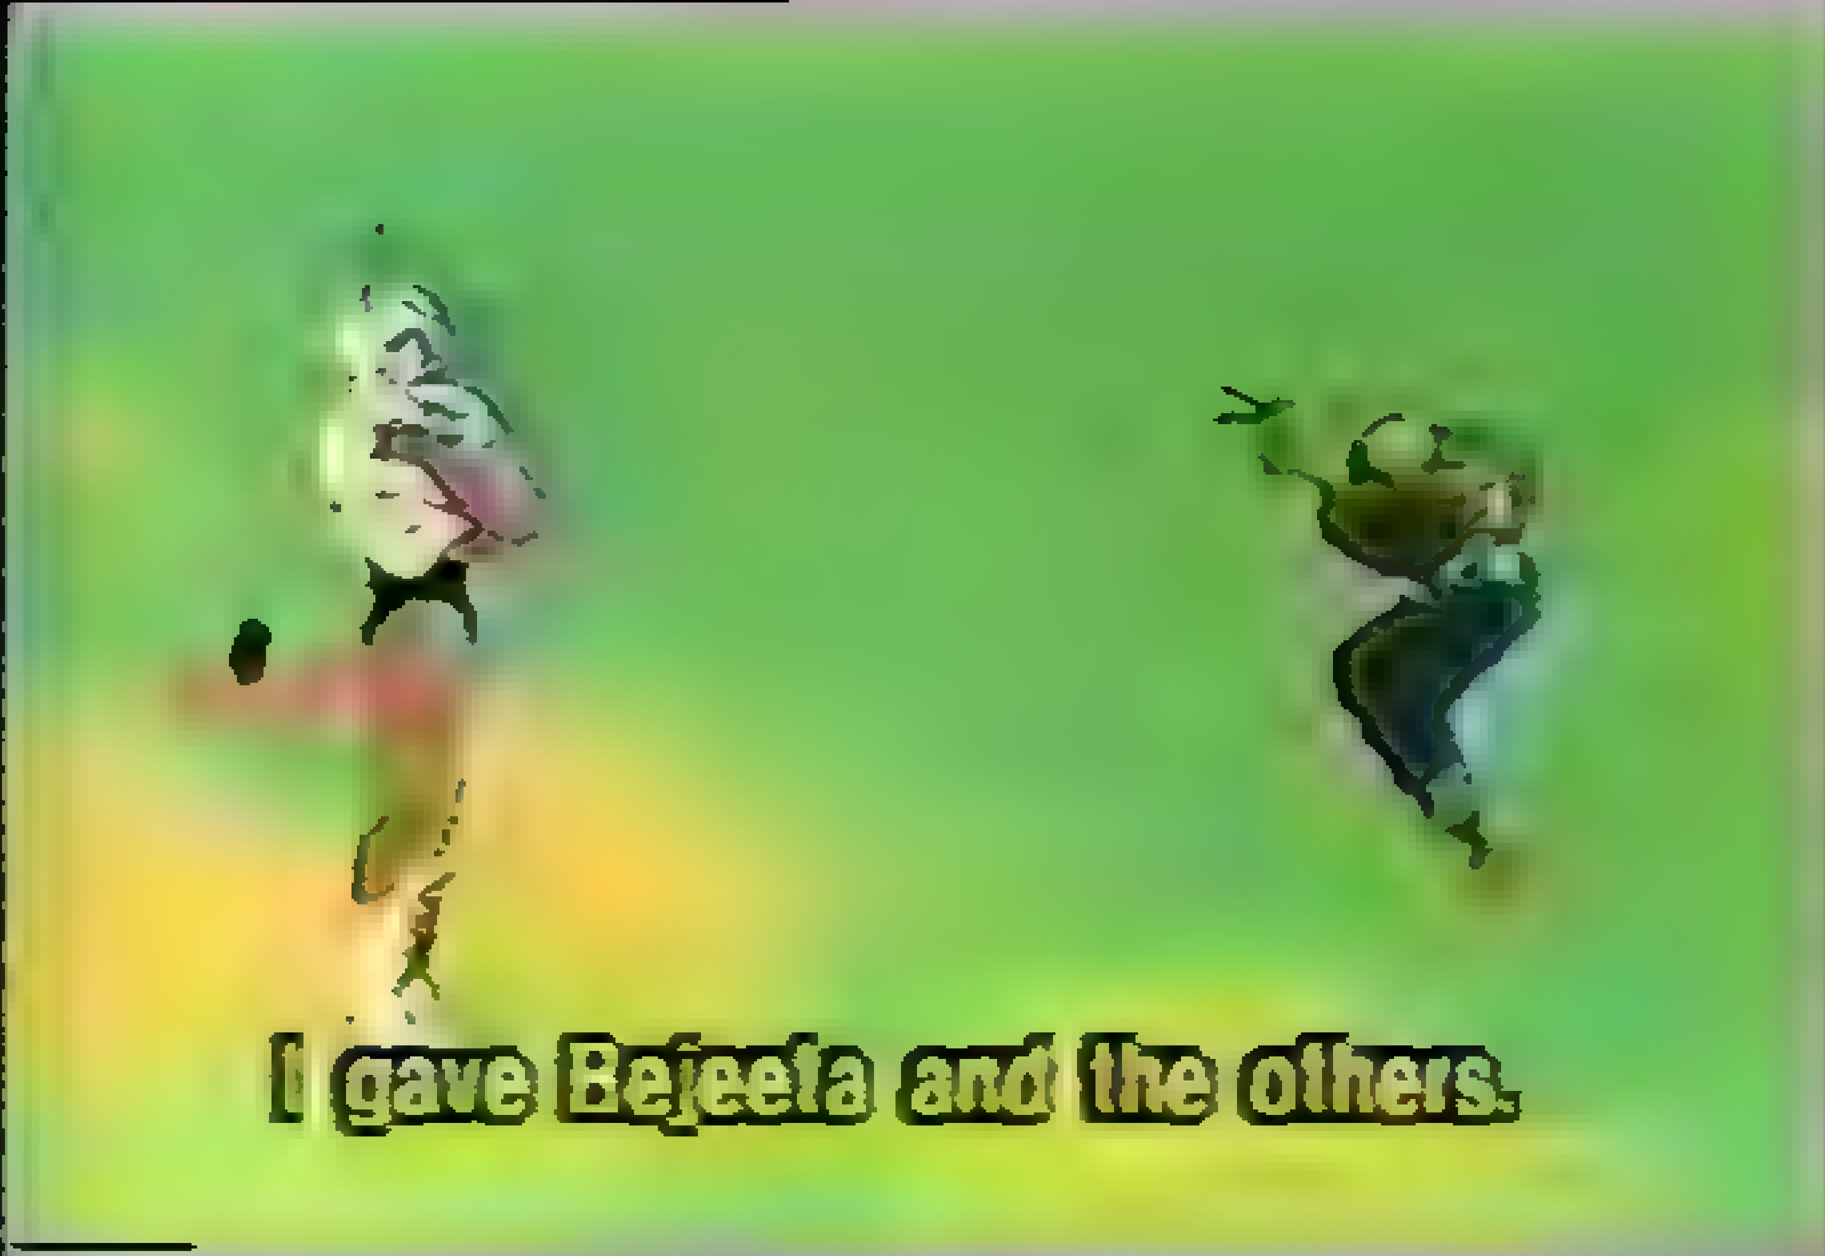

You don't know that
I transformed, do you?

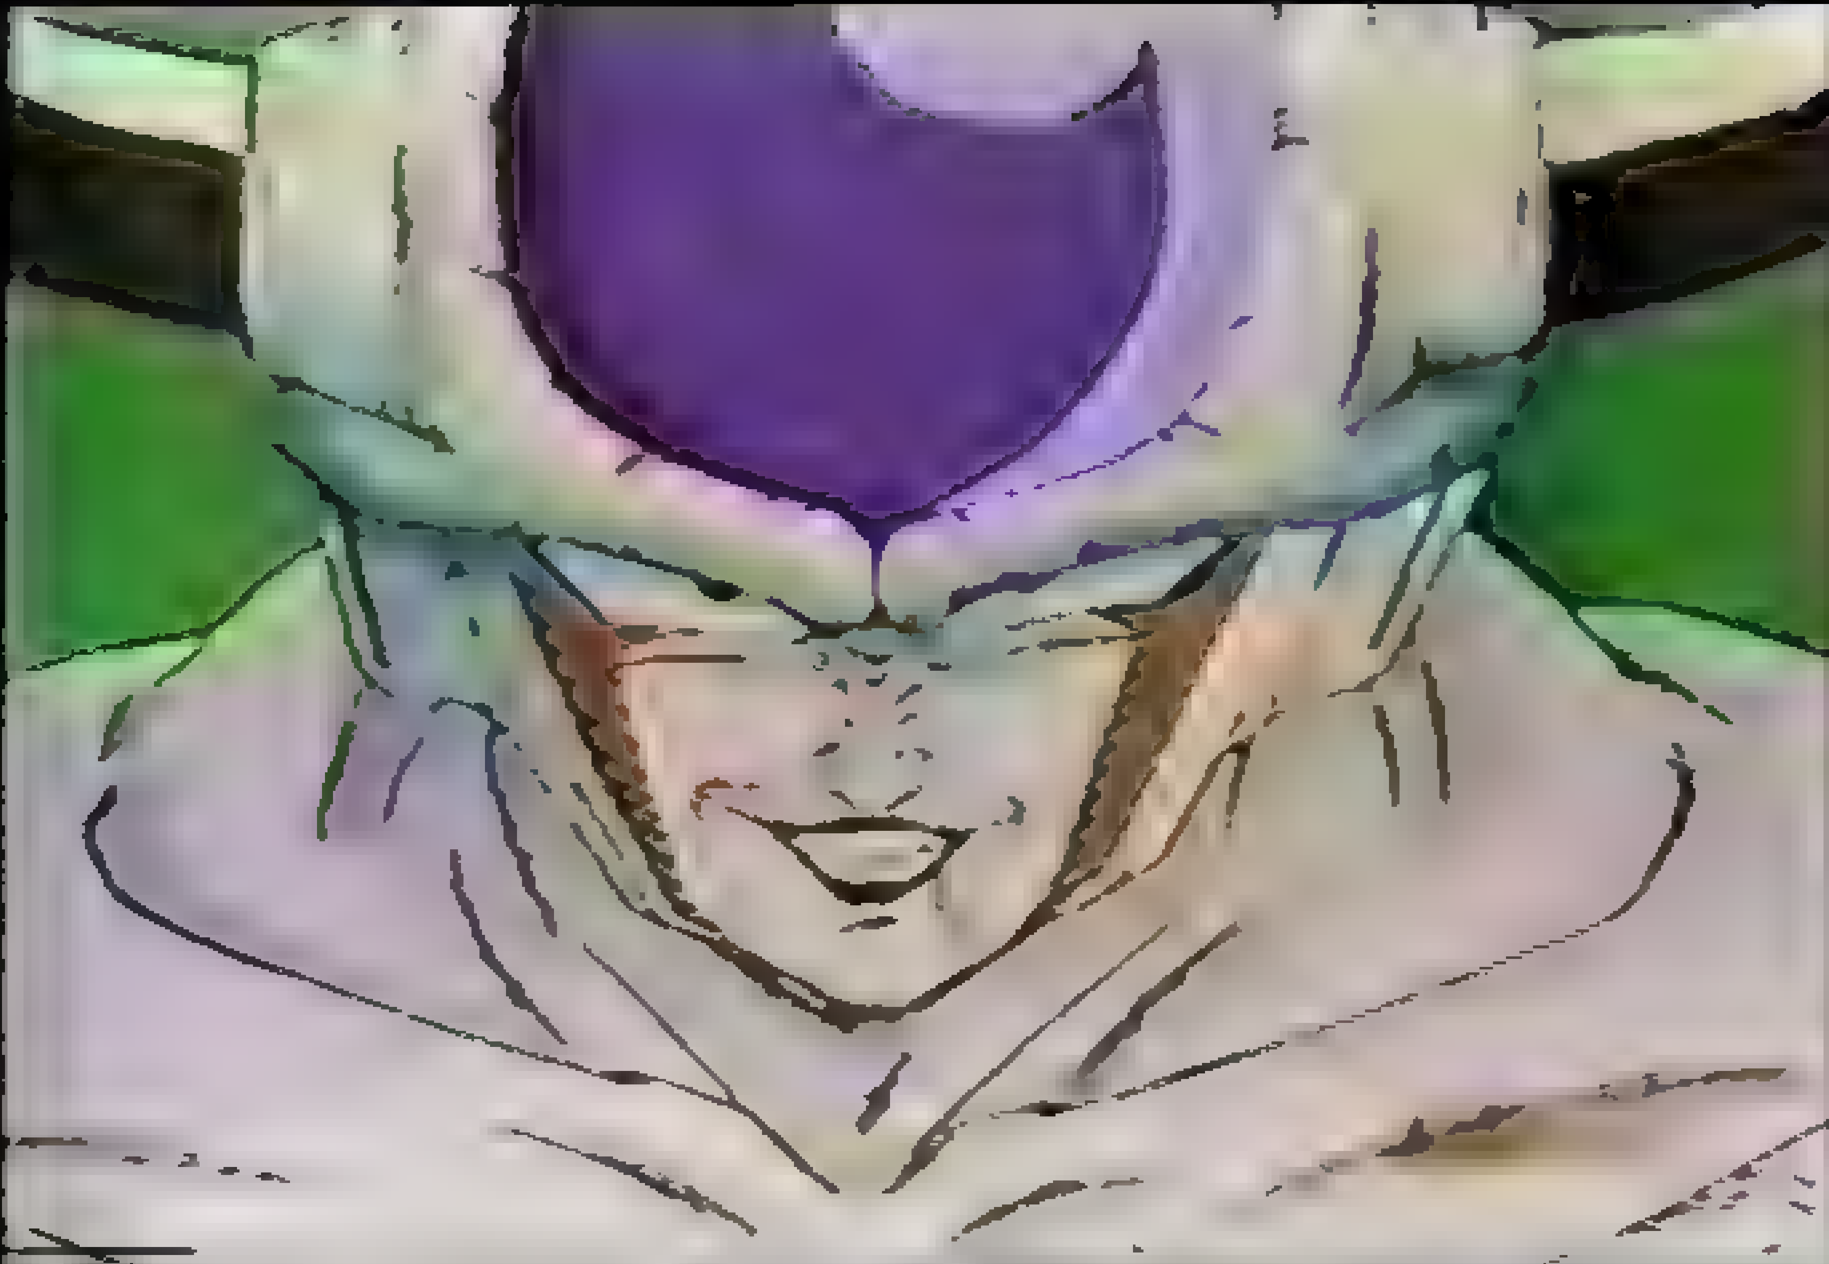

Transformed?

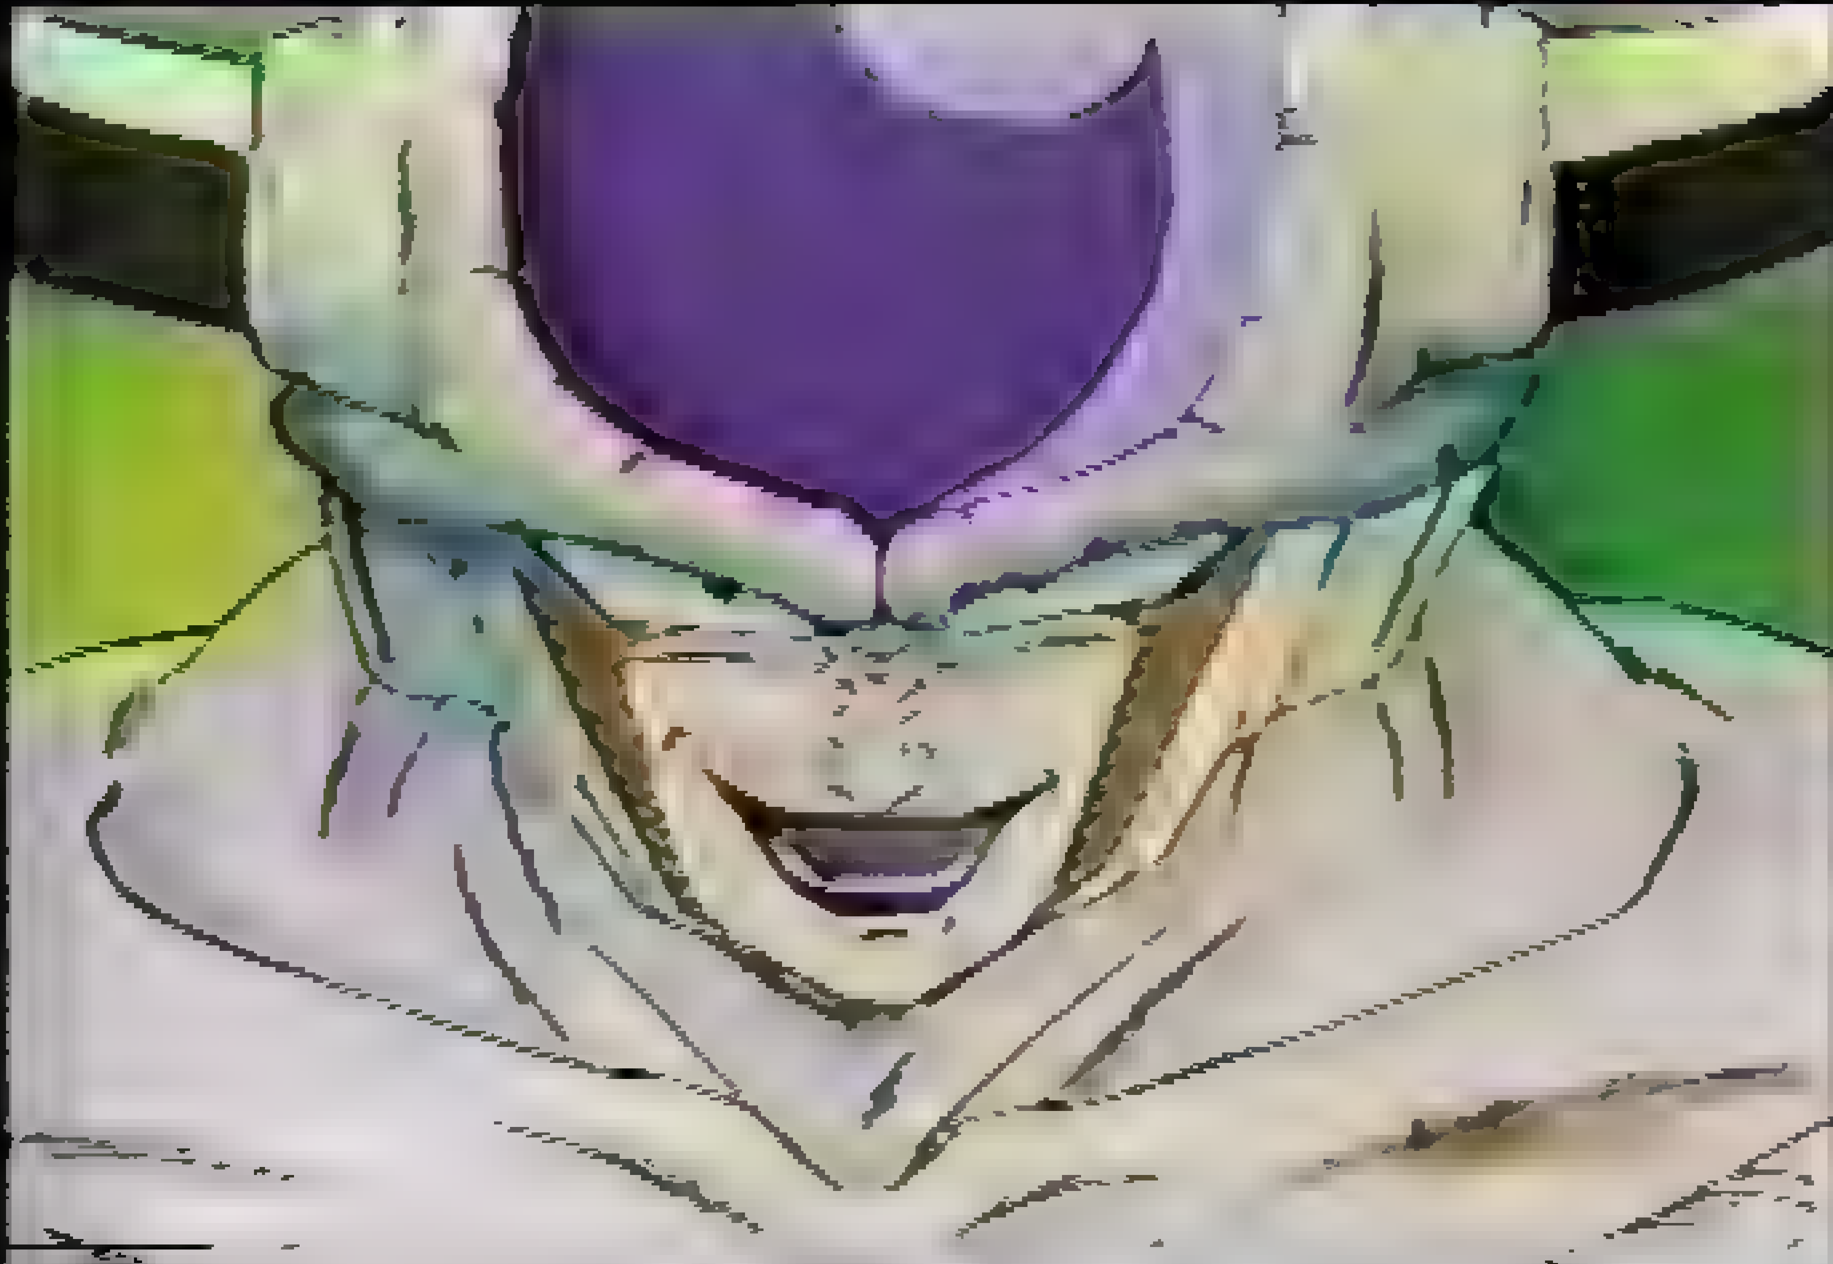

I'll make you feel the same
kind of paralyzing terror

I'll make you feel the same
kind of paralyzing terror

I gave Bejeeta and the others.

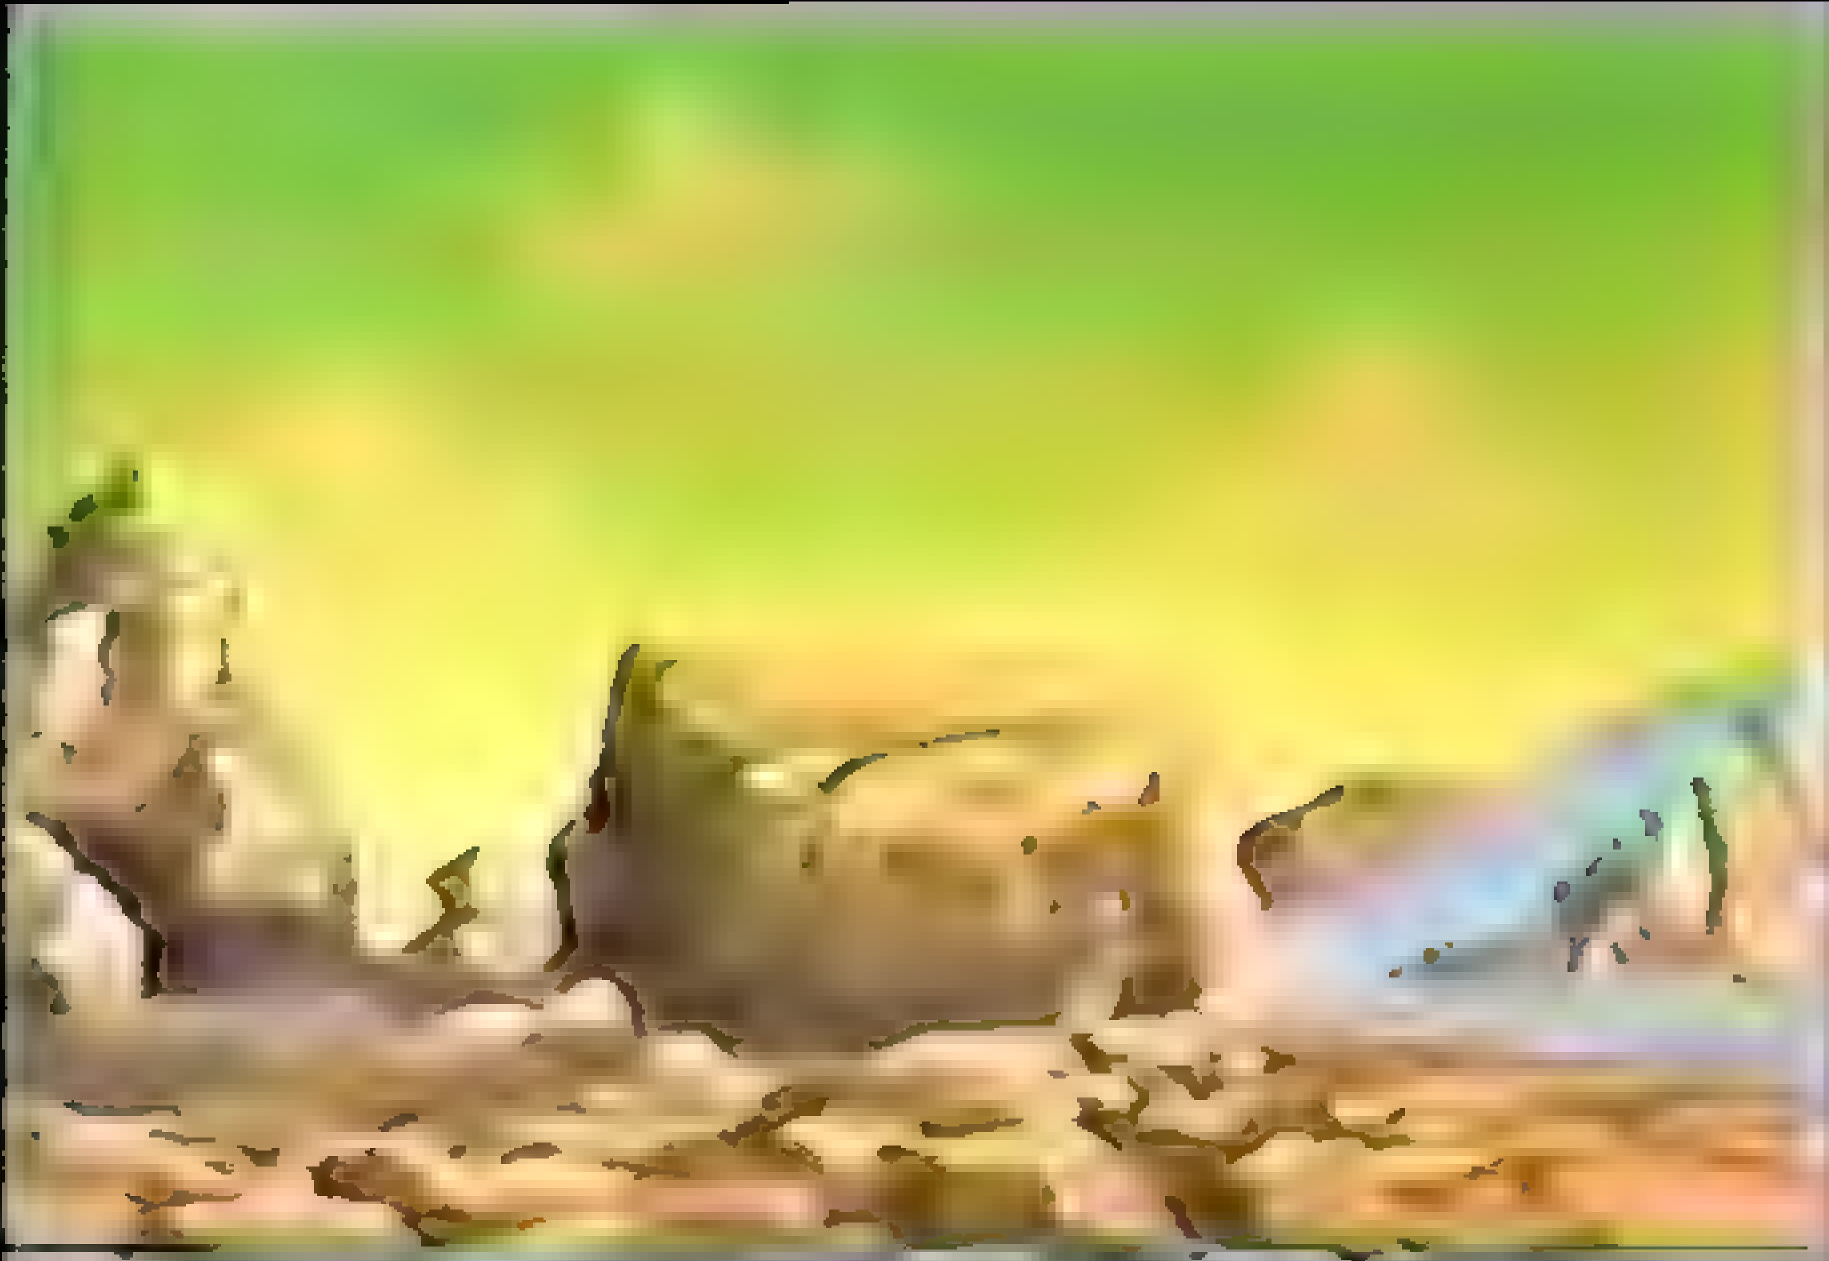

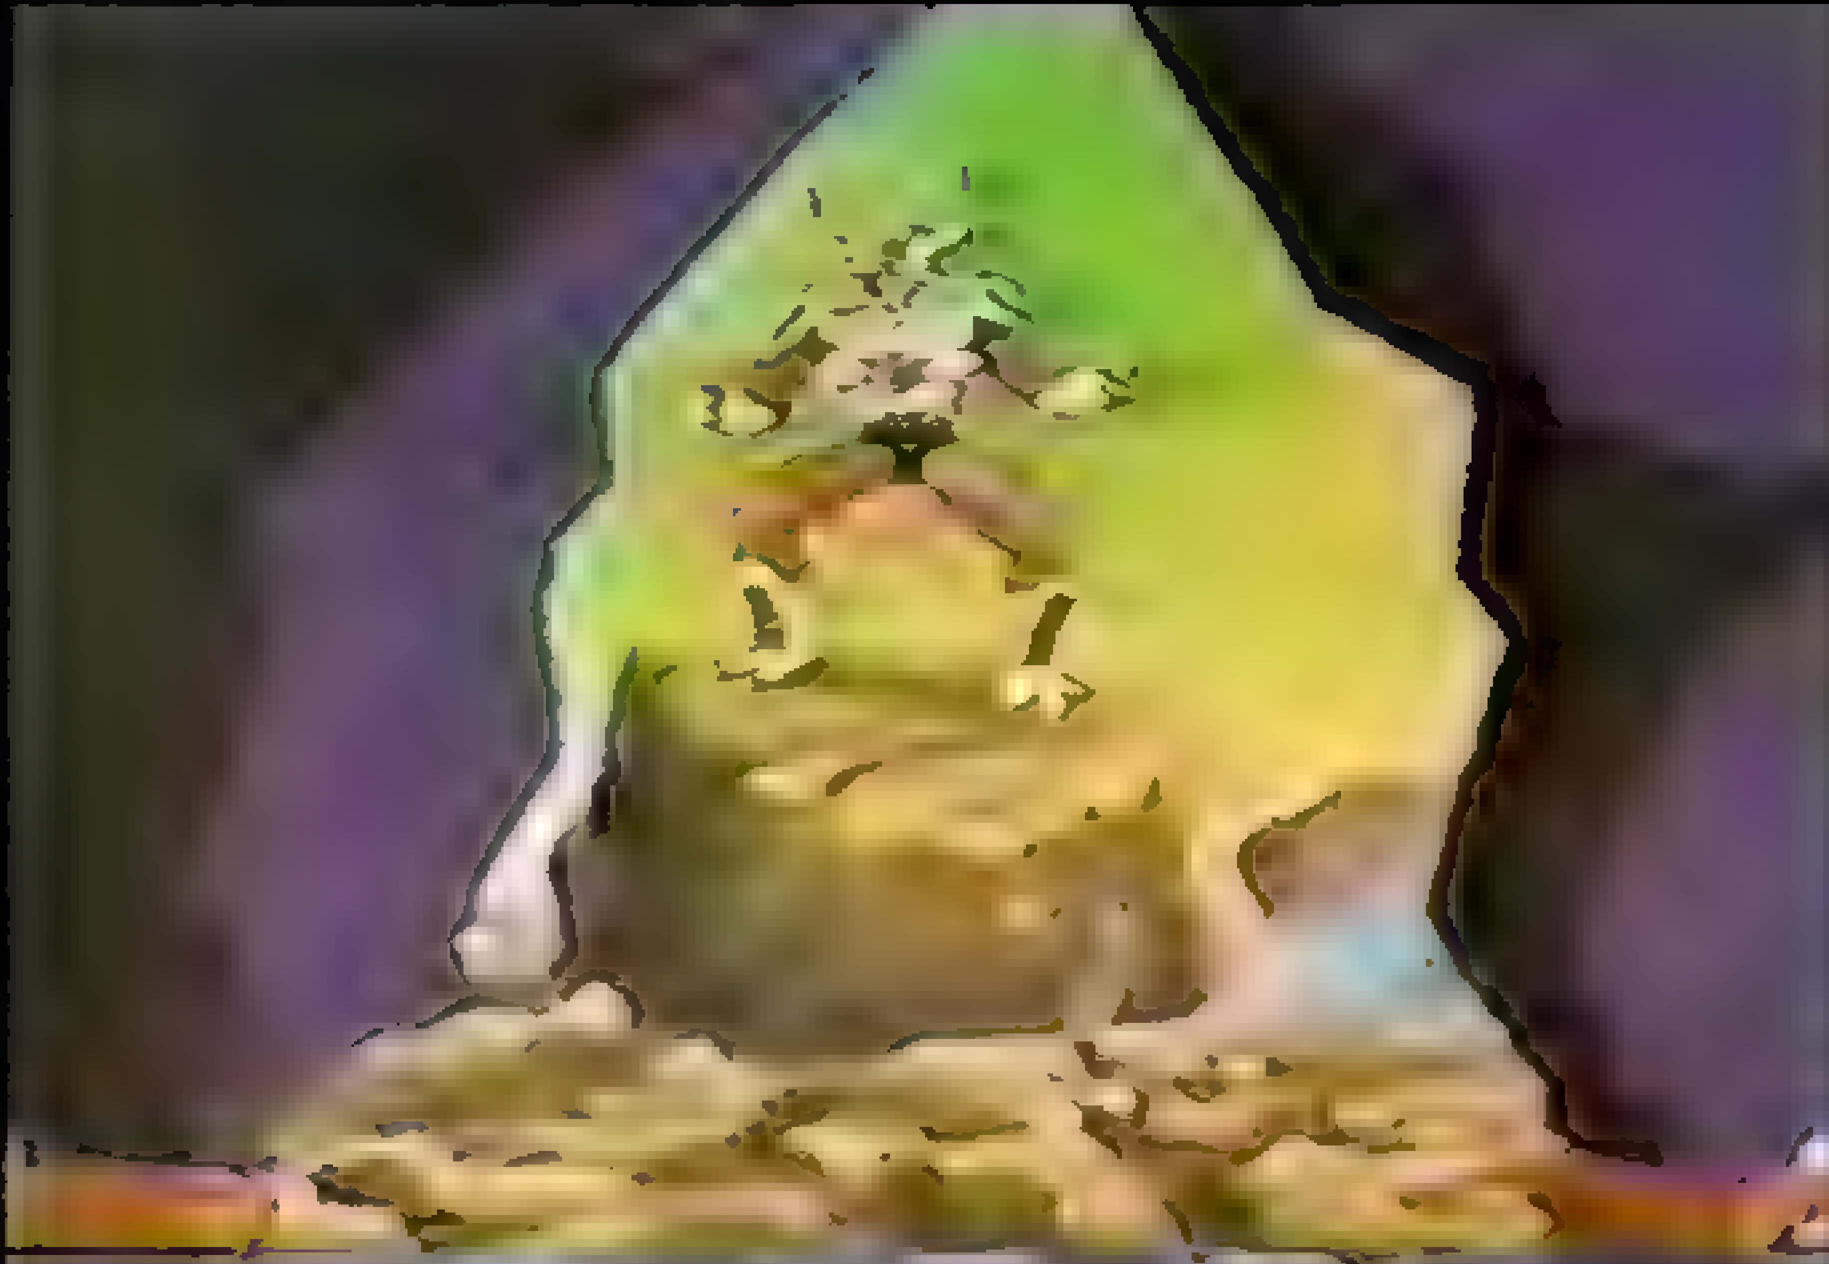

I'll make you feel
the despair first.

A feeling of total helplessness!

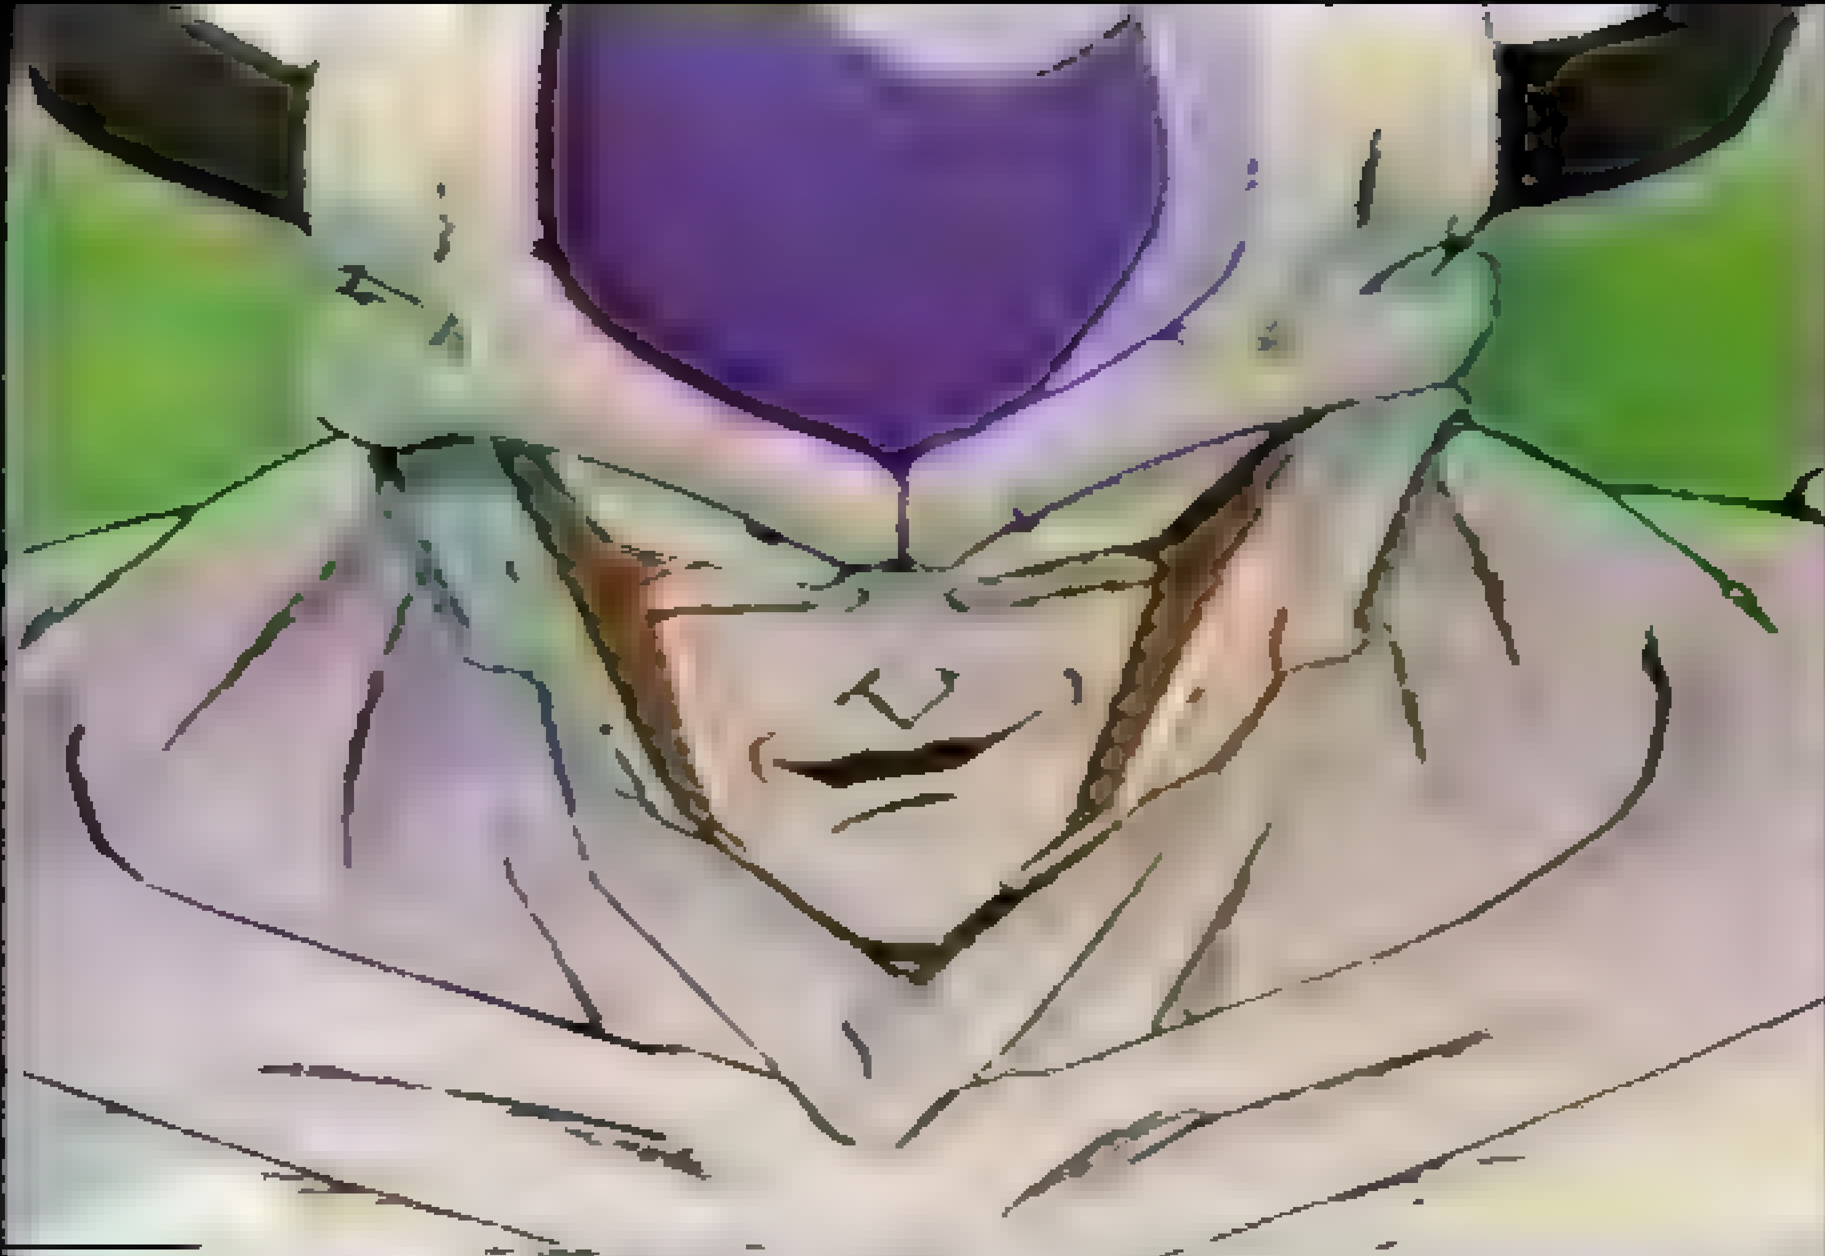

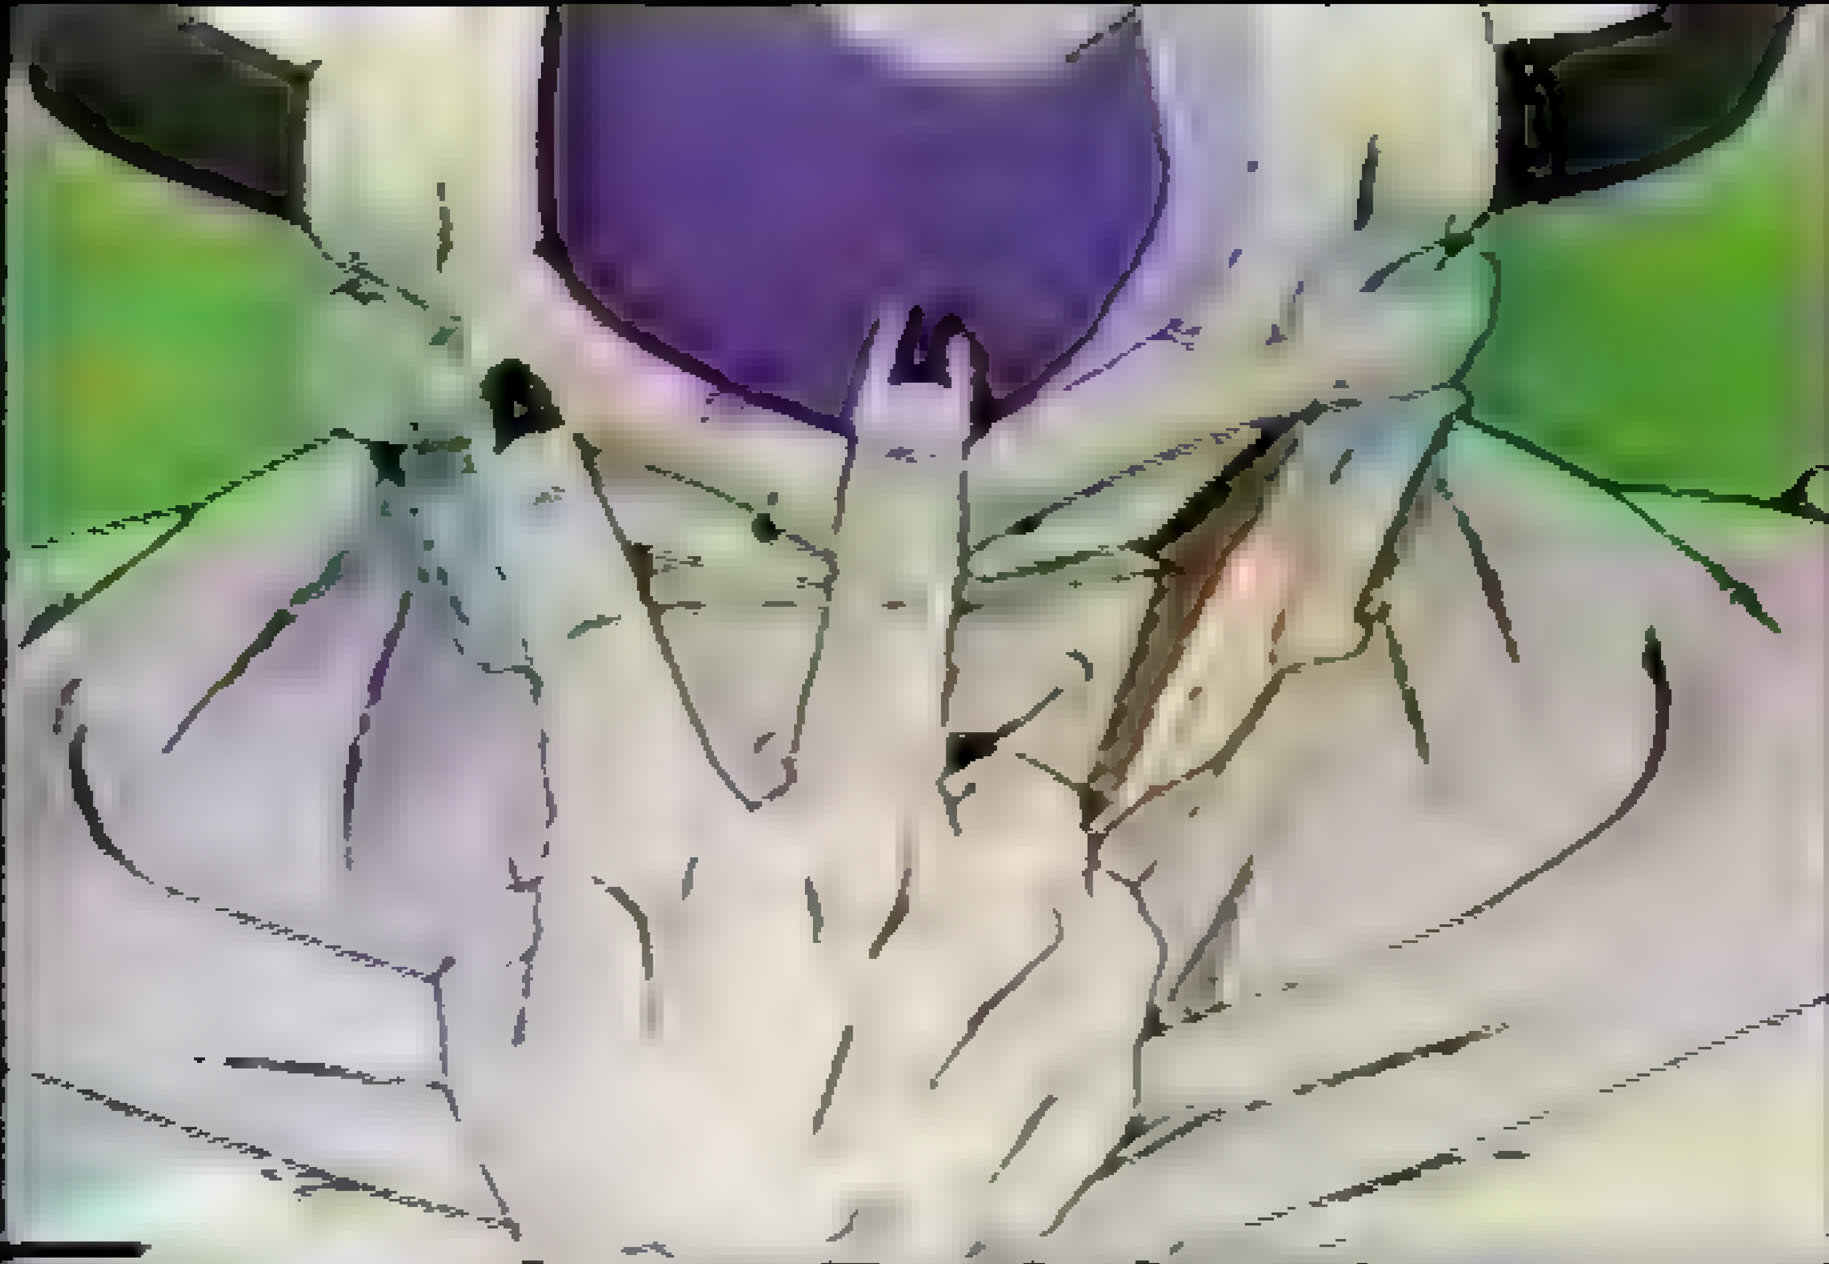

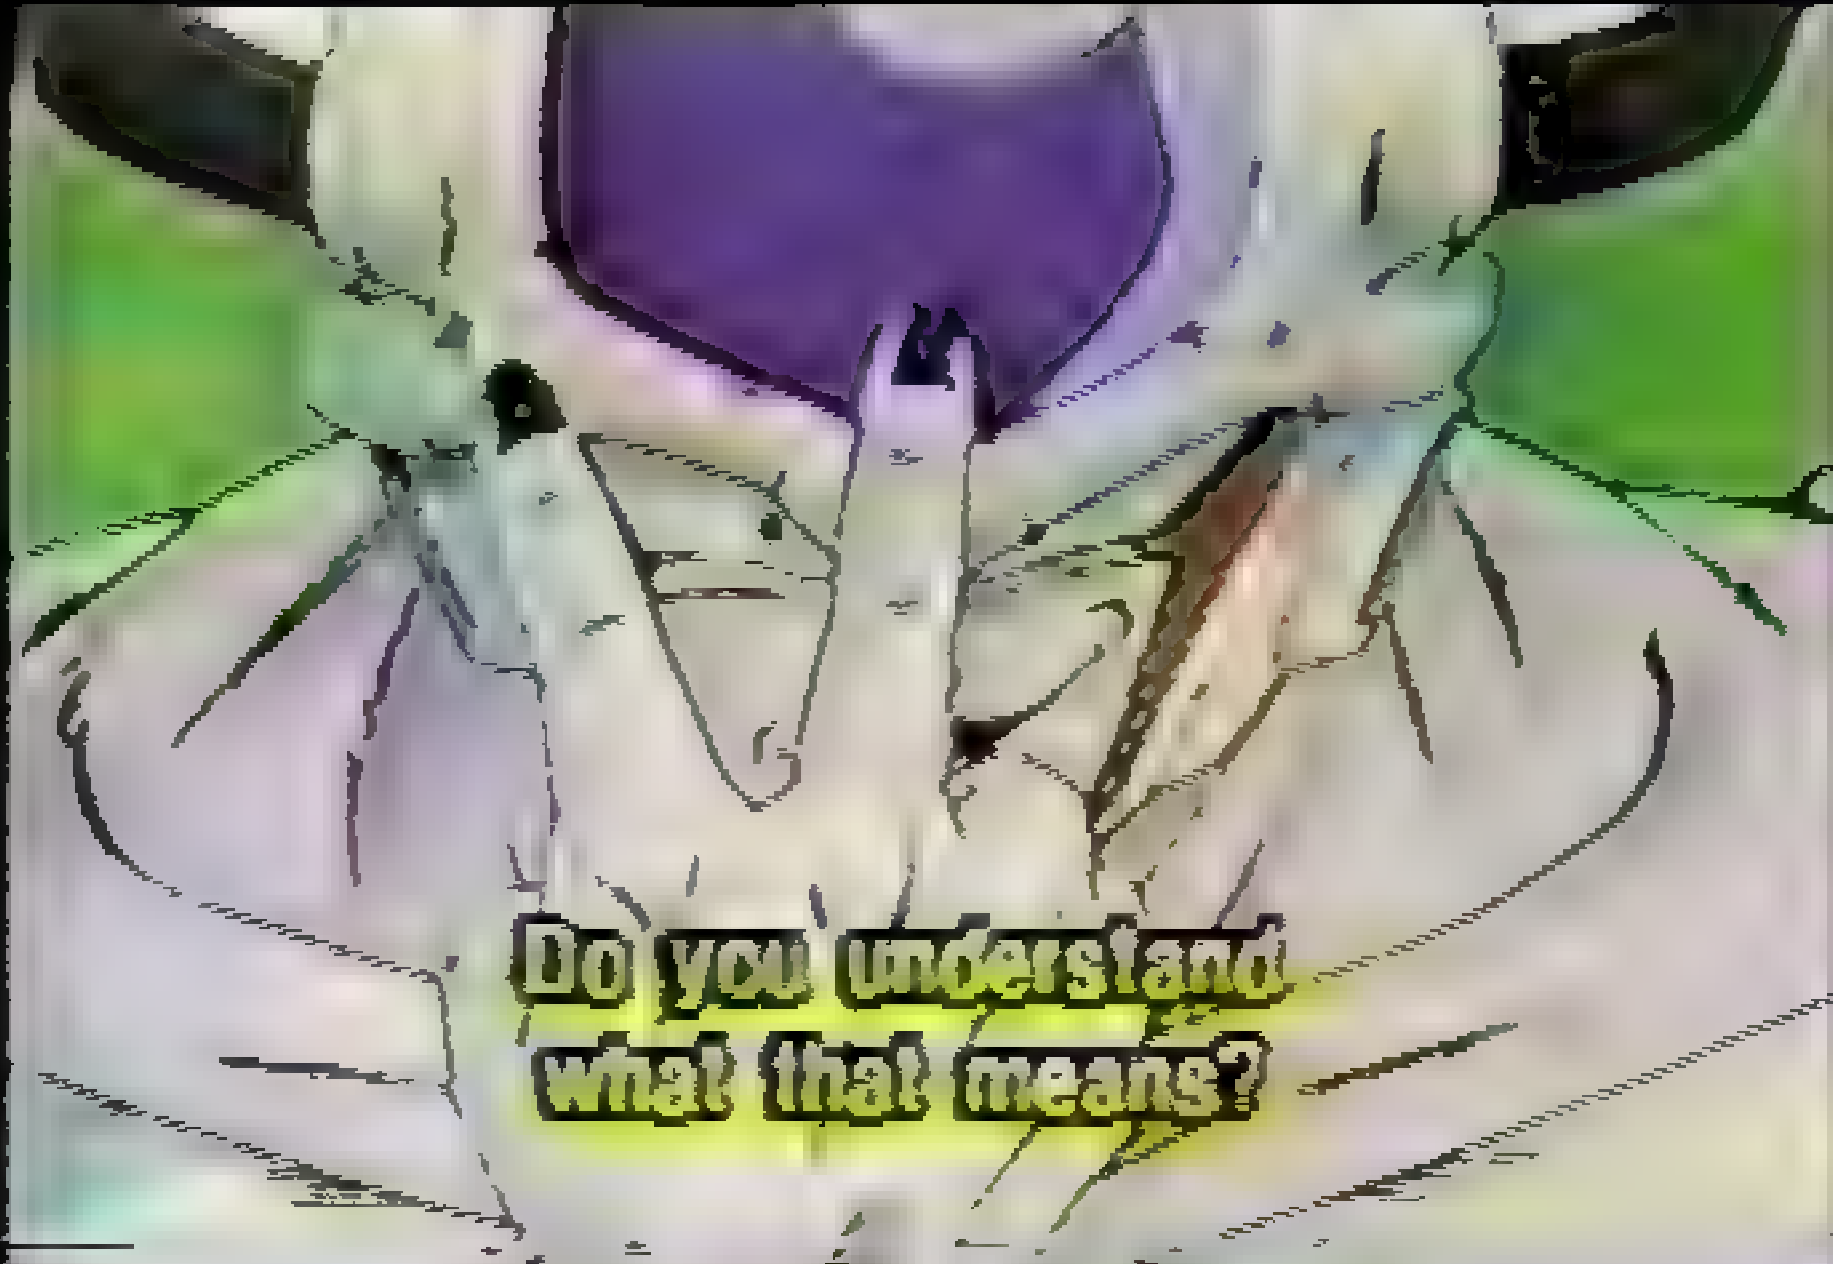

Every time I transform, my
power increases a huge amount.

Every time I transform, my
power increases a huge amount.

And I've been saving
two more transformations.

Do you understand
what that means?

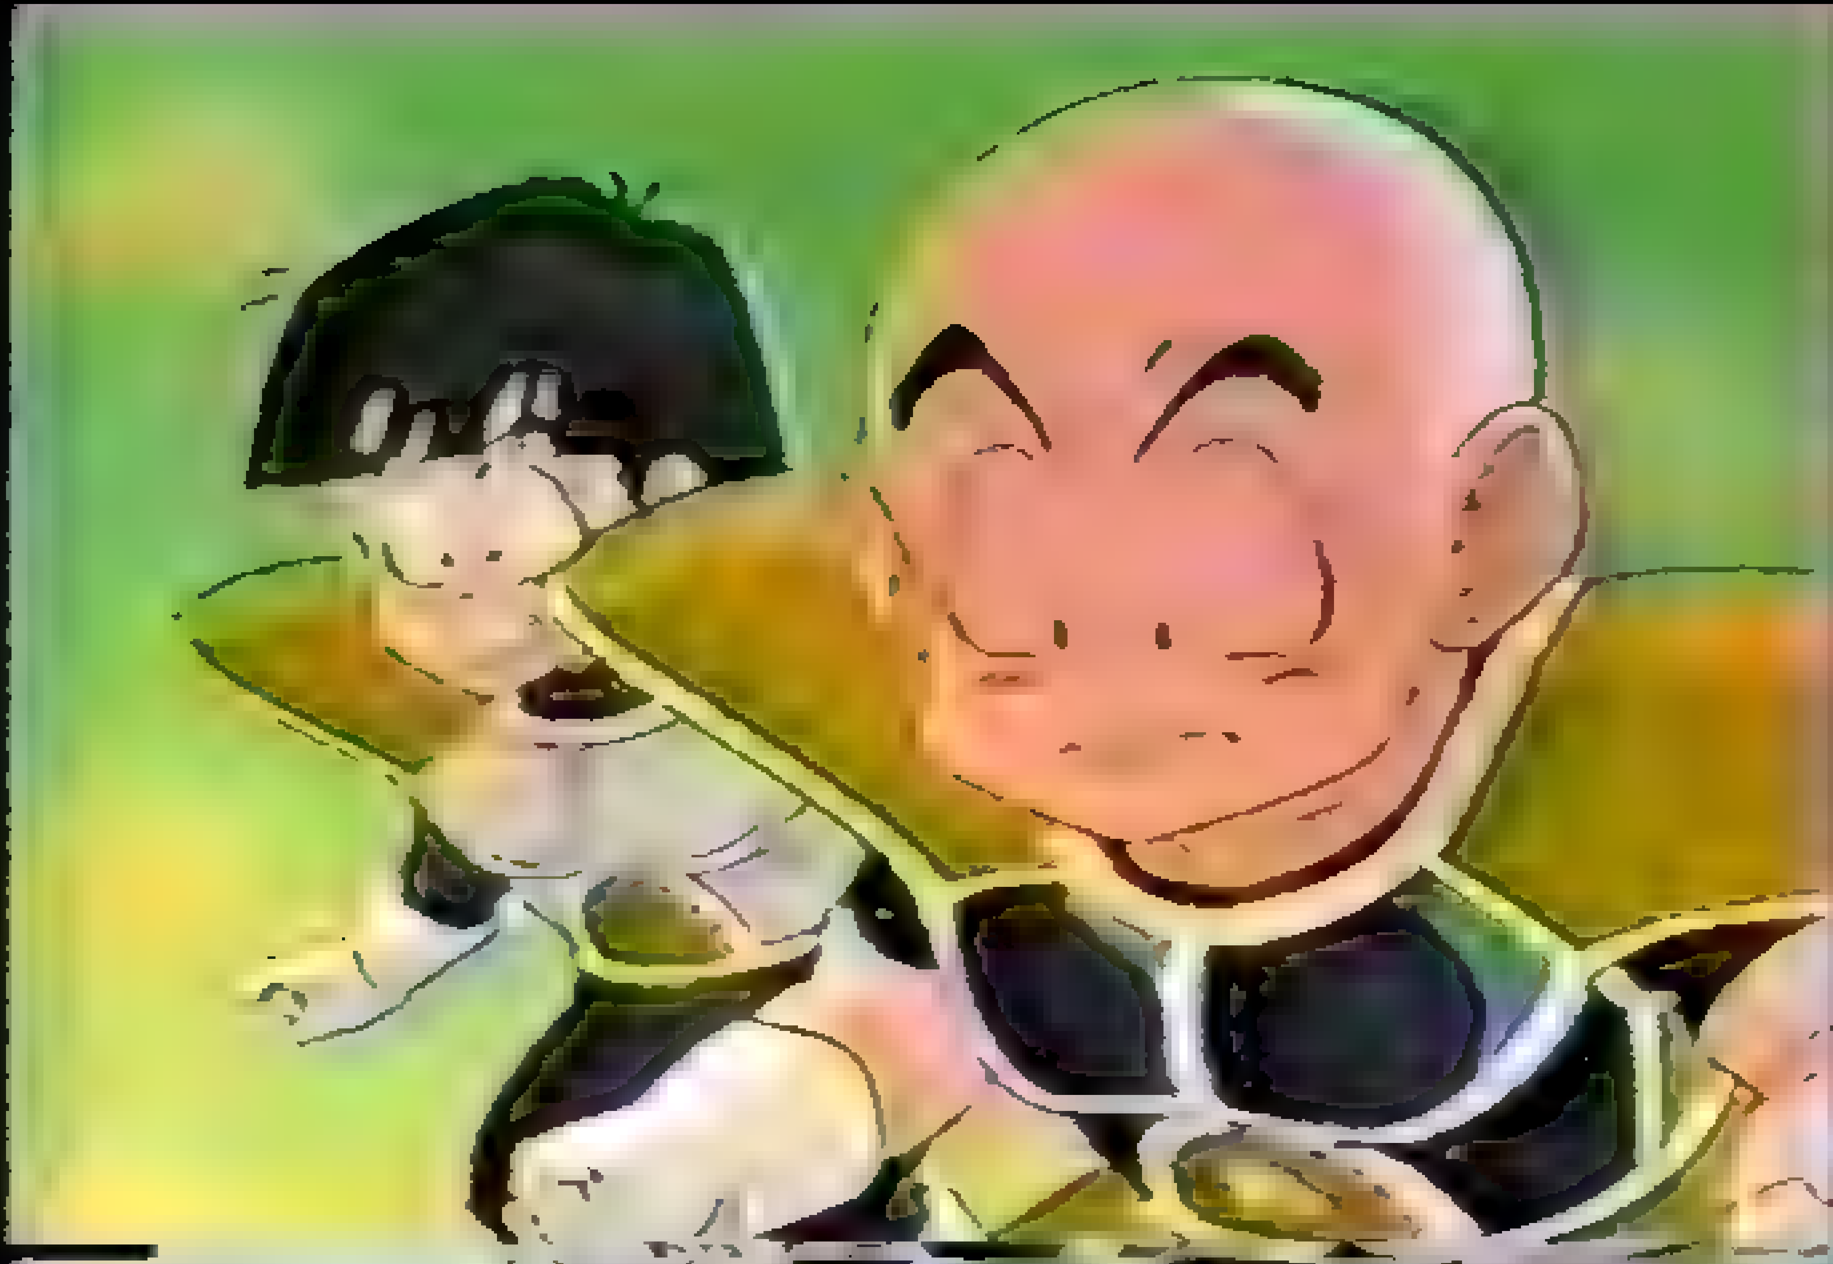

What did you say!

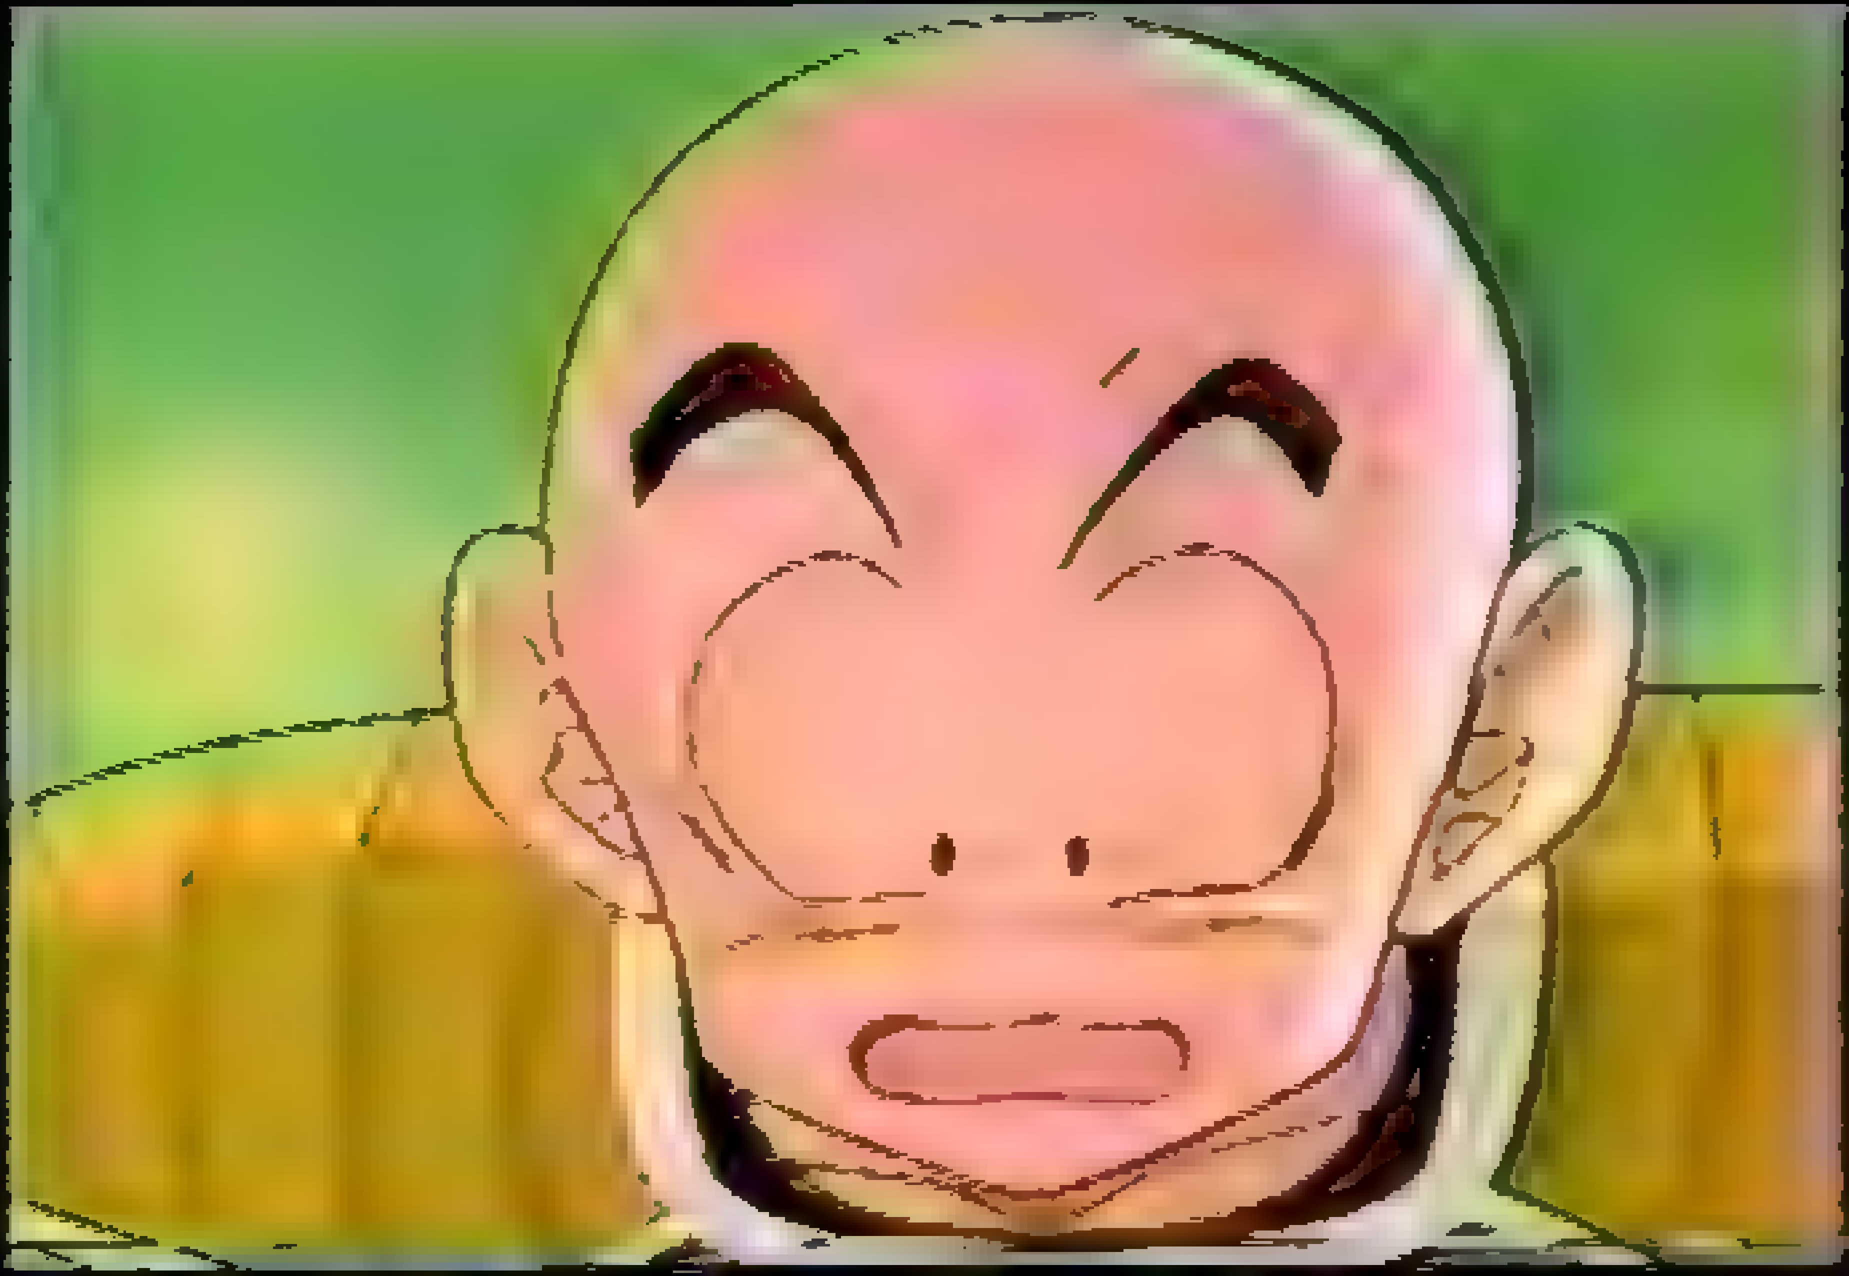

What did he say, Gohan?

Freezer can transform
two more times.

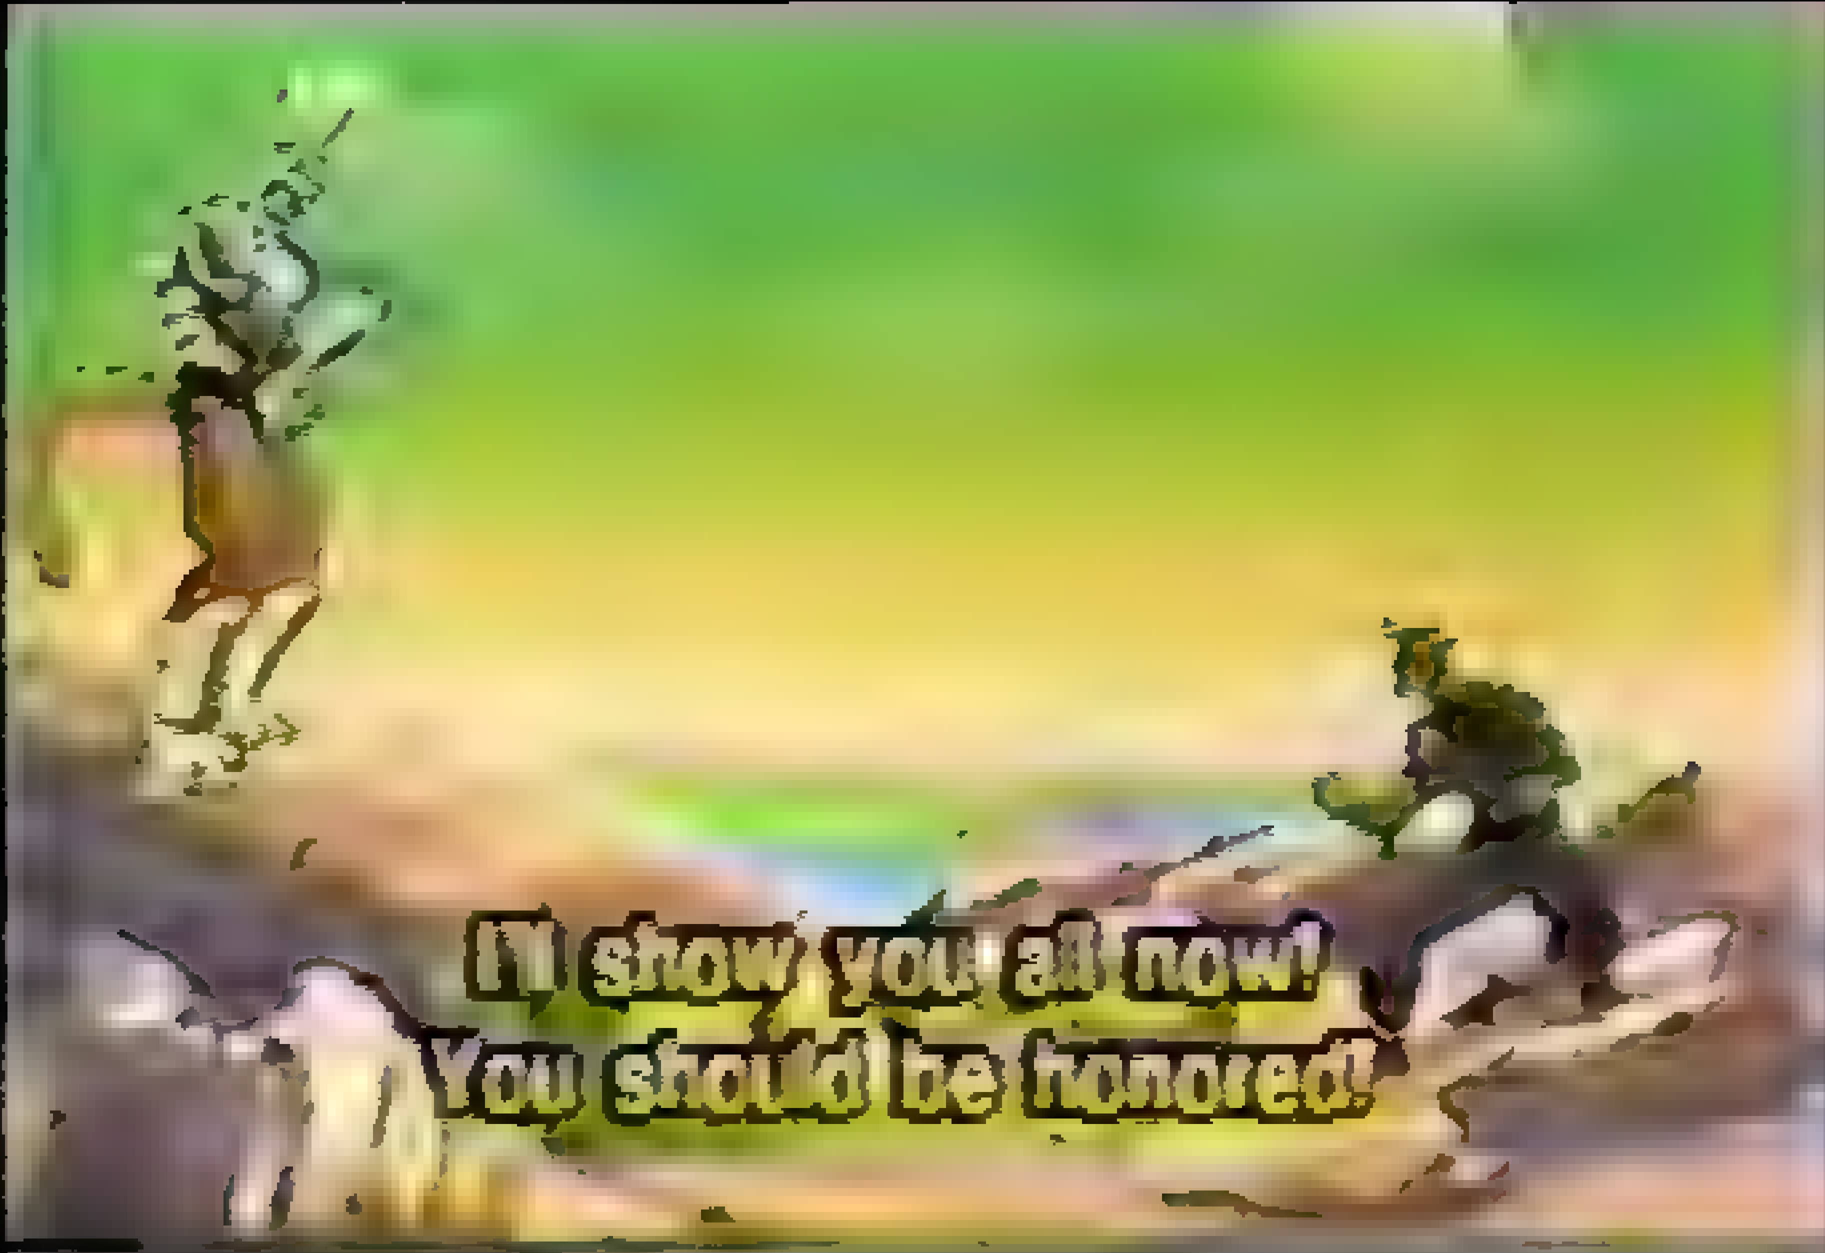

We're goners for sure.

My marriage...

I'll show you all now!
You should be honored!

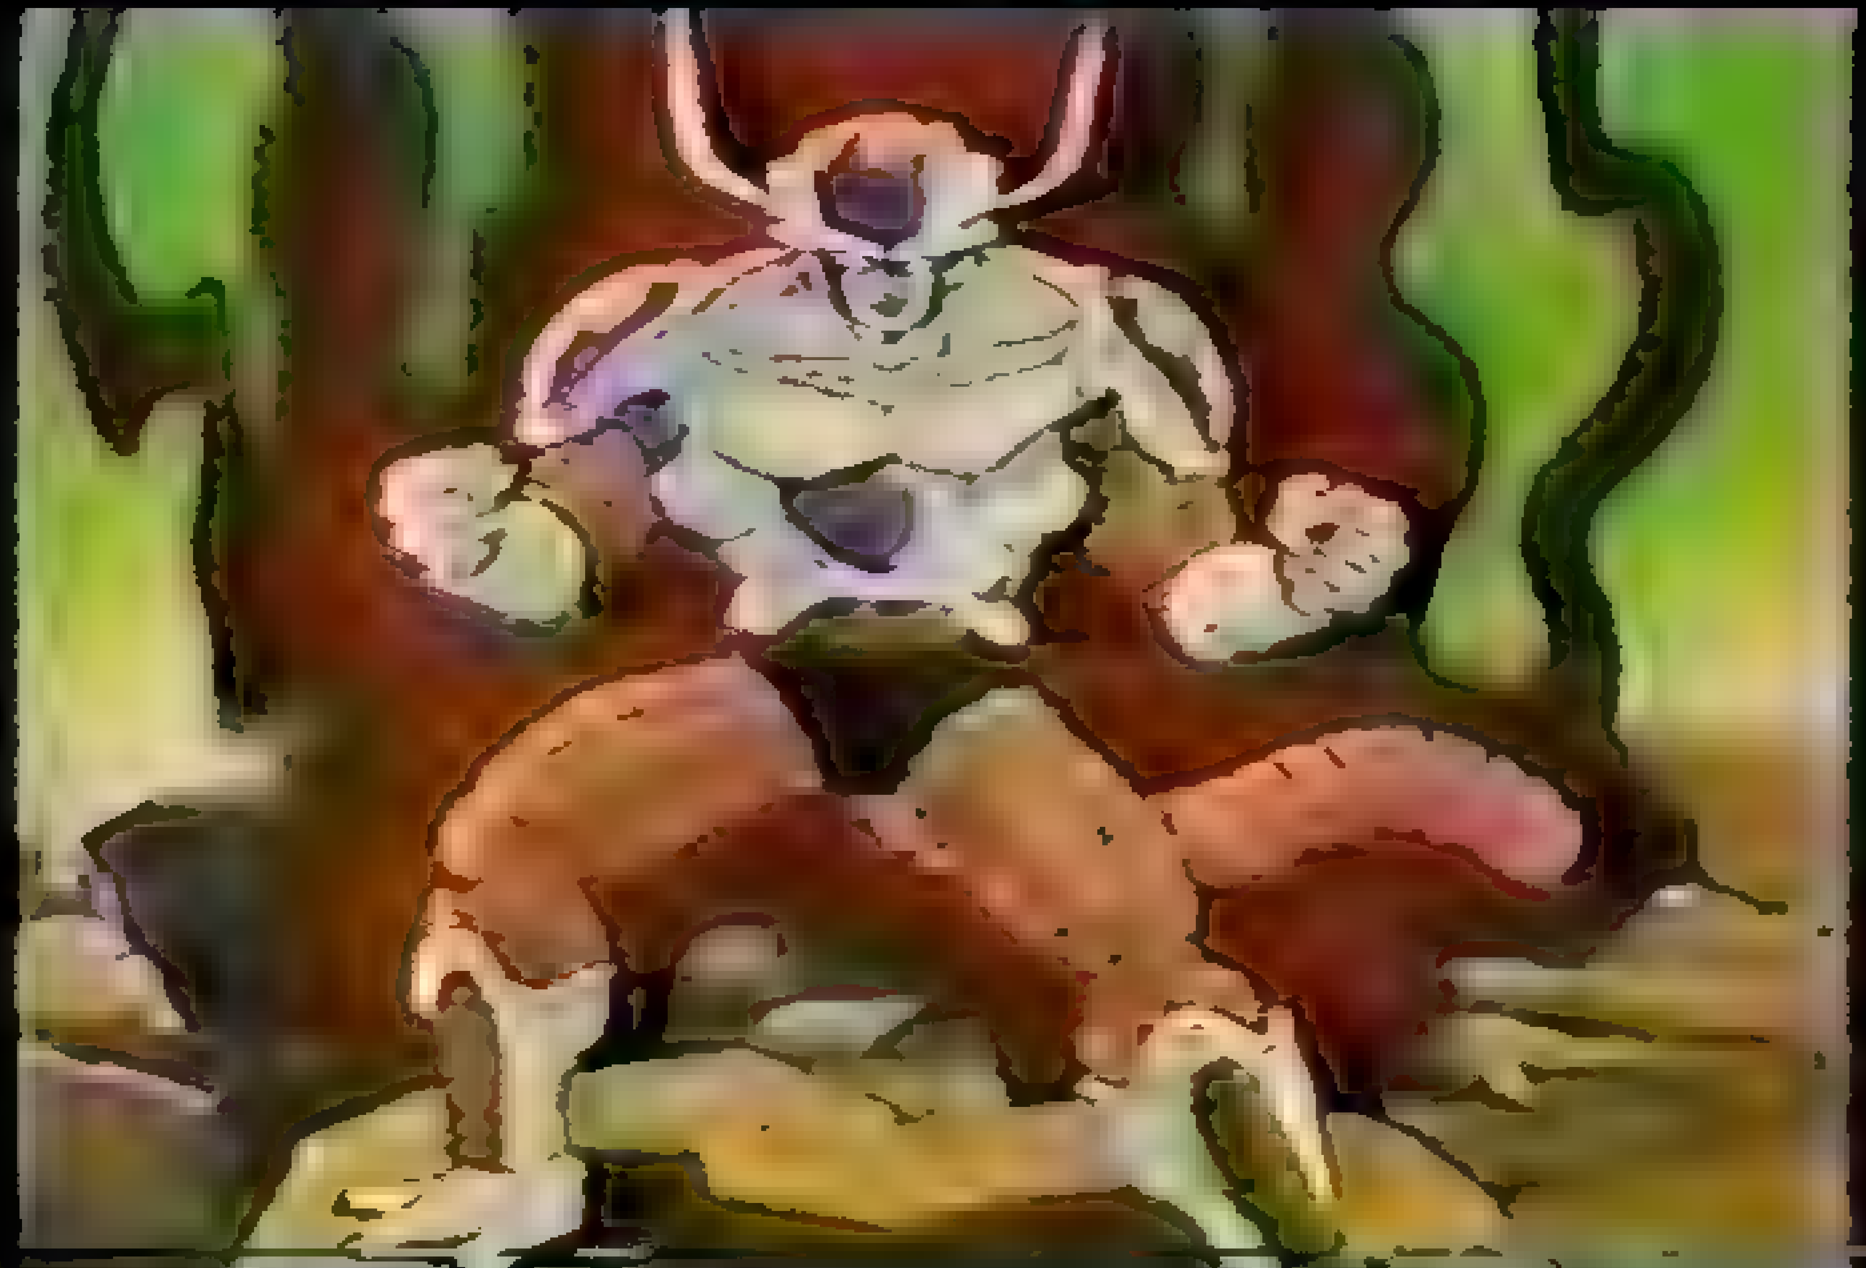

I'll show you all now!
You should be honored!

I'll show you all now!
You should be honored!

You scum are the first ones
to see me transform into this!

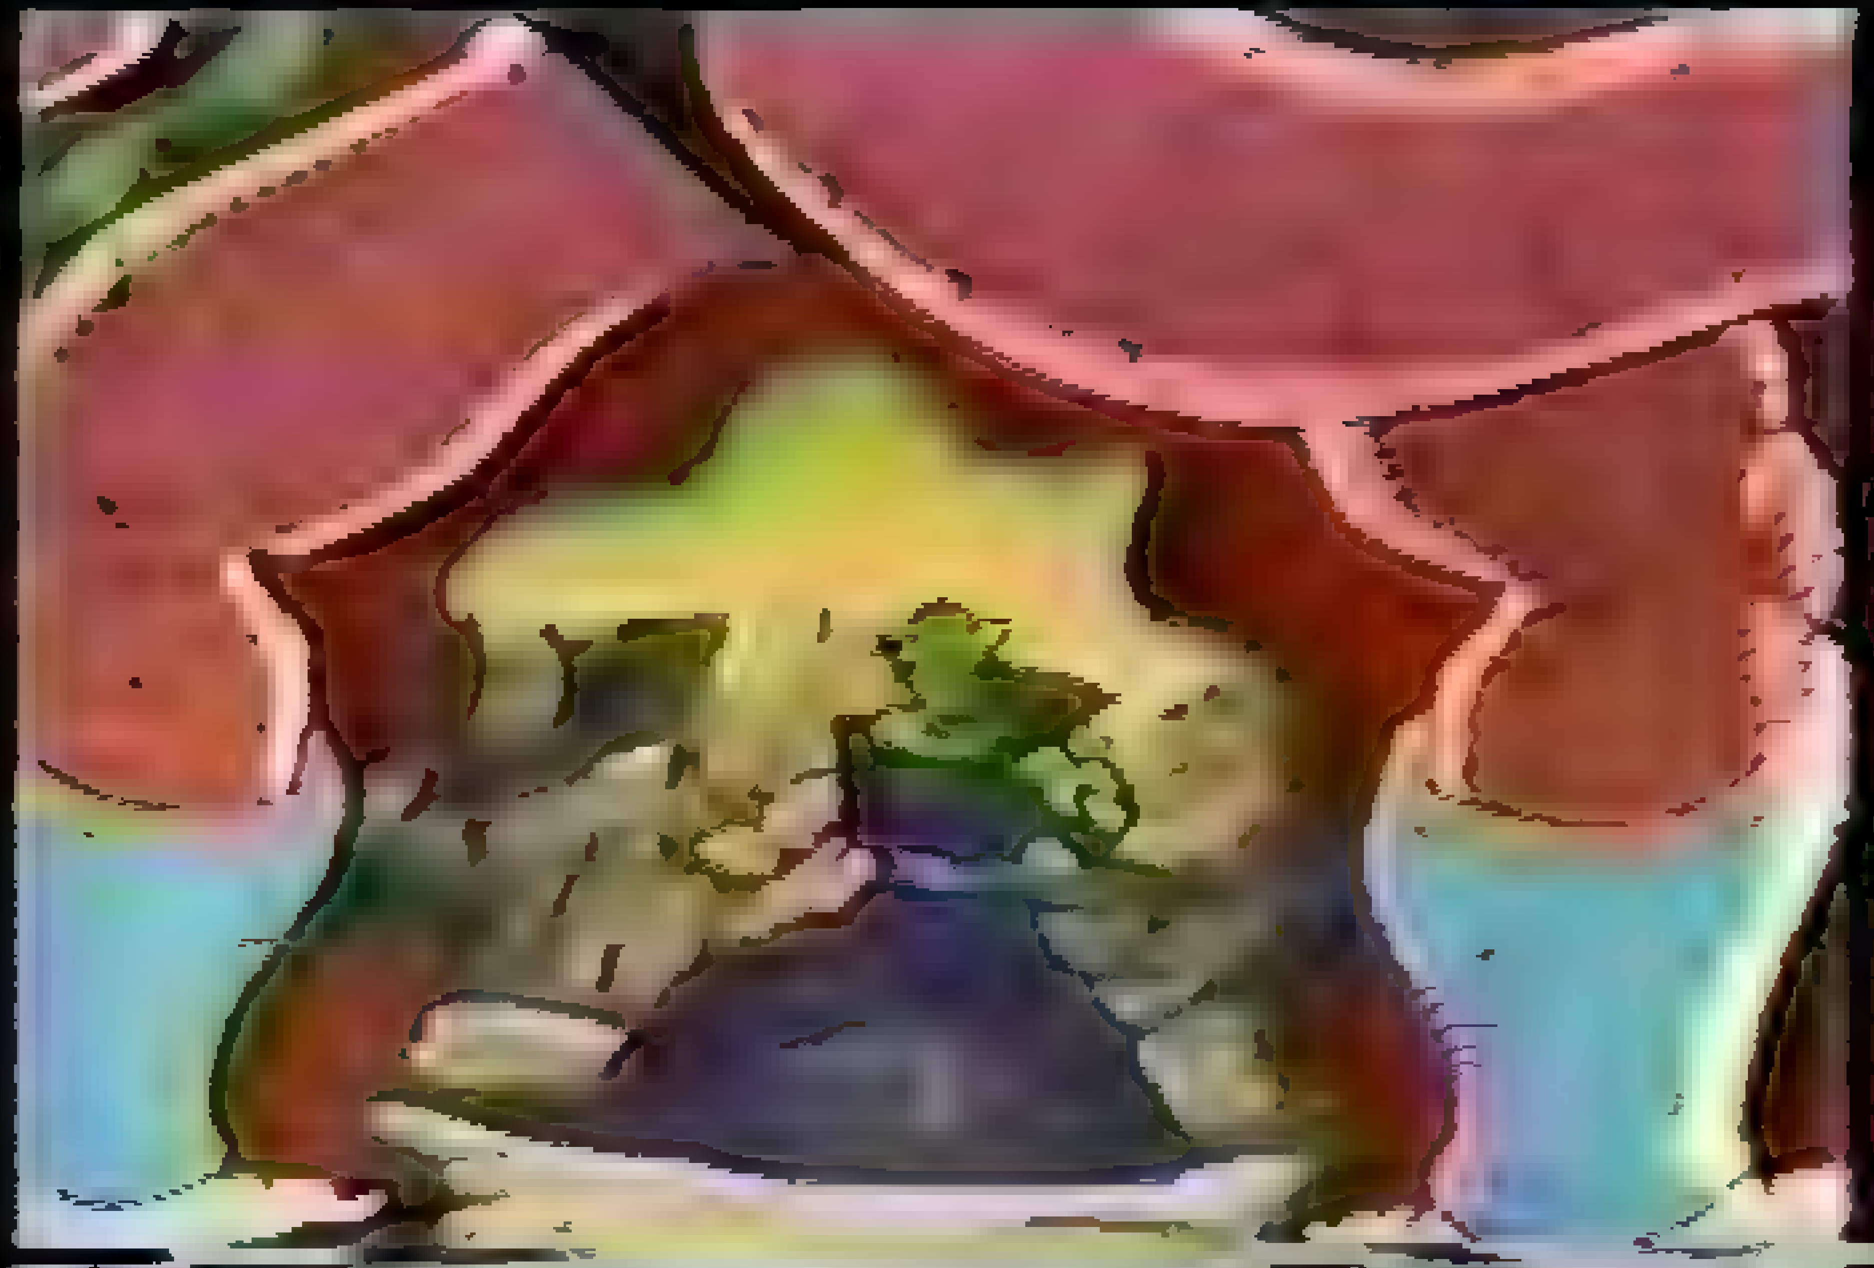

You scum are the first ones
to see me transform into this!

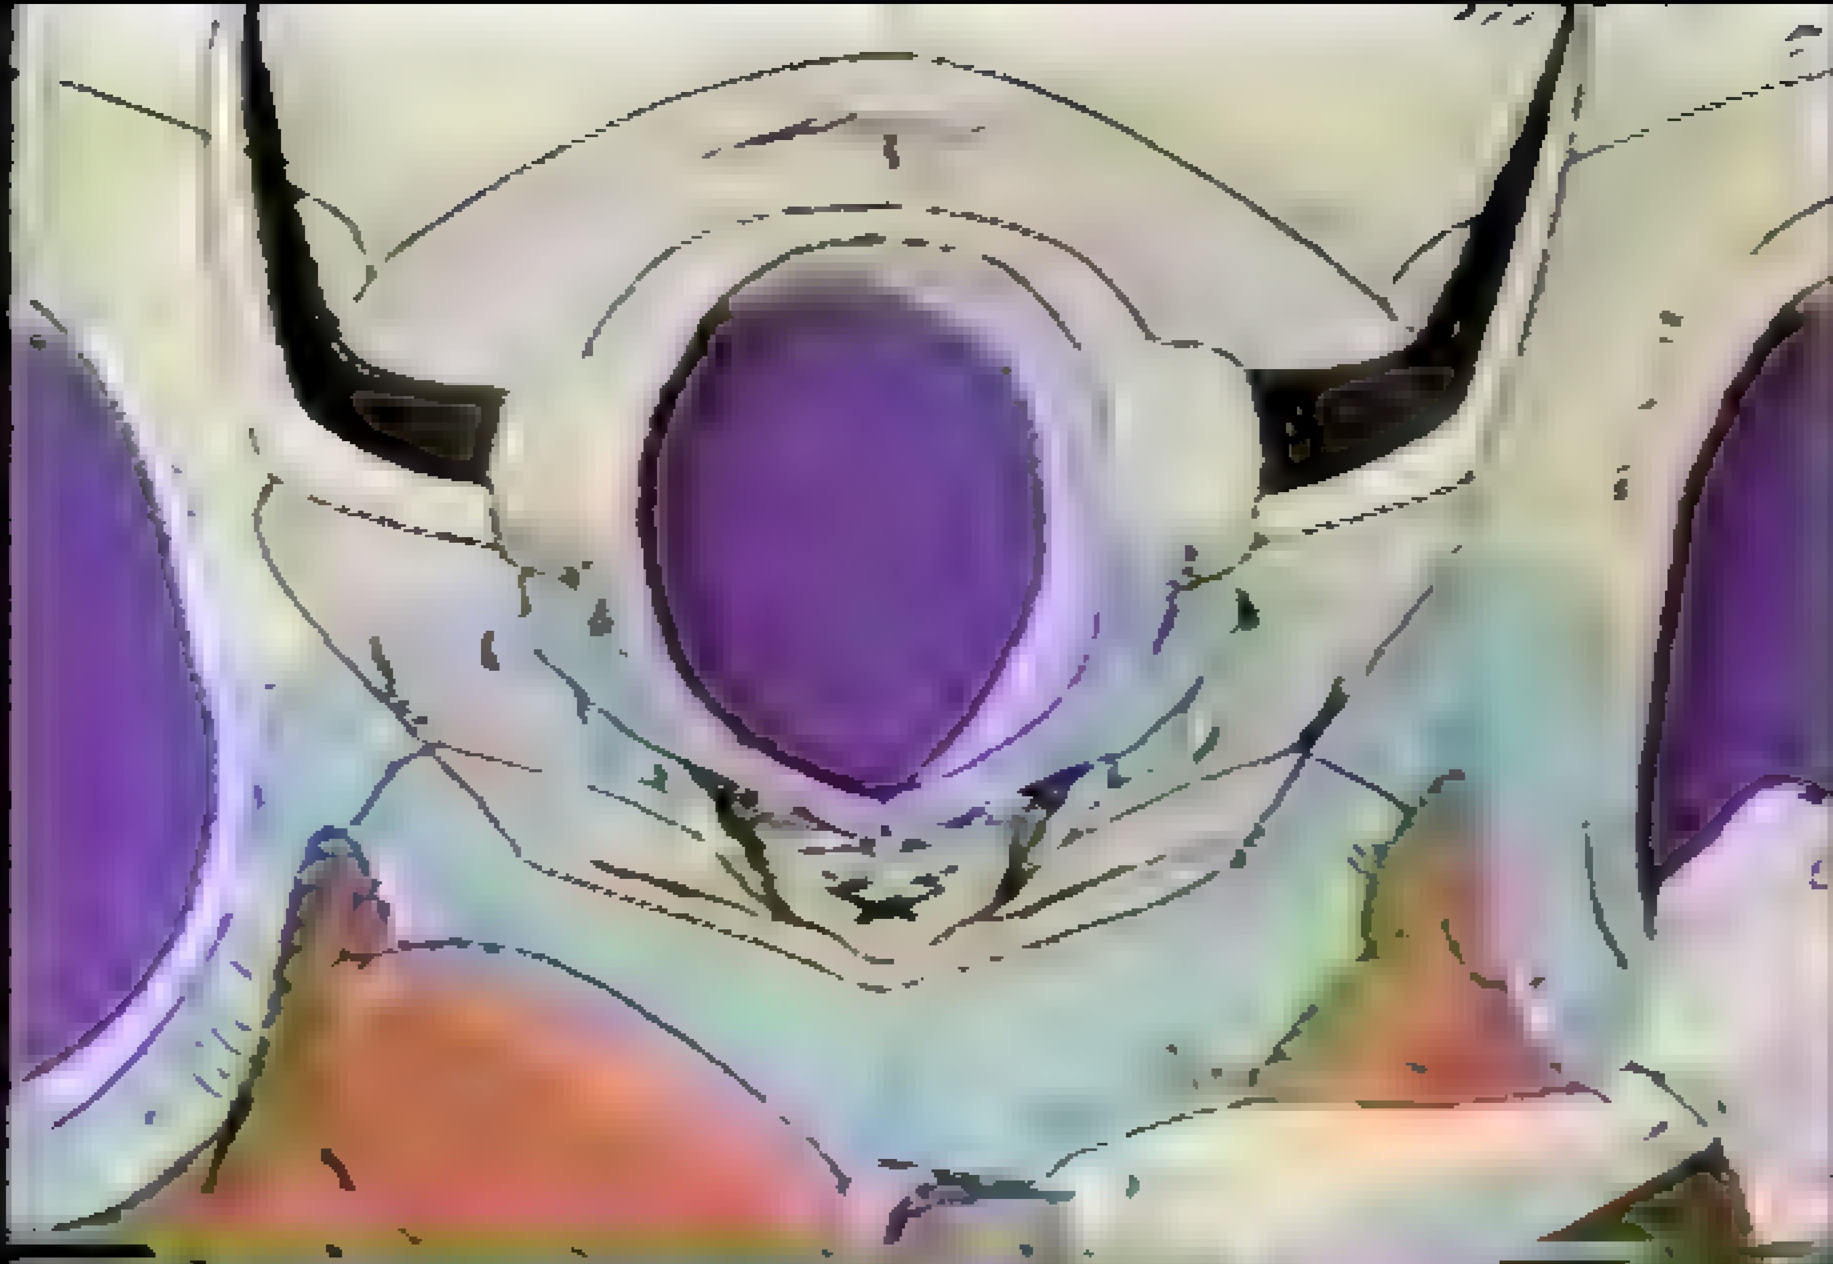

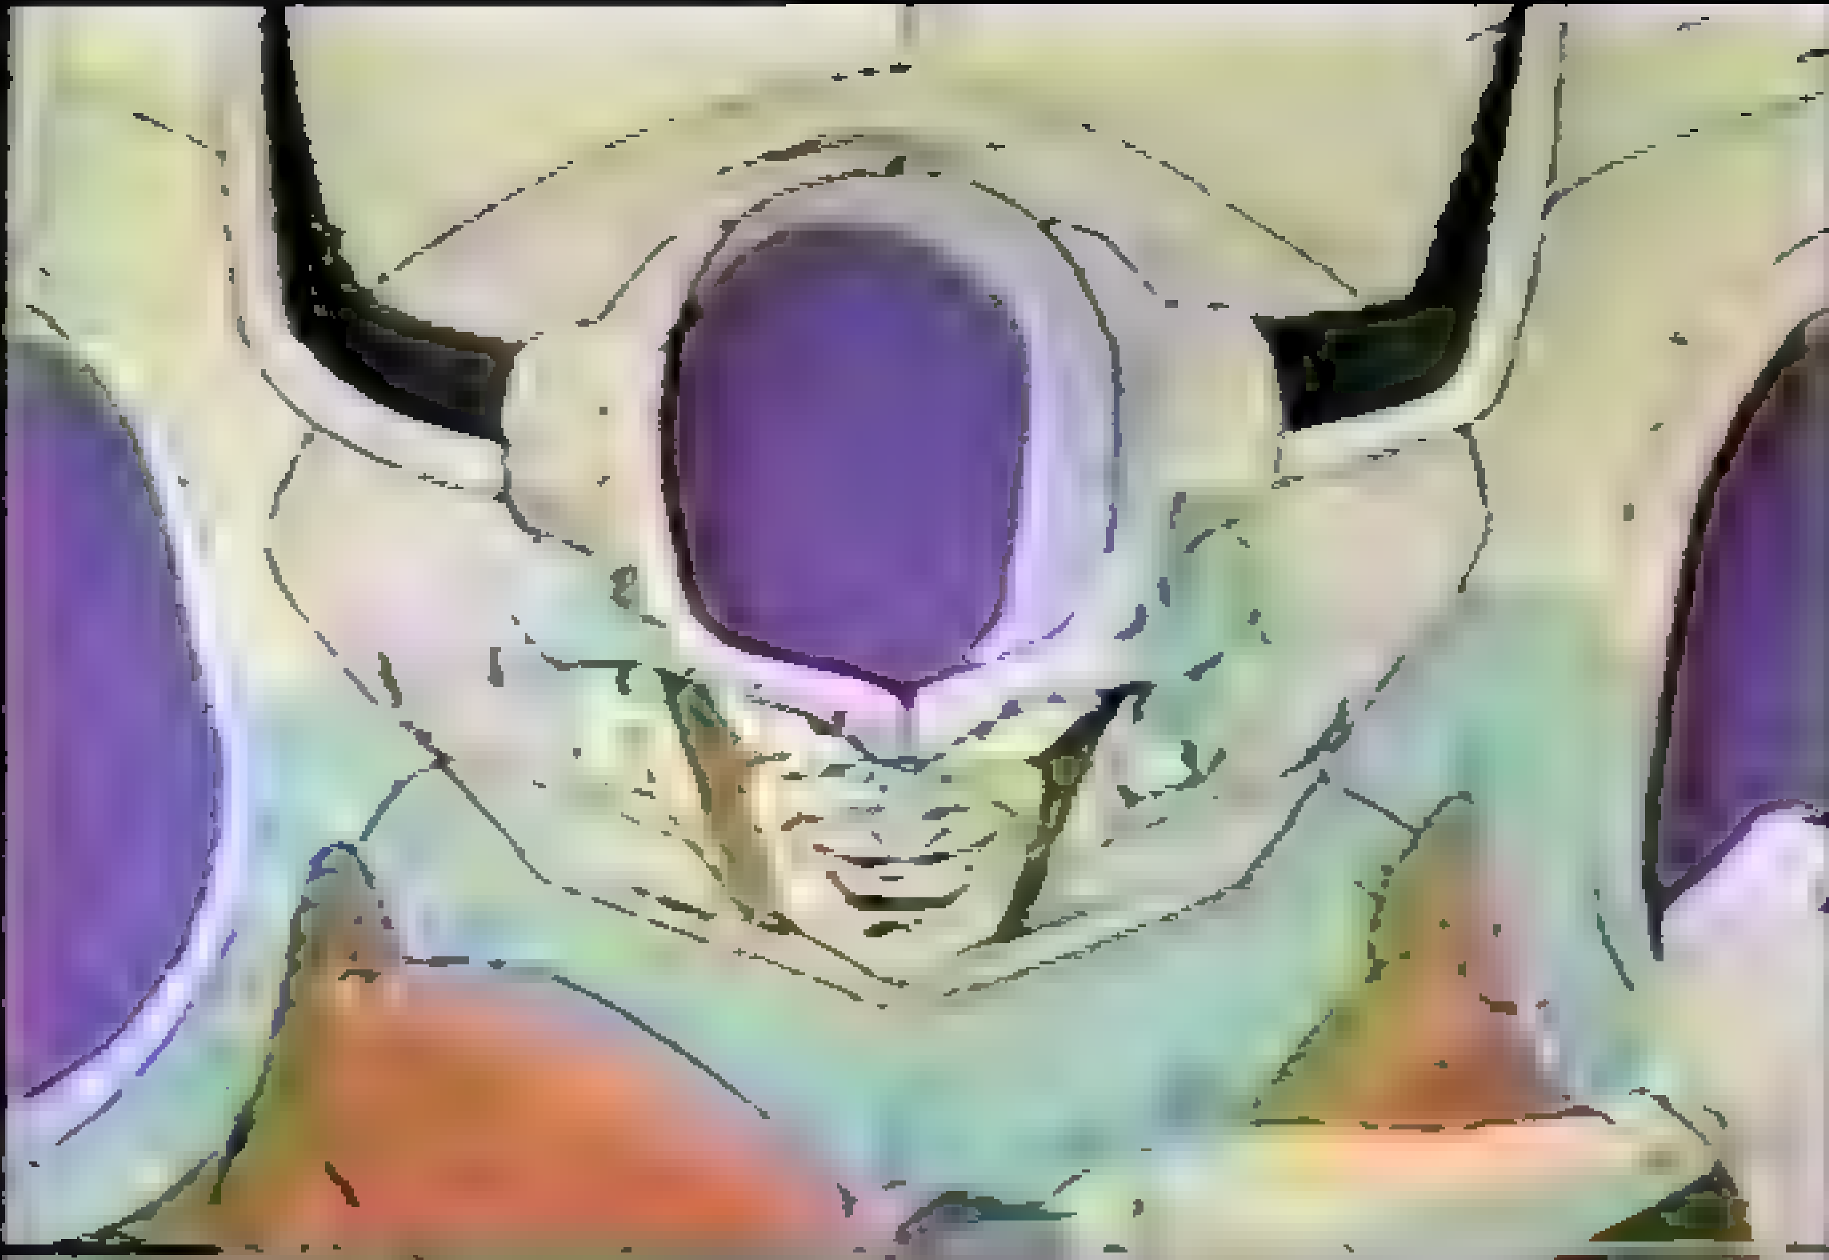

Take a good look!

This is Lord Freezer's
second level transformation!

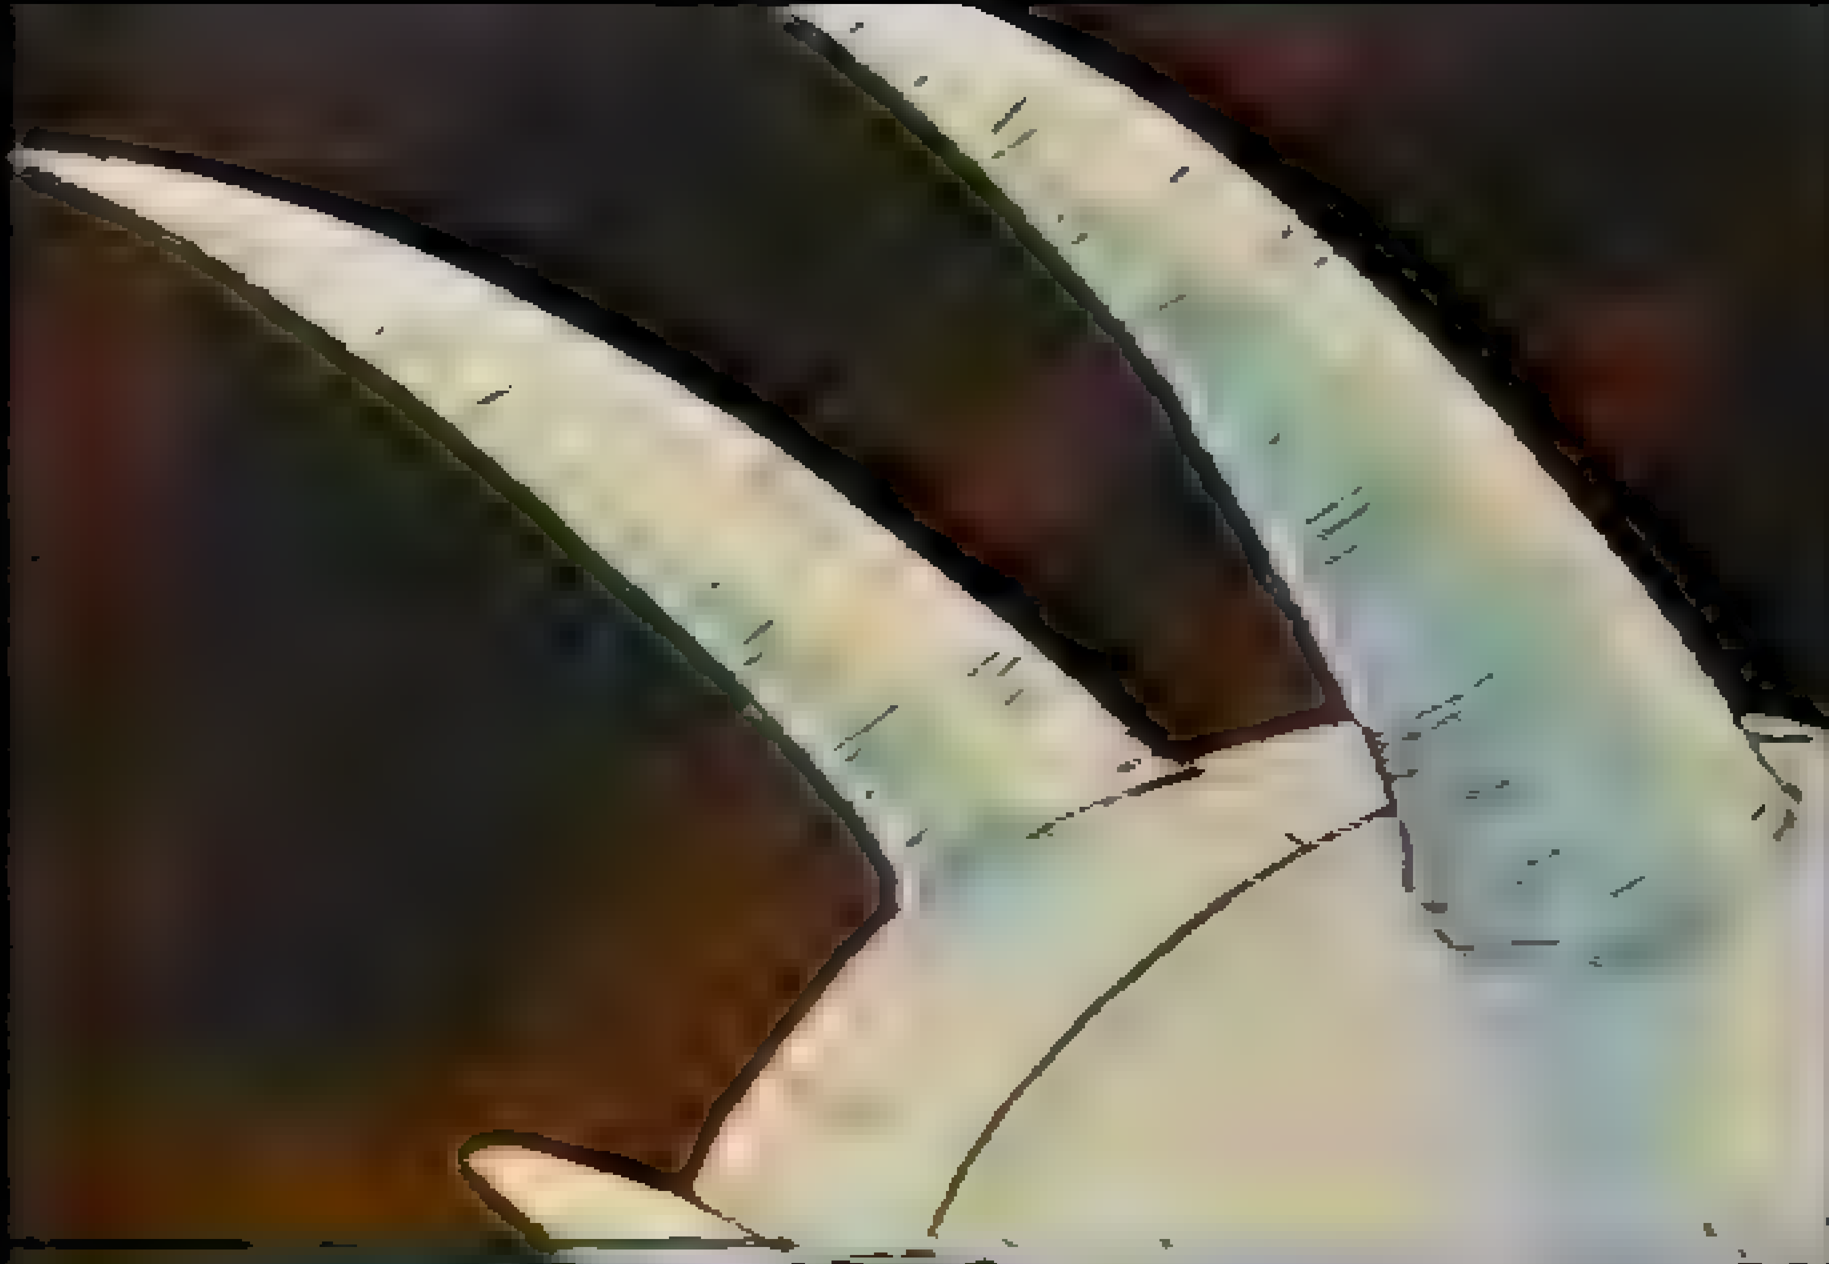

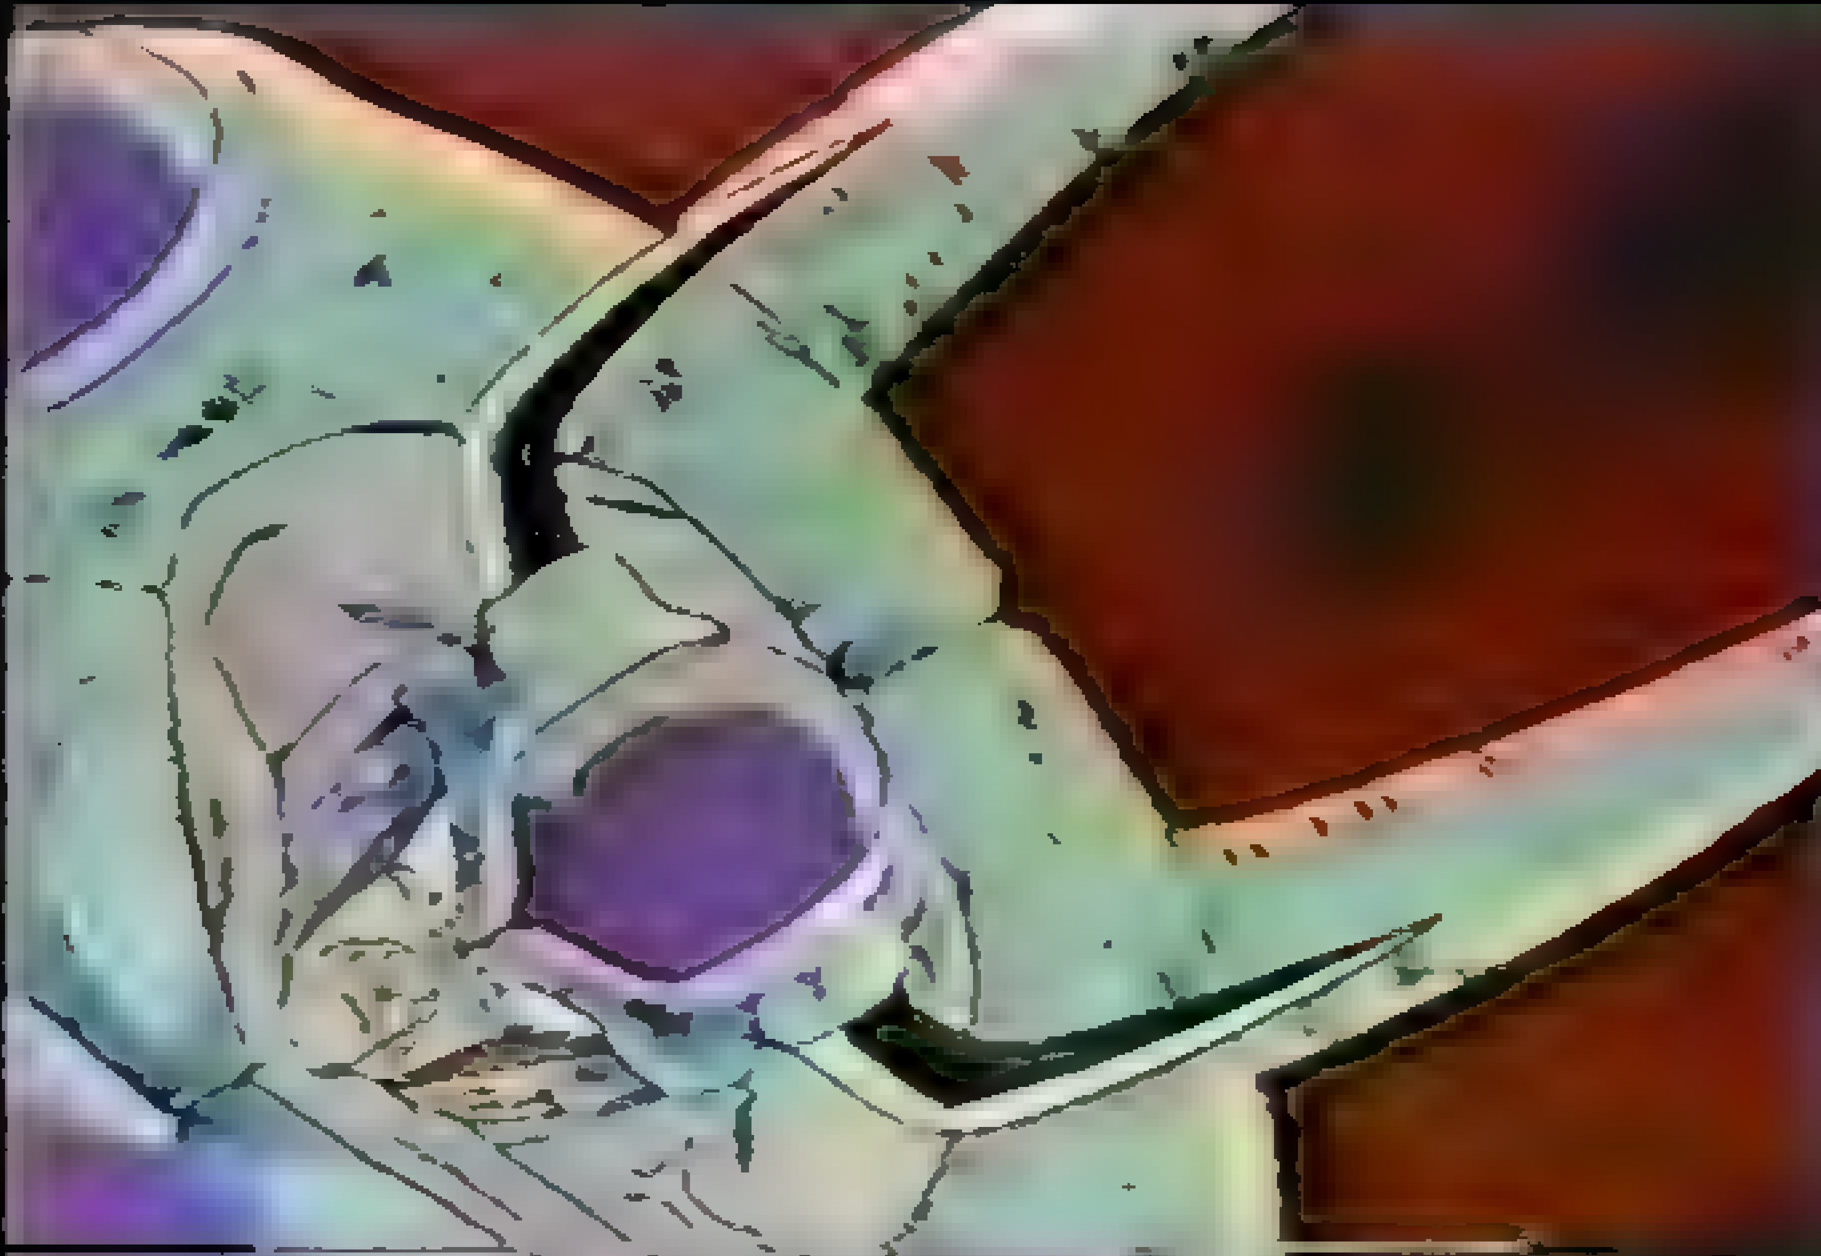

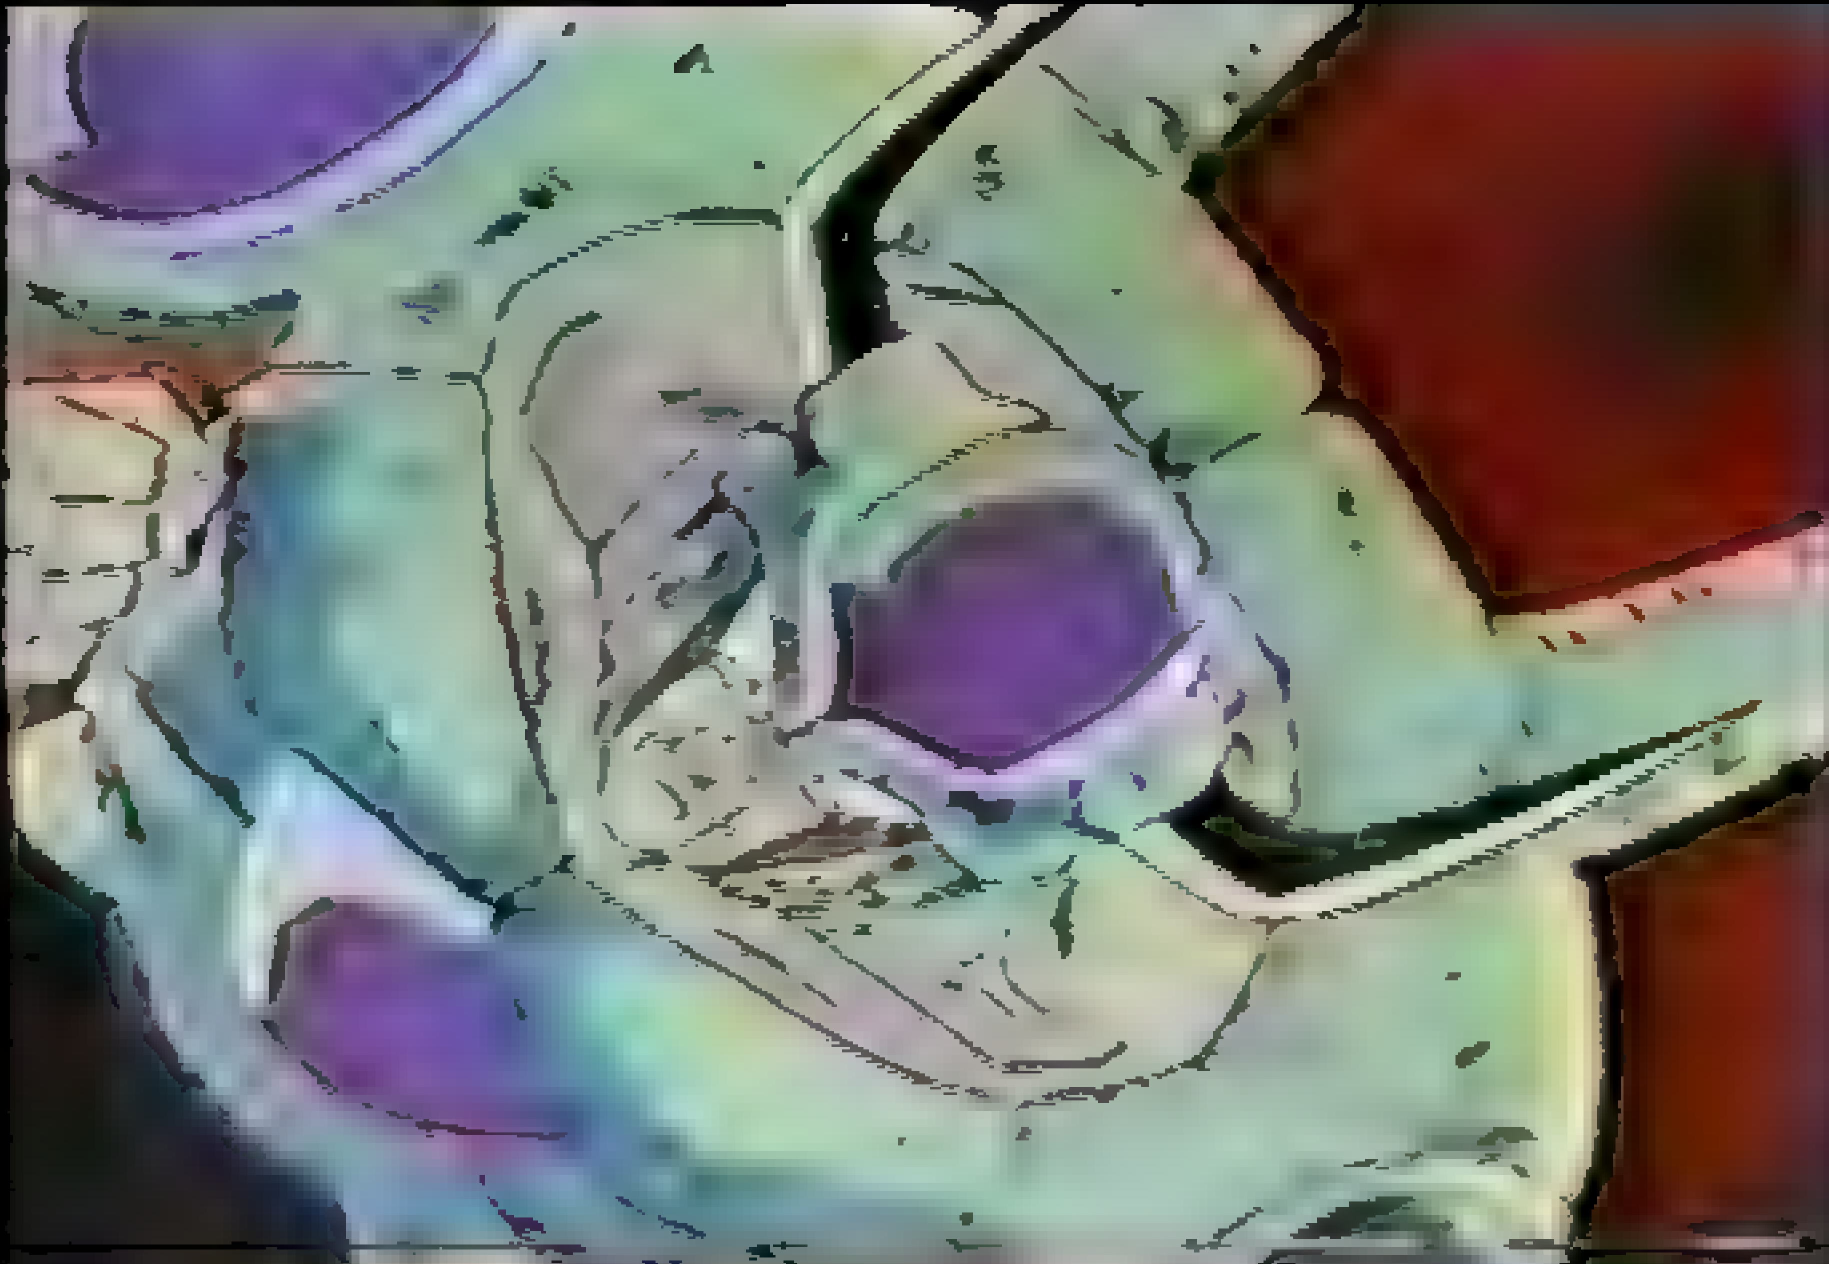

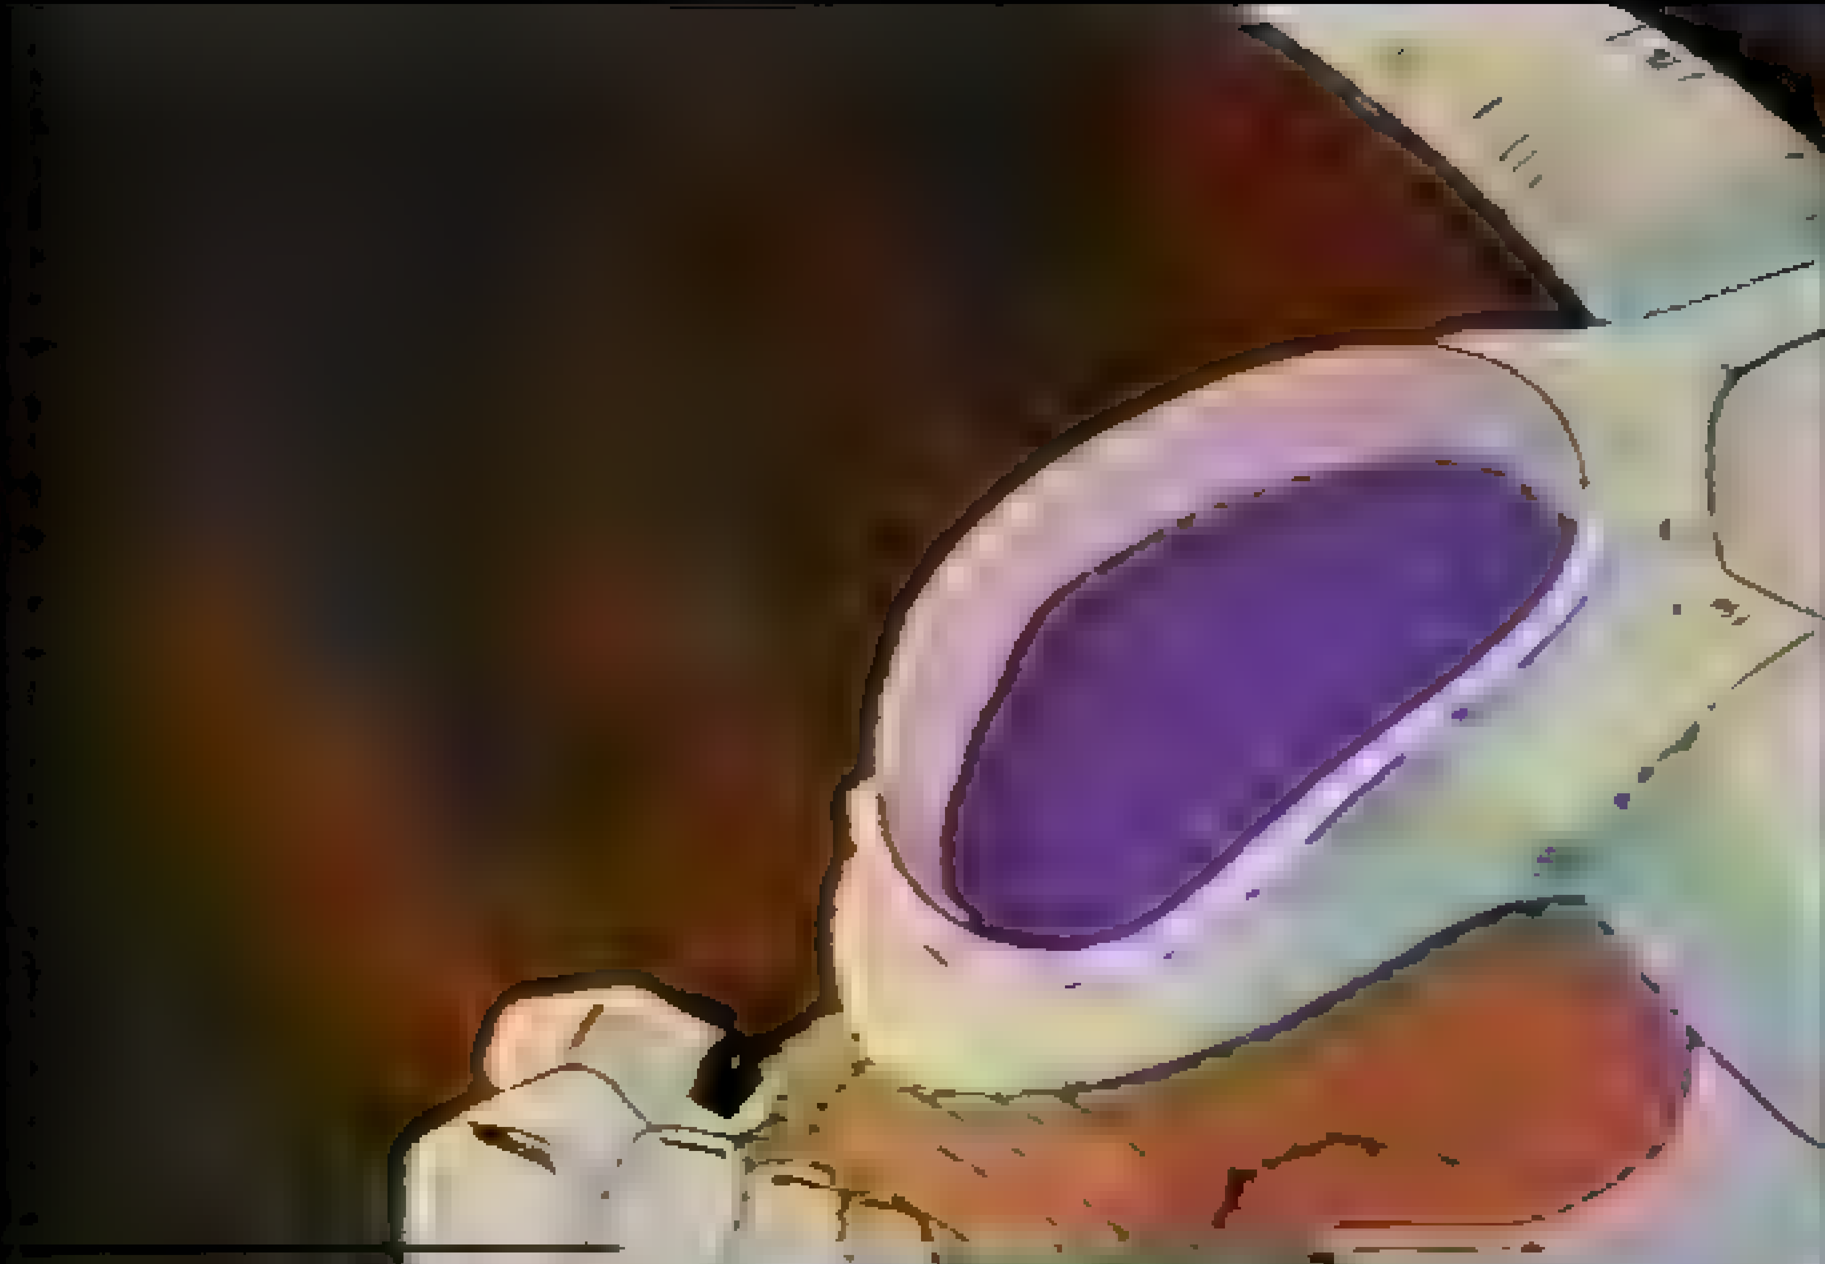

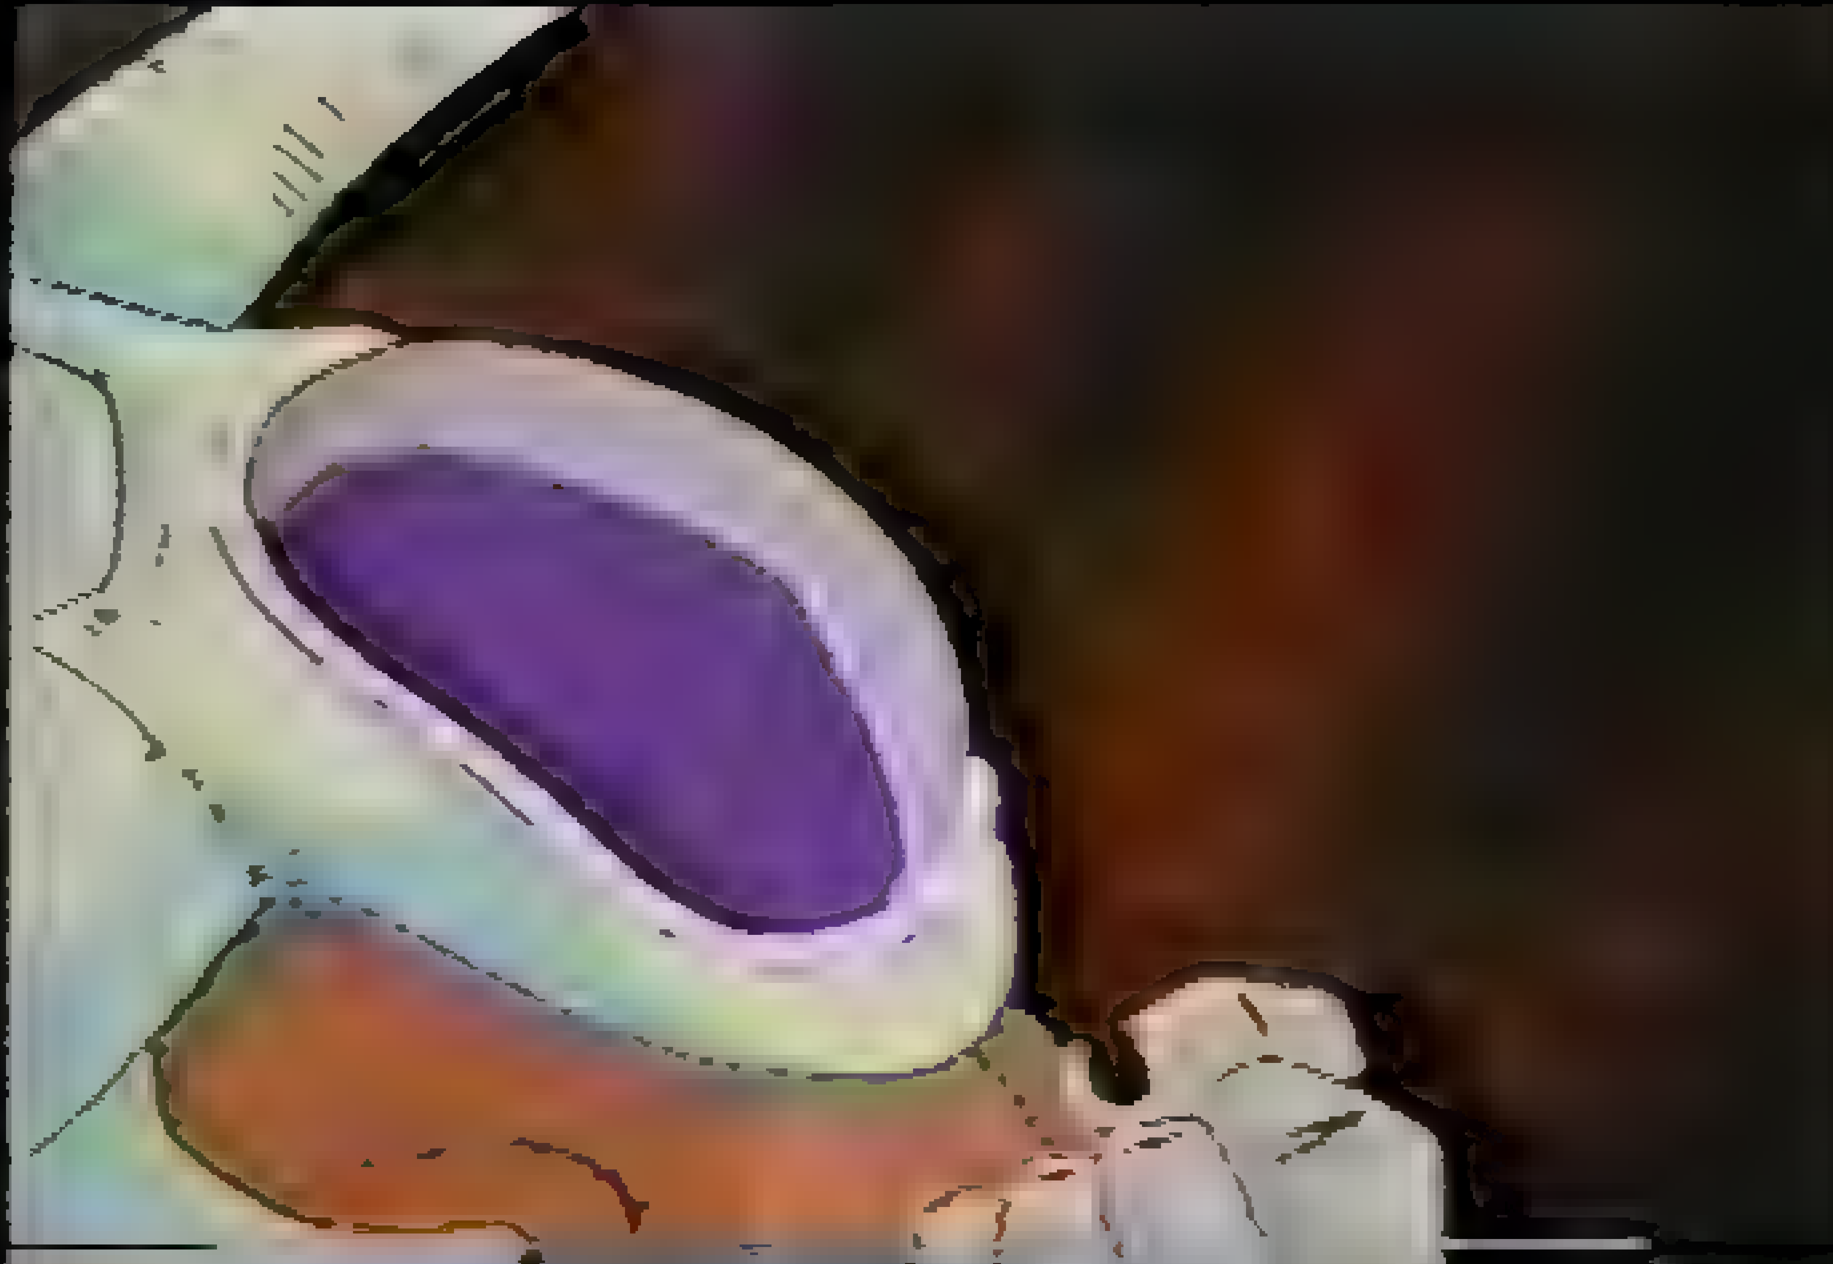

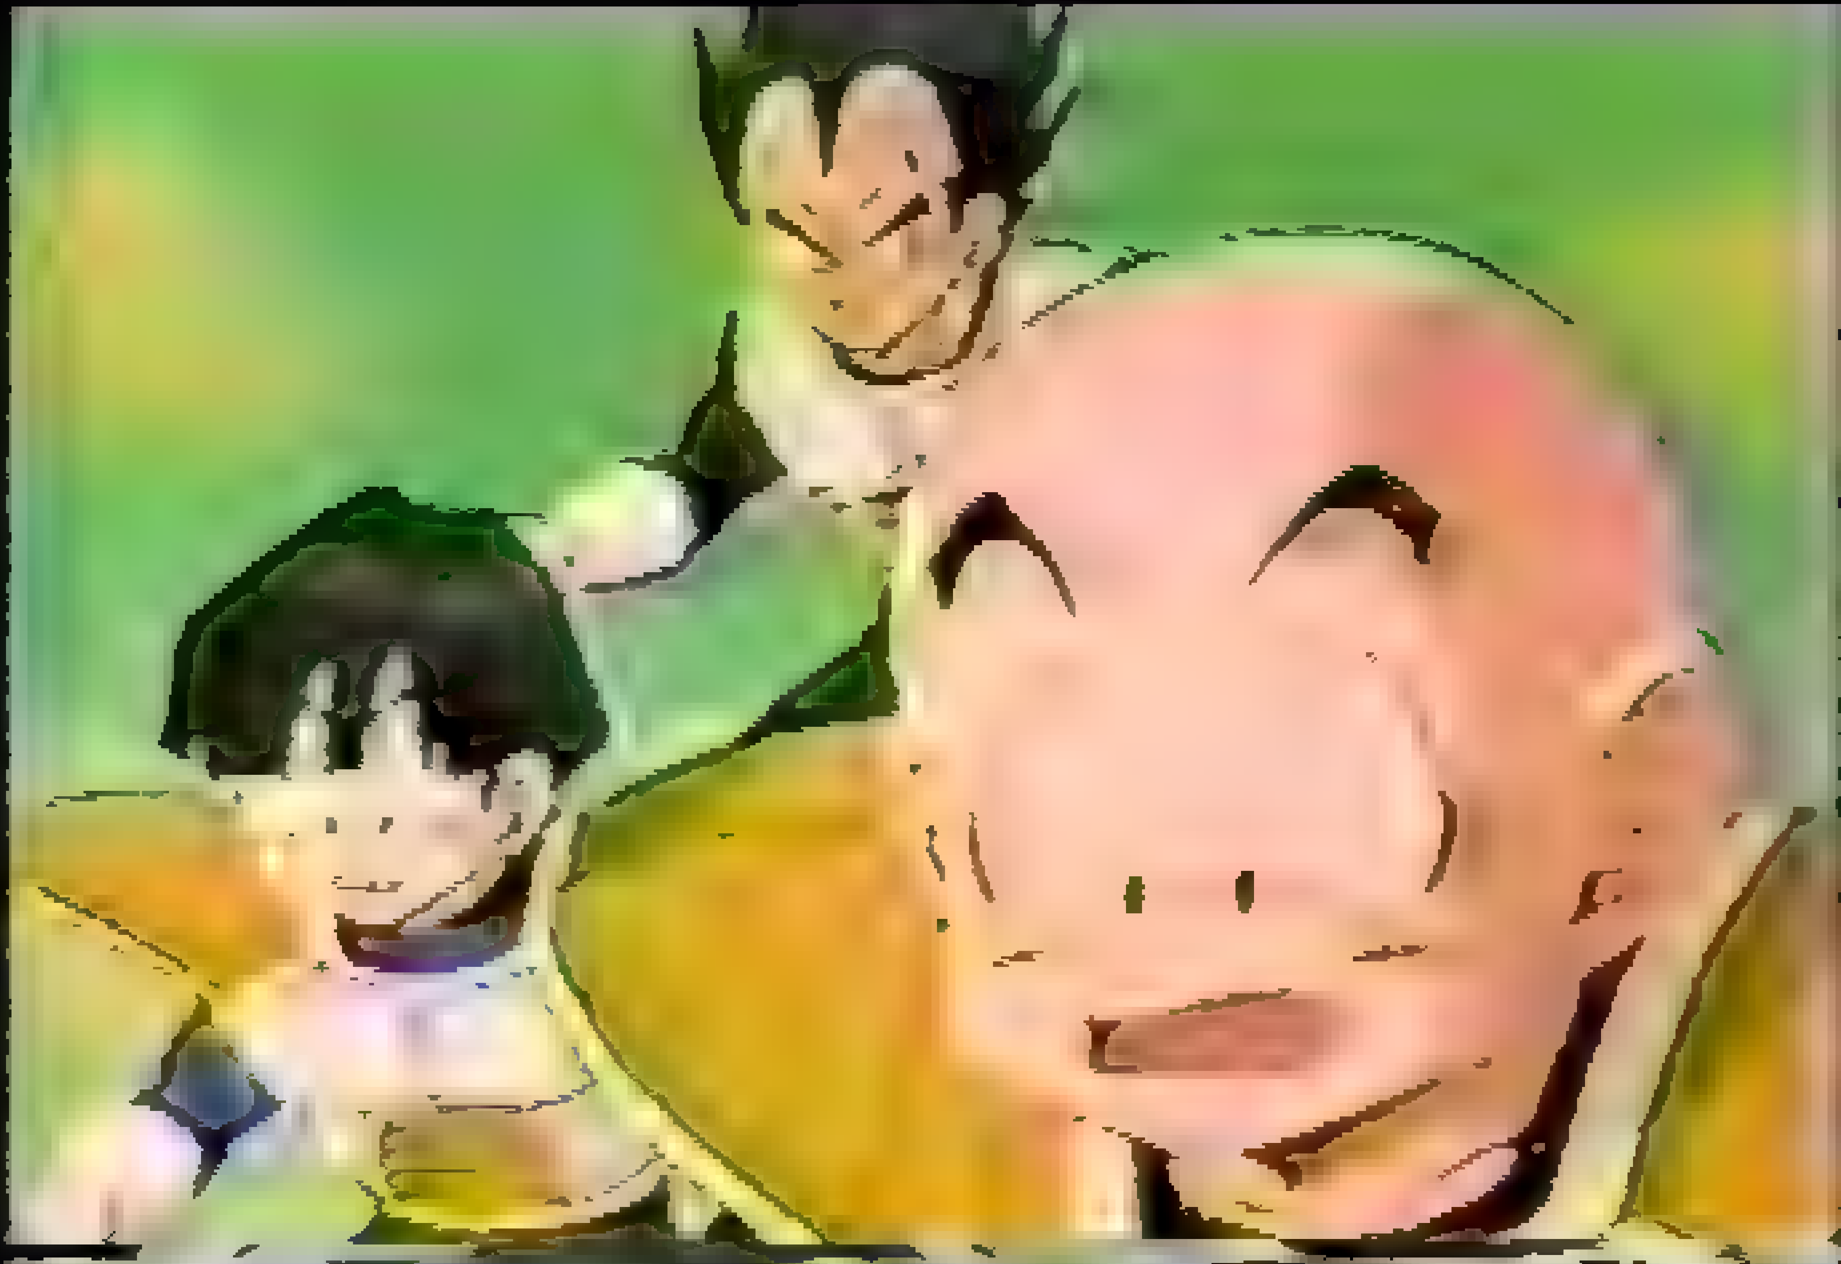

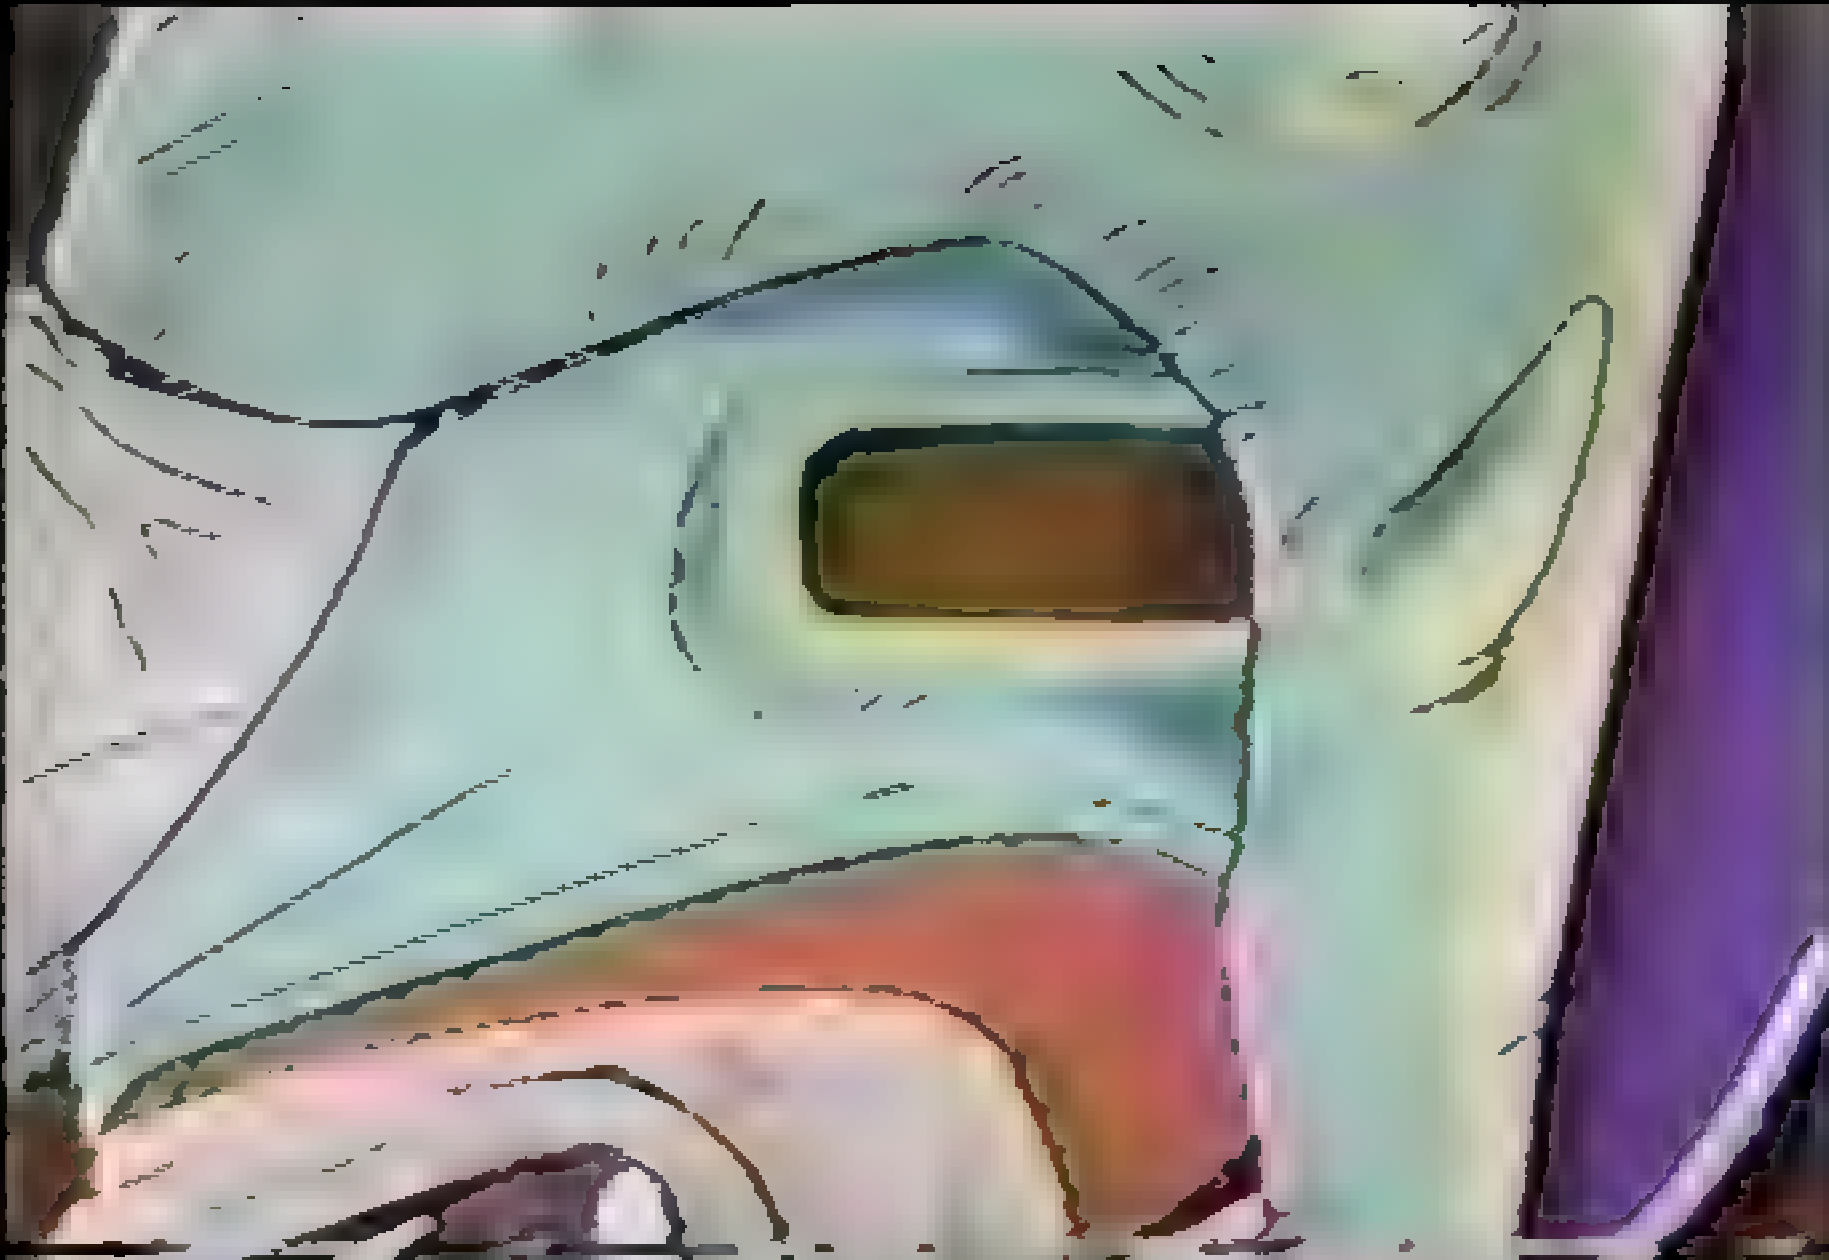

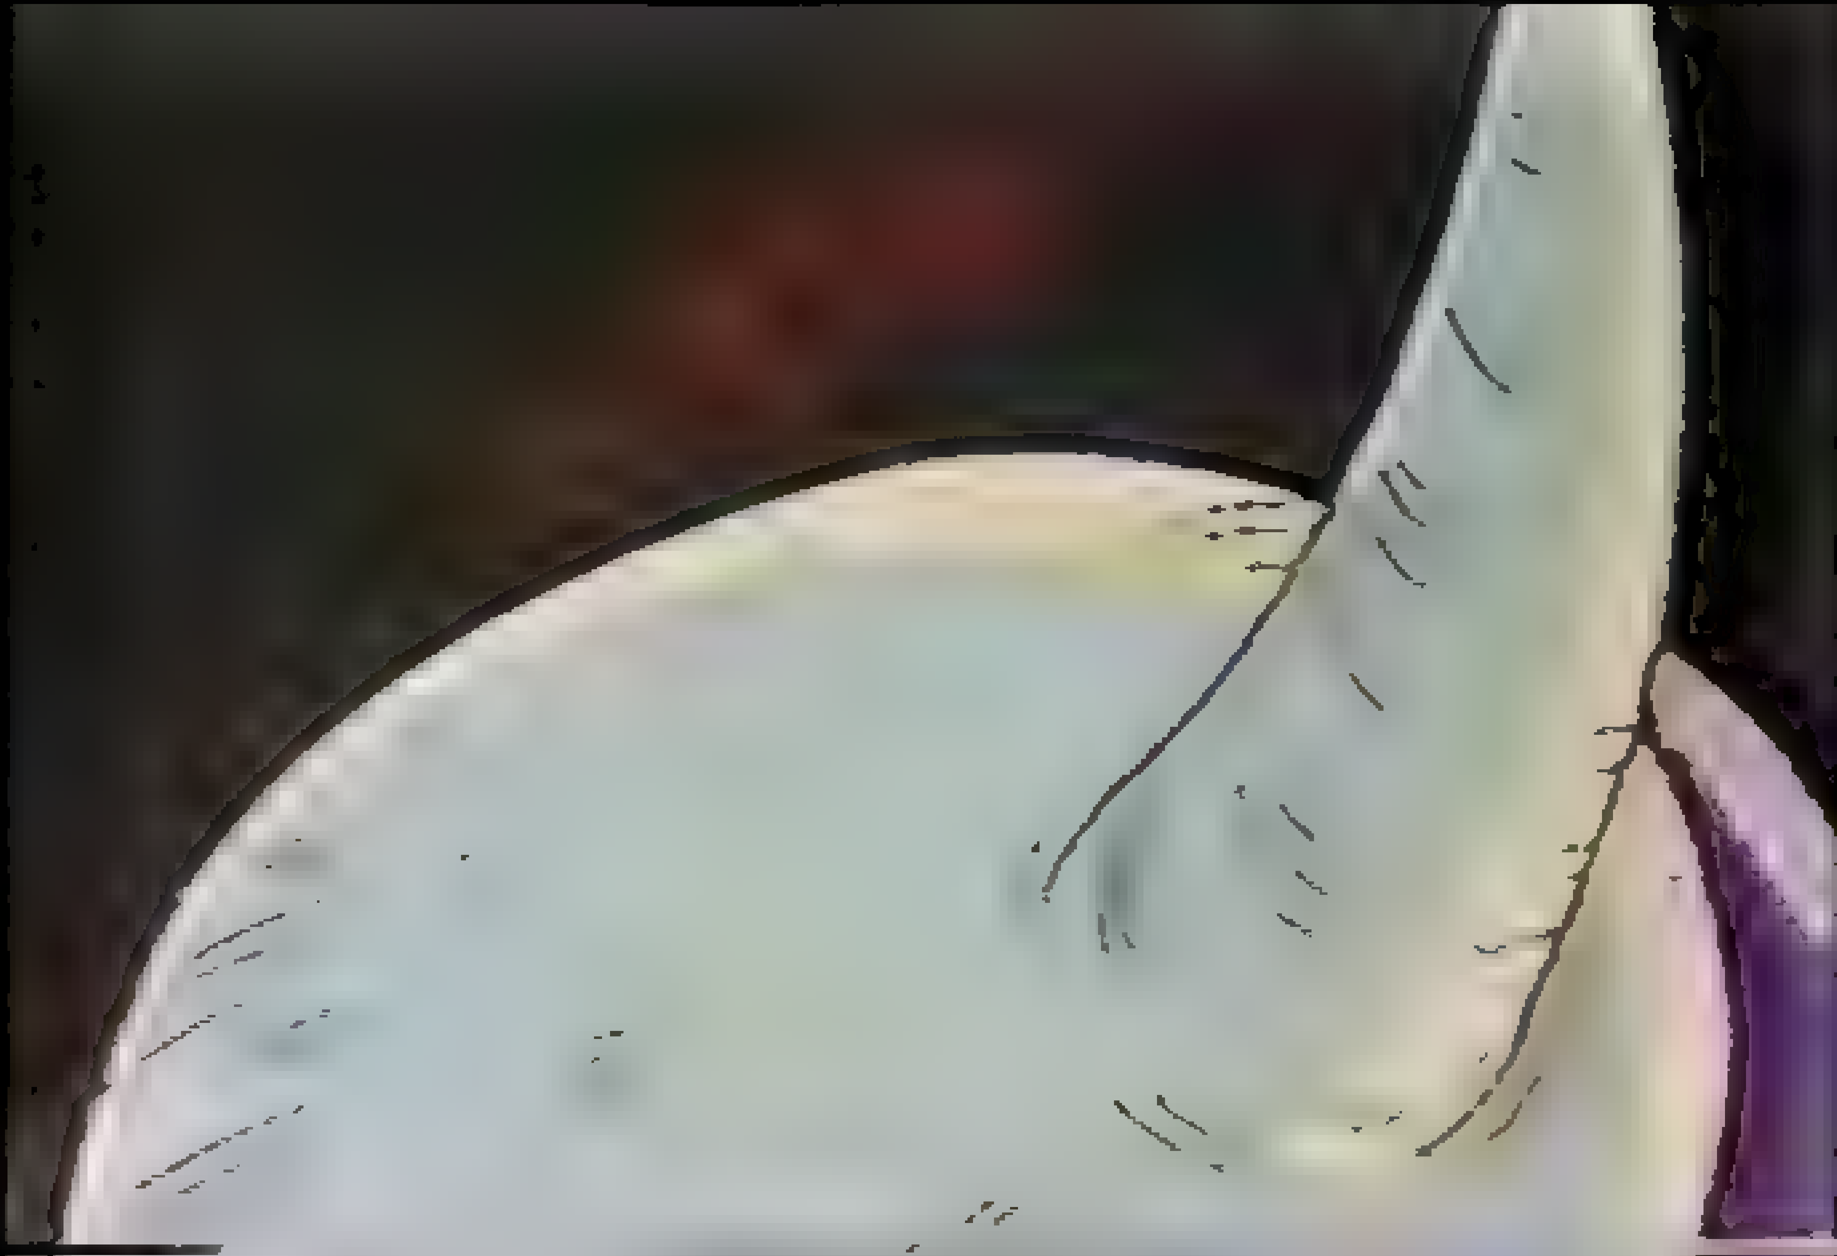

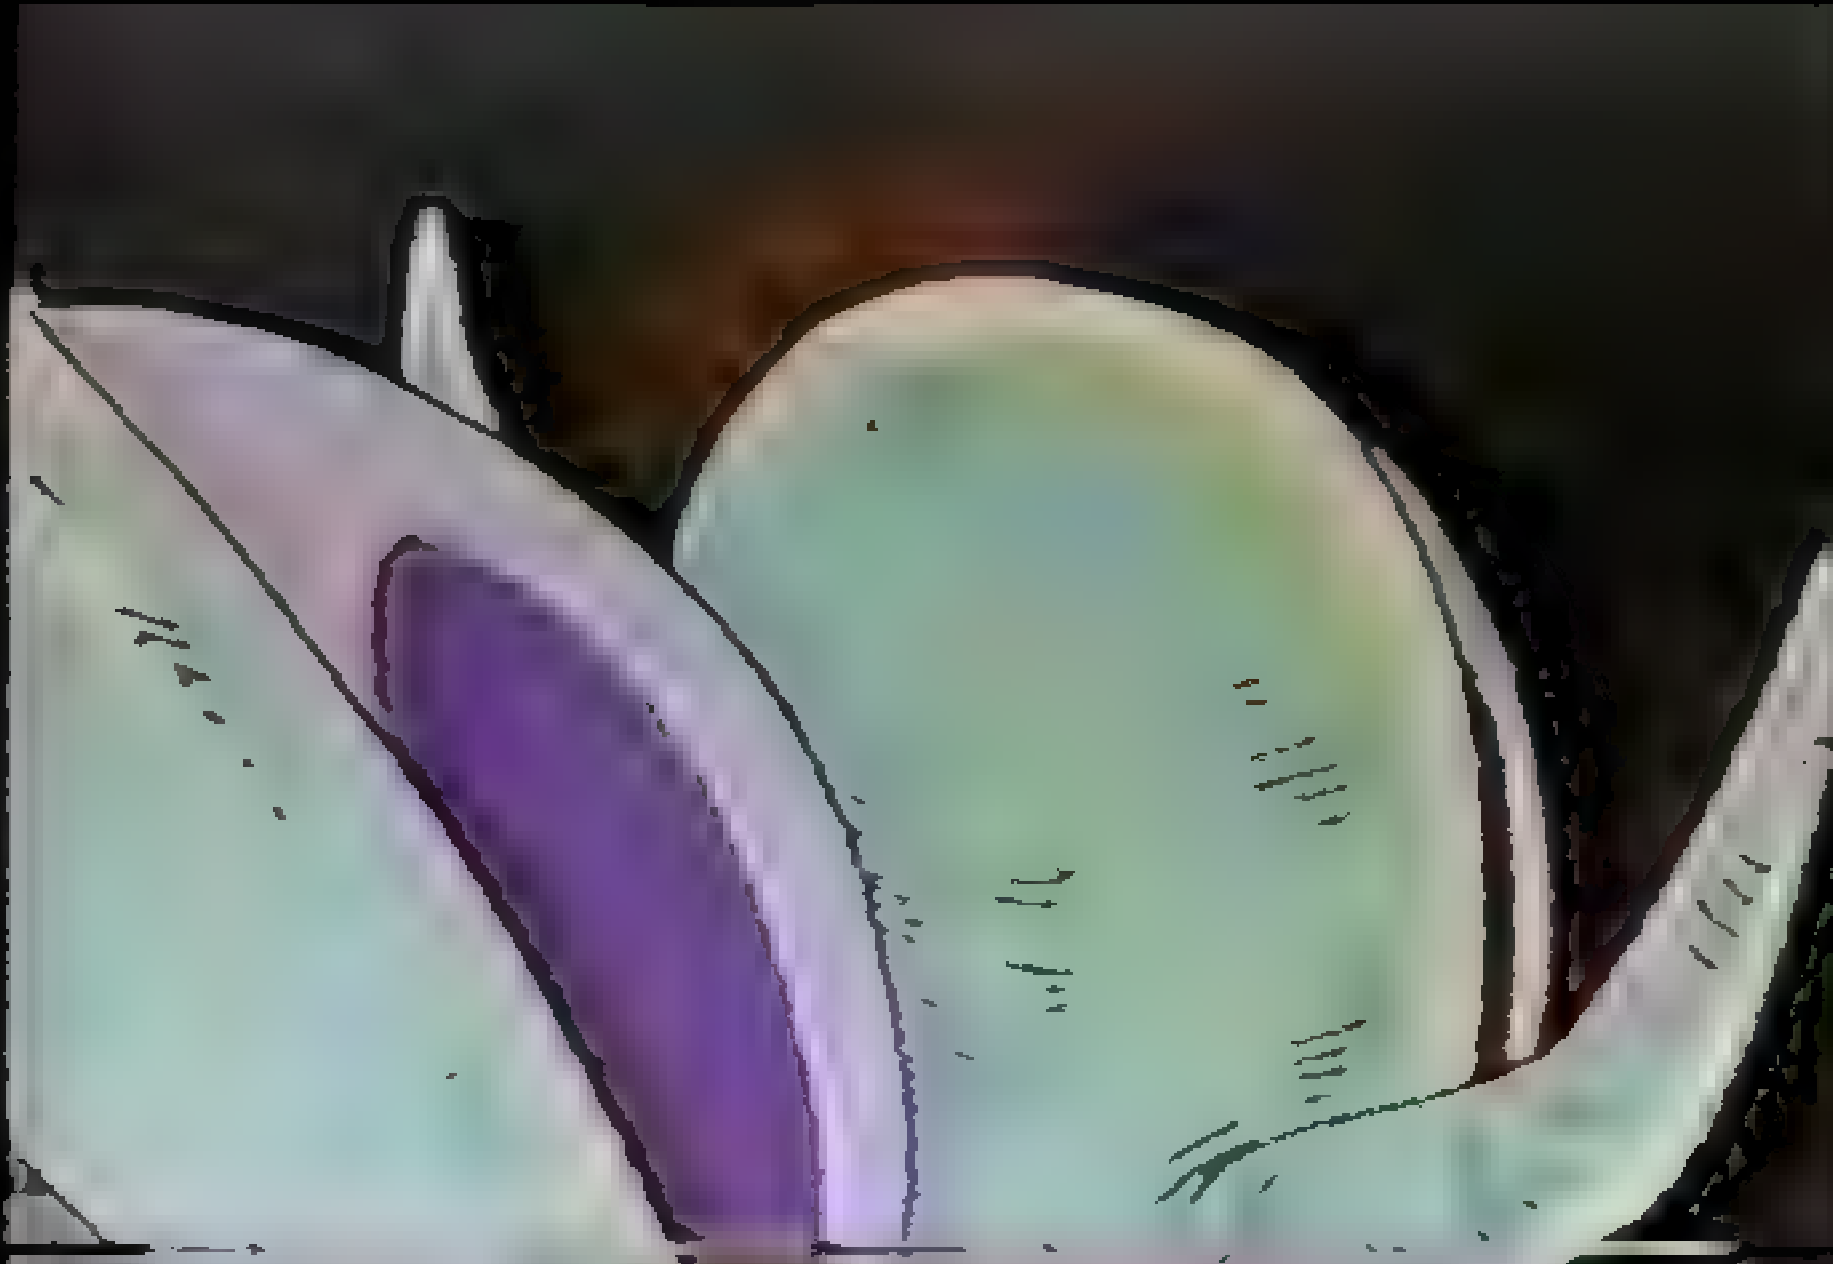

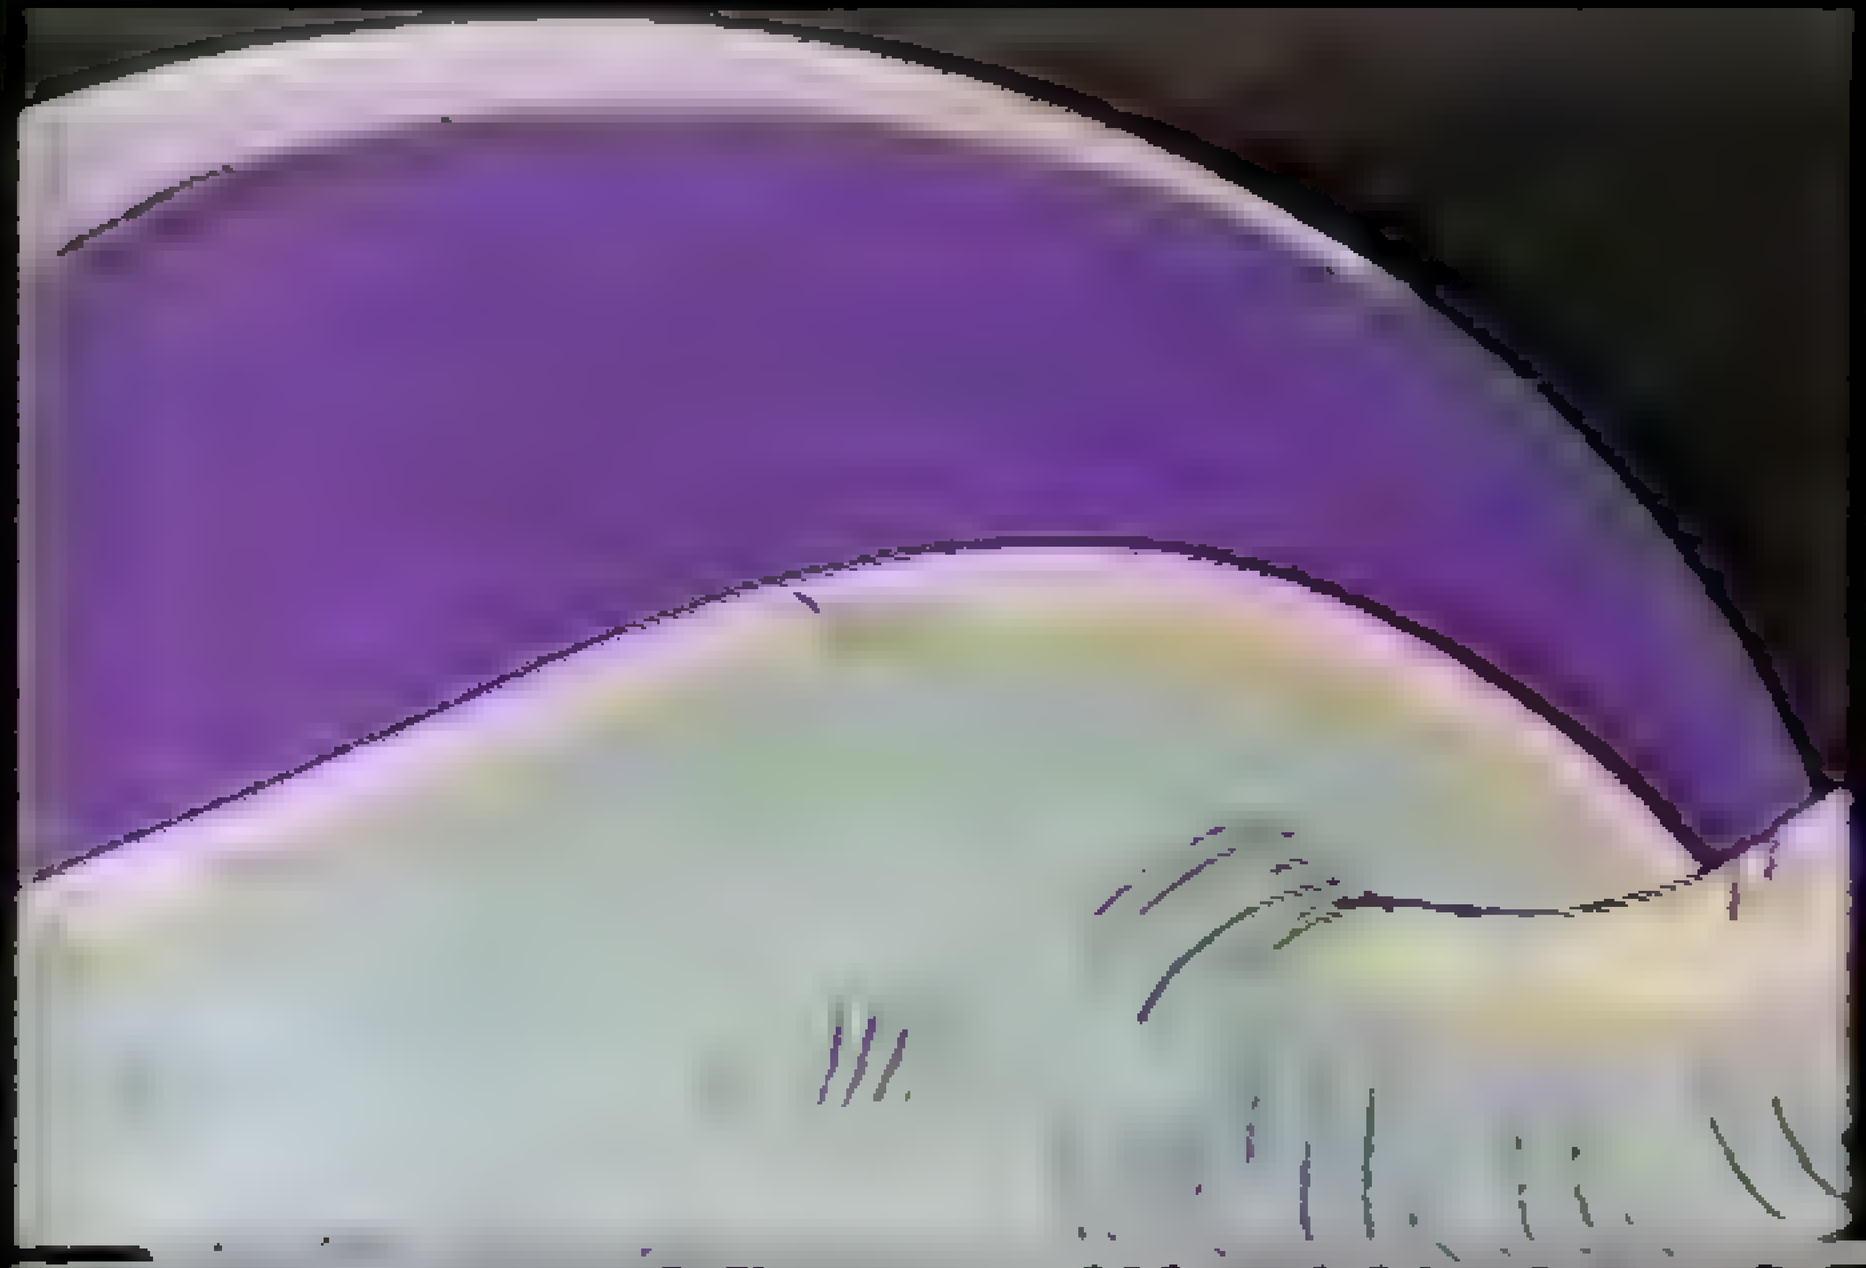

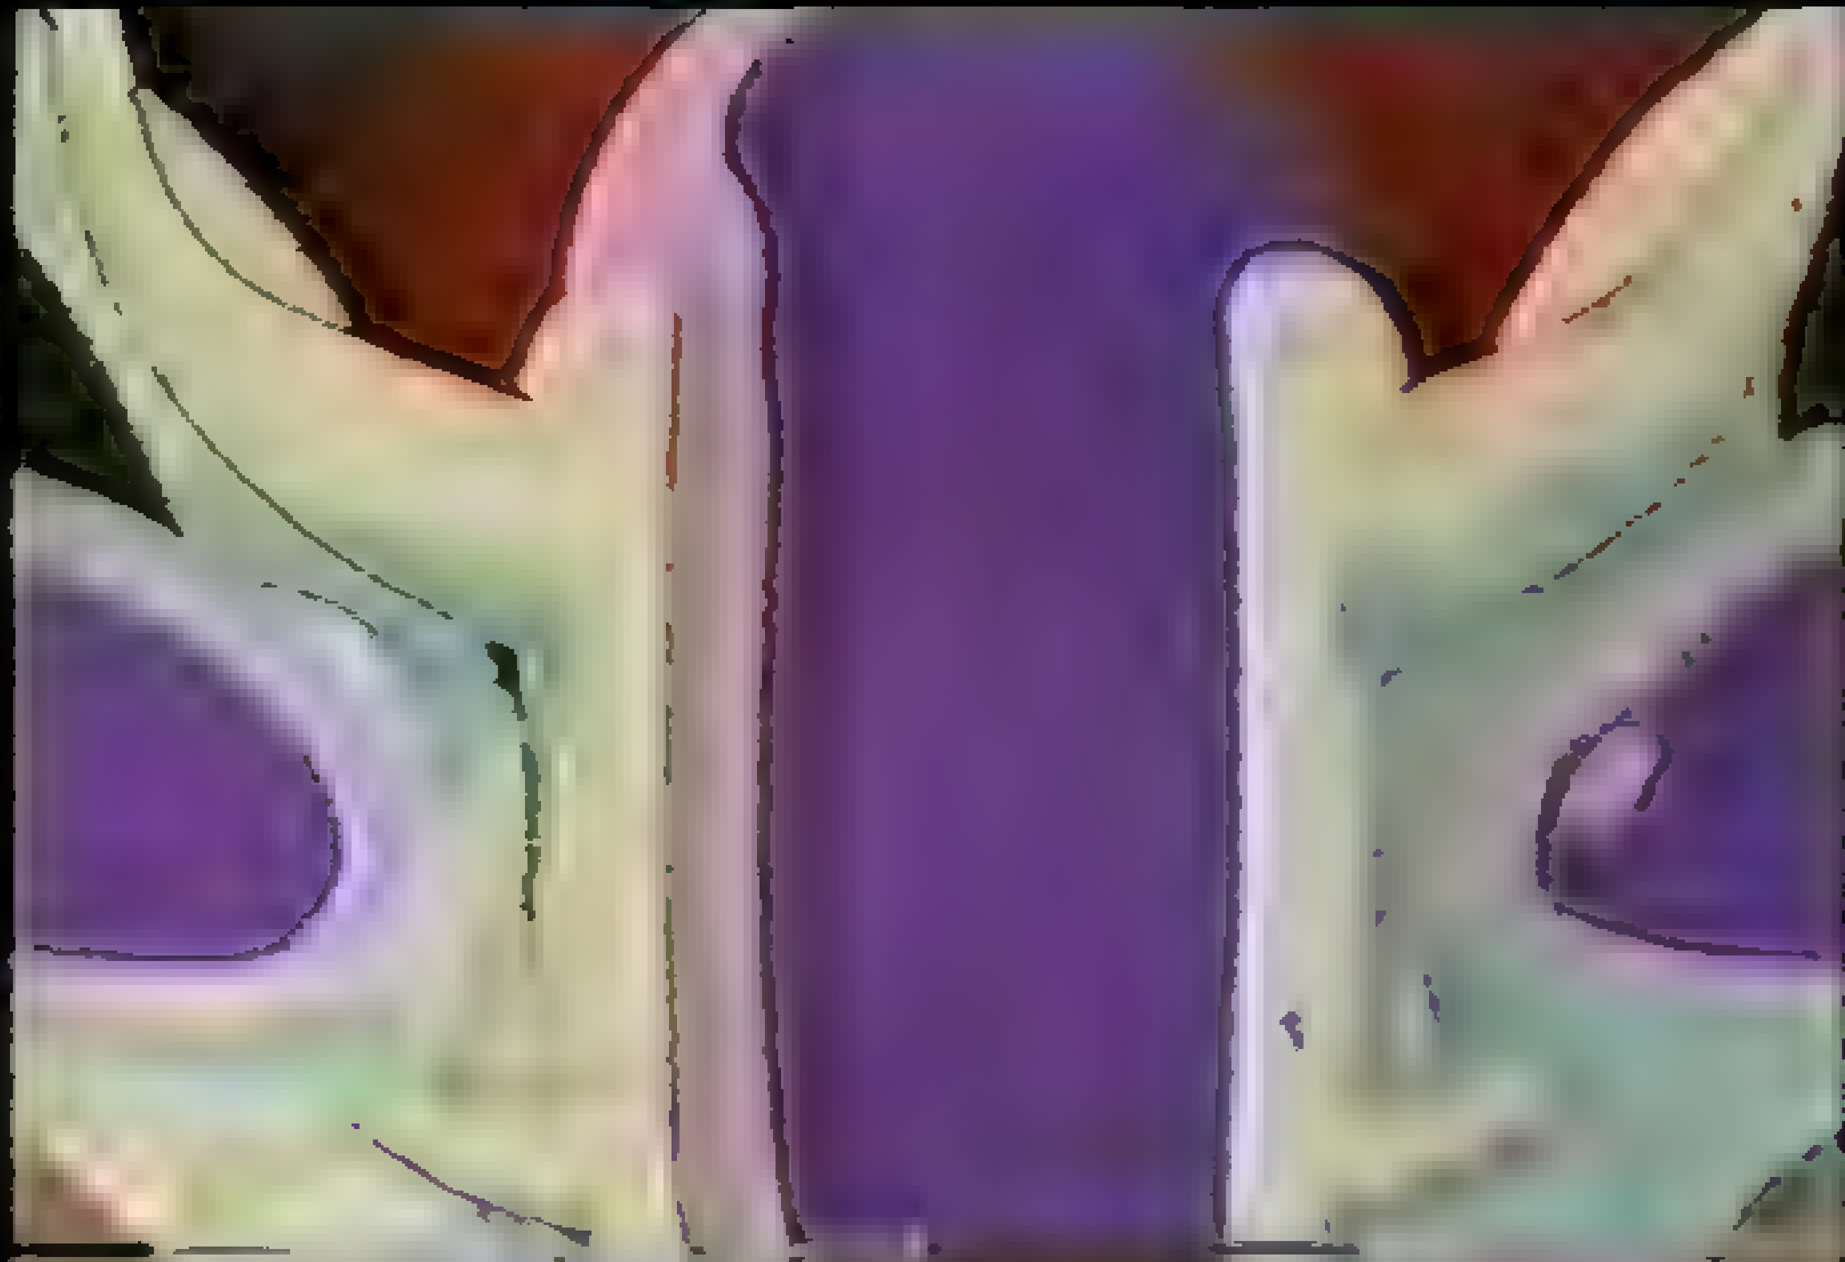

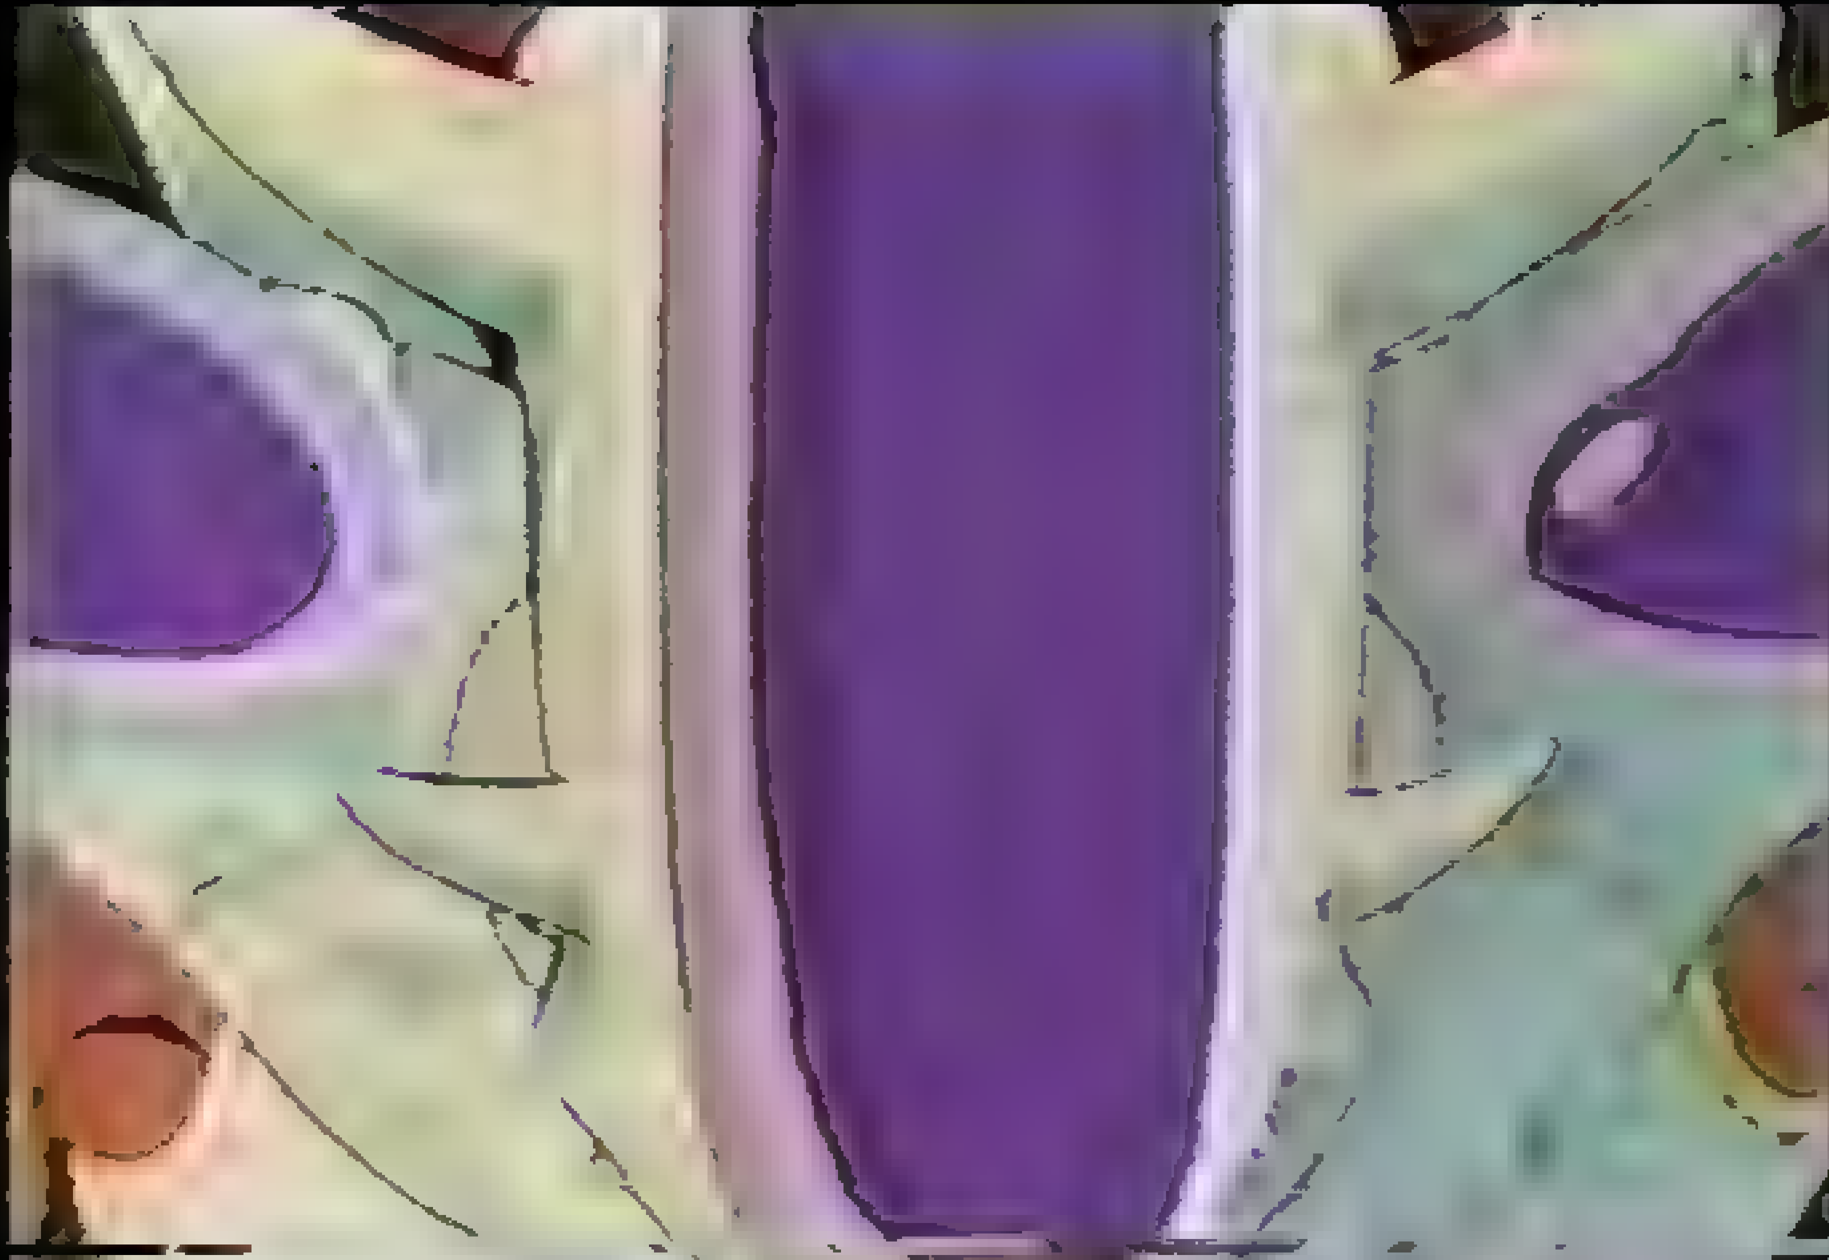

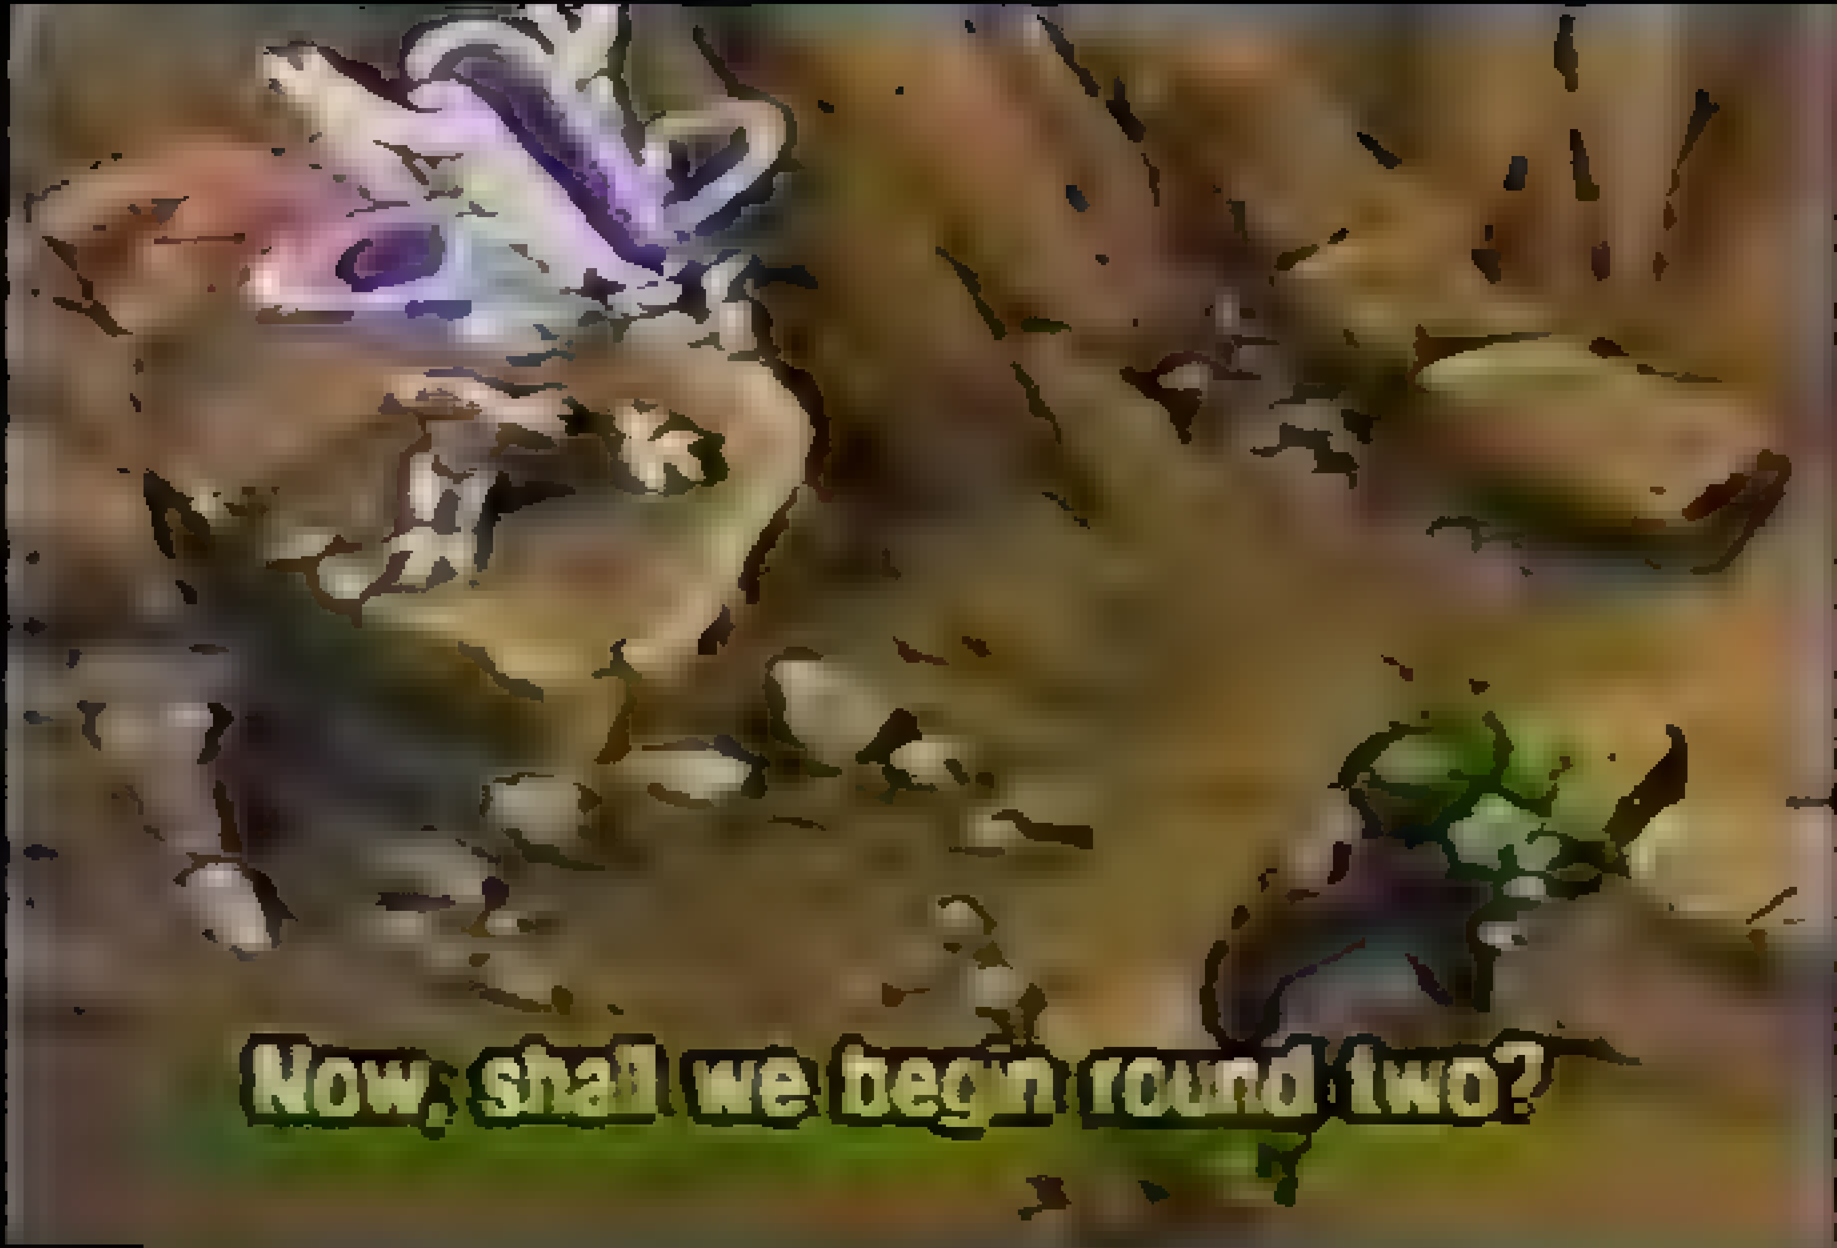

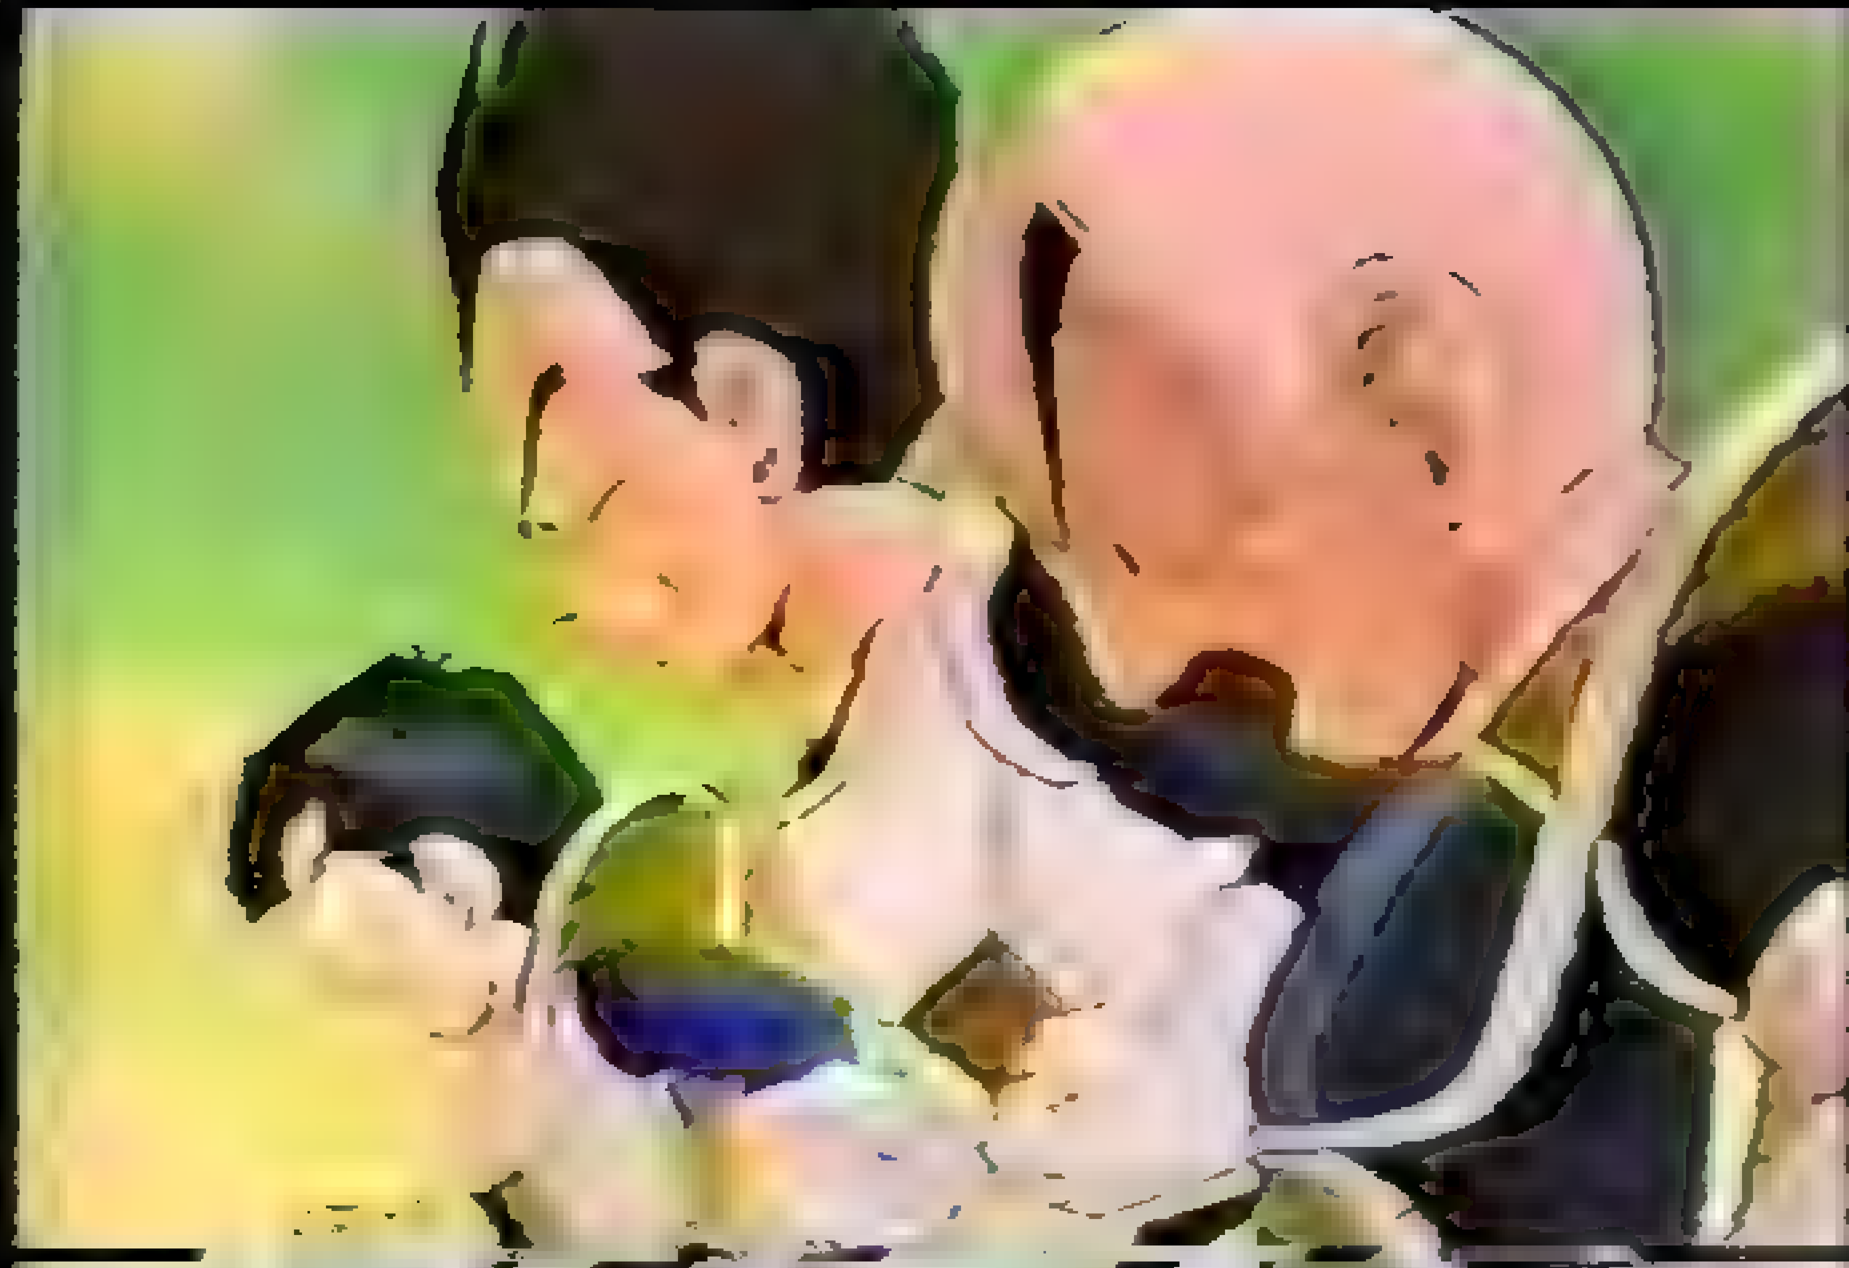

Thank you for waiting

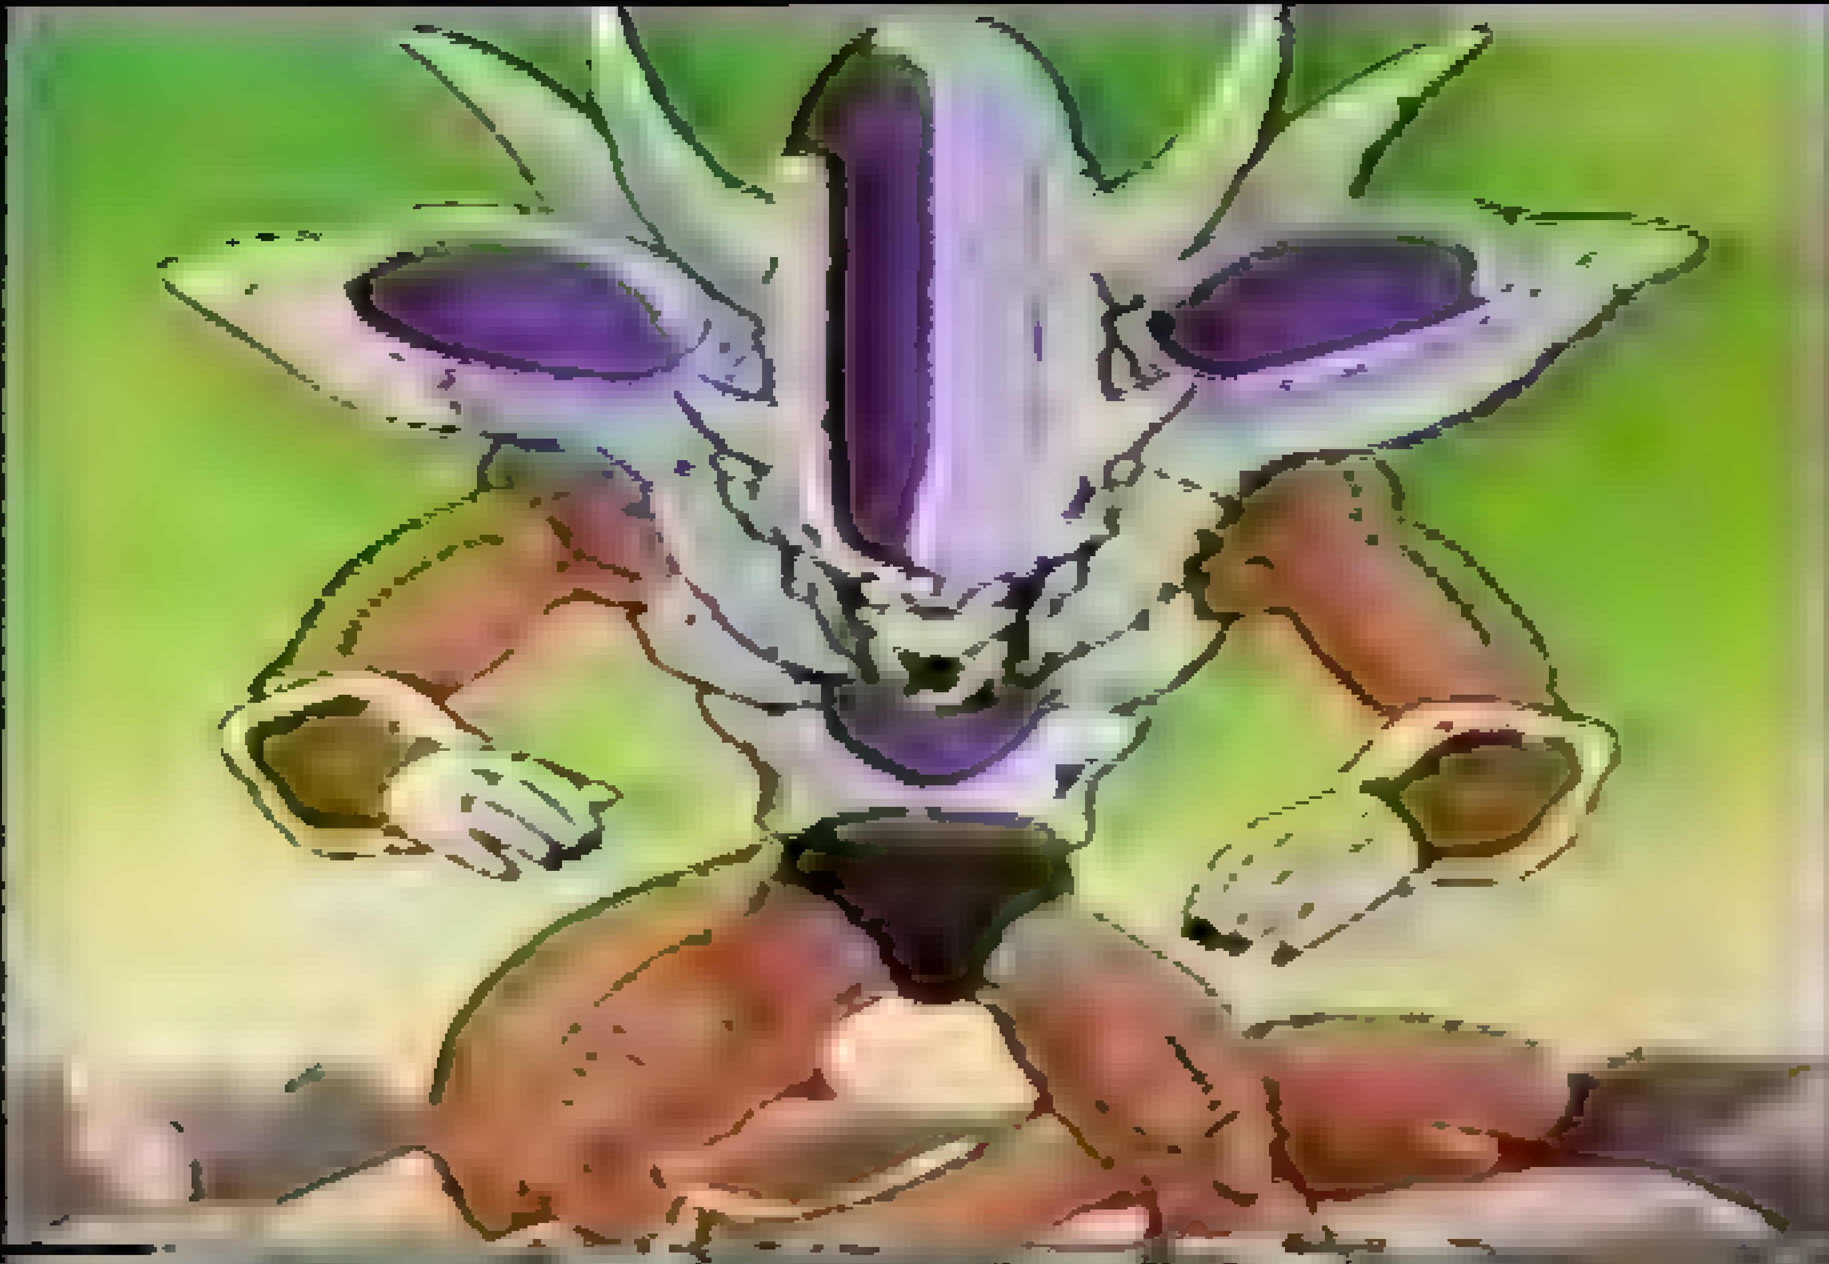

Now, shall we begin round two?

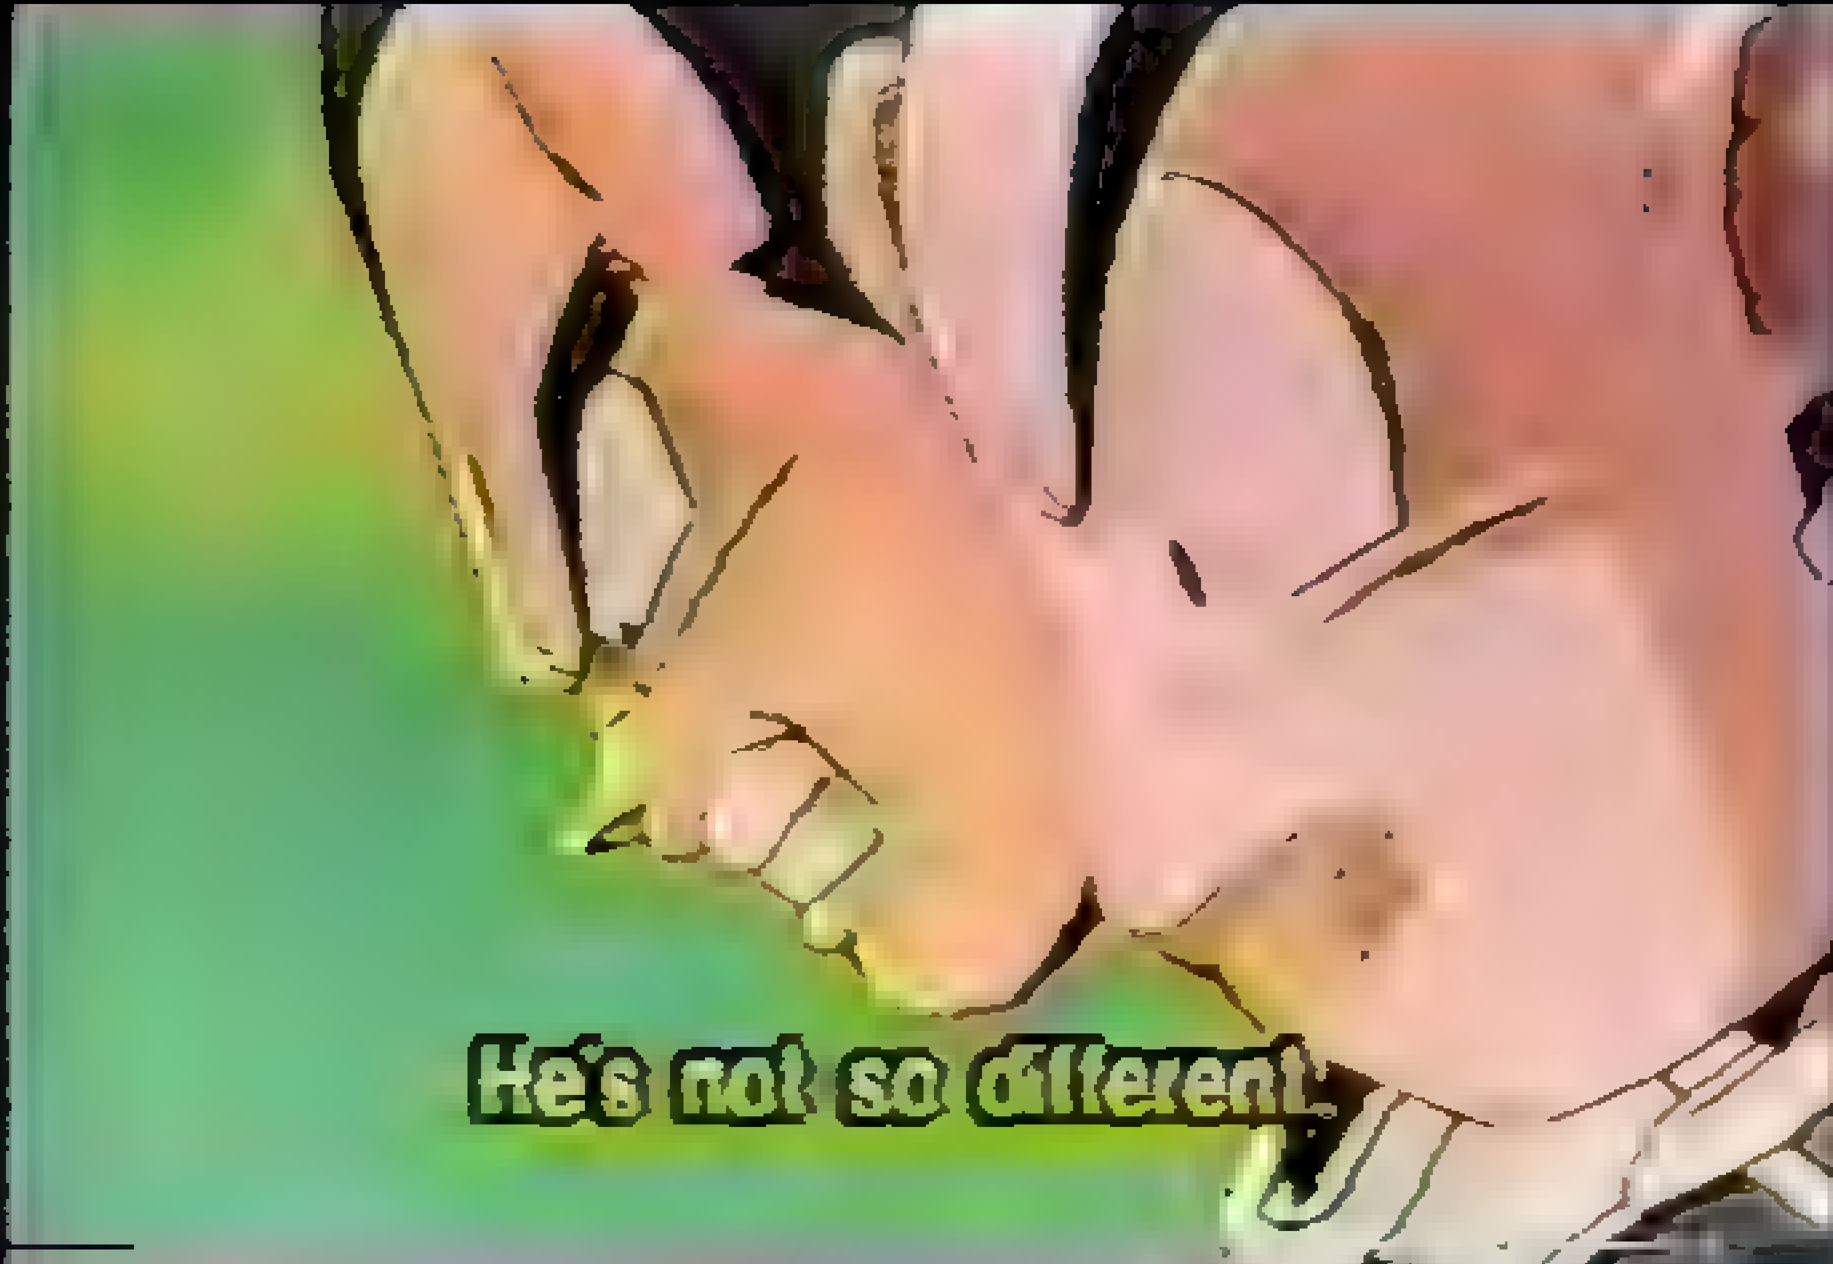

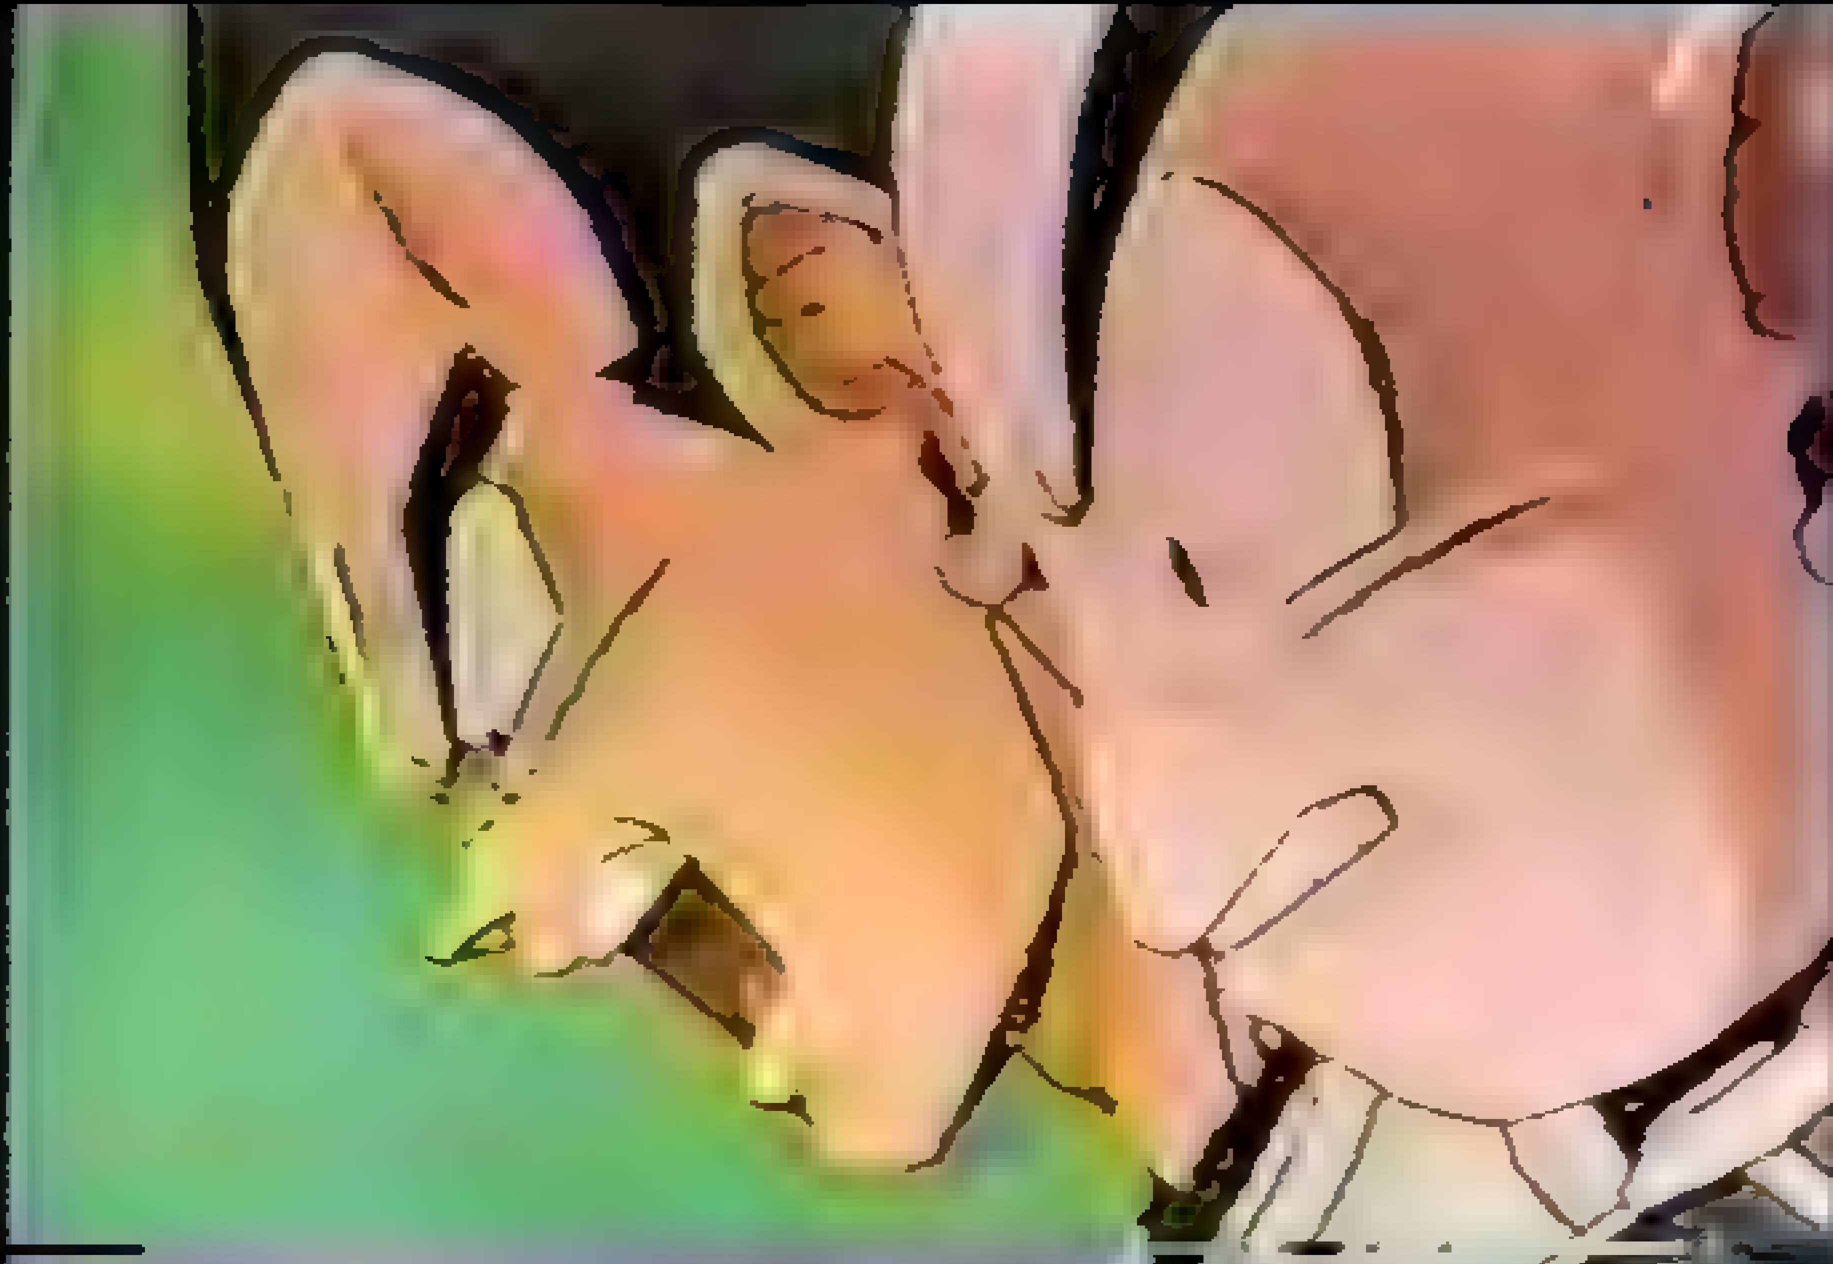

He's not so different.

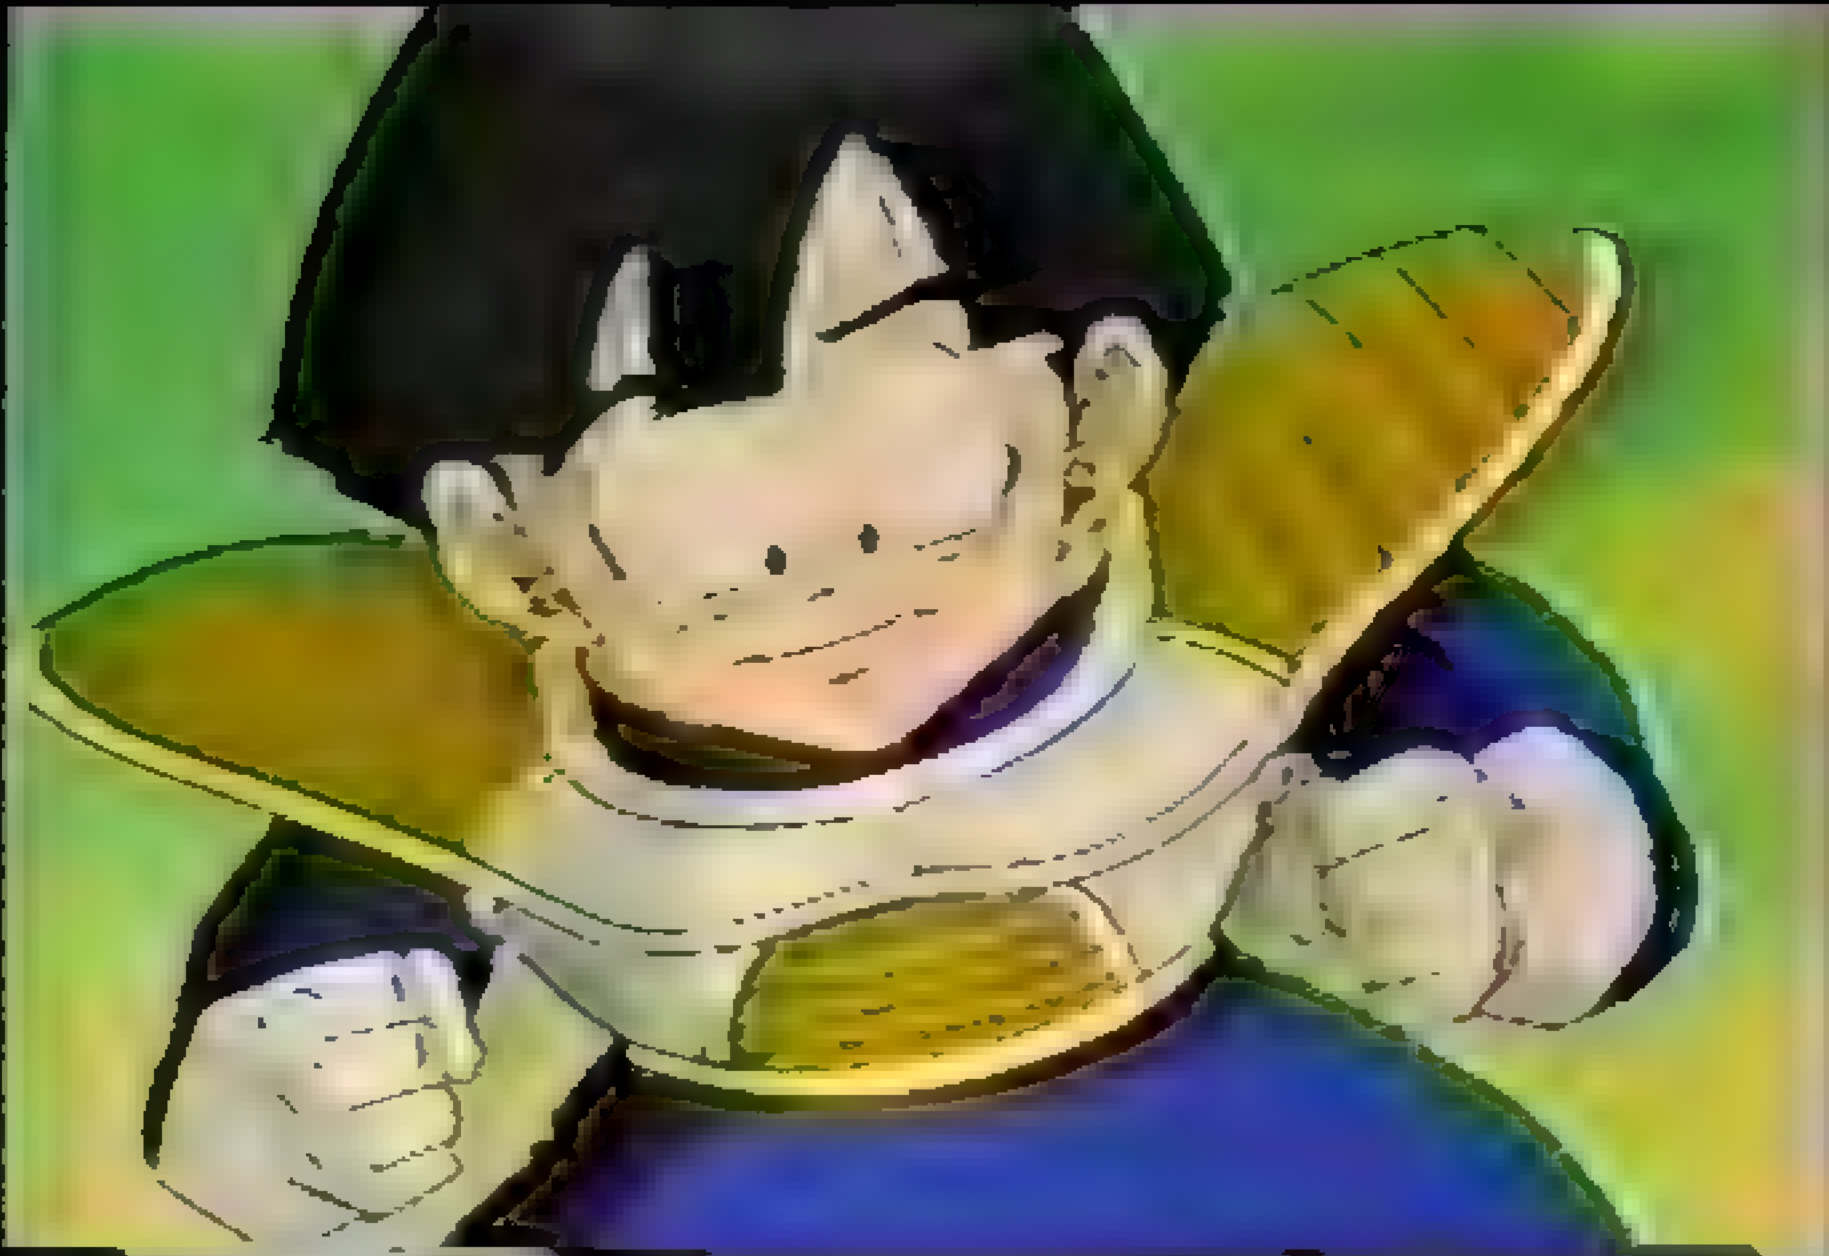

You idiot!
Try sensing his power!

And he's totally calm
and confident again!

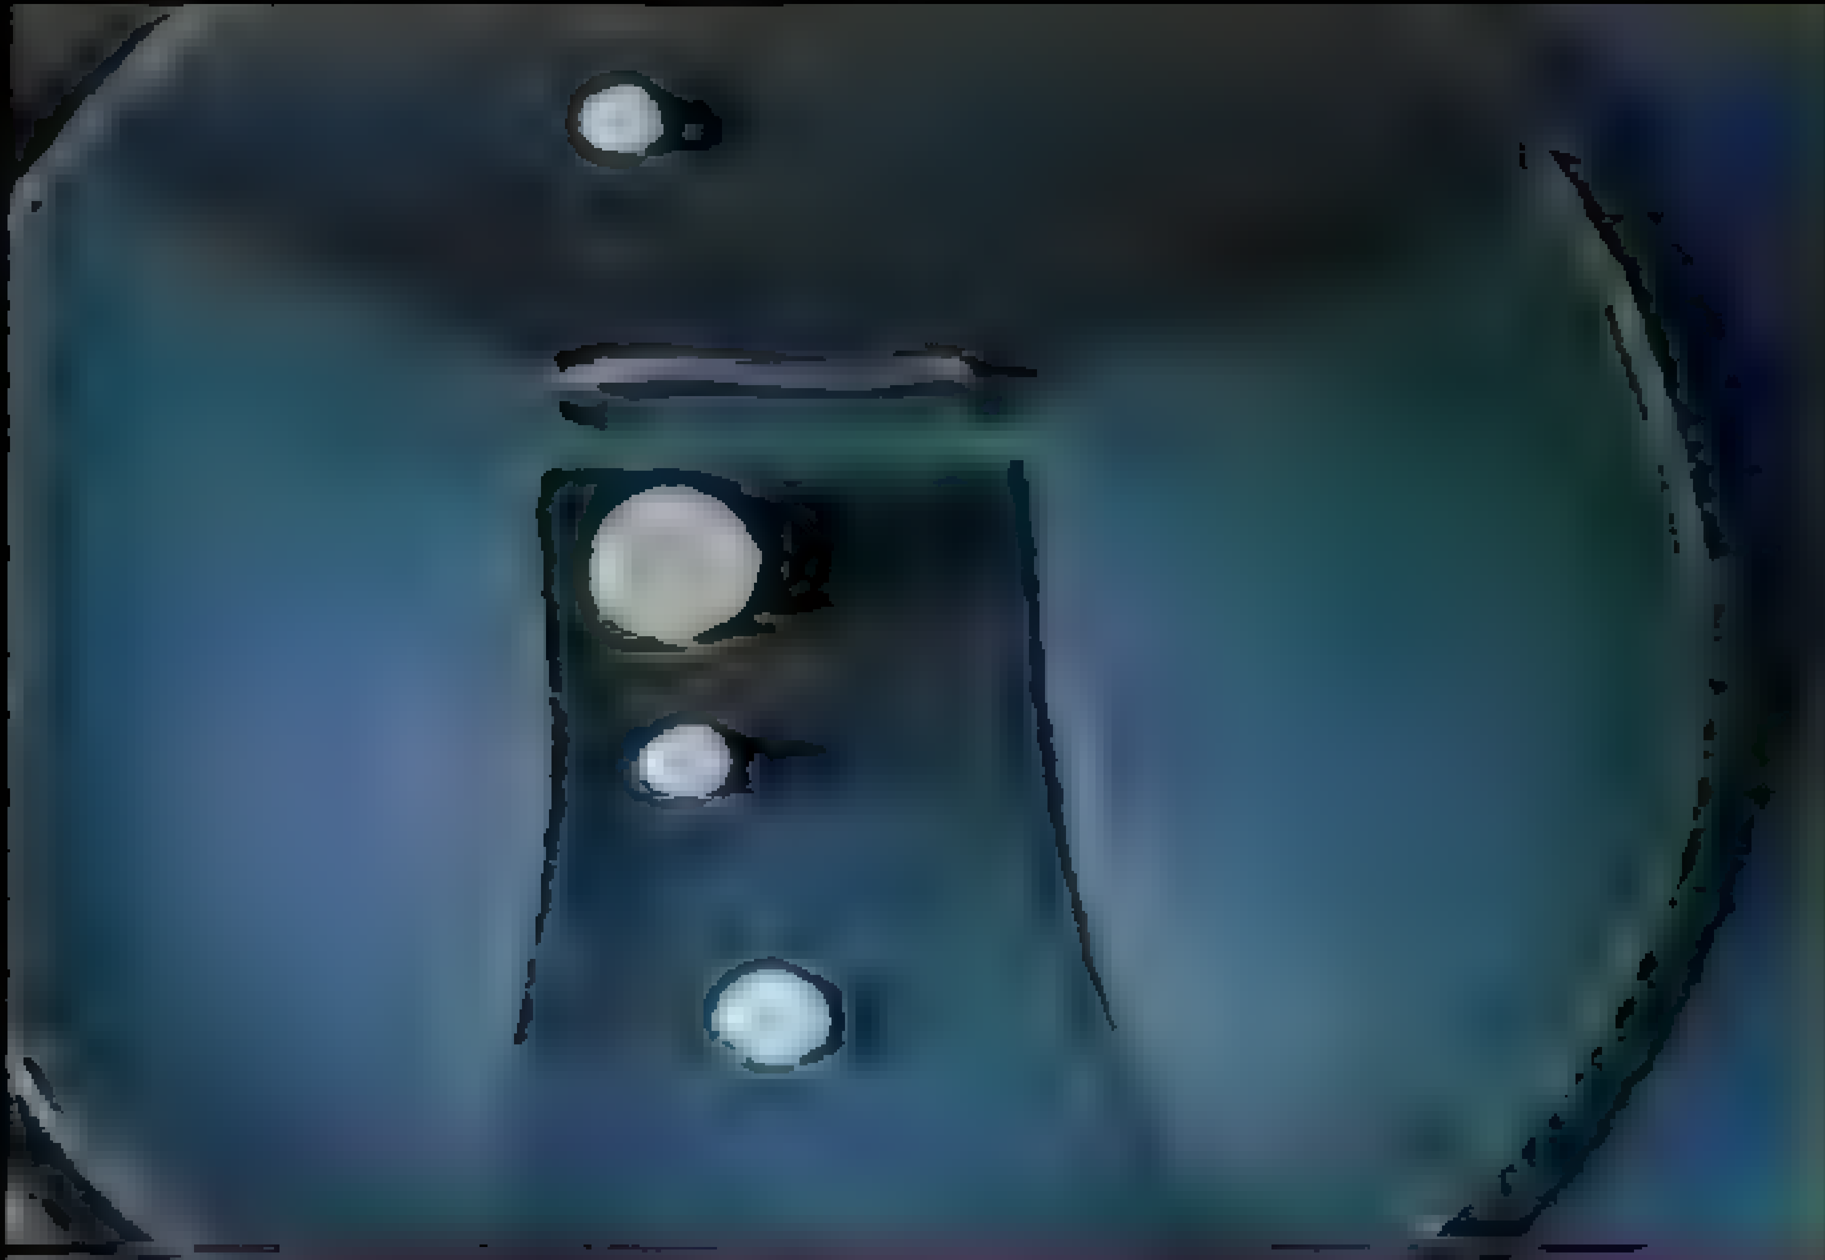

And he's totally calm
and confident again!

And he's totally calm
and confident again!

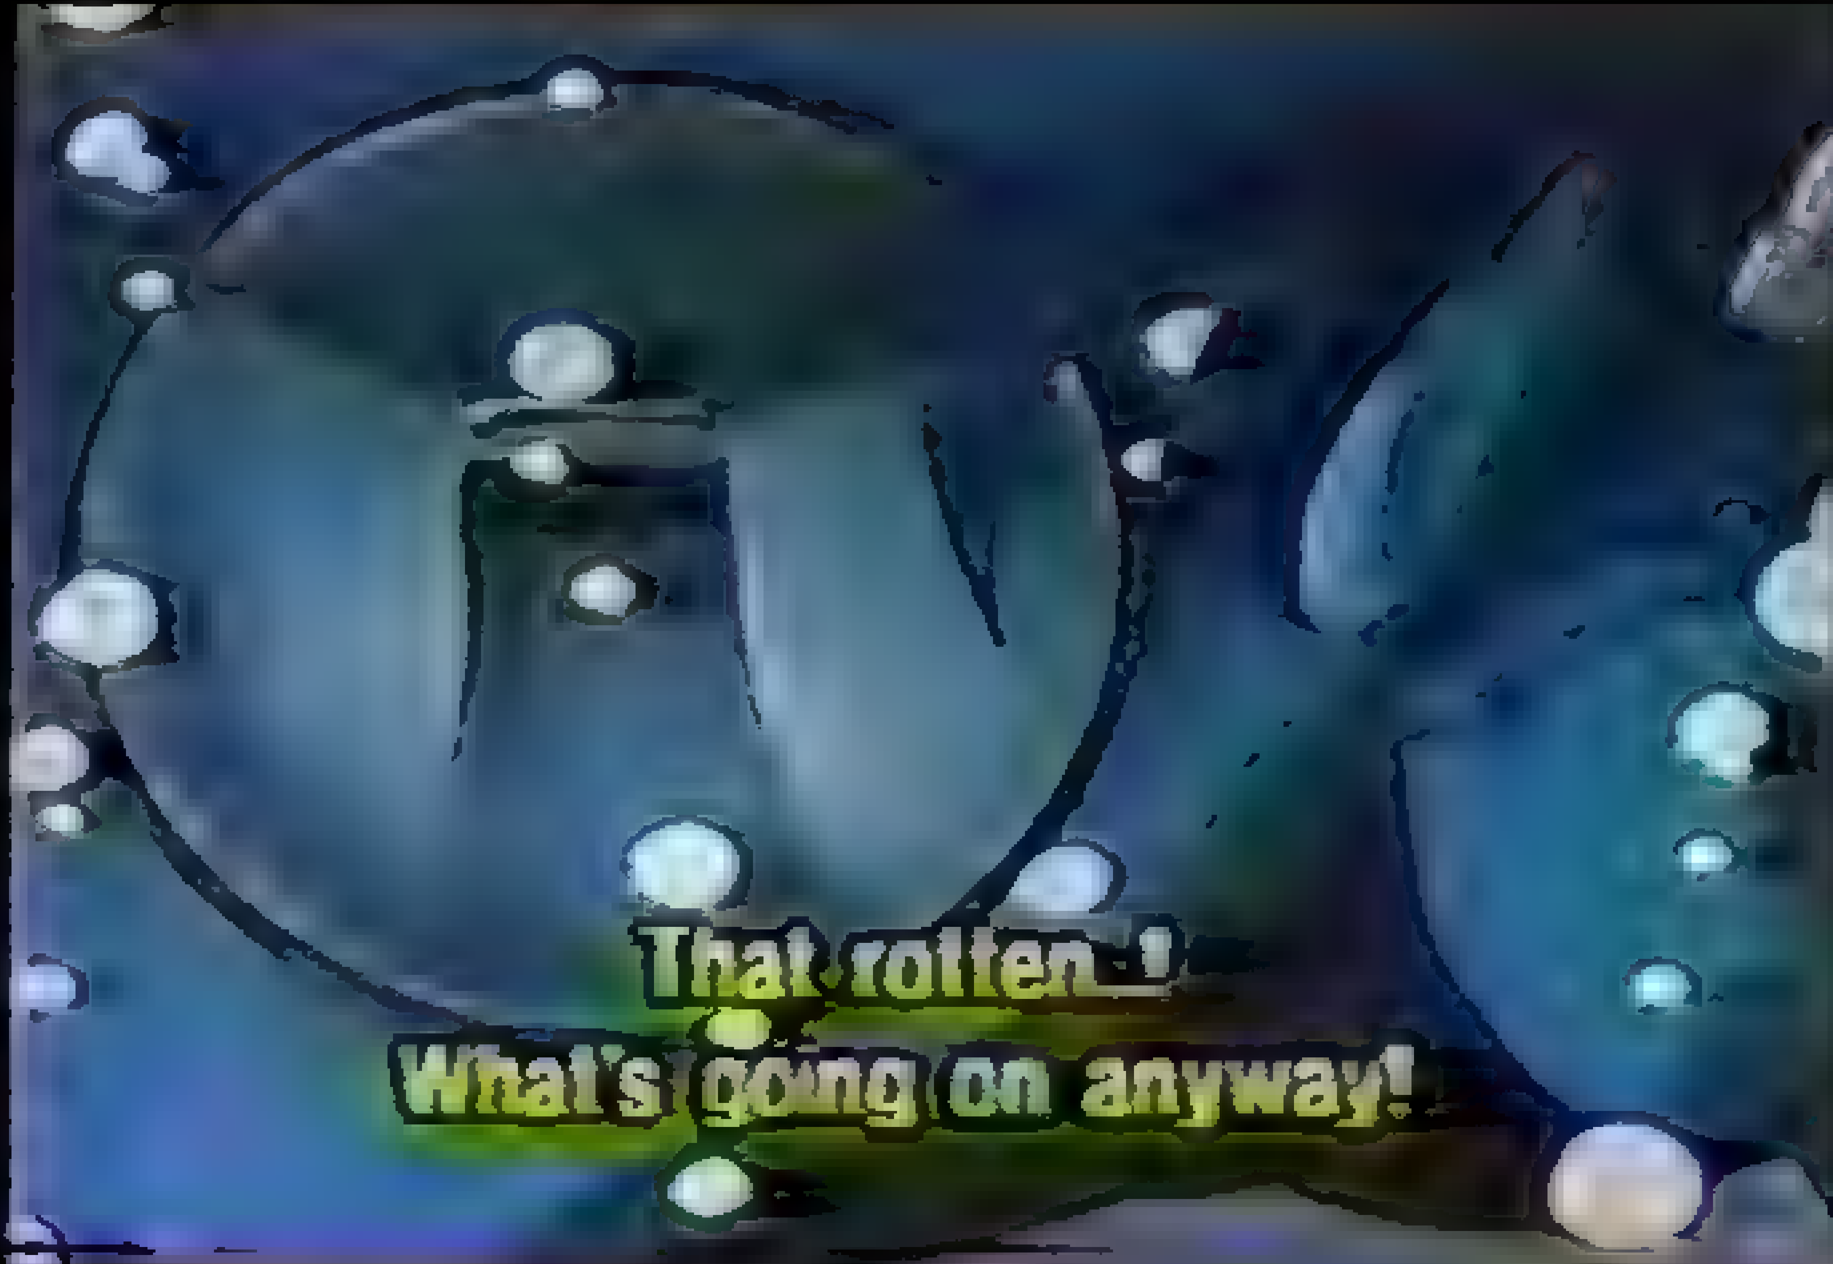

All the injuries Piccolo
gave him are gone, too.

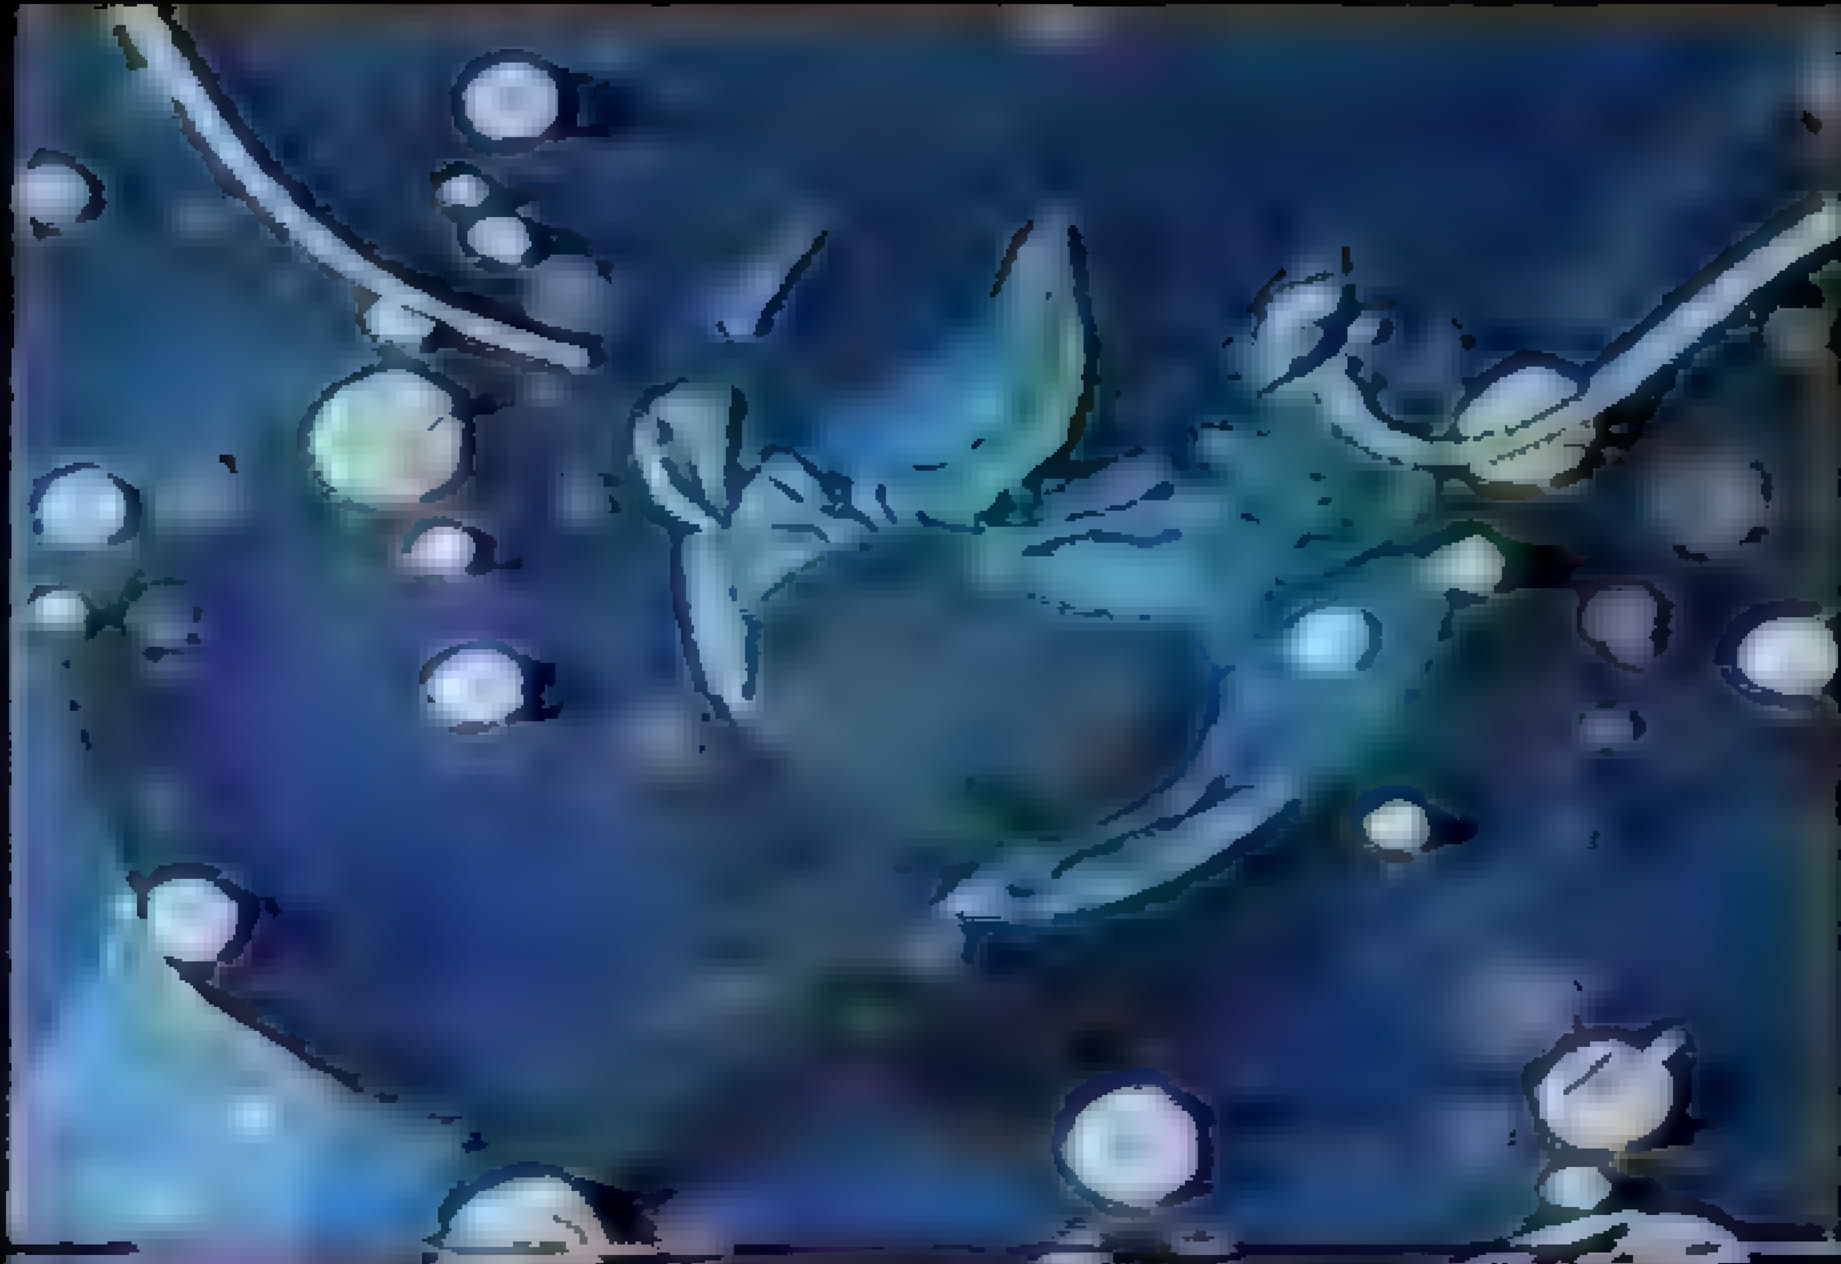

All the injuries Piccolo
gave him are gone, too.

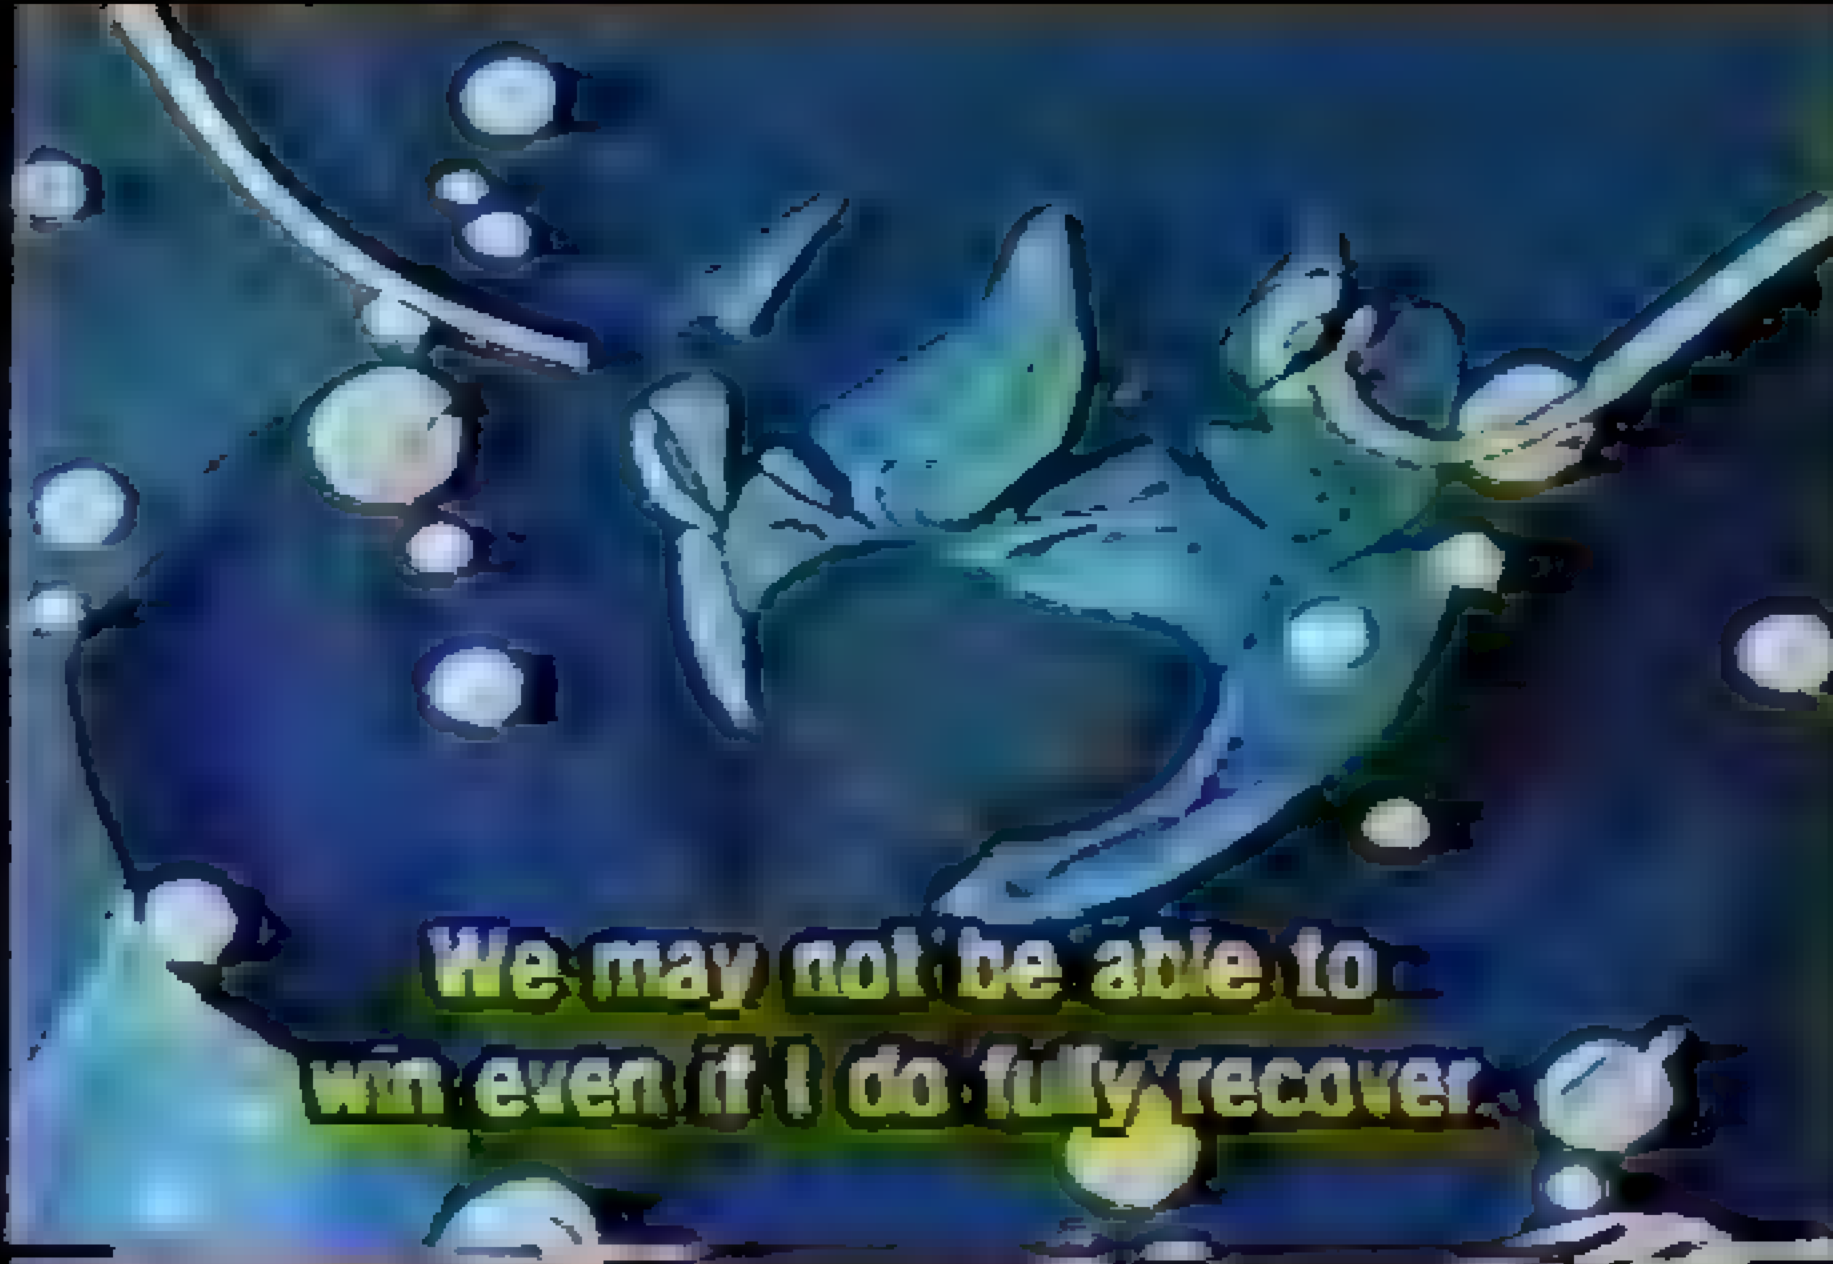

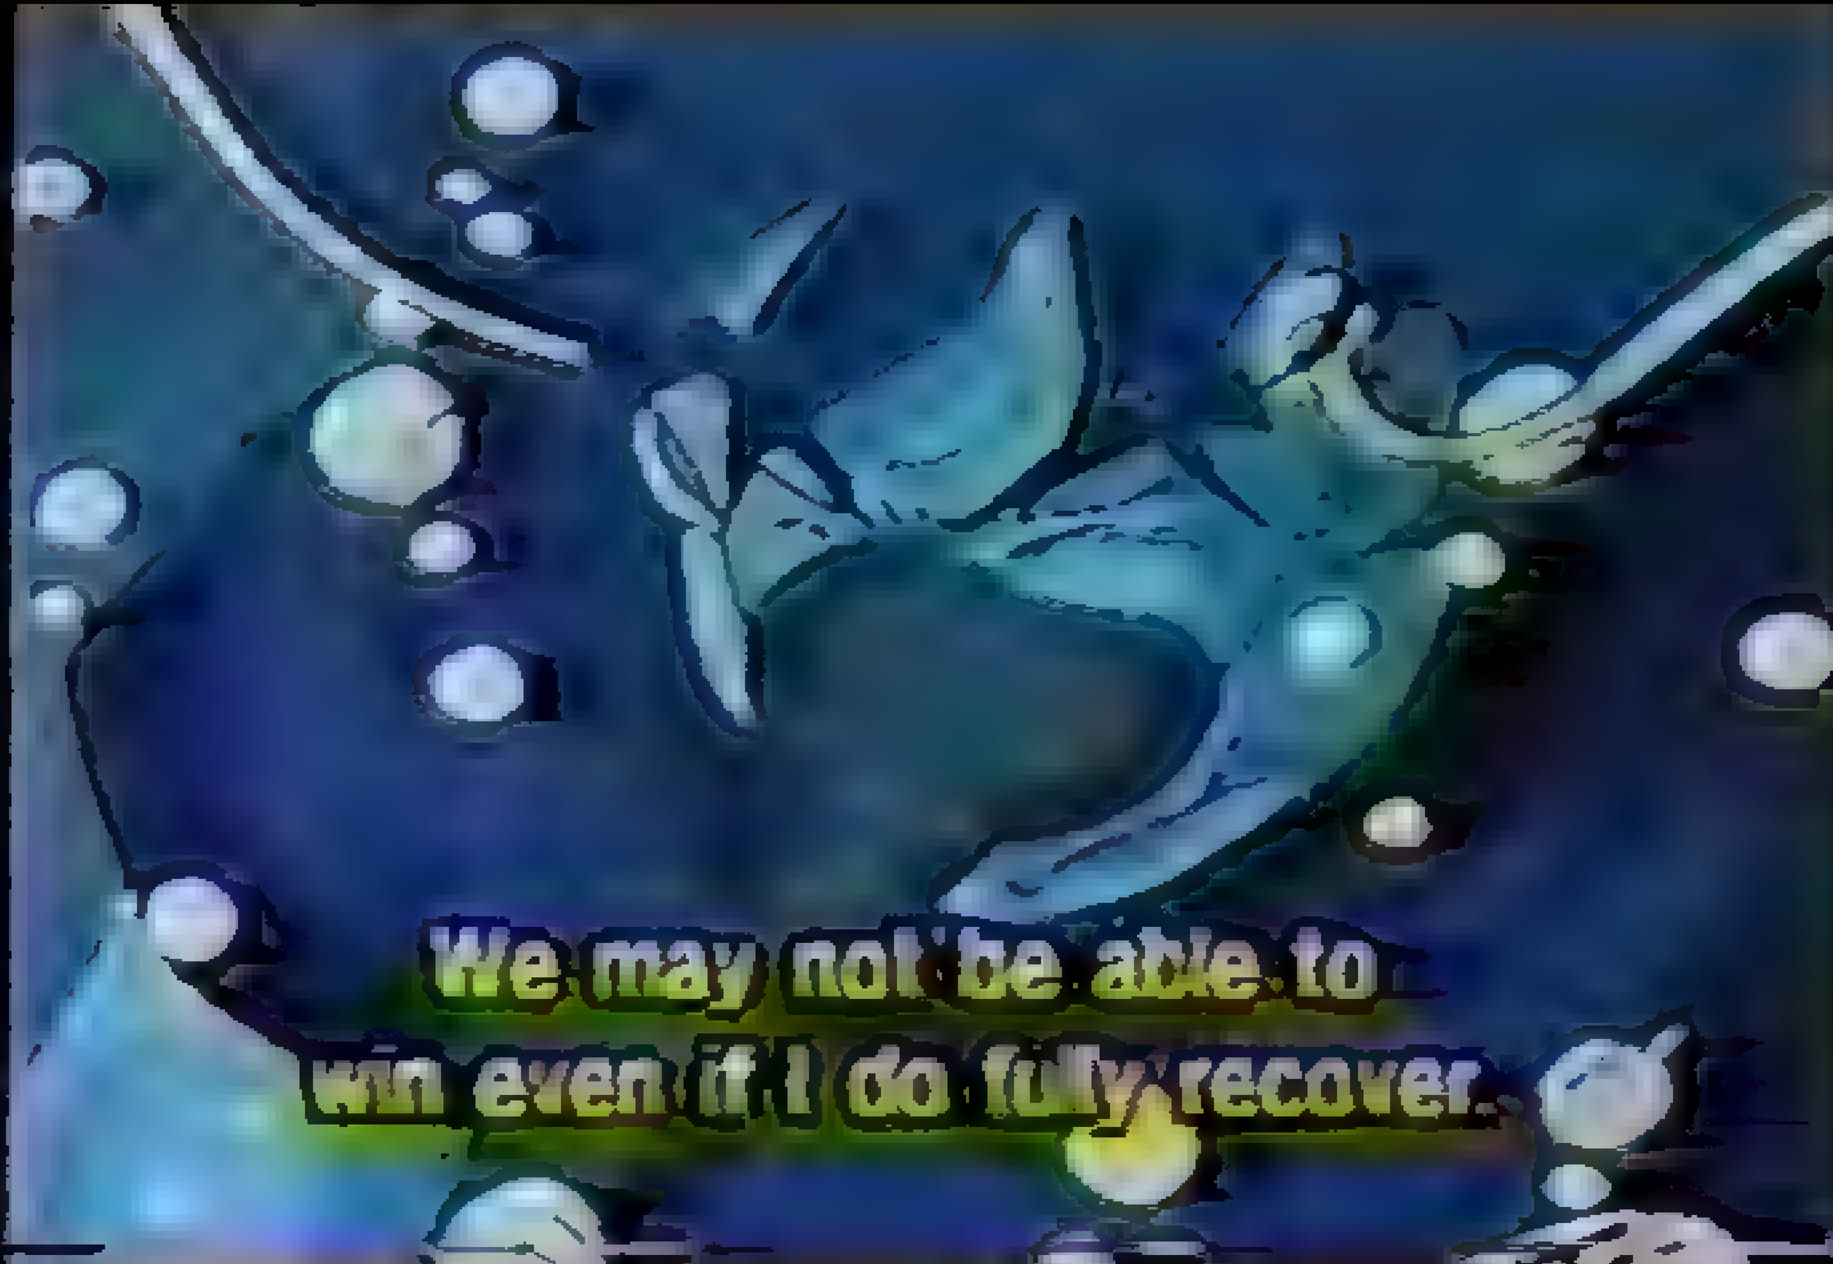

That rotten...!
What's going on anyway!

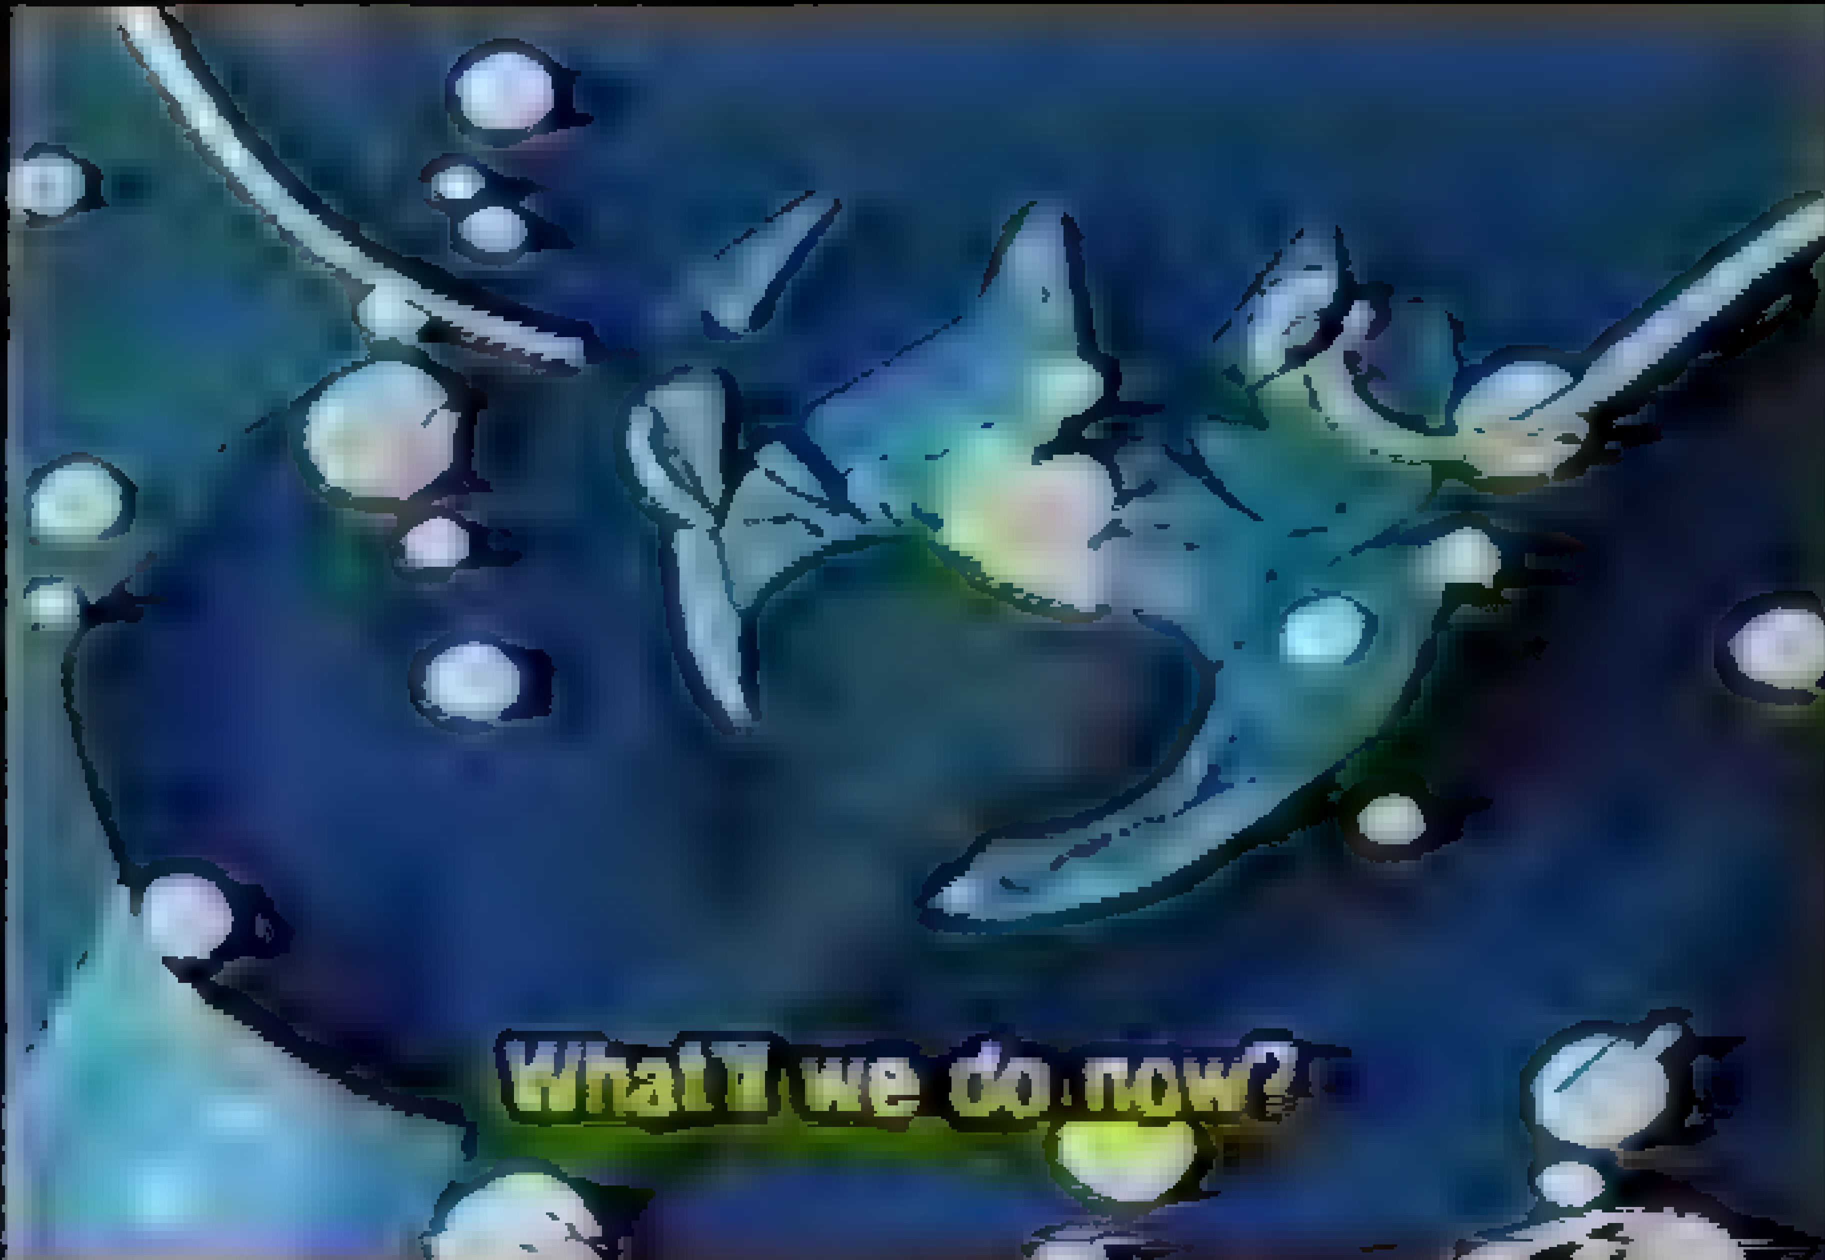

That rotten...!
What's going on anyway!

Freezer's "ki"
got stronger again!

We may not be able to
win even if I do fully recover.

We may not be able to
win even if I do fully recover.

What'll we do now?

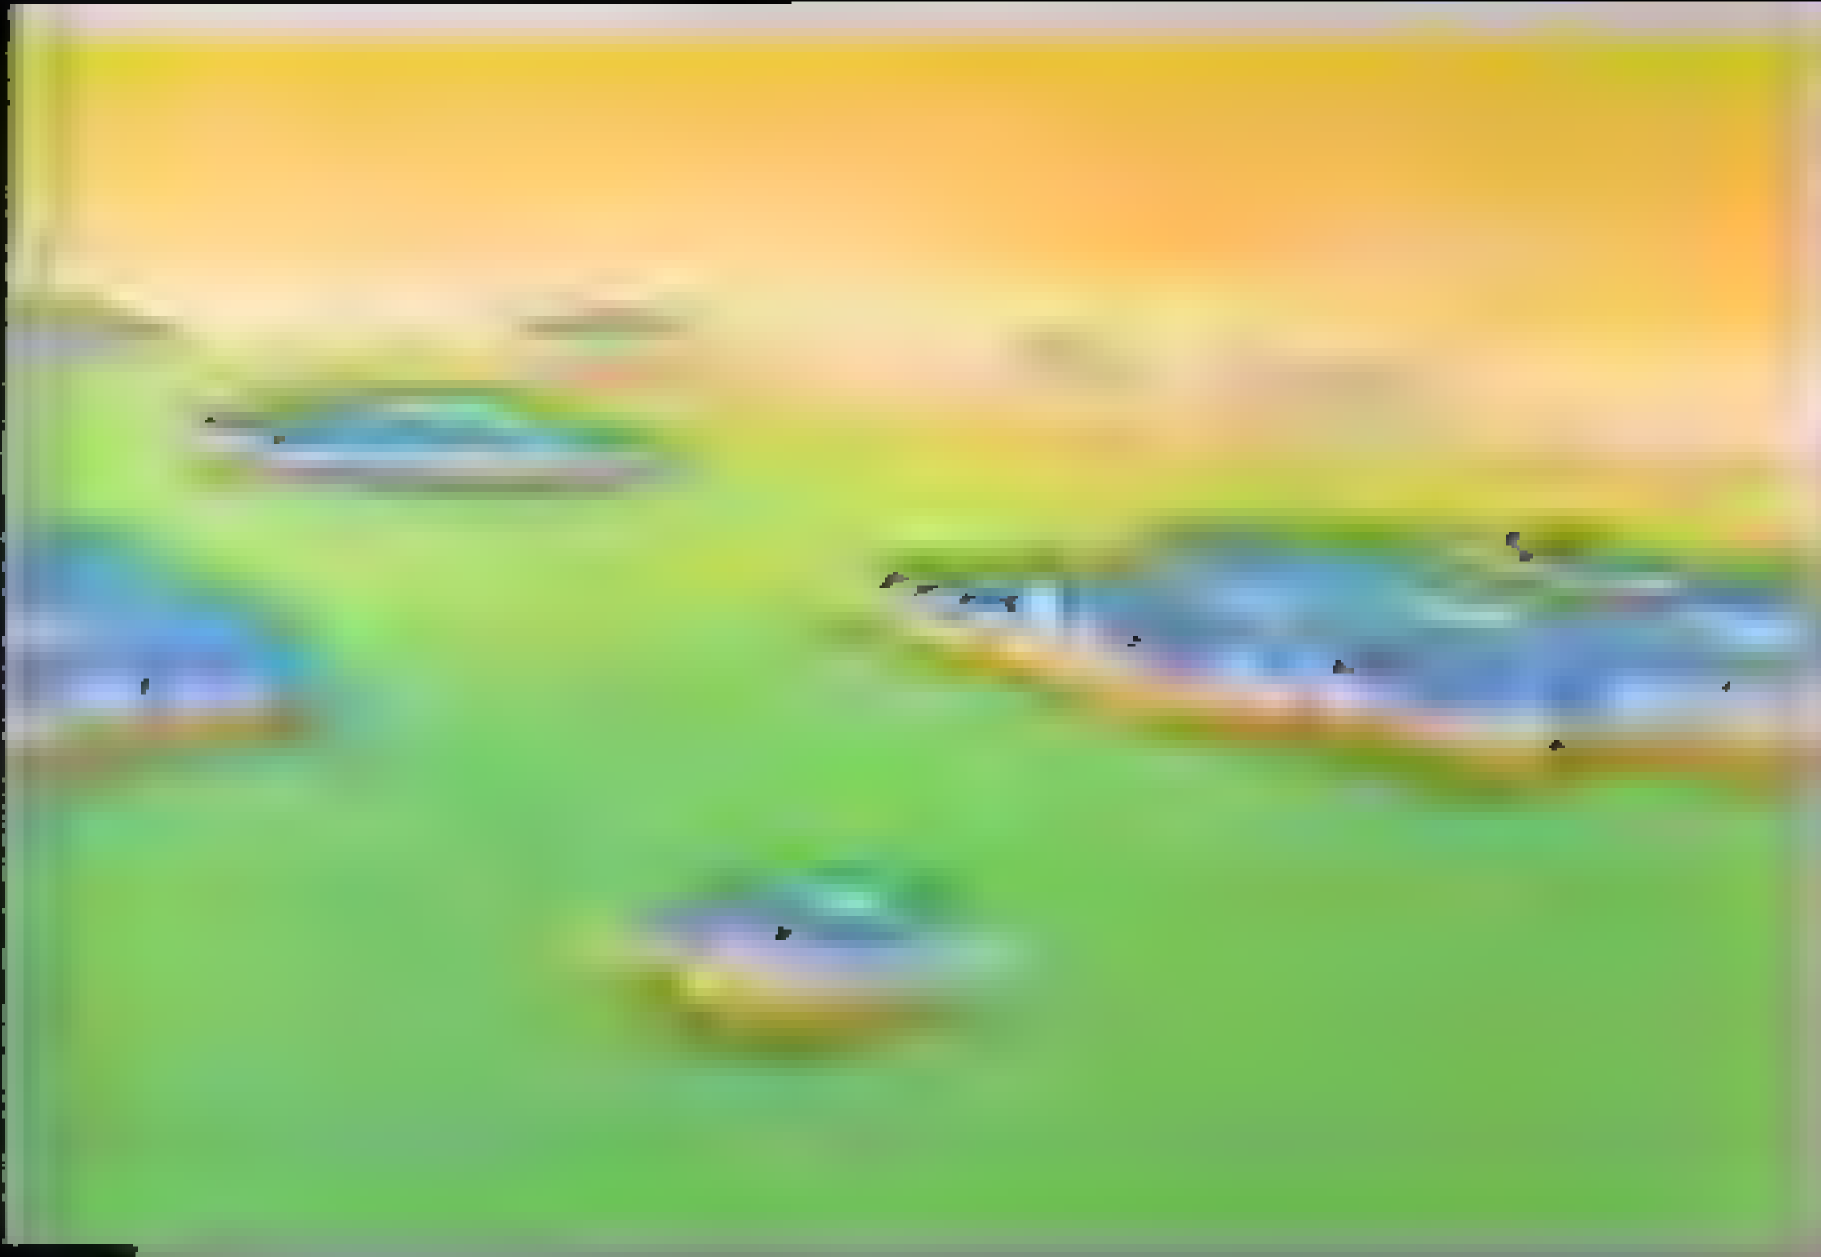

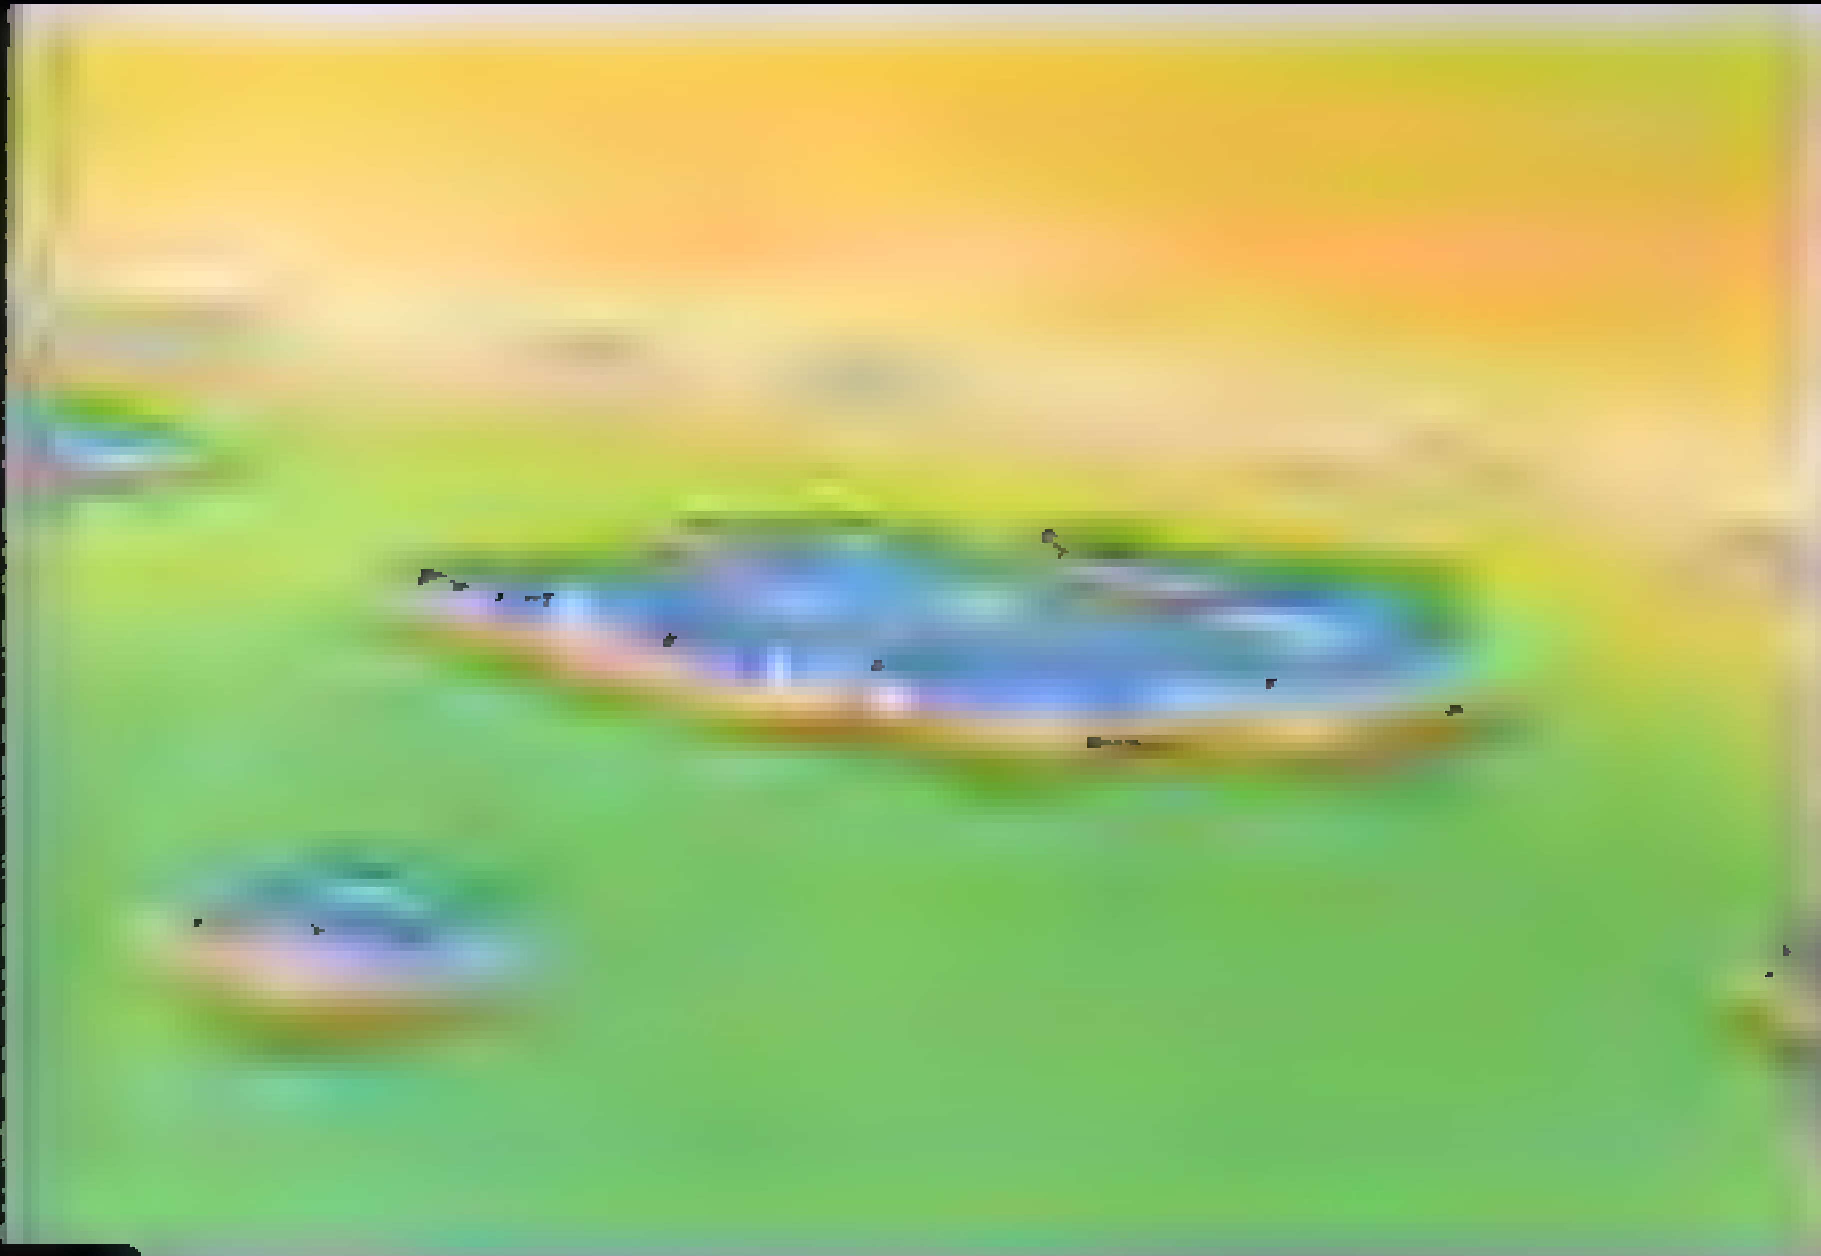

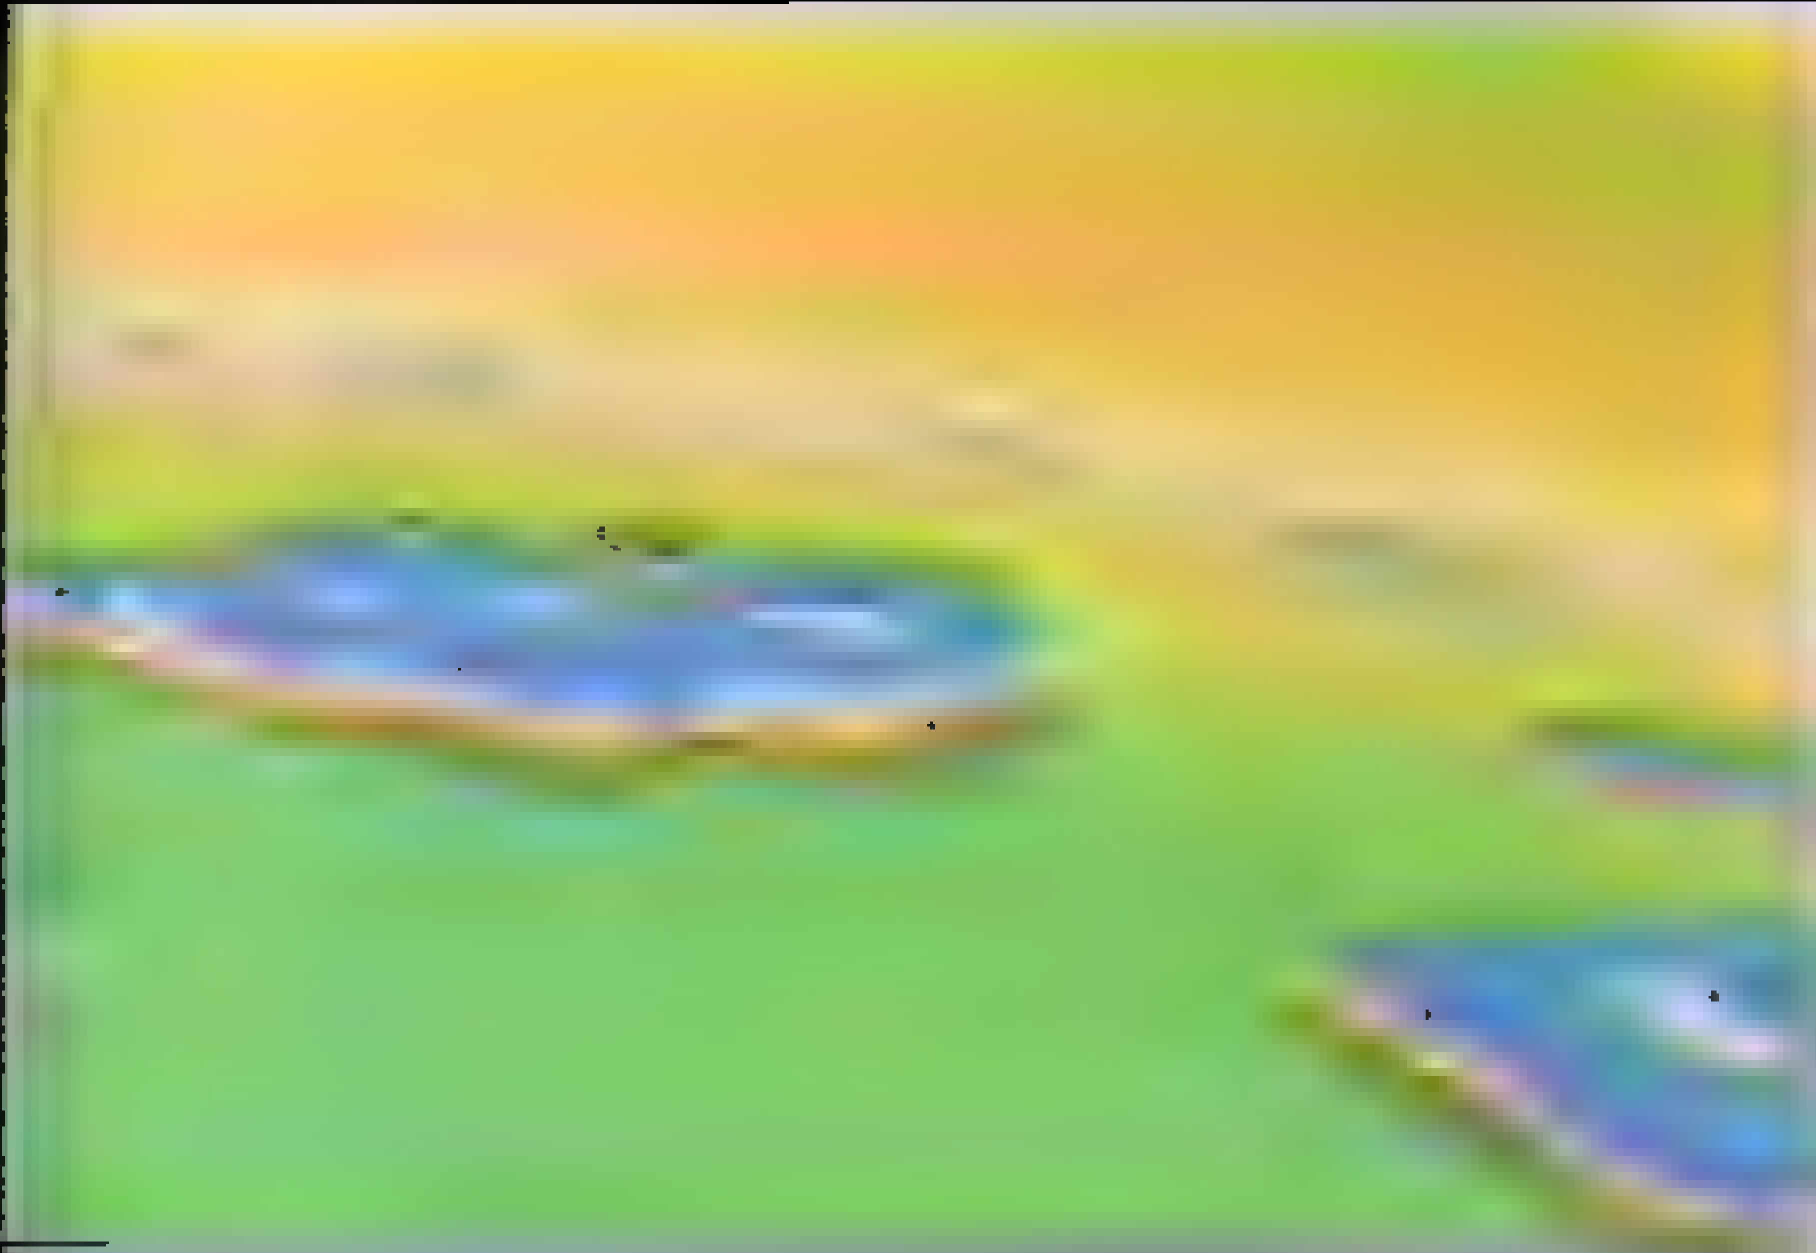

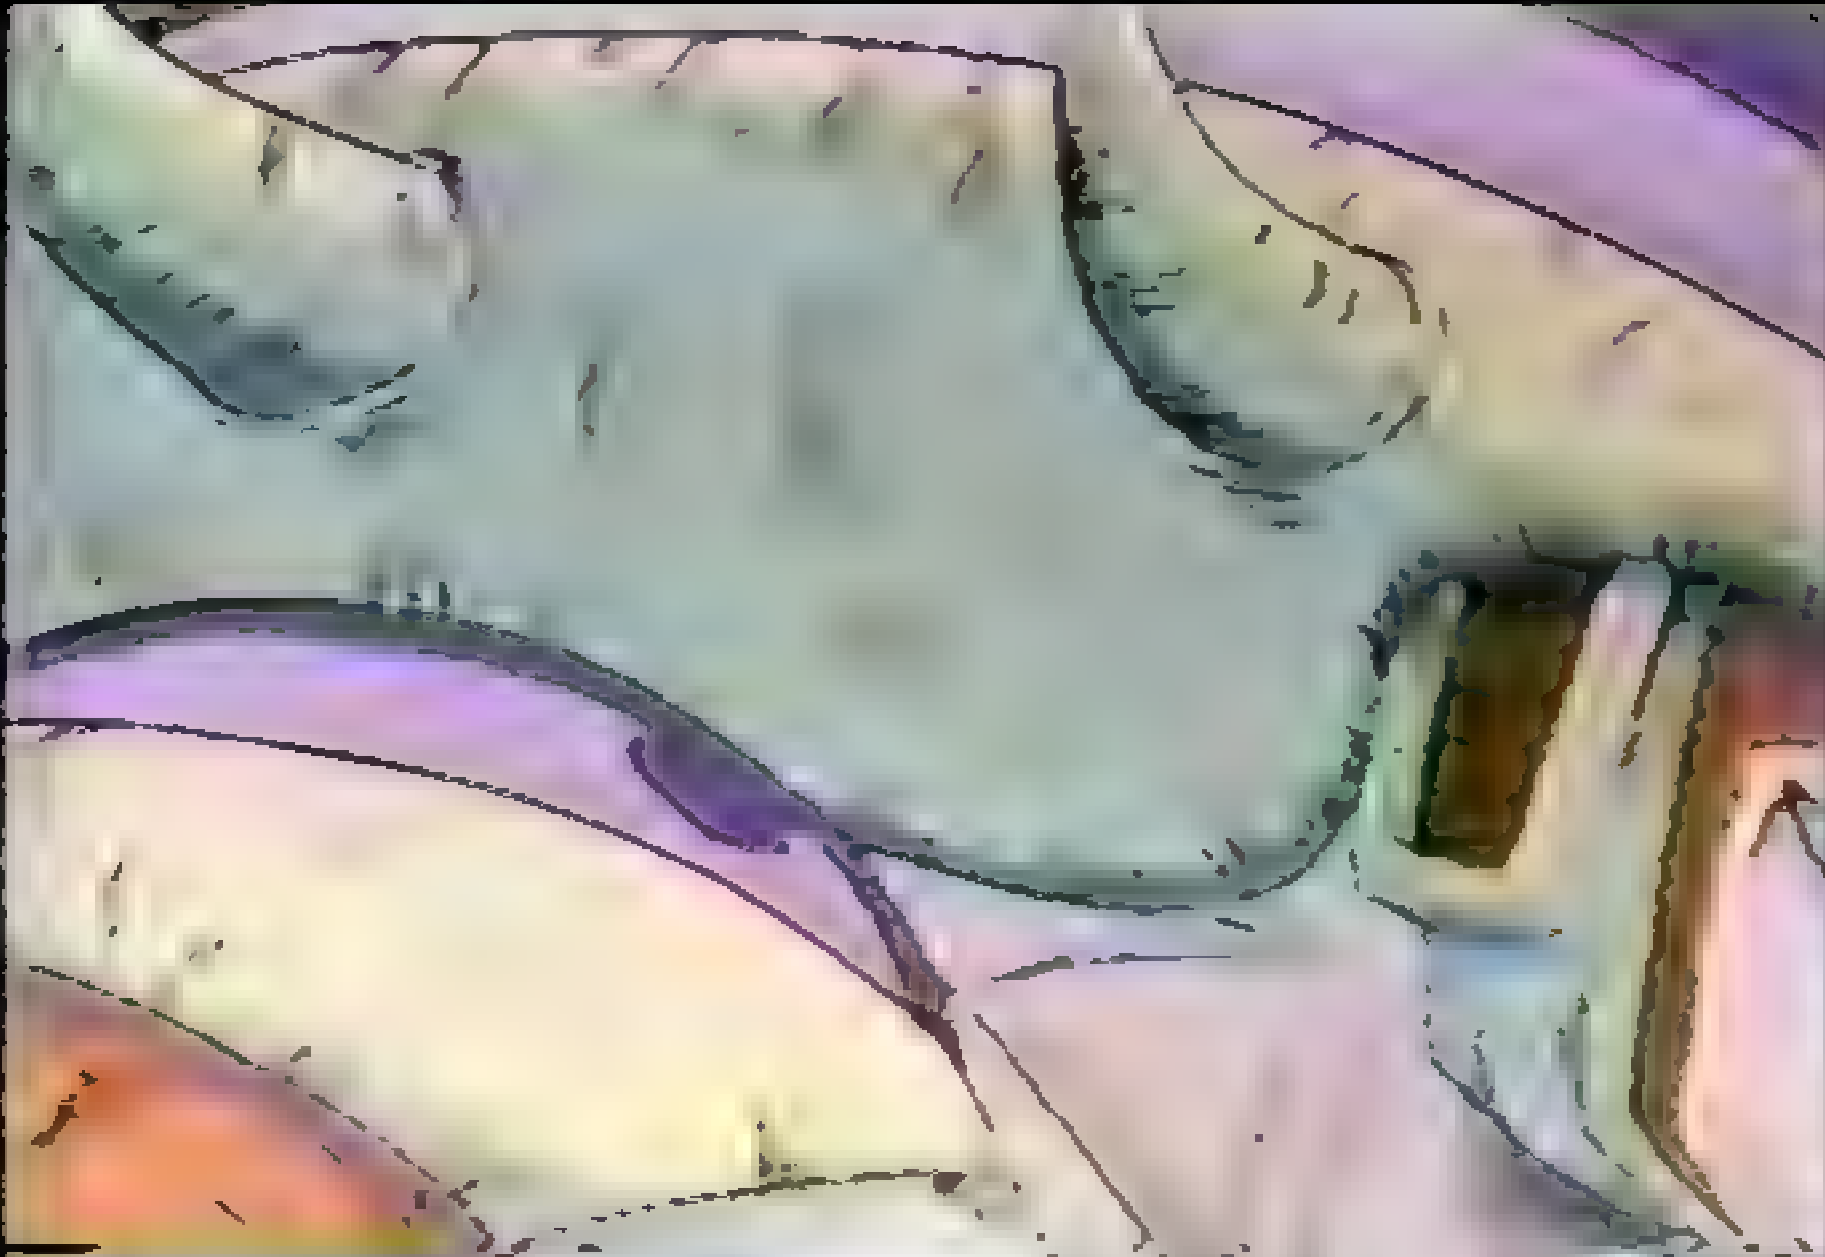

Freezer is more of an ultra
monster than we thought!

Freezer is more of an ultra
monster than we thought!

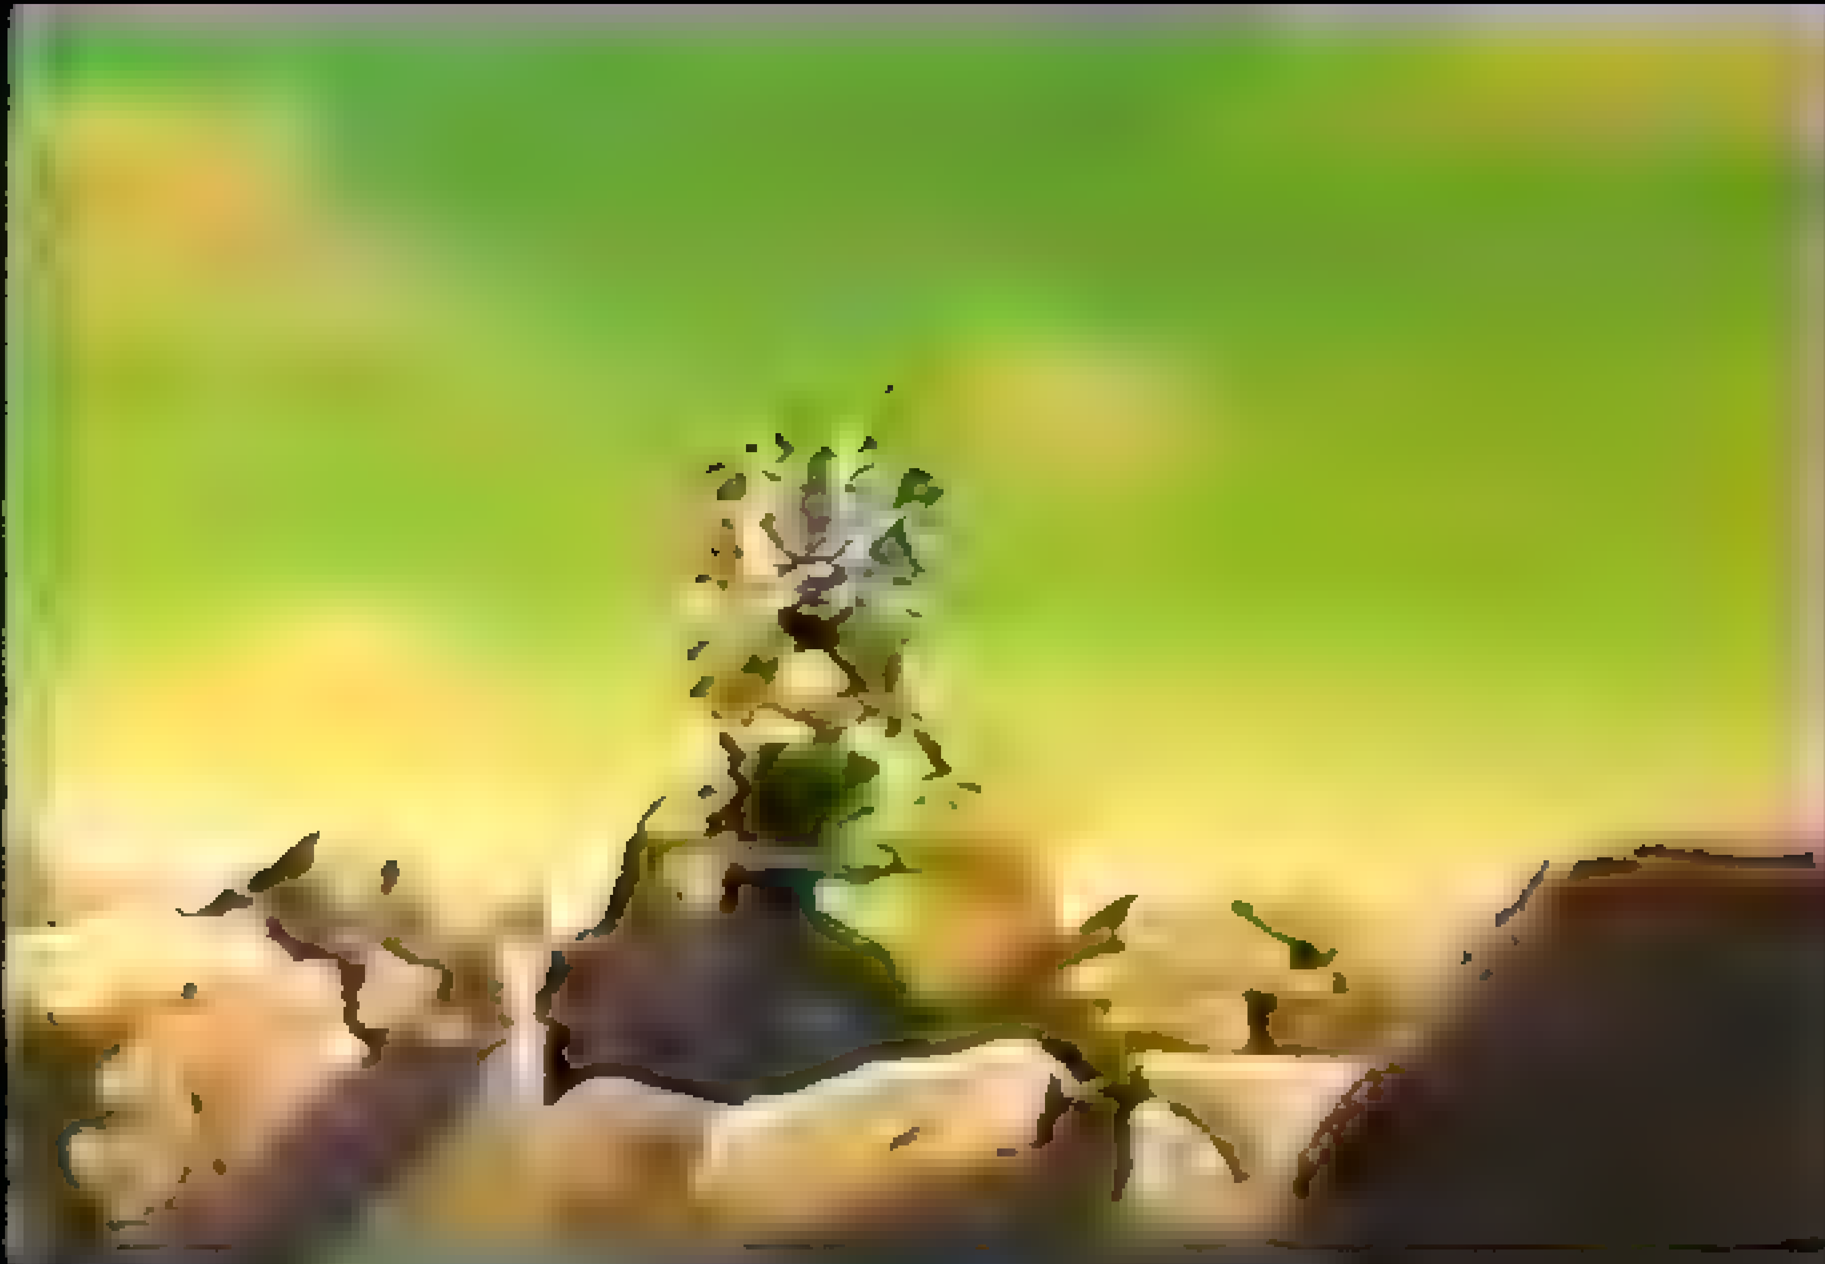

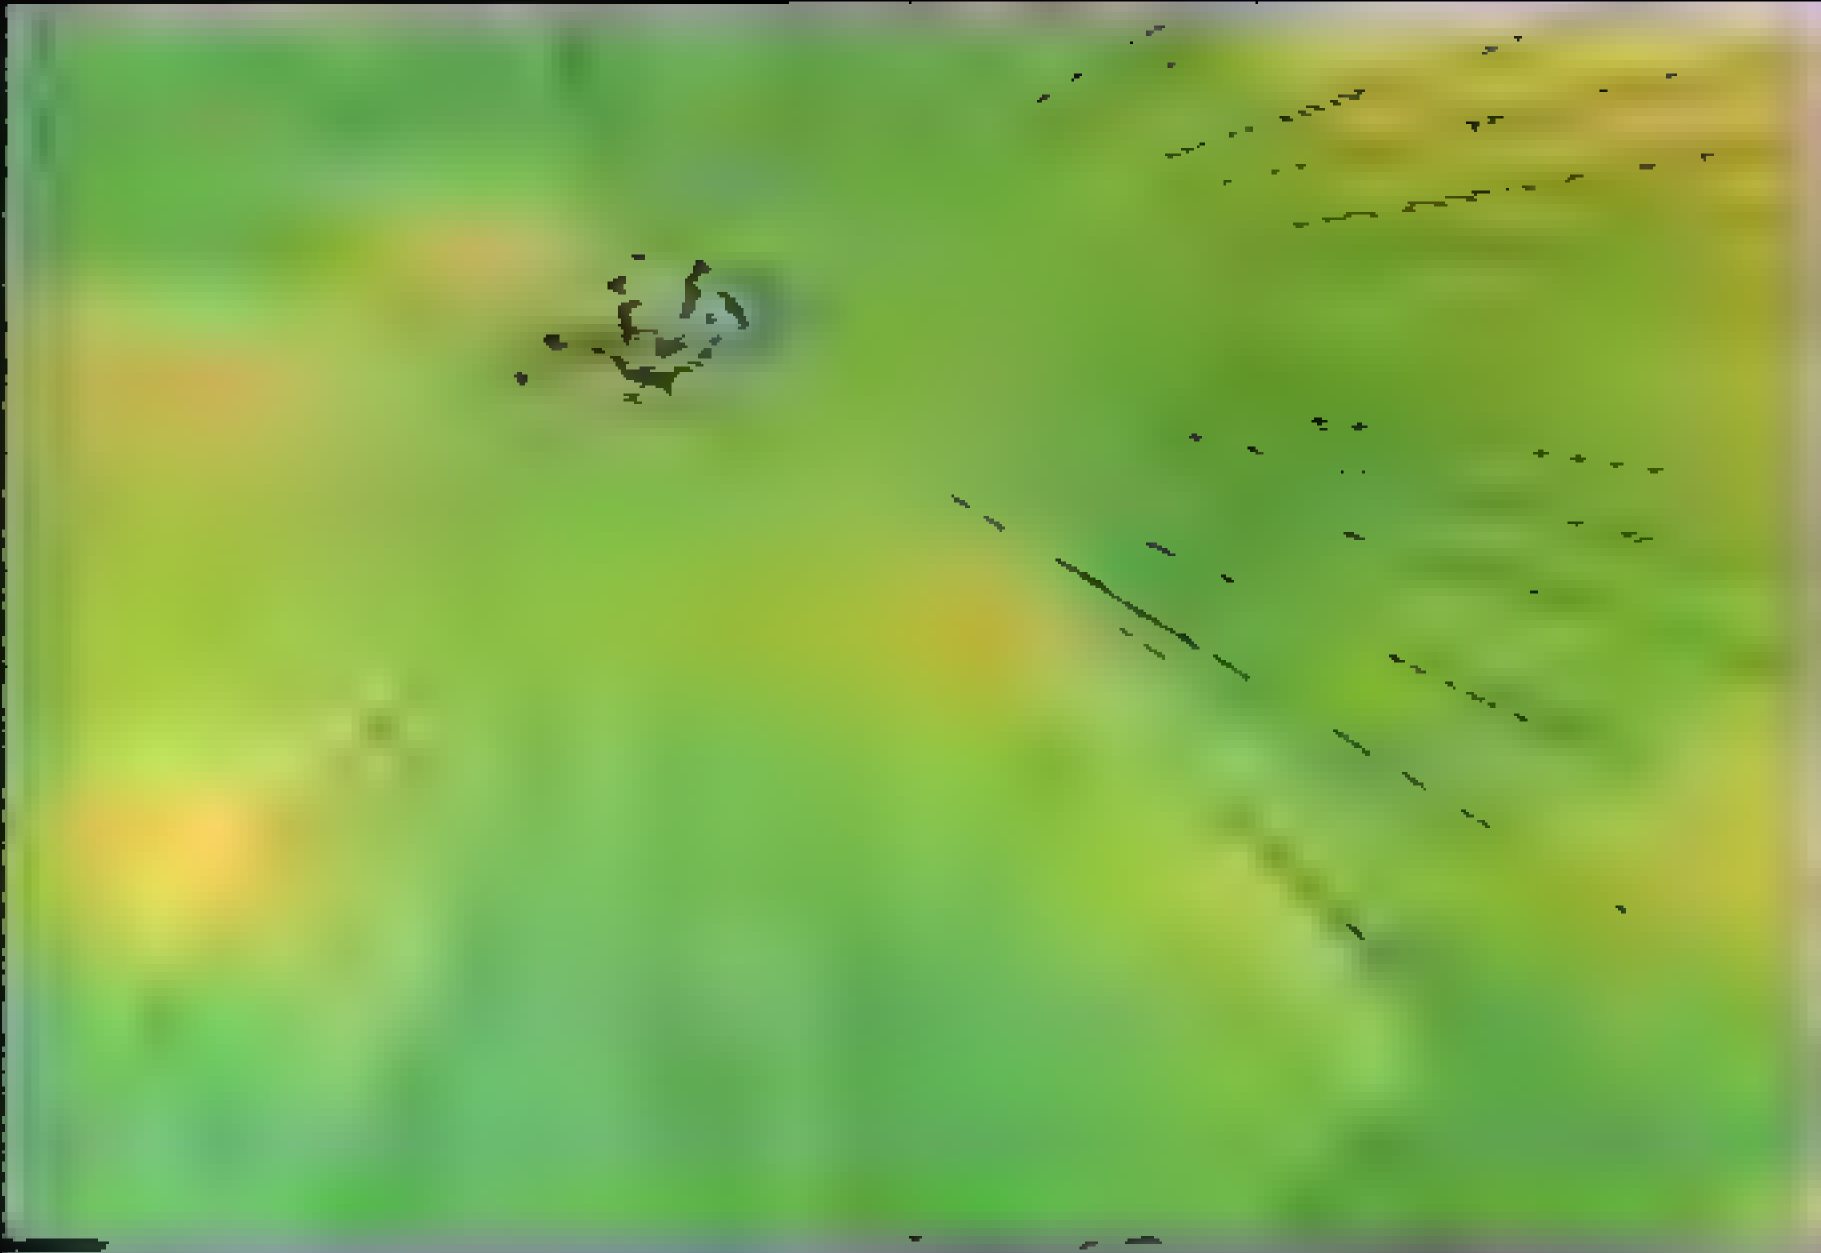

I believe you were quite
confident of your speed

I believe you were quite
confident of your speed.

Let's see it one more time.

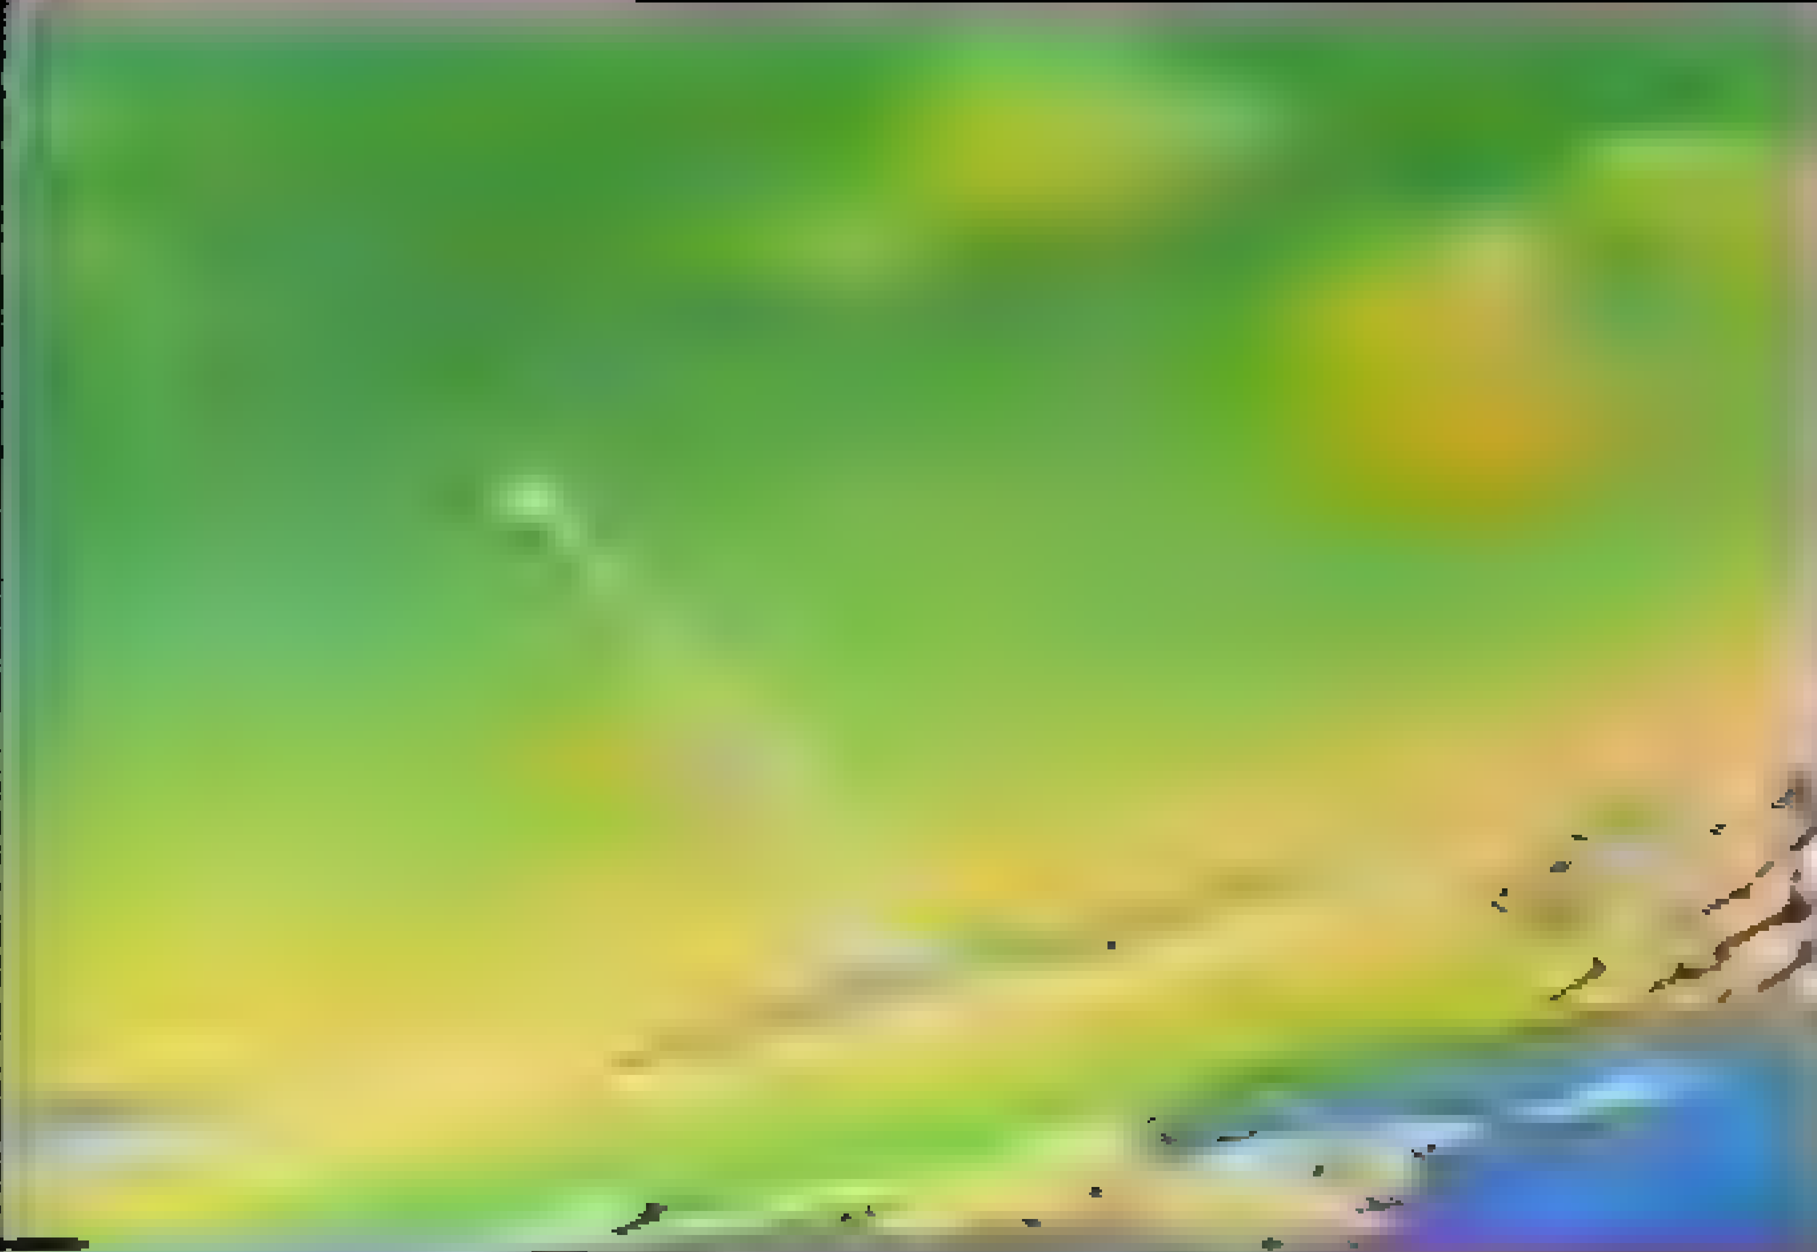

Let's see it one more time.

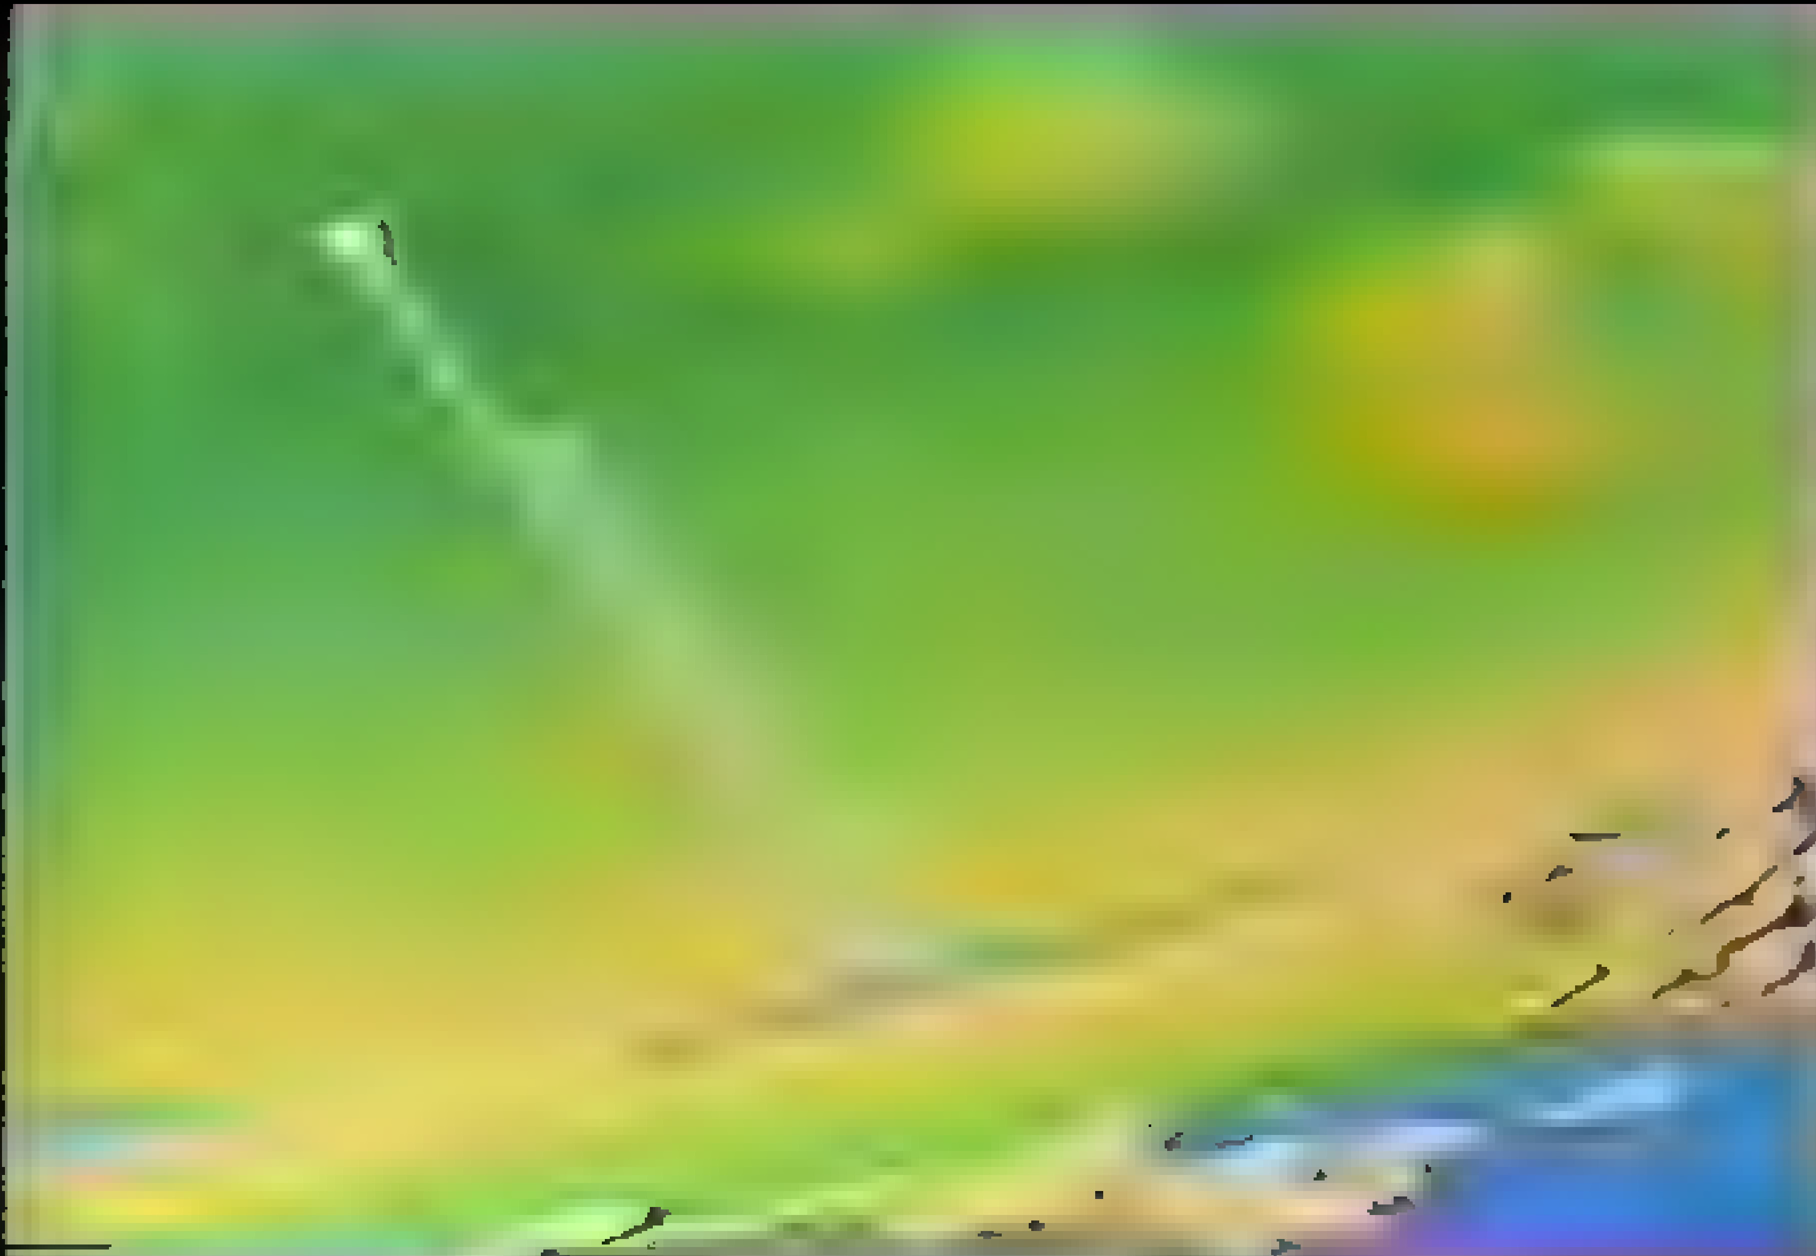

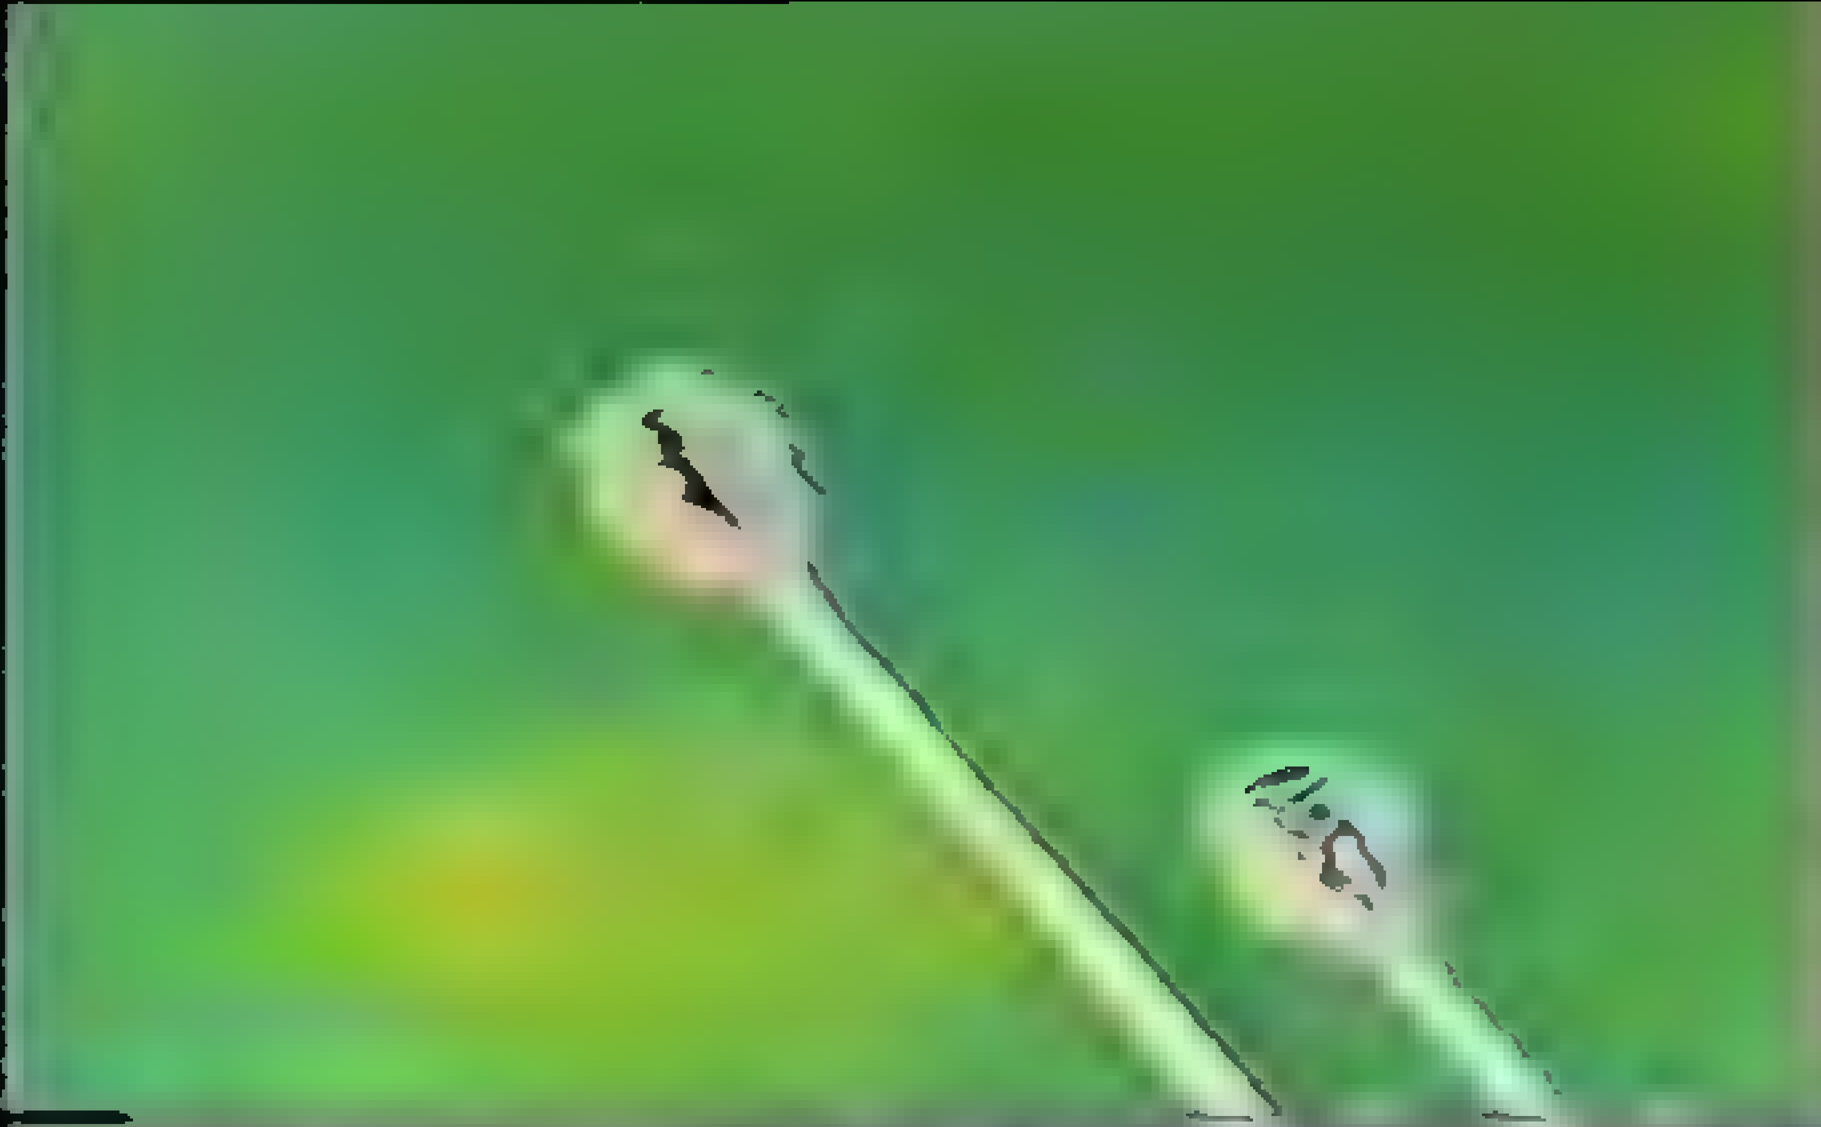

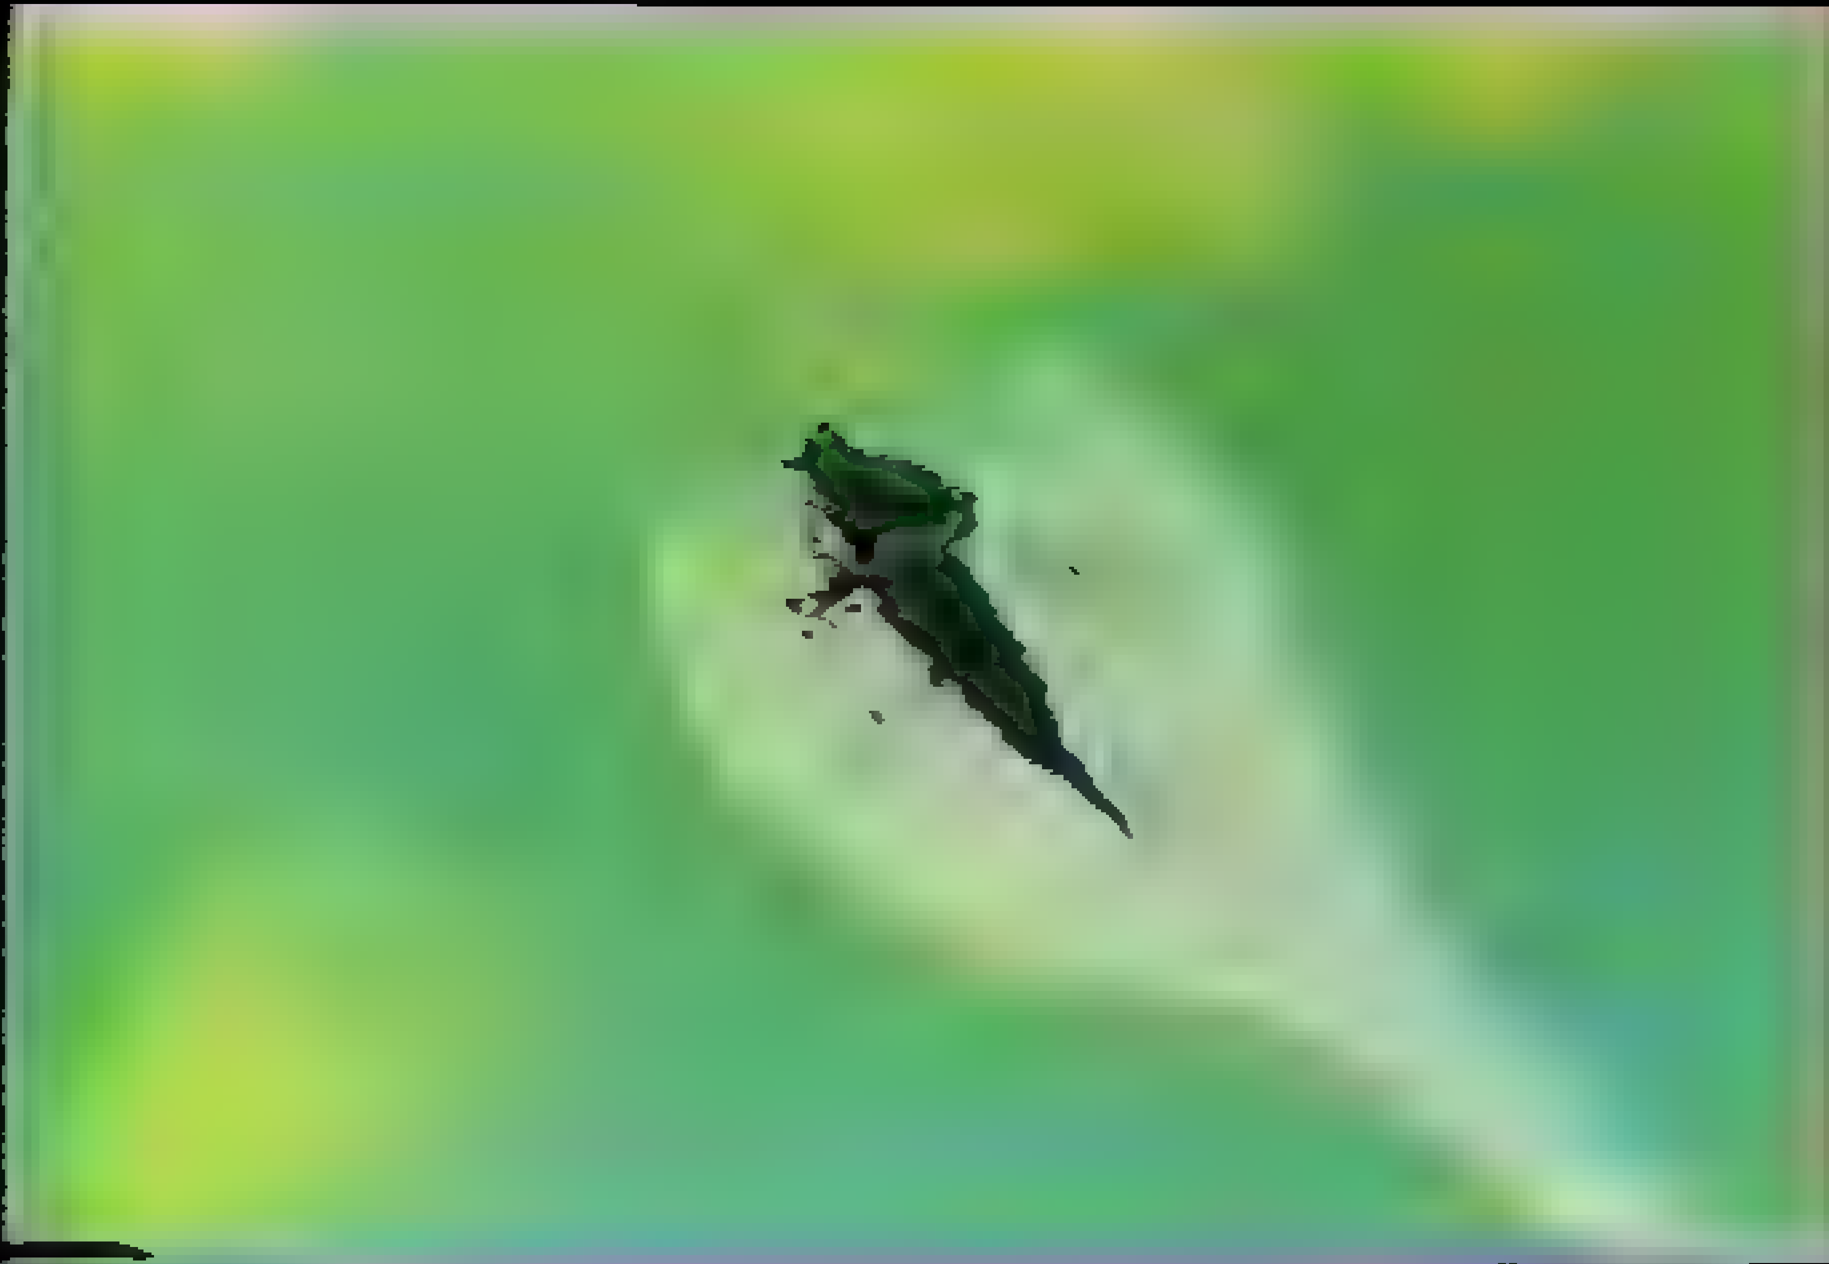

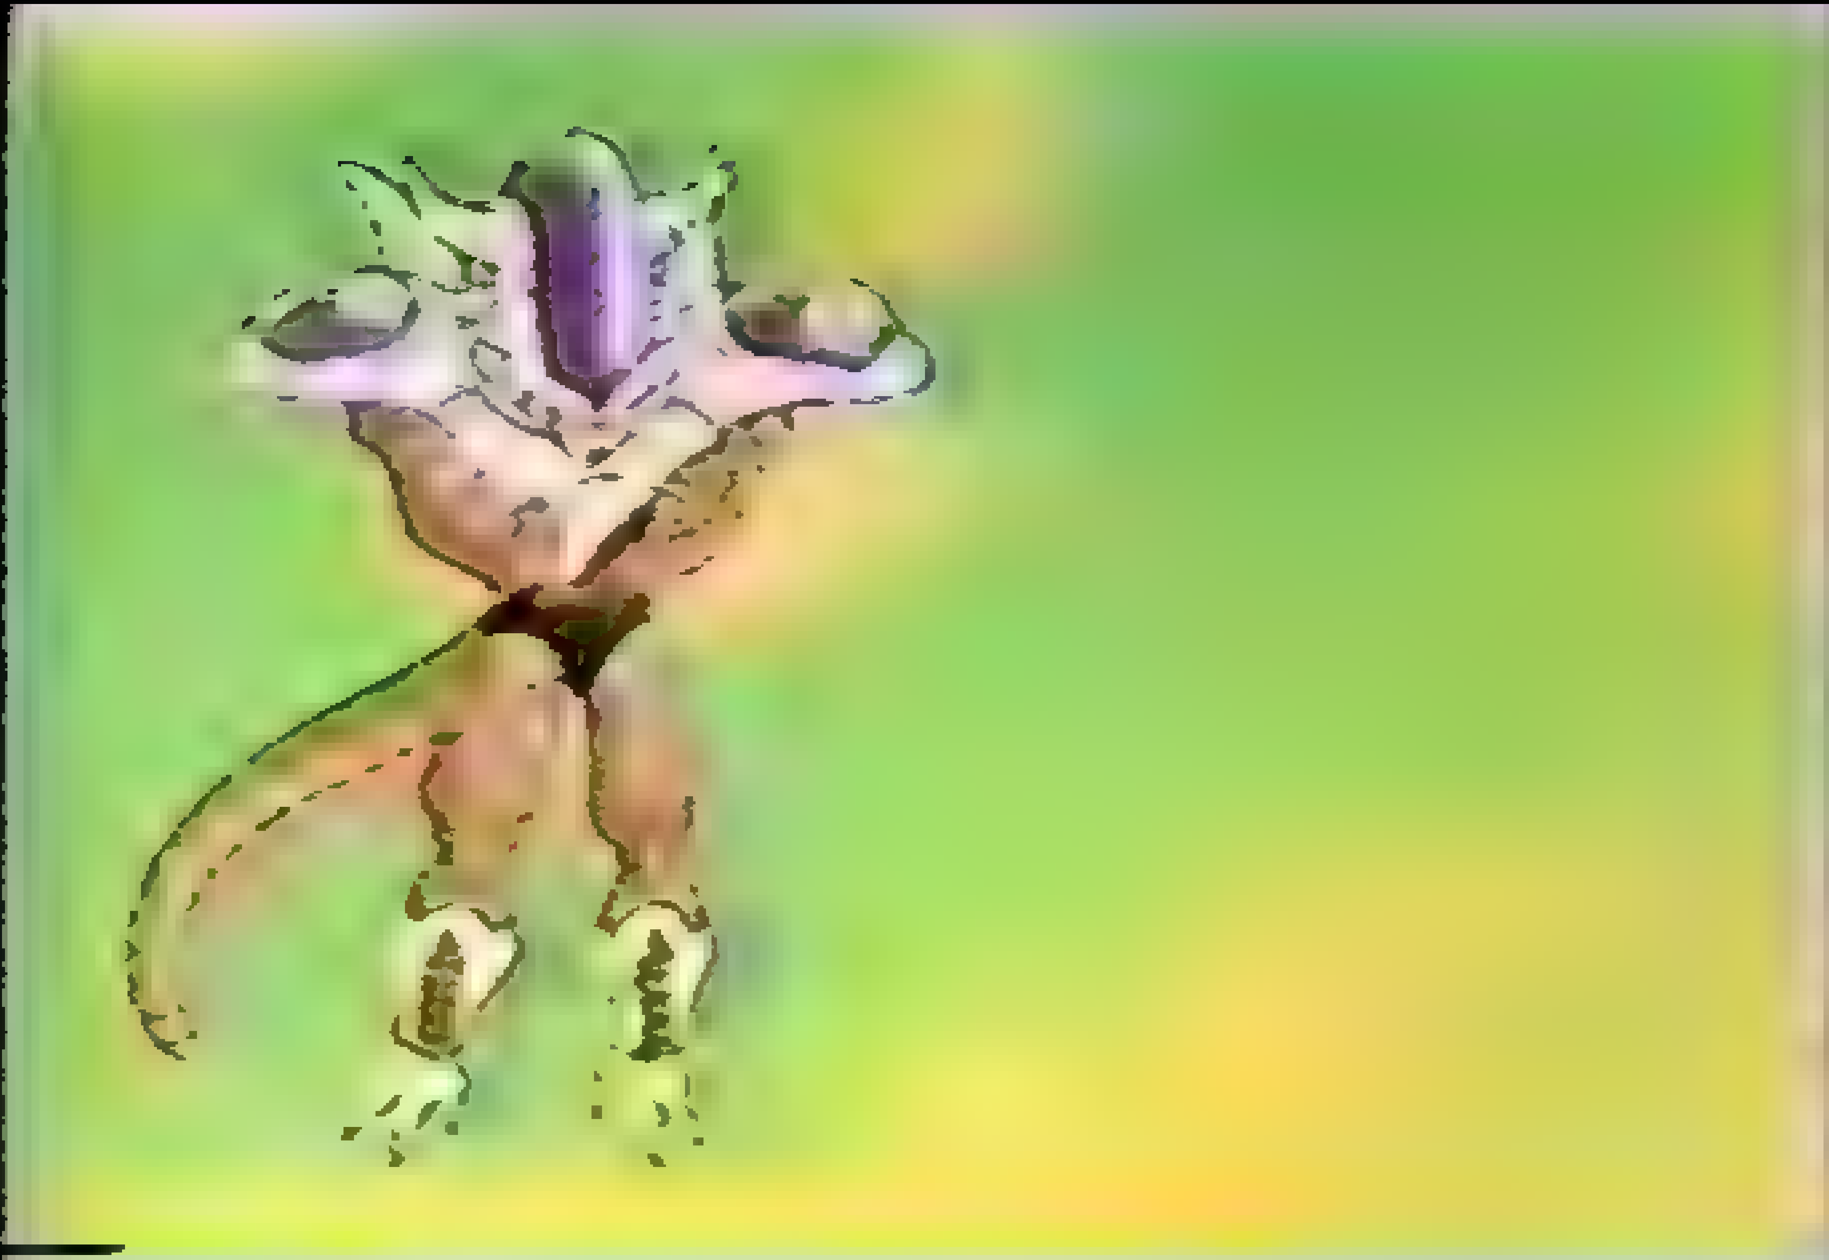

You may have more
power, but I'm faster!

You'll never catch me!

My, my. It's been a
long time. You got here fast.

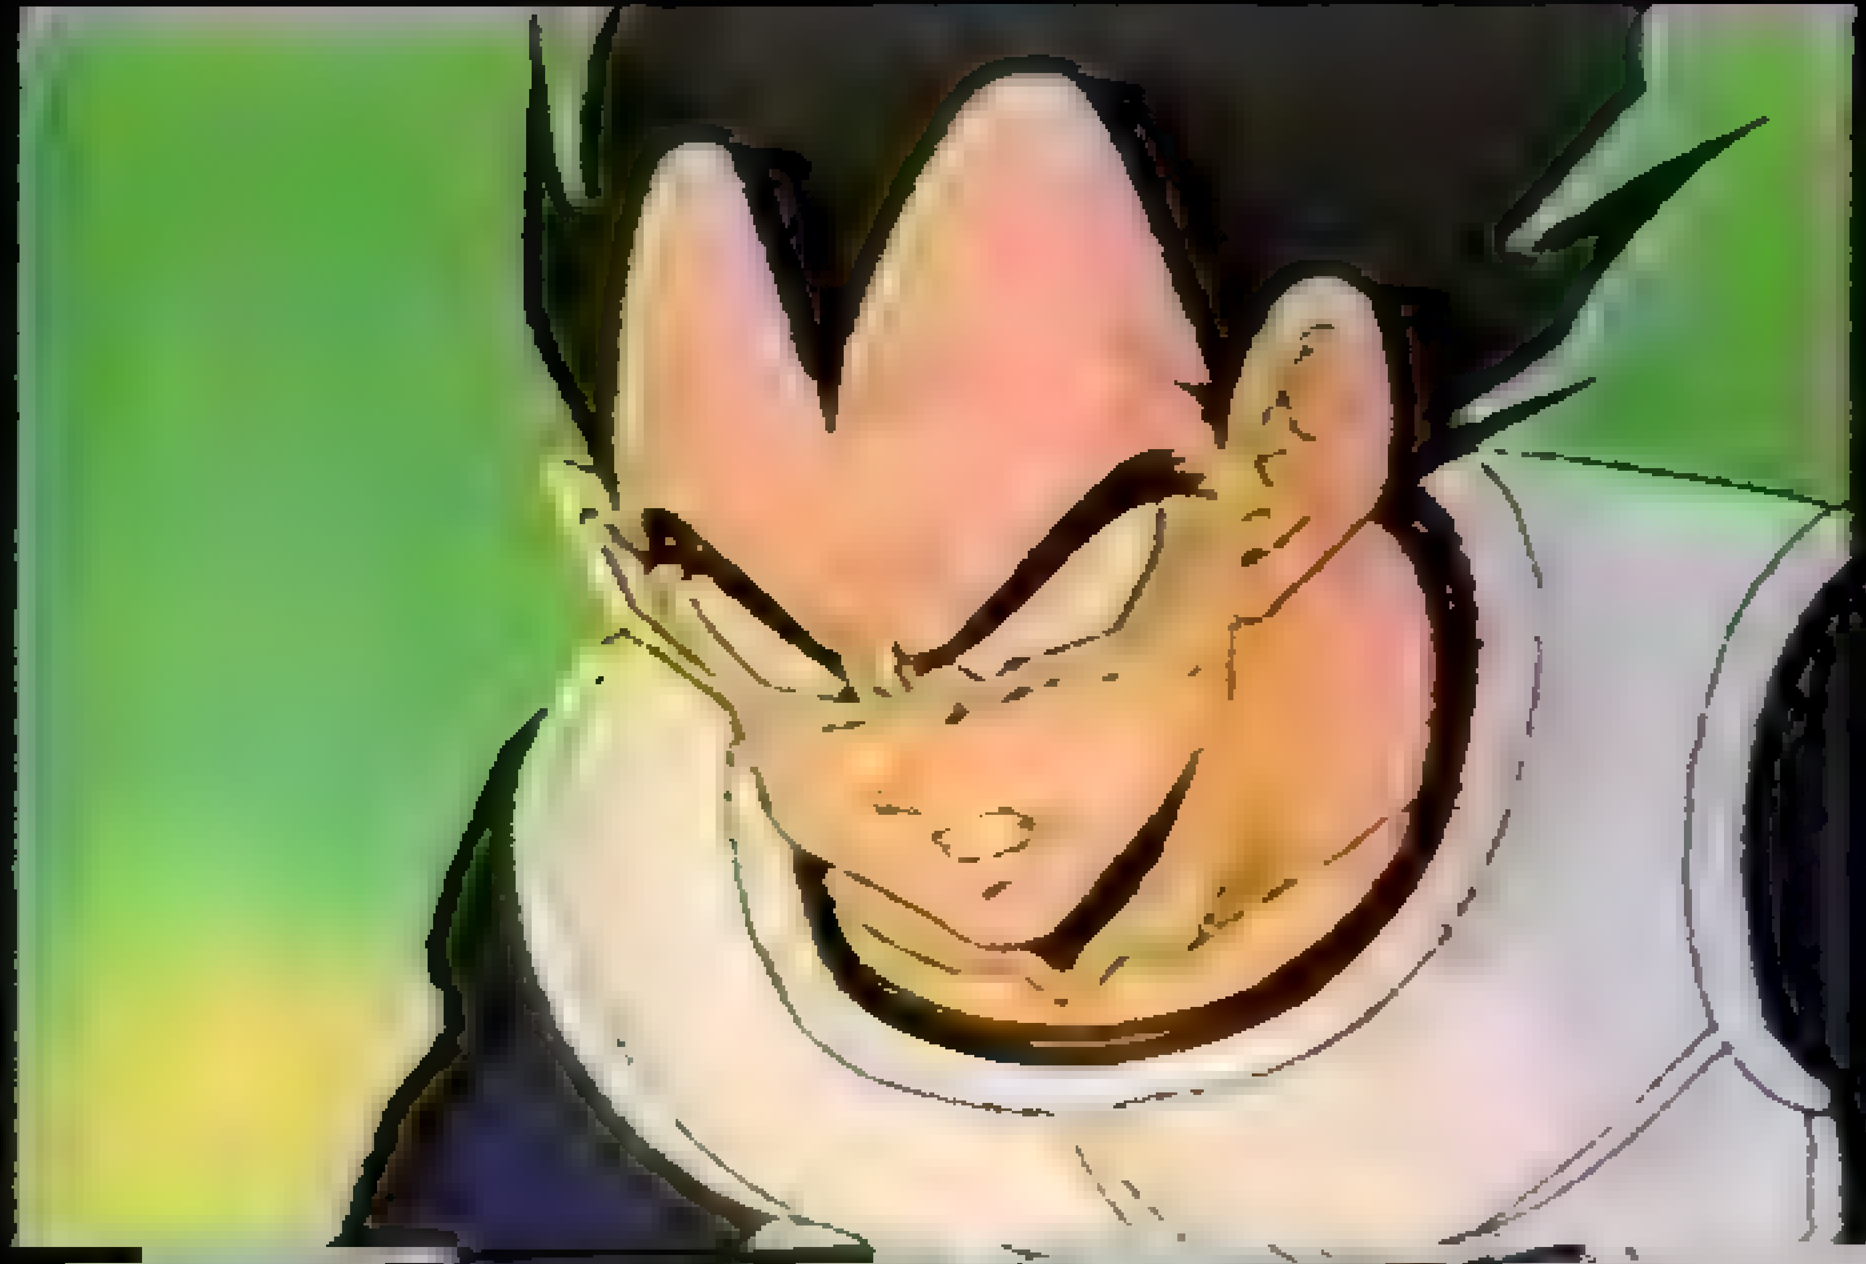

My, my. It's been a
long time. You got here fast.

Mr. Piccolo lost the race!

Is that because of
Freezer's increase in power?

Is that because of
Freezer's increase in power?

Don't lose to him, Nell!

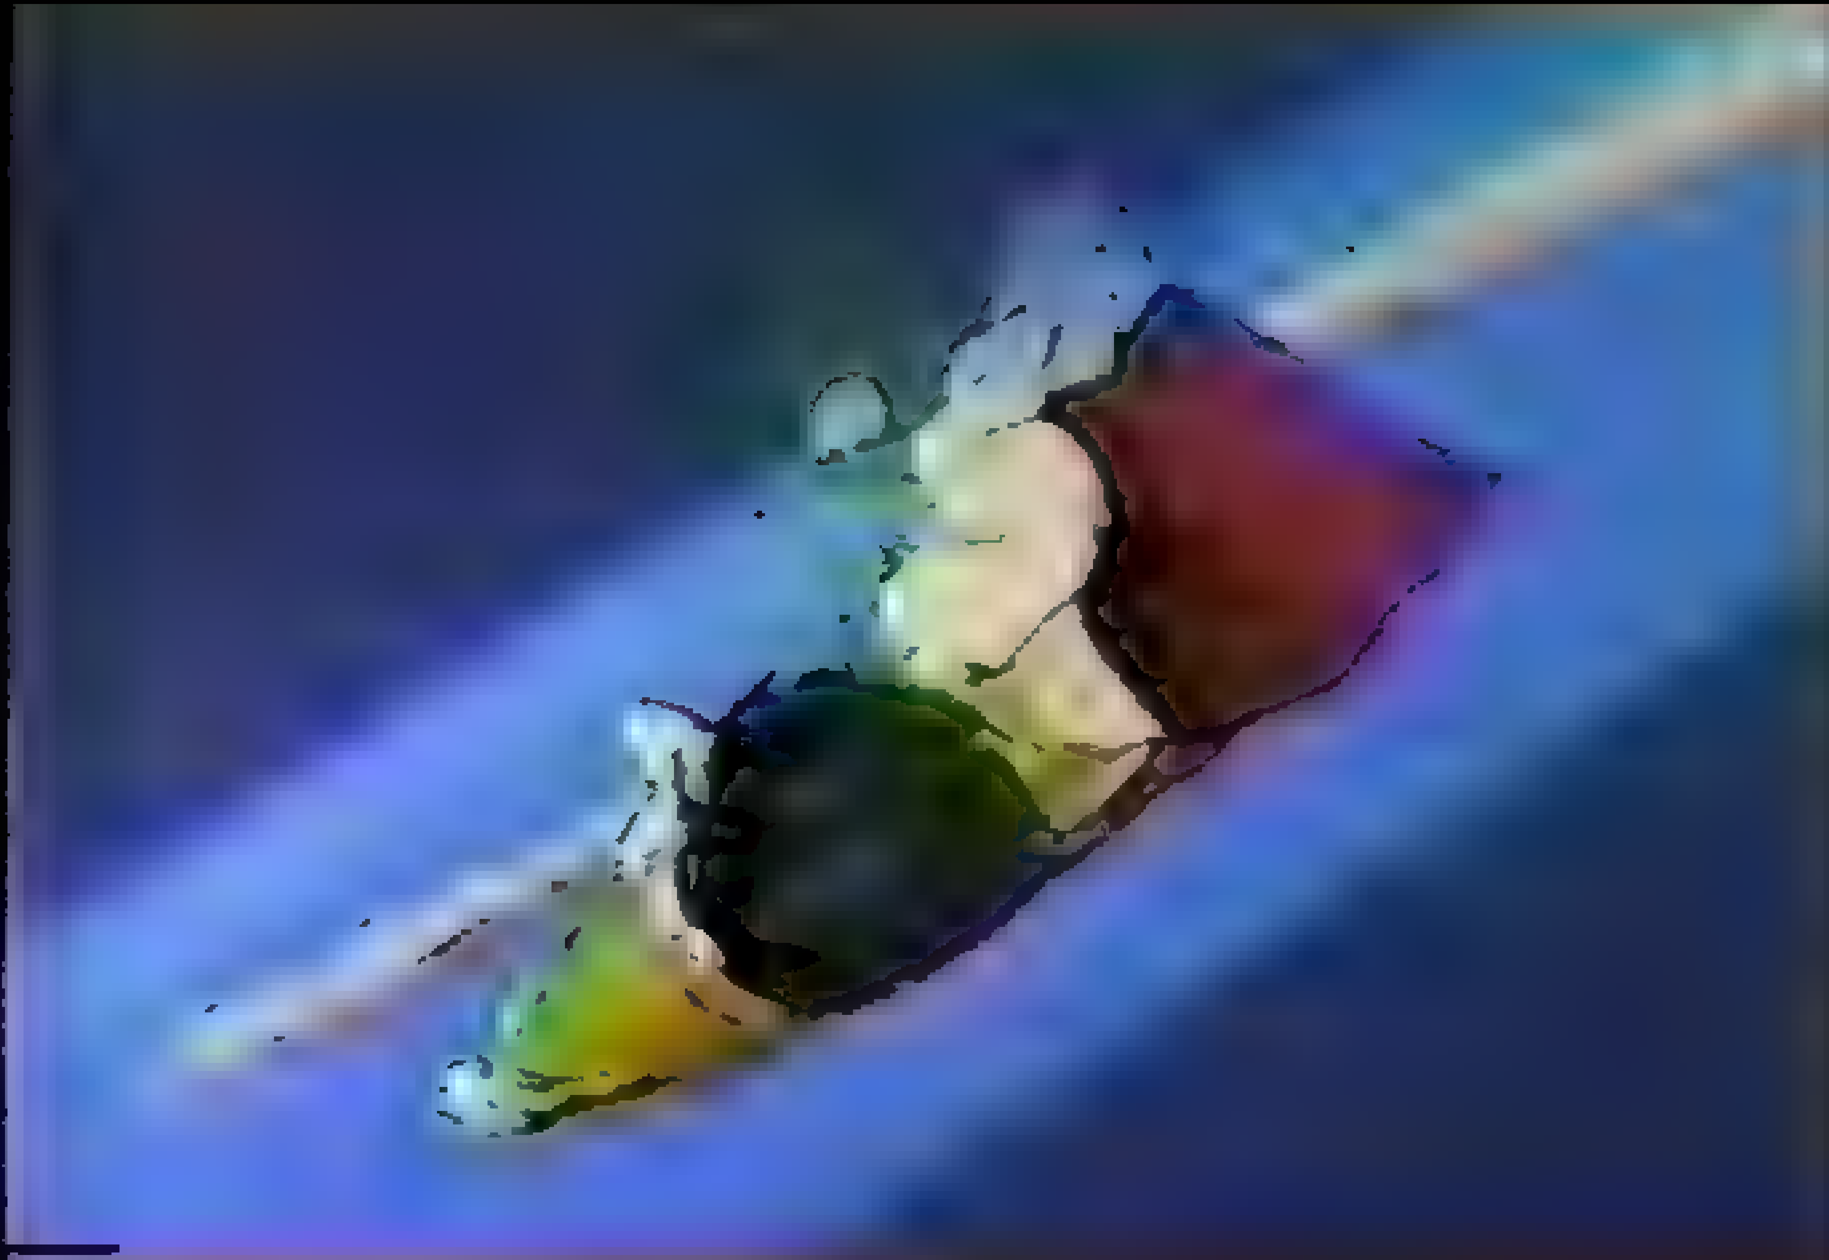

Don't lose to him, Neil!

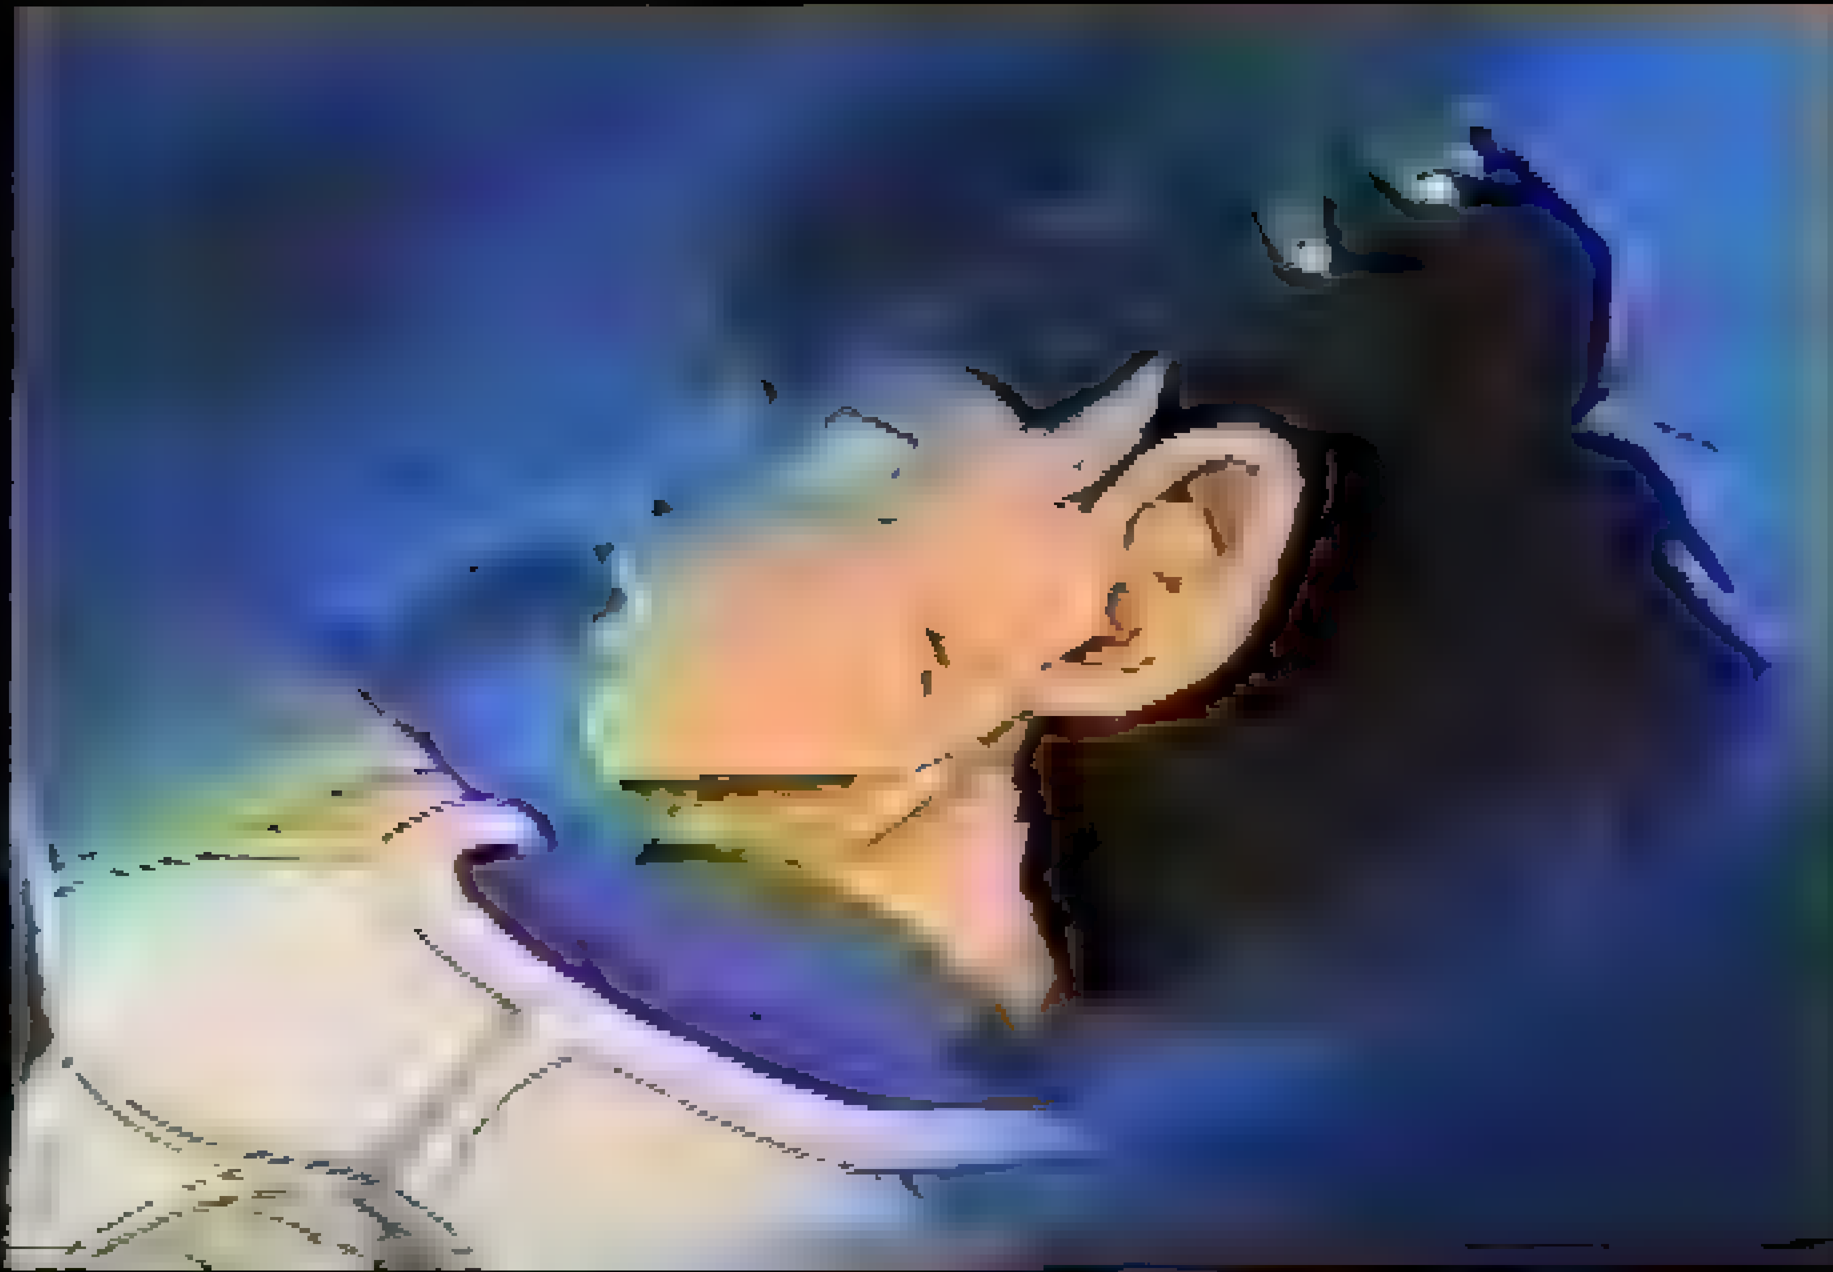

He's not dead! I'm glad!

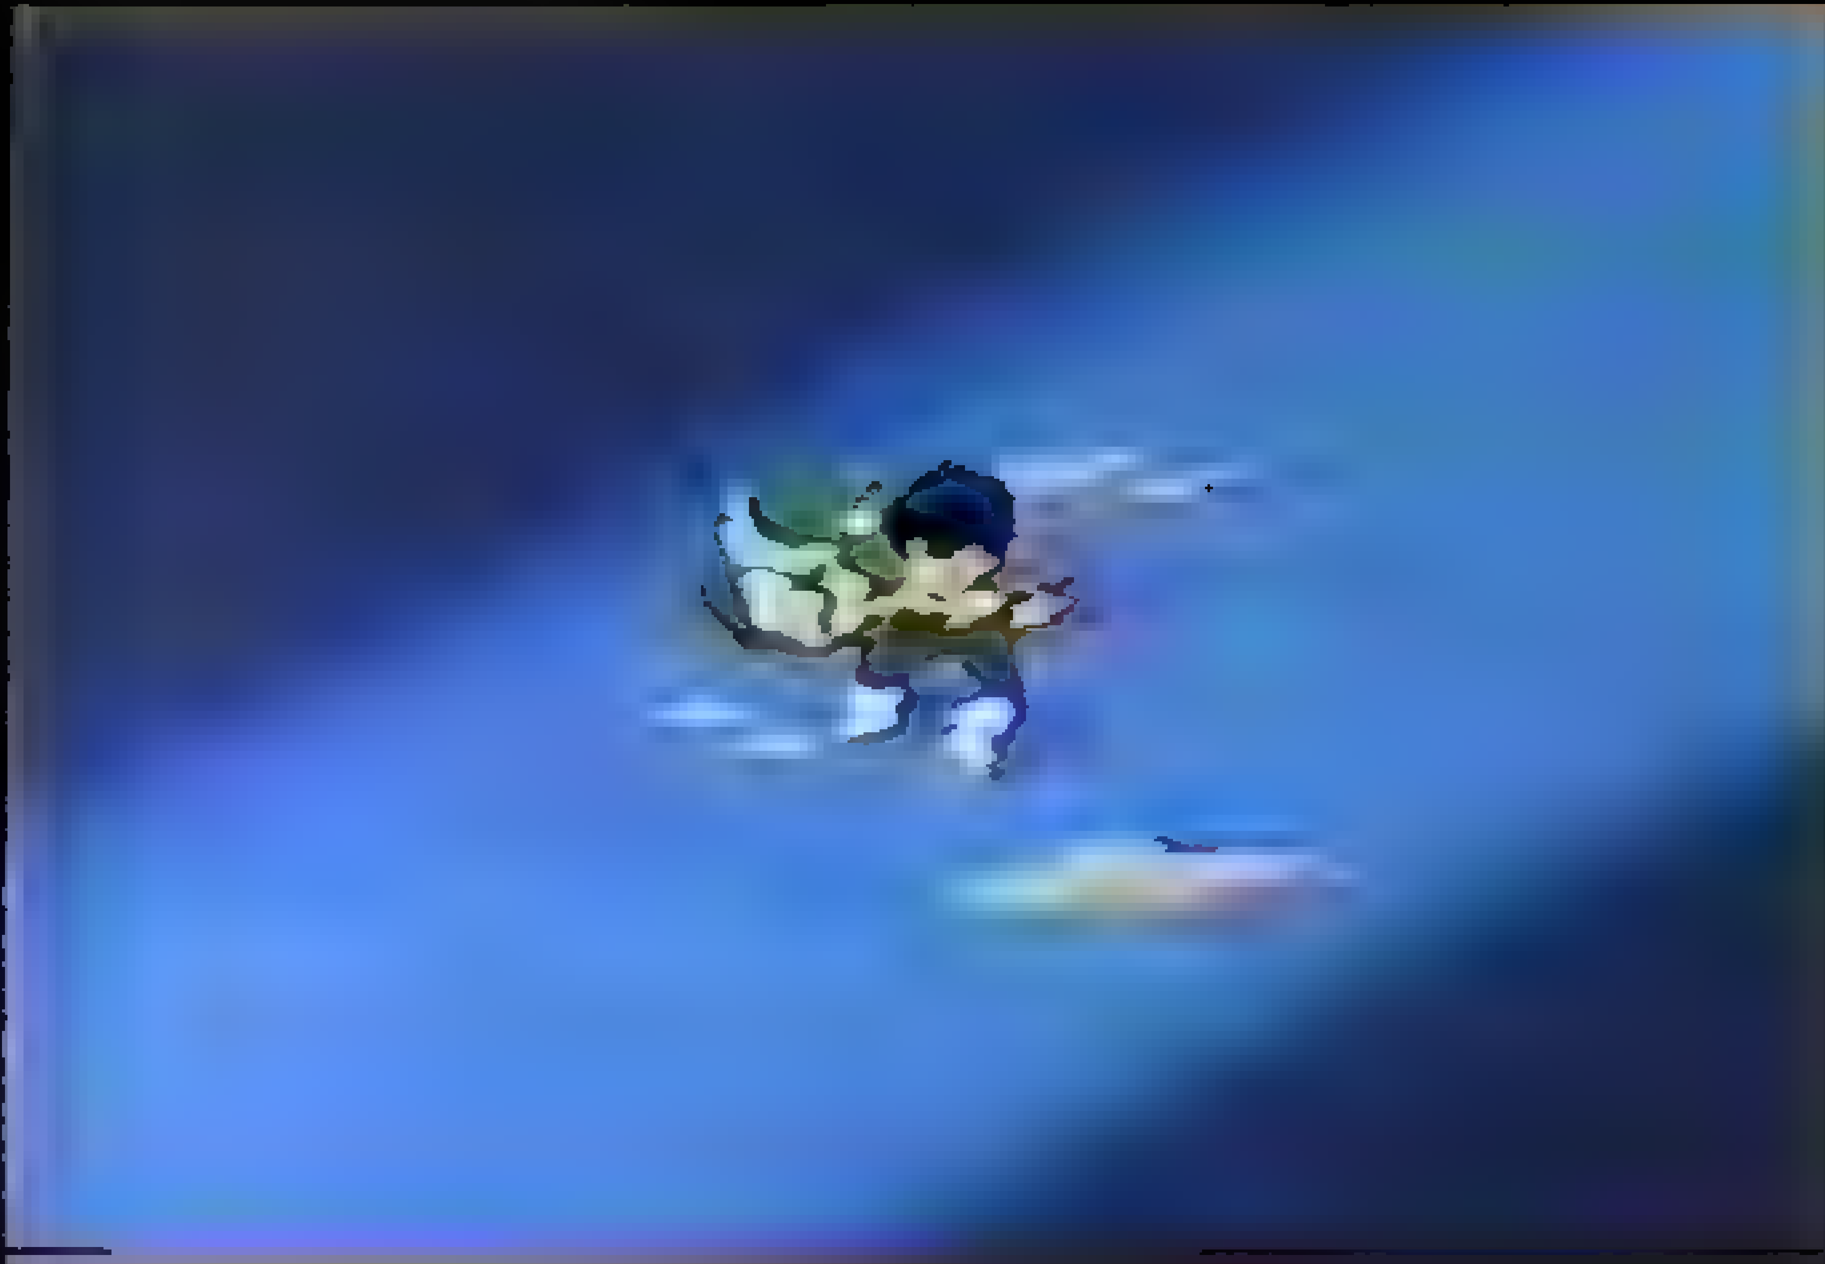

I'll heal you right away.

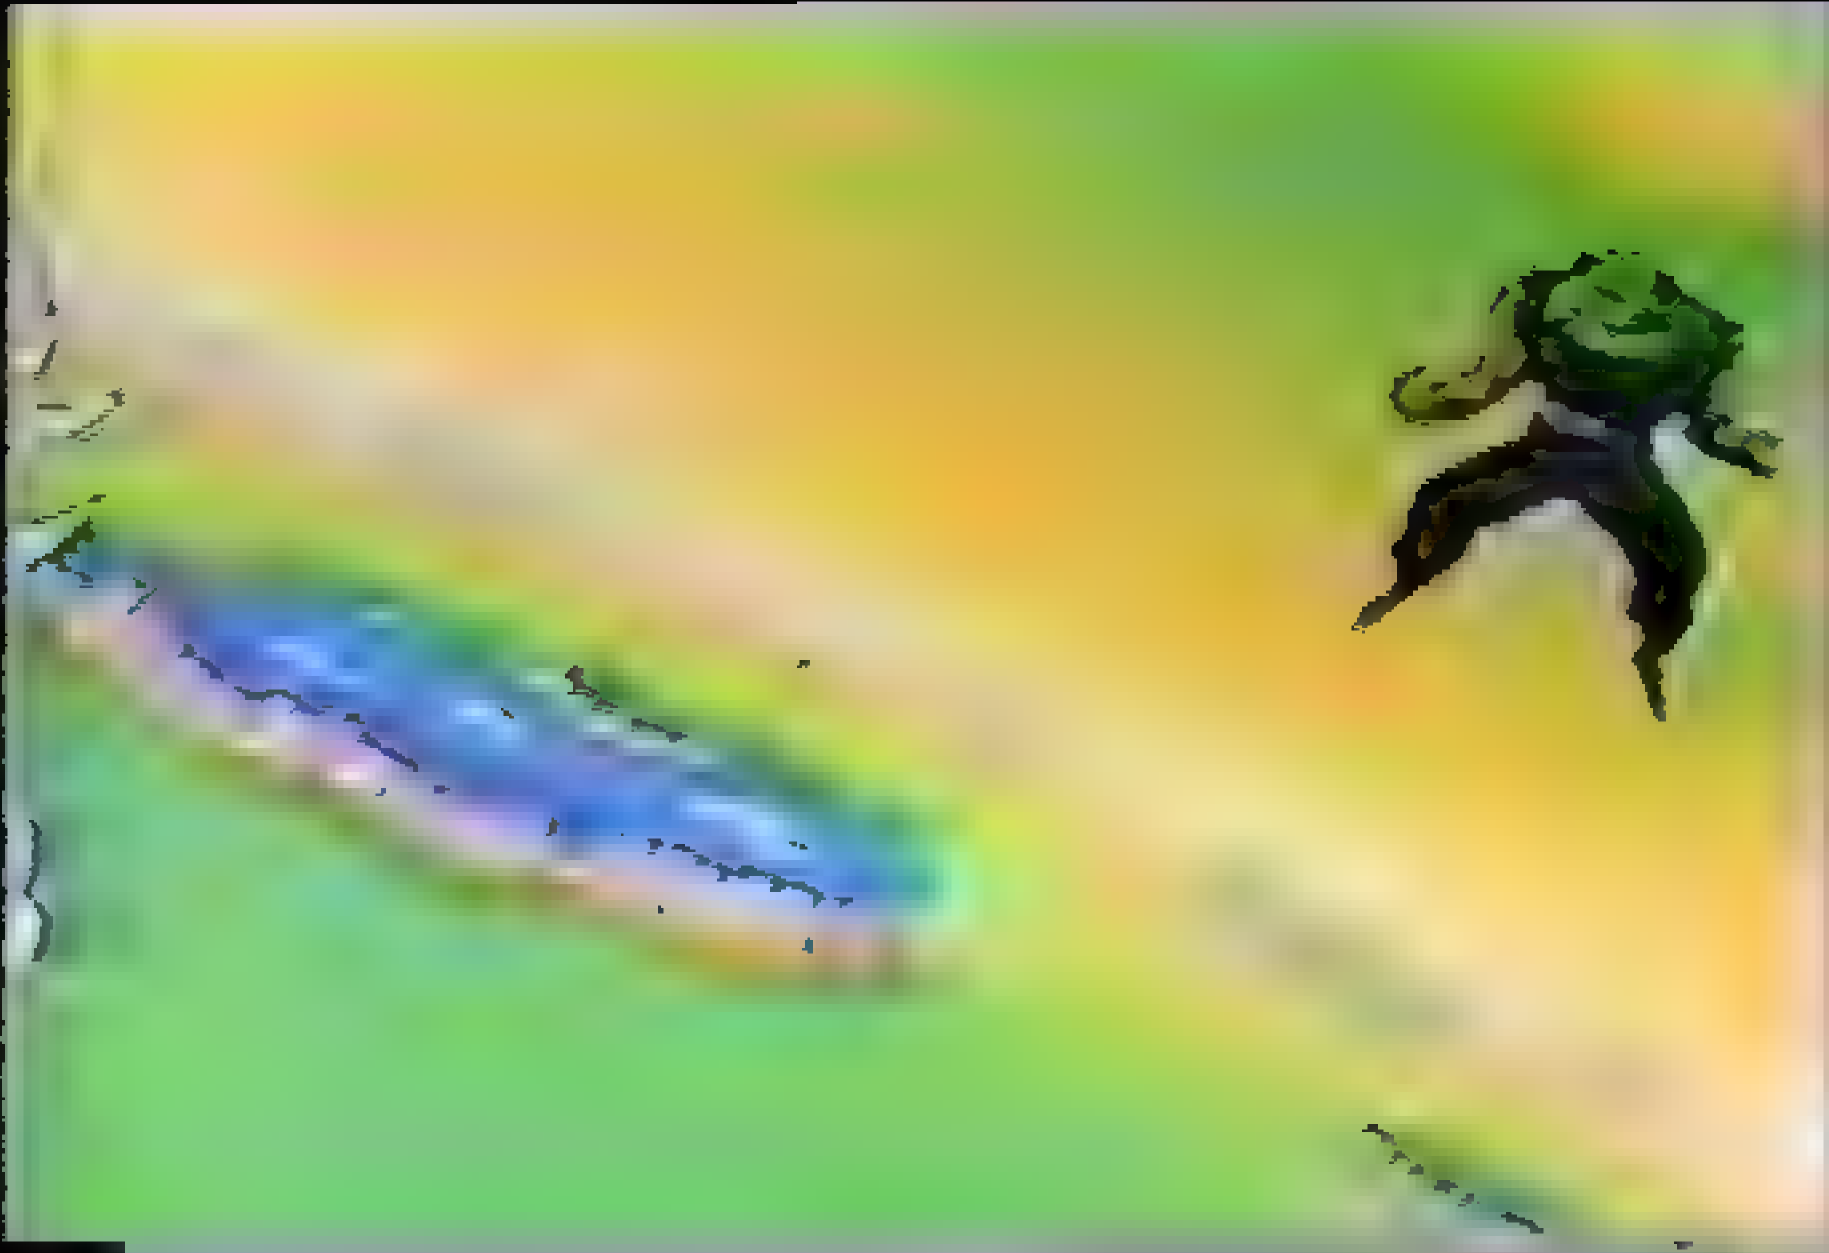

I know what I can do!

I know what I can do!

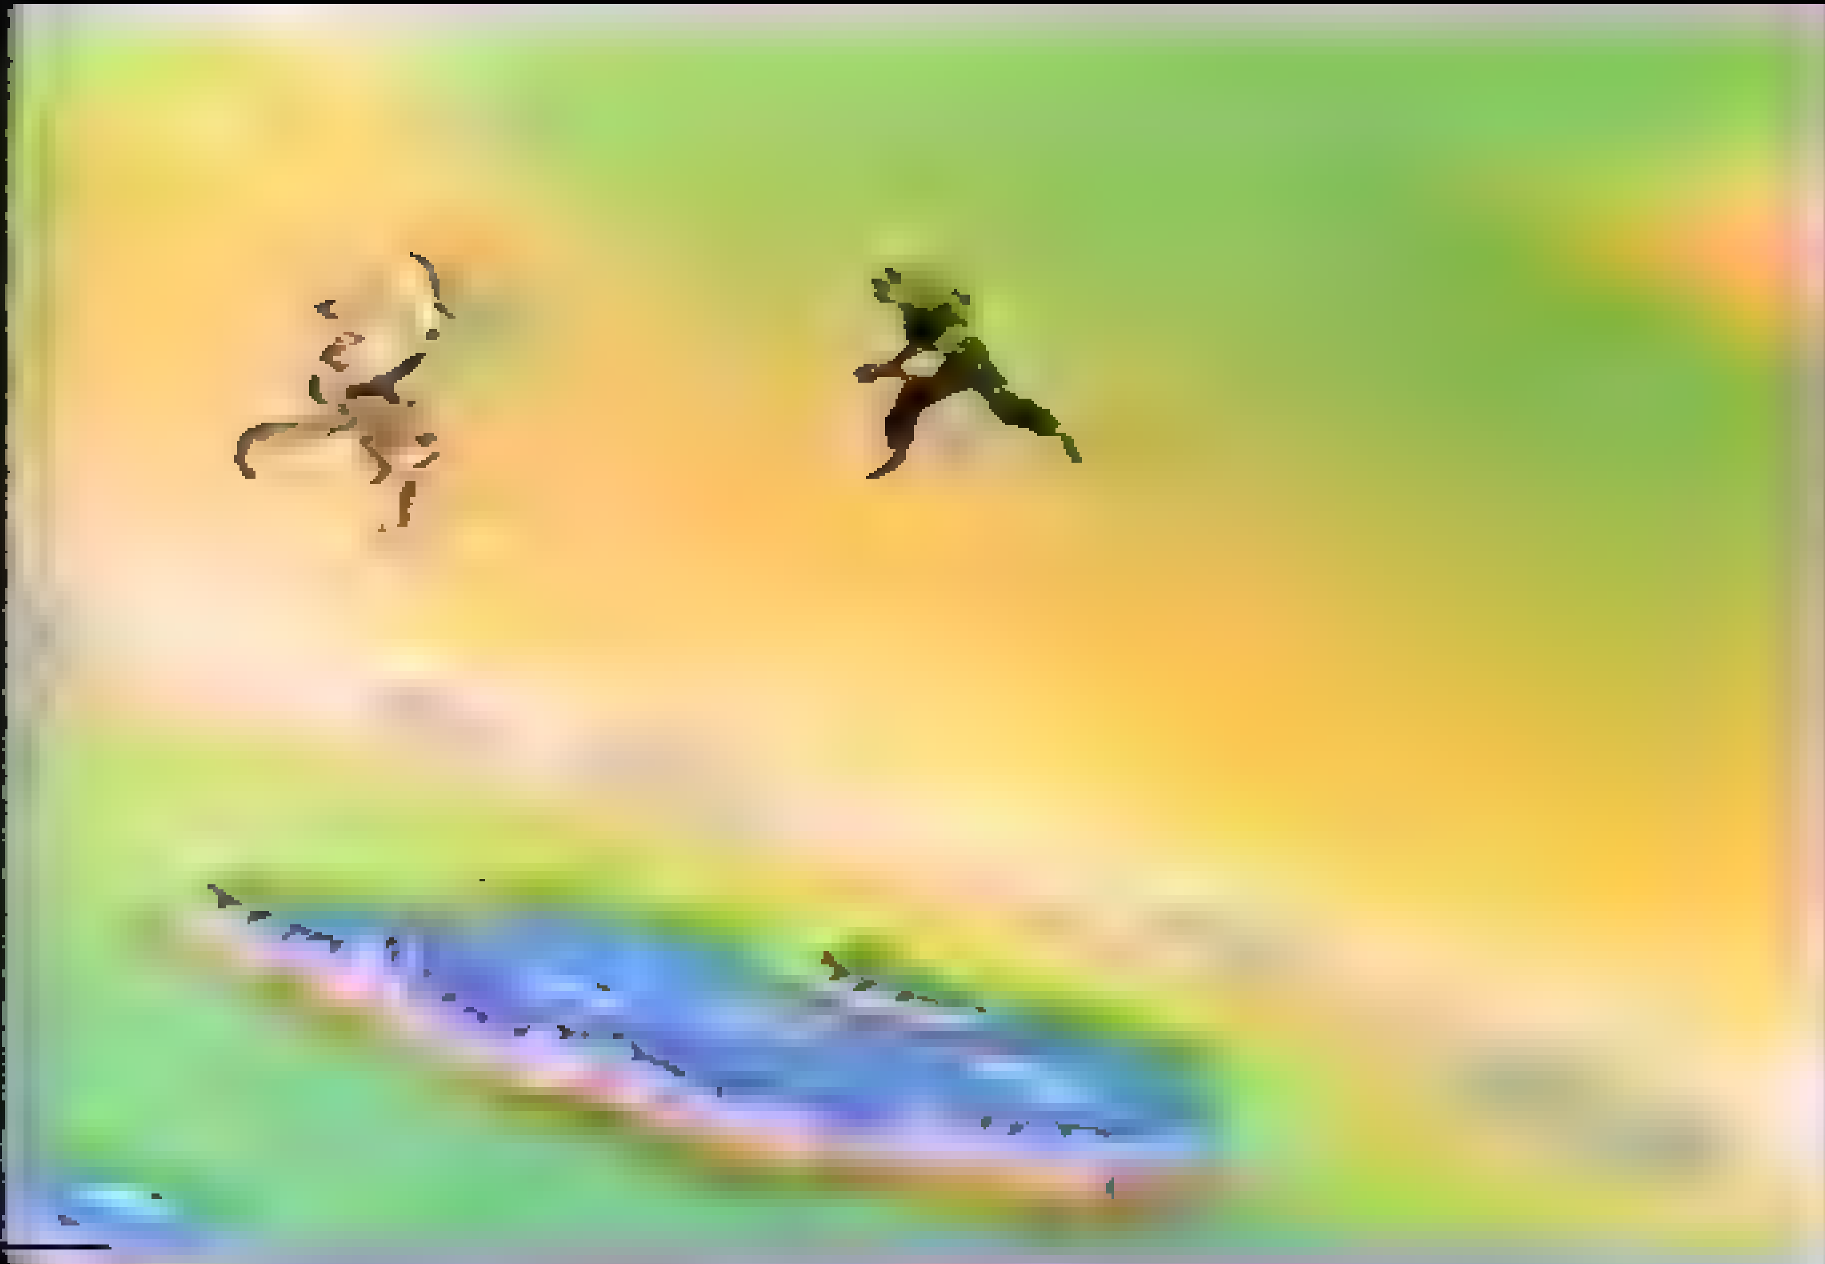

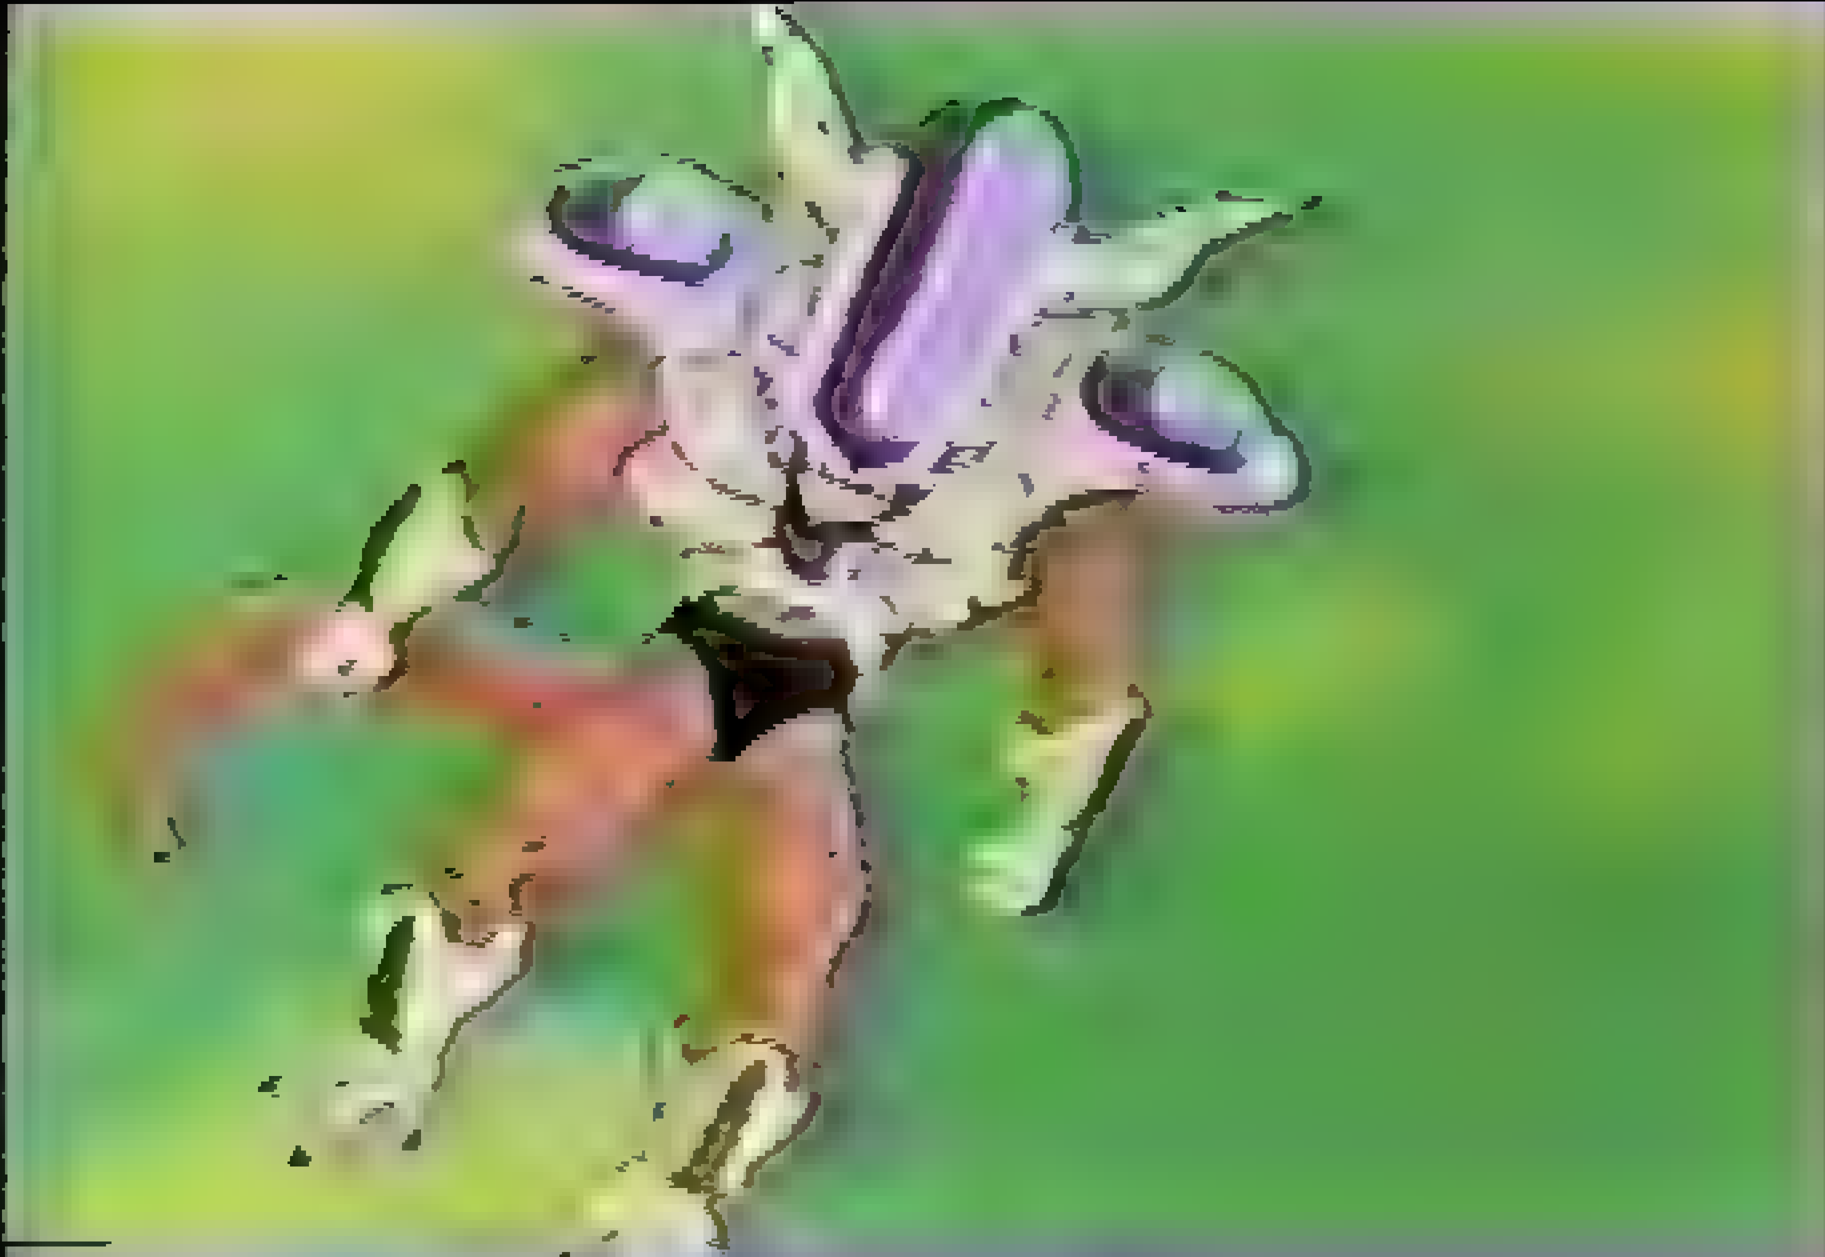

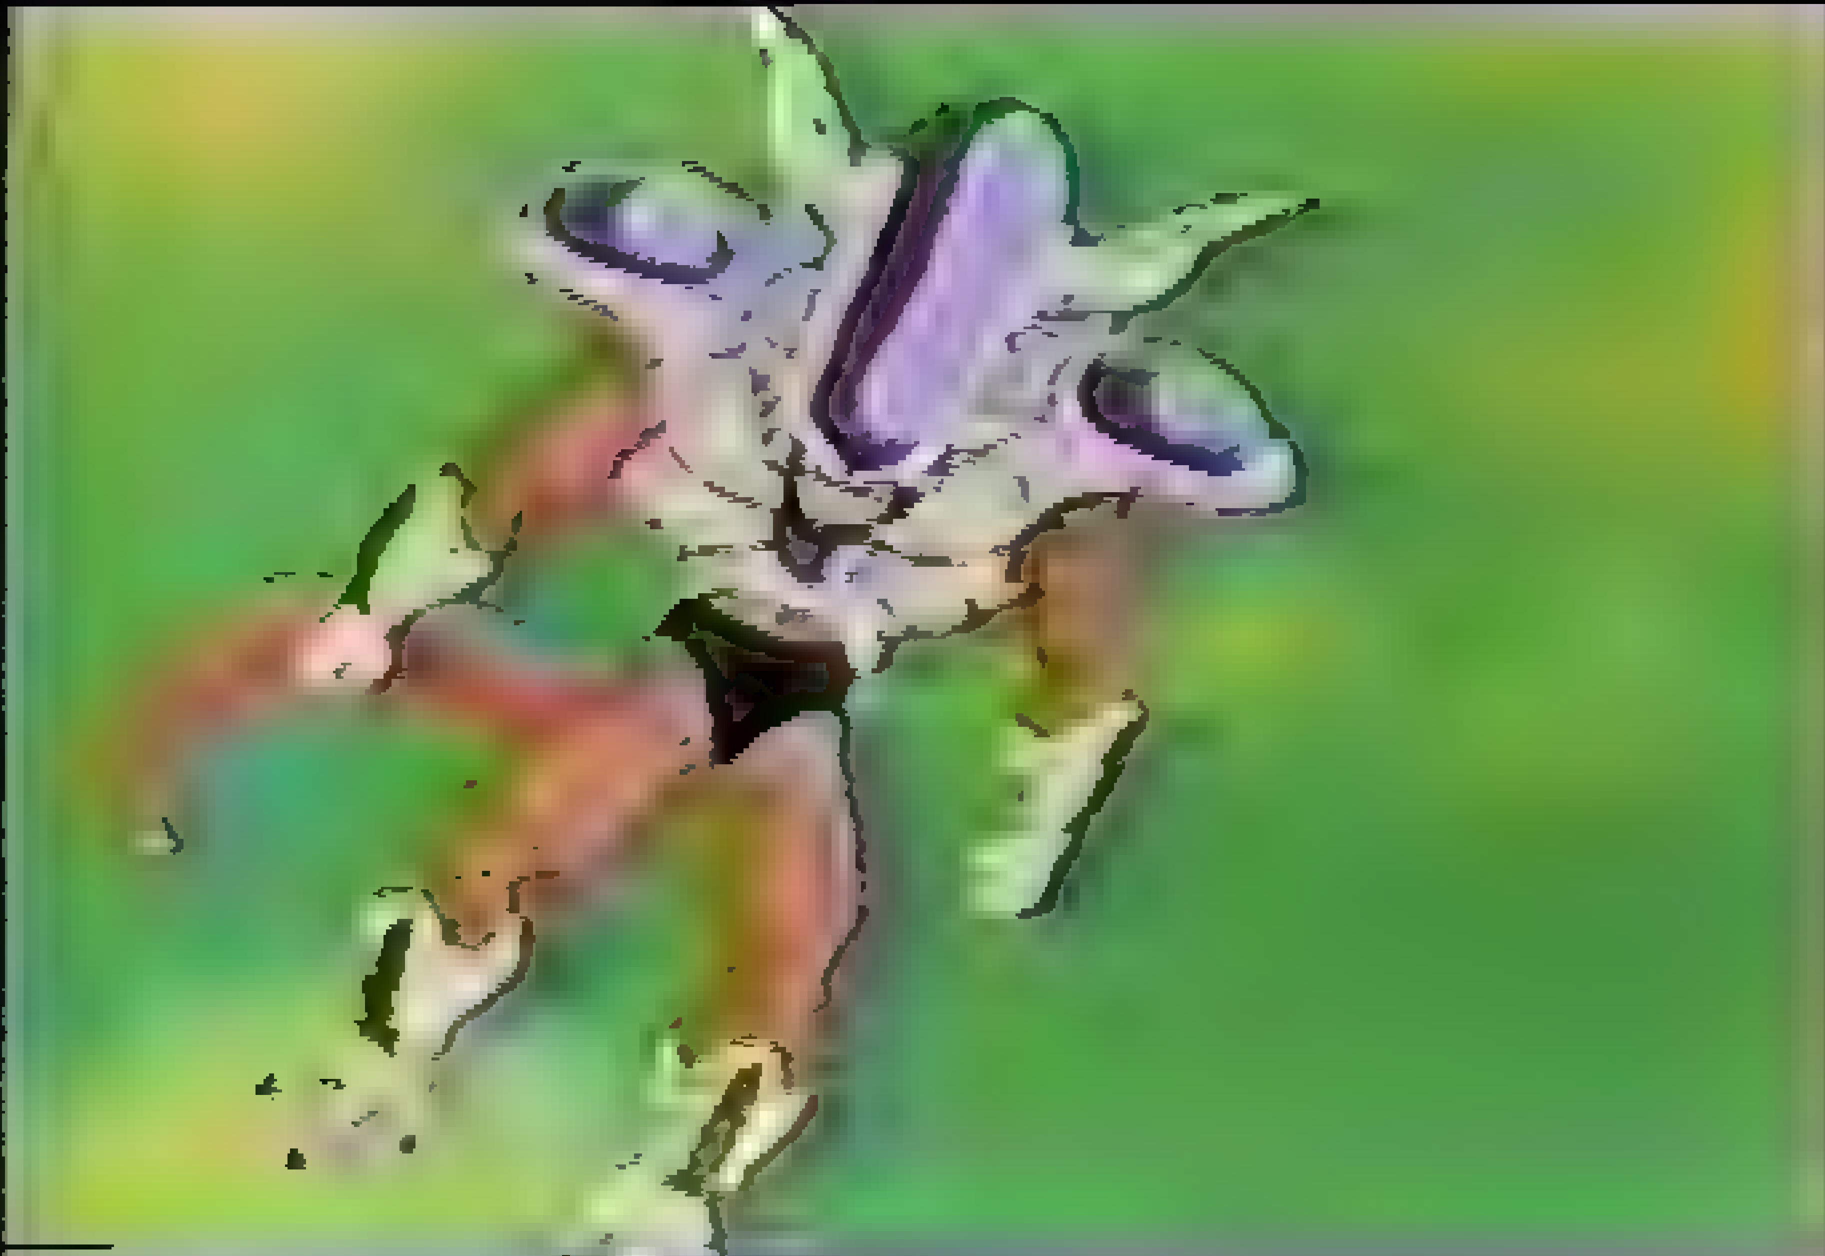

Big trouble?

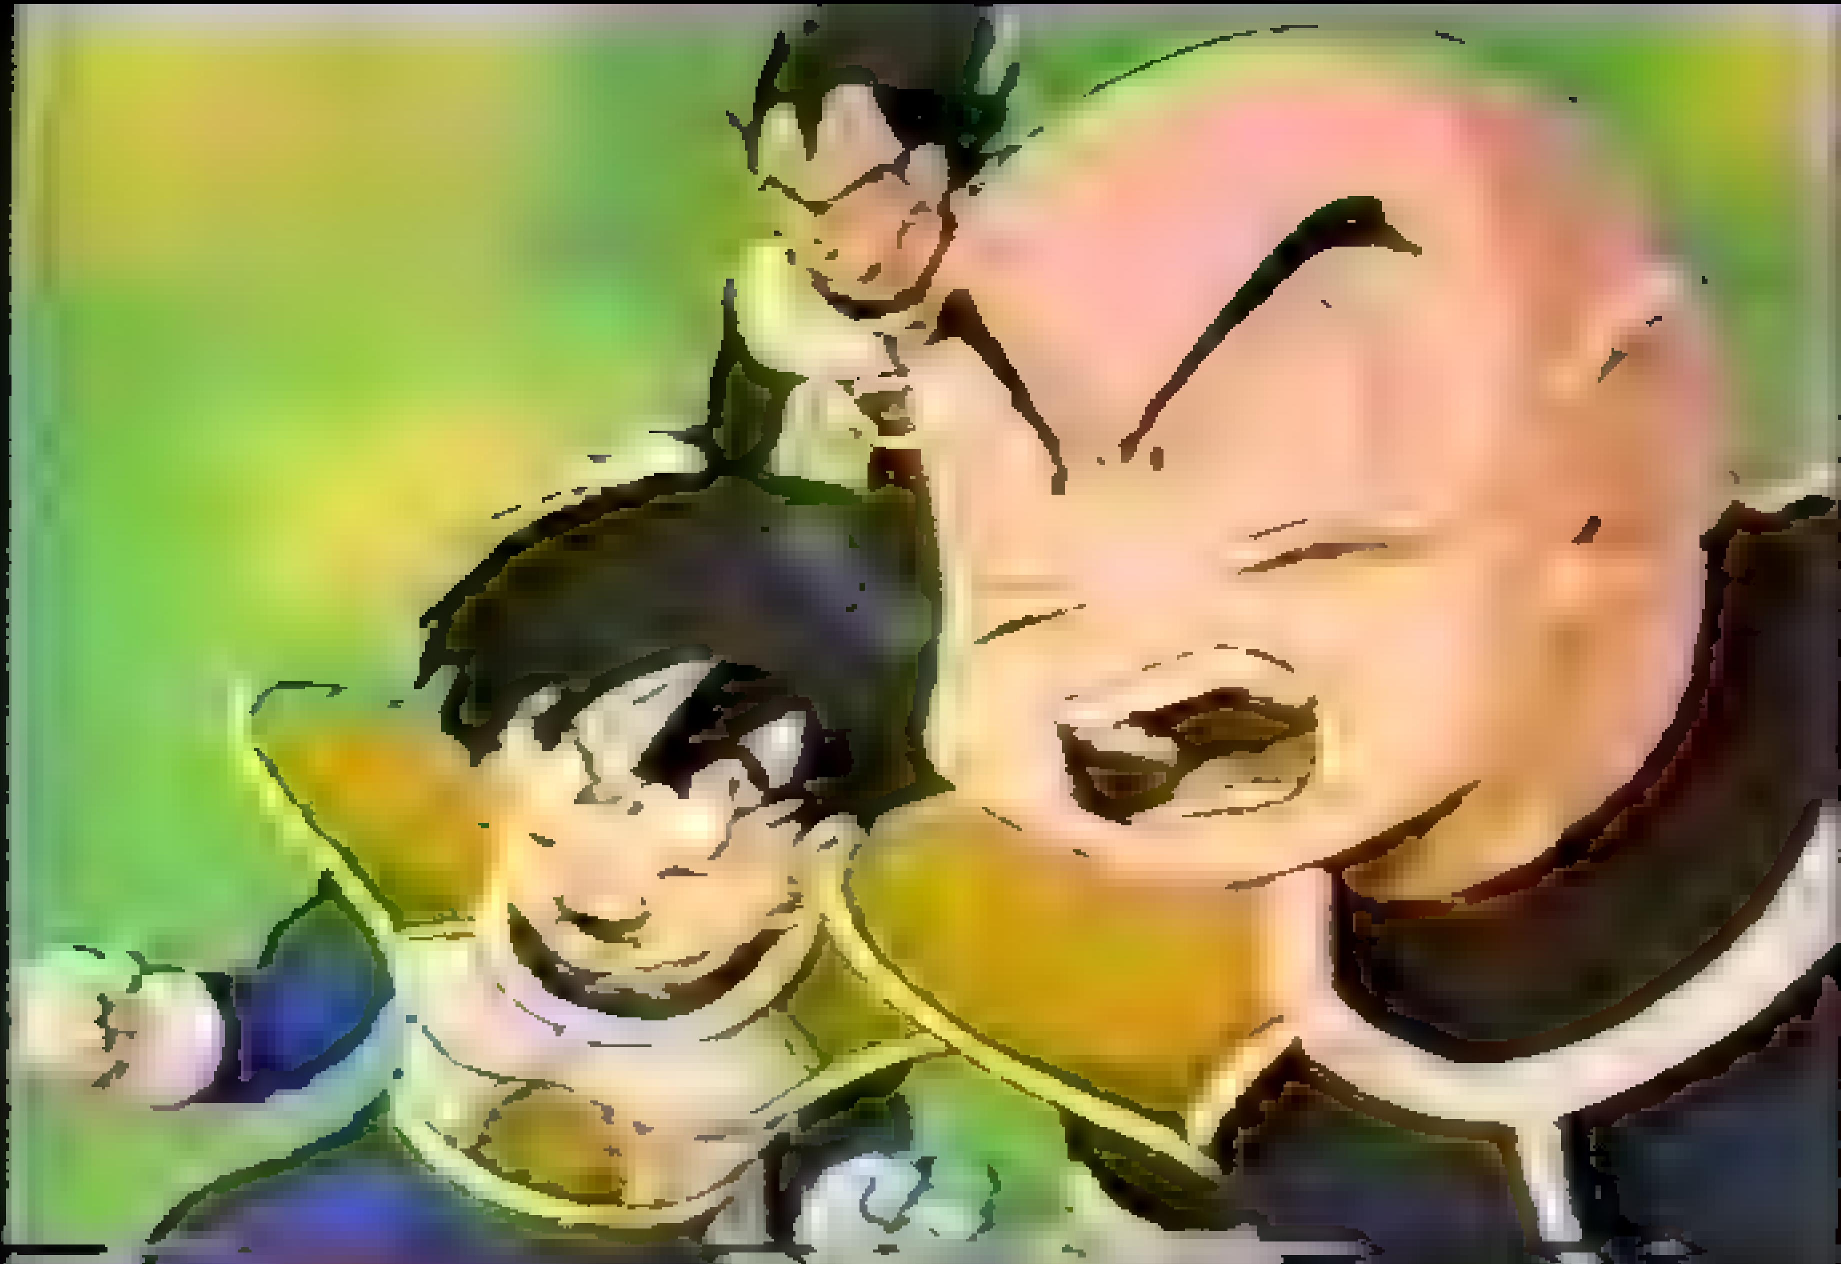

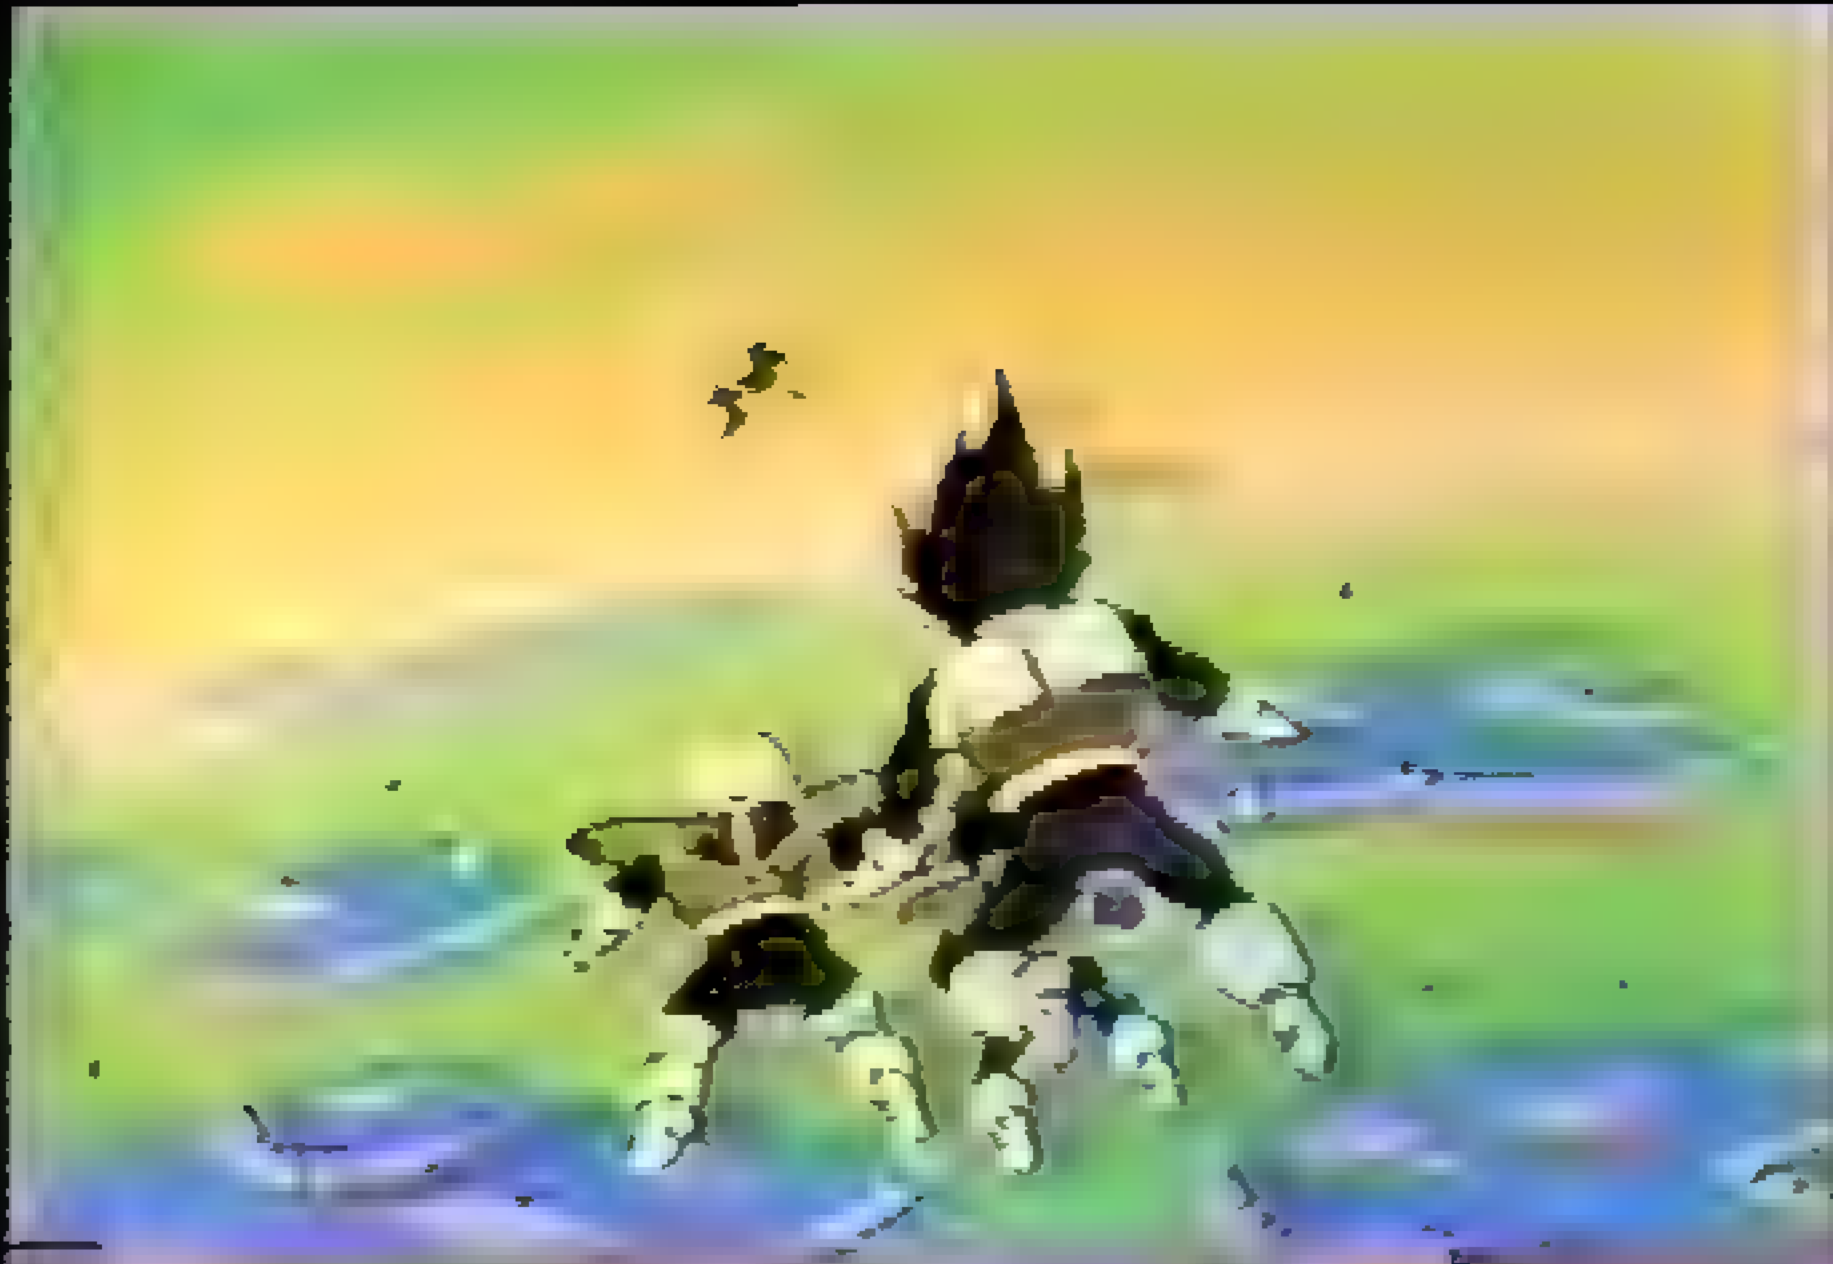

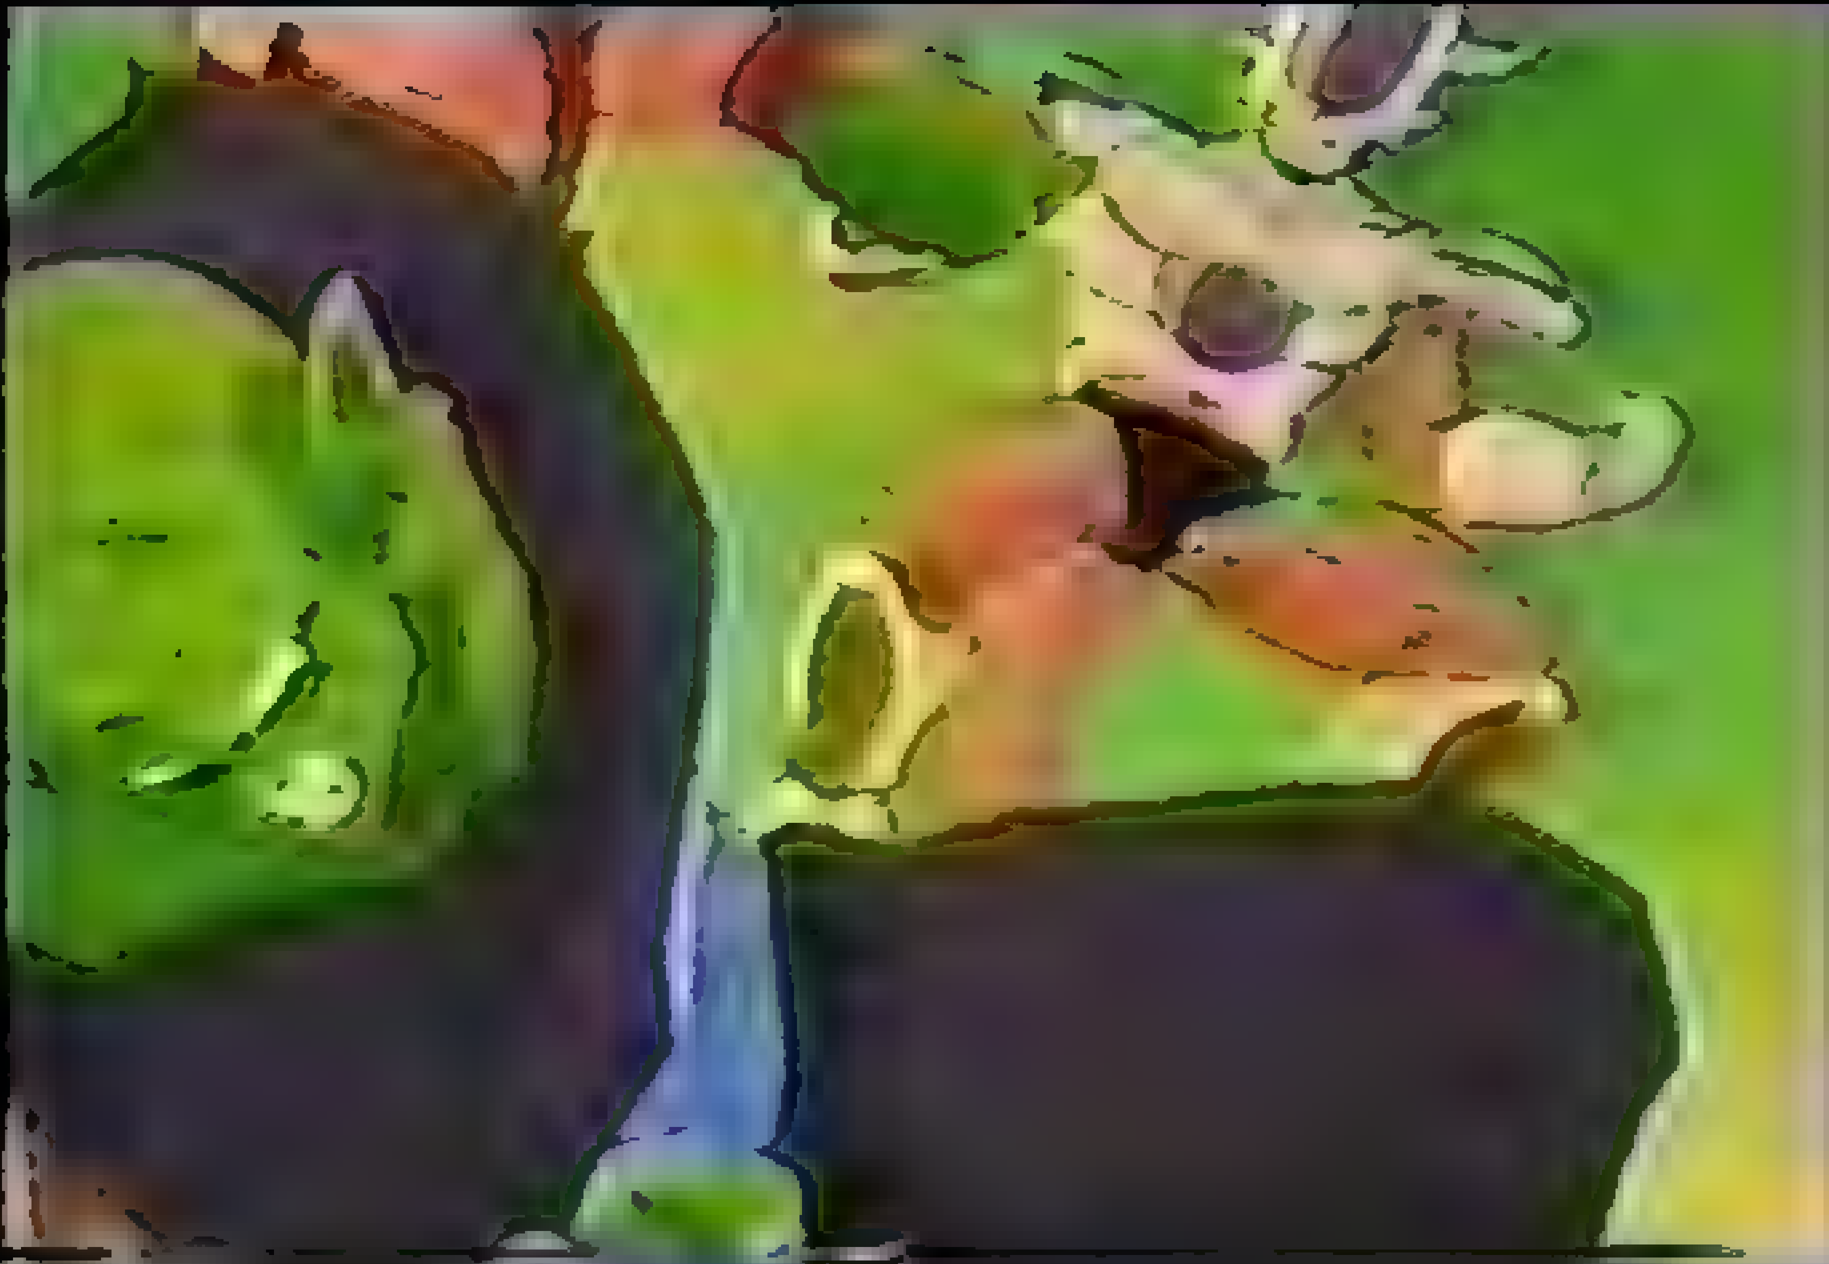

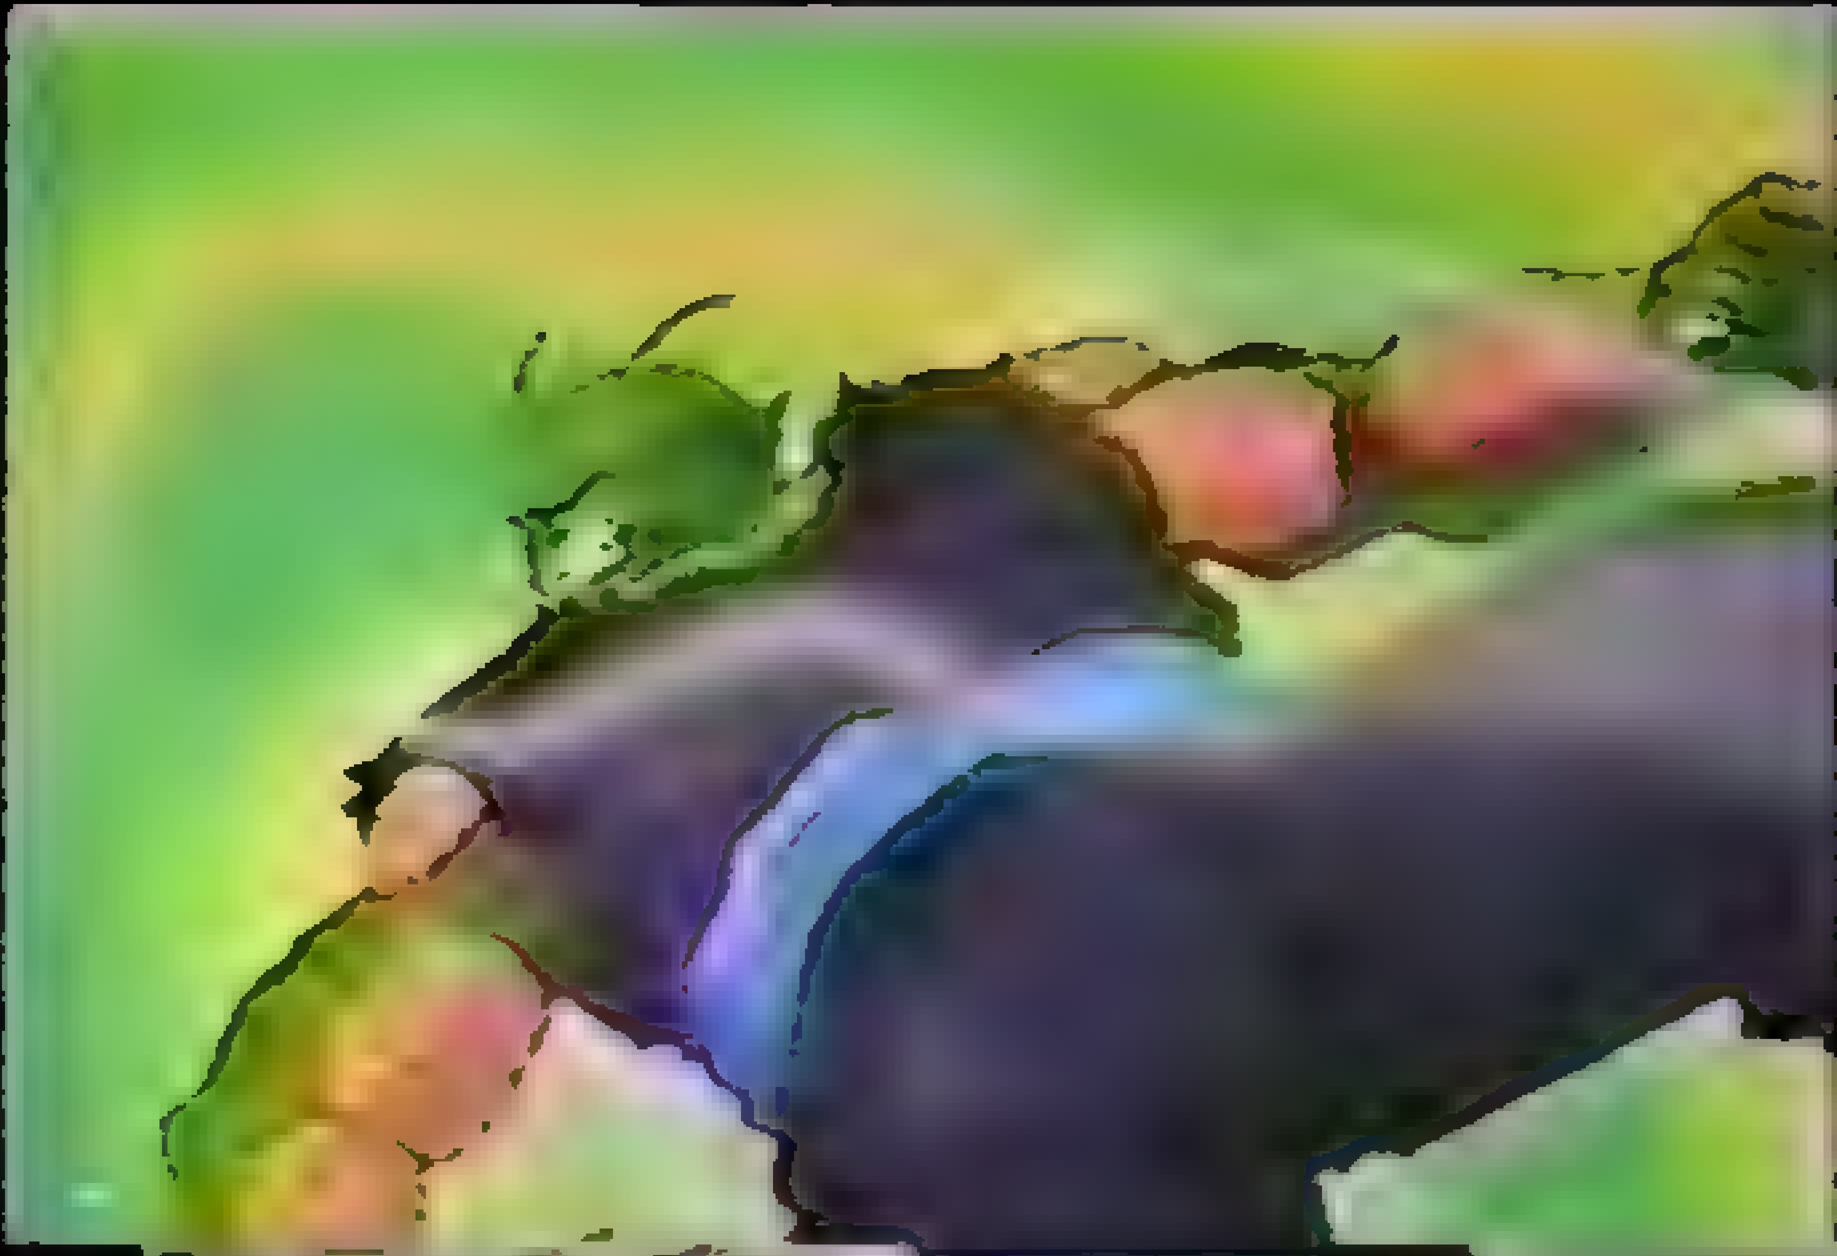

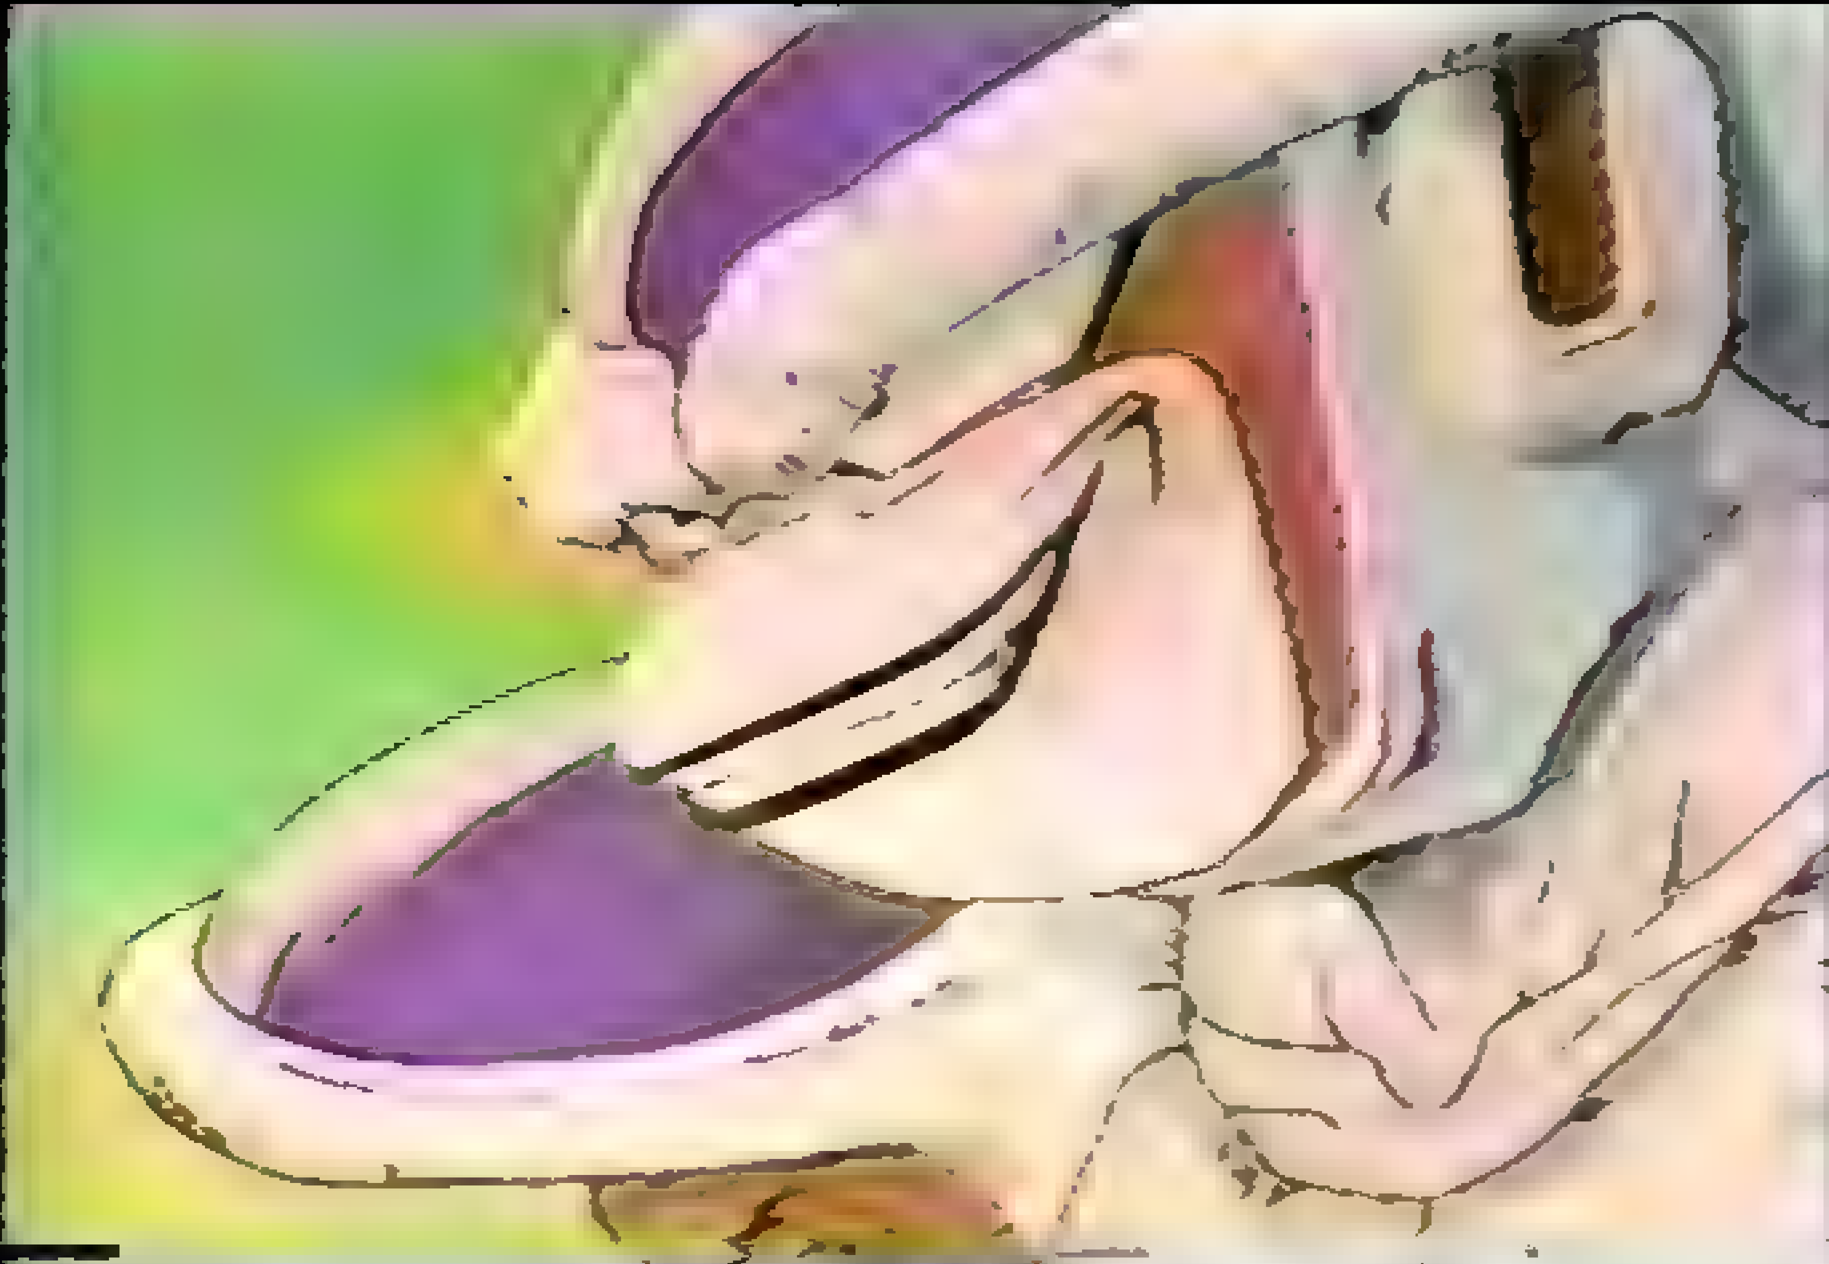

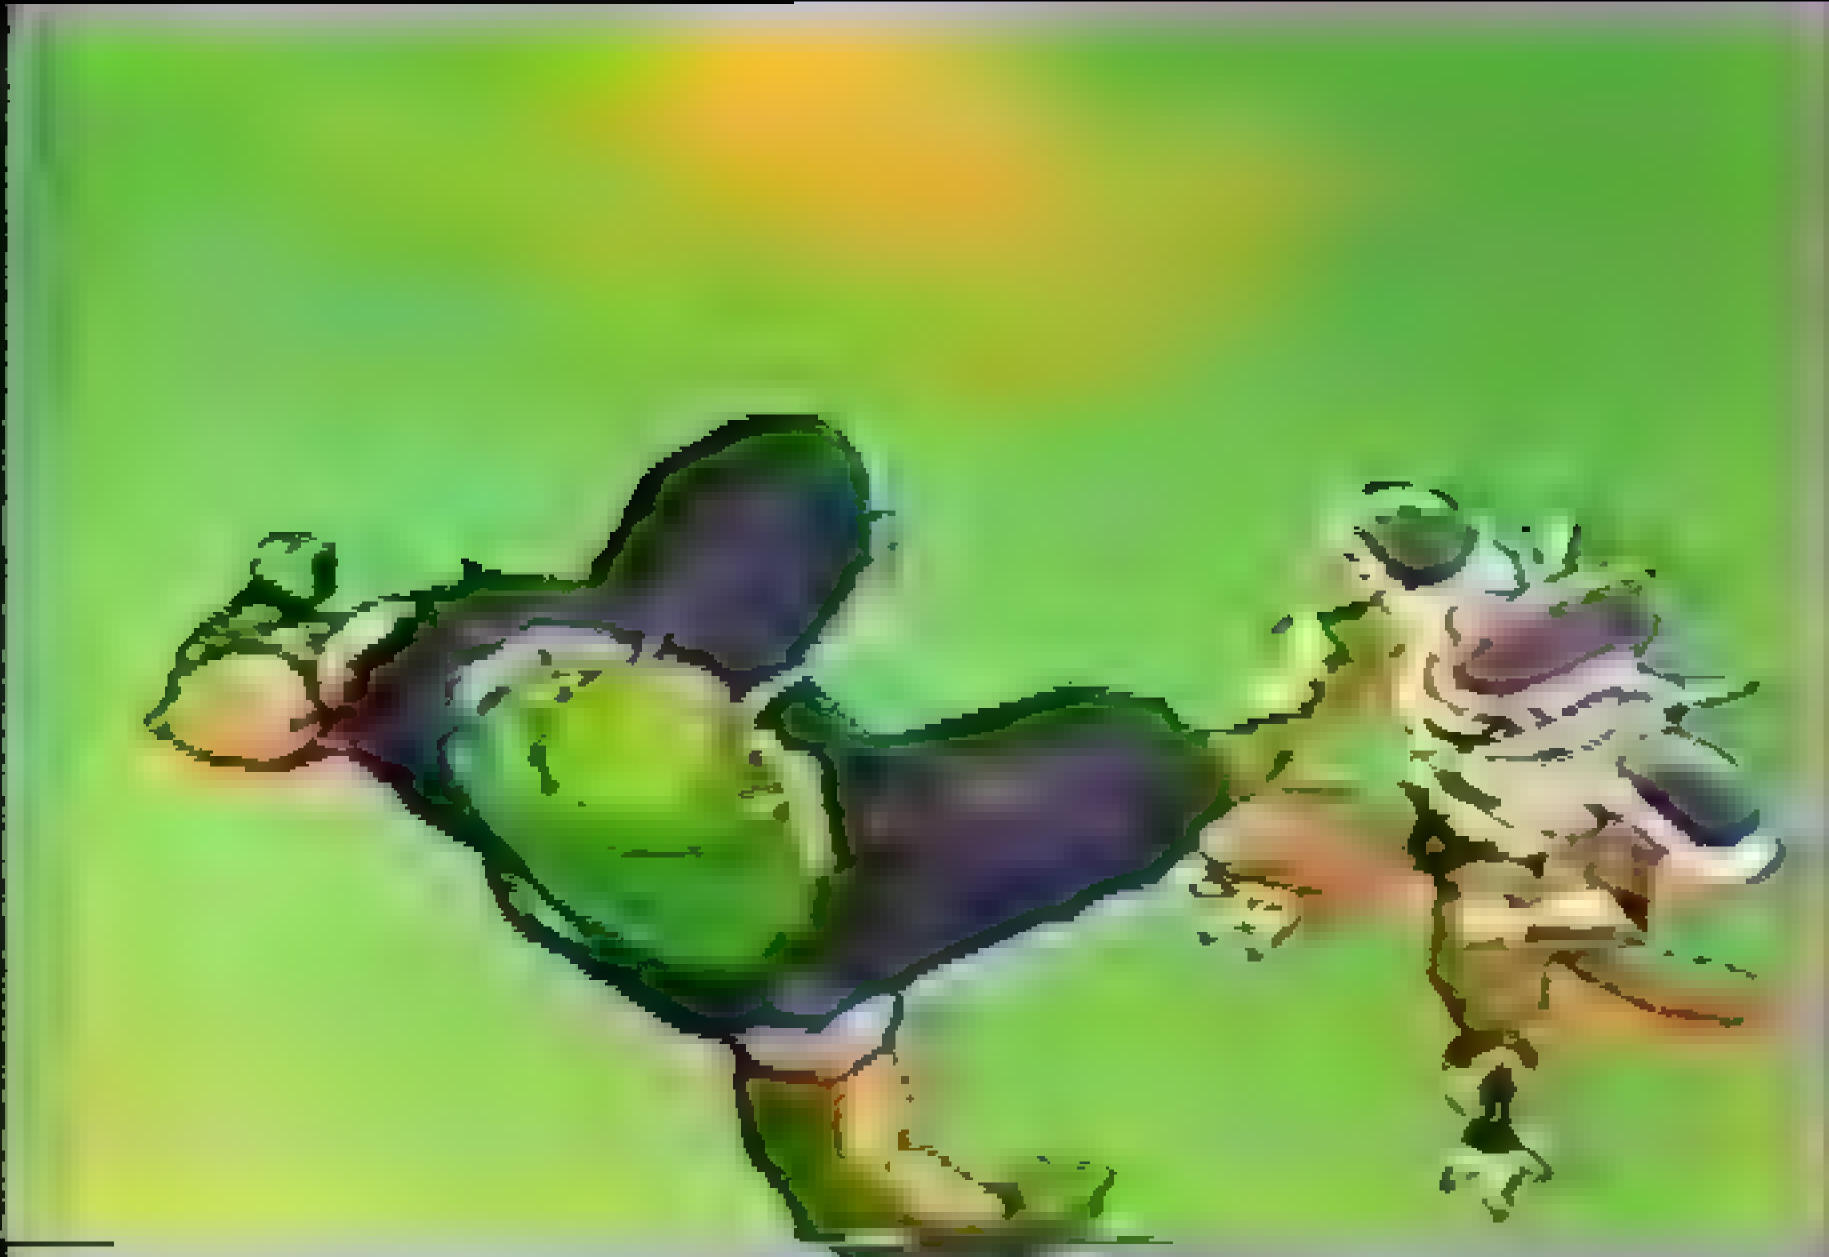

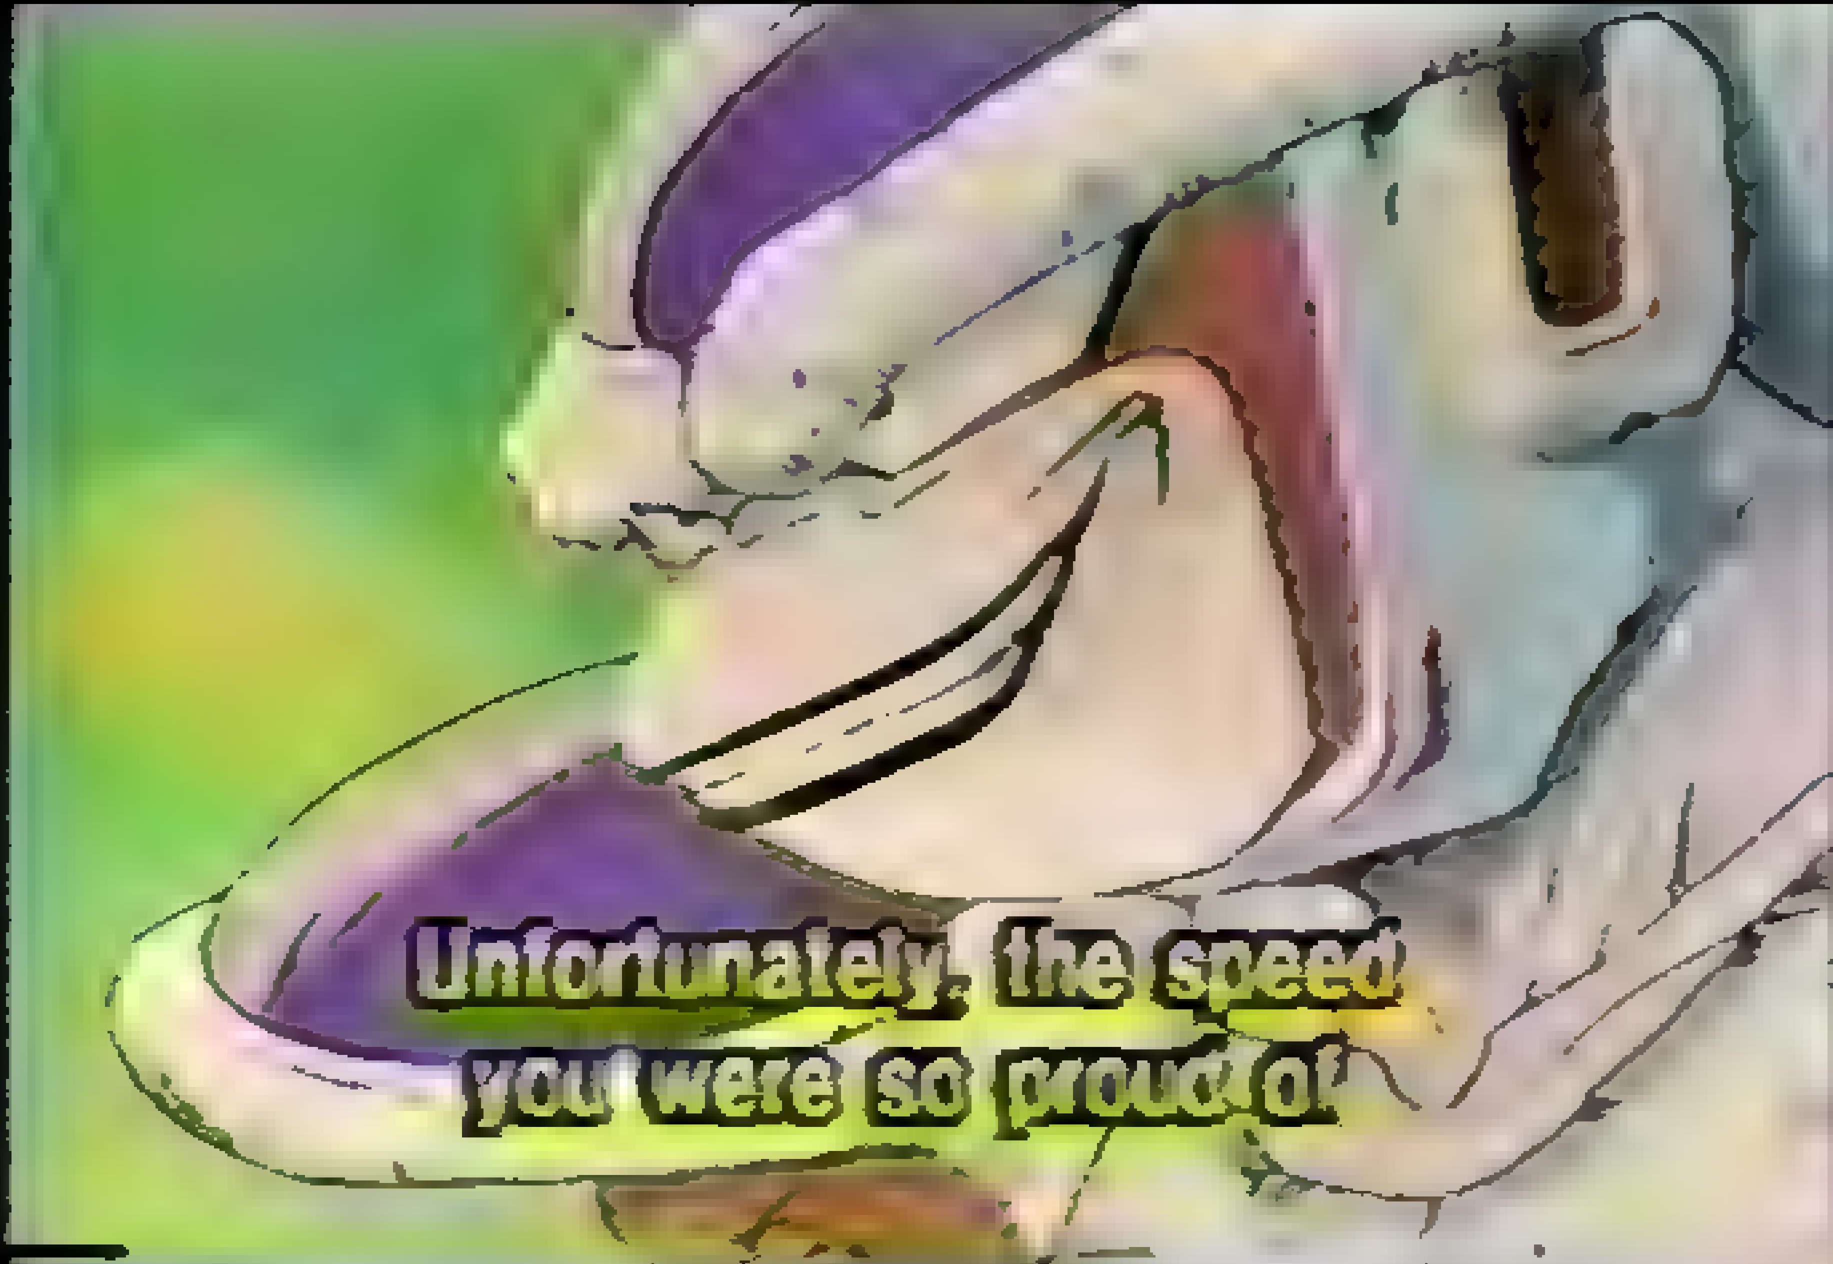

Let's put an end to this play.

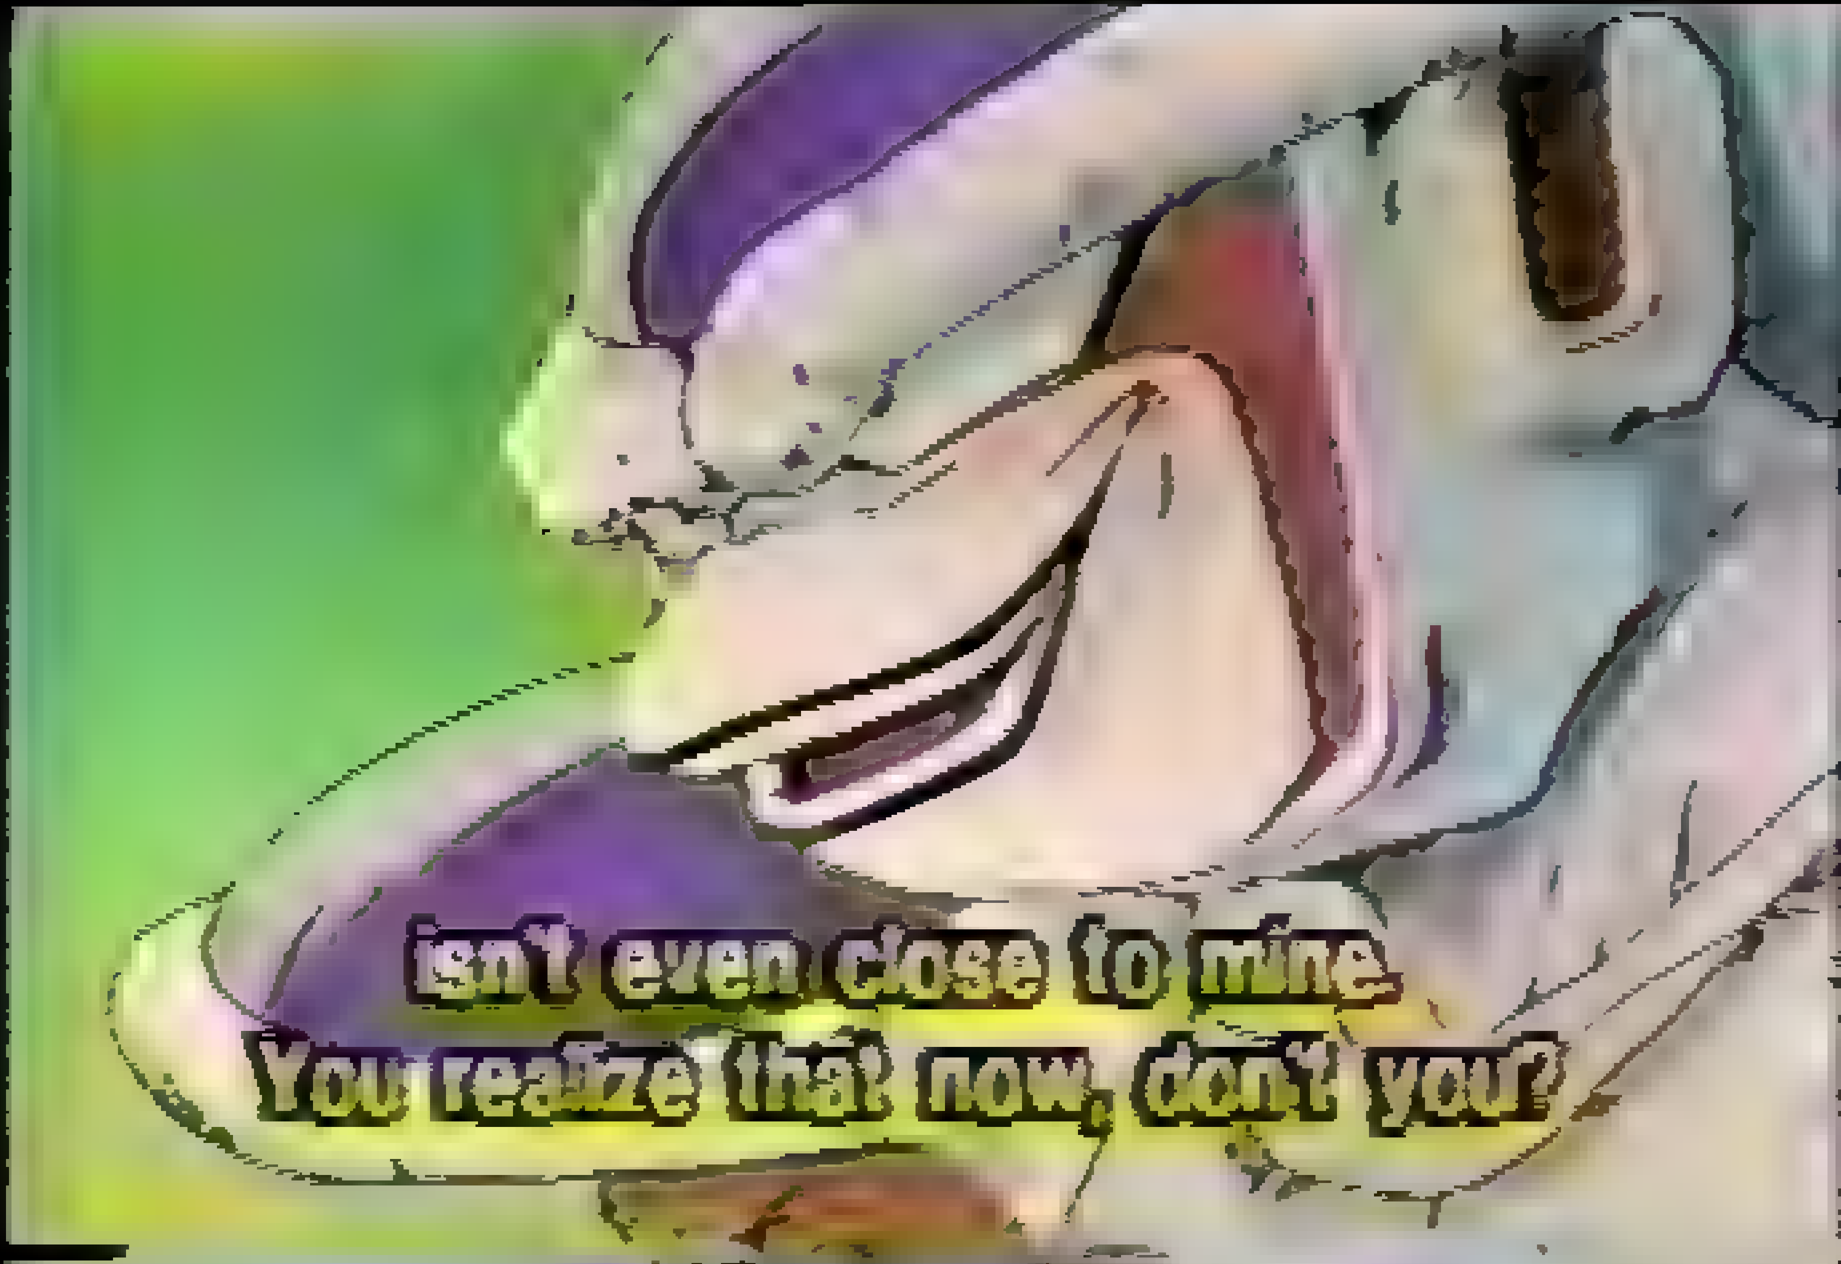

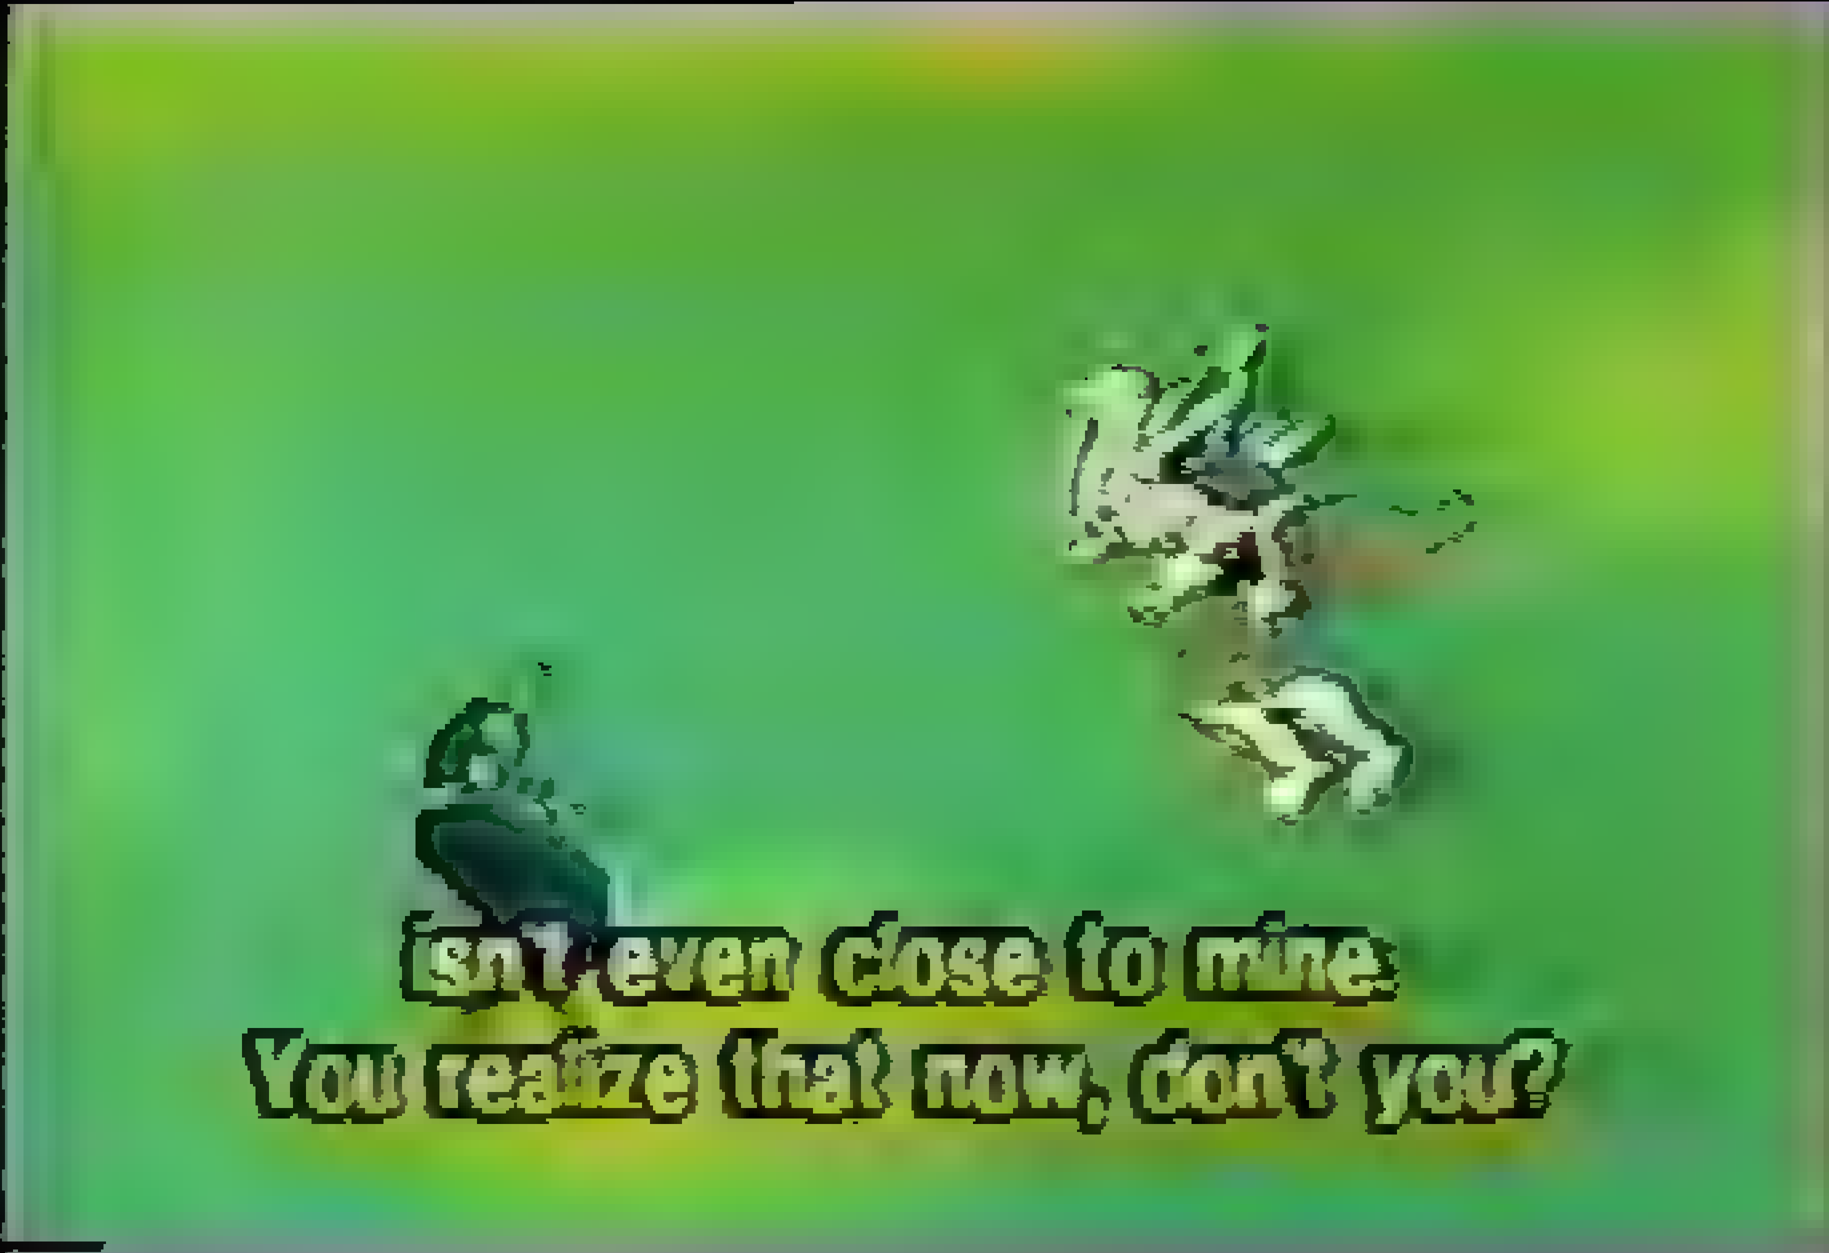

Unfortunately, the speed
you were so proud of

isn't even close to mine.
You realize that now, don't you?

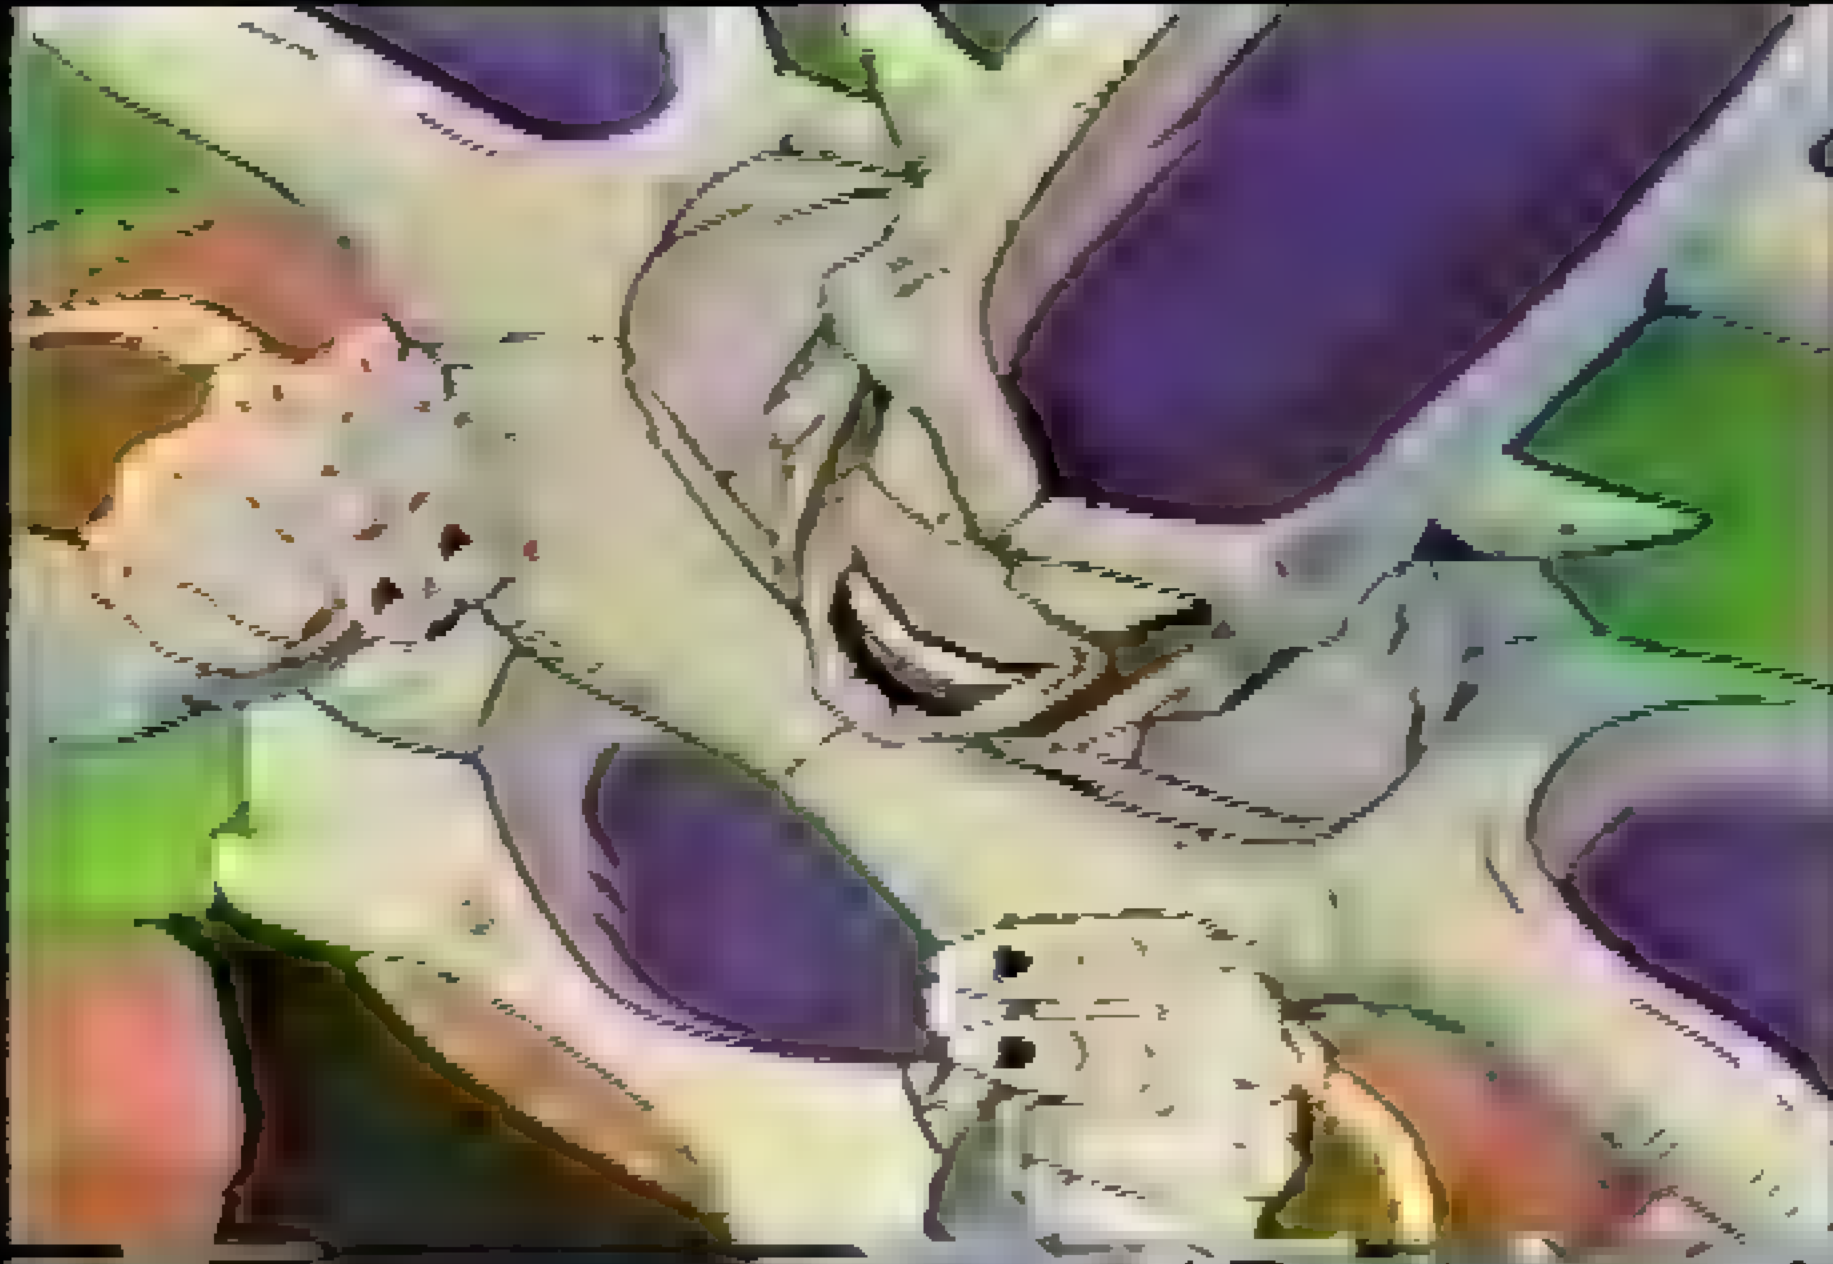

isn't even close to mine.
You realize that now, don't you?

isn't even close to mine.
You realize that now, don't you?

Isn't it time you just gave up?

Isn't it time you just gave up?

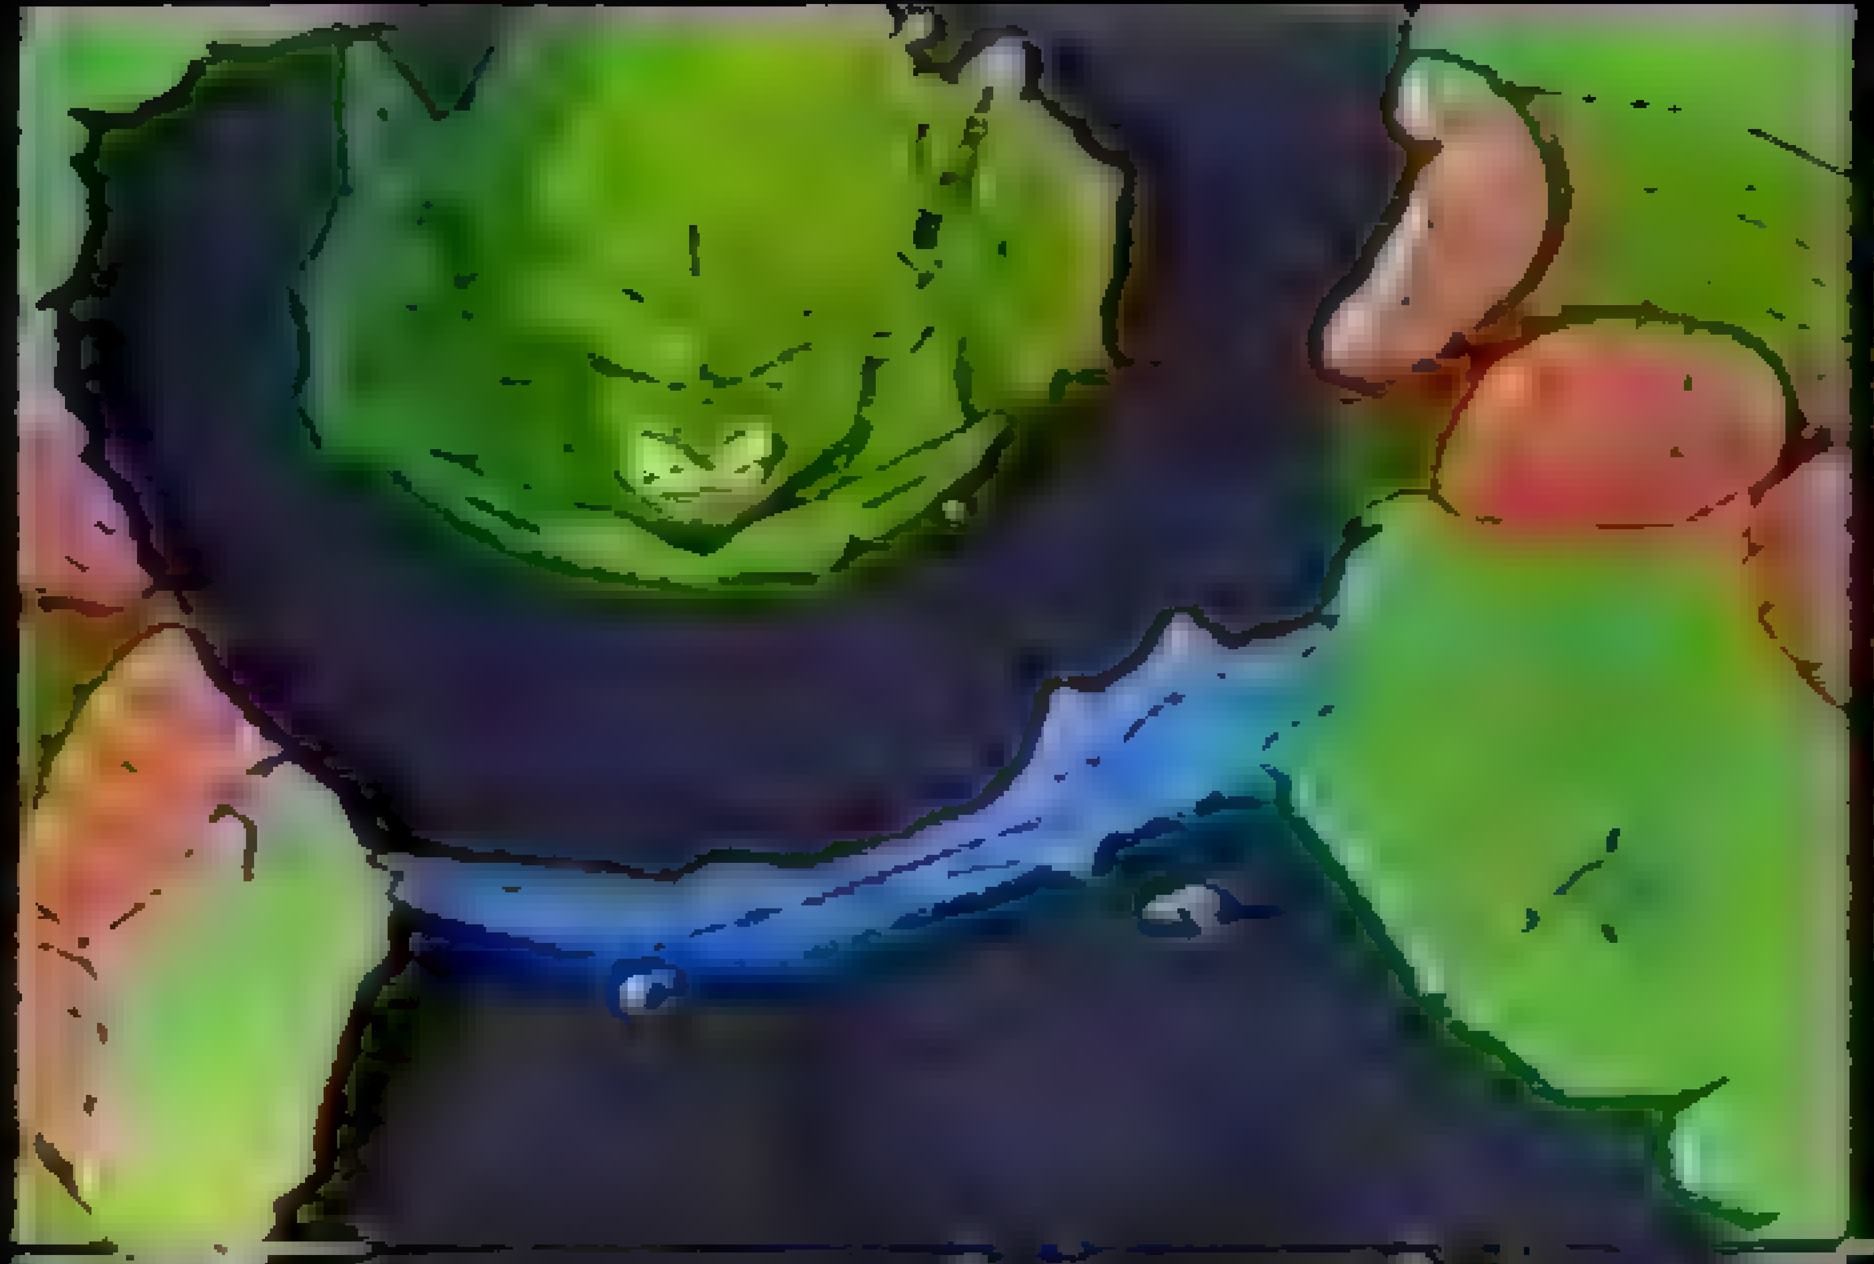

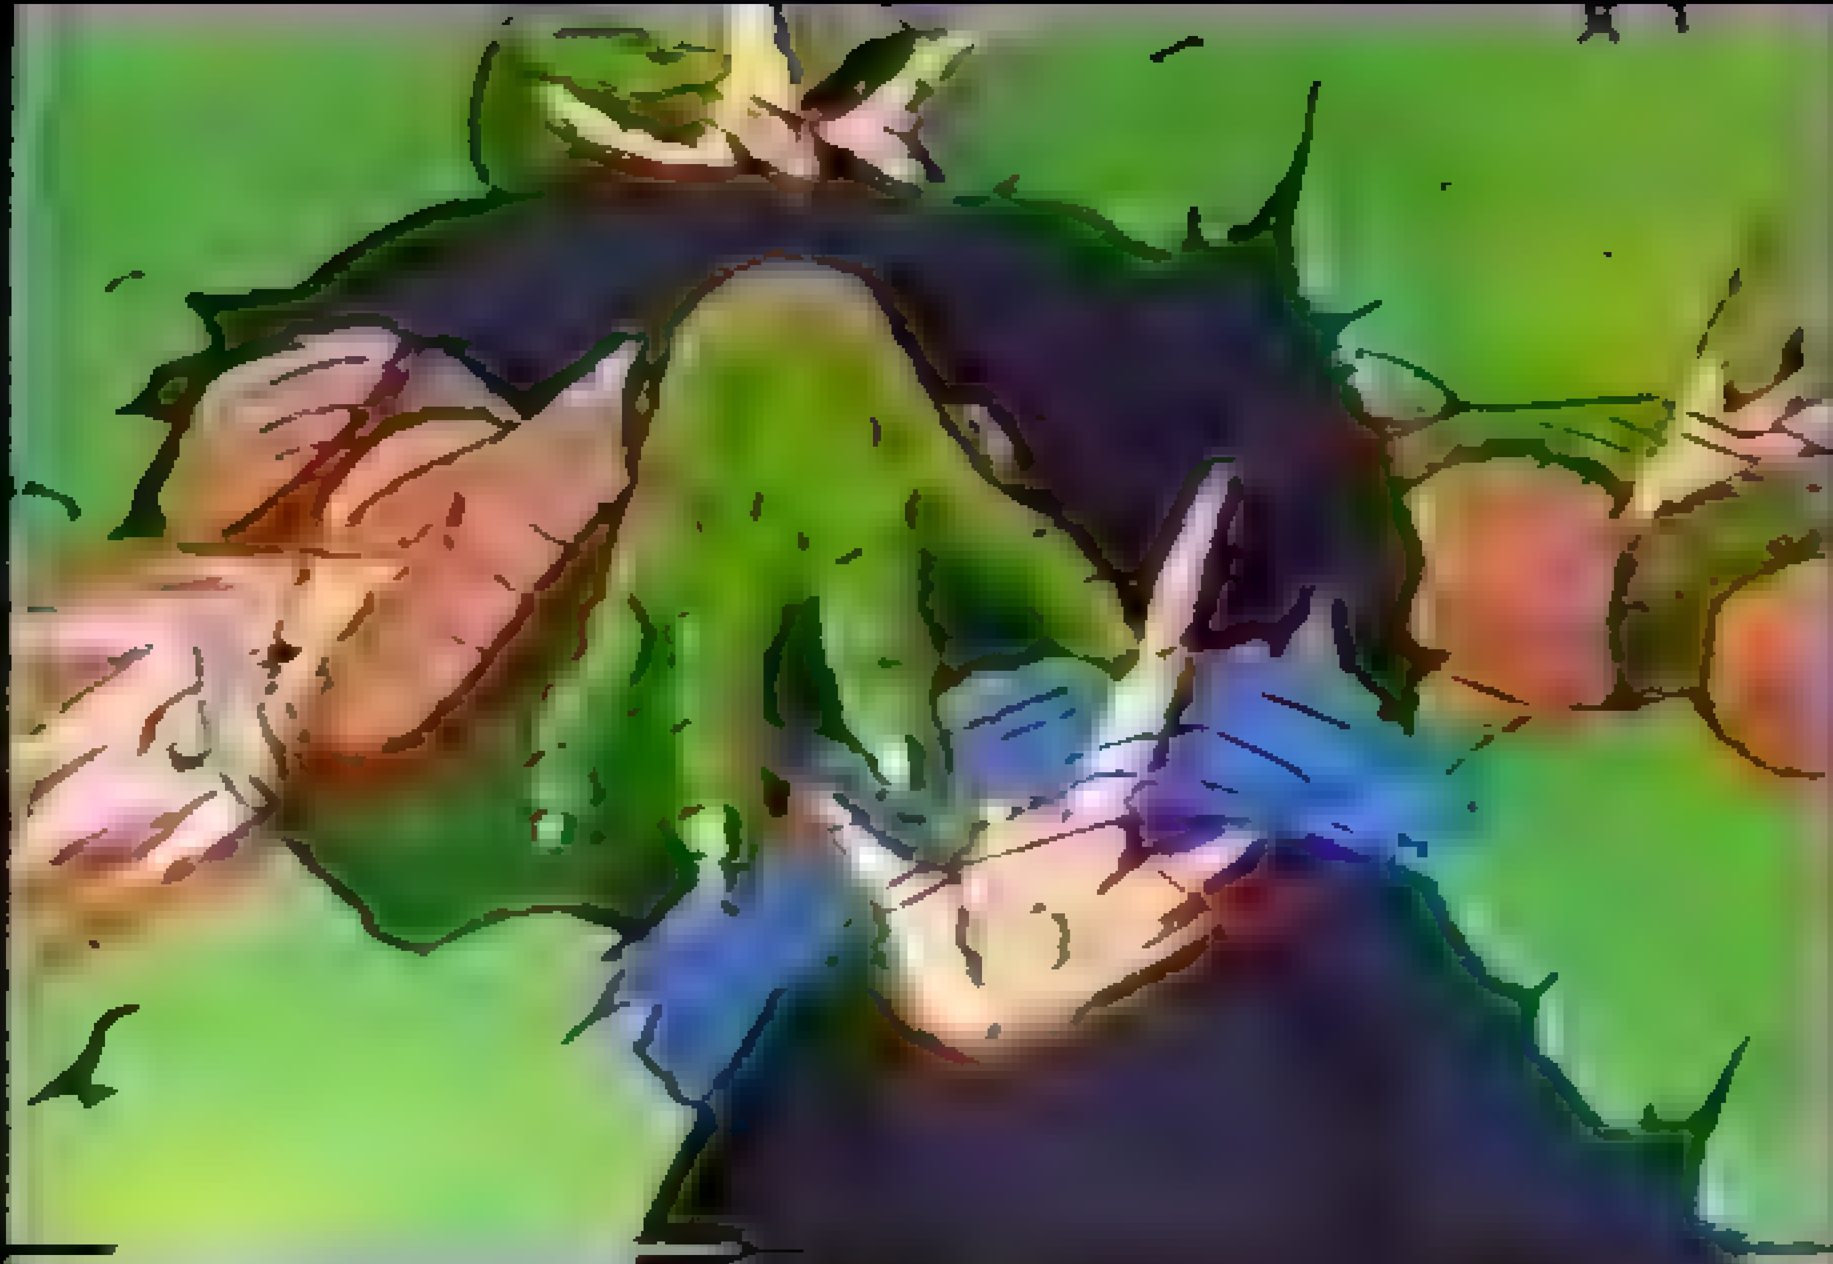

He's fast!

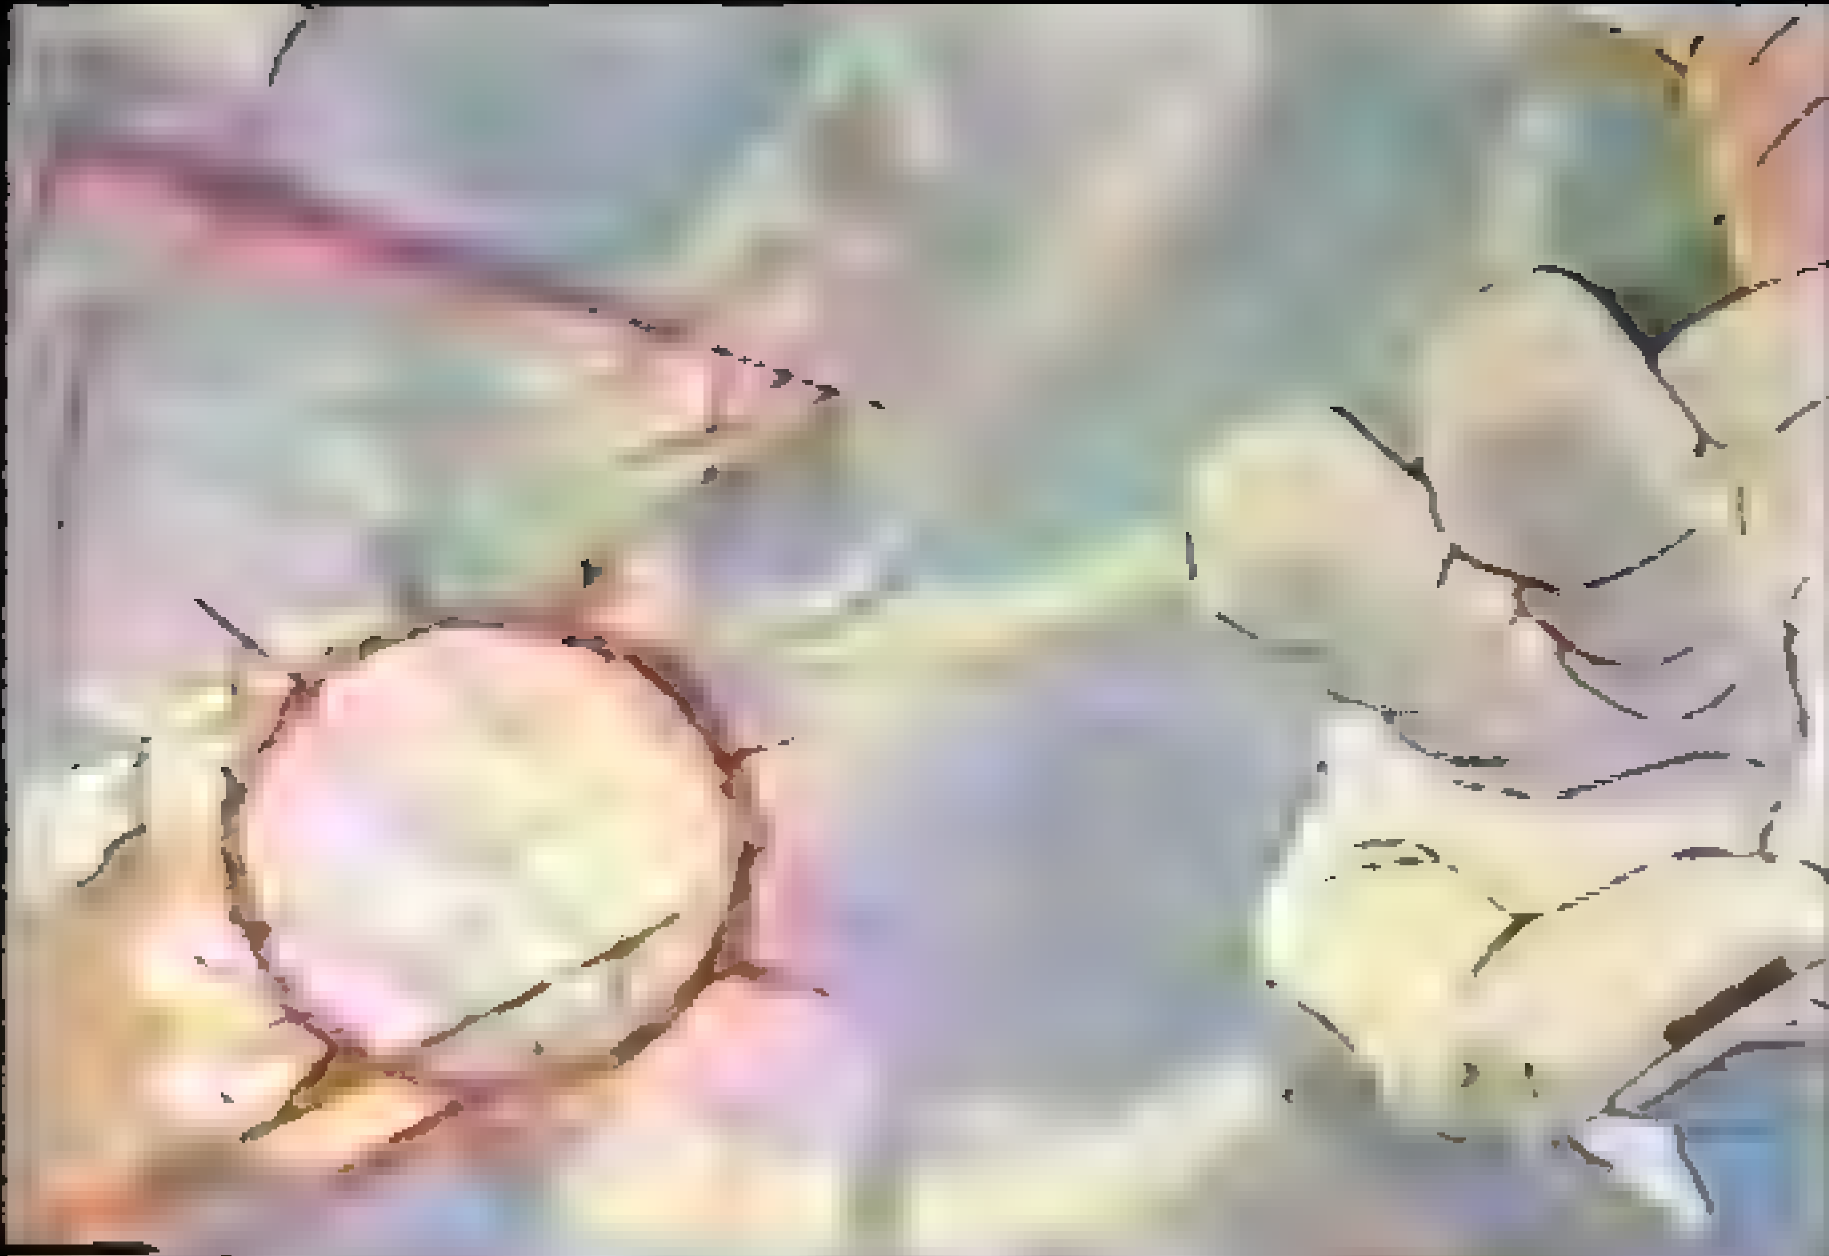

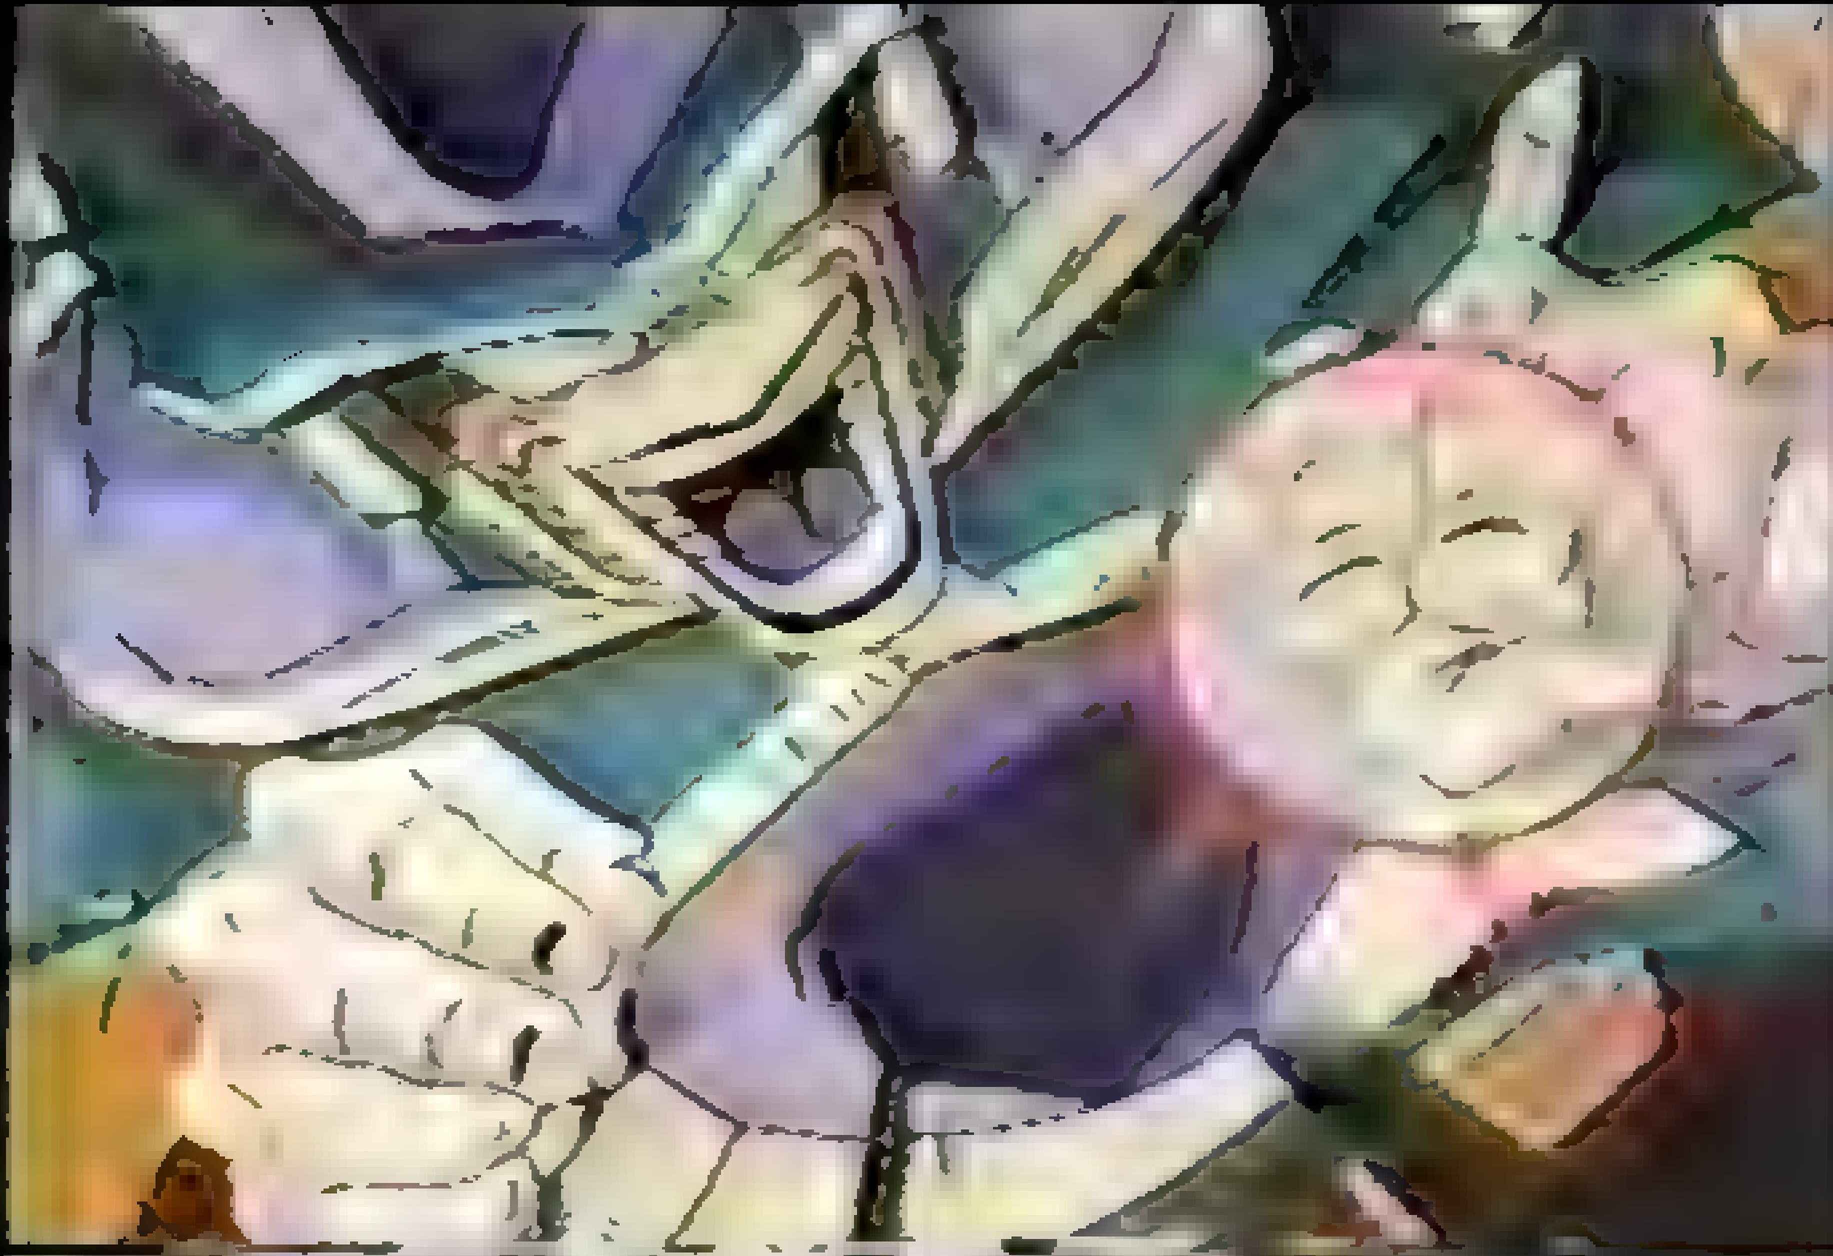

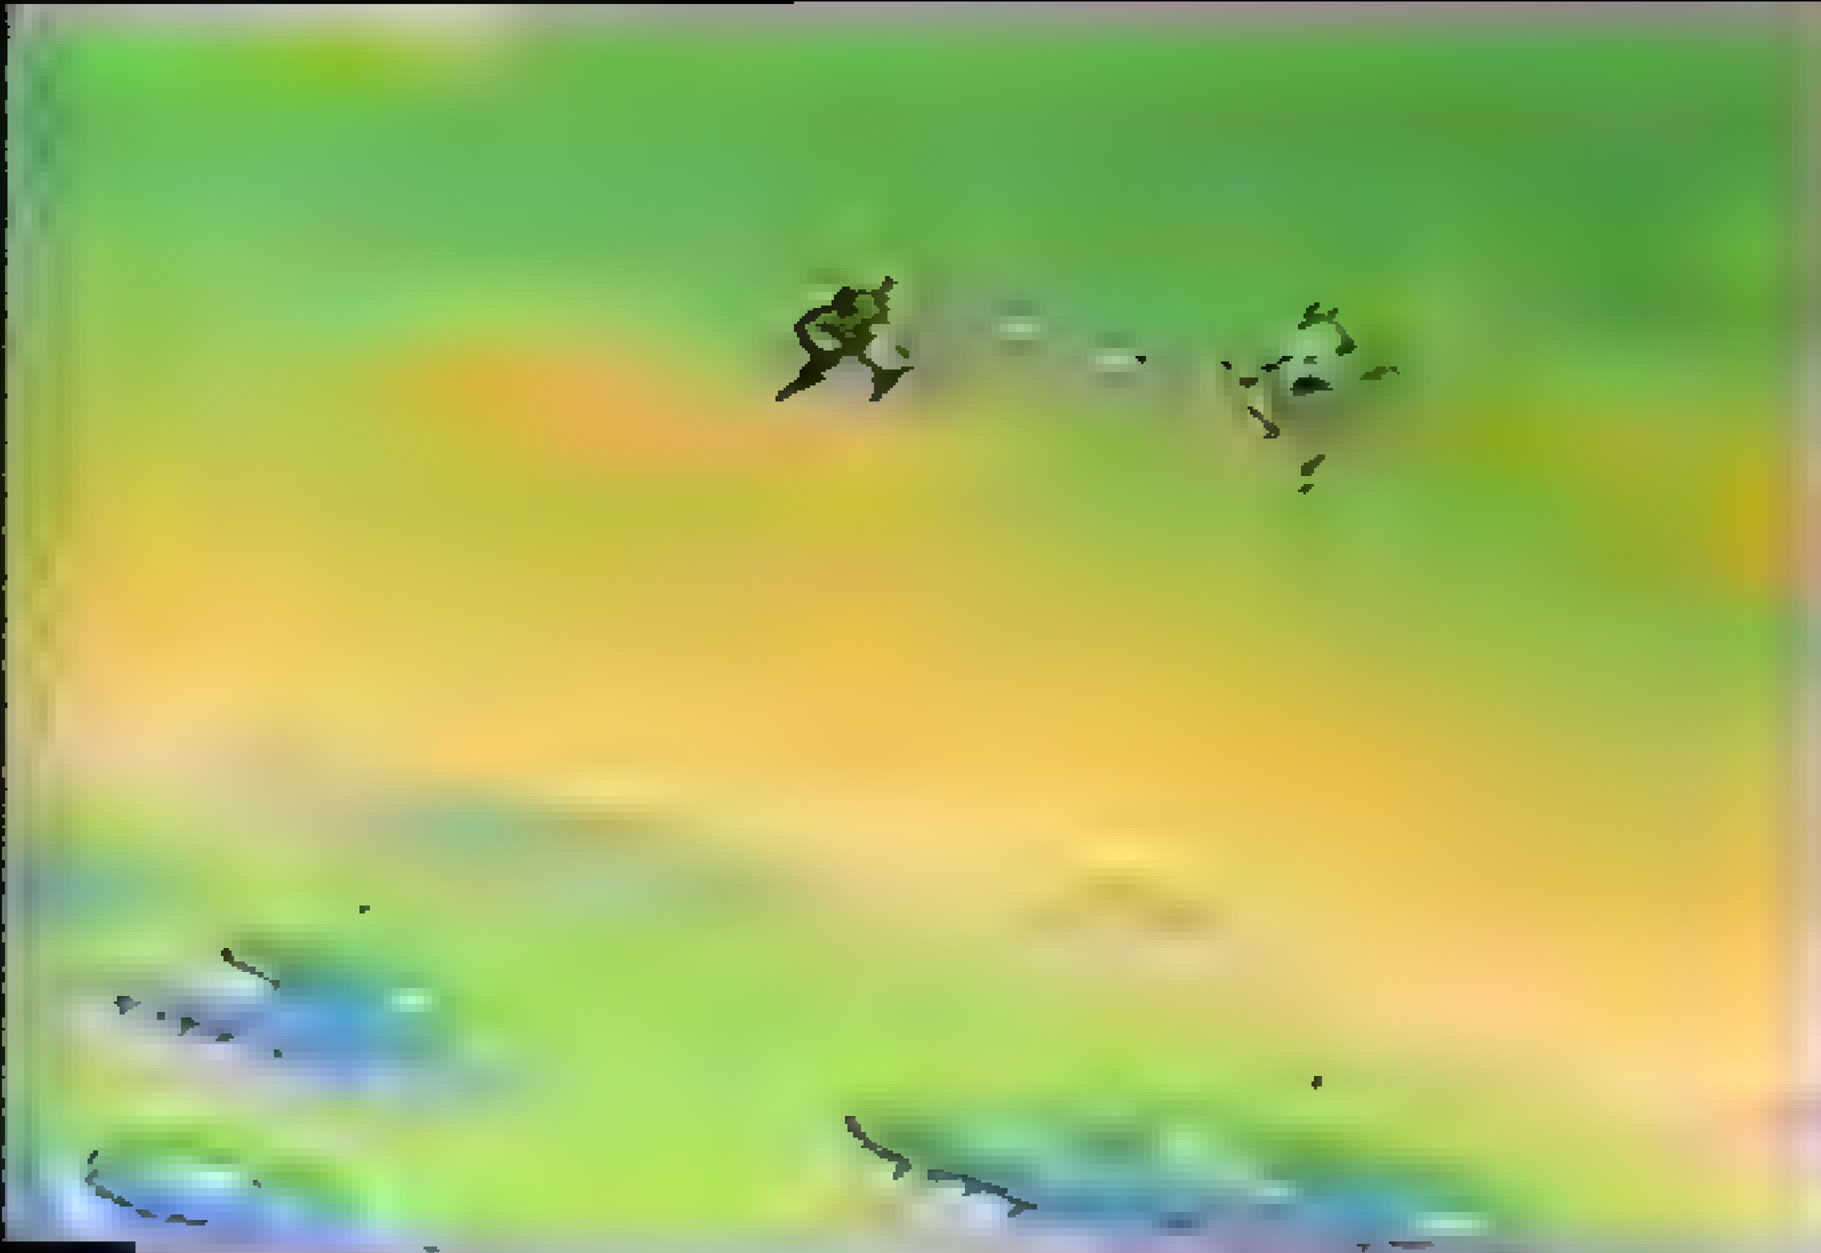

Mr. Piccolo!

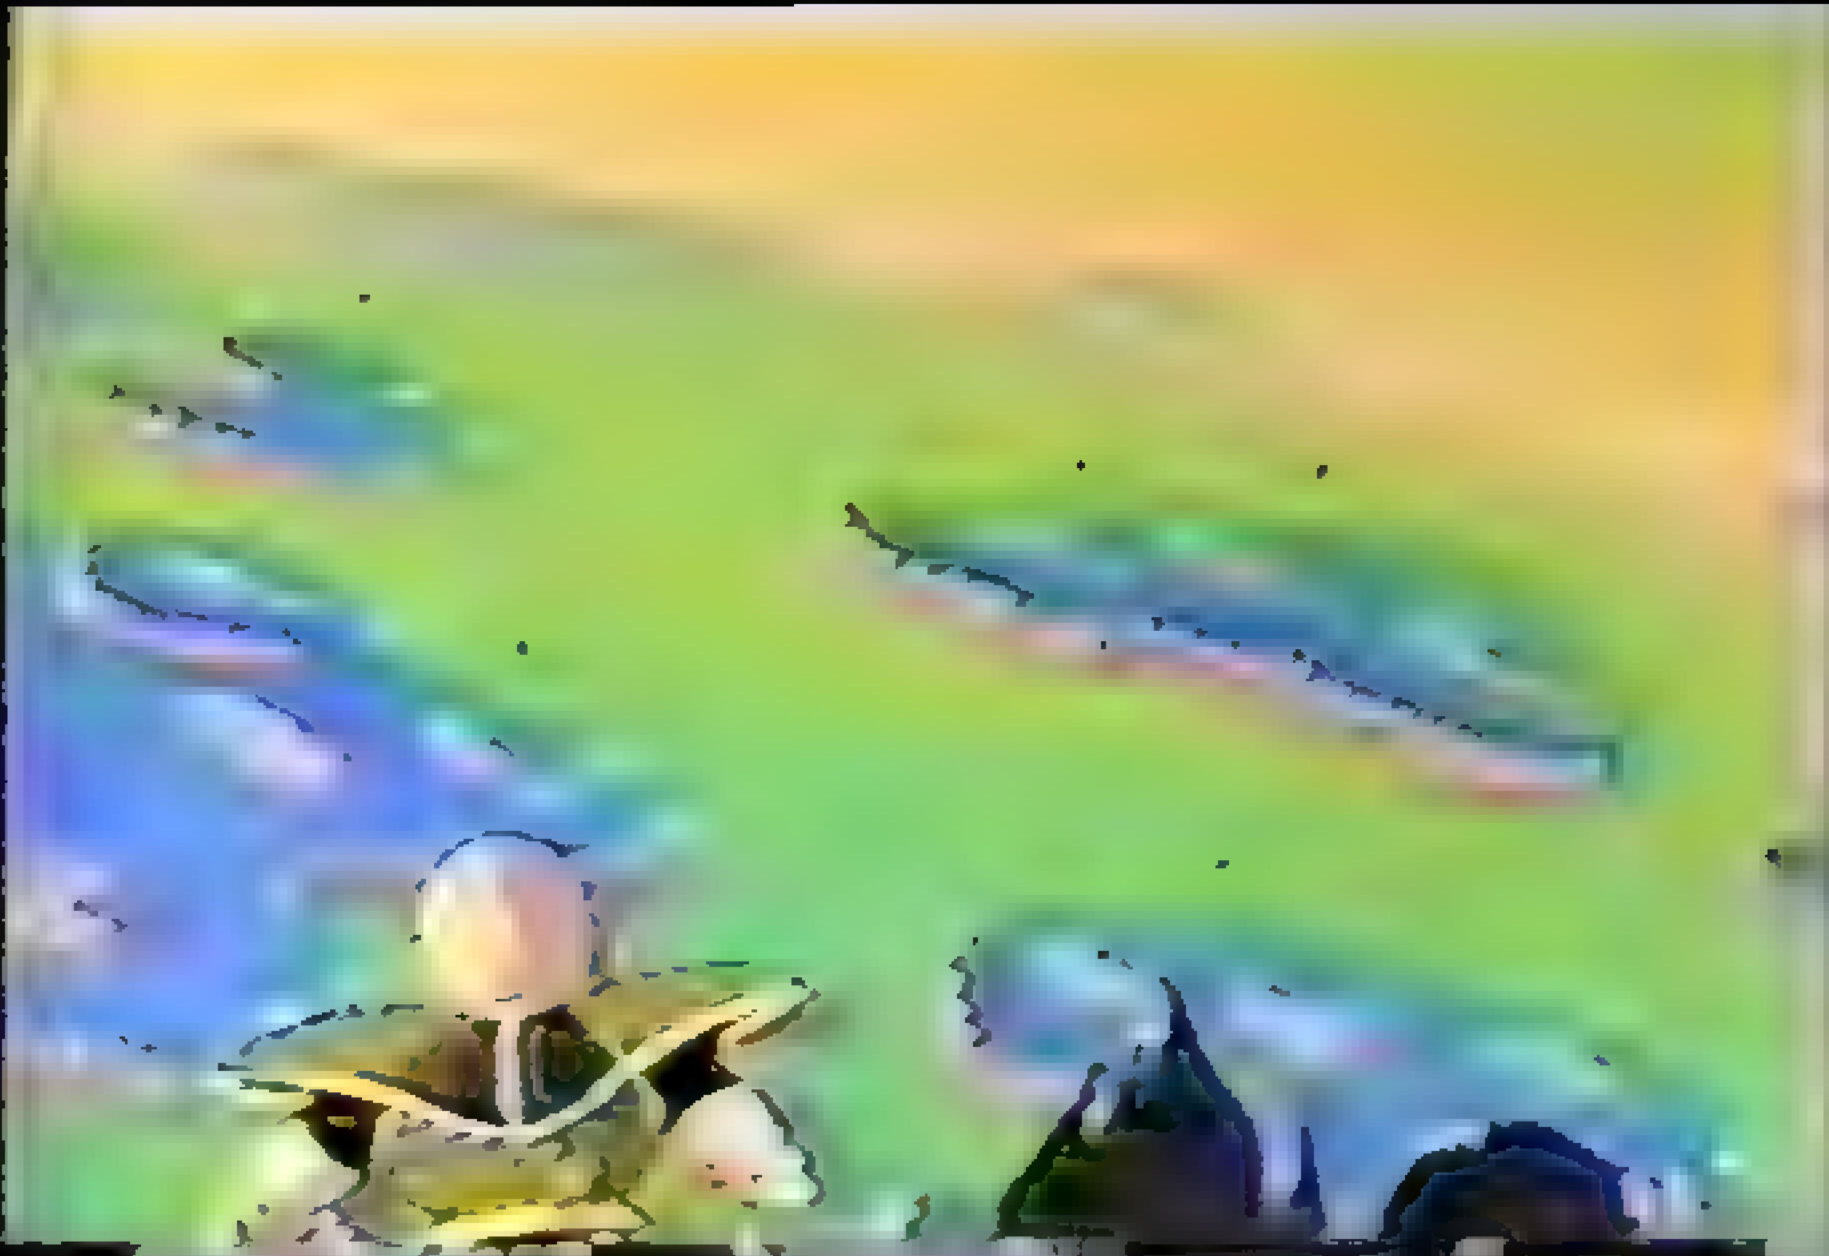

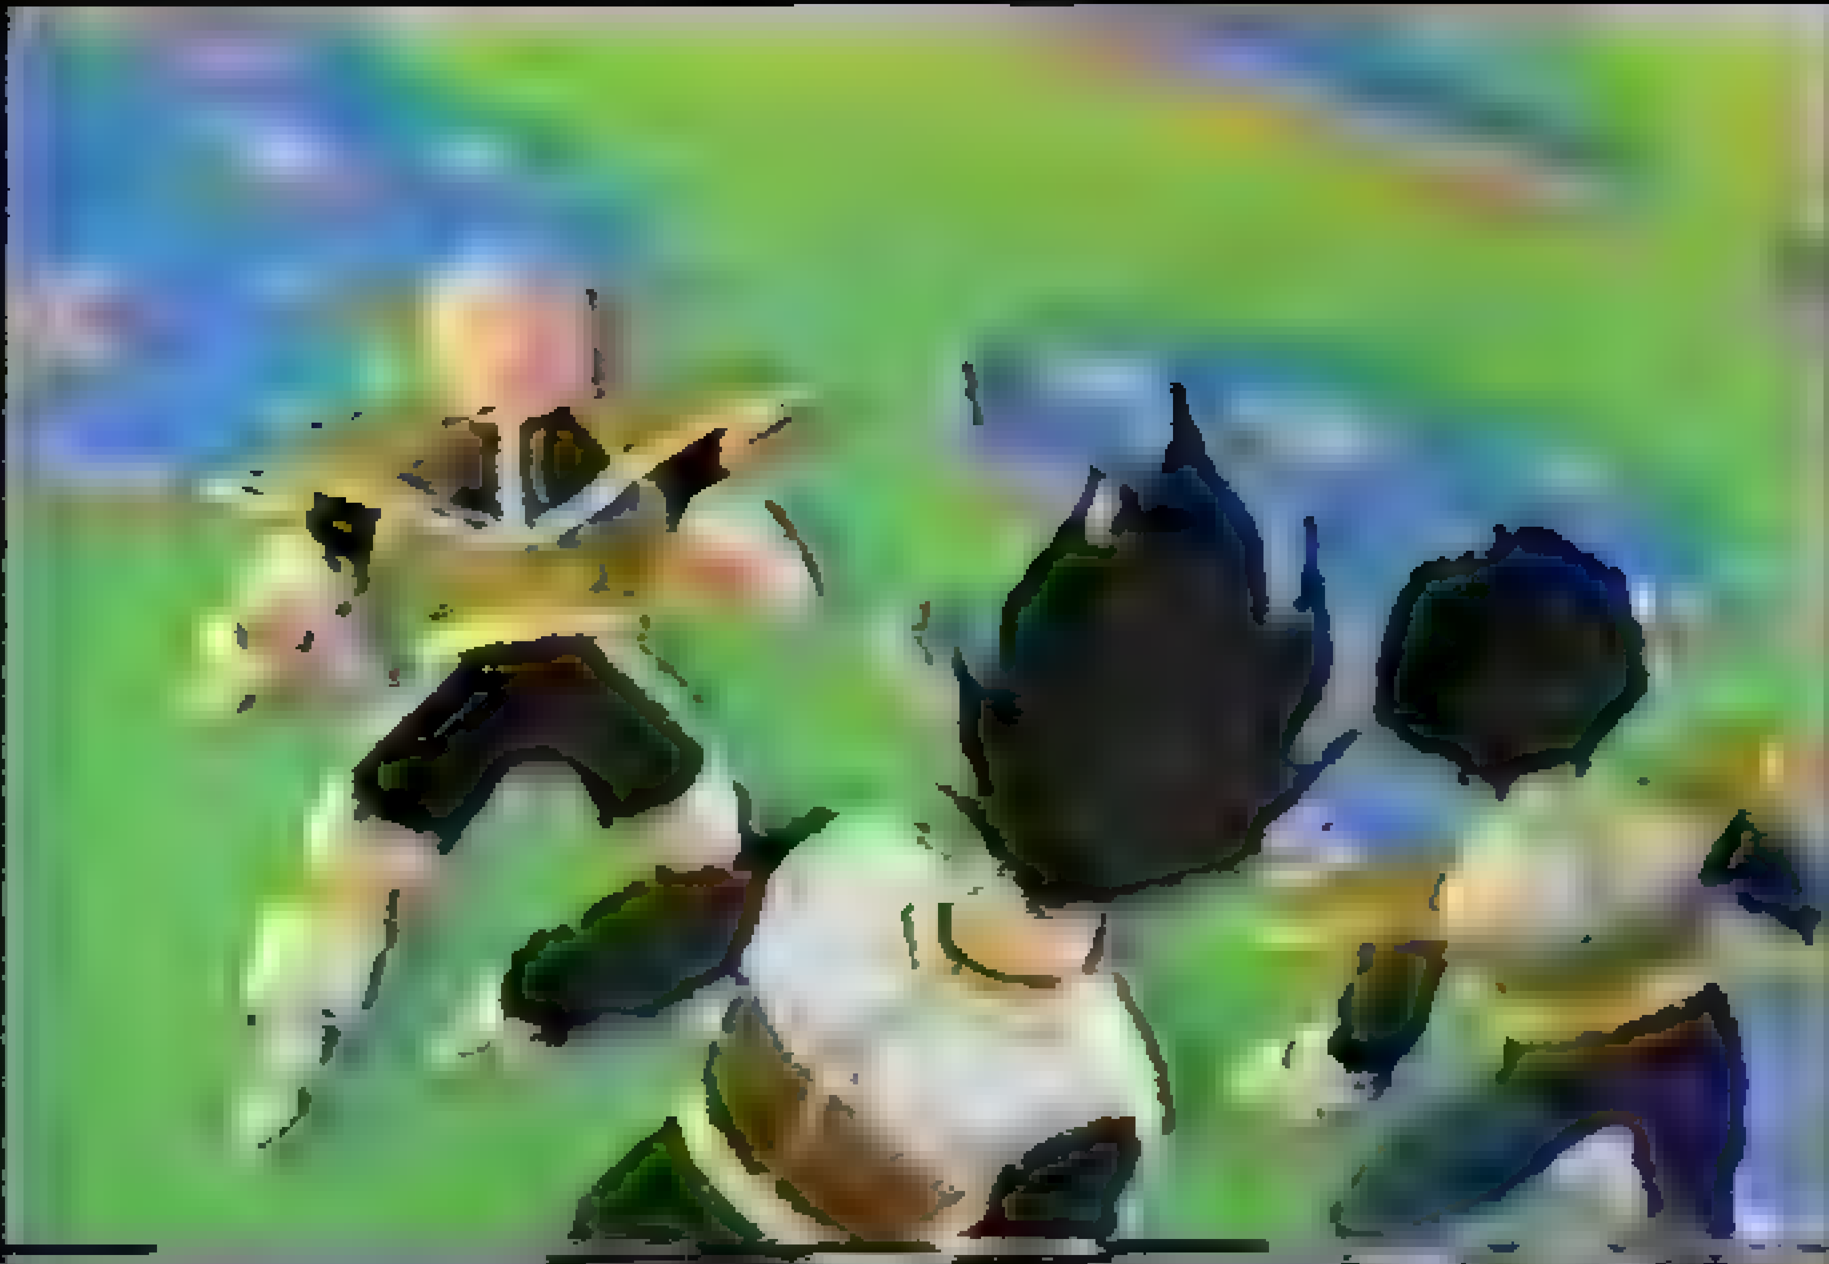

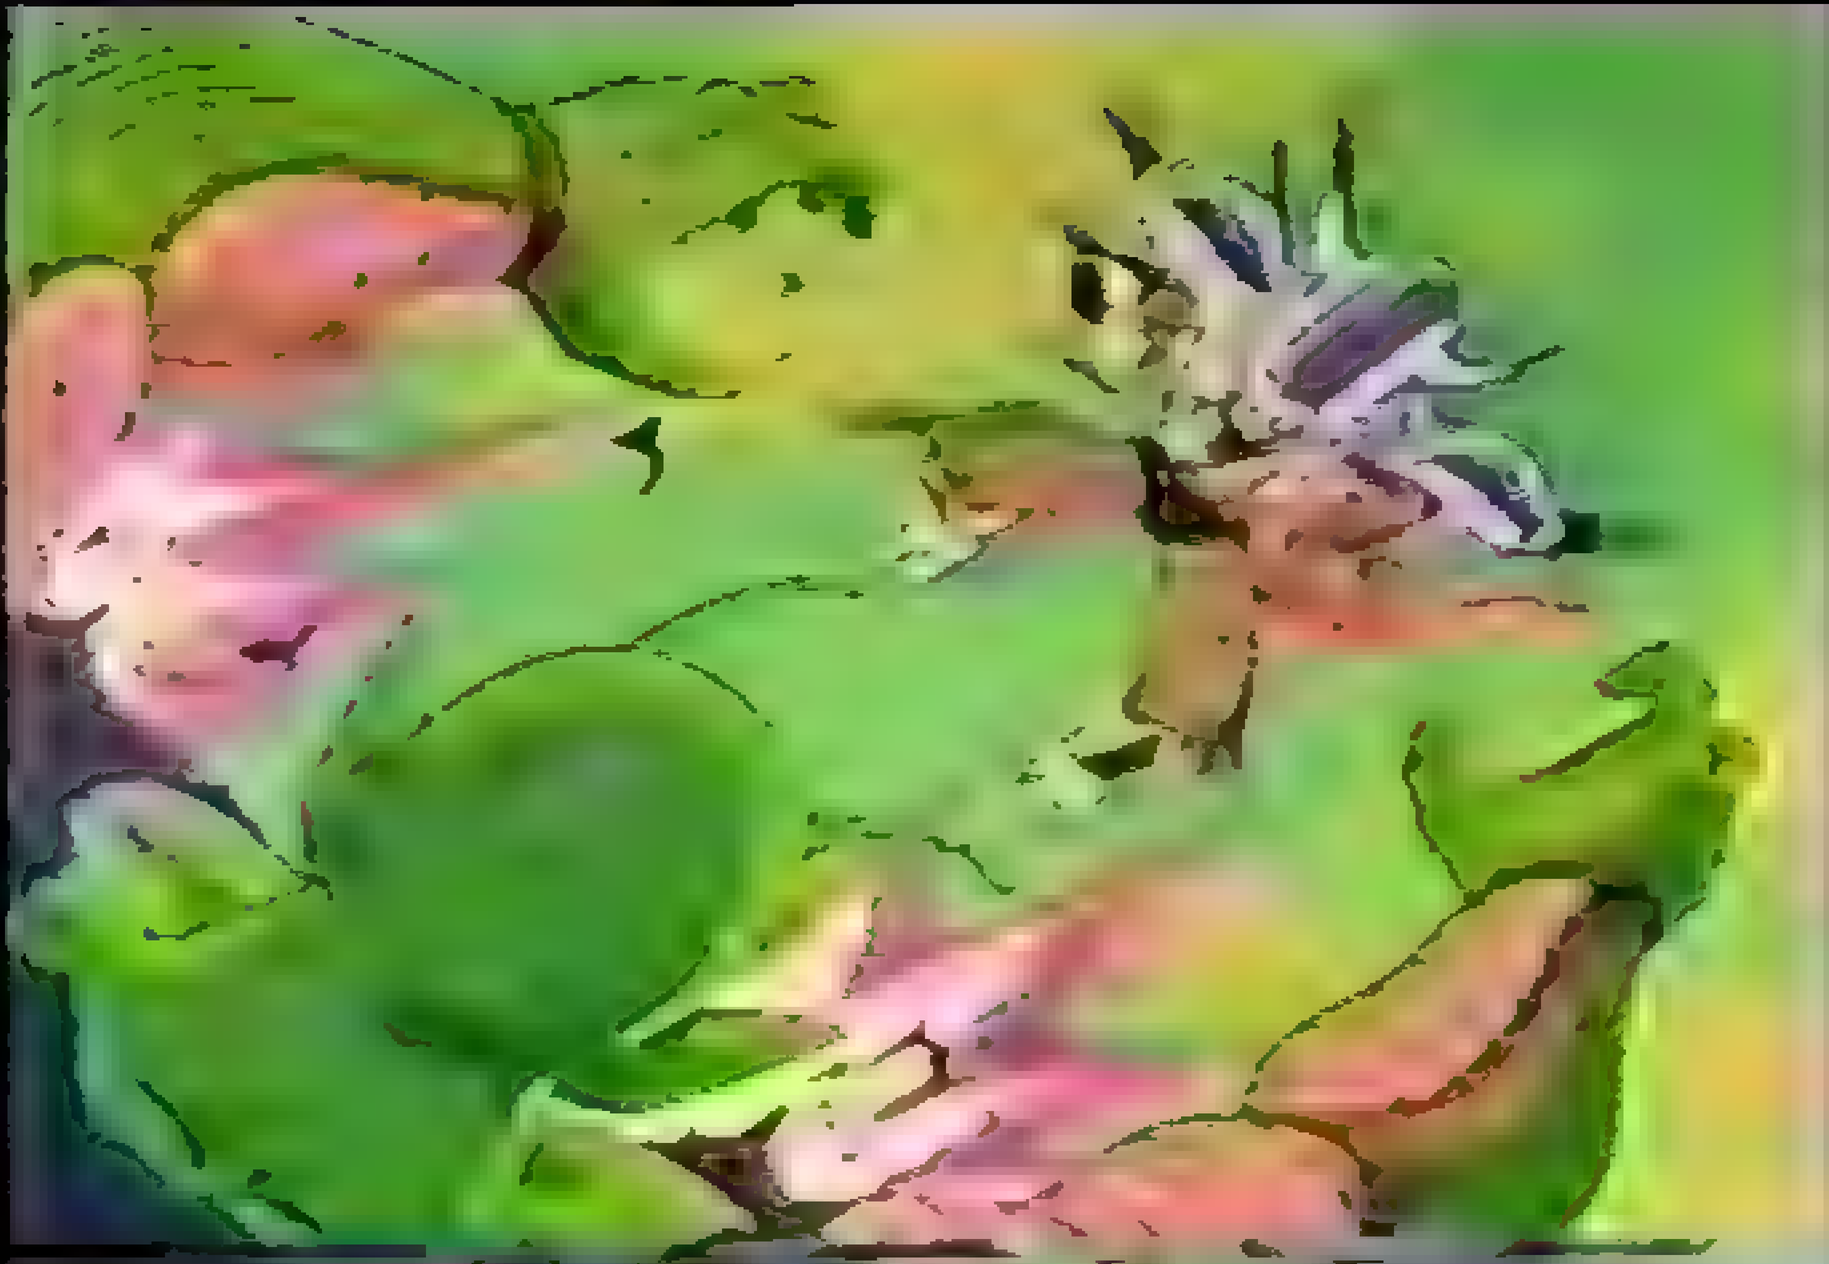

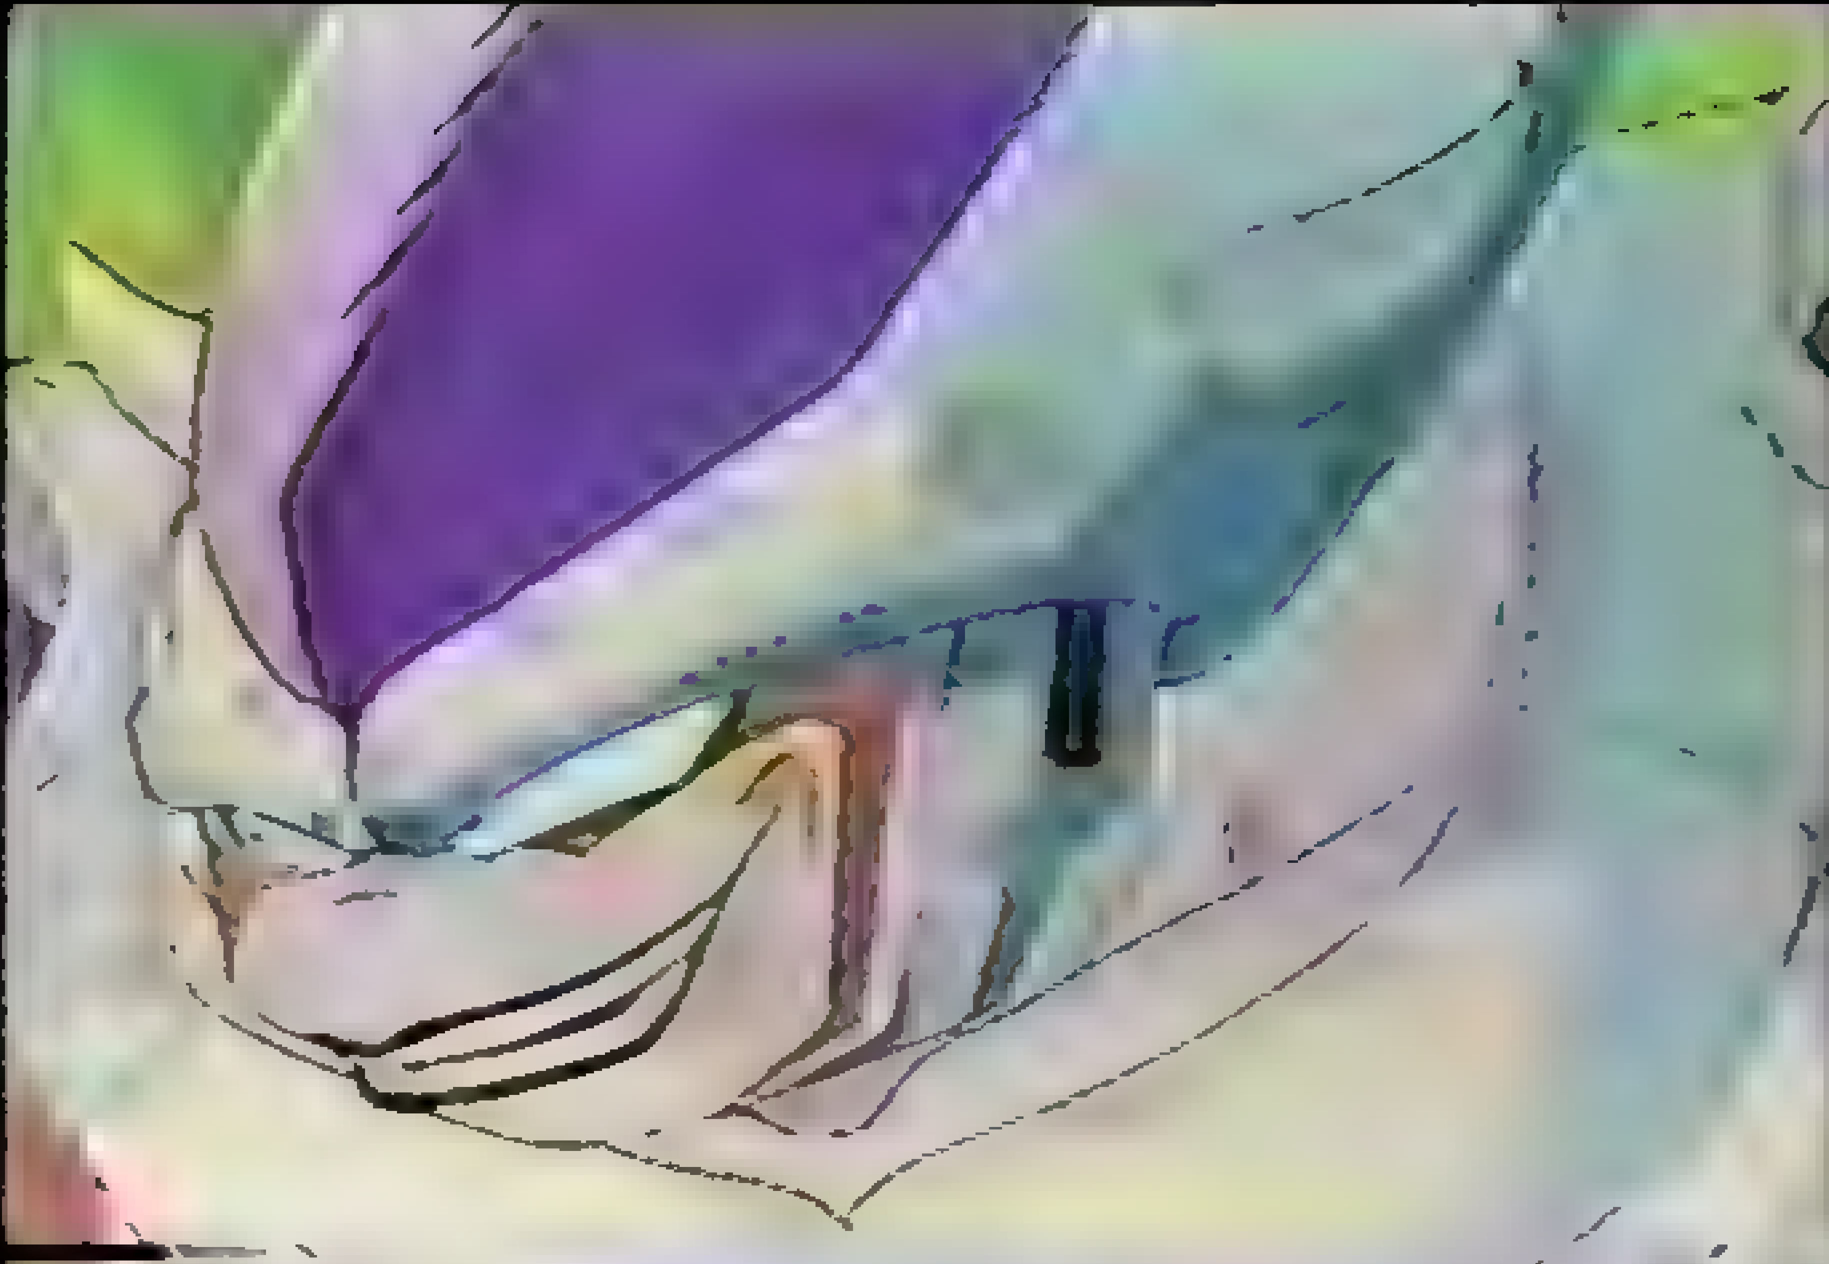

Unimaginable speed!

He can't dodge that!

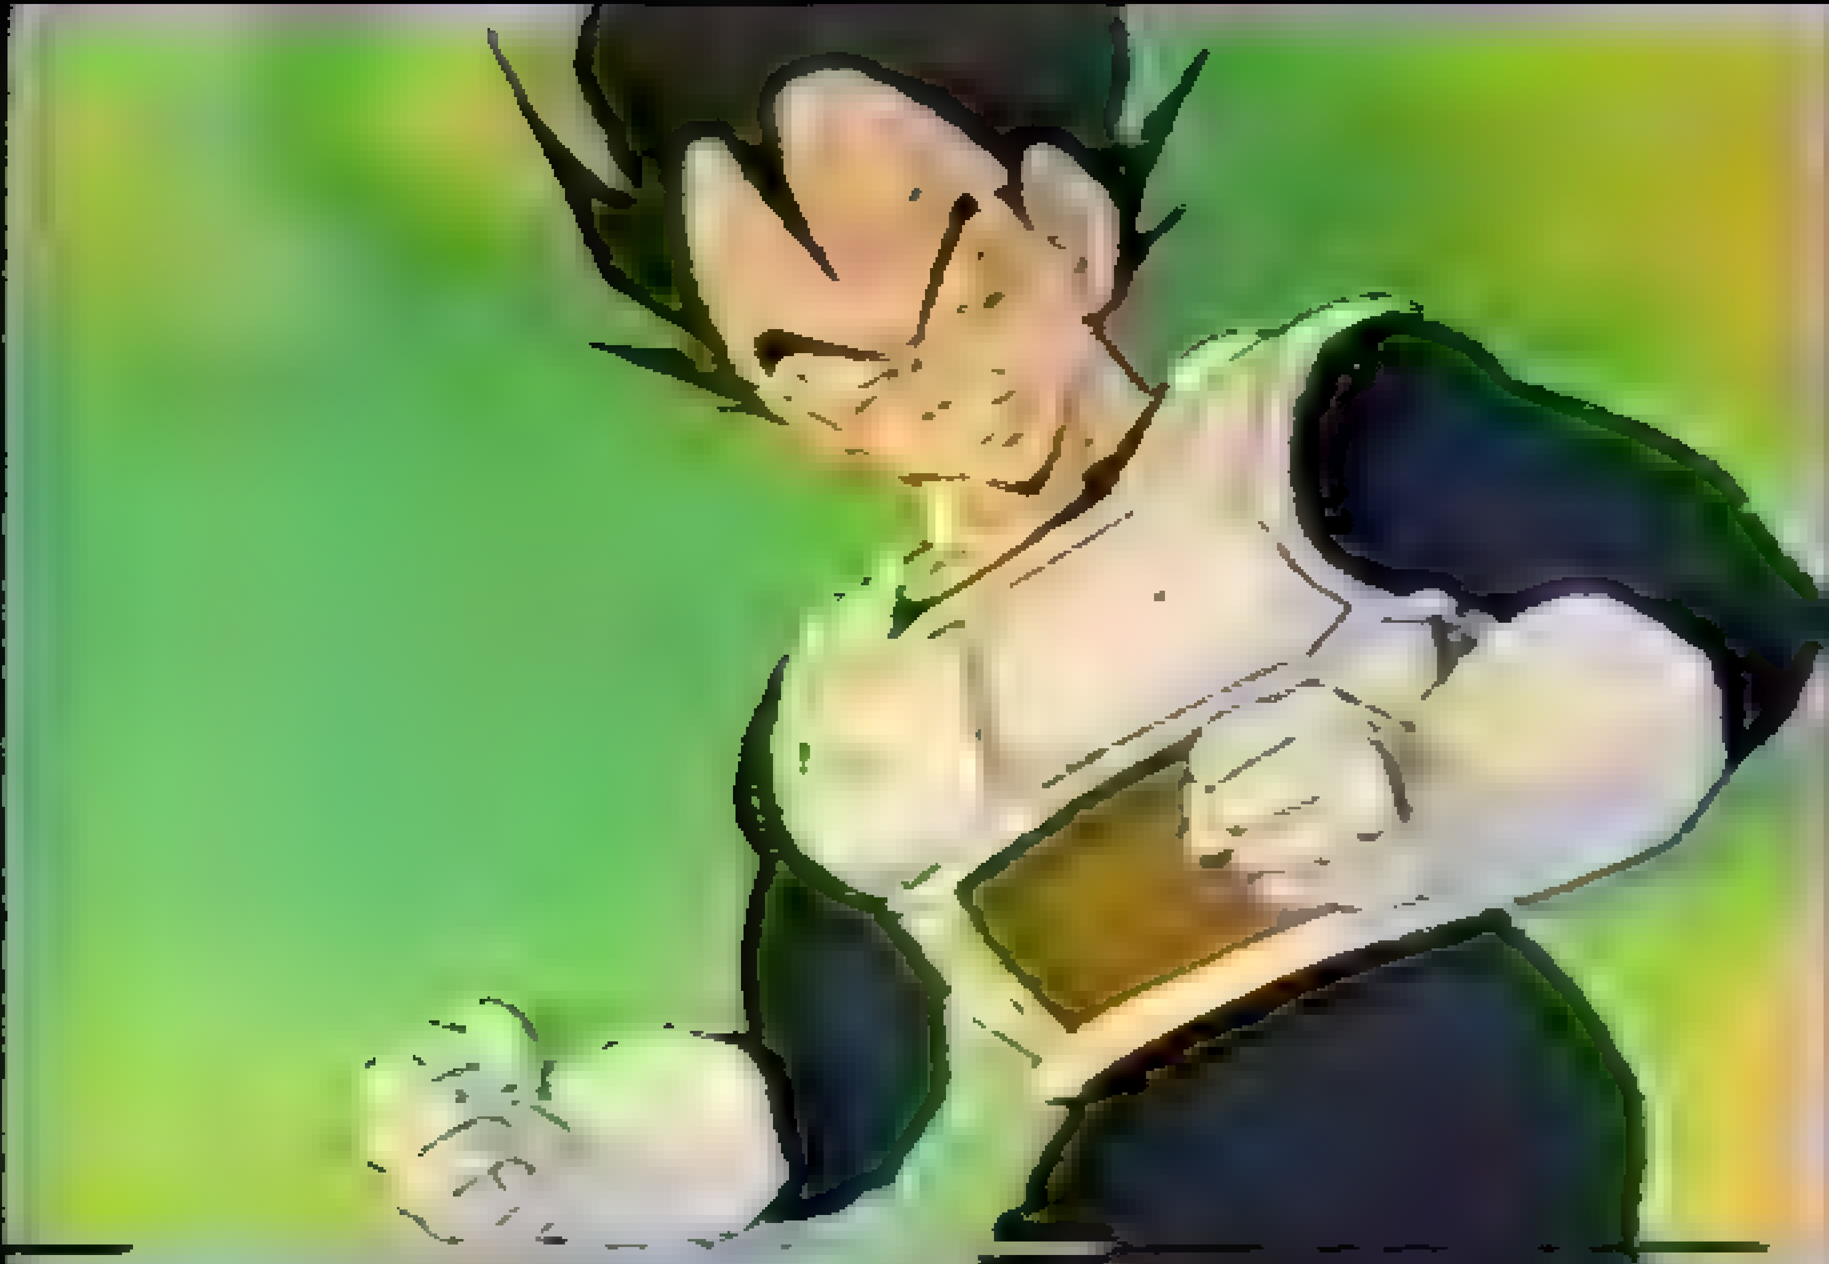

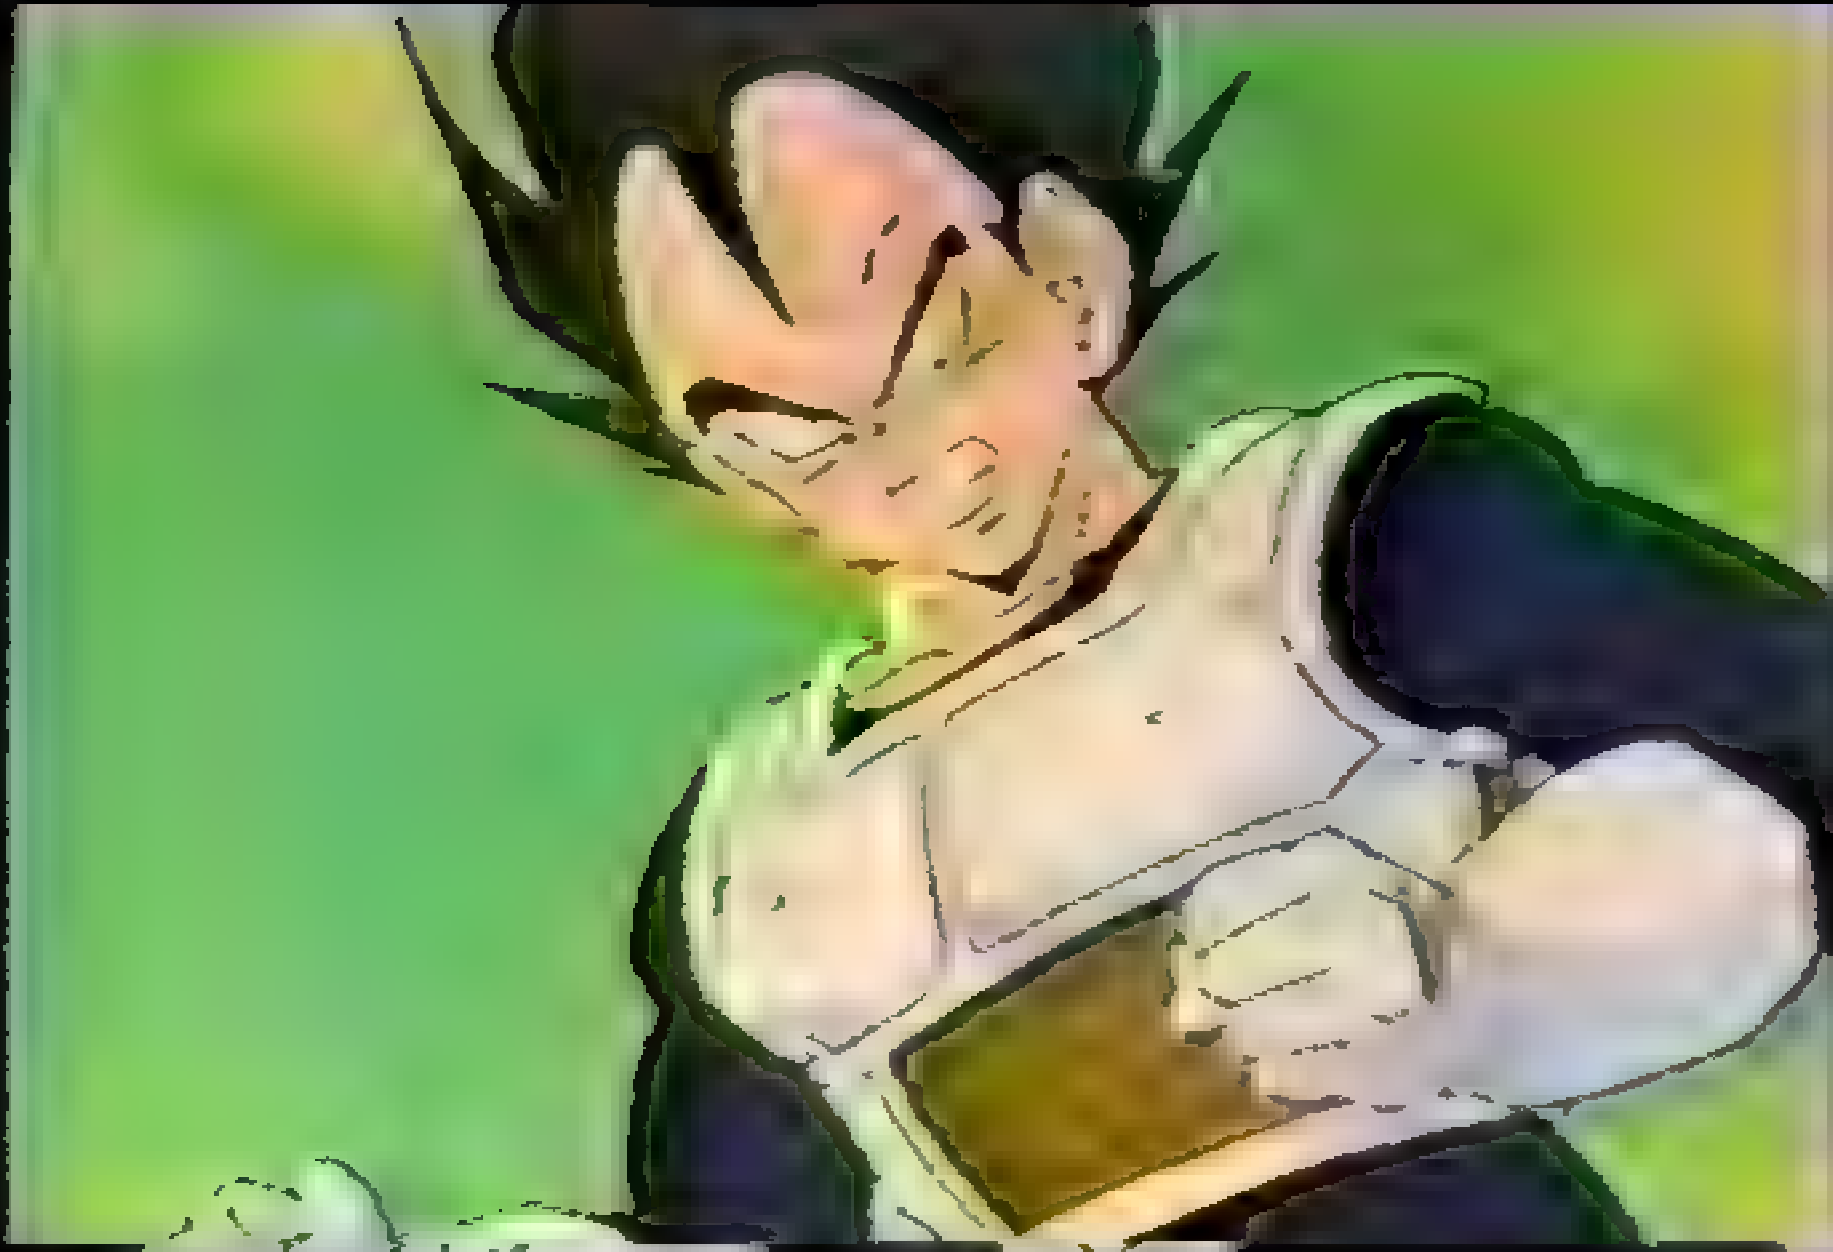

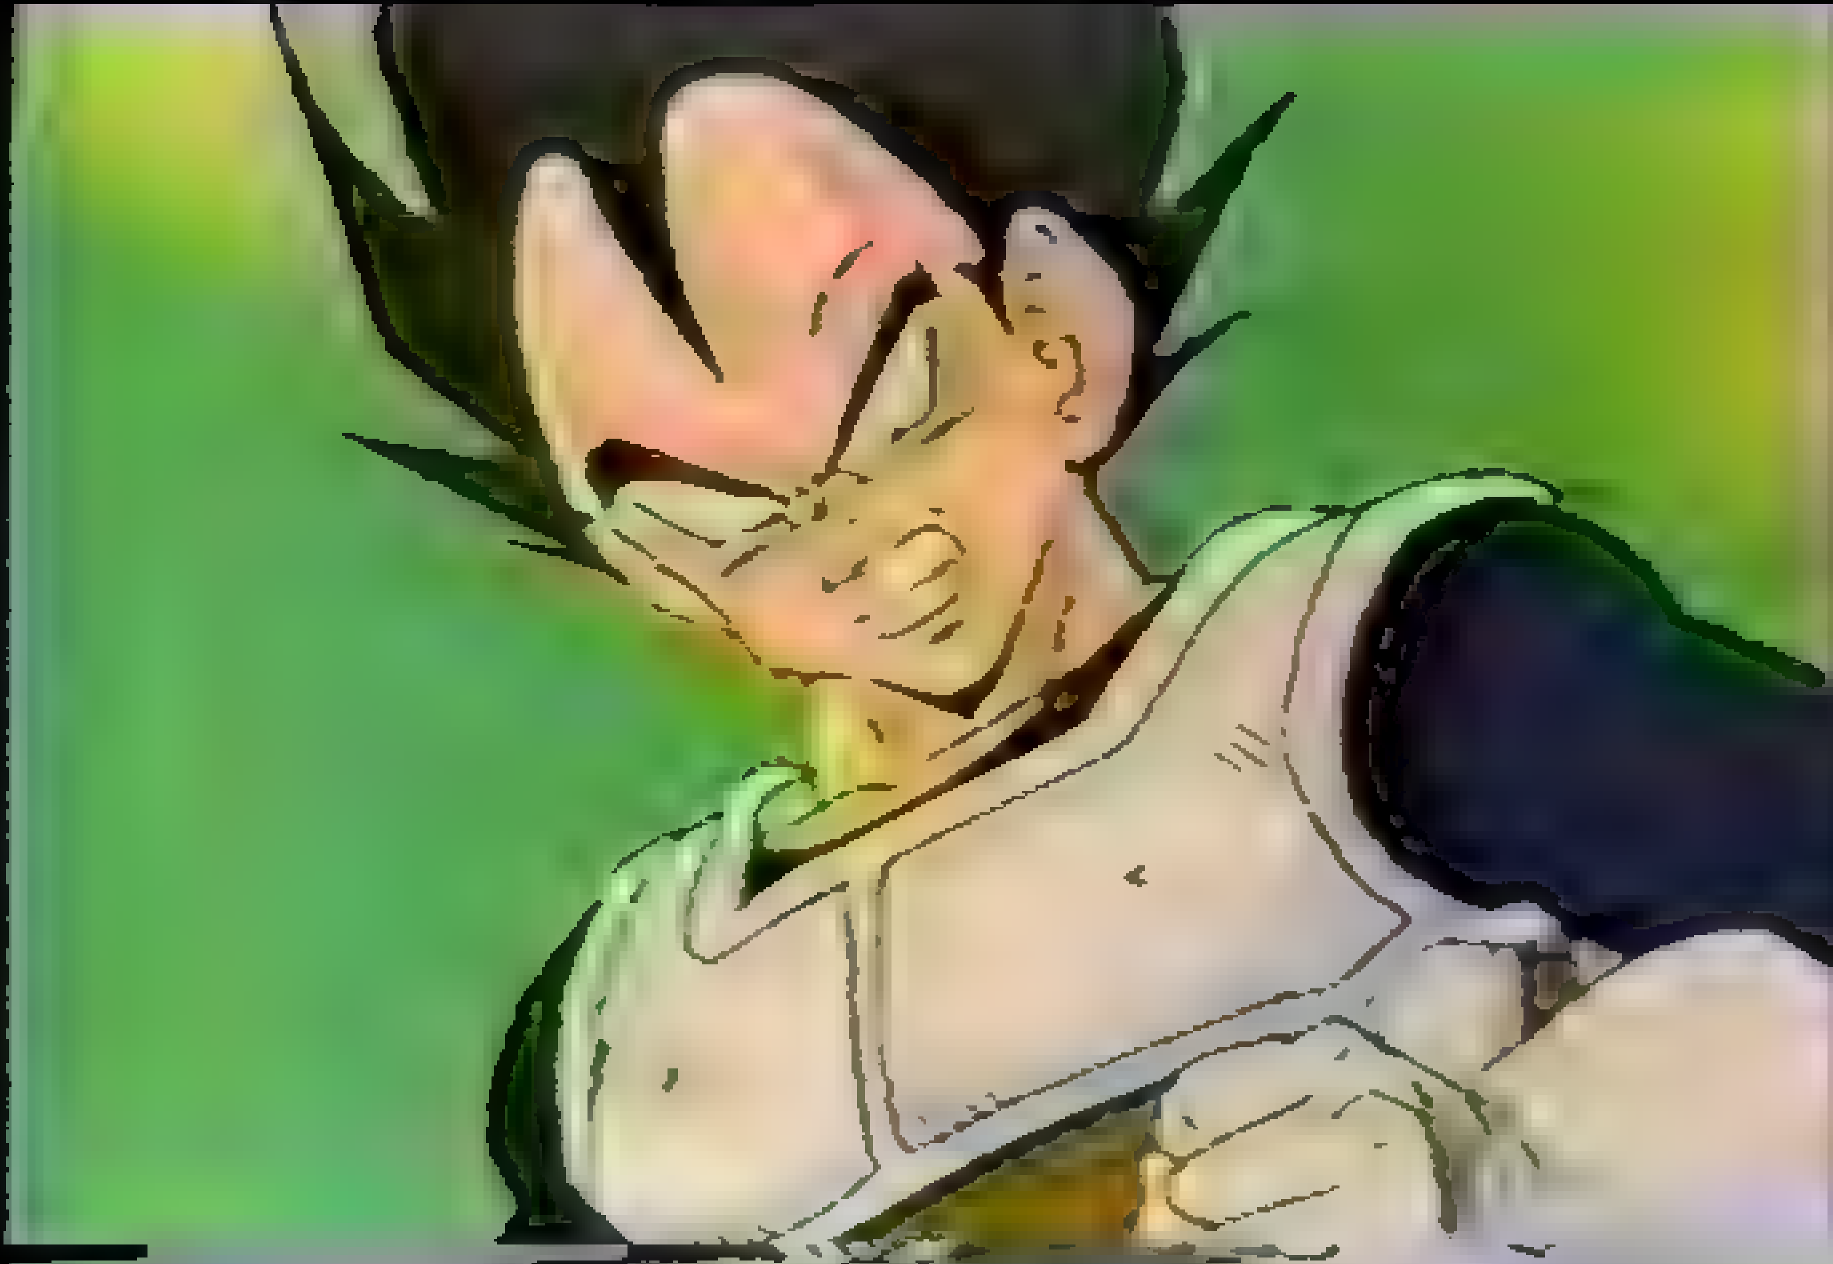

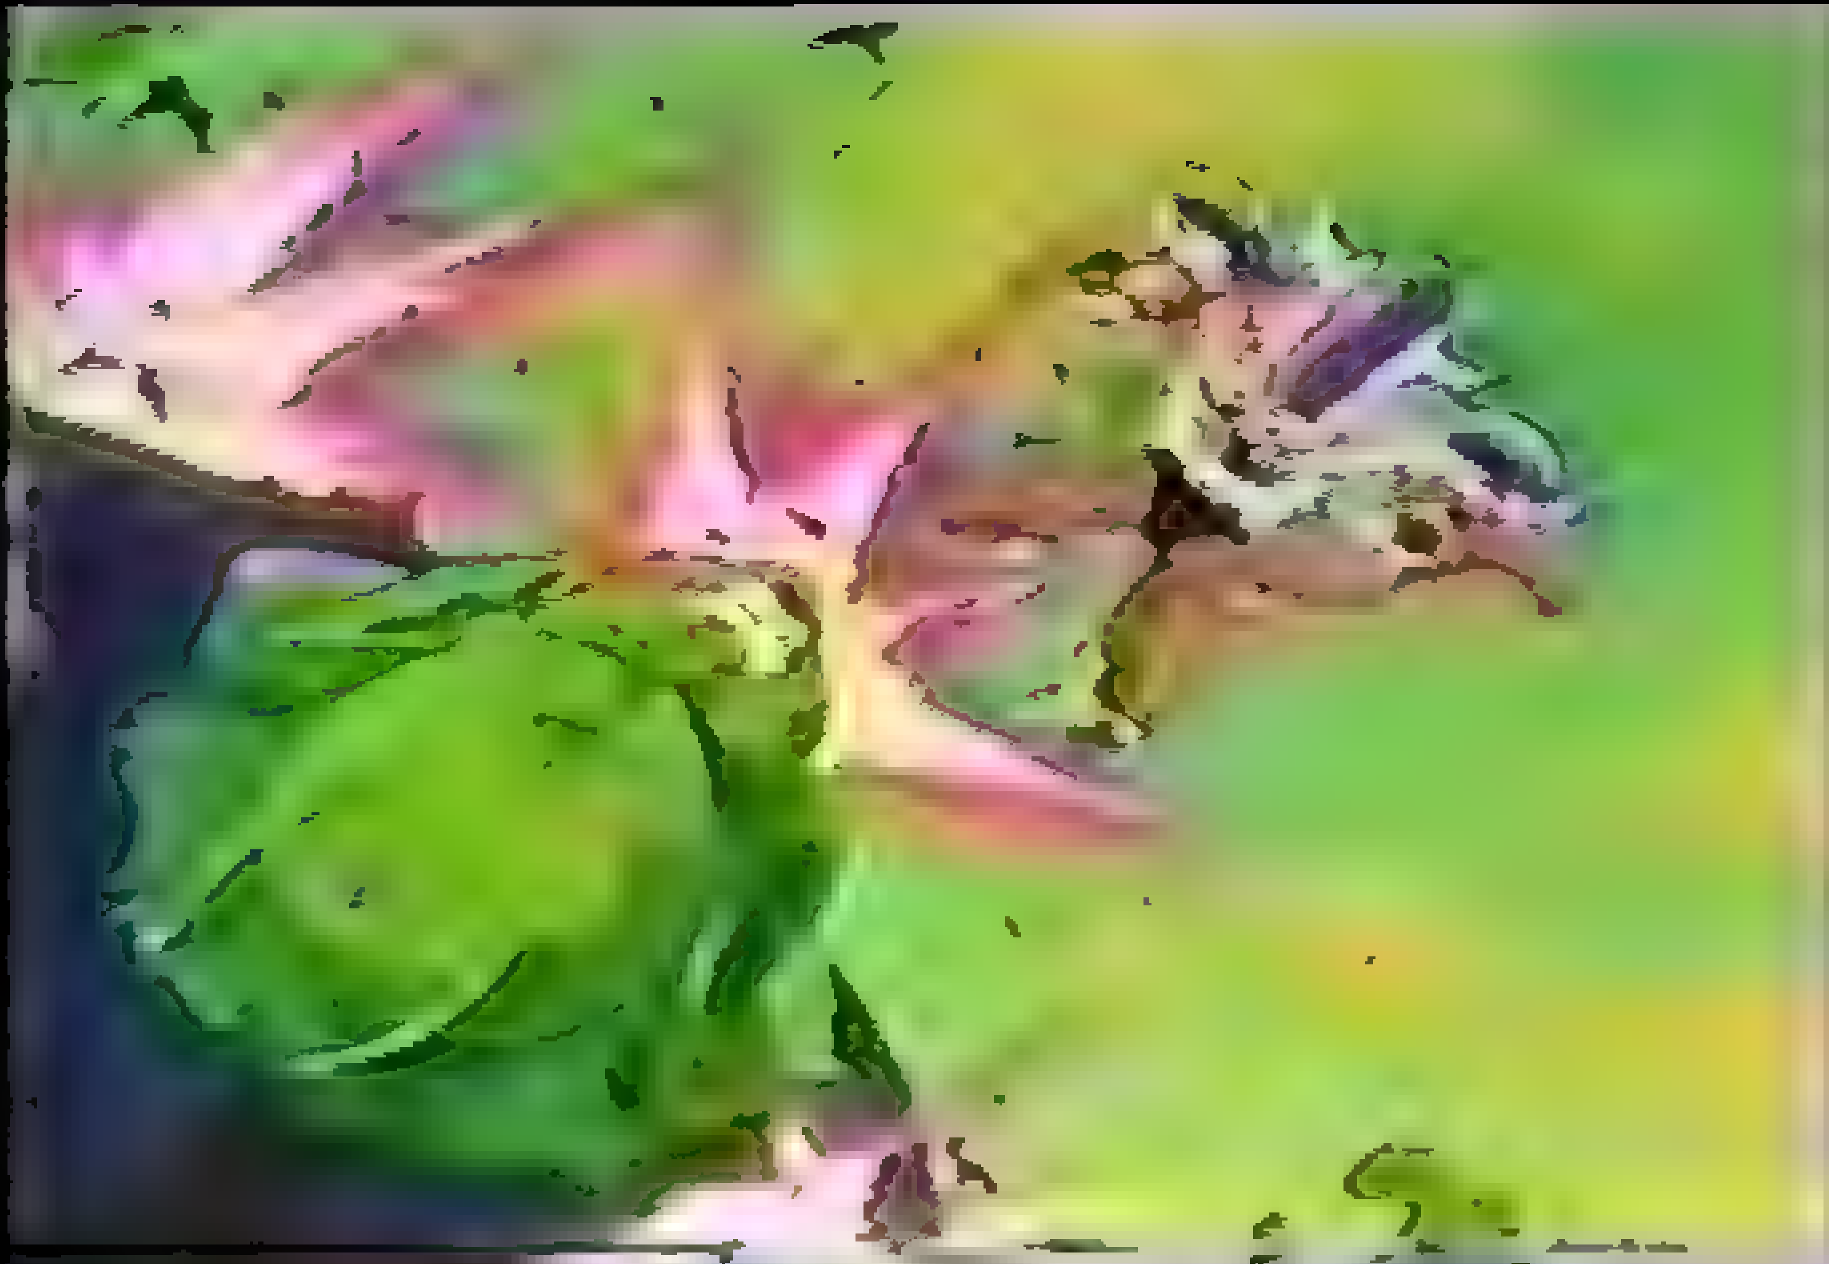

Mr. Piccolo

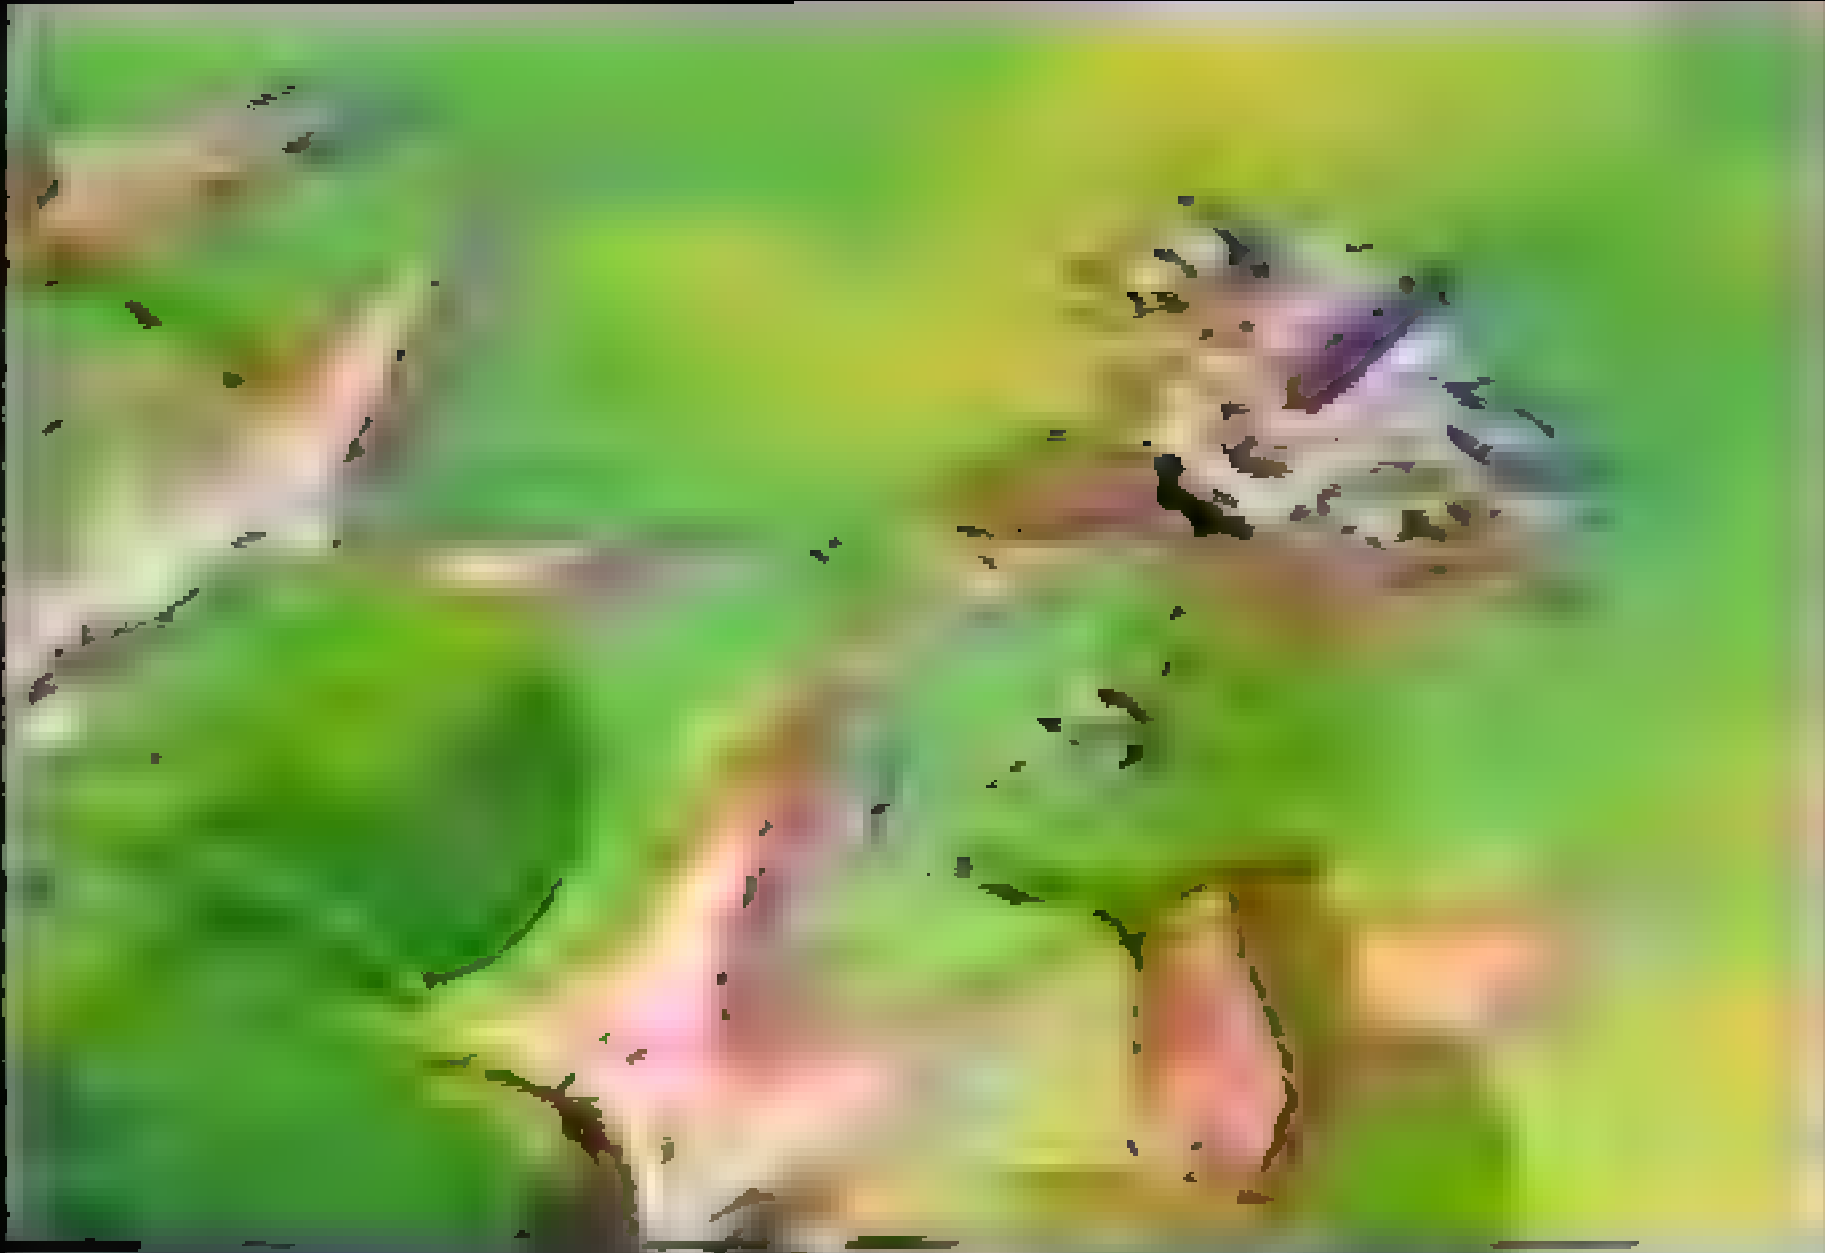

Mr. Piccolo...

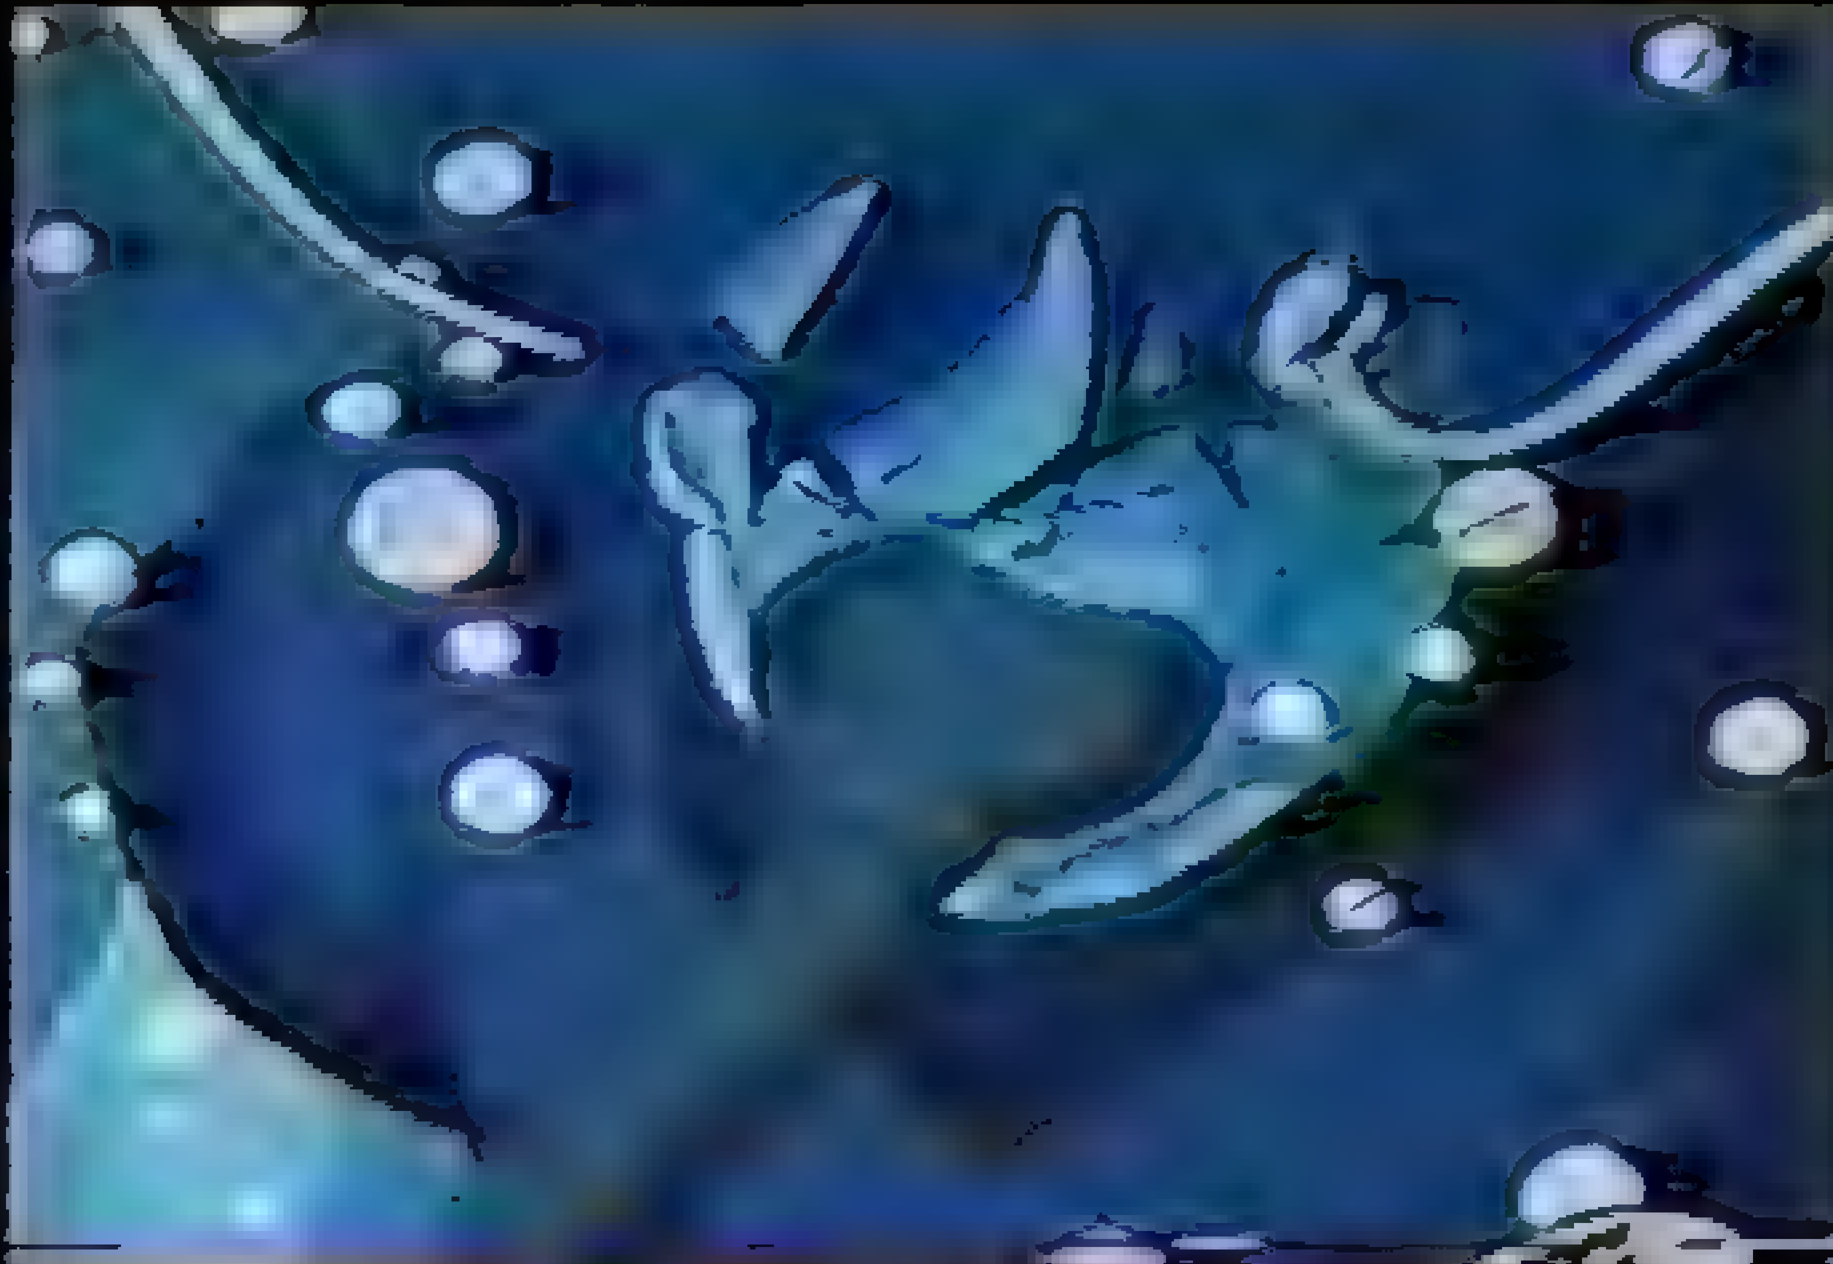

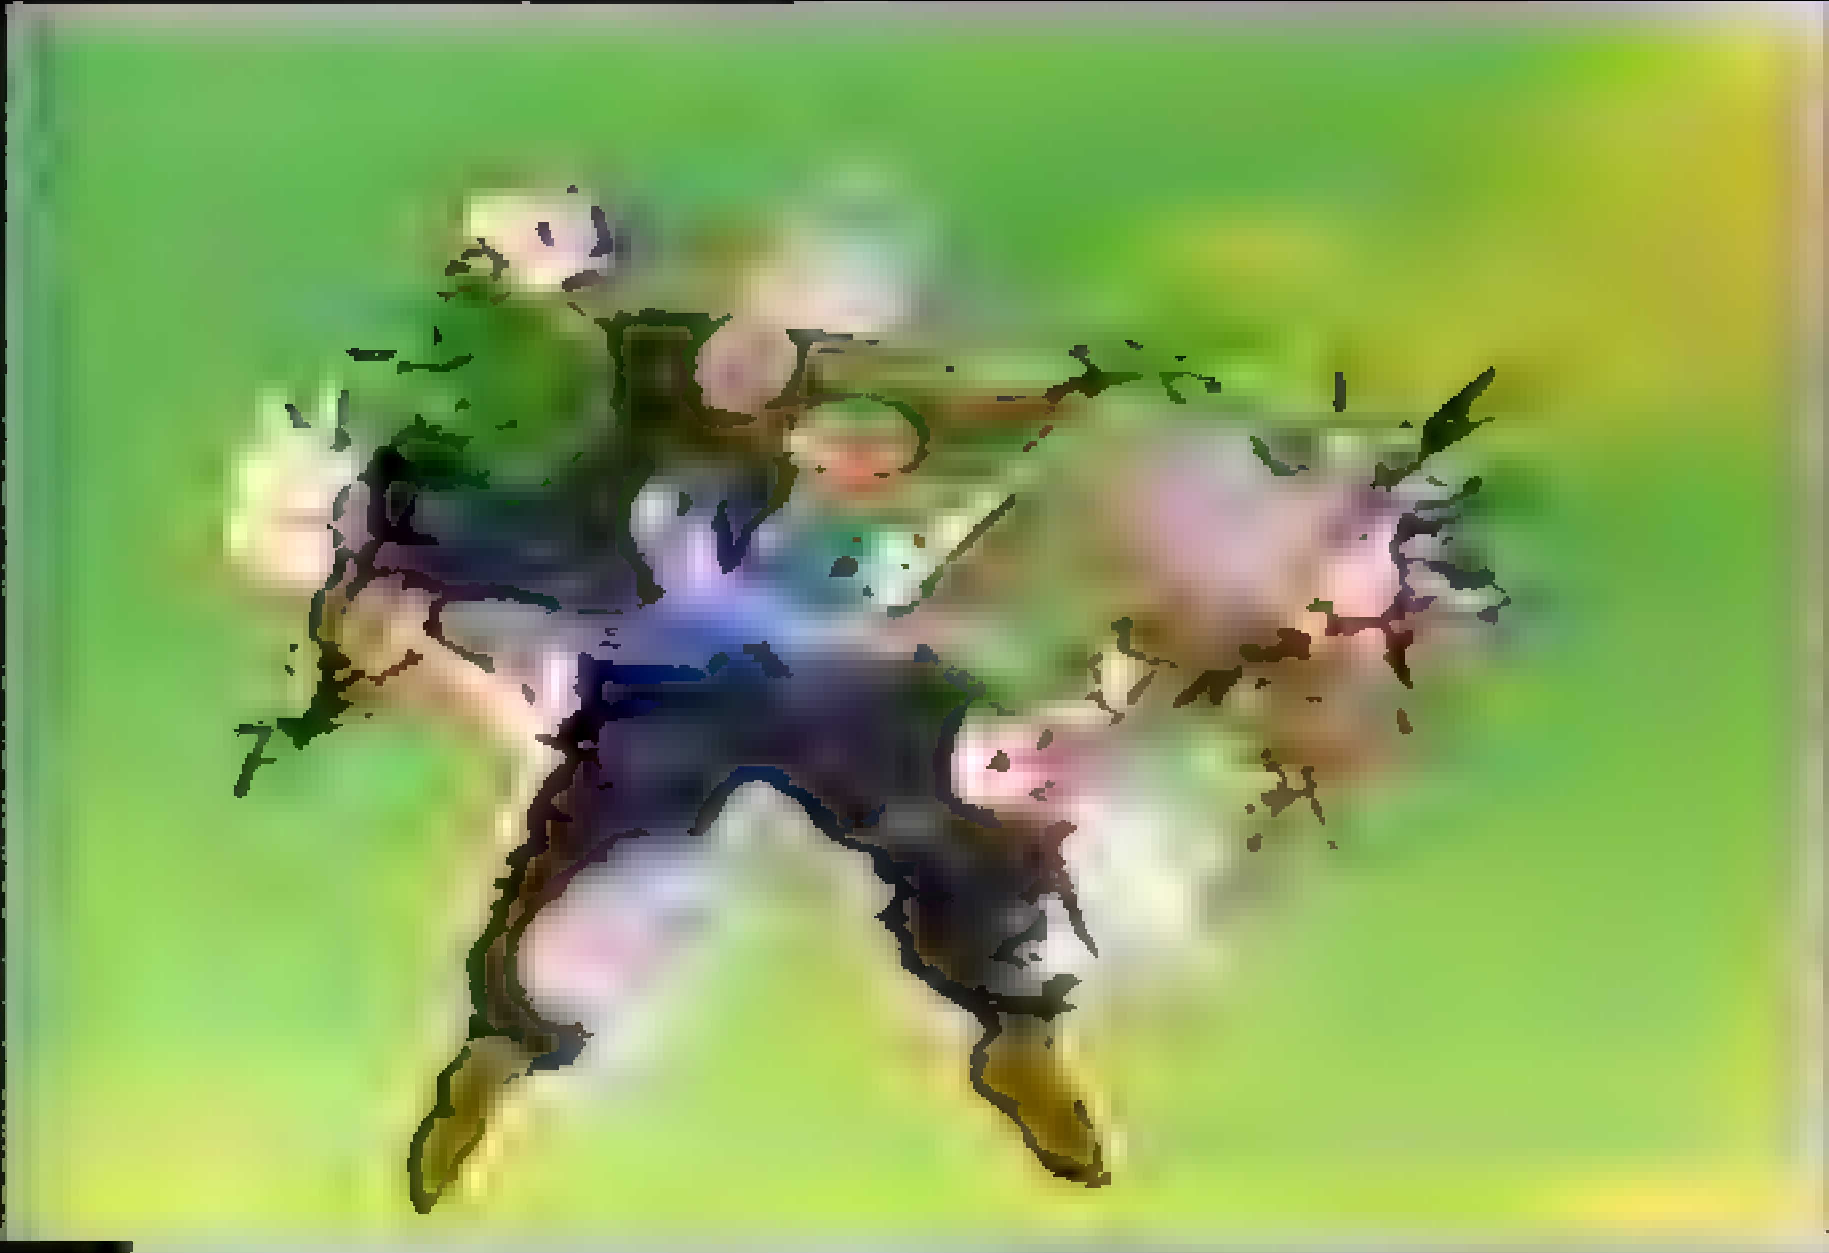

Piccolo

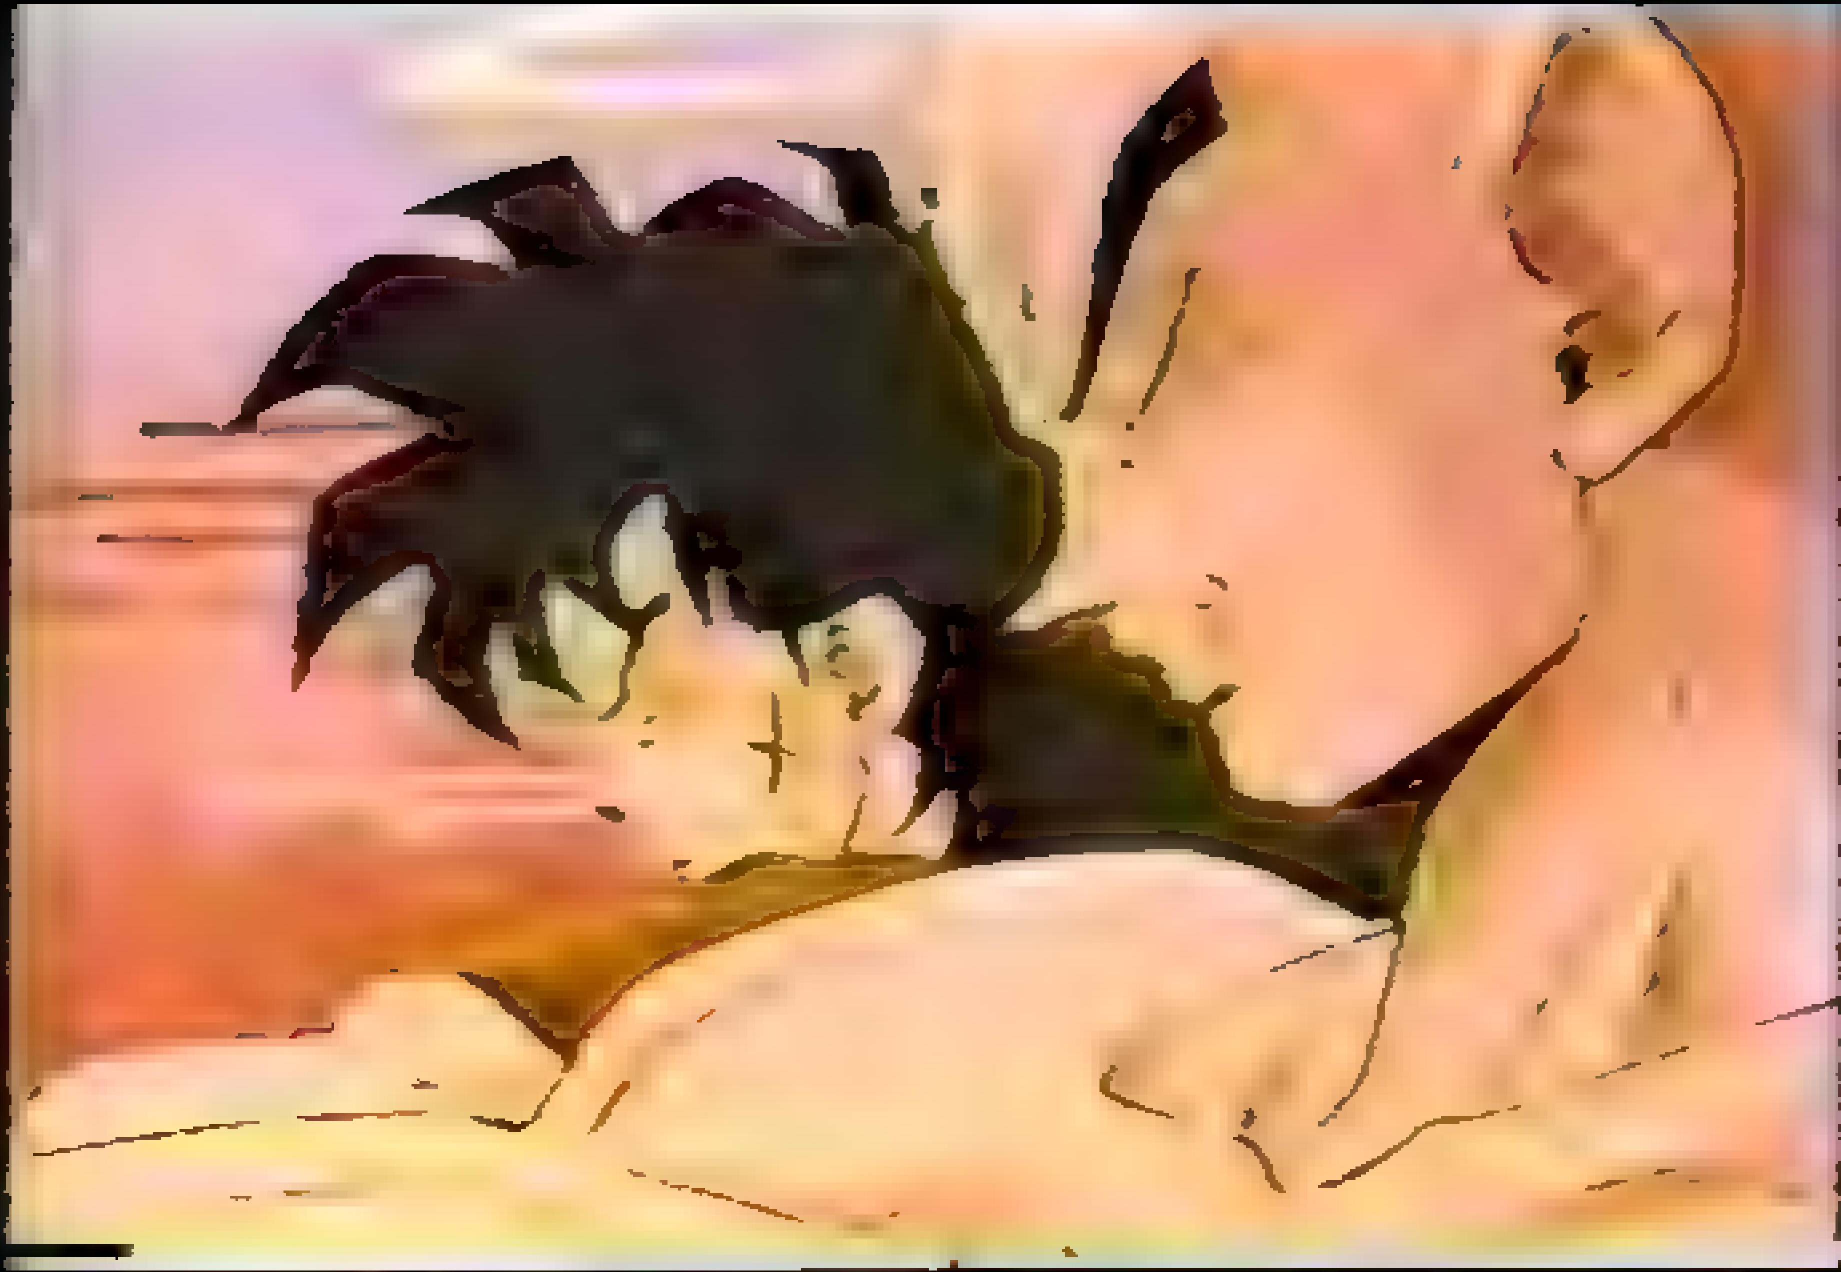

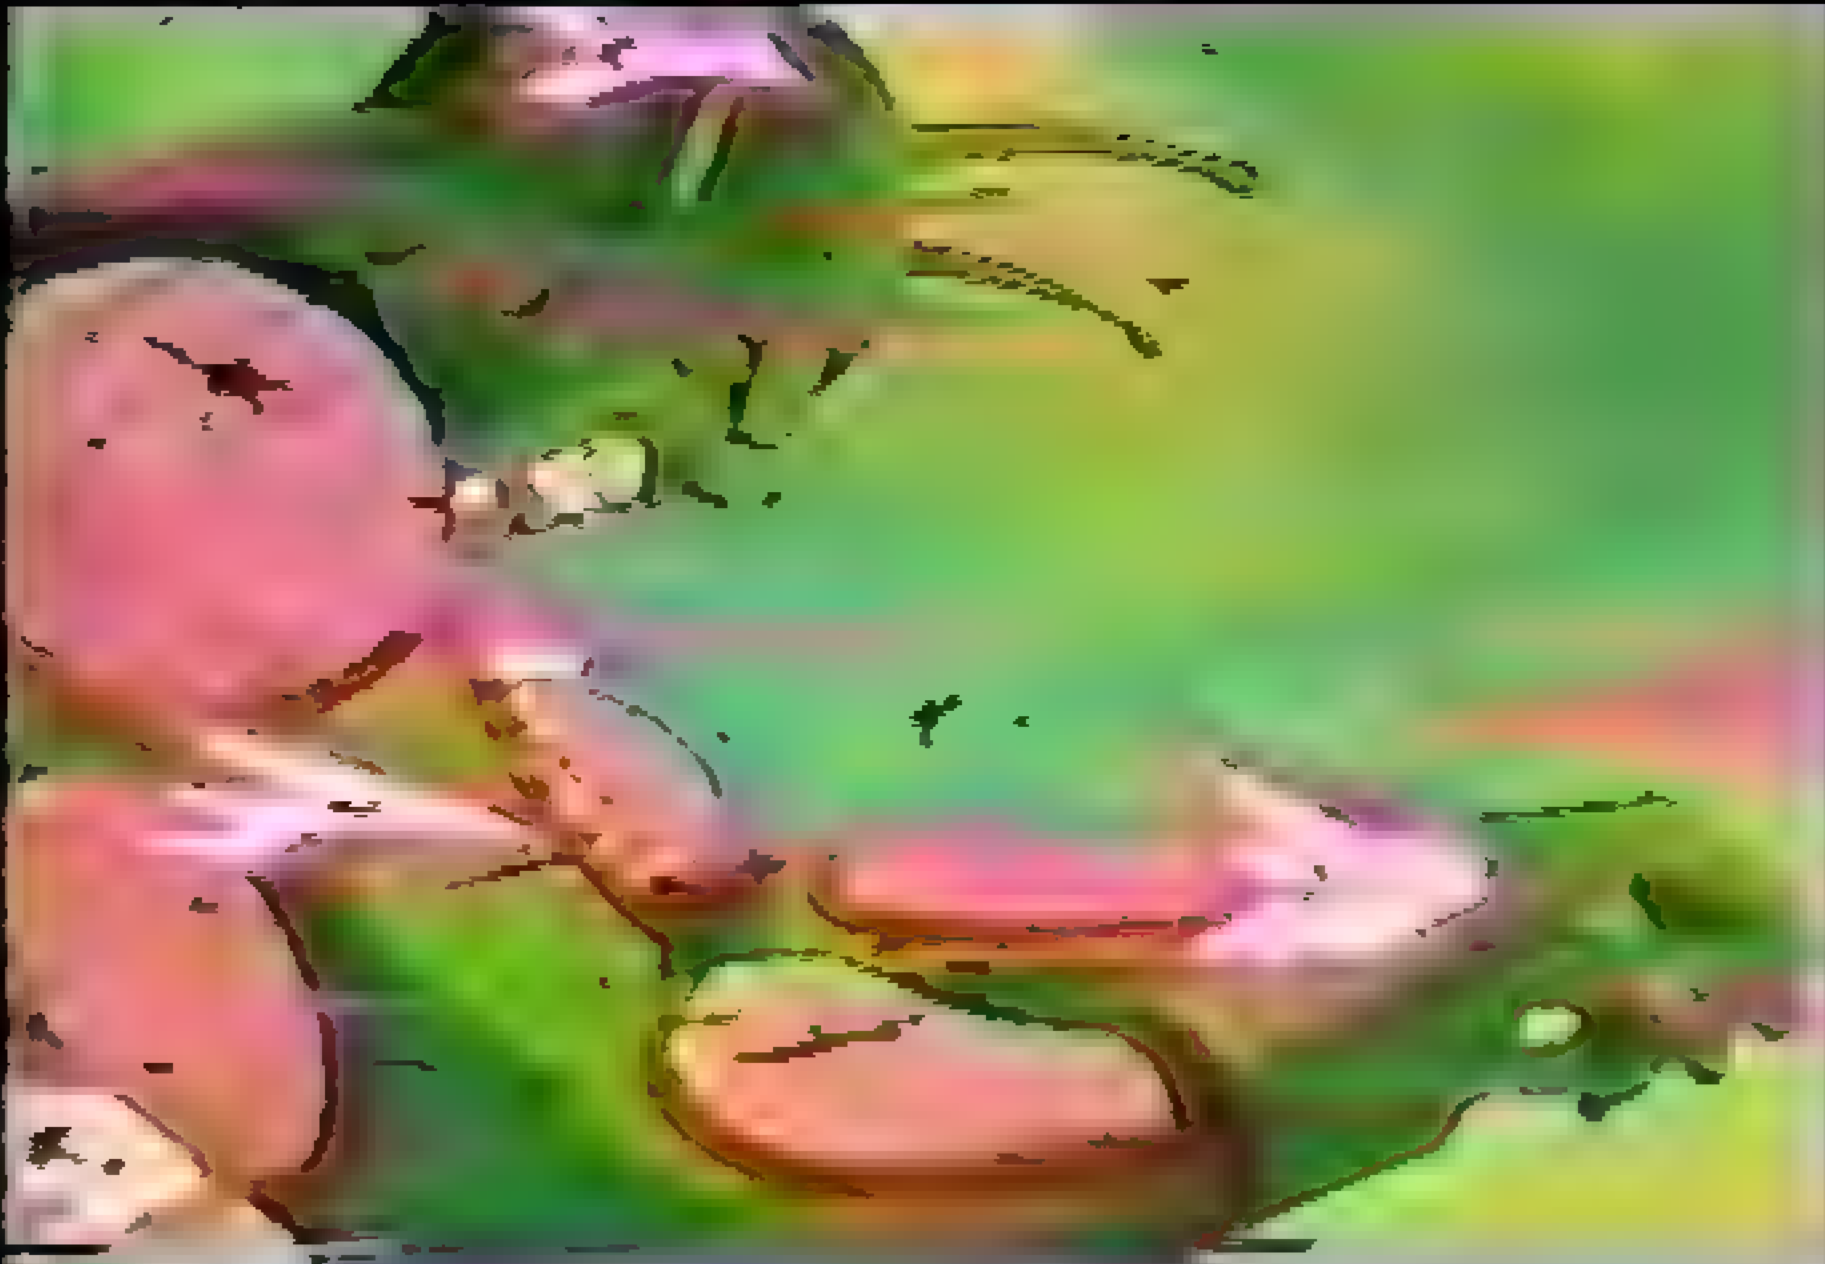

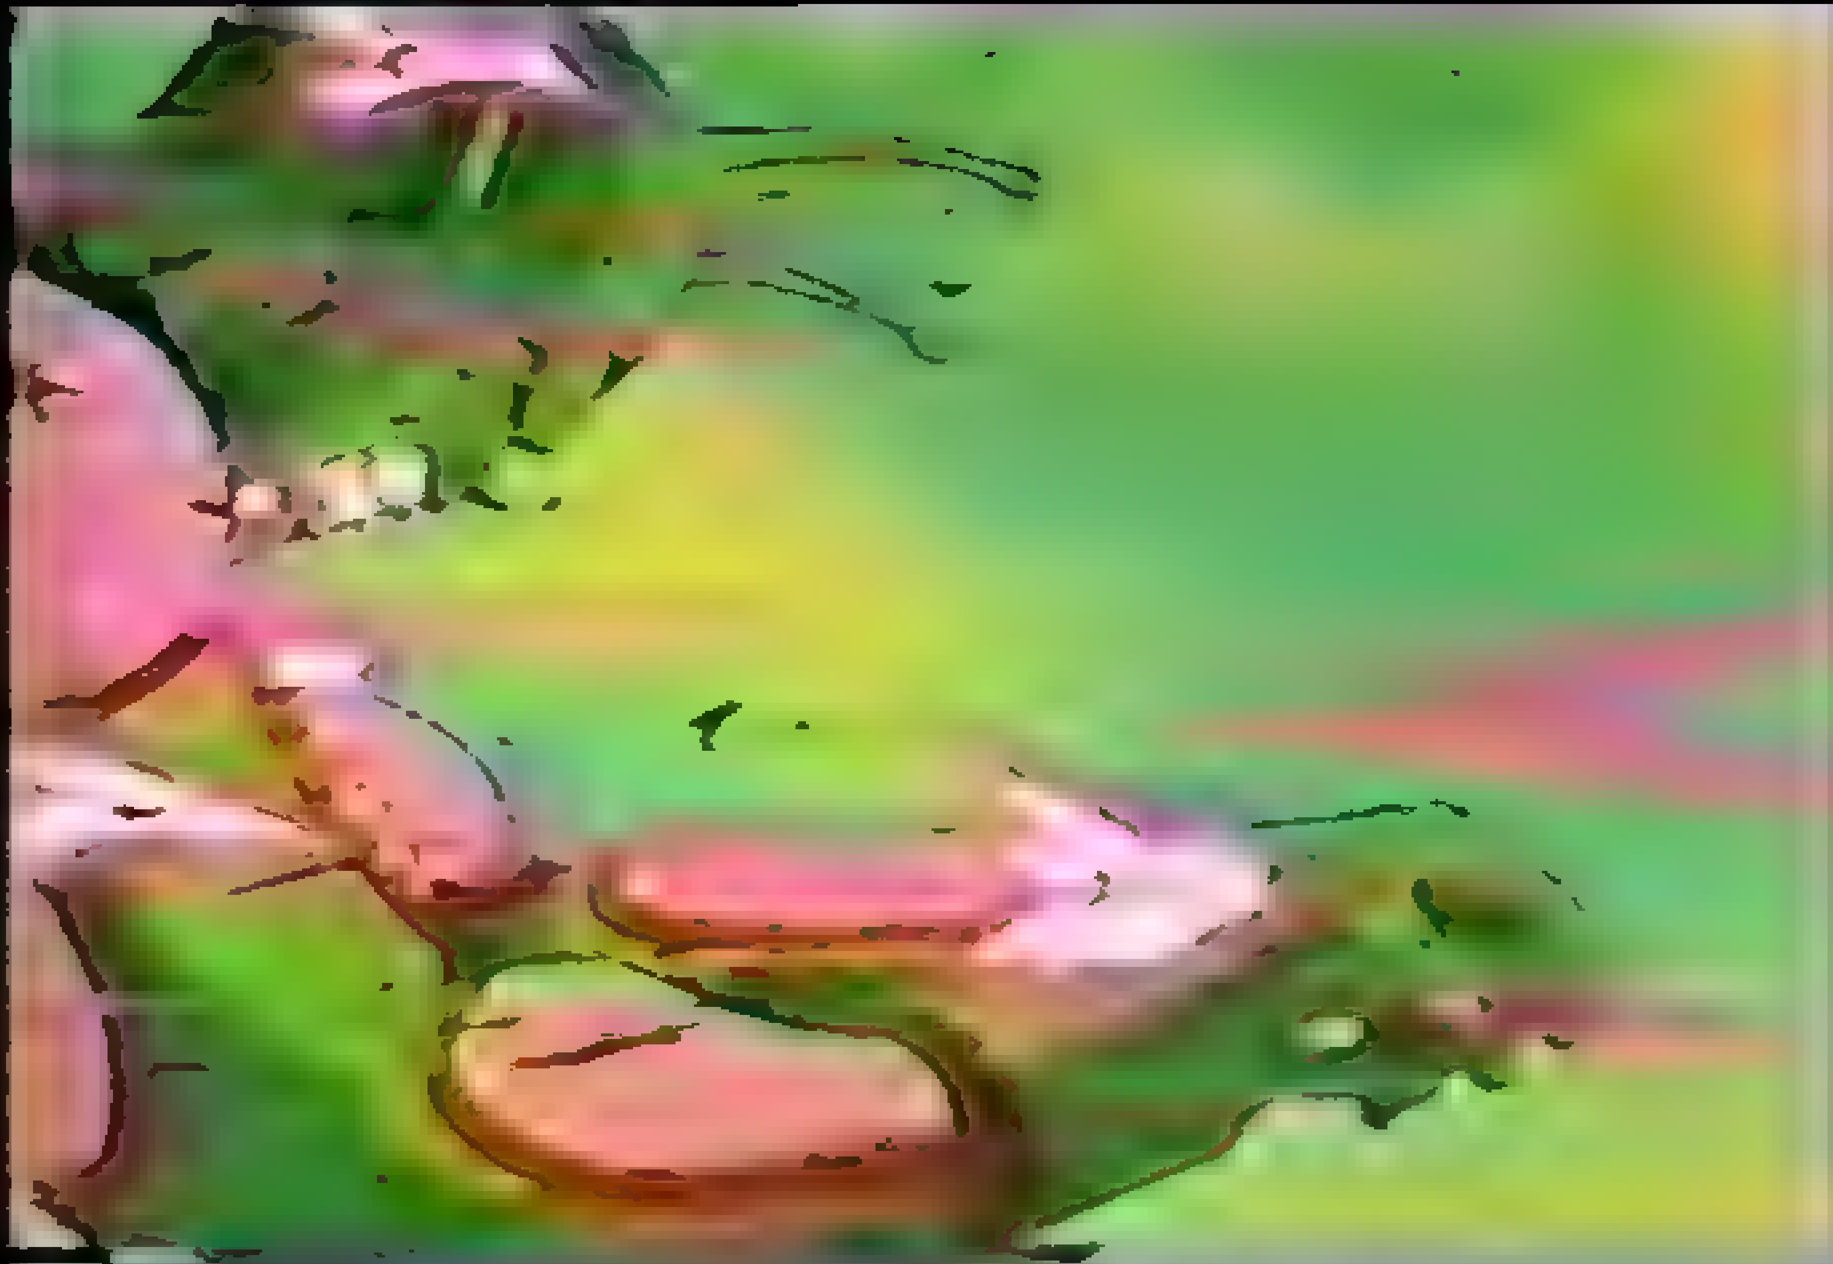

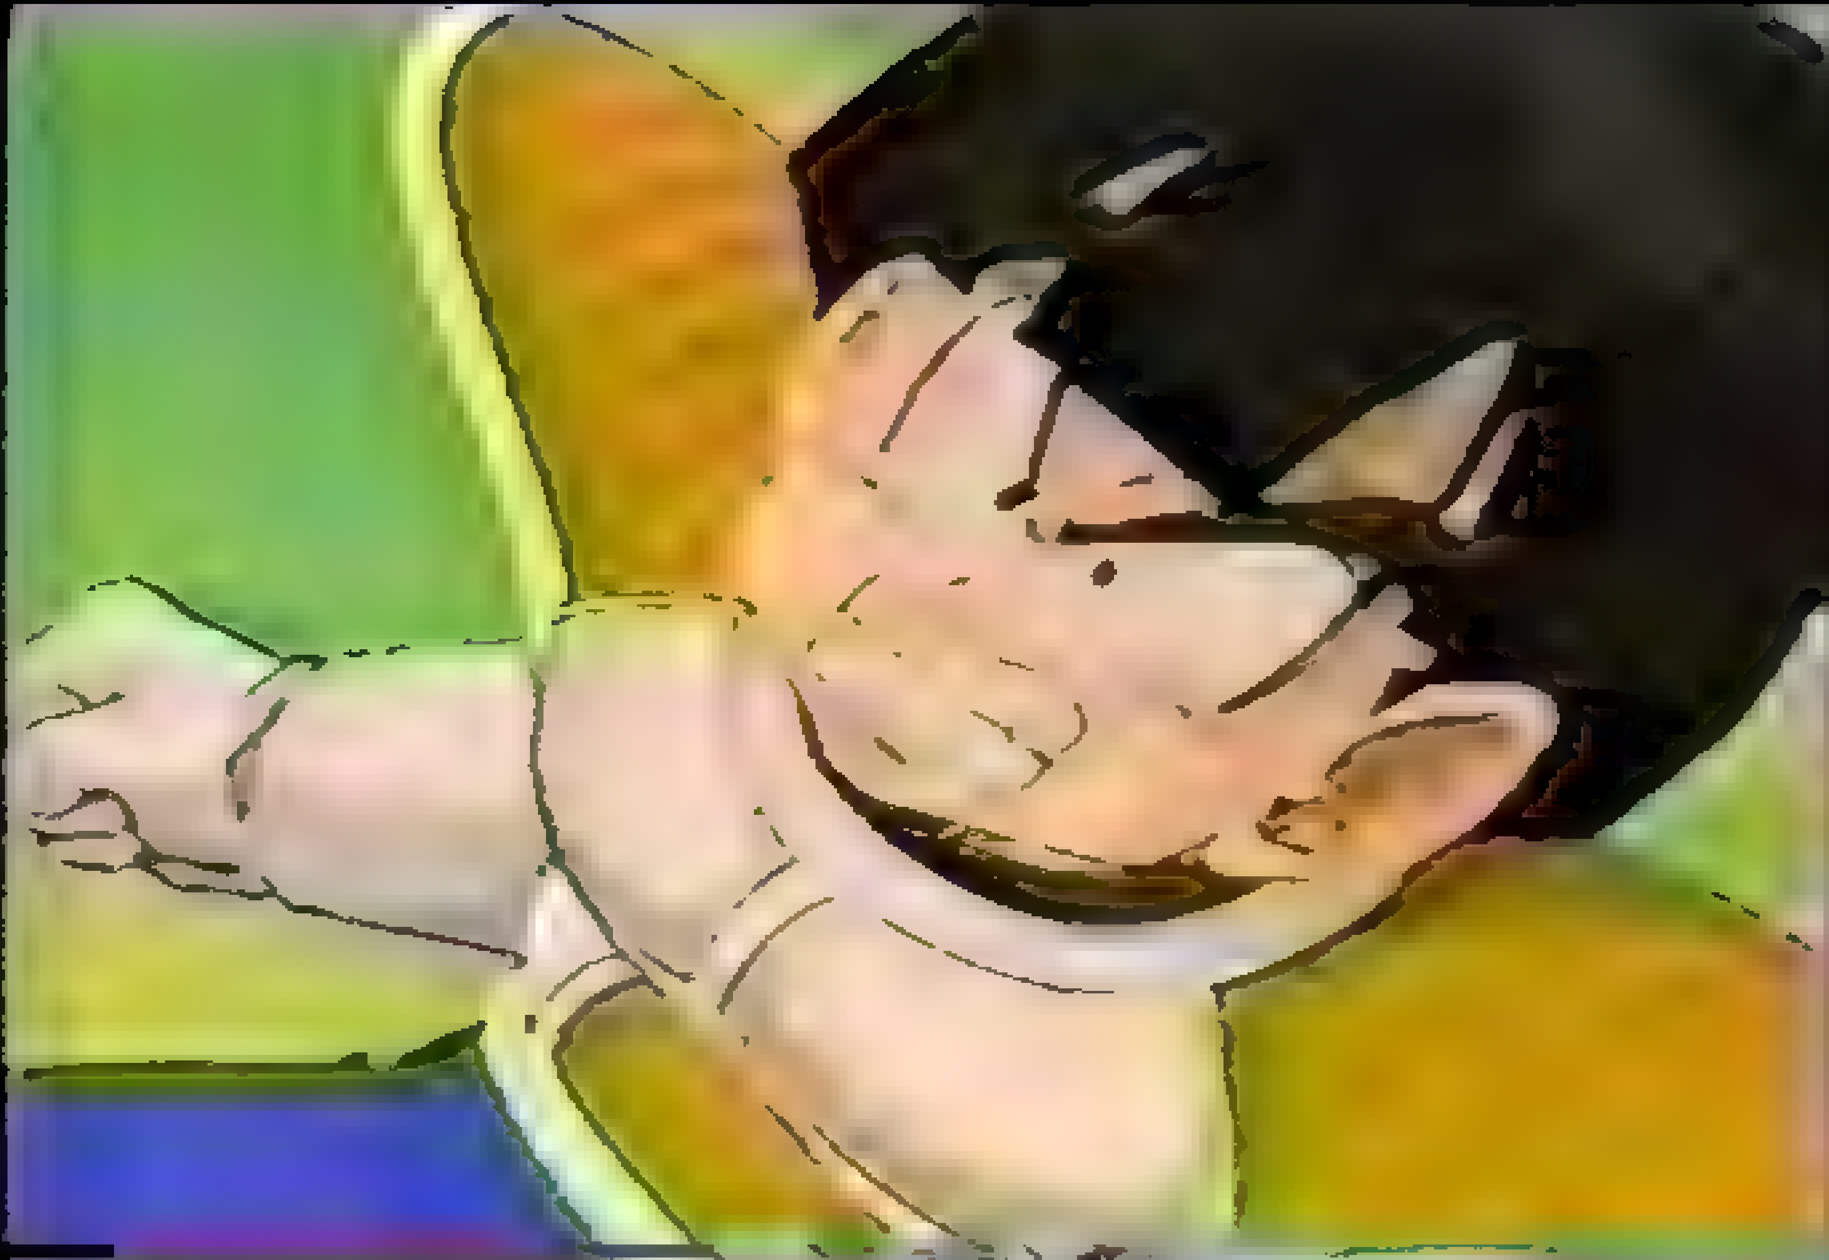

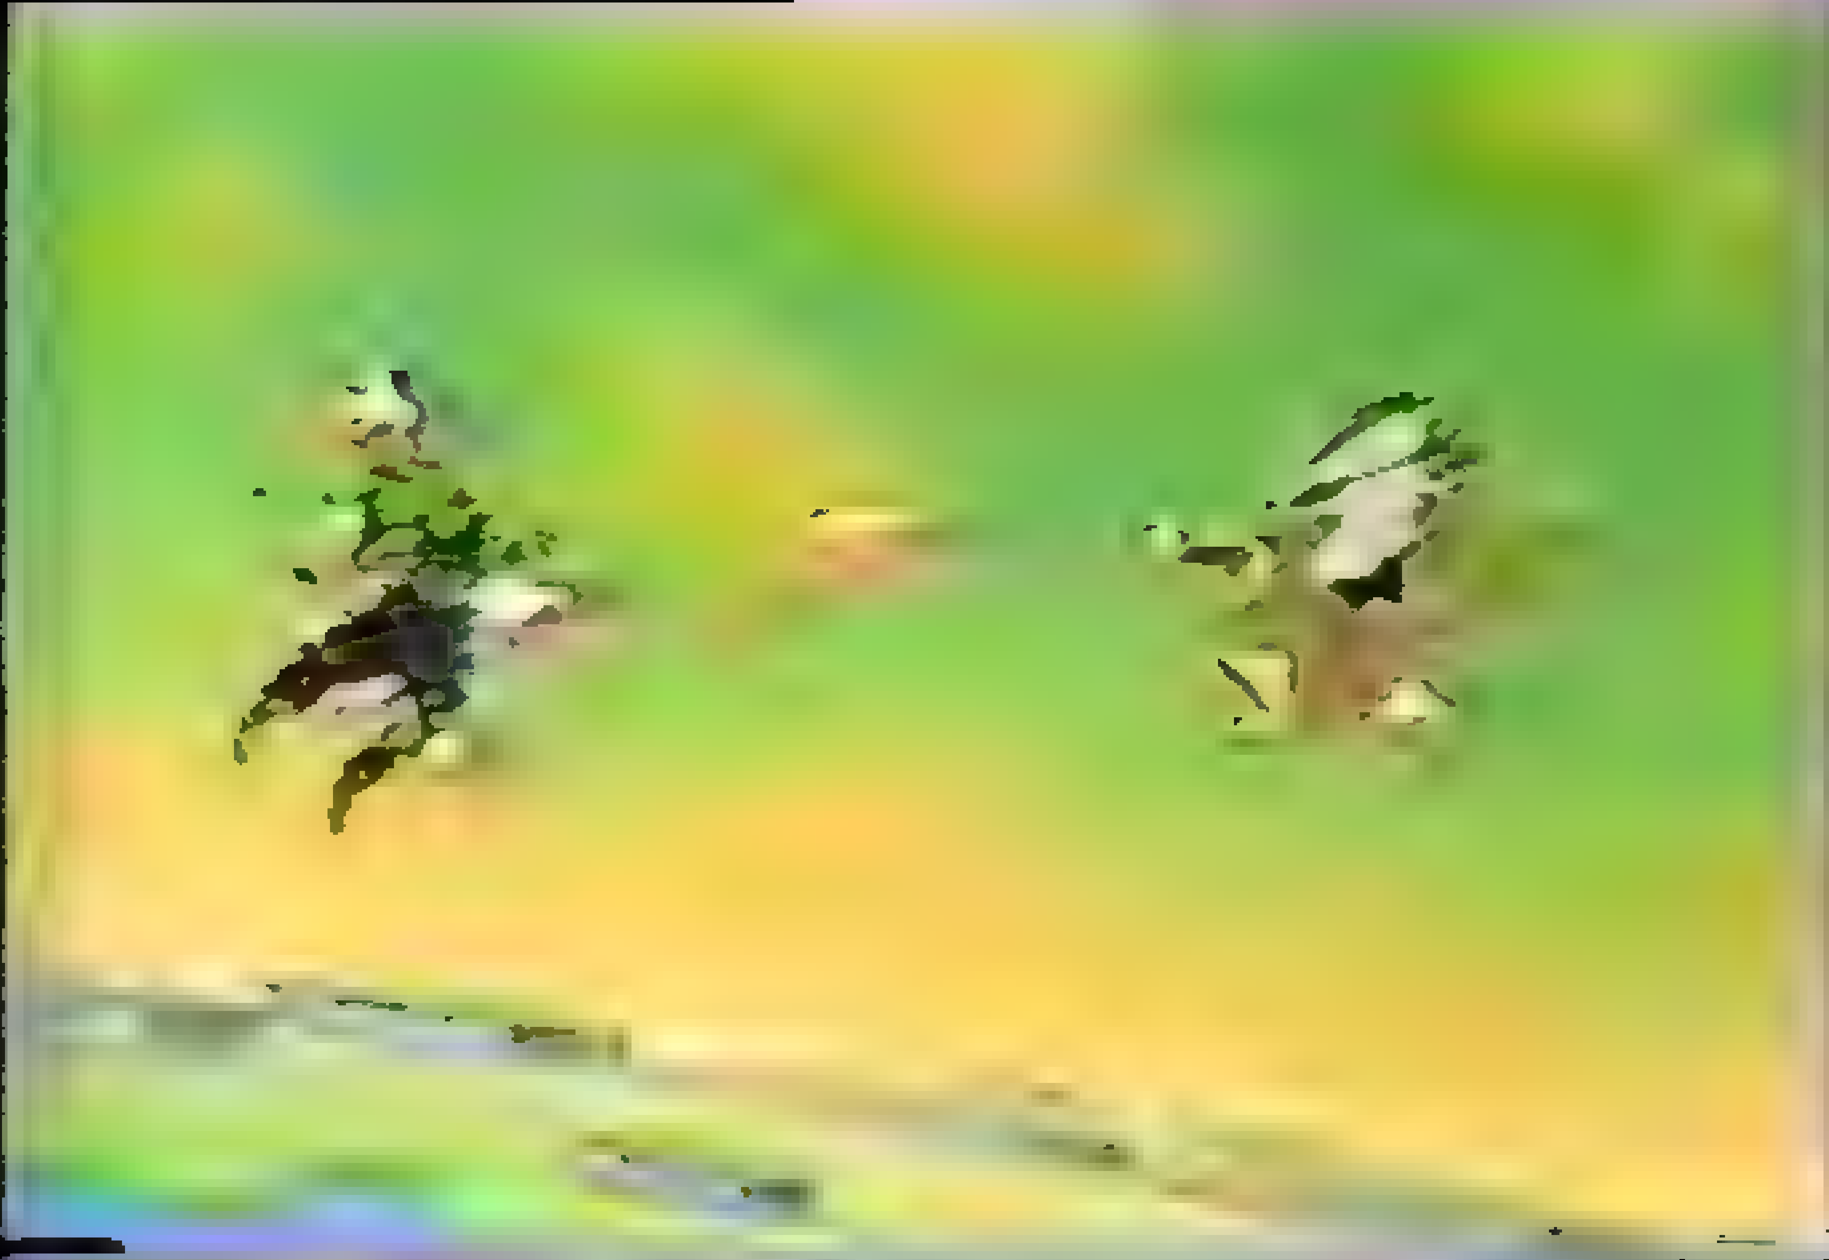

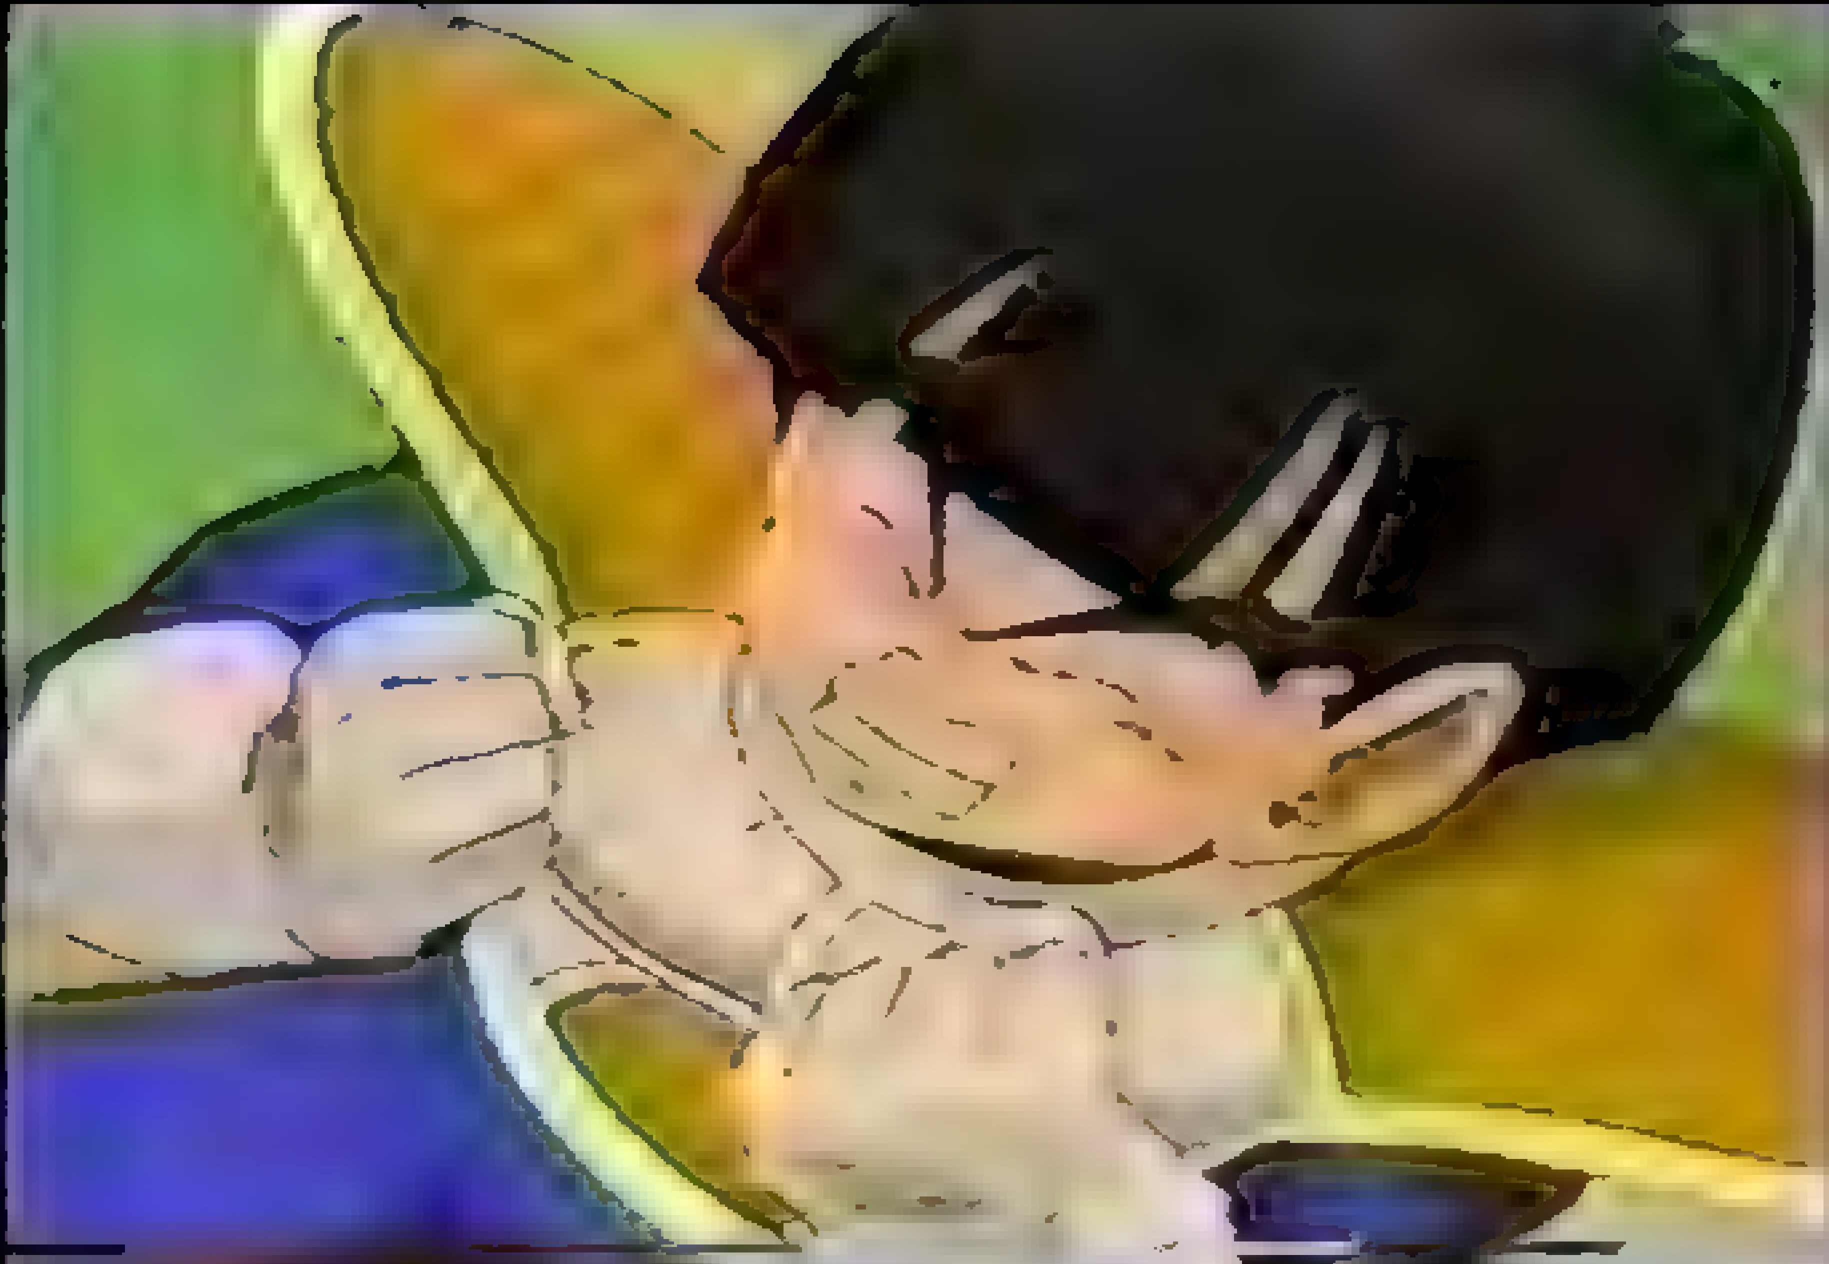

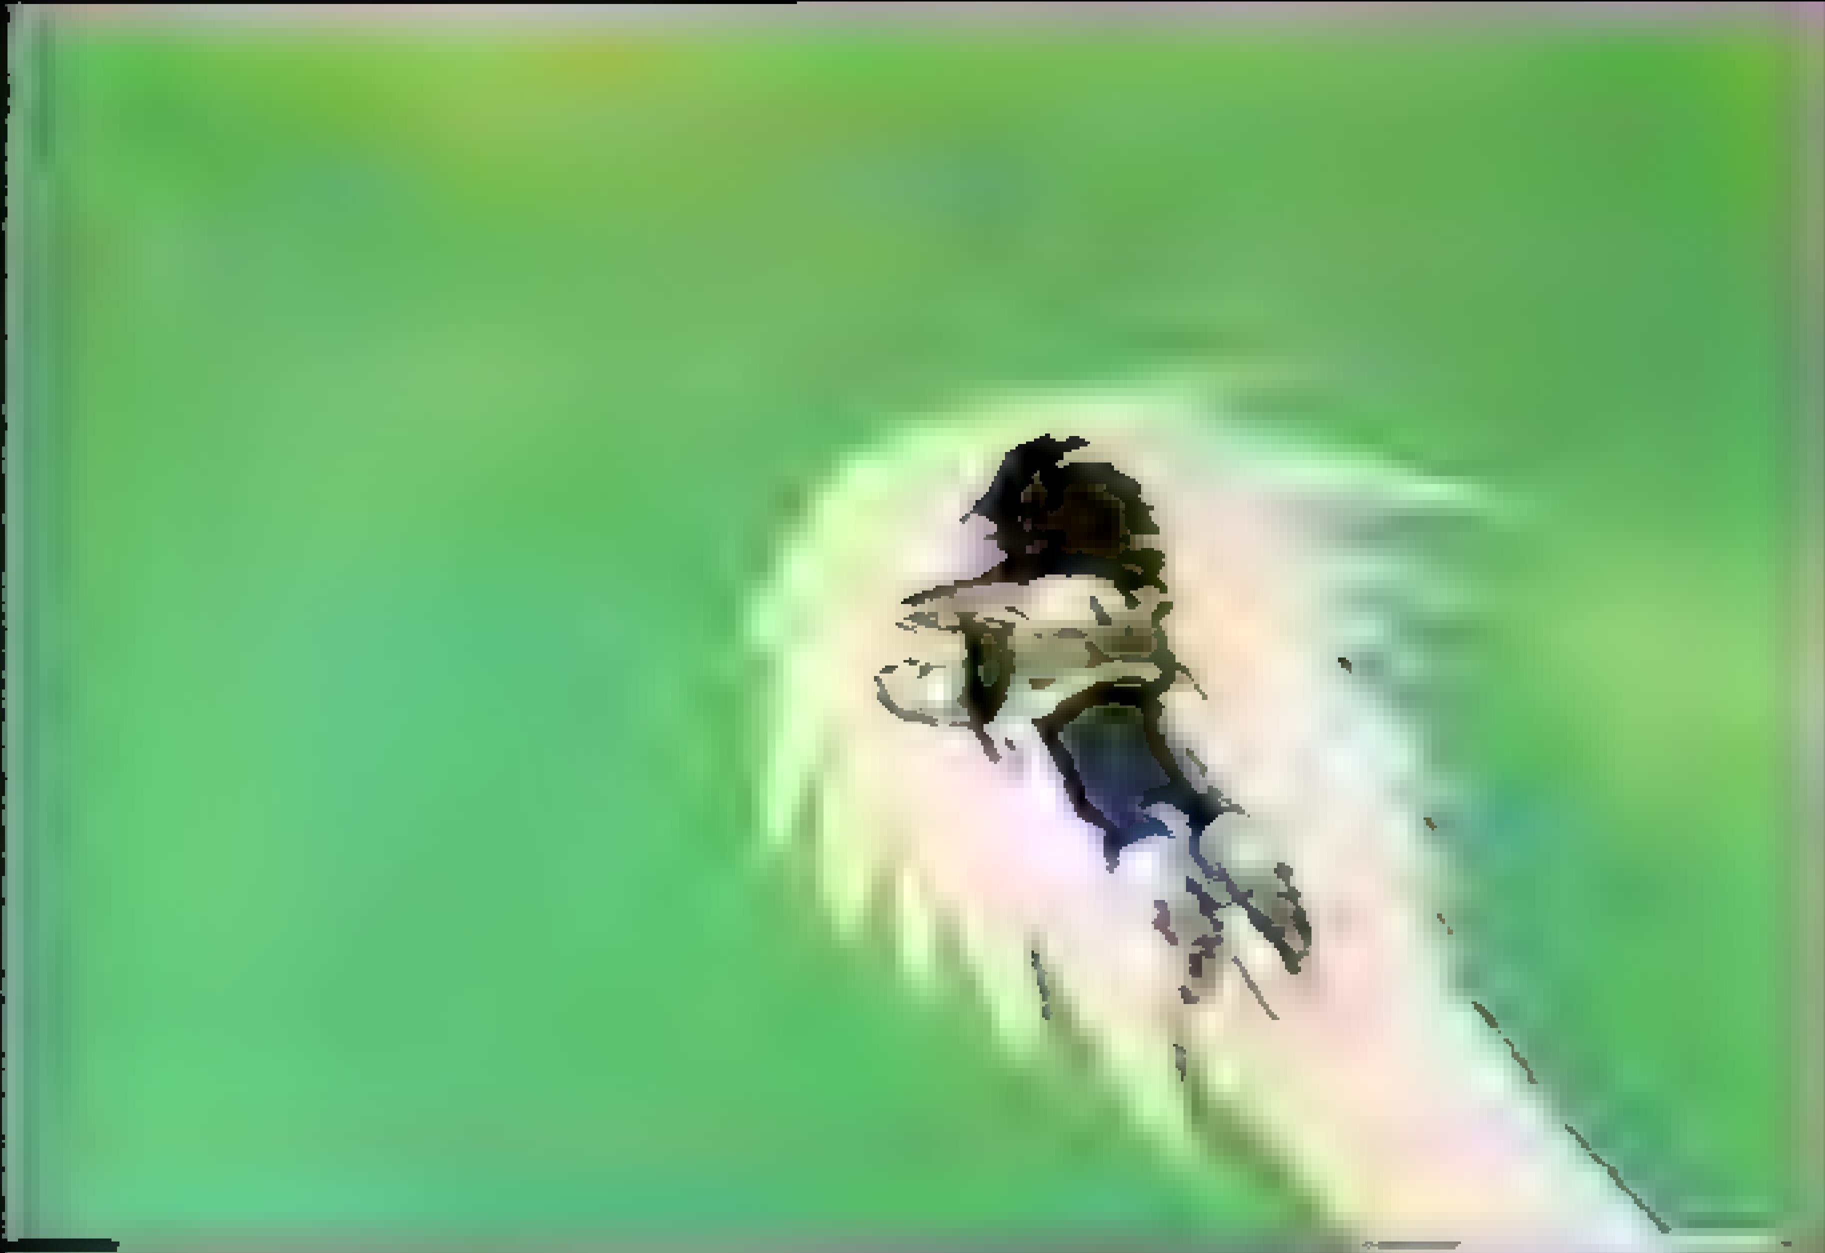

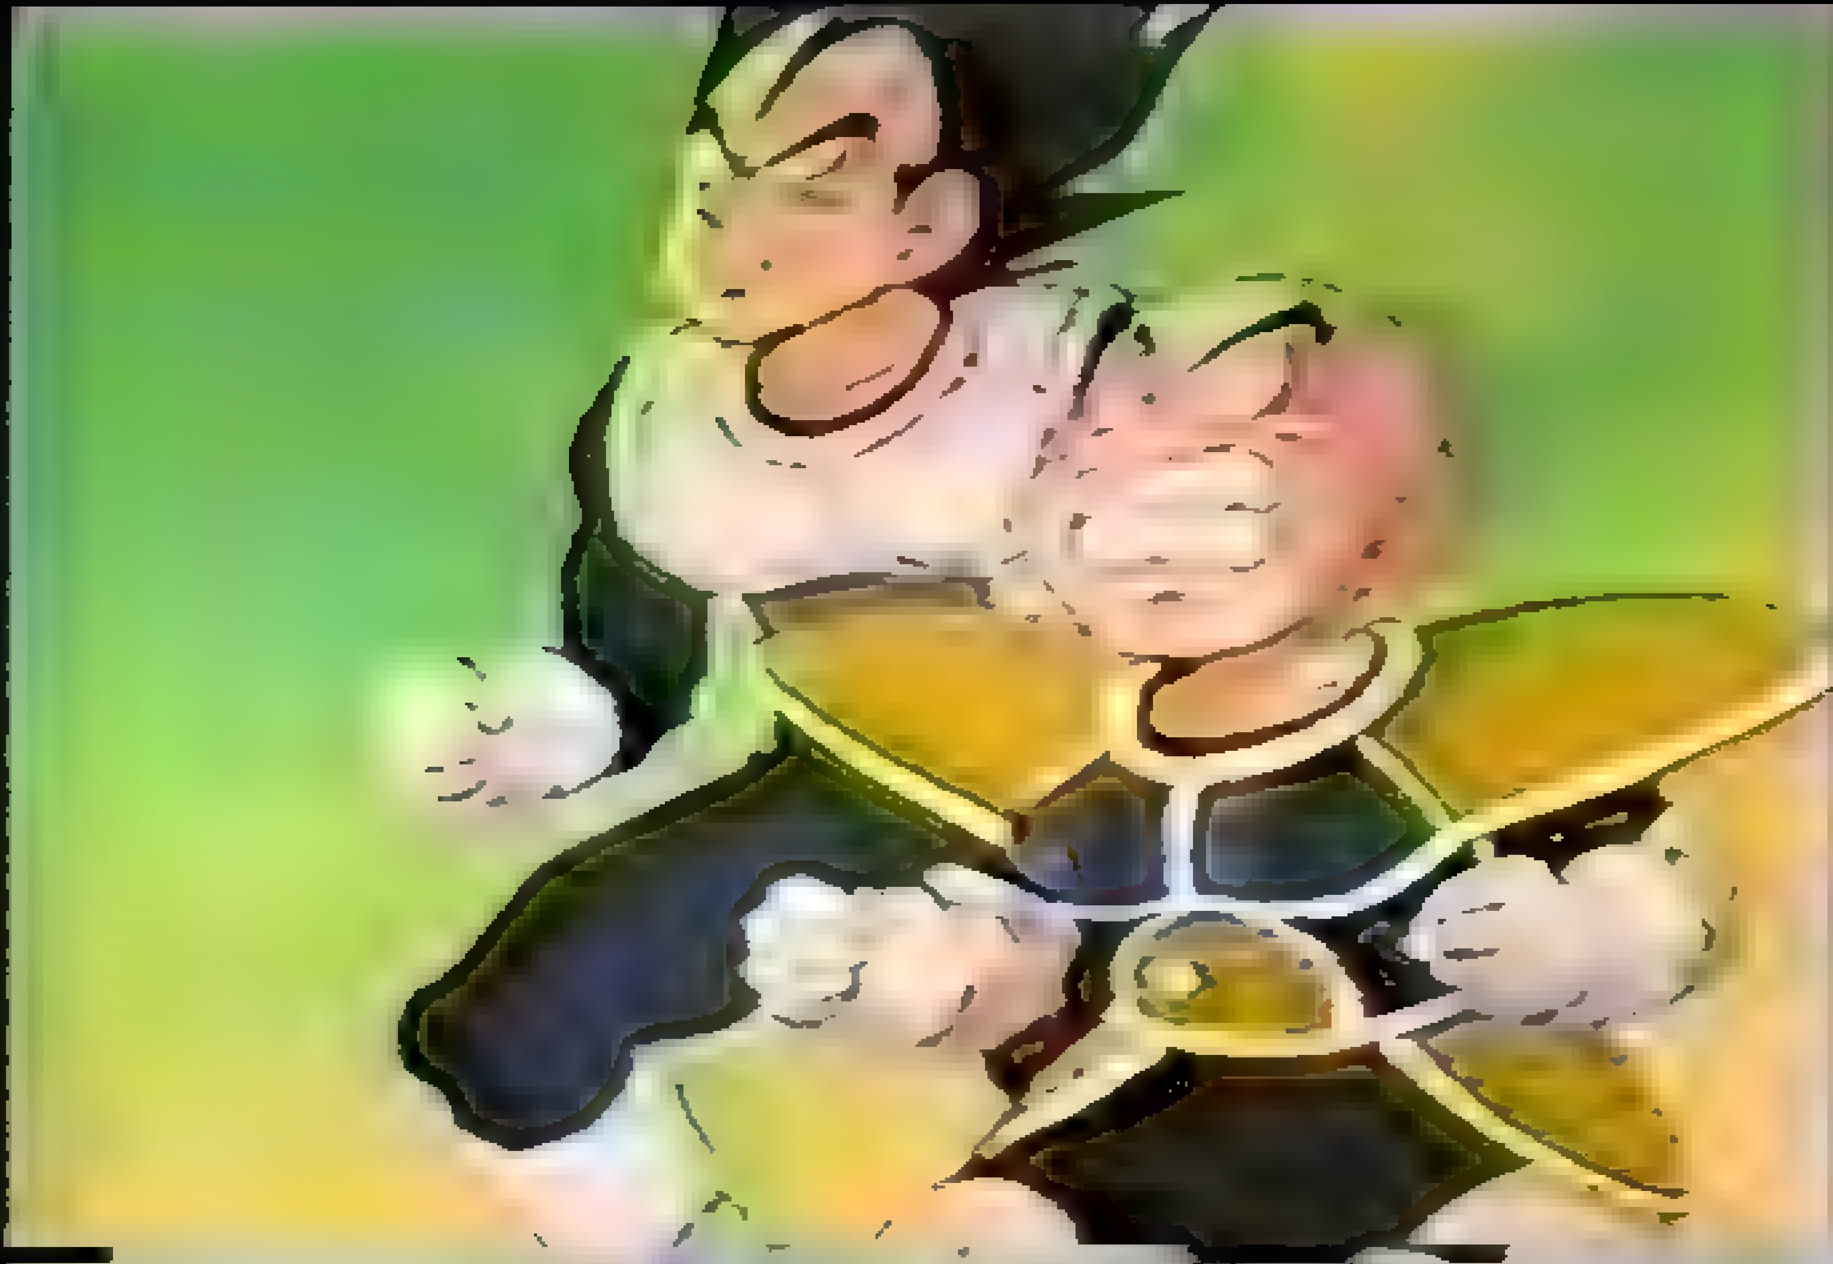

Stop it!

Stop it!

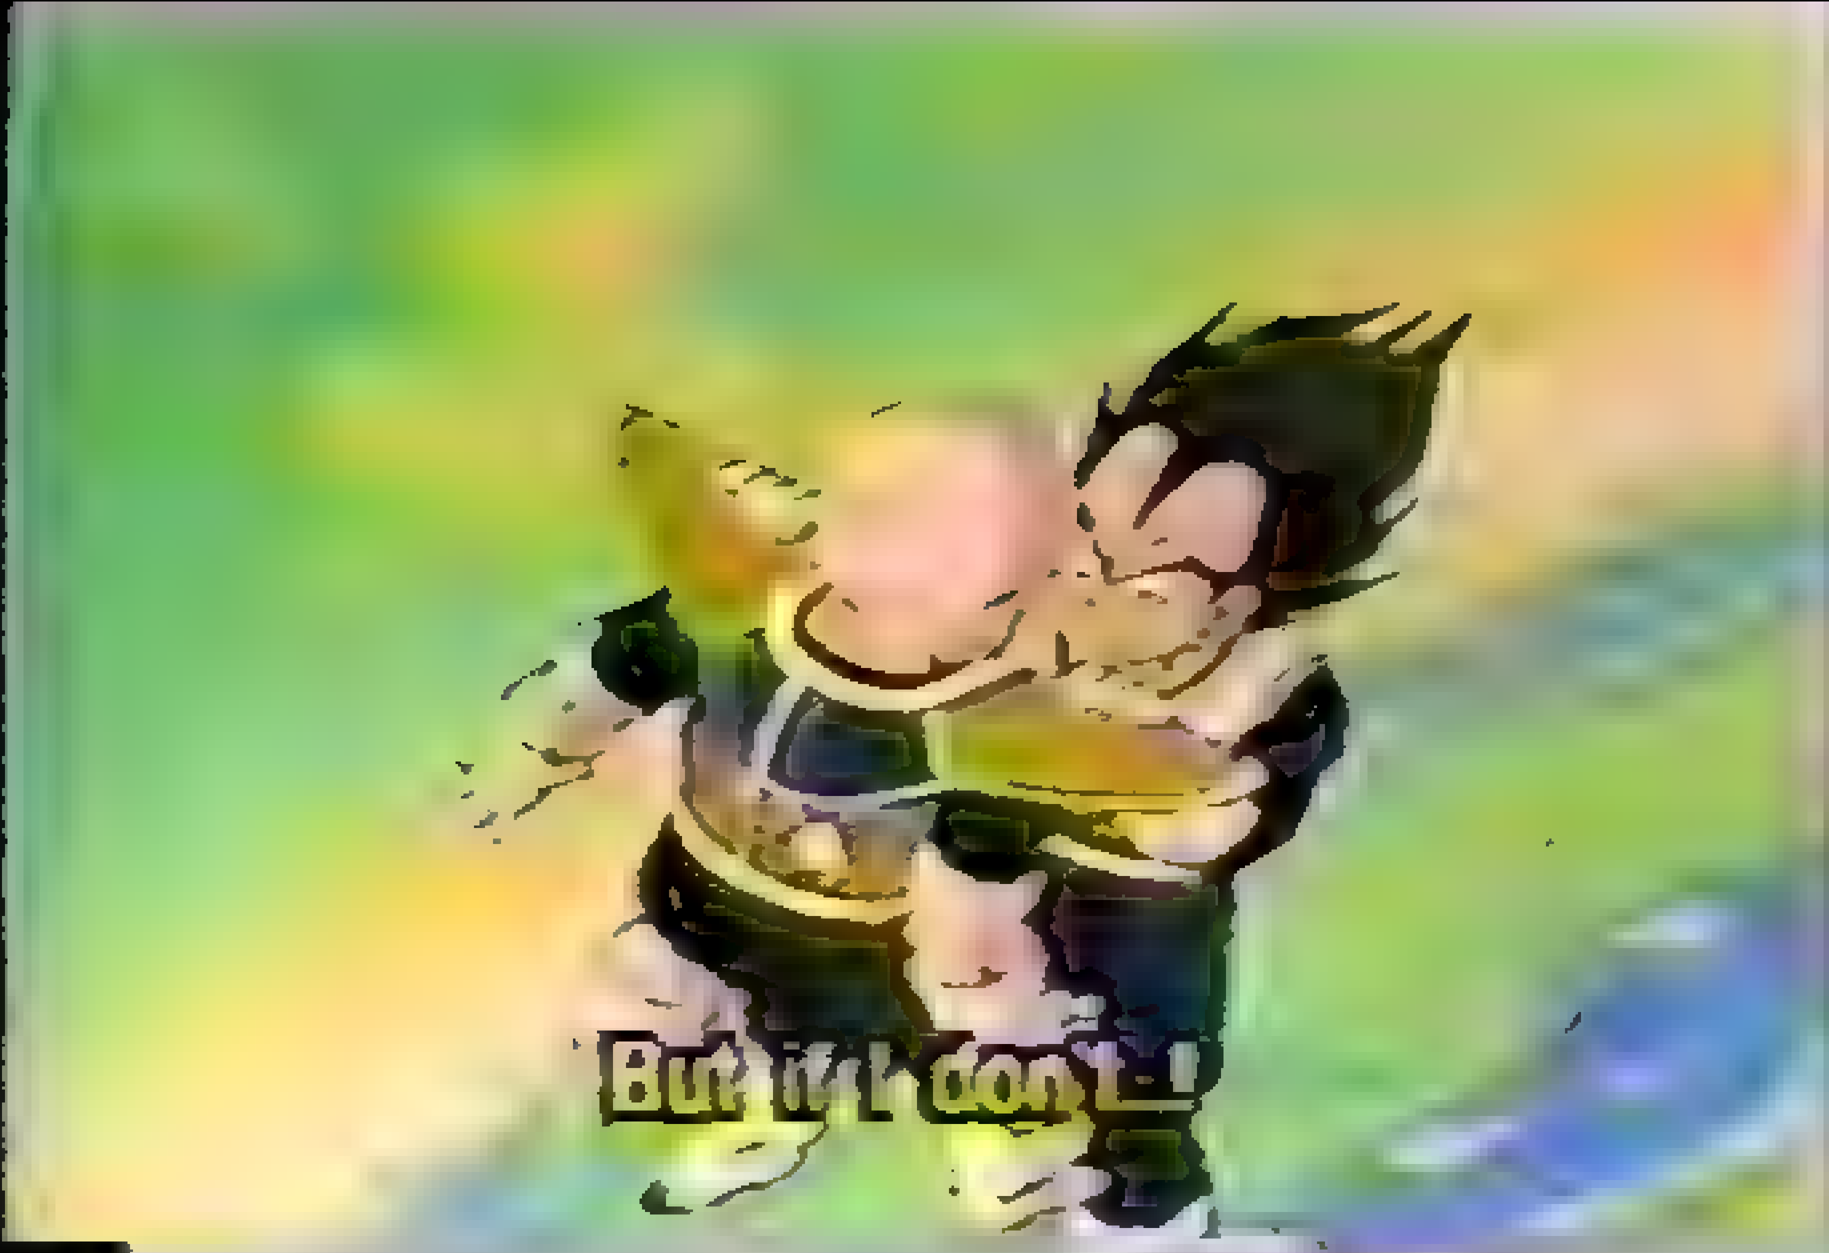

It won't do any good if you go!

But if I don't-!

We'll all be massacred by
Freezer if we don't do something!

We'll all be massacred by
Freezer if we don't do something!

Beat me until I'm
almost dead! Right now!

Beat me until I'm
almost dead! Right now!

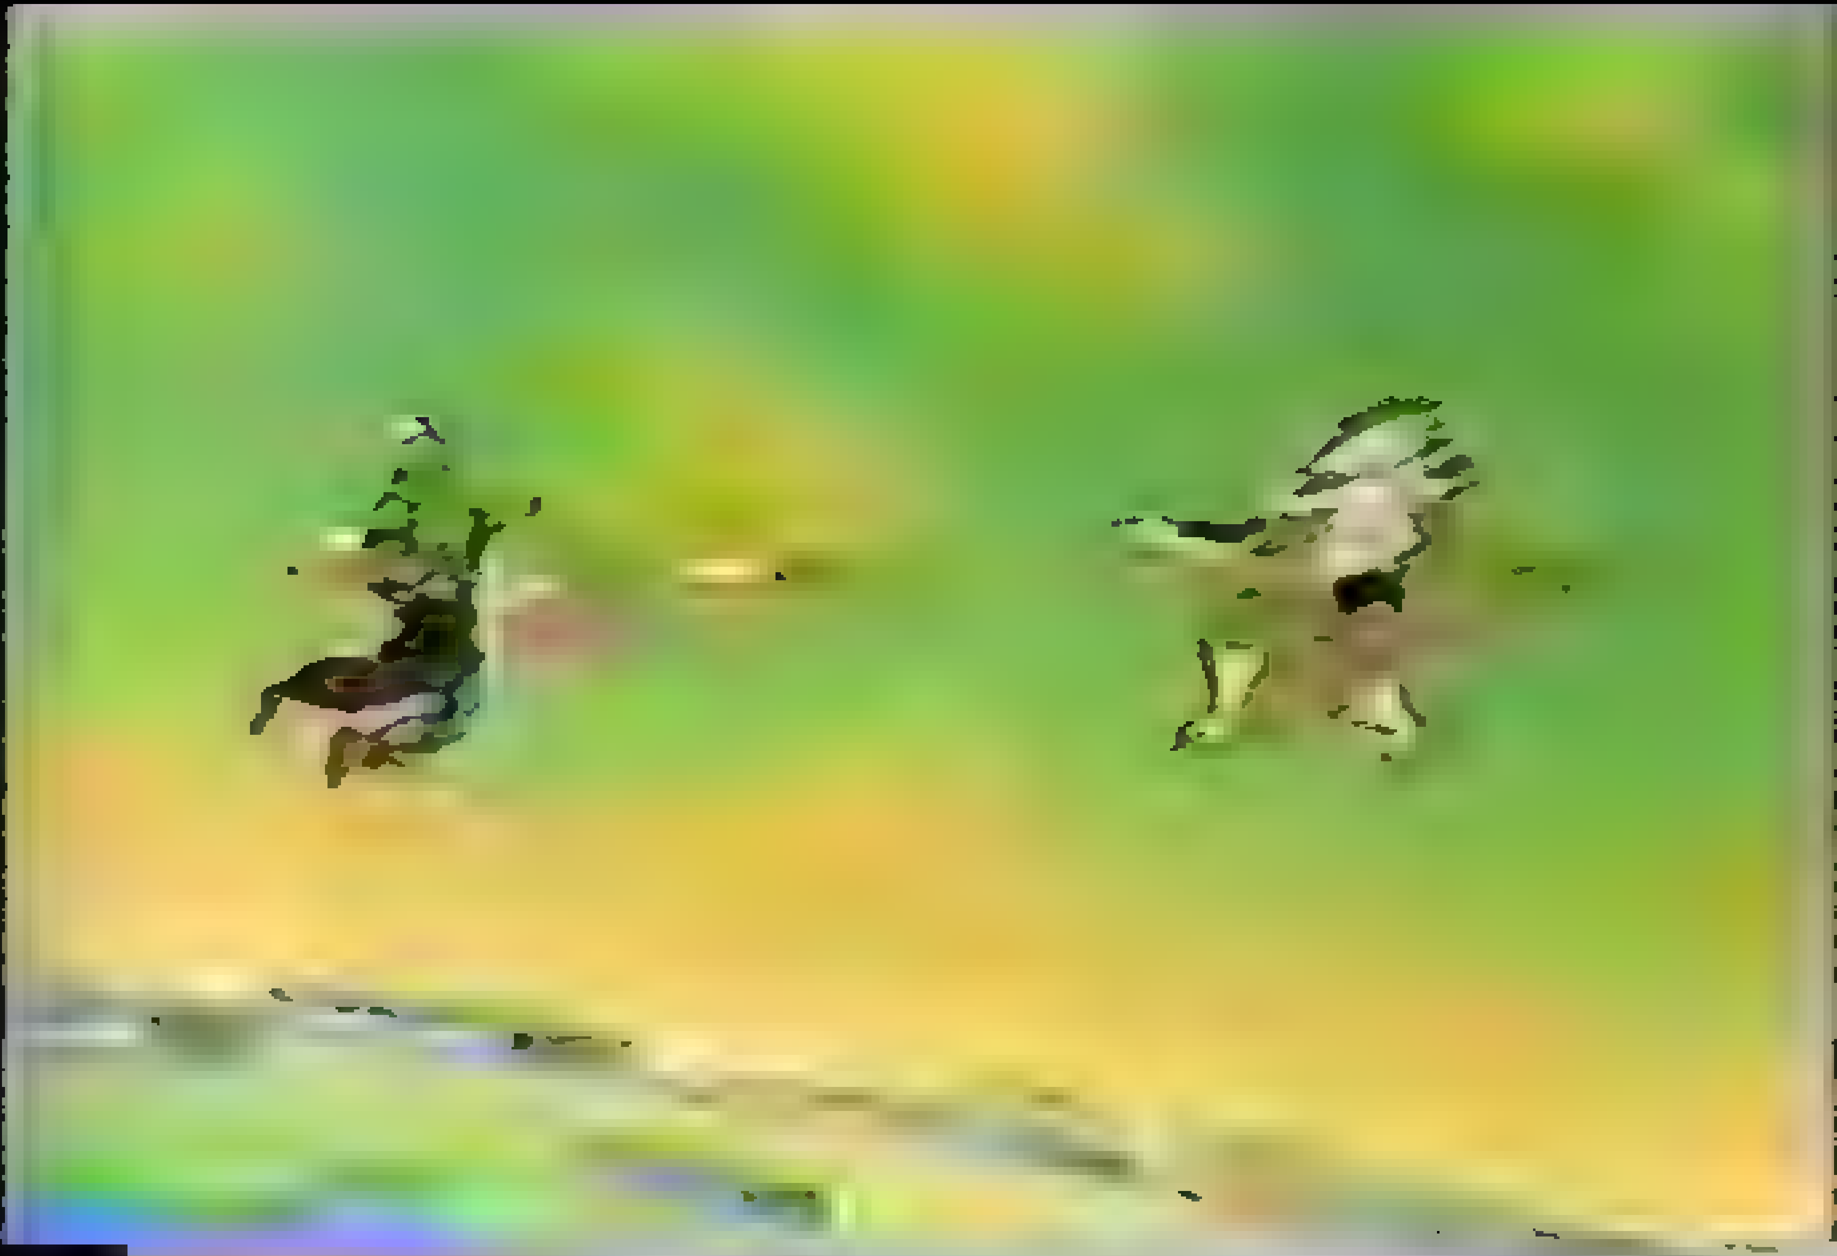

If that brat can bring me back
from the brink of death,

If that brat can bring me back
from the brink of death,

If that brat can bring me back
from the brink of death,

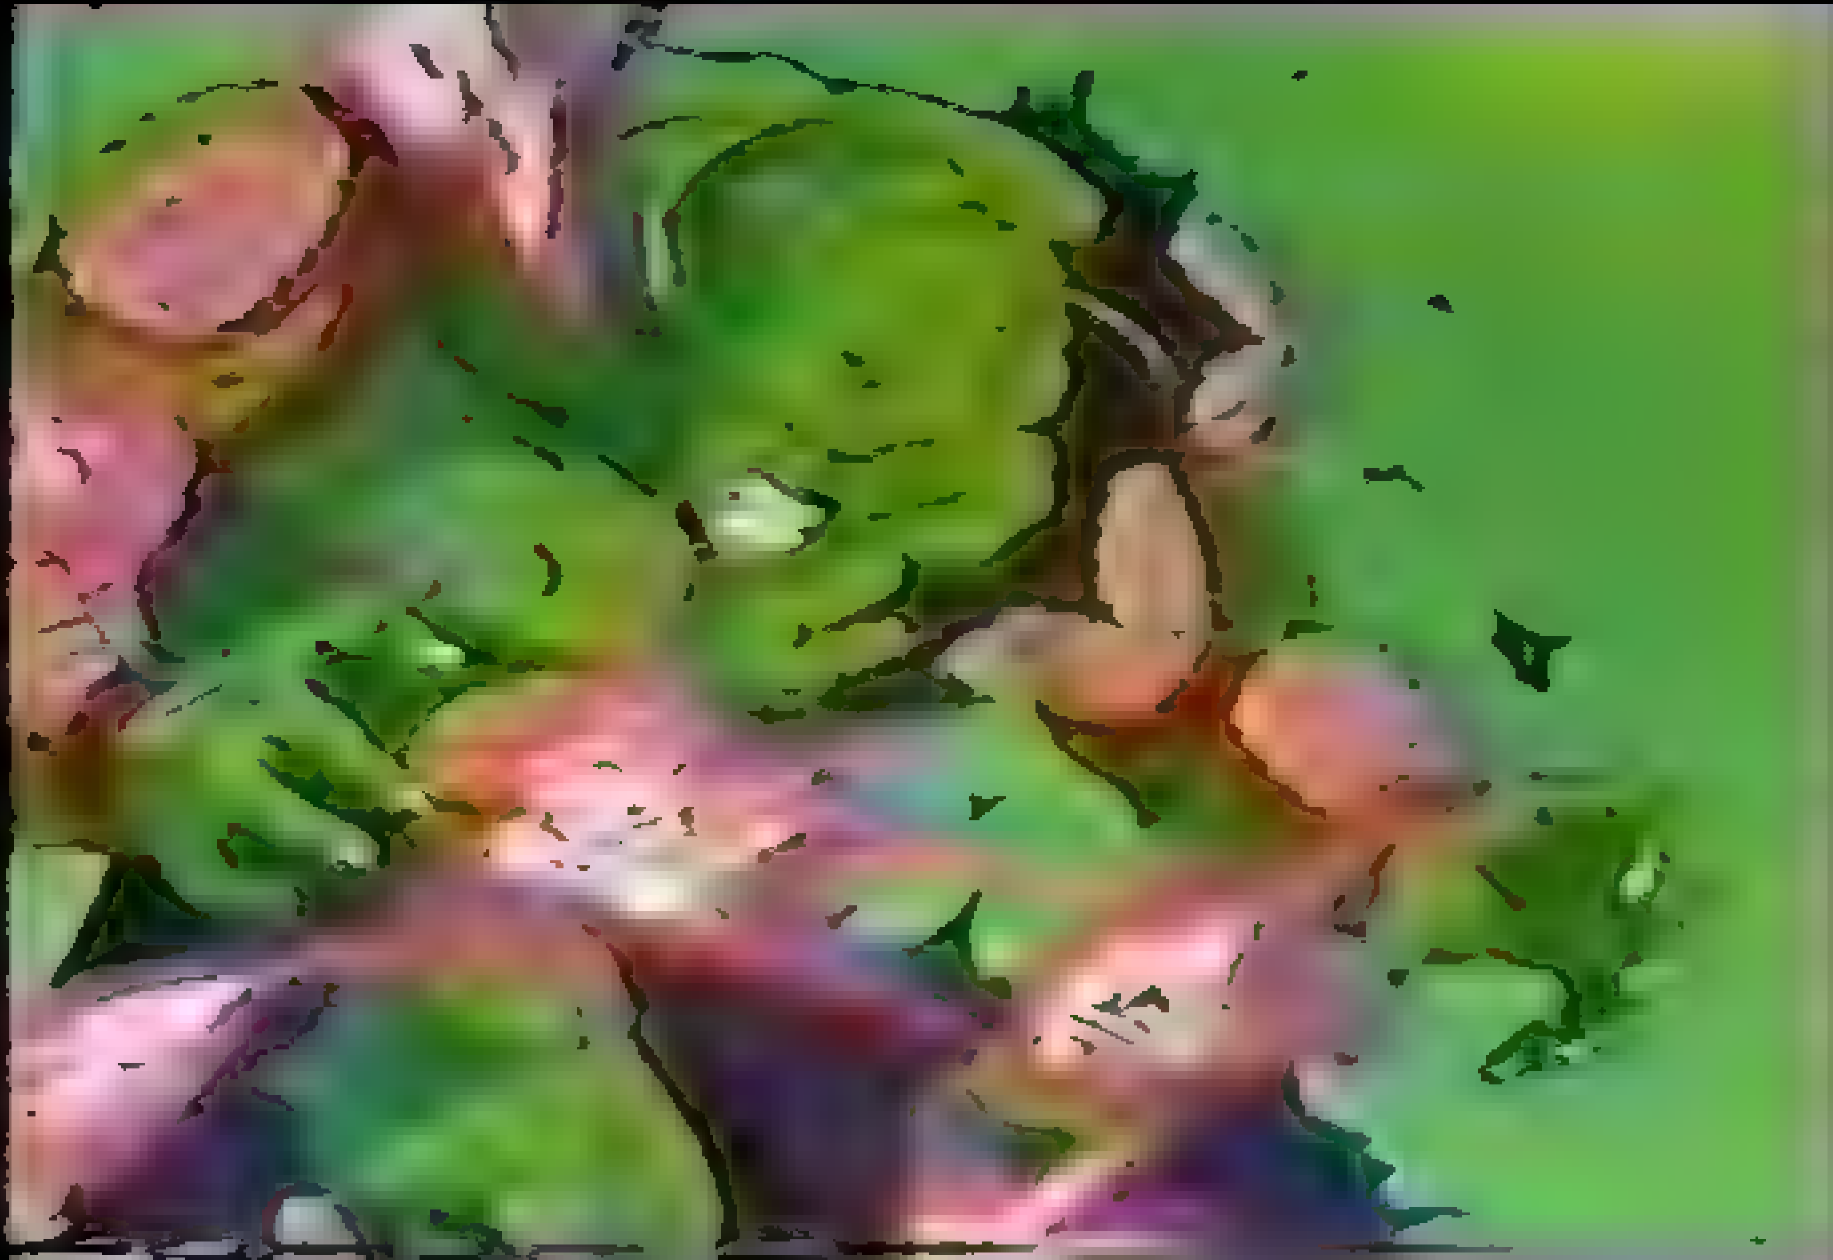

I'm sure I'll become
a Super Saiyan!

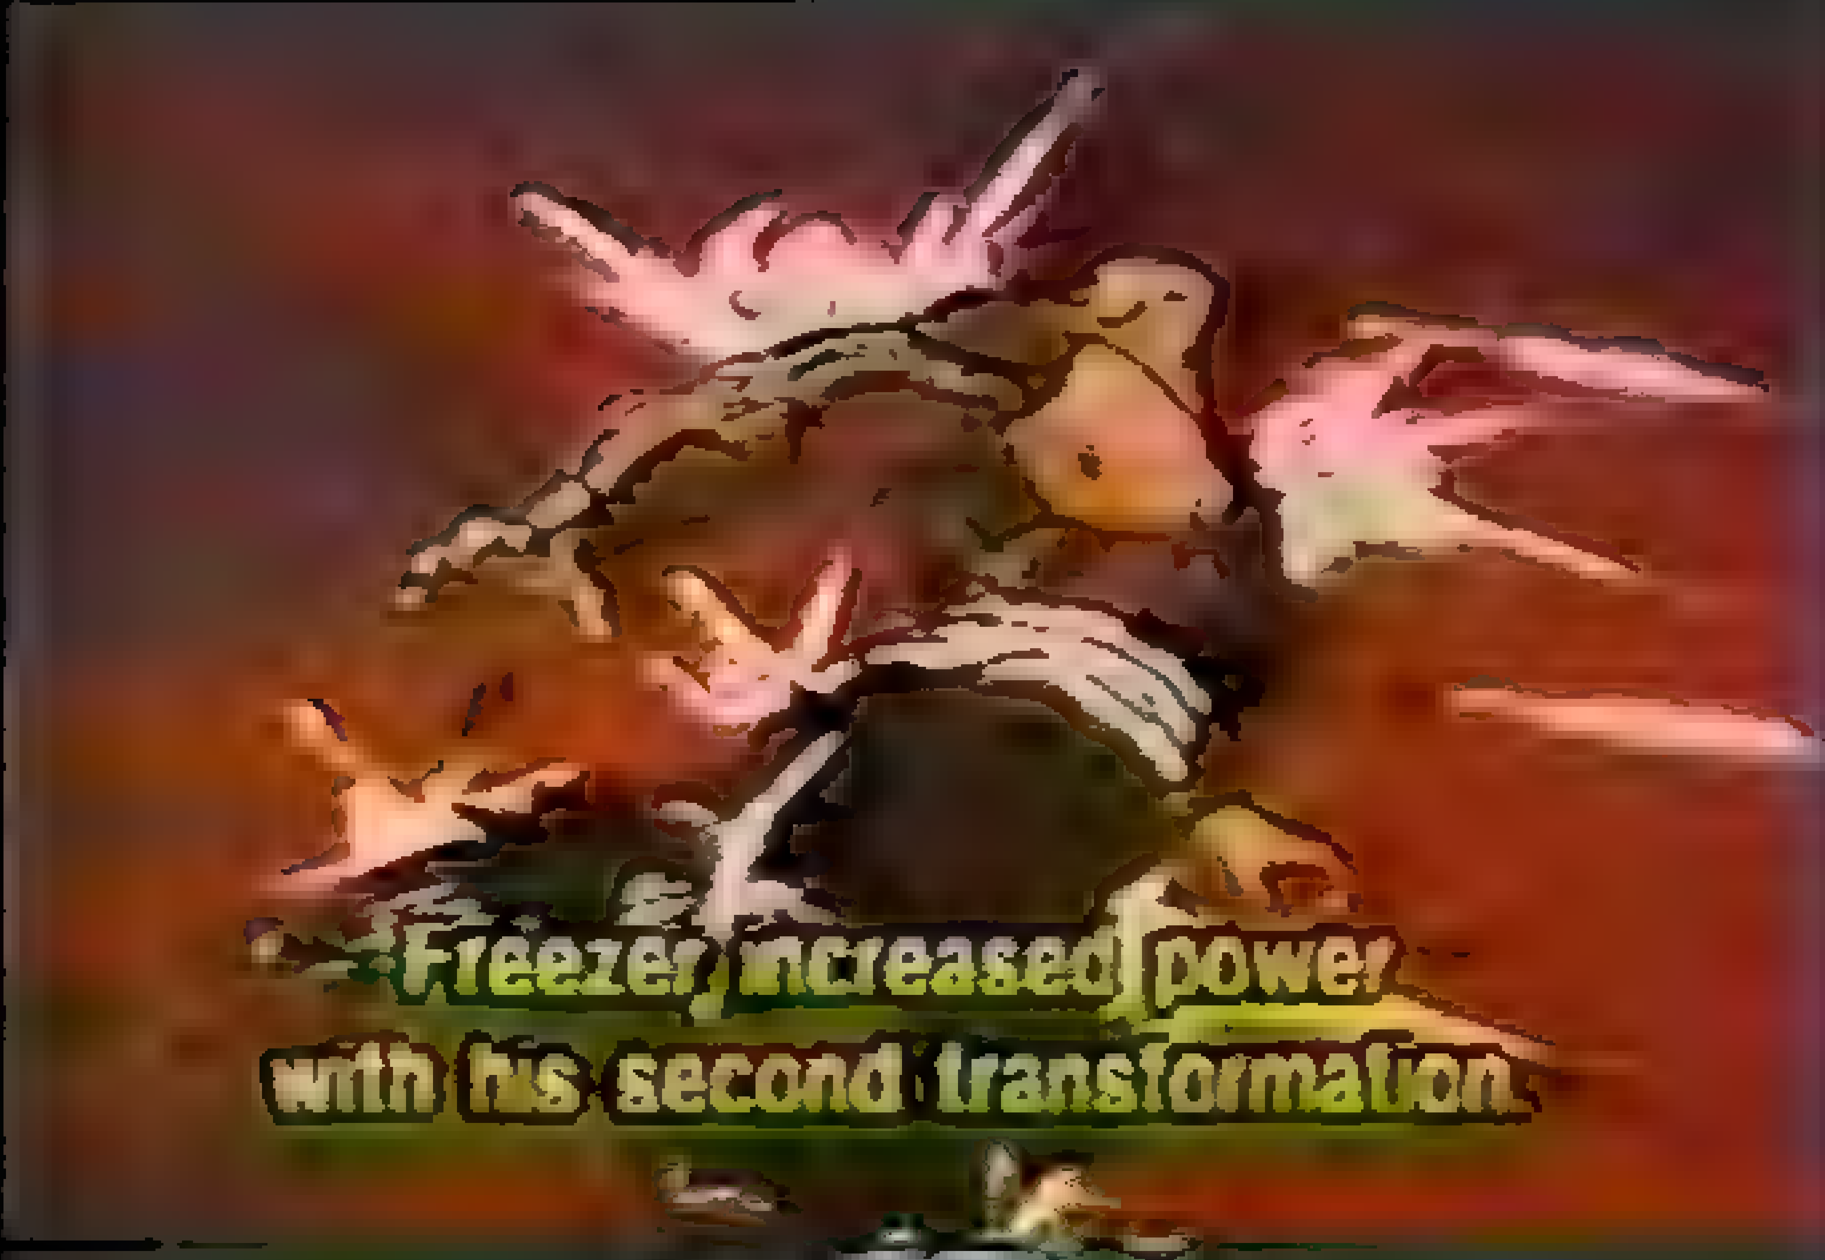

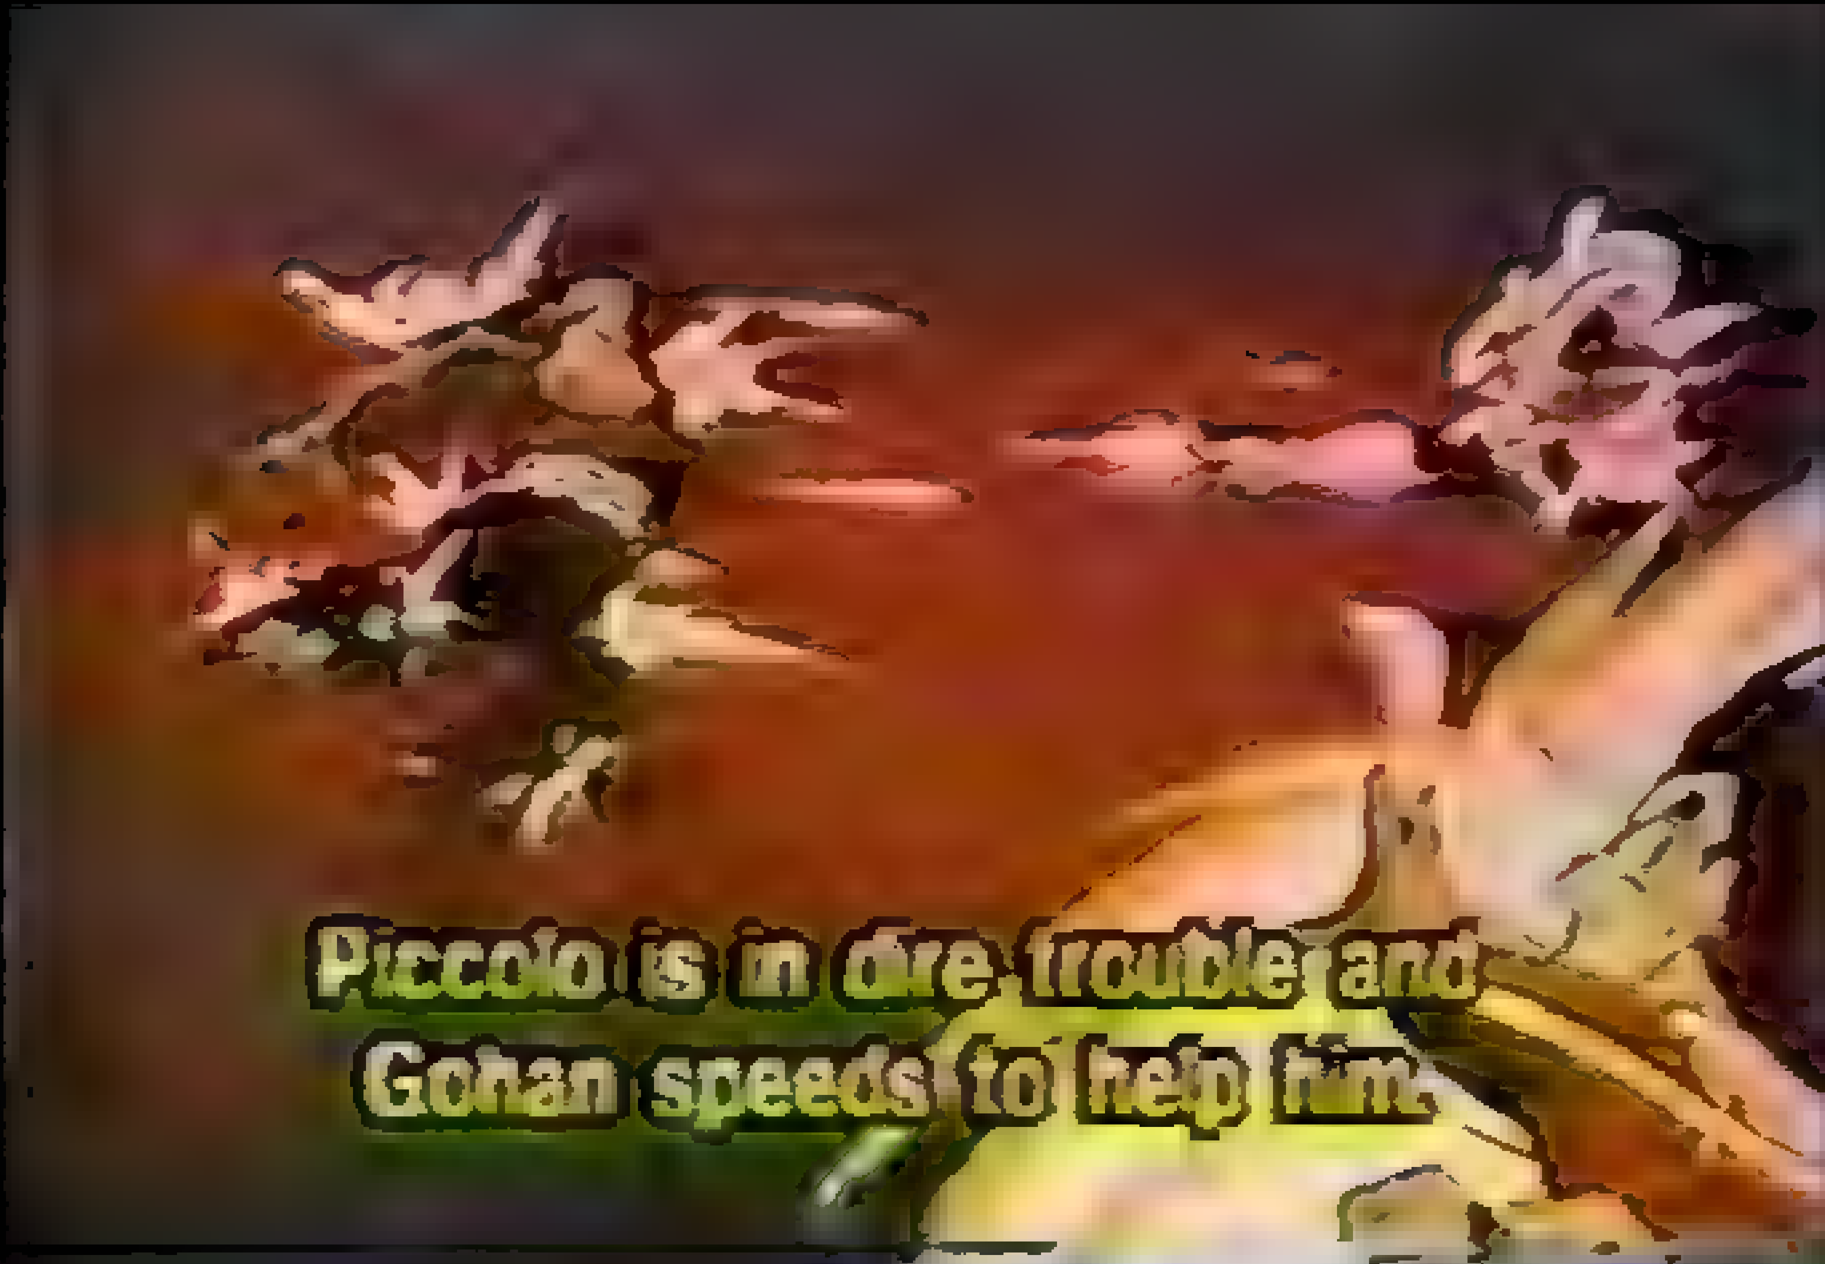

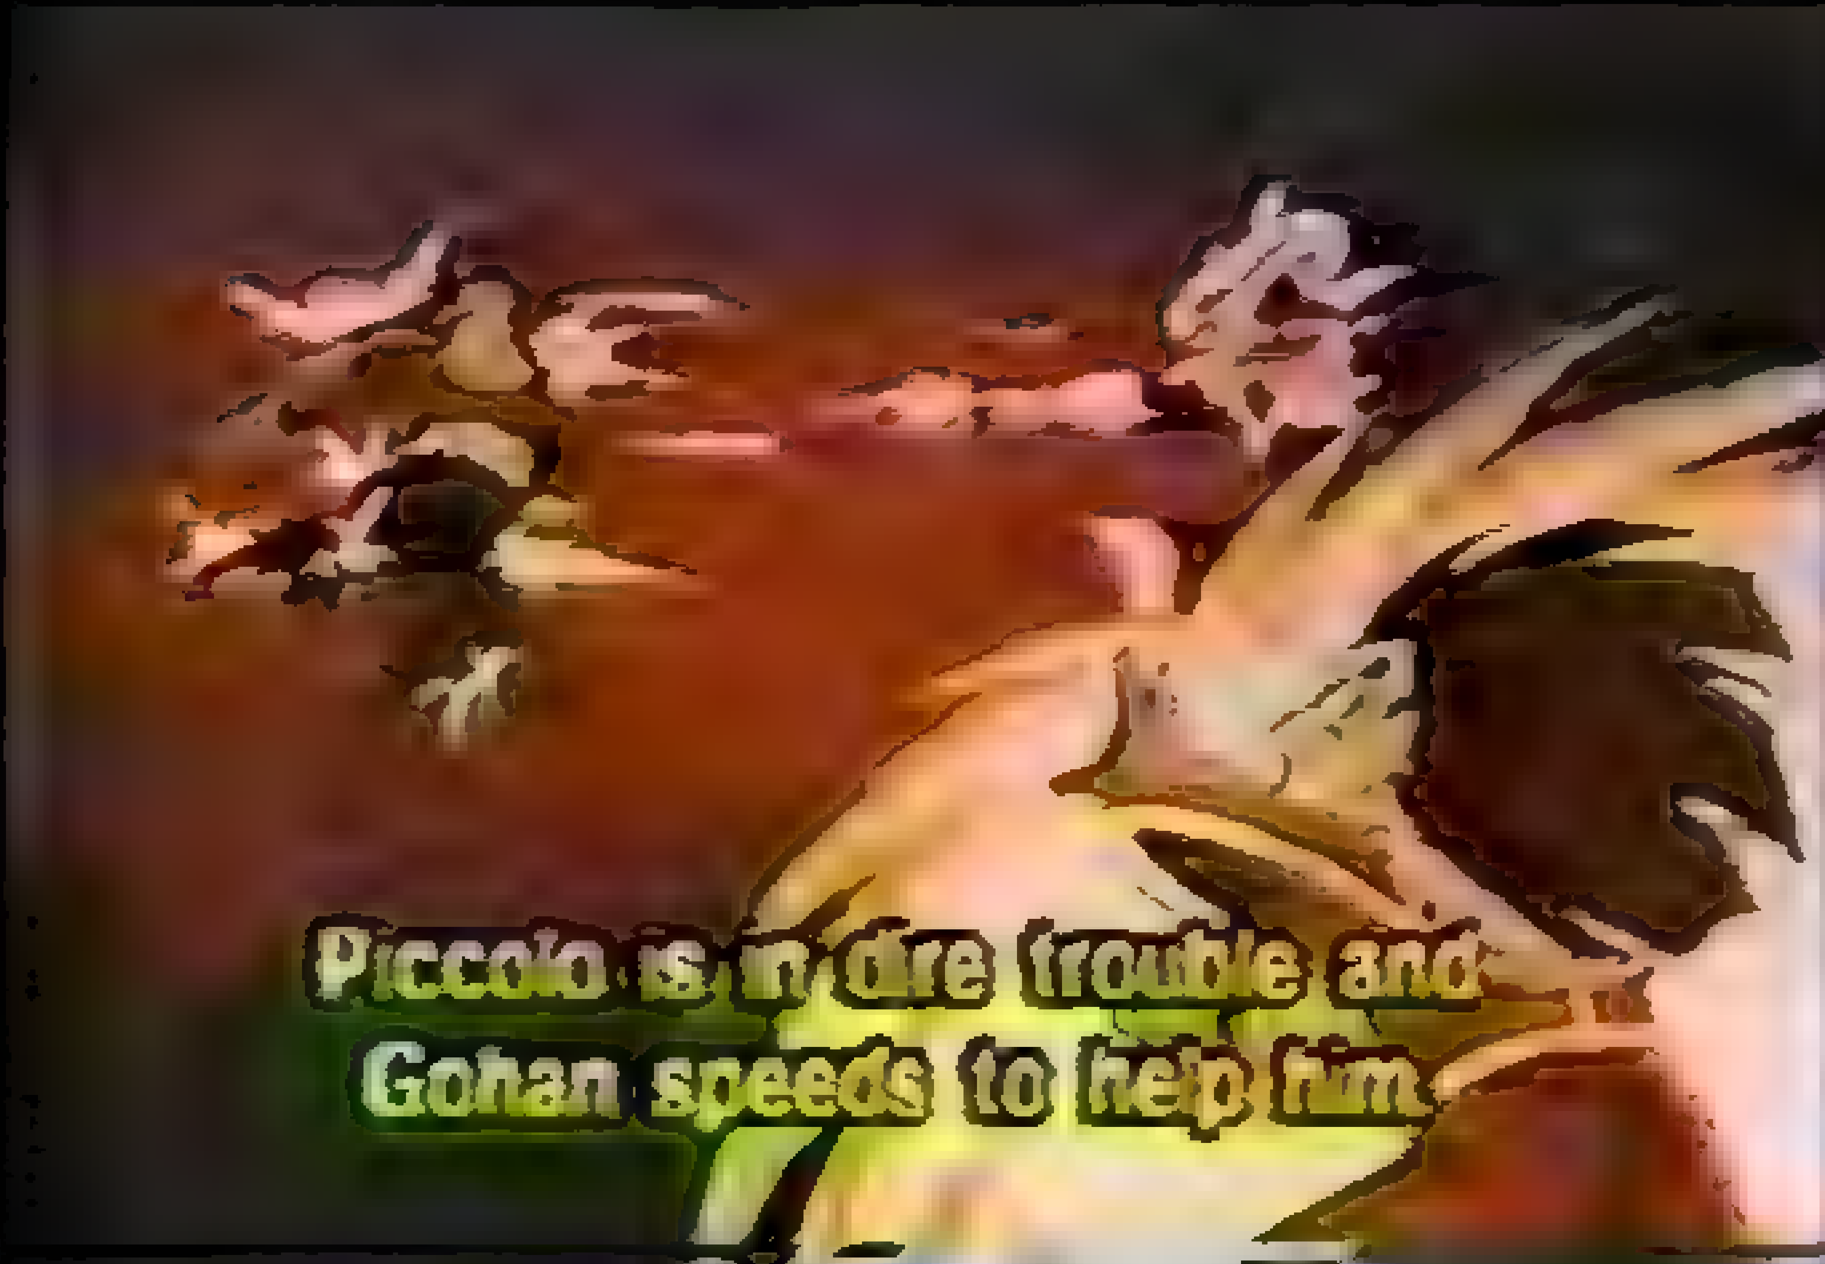

Freezer increased power
with his second transformation.

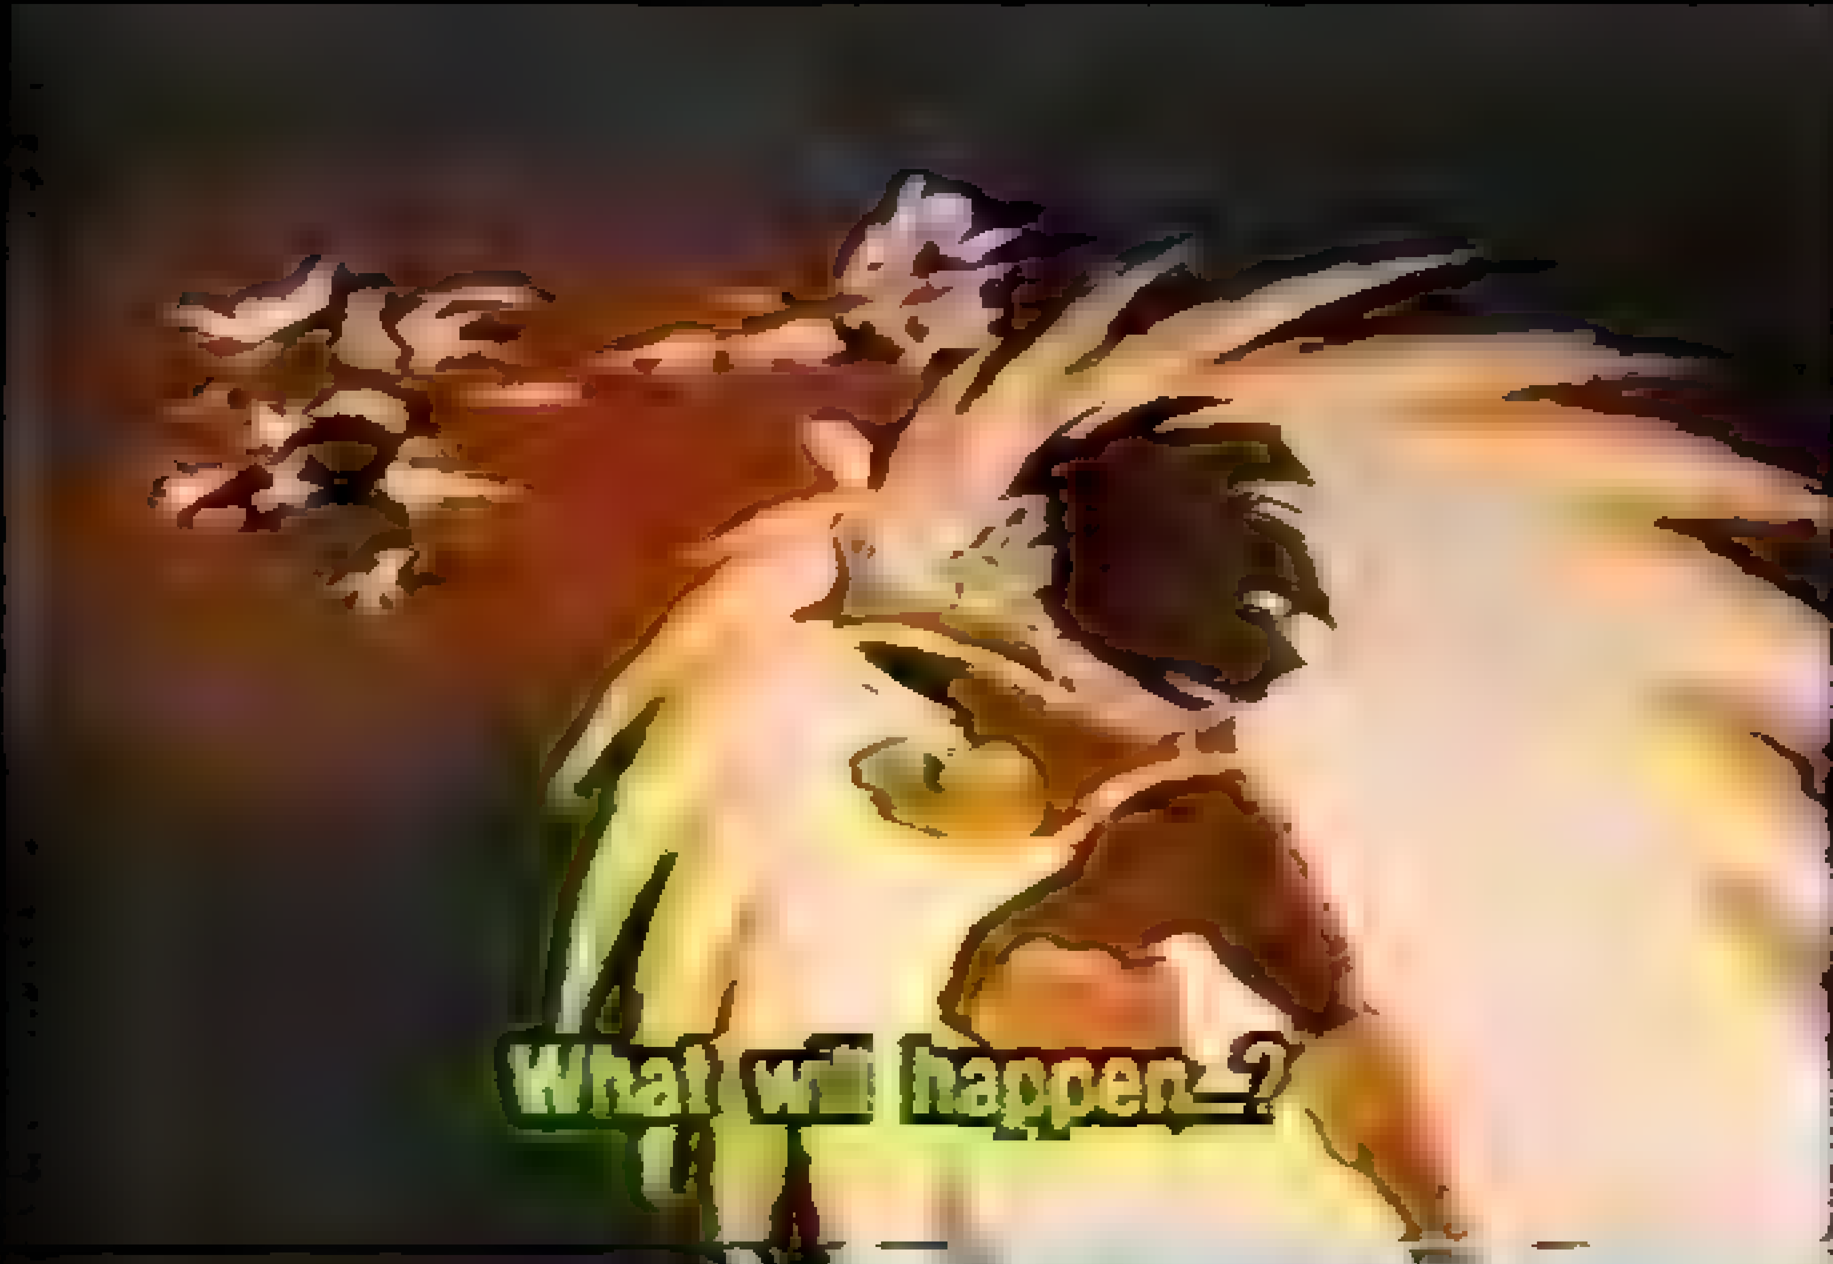

Freezer increased power
with his second transformation.

Freezer increased power
with his second transformation.

Piccolo is in dire trouble and
Gohan speeds to help him.

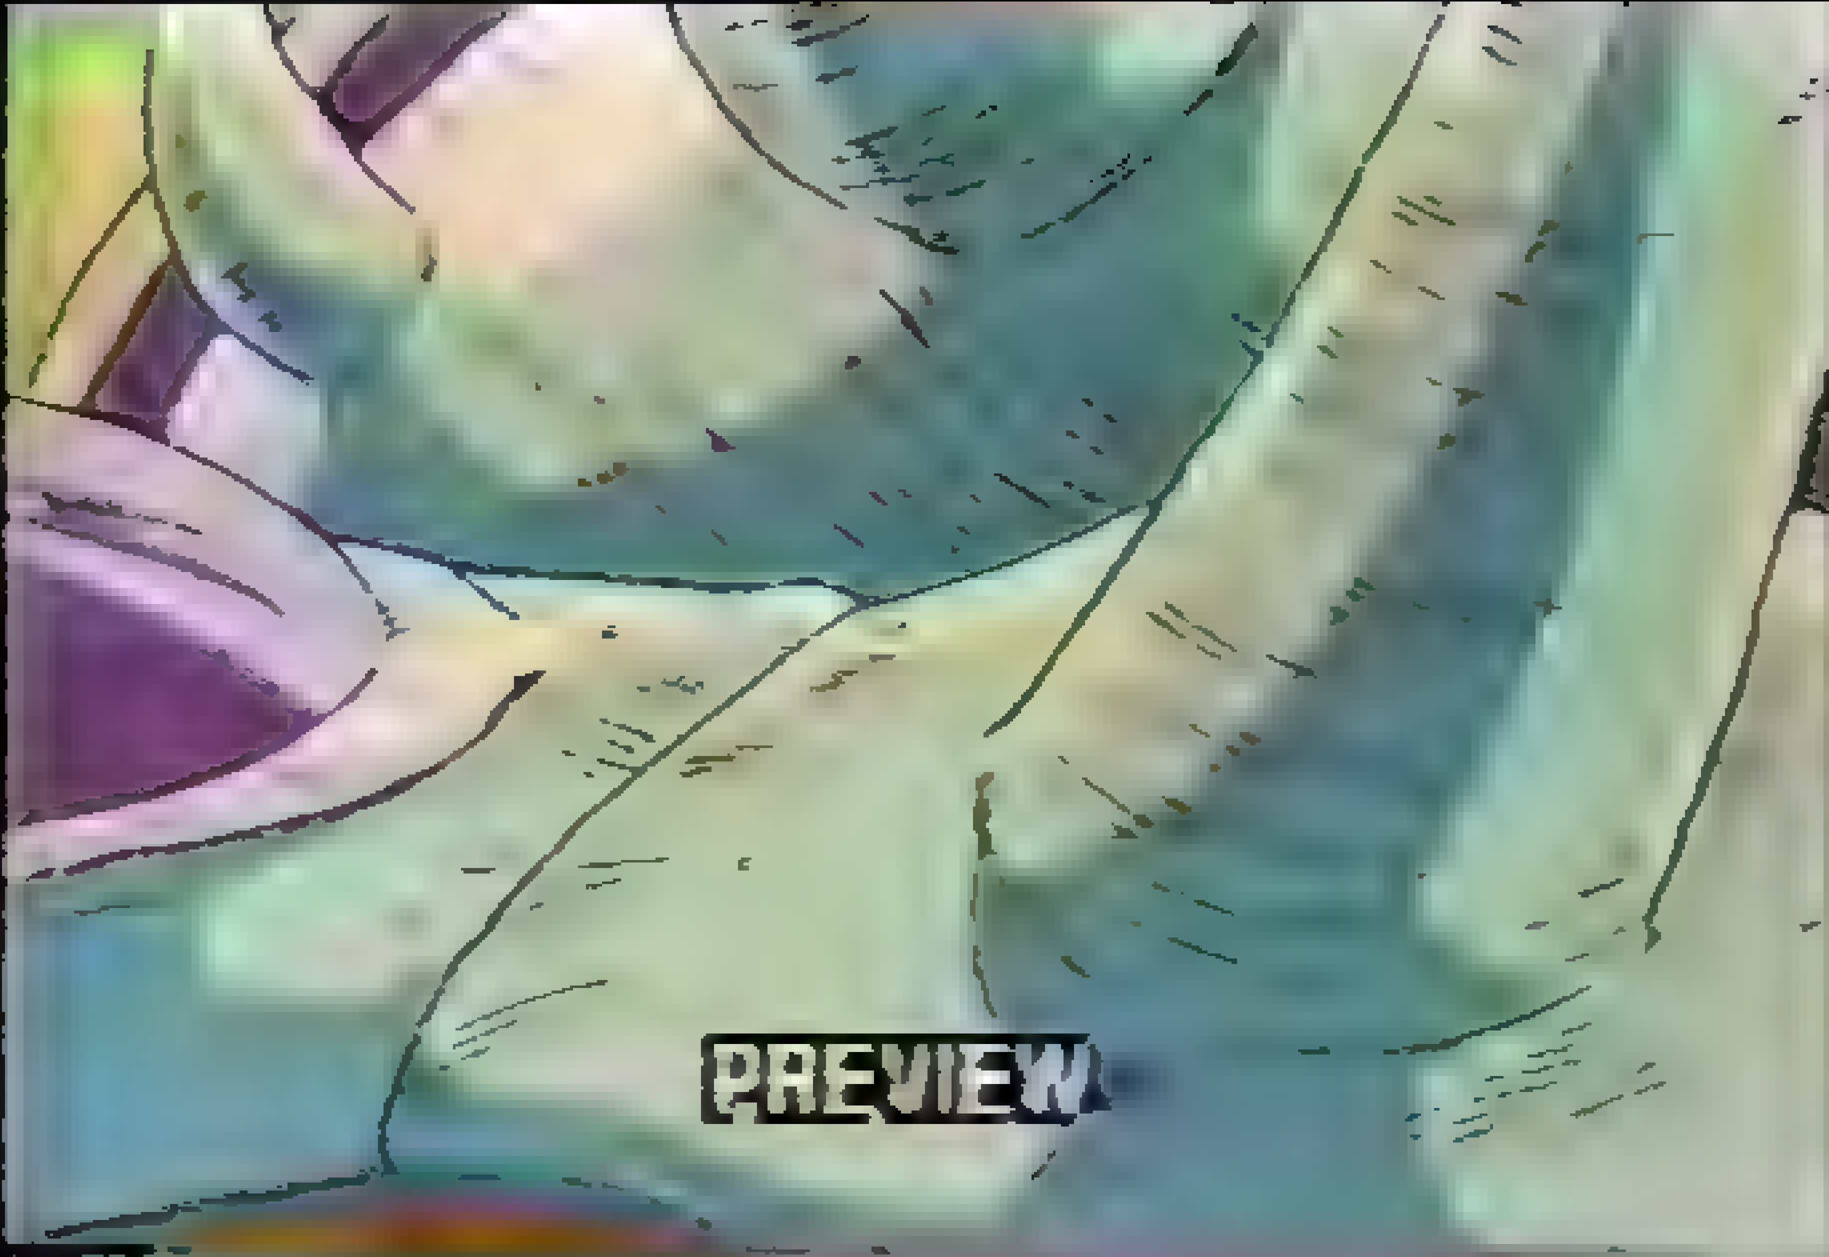

Piccolo is in dire trouble and
Gohan speeds to help him

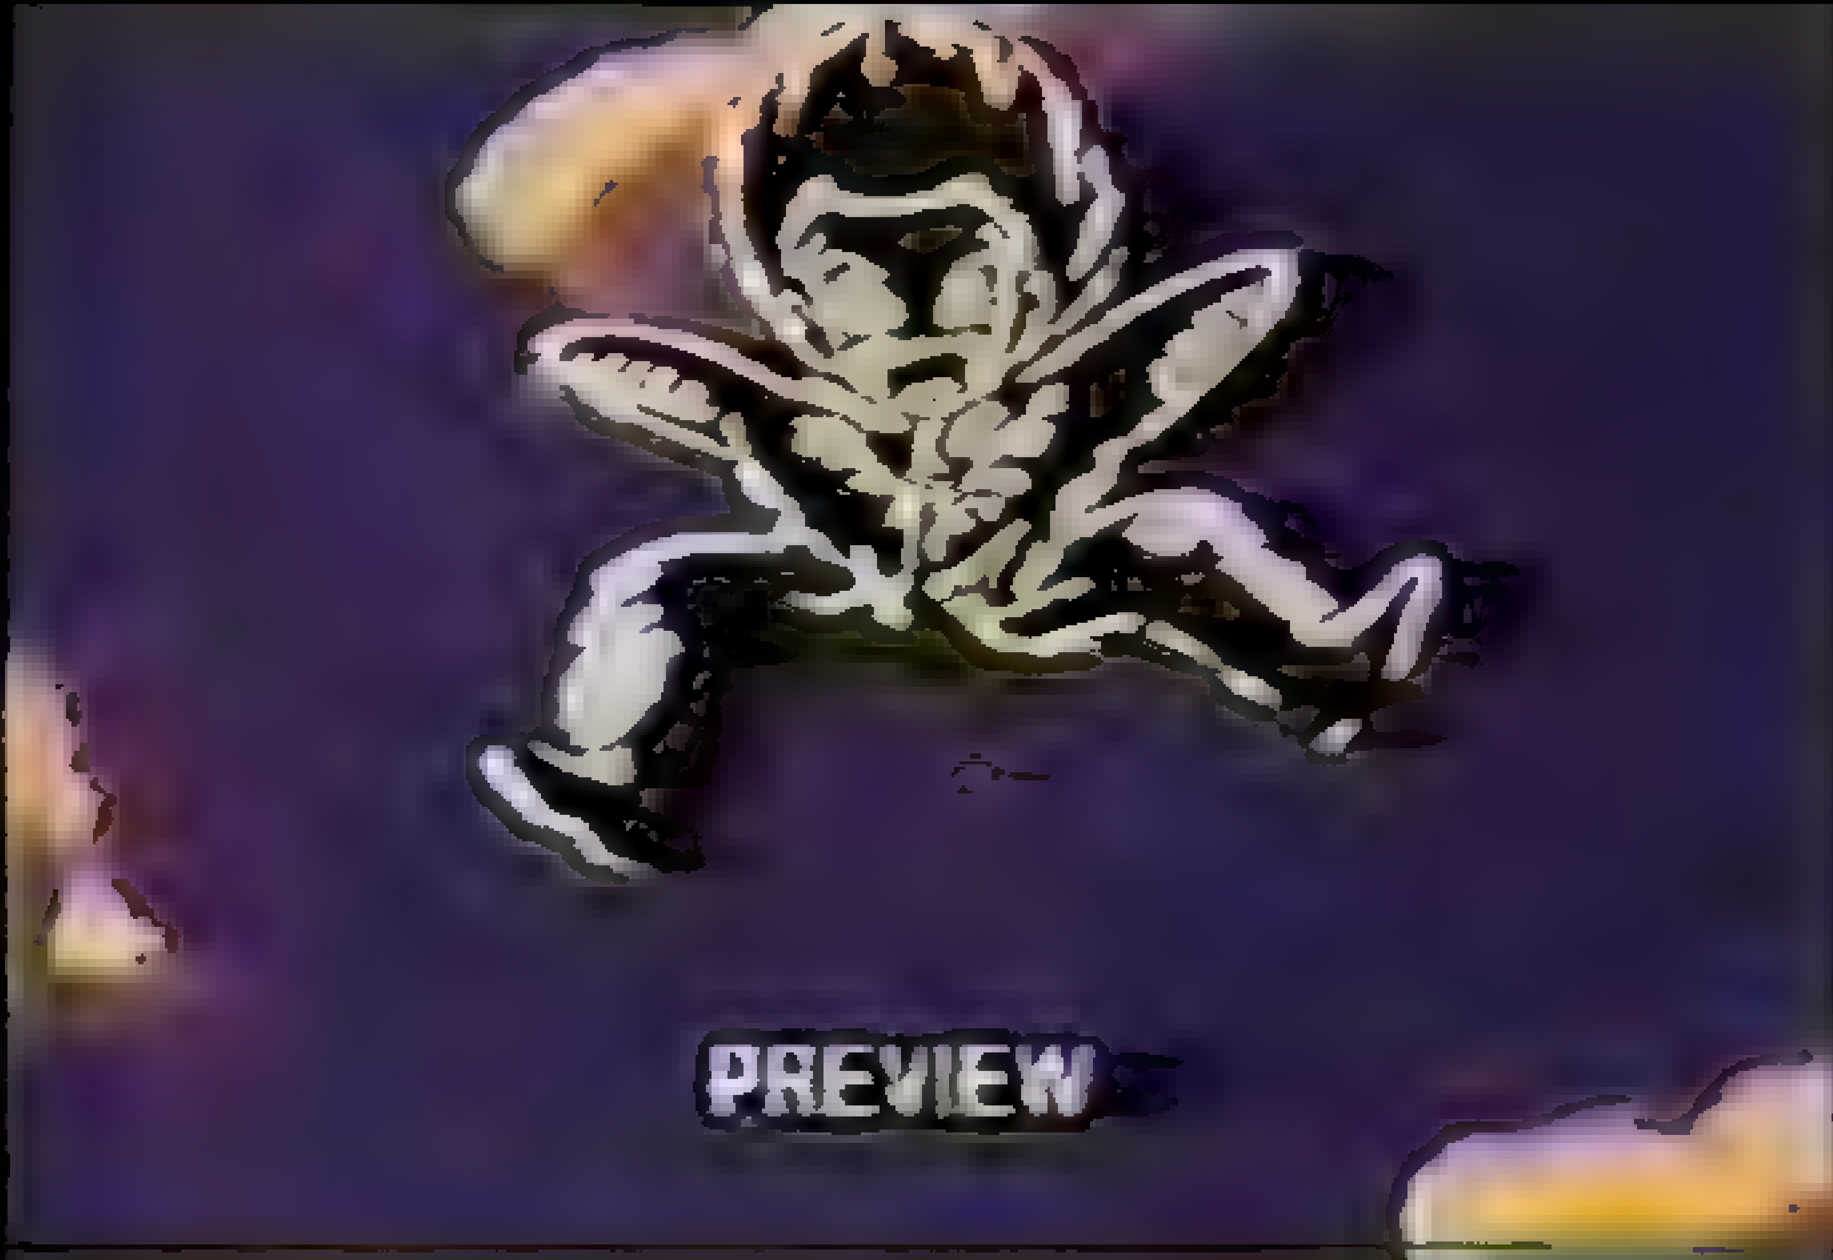

What will happen—?

What will happen...?
